

Local Boys Attend Electrical Workshop In Amarillo

★★★★★★★★
NOSIN...
 ★ With Polly ★
 ★★★★★★★★★★

We four Middletons, Polly Jr., Phil and we two aged ones, returned Saturday in the wee hours of the morning from a vacation in the lovely resort town of Scottsdale, Arizona, where we spent four nights at the beautiful Valley Ho Motel, occupying a suite with all the imaginable conveniences plus a hide away kitchenette and two televisions.

We saw several museums, went swimming, toured the old western movie town film land at Apache Land, Arizona, and saw the actual filming of a CBS Television show, "The Tum the Other Cheek Brief."

I can't imagine why the Middleton clan weren't discovered, given a movie contract and ushered into stardom right then and there...

They have Ma and Pa Kettle, and the four member Hillbilly family on T.V. Why couldn't they have signed us up and called us the "Greenhorns from God's Country"?

We recognized a few of the actors, I think, John Barrimore, Jr., was there but had been injured in a fight in one of the scenes and was resting in a Scottsdale motel.

I, who had always wondered how it would be standing in another's boots, took the liberty to stand in the footprints made in the cement by Henry Fonda. (They were fresh prints too, made May 2 of this year.) I found my feet didn't quite cover the tracks made by Henry Fonda. This probably accounts for my falling to be turned into a modern day Cinderella and walking off with a film contract...

Following much thought, I finally arrived at the conclusion that old gals are considered much the same as old newspapers--useless--other than to cover the bottom of a bird cage or to scrub up the floors...

"NOSIN"

Women's styles sure are varied these days and times, and in some cases quite extreme.

For instance, the mini skirts and Bikinis don't leave too much skin that the sun can't tan. It seems they should be a wfully inexpensive since there is so little involved.

I heard that Mrs. Dallas Clynch, who finds living in the rural area a delightful challenge and an entirely new experience, may be instrumental in setting a new style for West Texas Women.

It seems the "Clynch style" came about quite innocently, following their purchase of livestock, which included a beautiful horse, a couple of pigs and a lamb. The two young Clynch lads were out of this world with joy over their new livestock.

In order to join in the fun and to make her daily check of the livestock, Mrs. Clynch garbed herself for the occasion. She was seen outside the house on one of those beautiful sunny West Texas days, wearing a raincoat and rubber boots. It seems the boots were worn to discourage snakes from biting at her ankles, and the raincoat was to ward off the mosquitoes. I wonder if the mini skirts and Bikinis were started that innocently. (Couldn't be, there's not enough of them to ward off anything.)

"NOSIN"

I fully understand that "hail" is not a comical subject in this farming area. However, several farmers have either taken a new lease on life or visa versa, life has taken a new lease for them, because they are looking at the through rose colored glasses, regardless.

Ardis Barton, who received hail damage on Thursday, June 15, and again on Thursday, June 22, jokingly said, "I only get hail on Thursdays"... as though his odds were exceptionally good... But today is Thursday again... What today? (My fingers are crossed.)

"NOSIN"

On Thursday, June 15, Gayle and J.A. Littleton, Jr., spent the evening jumping into the car and driving to their farms to see about hail damage. Each time after they returned home, the hail would begin again.

This went on until they were returning from their third trip out over the wet roads, J.A., arriving at a brilliant deduction, looked over at Gayle, saying, "I guess you know, all we're doing is just wearing out the road." So they gave up, but the hail didn't. It returned two more times that day.

The annual electrical workshop was held June 19, 20, and 21 in Amarillo, with 92 boys attending.

The boys attended classes at the Episcopal Youth Conference Center, where they were housed during the three-day session. All expenses were paid by the Southwestern Public Service Company. Classes in four different departments by the group throughout the day. These included lighting, wiring, heating and electric motors.

Recreation periods were enjoyed with facilities for swimming, tennis, basketball, volleyball, ping pong, baseball, and numerous other games.

The outstanding boy in each department was awarded an all expense paid trip to the national FFA convention in Kansas City, Missouri, next year.

Attending from Earth were David Templeton and Eddie Jones. The two local boys were accompanied by two boys from Olton. They were Ronnie Truelock and Gary Dickinson, Ralph Glover, an employee of the Southwestern Public Service, furnished the transportation.

Gary Dickinson and Eddie Jones attended classes in the heating department, David Templeton in the electric motor division, and Ronnie Truelock in wiring.

The boys obtained invaluable experience, which will be of great use to them in later years.

Earth Annual Rodeo Set For July 13-14-15

Handmade Saddle To Be Given Away Saturday, July 15

Earth's big 23rd annual rodeo is slated for July 13, 14 and 15 at the local arena. Performances will begin nightly at 8:30 p.m.

A parade at 4 p.m. Thursday in downtown Earth will kick-off the three-day rodeo activities. The Earth Chamber of Commerce will give prizes for the best floats. They will also present trophies to the three top riding clubs.

The Earth Lions will sponsor a picnic supper at the community building beginning at 6 p.m. The fee of \$1 per person will be charged.

The rodeo will feature calf roping, bareback riding, saddle bronc riding, girls' barrel racing, bull dogging, bull riding, team roping and junior roping.

All first place winners will receive a trophy buckle. Entries will be taken from 9 a.m. to 8 p.m. on Wednesday, July 12, at the rodeo office, located over the concession stand on the rodeo grounds in west Earth. Contestants from various states in the nation are expected to enter. Entries under 21 years of age must have the written consent from their parents or guardians.

Highlighting the rodeo is a specialty act to be performed by George Taylor, noted trick rider and performer. He will do tricks featuring his trained mules, Brahma bull and midget Brahma. Taylor has performed in Canada, South Africa and various places across the nation. He is widely acclaimed as a top performer.

There will be many rodeo clowns to keep things lively. Glen Greene, Amarillo, will be producer of the show. He has supplied the stock for Earth's big rodeos for the past two years. Bob Waide, president of the Earth Roping Club, said they were expecting an overflow crowd this year, and work so far was going smooth. The rodeo usually attracts approximately 3000 spectators annually.

Officers of the Earth Roping Club include Waide as president, James Washington as vice president and Lexie Branscum as secretary. All Roping Club members are on a committee to assist with the rodeo.

Don Layman has been elected as parade marshal. Admission will be \$1.50 for adults and 75¢ for children.

Bookmobile In Area Today

The High Plains Bookmobile will be in the Earth-Springlake area (today) Thursday, June 29, and in the Pleasant Valley June 30.

The library on wheels is slated to be in the city of Springlake from 11 to 12 o'clock Thursday and in Earth from 1 to 4 p.m.

On Friday the library will be at the Pleasant Valley Community Building from 11 to 12 noon.

Inez Barton of Dallas is spending this week in Earth visiting relatives and friends.

A beautiful handmade saddle valued at \$275 will be given away Saturday, July 15, during the final performance of the big Earth Rodeo. The saddle was made by Bob Marrs, Amarillo, famed saddle maker.

Members of the Earth Roping Club and Odd Fellows Lodge are circulating tickets. Proceeds from the sale of tickets by the

Roping Club will be used to pay for painting the bleachers and the arena. The Odd Fellows will donate their funds to the Odd Fellows Children's Home.

Mr. and Mrs. A.C. Barton and Mrs. Mildred Haley recently returned from a week's vacation visiting relatives in Mantee, Mississippi.

Can We Wave The Flag Too Much?

