 ★ **NOSIN... With Polly** ★

For 17 years I have been one of those working mothers who had scarcely enough time to stop and eat lunch daily. Throughout these many years, my major concern was that I had such little time to spend with my two adorable children.

Many tears I have shed in private because I had to work at the office instead of being free to attend school events my two were involved in. But through the years, though the hours were few that we had together, somehow we became terribly good friends and the kids understood and showed respect for our trying to do the job right.

My life has been one long day of work, sunrise, sunset, sunrise, sunset, and like wings the days flew into weeks, months and years. Then both the kiddoes were gone from home.

I still have been busy from day to day, but two weeks ago I was told to take off for an operation.

Well, the operation turned out fine but these afternoons

with television, I never dreamed those people had so much trouble. I thought my sadness at not having much time with my children was a real true hurt, but my sadnesses in life were only kid stuff compared to the problems in the afternoon soap operas. Would you believe that everyone on those afternoon serials had children out of wedlock. The men in starring roles are in love with their best friend's wife, while the women, poor things, are all insecure because they can't really pick one from a sizeable group of prospects that they may be in love with, but they can't decide who. They all have problems communicating with children, mostly because their children realize they are of minor importance to their parents.

One thing my operation has done was slowed me down so that after viewing afternoon television, I can truly say "Lucky Me." My life has been a happy one. My cup runneth over in thankfulness for the many, many days of happiness that are mine.

REV. and MRS. JOHNNIE WILLIAMS

Williams Appointed To Hamlin

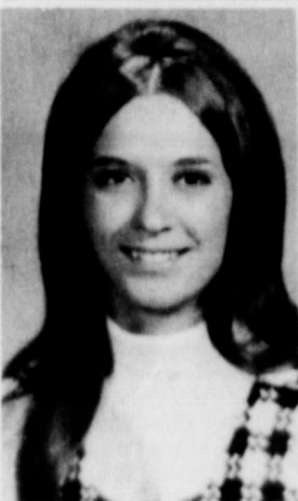

Rev. and Mrs. Johnnie Williams have announced they will be moving to Hamlin on May 31 where he will be minister for the First United Methodist Church.

The leaving of the Williams' will leave a big void in the church and community as both Rev. and Mrs. Williams have worked diligently in both areas. Rev. Williams has been the district work area chairman for Christian Social Concerns of the Plainview District; he has been an active member of the Earth Lions Club; headed the Red Cross Drive and supported vigorously the Cancer Drive. Mrs. Williams has been an officer in both district and conference areas, has worked intensively with the ladies groups in the church and has acted as church secretary.

Rev. Williams received his degree from the School of Theology at Perkins in Dallas in 1961. He has served the towns of Adrian for 4 years, Turkey for 3 years, Cooper for 6 years and has been in Earth for 3 years.

The Williams' have two daughters and four grandchildren. They are Mr. and Mrs.

Jim Briggs, Johnnie and Jana of Fort Collins, Colorado, and Mr. and Mrs. Harvey Wellman, Karen and Greg of Wellman, Rev. Charles Dunham of Dallas will be moving to Earth around June 10 and will be the new minister of the First United Methodist Church. His wife has just graduated from Denton State Teachers' College and they have six children.

Hey Boys! Saturday's The Day Awards Assembly Slated

HEY, BOYS!! If you missed signing up for the Pitch, Hit and Throw competition, Saturday will be your last chance. A previous deadline date was set for Thursday (today) to sign up but this period was extended to give all interested baseballers a chance to display their pitching, hitting and throwing talents.

As of Wednesday, forty boys from Springlake and Earth had thrown their hats in the ring to compete with boys from their own age groups in the various phases of the competition. The competitors are to meet at 3 p.m. Saturday at the ball park for the local contest which will involve pitching for accuracy, hitting for distance and throwing for accuracy.

So, if you are sure of your skills, sign up and prove your ability. If you don't know how you rate as a baseball player, sign up and give yourself the supreme test. Who knows?

You may turn out to be the National Pitch, Hit and Throw Champion and represent your town and school at the 1971 Major League All-Star Game.

Can you really afford to pass up the chance to prove your ability?

Baptist Men To Host Meeting

The Baptist Men's organization of First Baptist Church of Earth met Friday morning at 7:00 o'clock in Fellowship Hall for their monthly breakfast.

Cooks Paul Wood and J. B. Thomas prepared a meal of pancakes, fried ham, coffee and all the trimmings for the hungry fourteen present.

The matter of Llano Alto's Associational Baptist Brotherhood meeting in the First Baptist Church was discussed. A Food Committee was appointed to see that the food is prepared for the meeting. Those appointed to this committee were Paul Wood, chairman; Clinton Green, J. B. Thomas, Bill Scott and Roger Haberer.

Those present for breakfast were Pat McCord, Brotherhood President; Jimmy Craft, secretary; Hershel Hulcy, Phillip Haberer, Wiley Nelson, Harold Miller, J. B. Thomas, Ted Borum, Zeph Robnett, Clinton Green, Jay Winders, David Hartman, Bill Scott and Paul Wood.

Housing Board To Be Appointed

A public hearing on the low rent housing project in Earth was held Thursday, May 13, at 8:30 p.m. in the Earth Community Building. It was decided by those attending the session to cooperate with project workers. A Housing Authority Board of five persons will be appointed by the City Council to work on the project.

Joe Pierce of Pierce, Pace and Associates of Midland, architectural planners, spoke to the approximate 12 persons attending and answered questions of interest including cost to the city, which will be none; how long it will take to receive the project, which will be approximately 2 years; and the fact that a Housing Authority board will need to be set up by the City Council to supervise the local project. No opposition was given after a thorough discussion.

City Dads Have Called Meeting

Members of the Earth City Council Friday, May 14, and those attending agreed to close City Hall on Tuesday, May 18, for the voting on amendments.

It was agreed by the Council that Mrs. Vivian Parish will manage the City Swimming Pool and concession stand for the 1971 swimming season. The pool will open Saturday, May 29. Wayne Stockard will be serving as lifeguard.

Those attending the called meeting were: Mayor Pro-Tem Larry Tunnell; Aldermen; Bob Belew, Doug Parish, Harvey Hickman and Ross Middleton.

Eighth Graders Prepare For Graduation

"Dare to Dream the Impossible." The graduating class of Springlake-Earth eighth grade students have dared to dream and will see a portion of this dream come true Saturday, May 29, as they are promoted to the classification of high school freshmen. The promotion exercises are slated to begin promptly at 8:00 p.m. in the school auditorium.

Kelley Haydon will present the processional, "March to Aida." She will also accompany members of the class as they sing "The Impossible Dream," the class song. Fonda Goodwin will play "Pomp and Circumstance" for the recessional.

Kevin Hinson will open the evening's program with the invocation prior to the salutatory address by Greg Welch.

The history of the class will be read by Doug Johnson and Dyke Gaston, Cecil Slover, Springlake-Earth Junior High School principal, will present trophies to the salutatorian and valedictorian for their outstanding accomplishments. The valedictory address by Junior Sauseda will precede the presentation of diplomas by Bill Mann, superintendent of schools.

Closing the promotion exercises will be Donna Daniel

giving the benediction. Serving as ushers will be Bill O'Hair, Jerald Head, Camille Hinchliffe, Margaret Street, L'Anna Sulser and Neisha Lewis. These seventh grade students have maintained the highest grade averages of their class and were selected as ushers because of this achievement.

Kelley Home On Leave

AES Freddy Kelley arrived Tuesday, May 11, to spend a few weeks in the home of his parents, Mr. and Mrs. Clarence Kelley.

Kelley has been stationed on the U. S. S. Carrier Wasp at Quasat Point in Rhode Island and will report May 26 at the North Island Air Station in San Diego, California. He has been working in the capacity of a naval electrician.

Kelley is a 1966 graduate of Springlake-Earth High School. He has served in the United States Navy for 3 1/2 years.

San Antonio was the home of the first flying school in the U. S., owned and operated by a woman.

Shower Honors Mrs. Sanders

Mrs. Phillip Dewey Sanders, nee Carol Ann Kendrick, was honored with a Bridal Shower in the home of Mrs. Price Hamilton on Friday, May 14, from 7 to 8:30 p.m.

