NOSIN.....  
WITH POLLY

I've always heard that fingers were made before knives and forks and lately I've grown a wee bit leery about this speedy world we live in today, afraid at the Middleton household we'd finally decide that we didn't have time or energy to wash the silverware and go back to using our fingers. I find in this hustle and bustle life that I have long given up using needle and thread (didn't have time to apply the stitches). But these office supplies come in pretty handy, we just staple our clothes on.

Mrs. Ralph Rudd said she quit work. She decided that two could starve to death as cheaply as one, and there wasn't any use being tired while you starved.

This poem was sent to me this week by my little brother whom I have always found through the years to be refreshing and helpful. (He has always served as a critic to me, never failing to tell me if he thought I was wrong.) Yet at the same time building my ego to aid me in doing a job we thought worth while. I thought it well worth pondering over, so I pass it on to you.

### THE MAN IN THE GLASS

When you get what you want in your struggle for self and the world makes you king for a day. Just go to the mirror and look at yourself, and see what THAT man has to say.

For it isn't your father or mother or wife who judgement upon you must pass; The fellow whose verdict counts most in your life is the one staring back from the glass.

Some people may think you a straight shootin' chum and call you a wonderful guy, but the man in the glass says you're a bum if you can't look him straight in the eye.

He's the fellow to please, never mind all the rest For he's with you clear to the end, and you've passed your most dangerous difficult test if the man in the glass is your friend.

You may fool the whole world down the pathway of years and get pats on the back as you pass, But your final reward will be heartaches and tears if you've cheated the man in the glass.

### Overseas Mailing

Deadline Nov. 15th

Postmaster, Marshall Kelley has announced that overseas mailing deadline will be November 15.

If packages are to reach men in service overseas by Christmas, packages must be mailed by that date.

### Talent Show At S. L. High November 16

\$75,000 IN CASH PRIZES

A Talent Show will be held at 8:00 p.m., Tuesday, October 30 in the Springlake High School auditorium sponsored by the local P. T. A.

Cash prizes of \$40, \$20, and \$15 will be awarded for 1st, 2nd and 3rd prizes. Cash prizes will be donated by the Northern Star Seed Farm of O'Brien, Texas.

Also special entertainment will be furnished by the Northern Star Quartet of O'Brien, Texas.

Any interested talent may contact Mr. Clarence Hamilton. There will be no entrance fee. Admission will be 25c and 50c. Tickets are now on sale and may be purchased from any student attending the Springlake School.

### Baptist Weekend Youth Revival November 2 - 4

Three Wayland College students, Tommy Jones, Jeffersontown, Kentucky; Clyde Cain, Canadian; and Kay Archer, Hatch, New Mexico, will form the evangelistic team for a weekend youth-led revival, November 2-4, at the First Baptist Church of Earth.

Jones, who will bring the revival messages, is a key figure in Wayland's religious emphasis as president of the Baptist Student Union. He is active in the college's Volunteer Mission Band and Ministerial Alliance. He gained valuable experience in his field this year while serving as a summer missionary to Jamaica.

Cain, also an active member of Wayland's Volunteer Mission Band and BSU, will lead in the revival song services. He is now serving as music chairman on the executive council of the BSU. In addition to these activities Cain is the school photographer and president of McDonald Hall. This is his junior year at Wayland.

Miss Archer will be at the instruments during the revival. A junior this year, she is a member of the State BSU Choir and music co-chairman for Ferguson Hall. She represents the Home Economics Club in the student government senate, and serves on the BSU executive council as editor of the religious organization's bi-monthly paper. Last year she was elected by the student body as campus favorite.

This trio of campus leaders is called on often to lead in youth centered programs, each having a full background of experience in youth-evangelism.

### Maldonado Loses Hand Monday In Gin Accident

Vidal Maldonado, an employee of the O. C. McBride Gin, in Pleasant Valley lost his left hand last Monday night in a gin accident.

Maldonado's hand became caught in some of the gin machinery and when taken via ambulance to the Muleshoe Hospital, physicians there amputated his mangled hand.

### Party Line.....

Shirley O'Hair, student at A.C.C. spent the weekend with her parents, Mr. and Mrs. Robert O'Hair, Jr.

Mr. and Mrs. O. F. Buhl left Sunday to visit her father, Mr. W. R. Turpin of Texhoma, Oklahoma who is ill.

EARTH TAKES ON A NEW LOOK AS THE FOUR LANE STREETS ARE COMPLETED — The widening of Main Street has given Earth the look of metropolitan City. Some of Earth's improvements of the past three years are new business buildings, new sewer system and disposal plant, new housing, new street lights, plus the fact that the town has possibly doubled its population in so short a time.

# To Control City Traffic

## Homecoming Will Be On November 16

### NOTICE

#### HOMECOMING

The people of Earth and Springlake Communities who have friends and relatives out of the community who are ex-students or ex-teachers of the Springlake Schools, please give their mailing address to Mrs. Pat McCord now, so they may be contacted for the Springlake School Homecoming.

