NUMBER 5

Fall is in the air. Rain has become a common daily event here in this little west Texas metropolis and as usual, hay fever sufferers are reaching an all-time record peak in their misery of wheezing, sneezing and red eyes. This is a gag to indicate grain harvest is just around the corner.

Maybe harvest will bring a rosy outlook, and prove instrumental in eroding some of the "Gripes" that is widespread here and seemingly on the increase.

So customary have the "Gripes" become, that one might term it as contagious. It seems to have completely saturated the air in the area. Surely no other type of air pollution could be more disastrous and distasteful than the continuous negative attitude that is enveloping the area.

Vitamins, I take, the most powerful ones our druggist Neal Founds has in stock - yet I find even that cannot be fully effective when people constantly hunt the dark side of life to elaborate on.

Surely there must be something we are overlooking. No rose-bush produces all thorns. If we could but remember the joy that one rose can bring to a lovely life, surely the prick of a thorn would be less painful. There must be some beauty and worthwhile venture in our lives that could dull that inclination to be negative.

Very few of us people in this area drive old cars. Very few are without television and few are minus an automatic washer. Maybe we first should give thanks for our present holdings rather than clutter our ever-waking thoughts each morning with finances.

Do we deserve more? Is our future really so dark? Do we fail to enjoy our current status because we want more? Could it be that we are unwilling to pay the price to have more?

We have had many ideas in the past. They fail for one reason or another. Could this be a result of jealousy, negativism or apathy?

Like I said, those vitamins can't combat the "Gripes" - surely the air, water and soil is

saturated with that kind of pollution.

However if we would as the old saying goes, wish in one hand and spit in the other we'd see which one got full the fastest. Like so with griping, if we quit griping and went to work we'd have results.

McClung Speaker At Teachers Reception

"Lord, grant that I may not criticize my neighbor until I have walked at least a mile in his moccasins," said Dr. Roy McClung, President of Wayland Baptist College, as he addressed the group of 250 faculty members and Lions and their wives Tuesday evening at the annual Lions Club Teachers Reception.

Dr. McClung went on to explain that in this school system, there is an equivalent of over 200 years of college training, getting ready for this school year. "It's a big thing," he said. "It takes a long time to be ready for a school like this."

McClung strongly emphasized that the faculty members have a tremendous influence on the economy in this area. He pointed out that the faculty also has an enormous impact on the actions of the youth. Included in the group of teachers that may make a greater influence on the student are band director, P. E., choral, and dramatic teachers.

In closing, McClung emphasized "Love". He said, "We pray you will help our children. Teach them to love life, to enjoy it, to venture into it, and to probe in it, teach them to be sensitive to the pain and feelings of others; Teach them to be responsible and loyal to God and country and finally, teach them in the atmosphere of your own affection."

Gene Templeton served as

Master of Ceremonies during the annual event.

"America" was led by Dale Riggs, accompanied on the piano by Steve Sanderson.

The Pledge to the Flag was led by Weldon Barton, followed by Ronald Cleavinger giving the invocation.

A delicious dinner of steak, potatoes, gravy, green beans, salad, pie, coffee, tea, and rolls was served to those in attendance.

Donnie Clayton gave a Welcome address, to the new faculty in our school system and community.

Bill Mann, Superintendent of Schools, introduced the three principals, J. W. Solis, High School principal, Cecil Slover, Junior High Principal, and W. P. Verden, Elementary School Principal. They, each in turn, introduced their staff.

Donna Benke, led her 23 member choral group in three lovely selections, "This Land", "Love Theme From Romeo and Juliet," and "Good News, Chariot Coming."

Following the entertainment, Adell Baucum introduced Dr. McClung.

Announcements were made by Dwayne Jones following the address.

Johnny Williams, pastor of the Earth First United Methodist Church, led the benediction.

Karen Layman Takes The Lead In Weekly Contest

The first week of the local football contest got off to a good start with football fans all around the area joining in the guessing game. As the deadline grew near an increased number of contest entry blanks poured into the office.

First place winner in the football contest for the first week was Mrs. Troy Layman.

Mrs. Layman selected nine of the ten teams winning their respective games for a total of 113 points.

A second place tie between Mark Barton and Tom Sanders, necessitated a toss of a coin to determine the winner. Barton came out victorious. Sanders and Barton each had a total of 7 games correct with the tie breaker score the same. Each scored a total of 90 points.

Floyd Henderson of Priona tallied up a total of 85 points.

Everyone has a chance to win Weekly prizes are first place \$5, second place \$3 and third prize is \$2.

The weekly scores are kept throughout football season and following the last game the scores are totaled to give the Grand prize winner.

The Grand Prize will be two tickets to the Cotton Bowl game, Dallas, New Years day and a \$25.00 check to help with expenses.

The top ten entries and their scores are as follows:

Karen Layman, 115 points; Mark Barton, 90 points; Tom Sanders, 90 points; Floyd Henderson, 85 points; Dale Riggs, 70 points; Cindy Barton, 70 points; Wanda Sanders, 70 points; Richard A. Moore, 70 points; Alma Stockstill, 70 points; Jo Eddy Riley, 70 points.

Mrs. Layman's husband, Troy was the grand prize winner in the 1968 contest.

HIGH SCHOOL CHORAL GROUPS. This 23 member choral group entertained 250 people attending the Faculty Reception Tuesday night. The group showed a great deal of talent and courage considering they have had only 3 weeks of school to prepare. Director, Donna Benke showed considerable ability in getting together a program so early in her work.

Susan Returns From BB Tour Of Mexico, Panama And Colombia

Susan Britton, sophomore player for the Hutcherson Flying Queens, of Wayland Baptist College, recently returned from a playing tour of Mexico, Panama and Colombia with a team sponsored by the Amateur Athletic Union and the United States Olympic Committee. Susan is a former Wolverette, having led the team to State all four years she was in high school.

The girls were invited to try out at a camp at Ouachita Baptist University in Arkadelphia, Arkansas August 3-12, along with 32 other girls, and 12 landed berths on the team making the tour.

The girls worked out for five or six hours a day while at the Developmental Training Camp at Ouachita.

Head coach was Alberta Cox, coach of the Raytown Piperettes. She was assisted by Carolyn McFertt, Ouachita's coach and Carolyn Miller, a former Flying Queen now coaching in Pearland, Texas.

The team left Dallas August 13 and after working out for two days in Mexico City, played four games against three different teams, and won all four. The games were played in Olympic volleyball gym, used in the 1968 Olympics. The team also toured the other Olympic facilities. The Mexico City officials presented the team with a trophy.

Upon arrival at the airport in Mexico City, the USA team was greeted by the Mexico Navy Band, had pictures made and was presented with flowers. Each night, the team exchanged gifts with their opponents.

While in Mexico City, the girls attended a folk ballet which was held in the Palace of Fine Arts. This was very much enjoyed by all.

Next stop was Panama City, where the team won their fifth game. After an easy win in Colon, the team returned to Panama City, and beat the National players for the third time.

At a reception held in Panama City, the girls were entertained by a group of native dancers attired in colorful native costumes.

They also visited the Panama Canal, and got to observe a large ship being sent through, which really impressed them.

After the Panama games, the team dropped its first game in Colombia, losing by three points. This game was played in 45 degree weather on an outdoor court. They played them since

again, with the USA team beating them by 30 points.

While in Bogota, the girls visited a museum of Indian relics, the greatest majority of which were of gold. This was called the "Gold Museum."

"None of the teams we played are ranked very high in world competition," said Miss Cherri

Rapp, a Flying Queen from Estelline, Texas. "The Mexico City team was the best."

Women's basketball has been added to the 1972 Olympics to be held in Munich, Germany, thus the experimental tour. The team returned to the USA on August 31.

Services Held Wednesday For Joseph Wimberly

Funeral services were held Wednesday 2 p. m. at the Wheeler Mortuary Chapel in Portales for Joseph Daniel Wimberly, 9, of Earth, Rev. Wayne Fuller, Pastor of the West Side Baptist Church in Portales, officiated, he was assisted by Rev. David Hartman of Earth.

Joseph died around midnight Sunday, September 14 in the State School in Abilene. He had suffered from cerebral palsy since shortly following his birth.

He had been a resident of the State School just one week.

Survivors include his parents, one sister, Carmen, two brothers, Kenneth and Michael all of the home. Grandparents Mr. and Mrs. W. F. Wimberly, Portales, and Mr. and Mrs. J. D. Cooper, Bovina, also great grandmother Mrs. Pearl Hickman, White Wright.

Pall Bearers were Leon Dent, Doug Lewis, Troy Byers, Ray Stansell, Glen Kenney and J. B. Thomas all of Earth. Interment was in the Portales Cemetery under the direction of Wheeler Mortuary.

Wolverines Take Seasons Opener 29-0

In a game with surprisingly few mistakes by either team, the Springlake-Earth Wolverines downed the New Deal Lions 29-0 in the opening game of the season Friday night at the Wolverine Stadium.

The Wolverines took to the field in high spirit ready to go. They scored 22 of their 29 points in the first quarter. The final score was made during the fourth quarter.

Willie Wilborn, playing an outstanding game on defense, intercepted 3 of the Lions' passes. He also played a big part in breaking up the New Deal offense.

Hoyt Glasscock and Mike Cleavinger, shared the honors in the quarterback spot for the local club. They each played a great game.

Terry Bridge led the way in total yardage for the Wolverines. There was a total of 410 yards on the ground and in the air. Tony Barton and Hoyt Glasscock were following close as ground gainers. Each had over 100 yards.

Top scorer for the Wolverines was Tony Barton with 12 points, followed by Terry Bridge with 11 points and Steve Busby with 6 points.

The Lions nearest scoring threat was in the final 32 seconds of

the game, when they were less than a yard from the goal line. The Wolverine defense, working like veterans, did an outstanding job in holding the Lions for 4 downs, in which they moved to within six inches of the goal line.

It was the Wolverines all the way, they would not be stopped. The entire squad faced their opponents with that same desire, to win and win they did.

The Wolverine squad meet the Hale Center, Owls, Friday night at the local stadium. Game time is 8 p. m.

The Wolverine Owl game has always been a hard fought game and promises to be every bit as exciting this year as in the past. The Owls defeated the Wolverines 12-7 last year, and the Wolverines are looking for revenge Friday night.

Don't miss it!

S-E and HC To Present Special Band Show

Band Director, Jerry Starkes, made the announcement this week that a special show would be presented Friday night at the Hale Center-Wolverine football game.

The Hale Center Band, under the direction of J. W. King, and the Springlake-Earth Wolverine Band, directed by Starkes, will combine forces to present "Wall of Sound." The two combined bands will have approximately 150 members on the field. The special number to be played is "What Now My Love." Other

songs to be presented in the program will be "British Eight" and "Trombones Triumphant."

Starkes said while the rival teams compete in football the bands will show how two schools can work together. Each band will play the Fight Song of the other school and in a precision marching drill, form giant monograms of H. C. and S-E.

The Hale Center Band is to arrive at the stadium at 6:30 p. m. to practice, and will be treated by the Wolverine Band with refreshments.

