Betty Anderson First In Gridiron Contest

Billy Pittman Honored

Billy Pittman, who received recognition for 20 years service, was among 103 employees of the Southwestern Public Service Company's Southern Division honored for service ranging from 5 to 35 years at the electric company's 24th annual award dinner held Wednesday night, October 18 at the Lubbock Country Club.

Bert Springer, executive vice president of the company, made all the presentations.

This dinner was the first of four dinners held this year in the company's service area honoring a total of 305 employees with a combines service of 5470 years.

CORN HARVEST BEST EVER

One of the biggest corn harvests in our area has just ended. Local elevator managers say that per acre corn yields appear to be 15 per cent higher than last year. The average yield has been between 135-145 bushels per acre. This means 7500 pounds of dry weight yield.

Area farmers are looking forward to a good milo harvest. The grainmen all agree hot, dry weather is all that's needed to get the milo harvest under full steam.

As the football contest comes to the final weeks, contestants are working hard to add points to their scores.

The coveted prize of two tickets to the Cotton Bowl and \$25 in cash is a prize that each contestant is anxious to win.

Betty Anderson won first place this week with 105 points.

Jerry Bardeen was very close, placing second, with 100 points. Larry Thomas placed third with 85 points.

Over-all standings for all contestants thus far are:

- 565--Jerry Bardeen; 560--Jo Eddy Riley; 550--Larry Price; 545--Guy Kelley, Jimmy Randolph; 540--Jim Winder, Charles Winder; 535--Lynn Glasscock; 530--Bobby Angley, David Hanson; 525--J. W. GIRL SCOUTS recently invested and rededicated are 1 to 3: front row: Sheila Jordan, Sharon Spencer, Gloria Price, Stephanie Parish, Rhonda Offield, JoAnn James, Jackie Hood, Debra Hood, Delma Gonzales; 2nd row: Sylvia Gonzales, Jodie Daniel, Patricia Lowater, Cl- etha Thomas, Hattie Thomas, Doniece Taylor, Patricia James, Debra Houston, Linda Hood, Beverly Hood, Belinda Hampton, Dina Jo Hampton, Nollene Johnson. 3rd row: Shirley James, Mollie Gonzales, Beverly Taylor, and Faye Houston.

Junior Girl Scouts Hold Investiture

Monday in a very impressive ceremony, in the community building, eleven girls were invested into Girl Scouts and thirteen girls were rededicated.

Girls entered the room singing America and forming a horseshoe in front of the awards table. The table was covered with a white cloth. The centerpiece consisted of three white candles and the Girl Scout emblem, the trefoil, circled with greenery. The girls to be invested formed the inside of the horseshoe while the ones who were rededicating themselves formed the outer ring.

The colors were posted and the Pledge of Allegiance given. Mrs. Doug Parish invested Mrs. Joe Gonzales, Mrs. Roosevelt Houston, and Mrs. Melvin James at Girl Scout leaders and rededicated Mrs. Don Taylor and Mrs. Jerry Hampton. Mrs. Parish also presented

Mrs. Taylor the Blue Ribbon award for Troop #373 and Mrs. Wilson Lewis her ten year service pin.

Mrs. Taylor gave an inspiring speech on what it means to be a Girl Scout and congratulated the girls on striving to fulfill the requirements in order to belong to an organization that asks you to live up to the highest ideals of character and conduct.

Girls invested for the first time and receiving their girl scout pins were: Delma Gonzales, Debra Hood, Jackie Hood, Jo Ann James, Rhonda Offield, Teresa Ott, Stephanie Parish, Gloria Price, Sharon Spencer, Sheila Jordan, and Nollene Johnson, a junior leader.

Receiving rededication stars were Teresa Lively and Dina Jo Hampton, both junior leaders, Belinda Hampton, Beverly Hood, Linda Hood, Debra Houston, Patricia James, Doniece Taylor, Hattie Tho-

Earth Girl Scout Drive Exceeds Goal

When the Girl Scouts asked for support you gave generously. Because of you there'll be more Scouting for more girls next year. So from the Girl Scouts to you here's a big thank you.

Thanks to you there'll be more Scouting for more girls in Earth next year. Most of the time you receive thank you letters in the mail. But this is a thank you note by the Earth News-Sun to all who contributed to Girl Scouting this year. Whether you gave money or time or assistance the girls want to thank each of you for making it possible for more girls to enjoy more Scouting next year.

There's a thank you note in the mail today and it's signed by all scouts. It says, "Dear Newspaper: Will you please thank all your readers who contributed to Girl Scouting this year. We wish we could thank each of them personally for giving so generously. Because of them there will be more Scouting for more girls in Earth next year."

Gratefully, the Girl Scouts Over \$500 was collected during the recent drive from individuals and local businesses in Earth.

All involved with the drive are very well pleased with the financial support, but even more, with the community support that everyone has given to Girl Scouts.

To the above Girl Scout thank you, I would like to add my thanks. You didn't give to me, or for me, but still I like to think I had a small part in a program which will help mold the mothers and wives of the future. If one girl makes a better Christian citizen, wife, and mother, the ripple on the water will be endless.

If you are curious as to what happens to your money, visit a Girl Scout Troop. "Try it, you'll like it."

EARTH LIONS SELLING TRICK OR OR TREAT CANDY

The Earth Lions will continue to sell bags of Halloween candy for \$1.00 until October 31. You may purchase the candy from any Lion or from several local businesses in town.

Eight Area Banks Deposits Up \$8 Million

Deposits at eight area banks showed a whopping \$8,607,992 increase in deposits from the call date last fall.

Deposits at the eight banking institutions totaled \$63,431,381 on the official bank call date this year compared to \$54,823,389 on deposit in 1971. Loans and discounts for 1972 total \$32,842,694, up \$857,603 from the \$31,985,091 loans and discounts in 1971.

The more than \$8 million increase is attributed to increased activity in cattle in this county and more grain sorghum cut and sold due to a little earlier crop this year and a 10-day longer period than the date of the third quarter bank call in 1971.

Deposits are up over a million dollars at Citizens State Bank at Earth. Deposits for the Earth Bank call totaled \$4,174,244 up \$1,072,188 from last year's total of \$3,102,056. Loans and discounts at the Earth Bank are up \$113,732 or from \$2,238,627 in 1971 to \$2,352,359 this reporting period.

Ann Jones at the Earth Bank said a good percentage of the grain has been harvested in the Earth area and cattle feeding has increased.

Olton State Bank showed the biggest increase in deposits, with more than \$2 million on deposit than for the same period a year ago. Olton State Bank deposits totaled \$10,394,867, on Oct. 10, up \$2,024,400 from the \$8,070,467 on deposit on the Sept. 30 call date a year ago.

Loans and discounts at the Olton State Bank were \$6,689,821, up \$236,851 from the \$6,452,970 loans and discounts last year.

Ken Burgess said the increase in deposits is due to the tremendous 1972 corn crop in the Olton area, to cattle profits from the more than 60,000 head of cattle in the Olton and Mayfield feedlots and the overall economy in the whole area.

Deposits at Security State Bank are up almost \$2 million from last year with \$14,622,377 on deposit Oct. 10, up \$1,956,430 from the \$12,665,947 on deposit last year. Loans and discounts totaled \$6,827,591, up from last year's \$5,620,677.

Deposits at Littlefield Savings and Loans are up \$1,824,528, totaling \$15,731,276 compared to last year's third quarter report of \$13,906,748. Loans totaled \$11,792,039, up \$877,140 from the \$10,914,899 on loan a year ago.

At the First National Bank in Littlefield deposits are up \$785,003. Deposits totaled \$5,953,387 this period compared to \$5,168,384 last year. Loans and discounts are down \$365,958. Last year's L&Ds totaled \$2,545,632 compared to \$2,179,674 this time this year.

Deposits are up \$514,429 at the First National Bank in Amherst. Deposits on the call date totaled \$5,352,377 up from the \$4,837,908 last year. L&Ds at the Amherst bank are down \$58,499 from \$1,336,592 in 1971 to \$1,278,093 this year.

At the First National Bank in Sudan deposits are up \$326,963 or from \$3,936,238 in 1971 to \$4,263,201 this year. Loans and discounts are up from \$1,348,688 in 1971 to \$1,414,679, an increase of \$65,991 this year.

