

School Opens at 8:30 Monday

The classrooms, libraries and administration offices on the Springlake-Earth School campus have been vacant of the chatter, laughter and boisterousness of students since the end of the 1969-70 school term on May 22. On that date, a somber loneliness settled over the campus which would prevail until its youthful inhabitants would once again appear and dominate the scene.

The hectic pace of school life will begin for both parents and students when the 1970-71 school term opens on Monday, August 31.

The first bell ringing which will summon both excited and reluctant students to their classes will sound at 8:30 a. m. The acquaintance of students and teachers, re-scheduling of classes and issuing of books

will fill the seven period school day until the dismissal bell rings at 4:00 p. m.

For some Springlake-Earth students the beginning of the new school year means a time of reunion with classmates and friends. A time for sharing summer experiences and the beginning of 180 days to be filled with various athletic and scholastic activities. And for many, it means the embarkation upon a totally new experience and way of life. Learning to recognize that first letter or number and learning to live outside the realm of the homelife they have known for the first five or six years of their lives.

The halls of the local schools will come to life on Monday and live for 180 days until once again summer vacation time arrives.

***** * NOSIN... With Polly * *****

At the risk of sounding a bit disgruntled and fed up with many females across this wide and beautiful nation, I must say I plain don't want equality with men. "We've come a long way, Babe, to get where we are today."

I'm aware that females seem not to have equal job rights with men--but if qualified and on certain jobs, where a female could handle it as efficiently as a male, then there is a definite reason for change in that category. But equality as a whole, N-E-V-E-R.

If women do obtain equality to men, then they definitely stand to lose more rights than they gain. I like the respect men give women, though I will agree this dwindled down to very little today.

However, there are those men that still open doors for their lady, step aside for a lady to pass, give ladies a seat on a public vehicle and through their many respective acts lead their children to likewise respect womanhood.

As I understand the three demands of the Women's Liberation strike are free child care centers controlled by the community, free abortion on demand, and equal opportunity in labor. To obtain this, these nonsensical females have proclaimed today (Wednesday) as Sexless Day. They plan to burn their bras and aprons and take their poor defenseless babies to their husbands' offices and plunk them down in their husbands' lap or the lap of their boss for them to babysit.

When we observe actions such as these, then the meaning of the word M-O-T-H-E-R becomes unseemingly difficult to define.

God gave the wonderful gift of reproduction to the female species--It is a treasure, and with that gift goes a definite

responsibility to its offspring to love, protect, teach, along with a million and one other loving responsibilities--not one of these include pushing the baby on a man or his boss at work. How unwanted and inferior the baby might feel if it understood what was going on.

Many women have seemingly found it necessary to work, what with the high cost of living--but to burn bras and aprons, declare Sexless Day and grab up children and insult your husband, boss and child is not, in my book, the act of a refined female and definitely not that of a mother.

I still prefer to think of men going to war, if necessary, without drafting females. Likewise, women on many heavy jobs would be senseless. There are so many rights that women have today that should be appreciated--Let's take them gracefully, ladies, and be proud of our femininity.

NOSIN

The new minister's car broke down just after the Sunday morning service so on Monday he took it to the local garage for repairs.

"I trust you'll go a little easy on the price," he said to the mechanic. "After all, I am just a poor preacher."

"Yeah, I know," came the answer. "I heard you yesterday."

NOSIN

THOUGHT FOR THE DAY: About the only difference between hard work and recreation is that intangible something called "mental attitude." Whether the job is a grueling task or heaps of fun, depends not on the job itself, but what you think about it.

Mrs. Orteg Named President Of Senior Citizens Group

The Good Earth Chapter of Senior Citizens organized Thursday, August 20, at 2:30 in the Earth Community Building.

Mrs. Lottie Orteg presented a lovely pink carnation corsage to Mrs. Minnie Price, 86, Oldest Woman Senior Citizen present. Leonard Green, 85, was presented a boutonniere by Mrs. Dean Jones. Green was the Oldest Man at the gathering.

Following the presentations, the group elected as their president, Mrs. Lottie Orteg. Mrs. Ruel Fanning will serve as secretary-treasurer and Mrs. Ruby Hodge will be program chairman.

Rev. Johnnie Williams was guest speaker. Williams told the group of several different Golden Age Clubs and how they were set up. Members were encouraged to express their opinion as to which type of organization would be best suited for the Earth-Springlake area.

After the discussion, Mrs. Minnie Price read a poem entitled "A Mother's Love." Mrs. Bessie Wood played the piano for the group as they sang old familiar songs.

Refreshments of white cake squares adorned with yellow daisies, cookies and punch were served from a table laid with a yellow linen cloth. Centering the table was an ar-

rangment of yellow, white and avocado daisies.

Those attending were Mrs. H. S. Sanders, Mrs. D. M. Allen, Mrs. Lottie Orteg, Mrs. Bessie Wood, Mrs. Lucille Henderson, Mrs. A. C. Barton, Mrs. Minnie Price, Mrs. H. H. Hamilton, Mrs. B. J. Brockett, Mrs. Ruby Hodge, Mrs. Minnie Pate, Leonard Green, Mr. and Mrs. Ruel Fanning and Mr. and Mrs. J. O. Penley. Guests present were Bro. Johnnie Williams and Mrs. E. C. Hudson, Mrs. Earl Jordan and Mrs. Dean Jones were sponsors.

The next meeting of the Good Earth Chapter of Senior Citizens will be held Wednesday, September 2, at 2:30 in the Earth Community Building. Leonard Harper, pastor of the Earth Church of Christ will give the invocation. All Senior Citizens of this area are cordially invited to attend.

Anyone needing transportation urged to call Mrs. Minnie Pate.

"Watch your span if you want to look spic."

Area-Wide WDC Meeting in Earth City Hall

Come One, Come All-8 P. M. Thursday, September 3

S-E Student Dress, Grooming Policies Set

The charter for the recently organized Wolverine Development Corporation has been approved and returned from Austin. A meeting has been set for 8 p. m. Thursday, September 3, at the community room in the City Hall for everyone interested in seeing improvement in the Earth, Springlake, Pleasant Valley and Sunnyside communities.

The purpose of the meeting is to elect permanent directors and officers for the WDC and to draw up by-laws for the corporation.

At present, there are 115 paid memberships in the corporation with \$1,150 deposited in the bank. This does not cover one-tenth of the potential memberships in the area. Each member is expected to become interested and involved in gaining additional members until at least 1000 members have been signed up.

The Thursday night meeting is not for members alone, but it is hoped that everyone in the area will attend to learn more about the WDC and become involved in helping the area to become a better place to live and do business.

To prevent unnecessary confusion during the '70-'71 school year between students, parents and faculty as to the desired dress and grooming expected from local Springlake-Earth School students, the local school board has approved the following policy which will be enforced by the faculty:

BOY'S HAIR...

1. Boys will be clean shaven--no beards or mustaches.

2. Side burns will not be worn below the bottom of the ear and must be worn in a rectangle pattern and kept neatly trimmed.