Is it possible to wave the flag too much? Provided, of course, that you wave it with integrity? Is it possible to study Lincoln or Shakespeare too much? Is it possible to read the Bible too much? ★ The great, the good, the true, are inexhaustible for inspiration, example and strength. I believe that we are not waving our flag enough, not nearly enough ★ It seems to me that we are developing a tendency to be timid or even apologetic about waving the stars and stripes. Walk up and down the streets on July 4th and count the flags. It is our nation's birthday, a sacred day in world history, the most important day of America. Why isn't the flag flying on every rooftop and from every home and building? This complacent attitude is strong evidence of cancerous patriotic decay. The flag is a symbol of our national unity. It is the spirit of our undying devotion to our country. It stands for the best that is in us... for loyalty, character, and faith in democracy ★ Isn't our flag a synonym of the United States of America? Does it not represent man's greatest, noblest, most sublime dream? Is it not the zenith of achievement, the goal to which generations have aspired? ★ Ladies and gentlemen, I believe it is time for us... for the mad, rushing Twentieth Century American... to stop for a moment and think. Let us arrest our near reverential admiration of material success and return to the spiritual and ethical values. Let us imbue and rekindle in ourselves and our children the so-called old-fashioned way of patriotism, a burning devotion to the principles and ideals upon which our country was founded ★ Should not every home own and proudly display the colors on holidays and other such occasions? Isn't the flag Patrick Henry, Jefferson, Franklin, Washington, Nathan Hale, Gettysburg and Valley Forge, Paul Revere, Jackson and other great men and women who have given us our heritage? When you look at the flag can't you see the Alamo, Corregidor, Pearl Harbor, The Monitor, The Merrimac, Wake Island, and Korea? Lest we forget, isn't the flag Flinders Field, Bataan, Iwo Jima, Normandy, Babe Ruth and Davy Crockett? The great events of our past and present are wrapped up in our flag ★ It is a symbol of this blessed nation, a giant in industry, education and commerce. Millions of fertile square miles, wheatlands, coal mines, steel plants. Our great republic, the chosen infant destined to be man's last and remaining hope for suffering humanity, a shining beacon of light, noble and glorious, the haven for the oppressed and persecuted and truly God's gift to mankind ★ That is what the flag means to me. Can we wave it too much? I don't think so.

Reply of Dr. S. L. DeLove delivered on the "Know Your History Hour," Sunday, December 30th, 1956 to a listener who wrote as follows: "Your programs are really very good -- but you are waving the flag too much." The above has been reprinted in more than 400 national magazines, broadcast by 700 radio stations annually and is part of the Congressional Record. Dr. S. L. DeLove is author of "The Quiet Betrayal" and president of Independence Hall of Chicago.

Weather Considered Exceptional In Area

Always without exception when people visit another state, they are met with the familiar remark from local residents, "This weather is quite unusual for this time of year." In Earth, Springlake and West Texas, as a whole, we are likewise having exceptional weather, rainy, cloudy and windy weather.

There has been varied amounts of rainfall and hail in the Earth area, and several farmers are replanting. Most have chosen to plant soy beans on their cotton acreage. However the damage to Earth area crops is said to be light as compared to past years.

In the area northeast of Springlake, the hail has been much more extensive, and farmers have planted over, some for the third time. Others are currently waiting for the fields to dry up so they can plant soy beans. Among those who have replanted are Erroy Wisian, F. W. Bearden, and J. W. Dear. Many others not listed have also replanted their crops.

Late reports around the area are as follows: Floyd Bills, who farms 3 1/2 miles southeast of Earth, said, "We have received approximately 6 1/2 inches of rain during the month without any hail damage at all."

Mrs. B. T. Hamilton reported 1.70 inches of rain Saturday and Sunday and 1 1/2 inches Thursday.

Mrs. Zou Wilson, whose land is located 2 1/2 miles north of Springlake-Earth School, said she received lots of rain and hail. She was among the group of farmers to receive rain and hail damages both Thursday, June 15 and 22. Included in those receiving damages were Ardis and Weldon Barton, R. O. Dickson, Carl Jones, Orville Cleavinger, Lowell Walden, Elton Schaefer, Kenneth Hinson, Orbie Armstrong, E. C. Kelley, Gene Brown and Jack Angeley.

The strip of hail was said to be approximately two miles in width, beginning about 1 1/2 miles northwest of the school, taking a northeasterly direction spreading hail stones along its pathway. Most farmers in the Earth area have indicated the damage will not be felt as badly this year, due to the fact that farmers replacing their cotton crops with soy beans will receive cotton checks from the government and will not suffer too much financially.

"There's one thing that will give you more for your money than it would ten years ago--the penny scale at the corner drugstore."

July 11 Set To Plan Pioneers Reunion

The initial planning meeting for the 18th Annual Pioneers Reunion has been set for July 11 at 8:30 p.m., by officers of the Lamb County Pioneers.

The planning session will take place in the Willey Room of Lamb County Co-op, and directors, officers, and other interested parties are invited to attend.

August 29 in the Lamb County Community Center is the setting for the reunion, sponsored by and for persons who lived in the

county in 1937 or before. Some from as far away as Oregon and Washington attended last year's festivities, at which around 325 pioneers were present.

Of those at last year's reunion thirty-three had been associated with Lamb County for over half a century.

Club officers are V. M. Peterman, Amherst, president; Marshall Kelley, Earth, vice-president; Tom Matthews, Littlefield, treasurer; and Ray Wade, Littlefield, secretary.

School Equalization Board To Meet July 10 In Business Office

The Board of Equalization for Springlake-Earth Independent School District has scheduled a meeting in the school business office on Monday, July 10, from the hours of 8:30 a.m. to 12 noon.

The purpose of the meeting is for determining, fixing, and equalizing the value of any and

all taxable property situated in the Springlake-Earth Independent School District. Any and all persons interested in the meeting or who have business to bring before the board are asked to be present.

Members of the board are Gene Templeton, Ardis Barton and Kenneth Hinson.

Club Gets Jayceeism Pointers

"What is a Jaycee" was the topic used by Jim Williams, president of the local Jaycee Club, as he addressed members of the club during a regular meeting Thursday at the Jaycee building.

The group voted to use parliamentary procedure in conducting all future business meetings. Each member of the club received a kit, which included a Jaycee pin, creed and booklet on Jaycees.

Darrell Williams made a motion for the Jaycees to plant grass in the remainder of the park surrounding the new ball park, as the City Council had asked. The motion was passed, and members of the club voted to accomplish this task Tuesday if the park was dry enough to plant.

Glen Bulls gave a short report on his meeting with the City Council. He told the group the Council had agreed, after being advised by City Attorney Andy Stroebel, to okay the Jaycee project of installing correct house numbers within the city limits, regardless of past numbers on houses or on abstract deeds to property.

At the meeting Thursday (tonight) each member is expected

to bring a prospective pointer to the meeting. This is being done in effort to increase the local club membership.

M&M Cafe Opens Monday For Business

The M and M Cafe opened for business this week, in the Earth Hotel under the management of Mary Davis of Muleshoe and Martha Rudd of Olton.

Mrs. Agnes Williams, will serve as cook for the new cafe. The cafe will serve breakfast, lunch and dinner meals daily. The cafe, formerly known as the Texas Cafe has been completely redecorated and remodeled.

Guests in the Roney Smith home last Wednesday were Mr. and Mrs. E. L. Hatfield of Sudan, On Friday Dr. and Mrs. Gordon Steward of Littlefield visited the couple.

Susann Davis Engaged To Richard Evans

Mr. and Mrs. Eldon L. Davis, of Route Four, Muleshoe, announce the engagement of their daughter, Susann, to Richard P. Evans, son of Dr. and Mrs. J. Ellwood Evans of 9910 El Patio Drive, Dallas, Texas.

Miss Davis is a graduate of West Texas State University and is employed by the Richardson Independent School District. Mr. Evans is a graduate of North Texas State University and of Dallas Theological Seminary.

The wedding will take place August 12, at 8:00 p. m., in the First Baptist Church, Earth, Texas.

Friends of the family are invited to attend the wedding and the reception immediately following in the church Fellowship Hall.

SUSANN DAVIS

That Was The Day That Was...

There are days, and there are daze.

Monday was one of those disaster days for the Cecil Slovers, who being a do-it-yourself sort of couple, arose with vigor to garb themselves in their old paint slinging clothing, pulled all their furniture out into the middle of the front room, and began to paint the woodwork in their lovely home.

They started the task before them with much enthusiasm. Mrs. Slover, the local home-making instructor, noted for cleanliness and order in her home and school room, plus sewing and homemaking abilities, did not wish to have everything in disorder for long.

However, during the peak of "operation paint" at the Slover abode, Mrs. Slover glanced out the window noticing a car stopping in front. As the lady got from the car, with mixed emotions Marie Slover recognized her old college roommate, Christene Gollightly, whom she loved dearly but hadn't seen in twelve years. With her were her parents, whom the Slovers hadn't seen in eighteen years.

