We pulled this clever article entitled "Form 1040" from an exchange paper. Thought you might enjoy the new twist on Lincoln's Gettysburg address:

"One score and twenty-seven years ago, our fathers brought forth upon this nation a new tax, conceived in desperation and dedicated to the position that all men are fair game.

"Now we are engaged in a great mass of calculation, testing whether this taxpayer, or any taxpayer, so confused and so impoverished, can long endure.

"We are met on Form 1040. We have come to dedicate a large portion of our income to a final resting place with those men who have spent their lives so that they may spend our money. It is altogether anguish and torture that we should do this.

"But in a larger sense, we cannot evade, we cannot cheat, we cannot underestimate this tax. The collectors, clever and sly, who compute here, have gone far beyond our poor power to add and subtract.

"Our creditors will little note nor long remember what we pay here, but the Internal Revenue Service can never forget what we report here.

"It is not for us, the taxpayer, to question the tax which the government has thus far so ignominiously spent. It is rather for us to be here dedicated to the great task remaining before us.

"That from these vanishing dollars we take increased devotion to the remaining few—that we here highly resolve that next year will not find us in the higher income bracket, that this taxpayer, underpaid, shall figure out more deductions, and that this tax of the people, by the congress, for the government, shall not cause solvency to perish."

NOSIN

Females have sure done a lot of shedding since grandma's days, when ladies of that generation dressed themselves in ankle length dresses and wore half-dozen or more shimmies underneath.

I can't say I'd enjoy all those shimmies during the scorching hot summer months... But somehow I rather think those ladies sure had something on a generation that has laid aside their clothing. Especially the mini skirt wearers and those appearing topliss.

One of the most disgusting things I've read lately regarding the dress, or rather the undress, of present day females, is the wedding Monday in Corpus Christi where the 19 year old bride and her maid of honor were to be toptless throughout the marriage ceremony.

The wedding was to take place at 10 P. M. during the floor show at French the Beachcombers Place on Padre Island where the bride is currently working as a go-go dancer.

The operator of the club was to give the bride away and the bartender was to serve as best man.

Half-nude and in that setting, could they have possible used the familiar "We are gathered here this evening in the sight of God to join together in Holy matrimony, this man and woman..." and could they have concluded with "those whom God has joined together let no man put asunder?"... yes, time has made a change.

Auto Tags Now on Sale

According to Mrs. Betty McAlpine, city secretary, 85 auto tags have been sold since the opening day, February 1.

The new 1967 tags are required for all cars, trucks, pickups and farm vehicles.

These new tags must be on all vehicles no later than April 1.

The 1967 license plates are white background, with black lettering, and begin with the letters CCK.

Tammy Cowley Hospitalized

Tammy Cowley, two year old daughter of Mr. and Mrs. Gary Cowley, was dismissed from the Methodist Hospital in Lubbock Saturday, where she had been hospitalized for the past three days for treatment and observation.

Tammy was taken to the hospital on Wednesday after it was discovered she had eaten rat poison containing arsenic.

The annual fund campaign to support the Earth-Sprinklake Service Unit Committee of the Salvation Army got underway this morning at a kick off breakfast 7 A. M. at the Community Building.

Dough Parish, campaign chairman has the following citizens assisting with the solicitation, Roger Haberer, Norman Hinchliffe, Doug Lewis, Wilson Lewis, Harold Miller, Pete O'Hair, Eldon Parish, Pat McCord, Phil C. Raught, Norman Sulser, Leroy Wilkinson, L. K. Anderson, Bob Armstrong, M. B. Baldwin, M. H. "Dutch" Beem, Bob Belew, Jimmy Bliner, R. J. "Skeeter" Brock, Harold Britton, J. D. Chesney, Rex Clayton and C. C. Goodwin.

There will be a solicitation through the school system, also a select Mail Appeal. The work is supported in Springlake through the Community Fund Campaign sponsored by the Springlake Lion's Club.

The Earth-Sprinklake Service Unit Committee is composed of the following volunteer citizens: Mrs. Lynn Glasscock, treasurer; Rev. M. B. Baldwin, L. K. Anderson, M. H. "Dutch" Beem, Phil C. Raught, Ross Middleton, Mrs. Dorothy Wood, and Rev. Don Larkin, Springlake.

In addition to the local assistance given by the committee all of the State Services of the Salvation Army are available whenever needed through the

DOUG PARISH

Committee, some of these services are, home & hospital for un-wed mothers, missing persons bureau, disaster relief, summer boys camp (Earth-Sprinklake has reservations for 2 boys) and etc.

It was pointed out that \$, 90 of each dollar contributed to the Salvation Army stays in the state for some welfare program. Anyone not contacted in person or by mail who wishes to support this worthy program of helping those less fortunate, may mail a check to Mrs. Lynn Glasscock, treasurer, Salvation Army Service Unit Committee, Citizens State Bank, Earth, Texas.

Maxcey Appointed Election Judge by City Officials

W. C. Maxcey was appointed election judge Monday night in a regular city council meeting. Alternates appointed were Leon Dent, J. A. Littleton, Sr. and Roger Haberer.

The city is presently taking applications for an assistant city secretary, replacing Mrs. Lucille Wheat, who resigned.

Ralph Douglas, city engineer, of Muleshoe, Truman Jones of Farmers Home Administration of Littlefield and Howard Kenyon of Lubbock, gave a report on the progress of the bond sales and the work that needs to be done in order to get the required finances for the water and sewer work to be done by the city.

City Dads voted to begin taking applications for a swimming pool manager for the coming season.

Attending the meeting were Mayor, E. C. Kelley; secretary Mrs. Betty McAlpine; aldermen, Eldon Parish, Dud Chesney, Donald Runyon, and Neil Pounds; city attorney, Andy Stroebel; water superintendent, Sammy McGuire; city marshal, Alvin Pittman; Ralph Douglas, Truman Jones; Howard Kenyon; and Ross Middleton.

C. of C. & A. Directors Meet

The directors of the Earth Chapter of Commerce met Friday, February 3, in the chamber building for a regular meeting.

It was announced that Mrs. Bonnie Green has been appointed to serve on the Women's Activity Committee for the West Texas Chamber of Commerce. The Earth Chamber is most happy to have Mrs. Green represent this part of the district.

In the Guide to Official Texas Historical Markers, the name of the town of Earth, Texas is spelled EARTH. A letter is to be written asking that this be corrected.

A report on the Industrial Development Meeting of the West Texas Chamber of Commerce that was held at Lamesa was made by Harold Miller and Phil Haberer. They stated that to secure industry a number of things would have to be done, consisting partly of a labor survey, which would have to be an actual count; the tax rate, all facilities and the ability of financing. The Chamber is considering the work that would be necessary to finish the report from Southwestern Public Service Handbook.

A committee consisting of Leroy Wilkinson and Perry Martin was appointed to go to Plainview and investigate the condition of the Christmas Decorations Plainview has to sell.

Attending the meeting were Harold Miller, Neil Pounds, Perry Martin, Phil Haberer, M. E. Kelley, and Edwin O'Hair.

Springlake Church To Honor Seniors

Members of the Springlake Baptist Church will honor the seniors of Springlake-Earth High School with a luncheon on Valentine's Day Tuesday, February 14, in the fellowship hall of the church.

The Valentine theme will be used throughout the room.

Don Larkin, pastor of the church, will provide the welcome address.

The W. M. U. and ladies of the church will prepare and serve the meal.

The seniors, as well as their sponsors, are invited to attend.

Needed! Candidates

There still have been no candidates filed in the forthcoming Earth City election, according to Mrs. Betty McAlpine, city secretary.

The election, scheduled for Tuesday, April 4, will be held at the Earth-Govett-Schaefer center.

Three aldermen are going out. They are Eldon Parish, Donald Runyon, and L. R. Stockstill.

The deadline for filing for these three posts has been set for 5 P. M. on Saturday, March 4. Anyone wishing to file for these posts must do so at the Earth City Hall.

Aldermen are elected for two year terms.

World Day Of Prayer Service Set for Friday

The World Day of Prayer service will be observed on Friday, February 10, at 9:30 A. M. in the Chapel of the First Methodist Church, Earth.

The WSCS and WSG of the church will participate in the program, with Mrs. Naomi Burgess in charge.

An offering for the World Day of Prayer will be taken. The projects of this offering are divided into two groups: international, which includes scholarships for women in universities and medical schools throughout the world, the international student service and Christian literature for women and children; and National, Migrant Ministry in ten different phases of emphasis, Indian Americans in six different areas, and church and community help in isolated or depressed areas.

All members of the WSG and WSCS are urged to attend this World Day of Prayer service.

'On The Square' To Be Shown By Local FFA

The FFA of Springlake-Earth School will show a film entitled, "On The Square," Monday, at 7:30 P. M., in the school auditorium.

"On The Square" is the KGMCC documentary film on Russia, which is the newest film in a series of travels throughout the world.

The public is invited to attend this film. No admission will be charged.

VOLUME 13 10 CENTS EARTH, LAMB COUNTY, TEXAS, THURSDAY, FEBRUARY 9, 1967 10 PAGES NUMBER 25

Area Men Help In Search For Lost Youth Sunday

The Earth Volunteer Fire Department was called at approximately 10 P. M. Sunday evening to assist in a search party, after Jerry Smith of Lubbock was reported missing following a scouting trip on White Ranch, 15 miles southwest of Littlefield.