Water Commissioner Clarence Kelley reported Wednesday, that the City Water Rates would continue to remain on irrigation rates. The water rates were due to go back to the regular rates this month. But after a close study of the city's water rates the Councilmen decided it best for the city to remain on these rates.

### AMONG THOSE WHO ARE ILL

Mrs. R. D. Hatchett has been receiving treatment for the past ten days at the Plainview Hospital in Plainview.

Mrs. Hatchett is reported to be steadily improving.

Janice Chasteen, daughter of Mr. and Mrs. Keith Chasteen, underwent tonsilectomy at the Littlefield Hospital, Monday.

She was dismissed Tuesday and is reported to be getting along nicely.

Mrs. Gertie Patterson of Dimmitt was admitted to the Castro County Hospital in Dimmitt, Monday where she is receiving treatment. Attendants report her to be improving.

Mrs. Joe Watson was admitted to the Amarillo Osteopathic Hospital, Wednesday where she has been receiving treatment.

Attendants report her condition to be much better.

### ATTENDS BREAKFAST CLUB IN CLOVIS SATURDAY

Mrs. A. C. Loftis, Mr. and Mrs. C. L. Hamilton attended the Breakfast Club Program in Clovis on Saturday.

Mrs. Loftis and Mrs. Hamilton were presented carnations. Mrs. Loftis and Sue Neal won prizes.

Ex-students of the Springlake High School will be in for a gala good time Friday, November 16, when homecoming will top the list on the calendar that day.

Registration for the occasion will begin at 4:00 p.m. Friday in the school cafeteria.

A delicious meal of barbecue and all the trimmings will be served from 5:30 p.m. to 7:00 p.m. in the cafeteria. All residents of the community, teachers, friends of ex-students are invited to attend the barbecue. If possible all tickets should be purchased by November 12. Tickets will be on sale Friday at Lucille's Beauty Shop, Earth Style Shop, Baron Bros. Butane, Earth Furniture Exchange, Springlake Beauty Salon, Springlake Motor Supply and the school secretary's office.

The final event for the day will be a get-together of ex-students after the football game between the Springlake Wolverines and Farwell. Immediately following the game, free doughnuts and coffee will be served in the cafeteria in honor of ex-students.

### Local Trio Appears On Breakfast Club Program in Clovis

Appearing on the Breakfast Club program at the Silver Grill Cafe in Clovis, Saturday were the trio Carol Hamilton, Linda Kelley, and Wayne Mae Rutherford. The program was broadcast over station KICA in Clovis.

The trio has made a number of appearances on other TV and radio stations. All are students at the Springlake High School.

## BEAUTY SHOW AND PIE SALE TONIGHT AT HIGH SCHOOL

A Beauty Show followed by a pie sale will be held at 8:00 p.m. tonight at the Springlake High School Auditorium.

The Beauty show will be sponsored by the Wolverine Booster Club, with male members modeling women's latest fashions, including sports wear, suits, coats, bathing suits, play clothes and wedding apparel.

Entertainment for the evening will be furnished by the Trio, Way-

## IMPORTANT NOTICE!

According to an agreement between the City of Earth and the State Highway Department, the City is obligated to enforce certain traffic regulations pertaining to vehicular parking upon State Highway 70 within the City limits of Earth.

Therefore, on and after Friday, October 26, 1956, the following regulations shall be rigidly enforced.

1. No trucks of any description will be allowed to park along the right-of-way of Highway 70 anywhere within the City limits of the City of Earth. This also applies to all pickups equipped with beds exceeding 8 feet in width.

2. All automobiles are required to park parallel to the curb with no part of the car in excess of three (3) feet from the curb.

3. Parking along the median in the center of Highway No. 70 is absolutely forbidden.

Any and all violators of these regulations will be subject to arrest and the payment of such fines as may be provided by the City Commission of the City of Earth. Publication of this notice is authorized by the Earth City Commission.

ROY W. NEAL Mayor  
City of Earth, Texas

## New Traffic Laws To Begin Friday, October 26

The Earth City Commission, Mayor Roy Neal and the State Highway Department have issued an agreement to enforce certain traffic laws within the city limits of Earth beginning Friday, October 26.

Within the city limits along Highway 28, no trucks of any description will be allowed to park and also pickups equipped with beds exceeding 8 feet in width.

All automobiles are required to park parallel to the curb with no part of the car to be in excess of three feet from the curb.

On Highway 70, Main Street, parking along the median is absolutely forbidden.

Any and all violators of these regulations will be subject to arrest.

## Graveside Services For Barlow Twins

Graveside services for Claudia Dean and Claudette Jean twin daughters of Mr. and Mrs. Shorty Barlow were held at 2:00 p.m. Sunday with Rev. L. H. Hubbard, pastor of The Assembly of God Church officiating.

The twins were born prematurely, Thursday, October 18 at the Medical Arts Clinic in Littlefield. Claudia Dean died at 11:00 p.m., Friday and Claudette Jean died at 5:00 p.m., Saturday.