Guy Walden said the cattle industry activity, alfalfa cubing and sales, and the later call date allowing time for some feed to be harvested are factors in the increase in deposits in Sudan.

Citizens State Bank at Anton had deposits of \$2,939,692, up \$194,051 from the \$2,835,641 on deposit a year ago. Loans and discounts are up to \$1,515,353, from \$1,327,006, an increase of \$188,347.

Time Change Sunday

It's here again! Time to set your clock back one hour. We're finally going to get that hour of sleep that we lost last Spring.

Saturday, at mid-night, you will need to set your clock back one hour when we officially go back on Standard Time.

An easy way to remember which way to move your clock is to remember this little saying:
 Spring forward,
 Fall backward.

The certificate, card, and were given to Mr. Mann of Springlake-Earth PTA. represent a life membership in the National PTA. As anyone present could remember, he is the only person in this area who has received membership in the National PTA.

A short business meeting program was presented by Mrs. McFaden and Augustin, B., workers in the Migrant Program from Lubbock area. Dutton gave an overview of the program. He explained that any one who travels with one and leaves one school district for another because of cultural work is classified as a Migrant Child. The Migrant program is in effect in the 50 states of the U.S. Migrant Child is given oral action, as well as written work, through 5 different programs in the Migrant program. He mentioned that there are now 4-year-old programs and 3-year-old programs, but these are not in schools yet. The Migrant program supplies teachers to teach migrants. It also provides for teachers to contribute what they are doing in the way of help for the parents and children. For example, driving a bus, helping the children the different in the household, helping the children in the classroom to make tortillas. McFaden then presented a program of activities shown

Gloria Stephens Honored With Shower

Gloria Stephens, bride of Ronnie Dunnivant of Springlake, was honored with a shower Tuesday evening at the home of Mrs. Donnie Clayton.

Mrs. Gary Gatewood of Sudan, Gloria, her mother, Mrs. Jim Stephens and Mrs. Leonard Evans, grandmother, were all presented lovely corsages of pink carnations.

Cake, hot cranberry punch and coffee were served from crystal and silver appointments. The table was covered with a pink cloth over laid with a beautiful white cut work cloth imported from Jamaica.

The center piece featured a miniature bride and groom in a brandy sniffer set on a pedestal encircled with flowers of pink and wine--the bride's chosen colors. White candles in crystal holders were on either side of the center piece.

The cake was served by Mrs. Danny Kelley, of Sudan, cousin of the bride, and Mrs. Gary Campbell, also of Sudan, served the punch and coffee.

There were approximately 35 guests registered. Out of town guests were Mrs. Shirley Richards, aunt of the bride, Mrs. Leonard Evans, grandmother, both of Muleshoe; Mrs. Lenore Shaffer, Olton; and Mrs. W.P. Hedges, Amherst.

Serving as hostesses were Mrs. Donnie Clayton, Mrs. Sandy Sanderson, Mrs. N.O. Drake, Mrs. Wayne Davis, Mrs. Harlan Watson, Mrs. Donald Kelley, Mrs. Fae Washington, Mrs. P.A. Washington, Mrs. J.J. Coker, Mrs. Kent Parish, Mrs. Jimmy Banks, Mrs. Ed

Jones, Mrs. F. W. Bearden, Mrs. Hollis Cain, Mrs. Bill Clayton, Mrs. James Busby, Mrs. John Bridges, Mrs. Bob Belew, Mrs. B. V. Padon, Mrs. V. O. Busby, Mrs. L. G. Watson, Mrs. Myrtle Clayton, Mrs. J. T. Gibson, Mrs. Elroy Wisian, Mrs. Hilbert Wisian, Mrs. Roy Byers, Jr., Mrs. Ed Dawson, Mrs. Lynn Glasscock, and Mrs. Phillip Haberer.

HONORED IN PITTSBURG

Gloria was also honored with a bridal shower Saturday, October 21, in Pittsburg, her fiancée's hometown, in the home of Mrs. D.C. Brummel.

The guests were registered by Mrs. Robert Dunnivant. Cake, coffee and punch were served by Mrs. Donnie Barnett and Mrs. Janice Hackler from silver and crystal appointments from a table covered with a white cloth. The center piece was a beautiful bouquet of deep wine mums and pink carnations.

Serving as hostesses were Mrs. George Lanford, Mrs. W.C. Hancock, Mrs. A.C. Lowry, Mrs. Joe Harrel, Mrs. J. S. Hackler, Mrs. W.H. Sopough, Mrs. Sam J. Burns, Mrs. Glen Barrett, Mrs. L.C. Irby, Mrs. D.L. Dodson, and Mrs. D.C. Brummel.

Miss Stephens will wed Ronnie Dunnivant on November 22, at 7 p.m. in the Earth Methodist Church. All friends are cordially invited to attend.

Class Favorites Selected By Students

The favorites for the Wolverine annual have been selected by the Springlake-Earth student body.

The winners this year are: Mr. and Miss S-EHS, Toni Sanders and Larry Thomas; Most Beautiful and Most Handsome, Guy Davis and Shelley Gaston; Most B-shful, Dianne

Fulfer and Glenn Wells; Most Courteous, Joe Acevedo and Paige Gaston; Best Dressed, Kim Welch and Brian Sanderson; Smile King and Queen, Paige Gaston and Pete Rodriguez; Band Duke and Dutches, Clifford Daniel and Sheila Lewis; Choir, JoAnne Miller and Rafael Posada; Wittiest, Renay James and George Nance; Cutest Couple, Randy Stephens and Becky Smith; Most Likely to Succeed, Darla Dear and Jesse Castillo.

Thank You From Band Boosters

To everyone in the community who helped make the Band Dinner Sunday such a success, a hearty thank you. Hershel Wilson, president of the Band Boosters, wishes to express his appreciation to all who worked and took part in any way in the dinner, and also to all who attended.

There were about 300 people attending the dinner. Lots of good food was served and band

members under the direction of Tom SoRelle provided excellent entertainment.

The dinner was such a success and everyone enjoyed the fellowship, music, and food so much that the Boosters hope to host another benefit dinner in the future.

The proceeds from the dinner apply to the new Junior High Band Blazers and to the Corpus Christi trip that the High School Band will make in the Spring.

Vonda Stephens Wins Prize

Brownie Troop 101 opened their meeting by forming the Brownie Circle and repeating the Pledge of Allegiance and Brownie Promise. The Brownie Smile Song was also sung.

The girls made decorations to be used at the Halloween Carnival, October 31, in the show barn. They were also taught how to make and give correct change so they can run their booths properly.

The girls then presented the toys they had brought from home to be used as prizes at the carnival.

Vonda Stephens won a chocolate cake for bringing the most toys, a record 61 toys! Games were played and refreshments of cookies and kool

Aid were served by Glenda James and Tracey Lackey.

The meeting was closed with the girls saying good-bye as they walked through the Magic Tunnel. Girls passing through the tunnel were Elms and Amy Gonzales, Delores Rozales, Joy Parish, Janice Beck, Belinda Thomas, Glenda James, Vonda Stephens, Tracey Lackey, Darcy Randolph, Gaye Pierson, Kelley Criswell, Angela Layman, Tammy Landis, Lanette Crockett, Matri Hausmann, Dina Heard and JoAnn Gonzales.

Leaders for Troop 101 are Mrs. Don Randolph, Mrs. Gayland Stephens, Mrs. Walter Lackey, and Mrs. Dennis Criswell.

U.M.Y.F. To Visit Senior Citizens

Sunday at 5 p.m. the UMYF met in the United Methodist Church and continued their study on the book of Galatians.

Mr. and Mrs. Elroy Wisian resigned as sponsors of UMYF. Next week the group plans to visit the Senior Citizens of the community and then return to the church building for a party for all UMYF members.

All members are especially urged to attend this meeting. Those present Sunday were Gena and Vickie Wisian, Darlene Sulser, Jimmy and JoAnn Coker, Karen and Chuck Dunnam, Coelita Biles and Paige and Shelley Gaston.

Visiting recently in the home of the Cullen Hays were daughters Jan Fancher and Sharon Sager and grandchildren, Janna, Hayley Jill all from Santa Fe New Mexico. They came down especially to see Steve in the senior play.

