EARTH, LAMB COUNTY TEXAS, THURSDAY, JUNE 1, 1978

NUMBER 84

South Plains College Honor List Named

The Dean and President's Honor Lists for the spring 1978 semester at South Plains College have been announced.

A total of 294 students made the combined lists, with 227 persons named to the Dean's Honor List and 67 persons named to the President's List.

To be named to the Dean's Honor List, students must maintain a minimum 3.25 grade point average while carrying at least 12 semester hours with no failing grades according to Nathan Tubb, SPC academic dean. Students on the President's Honor List must maintain a 4.0 GPA.

Area students named to the President's Honor List are:

Sharlyn Patterson, Amherst.
Donna Green, Earth.
Students named to the Dean's Honor List were:
Sharlyn Patterson, Amherst.
Richard L. Brown, and Donna K. Green, Earth.

Local Students Receive Scholarship

Timothy B. May, Susan M. Clayton and Elizabeth Belew, all of Springlake-Earth, have been selected to receive West Texas State University President's Honor Scholarships for the upcoming academic year.

"The primary objective of West Texas State University is to provide quality education for our students," said WTSU President Max Sherman. "Because of our respect for academic accomplishments, West Texas State University established the President's Honor Scholarship program for the 1978-79 academic year."

"This scholarship is for academically-talented high school seniors who will attend West Texas State University in 1978."

One hundred eighty nine students in 69 high schools in the region have elected to receive the \$100 scholarship, which is in addition to any other they might receive.

May lives on Route 1, Earth; Miss Clayton's address is Box 276, Springlake; and Miss Brene's Box 62, Earth.

James Laing To Graduate

James W. Laing, son of former Earth residents, Mr. and Mrs. George W. Laing will be graduated Thursday, June 1, 1978 from St. Thomas' Episcopal School, Houston, Texas.

Jim is the grandson of Mrs. John M. Laing and of Mrs. James L. Stewart.

Jim was a member of the school choir, the varsity soccer team and the softball team. Additionally, he is a member of the Society of Distinguished American High School Students, an Eagle Scout and a member of the Order of the Arrow.

Jim will enter Texas A & M University in the Fall of 1978. Ultimately he hopes to pursue a career in medicine.

Enchilada Dinner Saturday

Sponsors of Susie Duran, who is one of the candidates for Queen at the 16th of September celebration will be selling enchilada plates this Saturday, June 3rd. They will be on sale from 11 a.m. till 1 p.m. The plates will consist of 2 enchiladas, beans, rice, salad and tostadas. The price is \$2.00 per plate.

You can buy your enchilada plate at the hall of St. Mary Magdalene Church. All proceeds will be contributed to the new building purchased by the church.

Notices

Sunday, May 28, Juanita Castillo was winner of a candy compote and nut bowl being raffled by St. Mary Magdalene Church in Earth.

The Republican Party will hold a run-off election for U.S. Congress Saturday, June 3 for Lamb County Precinct 2, 6, 13, 15 in the Study Hall of Springlake-Earth High School.

There will be a 4-H Workshop, Thursday, June 8 at 10 a.m. at the Earth Rodeo Arena.

Instructor Ernest Wilson from Portales, New Mexico will be working on horsemanship, showmanship, western pleasure and reining.

Fee for the workshop is \$10.00 per child.

Due to a tight printing schedule, we are forced to impose a deadline of Tuesday, 5 p.m. for all news. News items received after this time will appear in the following week's paper.

We'd appreciate your cooperation in this matter.

The Chamber of Commerce will hold their regular meeting Friday morning, June 2nd at 7:00 at Citizens State Bank.

THE KINDERGARTEN CLASS had a "Dress Up Contest" Friday, May 26. Winners were 1st place, Efraim Lopez (Mexican Cowboy), son of Mr. and Mrs. Jesus Lopez; 2nd, Christie Carpenter (Hobo), daughter of Mr. and Mrs. Jerry Carpenter; 3rd, LeShea Wilson (Raggedy Andy), daughter of Mrs. Dianne Wilson.