A registrar table in the entry hall displayed the registry book for guests to sign.

The serving table was covered with a beautiful white cloth trimmed with ruffled lace. A bouquet of fresh pink and white peonies centered the table.

Crystal appointments were used to serve a lovely sheet cake cut into small individual squares with pink edging, nuts and clear punch. Servers for the occasion were Mrs. Jane Burris of Lubbock and Mrs. Diana Carpenter.

Mrs. W. H. Kendrick, mother of the bride, and the bride both received lovely corsages of miniature kitchen utensils adorned with net and ribbon.

Approximately 25 guests attended the shower which was hosted by Mrs. Thurlo Branscum, Mrs. Bernice English, Mrs. John West, Mrs. Dora Belle Angeley, Mrs. Robert O'Hair, Mrs. Orbie Armstrong, Mrs. Jerry Carpenter, Mrs. G. Kellar, Mrs. Homer Starkey, Mrs. Carl Gregory, Mrs. Gayland Stephens, Mrs. Jack Hadaway, Mrs. Curtis Smith, Mrs. Kenneth Sawyer and Mrs. Price Hamilton.

SUZIE TEMPLE

Temple Elected Head Cheerleader

Suzie Temple was elected by the Springlake-Earth student body in a general election held Wednesday, May 12 to serve as head cheerleader

during the 1971-72 Wolverine sports season.

Suzie, who will be classified as a senior student next fall, is the daughter of Mrs. Peggy Temple of Springlake.

During her high school career, Suzie has been active in FFA serving as president for the club, FHA serving as pianist, she has participated in band, basketball, served as a Student Council member, was a Football Queen candidate, a candidate for Most Beautiful, was elected Most Beautiful and is the Lions Club Queen serving the Earth and Springlake Lions Clubs for the 1970-71 year.

Troop 309 Participates In Troop Camping

Girls of Troop 309 of the Springlake Girl Scouts were met at school Friday at 3 p.m. by their leaders, Mrs. Sam Barden and Mrs. Wayne Davis, and two very eager mothers, Mrs. Donnie Clayton and Mrs. Arden Field, with a camper bus ready to take the girls' troop camping at Camp Rio Blanco. Thirteen excited little girls boarded the bus and took off singing songs and full of laughter for the weekend's adventure. A stop in Littlefield was needed to curb the hunger pains which seem to strike all youngsters just as the school dismissal bell peels. The girls enjoyed Cokes and cookies and were ready to start off again.

Upon arrival at Camp Rio Blanco, each girl helped unpack the bus and set up camp. The girls, after getting their camping gear settled, prepared hamburgers with all the trimmings on bunson burners. After cleaning up from their meal, the girls enjoyed a brief hike and viewed all the various types of beautiful wild

flowers adorning the scenery around the camp. Returning to camp, the Scouts enjoyed a session of sitting-around-the-campfire singing. The girls retired to covered wagons for a night's sleep before their camp activities were scheduled to begin early Saturday morning. The night was not complete without a few giggles and there were plenty of giggles to spare from the lively group of Springlake Girl Scouts attending.

Saturday morning the outdoor air brought big appetites and the leaders, mothers and girls prepared a breakfast fit for a king. The menu included scrambled eggs, bacon, sausage, biscuits, fried potatoes, orange juice and grape juice.

After a dishwashing detail, the girls hiked to a primitive camp area at the White River bottom and crossed a swinging bridge.

The girls returned to camp with built-up appetites again and this time they enjoyed a ranch-style meal of tacos, salad, beans and cherry cobbler. Clean-up was needed again, this time cleaning any trash left behind.

The girls hiked one more time before heading home to White River where they enjoyed refreshments of Cokes.

Loading up the bus with supplies and people, enthusiasm was not as strong leaving as it was coming. The bus pulled into Earth at 6:10 p.m. and unloaded some very weary and tired persons and everyone was ready to go home to a nice hot shower and a comfortable bed.

The girls attending the camp-earned their Outdoor Cook Badges.

Scouts attending Camp Rio Blanco were Lindsey Field, Belinda Hampton, Kathy King, Dina Jo Hampton, Beth Pounds, Susan Clayton, Jill Barden, Tammy Davis, Connie Dear, Carrie Barden, Pam Eagle, Kay Howell and visitor, Sheryl Clayton.

Mrs. McElroy Feted With Bridal Shower

Mrs. Jimmy McElroy, nee Kathy Scitem, was honored with a Bridal Shower in the home of Mrs. Donald Kelley on Saturday, May 15, from 3 to 4:30 p.m.

Approximately 25 guests were registered at a table in the living area by Miss Anita Kelley. Adorning the table was a lovely arrangement of fresh spring flowers.

The serving table was laid with a white cutwork cloth and centered with a floral ar-

range of deep pink peonies.

Crystal appointments were used in serving individual white cake squares having petite wedding bells with pink ribbons adorning the top of each individual square, nuts, mints and clear punch. Assisting in serving were Miss Vjeki Lowery and Miss LaHonda Layman.

The bride was presented a corsage of white measuring spoons with pink roses and net.

Hostesses for the shower were Mrs. Phillip Haberer, Mrs. G. Kellar, Mrs. L. G. Layman, Mrs. Jack Angeley, Mrs. Earl Kellar, Mrs. Donald Kelley, Mrs. Boyd Lowery, Mrs. Guy Kelley, Mrs. Homer Starkey, Mrs. Burl Hamilton, Mrs. J. D. Phipps, Mrs. H. H. Hamilton and Mrs. F. W. Bearden.

Pfc. Guana Home On Leave

Pfc. Specialist Alexander Guana's home on a three-week leave visiting his parents, Mr. and Mrs. Nabor Guana of Earth and relatives. Pfc. Guana has completed his basic training at Fort Ord, California, specializing in high explosives. Guana will leave Friday for Fort Dix, New Jersey, and then for Germany where he will be stationed for six months. Following his tour of duty in Ger-

many, Guana will receive orders for Vietnam. Guana attended Berger High School, where he was active in football and basketball. He enlisted in the United States Army on January 4, 1971, at the Lubbock Recruiting Office for a 2 year assignment. Guana has made plans to make the Army a career as he feels it offers him a better future than he would be able to attain in civilian life.

PFC. ALEXANDER GAUNA

S-E's Graduate At SPC

Springlake-Earth High School was represented during the 1971 South Plains College commencement exercises by the graduating alumni of the local school system.

The exercises were held Friday, May 14, in the Texas Dome of SPC in Levelland at 10 o'clock a.m. Dr. Jack Williams, president of Texas Agricultural and Mechanical University, served as guest speaker for the occasion.

The South Plains College Chorus, directed by Harley Bulls, presented a portion of the evening's program. Bulls is the brother of Mrs. Pete Parish and Crill Bulls, both of Earth.

Former Springlake-Earth students receiving recognition during the ceremonies were Johnny Haberer, Davey Haberer and Bill Gover.

Johnny, a 1968 graduate of Springlake-Earth, is the son of Mr. and Mrs. Ted Haberer. Davey is a 1966 Springlake-Earth graduate and is the son of Mr. and Mrs. Roger Haberer. A 1968 graduate of Springlake-Earth High School, Bill is the son of Mr. and Mrs. A. W. Gover.

"Song In The Wind" Presented

The musical production of "Song In The Wind" was presented by the high school choral group Thursday, May 13, at 8 p.m. to an audience of approximately 250 persons. The hour and forty-five minute folk musical was received enthusiastically by the audience which seemed quite taken with the roles of Katy, played by Kim Welch, and Nick, played by Bright Johnson.

Funds received from the play totaled \$160 with not all the receipts in as yet. Funds will be used to purchase collapsible aluminum risers for the junior high chorus.

New Faces On Campus...

Friday, May 14, at 11:30 a.m. Springlake-Earth High School classes were dismissed for a day of fun beginning with an assembly. Skits were presented in which one particular skit seemed to have familiar characters portrayed. Ward Cooksey, high school principal, was played by Kent Parish, Dennis Criswell by David Bradley, Dwayne Fryar by Tony Barton and Bill Anderson by Johnny Dale McNamara.