Marie looked around at her cluttered home. The idea to drop dead or to flee, perhaps crossed her mind, but her love for the Hardin-Simmons roommate won out. She rushed to the door to welcome her friends. Mrs. Slover had been bride's

maid for Christene and remembered her parents' fabulously beautiful home in Amarillo and was haunted by the disorder of her own home.

However, her friend, who is a mother of five, and in addition, is hostess to various foster children through the summer, assured Marie she could find practically the same situation daily at her home in California.

Marie then took courage and called faculty members, Mr. and Mrs. Bill Anderson, who were friends of Christene, having attended the same church while living in California. They joined the group, and Marie soon forgot the untidy rooms in her joy over seeing old friends.

AMONG THOSE WHO ARE ILL

Mr. O. R. Mann, father of Supt. Bill Mann, returned to his home in Idaho Monday following surgery Wednesday in the Littlefield Hospital. Supt. Mann drove him to his home.

Mrs. Carl Jones has been a patient in the Littlefield Hospital for the past 10 days, suffering from nervous tension. She is reported to be improving.

Mrs. Orville Drake, Springlake, was admitted to the Littlefield Hospital Wednesday week for tests and observation.

Terri Carol Smith Celebrates 10th Birthday With Party June 20

Terri Carol Smith, daughter of Mr. and Mrs. Roney Smith, celebrated her 10th birthday with a party in her home from 1 to 3 p. m., on Tuesday, June 20.

Decorations of yellow, green and white were carried out, using crepe paper streamers, balloons and a tablecloth with matching cups, plates and bowls. The two tiered square birthday cake was embellished with yellow roses and inscribed with "Happy Birthday Terri" in yellow lettering. Five green candles bordered each side of the lower tier of the cake.

Mrs. Winders TOPS Queen Of the Week

Eighteen members and two guests were present at the weekly Happy Losers TOPS Club meeting last Thursday. Mrs. E. C. Kelley, Earth, and Mrs. Audna Hawkins from Florida were the two guests.

In the absence of Mrs. Florence Gover, the regular weight recorder, Mrs. C. L. Houchlin weighed the ladies. Total loss for the week was fourteen and three-fourths pounds, and the total gained was eight and one-half pounds.

Queen for the week was Mrs. Jay Winders, who had lost four and one-half pounds. A fruit basket was awarded to Mrs. Ruby Jordan for most pounds lost during the month.

Mrs. Pauline Hucis, leader, was in charge of the meeting. She appointed two team captains and started a contest for added incentive to lose weight. Following the meeting the ladies dined at the Wolverine Drive-in.

Peggy Overby On Honor Roll At University

Norman, Oklahoma, June--- Mrs. Peggy Overby, daughter of Mr. and Mrs. E. A. Upchurch of Earth, was among the 3,316 University of Oklahoma students to earn places on the university honor roll for the 1967 spring semester. The announcement was made by Dr. George L. Cross, OU president.

To be eligible for the honor roll, a student must have an overall grade average of B or better in a minimum of 12 credit hours and must not have a "failing" or "unsatisfactory" mark in any course.

Favors presented each guest were surprise balls, suckers and bubble gum. Game favors were won by Kathleen Anderson, Stacy Koeninger and Karen Kemper.

Refreshments of home made ice cream, punch and cake were served to Melissa Been, Stacy Koeninger, Kathleen Anderson, Joy Faver, Alice Faye Adrian, Quency and Neshia Lewis, Camille Hinchliffe, Marianne Messer, Karen Kemper and the honoree. Also calling in the afternoon were Mrs. Wilson Lewis, Mrs. Freddie Kemper, Mrs. M. W. Messer, Mrs. L. T. Smith, Mrs. Donald Kelley, and daughters, Donita, Annita, and Connie and Mrs. Jimmie Ivy of Lazbuddie.

Terri received many lovely and useful gifts.

Good Will Centre Takes In \$24.95 In Sales Saturday

Sales totaling \$24.95 were rung up Saturday at the Good Will Centre by members of the Town and Country Study Club who operated the Centre. The four operating the Centre included Mrs. M. E. Kelley, Mrs. Roy Neal, Mrs. Marie Ross and Mrs. W. D. Martens. They reported that dresses, shirts, shoes and men's trousers were sold at a fast pace during the opening hours Saturday.

The group reported the Centre could use children's clothing of all types and sizes as well as children's shoes. Another item much in demand is dishes, which aren't available at the present time. Anyone having dishes not in use is asked to donate these to the Centre.

A sewing machine is also needed for the current sewing classes, now being held in the homemaking department at school, but is expected to be moved to the Centre as soon as the place can be made ready for classes. Folding tables and chairs are also needed for these classes.

A work-day at the Centre is being planned for the near future. A date will be announced later.

Jack Hinson was dismissed from a Littlefield hospital Saturday and is recuperating at his home.

Mrs. Marie Ross accompanied Mrs. R. L. Drake and Mrs. Cecil Parish to California recently, while there Mrs. Ross visited her sister, Mrs. Joe Warwick, Mrs. Warwick and her granddaughter, Jennifer, returned home with them to visit relatives here. The two flew back to California Wednesday.

Wedding Vows Exchanged Friday In Home Ceremony

Miss Marion Lynne Gossett of Albuquerque, New Mexico, became the bride of Ronald E. Smith of Olton at 8 o'clock Friday evening, June 23, in the home of Mr. and Mrs. Fred A. Smith of Olton, parents of the groom.

Parents of the bride are Mr. and Mrs. Bill Gossett, 503 Green Valley Rd., N. W., Albuquerque, New Mexico.

Mrs. Buddy Nicholson registered the guests. Haun Kite, minister of the Olton Church of Christ, officiated in the double ring ceremony before an archway formed by two candelabra flanked by baskets of white mums and gladiolas. Mrs. Haun Kite played Lohengrin's Wedding March. Mr. and Mrs. Kite sang "Oh Promise Me", and Mr. Kite, soloist, sang "I Pledge My Love."

Ricky Smith and Nicky Smith of Olton were candlelighters. Ty Harber, ring bearer, carried a white satin pillow with edging of white lace while escorting Robyn Gossett, attired in a floor length blue gown with empire waist.

Miss Cissy Smith, sister of the groom, was maid of honor. She was attired in a floor length dress of blue chiffon and lace, designed with an empire waist. A train of blue chiffon and lace was attached at the shoulders. She carried a long stemmed white rose.

Local Families Attend Reunion At Lake Proctor

Descendants of the W. A. Goodman family gathered Sunday, June 18, in the home of Mr. and Mrs. Orage Free at Lake Proctor for their first family reunion.

There were thirty-five present for the occasion, and they enjoyed the fun filled day of visitation and relaxing.

Among those attending from Earth were Mr. and Mrs. George Ranyon, Mr. and Mrs. V. T. Gooch, Mr. and Mrs. Gus Parish, Buddy Free, Cecil Parish, Clarence Hamilton, and Mrs. Marie Ross. Others attending included Mrs. Edwin Warwick and Jennifer of Ingleswood, California; Mrs. Lottie Wilmet of Plainview; Mrs. O. R. Austin, Orange, Texas; Mrs. R. H. Snow, Mr. and Mrs. Billy Free and children all of Stevensville; Mr. and Mrs. Steve Hotary and children of Jacksonville, Arkansas; Sandra Miranda of Little Rock, Arkansas; L. L. Cox, Gainsville; Mr. and Mrs. W. A. Cox, Salt Lake, Utah, and Frank Martin of Austin.

Mrs. Duke Powell and children, Hereford, visited over the weekend with Mr. and Mrs. Floyd B. Bills of Earth.

Mr. and Mrs. Edd O'Hair visited in Lubbock Sunday with Mr. and Mrs. A. P. Campbell. Mrs. Campbell is Mr. O'Hair's sister. They also visited their daughter, Mrs. Carl Jones, who is a patient in the Littlefield Hospital.

Best man was Gene Tunnell of Lazbuddie, Texas.

Given in marriage by her father, the bride wore a floor length gown of elegant simplicity in Peau de Sole. The molded bodice featured an oval neckline and long petal point sleeves. The crescent waistline fell into a sheath skirt with side pleats, which formed a panel in the back. The bride's head piece was a queen's crown which held her shoulder length veil of silk illusion. Her bouquet was of camellias and gladiolas covering a white Bible.