P. T. A. To Serve Chicken Spaghetti Friday

Members of the local P. T. A. will serve dinner Friday night at the School Cafeteria, prior to the Wolverine-Hale Center game. They will begin serving at 6 p. m.

The menu consists of chicken spaghetti, all kinds of salads,

desserts and drinks. Adults will be charged \$1.25 per plate and children's plate will be served at a cost of 75 cents.

GET ACQUAINTED MEET HELD MONDAY Members of the local P. T. A.

gathered at 7 p. m. Monday in the School Cafeteria for a get acquainted program. An introduction of teachers and parents was conducted.

P. T. A. President, Mrs. Ray Joe Riley, presented some interesting facts on "How to send children off to School, Happy". Mrs. Travis Sursa, Local Music Teacher, led in group singing.

Following the meeting, refreshments of coffee, tea and pie were served to the large group attending.

Centre In Need Of Bed Linens, Blankets

The Goodwill Centre in Earth was opened for business Saturday under the supervision of The Home Demonstration Club. Mrs. Sybil Davis reported \$9.00 was taken in during the day. She reported the Centre was in need of bed linens, blankets and pillows.

The threesome in charge Saturday were Mrs. Bruce Higgins, Mrs. Marvel Caruthers and Mrs. Davis.

The Centre will be operated Saturday by members of the Rebekahs.

THE WOLVERINE BAND will co-star jointly with the Hale Center Band between halftime of the Hale Center-Wolverine Game Friday night. There will be approximately 150 students performing in the program of music and marching.

Bookmobile In E-S On Thursday, September 25

Thursday, September 25 is the day the High Plains Bookmobile will be in Earth and Springlake with all your favorite books for your pastime enjoyment.

The bookmobile is slated to arrive in the city of Springlake at 11 a. m. and stay for 45 minutes.

From 12:00 noon until 1 p. m. the library will be parked at Springlake-Earth School to accommodate students and faculty. At 1:15 p. m. the mobil library is expected to arrive in Earth where it will remain until 3:45 p. m.

On Friday Pleasant Valley readers will have these facilities available from 10 to 11 a. m. The bookmobile will be parked at the community building.

Kathy Clayton Elected ROTC Company Sponsor

Kathy Clayton, Junior, Music Major at Hardin-Simmons University in Abilene was recently elected sponsor of "Company A" of the Hardin-Simmons Reserve Officers Training Corps. She is also an officer in Capers (and affiliated Pershing Rifles) and holds rank of Honorary Captain.

Miss Clayton is also a member of Delta Social Club and is in charge of the Clubs Musical part in the all school sing which is set for November 1.

Miss Clayton graduated from Springlake-Earth with the 1967 class. She is the daughter of Mr. and Mrs. Rex Clayton.

PARTY LINE

Tuesday evening dinner guests in the home of Mr. and Mrs. S. H. Chaney were Mr. and Mrs. Gene Chaney and Melissa and Mr. and Mrs. Bill Chaney of Olton, Mrs. Sophia Holt of Marmaduke, Arkansas, and Mrs. Corda Ray of Rector, Arkansas.

Early desert nomads wore layers of cotton to keep cool. Cotton lint ranges in color from pure white to brown.

1970 Chevrolets Unveiled Today At Thompson Chevrolet In Olton

Fred Thompson of Thompson Chevrolet Company in Olton invites area people over to see the brand new 1970 Chevrolet Models in his showroom Thursday in Olton.

The new cars will be unveiled today at 8 A. M. Thompson and his staff will be on hand to welcome all who attend the Premiere Showing of the new Chevrolets.

The Monte Carlo, a totally new personal luxury car, headlines Chevrolet's new models for 1970. John Z. DeLorean, General Motors vice president and Chevrolet general manager, said today.

"The 1970's will be an unparalleled decade of individual customer choice," DeLorean said. "Chevrolet will continue to set the industry pace with a variety of cars and options which allow each buyer to custom tailor his or her personal transportation."

Monte Carlo adds a new market dimension by offering to the youthful, sophisticated buyer a superb blend of individual, high fashion styling and intermediate-size handling and performance.

DeLorean said seven distinctive Chevrolet lines will be shown in dealerships on Announcement Day, September 18.

"The big Chevrolet has new styling and added power for 1970 and Chevelle has an all-new appearance," DeLorean said. "Improvements in these lines are incorporated in both sizes of Chevrolet station wagons. The fast-selling Nova has fresh appeal in its new models."

Current models of the popular Chevrolet Corvete and Camaro will be continued to the end of this year with new models in each line scheduled for introduction later in the model year.

DeLorean said that among important 1970 engine changes, the base V-8 of the big Chevrolet is increased to 350 cubic inches from 327 cubic inches in 1969 to give added power for options such as air conditioning that continue to grow in customer popularity.

The base six cylinder engine of Chevelle is also increased, 250 cubic inches in 1970 compared with 230 cubic inches in 1969.

"A smooth running new 400 cubic inch V-8 that burns regular fuel is introduced as an option on the big Chevrolet and also is available on Monte Carlo," DeLorean said.

"Two new high torque 454 cubic inch V-8's replace 427 cubic inch engines offered on the big Chevrolet in 1969."

He said mechanical improvements include smoother engine acceleration through the use of a transmission controlled vacuum spark advance.

There is extended use of variable-ratio power steering which gives more responsive maneuverability in turns and parking. It is now available on all 1970 models except station wagons and Nova Models with four-cylinder engines.

Longer life, fiberglass-belted tires are standard on all 1970 Chevrolet models.

Every 1970 model has extensive safety features for occupant protection, accident prevention and anti-theft.

New for 1970 among Chevrolet's more than 400 options and accessories are improved electric door locks, replacing vacuum locks.

With the electric door locks is a new automatic front seat back release for coupes which unlatches when either front door is opened, for easier access to the rear seat. The latch re-locks securely when the door is closed.

Also new is an electric rear deck lid release operated from inside the glove box.

A new Headlight Delay option reminds the driver with a warning buzzer if he opens his door without turning off his headlights. After the lights are off, he may push a timer button on the instrument panel and lights will turn on for about two minutes to provide illumination after he leaves the car.

Radio antennas contained within the windshield glass will be factory installed when radios are ordered on all 1970 Chevrolets. They replace outside mast antennas used previously and are not subject to being broken or bent. A new highly compact combination AM or AM-FM stereo radio and tape player unit fits snugly in the instrument panel.

Also available is a broader than ever variety of trailering, towing and recreational vehicle accessories.

Chevrolet offers 15 colors, most of them new, for 1970. There are up to seven two-tone combinations, five vinyl top colors and two convertible top colors.

Taylor Opens New Store In Hereford

Mr. and Mrs. C. O. Taylor, owners of the local Taylor Furniture Store, have recently opened a General Electric Appliance Store in Hereford.

Charles Doss of Dimmitt, formerly of Whites Auto Store in Earth, is managing the store for Taylor.

The store will be known as Taylor's Appliance Center. Mr. and Mrs. Taylor opened the local furniture store 11 years ago, and their tremendous sales have won them several trips abroad.

Scott Lee Prexy Of Honor Society

Scott Lee was named president of the Springlake-Earth Chapter of the Junior High Honor Society, September 1.

Other officers elected were Sammy Parish, vice-president, Kim Kelley, secretary, Brenda Cavitt, treasurer, Jo Ann Coker, parliamentarian, and Jimmy Coker, reporter.

Mrs. Nancy Baucum will serve as sponsor and Cecil Slover as advisor. Meetings are scheduled to be held twice monthly.

Local Couples Attend Young Farmers Meet

Four local couples attended the Annual Area 1 Young Farmers Convention, Saturday in Plainview. The event was held in the High School Auditorium.

Highlighting the program was an informative and interesting summary of "Farming in other countries" delivered by a noted speaker who had been on the exchange program touring various countries to learn of their farm practices. He explained farming methods in Belgium, Netherlands, Soviet Union, France and Czechoslovakia.

During the business session new officers were elected to serve Area 1 for the year. The date and site for the State Convention was also announced. It will be held in Galveston in January.

Those attending the convention from Earth were, Mr. and Mrs. Dean Jones, Mr. and Mrs. Johnny Collins, Mr. and Mrs. Larry Hausmann and Mr. and Mrs. Dale Riggs.

The Young Farmers will meet (tonight) Thursday at 8 p. m. in the F. E. A. Building on the School Campus.

Everyone is invited to attend this informative meeting. Mickey Ratliffe, Littlefield Attorney, will be guest speaker for the meeting.

Monday night dinner guests in the home of Mr. and Mrs. Ross Middleton were Mr. and Mrs. Gene Chaney and Melissa of Olton, Mrs. Sophia Holt, Marmaduke, Arkansas, and Mrs. Corda Ray, Rector, Arkansas.

PARTY LINE

Mr. and Mrs. Richard Fuller, Grega and Ricky of Ruidoso spent last week visiting Mr. and Mrs. Gene Brown and Dicky. They also visited Mr. and Mrs. Jimmy Shirey while here.

Mr. and Mrs. Lonnie Adrian of Canyon and Mr. and Mrs. Stan Kelmer from Lubbock were week-end guests in the home of Mr. and Mrs. G. L. Adair. Mrs. Kelmer and Lonnie are the children of the G. L. Adairs.

Yarn-dyed cottons are richer in color and more colorfast than dyed piece goods.

Cotton Army duck is the most rugged and durable of tenting materials.

GENE BROWND Of Brown-Jordan Equipment Co.,

Earth, attended the annual dealer meeting held by the Krause Plow Corporation in Hutchinson, Kansas, September 8th.

The Krause meeting was held at the company's plant in Hutchinson, and the day's activities was climaxed by an awards banquet.

Dealers attending the meeting were introduced to the new 1970 Krause line of tillage tools. The marketing program for 1970 was also presented.

The 1970 line of Krause tillage tools includes 18 pieces of equipment, many of which emphasize the trend toward larger size tillage tools made necessary by larger farms and less labor. Four of the new tools, for instance, are over 30 feet in width, are flexible in use and fold-up for transporting.

New implements shown were offset disc harrows, tandem disc harrows, flexible sweep plows, roto-chisels, chisel plows and accessory equipment.

Norman Krause, President of the Hutchinson based company stated "The addition of these new implements enables us to offer our dealers and customers the most complete line in Krause history".

STANDS FOR

ALSO STANDS FOR

GRAZE TWICE THE CATTLE

**This Fall and Winter On
McNair Vita-Graze**

**The 'extra vigor' pasture that
makes extra money for you.**

Now you can graze two cows where one grazed before, through fall and winter, and into spring, with McNair Vita-Graze. Acre for acre, this "extra vigor" pasture will feed twice as many cows as you used to feed with barley, oats, wheat, or ryegrass. Twice the cows on the same acreage as before, or half the acreage for the same cows as before. In official Experiment Station tests in 1967-1968, it yielded 17% more forage through January 8 than the next best rye variety (Florida Black) at Jay, Florida, and 32.5% more forage than the next best rye variety (Elbon) through February 12 at Overton, Texas. So, McNair Vita-Graze offers quite a saving, especially during the critical fall and winter months, as the following livestock producers and dairymen have discovered already!