3. The sides of the hair will be cut and neatly trimmed so that the hair does not hang over the ears.

4. The hair will be cut and trimmed in the back so that it does not hang over the collar, and the front so that it does not hang or lay below eye brow level.

GIRL'S HAIR...

1. Girl's hair will be styled to leave all portions of the

face visible.

2. Bangs will not be below eye brow level.

3. Rollers will not be worn in school.

4. Hats nor head scarfs will not be worn in the classroom.

BOY'S DRESS...

1. Men's style shirts with split tails will be worn in school.

2. Shirts with lettering or unusual designs will not be worn in school. (Shirts and jackets with Springlake-Earth insignia accepted). Insignia of other schools may be worn if earned by the individual wearing them.

3. Steel tips will not be worn on shoes.

4. Shirts will be buttoned to

leave one button only open at the top. No style shirts will be worn which allows hair on chest to be exposed.

5. No items of jewelry will be worn around the neck, (except small chains and medals may be worn inside the shirt).

6. Shorts will not be worn in school or at school functions without special permission of the principal.

7. Unusual items or styles of dress that would cause distraction will not be worn.

8. Socks will be worn with all footwear.

GIRL'S DRESS...

1. Shorts will not be worn in school--this includes grasshoppers, knee knockers, scot-

ter skirts, bloomer dresses, etc.

2. Unusually short dresses will not be worn. Dresses shorter than seven inches from the floor when measured from a kneeling position will not be allowed.

3. Length of pant dresses will be same requirement as for regular dresses.

4. Men's style shirts with split tails will be worn in school.

5. Shirts with lettering or unusual designs will not be worn in school (shirts and jackets with Springlake-Earth insignia accepted). Insignia of other schools may be worn if earned by the individual wearing them.

Boys School Clothing Needed At Centre

Members of the Earth Eastern Star in charge of sales at the Goodwill Centre Saturday, August 22, reported a shortage of boys' school clothing in all sizes. Shirts, pants, socks, etc. which can be worn to school are in great demand by Centre shoppers. Anyone having wearable items of school clothing, for which they have no further use, are urged to donate those items to the local Centre.

A total of \$5.95 was taken in during business hours Saturday. Workers for the day were Mrs. Jean Craft, Mrs. Georgie Bahiman and Mrs. Madell Simmons.

Gridiron Contest To Begin Next Week

It's almost that time of the year when the main topic of conversation turns exclusively to football, regardless of the time or place, at any type gathering or over morning coffee cups.

As the season approaches, we are pleased to announce that again this year many of the Earth-Springlake merchants have expressed their eagerness

to sponsor the weekly gridiron guessing contest to run throughout the football season, thus allowing their customers in the area the enjoyment of displaying their skill at predicting the outcome of football games in the area and winning weekly cash prizes.

The prizes include a \$5 weekly prize for first place, \$3 for second place and \$2 for third place. Then at the end of the

season, the top ranking contestant will receive the grand prize of \$25 and two free tickets to the New Year's Cotton Bowl game in Dallas.

The contest is graded by the point system. Each week the top ranking contestants will be publicized. Last year, several contestants were in the top 50 positions.

Several anxious contestants have already called to see if

the contest would again be available to them this year.

The contest will begin in next week's issue (September 3). We invite the Earth-Springlake merchants to call in to list their business on the football page boosting the local Wolverine team and at the same time allowing area customers a moment of pleasure at guessing winners.

To OUR COMMUNITY Kent Lewis Injured In Riding Mishap

Like us, we know you are anticipating a successful football season, but we feel that in order to make it the best possible, a special effort must be made by each citizen of this community.

The boys have already begun preparation for the coming season with workouts twice a day and this alone is evidence of their enthusiasm and desire.

The first scrimmage is here, August 28, against the Silverton Owls and we know you'll want to be there to start the season off right.

Each week we will have a pep rally and we want to invite EVERYONE to attend. The time will be posted in some of the local businesses.

Do your part and support YOUR Wolverines.

Sincerely,
The '70-'71 Cheerleaders

Kent Lewis Injured In Riding Mishap

Kent Lewis, son of Mr. and Mrs. Thurman Lewis, sustained major injuries in a riding mishap Saturday morning, August 22, at the home of John Bridges.

Kent was riding a colt he was training when the animal started to run through a fence. To keep from being dragged through the fence, Kent jumped from the back of the running colt and upon landing on the ground incurred multiple breaks to his ankle bone.

He was taken by his mother to a Littlefield hospital and was transferred to Methodist Hospital in Lubbock where he underwent surgery.

Kent was dismissed from the hospital Wednesday afternoon and is reported to be in good condition and resting comfortably.

WHY BELONG TO P-TA?

by Jo Eddie Riley

The PTA enables you to share your child's school life--to know his teachers and become involved in school affairs.

The PTA gives you a stronger voice in shaping educational policies in your local school, your state and the nation.

The PTA keeps you, as a taxpayer, abreast of changes in school curriculum, school finance and educational goals.

In the PTA, you can work with teachers and other school personnel to build a common understanding of children's needs and ways of meeting them.

You can participate in PTA-sponsored discussion groups and exchange ideas with teachers (and parents, too) and learn together and learn the best

that is known about child growth and guidance.

Through the PTA, you enlarge your circle of friends and enjoy hours of fellowship. (Work is sometimes involved.)

Though the PTA is essentially school based, it reaches far and deep into our community. You can work to improve and build community services for all children, youth and families.

PTA people are action-minded. They need YOU to get done NOW what needs to be done.

Of course, PTA will work on behalf of your children whether you are a member or not. But it will work better for you and your children--work better, too, for all citizens and their children--if you are a member.

We need you.

Fourteen Teachers Join Springlake-Earth Faculty

Fourteen new faculty members have joined the Springlake-Earth staff to instruct students during the 1970-71 school year. Included in the group are four junior high school classroom instructors, one junior high coach, three high school coaches and two high school classroom instructors.

One addition each has been made in the library and special education departments with one new custodian being added to the maintenance department.

Kay Phelps will serve as a special education instructor at the local school. She is a graduate of Amarillo High School and obtained her BS degree in biology from West Texas State University. Mrs. Phelps is holding a certificate to teach elementary education. Her husband, Tom, will begin his teaching career this year as junior high coach and social studies teacher for Springlake-Earth. A graduate of Quitaque High School, he received his BS degree from West Texas State University.

Mr. and Mrs. Phelps and their two children, Lance, 6, and Danay, 4, are making their home on the Springlake-Earth campus.

Lynda Taylor, a Maleshoe High School graduate, will be instructing students in junior high science. She attended McMurray College where she received her BS degree in medical technology. She is working toward her masters degree at Texas Tech. Her husband, Lamar, has been employed as junior high math instructor for S-E. He is a graduate of Dalhart High School and Texas Tech where he obtained his degree in animal husbandry.

The Taylors have two children, Lisa, 6, who will be in the second grade, and Lorne, 3. The family is affiliated with the Methodist Church and will make their home in Earth.