The lean, brown-haired Cub scout, son of Mr. and Mrs. James F. Smith Jr., is home after being lost for almost seven hours Sunday night in 20-degree weather and howling, 55-mph winds.

The youth had been hiking with five other scouts and two Marine scoutmasters on the 23,000-acre George White Ranch in Hockley County.

During the hike Jerry got hot and took off his coat hanging it on a fence post. When he later went back alone to find the wrap, he became separated from the group.

His scoutmasters, Marine Cpl. Chris Coker and Cpl. Jim Tate, had asked the boy to meet them "at the windmill" when he found his coat. No one realized there was more than one windmill in the distance.

A frantic but futile search for the group led Jerry, clad only in jeans and a sweatshirt, into endless hours of walking. Blowing dust and branches lashed out at the youngster as high tumble weeds looked more like attacking coyotes in the night.

Darkness blackened the canyon as Jerry ran and yelled for help. But the wind gusts sweeping down the canyon blew his frantic cries into the thorny mesquites.

"I finally decided to go to sleep by a barbed wire fence near some bushes," he said, recalling the freezing night. "I thought morning would come faster that way."

Later I woke up and saw lights. I thought it was the sun so I got up and started walking. But the Arctic winds had almost frozen his legs, so the youth lay back down to wait for the sun to come all the way up. Then I thought maybe I could find the road and hitch a ride back."

In his drowsy state, Jerry had not realized that "the sun" was a ctually ribbons of light streaming from flashlights and headlights of 300 to 500 volunteer searchers combing the rugged terrain for the youth.

Summoned by the scoutmaster, citizens of Littlefield, Levelland, Earth, Brownfield, Olton and Lubbock had started a mass search Sunday night. Cars still were pouring onto the ranch at 10 P. M., as temperatures dropped as low as 27 degrees.

At 11:45 P. M. Sunday Virrel Roberts and Clinton Phillips, both members of the Littlefield's Sheriff's posse, turned their car sharply to the side of a bushy incline.

Something "was not right" to the two men, who were familiar with the ranch terrain. Pushing the grass aside, they saw the arm of a sleeping boy nuddled face down in the dirt.

And Jerry, seemingly a little embarrassed by the whole adventure, was a grateful 10-year old who could appreciate cozy nights spent beside the family fireplace.

Those from the Earth-Sprinklake area rallying to the call were Melvin Bock, Dolan Fennell, James Busby, K. B. Parish, Hershel Hulcy, Doug Parish, Hugh Alexander, Bob Belew, Don Layman, Johnny Martin, W. A. Hatfield, Tuffy Dent, Cliff Layman, Randy Randolph, Richard Bills, Roney Smith, Claud Holder, Truman Layman, Phil Raught, Weldon Barton, E. C. Kelley, Billy Robnett, and Clinton Green.

FFA To Sell Rat Poison

The local FFA chapter is making Ratina rat poison available to people in the community.

The poison will be sold in one pound packages.

The local chapter will sell the poison for seventy-five cents per package, the same price at which it was purchased to sell. No profit will be made, as this is a community service project.

We are hoping to help rid the community of troublesome rats.

If you would like to purchase some rat poison, contact any FFA member, as they will be taking orders.

THIS HELPFUL SEXTET shown above are among those of the Springlake-Earth Community donating time, money, and effort to complete the concrete floor for the FFA Livestock barn. Left to right, L. D. Henderson, Thurman Lewis, Bud Matlock, Joel Jones, J. W. Deer, and Tommy Alair.

Annual Red Cross Drive Chairmen Appointed Friday

At the regular meeting of the Lamb County Red Cross on Friday, February 3, the following chairmen for the March fund drive were announced; Doyle Patton, Littlefield; Mike Duffy, Amherst; Eddie Landers, Amherst; D. M. (Bud) Holt, Olton; James P. Arnold, Sudan; and Mrs. A. H. Scivally, Fieldton.

A kick-off breakfast for the March drive was set for March 3, at 7:30 A. M.

Mrs. Myrtle Clayton of Springlake introduced a new board member, Thomas Alair also of Springlake.

Those in attendance were: Mrs. Bonnie Haberer, Pleasant Valley; Mrs. Blanche Dodgen, Littlefield; Mrs. A. H. Scivally, Fieldton; Myrtle Clayton, Springlake; Doris Frey, Spade; Ruth Wade, Littlefield; Thomas Alair, Springlake; J. P. Arnold, Sudan; and G. T. Sides, Olton.

Springlake Passes Ordinance Concerning School Buses

The town of Springlake passed an ordinance this week requiring all motor vehicles to stop for school buses when they are in the process of loading or unloading school children.

The ordinance requires that a driver of a vehicle within the city limits to come to a complete stop upon meeting or overtaking from either direction any school bus stopped on the traveled portion of any street for the purpose of receiving or discharging school children.

Further details of the ordinance may be found in an advertisement in this week's issue of the News-Sun.

Billy Graham Film To Be Shown At Springlake Baptist Church

The great Billy Graham evangelist film, "The Shadow of the Boomerang" will be shown in the First Baptist Church of Springlake at 7 p. m. Monday, February 13.

Don Larkin, pastor of the Church, has issued an invitation to everyone in the area to attend the showing.

The film has been shown to large audiences across the nation, and is met with approval by people of all walks of life.

Jones Elected President Of Five Area Telephone Cooperative

The annual meeting of the Five Area Telephone Cooperative was held Friday, February 3 in the Cochran County Activities Building in Morton.

Newly-elected or re-elected directors determined by ballot voting by the members were as follows: District 5, D. L. Tucker; District 6, Bill Boyles; and District 7, Willard Henry.

Other directors who complete the 7-member board are: District 1, Lonnie Wilhite; District 2, Joe Embury; District 3, W. O. Jones; and District 4, Raymond Gage.

The nominating committee selected to meet prior to the annual meeting in 1968 and make nominations for districts 1, 2, 3, and 4 consisted of District 1, Bob Byrd and E. W. Gray; District 2, R. B. Seaton and R. L. Jones; District 3, Cullen Hay and Jack Angeley; and District 4, Van Rogers and Buddy Steat.

The newly elected board president is W. O. Jones; vice-president, Raymond Gage; and secretary-treasurer, Lonnie Wilhite.

Refreshments were served, following the meeting, by the Cochran County 4-H Club Council, to the 235 persons present.

Local Group To Appear on TV

The swinging little band composed of Danny Haberer, Harley Galloway, Johnny Mc Namara, Jimmy Stockstill and Steve Sanderson have been invited to appear on television Saturday night from KFDA, TV Channel 10 in Amarillo.

The invitation was made through Otis "Pop" Echols of KCLU in Clovis who was asked by his nephew in Amarillo to assist in providing talent for the Multiple Throbbits Fund Drive beginning at 10 P. M. Saturday and continuing for an hour.

The band had played for Pop Echols, prior to his invitation to the local group to open the program Saturday night. Echols said he was inviting several talented groups and individuals throughout the area to perform on the program.

Gospel Meeting Set For February 13-19 at Springlake Church

The Church of Christ of Springlake has scheduled a gospel meeting for February 13-19, with Claude A. Guild of Vernon as evangelist.

Services begin each morning at 10 A. M. and each evening at 7:30 P. M., with the exception of Sunday, when the services begin at 11 A. M., and 6 P. M.

Guild was born in Buffalo, Montana. He was graduated from high school in Caldwell, Idaho, and attended the college of Idaho for one year.

He then transferred to Abilene Christian College where he was graduated in 1939.

Following graduation, Guild went into evangelistic work for eight years in Oregon, Washington, Canada, and Alaska.

He served the Riverside Church in Fort Worth thirteen years. Six of those years were spent as local minister and seven as their missionary in the Northwest.

Guild was appointed vice president of Columbia Christian College, Portland, Oregon in 1954 and served six years. In August of 1961 he was elected president of Fort Worth Christian College where he served three and one half years. He resigned to give full time to the ministry.

He was married to Sammie LaRue Lacy. They are now the parents of four children.

Guild is presently serving the Houston and Peace Street Church in Vernon, and doing extensive evangelistic work.

The public is cordially invited to attend this week long gospel meeting.

White's Store Sets Formal Opening Date

Charlie Dunn, manager of White's Auto Store, and T. W. Dunaway owner of the local firm, have scheduled a formal opening for Thursday, Friday and Saturday of this week.

Registration will begin at 9 A. M. Thursday (today) and continue through 5 P. M. Saturday for the three grand prizes which will be given away.

Drawing for these prizes will be at 5 P. M. Saturday. You do not have to be present to win.

First prize is \$20 in merchandise; second prize, \$10 in merchandise; and third prize \$5 in merchandise.

The local firm has approximately 6,000 square feet of floor space, 4,000 square feet of which is being used for displaying merchandise, and 2,000 square feet for service and storage.

Among the departments in the local firm which have recently been restocked are the appliance department, sporting goods department, toy department, tire department, automotive department, service department, paint department, gardening department, hardware department, and household department.

Band "Slave Day" Set For Saturday

The local Springlake-Earth School Band will observe "Slave Day" on Saturday, February 11.

Anyone wishing to have a job done is asked to call Dean Foshier, band director, at the local school, 257-4321, or at his residence, 257-4293.