A combo composed of senior class members provided a portion of the entertainment and a pantomime was given of the recording "Along Came Jones." Following the assembly, classes enjoyed an outdoor picnic lunch on the school campus. Concession stands,

operated by the Student Council, offered Cokes and candies for sale.

A softball game was held between class memberships and the seniors were declared champs.

Other afternoon entertainment included horseshoe pitching, dart throwing, volleyball and even a little sun bathing was enjoyed.

Dress code for the day was relaxed and students had donned shorts, knee-knockers and just plain relaxin' clothes for the day's activities. At the close of the day, students and teachers, alike, showed signs of being a bit wind-blown and sunburned but they had enjoyed the day thoroughly.

PCA Sponsors Conference

Fifteen representatives of Plainview Production Credit Association participated May 11-12 in the Fieldmen Conference in Lubbock.

Texas' 34 PCA's sponsored the meeting which featured latest information on extending agricultural credit to Texas farmers and ranchers.

Area participants were Jim Holt, assistant to the manager, Douglas Eubanks, office manager, James M. Lackey, assistant manager, Donald Loafman, assistant manager, and Robert Walte, loan representative, all from Plainview; Bo Bryant, field office manager, Dimmitt; and Durwood Hart, manager, Floydada.

Others were Dale Cary, manager, Friona; James A. Petty, assistant manager, Friona; Tommy Ballard, field office manager, Littlefield; W. B. LeVaque, field office manager, Muleshoe; Curtis Walker, assistant field office manager, Muleshoe; Martell LeVaque, field office manager, Olton; Dee McWilliams, field office manager, Silverton; and Bill Black, field office manager, Tulla. Plainview PCA makes agricultural loans in Bailey, Britcoe, Castro, Floyd, Hale, Lamb, Farmer and Swisher Counties. The Association loaned more than \$154 million to Texas farmers and ranchers in 1970.

Ringling Bros. and Barnum Bailey Celebrating Birthday

Boasting the mightiest multitude of astounding acts, artists, and attractions ever beheld by mortals eye, the enthralling and entrancingly elaborate 100th Anniversary Edition of Ringling Bros. and Barnum & Bailey Circus is coming! The dazzling Centennial Celebration of The Greatest Show on Earth will arrive in Lubbock on June 15th, for Matinee and Evening performances at the Lubbock Municipal Coliseum on June 15th and 16th.

In spangle-splashed observance of its monumental 100th year, Ringling Bros. and Barnum & Bailey has combed the earth to perfectly populate its Centennial Edition with an amplitudinous array of amazingly accomplished acts and artists. In addition, The Greatest Show on Earth presents in its 100th Birthday production, a prodigious panoply of processional pageantry which traces the long and glorious life of this unique and beloved American institution.

Produced by Irvin Feld, The

Greatest Show on Earth is staged and directed by Richard Barstow. The overwhelmingly spectacular 100th Edition of The Greatest Show on Earth is, without question, the most magnificent and memorable Circus performance that the world has ever seen!

Don't disposables actually add more environmental problems after consumers finish using them?

Incineration can be used to get rid of many disposables, especially where there are risks of contamination such as would be the case with surgical products. At least one manufacturer is currently marketing a compactor, similar to but smaller than those used in automobile junk yards, that can compress garbage at a ten-to-one ratio. The compressed packages can be used as land fill. Many other self-destructing methods are being researched.

Troop 373 Enjoys Cookout

Girl Scouts of Troop 373 of Earth met Thursday, May 13, at the Fire Hall after school for a roll call before leaving for the Springlake Park for a cook-out session. The Scouts were driven in cars to the park by Mrs. Raiford Daniel, Mrs. Don Taylor and Mrs. Allen Smith.

The cook-out at the park completed requirements toward earning the Backyard Fun Badges for the troop members. The girls enjoyed a meal of hamburger ala foil, stuffed celery, radishes, green onions, Kool-Aid and cookies.

The girls learned how to properly light a charcoal fire for cooking and each girl laid an A frame fire. Oletha Thomas, Hattie Thomas and Doniece Taylor lit the fire with the one match that is required to pass the test.

Games and songs were enjoyed following the meal and the Scouts returned to the Fire Hall at 7 p.m.

The next meeting Thursday, May 21, will be the final meeting of the year for the local Girl Scout Troop.

Those attending the cook-out were Lydia Smith, Pam Ott, Pam Hood, Hattie Thomas, Oletha Thomas, Doniece

Taylor, Teresa Lively, Linda Hood, Sherri Higgins, Patricia James and leaders, Mrs. Allen Smith, Mrs. Raiford Daniel and guests, Mrs. Don Taylor, Brian Taylor and Loren Taylor.

Cadettes Plan Car Wash

Cadette Troop 178 met Monday, May 17, at the Fire Hall in Earth and made plans for a car wash to be held Saturday, May 22, from 4 to 9 p.m., at Don's Shamrock Station. The Big Scout Pack will aid with the job of cleaning cars. Price for car washing will be \$2.00 and funds received will be sent to Girltown.

The first aid course in shock was continued during the meeting. The objectives, causes and treatment were studied.

Donna Daniel served candy bars and Cokes to Quincey Lewis, Nelsha Lewis, Ruth Street, Lydia Smith, Dina Jo Hampton, Lisa Clayton and leader, Mrs. Don Taylor.

Candlelight Ceremony Unites Dawson-Crawford

Miss Marsha Lucille Dawson and Larry Van Crawford were united in marriage in a beautiful and impressive ceremony Saturday, May 15, at 7:30 p.m., in the First United Methodist Church of Earth. The Rev. Johnnie Williams, pastor, officiated the double ring ceremony.

Parents of the bride are Mr. and Mrs. Edwin L. Dawson of Springlake. The groom is the son of Mrs. V.O. Crawford of Lubbock and the late Mr. Crawford.

The candlelight ceremony was performed before an altar banked with cathedral candles set in greenery and flanked with spiraling and tapered candelabras. At the center of the altar was a white memory candle set in greenery and tied with a large pink satin bow which was lighted by the couple at the end of the ceremony. The family pews were marked with pink satin bows.

Pre-wedding music was furnished by Mrs. Bob Belw, organist, who accompanied Bill Lucas, brother-in-law of the bride, in singing "Entreat Me Not to Leave Thee" by Gounod, "I Love Thee" by Grieg and "The Lord's Prayer" by Mallott. Trumpet soloist, Johnny Kelley, was accompanied by the organist on the processional "Trumpet Voluntary in D" by Purcell. The recessional by the organist was "Aire for Trumpet" by Purcell.

The bride, given in marriage by her father, wore a formal gown of organza fashioned with peau d'ange lace outlining the scoop neckline with long sheer full bishop sleeves, lace cuffs and appliques. The empire bodice and A-line skirt with soft fullness in the back, were adorned with lace bands down the front and sweeping on the sides and up in the back. Her headpiece was a full chapel train length mantilla edged in lace matching the dress. She wore matching lace mitts. The bridal bouquet was a beautiful cascading arrangement of white gladiolas, pink roses and ivy centered with Japette orchids.

Mrs. Bill Lucas, Lubbock, sister of the bride, was matron of honor. Serving as maid of honor was Miss Debbie Newson, Dallas. Bridesmaids were Miss Ruth Dyer of Dimmitt,

MRS. LARRY VAN CRAWFORD (nee Marsha Lucille Dawson)

cousin of the bride, and Miss Marian Dawson, sister of the bride. The attendants were attired in identical sleeveless floor length gowns of rose pink primo with empire waists, A-line skirts with Dior bows at the back and matching streamers tied in love knots. Their head pieces were picture hats of matching illusion. They wore mitts matching the dresses. Bouquets were rose pink gladiolas in cascading arrangements accented with matching pink bows and

streamers. Miss Dyan Jones, Springlake, served as flower girl. She wore a dress and hat fashioned after the bridesmaids'. Dave Cleavinger, Springlake, cousin of the bride, was ring bearer.

Theran Vaughan, brother-in-law, served the groom as best man. Groomsmen were John Dalton, Gary Strahan and Allen Smyer, Muleshoe. Ushers were Walter Little, Gary Little and Clint Dawson, brother of the bride, who ushered

the bride's mother. The bride's mother was attired in a pale green long sleeved street length dress with matching lace sleeveless coat. The mother of the groom was in a blue v-necked long sleeved double knit dress with matching lace sleeveless coat. They wore orchid corsages matching their costumes.