Survivors include the parents and grandparents, Mr. and Mrs. J. J. Barlow of Earth and Mr. and Mrs. A. Braudway of Wichita Falls, Texas.

Burial was in the Earth Cemetery under the direction of Hammond Funeral Home of Littlefield.

## Relatives Of Local Resident Killed In Car - Train Crash

Mrs. Ruby Kellogg was notified this week of the death of her nephew's wife, Mrs. Durwood Robinson and three children who were killed instantly Sunday morning, near Waco, when the car she was driving hit the engine of the Katy passenger train, Texas Special No. 1.

The family were on their way to church when the accident occurred.

The husband, who is employed at James Connally Air Force Base was at work and another son had remained with him.

## Newcomers Rain and Hail Damage Crops Slow Harvest

Mr. and Mrs. T. R. Breeze of Springlake are new residents of Earth.

They have moved into the William Cox house in the north part of Earth.

The house Mr. and Mrs. Breeze occupied in Springlake was destroyed by fire, recently.

Mr. and Mrs. O. F. Buhl are driving a new Bel Aire 1957 Chev.

Moisture from showers to good soaking downpours fell in the Earth and Springlake area last Wednesday afternoon and night.

Much hail was reported north of Earth, damaging some of the unharvested cotton crop up to almost 50 per cent on some farms. Hail measured up to 6 inches deep in places.

Insurance adjusters were busy this week adjusting crops and roofs of some farm homes.

Gins were slowed down for several days and combines were unable to get into grain fields to complete the harvest.

Actual damages were not nearly so great as was first reported.

### BOB RELEW ON 30 DAY LEAVE

Bob Belew, who is stationed with the U. S. Army at El Paso, Tex. arrived last week on a 30 day leave.

Belew is assisting in the office of his father's business, the Earth Gin Co.

Secret Pals for the Year were drawn at the close of the meeting.

Ralph Rust, Hershel Sanders, Elma Criswell, Hazel LaDuke, Jack Sanders, Edna McClure and Orlan Bibby.

## "Hot Flashes Stopped" or strikingly relieved

in 63-80% of cases in doctors' tests  
If you're miserable from the "hot flashes" and accompanying irritable, restless feelings of "change of life" — you may be suffering unnecessarily!  
For... in tests by doctors... Lydia Pinkham's Compound and Tablets brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!  
Test Research has proved these medicines thoroughly modern in action... has shown you where to look for relief from those distressing nervous "out of sorts" feelings of mid-life "change"!  
So get Lydia E. Pinkham's Vegetable Compound — or new, improved Tablets with added iron! (Wonderful, too, for the functional pains of menstrual periods.)  
It acts through a woman's sympathetic nervous system to relieve distress of those awful "hot waves"!

Secret Pals for the Year were drawn at the close of the meeting.

# Announcing

THE PURCHASE OF THE

## MARKET BASKET

By

### MR. and MRS. GEORGE TAYLOR

(TAYLOR OWNED & OPERATED the MARKET BASKET 3 YEARS AGO)

We invite all the customers of the Market Basket to continue their shopping here, and we invite our old customers back who shopped with us in past years . . . .

## An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run... Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah... it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world... a distance equal to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—just of endurance of the "Iron Horse." A trial to take the measure of the untested V-8 power without qualification of any kind. A test of running gear-of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are worth more when you buy... and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

**ELECTRIC RANGE  
AND WATER HEATER  
FIT INTO ANY PLAN...**

*the modern way!*

It's 1956... start now to live better electrically. See your Reddy Kilowatt Electric Appliance Dealer

Plan your home around electric living. You can start with a built-in electric range which consists of the electric surface units and the electric oven, or, if you prefer, you can choose the popular "stand-up" electric range. Either way you'll find that electric cooking blends into the decorative scheme of the modern home. Electric appliances are modern to use; best of all they even LOOK modern. The electric water heater can be a part of the kitchen cabinet line giving you more table top work space and a silhouette which marks your kitchen as up-to-date. And, remember, an electric range and water heater require no vents or flues. They are perfectly safe, too. Yes, electric cooking and electric water heating fit into any plan whether you're building new or remodeling. You CAN live better electrically.

# School Libraries Needing Books

BY LIBRARIAN, MRS. MARVIN SANDERS

Possibly as far back as Springlake School itself there has been some sort of Library and method of checking out books. But today we see a great need for more books for students to read.

At the beginning of school this year we had 790 books in our library, with 6 sets of Encyclopedias.

That sounds like a lot of books, but when there is an average of 150 checked out all the time and only 500 of these are fiction, you discover a shortage.

We have added 275 since Sept. 1, but still have a definite need for more. The students are eager for different books. The ones on hand were several years old, we understand there has been donations in previous years by clubs and individuals and the school has greatly appreciated it.

The School Board has provided us with a new library and provisions to keep our books in good shape and in view for the students to look over before choosing one.

So let's back the efforts of our P. T. A. to make our Libraries more efficient, if you have any books suitable for children 6 years and up please make an effort to call Mrs. Marvin Sanders at the school from 8:30 a.m. to 4:00 p.m. or Y0-3602 after 4.

