The well-known cannisters were distributed to the various business houses by the local Boy Scouts.

Other promotions during the ampaign will be the traditional Mother's Porch Light Drive from door to door and March of Dimes Coffee Day.

The Mother's March will be headed by the Altrui Junior Study Club members from 5 to 7 p.m. today (Thursday).

Today is also March of Dimes Coffee Day at the City Drig. Star Cafe, Starkey's Steak House and Theatre Cafe. All proceeds from the coffee will be donated to the March of Dimes Fund.

Mayor Ralph Rudd of Springlake said, that all flats fixed Saturday, January 31 at Elroy's 66 Service Station and Ralph Rudd's Texaco Station will be donated to the March of Dimes. Charges on flats Saturday will \$1,00 each.

This year's drive launches an extended attack on behalf of a whole new group of physically underprivileged persons in our community and throughout the nation.

The March of Dimes will meet the big challenge of the three fac es of crippling - polio, Arthritis, and birth defects.

Many polio victims are still in need of our help. Direct financial assistance to such children who need aid, will bring new hope to many youngsters.

## **The Church Of Christ** Is Not A Denomination

By W. E. IRVINE

To what denomination did Peter, Paul, James, John, the three thorsand, Cornelious, the eunuch, Lylia, the Corinthians, and the jailer belong? Were they not just Christians? Did they not belong to the body of Christ, which is the church (Eph. 1:22,23; Col. 1:18)? Yet, they belonged to no denomination. All who were saved became members of this body, the church, which is simply those who have been "called out" of the world into the "kingdom of God's dear Son" (Col. 1:13) by virtue of the fact God added them to it, the church - Acts 2:47. Yet they belonged to no denomination.

If a sinner believes in Christ with all his heart, repents and turns from nis sins, confesses Christ, and is baptized, not into some denominations, but into Christ (Rom, 6:3, 4; Gal. 3:27,) just as were the 3000 in Acts the second chapter, the eunuch, Lydia, Cornelius, the jailer etc., will that make him a member of any denomination on Earth? If so, to which one did Peter and Paul, Lydia and the jailer, Cornelius and eunuch belong? If a sreat nember should do just what these of the New Testament did. would it not make them a great number of Christians? Should this number come together on the first day of the week for worship (Acts 20:7,) call themselves by the same name as did the Apostles and early Christians, accept and teach the Bible as their only rule of faith and practice, will that make them a denomination? If so, which one?

The church of Christ is just such a group of people. We have done, and we teach people to do exactly what the 3000 did in Acts 2:35-47, and other New Testament cases of conversion. We continue steadfastly in the apostle's doctrine, (preaching) and fellowship (sharing or giving) and in breaking of bread (Lord's Supper,) and prayers'' (Acts 2:42.) We are today, simply and only the Lord's church - the same church that Peter, James, John, Paul and other converts were added to by the Lord.