These jobs range anywhere from cleaning house to digging ditches.

Orders may be called in any time before Saturday, or during that particular day, and employers may choose the students they wish to have work for them, as well as the desired time.

Employers will be allowed to pay the workers what they wish for these various jobs as no price has been set.

Proceeds from this "Slave Day" will be used by the local band to attend the Band Festival in Corpus Christi on April 28-29.

Attention! Civic Minded Men Needed

Civic-minded men of the Earth-Sprinklake area gathered at the Earth Community Building Thursday night, with orientation teams from the Muleshoe Jaycees and Jaycee members from Dimmitt.

The two visiting teams presented a program on the reorganization of a Junior Chamber of Commerce in our community. The history of the organization was presented, and various accomplishments of the former Earth Jaycees Club were discussed as well as those of Dimmitt and Muleshoe.

Local men attending the Thursday night meeting are presently contacting former Jaycee members and other civic minded men in the community in hopes of reorganizing an active Jaycee Club for the community.

All young men between the ages of 21 and 35 are eligible for full membership in the club, and men between the ages 19 and 21 may become associate members.

The Jaycees were very active in years past. One of the recent civic achievements of the Jaycees was the Earth 40th Anniversary, where the local Jaycees took over full planning of the all-day celebration, and contributed most highly to its success.

Another meeting has been called for Thursday (tonight) at 7:30 P. M. in the Earth Community Building.

Hamilton Receives Recognition

Cadet Lynnwood H. Hamilton, College Freshman at the New Mexico Military Institute, has been honored for achieving the Superintendent's List, Dean's List, the Commandant's List, for the fall semester.

In order to be placed on the Dean's list, Cadets must have an academic grade point average of 3.0 or better, based on a 4.0 maximum. The Commandant's List indicates a high degree of proficiency in military conduct and discipline. Those cadets who qualify for both the Dean's List and the Commandant's List are placed on the Superintendent's List. For this past

semester 17.7% of the members of the Corps of Cadets achieved the Dean's List, 28.2% achieved the Commandant's List, and 6.5% were honored on the Superintendent's List.

Hamilton is the son of Mr. and Mrs. B. T. Hamilton of near Earth.

Sp. 5/C and Mrs. John R. Williams of Sandy Air Force Base at Albuquerque, N. M., are currently visiting his parents, Mr. and Mrs. Walt Williams in Earth, prior to leaving for Viet Nam on February 26. He is expected to be stationed in Saigon.

BOB BELL AND TROY BYERS are pictured with the plaque presented to the Earth Elevator Thursday night in recognition of outstanding service to livestock and poultry feeders in the area. The Earth Elevator has through the years added warehouses, a feed mixer and grinder plant and trucks for custom feeding livestock in area feed lots. They have increased their services to keep abreast with the needs of area farmers.

Earth Elevator Wins Plaque President

Co-owner, Troy Byers and manager Bob Bills of the Earth Elevator Company attended a meeting Thursday night at the Goutley Brothers Store in Amarillo where they received a lovely Bronze Plaque and recognition for their sales of 1,900 tons of Purina concentrates.

The Purina Leadership Award was presented to the Earth Elevator Company in recognition of outstanding service to livestock and poultry feeders of the community. The presentation was made by area sales representative John Shaw of Plainview.

During the meeting an electric blanket was presented to Bob Bell, as second place winner in a "Purina Health Aids Contest," for his sales and outstanding service to the community in the health aids capacity.

Tire Pressure: How Much For Your Car?

College Station--Most drivers know that their car's oil and water levels should be checked regularly.

But checking the condition and pressure of the car's tires--a simple yet vital part of safe driving--is often overlooked. Even when tires are new, overloading a car or under-inflating tires can cause damage or deflation. Proper care of tires not only promotes safety but helps prolong tire life, says Henry O'Neal, Extension agricultural engineer.

INFLATE TIRES PROPERLY. Recommended tire pressure for normal driving conditions is given in the manual provided when the car was new. If you have no manual, check with the car dealer or manufacturer to find out the proper tire pressure.

"Tires should always have at least the recommended pressure," Underinflated tires are particularly hazardous.

'Postal Customer's Bill of Rights'

Postmaster Harold D. Miller today called the attention of Earth mailers to the new 'Postal Customer's Bill of Rights' to help meet President Johnson's government-wide goal of federal services to the public.

Directed at post office window services, Postmaster General Lawrence F. O'Brien has ordered the Customer's Bill of Rights implemented by two immediate steps at Earth.

First, posters will be displayed in the post office lobby and service counters containing 10 points which specify the kind of treatment customers have a right to expect; and second, instructions from Mr. O'Brien call for careful observance of all points in the 'Postal Customer's Bill of Rights.' The instructions also provide directions for the most efficient management of window services.

The posters tell customers they are entitled to the following: A neat, clean counter on which to transact business; service by a well-groomed, neat window employee; a friendly greeting that expresses a desire to assist; knowledgeable, well-informed, interested window personnel to help with postal needs; prompt, alert and efficient service; competent and correct information on inquiries, an attitude that reflects helpfulness, patience and congeniality; the courtesy and tact that would be expected from a friend; polite referral to another window or individual, when necessary, to give the appropriate service; and a feeling, upon leaving, that the post office is glad to serve and help at all times. Instructions for fulfilling, "The

Max Factor Cosmetics (new shades are in). Pounds Rexall Pharmacy. pd. adv.

Postal Customer's Bill of Rights' are being distributed to all window personnel by Postmaster Miller.

O'Brien stated in connection with the postal service improvement efforts: "President Johnson insisted that every federal employee give added attention to providing the American people with the very best service possible. . . Since your daily duties bring you in direct and continuing contact with our customer, I would like to tell you what I consider the type of service the American people have a right to expect when dealing with the largest business operation in the world."

He urged Earth residents to assist in this effort, by stating their needs clearly, and having money and any necessary filled-out forms ready for trans-

actions.

The Postmaster explained that demands on window personnel, who must deal with a wide variety of information, forms and varying services, are usually very heavy, and postal customers can assist them in meeting the new service goals by being as brief and businesslike as possible.

ANTIQUATED DRIVER LAW

Texas traffic will kill some 3,500 persons in 1967, unless something is done about it, according to "Texans for Traffic Safety." One thing that can be done is to update the driver license law which was written in 1941, as proposed by Governor Connally. The present law contains "loopholes" through which flagrant and dangerous law violators can retain a legal license to drive.

Texas should have three times as many Highway Patrolmen as it does to patrol the vast network of state highways, according to nationwide standards. Governor Connally is going to ask the Legislature to make a substantial increase in the Highway Patrol force and provide adequate salaries to attract and keep qualified men--and "Texans for Traffic Safety" is actively supporting the proposal.

Dear Customer:

We are pleased to announce International Harvester Company has a "CT Program", which means they are offering discounts to their dealers and the dealers in turn can offer it to their customers.

This "CT Program" will mean additional discounts on highly competitive items from our suppliers. Therefore, we are passing this added discount to our customers.

The items will be charged out at regular list price to your account. The discounts will be deducted of the bill if paid in full by the 10th of the month. All of our bills are due by the 10th of the month and we must meet our obligation in order to receive our discounts.

We sincerely believe that this will save our customers several hundred dollars each year. For this reason the program will be strictly enforced without exception. Below you will find a few of the items and the saving that can be had, which run from 15% to 40% discount.

NEWS FROM
LAZBUDDIE...

by Mrs. C. A. Watson

Tide Fertilizer Plant at Clays Corner suffered the loss of about \$4000 worth of Treflon weed killer chemicals the first of last week by burglars. According to the report furnished that was all that was missing from the plant.

Mr. and Mrs. Juel Treider accompanied by his mother, Mrs. Laura Treider were in Big Springs during the past week to be at the bedside of Juel's brother, Melvin Treider, Sr. formerly of Lazbuddie and Muleshoe. Treider was hurt while combining feed on his farm near Lazbuddie several years ago. He has had treatment for the injuries several times since. Present treatment is being made to try to save his legs from being amputated at the Big Springs hospital.

Jiggs Noland has returned to his home after several days medical treatment in the veterans hospital in Amarillo. Mr. and Mrs. Willie Waddell of Lazbuddie are the proud grandparents of a little granddaughter born in a Littlefield hospital January 24. The baby has been named Rhonda Sherry Waddell. She weighed 5 lbs. and was 19 inches long. The parents are Mr. and Mrs. Doyce Waddell of Earth-area and maternal grandparents are Mr. and Mrs. Robert O'Hair of Earth.

Mr. and Mrs. Ronnie Briggs and children plan to move to

the Wilcox, Arizona area soon. Briggs sold his farm equipment last week. The couple are both former Lazbuddie high school graduates. She is the former Rose Mary Agee.

Mr. and Mrs. Riley Good-nough sold their farm equipment at auction Tuesday of last week. They are retiring and will remain at their residence at Lazbuddie.

Mr. and Mrs. W. M. Harmon sold their farm equipment at auction Tuesday of this week. They are quitting the farm business. They live 5 miles west of Clays Corner.

C. A. Horsley, long time area farmer is quitting farming. He and his wife will retire after selling their equipment at a farm sale this week.

Mr. and Mrs. Leon Smith, Jr. and children are moving to Clovis this week. Smith will be in the real estate business in Clovis. He was a farmer northwest of Lazbuddie.