Springlake VBS Begins Monday

The First Baptist Church of Springlake will be having Vacation Bible School, June 5-9, from 9:00-11:30 a.m. Pre-registration will start following church services Sunday night, June 4.

The Sunnyside Baptist Church puppeteers will present a program prior to the preaching service. Bro. Don Holmes, former pastor will bring the message both services Sunday.

If you would like your child to attend, but do not have a ride, call 986-3351, 986-3304 or 986-3252.

Classes will be for ages 3 years old through Eighth grade.

Hire-A-Teen

Need a lawn mowed, a wall washed, leaves raked or snow shoveled?

A new Hire-a-teen program announced by the Earth Chamber of Commerce is solving these problems for area residents.

Here's how the program works. The Chamber office serves as a clearing house between teens who want to work for pay and those who have jobs they want to pay to have done. The Chamber accepts applications from kids 13-19 who want to work to earn money. From these applications the pool of labor is formed. The Chamber also accepts requests from people who have a job that needs to be done.

Each day the requests are matched to the pool of available teens. The applicant is contacted by the Chamber and given the employer's name and phone number and the prospective employee contacts the employer, and from that point on it's up to the two of them to work it all out.

Price Of Postage Stamps Increase

A new postage stamp that bears the letter "A" instead of a denomination, has been placed on sale at all postal branches.

The stamp's value is 15 cents and corresponds with the new 15-cent postage rate for one ounce of first-class domestic mail which went into effect at 12:01 a.m. Monday, May 29.

The new first-class rate was approved Friday, May 19 by the Postal Service Governors.

The stamp design features an eagle with the legend "U.S. Postage" beneath it. The letter "A" appears beside the eagle. The eagle and lettering are white, on an orange background.

The Postal Service printed the stamps in 1975-76 when similar uncertainty existed regarding its last rate case. At that time, it also printed and put into use two non-denominated 1975 Christmas stamps.

The "A" stamps are available in sheets, coils and booklets. Embossed stamped envelopes, bearing "A" in lieu of a denomination, also may be purchased.

The "A" stamps and envelopes, along with stamps and postal stationery items already in the Postal Service inventory, are sufficient to meet mailers' needs until deliveries begin of postal items with denominations matching the new rates.

In addition to the non-denominated stamps, many mailers will find it convenient to use existing low-value stamps in combination with the 13-cent stamps to meet the new first-class rate for letters weighing an ounce or less.

The charge for each additional ounce or letter mail over one ounce is 13 cents. Therefore, mailers can affix "A" stamps in combination with as many 13-cent stamps as necessary to letters weighing more than an ounce.

An abundant supply of stamps — including a 15-center bearing the portrait of Oliver Wendell Holmes and first issued in 1978 — and other postal items are available at all postal locations to meet the needs.

1978 Seniors Honored

The 1978 Seniors were honored with a dance Friday night at The Other Place in Dodd.

The evening was sponsored by Senior and Junior parents and other interested parents.

The building was donated by Ronnie Haberer. Special highlight was Coach Greg Crawford when he stepped in and took over as disc jockey.

After the dance, the Senior parents sponsored an all night party and breakfast for the Seniors. The evening was a huge success.

VBS Starts Monday In Earth

The First Baptist Church of Earth will start its Vacation Bible School program Monday morning, June 6. It will run through Friday, beginning each morning at 8:30 a.m. and finishing at 11:00 a.m. The church school will be for children who have just completed the fourth grade and under. The church van will run each morning for those in need of a ride to and from the Bible School.

The general director of the school will be the pastor, David L. Burum. The department director for the third and fourth graders will be Susan Chisum. Kathy Britton will be in charge of the first and second graders. The four and five year olds director will be Debbie Haberer. Becky Burum will serve as the director for the two and three year olds department. Hattie Hood will be in charge of the nursery.

Sonshine Singers To Perform

The Sonshine Singers, a group of college youth from the Calvary Baptist Church in Lubbock, will sing during the evening worship services Sunday night, June 4, at the First Baptist Church.