Bettie Sulser is scheduled to conduct special reading classes in junior high and speech classes in high school for juniors and seniors. She attended McMurray College and ob-

tained her BA degree in English and speech at Texas Tech. She and her husband, Norman, a local farmer, have three children. They are Carl, 15, a junior, Darlene, 14, a freshman, and L'Anna, 12, a seventh grade student. Also making his home with the Sulser family is Andy Black, who is enrolled at South Plains College in Levelland for the fall semester.

Conducting classes in health education, elementary physical education, girls basketball and boys sports will be Sammy Johnston. He is a Quitaque High School graduate and has attended Clarendon Junior College. He received his bachelor's degree from West Texas State University in 1967. Johnston, who previously coached for three years at Wellman, will be living on campus.

Mary Ann Gaudin, Springlake-Earth librarian, has attended college at North Texas and Texas State University. She holds a BS degree and is a certified librarian. Her hus-

band, George, is currently serving as school tax assessor-collector for the Archer City Independent School District. They have two children, Mrs. Janis Kotlik of Wichita Falls, and Cal Gaudin, a student at Clarendon Junior College. Mrs. Gaudin will be making her home in Earth.

A graduate of Childress High School, James Self, will be acting as assistant coach and physical education instructor. He received his BS degree in 1967 from West Texas State University. Prior to moving to Earth, he instructed classes in biology and health at Tulla for three years. His wife, Maureen, is currently employed as a secretary at Citizens State Bank. The Selfs are affiliated with both the Catholic Church and Church of Christ.

Heading a class in social studies will be Dennis Criswell, a graduate of Le Mars High School. He received his bachelor's degree in political science and history from Eastern New Mexico University. He is currently working toward his mas-

ters degree at ENMU where he taught an education class last year. He and his wife, Carol, have two children. They are Kelly, 5, and Kristi, 2.

Dick Goldston will be teaching classes in biology, chemistry and physical science. He attended Rising Star High School and Abilene Christian College. He holds a BSA degree in biology and chemistry. Goldston and his wife, Brenda, are affiliated with the Church of Christ and will make their home in Earth.

Ward Cooksey has been employed by the Springlake-Earth Schools to serve in the capacity of high school principal. Cooksey has been serving in the teaching profession thirteen years. He began his career at Monahans and has also been employed at Seagraves, Seymour, Munday and Knox City. Prior to moving to Earth, he served as Knox City High School principal for four years. Cooksey is a graduate of Goores High School, located in Knox County. He obtained his

Bachelor of Science degree at Hardin-Simmons University in Abilene in 1957 and his Master's of Education degree from H-S University in 1963. He received a National Science Foundation Scholarship in Mathematics from West Texas State University in Canyon in 1965 and has attended Midwestern in Wichita Falls and Texas Tech University in Lubbock.

Cooksey and his wife, Ginger, have two sons, Scotty, 11, will be in the sixth grade this year and Danny will soon be celebrating his fourth birthday. The family is affiliated with the Church of Christ.

Mr. and Mrs. Duane Locke have been added to the list of faculty members of the Springlake-Earth High and Junior High Schools.

Mrs. Locke will be serving as junior high social studies instructor. She is a graduate of Portales (New Mexico) High School and obtained her BS

(Continued on Page 2)

MAKE EVERY DAY COUNT TOWARD BUILDING A BETTER EARTH...

Teachers

(Continued from Page 1)

degree from Texas Tech in Lubbock. She is currently working toward her masters degree at Southwestern State in Weatherford, Oklahoma, which she will receive in the spring of 1971. M.A. Locke has previously instructed classes at Meadow and Jay-

ton. Locke will be serving in the capacity of head football coach for the local Wolverines. In addition to his coaching duties, he will be instructing a social studies class. Locke is a graduate of Eastern New Mexico University in Portales. He did his post graduate work at Texas Tech University and received his masters degree from Southwestern State College in Weatherford, Oklahoma.

The Lockes moved to their new home on the Springlake-Earth campus from Jayton where he had been coach for one year. Prior to coaching at Jayton, he was employed by the Meadow school system. The Lockes and their two children, Keith, 9, who will be in the third grade, and Kim, 7, who will be a second grader, are affiliated with the Baptist Church.

These fourteen instructors will be joining members of the 1969-70 faculty in educating local students during the '70-'71 year. Other instructors include Carra Morgan, kindergarten, and first grade teachers, Mary Alice Gaston, Sheron Lawrence and Lois Moore. Second grade instructors are Evanel Winters and Francis K. Caudie with third grade teachers Mildred Haley and Grace Hooley. Fourth grade students will be supervised by Connie Sanderson and Gladys McCord. Fifth and sixth grade teachers will be Evelyn Thomas, Gladys Parish, Elizabeth Street and Georgia Ann Bahlman. Diane McCallum will head classes in junior high English.

Mathematics teachers are Dewane Fryar and Smythie Lawrence with Marie Slover and Kimberly Murrell conducting homemaking courses. Bill Anderson will head sessions in junior and senior English and freshman and sophomore English classes will be supervised by Velma Dean Jaquess.

Industrial arts will be under the direction of Harold Fields and E. G. Gaston will head vocational agriculture classes. Monarae Cummings will be serving as commercial instructor while Donna Benke

and Jerry Starkes direct sessions in choral music and band, respectively. Special education sessions will be conducted by Betty Anderson, coordinator, and Deloris Fields while special reading classes will be supervised by Judy Coaker and Gladys McCaskill.

Teachers' aides for the forthcoming school year will be Pauline Hucks, Inez Inglis and Jeanette O'Hair. Library clerks are Edna Robnett and Betty Alexander and Dorothy Wood will be serving in the capacity of school nurse.

Administrative faculty members include William L. Mann, superintendent; Alvin Mitchell, supervisor; Louise Bridge, tax assessor-collector; Vernie Beardsen, financial secretary; and Oletha Sanders, secretary to the superintendent. School principals are Ward Cooksey, high school; Cecil Slover, junior high school; and William P. Verden, elementary.

Preparing the delicious balanced meals served during the school term will be cafeteria workers Laura Mae Staisell, supervisor; Pat Eagle, Annie Lewis, Vivian Parish, Lucy Blackwell, Vesta Perkins, Elena Buckner, Stella Thomas and Glenda Sagaser.

Ms internence employees who will be working to insure campus facility and bus safety are Travis Jaquess, Charlie Campbell, Clyde Parish, Thomas San Miguel, Sr. and Ted Buckner, bus mechanic.

Bus drivers will be Bertha Stradley, Lois Rudd, Edna Robnett, Dick Goldston, Julian Mendoza, Bill Anderson, Lamar Taylor, Leonard Harper, Bill Verden, Ted Buckner, Dewane Fryar, Travis Jaquess and Smythie Lawrence

Burke Named County Chairman Of Children-Youth Committee

AUSTIN--County Judge G. T. Sides of Lamb County has appointed Jerry Burke of Route 1, Littlefield, chairman of the County Committee on Children and Youth.

Washington, --The White House Conference on Youth (age 14-24), instead of next June as previously announced, now set for February, 1971.

ence on Youth (age 14-24), instead of next June as previously announced, now set for February, 1971.