Mr. and Mrs. Joe Collins, Dimmitt, and Mr. and Mrs. Bernie Gowers, David and Mike, Friona, visited the Charlie Watsons Sunday evening.

Mr. and Mrs. Theron Vaughn, Jr. from Texas Tech visited in Lazbuddie during the weekend with his parents, Mr. and Mrs. T. D. Vaughn and in Muleshoe with her parents, Mr. and Mrs. Crawford.

The Lazbuddie senior class

will have their senior class play the evening of February 24. Members of the cast are Kirby Burch, Terry Parham, Carolyn Morris, Mike Hinkson, Myri Morris, Sherry Robinson, Marsha Addudell, Marquitta Seaton, and Buster Steinbock.

Lazbuddie FHA Talent Show will be Saturday night February 18. Fine talent will be in the contest.

Rev. and Mrs. Roy Haven are at Temple this week, visiting his parents in the nursing home.

Rev. Don Davidson of Hereford brought the morning and evening messages at the Methodist church Sunday in the absence of Bro. Haven.

Mrs. Freeman Davis was in Andrews Thursday to be at the bedside of Mrs. W. F. Davis, surgical patient in the Andrews hospital. Her condition remains poor according to members of the Davis family.

Birthday greetings this week go to: Mary Lou Delgado, Sue Windham, Laciada Crim, Lloyd Bradshaw, Donna Smith, Dale Vice, James Flores, Bobbie Paul, Sarah Lou and Sandra Lee Stroud, Craig Schumann, Pauletta Templeton, Kent Hargroves, Gary Coker, and Nancy Putman.

Mr. and Mrs. E. A. Farham and granddaughter, Michelle Agee were in Anson the past weekend visiting his parents, Mr. and Mrs. W. M. Farham.

WALLY COSTILLO is shown, on his 18th birthday, with a delicious pineapple birthday cake, presented to him by Mrs. John Garrett in appreciation for his tireless efforts in getting the Locker plant back into full swing again since the fire on January 18.

Ag Chemicals Used To Fight Hunger, Disaster

Agricultural chemicals are being used to wage a two-pronged attack on the two oldest enemies of man—hunger and disaster.

Dr. Jack Price, leader of the agricultural chemicals program, Texas A&M University's Agricultural Extension Service, says that armed with the weapons provided by the agricultural chemical industry, research institutes and government agencies, the United States has provided its citizens with the benefits of an agricultural economy that offers them the highest quality foods at a most reasonable cost.

Because of the efforts and cooperation among the nation's farmers, the governmental agencies improving and regulating agricultural products and the chemical manufacturing companies, the 190 million plus population of the U. S. is well-fed, says Price.

Within the borders of the United States, hunger is being held in check, but in the rest of the world, it is another story, notes Price. According to the World Health Organization estimates, two-thirds of all the people in the world go to bed hungry every night, and

about 10,000 die every day from starvation and malnutrition.

The agricultural chemical industry must meet this challenge of hunger, says Price.

Outstanding among the products developed by the industry are the pesticides. Over five million people in the world owe their lives to the pesticides developed by the agricultural chemists since 1942, according to the U. S. Public Health Service. This is the number of people who have been saved from malaria and encephalitis by the use of chemicals to control insects which carry these diseases, says Price.

Pesticides have freed hundreds of millions of the world's population from such insect-borne diseases as malaria, typhus, yellow fever, cholera, trachoma and encephalitis.

Were the use of pesticides restricted, epidemics would grow and become widespread throughout the nation and the world, and hunger would be their companion, concludes the agricultural chemicals specialist.

Former Resident Named PCG's Executive Assistant of 23 County Organization

Oscar (Cotton) Fanning, 41, Advertising and Public Relations Director of the Plains Cotton Growers, Inc., since March of 1963, has been named Executive Assistant of the 23-county organization.

Donald A. Johnson, Executive Vice President of the Lubbock-based PCG, said Fanning will assume more responsibility in helping to direct the PCG's overall program of research, promotion and service for High Plains cotton.

"He already has been serving in an executive capacity in many respects," Johnson said. "However, his new title better reflects these duties and the added responsibility he now will assume."

Fanning will continue to direct the PCG's advertising and public relations programs and will be in charge of the office here in Johnson's absence.

A native of Earth, where he was reared on a cotton and grain sorghum farm, Fanning was

OSCAR FANNING

graduated from Texas Tech in 1949 and spent three years in Mexico working for the U. S. Department of Agriculture and

U. S. Department of Labor. Fanning later managed the Basin Growers Association at Stanton, an organization which primarily was concerned with the contracting of farm workers from Mexico under the old bracero program, for eight years.

Johnson also announced that arrangements have been completed for the PCG's cotton spinning and fiber testing work to be continued at Texas Tech on a consultant basis with Harry Arthur, Acting Associate Director of Tech's Textile Research Laboratories.

Arthur worked closely with Jim Parker, who directed the PCG's spinning and fiber testing work at the TRL until he resigned last month to join the American Textile Manufacturers Institute, Inc., at Charlotte, N. C.

SUPPORT JAIL SENTENCE

A three-day minimum "cooling off" period in jail might cause some driver to think twice before driving with a suspended or revoked license, says "Texans for Traffic Safety." The group endorses this proposal carried in Governor Connally's highway safety program.

17 Lamb Countians Exhibiting Livestock In San Antonio

Three 4-H and fourteen FFA members of Lamb County have a total of 34 entries at the San Antonio Livestock Exposition which runs February 10-19 at the Joe Freeman Coliseum.

Youngsters from this area, who have entered 2 steers and 32 barrows in the San Antonio show include Rodney Bowling, Tracey Bowling, Davis Gardner, David Aigaki, Randy Ball, Guy Ballard, Doel Cordero, Tony George, Tim Given, Larry Green, Jimmy Huckabee, Ted Wheeler, Jerry Kemp,

James Lambert, Jerry Loveless, Sel Sanchez and Danny Sides. The youngsters will be competing for a share of the more than a quarter of a million dollars in premiums, prizes and purse money being offered during the 18th annual stock show and rodeo.

LAMB LEVEL DROPS .68 FEET

Water Level Declines in Thirteen County Area, Averages 2.10 Feet

Only one county in a 13 county area measured a rise in the water level, according to the water level measurements recently completed by the High Plains Water Conservation District. This county was Hockley, measuring a .22 foot rise in water.

Two other counties measured less than a foot decline in water levels. These were Lynn County with a measurement of .34 of a foot and Lamb County with .68 of a foot. Other counties measured considerably larger declines than the above.

The average decline for the wells located within the thirteen counties of the Water District was 2.10 feet. This decline compares with the declines of 1964 of 2.49 feet; 1965, 3.99 feet; 1966, 3.51 feet. Also comparing this year's decline to five year average declines, 1959-1964 of 2.07 feet, 1960-1965 of 2.39 feet. There are many factors which could have caused the 1966 decline to be less than the average decline in the past few years.

In August of 1966, heavy rains were received generally throughout the Water District. These rains virtually cut off all pumping of irrigation wells on grain sorghum, cotton, and soybeans. Some wheat and vegetables were watered in the latter part of November and December in the Northern part of the district.

Government acreage programs allowing farmers to cut their cotton acreage 35% and slight reductions in the grain sorghum acreage probably saved pumping a great amount of water.

There is a possibility that some recharge occurred in the sandy land areas of Lamb, Bailey, Cochran, Hockley, and Lynn Counties where the water table is less than 150 feet below the land surface. The declines by Counties are as follows:

Armstrong	1.90 feet	Fotter	4.49 feet
Bailey	2.20 feet	Randall	3.03 feet
Castro	2.68 feet		
Cochran	1.68 feet		
Deaf Smith	3.38 feet		
Floyd	4.40 feet		
Hockley rise of	.22 feet		
Lamb	0.68 feet		
Lubbock	1.89 feet		
Lynn	0.34 feet		
Farmer	3.53 feet		

These declines are not to be used for tax depletion purposes. They are strictly County averages. Detailed decline maps will be prepared by the District for tax depletion use and will be ready for the public by February 15.

Hightower Turns Thumbs Down On Governor's Liquor-By-The-Drink Proposal

Senator Jack Hightower, Vernon, said Thursday that Governor John Connally's proposed liquor-by-the-drink tax revenue measure "would create more problems than it would solve."

The Senator also questioned the advisability of the Governor's proposed repeal of the Co-Isen-Briscoe Act under which state funds are allotted for construction of farm-to-market roads.

"I do not think that there will be any tangible benefits for the state under the liquor-by-the-drink proposal, even though it was proposed as a revenue measure," Senator Hightower said.

In his address to the legislature, the Governor said that the proposed tax on the liquor sales would add \$15 million to the state's revenue during the next biennium.

"I am in agreement with Governor Connally's statement that increased effectiveness in enforcement of laws relating to private clubs and the sale of liquor are essential," the senator said.

"However, I do not believe that the legalization of liquor by drink is necessary to ac-

complish this. Such legislation would, in my opinion, create more problems than it would solve.

During the first six months of 1966 the birth rate in Japan dropped some 27%. Why? Because that was the year of the Fiery Horse, and legend has it that girl babies born under this zodiacal designation will develop fiery characters and most probably 'devour' their husbands. ... 1967 is the year of the sheep.