Immediately following the wedding, a reception was held in Fellowship Hall. The table was laid with a beautiful white cloth made by the bride's

grandmother. It was set with satin streamers sweeping to the sequined felt bell and bird motifs and was edged in satin and sequins. A silver candelabra with pink candles and greenery was centered on the table which was also decorated with the bridal and bridesmaids' bouquets. The white wedding cake, topped with wedding bells, was surrounded with roses and greenery. Coffee was served from silver appointments on a separate table covered with net and trimmed in satin ribbon.

Serving the guests were Mrs. Theran Vaughan, Mrs. Ken Dawson and Mrs. Bob Goss. Others in the houseparty were Miss Prissy Taylor, Miss Cindy McWilliams, Miss Julie Cleavinger and Miss Jan Cleavinger. Registering guests was Miss Deborah Curtis.

The bride's going-away costume included a rose pink sleeveless empire line dress

with coat and picture hat in coordinated rose and pale pink design. Her accessories were white with a white orchid corsage lifted from the bridal bouquet.

Mrs. Crawford, a 1969 graduate of Springlake-Earth High School, is a junior Child Development major at Texas Tech University. She is a member of Phi Upsilon Omicron, Home Economics honorary; American Home Economics Association and the Home Economics Student Council. The groom, a 1968 graduate of Muleshoe High School, is a sophomore accounting major at Tech. He is employed by Marquis Janitorial Supply Co. The couple will make their home at 4008 - 31st Street in Lubbock following a wedding trip to Red River, New Mexico.

Minority Service Held At Rainbow Meeting

A minority service was held honoring graduating seniors and eighth grade girls in the Order of the Rainbow Girls Monday at 5 p.m. in the Masonic Hall following a meeting in which certificates were issued to three girls.

Mothers of the girls who were being honored attended the program that was an open meeting. Mrs. Ann Kelley was in charge of the program.

The eighth grade girls were the first to be honored, Kathleen Anderson, Melissa Been, and Barbara Lanier. They were presented to the East where they were given a gold jewelry box lined with red velvet, and then escorted to the seven Color Stations at the Color Stations they received treasures that money can't buy to guide them through the remaining years of school. These were treasures of "Love", "Faith In God", "Good Health", "Making Right Decisions", "Loyalty", "Peace", and "Service For All Mankind". Prayer for guidance for these girls was led by Donita Kelley.

The following senior girls were honored: Connie Kelley, Joan Dudley, Susie Adrian and Camille Haber, all past Worthy Advisors. Mrs. Kelley, using the Worthy Advisor's theme of "Patriotism", presented each girl with a styrofoam triangle upon which rested an American Flag, Bible and wedding bells. A poem was read representing the trinity of home, church and nation. They were then conducted to the seven stations where they received color streamers and quotes from famous Americans. They were presented in the East again, given small gifts and the poem "You are Tomorrow" was read. Annita Kelley gave the closing prayer for guidance. Mrs. Kelley stated that each presentation grew sadder as the three majority girls, Annita Kelley, Donita Kelley and Kathy Myers, were presented in the East, given the charge

EIGHTH GRADE RAINBOW HONOREES at the Minority Service Monday night were Barbara Lanier, Melissa Been and Kathleen Anderson.

of "True Womanhood", which is symbolized by the crowns of humility, patience, kindness, hope, love, friendship and joy which is the "True Crown of Womanhood." They were presented small gifts. As Mrs. Kelley read the closing poem, the girls' Rainbow ritual, service bars and other souvenirs were placed in the chest in the East.

Connie Kelley, grand member of the Finance Committee, then instructed the Drill Leader to present Mrs. Myrtle Clayton behind the altar where Connie then presented a small altar Bible in honor of Mrs. Clayton, first Mother Advisor of the Earth Assembly. Connie is a Past Worthy Advisor of Earth and so are her sisters and her mother, Mrs. Kelley is also a Past Mother Advisor.

Prior to the minority service, a Mexican supper, planned by Joan Dudley, Worthy Advisor, was served with the assistance

of Mrs. Jimmy Shirley, Mother Advisor, Mrs. Ann Kelley, Grand Visitor, and Mrs. Marcus Messer. The dining room was decorated in the eighth grade and senior graduating colors with other graduation decor complementing the room.

Immediately following the supper, the girls retired to the assembly room for their meeting. Mrs. Shirley, Mother Advisor, presented Majority Certificates to Miss Annita Kelley, Miss Donita Kelley and Miss Kathy Myers. This ceremony is performed when a Rainbow girl reaches 20 years of age or marries and this automatically makes them an Honorary Rainbow member for life.

The Lodge Hall was decorated following the theme of Patriotism with red velvet draping the East on which was placed a golden crown on a white pillow.

SENIORS HONORED AT RAINBOW SERVICE---These Springlake-Earth High School seniors were honored Monday night at the Rainbow Minority Service with Bibles. They are Joan Dudley, Connie Kelley, Camille Haber and Susie Adrian.

T&C Study Club Installs New Officers

Members of the Town and Country Study Club met Thursday evening, May 13, in the home of Mrs. B. Campbell for a Favorite Dish Dinner and the installation of new officers. Mrs. Sam Cearley, president, presided at the business meeting. Roll call was answered by members stating what club work has meant to them the past year.

Mrs. B. Campbell, installing officer, used the insignia of the General Federation of Women's Clubs as the theme for the installation service as the new officers were installed in a very impressive manner.

The secretary's office represented by the red vertical left half of the insignia denotes courage. Mrs. John Welch will serve as historian and keeper of the records. The vertical right half of the insignia is white, which signifies purity, a position of

honor and trust to be held by Mrs. M. E. Kelley as treasurer.

Mrs. N. Ray Kelley was presented a white band encircling the black center of the GFWC shield, symbolic of eternity, this with the gavel, is the insignia of her office as president. It was pointed out that the club leader should be tactful, dignified, courteous, conscientious and loyal in performing the duties of her office. The blue horizontal half of the GFWC shield is a symbol of constancy which most accurately describes the office of Mrs. B. F. Orteg as vice president.

The secretary's office represented by the red vertical left half of the insignia denotes courage. Mrs. John Welch will serve as historian and keeper of the records. The vertical right half of the insignia is white, which signifies purity, a position of

honor and trust to be held by Mrs. M. E. Kelley as treasurer.

Mrs. Carra Morgan, Federation Counselor, was presented the Crusaders shield signifying enlightenment. Members of the club pledged their allegiance and support to the newly elected officers in all their undertakings as leaders of the club. A tribute was given to the retiring president, Mrs. Cearley, and her officers for giving of their time, energy and wisdom in carrying out the aims and purposes of the club during the past year.

Attending were Mrs. L. Z. Anglin, Mrs. Sam Cearley, Mrs. H. S. Sanders, Mrs. Carra Morgan, Mrs. Wayne Rutherford, Mrs. Marie Ross, Mrs. Lena Hite, Mrs. N. Ray Kelley, Mrs. Clay Beavers, Mrs. B. Campbell and Mrs. John Laing.

GA's Make Talking Envelopes

The Earth GA's 1, 2 and 3 met Wednesday, May 12, and made "talking envelopes." The girls made slits in envelopes in which Bible verses could be slipped through giving different answers. Their leader, Mrs. Dewitt Kelley, read "The Boy Who Grew Up to Choose A King." The story pertained to God speaking to Samuel in his sleep and letting him know who to appoint as king.

The Girls in Action enjoyed a brief songtime and then Elizabeth Kellar read the Prayer Calendar. Refreshments of Popsicles were served to LeeAnn Haber, Jana Pittman, Jennifer Kellar, Elizabeth Kellar and Mrs. Dewitt Kelley.

UMU Holds Election Of Officers

The Senior United Methodist Youth met Sunday in Fellowship Hall and held an election of officers. Elected by the group were president Marian Dawson, vice president Becky Littleton, secretary Chris Brock, reporter Paige Gaston, and recreational chairman Greg Slover. Paige Gaston presented a program entitled "Bored to Death." A discussion was held concerning how boring ordinary life is and how it can be made less boring in proper ways. Approximately 15 attended the meeting along with sponsors, Mrs. Lynn Glasscock and Mrs. Ross Brock.