Judge Sides acted in response to a request by Walter Richter, chairman of Governor Preston Smith's statewide Steering Committee on Children and Youth.

The Lamb County Committee is intended to give both youth (upto age 24) and adults alike an opportunity to contribute their ideas on the problems of children and youth--and their suggestions for solving them.

These ideas on problems and proposed solutions may be expressed by County Committee delegates by writing to the Governor's Steering Committee in Austin, (Drawer P, Capitol Station, Austin, Texas 78711) or voiced in person at the Governor's Conference on Children and Youth November 2-4 in Austin, Richter said.

With an expected attendance of some 600 persons equally divided between youths and adults, the Governor's Conference is intended to develop "input" of information and ideas from Texas into two national conferences.

--The White House Conference on Children (0-13), scheduled December 13-18 in

Party Line

Mr. and Mrs. Gene Chaney and Mellissa of Olton were dinner guests Sunday of Mr. and Mrs. Ross Middleton of Earth.

FARMERS IN THE UNITED STATES today produce nearly three times as much per man-hour of work as in 1950 and over six times as much as in 1930, according to New Holland Division of Sperry Rand.

P-TA Programs and Activities for 1970

Due to a delay in getting PTA programs to everyone early in the year, the following is a schedule of events, activities and programs for the first half of the school year. Cut out and keep for future consultation.

September 21 at 7:30, the first meeting will be held in the school cafeteria. The program will be "Get Acquainted with School." Officers of the various school organizations will be present to explain their functions, what they do with money raised from projects. Included in these organizations to speak will be PTA, Student Council, FHA, FFA and National Honor Societies. New members of the school personnel will be introduced.

September 25, a PTA supper has been scheduled. This will be just prior to our first home football game. Members of the PTA will begin serving food two hours before game time.

Much help will be needed in carrying out this project. This is our major money raising project for the year.

October 6, the school and community will host the 14th district fall workshop.

October 26 at 7:00 p.m. a youth from our area will deliver an address on drugs. The high school choral group will provide musical entertainment. The FHA girls will receive points for their attendance.

November 16 at 7:30, GII Lamb, Muleshoe, will address the group. He will speak on "Alcoholism."

November 18-20 is the date for the State PTA convention in Galveston.

December 23 at 2 p.m. the PTA sponsored Christmas program, under the direction of Donna Benke, will be presented.

Lewis Family Vacation In Alaska

Mr. and Mrs. Wilson Lewis and daughters, Nisha and Quency returned recently from a four week vacation trip to the Pacific Northwest and Alaska. Points of interest visited enroute were Yellowstone National Park; Cheyenne, Wyoming; Edmondton, Alberta; Dawson Creek, British Columbia, which is the Mile 0 of the Alaskan Highway; Whitehorse, Yukon Territory; Palmer, Alaska, and Anchorage, Alaska. A new Glacier Park in the Matanuska Valley in Alaska was visited as well as Earthquake Park in Anchorage.

While in Whitehorse the family toured the Robert Service Museum, historical paddle-wheeler ships that travelled the Yukon River in the Gold-rush days, a huge power dam on the Yukon River and a salmon ladder, a musical "Frantic Follies" was enjoyed one evening which depicted life in the Klondike during the gold rush.

Enroute home points of interest the family toured were Seattle, Washington, and the Space, Needle, Olympia Washington; Salem, Oregon; Sacramento, California; Los Angeles, Disneyland, Knott's Berry Farm and also a day at the beach was enjoyed.

Before returning home they visited Mr. and Mrs. L. D. Davis, who live at Downey, California. Mrs. Davis is a sister to Mrs. Lewis, Rhonda Davis, a niece, returned home with the family for a three week visit. The group enjoyed the White Sands in New Mexico enroute from California to home.

While in Alaska, the family became members of "The Order of the Walrus," an organization welcoming visitors into the State of Alaska. Each member was presented an Honorary Membership certificate and a Walrus pin.

Welcome S.-E. Teachers

A Big, Hearty "Hello and Good Luck" To All Of Our Fine New Educators

FINANCIAL FACTS

By: Norlan Dudley

Did you know that we once used paper money in denominations less than one dollar?

Known as Fractional Currency, these small bills were first issued during the Civil War. There was a great financial crisis at the time so the banks suspended specie payments, which put a premium on all coins. People began hoarding the metal currency and soon it all but vanished from circulation.

As you can imagine, the absence of coins for change created havoc for everyone, especially merchants. The situation became so bad that, for a time, we actually reverted somewhat to the barter system and exchanged goods instead of money!

To alleviate the situation,

the government finally issued paper money in denominations of 5, 10, 25, and 50 cents. The Fractional Currency was printed from 1862 to 1876.

Watch Next Week For Currency Dating

We are looking forward to meeting the new teachers at Springlake-Earth Schools. Don't hesitate to call on us if we can be of any service.

Come in and visit with us, our coffee pot is always full. CITIZENS STATE BANK, phone 257-3451. Open daily, except Saturday, 9 till 3. We'll be happy to serve you!

Our Boys In Service

U. S. Air Force Staff Sergeant James R. Odom, son of Mrs. Doris G. Odom of Erwin, North Carolina, has arrived for duty at Cannon AFB, New Mexico.

Sergeant Odom, an administration supervisor, is assigned to a unit of the Air Force Communications Service which provides global communications and air traffic control for the USAF. He previously served at Seymour-Johnson AFB, North Carolina. The sergeant has completed a tour of combat duty in Vietnam.

He attended Erwin High School and completed requirements for his diploma after entering the Air Force. His wife, Hope, is the daughter of W. W. Parker of Muleshoe.

WORLD AGRICULTURAL production increased about 3% in 1968. The rise in the United States was just under 2%.

EARTH

MISS CHARLOTTE SAWYER

Sawyer-Smith Engagement Told

Mr. and Mrs. Kenneth Sawyer of Earth announce the engagement and approaching marriage of their daughter, Charlotte Catherine, to Jimmy Smith, son of Mr. and Mrs. Curtis Smith also of Earth.

The couple plan a September 26 wedding at the First Baptist Church in Earth. The bride is a 1968 graduate

of Springlake-Earth High School and is presently employed with the Southwestern Investment Company at Amarillo.

The groom, a 1967 graduate of Springlake-Earth High School, has served four years in the Air Force and is presently engaged in farming. Friends and relatives of the couple are invited to attend.

Wanell Walker Feted With Bridal Shower

Miss Wanell Walker was honored recently with a lovely Come-and-Go Bridal Shower in the home of Mr. and Mrs. Harlon Watson of Springlake. Miss Walker is the bride-elect of Lonnie Venable.

The honoree and her mother and future mother-in-law were given corsages designed of pink satin rosettes and net encircling miniature kitchen utensils.

The serving table was laid with a white linen and lace cloth and centered by a lovely arrangement of three wedding bells centered on a ruffled oval net base intertwined with pink rose buds.

Mary Nell Walker and Vicki

McClure served individual cake squares in white and trimmed with pink rose buds, with pink jello punch, nuts and mints from silver and crystal appointments.

