

Junior Rodeo Attended By Approximately 200 Persons

The rains came Saturday (or should we say light showers?) but it didn't seem to dampen the enthusiasm of Earth Junior Rodeo fans. There were about 200 persons on hand for the rodeo--with approximately 180 young people participating in the rodeo.

The creation of the Hospital District in Saturday's election proved that a community with a purpose could accomplish its goal.

Abe Lincoln knew that successful accomplishment required "unity" back in the Civil War days when he said, "A House divided against itself cannot stand, but will fall."

Progress in a small community cannot be accomplished without unity, a oneness of purpose, each striving toward a common goal, each putting a shoulder to the wheel in an all-out effort to attain something for the community.

So often small communities fail, dry up and blow away, because they are divided, each one pulling in his own separate direction. Using as an excuse not to work for it or that, because it won't help me any... utterly failing to get the point, that anything that brings people here, or is an advantage to any one person in a town, will in turn benefit others, especially if that person is dedicated to spending his money at home.

Each of us cannot have everything customized to our own particular liking or made-to-order to put money in our pockets alone, but we are each obligated to try to improve our community because it is "our home."

There are other things in the wind that Earth could possibly attain if 100% effort were applied. One is a junior college. However, no one in Earth has seemingly rallied to the call to garner a following of supporters to roll up their sleeves and get to work on it. No one seems interested in pushing the effort, and yet a junior college in Earth would be like a drink of cool clear water to a dying man in a burning desert...

Let's not rest on our laurels, no one could care less as to what we have done, or have been... but what we are doing today is the important thing...

There is no reason for this Earth-Springleake Community to be a has-been place. We have the best farming area in Texas, not only that, but this land rates pretty high to that of any place in the nation. Let's not sit down and pat ourselves on the back over one accomplishment, but rather keep working... remember it takes six times as much effort to get a wheel started up again once it has stopped, than it does to keep it going while it is still yet in motion.

PV Men Attend Meeting For Briefing On Lions

Jarvis Angeley, Deputy District Governor of Lions International and Secretary of the local Lions Club met Wednesday night with men of the Pleasant Valley community, who were interested in organizing a Pleasant Valley Lions Club. The group gathered at 8:30 p. m. Tom Gregory, special representative also attended. He and Angeley gave the group a brief idea of the activities of Lions, and explained the value of a local hard working club, to a community. They also advised the group on the way to form a club. The local club furnished refreshments for the group meeting.

Earth-Springleake Hospital District Okayed By Voters Saturday

Tax payers in Earth-Springleake area went to the polls, Saturday, and by a margin of 45 votes, created an Earth-Springleake Hospital District.

Of the 484 votes cast in the election held in the Springlake-Earth High School building, 268 voted for the creation of the district and 223 against.

The first portion of the two-part proposal included creation of the hospital district and provided for the levy of annual taxes to finance the proposed hospital facility. The second portion of the proposal allowed the issuance of hospital bonds and the levying of a tax in payment of them. This proposal passed by a 258 to 225 vote.

Election officials were L. K. Anderson, Phil Raught, Donnie Clayton, Mrs. Gladys McCaskill, Harlon D. Watson, and Mrs. W. C. Terry.

The 26 bed hospital floor plan is designed with special rooms for extended care for the aged. The 24, 750 square feet building will be built and equipped with everything to meet the accreditation requirements, plus two fully equipped doctors' offices attached to the front wing of the hospital.

The Hospital Board are currently making inquiries concerning residential doctors for the hospital. These will be secured before construction on the hospital begins.

Application for a Hill-Burton grant in the amount of \$300,000 has been made. This if granted, will be applied to decreasing the indebtedness of the hospital.

LOCAL BOY SCOUTS perform Flag Services Tuesday morning at both the Springlake and Earth Cemeteries. The local troop #614 is shown as the National Anthem was played.

Annual Red Cross Meet Slated June 2

The annual meeting of the Lamb County Chapter American Red Cross has been scheduled for Friday, June 2 at 4:00 p. m. in the Red Cross Office (courthouse).

The public is invited. You are a member if you have contributed as much as \$1 to Red Cross and you are urged to attend the annual meeting and vote in the election of its board of directors. In addition to election of officers, the program will include a special recognition of volunteers.

Lions Club Broom Sale Slated Tuesday

The Earth Lions Club is sponsoring a broom sale Tuesday, June 6, with proceeds from the sale to be used in purchasing glasses for the needy children of the area.

Top quality merchandise will be on sale, including brooms, mops, wax applicators, sponges, pot holders, oven mitts, dust cloths, dish towels, ironing board covers, lawn rakes, etc. The merchandise is manufactured by Texas blind workmen

in blind shops or lighthouses, which are non-profit organizations.