Mr. and Mrs. Elvis Clayton were in Earth over the weekend visiting with their daughter and family, Mr. and Mrs. V. J. Sigman and brand new great granddaughter, Michele Jaye Holmans.

Halloween Carnival Set For October 31

The parents of the Cub Scouts will again sponsor a Halloween Carnival Tuesday, October 31, at 5:30 - 9:00 p.m. at the show barn.

Everyone is invited to come out and enjoy an evening filled with fun and games. The Boy Scouts will feature a Spook House, which is always a favorite with young and old alike.

Cub Scouts, Brownies, Girl Scouts and Rainbow Girls will feature a variety of fun filled booths such as the dart throw, cake walk, country store, bean bag toss, soft bat, and fish pond

--just to mention a few. A concession stand will provide 25¢ hot dogs, Cokes and coffee.

Where else can you go on Halloween night and have protection from the witches and goblins that are sure to be out, and still have such a good time.

The booths will only cost a dime and there will be booths for all ages from the youngest to the oldest. It's a fun night for the whole family.

Each participating group will receive all proceeds from their booths.

Crafts Report Convention Trip

Mr. and Mrs. Jimmy Craft, Worthy Patron and Worthy Matron presided at the Earth Chapter #807 Order of Eastern Star Monday in the Masonic Hall.

They gave a report on their trip to Fort Worth where they attended the Grand Chapter held in the Convention Center.

Mrs. Katherine Harbour of Shamrock was installed as Worthy Grand Matron and C. A. Holms of Lubbock installed

as Worthy Grand Patron. The Crafts also visited the Eastern Star Home in Arlington and gave a report on that visit.

Present for that meeting were Mrs. K.B. Parish, Mrs. Melvin Bock, Mrs. W.B. McMillan, Mrs. John Laing, Sr., Mrs. N. Ray Kelley, Mrs. B. Campbell, Mrs. Johnny Marrell, and Mrs. Forrest Simmons.

During the fellowship period, cookies, coffee, and hot spiced tea were served in the dining hall by Mrs. K.B. Parish.

Now City Car Involved In Accident

The 1972 Chevrolet Impala purchased only 3 weeks ago by the City of Earth was involved in a car, pick-up accident around noon, Tuesday, October 17.

The accident occurred at the intersection of First and Date Streets.

The city car was driven by Alvin Pittman, City Marshall. The driver of the 1968 pick-up was a local resident.

No one was injured and the investigating officer, Highway Patrolman, Weldon Parson, issued no tickets.

The city car received severe damage to the right side. The pick-up was also damaged.

Kenny Smith Sparks 8th Graders To 14-6 Victory

Kenny Smith, with the aid of some mighty good blocking, led the 8th grade Wolverine team to a 14-6 victory over the Kress Kangaroos Thursday evening. Smith made a 25 yard run to score the first six points. He ran the conversion to add another two points to the score.

A 14 yard run by Smith ran the Wolverine score to 14 points. The conversion after

TD failed.

The 8th grade team recovered 5 fumbles and intercepted two passes. One by Smith and one by Scott Cooksey.

The 7th and 8th grade teams will play Hart here on November 2 with the first game at 5 p.m.

BOY SCOUTS PLAN SPOOK HOUSE

Boy Scout Troop #14 decided to sponsor the Spook House at the Halloween Carnival, October 31, when they met at the Fire Hall Tuesday evening.

They also discussed the hike they plan to take Saturday. There were about 14 boys present and scout leader, Dale Riggs.

Ruth Borum is about the same. Some days she feels better than others. She is able to be up most of the time.

Mrs. Almer J. Barton is feeling much better and is able to be up most of the time during the afternoon.

W. T. S. U. Livestock Judging Team: James Campbell, Larry Culp, Eddie Jones, Randy Jordan, a friend, Glenn Lyles, Dennis McBeth and Tex Welch.

Eddie Jones On WT Judging Team

The West Texas State University livestock judging team opens the second half of its season Oct. 28 at the Grand National Intercollegiate Livestock Judging Contest in San Francisco.

It will be the first time West Texas State has competed in this meet, said James McManigal, instructor in animal science and coach of the team. He said he expected about 15

college teams to be competing. A seven-man team will make the trip although only five will judge for team and individual honors.

The seven, all seniors, are James Campbell, 21, son of Mr. and Mrs. O. C. Campbell of Kress; Larry Culp, 22, son of Mr. and Mrs. Everett Culp of Happy; Eddie Jones, 22, son of Mr. and Mrs. Carl V. Jones of Hart; Randy Jordan, 21, son

of Mr. James B. Jordan of Pampa and husband of Mrs. Mickey Jordan of (Siesta Trailer Park) Canyon; Glenn Lyles, 21, son of Mr. and Mrs. John Lyles of Hale Center; Dennis McBeth, 21, son of Mr. and Mrs. Chester McBeth of Winters; and Tex Welch, 21, son of Mr. and Mrs. C. E. Welch of Claude.

McManigal said judging at the Grand National includes 12 classes of livestock—five of cattle, three each of swine and sheep and one of horses. In addition each contestant gives eight sets of oral reasons.

The West Texas State team left Monday (October 23) and will have practice judging sessions along the way at New Mexico State University, University of Arizona, California Poly at San Luis Obispo and Fresno State.

McManigal said the intercollegiate judging season is based on a calendar year rather than an academic school year. The first part of the season was last spring.

WTSU will close its judging season at the Chicago International Live Stock Show during the Thanksgiving holiday period.

Kress Defeat Wolverines

"B" Team Kicks The Kangaroos

Although the score board showed 12-0 in favor of the Kress Kangaroos, rain was the real winner Friday night at the Wolverine Stadium.

The Wolverines led in first downs and were only 8 yards behind in rushing, but just couldn't seem to put it all together to put anything on the score board.

The Wolverines threatened with a drive to the 18 yard line but they were stopped when they fumbled the ball.

Springlake-Earth is now 1-2 in conference play and 3-4 for the season. Kress is 2-0 in district play.

In team statistics the Wolverines had a total of 14 first downs compared to Kress' 11 first downs. The Wolverines made 11 first downs by rushing and 3 by penalty. Kress had 9 by rushing and 2 by penalty.

The Wolverines executed 55 rushing plays gaining 169 yards. The Wolverines only completed one pass out of 10 attempts for 8 yards.

The Kangaroos had a total of 50 plays rushing for a total of 177 yards. They completed one pass out of two attempts for a gain of 15 yards.

Total yards gained rushing, passing, and by penalty were 248 yards for the Wolverines while Kress had a total of 222 yards.

Larry Searcy scored both TD's for Kress.

The Wolverines have an open night Friday, but will play the Hart Longhorns Friday, November 3 at 8 p.m. at Hart.

Let's support the Wolverines! See you at the game!

The "B" team has done it again! In weather that was freezing and drizzling with rain, Thursday, October 19, at Kress, they pushed the Kress Kangaroos up and down the field to chalk up a final victory score of 26-0.

Richard Guana scored the first TD from about 10 yards out. Jacob Miller made the conversion for 2 points.

Jacob Miller on the first play in the second half made a 55 yard run to score six points. Miller made a 35 yard run to score another TD. Both conversions failed.

The last touchdown was a 25

yard run by Richard Guana making the final score 26-0. The Kress Kangaroos had only one first down the entire game.

The "B" team has only 12 points scored against the season. They have won two straight games and two scrimmages. They were defeated by the Farwell Steers last year.

Their next game will be the Wolverine Stadium Thursday, November 2, at 8 p.m. when they meet the Hart Longhorns.

Let's all go out to the game and give them our support.

AMERICAN GRAIN AND CATTLE INC.

A COMPLETE NEW CONCEPT OF COOPERATIVES FOR FARMERS

IT'S TIME FOR A CHANGE IN AGRICULTURAL MARKETING . . . in fact it's past time. The present agricultural marketing system has only worked at the local and national level to the advantage of the huge international grain corporations; not for the farmer.

AMERICAN GRAIN AND CATTLE, INC., a new Marketing Association, through its integrated Grain Producer-Cattle Feeding program will feed part of your grain through feedlots for more grain profit. For instance, a two cents (2c) per pound profit per finished animal should bring you fifty cents (50c) per cwt. for your milo.

