# Washington, D.C.

Michael Graham, son of Mr. and Mrs. Gerald Graham, returned home last week from Washington D.C. after completing Citizenship '78, a week long living experience in Citizenship at the National 4-H Center. Michael was one of 33 4-H members from Texas and 10 other states participating in the program designed to help young people understand the structure and function of our system of government and individual roles in the nation's future.

Using the nation's capital as a "classroom" the program included a day on Capital Hill to meet with members of Congress and see government in action. Field trips to historical and cultural sites as well as visits to National Agencies and Organizations were among the most informative and exciting parts of the week. The group visited Mt. Vernon, Monticello, Arlington National Cemetary, Foreign Embassy Buildings, The Smithsonian Institute, Jefferson Monument, Washington Monument, Lincoln Memorial, National Cathedral, White House, The Library of Congress and other points of interest. They were also treated to a night at the theater, the Kennedy Center, where they saw "The Wiz" an all negro cast adaptation of the Wizard of Oz.

At workshop sessions at the National 4-H Center, young people discussed contemporary issues and concerns and ways in which skills and knowledge gained during the week could be applied to the 4-H program here. One of the best parts of the experience was being able to share ideas with 4-H members from across the country.

Citizenship '78 is conducted by National 4-H Council in behalf of the Cooperative Extension Service of the State Land-Grant Universities and the U.S. Department of Agriculture. Thirty-three delegates from Texas were selected to attend on the basis of leadership, merit, and interest. The group was 8 days to and from by chartered bus from Dallas. While enroute they visited Vicksburg. Miss., the NASA Space Center at Huntsville, Alabama, Opryland at Nashville, Tenn, and spent one day touring Colonial Williamsburg in Virginia, and other points of interest.

Michael reports that it was a very interesting and fun trip and recommends that other 4-H'ers work towards going on it. He will be available for slide programs later on this fall.

CARRIE DAWN BEEN. 15. was crowned 1570 nouro Queen Thursday night, prior to opening performances. Last year's queen, Wendy Branscum presented her the crown, banner and belt buckle. First runner-up was Carla Taylor, second runner-up was Petra Lewis, both of Earth.

#### Japanese Youth to Visit South Plains

JAPANESE YOUTHS TO VISIT SOUTH PLAINS—Lamb County, Japan and the South Plains of Texas may have little in common, in many ways, but this summer they will share 13 citizens.

As part of the 4-H Labo International Exchange, 12 Japanese youths will become, for a month, the sons, daughters, brothers and sisters of 12 area families. The young people, between the ages of 12 and 18, will arrive Tuesday. July 25. They will be accompanied by two Japanese tutor-chaperones.

Three of the Japanese youngsters and one adult will stay with families in Lamb County.

The guests, their ages, and their host families in Lamb County are: Shuta Ueda. 13. Ray Joe Riley: Naoji Koseto. 13. Ray Brooks: Hiroto Shibuya. 17. Gerald Graham: Yukiko Kasahara. 42. Jimmy Craft.

The visitors are among 68 Japanese youths coming to Texas under auspices of the Labo Foundation, said Dr. John Pelham, state 4-H and youth leader with the Texas Agricultural Extension Service. Over the past several years, the foundation has sent several thousand Japanese youths to the United States, primarily to western states.

This is the first year Texas has been included in the program. Pelham said. It is one of 18 states which will be hosts to 1.700 Japanese youth this summer.

"The Labo Foundation program is to help young people to learn another language and to become familiar with another culture firsthand." Pelham said.

Families in five of the 14 Extension districts in Texas will be hosts to the visitors this year. In District 2, host counties are Bailey, Castro, Floyd, Gaines, Hale and Lamb.

"We hope to host more youths next summer and be able to include additional districts." Pelham said. "Also, next summer we hope to join the reciprocal program and send Texas 4-H'ers to Japan for a month's stay with Japanese host families."

## Best Parade Ever In Earth

Springlake-Earth Band Was The Hit Of The 34th Earth Rodeo Parade. Director

Rick Mitchell Put The All Volunteer Band Together Especially For The Parade.

If you missed the parade last Thursday, you missed a spectacular event.

The parade was kicked at 5:00 p.m. with a huge display of colorful bicycles, pranching horses, and beautifully decorated floats.

Sunshine Sally rode on the 1st prize float, sponsored by the Young Homemakers.

If you like square dancing, the Dimmitt Promenaders took 2nd. Old Time Religion was in the parade with the Revival Tonight theme, by the First Baptist Church, taking 3rd place.

The Red Raider and his beautiful black horse led the riders, followed by other excited participants.

Winners in the colorful bicycles in the 9 year and over group were Mark Etter taking first place. The under 9 year olds were Jana Baucum with a 1st place and Veo Kendrick taking 2nd place. In the minibikes and lawnmowers, the winners were Scott Baucum taking 1st place and Sandy Clayton taking 2nd. One that was particularly eye catching was a flag made from cerpe paper on the handlebars of the machine.

Colorful riding clubs always make the parade more festive and this year they were specially good. The Lubbock Riding Club came in 1st place, Boys Ranch took second place and the faithful Lamb County Sheriffs Possee took third place.

To complete the spectacular parade, the Springlake School band, High School and Junior High cheerleaders performed.

Although the afternoon was a very hot one, the streets were lined with excited people, the parade was the trigger that set everyone in a festive mood to enjoy the barbeous and rodes.

barbeque and rodeo.

Many people commented that this was the best ever.

Parades don't just happen, someone or ones deserve a vote of thanks for their effort to make it good.

Trinity United Methodist Church of Clovis was the setting of the Saturday afternoon wedding of Jeri Sue Howard and Dwayne C. Miller, both of Clovis. The bride is the daughter of Mrs. Wendell Smith of Plainview and the late Jean D. Howard. She is the granddaughter of Mr. and Mrs. E.C. Hudson of Earth. The bridegroom is the son of Mrs. Nora Miller of Farwell. The bride's parents were former residents of Earth.

The candlelight doublering ceremony was performed by the Reverend Joel Horne, minister of the First Baptist Church, Texico, in front of the sanctuary's lighted cross. A kneeling bench, entwined with English ivy completed the setting. Family pews were marked with large ivory satin bows.

Wedding guests were registered by Janette Henthorn on an ivory lace covered table accented with a yellow rose and pink carnation, favorite flowers of the bride and groom.