What is McNair Vita-Graze? A uniquely developed rye variety which is a revolutionary fall and winter grazing crop. An exclusive development of McNair Seed Company, McNair Vita-Graze is a strains cross of foundation rye lines developed and maintained by McNair Research. The extra vigor in growth and regrowth of McNair Vita-Graze is generated by the random cross-pollination of these specially selected rye foundation lines planted in McNair Seed Company fields. Since second generation seed is not equal to first generation seed in forage production, the name "McNair Vita-Graze" refers to first generation seed only, and is available only in the familiar McNair bag.

How quickly is McNair Vita-Graze ready for grazing? Just one month after planting, under normal moisture conditions. In the Carolinas, Delmarva areas, Georgia, and westward across the Mid-South, the Texas High Plains, and to the Pacific Coast, it can be planted under favorable conditions as early as August 15 to September 15. Along the Gulf Coast, and from

Central Florida south, it should be planted later. This means your herds can be grazing McNair Vita-Graze from early October, throughout the winter, and into spring. Rapid regrowth produces abundant green chop and high quality haylage. Vigorous spring regrowth also makes an excellent plow-down crop for green manure.

How to multiply the benefits of McNair Vita-Graze.

Rapid regrowth produces more green chop, even from limited acreage. You can green chop it anytime, after it is tall enough to cut, and have a feed that is highly palatable and digestible, rich in protein and energy.

Beneficial plow-down crop. Makes an excellent, fast decaying, green manure crop to plow under. Even after it has provided profitable pasturing all winter, McNair Vita-Graze has such vigorous regrowth that the spring surplus can be used as plow-down to improve the condition of your soil.

Dependable fall and winter grazing. Beef cattle. McNair Vita-Graze provides abundant nutrition for beef cattle when other pasture is hard to come by, and there's no over-eating or bloating to worry about. Grows off much faster than wheat, oats, barley, and ryegrass. Luxurious regrowth for winter and spring pasturing. Also excellent for grain-on-grass fattening programs, and for wintering steers, brood cow herds, or weaned calves. If you want to breed yearling heifers early, McNair Vita-Graze will keep heifers growing rapidly during the winter so they will be large enough to breed in the spring.

EARTH **FARM CHEMICAL CO.** SPRINGLAKE

Sanders Assumes Duties As Kicking Specialist

EDITORS NOTE: The following article was taken from the University Daily, Texas Tech paper in the September 15 issue.

Jerry Don Sanders, senior kicking specialist, will finally get a chance to prove himself this season after spending the past two years playing behind All-American Kenny Vinyard.

Sanders, who had an impressive season as a freshman, has not really had the opportunity to prove what he can do as a regular in season play. He has, however, been doing the kick-off chores for the past two seasons and has consistently booted the ball out of the end zone.

During his freshman year Sanders looked promising in kicking several long field goals. His longest was 57 yards against Texas A&M, and in spring practice last year he booted one 59 yards. The longest field goal in his career came in a high school practice when he kicked the ball 70 yards with the aid of a following wind.

Sanders will be doubling as punter this year and has had some minor problems with his

style. "I was trying to learn how to punt 'rocker' style, and I think it messed me up a little," Sanders said. "But I have found a new style and it improved my punts considerably."

"I feel my kicking game as a whole is better than it has ever been, and I am looking forward to the upcoming season," he added.

Sanders, 5-9, 184, has the unique distinction of having the smallest foot on the Raider squad. He wears a 6 kicking shoe and a 6½ punting shoe.

His teammates say it is not a foot but rather a hoof. During his high school year at Earth, Sanders tripled as place kicker, punter, and offensive halfback. He also earned letters in track and basketball.

In his senior year at the half-back slot, Sanders rushed for 1216 yards and punted for a 44.6 average. His 118 total points in his last year earned him the district scoring title.

Sanders got off a 78 yard punt in one game in high school. He was named to the all-district team for his last three years.

Businessman - Director To Be Elected To PCG

The Lamb County businessman-director to Plains Cotton Growers, Inc., will be elected at a breakfast meeting on Tuesday, September 23 at 7:30 a. m. at the Crescent House Restaurant Littlefield.

The PCG Board, made up of one producer and one businessman from each of the 23 High Plains counties, makes all policy for this cotton producer organization, and that policy plays a vital part in each of our lives. You may want to have a voice in this election.

There will be a discussion of the current legislation situation as it pertains to cotton, PCG's part in that legislation and other PCG activities on behalf of High Plains cotton people.

P. T. A. Need Your Aid To Attain Objectives

P. T. A. President, Mrs. Ray Joe Riley is extremely interested in building up interest and membership in the local P. T. A. In her effort to acquaint prospective members with the importance of P. T. A. and to create a desire to unite with the local group she has listed the P. T. A. objectives as follows:

- (1) To promote the welfare of children and youth in the home, school, church and community.
- (2) To raise standards of home life.
- (3) To secure adequate laws for the care and protection of children and youth.
- (4) To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.
- (5) To develop between educators and the general public

such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

Mrs. Riley went on to say, all of you will agree the above objects are worthwhile. Our children's development and education are most present goal. What the objects of PTA do not mention is the willingness of the parents to serve on committees and give of their time and efforts. These are the groundwork upon which the objects are built.

She went on to discuss the need for cooperation and willingness of everyone to achieve the objects of P. T. A.

The local group will hold their next meeting at 2:30 p. m. on October 20 in the school auditorium, everyone in the area is invited to attend these interesting and informative meetings.

Booster Club To Help Buy Projector

The regular weekly meeting of the local Booster Club was held Monday in the Springlake-Earth Cafeteria. The club voted to pay one-half the cost of a new projector, if the school would agree to pay the balance. They also voted to buy a light meter to be used in the filming of the football games.

Following the brief business meeting Coach Sursa gave a scouting report on the Hale Center game. Coach Dean Wright showed a film of the New Deal-Wolverine game and commented on it.

President Ardis Barton stated

that the attendance was perhaps the largest ever to attend a Booster meeting. However, the Booster Club voiced disappointment on the attendance at the Wolverine - New Deal Game. The club urges fans to attend the games and support the Wolverines each week.

"A tourist is a man who travels to see things that are different and then complains when they aren't the same."

School Annual Pictures Taken This Week

The photographer from Henington Publishing Company spent two days here this week taking photographs for the local Wolverine annual.

Photos of individuals were taken Monday, Tuesday photography was centered on school activities.

Mrs. Monarae Cummings is sponsor for the local annual staff.

The Maid of Cotton program is now in its 31st year.

Local 4-H Members Present Program

Members of the Springlake-Earth 4-H met September 15 at the F. F. A. Agriculture Building in Earth. President Welda Barton called the meeting to order. Sheila Lewis, secretary, read the roll call and the minutes of the previous meeting.

Members, Bruce Bridges and Kent Lewis presented the program giving a brief summary of their Electrical Study in connection with their trip to the New Mexico Mountains near Cloudcroft.

Scott Lee Named President Of Eighth Grade

The 69 members of the 1969-70 eighth grade class met in the Jr. High Library Tuesday, and elected officers and class favorites for the year.

Scott Lee will serve as president, Sammy Parish, vice-president; Denise Temple, secretary and Gay Ellis, reporter.

A boy and girl from each section of the eighth grade were selected as class favorites. Jimmy Coker, Pat Cleavinger were named from 8A. Donnie Henderson, and Brenda Cavitt from 8B and Gerald Thomas and Minnie Smith from 8C.

Sponsors are Miss Diane McCallum, Thomas Whitson and Mrs. Joyce Garvin.

Local Threesome Presents Program On European Tour

Members of the Womens Society of Christian Studies met Tuesday morning, in the Fellowship Hall of the United Methodist Church in Earth.

Following the opening prayer by Mrs. Beula Coker, the meeting was turned over to Mrs. Marie Ross, Mrs. Sam Cearley, and Mrs. Edith Brockett, who presented slides and a summary of their European tour.

Those attending were Mrs. H.

H. Hamilton, Mrs. Jane Beavers, Mrs. Ida Allen, Mrs. Kenneth Cowley, Mrs. Beula Coker, Mrs. O. M. Cleavinger, Mrs. Ed Dawson, Mrs. Crill Bulls, Mrs. J. J. Coker, Mrs. Bill Morris, Mrs. M. H. Been, Mrs. Hilbert Wislan, Mrs. Norman Sulser, Mrs. Naomi Burgess, Mrs. J. A. Littleton Jr., Mrs. Gladys Goodwin, Mrs. Marie Ross, Mrs. Sam Cearley, and Mrs. Edith Brockett.

Mrs. Sanders Meets With Executive Board

The Executive Board for the Plainview District of Grand Cross of Color for the Rainbow organization met at 8 a. m. Thursday in the Holiday Inn at Plainview.

The group finalized plans for the Mystic Banquet and arranged for the banquet to be held in the Congress Inn on November 13.

Among those attending were Mrs. Marvin Sanders, vice-president of the Grand Cross of Color, for Plainview District - president, Mrs. Bud Kelley, Petersburg and secretary, Mrs. Melvin Foster of Lockney.

Sunday School Class To Have Salad Supper

Members and prospective members of the Ester Sunday School Class of the First Baptist Church in Earth will meet at 7:30 p. m. Thursday for Salad Supper. The event will be in the home of Mr. and Mrs. Clarence Kelley.

Plans for the annual Senior Citizens Banquet at the church on Thanksgiving will be formulated.

Delicious salads will be served to all who attend.

Local Homemakers - Farmers Attend Convention Banquet

Local members of the Young Homemakers Club attended the Eighth Annual Convention of Area 1 Young Homemakers on Friday, September 12 at Gates Hall Auditorium on the Wayland Baptist College Campus. Activities began at 9:30 a. m. with a business reception. The afternoon program was presented by Paul Roseland, Texas Tech Professor, College of Art, using as his topic "A Look at the Home of the Year Two Thousand." Professor Roseland indicated there would be no individual homes, everyone will live in apartments, with the husbands diapering the babies and wife doing the yard work.