IN ADDITION YOU WILL SHARE IN THE PROFITS of fat cattle, feedlots, and grain handling locations. This is a well rounded program with plenty of capital to producers of grain and cattle . . . A FARM PROGRAM FOR FARMERS.

DON'T BE LEFT OUT. Bring your present crop to American Grain. One price for in and out handling and storage — eight cents (8c) per cwt. Check your storage and handling cost anywhere else. Are their prices competitive? Any grain stored at this rate may be transferred to the new grain and cattle feeding program.

CALL OR COME BY AMERICAN for further details and help make this the greatest program in America for farmers.

Study Club Observes Friendship Day

The Town and Country Study Club observed Friendship Day Thursday, October 26, in the home of Mrs. N. Ray Kelley.

Special guests from the Muleshoe Study Club, XIT Study Club of Springlake, and guests from Earth were welcomed by Mrs. B.F. Orteg, president of the local club.

The club collect was led by Mrs. B. Campbell.

Mrs. Marie Ross presented some beautiful thoughts on friendship.

Mrs. Wayne Rutherford paid special recognition to Mrs. C. P. Parish for her outstanding service to our community, including clubs, schools, and church.

A very interesting and inspiring book report was given by Mrs. Parish on "An Empty Spoon," by Sunny Decker. It is the true story of Sunny Decker's experiences as a teacher in the Philadelphia ghetto.

Refreshments of assorted sandwiches, pickles, coffee, hot spiced tea, and Texas cream pie were served by Mrs. B. Campbell and Mrs. John Laing.

Guests attending from Muleshoe were: Mrs. R. O. Gregory, Mrs. Merwin Wilterding, Mrs. Sena Stevens, Mrs. Jewell Griffiths, Mrs. Mildred Nealey, Mrs. LeVina Pitts, Mrs. Wilson Witherspoon, Mrs. G. L. Splaun, and Mrs. Barry Lewis. Guests from Springlake were:

Mrs. Gayle Jones and Mrs. J. J. Winder and Mrs. Ray Axtell of Earth.

Members present were Mrs. John Welch, Mrs. Wayne Rutherford, Mrs. Marie Ross, Mrs. C. P. Parish, Mrs. B.F. Orteg, Mrs. Carra Morgan, Mrs. Lena Hite, Mrs. R. W. Fanning, Mrs. B. Campbell, Mrs. John Laing, and hostess, Mrs. N. Ray Kelley.

Mrs. Orteg presided over a short business meeting.

Plans were made for each club

member to sell tote bags and pecans. The proceeds from the sales will be applied to the scholarship fund.

The next meeting will be November 9 in the home of Mrs. M. E. Kelley.

The special guest speaker will be Mrs. O. C. Rampley from Silverton. Mrs. Rampley is the president of the Caprock District of Texas Federation of Women's Clubs.

A trio from Girltown U.S.A. will present a program in song.

HD Club Has Program on Horticulture

The Springlake Home Demonstration Club met in the home of Mrs. T. V. Murrell Thursday evening, October 26.

The devotional, given by Mrs. Murrell, was Prayer for Middle Age. It was humorous and yet very true to life.

Mrs. Hilbert Wisian gave a very interesting and informative program on horticulture; the care and growing of flowers and plants.

The Club began plans for their part in the annual Christmas party to be held in the Flame Room in Littlefield. This year each member will take a gift for a senior citizen to be given to residents of the Hospitality House in Littlefield and also a gift for a child in the School for Retarded Children, in addition to the \$2 gift to be exchanged among the members.

Refreshments of heavenly hash, assorted crackers, chocolate pound cake, soft drinks, coffee and hot spiced tea were served to Mrs. A. Hollingsworth, Mrs. Hilbert Wisian, Mrs. Herman Cooper, Mrs. Bob Boone, Mrs. Ruel Fanning, Mrs. Ed Biles, and Mrs. Marvel Carathers.

Rebekahs Meet

The Rebekah Lodge met Thursday, October 26, in the Odd Fellows Hall for a short business meeting.

Those attending were Mrs. Clyde Parish, Mrs. Eva Walker, Mrs. Orbie Armstrong, Mrs. Lucille Henderson, and Mrs. Jim Robbins. Refreshments of cookies and coffee were served by Mrs. Henderson and Mrs. Robbins.

Kelley-Stubbs Announce Engagement

Mr. and Mrs. Chester Kelley of Earth are happy to announce the engagement of their daughter, Kathy Jean, to Sam Stubbs, son of Mrs. Mildred Stubbs of Knox City.

The couple plan to be married December 1, at 7 p.m. in the

First Baptist Church in Earth. The public is cordially invited. Kathy is a 1970 graduate of Springlake-Earth and is currently employed at the Earth Beauty Shop. Stubbs attended Knox City High School and is employed by Lamb County.

Jodie Riley Celebrates 6th Birthday

Jodie Riley, son of Mr. and Mrs. Ray Joe Riley celebrated his sixth birthday, Thursday, October 26.

Jodie and some of his kindergarten classmates went to Littlefield where they saw the movie "Pinochio".

Helping Jodie celebrate were Jason Hinchliffe, Timmy Baum, Sam Lewis, Steven Bag-

ley of Dimmitt, and Kevin Riley, Jodie's older brother.

PARTY LINE

Sunday evening, Vickie Wisian, Colita Biles and Darlene Sulser, members of UMYF, visited several senior citizens in the community.

Girl Scouts Enjoy Game Fest

Girl Scout Troop 373 met Monday afternoon.

The meeting was opened with the singing of America and the patrol leaders called the roll. Mrs. Joe Gonzales held the monthly home badge review and then the girls enjoyed a game fest, including songs as well as a variety of games.

A short program on "What is a Girl Scout?" was given, with the main thought being a girl scout is a sister to every other scout and a friend to all regardless of differences in race or background.

The girls sang grace and then enjoyed candy bars furnished by the troop.

Scouts present were Tresa Ott, Stephanie Parish, Sharon Spencer, Delma Gonzales, Gloria Price, Belinda Hampton, Rhonda Offield, Debra Houston, Patricia James, Doniece Taylor, Hattie Thomas, Oletha Thomas, Beverly Hood, Debra Hood, Jackie Hood, Linda Hood, Patricia Lowater, Jodie Daniel, Sylvia Gonzales, Teresa Lewis, JoAnn James, Sheila Jordan, Junior Leaders, Dina Jo Hampton, Nollene Johnson and Teresa Lively, Adult Leaders, Mrs. Don Taylor, Mrs. Joe Gonzales, Mrs. Jerry Hampton, Mrs. Melvin James, and Mrs. Roosevelt Houston.

Hinsons Attend Reunion

Mr. and Mrs. Jack Hinson of Springlake were honored with a brunch in the home of Mr. and Mrs. W. E. Miller in Canyon Friday, October 27. Guests of the occasion were old time college friends of the Hinsons. It was a "You Remember When" party and a time of great enjoyment for all who attended.

After much eating and visiting, several of the group went to visit Mrs. Neva Wynn who is confined to a wheel chair and unable to attend the brunch.

The Hinsons went on to Amarillo for the week-end where they were honored with a bridge party on Saturday by an old friend, Mrs. Winnie Grogan, in her lovely home ten miles south of Amarillo.

The Hinsons report that they

can't remember when it was a more enjoyable week

Why You Should Re-Elect President Richard Nixon Now

LET'S LOOK At AGRICULTURE And STOCK RAISING

WE HAVE one of the most abundant supplies of food in history. Our export livestock, fresh meats, grain sorghums and grain are going to add many dollars to our general economy.

WE'RE SELLING COMMODITIES of which we've had surpluses—and helping provide jobs on trucks and ships at the same time.

HERE ARE SOME OF THE REASONS

PRESIDENT NIXON'S AGRICULTURAL ACT OF 1970 gave producers more flexibility and freedom in operations.

PRESIDENT NIXON'S ADMINISTRATION has turned around the situation that saw farmers get an increase in income of 6 per cent between 1969 while wage rates went up 6 per cent every year.

PRESIDENT NIXON gave agriculture one of the most effective spokes in recent history by appointment of Earl Butz as Secretary of Agriculture.

FOR YOUR OWN GOOD

Cub Scout Den 2 Organizes

The Cub Scouts had their first meeting Wednesday, October 25 in the Scout Hut.