The bride's mother wore a floral dress of silk with black accessories. Her corsage was of white camellias.

The mother of the groom was attired in a mauve pure silk suit with bone accessories. Her corsage was white.

Following the wedding, the reception was hosted in the home of Mr. and Mrs. Fred A. Smith.

The table was laid with a pure white linen cloth with the bride's bouquet at centerpiece. The three-tier cake was decorated with miniature bride and groom. Punch was served from a crystal setting by Mrs. Billy Smith, Jr.

Mrs. Gene Tunnell served the wedding cake.

Out-of-town guests were Mr. and Mrs. Bill Gossett and daughter, Robyn Lea, of Albuquerque, New Mexico, mother, father, and sister of the bride, Mr. and Mrs. Garland Hallford, Jan and Gary of Portales, New Mexico, aunt of the groom and Mr. and Mrs. W. G. Gayne of Plainview, uncle of the groom.

The couple made a wedding trip to Ruidoso, New Mexico.

After June 26, 1967, Mr. and Mrs. Ronald E. Smith will reside at 2301 51st St., Lubbock, Texas.

(Continued from Page 1)

B. T. Hamilton, expecting company Sunday from Amarillo, met the guests about a half mile from the house with a tractor and escorted them to his home over the overflowing roads.

The Orville Cleavingers, determined to attend church Sunday, did so. However, a friend declared it looked like it would have been easier for Rowena and Orville to have paddled a boat up the road.

Mr. and Mrs. Howard Bulls of Reedley, California, and Miss Marsha Smith left Monday for their home after spending several days visiting with Mr. and Mrs. Fete Parish and Denny. Mr. Bulls is a brother of Mrs. Parish.

49 Girls Attend Daisy Low Day Camp Last Week

Brownies and Girl Scouts of the Earth-Springlake area enjoyed a week of day camping at the Norman Sulser farm northwest of Earth, 49 girls registered and attended the sessions. Ten to sixteen young children were registered in the Papoose unit, made up of kiddos whose mothers were helping with the camp.

Mrs. Norman Hinchliffe and Mrs. Thomas Lively were in charge of the Papoose unit with part of the week being spent at the Hinchliffe residence in town and part of the week at the Lively home west of Earth.

Brownies enjoyed hiking, cooking, firebuilding, learning to use a knife and potato peeler, listening to folk-lore tales told by Mrs. Lewis Faver, singing folk songs led by camp director, Mrs. Norman Sulser.

Plaster of Paris paper weights were made by the 2nd grade Brownies, which enclosed treasures that they found on their hike. 3rd grade Brownies had a week long project of cold pottery bowls that could be used for powder bowls or for other purposes.

Separate ceremonies by Brownies and Girl Scouts were held at the beginning and at the close of each session with all girls taking part in one of the ceremonies.

Menus for the Brownies included a sack lunch on Monday and Wednesday. On Tuesday, the group cooked Hamburger Ala Foll, celery sticks and somemores. On Thursday, they prepared stew, upside down cake and tossed salad. Friday was cut short because of the bad weather, and no cooking was done by the Brownies nor the 4th grade Juniors.

Jr. Girl Scouts, who have completed the 5th grade, enjoyed bicycling into town from the camp site one afternoon, working on the Cycling Proficiency badge. Hiking was enjoyed by both Jr. troops, also outdoor cooking, setting up tents at a camp site, folk-lore tales, folk songs and folk games and dancing.

Weather flags were posted by 5th grade Jr. troops. Each unit also had a unit flag that was made by the group.

Badges that the girls worked on during the week were: Gypsy, Outdoor cook, Dancer, Cycling, Folk-lore, Backyard Fun, Foot Traveler, Observer, World Games and Dabbler.

Mrs. M. W. Messer worked with the girls on the World Games Badge, Mrs. Lewis Faver the Folk-lore, Mrs. Sulser on

Dancer, and troop leaders, Mrs. Norman Ellis and Mrs. Bert Weil on the Cyclist and Foot Traveler. Mrs. Guy Kelley also helped with the Jr. badges and served as food buyer assisted by Mrs. Tommy Wheatley.

Vanita Simmons served as unit aide for the 5th grade unit, Jo Anne Temple as aide for the 4th grade Jr., Cindy Barton and De Anne Brock worked with the 3rd grade unit and Roberta Gaston helped in the 2nd grade unit. Girls assisting in the Papoose unit were: Teresa Glasscock, Annette Hodge, Renee Clark, Susy Ruby, and Karen Hinchliffe.

Mrs. Donald Street, Mrs. Gene Templeton and Mrs. James Smith worked with the 4th grade Jr. One meal was cooked at the Templeton residence following a hike from the campsite by the group.

Mrs. Jimmy Bifner, Mrs. Barney Scheller, Mrs. Jim Williams, Mrs. Melvin Simmons, Mrs. Gerald Inglis, and Mrs. Jerry Hampton served as unit workers for the 2nd grade.

Third grade workers were Mrs. Wilson Lewis, Mrs. C. C. Goodwin and Mrs. Wesley Clark.

Pam Lindley of Petersburg, a former member of the local Girl Scouts also registered and attended the week long session.

Mrs. Freddy Kemper was kept busy giving first aid to minor ailments and accidents throughout the week. Burlap pictures and name tags were made by the 5th grade group to complete their Dabbler badge. Also each girl and leader present made a quilt block during the week in conjunction with the folk-lore theme. The quilt blocks will be put together at a later date and presented to a worthy group, which has not been decided upon at the present time. Each girl put her name on the block she made. Several pieced quilts were displayed during the week.

Everyone reported a very enjoyable week and are looking forward to next year's scouting program.

An overnight camping event was called off due to the weather, but failed to dampen the spirits of the campers during the final hours of the day camp as a wiener roast was held at the Scout building in the park by the 5th grade Jr. Girl Scout troop on Friday after the clouds gathered near the campsite.

LOCAL CATHOLIC CHURCH DEDICATED SUNDAY. Approximately 200 attended the dedication services at the newly completed Catholic Church in Earth Sunday afternoon. Among the church officials present for the services were Bishop Lawrence De Falco, Amarillo; Rev. William Hammond, Oton; Rev.

Norbert Wagner, Amarillo; Rev. Raphael Chen, Dimmitt; Rev. Rex Nichols, Pep; Rev. Rodney Howell, Littlefield; Rev. Bernard Ryan, Childress; Rev. Clifton Corcoran, Vega and Rev. Robert O'Leary, Earth. After the services at the church, a dinner was served in the Earth community room.

Starkey Family HPRF Performs Sorghum Clipping Tests

Nine Sorghum-Sudan hybrids were used in the 1966 Forage clipping test at the High Plains Research Foundation. The green weight from three clippings ranged from 35.51 to 40.33 tons with an average of 37.41 tons per acre. The average protein content of the nine hybrids was 11.68 percent. August and September rains delayed the third clipping until September 20 and eliminated the fourth clipping, which may have reduced the total yield. The clipping dates were June 24, July 26 and September 20.

All varieties were fertilized with 80 pounds of nitrogen on June 10, prior to the first clipping and 80 pounds of nitrogen after both the first and second clippings. The experiment was designed to clip all varieties when the majority of the entries were between three and four feet tall. However, the August and September rains prevented the third clipping at this height. All hybrids produced approximately the same dry weight yields per acre and no significant difference was found.

The Sorghum-Sudan hybrids used in the test were Tomco SS-2, Frontier Hidan 39, T. E.

Haygrazer, Frontier Hidan 39, Paymaster Sweet Sioux, Pioneer 985, Paymaster X-6817, Su Chow P. A. G. and Asgrow Orbit. The 1966 test was conducted by Loyd Langford, Associate Agronomist, and Howard Malmstrom, Associate Soil Scientist on the Foundation staff. The 1965 Forage clipping test included 17 varieties. The average green weight from four clippings was 36.25 tons per acre with an average protein content of 15.69%. The 1964 clipping test consisted of 16 varieties of Sorghum-Sudan hybrids having an average green weight of 39.40 tons per acre and a 17.51% average protein from four clippings.