I wish to express my sincerest thanks to my many friends for the cards, flowers, prayers, visits and every little deed of kindness shown me during my illness and recuperation in Amarillo. May God bless each of you.

TOPS Celebrates 5th Anniversary

The Happy Losers TOPS Club of Earth-Springlake celebrated its fifth anniversary Friday, May 14, at 8 p.m. at the XII Steak House in Maleshoo.

Mrs. Pauline Hucks gave the welcoming address. Mrs. Hucks was the first leader of the Happy Losers TOPS Club. She presented Mrs. Emily Clayton, present leader, with a beautiful orchid corsage.

Mrs. Faye Hay gave the invocation. Mrs. Hucks issued certificates

of award to KOPS Mrs. Emily Clayton, Mrs. Florence Gover, Mrs. Jo Houchin, Mrs. Oms Pearl Murrell and Mrs. Alma Ott.

Best Losers awards went to Mrs. Oms Pearl Murrell, Mrs. Pauline Hucks, Mrs. Alma Ott, Mrs. Jo Houchin, Mrs. Florence Gover, Mrs. Lois Rudd, Mrs. Emily Clayton and Mrs. Edith Crawford.

Officers receiving charms were president Mrs. Emily Clayton, vice president Mrs.

Inez Inglis, secretary Mrs. Faye Hay, weight recorder Mrs. Florence Gover and Mrs. Jo Houchin.

Charter members were read and each member stood as their name was called. They are Mrs. Elaine Been, Mrs. Dorothy Washington, Mrs. Florence Gover, Mrs. Inez Inglis, Mrs. Oms Pearl Murrell, Mrs. Pearl Cooper, Mrs. Edith Crawford, Mrs. Pauline Hucks and Mrs. Lois Rudd. The program was entitled "Reflection In the Mirror". Each person present received a miniature mirror and looked at themselves in the mirror as they listened to a recording about caring what they see in a mirror.

Mrs. Hucks gave a skit entitled "Pinnie Mast" which was about a woman who joined TOPS and what led her to join. A closing candle ceremony was held to close the meeting.

Approximately 24 persons attended the dinner and meeting.

Juniors Fete Seniors With Kidnap Breakfast

Surprise! Surprise! Senior girls opened their doors early Saturday morning to find Springlake-Earth junior girls waiting to take them to a Kidnap Breakfast. The surprised girls were picked up between 7 and 7:30 a.m. by the junior girls and taken to the home of Mr. and Mrs. J. A. Littleton, Jr.

They were greeted by a sign on the outside window saying "Good Morning Seniors." As they walked into the entry area and serving area, various pictures were on walls depicting school activities.

The serving table was covered with a white cloth and centered with a globe, a Barbie doll dressed in a bathrobe and a graduation hat and some small pink roses. The girls were treated to various kinds of sweet rolls, a fruit bowl, assorted cheeses, coffee, tea or milk.

Prizes were also given to the lovely ladies that were taken from their homes so unexpectedly. The Most Wide-Awake actually the sleepiest) went to Ronda Clayton; Camille Haberter, second; and Jennifer Myers, third. The Most Beau-

tiful went to Carlene Jones with Mary Arrendondo receiving second place. These two first place seniors received toy manicure sets. Receiving the award for the Liveliest Girls in Attendance were Joan Dudley, along with Connie Kelley, Jimma Banks received a toy make-up set for having the most beautiful hair-do.

Hostesses for the event were LaDonna Sigman, Phyllis Smith, Karen Dear, Suzy Temple, Marian Dawson, Laneta Landford, Karen Hinchliffe, Regina Cole, Cris Dent, Sherry Pittman, Norma Cantu, Lupe Garcia, Janet Britton, Becky Littleton and mothers, Mrs. J. A. Littleton, Jr. and Mrs. Norman Hinchliffe.

Senior girls attending were Jennifer Myers, Andrea Olliva, Lole DeLeon, Marcia Bosquez, Jan Cleavinger, Welda Barton, Carlene Jones, Roberta Gaston, Brenda Roberson, Connie Kelley, Joan Dudley, Kathy Bibeby, Elaine Hanson, Jenna Banks, Jimma Banks, Karen Armstrong, Camille Haberter, Julie Cleavinger, Ronda Clayton, Mary Arrendondo, Daisy Washington, Martha Kotte and Janis Bridge.

Area School Secretaries Install Officers

The peak of the Panhandle Educational Secretaries Association meeting, held in the Flame Room of the Pioneer Natural Gas office in Hereford Monday at 7 p.m., was the installation of officers.

Mrs. Mary Lou Smithson of Dimmitt, who is well-known as a civic and church worker, installed the new officers. New officers include president Mrs. Billy Gwynn Davis, secretary of North Elementary School in Dimmitt; vice president Mrs. Yvonne Simpson, secretary of Tierra Blanca Elementary School in Hereford; and secretary-treasurer

Mrs. Oletha Sanders, secretary of the Springlake-Earth School System.

A delicious salad supper was served buffet style prior to the meeting. Serving tables were covered with yellow cloths accented with yellow daisies and napkins to match.

After the meal, a business meeting was called to order by the president, Mrs. Georgia Randlell from Farwell, during which officers were installed.

Hostesses for the occasion were Mrs. Yvonne Simpson, Mrs. Louise Leisure and Mrs. Florence Roberson.

HONORING FIRST MOTHER ADVISOR, Mrs. Myrtle Clayton, at the Rainbow Minority Service Monday with a white Rainbow Bible are her daughter, Mrs. Ann Kelley, and granddaughters, Donita, Annita and Connet Kelley.

A Bakery Cake For "George's" Birthday

"All I really want for my sweet sixteenth birthday is a beautiful bakery made cake."

So little was asked by Toni Sanders for her birthday and no one could refuse to treat her to her one birthday wish -- almost!

What two sisters won't try to do to please another sister. Just leave it up to the Sanders sisters, Vicki and Becky, to come up with their own "bakery made cake."

It was a beautiful white cake expertly trimmed in pink, blue, green and, of course, orchid. The Sanders' masterpiece held 16 candles and proudly displayed the name "George" across the face of the cake.

Chief cook and bottle washer for the evening was none other than the honoree's father, Tom Sanders, who prepared delicious hamburgers with all the trimmings over an open fire.

An enthusiastic game of baseball was enjoyed by the girls

to build up their appetites prior to their meal.

The evening was spent with lots of girlish laughter and plenty of chit-chat.

A midnight snack of small pizzas, chips and Dr. Peppers was enjoyed by the troop before they settled down to a peaceful night of giggling and girl talk.

Sharing the festivities with the Sanders family were Barbara Buckner, Kim Welch, Renee Jones, Renee James, Lesa Morgan, Leah Galloway, Shelley Gaston, Paige Gaston, Vicki Head, Lisa Orr and Darla Dear.

When drying starched clothes, start with a cold drum and don't overdry. That causes the starch to powder out. After drying, it's a good idea to wipe out the dryer drum with a damp cloth or sponge to remove starch particles that might be left in the drum.

Notice

There will be an upholstery class starting June 7 through 11 in the Homemaking Cottage.

One group will work from 9 to 12 a.m. The other from 1 to 4 p.m.

If you are interested, please contact Marie Slover at the school, 257-3310, or at home 257-3446.

Mrs. Donna Fryar has made an announcement that she will be teaching a course in Short-hand I during the summer months.

An organizational meeting has been set for Tuesday, June 1, at 7:30 p.m. in the high school building to determine a date for beginning class studies.

Miss Joan Dudley, bride-elect of Bryan Dell Vining, will be feted with a Come-and-Go Bridal Shower Saturday, May 29. The event will be held in the home of Mrs. Phillip Haberter.

Selections have been made at Pounds Pharmacy.

Joint Shower Honors Brides-Elect

A joint shower honoring Julie and Joan Dudley, brides-elect of David Templeton and Bryan Vining, was held Tuesday afternoon from 4:30 to 6:30 in the Donald Kelley home.