There is a threat that the Maine lobster is on its way to extinction, one factor being that the average water temperature off Maine's coast has been dropping about half a degree a year, and the colder the water the slower the lobster grows and the longer it takes to reach legal size. It is estimated that this trend will continue for at least 20 years.

Even the seats have locks in Chevrolets

We put automatic latches on all our folding seat-backs to keep them from flopping forward should you ever stop suddenly. The seat sits upright until you trip a latch.

Additional items we put into the '67 Chevrolet: handy pushbutton releases for the seat belts, an ash tray that glides in and out on ball bearings, a 4-speaker stereo tape system you can add, not to mention noticeable improvements in the way the car rides and handles. Go to your dealer's. Drive a new Chevrolet, get a free sample of

that sure feeling

Releases at a touch to allow easy entry into the rear.

Joan Dawson Named Winner Of D. A. R. Good Citizen Award

Miss Joan Dawson, daughter of Mr. and Mrs. Ed Dawson, and a senior in Springlake-Earth High School has been announced winner of the Daughters of the American Revolution Good Citizen Award from this school.

Miss Dawson and her mother will be guests of the Mary McCoy Baines Chapter, D. A. R., George Washington Tea February 9. At this time Good Citizen pins will be presented to the thirteen Good Citizens from schools in the area.

This announcement has been made by Springlake-Earth High School Principal D. H. Koeninger, and by Mrs. Clayton Lewellen, Regent, and Mrs. W. A. Pinkerton, Good Citizen Chairman of the sponsoring D. A. R. Chapter, the Mary McCoy Baines chapter, Plainview.

Good Citizens have been selected on the basis of their dependability, service, leadership, and patriotism, as evidenced through their work in the school, church, and community.

Scholastically, Miss Dawson has a 98.6 average in high school. She has received merit awards in algebra, geometry, World history, American history, homemaking, biology, chemistry, English, and typing. She received a "Scholarship Sweater" from local study club. She has been secretary of National Honor Society for two years. In F. H. A. she has been president and held most other offices and was selected "Miss F. H. A." for 1966.

An accomplished pianist Miss Dawson has been chosen to play piano and organ at Senior Baccalaureate services three years, and has played for school operetta. She played first in Lubbock Piano Concerto Contest and played with Lubbock Symphony in 1965 and in 1966 was selected to play piano with Texas Tech Symphony on Children's Christmas Concert and received a scholarship to Tech.

Miss Dawson has been an outstanding member of the school band that has won sweepstakes three years. Individually she has had first division rating on oboe three years and has played in oboe in Region Band

JOAN DAWSON

for three years and was alternate in area to All-State Band. She has served as band secretary two years. In 1965 she received a scholarship in oboe to National Music Camp, Interlochen, Michigan.

Miss Dawson has been elected by her class as "Most Likely to Succeed" and is a candidate for "Miss Springlake-Earth High School" by the student body. She was first alternate in REA Youth Oratorical Contest, 1966 and was SEHS "Plowgirl" of with the stage band at State Meeting of REA in San Antonio last year and has also played with this local band at functions in the community. She attended the Student Council Workshop at Southern Methodist University last year.

Miss Dawson is a member of Earth Methodist church where she is church organist, and is a member of the choir. In M. Y. F. she has held several offices, locally and in sub-district. She sings with a Triple Trio group that performs at various banquets, teas and other activities.

Miss Dawson plans to continue her education at Texas Technological College, majoring in Music Education.

Kathie Brown Installed As Worthy Advisor Of Rainbow Girls

Kathie Brown, 18 year old daughter of Mr. and Mrs. Gene Brown, was installed as worthy advisor of the Earth assembly no. 156 order of the Rainbow for girls, during an open installation service Monday night in the local Masonic Hall.

Miss Brown chose as her theme "Love and Friendship" Her selected verse was John 13:34, "a new commandment I give unto you, that ye love one another; as I have loved you, that ye also love one another," read by Diana McNamara. Her motto was "Let us live our obligations."

In a setting of beauty, with the hall decorated in her selected colors of pink, blue, and silver, installing officer, Mrs. Sharon Hamilton installed the following officers: Beverly Prather, charity; Susie Ruby; hope, Anita Kelley; faith, Donita Kelley; recorder Norma Kelley; treasurer, Brenda O'Hair; Chaplain, Sharla Haberer; drill leader, Camille Haberer; love, Mary Lou Tate; religion, Connie Kelley; nature, Ann Bearden; immortality, Leah Galloway; fidelity, Karen Hinchliffe; patriotism, Suzy Adrian; service, Betty Littleton; confidential observer, Mary Nell Walker; outer observer, Diane Hodges; musician, Pansy Bean; choir director, Annette Hodges, and mother advisor, Mrs. Dorthaphine Brown.

Mrs. Roxie Loudder of Sunny-side served as installing marshal. Norma Kelley was installing chaplain. Others assisting in the installation were Mrs. Elizabeth Laing as musician, and Mrs. Ann Kelley as recorder.

Mrs. Beth Kelley, Mother advisor, introduced the installing officers and gave the welcome address. The invocation was given by Debbie Barton.

Mrs. Barbara Burnett of Cotton Center, aunt of Kathie, was accompanied on the piano by Mrs. Elizabeth Laing as she sang "Others."

The benediction was given by Kenneth Burnett, uncle of Kathie. Following the installation, Miss Brown took the stand and presented her parents, Mr. and Mrs. Gene Brown, and brother, Dickie, and grandparents, Mr. and Mrs. Jack Brown of Hale Center with lovely, carnation corsages and bouquets.

Kathie presented beautiful gifts to installing officers, on the program, her past mother advisor, Mrs. Kelley, her mascots, Shelia and Mark Jordan, her sponsor, Mrs. Millie Armstrong, the outgoing worthy advisor, Pansy Bean, and her hospitable girls, Pam Jordan, Mrs. Janet Powell, Dalpha Banks and Brenda Oden.

Refreshments of pink punch and cake squares, iced in white decorated with a cluster of pink roses in the center, and inscribed in soft blue letters which read "Kathie Brown" in one corner and "Worthy Ad-

Mrs. Chaney Wins Third In State Beauty Show

Mrs. Bill Chaney received third place in the State Beauty Show of 1967 held in Dallas Sunday, February 6.

Mrs. Chaney, a student at McBrides' School of Hair Design in Plainview, was chosen along with four other students to represent McBrides' School in the state contest.

Each of the 24 contestants from various places in the state were required to design the new trend in hair styling, which is called "the diamond shape."

The contestants were judged on the overall appearance of the hair style.

Mrs. Chaney received a beautiful gold plated trophy for her excellent work.

She plans to take her state board examination on March 19, in Austin, following the completion of the 1,000 hour course.

viser" in the other, were served to those attending. The serving table was laid with a white satin tablecloth, with an overlay of ruffled net. The centerpiece was a beautiful arrangement of pink roses, shaded with soft blue edges. The 75 guests attending were registered in a white guest book by Mrs. Janet Powell. Arrangements of lovely pink, roses were placed throughout the rooms of the hall which

Opening Slated Saturday For Modern Hair Designs

Modern Hair Designs, located on Main Street adjacent to the News-Sun office, has scheduled a formal opening celebration for Saturday, February 11. Mrs. Judy Vining, owner-manager, and personnel of the shop invite area folks to drop in for a visit and to register for the free prizes to be given away at 5 o'clock Saturday afternoon. First prize will be a free shampoo and set; second prize

is a hair cut and third prize is a free manicure. Refreshments of cokes, coffee, cookies and doughnuts will be served throughout the day.

Mrs. Vining has also slated a sale on permanents to begin on February 14 and is slated to continue throughout the month of February. Everyone is invited to attend the opening.

Shower Honors Lewis Home Miss Gover Scene Of Neighborhood Meet

Miss Donna Ruth Gover was honored with a bridal shower Saturday night in the beautiful home of Mrs. Fred Clayton. The serving table was draped with white satin, with an overlay of layers of ruffled net. An arrangement of white roses graced by white tapers centered the table.

Mrs. Karen Kendrick served individual cake squares, topped with white wedding bells while Mrs. Gwen Parish served hot spiced tea to the guests attending.

The 24 guests present were registered in a lovely white guest book by Mrs. C. L. Houchin.

Mrs. Norman Ellis presented an original reading. Lovely white carnation corsages were presented to the honoree, her mother, and the groom-elect's mother.

Those serving as hostesses were Mrs. David Johnson, Mrs. John Garrett, Mrs. Wylene Cleavinger, Mrs. Robert O'Hair, Mrs. Lottie Kasinger, Mrs. Lloyd Blanton, Mrs. Iona Martin, Mrs. Chubby Dent, Mr. Ray Stansell, Mrs. V. J. Sigman, Mrs. Fred Clayton, Mrs. Imogene Dickson, Mrs. Houston Stephens, Mrs. Truman Stine, Mrs. Hershell Patterson, Mrs. C. L. Houchin, Mrs. Bill Beasley, Mrs. Margaret Smith, Mrs. Cullen Hay, Mrs. Perry Martin, Mrs. Bob Usery, Mrs. Wilson Lewis, Mrs. Donald Street, Mrs. Homer Starkey, Mrs. Annie Lewis, Mrs. Harvey Kendrick, and Mrs. Norman Ellis.