Lynn Hamilton At Fort Sill Taking Advanced ROTC Training

Lynn Hamilton, son of Mr. and Mrs. B. T. Hamilton left Thursday, June 15 for Fort Sill, Oklahoma, for six weeks advanced ROTC summer camp. He will complete his fourth year of ROTC Training at the University of Texas, where he is transferring from New Mexico Military Institute next year.

LYNN HAMILTON

Lynn was on the Superintendent's list for his academic achievement at New Mexico Military Institute, and his company, Headquarters, and Special Troops received the Harry Morrison Award for the 1966-67 year. This is the most coveted award for company superiority given. Headquarters Company also received best company award during Government Inspection Week. Lynn was especially proud of these honors, being 1st Sgt. of Headquarters Company.

He has been a member of the band for the 3 years he has been at the Institute, and trips to Phoenix, Arizona, and Trinidad, Colorado were highlights of his travels this year.

Lynn was especially proud to have a story published about him in the Commencement issue of "The Maverick", a magazine published twice a year by the school. The competition for original compositions is open to all students and a much sought after honor to be published.

When promotions were announced at commencement, Lynn was promoted to 1st Lt. in the Corp-of-Cadets.

He will be a Sophomore when he enters the University of Texas in the fall and will be in the pre-law school.

Earth Team Strengthens League Lead

In the Friday, June 16, ballgame, Steve Sanderson gave up two hits and struck out 12 to pace Earth to a 4-3 win over Halfway. Mark Gaitner's losing effort did not fall far behind as Earth was held to three hits and batters struck out eight times.

For Earth and Halfway there were no hits, no runs, no errors till the 3rd inning when Terry Kee was hit by a pitch and scored on two errors. Eddie Alair doubled but died on third. In the 4th, Halfway went ahead 2-1 when a two base error put Roger Pinkerton on safely. A second error put Randy Gaitner on first and scored Pinkerton. Mark Gaitner was hit by a pitch. A run was scratched when Randy Gaitner was called out at home on interference. Celso Garcia singled and a run scoring error put Charles Pinkerton on first.

In the 5th, Sanderson singled, but Earth failed to score. Halfway added one run in the bottom of the inning on four walks. In the 7th, Donnie Wheat and Chris Brock drew walks. Gaitner fanned Sanderson and Alair, and it was two away. Freddie Helms walked to load the bases, and Hoyt Glasscock tripled to clean the bases and go ahead 4-3. In the bottom of the 7th Halfway picked up a single but failed to score, giving Earth their 5th win against one loss.

On Monday, June 19, Earth beat Jack Straw Gin 13-8. Winning pitcher for Earth was Steve Jones. Earth's record for the season is now 6-1.

Friday night's game was rained out. This week's play will end the season.

The district tournament is to be played in Olton starting July 10 and ending July 16. Teams from Spearman, Muleshoe, Plainview, Canyon, Dumas, Pampa and Olton will be playing.

FHA Girls Attend Workshop

"Teen Leadership" was the theme of the FHA workshop held at the Texas Tech College campus on June 22-23. The objectives of the workshop were to help members of the FHA groups to become better acquainted with the responsibilities of their office, to develop more understanding and ability in working with groups, to exchange with other officers ideas, which have been successful in strengthening chapters, and to provide an opportunity to meet friends and to exchange ideas and to experience college campus living.

Free Sewing Classes To Resume Friday If Weather Permits

Free sewing classes for Latin-American women in the area have been postponed for the past two weeks due to stormy weather in the area. Mrs. Marie Slover, homemaking instructor for the local school, who is assisting with the classes, said they would be resumed Friday if weather permitted.

Mrs. Slover indicated there was real enthusiasm among the Spanish to learn the art of sewing, as well as enthusiasm among the ladies who were instructing the classes.

Eight to eleven Spanish American women attend these classes. During the last session several ladies brought materials and patterns and cut out their dresses. Some expressed their desire to learn to cook American dishes, and especially roast gravies, etc. Mrs. Elyn Maxcey made a home visit, teaching the woman how to make gravy and presented her with various menus.

Mrs. Slover will make grape jelly, Friday night, and give pointers on successful jelly making.

Others assisting with the classes are Mrs. C. T. Richardson, Mrs. B. T. Hamilton, Mrs. Jane Beavers, and the County Agent, Lady Claire Phillips.

Benefit Championship Tourney Slated Friday-Saturday 7:30pm

A Benefit Domino and 42 Championship Tournament is slated for Friday and Saturday, June 30 and July 1, in the Odd Fellows Lodge directly east of the Wolverine Drive-in property. Game time for the tournament, sponsored by the Odd Fellows Lodge, is set to begin nightly at 7:30 p. m.

A fee of \$1 per person each night will be charged. Proceeds will go to the Odd Fellows Children's Home. Winners will be awarded a set of white or black bone dominoes.

Average over the two nights' play will determine the winner. Refreshments will be served to all participants. Everyone is invited to choose their partners and attend.

Brother Of Mrs. Richardson Died Tuesday In

J. T. Thompson, 68, Casper, Wyoming, died at approximately 4 a. m., Tuesday in a hospital in Casper. Cause of death was diagnosed as heart failure. Funeral arrangements were incomplete at press time, but were said to be set for Saturday

in Casper. Thompson had been hospitalized for a week suffering from various complications. He is survived by his wife, one daughter, Mrs. Tom Betchel, Casper; three sisters, Mrs. C. T. Richardson, Earth, Mrs. Minor Kramer, Snyder, Oklahoma, and Mrs. L. B. Dolan of Oklahoma City; three brothers, Bonnis Thompson of Clovis, Olan Thompson of Casper and W. D. Thompson of Oklahoma City.

County Women Attend Red Cross Planning Meet In Plainview

Mrs. Bonnie Haberer, Earth, Lamb County Red Cross Chairman, and Mrs. Ruth Wade, Littlefield, County Executive Secretary, attended an all-day territory meeting and combined American National Red Cross Session in Plainview recently. The meeting was held on the Wayland College campus.

Purpose of the meeting was to plan the Red Cross Program for 67-68 year.

Mr. Streyer, Amarillo, Field Service man for the territory including Lamb County and north to the Oklahoma line, was moderator for the meeting.

Representatives from ten counties were present and worked on phases of chapter administration, service to military families, disaster, fund raising, safety service and nursing.

Service Rate Increase Sought By Pioneer Natural Gas

Phil Raught, local office manager for Pioneer Natural Gas Company, filed an application for an increase in the general service rates for Earth with the City Council on Friday. The application, if approved, will become effective August 15.

The adjustment being requested is the same as that being requested in all of the 55 towns, which comprise the West Texas Distribution system of Pioneer Natural Gas, including Plainview, Lubbock, Midland and Odessa.

The request for an increase of a higher general service rate was made necessary as present

revenues were said to be insufficient and did not yield the company a reasonable return on its investment.

The requested rate increase would result in an increase of 11.5% to Earth customers. For example, the annual gas bill for a residence is presently \$74.64, the rate increase would up it to \$83.25, which would be an average of seventy-two cents a month increase.

Mr. and Mrs. B. D. Groves of Amarillo visited in the home of Mr. and Mrs. B. T. Hamilton Sunday.

MILKS THIS COW FOR 15 DAYS...

Many things have changed in rural areas but milking time still comes twice a day. But on dairy farms, this chore is now handled efficiently and economically with milking machines powered with electricity from Bailey County Electric Cooperative. In many modern dairy farms, the milk goes directly to the cooler which means fresher more wholesome milk on your table. In every field of rural endeavor, rural electrification has helped lighten the load, brighten the day and in many instances increase profits.

Ben Barnes Speaker At July 4th Celebration In Muleshoe

Ben Barnes, Speaker of the House of Representatives, will be guest speaker at the big annual July 4th celebration in Muleshoe Tuesday evening. Among other dignitaries expected to be present are Representative Bill Clayton, Springlake, and Senator Jack Hightower of Vernon.

Ben Barnes, re-elected this year as Speaker of the Texas House of Representatives, is the fourth man in the history of the State to be elected for two successive terms. He was first elected Speaker when he was 26 years old, the youngest man since Reconstruction Days to hold the job. He had served two terms from his West Texas District before his colleagues elected him Speaker.

In the House, Barnes has helped mold much constructive legislation—particularly in the field of education.

Events are slated to begin at 2 p. m. with an area Pioneer Reunion in the First Methodist Church Fellowship Hall.