The Den was led in the Pledge of Allegiance by Greg Hulcy and the Scout promise was led by Mark Parish.

The boys made posters to advertise the Halloween Carnival.

The meeting was closed with the living circle.

Scouts present were Rocky Lunsford, Randy Offield, Lorenzo Monreal, Maurice Hood, Delvin Bulls, Duke Hampton, Greg Hulcy, Mark Parish and Joe Rosalez.

Den mothers for Den 2 are Mrs. Phil Neinst and Mrs. Bill Lunsford. Lonnie Neinst is helping with the Den. Refreshments of Kool-Aid and Doritos were served.

The den has a many boys as it can accommodate so unless you signed up for scouts last Spring, two mothers will have to form another den for other interested boys.

As many as 6,000 kinds of foods and food preparations are available at the supermarket today.

To keep your waste disposer sanitary and its cutting blades sharp, feed it an occasional tray of ice cubes. Bones will do the trick, too, unless a canine companion has first priority.

ELECTED RECENTLY AT S-E HIGH SCHOOL, Mr. and Miss S-E High School--Larry Thomas and Toni Sanders.

Brownie Troop 308 Prepares for Carnival

Springlake Brownie Troop 308 opened their meeting with the Brownie Ring, Monday, October 30 at the Community Building.

Michael Fields led the Pledge of Allegiance and Barbara Mayes led the Brownie Promise. The Brownie Song was led by Jennifer Pellham.

The Troop made final preparation for the Halloween Carnival. Each girl brought toys from home to be used as prizes for the carnival booths.

Mrs. Phil Neinst taught the girls a new Halloween song and they in turn taught her a song they had learned at school.

They all participated in the folk dance "Three Blind Mice."

Laura Romaz served ham sandwiches, homemade cookies, freitos, and Kool-Aid to Barbara Mayes, Kari Neinst, Cheryl King, Twilla Eagle, Jennifer Pellham, Dyan Jones, Michael Fields, and Cindy Fulewider and leader, Mrs. Neinst.

PARTY LINE

Claud Ellis is feeling better and was able to be out Sunday for church. Mr. and Mrs. Ellis had dinner in the home of their son and family.

Visiting in the home of Mr. and Mrs. Quenton Dunn over the week-end were their daughter and family Mr. and Mrs. Gerry Self and sons, Greg and Doug from Slaton.

Also visiting in the Dunn home last week was Mrs. Freeda Dunn from Hooker, Oklahoma. She is the mother of Mr. Dunn.

PROPOSED CONSTITUTIONAL AMENDMENTS TO BE VOTED ON TUESDAY

AMENDMENT NO. 1--This proposal increases the annual salary of members of the Texas Legislature from \$4800 to \$8400. No changes are made in the mileage or per diem allowances.

THOSE FOR the amendment argue that \$4800 is not sufficient to compensate a legislator for the time he must spend in the regular and numerous called sessions that our complex state government now calls for. In addition many interim duties are imposed upon legislators in studying specific problems and framing legislation to solve them. They further argue that \$4800 is scarcely adequate to meet present day cost of living.

THOSE AGAINST claim that it is a part time job, that it should not be compensated on an annual basis and our resources have sufficient drain on them now without adding an additional cost in legislative salaries.

AMENDMENT NO. 2--This proposal is local in nature and abolishes the Lamar County Hospital District and authorizes the Commissioner's Court of that county to provide for the transfer or disposition of assets of the district. Hospital Districts used to be created by constitutional amendment and those so created can be abolished only in the same manner.

AMENDMENT NO. 3--This proposal would require all justices of the peace to be compensated on an annual salary basis rather than on a fee basis. The Constitution now requires all justices of the peace in counties of 20,000 population or more to be compensated on a salary basis and this proposal would put all justices of the peace on the same footing.

PROponents of the amendment argue that justices of the peace should be taken off fee basis and put on some equitable salary system related to all other officers of their same classification in the state.

OPponents of the amendment argue that doing away with a fee basis will discourage diligent justices of the peace and will make them dependent upon the commissioner's court which provides their salary.

AMENDMENT NO. 4--The proposed amendment would add an authorization for the 63rd Legislature to establish a constitutional revision commission. The only restriction as to subject matter would be that the existing Bill of Rights must be retained in full. If the Legislature could agree on a proposed constitution it would then be put before the voters of Texas for approval or rejection.

PROponents of the amendment argue that there is a real need for a more workable basic law which would require less periodic revision and since the Legislature has always been entrusted with the function of proposing constitutional changes, the Legislative body is the logical choice for responsibility in the preparation of a new or revised constitution.

OPponents of the amendment argue that constitutional reform should not be through a new document but through revision of the existing document and the convention called for has a totally new constitution as a possible alternative.

AMENDMENT NO. 5--Tax exemptions of any sort must of necessity be by constitutional amendment because Article VII, Section 2 of the existing constitution requires that taxes be equal and uniform. This amendment would provide additional exemptions.

THOSE FOR the amendment say that persons disabled in military service should be compensated for their sacrifice to this country.

THOSE AGAINST the amendment say that compensation of disabled veterans is a federal matter and that there are already adequate and generous programs available to disabled veterans.

AMENDMENT NO. 6--Presently the constitutional homestead exemption from ad valorem taxes stands at \$3000 and is applicable to both state and county taxes. This proposal would extend the homestead exemption by allowing a county, city, town, school district or other political subdivision of the state to make a like exemption.

PROponents of the amendment argue that the ad valorem tax is the basic form of taxation supporting local governmental units and the present homestead exemption gives no relief, as neither the state nor county taxes compare to any degree with the burden of local taxation.

OPponents of the amendment say that this would be a substantial reduction in revenue to local government and school districts and again violates the principal of equality and uniformity in taxation.

AMENDMENT NO. 7--The equal protection clause of the fourteenth amendment to the United States Constitution prohibits a state from legislating different treatment to persons because of sex. This is known as the women's equal rights amendment.

PROponents say that there is still substantial discrimination and that only a constitutional change prohibiting such discrimination can effectively change the status quo.

OPponents argue that the proposed amendment is not necessary because all discriminatory legislation is now prohibited by the federal constitution and additional constitutional comment on the subject can only cause confusion as to the meaning of discrimination.

AMENDMENT NO. 8--This amendment would provide four-year terms for the offices of Governor, Lt. Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State and certain statutory state offices. These offices now have two year terms.

THOSE FOR the four-year term argue that officials would have an opportunity to grasp the operation of the job and be more efficient in it before they were forced to go back into campaigns for re-election. As this amendment would become effective with the General Election in 1974 it would perpetuate elections for state offices in non-presidential years and generate a stronger interest in state politics. Thirty-nine states have four-year terms for governor including several of our immediate sister states.

THOSE AGAINST the amendment point out that long terms of office lead to corruption. That too much power is inherent in long terms and they make the official less responsive to the rise and fall of public opinion.

AMENDMENT NO. 9--This amendment would permit soil and water conservation district directors to serve in other offices. Presently any public official is prohibited by the state constitution from holding more than one office in state, local or federal government.

PROponents of the amendment argue that in the less populous areas of the state there is a shortage of qualified people to hold responsible positions and the amendment would increase the available manpower by permitting public officials to fill them. The common law would provide an adequate protection against persons holding two public offices where there might be a conflict of interest between the duties.

OPponents of the amendment insist that the present prohibitions were intended to prevent the concentration of public jobs among a relative few and that multiple office holding would too greatly divide the time and attention of officials.

AMENDMENT NO. 10--This amendment would involve two basic changes. Presently, the constitution can only be amended by a resolution submitted in the regular legislative session. This amendment would also permit constitutional amendments to be considered in special sessions of the legislature. The second phase of the amendment deals with the manner of publication of proposed amendments.

PROponents argue that the amendment would permit greater flexibility in the submission of amendments and provide better information to the general electorate as to what they are voting on.

OPponents of the amendment insist that basic changes should be considered carefully and a thirty-day special session would not provide enough time for proper consideration of proposed amendments.

AMENDMENT NO. 11--This amendment would provide a \$22,500 salary for the Lt. Governor and the Speaker of the House. They each presently draw an annual salary of \$4800 per year.