The services will begin at 6:00 p.m. in the auditorium of the church. The group recently performed a concert for the local church. They have an appeal to people of all ages. Their program consists of Christian folk song, skits, biblical drama, and gospel hymns.

The public is cordially invited to attend this concert by the Sonshine Singers.

Cemetery Mailbox

Those taking advantage of the visitors mailbox at the Earth Cemetery were Jess and Roscoe Lee of Dallas, Texas.

The mailbox was a project of Lottie Orteg while she was president of the Town and Country Study Club. The mailbox is placed there so people can express their opinions of the cemetery.

Public Views Sought On Future Of Conservation

"Public views on the future of the conservation, protection and enhancement of Texas' soil, water, and related natural resources will be sought at a meeting to be held in the District Courtroom in the Lamb County Courthouse at Littlefield, Thursday, June 1 at 8:30 p.m.," Raymond Lewis, chairman of the Lamb County Soil and Water Conservation District, said.

The meeting is in response to President Carter's signing of the Resources Conservation Act last November which requires an appraisal and evaluation of the state and nations' soil and water conservation program.

"The RCA act authorizes and directs the Secretary of Agriculture to develop a national soil and water conservation program in cooperation with the public, our local soil and water conservation districts, the Texas State Soil and Water Conservation Board, and the Soil Conservation Service," said Lewis.

"This program will establish new direction for future soil and water conservation efforts in Texas based on current soil, water, and related resource appraisals," Lewis continued. "One point I want to make clear is that districts in their 40-year history have always assisted landowners with voluntary conservation programs on their farms and ranches. We do not advocate any other