Hostesses for the occasion were Miss Vicki McClure, Mrs. Frances Watson, Mrs. Myrtle Clayton, Mrs. Bobbie Banks, Mrs. Lola Sanderson, Mrs. Mary Lee Clayton, Mrs. Velma Padon, Mrs. Moena Miller, Mrs. Hugh Watson, Mrs. Bonnie Green, Mrs. Vernie Bear-den, Mrs. Billy Walden, Mrs. Elizabeth Packard, Mrs. Myra Dell Metcalf, Mrs. Ona Higgins, Mrs. Mae Boone, Mrs. Marie Bibby, Mrs. Donna Neina-st, Mrs. Gail Jones, Mrs.

Farewell Party Honors Pounds Family

Approximately 150 friends of Mr. and Mrs. Neil Pounds gathered at the Earth Community Building Sunday, August 23, at 8:00 p.m. for a Farewell Party for the couple and their two children, Beth and Brent.

The head table was adorned by a replica of a pharmacy consisting of numerous shelves lined with medicine vials which contained money. The family was also showered with many gifts, cards and expressions of love and best wishes from their friends in the area.

A delicious covered dish pot luck dinner was enjoyed by all attending.

The Pounds family will move to Brownwood on Friday where he will own and operate the South Park Pharmacy.

The family first came to Earth in 1964 and Pounds served as pharmacist at City Drug. In 1966, Pounds converted the former Whites Auto Store, located next to Bryant's Department Store, into a modern pharmacy and drug store. He later added a snack bar to complete the present Pounds Rexall Pharmacy.

Matlock-Tyler Marriage Announced

Miss Debbie Sue Matlock became the bride of Kenneth Wayne Tyler of Kress, Friday, August 9.

Parents of the couple are Mr. and Mrs. Bud Matlock and Mr. and Mrs. J. D. Tyler of Kress. The bride is a graduate of Springlake-Earth and the groom is a graduate of Kress High School.

He is employed by Consumers of Plainview. The couple are currently residing at 2010 East 5th Street in Plainview.

Notice

The Lee Street Baptist Church of Dimmitt will host the 5th Sunday Singing Sunday, August 30, from 2 to 4 p.m. If you enjoy good gospel singing you are welcome to attend.

Velma Baker, Mrs. Dorothy Washington, Mrs. Pauline Hucks, Mrs. Alpha D. Whitford, Mrs. Pat Eagle and Mrs. Bonnie Lunsford.

MRS. EDWARD PATRICK FOURTON (nee Katherine Renee Clayton)

Clayton-Fourton Nuptial Vows Solemnized

Nuptial vows uniting Miss Katherine Renee Clayton and Edward Patrick Fourton were solemnized in an impressive double ring ceremony Saturday, August 22, at 6 o'clock in the evening in the First Baptist Church of Earth.

The bride is the daughter of Mr. and Mrs. Rex Clayton of Earth. Parents of the groom are Mr. and Mrs. E. L. Fourton of Abilene.

Traditional wedding music was rendered by Mrs. Sharon Tunnell, organist, and Duane Harris of Abilene, pianist. They accompanied soloist Susan Adams of Abilene as she sang "How Do I Love Thee" by Lepotic. The processional was the Finale Chorus of Messiah with the recessional being "The Trumpet Shall Sound" from Messiah by Handel. Following the prayer, an organ piece, "Savior Like a Shepherd Lead Us", was presented.

The lovely ceremony was performed by Rev. J. L. Bass and Rev. David Hartman before a background of four spiral candelabras holding twenty-eight lovely white tapers. Two baskets of beautiful yellow mums accented with greenery, baby breath and apricot and yellow baby carnations adorned the beauty of the candelabras. The family pews were marked with lovely apricot and yellow bows enhanced with greenery.

Given in marriage by her father, the bride was lovely in a Victorian empire gown of white peau de sole featuring a Victorian neckline adorned with seed pearls. The full length sleeves of silk organza and the slightly gathered empire waist were enhanced by lace and seed pearls. Her veil of bridal illusion fell from a Christian Dior bow of lace and seed pearls in two tiers, one chapel length and one elbow length. She carried a bridal bouquet designed as a cascade of miniature carnations intertwined with English Ivy centered with a lovely white orchid.

To carry out tradition, the bride wore something old,

something new, something borrowed and something blue. For something old she carried a penny depicting her mother's birthdate in her shoe. Something new was a lovely set of diamond earrings and pendant presented her by the groom. Something borrowed and something blue was the traditional blue garter.

Serving the bride as matron and maid of honor were her sisters, Vicki Nichols and Ronda Clayton, respectively. Michelle and Danielle Fourton, sisters of the groom, served as bridesmaids. The attendants were attired in lovely apricot peau de sole Victorian empire gowns fashioned after the bridal gown featuring scooped necklines and sheer puffed sleeves. Their headpieces were apricot bows adorned with yellow streamers tipped with small yellow flowers. They carried bouquets of

lemon yellow baskets containing spring bouquet arrangements of small yellow pom poms, baby breath and baby carnations enhanced with greenery and apricot and yellow streamers.

Flower girl, Denise Hartman, who was attired in a gown identical to the attendants' gowns, was escorted by ring bearer Ken Craft.

Serving as best men were Kelly Baggett of Brownfield and Jack Kiser of Abilene. Groomsmen were Stanley Goldsmith of Abilene and Don Robertson of Arlington. Guests were seated by Randy Clayton, brother of the bride from Lubbock, and Happy Fourton, brother of the groom from Abilene, who also served as candlelighters.

For her daughter's wedding, Mrs. Clayton chose a dress of blue double knit enhanced by long sleeves and rhinestone

buttons on the cuffs. A blue and beige plaid sleeveless long jacket and bone accessories completed her attire.

The groom's mother wore a lovely bright pink shift style dress accented by a multi-colored jacket. Beige accessories complemented her costume.

Immediately following the ceremony, a reception was held in the reception hall of the church. The serving table was laid with a satin underskirt overlaid with net. A large white mum flanked on either side by lovely white tapers adorned the table arrangement. Silver and crystal appointments were used by Mrs. Oletha Sanders and Mrs. Matt Patterson. Reception music was provided by Duane Harris.

For a wedding trip to Kerrville, the bride selected a traveling costume of lovely brown double knit with white accessories. She wore an orchid corsage lifted from the bridal bouquet.

The bride, a 1967 graduate of Springlake-Earth High School, is a senior student at Hardin-Simmons University in Abilene majoring in elementary education with a minor in music. She is a member and Sing Chairman of the Delta Social Club, a member of the Caper Drill Team and R.O.T.C. sponsor of Company A. She is currently employed at the Student Financial Aid Office at Hardin-Simmons.

The groom is a 1967 Abilene High School graduate and a senior law enforcement major and sociology minor at Har-

din-Simmons University. While attending Abilene High School, he lettered in football and track, served as a student council officer and captured the Regional Golden Gloves Championship. He is a member of the Sigma Delta Sigma Social Club and is employed by Zales Jewelers in Abilene. The couple are now at home at the Fontaine Apartments in Abilene.