PROponents of the amendment argue that the leadership and administrative ability demanded of presiding officers puts these offices in the same relative importance as other full-time state officials and they should have equal pay. The past few years the jobs of both presiding officers have become full-time.

OPponents of the amendment argue that the Speaker of the House should not receive the same amount of salary as the Lt. Governor as he is not elected on a state-wide basis but is selected by the members of the House of Representatives.

AMENDMENT NO. 12--The proposal broadens the exemption from the prohibition of dual office holding and compensation for non-elected employees. It is similar to Amendment No. 9.

PROponents of the amendment argue that in some cities, school districts or other governmental subdivisions state employees are a large percentage of the population and the amendment would allow these persons to serve on city councils and school boards in such communities without sacrificing their state salaries.

OPponents insist that there is sufficient number of qualified citizens in any community to fill local offices and that service in two capacities would result in heavy work loads.

AMENDMENT NO. 13--This proposal would permit constitutional bonds to be sold with maximum interest rates not to exceed a weighted annual interest rate of 6%. These are Veterans Land Board Bonds--Water Development and Water Quality Bonds--College Opportunity Loan Program Bonds.

PROponents of the amendment argue that its adoption would permit certain state and local agencies now under restrictions to compete for sale of their bonds in the open market on an even footing with other entities, enabling them to continue to enlarge upon many state and local programs.

OPponents argue that increasing the constitutional limit would provide higher interest rates and therefore require more revenues to pay off the bonded indebtedness.

AMENDMENT NO. 14--The proposal would allow the commissioner's court of a county to distribute a portion of the county permanent school fund to school districts in the county on a scholastic population basis for the purpose of reducing bonded indebtedness or making permanent improvements.

PROponents argue that many school districts need new facilities and lack funds to finance them. Some have already issued bonds to the statutory limits and others have reluctant electorates who repeatedly refuse the issuance of new bonds. Utilization of a portion of the county permanent fund would relieve the financial strain on school districts and provide adequate educational facilities in the counties.

OPponents argue that a reduction in the funds would reduce the income to the available school fund and therefore create a need for a larger state expenditure in the support of education.

As the constitution is the basic document governing our state, it is important that we inform ourselves as much as possible on each amendment before voting. Hopefully the above information has been helpful to you. If we can assist you in any other way, please feel free to call on us.

CONTEST RULES

The teams that are playing in this week's contest games are listed side by side in the official entry blank on this page.

Use the handy entry and mark out the teams you predict to lose. Print the scores you predict in the tie-breaker game in the spaces provided.

Each week's entry must be turned in or mailed to the Earth News-Sun office. Contestants are given a week to prepare and turn in their entries.

Entries must be in by 4:00 p.m. Friday or postmarked on that date. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Each week the number of games correctly predicted will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted scores will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

Olton Student gets Tuition Grant to Mc Murry College

ABLENE--One student from Olton received a Tuition Equalization Grant scholarship for the current 1972-73 term at Mc Murry College, according to Wilford Moore, director of financial aid.
This new TEG scholarship was enacted by the Texas State Legislature in 1971. It provides funds to assist students to attend private institutions.
The maximum TEG scholarship grant is \$600 per year.

All students with 89 hours or less are eligible to apply for TEGs now. A student to qualify must be a resident of Texas and enrolled for at least 12 hours.
TEG recipients included: Debbie Holland, daughter of Mr. and Mrs. William P. Holland, Jr., of Olton. Debbie, a 1971 graduate of Amherst High, is majoring in Elementary Education and minoring in Specialized.

Hausmanns Attend Turkey Trot

Mr. and Mrs. Larry Hausmann and children, Glen, Merri and Alan attended the Centennial and Turkey Trot celebration in their hometown, Cuero, this past week end.
The original Turkey Trot of Cuero was held in 1912. This first Turkey Trot grew out of the interest shown by northern traveling salesmen in watching droves of turkeys being driven on foot to the Cuero market.
In 1912 a group of business men in the Chamber of Commerce sensing the interest of these visitors and wishing to encourage turkey raising and to advertise south Texas turkeys, decided to stage a celebration with a turkey drive down the city's main streets as the main feature. A popular dance at the time was the "Turkey Trot" and this name was adopted for the event.
This is the thirteenth Turkey Trot celebration held in Cuero, with the previous one being in 1967. At that time, Glen Hausmann, was in the Junior Coronation.
The Turkey Trot has grown now to such proportions that the parade lasted 2 1/2 hours with floats entered from as far away as Corpus Christi. There were approximately 50 floats, almost as many bands from areas close by, and of course the trail riders in any parade.
The highlight, was the actual driving of turkey herds through the streets in the parade. There were approximately 30 turkeys in a herd. These turkeys were herded by four or five people living in the area. There were about 16 herds of turkeys all together. The turkeys were all white turkeys, although Mrs. Hausmann remembers that in the 1967 Turkey Trot there were all colors of turkeys, ranging from the bronze ones to the white ones. The turkeys in this 1972 Turkey Trot were raised especially on the ranges around Cuero for the parade. In other years, the turkeys were brought in from the various turkey farms around. These turkeys were not used to walking very far, and it was hard for them to walk in the parade. This year, the turkeys were raised on the ranges and were used to the walking required in the parade.
The Hausmanns saw many old friends and relatives while in South Texas. Larry's mother lives 17 miles from Cuero, so they all got a chance to visit with her.

Troubadours Centre Needs Toys Europe Bound

The Carlsbad, N. M. Senior High Troubadour Choir was recently selected as one of ten United States choral groups to attend the "Festival of Three Cities" in Europe.
Duane Harris, choral director, made the announcement following a concert by the Troubadours.
The choral groups will leave for Vienna, Austria on June 29 next summer and will tour Budapest, Hungary, Prague, and Czechoslovakia. They will return to the United States on July 12.
Harris was formerly choral director at the First Baptist Church in Earth. Upon hearing the news, one of the members of the church choir remarked, "Just think, if he'd stayed here, we'd be going to Europe."
Mrs. J. C. Randolph, Mrs. Philip Haber, and Mrs. Sandy Koonz, representing the Baptist Church, kept the Goodwill Centre Saturday.
They report a very slow day, taking in only \$3.00.
There is a special need for toys at the Centre. Christmas is just around the corner and several requests have been made for dolls and games. Check your toy boxes and if you have some extra toys in good condition, take them to the Centre.

Health And Management Of Lambs Program

All interested persons are urged to attend a meeting on the Health and Management for incoming lambs on wheat and stubble tonight at 7:30 p.m. in the Springlake-Earth cafeteria.

The raising of lambs is of special interest to men in this area since a large number of area farmers have gone into the sheep raising business.

Carl Menzies, Superintendent of the Extension and Research Center at San Angelo and Morris Shelton, Sheep Specialist, also of San Angelo, will present the program and will be happy to answer any questions that you might have.

Norman Hinchliffe, manager of the Earth Ag Supply, stated "If we are going to raise lambs in this area, we need to learn as much about them as we can. We need to be knowledgeable on the subject as we can be. This program is designed to do just that—supply us with the information we need to be good sheep farmers."

There are approximately 35,000 head of sheep on pasture in this area.

If you are raising sheep or speculating on doing so in the future, be sure and attend the meeting tonight.

Citizens State Bank Redecorates

If you've been in the local bank recently, you've undoubtedly noticed the redecorating going on in the north end of the bank.

Out of all the noise and saw dust is going to immerge a beautiful new look for the bank. A new office is being added

to accomodate the assistant vice president, Scott Smith. His office will be where the secretary's office now is and Linda Tunnell, secretary, will have her office down in front of President, Macky McCarty's office.

Also a large picture window will be put in President McCarty's office.

New Lubbock Inn Now Open

In our fast moving society the combination of the modern and the touch of nostalgia is sometimes hard to come by. Reviving something of the past worth remembering and emulating is an extra special accomplishment. The new Lubbock Inn revives the name, and the spirit, of the original Lubbock Inn of the 1920's. The old Lubbock Inn was known for its hospitality and fine food... it was the place to go. People would travel for miles just to eat... and this was back when the horse was really the power.