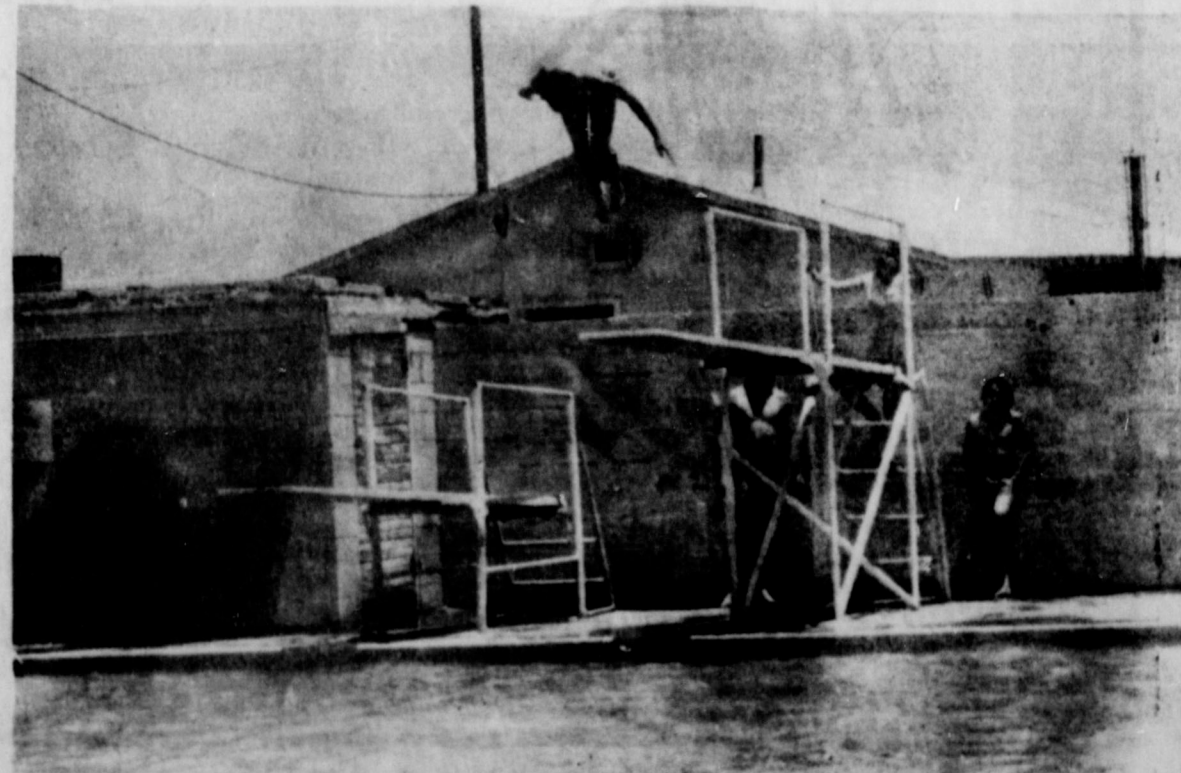

approach since farm and ranch land is privately owned and that the interests and welfare of the owners must be served and that programs must be acceptable to them," Lewis added.

Actions required by the RCA act include gathering data to appraise the condition and quality of Texas and the Nations' soil and water resources by 1979.

The act also outlines a 5-year plan for the U.S. Department of Agriculture's conservation assistance to districts and requires an evaluation of the effectiveness and progress of ongoing programs. Reports will be made to the public and Congress.

"Our first meeting will primarily deal with discussion on soil and water resources in the district and how to conserve them," Lewis said. "The public will also have the opportunity to learn more about the RCA act and the mission, relationship, and responsibilities of the district and Soil Conservation Service."

"I want to emphasize that a grass roots, bottom-up approach is the key to this act. Our district and Soil Conservation Service will need to identify specific resource concerns and associated problems, if any, in addition to determining the extent and severity of these problems. We urge anyone with an interest in natural resource conservation to attend and air their views," Lewis concluded.

UP AND OVER seems to be the theme of the above picture, as the City Pool opens for the season.

(nee Ligda Lacy)

Lacy-Wood Exchange Vows

A double ring ceremony at 4:00 p.m. on May 21, in the First Seminole Baptist Church in Seminole, Miss. Lacy of San Angelo, became the bride of Hal Wood of San Angelo, formerly of Earth, Bobby Phillips, pastor of the Seminole Baptist Church, officiating.

Parents of the couple are Mr. and Mrs. Charles Wood of Earth.

The organist, Patricia King of San Angelo presented wedding selections and accompanied soloist, Robert Stovall as he sang the chosen songs, "Lady", "Wedding Song" and "Because."

Given in marriage by her father, the bride was attired in a wedding gown fashioned of white chiffon with an open V-neck, edged with venise lace, accented with full angel sleeves with a narrow cliff of lace. The full A-line skirt flowed into a chapel length train. A self ruffle edge with lace formed the outline of the skirt and train. The headpiece was a Juliet cap of matching lace holding a lace edged veil of illusion.

The bride carried a cascade of white daisies and yellow roses mounted on top of her Bible.

Nerissa Riley of Canyon served as maid of honor. Sheri Earl of Seminole, Charla Carter of Canyon and Shannon Lacy, cousin of the bride, of Seagraves, served as bridesmaids.

The attendants wore a floral of yellow and orange flowered formal length dress of chiffon. They carried a basket of yellow and white daisies.

Cliff Wood, brother of the groom, served as best man. Clifford Daniel of Earth, Bryan Britton of

piece blue slack suit.

After a wedding trip to Albuquerque, N.M. the couple will be at home in San Angelo.

Lisa is a graduate of San Angelo State University with a degree in Elementary Education. Hal is a graduate of San Angelo State University with a degree in business management.

Out of town guests present were from San Angelo, Brownwood, Earth, Sudan, Olton, Pasadena, Enid, Okla., Lubbock, Friona, Littlefield, Lovington and Hobbs, N.M.

Hello World

Mr. and Mrs. Don Park of Earth are the proud parents of a daughter, born Wed., May 24 at 4:21 AM at West Plains Medical Center, in Muleshoe.

The pretty little lass weighed in at 7 pounds and measured 20.5 inches in length. She has been named Melanie Denise. Melanie has two older brothers; Boadie age 6 and Leslie age 3 1/2.

Grandparents are Mr. and Mrs. Leo Park of Earth and Mr. and Mrs. Percy Harlin of Sudan. Great grandmother is Mrs. Helen Steele of Electra.