Notice

Any organization or individual interested in providing refreshments or paying \$2 rental fee on the Community Building for a monthly meeting of the Good Earth Chapter of Senior Citizens, please call Mrs. Dean Jones, 965-2613.

A Bridal Shower honoring Mrs. Ted Jacobs (nee Zoda Walker) has been slated for Wednesday, September 2, from 3 to 5 p.m. in the home of Mrs. Harlon Watson. Selections have been made at Pounds Pharmacy.

Nuptial vows uniting Mrs. Deborah Lynn Barton and Davey Earl Haberer will be exchanged Saturday, August 29, at 7:00 p.m. in the United Methodist Church of Earth. Friends of the couple are cordially invited to attend.

Mr. and Mrs. Ross Middleton spent Saturday afternoon in Clovis conducting business.

Mrs. Welch Attends Convention

Mrs. Beedie Welch, local postal clerk, returned Sunday, August 16, after attending the National Convention of United Federation of Postal Clerks in Los Angeles, California. The convention started Monday, August 10, and continued through Saturday, August 15, with more than 1,450 delegates attending.

The tiers and main floor of the Great Hall inside the Biltmore Hotel in downtown Los Angeles resembled a colorful sea of humanity as proceedings got underway at 9:20 a. m. Monday morning.

The colors were posted by a Marine Color Guard while delegates sang the National Anthem and repeated the Pledge of Allegiance to the Flag.

A welcome was given by United Federation's own Bill Bryant from Local 64 in Los Angeles, followed by a welcome from Deputy Mayor Joseph Guinn, City Councilman Gilbert W. Lindsey gave a warm welcome followed by Postmaster of Los Angeles E. W. Schneringer. A telegram from Governor of California Ronald Reagan was read.

Two other events highlighted the opening session with a moment of silence. Taps were sounded to honor the memory of the late President E. C. Hallbeck and the late vice president Henry T. Anglim. These two prominent members died while serving in office during the past two years. The National officers of the UPFC marched forward and leis were placed around their necks by members of Local 162 from Honolulu, Hawaii.

A new constitution was drawn up during the week to coincide with provisions in the Taft-Hartley and Landrum-Griffin Acts which must be followed since the Post Office is now under a new independent U. S. Postal Service. The new Federal Postal Bill was signed by President Nixon in Washington while the National Convention of United Federation of Postal Clerks AFL-CIO was in session in Los Angeles.

National officers were elected during the convention and Mrs. Welch was a voting delegate from Earth Local Union 6740 of which she is president.

The City of Los Angeles was host to the delegates giving them tours of Disneyland on Monday night, Universal Studios on Tuesday night, Variety Show Wednesday night featuring Tony Martin and Kip-Russell. Thursday evening a tour of the downtown Los Angeles Post Office Terminal. One of the highlights of Mrs. Welch's trip was a tour of UCLA campus and the physics

department which is one of the central developments of research in science and space programming in the United States. Sam Terry, business administrator and head of the research department on UCLA campus was host to Mrs. Welch and Mrs. Hertha Jones of Anton. They were privileged to visit the room where the atom was split and were given a complete showing of machines that are being implemented in the new space program. They also visited with students from foreign lands who were studying in UCLA. Mr. Terry had just returned from Washington, D. C. on space programming and machine developments and will go to Russia along with approximately 20 students from the college who will study developments of Russian space programs. Mr. Terry is a nephew of Mrs. J. D. McNeill, Jr. and Bob McCaskill, and son of Mrs. Gertrude Terry, former resident of Earth now residing in San Diego, California. Mr. Terry has visited in Earth on several occasions.

Mrs. Welch also attended State Meeting of United Federation of Postal Clerks in Brownsville in June and will be glad to get back to work again. Mrs. Welch, senior clerk in the local post office, received foot, knee and chest injuries in the local Post Office December 18 and has been under Bureau of Employees Compensation program since that time. Mrs. Welch will return to work in the local office as soon as she receives dismissal from the doctors.

OLDEST MEMBERS OF THE GOLDEN AGE CLUB... This twosome were the oldest Senior Citizens attending the organizational meeting Thursday of the GAC. The two were presented a boutonniere and corsage. They are Leonard Green, 85, and Mrs. Wix Prices, 86 years of age.

Swine Production Holds Promise For Texas

DALLAS—More and more Texas farmers are agreeing with the words that appear under the head of a smiling pig: "Hogs are Beautiful."

For whether the porkers are really pretty or not, many of them are agreeing that swine production "holds particular promise in the state."

Charles Taylor, associate editor of the Texas Farmer-Stockman, explains why in the September issue of the magazine.

Texas has plenty of grain to support feed requirements for an expanded hog industry. Pigs convert feed to meat more efficiently than other red meat animals, and hence have more potential profit.

Texas markets can use more pork. The state produces only about 25 to 30 per cent of all the pork it consumes.

Swine can produce a higher return on investment than any other form of livestock.

"Good management and a liking for the business make the difference between success and failure," Taylor reports.

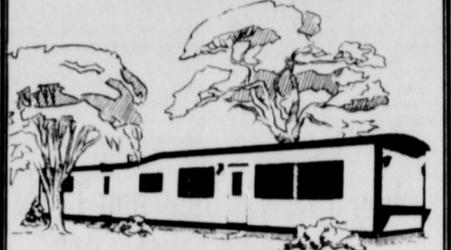

Taylor cited two cautions about the hog business. Usually

high hog prices in the last year led many farmers to take a second look at raising the animals. But by now prices have taken a drop and the U. S. pig crop for 1970 has already been

predicted to be the largest since 1943.

Even so, Taylor reports that "The long-term, solid potential for hog production in Texas still remains good."

ESC Offers 5 Programs To Schools

Five new programs have been added to the services offered to public schools by the Region XVII Education Service Center, Dr. G. Woodie Coleman, director of programs, has announced.

They include (1) in-service packages, (2) drug education coordination, (3) counseling and guidance, (4) vocational education for the handicapped, and (5) additional and expanded Special Education services.

Of these five programs, Springlake-Earth has contract-

Savings Bond Sales Good Through First 7 Months

C. O. Stone, Chairman of the Lamb County Savings Bonds Committee, reported today that sales of Series E and H United States Savings Bonds in Lamb County totaled \$9,388 in July. Sales for the first seven months were \$77,360 for 60 per cent of the 1970 goal of \$130,000.

July sales in Texas amounted to \$15,434,922 compared to

\$15,058,788 during the same period of 1969 -- an increase of 2.4 per cent. Year-to-date sales were \$106,206,174, while the 1969 sales totaled \$104,261,843 -- a 1.8 per cent increase.

National sales during the month were \$402 million -- 1.2 per cent above 1969 July sales. During the first seven months sales were \$2.9 billion for 62

per cent of the national goal of \$4.7 billion. Exchanges of Series E for Series H Savings Bonds amounting to \$23 million were reported for July, compared to last July's \$19 million.