She will be happy to pick them up if you are unable to bring them to school.

We cordially invite the public to visit our Libraries.

## Brownie Scout Investiture Service Held Wednesday

The Brownie Scout, Troop No. 20 met Wednesday for a regular weekly meeting.

Mrs. Cletis Clayton and Mrs. K. Smith led the Investiture service with six new members welcomed into the group.

A game, Wheel of Fortune was played. Jacqueline Parish served cup cakes and punch.

Scouts attending were: Jill McCord, Nancy Alair, Jacqueline Parish, Rita Hammons, Veta Henderson, Donna Scott, Danna Davis, Laura Jones, Peggy Kelley and Paulette Templeton.

## Bridge Club Meets in Littleton Home

The Couples Bridge Club was entertained in the home of Mr. and Mrs. J. A. Littleton, Jr., last Thursday evening.

Prizes were won by Mr. and Mrs. Jim Sanders and Mr. and Mrs. Ross Brock.

Refreshments of Chocolate Cake coffee and hot chocolate was served to Mr. and Mrs. Roger Haber, Mr. and Mrs. Don Atkinson, Mr. and Mrs. Jim Sanders, Mr. and Mrs. Ross Brock, and Mr. and Mrs. Bill Stockard.

## Party Line...

Miss Darlene Blackwell of Ada, Oklahoma is spending the week with Mr. and Mrs. Dale Harper.

Miss Mrs. Richard Stockstill spent the weekend with Mr. and Mrs. P. J. Stovall in Oklahoma City. They were joined by Mrs. Stockstill's brother, Billy Stovall of Norfolk, Va. They departed home by a friend, Mrs. Carolyn Fisher and Stewie of Oklahoma City.

SPRINGLAKE HIGH SCHOOL'S NEW LIBRARY — Pictured at the right in the Library is Librarian, Mrs. Marvin Sanders. Mrs. Sanders pointed out to the reporter that the library had obtained 270 new books since the beginning of this term, but could use donations of suitable books for the use of the library.

## HELLO WORLD!

Mr. and Mrs. Glendon Dyer of Sweetwater, Texas, are the parents of a son, named Daniel Eugene, born October 16.

The grandparents are Mr. and Mrs. T. B. Dyer of Springlake and Mr. C. R. Johnson of Texas City, Texas.

## Party Line...

Mr. and Mrs. Barney Glasscock and Larry were in Lubbock Sunday afternoon on business.

Mr. and Mrs. O. C. Sumner of Winslow, Arizona and Mrs. Allan Sumner of Silverton visited in the home of Mr. and Mrs. L. T. Smith, last week.

Mrs. Paul Templeton visited with Mrs. Max Templeton in Sudan Monday.

Mrs. Eld Wheat and Mrs. Dan Huey were Littlefield visitors, Wednesday.

Mr. and Mrs. Henry Gilmore spent the weekend with their son and family, M-Sgt. and Mrs. Verlin Gilmore of Las Cruces, New Mexico.

## 1957 Dodge and Plymouth To Be Shown October 30 at Busby Motor Co.

The new Dodge and Plymouth will be shown Tuesday, October 30 at Busby Motor Co. in Springlake.

"All the power that any safe driver would need," in the words of Dodge President M. C. Patterson, has been built into the larger engines of the 1957 Dodge Sweep Wing passenger cars.

The new engines provide "full-time driver control" of the 1957 cars under all conditions of weather and terrain and with ample reserves of power on tap to enable motorists to "get out of difficult situations before they happen," Patterson said.

Compression ratio of the popular Getaway six-cylinder engine, available in Dodge Coronet models has been raised to 8.0 to 1. Horsepower is 138 @ 400 rpm.

Displacement of the Dodge Red Ram V-8 engine has been increased from 315 to 325 cubic inches and the compression ratio raised to 8.5 to 1. Horsepower is 245 @ 4400 rpm. Designated to operate on regular fuels, the Red Ram V-8 is standard equipment in Coronet V-8 and Royal models.

The Super Red Ram V-8 engine for Custom Royal models is equipped with a four-barrel carburetor, dual exhausts and extensions, special distributor, special air cleaner and four-barrel intake manifold. Horsepower is 260 @ 4400 rpm.

A special, high-performance D-500 engine, available with double over-

ker arms and dual exhausts and extensions, has a single four-barrel carburetor. Horsepower is 285 @ 4800 rpm. The D-500 engine with two four-barrel carburetors develops 310 H. P. @ 4800 rpm.

## S. L. STUDY CLUB SAYS THANKS

The XIT Study Club of Springlake wish to say thanks to all who so generously contributed to the Girl Scout Fund Campaign held last week.

## Magazine Sales Will Buy Drums For Springlake Band

Members of the Springlake Bands are busy soliciting subscriptions to magazines in order to earn money for a badly needed set of matched drums for the Wolverine Band.

At present the band has no two snare drums alike, and the purpose of the magazine sales drive is to help make possible the purchase of a set of the latest type pearlized drums in the school colors, and to try to have the new drums in time for the interscholastic League Marching contest which will be held in Lubbock November 27.