The kitchen theme was carried out in the decor using the honoree's chosen colors of yellow and orchid.

The registry table was adorned with a measuring cup containing a scouring pad. Various registry pens were placed in the pad for use in registering in quaint little registry books published by the Campbell Soup Company and Morton's Salt Company. Complimenting the table was an arrangement of yellow and orchid flowers. Twenty-two guests were present for the occasion.

The beautiful serving table was laid with a cut work cloth and centered with a cookie jar containing a lovely arrangement of yellow and orchid spring flowers. Complementing the table was a large serving cup from which yellow punch

dotted with ice tinted orchid shaped as flowers was served. The matching saucer was used in serving delicious cookies, nuts and mints were served from

miniature cups and saucers. The finishing touch was achieved by the use of a kitchen napkin holder containing yellow and orchid napkins.

As the gifts were brought into the entertaining room, they were placed in a yellow wash basket for Joan and an orchid wash basket for Julie.

The honorees were presented lovely corsages made of dish cloth shaped as roses adorned with kitchen gadgets, while their mothers and future mothers-in-law, Mrs. Ronald Cleavinger, Mrs. Nolan Dudley, Mrs. Gene Templeton and Mrs. Glenn Vining, were presented corsages of measuring cups adorned by net.

To conclude the evening's festivities, those senior girls attending were honored with surprise gifts. Connie Kelley presented each of her graduating classmates with a box of lovely stationery. The honorees were first to receive graduation gifts taken from a decoration poster depicting the silhouette of a graduating senior girl with congratulations extended to seniors present.

Hosting the event were Mrs. Donald Kelley and Connie.

Graduation is one of the most important milestones along the highway of life. It is a significant accomplishment. Yet, while it marks the achievement of a successful program of training and education, it is not an ending, but in real sense it is a beginning.

The future belongs rightfully to those who have prepared for it, who will now move upward, striding confidently toward a new plateau... along the lines of commerce, industry, public service, the law, medicine and other fields of endeavor.

Graduation has opened the book of life to a fresh new page to the graduates of our city... to the beginning of a new chapter; and each member of the Class of '71 through his or her individual effort shall determine what will be recorded therein.

Know Your School

by Bill Mann

CAFETERIA

School Lunch Services is a very vital part of the total school program. The challenge is to offer a lunch that meets State minimum requirements, is relatively acceptable to students and yet remains financially solvent. The operation of a school lunch program like any other business, requires good management along with financial integrity. Although the school lunch operation is not intended to be a profit making venture, it hopefully will be self supporting. Many schools charge as much as 50¢ for a school lunch while other schools must put local tax money into the program in order to remain solvent. The school lunch room, like many other businesses is faced with less volume and higher prices for labor and materials. As volume drops, it is necessary to consider raising lunch prices and reducing overhead.

THE SCHOOL LUNCHROOM HAS THREE BASIC SOURCES OF INCOME

1. Payment by students and faculty. This is the largest source of income. The charge is 30 cents for grades 1 through 4 and 35 cents for grades 5 through 12 and school employees. Very few schools charge this little. All students pay except those on the Federal Free Lunch Program. Approximately 24% of the students who eat in the lunchroom are on the free lunch program. Schools are required to feed all children free or at a reduced cost whose families have income below a given amount. Guidelines are established by H. E. W. (Health, Education and Welfare), and schools are required to keep family applications on file. The money collected in the lunchroom for lunches is counted by the lunchroom manager. The money and completed deposit slips are placed in locked money sacks. Keys to the locked money sacks are held only by Vernie Bearden, Financial Secretary and the Bank.

OUTSTANDING BAND STUDENTS in the grade school and junior high are Rosa Rivas, fifth grade; Flora Rivas, fifth grade; Benjamin Johnson, sixth grade; and Don Holman, eighth grade.

2. Federal Reimbursement. This money is sent to the bank and a deposit slip is sent to the school. The amount of reimbursement changes from year to year. For most of the past several years the reimbursement has been 5 cents for all meals served. During the latter part of last year the reimbursement rate was placed at 10 cents for all meals served. The present rate is 5 cents for all students with an additional 30 cents for all students who are given free lunches. Recently, schools who were serving more than 25% of it's students free or at reduced cost in a given attendance area were given an opportunity to apply for an additional 10 cents reimbursement. Approximately 30% of the students in the Springlake-Earth ELEMENTARY are receiving lunches free. Quite often, reimbursement rates are lowered near the end of a school year because of shortage of Federal

3. USDA Commodities. The amount and kind of commodities are determined by the United States Department of Agriculture. Some commodities are given to schools in very small amounts while others are given to the school in any amount needed. Requirements for receiving commodities includes school agreement to store and properly use commodities, and to feed free or at reduced price all students whose family income falls below a certain amount. Amount and kind of commodities vary from year to year and from month to month. Some months, few commodities are received. This is a vital part of the school lunch program.

SCHOOL LUNCHROOM EXPENSES...

1. Food... The largest expense to the lunchroom is food. As with everything else, the cost of food continues to rise. All food items are purchased by the lunchroom manager. Invoices are kept on file for audit and all invoices are paid by check.

2. Labor. Another major expense to the lunch program is the cost of labor. Labor under the minimum wage and hour law has gone up each year. The lunchroom pays more for labor than ever before and receives less student help because of the free lunch program. It will be difficult to reduce the number of school lunchroom employees and still operate two serving lines.

SPECIAL MILK PROGRAM

The school is reimbursed four cents for each one half pint of milk served to children above the regular school lunch program. Milk served on a school lunch does not qualify for this reimbursement. The school charges students the difference in the cost of the milk and the 4 cents reimbursement.

Accountability. The State and Federal Government require that certain records be kept by all school lunchrooms. This is always true when State or Federal money is involved. Records kept reflect all financial transactions, number of students who paid, number of students eating free, etc. A report is submitted to the State at the close of each month on forms provided by the State. This report serves as a claim for reimbursement earned the past month. Claim forms must be submitted for all State and Federal money received by the school.

Lunchroom invoices are kept on file and all invoices are paid by check. Records are audited each year by a registered public accountant. They are also audited periodically by auditors from the Texas Education Agency. School lunchroom records are always available to the public.

You are fortunate to have an excellent school lunchroom manager in Mrs. Ray Stansell.

Local Man Learns New Control Of Harmful Insects

W.G. Sanderson of Earth observed a cottonfield in the Eagle Pass area near Uvalde recently which caught his eye

because of the well-fruited cotton plants. He stopped and discussed the cotton crop with

the farmer. The farmer credited the good crop to Joe Junfin, a local entomologist in that area, who was using a microscopic sized insect called Trichogramma to control the harmful insects in the cotton.

Sanderson spoke with Junfin and learned the process of biologically controlling the group of moths, which are parents of bollworms, corn borers, cabbage loopers and cotton bud worms, in the larvae stage.

Junfin took the Trichogramma and placed them with worm eggs that he had collected to

provide a place for the Trichogramma to lay their eggs. Each Trichogramma parasitizes approximately 50 harmful worm eggs in 6 days by laying its eggs inside them.

Approximately 4,000 Trichogramma eggs are placed in a box and spread through the field by throwing them from a car or pickup window. Sanderson felt that a better way to spread the Trichogramma eggs on the crop to be treated would be to drop them from an airplane.

The Trichogramma reproduce and lay their eggs in the harmful worm eggs and do not damage the crops. After introduction into the fields they spread quite rapidly. Sanderson, after talking with Junfin, felt that this method of controlling insects would eventually lessen the need for chemicals.

TB Unit To Be In Area

The Springlake-Earth Parent-Teachers Association will sponsor the tuberculosis x-ray mobile unit at the Springlake-Earth School Tuesday, May 25, from 9 a.m. to 12 p.m. The unit will be located by the school cafeteria.

A nominal fee of \$1.50 is asked to help defray the expense of the mobile unit.

All citizens above the age of 12 are urged to take advantage of the mobile unit. The American Cancer Society urges all cigarette smokers to have a chest x-ray every six months.

All teachers, substitute teachers and all personnel at the school are required to have a chest x-ray each year.

Mrs. Gerald Graham and Mrs. Larry Hausmann will be helping with the unit.