IN 1968, 58% of the United States production of vegetables was mechanically harvested.

ed for additional and expanded Special Education services.

SPECIAL EDUCATION

Twenty-seven schools have contracted with the Education Service Center to provide appraisal services, consultant services and/or materials for Special Education students. David Cobb has been employed as coordinator of Special Education.

These schools include Abernathy, Anton, Brownfield, Cooper, Crosbyton, Floydada, Hale Center, Lamessa, Levelland, Littlefield, Lorenzo, Lubbock, Morton, Muleshoe, New Deal, Petersburg, Plainview, Post, Ralls, Roosevelt, Shallowater, Slaton, Springlake-Earth, Spur, Tahoka and Whitharral.

Plans call for the employment of a full-time diagnostician to do appraisal and prescription writing. An advisory committee will be used in obtaining maximum use of consultants and materials.

Sunnyside News...

By Tenny Bowden

It is quite evident we will not be getting our pictures made for the church directory August 29th because we have not yet heard from the company. Their representative is overdue and has not yet called. We will try to give you plenty of advance notice.

An 8 pound girl was born to Mr. and Mrs. Glen Wilson Monday afternoon in the new Central Plains Hospital in Plainview. She was named Melinda Jill. A breathing difficulty developed, a lung collapsed so she had to stay in the incubator a few days rather than coming home with her mother Thursday. LaGlenda and Gwendolyn stayed with their grandparents. Mr. and Mrs. Arthur Wilson.

A large group attended the Lions Club hamburger supper at the community building Monday night. It was their regular meeting night.

Rev. and Mrs. M. D. Durham of Lubbock visited last Friday and again Monday with Mr. and Mrs. Roy Phelan.

Mrs. Ray Joe Riley hosted her bridge club last Thursday. Guests were Dorothy Gilbreath of the community and Gail Ratcliff, Kathy Graham, Mona Merritt, Stephanie Love, Martie Benton, Marilyn Hardison, Marilyn Carver, Carolyn Jones and Shirley Wise, all of Dimmitt.

Rev. and Mrs. Mack Turner and Mr. and Mrs. Earl Phelan of Fieldton had dinner with Mr. and Mrs. Roy Phelan last Sunday. The fire department was called out to the east of the Phelan home last Sunday to put out a car that was on fire.

Mr. and Mrs. Weldon Bradley returned home last Friday night after a few days' vacation in the mountains of Colorado.

Mr. and Mrs. Floyd Ivey returned home from their trip through three national parks and into Canada last Saturday night.

Mrs. Thomas Parson came in Thursday evening after attending the WMU Houseparty in Waco this week.

Mr. and Mrs. Dubbie George and children spent last Sunday with his grandmother, Mrs. Cletha George and all of her grandchildren except Larry George who is in Vietnam.

Dorothy Gilbreath and Jo Edle Riley were two of the hostesses to a shower honoring Mrs. George Putley, the for-

mer Kathy Graham in Dimmitt last Saturday in the home of Mrs. Kenneth Jackson.

Nine men attended the regular Baptist Men's meeting Tuesday night.

Ed Thompson—not Ed Townsend as reported last week—had part of the stitches taken out of his finger Tuesday and the rest Wednesday. He is healing satisfactorily. So is L. B. Bowden's boil or cyst.

Janis Bridge is one of the two Springlake-Earth students entered for the Miss Lamb County Beauty Pageant August 28. She is sponsored by the Springlake and Earth Lions Clubs. She was named second runner-up in the Miss Wool Contest. She is a senior this year.

It was back to school Wednesday for the Dimmitt students. Three teachers on the faculty are from the community, Mrs. Mack Turner, high school, Mrs. Robert Duke and Mrs. Charles Axtell, grade school.

Springlake-Earth started enrollment this week. Classes will start Monday. Ms. Howard Cummings teaches in high school there.

Hart schools also start Monday with enrollment Friday. Olton school doesn't start until Thursday. Cindy Elkins has been working at the bank in Olton this summer. She will be a senior this year at Olton and a twirler for the band which started practice Monday night. They will have their picture made Monday.

Mr. and Mrs. James Powell of Dimmitt and the children until school started, spent Monday through Thursday with Mr. and Mrs. Ezell Sadler and Mr. and Mrs. Larry Sadler and children.

Donna Hampton, Audrey Shottenkirk, Marie Montiel and Hazel Dunn recently received their caps as student nurses. They will not graduate until next May.

Mrs. Dean Kirby and boys and Mrs. Larry Odum of Hereford had dinner with Leslie Louder and Dennis visited Tuesday morning with Mr. and Mrs. W. E. Louder, Mrs. L. B. Bowden and Marie Lewis.

Several from the community attended the swimming party at the Earthpool Friday night.

Leslie Louder visited Thursday morning in Hereford with Mrs. Larry Odum. They spent Thursday night with him.

Carl Dean Carson and Dan Ort are enrolling at Levelland College and getting things in order three days this week. Classes will start Monday.

Over an inch of rain was received in the north part of the community Thursday night.

Mr. and Mrs. Thomas spent the weekend vacationing in the mountains.

A good group, approximately 175, attended the Lions Club Barbeque at the community building Saturday night. The funds from the supper will be used to improve the community building and assist Girls Town at Whiteface.

Mr. and Mrs. Ezell Sadler and Mr. and Mrs. Alton Louder attended the Louder reunion in Lubbock Sunday.

Mrs. Roy Phelan had charge of the current missions program in WMS Wednesday night.

Mr. and Mrs. David Sadler and Melody of Lubbock came out Friday evening to work in the ensilage harvest over the weekend.

Mrs. Larry Sadler left Friday with Mrs. Tex Conard and Juanelle for Abilene to attend the wedding of Juanelle's roommate, Laura stayed with Mr. and Mrs. James Powell and children of Dimmitt, Stacy and Carrie stayed with the Ezell and David Sadlers.

Mr. and Mrs. Troy Louder of Breckenridge visited with Mr. and Mrs. W. E. Louder, Mr. and Mrs. L. B. Bowden, Mrs. Ezell Sadler, Mrs. David Sadler and Melody and Marie Lewis Saturday afternoon.

Mrs. Ross Summers, Mrs. A.

A. Dodd and Mrs. G. B. Duncan of Dimmitt visited last Sunday with Mrs. Eulest Waggoner.

Lance Shottenkirk went to Amarillo last week to prepare to enter school there and live with his mother through the school term.

Mr. and Mrs. Shot Shottenkirk and girls returned home recently from a visit in South Dakota with relatives.

Mr. and Mrs. Lyle Christenson of South Dakota moved to the community last week to work at the Sunnyside Cattle Company. He is a nephew of Mr. Shottenkirk. They live in a trailer house on the Blewett lot in Sunnyside.

Mr. and Mrs. Mokey Ivey and Susie camped out at Lake Monument near Raton last Thursday through Sunday. Susie was quite ill with tonsillitis the last part of this week.

Mr. and Mrs. H. F. Moore, Jackie and Nelda of Weatherford spent the weekend with his aunt, Mr. and Mrs. Roy Phelan. Mr. and Mrs. Earl Phelan came up from Fieldton Saturday afternoon and attended the Lions Club supper Saturday night at the community building.