The magazine sales campaign will continue until Monday, November 5, and anyone who has not ordered a new subscription as yet will greatly aid the band if he will give his subscription to a Band member. Even if a present subscription has not yet run out. It may be renewed so as to continue on from the time the old subscription expires.

It will be noted that the Band Members themselves are the ones who are doing the selling in this campaign, being divided into two competing teams—the Greens and the Blues. The losing side will probably entertain the winning side with a coke party or some such event.

Several individual prizes will be available to the band members who sell the greatest amount of magazines during this campaign.

Such a program as this provides a source of income for the band and at the same time gives the students valuable experience in salesmanship and in talking to people.

It gives the public a chance to renew subscriptions to favorite magazines, and lessens possibility of itinerant salesmen of these mag-

## A Salad To Sink Your Teeth In!

By Betty Barclay

IN THE Far East Pukka means substantial and this salmon and rice salad is genuinely pukka! Try it on your family — the members who're not usually enthusiastic salad munchers will enjoy this one.

**Salmon Salad**  
 1/2 cup packaged precooked rice;  
 1/2 cup mayonnaise; 1 tablespoon lemon juice; dash of pepper; 1 cup (7- or 8-ounce can) salmon, drained and flaked; 1/2 cup diced celery; 3 tablespoons sliced stuffed olives.

Add rice and salt to boiling water in saucepan. Mix to moisten all rice. Cover; remove from heat. Let stand 13 minutes. Then uncover and cool.

About 1 hour before serving, mix mayonnaise, lemon juice, and pepper. Combine salmon, celery, and olives in a bowl. Stir in mayonnaise mixture. Add rice; mix lightly with fork. Chill. Serve on crisp salad greens. Makes about 3 1/2 cups.

Team captains who are heading the sales drive are Marilyn McGeath for the "Greens" and Kathleen Wislaa for the "Blues".

## NOTICE..

A "Come and Go" Bridal shower will be held Tuesday, October 30 from 7-9 p.m. in the Community Building, honoring Joyce Davis, Bride elect of Kenneth Hicks. Everyone is invited.

## News From Pleasant Valley Community

By Mrs. Leroy Hicks

Forest Green is the proud owner of a new Ford pickup.

Word has been received by Leroy Hicks that his mother, Mrs. Angus Hicks has regained her speech. Mrs. Hicks suffered a paralytic stroke in August, losing complete use of her right side as well as her speech.

Several attended the P. V. Home Demonstration Club meeting that was held in the home of Mrs. Warren Meeks last Thursday.

SUNDAY WILL BE  
a **BIG** day  
in the Assemblies of God  
SUNDAY SCHOOL

**A PLACE TO SERVE**

"All growth depends upon activity," was a statement made by Calvin Coolidge. The statement might well have been made about the Sunday School, for it is certain that the Sunday School which ceases to work ceases to grow.

We desire to continue to grow at the Assembly of God Church Sunday School. We have set aside this month of October as Enlargement Month, a time when there is special activity to bring growth. Won't you help us by being present this last Sunday of the month, October 28? Sunday School starts at 9:15. There are classes for every

member of the family, from the youngest to the oldest. There's a place especially for you.

We trust you will make our Sunday School your home Sunday School even after the month of October is past. You'll find one of the best places to serve the Lord is at His House.

There was 98 present last Sunday, and we want to go far beyond that this Sunday. We'll be looking for You this Sunday—and every Sunday thereafter.

Pastor L. H. Hubbard  
P. S. You will enjoy the evangelistic service on Sunday nights at 07:30

## THE AMERICAN WAY

## IT'S THE LAW in TEXAS

**INJUNCTIONS, MANDAMUS ARE SPECIAL REMEDIES**

Sometimes you see newspaper stories telling how various courts have issued "injunctions" to protect the owner of a patent from infringing, to stop someone from putting up a building which would be a hazard to the neighbors or to prevent some other type of activity which might harm one or more persons. Occasionally you read where a "writ of mandamus" has been directed against some public official. This column briefly explain both of these extraordinary legal remedies.

The injunction got its name because in the old days the English king commanded, enjoined, special action when an ordinary court action could not solve a problem at hand. Today it is an order requiring a person (or corporation) to refrain from doing a particular act. As a rule, one would first get a "Temporary Restraining Order" which would stop someone from doing something harmful—like polluting a stream or annoying the peace of your home. By granting it the judge preserves the status quo until a hearing has been held to hear both sides of the controversy. Usually, if you want an injunction, your lawyer will take sworn statements into court to show that your grievance is one which could be taken care of only by an injunction.

Often you must put up a bond to make up for any damages you do the other side if the court doesn't see things your way. After you've made your request, the court arranges to hear the other side. They must "show cause" why the injunction should not be issued. Because most injunctions deal with immediate problems, the court hears the merits of such a case in a very short time.

After the temporary injunction is issued, a "permanent" injunction may be obtained or either party may start a lawsuit to settle the problems which the temporary injunction has cleared up for the moment.