Wayland Athletes Honored At Banquet

PLAINVIEW -- A near capacity crowd was on hand on Thursday evening, May 6, as Wayland Baptist College hon-

ored its athletes, coaches and cheerleaders at the annual All Sports Banquet that was conducted in Slaughter Memorial

Center on campus.

Oble Garrett, senior from Levelland, was named most valuable player for the Pioneer basketball team. Susan Britton, junior from Earth, won most valuable player for the Flying Queens and Ron Castellow, junior from Port Lavaca, was voted most valuable in track. All three were presented with watches.

Most Valuable Player selection is made by vote of teammates.

Charles Hardin, senior from McAdoo, received the free throw award for the Pioneers and Carolyn Dornak, senior from Jourdanton, won the honor for the Flying Queens.

Scholastic award winners were Cheri Rapp, junior from Estelline, with a 4.00 average and Rocky Clindaniel, freshman from Plainview, with a perfect 4.00 average also.

Darlyne Jones, sophomore from Cotton Center, was named Track Sweetheart for the 1971-72 season while Edy Lou Wilkens, a junior from Perryton, was named Basketball Sweetheart. Miss Wilkens will take the place of Mrs. Lucinda Askew, junior from Hereford, who held the honor for the 1970-71 season. Miss Jones will replace Miss Reba Brannon, junior from Clayton, New Mexico.

Track coach Bill Hardage presented a special award this year to the cinderman who had improved the most. This award was given to senior Jim Clark from Claude. The hard working co-captain came out his freshman year with no scholarship and has probably shown more improvement than any of the veterans. Clark, never a quitter, came from a 4:48 mile in high school to a 4:24 college mile.

Gerald Askew, a senior from Norfolk, Virginia, served as master of ceremonies and Debra Martin, junior from Altus, Oklahoma, and Ric Hunt, junior from Clovis, New Mexico, presented the entertainment while Mark Parr, assistant professor of music, provided dinner music for the buffet Kyle banquet.

Dean Wayne Alford gave the invocation which was followed by a welcome and introduction of guests by Askew. Following the introductions, Miss Sue Artterbury, instructor in business administration, presented the varsity cheerleaders for the last season. They are Miss Brannon, Miss Wilkens, Kathy Good, junior from Fort Sumner, New Mexico, Getty Rogers, sophomore from Hale Center, Connie Moore, sophomore from Hobbs, New Mexico, and Trisha Abercrombie, senior from Amarillo.

The TCLAW volleyball, tennis and basketball teams were introduced by Miss Altha Crouch, instructor in physical education, then Judy Gover, senior from Earth and coach for the Queen Bees, introduced her team. Members of the team this year are Pat Cook, freshman from Enid, Oklahoma, Tommye Bohannon, freshman from Duncanville,

MOST VALUABLE PLAYER GOES TO EARTH COED -- Miss Susan Britton, daughter of Mr. and Mrs. Harold Britton of Earth, was named Most Valuable Player for the Hutcherson Flying Queens at Wayland Baptist College, at the annual All-Sports Banquet last week. Making the presentation of a new watch to Miss Britton is Queens coach, Harley Redin. Looking on is Queens teammate, Wanda Roe.

Susie Del Hierro, freshman from O'Brien, Gail Blaylock, freshman from Midland, Jean Leverett, freshman from Wylie, Ann Roberts, freshman from Tulla, Carla Wilker, freshman from Wingate, Sandy Woods, freshman from Happy, Annette Kroeker, freshman from Enid, Oklahoma, Marilyn Davis, freshman from Slaton, Jackie Chestam, freshman from Quitaque, Sara Cole, freshman from El Campo, and Babe Tatum, sophomore from Winters, served as manager.

Coch Harley Redin was next on the program and he introduced his National Champions, the Hutcherson Flying Queens. Members of the number one team are Miss Britton, Miss Rapp, Carol Ammerman, freshman from Corpus Christi, Wanda Roe, senior from Atascosa, Katy Dauphin, freshman from Mooreland, Oklahoma, Marnie Patterson, sophomore from Burns Flat, Oklahoma, Sherry Stark, sophomore from Quitaque, Marci Sheldknight, sophomore from Spearman, Miss Dornak, Mary Williams, sophomore from Tulla, Debra Martin, junior from Altus, Oklahoma, and Janice Beach, freshman from Elmer, Oklahoma. Ann Rapp, sophomore from Estelline, was manager for the team.

Following Coach Redin's introductions, Coach Bob Clindaniel, Pioneer basketball mentor, presented his team. Members of the 1970-71 Pioneer basketball team are Charles Fuller, Hardin, Garrett, Alvin Walker, Mike Rogers, Tom Johnson, Gene Chism, Jim Drikell, Pat Shelby, Chuck Grumke, John Brown and Eddie Malone.

The basketball captains, Oble Garrett, Gene Chism and Charlie Hardin presented their new sweetheart, then the track captains, Jim Clark, Dave Nail, junior from Tulla, and Ron Castellow introduced their sweetheart. Following this the Pioneers, both track and basketball, presented the cheerleaders with a token of appreciation.

Hardage made introductions and members of the 1970-71 track team are Pat Buchanan, Lamont Batchelor, Clark, Larry Neighbors, Castellow, Nail, John Brown, David Flentge, Jody Mansfield, Kyle Rosene, Ted Smith, Travis Thornton, Rudy Villanueva and Jerry Garcia. Gary Upchurch has served as manager this season.

In closing Dean of Students, Paul Butler, gave the benediction.

Party Line

Mrs. Almer Barton, Mrs. Pat McCord and Mrs. Minnie Pate spent Saturday in Haskell with Mr. and Mrs. J. A. Landess and other friends. They also spent Saturday night and Sunday in Abilene with Mrs. Dellar Barton and other relatives.

Mrs. Bonnie Haberer and Mr. and Mrs. Ted Haberer attended the South Plains College commencement exercises at Levelland Friday morning.

Good Seedbed A Must For Narrow-Row Cotton

Cultural practices become more critical when shifting to the narrow-row method of cotton production, and seedbed preparation is certainly no exception. In fact, there is less margin for error in preparing a good seedbed.

"Narrow-row patterns almost necessitate on-the-bed or flat planting," says Dr. Robert Metzger, area agronomist with the Texas Agricultural Extension Service. "The method of irrigation must be considered too. Flat planting works well under sprinkler irrigation while on-the-bed planting is recommended for furrow irrigation."

Metzger suggests that new producers may first want to consider planting in intermediate row widths or double rows rather than in the very narrow, grain-drilled row widths. Row widths 20 to 32 inches apart or two rows on the conventional 40-inch bed have offered the most consistent results. Furthermore, equipment adjustments are not as drastic, and present varieties have performed better in intermediate row spacings.

"Double rows should be spaced as wide apart as possible for best results," contends Metzger. "With double rows spaced 28 inches apart, dry soil can be moved to get seed in

moist soil when planting. Also, cultivation to control weeds or the application of post-emergence herbicides will be more effective."

As far as the planting rate is concerned, the agronomist points out that highest yields under irrigation have been obtained from planting four to six good quality, acid delimitated seeds per foot of row. On double rows this means about 30 pounds per acre and from 60 to 65 pounds per acre for 10-inch drilled rows.

"Keeping planting rates low is the key to successful narrow-row production on dryland," emphasizes Metzger.

"Producers should shoot for a plant population equivalent to one plant per square foot or 43,560 plants per acre. This means about 15 pounds of delimitated seed per acre for dryland production regardless of the row spacing used."

Lack of surface moisture is often a problem when producers plant flat with a grain drill. This necessitates the use of a sprinkler irrigation system to provide the needed moisture for germination and plant emergence.

Generally, producers who plan to follow the narrow-row method of cotton production can enjoy a little more flexibility as far as the growing season is concerned, pointed out the agronomist, Metzger. Thus producers can afford to wait a little longer before planting without having to be concerned about the hazard of an early freeze.

"The narrow-row method of production does require special adjustments as well as more critical management decisions," points out Metzger. "However, there are dividends to be reaped by producers who can make the change."