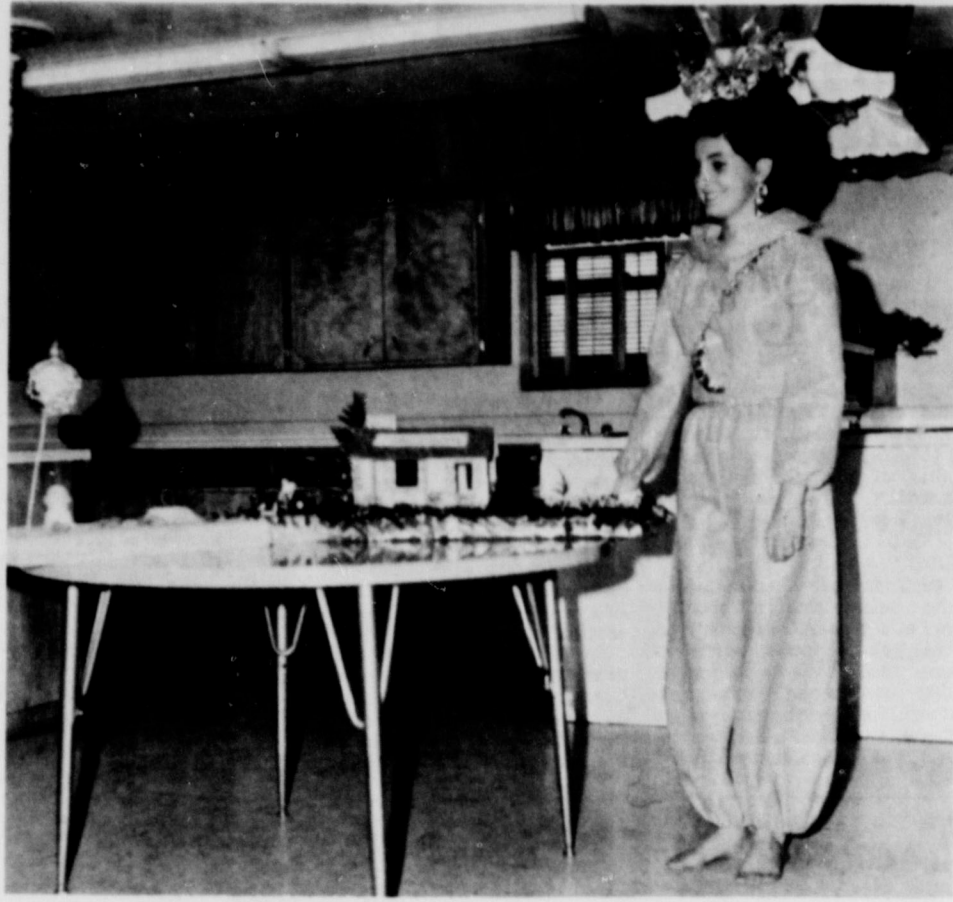

Clubs compiling Area 1 presented a style show using as their theme "Flight To The Moon." Mrs. Jimmy Shirey, represented the local club. She modeled a formal-length evening dress suitable for wear in the year two thousand. The dress was of gold and silver Zeolite with inflatable sleeves and legs. Accessories included a moon-shaped

necklace, galaxy ear rings, moonstone ring, slippers of starlight gold, and a satellite hair dress.

Mrs. Jearl James of Earth was awarded a certificate for outstanding leadership as Area 1 Treasurer. Mrs. Dickie Holcomb announced the new Area officers.

BANQUET SATURDAY NIGHT IN PLAINVIEW
Saturday night at 6:30 the Young Homemakers-Young Farmers banquet was held at the Plainview High School Cafeteria. Each club in the Area made two center pieces to use as decorations. The local chapter selected "Look To The Future" and "Let's Cultivate World Unity" a farm scene of Young Homemakers and Farmers in home, community, and church. The Hab Center Chapter was named outstanding club.

Local Homemakers attending were Mrs. Jimmy Shirey, Mrs. Don Curtis, Mrs. Don Taylor, Mrs. Dean Jones, Mrs. David Metcalf, Mrs. Phil Neinast, Mrs. Jearl James, and Miss Kim Hailey, sponsor.

POPULAR ATTIRE IN 2000?? Mrs. Jimmy Shirey, President of Young Homemakers Club models the suitable attire for 31 years in the future according to ideas of the local club. The centerpieces on the table were made by the local club and used at the Area 1 Banquet in Plainview, Saturday night.

Baptist WMU Observes Week Of Prayer

Local members of the Women's Missionary Union met at 9:30 a. m., Monday in the home of Mrs. Lillie Wuerflein to begin the Mary Hill Davis Week of Prayer for State Missions. The theme for the entire week is "Behold My Neighbor."

Mrs. Bonnie Haberer conducted the Bible Study, entitled, "Christ In Your Eyes," reading as the opening prayer the first verse of the song "Open My Eyes That I May See."

The program presented by Mrs. R. S. Cole in connection with the theme, "Behold My Neighbor," was a summary of life in Mexico from the time of Columbus until the present date. Mrs. Wuerflein read the prayer calendar, and Mrs. Guy F. Kelley leading the closing prayer. Members met at 9:30 a. m., Tuesday, September 16 in the home of Mrs. A. E. O'Hair. Continuing the theme "Behold My Neighbor" Mrs. O'Hair read the second verse of "Open My Eyes" as opening meditation. The program was given by Mrs. David Hartman, she introduced the characteristics, superstitions, and fears of the Spanish people. Mrs. Lillie Wuerflein gave a topic entitled, "Mission On

My Doorstep," dealing with the missionary work with Spanish American people in South Texas. She also read the Prayer Calendar and gave the closing prayer.

The Women's Missionary Union will also meet 9:30 a. m., September 18 in the home of Mrs. R. S. Cole, and September 19 in the home of Mrs. David Hartman.

Members attending Monday were Mrs. Bonnie Haberer, Mrs. John West, Mrs. David Hartman, Mrs. Hershel Hulcy, Mrs. Guy F. Kelley, Mrs. Lillie Wuerflein, Mrs. R. S. Cole. Attending Tuesday were Mrs. A. E. O'Hair, Mrs. Lillie Wuerflein, Mrs. David Hartman, Mrs. Ted Haberer, and Mrs. R. S. Cole.

Notice

Everyone is invited to attend a special program at the Springlake Community Building at 2 p. m., Monday, September 22. Mrs. Lady Claire Phillips will bring the program on how to can tomatoes.

Young Homemakers Fete FHA Chapter Tuesday

The local chapter of the Young Homemakers honored the FHA girls Tuesday afternoon, in the Home Economics Cottage.

Kathy Lee and Jan Cleavinger opened the meeting with a devotional.

Kathy Lee was elected "Little Sister" to the Young Homemakers for coming year.

Mrs. Jearl James presented a brief summary on "The Blue Book" dealing with the purpose and activities of the Homemakers.

Mrs. Jimmy Shirey modeled the dress believed to be suitable for wear during the year two thousand, presented by the Club at the Area One Convention held September 12 in Plainview.

Following the meeting refreshments were served in the dining room. Linda James and Vicki Gregory served cake and punch from the table covered with an orange-lace cloth and autumn center piece.

FHA members present were Vicki Gregory, Linda James, Kathy Lee, Connie Kelley, Jan Cleavinger, Lauren Ernest, Renee James, and Darla Dear Mrs. Donnie Fryar, Mrs. Shirley Foster, Mrs. Kay Caudle, Mrs. Donald Kelley, honorary member, were guests. Young Homemakers present were Mrs. Jerry Jones, Mrs. Jimmy Shirey, Mrs. Jearl James, Mrs. Don Taylor, Mrs. David Metcalf, Mrs. Dean Jones, Mrs. Don Curtis, Mrs. Phil Neinast, and Mrs. Cecil Slover, Miss Kim Hailey, sponsors.

"LITTLE SISTER", Kathy Lee was elected little sister to the Young Homemakers Club at a meeting of the Club to Honor Members of the local FHA Chapter.

Mrs. Heggi Visits Local Rainbows

The Rainbow girls met September 15, at 8 p. m. in the Lodge Hall in Earth.

Mrs. John Heggi, of Petersburg, was the special guest, along with ten Eastern Stars and Masons. Mrs. Heggi is the Grand Visitor of the Order of Rainbow for Girls. She observes and takes notes on the proceeding of the local Rainbow.

Iniation was held for two new members, Vicki West and Alice Faye Adrian.

The Rainbows also planned to go to Petersburg September 29, for a joint-meeting in co-operation with the five assemblies of Rainbows in this District. Mrs. Heggi will serve as the chairman.

Refreshments were served in the dining hall decorated by Suzy Adrian, her final act as Worthy Advisor. The theme was "I'll Never Walk Alone" using the colors yellow and green. Cookies and punch were

served from a net covered table. The lovely center-piece of cut gladioli was presented to Miss Adrian by her sponsor, Mrs. Marvin Sanders. Eighteen members were present, the special guest, and approximately ten other visitors.

Party Line

Mrs. C. L. Houchin returned recently from a ten day visit with her son S/Sgt. Sammy Houchin and family in Sacramento, California.

Mrs. Houchin's visit was centered around her new grand baby Noel De Aun, who was born in late August.

Mrs. Don Curtis and Cynthia visited Tuesday in the home of Mr. and Mrs. Gene Chaney of Oton.

Cotton textiles are vital in operation of dairies, fisheries, and packing houses.

STUDY CLUB YEAR BOOK COMMITTEE. This group of ladies members of the local Town and Country Study Club were present at a Breakfast meeting Thursday morning to distribute the new year books for the forthcoming year. (L to R) they are, Mrs. B. Campbell, Mrs. John Laing, Mrs. Sam Cearley, Mrs. Marie Ross and Mrs. M. E. Kelley.

Study Club Kicks Off New Year With Breakfast

"Vacation Over" for the Town and Country Study Club on Thursday, September 11. The first meeting of the season was held in the home of Mrs. Sam Cearley, with Mrs. L. Z. Anglin as co-hostess. A Family Style Breakfast consisting of orange juice, scrambled eggs, bacon, sausage, assorted jans and jellies, biscuits and coffee was enjoyed by Club members and two visitors. Mrs. N. Ray Kelley offered thanks and prayed for the new year. Mrs. Marie Ross, Club President, brought greetings and presented highlights that she hopes the Club will accomplish this year. Money raising projects will be sale of pecans and place mats. The proceeds from these sales will be used for a \$250.00 Scholarship for a Springlake-Earth High School Senior, trophies for Valedictorian and Salutatorian for Springlake-Earth Jr. High, gifts to Boy Scouts, and Girl Scouts. The Club set as another of its goals to assist in community improvement and community volunteer service, to send food and supplies to Girlstown U. S. A. in Whiteface, and to send a Christmas Box to State Mental

Hospital in Wichita Falls. Mrs. Gladys Parish was received into membership. Mrs. Sam Cearley, program chairman presented yearbooks. The Club theme for year is "Giving Is Living - Living Is Giving - Be Kinder Than Necessary." The course of study is, "The Essence of Involvement is consideration for others." Visitors present were: Mrs. Gladys Parish and Mrs. Janie Doughty, mother of Mrs. Cearley. Members attending were: Mrs. L. Z. Anglin, Mrs. Clay Beavers, Mrs. B. Campbell, Mrs. Sam Cearley, Mrs. Lena Hite, Mrs. M. E. Kelley, Mrs. N. Ray Kelley, Mrs. John Laing, Mrs. Carra Morgan, Mrs. C. T. Richardson, Mrs. Marie Ross, Mrs. Wayne Rutherford, Mrs. H. S. Sanders and Aurelia Sanders.

Party Line

Mrs. Alice Martin returned home Tuesday, September 16 from a weeks visit in Carlsbad and Denver City with her son Calvin Martin and granddaughter the Clifford Bills family.

Norman Clayton Hosts At Lake Party

Norman Clayton was host to a swimming and fishing party held recently at the lake on the Fred Clayton farm. Guests enjoyed hot dogs, soft drinks and cookies made by Mrs. Perry Martin, and home-made ice cream by Mrs. Cullen Hay. Those attending were Johnny, Bobbie, and Dane Cleavinger, Jimmy Mann, Doug, Fred and Eric Freeman, Samuel and Downie Lewis, Terry Blanton, David Hanson, Bob Usery, Cullen Hay, Fred Clayton and host Norman Clayton.