If the court grants an injunction it must be served on the defendant to be effective. Then if he disobeys the order, he is disobeying the court and is subject to a fine or a jail term for "contempt of court".

"Mandamus" is a special remedy used to right wrongs or enforce proper action by a public official.

When we elect public officers to work for us, we place a great deal of authority in their hands. Sometimes they fail to do their lawful duty. One way to make a government official do his job is to ask the court for a writ of mandamus.

Suppose you have applied for a permit to build a house under a city building code. You submit your plans which meet all the requirements of the code but the proper officials won't give you the permit and you can't get one elsewhere. You can then ask the court for a writ of mandamus and if you were right and the building official had no grounds for refusal, the court will order him to issue the permit.

Before the court will issue such a strong command as this, the officer must have refused to do his clear cut duty—not something that he may or may not have to do as part of his job.

## MARY WORTH'S FAMILY

## MARY WORTH'S FAMILY

## MARY WORTH'S FAMILY

## HAIR-BREADTH HARRY

AUSTIN, Tex.—Gov. Allan Shivers again is heading the ranks of Texans for Ike. After killing a 1,990-pound bear in Alaska, the governor came home gunning for Alai Stevenson.

Shivers is to make three out-of-state speeches for Eisenhower this week. He said he is ready to fake more any time, any place.

He criticized scheduled appearances in Texas of out-of-state U. S. Senators who voted against the tidelands bill.

In reply Sen. Lyndon Johnson said that the Governor was 'being discourteous and insulting' to visitors to Texas. "The tidelands issue," he said, "is as dead as Allan Shivers."

**SPECIAL ELECTION DANGLES**—Campaigners for Price Daniel's U. S. Senate seat are in for more tortuous waiting.

Governor Shivers has said he will have no announcement on calling an election until after November 6. A special election he added, "has no place being mixed up with a presidential election."

**COTTON REFERENDUM SET**

Texas cotton farmers will vote December 11 on whether to extend federal marketing quotas to the 1957 crop.

Two-thirds approval of farmers voting nationwide is required to put quotas into effect. Continuation of wheat quotas has already been voted.

USDA also announced that each Texas county's 1957 cotton acreage allotments will be within at least one percent of its 1956 level. This decision apparently was aimed at quelling a prolonged rivalry between East and West Texas counties for increased acreage.

Total Texas cotton acreage for 1957 is to be 7,410,893 acres, slightly higher than 1956.

**ELECTION INVALIDATED**—Local option elections held in an area less than a justice precinct are illegal, says the courts.

Texas Supreme Court has upheld a Civil Appeals Court decision to this effect. As a result, a section of Austin considered "dry" since 1935, is now legally "wet."

Local option elections, said the appellate court, can be held only county-wide, city-wide or in an entire justice precinct.

**STATE GROWTH FORESEEN**—Texas' need for state office space will be tripled by 1980.

So say planning consultants for the state building program. They estimate that Austin alone will have some 11,500 state employees 24 years hence. Statewide the total is set at 24,000 to 30,000.

Planners say the 200,933 square feet of floor space in the Capitol should be augmented to make a total of 1,720,000 square feet. To

accomplish this, four new office buildings would be built. Capitol grounds would be extended north six blocks to 19th Street.

"Broad estimate of the cost: \$87,000,000.

Another recommendation in the recently completed Capitol area master plan is to sell or abandon four older state-owned buildings dotter over Austin.

**GAS TEST CASE SET**—Whether the state should refund some \$4,000,000 in natural gas taxes will be considered by the Third Court of Civil Appeals on Feb. 6.

District Court ruled for the gas company in the case. An issue is whether some 30 companies who paid taxes, without protest, can get their money back.

Companies which paid under protest were repaid shortly after the law was declared unconstitutional. Any rise in alcoholism among Texans during 1956 is indicated.

Twice as many patients have been admitted to alcoholic wards this year as last, reports the State Hospital Board.

Total number of alcoholics in the state is estimated at 155,100. This is almost twice the 1940 estimate of 83,304, represents about 3 per cent of total population.

**FARM INCOME UP**—Texas cash farm income for 1956 is running slightly higher than 1955, despite

the drought. But, according to the University of Texas Bureau of Business Research, the figures reflect desperation, not prosperity.

High income, it is explained, comes from sale of production materials, such as breeding stock. Specialists compare it to the situation of a factory which keeps in come up by selling machinery.

Total through August was \$927,000,000 compared to \$925,000,000 a year ago.

**SCHOOL TRUSTEES CONFERENCE**—Texas School Board members talked all around their integration problems, finally settled on a resolution urging each district to approach the question with "dignity."

Only one dissenting vote was heard among the some 200 attending the Texas Association of School Boards convention in Austin.

One speaker declared integration should be handled strictly on a local basis. Another deplored that school boards have been made the "goats" in the controversy.