PV Social Club

The Pleasant Valley Social Club met Monday, May 8 in the home of Mrs. Lillie Wuerlein, with President Enos Galyon presiding.

A very lovely reading, special for Mother's Day, and written by Temple Daily, was read by Mrs. Wuerlein.

During the social hour, delicious refreshments were served to the following: Mrs. Ida Collins, Mrs. B.H. Pickel, Mrs. Roy Taylor, Mrs. Ruth Holt, Pauline Green, Mrs. Harold Ellison, Mrs. Bonnie Haberer, one visitor, Mrs. Mae Calvert and hostess.

Notice

There will be a bridal shower honoring Lisa Dewitt, bride-elect of Cliff Wood, Saturday, June 3 in the home of Mrs. Macky McCarty.

Hours are from 2 to 3:30 p.m.

Anyone wishing to be hostess may call Fran McCarty at 257-3929.

Card Of Thanks

I would like to thank everybody for their prayers, flowers, cards, letters and phone calls while I was in Albuquerque, New Mexico.

A special thanks to all the people who gave donations and especially the one without a name. May God bless each of you in my prayer.

Thanks A Million

Springlake-Olton

By Mrs. Tom Stansell

John (Skipper) Durham, 21, suffered a broken neck in a bicycle accident April 30. He is son of Mr. and Mrs. Johnnie Durham of Buffalo, Mo., grandson of Mr. and Mrs. Virgle Gray of Olton and nephew of Raymond Durham of Olton and Mrs. Tom Lively, Wednesday, May 17, Skipper underwent surgery in St. John's Hospital, Springfield, Mo. Six inches of bone from his hip was put in his neck. Monday, May 22, the main artery from his heart to his stomach burst. Before surgery, he was given 5 pints of blood, he was given 11 pints during surgery and is continuing to receive transfusions. Saturday morning, a neck brace was put on him and for the first time since his accident, he was placed in a regular bed. It is believed that with therapy, he will regain use of his right arm and hand. Mr. and Mrs. Gray made their second trip to Buffalo the first of last week and returned Saturday night. Anyone wishing to send cards or letters may use this address:

When the economic survival of farmers and ranchers is constantly threatened, so is the economy of our entire district. West Texas producers are being squeezed between the inflation of retail farm prices and the demand to sell wholesale at the marketplace. Government surplus policies discourage incentives for growth, while foreign markets remain undeveloped.

istic policies in developing new, international markets. George stands for support for ranchers by formulating a beef import policy and labeling all imported beef. An overhaul of the inheritance tax structure is in order... one which gives relief to the productive land holder.

The Midland Reporter-Telegram endorsed his candidacy while saying: "Bush seems to have the ability—the best of any of the candidates—to understand and relate to the problems of farmers and ranchers."

George Bush is the frontrunner. His campaign is swelling as evidenced by his near primary victory. Go with a proven winner when you vote in the June 3rd Run-Off. Go with the one man who can achieve victory in November. For the future of our district, George Bush is the one Republican for all West Texans.

Vote in the Republican Primary Run-Off on Saturday, June 3rd.

Carlos Elizarraraz

Navy Aviation Electrician's Mate Third Class Carlos C. Elizarraraz, son of Mr. and Mrs. Jose T. Elizarraraz of Muleshoe, recently returned from an extended deployment in the Western Pacific.

He is assigned to Tactical Electronic Warfare Squadron 131 (VAQ-131), based at Whidbey Island Naval Air Station, Oak Harbor, Wash. While deployed, his squadron was embarked aboard the aircraft carrier USS Kitty Hawk, operating as a unit of the U.S. Seventh Fleet.

During the deployment, VAQ-131 participated in various training exercises with the Seventh Fleet units and those of allied nations, including exercise "Readex 1-78" off the Southern California coast. Upon crossing the equator, those crewmembers doing so for the first time were initiated into the "Ancient Order of the Deep" and given the title of "Trusty Shellback." Port visits were made in Thailand, Singapore, Japan, Korea, Hong Kong and the Republic of the Philippines.