The name Lubbock Inn brings back many memories for the older folks... and is on the verge of making many memories for the modern, mobile folks of today. While we cherish the memories of the past, we look at the modern miracles of today and are thankful for the genius and ingenuity displayed. The New Lubbock Inn is a masterpiece of design and construction... bronze mirror glass, contrasting with white marbrecrete, makes a spectacular sight when you drive in. When you stay you have the convenience of two telephones in each room (one in the bath), color television (cable), bedside controls for television and lighting, the finest in mattresses on the beds which are all king or long-boy, a beautifully decorated coffee shop, a cocktail lounge, and one of the most unusual pools anywhere. These are the things that give the vivid contrast of

the old Lubbock Inn and the New Lubbock Inn.

Fifty years have changed a lot of things, but it hasn't changed the demand for quality and genuine service. The Lubbock Inn is dedicated to reviving the traditions of the old Lubbock Inn, while providing the finest up-to-date facilities in this area.

Quality was the key to the success of the old Lubbock Inn and quality is the key to the success of the New Lubbock Inn. It is a pleasure to see such beauty and quality combined for the enjoyment of the folks in this area. Next time you are in Lubbock, stop in and join the folks at the Lubbock Inn for a cup of coffee. You will see for yourself why the LUBBOCK INN is LUBBOCK'S NEWEST AND FINEST.

Local Members Attend PTA Workshop

Mrs. Ray Joe Riley and Bill Mann attended the Fourteenth District PTA fall workshop in Antero, October 24.

The theme for the workshop was "Look At Us--We Can Change Our Attitude."

Jack Paul, one of America's outstanding young speakers was the guest speaker at the morning session. A discussion period and audience participation followed.

Mrs. Marvin Armstrong, first vice president of state PTA was the luncheon speaker.

A trio from Girlstown, U.S.A. presented a program of folk and popular music, which was enjoyed by all.

There were members from 78 different PTA units, representing 9 counties present.

Bank Serves Refreshments

Halloween is usually the time of year when the witches and goblins roam the streets and you're treated only to pranks and practical jokes.

But local residents were treated in a very special way, on Halloween by Citizens State Bank.

Delicious cookies and punch were served all day at the bank by Mrs. Macky McCarty and Mrs. Scott Smith.

Although the bank is undergoing a face lift, no one seemed to mind the noise and clutter. The fine hospitality far outweighed the redecorating inconvenience.

Citizens State Bank is truly an all service bank!

Pioneer Natural Gas Merges With Houston Natural Gas

Amarillo, Texas, October 18.—The managements of Pioneer Natural Gas company, of Amarillo and Houston Natural Gas Corporation, of Houston, have agreed in principle on a merger of Pioneer Natural Gas Company into Houston Natural. Burton P. Smith, President of Pioneer Natural Gas Company and Robert R. Herring, President of Houston Natural Gas, said that the proposed terms of the merger called for the exchange of one share of Houston Natural common stock for each 2.25 shares of Pioneer common stock. They said that the merger, which could be consummated as early as January, 1973, would be subject to satisfactory mutual investigations, the approvals of the directors and stockholders of both companies, and other conditions.

Pioneer has 7,468,132 common shares outstanding and Houston Natural has outstanding 6,767,091 common shares and 748,472 convertible preference shares. The stocks of both companies are listed on the New York Stock Exchange.

Pioneer is engaged principally in intrastate transmission and distribution of natural gas in the Texas Panhandle and West Texas. The company serves 235,000 customers in 69 communities including Amarillo and Lubbock, and operates 9,824 miles of transmission and gathering lines. Pioneer subsidiaries carry on oil and gas exploration and production, extraction of natural gas liquids, sales and service of franchised

S-E Choir To Present Variety Show

Tuesday, November 7 at 7:30 p.m. in the school auditorium the Springlake-Earth High School Choir will present a musical variety show.

There will be several choir numbers including "Joy To The World" and "I'd Like to Teach the World to Sing." The choir will also present several skits and solo numbers. Included in the solos will be "When You Say Love" and "Song Sung Blue."

Since this will be election night, the choir plans to keep the audience posted on the election returns in a most interesting and surprising manner.

The choir is under the very capable direction of Wayne Anderson. The price of admission will be 50¢ for adults and 25¢ for students.

County Survey Committee Earns Service Award

Recognition for an outstanding history preservation program was recently accorded the Lamb County Historical Survey Committee, headed by V. M. Peterman of Amherst. Mrs. M. E. Kelley of Earth is a very active member of the committee and was largely responsible for the marker recently placed at S-E School.

At the October 27-28 Annual Meeting of the Texas State Historical Survey Committee in Austin, 34 county historical survey committees received the Distinguished Service Award for organizing progressive and well-rounded local history programs during the last year.

Among the rigorous requirements for the Distinguished Service Award are that the local survey committee (1) sponsor at least four official Texas historical markers or spend \$600 for markers during the year, (2) present at least six talks on local history to other civic

groups, (3) conduct at least three historical tours in the county, (4) publish a pamphlet, brochure, etc., showing sites of local historical interest, (5) sponsor at least one annual history appreciation observance, (6) secure at least \$100 in investments in the Texas Historical Foundation (private affiliate of the State Historical Survey Committee), and (7) publish a county committee newsletter at least quarterly.

The complete list of counties whose committees were named Distinguished Service Award winners is as follows: Anderson, Bowie, Brazoria, Burleson, Carson, Coke, Crockett, Crosby, DeWitt, Freestone, Galveston, Garza, Grayson, Hale, Harris, Hays, Hill, Houston, Jackson, Kimble, McMullen, Marion, Midland, Mitchell, Newton, Polk, Robertson, Scurry, Tarrant, Tom Green, Travis, Washington, Williamson, and Wise.

Local Teachers Attend TSTA Meeting

Springlake-Earth teachers attended the District 17 TSTA Meeting in Lubbock, Friday, October 27.

Johnny Clark, president elect of TSTA was a special guest. Duane Locke and Mrs. Robert Gossett were voting delegates for Springlake-Earth. Mrs. Monara Cummings was a representative for District 17. Friday evening, they attended the House of Delegates held at Coronado High School.

All committee reports were given and voted on.

Dr. Kenneth McFarlan from Topeka, Kansas, presided over the dinner meeting. Dr. McFarlan is head of the personnel division of General Motors. He has been awarded the Freedom Foundation Award. He received his BA degree from Pittsburg State University, his Masters degree from Columbia University and his Doctorate from Stanford University in California.

DON'T FORGET TO VOTE TUESDAY!!!

TRAILER BILL PASSED

The Texas Legislature completed action on the modification of the brake and lighting requirements for trailers when the Senate, on October 13, accepted the House version of the Bill.

The final legislative action ended three weeks of intensive and sometimes frustrating discussions among representatives of interested groups and legislators. The modification procedure proved to be unusually complex in that it was difficult to arrive at solutions and compromises which would give trailer users practical relief and at the same time maintain reasonable safety features to protect the general public from traffic accidents. It must be remembered that farm trailer users were not the only group vitally interested in the final results. Also included were the boat, fertilizer, pole, mobile home and other miscellaneous groups. It was a difficult task to rewrite the Bill in order to be fair and practical and prevent any group from vigorously opposing the final Bill.

In brief, the principal features of the new Bill as they affect farm trailers are:

A. Registration - It will no longer be a requirement under certain conditions to operate a farm trailer at thirty (30) miles per hour or less in order to register for the \$5.00 green tag license. This will permit farm trailers under certain conditions to be operated in excess of thirty (30) miles per hour.

B. Electric Lighting Requirements:

1. Farm and fertilizer trailers registered as such are not required to have any fixed electric lights (this includes stop lights and turn signal indicators) during daylight hours (one-half hour before sunrise to one-half hour after sunset).

2. Boat trailers with a gross weight of 3,000 pounds or less are exempt during daylight hours from all fixed electric lights.

3. Boat trailers with a gross weight of 3,000 to 4,500 pounds are exempt during daylight hours from all fixed electric lights except stop lights and turn signal indicators.