My sincere thank you to my wonderful friends for the cards, letters, gifts, food and prayers during my stay in the hospital. May God Bless You.

Mr. and Mrs. L. T. Smith
Mr. and Mrs. Roney Smith
Mrs. Billye G. Davis.

FHA Discuss Projects For Year

Members of the local FHA Chapter met Wednesday, September 10, in the Home Economics Cottage with 45 members and the sponsors, Miss Hailley and Mrs. Cecil Slover, present. President Kathy Lee opened the meeting and conducted the business session. Members elected, Joan Dudley, Student Council representative, and Kim Welch as alternate. Dream Boy was Eddie Alair and FHA Buddy was Kent Coker. Members also selected three sets of chapter parents, the Nolan Dudleys, the Robert Bridges, and the Dave Cavitts. Club parents are Mr. and Mrs. Bud Matlock.

Mrs. Clayton
Hostess To
LCC Associates

Mrs. Fred Clayton was hostess to the L. C. C. Associates, Tuesday, following the Ladies Bible Class at the Earth Church of Christ. Following covered dish luncheon the group worked on various hand-crafted projects to be sold at the annual Gift Fair at L. C. C. College in December. The proceeds will go to the Lubbock Christian College. Attending the meeting were Mrs. Dale Ward, Mrs. Ronald Cleavinger, Mrs. Norman Clayton, Mrs. Bill Freeman, Mrs. Perry Martin, Mrs. Claud Ellis, Mrs. Norman Ellis, Mrs. Cullen Hay, Mrs. Curtis Smith, Mrs. Lexie Branscum, and hostess Mrs. Fred Clayton. L. C. C. Associates will meet Thursday October 2 at the Earth Community Center with Mrs. Pearl James as hostess.

DeAnne Brock outlined point-gaining projects for new members.

A canned goods drive will begin September 27 at 2:00 p. m. with members of the FFA helping. Each member must turn something in for the South Plains Fair or pay \$1.00. The baked goods must be turned in by 9:00 a. m. Saturday, September 20, and dresses Wednesday afternoon September 17. This is the money-making project of FFA and all checks won on 1st or 2nd places will be donated to the FFA. Members have placed boxes in grocery stores asking for canned goods, clothing, or anything that girls might use for the Girl's Town Project.

Dues will be \$2.75 this year to help purchase office equipment for the new National FFA and FFA building located in Washington D. C. This is a nationwide project for FFA Chapters.

The State Fair in October and drawing of and explanation of Secret Grandmothers were other

Changes Made In Archery Rules

AUSTIN--As a result of recent Texas Parks and Wildlife Commission action, archers this year may hunt all legal game birds and game animals using archery devices during the regular hunting season, unless otherwise restricted.

Previously, hunting with long-bow was limited to deer, bear, turkey, and javelina.

In Brooks, Cherokee, Collin, Concho, Crane, Harris, Jefferson, Jim Hogg, Liberty, Loving, Orange, Polk, Refugio, Winkler, and Zapata counties, a legal deer shall be defined as a buck deer with a forked antler.

Pending regulatory action of the Parks and Wildlife Commission in October, a legal deer in Lee and Upton counties shall also be defined as a buck deer with a forked antler. Should this definition be changed by Commission action, the new definition would not take effect until 15 days later. In all other counties with special archery seasons for deer, a legal deer is a buck deer having a hardened antler protruding through the skin.

In Andrews, Dawson, Gaines, Gray, Hockley, Lubbock, Lynn, Nolan, Potter, Randall, Burnell-

and Wildlife Commission in October, only gobblers may be taken in Lee and Upton counties with a bag limit of three. Should the definition of a legal turkey or bag limit be changed by Commission action, the new definition would not take effect until 15 days later.

ARCHERY REGULATIONS: It shall be unlawful to hunt, take or kill deer, bear, turkey and collared peccary or javelina during the special archery season each year while having any type of firearm or crossbow on the person and at the same time having in his possession bow and arrow in an automobile or in a hunting camp or otherwise having any type of firearm or any type of crossbow in possession.

EQUIPMENT SPECIFICATIONS: It shall be unlawful at any time to hunt, take or kill with bows and arrows deer, bear, turkey and collared peccary or javelina under each of these circumstances: using a bow that is not capable of shooting a hunting arrow equipped with a broadhead hunting point for a distance of one hundred and thirty (130) yards; using arrows that are not equipped with broadhead hunting points at least seven-eighths (7/8") in width and not over one and one-half (1 1/2) inches in width; using arrows that do not have on them in some non-water-soluble media the name and address of the user; using either poisoned, drugged, or explosive arrows.

Antelope Harvest Holds Promise

SAN ANGELO--The coming hunting season for pronghorn antelope is expected to be equally as good as last year's, says Jack Parsons, wildlife supervisor for the Texas Parks and Wildlife Department.

Little change from last year is expected in permit issuance to landowners in the Permian Basin, Panhandle, or the Trans-Pecos.

Thirty-four landowners in six Permian Basin counties have been issued 122 buck permits, according to Project Leader George Litton of Sweetwater. Tom Hailey in the Trans-Pecos said landowners in Brewster, Culberson, Hudspeth, Jeff Davis, Reeves and Presidio counties have received 1,027 permits following an aerial census of 7,523 adult animals, an increase of 200 over last year and not including this year's fawn crop.

No figures are available at this time for the Panhandle permit issuance, but Dick DeArment, project leader in the area, says the noted five to seven per cent decrease in adult animals was bolstered by the 37 per cent fawn production.

Last year was one providing excellent hunting for most portions of West Texas, and presently there are very few, if any, permits for late-comers.

Mr. and Mrs. Elvis Hestand of Portales, New Mexico, visited her mother Mrs. Edith Brockett, Sunday.

Driver May Become Traffic Hazard Minutes Following Drink

A driver may become a traffic hazard only two minutes after taking a drink, according to a new book, "Alcohol... or Highway Safety?" published by Texas Alcohol Narcotics Education (TANE).

"If alcohol is consumed on an empty stomach, it may reach the brain within two minutes. If it is consumed rapidly, the last up to five hours after ingestion of the alcohol," according to the new book, written by Lindsay R. Curtis, M.D., author of several books on alcohol and drug problems.

Drinking alcohol is the major contributor in 10,000 injured in car crashes each day, 1,000 persons killed each week, and nearly \$1 billion in direct economic losses each month, Dr. Curtis said.

The book, designed for use in driver education classes, will also be distributed through churches and retail book outlets.

Dr. Curtis has written many books, published by TANE, including subjects of alcohol, LSD, glue-sniffing, goofballs and pep pills, and marijuana.

The cartoon-illustrated books have also been the basis for film strips, also produced by TANE.

TANE is a non-profit, education organization, supported by the churches of Texas and by individual contributions.

Though it is a Texas organization, and much of TANE's program is free to Texas schools and churches, the organization's books and film strips are distributed nationally.

"Drinking drivers kill more than war. We need to face up to the realities of this needless

slaughter, and do something about it. TANE hopes that this book will help," said Albert F. Tucker, TANE Executive Director.

The organization has been active in alcohol and narcotics education since 1935. Programs include public school assembly programs, a free film lending library, publishing books, producing audio visual aids, a 100-man speakers bureau, research, and an annual school on alcohol and narcotics problems sponsored jointly with Baylor University.

Mr. and Mrs. James Hlice from Point, Texas visited with the C. O. Bibbys of Springlake. They also visited with the V. L. Bibbys of Olton and the Harold Bibbys of Springlake. Mrs. Hlice is a cousin to C. O. Bibby.

PARTY LINE

Mr. and Mrs. Marvin Sanders had as their dinner guests, Sunday, Mr. and Mrs. Matt Brown of Harlington, Mrs. Katie Copenhaver, Brownsville, also Mr. and Mrs. Clarence Kelley and A. M. Sanders all of Earth. Mrs. Brown and Mrs. Copenhaver are aunts of Mr. Sanders.

Mr. and Mrs. Andy Oliver, of Lubbock were week-end guest of the Elmer Prathers. Mrs. Oliver is the Prathers daughter.

Mr. and Mrs. A. L. Higgins, Plainview and Mr. and Mrs. Bob Rogers, Abernathy also visited the Prathers.

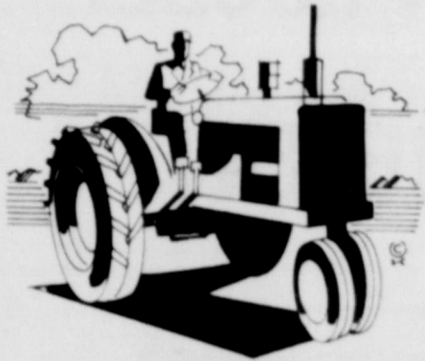

Mrs. Orbie Armstrong and Mrs. L.H. Randolph returned Tuesday from a weeks stay at Buchanan Lake.

FOOTBALL CONTEST

Nothing to Subscribe to... Nothing to buy...

No Obligation...

JUST FILL OUT AND SEND IN YOUR ENTRY...

3 Big Prizes

Given Away Weekly

FIRST PRIZE \$500 SECOND PRIZE \$300 THIRD PRIZE \$200

CONTEST RULES

The teams that are playing in this week's contest games are listed side by side in the official entry blank on this page.

Use the handy entry and mark out the teams you predict to lose. Print the scores you predict in the tie-breaker game in the spaces provided.

Each week's entry must be turned in or mailed to the Earth News-Sun office. Contestants are given a week to prepare and turn in their entries.

Entries must be in by 4:00 p.m. Friday or postmarked on that date. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Each week the number of games correctly predicted will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted scores will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

ENTRY FROM MUST BE TURNED IN BEFORE 4 PM FRIDAY, SEPTEMBER 26

Becky Parish Presents Program At XIT Club

Members of the local XIT Study Club met Monday, September 15 at 8:00 p.m. in the home of Mrs. Donald Clayton, Rebecca Parish Exchange Student presented a very interesting review on the highlights of her trip to Hawaii and Japan this past summer. Slides were shown of the many beautiful places she visited. Miss Parish was sponsored by the Lions Club. Refreshments of melon balls, cookies, and coffee were served to members and guests.

The next meeting will be Tuesday, October 7 at the Springlake Community building. The program will be presented by Dr. Marvin Hagler of Texas Tech on the Laser beam. The beam has been reflected back from the moon, and is so intense that it will burn through asbestos and possibly be used in the future for surgery and treatment of cancer.

Members present were Mrs. W. B. Hucks, Mrs. Edwin Jones, Mrs. Hollis Cain, Mrs. David Metcalf, Mrs. Jimmy Stevens, and Mrs. Donald Clayton. Two new members Mrs. Robert Mc Curry and Mrs. Ralph Rudd attended. Mrs. R. L. Byers, Mrs. Harlon Watson, and Mrs. Ed Dawson were guests.

Local WSCS Ladies Attend Sub-District Meet In Olton

Local members of the Womens Society of Christian Studies of the United Methodist Church of Earth attended the annual Sub-District Meeting at the Olton Methodist Church Wednesday, September 10.