Flying the EA-6B "Prowler," an all-weather electronic countermeasures aircraft, VAQ-131 conducts electronic warfare (jamming) operations.

A 1975 graduate of Muleshoe High School, Elizarraraz joined the Navy in June 1975.

farm operators May 24, according to the Castro County ASCS office.

Producers have 15 days from the date of this notice to appeal yields which must be in writing to the Castro County ASCS Committee.

Community and county committeemen have reviewed yields on each farm and have set preliminary yields for 1978 for all crops except cotton.

"This was a difficult task and time consuming," County Executive Director Charley Hill said. "We thank the committeemen are to be commended for their dedication and a job well done."

"We appreciate your patience concerning the lateness of yields. Also to those of you who are waiting for forms to either be divided or combined, we extend our apologies and hope to have them completed in the near future," Hill said.

Watch for these notices. If you have any questions, please come in and check with us, the director added.

Hail that damaged young cotton in the Hart vicinity accompanied by a deluge of rain that was reported to have washed

out a section of the F.W. & D railroad track west of Hart, fell in a severe thunderstorm late Friday afternoon.

Other parts of Castro County received scattered showers Friday and Saturday, when the measurements at KDHN radio station just north of Dimmitt totaled .30 of an inch in the two showers.

Two and a half inches of moisture fell in about an hour and a half at Hart, according to Dwayne Brown at Farmers Grain. Hail fell in the city, to the northeast and about 10 miles east, but only a short distance South.

Equip basement windows with locks, not simple catches, for optimum safety.

"CREAM OF CROP" AT 4-H ROUNDUP
The "cream of the crop" among 4-H members in Texas will gather for the annual State 4-H Roundup at Texas A&M University, June 6-7. Major events will include the State 4-H Food Show, a State 4-H Project Show, and competition in some 36 contests and demonstrations. Special awards will be presented to 28 outstanding 4-H adult leaders and five businesses, organizations and individuals for distinguished service to the 4-H program in Texas.

CALVING TIME—THE PAYOFF
Calving time is the real payoff for the cattlemen, but he's got to have a tight rein on what's going on to prevent calf losses. Calf losses during or shortly after calving are the second leading cause of decreased calf crop percentage. Proper management to reduce calf losses include close evaluation of the expectant cow, proper feeding, preparation of needed equipment, and close examination during and after delivery.

MARIGOLDS FOR HOT WEATHER COLOR
For fast summer color in that sunny garden or landscape, try marigolds. Marigolds come in all sizes — tall, medium and petite — and in colors ranging from creamy white to yellow to deep orange. Some are even multi-colored. Marigolds are naturally bushy and free flowering, so they never need pinching. They prefer a well-drained, soil, frequent watering and a light fertilization about once a month. Spider mites are a major pest problem.

NATIONAL YOUTH HORSE CONGRESS
The National Youth Horse Congress will be held at the Heart O' Texas Fairgrounds in Waco, July 22-29. Events will include an open show, method demonstration and horse judging contests, Quarter Horse show, Pony of America show, Welsh show and Appaloosa Horse Show. Entry information is available from Mrs. Marilyn M. Dundon, National Youth Horse Congress, 3940 Clear Cove Lane, Dallas Tx. 75234. Deadline is July 1.

HOME GARDNER SHOULD KNOW INSECTS
"A stitch in time saves nine", especially when it involves insect control in the home vegetable garden. To insure good yields of high quality produce, insect pests in the home garden must be controlled. So learning about these pests will prepare you for them when they arrive on the scene.

There are more than 30 insect pests which will attack vegetables in the home garden, and these are divided into three groups.

One group includes those insects which live in the soil and attack seedlings and underground parts of plants. These include cutworms, wireworms, soil maggots and white grubs.

The other two groups are the sucking insects and the chewing insects. Sucking insects damage plants by inserting their mouthparts into the plant tissue and sucking the juices from plants. Sucking insects include aphids, whiteflies, leaf-hoppers, squash bugs and stink bugs.