Mr. and Mrs. Lloyd Morris of Tulsa attended the services Sunday night and spent the night with his cousin, Mr. and Mrs. Roy Phelan.

Youth Fellowship was conducted in the home of Mrs. Lillian Carson under the di-

rection of Mark Wysong Saturday night. Mr. and Mrs. Wysong spent Saturday night with Mr. and Mrs. Garner Ball and family.

Fifty-one attended Sunday School with 17 in Training Union last Sunday. The choir practiced Sunday afternoon on their special program in the near future. The nominating committee met after the evening services.

Mrs. James Powell, Cheryl and Tresa of Dimmitt and Mrs. David Sadler and Melody visited in the W. E. Louder home Sunday afternoon with them and their family after they took the Larry Sadler children home.

Business Tax Relief Is Needed

In anticipating Congressional debate on appropriations bills, Alger B. Chapman, chairman, Squibb Beechnut, Inc. said that the main effort should be to curtail the growth of federal expenditures as much as possible. "Such an effort should be made in order to enhance the prospects for future tax relief for business," he said. "This is not a narrow plea for special treatment. The American economy is based primarily on our business

structure. Despite the great growth of government in recent years, some two-thirds of our economy is private and it is this sector which must provide most of the jobs and all of the products for our more than 200 million people. This fantastically difficult task simply cannot be

accomplished if the private economy is handicapped by an intolerable tax burden and constant government encroachment on private economic affairs." Mr. Chapman explained.

"Our successful past is something to build on; we must not let our continued long-range growth and prosperity slip away."

Sp/4 Russell Arrives In USA

Mr. and Mrs. Billy Russell of Springlake were made happy Monday when a call from Oakland, California, came through and their son Sp/4c Randall Russell said, "I'm home."

The wounded serviceman had just landed in the USA from Vietnam and was expecting to leave in a short time for the Veterans Hospital in El Paso where he will remain until he recuperates from wounds received earlier in August.

He told his parents his leg was broken just above his ankle and the open wound was a foot long. He said his leg was in a full length cast, but he expects to get a leave to come home as soon as he is able to be on crutches.

The Russells were quick to try to get word back to his brother, Roger, who is still serving in Vietnam, that Randall had arrived in the United States.

The Russell brothers served together in Vietnam for the past 10 months.

Sammy Johnston, Assistant Coach; James Self, Assistant Coach; Tom Phelps, Junior High Coach; Duane Locke, Head Coach.

Wolverine Coaches Optimistic

Springlake-Earth Wolverine coach Duane Locke is kinda' confused as to where all the area newspapers are obtaining their information about the Wolverines.

In a statement to the Earth News-Sun Monday, he said he had no idea where the Lubbock Avalanche-Journal and other area newspapers received their information as to which player would play what position, as he, being with the local boys just a few days had had no opportunity to know what boy would play any one position.

But he also stated that with seven seniors and eleven juniors out this year, things as far as district and the season as a whole looked very promising.

The quarterback position is well fortified with two juniors, Hoyt Glascock, 196 pounds, and Mike Cleavinger, 160 pounds, both very capable of guiding the Wolverines to a winning season. The two will probably be rotated during the season, with Cleavinger playing in the tight end position with Glascock as quarterback, and with Cleavinger calling signals. Glascock would probably become half-back.

But as Locke says, who can tell after so short a time who is going to play what position. In other positions, Kent Coker, senior, and Hollis Daniel, junior, will be vying for the center position.

In the guard position, Chris Brock, junior, Terral Ott, junior, and Tony Keith, junior, will be in contention.

The tackle positions are pretty well filled with Kent Parish, senior, Johnny McNamara, with Mike West and Monte Winders, seniors, filling in.

The end positions are more or less toss-ups between Guy Davis, sophomore; Carl Sulser and Greg Slover, juniors, all with plenty of speed.

George Nance, Tony Barton and Jerry Barden will probably play as running backs, with Barden switching to guard and Nance going to defensive tackle.

Locke also stated that he was proud to have been chosen to coach the Wolverines and he thinks he has a great bunch of boys to work with.

He also invites all the local fans out to watch the scrimmage Friday night against Silverton.

The time is 8 p.m. at the Wolverine Stadium.

Varney Rannals Services Held Monday

Funeral services for Varney W. Rannals, 64, of Lazbuddie, were held at 10:30 a.m. Monday in the Singleton Funeral Home Chapel of Chimes in Muleshoe. Rev. Johnny Timms, pastor of the Lazbuddie Baptist Church, assisted

by D. L. Thompson of Muleshoe, officiated. Interment was in the Muleshoe Cemetery.

Rannals died shortly before 8 a.m. Saturday in the Clovis Memorial Hospital in Clovis, New Mexico. He was born in Pottawatomie County, Oklahoma, and moved to the area in 1928 from Maud, Oklahoma.

Rannals is survived by his wife, Nellie; a stepson, Bryan Linville of Amarillo; his mother, Mrs. Cora Rannals of Honey Grove; a sister, Mrs. Ethel Combs of Amarillo; four brothers, Lester of Stinnett, Horace of Borger, Desmet of Honey Grove and Esmel of Paris; and three grandchildren.

Twosome Listed On Dean's Honor Roll at Tech

Pansy and Ricky Byers were both listed on the Dean's Honor Roll at Texas Tech for the spring semester ending in mid-May. The listing was made known recently.

Mrs. Byers had a grade point of 3.0 and Mr. Byers had a 2.8 grade point. Both are graduates of Springlake-Earth High School. Mrs. Byers is the

daughter of Mr. and Mrs. M. H. Been of Earth and Byers parents are Mr. and Mrs. Roy Byers, Jr. of Springlake.

Wish I'd Said That

The people who get up in the world today are the ones who drove carefully the night before.—Fred W. Grown, The Bergen (N. J.) Citizen.

Not every trash basket catches all the stuff that should be thrown into it.—James A. Williams, Jr., Southwest (Wythe County) Virginia Enterprise.

THE LAND and buildings of the average United States farm are worth \$100,000.

THE WHEAT in a loaf of bread which sells for 22.8 cents brings the farmer 2.5 cents.

TRY AN EXPERIMENT!

If your TV has been playing for a number of hours, lay your hand on the top of the cabinet... hot isn't it? Try the same with Quasar TV... Quasar cools less heat than a 25 watt light bulb! Fantastic isn't it?

25" (DIAG.) Quasar "works in a drawer" Color TV

DID YOU KNOW... Any repair on a Quasar (including picture tube) can be made from the front of the set... in the home!

Quasar Color TV also features...

- Solid state mini-circuits that are designed not to weaken or burn out like tubes. They help retain new-set color, new-set sound. If a mini-circuit ever fails it can usually be replaced at home, in minutes.
- An improved color picture tube that's "squared off" to provide a big 315-square inch viewing area.
- Automatic fine tuning for the best possible color signal.
- Push-button controls for color, hue, intensity, and volume.