The meeting was a study seminar instructing area members in office training and introducing program studies that will be presented during the coming year.

Mrs. Donald Wright, Mrs. Jim Roberts and Mrs. Frank Wise, all of Dimmitt and Mrs. Hilbert Wisian Jr., of Muleshoe, presented a program. They used as their topics "Being a Christian in Today's World," "Reconciliation" and "China".

Local ladies attending were Mrs. Johnny Williams, Mrs. Ray Artell, Mrs. Jane Beavers and Mrs. Naomi Burgess.

HD Members Hear Program On Importance Of Labels

Local members of Home Demonstration Club met September 11 in the home of Mrs. C. O. Bibby. After a short business meeting Lady Claire Phillips, Lamb County Home Demonstration Agent, presented a program on the study of labels. She also urged the members and anyone interested in learning how to can tomatoes to meet September 22, at 2:00 at the Community Building in Earth for a program on canning.

Members were reminded to make plans to attend the South Plains Fair in Lubbock. Attending were Lady Claire Phillips, Home Demonstration Agent, Mrs. Hilbert Wisian, Mrs. Ed Biles, Mrs. Wayne Davis, Mrs. Bob Boone, Mrs. Herman Cooper, Mrs. Marvel Caruthers, Mrs. Bruce Higgins, Mrs. Ruel Fanning, Mrs. James Smith, Mrs. C. O. Bibby, members and a visitor, Mrs. Lorene Hice.

Mrs. Simmons Is Speaker For Lodge

Mrs. Forrest Simmons was guest speaker, Thursday night at a regular meeting of the local Rehekah Lodge.

Mrs. Simmons gave a short summary of the various By-Laws of the lodge.

Following the study, refreshments of Gokes, coffee and spiced tea was served.

S/Sgt. and Mrs. Sammy Houchin of Sacramento, California announce the birth of a daughter, Noel De Ann, born August 29.

Those attending were, Mrs. Pat Higgins, Mrs. Lucille Henderson, Mrs. Ern Walker, Mrs. Alma Stockstill, Mrs. Jim Robbins and Mrs. Simmons.

Grandparents are Mr. and Mrs. C. L. Houchin of Earth and Mr. and Mrs. Harou Atwood of Lubbock. This is the couples fourth child.

AREA I DISTRICT WINNERS, Mrs. Cecil Slover and Mrs. Jerald James proudly display certificate presented during the Area I Young Homemakers Convention in Plainview, Friday. Mrs. Slover certificate was for support, interest and devotion to the Young Homemakers and the Vocational Homemaking Program. Mrs. James, Area I Treasurer, received her certificate for outstanding leadership as a Young Homemaker officer of Area I, Texas Association.

TOPS Begin Contest To Lose Weight

Mrs. Pauline Hucks was named Queen of the local Happy Losers TOPS Club Thursday night when members gathered in the local Goodwill Centre for a regular weekly meeting. Mrs. Faye Hay was runner-up for the week. Mrs. Hucks recorded a loss of 5 1/2 pounds while Mrs. Hay had lost 3 1/2 pounds during the week.

Mrs. Fred Clayton served as leader in the absence of the leader Mrs. Gerald Inglis. Eighteen members weighed in to record a weight loss of 17 3/4 pounds. The group voted to start a contest to encourage members to lose more weight. The contest called "The Green and Gold", will allow members to clip off portions of a tape measure each week as they lose weight. The side who destroys their tape measure first will be declared the winning side. The losing side will honor the winner at a banquet or party. Pauline Hucks is captain of the "Green" side and Lois Rudd heads the "Gold".

The meeting closed with the group giving the Serenity Prayer.

Mr. and Mrs. O. M. Cramer of Breckenridge visited Mr. and Mrs. Gene Brown and the Jimmy Shireys last week. Mrs. Cramer is Mrs. Browns aunt.

One cotton bale provides fiber for 250 sheets or 650 shirts.

Cotton is the only major fiber that increases in strength when it's wet.

Financial Facts

By Nortan Dudley

Here is a workable family budget plan. The percentages are general estimates which will serve as starting point guides.

The term "shelter" represents your dwelling. It may be a house you are buying or a rented apartment.

For shelter allow 20 to 25% of your income. Do not exceed 25%. Otherwise you will be paying out too much.

Food should amount to 33% of your income. Clothing should be allotted from 10 to 15%. The operation of your home should run another 15%.

Place 12-1/2 percent of your income in a saving account. Allow 10% for your amusement and recreation.

These are broad categories. All insurance should go under home operation. When the car

is used for pleasure, place its operating costs under amusement.

WATCH NEXT WEEK FOR "BANK TELLER TALES"

Every budget should include "Building Earth."

Money spent at home, builds your community, lets all be builders.

We are always ready to discuss your financial needs at CITIZENS STATE BANK! We are glad to be of service to our customers and the community. The quality bank offering complete banking services is CITIZENS STATE BANK, Box 20, 257-3451. Open 9 to 3 Monday thru Friday.

Fields Named To Honor Roll At Southwestern State

WEATHERFORD, Oklahoma. - Two members of the local faculty were listed as Honor students during the summer semester at Southwestern State College in Weatherford, Oklahoma. Mrs. Delores Pauline Fields, Special Education Teacher at Springlake-Earth was named to Presidents' list. Harold Fields was listed on the Dean's List.

Grades of A in all subjects qualified 154 students for the summer semester President's List.

Hundreds of others made the Dean's List by making grade-point averages of at least 3.0.

Only students who were enrolled in a minimum of eight semester hours could qualify for either honor roll. To attain the President's List a student was required to make a grade of A in every course. The Dean's List includes those who made B averages, with no grade lower than C.

Allen Barden Is Minister For Springlake Church

Allen Barden, of Lubbock has accepted the position of minister for the Springlake Church of Christ.

Mr. Barden is currently attending Sunset School of Preaching in Lubbock sponsored by the Lubbock Sunset Church of Christ. He will be residing in the church parsonage only during the week-ends.

Local members of the Springlake Church of Christ are making preparation to furnish the parsonage for the comfort and convenience of Mr. Barden.

30 ACRES OF BELL PEPPERS, located 2 1/2 miles northeast of Earth were being harvest Tuesday. This current yield is 15,000 to 20,000 pounds an acre. The 35 pickers filled a truck in approximately 45 minutes. Each load weighed about 4,000 pounds. Benny Dickson owner of the crop expects the crop to make approximately \$500 per acre.

PARTY LINE
Mr. and Mrs. M.M. Brown from Halinger, Texas and Mrs. A.L. Copenhagen, Brownwood have been guests of A.M. Sanders for the week.
Mr. Brown and Mrs. Sanders are sisters to A.M. Sanders.

Mr. and Mrs. Haskeil Hooten and children of Borger visited Sunday afternoon in the home of Mrs. Glayds Goodwin.

Mrs. Beula Coker and Mrs. Bill Hicks of Sudan visited Marshall Kelley in the Amherst Hospital Tuesday afternoon.

11 Accidents In Lamb During August

The Texas Highway Patrol investigated 11 accidents on rural highways in Lamb County during the month of August, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

These crashes resulted in one person killed, three persons injured and an estimated property damage of \$11,990.00.

The rural accident summary for this county during the first eight months of 1969 shows a total of 76 accidents resulting in three persons killed, 23 persons injured, and an estimated property damage of \$52,135.00. With the beginning of school, the sergeant reminds all motorists of the state law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

Texas Tax Bill Takes Effect October 1

AUSTIN, Tex. --Legislators closed out 44 days of special session conferences over taxes and finance.

Texas' \$348.6 million tax bill, which takes effect October 1, includes:

(A) An increase from 3 to 3.25 per cent in the general sales tax rate and inclusion of beer and liquor in the tax base for the first time.

(B) A boost in the cigarette taxes from 11 cents to 15.5 cents a pack.

(C) Increase in corporation franchise tax from \$2.75 to \$3.25 per \$1,000.

(D) Change in corporation franchise tax allocation formula to include out-of-state concerns which sell products in Texas (food and drugs exempt).

(E) Raise in natural gas tax from seven to 7.5 per cent of value.

(F) Levy of five cents a drink on alcoholic beverages sold in private clubs.

A record \$5.8 billion biennial appropriations bill \$313.8 million above the present general revenue spending level would provide a \$205.6 million increase for education, \$58 million more for health, hospitals and youth corrections, \$62.2 million increase for medical aid to the needy and a 10.4 per cent increase in state employees' pay.

When the major business of the session was over, legislature turned to other matters submitted by Gov. Preston Smith which included:

(1) Creation of 28 new district courts over the state.

(2) Establishment of an antiquities code, setting state policies for historic and scientific explorations on state-owned lands.

(3) Removal of the statutory interest rate limits on state and local government bonds.

(4) A variety of "clean beach" legislation.

(5) Authority for creation of non-profit corporation to provide deposit insurance for state banks and savings and loan associations in the \$15,000 to \$100,000 range.

LAWMAKERS RAISE ALLOWANCE
Before departing for the hinterlands, legislators voted themselves increases in their contingency funds.

House raised its allowance for each representative from \$450 to \$875 monthly during the interim between legislative sessions. Senators raised their expense maximum from \$1,000 a month to \$1,700.

Legislators in both houses are paid a salary of only \$4,800 a year.

Cheerleaders Select New Uniforms

At a scheduled meeting September 15 of the Jr. High cheerleaders, new uniforms were selected. The cheerleaders and their mothers met with their sponsor, Miss McCallum in the Jr. High building immediately following school.

After considerable discussion the group decided on long-waisted green jumpers with a pleated skirt and V-neck. The girls will wear the jumpers over full-sleeved white blouses. The traditional green and gold pom-poms complete the uniforms.

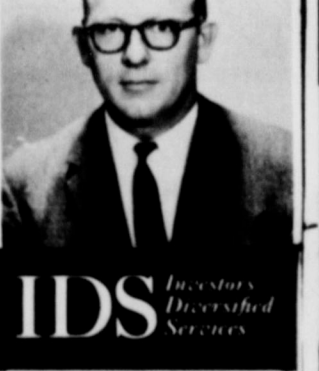

Attending the meeting were Miss McCallum, sponsor, Denise Temple, JoAnne Coker, Gaye Ellis, eighth grade leaders, Melissa Been and Jennifer Templeton, seventh grade leaders, Mrs. Peggy Temple, Mrs. J.J. Coker, Mrs. Norman Ellis, Mrs. Elaine Been, and Mrs. Gene Templeton, mothers.

MYF Studies "Should I Cheat"

The Earth United Methodist Junior High MYF met Sunday evening at 6 p.m.

"Should I Cheat" was the program for the evening, which was presented by Scott Lee and Jimmy Coker.

Following the program, a short business meeting was held.

ALBUQUERQUE, N. M. -- U. S. Air Force Staff Sergeant John W. May, son of Mr. and Mrs. Earl May of Route 5, Muleshoe, has arrived for duty at Kirtland AFB, N. M.

Sergeant May, a supply inventory specialist in a unit of the Air Weather Service, previously served at Tainan Air Station, Taiwan.

The sergeant, whose wife, Helen, is the daughter of David F. Roger, of Stephenville, Tex., is a graduate of Sudan High School.