An Earth neighborhood meeting was held Monday at 9:30 a. m. in the home of Mrs. Wilson Lewis, with Mrs. Richard Sugarek of Lubbock, in charge.

A discussion was held on the girl scout birthday party to be held on Saturday, March 18, in the Muleshoe National Wildlife Refuge. Girls are to meet at the Refuge building at 11 a. m., and sack lunches will be eaten at that time.

The fly-up service was scheduled for April 18. All badges earned during the school year by junior troops will be presented at that time.

Plans for the Day Camp were discussed, and the Norman Sulser farm, west of town, was tentatively planned for the location of the camp. The dates, June 26-30 were approved by the neighborhood leaders.

Girl scout cookie sales begin on March 2, and continue through March 18.

Cards were distributed to the various troop leaders on which the girls will write thank you notes to all the donors of the girl scout drive.

Each troop will donate one week's dues to the World Friendship Fund.

Coffee and girl scout cookies were served by Mrs. Lewis to Mrs. Freddy Kemper, Mrs. C. C. Goodwin, Mrs. Donald Street, Mrs. M. W. Messer, Mrs. Bert Weil, Mrs. Norman Ellis, Mrs. Tom Lively, Mrs. Norman Sulser, Mrs. Gerald Inglis, and Mrs. Sugarek.

Seniors Honored With Chicken Dinner

The senior class of Springlake-Earth High School were honored with a luncheon Wednesday, February 1, by individuals of the Earth Church of Christ.

The Valentine motif was used throughout the entire room, with the head table containing a lovely centerpiece formed from two large white hearts, red cupid, and red and white flowers, placed inside an encirclement of tulle. The tablecloth was white, bearing red streamers.

A delicious menu consisting

of fried chicken, potato salad, Jello salad, green beans, relishes, hot rolls, various pies, tea and coffee was served to the 62 seniors, sponsors and parents attending.

W. P. Dennis, minister of the Earth Church of Christ, presented an address concerning the attributes a person should acquire before advancing into life or adulthood.

Sitting at the head table were Superintendent and Mrs. Bill Mann, Bill Anderson, Mrs. Marie Slover, Danny Smith, and W. P. Dennis.

Bulls' Home Scene Of SSLuncheon

The Friendship Sunday School Class of the Earth Methodist Church met in the home of Mrs. Crill Bulls Tuesday for a covered dish luncheon.

Following the delicious meal, Mrs. C. T. Richardson gave a devotional, based on the book of St. John.

Mrs. Bulls presided over a short business session.

Games of 84 were enjoyed by the group.

The next luncheon will be held on March 7 in the home of Mrs. Naomi Burgess.

Fourteen members and one visitor, Mrs. Eldon Parish, attended the luncheon.

YWA Study Missions In Alaska

The YWA of the Earth First Baptist Church met at the home of Pat Bryant Wednesday for a regular program.

"Literary Missions in Alaska" was the theme of the program.

The prayer calendar was read by Mrs. Troy Blackburn leading the prayer for missions.

Plans were discussed for the community missions projects for the month of February.

Refreshments of Dr. Peppers and cookies were served by the hostesses Gaye Upchurch, Janita Blackburn, Mrs. Blackburn, and Brenda O'Hair.

The group will meet next week in the home of Gaye Upchurch.

TWO TOP TEAMS IN TOURNNEY... members of the Springlake-Earth seventh and eighth grade girls teams had to play each other in the finals Saturday to determine first and second place trophy winners. The score ended 29-24 in favor of the local eighth grade team who were presented first place trophy winners with the seventh grade taking the second place trophy. Left to right, Jan Cleavenger, Karen Armstrong, and Janis Bridges are proudly displaying the eighth grade trophy, while LaDonna Sigman, and Criss Dent hold the seventh grade trophy.

Scouting in Earth

GIRL SCOUTS # 308

Girl Scout troop no. 308 met at the scout hut Wednesday with Mrs. Thomas Lively, Mrs. C. C. Goodwin and Mrs. Norman Hinchliffe.

The girls began making place mats, trimming them with the design of their choice.

Fonda Goodwin served refreshments of cookies and punch to Lucinda Aguirre, Beverly Bell, Debbie Bell, Shelly Bitner, Kleta Haberer, Camille Hinchliffe, Toni Inglis, Teresa Lively, Cynthia Robinson, L'Anna Sulser, and Kathy and Sherry Winders.

GIRL SCOUT TROOP NO. 178

Girl scout troop no. 178 met Wednesday at the scout hut with Mrs. Bert Weil and Mrs. Gerald Inglis.

A story entitled "Lucy Scout" was written and told to the troop by Mrs. Dean Jones.

Debra Weil and Laquinta Clark each told a story to the troop as a requirement on the story telling badge.

Refreshments were served at the Drug Store by Frances Fayer.

GIRL SCOUT TROOP NO. 373

Girl Scout Troop no. 373 met Thursday afternoon at the Scout Hut.

Mrs. Freddy Kemper assisted the nine girls present in working on their needle craft badge requirements.

Quincy Lewis showed her stamp collection to the group. This is a requirement for the collection badge.

Refreshments of candy were served by Karen Kemper.

BROWNIE TROOP # 398

Brownie troop no. 398 met at the Scout Hut Tuesday, with 18 girls present.

The girls made puppet heads from sawdust clay, and were given dress patterns and a body to go with their puppets. The puppets will be dressed in Brownie uniforms from around the world, commemorating World Friendship month during February.

"Here we go round the Mulberry Bush" was played by the group.

It was announced that on February 28, the girls will present a puppet show, and each mother from the troop is invited to attend.

Nesha Lewis served candy bars to those attending.

Meeting with the girls were Mrs. Donald Street and Mrs. Wilson Lewis.

Life With Father Opens At Lubbock Theatre Center Today

"Life With Father", the American comedy classic which set a world's record when it ran continuously for almost eight years on Broadway, has been selected as the next hilarious attraction of the Lubbock Theatre Center, and will open February 9 and play February 11, with 2 performances slated on February 12.

Written by Howard Lindsay and Russel Crouse, the tenderly and vigorously comic story of Father and Mother Day, and their red-headed sons, ran for 3,213 performances in New York alone, and was toured by nine separate road companies.

DRIVER FOOTS BIG BILL

"Texans for Traffic Safety" estimates that in addition to the loss of 3,500 lives, 200,000 injuries, and an economic loss of over \$500,000,000 in traffic accidents in Texas in 1967, Texans will spend more than \$400,000,000 for auto insurance. "We could all save money if we could reduce accidents," the group says.

Linda Garner Employed At Earth News-Sun

Mrs. Linda Garner began duties Monday as IBM operator and bookkeeper for the Earth News-Sun.

Mrs. Garner is replacing Mrs. Gene Chaney, who plans to resign in the near future.

Mrs. Garner is a graduate of Chattanooga High School and attended Southwestern State College in Weatherford, Oklahoma, for a short time.

She is the daughter of Mr. and Mrs. W. D. Martens of Earth.

Mrs. Garner has one daughter Tammy, eight months old, and is affiliated with the Methodist Church.

WHO ARE ILL

Paul Chaney was rushed to the Medical Arts Hospital in Littlefield Wednesday night, following a heart attack in his home. He is in serious condition, but is thought to be improving.

Tommy Laney Receives Promotion

Burns Flat, Okla. -- First Lieutenant Tommy L. Laney, son of Mr. and Mrs. Marcus H. Laney of Muleshoe, Tex., has been selected for promotion to captain in the U. S. Air Force. Lieutenant Laney is a KC-135 Strato Tanker copilot at Clinton-Sherman A F B, Okla., with the Strategic Air Command, America's long-range nuclear bomber and missile force.

The lieutenant, a graduate of Lazbuddie (Tex.) High School, was commissioned in 1963 upon completion of the Air Force Reserve Officers Training Corps at Texas Technological College, Lubbock, where he was graduated with a B. S. degree. He is a member of Alpha Tau Omega.

His wife, Patricia, is the daughter of Marcus C. Park of 404 Colonial Drive, Henderson.

Scouting rounds a guy out

Scouting rounds a guy out, makes him a bigger guy than he was before — stronger, taller, more self-reliant, better with people, better with himself — helps him be as BIG as he can be. Scouting challenges him to be more than he thought he could be!

Springlake-Earth Stuns Farwell Teams With 82-33 and 52-49 Victories

The gym was packed Tuesday night as area basketball fans gathered to see the local teams play ball with the hard pacing Farwell Steers.

Area fans were apparently wanting something to yell about, so they were not disappointed as two of the most exciting basketball games in a long time were unveiled at the Wolverine gym.

In the girls game, the Wolverettes wrapped up the district 3 A championship with their 28th straight victory of the year with a score of 52-33 over the Farwell girls.

Marsha Dawson paced the Wolverettes with 29 points, followed closely by Susan Britton with 26, and Anita O'Hair 22. Beverly Prather scored 4 and Dalpha Banks 1. Jackie Gast paced the Farwell attack with 21 points followed by Nelda Wengert, Candy Meeks, and Debbie Chandler with 4 each.

The Wolverettes led throughout the entire game, jumping off to an early 18-9 lead in the first quarter, at halftime the local team held a comfortable 41-17 lead. At the end of the third quarter it was 65-24, and the game ended with the Wolverettes being victorious 82-33.