Chewing insects cause damage by actually feeding on the foliage, stems or fruit of plants. This group includes cabbage loopers, armyworms, flea beetles, grasshoppers and many others. Home gardeners should be aware of these different types of insects and should be prepared to deal with them when infestations develop.

Michael Ray Patterson, 14, of Dimmitt, was dismissed from Amarillo's Northwest Texas Hospital Tuesday after being hospitalized for a week with injuries he received in a car-motorcycle accident.

The youth received a compound fracture of his leg, when his cycle collided May 16 with a car driven by his father, Mike Patterson. The accident occurred on Southwest Seventh Street, when the youth drove his motorcycle into the street from the alley between Maple and Cleveland Streets, and into the path of his father's southbound car.

Young Patterson was thrown into the air and landed in the bed of a pickup in a nearby driveway. His motorcycle, a 1978 Honda, was knocked 81 feet, the Police reported.

There was a meeting of the Castro County Museum Association members Thursday night, May 25, at the museum building.

Directors were elected to fill six vacancies. Museum directors whose terms have expired are B.M. Nelson, Bryce Dowell, Roberg Duke, Weldon Bradley, George Sides and George Bagwell.

A summer youth employment program for economically disadvantaged youth between 14 and 21 years of age will begin in Castro County June 12, preceded by a labor market orientation and Job Fair June 5, the Panhandle Community Action Agency announces.

This program is under the Comprehensive Employment and Training Act of 1973, and offers the eligible youth jobs for eight weeks during the summer. They will work approximately 40 hours a week.

Mr. and Mrs. Ellis Mayberry of Dimmitt. Miss Jackson is a Friona High School graduate and has attended West Texas State University. Mayberry is a graduate of Dimmitt High School and is attending West Texas State University also.

The swimming pool at the Castro County Country Club will open at 1 p.m. Friday, May 26 and will be open six days a week from 1 to 7 p.m., closing each Monday.

Ken Cleveland, who will again be manager of the pool this summer, has announced swimming lessons will start June 5 with the first session to start at 11 a.m.

Castro County in top ten vegetable producers

Harvest of potatoes and onions put Castro County into ninth place among the state's top ten vegetable producers in 1977, according to Agriculture Commissioner Reagan V. Brown.

Castro farmers harvested 1,700 acres of potatoes, 1,300 acres of onions and 4,100 overall in production for the fresh market.

The County produced substantial amounts of carrots and lettuce.

The state's potato crop for 1977 was valued at \$26.3 million. Onions were worth nearly \$55 million to the producers.

Nationally Texas was third in the total vegetables produced for fresh market and fifth in all vegetable production.

Protect your investment. Let us clean, glaze and store your fur.

During the summer months your fur probably hangs in the closet. Hang there gathering dust, attracting moths and even sitting under the heat. It deserves better care than that!

Let us store your beautiful stole or wrap this summer in our humidity-controlled vault. This method of cold storage is insured and guaranteed to extend the life of furs and other fine clothing.

Before storing your fur, we'll clean and glaze it, using a very special dry-cleaning fluid from Dupont called VALCLEN. It's the one dry-cleaning fluid you can trust with just about any fashionable fabric or material...including suede, leathers, fur trim, synthetics, knits, pigment prints and many more.

Our bonded storage is also great for keepsake wedding gowns and any other fine clothing.

Legal Notice

STATEMENT OF INTENT TO CHANGE RATES Southwestern Public Service Company, in accordance with the rules of the Public Utility Commission of Texas and the Public Utility Regulatory Act of Texas, hereby gives public notice of its intent to change its general retail rates in the counties served by it in Texas effective on June 16, 1978.

It is expected that the increase in rates for residential, commercial and industrial customers will result in an increase of 8.8 per cent in the company's gross revenue in Texas as compared to that furnished by the existing rate schedule.

Complete copies of the new rate schedules have been mailed or delivered to the appropriate officer of each affected municipality at least 35 days prior to the effective date of the proposed change and copies of the new rate schedules have been furnished to the Public Utility Commission of Texas.