At 5:30 p. m. Lubbock Police with their K-9 Corps dogs will demonstrate the usefulness of the Dog Corps in law enforcement. This event will take place at the football field.

Area folks are invited to bring a picnic basket lunch and join in the community picnic beginning at 6:30 p. m. The "Blue Notes" of Earth will entertain for a 30 minute period following the picnic. They will begin playing at 8 p. m. The band is

BEN BARNES

composed of Jimmy Stockstill, Steve Sanderson, Danny Haberer and Harley Galloway.

The Muleshoe Boy Scouts will perform the flag raising ceremony on the football field at 8:30 p. m., and at 8:40 introduction of special guests will begin. District Attorney, Jack

Young of Muleshoe, will introduce the guest speaker, Ben Barnes, Austin.

At 9:30 p. m. folksingers from the Girlstown U. S. A. at Whiteface will furnish entertainment. At 10 p. m. a thirty minute display of fireworks will begin.

Area Youths Tour Nation's Capitol

Washington, D.C., was the destination of Jill Mimms of Lazbuddie and Ronald Mayfield of Lazbuddie, who left June 8, on a twelve day tour sponsored by Bailey County Electric Cooperative, Muleshoe.

Winners of an oratorical contest, Jill and Ronnie met in Dallas with 85 other winners of similar competition conducted by rural electric systems throughout Texas.

From Dallas they traveled by chartered bus with overnight stops in Little Rock, Arkansas; Nashville, Tennessee; and Roanoke, Virginia, arriving in Washington June 12.

During the five-day stay in the nation's capital, they visited the Capitol, the White House, the Library of Congress, Supreme Court, Department of Agriculture, National Archives, Federal Bureau of Investigation, Mount Vernon, Smithsonian Institute, Arlington Cemetery, the Wax Museum and many historical shrines and monuments.

Their entertainment agenda included a dinner-dance, Potomac River cruise, Watergate Concert and the fun of being with a thousand other young people from all over the country in the observance of Rural Youth Day.

The return trip took them through Knoxville, Chattanooga and Memphis, Tennessee, and back to Dallas on Tuesday, June 20.

Accompanying the youths in addition to chaperones and counselors were Laura Gass of Comfort, the reigning Miss Tex-

Lazbuddie News...

By Mrs. C. A. Watson

Jill Mimms, daughter of Mr. and Mrs. Pete Mimms, and Ronald Mayfield, son of Mr. and Mrs. J.T. Mayfield have returned from a tour, which took them to Washington, D.C. The couple, along with other winning students in the oratorical contest sent by Electric Cooperatives in their respective areas, arrived in Washington on June 12. The group was entertained in many events and saw several historical places and monuments. Ronald Mayfield was winner in the boys' contest sponsored by the Bailey County Electric Co-op, and Melodie Brock of Earth was winner in the girls' division, but due to illness, Jill Mimms, runner up, went in her place. The two making the trip to Washington are expected to be on several programs in the area in the future, giving descriptions and outstanding events happenings of their trip.

Word was received last week from SP/4 Benny C. Watson now serving in Vietnam, that he had volunteered his remaining time in the service of one more year in Vietnam. He is the son of Mr. and Mrs. C.A. Watson.

Rain, rain, rain-Yes, the wells were cut off, and farmers watched a steady downpour in the area, resulting from one inch to up to three on many farms in the area the past weekend. Crops are sure growing and well, the weeds are too.

John Littlefield was in Groom Sunday visiting his sister, Alberta Henderson, who is on the

sick list. He also visited other relatives in the area.

Mr. and Mrs. Junior Matthews and son, Gary, left Tuesday morning for Tulsa, Oklahoma, to get details and information at Spartan Airfield, where Gary plans to enter as a student in the near future. Gary is a 1967 graduate of Lazbuddie High School.

Nola Ivy returned last week from Marlin, where she had been at the bedside of her uncle, L.A. Reed. He is presently improved and recuperating at his home after several days' stay in a Marlin hospital.

The past week-end, guests in the home of Mrs. T.D. Reed were the Olen Ivys, and other relatives were Mr. and Mrs. Raymond Jones and three children from Houston. He is a cousin of Mrs. Ivy.

Wyle Bullock is said to be much improved after suffering a head injury Friday of last week near his home. He was rushed to the Cloyd Memorial Hospital by ambulance where he is a patient.

Mr. and Mrs. J.T. Mayfield have announced the engagement and approaching marriage of their daughter, Marcella, to Joe Bates Jennings, son of Mr. and Mrs. J.B. Jennings, all of Lazbuddie. Vows will be exchanged the evening of August 12 in the First Baptist Church of Lazbuddie with Rev. Calvin Beach reading the ceremony. The couple are both graduates of Lazbuddie High School. She is a student at Texas Tech, and he has attended junior college at Levelland the past year.

Springlake Graduate Serving In Antarctica With U.S. Navy

by Mrs. Tom Stansell

Dale Miller, son of Mr. and Mrs. Herbert Miller of Springlake, is with the United States Naval Expeditionary Forces in the Antarctica.

He is one of 800 men who went there October 1, 1966, after receiving about 100 days training at Davisville, Rhode Island, for this particular task. Only 150 of the group are still there. These will be replaced by other sailors about October 5 of this year.

Miller contacts his parents by radio and telephone. A few nights ago, Mr. and Mrs. Miller received a call from Corpus Christi from a radio ham who had picked up Dale's message. The connection was not as clear as the one they received a few months ago from a ham at Rochester, New York. They paid \$4.80 for that call.

The men near the South Pole had received no mail since February, but a plane was to land there sometime between the 11th and the 24th of June. Due to the extremely low temperatures, Miller stated it would take ten days to prepare a landing place for the plane.

Mrs. Miller paid 80¢ postage on the letter which she mailed recently to her son.

They received his call at 1 a. m. Monday, and he told them it was 2 p. m. Tuesday at Camp

McMurdo where he is stationed. There are several smaller stations established near this larger supply base.

In a letter written May 30, Dale explained to his parents that they were then getting a little light each day around noon. Warm winds from the north had brought in about 12 inches of snow, which is the average annual snowfall for that region.

Miller finished high school at Springlake in 1958. After attending Wayland College one semester, he joined the Navy. Among his other assignments have been 18 months at Kodiak, Alaska, and one year in Vietnam with intervals spent at the principal base, which was established at Sasebo, Japan.

Super Highway Crashes Continue To Soar

A 39 percent increase last year in traffic deaths on Texas interstate highways has prompted the Association of Texas Fire & Casualty Companies to urge state motorists to take special precautions when driving on these super highways.

"We do not say that the interstate highways are inherently dangerous," Russell H. Perry, President of the Association of Texas Fire & Casualty Companies said, "but the record conclusively demonstrates that certain accident-preventing techniques are necessary. The in-

crease in traffic deaths was far greater on interstate highways last year than on any other type of road."

These rules for safe freeway driving are recommended by the Association:

1. Use the accelerating lane to gain speed before pulling on to the main road. A slow-moving vehicle can be very dangerous.
2. Make sure that the way is clear before you pull on to the super highway. Don't force an on-coming driver to swerve into another lane of traffic.
3. Change lanes cautiously and always signal lane changes.
4. Don't weave in and out of traffic. Stay in your lane. Little if any time can be gained by this dangerous maneuver.
5. If you become confused on a super highway, pull over to the shoulder, after signaling, and making sure that it is safe for you to do so.
6. Avoid sudden stops.
7. Cross winds can be dangerous for persons driving at high speeds. Watch out for them.
8. As temperatures climb,

slow down as heat is hard on tires and engines.

9. Super highway driving can be monotonous. Don't let yourself become drowsy or inattentive. Both conditions can be fatal. Stop every once in a while. Walk around and relax.

10. Be sure that your vehicle is in safe operating condition before driving at super highway speeds, as high speeds can magnify the danger of any emergency. "The property damage loss from high-speed accidents is often very great," Mr. Perry said, "many of the vehicles involved in super highway crashes are totally destroyed. Injuries can also be quite severe and with today's steadily increasing hospital and medical costs, the economic loss from super highway accidents is often staggering. Super highways are designed to move large numbers of vehicles at relatively fast speeds and they can do just this if all drivers pay attention to their driving and make certain that cars are in good operating condition" Mr. Perry concluded.