The boys game was nip-and-tuck all the way and proved to be one of the most exciting ballgames of the season. The entire game was jammed pack with terrific plays being made by members of both teams, and the fans did not cease yelling and cheering for their teams.

Wayne Stockard looked as though he couldn't miss and was high point man for the Wolverines with 18 points, followed by O. C. Thomas with 21, Doug Messer 9, Logan Armstrongs, Randy Washington 4, and Perry Don O'Hair with 1.

The Farwell Steers was paced by Sheets with 14 points, followed by Robertson with 12, Phillips 7, Bradshaw and Fields, 6 and Schell 4.

During the first quarter the lead changed constantly, and was deadlocked 21-21 at the beginning of the second quarter. At halftime it was Farwell 35, the Wolverines 29.

The Steers had a slim 41-39 lead at the end of the third quarter and during the fourth quarter, the lead kept changing, right down to the final bell, with the Wolverines handing the Steers of Farwell their first district defeat of the year 52-49.

Next week all eyes will be on Sudan when the Steers and Hornets meet to decide just who can be the champs of district 3A. If Sudan defeats Farwell, district 3 A will have three teams tied for the lead Springlake-Earth, Sudan and Farwell.

The boys "B" team game went to the Farwell lads 49-36. O'Hair of the Wolverines scored 13 points for high point honors and Bryant of Farwell scored 13 points in pacing the Farwell crew to their victory.

BROADER VEHICLE INSPECTION

Vehicle defects that cause bad accidents go undetected under the present Texas Motor Vehicle Inspection Law, according to "Texans for Traffic Safety," Governor Connally is proposing expansion of this law to permit inspection of any part of a vehicle designated by the Texas Department of Public Safety.

Drawing for free prizes. Look for in this paper for details. Pounds Rexall Pharmacy. pd. adv.

SHALL WE DANCE??? Perhaps this is a new fad started by Doug Messer No. 14 as he blocks a shot by Phillips of Farwell, during the second quarter play Tuesday night. The Wolverines went on to win a close one 52-49.

JANIS BRIDGE was unable to block the shot in the game against Muleshoe. Other Wolverette 8th graders are Sandra Henderson and Jennifer Myers.

Lamb County Soil-Water Conservation District Competing in National Contest

Lamb County Soil and Water Conservation District has entered the 20th annual Goodyear competition to select the nation's top 53 conservation districts, according to Merrill P. Brigance, Olton. Activities of the district will be weighed against the performance of other districts in the state in determining the outstanding district in the annual event sponsored by the Goodyear Tire & Rubber Company of Akron, Ohio.

Key agricultural leaders will select the state winner. Soil conservation efforts from January 1, 1966 through December 31, 1966 will be considered. Grand award for the 53 districts selected nationally will be expense paid, work-study trip to Arizona in December 1967, for one member of the district governing body and the outstanding farmer-cooperator in each winning district. The 106 men selected will be guests at Goodyear Farms, a 14,000-

acre general farm operation near Phoenix.

The Lamb County district has taken part in the competition 3 times in the past and was named the state's second place district in 1955. District Supervisors are Marvin Bowling, Sudan; Herbert Delle, Littlefield; Ed Mitchell, Hale Center; W. L. Barton, Earth; and Mer-ll P. Brigance, of Olton. Brigance said the district's outstanding cooperator will be selected from over the 1837 farm operators enrolled in the district program. Nationally, over 2,000,000 farmers in over 2950 districts have signed cooperative agreements with local soil and water conservation districts.

NOTICE

The local seventh and eighth grade girls will play Thursday (today) at Farwell. The seventh grade game will begin at 5 P. M. The 8th grade game is scheduled to begin at 7:10 P. M.

Party Line

Dinner guests in the home of Mr. and Mrs. Chester Kelley Sunday were, Mr. and Mrs. Bob Landis, Tammy and Ronnie of Plainview, Mr. and Mrs. Don Stephens, Amarrillo, and Mrs. Johnny Murrell, Earth. Those who called in the afternoon were, Mr. and Mrs. Leo Park and Don, Mr. and Mrs. Francis Kelley, Danny and Chris and E. C. Kelley, Kevin and Kyle all of Earth.

STIFFER LICENSING

"Texans for Traffic Safety" has announced its support of stricter driver licensing laws, including issuance of only provisional driving privileges to all persons under 21 years of age.

Dress Color Can Be Changed

The fashion world's color barriers have been broken, says Miss Rieba Boyles, Extension clothing specialist at Texas A&M University.

Dress colors can be dramatically, and easily, changed within minutes. Just mix a little citric acid (provided in a convenient package when you purchase the dress) with hot water and soak the garment for ten or fifteen minutes.

The double-your-pleasure dresses are now on the market. Sport clothes, bedspreads, drapes, and potential hand-me-down children's clothing may also become a part of the revolutionary color change market. But there are some practical points you should keep in mind when you buy this new fashion.

Drycleaners are concerned because fabric with the revolutionary dyes will not be easily recognized. Tests at the National Institute of Drycleaning show that drycleaning will cause a partial color change. Miss Boyles advises that it would be wise to keep the hangtags and pass this information on to your cleaner.

WOULD YOU BELIEVE, A SIT DOWN STRIKE MAYBE? tain't quite so funny to Judy Gover who rises after a hard fall and makes her free shots after being fouled on by Jackie Gast of Farwell.

SEVENTH GRADE GIRLS SECOND--

Springlake Eighth Grade Girls, Olton Boys Win Local Junior High Tournament

The local seventh and eighth grade lasses demonstrated superior ability in handling the basketball during the Junior High tournament last weekend and ended up playing each other in the finals for first and second place trophies. The eighth grade won by a margin of 5 points to take the first place trophy and the seventh grade girls automatically won the second place trophy.

Consolation trophy for the girls went to the Muleshoe girls' team. First place trophy in the boys games went to Olton. Second place went to Dimmitt and the consolation trophy was awarded to Anton.

The eighth grade girls clashed with Muleshoe in their first game of the tournament. Both teams were held to a low scoring position as the guards held their own on both teams. The score at half time was Springlake-Earth 12, and Muleshoe 3. However, the second half told a different story. The local lasses found themselves almost unable to score tallying only 4 points, the scoreboard showed. Springlake-Earth had 16 points and Muleshoe 10, as the final whistle blew.

Jenna Banks was high point girl with 5 points.

In the second game for the local eighth grade girls team, the girls charged out on the court to meet the powerful Olton team. This game was nip-and-tuck all the way with the lead changing places many times throughout the game.

At half time, the score was 12 to 11. Neither team could manage an easy lead and the final whistle blew as the score was Springlake-Earth 21, Olton 20. Jenna and Jenna Banks tied for high point girl with 6 points each.

The seventh grade girls played Sudan in their first game of the tourney. Both teams put up a good fight, but the final score was 28-25 in Springlake-Earth's favor. The high point scorer was Janet Britton, with 16 points.

The local femmes met Anton in their second game, gaining an early lead. At the end of the first quarter, they were 10 points out front. They managed to hold the lead, although it began to dwindle in points. During the last half every second was a hard fought

game with the final score 27-25 in Springlake-Earth's favor.

Then came the finals, and our two strong girls' teams, the seventh and eighth grade, clashed for top team of the tournament.

The two teams went out on the court determined to do their best. It was a great game with the 7th grade holding a three point lead at the end of the first quarter as the score stood 7th grade 6, 8th grade 3.

At the half time the 8th grade had overtaken the younger team and the score was 11 to 8 in favor of the 8th grade.

The game was a tight game all the way with very few points between the two teams. The final score was 29 to 25 in favor of the 8th grade team. Britton was high point scorer for the 7th grade with 11 points in her favor. Jennifer Myers paced the 8th grade team with 8 points in her favor.

The 7th grade boys won their first game of the tourney in a clash with the 8th grade Sudan team, Friday. The game ended with a score of 32-19. High point man was Hoyt Glasscock, who racked up 14 points, Mike Cleavenger scored 10 points, Donnie Wheat 6, and Edress Barnes scored 1 point.

The second game was played at 1 P. M., Saturday. This time the hard fighting local team met Dimmitt. The game was tight all the way with the final score 31-29 in favor of Dimmitt. Hoyt Glasscock was again high point scorer with 15 points in his favor. Other top scorers were Donnie Wheat with 6 points, Jimmy Alair 2, and Sammy Matlock 1 point.

The local 8th grade boys played Muleshoe Thursday in their first game of the tournament and lost by a score of 51-15. Tony Barton and Kent Parish tied for high point man by scoring 6 points each.

Friday the 8th grade team played Bovina in the consolation challenge. The local team won by a score of 33-21. Kent Parish racked 11 points to be high point scorer for the local team.

In the consolation finals Saturday, Anton won over Springlake-Earth by a score 30-24. Tony Barton was high point man with 11 points.

DANGER PERIOD--

AGE 18-21

Texans for Traffic Safety says records of the Texas Department of Public Safety show that more persons 18 through 21 years of age are killed while driving motor vehicles than those in any other age group.

Mr. and Mrs. Don Stephens of Amarrillo visited in Earth over the week-end in the home of their parents Mr. and Mrs. Chester Kelley and Mr. and Mrs. Johnny Murrell. Mrs. Clara Kelley, Mrs. Stephens' grandmother, returned to Amarrillo with them to see an eye specialist.