Plan To Speed Mail Processing In Area To Begin

The newest innovation of the United States Postal Service -- Area Mail Processing -- is to be installed at the Amarillo Post Office in about 30 days. This was announced by W. L. Crawford, Regional Director, Dallas Postal Region, which covers the states of Texas and Louisiana.

"The program is designed to speed the ultimate delivery of the mail and to gain maximum efficiency and economy through full utilization of Amarillo's modern and mechanized post office," Crawford said.

Amarillo has a new \$110,000 letter sorting machine, with a capability of sorting 21,000 letters per hour into 160 separations, with only six operator positions.

It has an automatic canceling machine capable of facing and canceling a combined total of nearly 30,000 letters per hour. It has edger-stacker mechanism for letter mail. The Amarillo Post Office, Crawford pointed out, is also a large Sectional Center serving 79 associate post offices, and the new system will revolve entirely around that capability and that function.

Area Mail Processing is a plan whereby virtually all mail originating within a Sectional Center facility area.

Irving King home from Amarillo Thursday. Mrs. Sweeney came home from the hospital last Sunday afternoon and has been doing alright. It was spasms in her neck due to the arthritis.

Mr. and Mrs. David Sadler and girls from Lubbock came in Friday to spend the weekend with Mr. and Mrs. Ezell Sadler and other relatives here and at Hereford. Tress and Cheryl Powell of Dimmitt also spent Friday night and Saturday with them.

Mr. and Mrs. L. B. Bowden left Saturday for a couple of days vacation in the mountains of New Mexico.

Mr. and Mrs. Mark Wylson were honored by the choir Sunday with a luncheon and going away gift at the church at noon. The church gave them a reception and a money tree after the Sunday services Sunday night. They will go to Baylor University where he has been offered a position as soon as he graduates from Wayland.

RECEIVING MAJORITY CERTIFICATES from Mother Advisor, Mrs. Jimmy Shirey, right, during the Rainbow Service Monday night are Kathy Myers, Annita Kelley and Donita Kelley.

Including the associate offices of the Sectional Center, will be consolidated at the SCF for complete preparation and processing for outgoing dispatch.

The plan contemplates that originating mail from all or selected associate offices of an SCF be collected and consolidated at the originating associate office, and without further preparation be dispatched to the SCF for culling, facing, canceling and distribution preparatory to dispatch.

All mail deposited in street letter boxes, which have not been designated for local deposit, or the out-of-town letter drops at the selected associate offices will be transferred to the SCF for processing and will bear the postmark designated for the SCF area.

The mail deposited in a designated drop unit at a post office or a letter box designated for local deposit will be postmarked at the local office of origin. All metered mail will bear the postmark of the office of origin.

Area Mail Processing will be applicable primarily to that mail originating at post offices

within the SCF area which is destined for delivery outside of the city of origin.

The Sectional Center Area postmark will read, "U.S. Postal Service TX 790" along with the date and AM-PM designation. The city postmark of Amarillo and each individual associate office will not be changed.

However, the only mail that will be postmarked with the name of the mailing office, regardless of destination for delivery, will be mail that has been deposited in street letter boxes or letter drops which have been designated "Local". Each postmaster will have deposit boxes and letter drop units so designated for this purpose.

It was emphasized by Crawford that no office will lose its local postmark whatsoever.

He urged that when the plan goes into effect, for obvious reasons, customers should not use the word "city" on mail addressed for local delivery, but spell out the name, and use the ZIP Code.

Christian's Responsibility WSCS Program

The WSCS met at the church on Tuesday morning at 10 o'clock. Mrs. Bessie Cearley was in charge of the program which dealt with the Christian's responsibility in the various areas of pollution. Many women's organizations, Christian as well as secular, are taking the lead in the fight against environmental problems in the areas in which they live as well as the problems of over population which is an important phase of the problem.

Present were Mrs. Beula Coker, Mrs. Ray Axtell, Mrs. Jane Beavers, Mrs. Gladys Goodwin, Mrs. Kenneth Cowley, Mrs. J. A. Littleton, Jr., Mrs. Johnnie Williams, Mrs. J. L. Hinson, Mrs. Ms Allen, Mrs. Doug Lewis, Mrs. Naomi Burgess and Mrs. Bessie Cearley.

Faye Hay TOPS Queen Of The Week

Mrs. Faye Hay was named TOPS Queen of the Week at the Happy Losers TOPS Club meeting held Thursday, May 13. She recorded a loss of four pounds. Mrs. Emily Clayton was runner-up for the honor with a three pound loss.

Twenty-one members weighed in recording a total loss of 19 1/2 pounds and a total gain of 15 pounds.

Mrs. Inez Inglis' name was drawn for the \$1 prize.

Members present were Mrs. Elaine Been, Mrs. Odeal Bills, Mrs. Louise Bridge, Mrs. Emily Clayton, Mrs. Pearl Cooper, Mrs. Edith Crawford, Mrs. Phyllis Geissler, Mrs. Dorothy Washington, Mrs. Oma Pearl Murrell, Mrs. Florence Gover, Mrs. Faye Hay, Mrs. Jo Houchin, Mrs. Pauline Hucks, Mrs. Inez Inglis, Mrs. Mearle Morgan, Mrs. Alma Ott, Mrs. Kate Patterson, Mrs. Barbara Riggs, Mrs. Lois Rudd and Mrs. Eza Walker.

Spring Has Sprung -Horses In Danger

It's that time of year again! Flowers are blooming, trees are turning green, and mosquitoes are out. Their bite is painful, but even worse, they carry diseases. If you are a horseowner, arthropod-borne diseases should be of special interest to you. Sleeping sickness or Equine Encephalomyelitis, also known as "Encephalo", is almost always fatal when it attacks but is so easily preventable. A series of two injections of the vaccine will protect your horse during the mosquito season.

Another disease, though not carried by mosquitoes, is always of special concern. This is Tetanus, or "Lockjaw." This disease, rarely seen in humans because of routine vaccination programs, is much too prevalent in horses. Again an often fatal disease is easily preventable by something so simple as a vaccination. Every horse, whether pastured or stabled, upland or marshland, hot or cold country, should be tetanus-protected. The bacteria that causes tetanus is a spore-former and can live dormant for years in almost any environment.

Vaccination time is a good time to have routine tubeworming done. Bot flies begin

to get active at this time of year and lay their small yellow eggs on the hairs of your horse's legs and underside. When the horse licks himself, the eggs are carried into the stomach where they hatch. The larval bot then attaches to the stomach wall and feeds. Imagine how painful a small army of these monsters (about the size of a marble) can be! They also rob your horse of strength and stamina he needs. Other internal parasites such as blood worms, round worms, and pin worms can be treated at the same time.

These are some of the preventive procedures that should be done routinely. They are extremely simple compared to the costly, time-consuming and often unsuccessful treatment of the conditions after they occur.

Mission Friends Match Animal Ears

The Earth Mission Friends met Wednesday, May 12, and played a game of matching certain ears to certain animals. Animal ears were drawn and the children had to guess which animal they belonged to. They then completed the drawing of the animals' bodies.

The children listened to a story about carrying out and hearing all the different types of night noises.

As a goodwill gesture, the children visited Al Sanders and related Bible verses to him along with some song singing.

Mrs. Lillie Wuerflein then drove the group to the Wolverine Drive Inn for ice cream cones.

Those present were Kelley Criswell, Carmen Kelley, Wade Joe Kelley, Greg Hulay, Randy Green, Miss Sumiko Fukuda and leaders, Mrs. Lillie Wuerflein and Mrs. Pete O'Hair.

GA's Work Question Puzzles

The Mary Slack GA's of the First Baptist Church of Earth met Wednesday, May 12, and worked on question puzzles showing how God let the people whose names are written in the Bible know what their purpose in life was to be. A discussion of what God wants us to do today and how he lets us know followed the question puzzles.

The prayer calendar was read by Lisa Pittman. A special prayer was given for those members in the church on special missions.

GA's and leaders participated in transplanting marigold plants into the GA garden. Popsicles and Kool-Aid were served by Mrs. J. B. Thomas to Lisa Pittman, Paula Verden, Karen Hulcy, Toni Inglis, Christi Thomas, Teresa Livey, Stephanie Tunnel, Donna Green, Mrs. Earl Kellar and Mrs. L. H. Galloway.