Weather Blamed For Discolored Leaf On Cotton

Discolored leaf conditions in young cotton, it's widespread in Texas, apparently are not due to disease or herbicide drift or air pollution. But, says Fred C. Elliott, Texas A&M University Extension cotton specialist, the cause is the unusually cool night combined with higher daytime temperatures that have persisted over the past several weeks, and some of it is "sun scald" from the showers.

The condition, adds Elliott, is extensive. It is found from Gulf Coast counties through the central Blacklands and as far north as Ellis County. North of this area cotton is too young for the condition to develop, he explains.

Cotton leaves first show a silverying of the top side, then bronzing and finally a reddish color. The roots appear normal unless there are also seedling disease problems present. The new young leaves are about normal in appearance, he says.

This condition, explains the specialist, is similar to one he has observed for many years on the High Plains and the Pecos and El Paso valleys in the fall months of September and October when the nights are cool and the days are warm or hot.

With the return of warm nights and normal growing weather in June, this condition should rapidly improve in two to three weeks, predicts Elliott.

This is not to say, he adds, that some isolated cases of slight herbicide effects do not exist. But, he concludes, these are not related to the abnormally cool weather the state has been experiencing.

ORDINANCE NO. 64

An ordinance granting to Southwestem Public Service Company, its successors and assigns, a franchise to construct, maintain, equip and operate in the city of Earth, Texas, systems to use, store, sell, distribute and supply electric energy for light, heat and power and other purposes to said city, its inhabitants and others, and to use the streets, avenues, alleys, highways, sidewalks, bridges and other public grounds of said city for said purposes for a term of thirty years, levying a street rental, and prescribing other terms and conditions thereof. Be it ordained by the City Council of the city of Earth, Texas:

There is hereby granted to

Southwestern Public Service Company, a corporation incorporated under the laws of the state of New Mexico, having a permit to do business in the State of Texas, and to its successors and assigns, a franchise authorizing it to construct, equip, maintain and operate in the City of Earth, Texas, systems to use, store, sell, distribute and otherwise serve, supply and furnish said City and its inhabitants and others with electric energy for light, heat and power and other purposes and to use the streets, alleys, highways, bridges and other public grounds of said City, both above and below the surface of same, upon the terms and conditions of this ordinance.

ARTICLE II

The franchise rights and powers herein granted shall exist and be in force from and after the passage of this ordinance for a term of thirty years.

ARTICLE III

Southwestern Public Service Company is hereby authorized, licensed and empowered to do any and all things necessary and proper to be done and performed in executing the powers and utilizing the privileges herein mentioned and granted by this franchise, provided that all work done in said streets, alleys, highways or other grounds of said City by said Company shall be done with the utmost diligence and least inconvenience to the public or individuals that said Company shall, within a reasonable time, restore streets, alleys and public grounds excavated by it to their original condition as nearly as possible, and that said work shall be done subject to the approval of the City. The Company shall assume all liability or risk of damage to persons or property which may arise from the construction or operation of any or all of said system and shall save the City of Earth, Texas, its officers and agents, harmless from any and all liability that may arise or be incurred from the erection, construction or operation of the same.

ARTICLE IV

Southwestern Public Service Company, its successors and assigns, for and in consideration of the granting of this franchise and use of the streets, alleys, highways, bridges and other public grounds of the City of Earth, shall pay the aggregate sum of 2% of the gross receipts, as hereinafter defined, of the Company, for electric energy used within the city limits of the City of Earth. The "gross receipts" upon which such rentals and charges are based is defined and shall be computed and

TROUBLE AHEAD

determined as follows: From the total gross receipts from the sale of such electrical energy for lights, heat and power, within said city limits, for the particular quarter of year involved, there shall be deducted the receipts from sale to the Federal Government, Federal Government departments and agencies, the State of Texas, all departments and agencies of said state, the County of Lamb, the City of Earth, the Springlake Independent School District and other public government authorities, and the balance remaining after said deductions shall constitute the gross receipts upon which such rentals and charges shall be paid. Such payments shall be payable for each quarter period of each year, said periods to begin on the first days of the months of January, April, July and October of each year. The payments covering each prior period shall be made within a reasonable time immediately after each period. Such payments shall be in lieu of any and all other taxes or other exactions (except general ad valorem property taxes and special assessments for local improvements) upon the business, revenue or property of the Company or any part thereof in said City during the term of this franchise, and they shall continue only so long as said Company is not prohibited from making them by any lawful authority having jurisdiction in the premises and so long as the City does not

charge, levy or collect or attempt to charge, levy or collect other franchise, license, privilege, occupation, excise or revenue taxes of other exactions (except general ad valorem property taxes and special assessments for local improvements). For the purpose of determining the amount of the gross receipts of the Company, as hereinabove defined, the books of the Company shall, at all times, be subject to the inspection of the City of Earth.

ARTICLE V

Southwestern Public Service Company shall, within thirty days from the passage of this ordinance, file with the City Secretary of the City of Earth, Texas, its written acceptance of this ordinance and upon the filing of such acceptance this ordinance shall constitute all of the terms of the franchise herein granted by the City of Earth, Texas to Southwestem Public Service Company.

PASSED AND APPROVED by the City Council of the City of Earth, Texas on this, the 5 day of June, A. D., 1967.

Approved: E. C. Kelley Mayor Attest: Betty McAlpine City Secretary (or City Clerk) (Published in the Earth News-Sun Thursday, June 29, 1967)

Sunnyside News...

By Tenny Bowden.

Mrs. Gerald Elkins was badly burned Monday afternoon in an explosion in the kitchen of her home. She was given first aid at Olton, and then rushed to Methodist Hospital by ambulance where she was placed in the intensive care unit. Cindy Elkins was treated at Olton for shock. When the bandages were removed Friday morning the worst burns, third degree, were on her feet and legs. First and second degree burns were on her face, shoulders, hands, and arms. She will remain in the intensive care unit for three weeks. Several have been down to sit with Mrs. Elkins during the week. Cindy and Chris are staying in Olton with their grandparents, Mr. and Mrs. Van Elkins.

Mrs. Charlie Hall Jones visited Monday and Wednesday this week with her father, Ray Glasscock, in the intensive care unit of Methodist Hospital. He is better now. Mrs. Wilson's sister is gradually improving. She is in University Hospital instead of Methodist Hospital in Lubbock as reported last week.

Mr. and Mrs. Milburn Haydon returned home from Weatherford Wednesday. His nephew was better. They visited in Lubbock as they came home and again Friday with Mr. and Mrs. Willis White. They are both improving some, but Mrs. White is still in intensive care unit at Methodist Hospital.

Mrs. E. R. Sadler worked at Plains Memorial Hospital in Dimmitt Monday afternoon at the desk, gift shop, and library. Mrs. Calvin Lippard worked the 2nd Friday.

Mrs. Bennie Ross entertained in her home Monday afternoon with a Tupper Ware party. The W. M. U. Quarterly Council met Monday afternoon at the church to plan the work for the last three months of the church year.

Lesla Morgan passed the step of Lady-in-Waiting before the reviewing council last Sunday night. Patricia Waide and Peggy McGowen passed the Maiden step and Janis Bride and Naomi Carr the Queen-with-a-Scepter before the reviewing council Friday afternoon. Terry Crisp passed the Queen-with-a-Scepter step Sunday night.

Mrs. David Sadler was a hostess for the shower of Johnnie Presley in Dimmitt last Thursday. Mrs. Larry Sadler also attended.

Rev. and Mrs. M. D. Durham attended Workers' Conference at Lams Chapel Monday night. Mrs. Tom Messer, Bart and Shelley of Midland spend last Sunday night and this week with

Mr. and Mrs. Alton Loudder. They visited with the Doug Loudders, and spent Thursday and Friday in Littlefield with Mr. and Mrs. Lowell Westmoreland and children. Mr. and Mrs. Loudder took them home Saturday and stayed until Sunday night with them.

Mr. and Mrs. Gerald Graham and children returned home from their visit in Ohio last Wednesday, June 14th. Brent and Bryan Hedrick visited this week with their grandparents, Mr. and Mrs. Gordon Hedrick of Levelland. Mrs. Charles Hedrick went for them Friday, and they visited on the way home with Mr. and Mrs. Earl Phelan of Fieldton. They will join Mr. Hedrick at Stratford after the first of the month when their house becomes available.