Valentine Candy 25% off Pounds Rexall Pharmacy. pd. adv.

DOUG MESSER drives in for two points early in the third quarter against Farwell. It was this type of playing that thrilled local fans all night.

MARSHA DAWSON THOUGH SURROUNDED scores 2 points anyway, shooting over the heads of those Farwell guards. Marsha was high point for the night with 29 points.

TONY BARTON JUMPS high and drops in 2 points for the 8th grade against Muleshoe. Other Wolverine players are no. 53 Roy Rivers, and no. 55 Kent Parish.

HOYT GLASSCOCK no. 22 lays the ball up and in for 2 points against Sudan in the local tournament. The 7th grade boys won the game 32 to 19.

Criss Dent No. 9 puts the heave ho to the ball and over-shoots the basket, as in their game against Sudan in the local tournament. The 7th grade girls won the game 28 to 23.

Cottle County School Land, to its NW corner and the NW corner of Labor 5, League 238, Cottle County School Land;

THENCE West along the South line of League 234, Dallam County School Land, Leagues 251 and 239, Castro County School Land, League 206, Ochiltree County School Land to a point in the West line of Lamb County, Texas, where the South line of League 206 Ochiltree County School Land intersects with the West boundary line of Lamb County, Texas;

THENCE North along the West line of Lamb County, Texas, to the NW corner of said county and the place of beginning. The legislation shall provide that the District shall assume full responsibility for providing medical and hospital care for the needy residing within the District and shall have power through its Board of Directors to issue and sell as the obligations of such hospital district bonds for the purchase, construction, acquisition and repair or renovations of buildings and improvements and equipping same for hospital purposes and to levy a tax creating an interest or sinking fund to pay interest on and principal of such bonds as same mature, to provide for the operation and maintenance of the District and its hospital system and for the purpose of making further improvements and additions to the hospital system, and for the acquisition of necessary sites therefor by purchase, lease or condemnation, provided that said tax shall not exceed 75¢ on the \$100 valuation of all taxable property within the District.

The legislation shall also provide that such district shall not be created unless or until an election is held at which such election there shall be submitted to the qualified property taxing electors the proposition of whether or not Earth-Springlake Hospital District shall be created with the authority to levy annual taxes at a rate not to exceed 75¢ on a \$100 valuation of all taxable property within such district, and a majority of the qualified property taxing electors vote in said election in favor of the proposition.

The legislation shall further provide that the management and control of the District shall be vested in the Board of Directors composed of five members, the initial members of which shall be named in the legislation and their successors to the Board of Directors shall be elected for staggered terms annually.

The above enumeration of provisions to be contained in such legislation is not intended to be exclusive but only to express the general purpose, nature and substance thereof. Such legislation will also make other provisions and confer other powers in connection with the general purpose and nature thereof above stated.

Given this 3rd day of January, 1967.

LEGAL NOTICES

An ordinance requiring all motor vehicle to stop for School Buses. When stopped to load or unload.

The driver of a vehicle within the city limits, upon meeting or overtaking from either direction any school bus stopped on the traveled portion of any street for the purpose of receiving or discharging school children, shall come to a complete stop. After such stop, he may proceed at a prudent rate of speed not to exceed ten (10) miles per hour, and with due care and caution for the safety of such children.

The driver of a vehicle upon a city street or highway having a separate roadway must stop when a school bus is stopped on a different roadway, or when the school bus is stopped in a loading zone which is a part of or adjacent to a street, and where pedestrians are crossing at street crossing.

It shall be the duty of the operator of every school bus to take the license number of any vehicle violating the provisions of this section and report such violation and the date, time and place to the proper Officer and to appear in court and testify to such violation. Passed and approved, this 6th day of February.

County Exceeds Savings Bond Goal for 1966

United States Savings Bonds sales in Lamb County during 1966 totaled \$150,834, according to Mr. C. O. Stone, chairman of the Lamb County Savings Bonds Committee. The 1966 sales goal for Lamb County was \$130,000 and 116 percent has been achieved.

During 1966 Texans purchased a total of \$153,172,007 in Series E and H Savings Bonds. This represents 104 percent of the state's goal of \$147.5 million. Sales in Texas during the month of December totaled \$13,790,861 which is an increase of 19 percent over the same period of 1965.

Poultry Research May Help Humans

Texas A&M University poultry scientists are looking the blood circulatory systems of chicken embryos together to study blood compatibility.

Although the project is strictly in the pure or basic category so far, it might have practical application. Hopes are that the research will give an overall picture of how birds build resistance to immunity diseases. There may be application to human medicine.

The research is sponsored by a grant from the U. S. Public Health Service, an agency of the Department of Health, Education, and Welfare.

Dr. Roy Fanguy of the A&M Poultry Science Department said past studies have shown that there are differences in chicken blood antigens just as there are differences in blood types in humans.

In the current study, the blood types are known before the embryos are hatched by a medical process known as parabiosis. Fanguy is joining the circulatory systems of two embryos in tests now underway but perhaps more will be linked together later. Circulatory Siamese twins, they might be called.

By using this system, the researcher can see which blood types will mix and which won't mix. Or he can determine if blood compatibility really matters in the first place.

Fanguy said work by other researchers has shown that parabiosis is a delicate procedure. Embryo mortality has been high—80 percent in some cases. Is this mortality due to surgical technique or actual blood incompatibility?
"This is one of the things we want to find out," Fanguy said. "It's strictly a guess on our part, but we feel that it is mostly incompatibility."

CHUCK HERN was present to welcome guests who attended the Smith-Douglas Fertilizer meeting Monday at the Earth Farm Supply. A film on the advantages of fertilizer was shown to those attending.

Galyeon To Speak At Lamb County Teachers Meeting

The Lamb County Teachers meeting will be held on Monday, February 13, at 7 p. m. in the Littlefield Junior High Building, with E. L. Galyeon as guest speaker. Galyeon has had years of experience in public school work, having served as elementary school teacher, elementary school principal, high school principal, school superintendent, and Director of School Census and Statistics in the State Department of Education. He has been serving in his present capacity as Director of Research and Records at TSTA since October, 1959. Galyeon has a B. S. Degree from North Texas State College, a Master of Education Degree from Southern Methodist University, and has completed additional advanced work at the University of Texas. He holds a professional teacher's certificate and administrator's certificate. He is a member of local, state, and national professional organizations, a Mason and a member of Phi Delta Kappa, professional fraternity for men in education. During the business meeting, officers will be elected, as well as 12 delegates to represent Lamb County in the District 13 meeting in Lubbock on March 3. Littlefield schools will be in charge of the entertainment. All faculty members are urged to attend this important meeting.

President Johnson Hails Boy Scouts On 57th Anniversary

President Lyndon B. Johnson told the 5.8 million members of the Boy Scouts of America recently that "Boy Scout Week" is in.

In the current study, the blood types are known before the embryos are hatched by a medical process known as parabiosis. Fanguy is joining the circulatory systems of two embryos in tests now underway but perhaps more will be linked together later. Circulatory Siamese twins, they might be called.

By using this system, the researcher can see which blood types will mix and which won't mix. Or he can determine if blood compatibility really matters in the first place.

Fanguy said work by other researchers has shown that parabiosis is a delicate procedure. Embryo mortality has been high—80 percent in some cases.

Is this mortality due to surgical technique or actual blood incompatibility?
"This is one of the things we want to find out," Fanguy said. "It's strictly a guess on our part, but we feel that it is mostly incompatibility."

Levelled by Tornado in 1960, New Sunnyside Church Debt Free

The Sunnyside Baptist Church is planning a note-burning ceremony in the near future to commemorate the new church building which became debt free in January.

On Tuesday night April 12, 1960, a devastating tornado ripped a mile-long path of destruction through the Sunnyside Community. It took three lives and injured sixty. Approximately one hundred forty men, from all over the Staked Plains Association, were gathered at the church for an associational Brotherhood meeting. Some were still eating supper others were visiting in little groups all over the building when the tornado was sighted. Many found shelter in a small cellar to the north of the church building. Others went across the road to the Bradley basement. Some escaped in their cars. Many remained in the church building and were miraculously spared as the tornado completely destroyed the church building and the parsonage as well as a number of homes.

The only part of the church building still standing was the original one room wood frame church house built in 1925. It was dedicated debt free to the Lord in its first service September 6, 1925. This building was wired and stuccoed in the fall of 1942. Although it still stood it was only a well shaken shell. An annex to this building was added in 1947 for Sunday school rooms. This barracks building annex was replaced with a new 30' by 50' building in 1955. \$1,000 was borrowed from the First State Bank of Dimmitt with the note paid in January 1956 and a dedication service in which the note was burned held April 15, 1956.

In 1952 the church added a new 32' by 72' cinder block auditorium. It was connected to the old building with a vestibule.

fluency of scouting on the lives of millions of Americans --- and thus on our progress as a nation. It also is an occasion for commending the volunteers and sponsors who sustain the Boy Scout movement.

And in this special year, I want to join in welcoming Scouts of other lands to the United States. I trust that the 1967 World Scout Jamboree will quicken among boys of many nations the desire for understanding and passion for peace upon which rests the future of all men.

DRIVER EDUCATION NEEDED

All young drivers in Texas should have an opportunity to get driver education, and Governor Connally is right in asking the next Legislature to start a program to make this possible, according to "Texans for Traffic Safety."