**SHORT SNORTS**—Number of Texas factories increased 25 per cent from 1947 to 1953, according to the Dept. of Commerce. Value of manufactures rose to \$1,780,600,000 or 103 per cent. It put Texas industrial growth well ahead of the nation as a whole—Children in 17 Texas counties will seek funds for Christian Rural Overseas Program instead of candy on Hollow-

eenight. Last year the state's youngsters brought in \$39,000 from their holiday rounds—Texas schools received nearly \$84,000,000 in federal funds last year, according to the U. S. Office of Education. Texas' share was the second largest in the nation—A \$5,000,000 pecan harvest this fall is expected to boost the sagging fortunes of Texas farmers and ranchers. This year's crop is estimated at 25,000,000 pounds, 34 per cent less than last year, but still considered a "good harvest"—Texas has had 487 more citizens leaving the armed forces than entering so far in 1956. Entries total 27,014 separations 33,501, says State Selective Service Headquarters. Of those entering, 28,203 enlisted voluntarily, 4,811 were drafted—Payments to Texas farmers under the 1956 soil bank program have hit \$7,852,242, says the U. S. Dept. of Agriculture.

Mrs. George Powers of Muleshoe visited last week with her daughter and family, Mr. and Mrs. Clyde Knight.

Mr. and Mrs. Rosey Smith attended church at the Lazzbuddie Baptist Church, Sunday.

### LEGAL NOTICE

STATE OF TEXAS COUNTY OF DALLAS:

Notice is hereby given to all interested parties that on October 16, 1956 in the 67th Judicial District Court of Tarrant County, Texas, the Tex-Vit Supply Company, a Texas corporation, as Plaintiff, filed that certain cause No. 3858-C against L. C. Norcross, d-b-a-Norcross Construction Company, and the Houston Fire and Casualty Insurance Company, a Texas Corporation, as Defendants. This action is based on Plaintiff's claim for damages for materials which it supplied to Norcross Construction Company, Contractor, for use in a public improvements project—the construction of a sewage treatment plant for the City of Earth in Earth, Lamb County, Texas—for which it has not been paid even after demand. Houston Fire and Casualty Insurance Company executed, with Norcross Construction Company, the bond required of said Contractor, and is alleged to be liable to Plaintiff along with L. T. Norcross and Norcross Construction Company on said bond for the cost of materials furnished and used in the construction of said plant, and for attorneys fees, court costs and interest.

WITNESS my hand this 16th day of October, 1956.

Attorney for Plaintiff  
George S. Terry  
(Published in the Earth News-Sun, October 25, November 1-8, 1956)

## Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken cuss, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off.

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. It must be tough to face life with their attitude.

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all

the businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators.

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right.

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tidelands bill.

"As a medical man, I am worried about the great shock these senators are going to get, after the election is over and Ike is re-elected and this country keeps on being peaceful, prosperous and progressive. It's liable to put them all in bed."

And Doc Brown walked on off, shaking his head. Of course, the Stevenson man caught on that Doc was hurrahing him, and he didn't like it much, but he'll still have to call him the next time one of the kids gets the croup, because like I said he's the only doctor in town.

Yours Truly,  
*Tex*

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

## News From Pleasant Valley Community

by Mrs. Leroy Hicks

The Pleasant Valley Farm Bureau met at the Community Center last Tuesday night with Gerald Allison the presiding officer in charge of the business meeting.

Billy Free, the secretary read the minutes from the last meeting. A report was given on the Lamb County Farm Bureau Convention held in Littlefield recently.

Due to not having a majority of members present, it was decided to postpone the election of officers until the next meeting.

Mr. and Mrs. John Bickel are in Arkansas visiting this week. Mr. and Mrs. Leroy Hicks were in Plainview Saturday shopping. Mr. and Mrs. John West and ch-

ildren enjoyed a visit recently with relatives at the interesting city of Los Alamos, New Mexico, the city built by employees of atomic enterprises nearby.

Mrs. Doyle Turner and Mrs. E. K. Angeley attended a meeting of the Fidelis Class of the First Baptist Church in Muleshoe last Tuesday night.

Leroy Hicks was a Thursday morning caller in the Harold Faulkner home.

# Sudan Hornets Trample Wolverines 19 - 13

by JIM

The Sudan Hornets turned on a powerful running attack, coupled with powerful blocking and tackling to defeat the favored Spring Lake Wolverines, scoring the final tally in the closing minutes of the game. Both teams had put on fine defensive shows in the second half and not until the final minutes did Sudan manage to break the ice putting them ahead 19-13. The extra point was blocked by Keith Leonhart but that was all they needed.

The Sudan Hornets took the opening kickoff back down the field scoring on a 1-yard plunge by right-half James Gore. They missed the conversion. Springlake came back to make it 7-6 on a plunge by Joe Eld Wheat, breaking off tackle and going 5-yards. Wheat also kicked the conversion.

In the second period the Wolverines forged ahead when Jimmy Herring broke off his own left tackle going — yards. Joe Eld Wheat missed the conversion making it 13-6.

Sudan came back taking advantage of a blocked punt. Williams scored and Wells kicked the extra point making it 13-13 at the half. The score stayed that way until the last quarter when Sudan forged ahead.