Mr. and Mrs. Eddie Howard were back in service for the Wednesday night prayer service. He is still weak but recovering rapidly from encephalitis.

Jake King of Hereford, Brenda and Carl Lynn, visited Tuesday with Mrs. David Sadler. The children stayed until Sunday when Mr. and Mrs. King came for them and spent the day. Mr. and Mrs. Ezell Sadler also had dinner with them. Sandy Loudder spent Thursday night and Friday in Dimmitt with Mr. and Mrs. Dean Kirby and Ronald.

J. B. Hensley of Hale Center spent Wednesday night with Mr. and Mrs. Ezell Sadler.

Mrs. J. Paul Waggoner visited with Mrs. Roy Lilley of Dimmitt in Methodist Hospital in Lubbock Tuesday afternoon. Mrs. Dora Lilley also went with them. Mrs. Lilley is a former resident of the community.

OLLIE Pearl Waide began working this week for her aunt, Mrs. G. B. Frazier, Jr., in Dimmitt in the new Coffee Shop at Rawlings Hotel. She is staying in Dimmitt with the Fraziers.

Mr. and Mrs. John Gilbreath and boys are staying in Dimmitt this week while some re-building is being done on their house. The W. M. S. met for business Wednesday night with the president in charge.

Mrs. Sharla Dusek and Karen of Oceanville, California spent Thursday night with Mr. and Mrs. Ezell Sadler. Also present for supper Thursday night were Mr. and Mrs. James Powell, Randy, Treasa Denae, and Cheryl of Dimmitt; Mrs. Woodrow Powell of near Hugo, Oklahoma; Mr. and Mrs. Larry Sadler, Carrie and Stacy; Mr. and Mrs. David Sadler and Brenda and Carl Lynn. Mrs. Dusek and her daughter also visited Friday morning with Mr. and Mrs. E. R. Sadler and

Myles and Mr. and Mrs. Gale Sadler, Cindy and Susan. Mr. and Mrs. Dewey Wilson of Brownwood and an uncle, Lee Cotton of California visited Friday with Mr. and Mrs. E. B. Wilson.

Around one inch of rain was received over the community Thursday night with hail damage heavy in the southeast and southwest part. .60 inch was received Friday night, but no hail was reported. Some wind damage was reported in the south part Thursday night. Around 1.40 inch of rain was received Saturday night and Sunday.

Mr. and Mrs. Wayne Holbrooks and children of Lubbock, Mr. and Mrs. Ronald Henderson and children of Dimmitt and Mr. and Mrs. Eddie Owsley and son of Dimmitt spent the day last Sunday with their parents, Mr. and Mrs. J. C. Holbrooks and Betty Sue.

Mr. and Mrs. Ray Axtell returned home Friday night from their trip to Canada and the Expo 67 in Montreal. They spent some time in New York and Washington D. C. on the way home.

Mr. and Mrs. Rex Jenkins spent last week-end at their cabin at Lake Thomas. Their grandchildren, Michael and Marcus Jenkins of Odessa came home with them and stayed until Sunday. Their parents, Mr. and Mrs. Richard Jenkins, visited Friday with them, and then met them in Muleshoe Sunday to take the children home.

Mr. and Mrs. Charlie Waide, Bobby, and Patricia visited in Hale Center Sunday and Sunday night with Mr. and Mrs. Charles Derrick and family.

Mr. and Mrs. James Powell and children of Dimmitt visited Sunday afternoon with Mr. and Mrs. Ezell Sadler and Mr. and Mrs. Larry Sadler and children. The Sunnyside Grocery Store closed again Saturday for an indefinite period. Forty-nine attended Sunday

School with 37 in Training Union Sunday. The G. A. Coronation scheduled for Sunday night was postponed because of the muddy roads and small attendance.

A community meeting will be held Monday night, July 3rd at 7:30. Come and bring your favorite game and some cookies. A bridal shower will be given honoring Betty Sue Holbrooks at the home of Mrs. Ezell Sadler Thursday, July 6th at 3:00 p.m. Everyone is invited.

LETTERS TO THE EDITOR

Dear Mr. Middleton: Statewide planning for Vocational Rehabilitation is a step in the right direction for all of us. The person who becomes

an employed, tax-paying citizen through vocational rehabilitation maintains his self-respect and happiness and at the same time, relieves society of his care.

We are now forming our study group in Lamb County so that we will be able to provide the information requested by the task forces working throughout our area of the state.

It will be of help to have you serve on the Lamb County Committee. If you can serve, you will be asked to attend a limited number of meetings during the balance of this calendar year and help gather information as is determined to be needed.

Thank you for your help and interest in this project.

Yours very truly, O. J. Mangum County Judge County Chairman

Minckler Completes Basic Training

(K0329) San Diego, California, (FHTNC)--Seaman Recruit Richard K. Minckler, Jr., USN, son of Mr. and Mrs. Richard K. Minckler, Sr., of Muleshoe, has been graduated from nine weeks of Navy basic training at the Naval Training Center, San Diego.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station. In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

Ortiz Serving In Vietnam

(K0299) Phu Bai, Vietnam (FHTNC)--Marine Lance Corporal Emelio M. Ortiz, son of Mrs. Faustina M. Ortiz of Olton, is presently serving as a member of the Second Battalion, Fourth Marine Regiment, Third Marine Division located near the city of Hue.

Marines of the regiment form part of the ground element of the Marine Corps air-ground team, and conduct large-scale search and destroy operations against the enemy in South Vietnam.

During the past few months the unit has participated in numerous operations in the northern Province of Quang Tri.

Endres Completes Mathematics Examination

(K0407) Kingsville, Tex. (FHTNC)--Petty Officer Second Class Jerome R. M. Endres, USN, son of Mr. and Mrs. Roy Endres, Jr., of Muenster, Texas, completed a 40-hour mathematics review course with the Naval Air Maintenance Training Detachment Ten Forty-Seven (1047) at the Naval Auxiliary Air Station, Kingsville, Texas.

This course is a comprehensive review of mathematics with emphasis upon algebra as a problem-solving device. To the Navyman a knowledge of mathematics is essential for maintaining a complex aircraft system.

Detachment 1047 is one of 60 similar detachments throughout the U.S., providing on-site maintenance training to both Navy and Marine Corps aviation personnel.

Mr. and Mrs. Jim Winder, Charles and Renae were Thursday evening guests of Mr. and Mrs. Hollis Cain and Kathy.

Mr. and Mrs. Meredith Crawford of Olton spent Sunday afternoon in the home of Mrs. Ruth Price of Earth, sister of Mr. Crawford, Mrs. Ola Eastham of Hollis, Oklahoma, was also a visitor of her sister, Mrs. Price.

Almon Whitford is continuing to improve slowly. Mr. and Mrs. Jim Winder and children have visited recently in Post with Mr. and Mrs. Joe Bob Allan.

Mrs. Ruth Roebuck Has Calif. Guests

Mrs. Ruth Roebuck has as guests in her home near Springlake her daughter and son-in-law, Mr. and Mrs. John Tesovnik of Bakersfield, California.

Mrs. Tesovnik is Elementary Principal at Standard School of Bakersfield. Mr. Tesovnik is music specialist, Kern County Superintendent of Schools Office, Bakersfield.

Mrs. Tesovnik, the former Miss Margaret Roebuck, is listed in the 1966-67 edition of "Who's Who in American Women", in the 1967-68 edition of "Who's Who in Education", the 1967-68 "Who's Who in the West" and the 1967-68 "Who's Who in California". She is listed in the 1967-68 International Dictionary of London.

Mr. Tesovnik is listed in the 1967-68 "Who's Who in Education."

Last summer 50 Suzuki Scholarships, one for each state in our union, were given to music specialists for attendance at Eastman School of Music, Rochester, New York. Mr. Tesovnik was granted this scholarship as the one selected from California.

He is enroute to Hofstra University, Hempstead, New York, where he will attend an Institutional Workshop on repairing violins. He was selected as one of 100 to receive a stipend for this event.

Both Mr. and Mrs. Tesovnik are active in community and civic organizations.
