NOTICE **TO PARENTS Of School Age Children**

The school census is being taken during the month of January this year. All children who are six years old on or before Sept. 1, 1969 but will not be 18 or older on or before that same date should be counted in this census. It is very important that all children six to 18 years be counted in this census. The child should be counted even though he may not be in school and even though he or she may be married.

If you, as a parent, have not received and filled out a school census blank on or before January 31 you are being overlooked and should do one of the following: 1. Phone the school office and ask for a census blank.

2. Call in person at the School Tax Office and get a census blank and fill it out.

Remember, if your child will be six years old next September 1, he should be counted in the census now, even though he is not in school now. If he is six but not 18 or older next September 1 he should be counted now. All children from six to 18 should be counted. The six year olds who start next September to school are the ones most overlooked in the census. Failure to count them costs the school and taxpayers extra money. Please help us not to overlook anyone.

> Don't Wait 'Till Feb. 1st To Turn Your Blanks In - As That Will Be Too Late

MY F Hosts Sub-District Meet

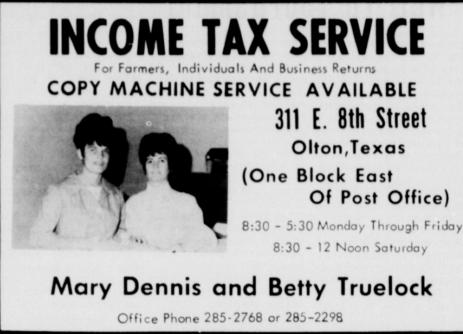

Approximately63 Young people from the Shining Light Sub-District gathered at the local United Methodist Church Sunday afternoon for their quarterly meet. The sub-district meet included MYF'ers from Lazbuddie, Hart, Sudan, Bovina and Earth.

The meeting began at 1 p.m. with a luncheon. Following the meal the group heard a panel discussion on the new church literature for youth entitled "Mission: Possible or Impossible" In discussing the literature the group concerned themselves primarily with the publications "Real, for Sunday Morning Study Commonlife" for MYF groups and "Face to Face" a suplimentary magazine. They agreed that the materials were generally written for youth in

large cities, but that it was understand the new materials. Mr. and Mis. Calvin Wood vis-written on a mature level. and that it would require pat- ited last weekend in San Angelo needed to be done in order to to make the change.

> Fitness In Pratice

In observance of "Physical Fitness Month" Cub Scout, den put their knowledge of health into practice at their Thursday afternoon meeting at the Scout

Terry Hood, cub denner for the month of January, led the Den Yell and the flag ceremony to open the meeting. Members of the den made two back - yard games, including walking stilts from tin cans. Other physical fitness games