James Gore was the offensive standout for Sudan while Jimmy Herring captured honors for the Wolverines. The Wolverines were hampered on both on offense and defense by having Jerry Tunnell on the injured list. Jerry only saw limited action.

Big Keith Leonhart was the mainstay on the line, breaking through time and again to break-up plays and Bobby Angeley also turned in a rugged game at the Wolverine left outside linebacker. Angeley played his best game this year, getting tackle after tackle. Often a little groggy himself from the force of the tackle.

Guard Bellar and Center Beale were the line standouts for the Hornets, effectively corking the center of the line. Beale managed to break through and block the punt that set up Sudan's second touchdown. Beale was picked as the Avalanche Journals lineman of the week.

This was Sudan's homecoming game and also the first district 3-A game for both teams. It gives the Sudan Hornets a 1-0 record in district play and a 2-2 record for the season. The Wolverines now have a 0-1 record in district play and also a 4-2 record for the season.

Sudan racked up 22 first downs with 4 penetrations. Springlake had 8 first downs with 2 penetrations.

### SUMMARY

The Wolverines have an off week this week. Their next game will be with Morton at the Wolverine Stadium, Nov. 2. Springlake now has a 4-2 won-lost record. Winning from Bovina, Idalou, Price College, Muleshoe and Anton. They have dropped their last two to Amherst and Sudan.

They have three games left, all of these being 3-A games. They are Morton, Nov. 2, Priona, Nov. 9, and Farwell, November 15.

Mr. and Mrs. C. E. Roper of Mobeetie, Texas and Mr. and Mrs. Gaddy Vise of Wheeler, Texas spent Thursday night and Friday with Mr. and Mrs. Enos Harper.

## High Plains Field Station Established

At a meeting held in Plainview Saturday, steps were taken to launch an independent agricultural research program in the 19-county High Plains area.

A High Plains Field Station will be established by the Texas Research Foundation at Runner, Texas, to be financed by farmers and businessmen. Estimated cost of the program is \$550,000 over the next five years.

A pledge of \$20,000 a year for five years was pledged by R. G. Peeler of Hereford, representing the Grain Sorghum Producers Association.

Other large donations came from Southwestern Public Service Co. and Anderson-Clayton Co.

Frank Moore of Lubbock Paul Lewis and Jack Yarbrough of Littlefield were named as directors of the fund raising drive in Lamb County, beginning Nov. 26.

A location is planned at Halfway in Hale County, where 310 acres have been made available. One-half of the land has been purchased by the Harvest Mills Foundation and placed at the Texas Research Foundation's disposal. The other half is underwritten by George Green of Green Machinery Co. at Plainview, who agreed to pay on land until the Texas Research Foundation can take over the payments.

Dr. T. C. Longnecker, assistant director of the Texas Research Foundation will head the High Plains Field Station. Harold Hinn, president of the Harvest Queen Mill and Elevator is chairman of the Board of Directors.

Mrs. Carrie Simmons and Mildred Abbott are guests in the home of Mr. and Mrs. Dennis Simmons.

## Hybrid Corn Produces High Yield For Royce And Doyce Turner of P. V.

Royce and Doyce Turner's Hybrid corn was checked by a committee for the official state records, last Saturday.

Doyce's Texas-30, a yellow corn was planted May 5, irrigated 4 times, but was not fertilized, produced 164.6 bushels per acre. This corn tested 12.86 per cent moisture. The two previous years he produced better than 200 bushels of corn per acre.

Royce Turner grew Texas W-17

which is a white corn and it produced 156.2 bushels per acre. The corn contained 19.39 per cent moisture. This corn was planted May 10 and fertilized with 400 lbs. 16-20-0 to the acre. With these kinds of yields, corn will compete with cotton for cash income in Lamb County.

Royce and Doyce are the twin sons of Mr. and Mrs. Doyle Turner of the Pleasant Valley Community.

## Regular Meeting Held By Cub Den III

A regular weekly meeting of Den III, Cub Scouts was held at 4:15 p.m., Monday, October 22.

Achievements and electives were recorded for the scouts and the Den Scrap Book brought up to date.

Lion Heads of plaster of paris and puppets were displayed. A few puppets were not completed. Pictures of the scouts trees were taken by the Den mother, Mrs. Ted Brown for nature month.

John Patterson served cup cakes to the following scouts: Gary Cow-

ley, Bibby Brown, Mike Bartlett, Bobby Borum, Mike Bartlett, John Patterson and two new members, Lary Joe Watson and Dean Richardson. Mrs. Gladys Parish was a guest.

The meeting adjourned at 5:20 with Scout promises and living circle.

## Party Line.....

Mr. and Mrs. A. C. Loftis and Carol Hamilton attended the Canyon-N.M.A.M game Saturday night.

Rex Loftis returned home to spend Sunday with his parents.

## Return From Deer Hunt In Colorado

Returning Monday from a 4 day deer hunt in Colorado were Don Clayton, Franklin Starkey, Jim Burgess and Richard Green.

The group reported returning with three deer which were killed near Chromo, Colorado.