C. Brake Requirements:

1. Every vehicle and trailer shall be equipped with brakes acting on all wheels except:

a. If the gross weight of the trailer, semitrailer, or pole trailer does not exceed four thousand, five hundred (4,500) pounds, it is not required to have brakes. This means this classification of trailers are exempt from the thirty (30) miles per hour limit and may travel at the posted speed limits for trailers.

b. If the gross weight of the trailer, semitrailer, or pole trailer exceeds four thousand, five hundred (4,500) pounds but does not exceed fifteen thousand (15,000) pounds, and the vehicle is not drawn at a speed in excess of thirty (30) miles per hour, it is not required to have brakes.

c. If the gross weight of the trailer, semitrailer, or pole trailer exceeds four thousand, five hundred (4,500) pounds but does not exceed fifteen thousand (15,000) pounds, and the vehicle is drawn at a speed in excess of thirty (30) miles per hour, it must have brakes acting on both wheels of the rear axle.

d. If the situation requires brakes on trailers, then a surge or inertia system of brakes may be used if the gross weight does not exceed fifteen thousand (15,000) pounds.

Election Officers To Attend School

There will be a school of instruction for Election Officers concerning election laws in the Lamb County Courtroom on Thursday, November 2, 1972, at 7:30 o'clock p.m. The school of instruction will be held by Billy Tom Grant, County Clerk Mary Beth Wiley, County Judge G. T. Sides and County Attorney Curtis R. Wilkinson.

The presiding judge and alternate presiding judge of each precinct appointed by the Lamb County Commissioners' Court are urged to attend the school. Those persons who will serve as

clerks at the General Election on November 7, 1972, are also urged to attend.

There have been many changes and additions to the election laws this year which will be discussed and a new tallying method will be discussed that concerns only General Elections.

Persons appointed to serve as watchers at the general election and any other interested members of the public will be welcome to attend the school.

Mrs. Bob Armstrong and Mrs. Roger Haberer are the judges for the Earth precincts.

Adding Humidity No Problem

Now every home, no matter what kind of heating system it has—hot water, steam, forced air, or any other—can be humidified.

Until a few years ago, only families with forced warm air heating could enjoy the benefits of an automatic humidifier installed on the furnace.

There has also been a general belief that other systems—hot water and steam, for instance—take the place of a humidifier. This is not true.

installed out of sight on the basement ceiling, in a closet, heated crawl space, or utility room. The humidifier, once installed with a duct running to a grille in the living room, sends water vapor into the home where it is quickly dispersed evenly throughout the air. The new humidifiers work completely independent of the heating system. To get the heat needed for evaporation, some have small heating units. Others use hot water piped in from the service hot water source.

If you have a heating system other than forced air and fear you can't get automatic out-of-sight humidification, you should talk to a heating dealer. To obtain a free booklet, "Facts about Humidification", write to Research Products Corporation, Madison, Wisconsin, 53701.

Attends Family Reunion

Mrs. Marvin Sanders attended a family reunion honoring her father, J.W. Strickland of Levelland on his 79th birthday, October 29, in the Levelland Community Building.

Eight of his nine children were present plus a host of grand children, great grand children and other relatives from Lubbock, San Angelo, Dimmitt, Brownfield, Meadow, Earth, and Levelland.

A delicious dinner was enjoyed by all and the afternoon was spent in an old fashioned sing song and games of 42 and Canasta. Also much picture taking and showing was done by all.

Mrs. Emma Agnes Jaquess, 87, one time resident of Earth, died Thursday night, October 25 at her home in Littlefield, Mrs. Jaquess was the mother of Travis Jaquess, long time resident of Earth, now of Lubbock.

Mrs. Jaquess and her husband had the first laundry in Earth now in the south part of town. Funeral services were conducted Saturday afternoon in the First Baptist Church in Littlefield with Rev. A. J. Kennemur, pastor, officiating. Burial was in the Earth Cemetery.

Mrs. Jaquess was a member of the Littlefield First Baptist Church and a lifetime member of the Order of the Eastern Star.

Surviving are her daughter, Mrs. Lyle Brandon of Littlefield; seven sons, Royce Jaquess and Haskell Jaquess, both of Ada, Okla., Clifford Jaquess of Littlefield, Curtis Jaquess of Las Cruces, N. M., Rex Jaquess of Midland and Travis Jaquess and Gerald Jaquess, both of Lubbock; a sister, Mrs. Lennie Fultz of Dougherty, Okla., three brothers, Bill Cowan of Auburn, Okla., Leonard Cowan of Stratford, Okla., and Lloyd Cowan of Willis, Okla.; 34 grandchildren and 54 great-grandchildren.

Mrs. William P. Holland, Jr., also attended the Area Shalkee Convention in Dallas Saturday.

SMILE KING AND QUEEN are Pete Rodriguez and Paige Gaston.

Local Residents Slightly Injured In Car Accident

Sunday evening around 6:50 p.m. Mrs. Jerry Barden and Mrs. Ruth Garcia were involved in a two car accident one mile south of the Springlake-Earth School.

Mrs. Barden was driving a '67 Ford station wagon north on the school road, when Mrs. Garcia going south, in a '67 Chevrolet, pulled off the road onto a dirt road and then backed up across the school road. Her car stalled in the middle of the road and Mrs. Barden struck the left rear side of her car. Mrs. Barden had three sons with her, Brad, Tracy and Stacy. None were injured. Mrs. Garcia had 3 children in the car with her. They were slightly injured and taken to the Muleshoe Hospital where they were treated and released. Mrs. Garcia was issued a ticket by Highway Patrolman, Weldon Parsons, who investigated the accident. Both cars sustained heavy damage.

Vote Fraud Still Occurs

Texas voters will flock to the polls on Tuesday (Nov. 7) but in a lot of cases their vote won't count. That's the opinion of Alan Rash, El Paso attorney, who believes that fraud will cancel out the sincere intentions of a lot of concerned citizens. Rash is head of the Voter Rights Committee for Texas.

He cited one frequently used tactic: "A lot of people are told they must vote a certain way based on their votes in the past," Rash said. "This is not true. No matter how a person voted in the primary, he may vote for any candidate in a particular race. Saying anything otherwise is totally false."

Darwin Sanders Is Manager For American Finance

Darwin Sanders, formerly of Springlake and later of Amarillo was transferred three weeks ago to Midland where he was named manager of the American Finance office there. Sanders has been affiliated with American Finance for approximately two years. Sanders is the son of Mrs. Doris Sanders and the late Jack

Sanders of Amarillo. Sanders is a 1965 graduate of Springlake-Earth High School and served a term in the Army including a year in Vietnam, prior to moving to Amarillo. Sander's wife is residing with his mother in Amarillo until the first of the year when she will join her husband in Midland.

Lamb Registers 10 Wrecks In September

The Texas Highway Patrol investigated ten accidents on rural highways in Lamb County during the month of September, according to Sergeant Thurman Keffer, Highway patrol supervisor of this area.

These crashes resulted in two persons killed and nine persons injured. The rural traffic summary for this county during the first nine months of 1972 shows a total of 77 accidents resulting in nine persons killed and 62 persons injured.

Region 5 of the Texas Department of Public Safety shows a total in September, 1972, of 561 accidents resulting in 21 persons killed and 335 persons injured as compared to the same month in 1971 with 499 accidents resulting in 33 persons killed and 268 persons injured. This was 62 more accidents, 12 less fatalities and 67 more injured in 1972 at the same period of time.

The Highway Patrol supervisor reminds you that speed is one of the main factors in accidents on the highway. Slow down a little and live a lot. Drive friendly the Texas Way! The 21 deaths for the month of September, 1972, occurred in the following counties:

Lazbuddie Line Under Repair

Rad Richardson of the General Telephone Company reported Wednesday that they hoped to have the Lazbuddie telephone service repaired by Thursday evening.

The lines snapped Tuesday morning due to the heavy ice accumulation on the wires. Richardson reported that the

service is not interrupted, but only the toll free service between Earth and Lazbuddie. The main problem is a vehicular one; because of the roads, it is difficult to get the necessary equipment in to make the repairs. "If the telephone company can be of any assistance, please contact us," Richardson said.

Absentee Balloting Expected Heavy

Absentee voting began in the County Clerk's Office on October 18 and will continue until 5 p. m. on November 3.

At that time, 146 mail-in requests had been received in the general election. The absentee balloting is expected to be the heaviest ever.

Going by these figures, the county clerk predicts as many

as 600 may vote absentee in the general election. There were 425 absentee votes in the last general election four year ago.

The increase in absentee votes this year is due largely to the younger voters (18, 19 and 20 year olds) who are away at college and for servicemen who vote absentee.