USS ALBANY--Fireman Jose L. C. Elizarraraz, USN, son of Mr. and Mrs. Jose T. Elizarraraz of Muleshoe, is serving aboard the guided missile cruiser USS Albany homeported in Mayport, Fla.

The Albany recently participated in extensive operations at the Atlantic Fleet Weapons Range near Puerto Rico. The operations were designed to test the ship's weapons systems and to provide training for the crew. The men of the Albany also had the chance to visit numerous ports in the Caribbean.

BEEVILLE, TEX. -- Aviation Structural Mechanic Airman William R. Bell, USN, son of Mr. and Mrs. W. D. Bell of Hart, is serving with Training Squadron 25 at the Naval Air Station, Chase Field, Beeville, Tex. The squadron was recently named the Navy's top Jet Advanced Training Squadron for 1969.

It received the award for outstanding performance by the men of the squadron in the areas of maintenance, training and administrative procedures.

Traditional First-Aid Outmoded

New York--Although many first aid procedures have been changed and improved, most people cling to outmoded traditional methods, usually out of ignorance.

Red Cross officials point out that research and rethinking have developed new, more effective techniques for coping with emergencies such as:

(A) Cuts: A careful washing with gauze dipped in soap and water is recommended. Iodine or other germ-killers should not be applied because they can kill tissue and retard healing.

(B) Choking: Caused by food or an object stuck in someone's throat. Immediate, repeated slaps on the back are dangerous because they may force the victim to suddenly suck in his breath or cough. Recommended: do nothing for a while to allow the victim to relax and cough up the object by himself. If nothing happens, you should reach inside his throat to try to remove the object with your fingers or lean him forward gently and then slap him. If a child is involved, turn him upside down to dislodge the obstruction.

(C) Burns: Never apply butter or other household grease. For a minor burn, apply cold running water or a cloth dipped in cold water until the pain stops. For a serious burn, when the skin is broken, apply a dry sterile dressing, held in place by a bandage.

(D) Nosebleeds: Tilt the person's head all the way back and pinch his nostrils. If the bleeding is severe, put a piece of gauze inside his nostril--one long enough to be easily removed. Do not use an ice pack.

Cotton calico, handprinted with wooden blocks, was first made in Calicut, India.

ANYONE FOR A BELL PEPPER?.. Delicious yolo wonder peppers were being harvested Tuesday and are expected to make \$500 per acre before the first frost hits the area. The price is currently 3¢ per pound.

Farm Bureau Convention September 20

The Lamb County Annual Farm Bureau Convention will be held at the Littlefield Community Center on September 20 at 12 noon.

A free bar-b-q will be held, and each family attending is asked to bring a cake or pie. The Entrings from Sudan will provide entertainment.

A business session will be conducted at 1:30 p.m. Important items to be discussed are Farm Bill, Grain Check-off, Chemical Weed Control, and By-Law Changes.

New officers and directors will be elected.

Door prizes will be given during the business session. Speakers at the convention will be seminar students, Roseanne Funk, Linda Hooper, Clinton Jones, and Elroy Wisian, Jr. All members are invited to attend.

For each 100 pounds of fiber, the cotton plant yields 180 pounds of seed.

Cotton fabrics range from heavy corduroy to sheer, lightweight voile.

Your Burglar May Be Real Pro And Deserves Professional Reception

Dallas.--Any business that rakes in \$1.2 million per day can only be described as big business, and that's the approximate daily take of the big business of burglary in the United States.

In recent years the burglary business has doubled in the U. S. and, unlike lightning, thieves often strike more than once in the same place. The ambitious young burglar on the way up can often increase his gross sales by repeat business. Burglaries occur in the United States, on the average, about once every 30 seconds.

The annual loss suffered by victims of the burglary business and their insurance companies adds up to well over \$400 million, but much of this could be prevented by proper preventive measures, the Insurance Information Institute advises.

Leaving a note on a door telling when you'll be back or where the key is hidden is all the invitation a burglar needs.

Once a burglar has chosen his "customer," and successfully completes his transaction, there is little chance that the goods can be recovered. Because of a lack of witnesses, say police, almost 80 per cent of the burglaries reported are never solved.

The chances of a burglar visiting your home or business will be minimized if you'll practice a few common sense precautions.

AT HOME
 When you're away, keep all doors and windows, including the attic and basement, locked.

Don't leave ladders lying around your property. There's no reason why you should make the housebreaker's job easier. When you go out in the evening, leave a few lights on.

When you go away, don't broadcast the fact that you're leaving on a fall or winter vacation or on a week-end trip. Suspend in advance deliveries of milk, newspapers and mail.

Before you leave, ask immediate neighbors and local police to keep an eye on the house. Arrange with someone to mow the lawn or shovel the walks, depending on the season, if you plan to be gone long.

A house that's dark night after night is inviting to the burglar. Perhaps a neighbor would be willing to turn your lights on and off at appropriate times each evening. Or, install a timing device which can be set to do the job automatically.

Never take chances on a burglar's having a key to your home. Change the locks whenever you move or lose a key. Don't make forced entry easy. Use heavy screens on windows and double locks on doors. Don't employ domestic servants without checking references carefully. Don't give your exact address when advertising expensive articles for sale. Thieves read the want ads, too.

Don't keep large amounts of cash and expensive valuables

such as jewelry in dresser drawers or other easy-to-spot places. Put them in a safe or a safe deposit box for safe keeping.

The Insurance Information Institute cautions that although insurance against theft is included in all homeowners insurance policies, consider purchasing separate coverage for items of high value such as furs, jewelry, cameras and antiques.

Above all, keep an inventory of personal belongings, as well as a list of serial numbers on such items as color television sets, typewriters and sewing machines. Detailed descriptions of stolen items will be helpful to the police in case a burglar DOES strike.

YOUR PLACE OF BUSINESS
 Lock him out. A sturdy lock can often completely discourage a timid burglar and at least make a bold one work harder.

Count the keys. Experts advise that records should be kept on key distribution. Employees should be required to turn in their keys when they leave the business.

Sound the alarm. Burglar alarms are perhaps the most obvious means of burglar protection but, surprisingly, they are not widely used, and many are so poorly maintained that they fail to work when needed.

Use gratings, special glass. Heavy metal window screens and doorway gratings are an inexpensive way to protect display cases.

Combed cottons have been "combed" of short fibers, leaving the longer lengths.

the hints given above can help prevent burglaries, but common sense precautions must also be used. For instance, having all the windows barrel will be useless if a transom is left open or an employee is careless with his keys. Only by applying all preventive techniques diligently can the businessman or homeowner assure that the burglar's profits do not become his loss.

Brotherhood Elects Officers

The Baptist Brotherhood met at 6:30 a.m. Friday, in the Fellowship Hall of the Baptist Church in Earth for breakfast.

Preceding the devotional by Billy Pittman, new officers for the year were elected.

Officers include Rex Clayton president, Billy Pittman, vice-president, Jimmy Craft, secretary, and Bill Anderson, program chairman.

The breakfast menu consisted of bacon, eggs, biscuits, and coffee. Checks for the event were Paul Wood, Roger Haber, Harold Miller, and J.B. Thomas.

Approximately twenty members of the Baptist Brotherhood attended.

Sunnyside News...

By Tenny Bowden.

Mr. and Mrs. Larry Starnes and Dianna and Mr. and Mrs. Johnnie Epperson, Kevin and Timmy spent last week-end with their parents, the Starnes' parents in Stephenville, and Mrs. Epperson's parents at Comanche. Mrs. Epperson took Kevin on to Dallas for his annual check-up this week. They will return home with the Hershel Wilsons who went to Dallas on Wednesday to have some tests made on his neck. Timmy Epperson is spending the week in Ropesville while Johnnie Epperson keeps Lonnie, Debbie and Deneen Wilson in school.

Mrs. Irving King returned home last week-end after a week in Ruidosa with Mr. and Mrs. Lawrence King of Roswell, and a week with Mr. and Mrs. Billie King and family of Monument, N.M.

L. B. Bowden was dismissed from Plains Memorial hospital in Dimmitt Monday afternoon. W. E. Louder was dismissed from Plains Memorial hospital Tuesday afternoon.

Leslie Louder spent Tuesday night with Mr. and Mrs. Roy Louder of Cisco and visited with Mrs. Johnnie Baggett before returning home Wednesday. He left Wednesday evening and stayed until Friday morning with Mr. and Mrs. Larry Odum in their new home in Dalhart.

Mrs. Houston Carson, Resa and Mrs. Dubby George and Gregg took Houston to the hospital at Fort Lyon, Colorado Tuesday for an indefinite period of treatment. Mr. and Mrs. Lec Carson of Olton went in their car and came back Tuesday. Mrs. Carson and the children spent Tuesday night with Mr. and Mrs. Bernard Brown of Salida, and visited with Houston again on Wednesday.

Mrs. Bill Matlock, Kevin Riley and Clint Dawson all had exhibits in the Student Art show in Springlake last Sunday after-

noon. Cindy Sadler passed the step of Queen before the reviewing council last Sunday night. Peggy McGowan passed the step of Princess and Debbie Wilson passed the step of Queen Sunday night.

Lesz Morgan was initiated into the Springlake-Earth FHA Tuesday afternoon.

Mr. and Mrs. Raymond Haydon of Weatherford visited this week with their sons, Mr. and Mrs. Milburn Haydon, and Mr. and Mrs. Eddie Haydon and girls. Mrs. John Moore spent most of the week in Lubbock this week with her children.

Mr. and Mrs. Donnie Lilley returned home from their honeymoon Thursday.

The week of prayer for state missions was held at the church this week. Monday, Tuesday and Thursday morning and Wednesday night. The average attendance in the mornings was six. The men sit in Wednesday night raising the average some.

Several men from the community attended the tour at the Halfway experimental station Thursday.

Mrs. Dubby George and Gregg of Dimmitt spent Thursday night with Mrs. Houston Carson, Resa and Carl Dean.

Mrs. E. R. Sadler and Mrs. J. Paul Waggoner attended the coffee given by the Plains Memorial Hospital Auxiliary Wednesday morning to try to enlist new members and inspire the older members to come back to work. Rain for this week was recorded as .30 in the north and 1.25 in the south Monday night, .60 Tuesday, .95 inch Wednesday, and .40 to .80 Saturday night. Mr. and Mrs. Cliff Brown was in Lubbock Thursday to visit with relatives and to take care of some business.

Mr. and Mrs. Alton Louder spent the week-end in Midland with Mr. and Mrs. Tom Messer and children. Mr. and Mrs. Lowell Westmoreland of Little-

field went with them. They have recently moved back from Houston to Midland.

Mr. and Mrs. David Sadler came in Saturday morning from Lubbock for the week-end. Mr. and Mrs. James Powell and children of Dimmitt had dinner with Mr. and Mrs. Larry Sadler and children and David Sadler and Mr. and Mrs. Ezell Sadler Saturday. Mrs. David Sadler and Melody went on to Hereford to spend the day with her folks.

Mrs. F. M. Sweeney and Bill from Amarillo visited with Mrs. Irving King from Thursday until Saturday. Mrs. King went home with them to spend the week-end with the Francis Kings. Mrs. E. R. Sadler visited with them at Mrs. King's Thursday afternoon.

