We have been conducting a survey on grocery prices, and we find groceries are no cheaper in surrounding town's than the prices offered here in Earth. Check this week's grocery advertisement in your Earth News-Sch and you'll find Folger's Coffee 69 cents per pound, Bacon 45 cents per pound, Frozen Strawberries two packages for 29c, and many other savings equally as great.

These grocery specials appear weekly in the paper, offering savings to you, and act as an invitation for you to buy at HOME.

#### More And Better Facilities For This Growing Area

With the purchase of more parking space across the street from our hospital and the addition of another floor, we feel that we will be able to meet the needs of this growing area of West Texas.

At present we are engaged in a \$250,000 expansion program that will increase our capacity to 48 beds. In addition to construction of the second floor, the present building will be remodeled. Also plans call for around \$30,000 worth of new equipment, in order to better serve the public.