David Harris is enrolled again this year in Tech as well as the Dawsons.

Mrs. Gale Sadler met her sister Mrs. Don Smith of Portales in Littlefield Friday after learning of the death of Mrs. Jesse Thomas of Lubbock who is the mother of their sister-in-law, Rogene Lewis. She passed away early Friday morning. Mr. and Mrs. Gale Sadler and girls attended the funeral services in Lubbock Saturday.

Mr. and Mrs. James Powell and children of Dimmitt visited Sunday with the Ezell Sadler family. Mrs. David Sadler and Melody and Mrs. James Powell visited Sunday afternoon with Mr. and Mrs. W. E. Louder, Mr. and Mrs. L. B. Bowden, and Mrs. Ezell Sadler at the Louder residence.

Jimmy Alair and his mother enrolled in WTSU this week, classes begin Monday. Bobby Cummings is re-enrolled there for his second year.

Eight men attended the Baptist Men's meeting at the church Tuesday night.

Mr. and Mrs. Willis Brock moved to the gas plant from Ozona last week. He is the new superintendent.

Mr. and Mrs. Dean Stephen also moved to the gas plant last week.

Mr. and Mrs. Carl Bradley and boys attended Six Flags Thursday through Sunday.

Several attended the Merle Norman Grand Opening in Dimmitt Saturday, run by Mrs.

'10.6 Million Cotton Research - Promotion Program For 70 Reviewed

A \$10.6-million cotton research and promotion program for 1970 has been reviewed by the Cotton Board. Board officers, left to right, are: Roy B. Davis, Lubbock, Texas, secretary; G. C. Corright, Rolling Fork, Miss., chairman; J. Russell Kennedy, Bakersfield, Calif., vice chairman; and Joe Fleming, Huntsville, Ala., treasurer.

The program provides for continuation of the \$1-per-bale effort initiated by growers when they approved the Cotton Research and Promotion Order in a referendum in 1966. The Cotton Board administers the order, makes collections, and contracts with the Cotton Producers Institute to develop and conduct the program. Activities are serviced by the National Cotton

Wanda Newberry, Mark W. Syong of Wayland who will lead the singing in the coming revival was a visitor in the Sunday services. Several visitors were in the Sunday night services.

Fifty one attended Sunday School with 15 in Training Union Sunday. There was a good crowd for the G. A. Coronation, which followed Training Union. Mrs. M. C. Turner, Director, had charge of the program. All leaders were present.

The WMI Director, Mrs. E. R. Sadler asked the questions. Mrs. Turner gave the charge. Mrs. Bill Morgan pinned the emblems on the junior G. A. Tonya De-Busk who was a maiden, Cindy Sadler, who was a Lady-in-waiting, and Peggy McGowan, a Princess.

The Queens were Lesz Morgan who used Timothy Epperson as her crown bearer, Renee Jones, who used Chris Elkins as her crown bearer, and Debbie Wilson who used Kevin Epperson as her crown bearer. The mothers crowned each Queen.

Mrs. J. Paul Waggoner sang "The Miracle of Love" which was also the theme for the Coronation.

A reception was held in fellowship hall following the service with punch and cookies and the G. A. colors and emblem.

Council. The Cotton Board met in Huntsville, Ala., September 8-9.

Water-the forgotten nutrient. Sally Springer, Extension foods and nutrition specialist, reminds people to drink at least six glasses of water a day. Coffee, tea or fruit juices may be substituted for water.

Cold water can be an effective treatment for minor burns. It relieves pain and reduces the tissue temperature. This lessens the possibility of scarring and promotes faster healing. Severe burns should be cared for by a doctor to insure the prevention of infection, and also in treating the victim for shock.

Let us rise up and build. — (Neh. 2:18).

God's miracle-working power goes to work for us. When we meet life with the faith that with God all things are possible, we break from the bondage of false ideas, and become free and confident. We then express ourselves freely and easily, for God's love inspires us to know that we can. We appreciate life and its blessing, opportunities and responsibilities. The words, we can, inspire us today.

Mr. and Mrs. Norman Griffin from Altus, Oklahoma were week-end guest in the home of L. S. Griffin, Mrs. Dean Winborn and Kathleen Hensley accompanied them from Victoria, Oklahoma. Norman Griffin is a brother to L. S. Griffin.

1970 Fords Showing At Brownd - Jordan Ford, Today

The all new 1970 Model Fords will be unveiled Thursday at the Brownd-Jordan Ford in Earth. Several new models will be on display for inspection by the public.

Fred Duncan, owner-manager sends a special invitation for everyone in the area to come by and look the new Fords over. Duncan and his staff will be ready to give first hand information about the new Fords.

Ford Division passenger cars for 1970 are highlighted by all-new Torino and Thunderbird lines, a new ultra-luxurious LTD Brougham series, a new mid-range engine, premium quality tires standard on most cars lines and more comfort, convenience, safety and security features.

"The 1970 model year may become the first year in which the sales of intermediate-size cars catch, or surpass, sales in the standard-size market," said John Naughton, Ford Motor Company vice president and Ford Division general manager.

"This may be the year of the intermediates," and Torino is our most dramatically redesigned car. Torino is longer, lower and wider with aerodynamic styling, hot performance engines and options, and our first intermediate-size four-door hard-top models," he said.

"Thunderbird also has an all-new look with a bold front-end design with longer, lower hood, a forward-thrusting grille and exposed headlamps.

"More quiet-car luxury is offered in the standard-size Ford. The entire Ford line presents a more formal appearance with new grilles, ornamentation and rear-end design.

"Mustang comes on stronger and sportier than ever with design changes, hotter engines, bright "Grabber" colors, and interiors with upbeat stripes and houndstooth checks.

"Maverick, introduced in April as the first car of the Seventies, will remain our 'simple machine' with very few changes. Mavericks produced after September 30 will have side marker lights which flash with the turn signals, and a three-way locking steering column.

"Falcon moves into the 1970 market with the proven features of fuel economy, roomy interior and durable performance," Mr. Naughton said.

Several new security, comfort, convenience and performance features are included in Ford Division's 51 models for 1970. Standard tires on Fords, Torinos, Mustangs and Thunderbirds will last longer, have greater resistance to puncture and provide better traction. Radial-

ply tires will be installed on all 1970 Thunderbirds, and fiber-glass belted bias-ply tires will be standard on all Fords, Torinos and Mustangs.

An all-new 351-cubic-inch-displacement V-8 engine, developed with the latest computerized technology and assembled on the auto industry's most advanced production line, will be offered on 1970 Mustangs and Torinos. The engine is compact, relatively lightweight and delivers excellent performance and economy.

All bucket seats offered on Ford Division cars are of high-back design. The higher seat backs incorporate integral head restraints and provide added comfort.

For the performance buffs, all optional four-speed manual transmissions feature the competition Hurst Shifter, known for fast, smooth shifting.

An automatic release for the two-door safety latch is available on Ford, Torino, Mustang and Thunderbird models. Both front seat-back latches are automatically released when either door is opened, thereby making it easier to get into and out of the back seat.

New steering wheels on Ford, Torino, Mustang and Thunderbird models are semi-oval in design for easier driver entry and exit and better visibility of the instrument cluster.

On all models except Falcon, odometers are tamper-resistant and non-reversing.

A three-way locking steering column on all models except Falcon is designed to deter car thefts by locking the ignition, the transmission linkage and the steering wheel with the ignition switch.

A new three-point Uni-Lock Safety Harness lap and shoulder belt system available on all models except Mavericks, Falcons and convertibles permits outboard front seat occupants to "buckle-up" faster. The separate buckle for the shoulder belt has been eliminated and the three remaining front seat buckles are only half the previous size. The result—a neater, more convenient, more comfortable system that is as safe as ever.

Externally adjustable headlamps on Ford, Torino, Mustang, Maverick and Thunderbird make it unnecessary to remove the headlamp rims to adjust the beams.

On the same models, standard front and rear side marker lamps amber in front and red in the rear flash with the turn signals to provide side visibility of the driver's intention to turn.

All cars manufactured for delivery in the state of California will be equipped with an evaporative emission control system.

Operators Must Render Aid

AUSTIN--The Texas Water Safety Act requires boat operators involved in a collision with other boats to assist each other and to file a report of the accident if the amount of damage exceeds \$50, according to J.B. Phillips, law enforcement coordinator for the Texas Parks and Wildlife Department.

The operator must assist so far as he can other persons affected by the collision "without serious danger to his own vessel, crew and passengers" in order "to save them from or minimize any danger caused by the collision, accident or casualty."

The accident report must be filed with the Texas Parks and Wildlife Department, the enforcement arm of the Water Safety Act, within 30 days after the accident. The reports are confidential and are not admissible as court evidence.

Phillips said so far, only one accident report has been submitted for the Labor Day Weekend, indicating a relatively safe boating holiday was enjoyed by Texans.

Insomnia May Be Penalty For Induced Sleep

CHICAGO--You may have to pay for tonight's induced sleep with tomorrow's insomnia.

In an editorial cautioning against a casual reliance on sleeping pills, the Journal of the American Medical Association suggests that "borrowed sleep" must eventually be repaid.

During a recent experiment, sleeping pills successfully induced quick, deep, longer than usual slumber for only 12-14 days. After that, tolerance developed and for the rest of the experiment, sleeping time shortened and thrashing-about lengthened.

After 26 days, the sleeping pills were withdrawn. It took 14 days without the soporific before a normal sleep pattern returned. For the first two-pill-free nights, total sleep time fell abruptly.

Although the Journal described these sleep disturbances as "usually more uncomfortable than serious and generally self-limiting," the editorial issued a sharp warning against constantly stepping up the dosage to forestall tolerance. In such cases, withdrawal symptoms can include possible convulsions.

White Approves Sorghum Referendum Ballots

Austin--The Grain Sorghum referendum ballots for the October 6th producers check-off vote were approved today, according to Agriculture Commissioner John C. White.

Grain Sorghum producers in a twenty-nine county area of the high plains and panhandle will be involved in the referendum vote, White said. They will be required to complete three major sections on the ballot.

The first section includes the self-assessment proposition. Candidates for a twelve-man Commodity Producers Board are listed in the second section. Growers must indicate last year's production in the third section of the ballot.

"All voters," Commissioner White stressed, "are eligible to vote on members of the Commodity Producers Board regardless of whether they voted 'yes' or 'no' on the referendum proposition. The decision of the Board will affect all producers in that area if the referendum passes."

Growers who had no production still eligible to vote, White explained. However, they must certify on the ballot that they are new producers.

Ballots must be mailed to the polling sites before midnight, October 6th. They will be counted by a committee consisting of the County Judge for the area affected, a representative of the Texas Agricultural Extension Service, a representative of the Texas Department of Agriculture, observers from the Grain Sorghum Producers Association of Lubbock, and other persons deemed necessary. All election proceedings must be approved by the Commissioner of Agriculture.

Angie Walker of Amarillo is Mrs. O.J. Parrish was in Lubbock Tuesday to visit her mother, Mrs. Bammer Townsend, who has been ill.