L. K. Anderson has been appointed as chairman of the sale. The caravan will be stationed on the Piggy Wiggly parking area. Everyone in need of these items are asked to please stop by and make their purchases at the truck stop; however, members of the Lions will canvass the town.

Mrs. M. D. Cearley of Hobbs, New Mexico, visited Sunday in the E. C. Hudson and Sam Cearley homes.

The baseball schedule for both Pee Wee and Little League teams are included elsewhere in the paper.

Fire Thursday Morning Causes Smoke Damages

A fire at 12:45 a. m., Thursday morning in the storage room of the Earth Hotel and Texas Cafe caused considerable smoke damages, according to Fire Marshal James Wages, who said the damages had not been fully estimated, pending a report from the insurance company.

The fire was discovered and the siren sounded by Jerald Hadaway who was driving down the street and saw what he thought to be flames. He stopped to investigate, then pushed to sound the fire siren.

Deputy Sheriff W. A. Hatfield, was one of the first to arrive on the scene. He arrived along with members of the speedy Earth Volunteer Fire Department who extinguished the flames before they spread throughout the building.

Fire Marshal James Wages said the origin of the fire was unknown but was currently under investigation by himself and Deputy Hatfield.

Mrs. Jarvis Angeley is in Brownfield this week visiting with her daughter and family Mr. and Mrs. Claborn Stewart and young grandson Chad.

Approximately 100 Attended Memorial Day Services At Earth Cemetery

Walter Dennis minister of the Church of Christ in Earth used as his subject, "Human Liberties" when he spoke to the approximately 100 people who gathered for Memorial Day Services at the Earth Cemetery Tuesday morning.

Boy Scouts from Troop 614 decorated the 25 veterans' graves in the local cemetery, followed by the sounding of "Taps".

During a short business meeting three directors were elected to serve for three year periods. Those elected were M. E. Kelley, Ernest Green and L. T. Smith. M. E. Kelley is president of the Cemetery Association.

Mr. and Mrs. George Kasinger of Earth were in Roscoe recently to visit relatives. Mrs. Stella Lightfoot had been visiting in Roscoe for two weeks and she returned home with them.

Mrs. Leroy Wilkinson and daughter Sharon spent Saturday in Midland visiting Mrs. Bill Beasley.

Memorial Day Services Held At Springlake Cemetery

Memorial Day services were held Tuesday morning at the Springlake Cemetery. Approximately 65 persons were present for the services.

Under the direction of Travis Jaques, scout master, the Cub and Boy Scouts of Troop 614 presented the program which included the playing of "Taps" and "The Star Spangled Banner." The Troop also placed flags on 14 graves of Springlake's veterans.

A business meeting was held following the program and officers were selected for the coming year. The new officers are president, Leslie Watson; vice-president, Mrs. Myrtle Clayton; secretary-treasurer, Mrs. A. C. Barton; corresponding secretary, Mrs. Ed Haley; and caretaker, Ralph Radd.

Don Larkin Resigns As Pastor Of Springlake Church

Don Larkin, pastor of the Springlake Baptist Church for the past 22 months, has announced his resignation, which will become final June 17. The Larkins will move to Burlington, Colorado where he will be pastor of the First Baptist Church.

Brother Larkin said that the Burlington Church will present a tremendous challenge and a wonderful opportunity in the field of missions and pioneer church work.

The church in Burlington will be attended by some members who live as far as 35 miles away. There are no Baptist Churches between Burlington and Denver.

a distance of several hundred miles. The Larkins will assist in conducting a Mission Bible School this spring in Adalia, Colorado.

The Larkins moved to Springlake from Point Comfort, Texas, Brother Larkin's hometown is Pampa, and he graduated from high school there. Mrs. Larkin is a graduate of the school in her hometown, Wheeler High School. They were married 19 years ago at Pampa on the birthday of Mrs. Larkin and her twin sister.

Their oldest son, Steve, was a member of the 1967 Springlake-Earth High School graduating class. He is enrolled at West Texas State University, where he will begin his studies next week. Other children in the Larkin family are Melissa and Gary.

Brother Larkin stated that he and his family certainly have appreciated all the good friends they have made here--in the church, school, and community, and that they really will

OPEN MEETINGS MANDATORY BY GOVERNMENTAL BODIES

Gov. John Connally, on May 22, signed into law an "Open Meetings" bill which he proclaimed as "a great step forward for the people of Texas."

He was referring to Senate Bill 94 sponsored by Sen. Chet Brooks of Pasadena. Similar legislation was introduced in the House by Rep. Bill Rapp of Raymondville.

Passage of the "Open Meetings" legislation at the 1967 session culminated a drive that began some 20 years ago. It was engineered by legislators and the press to insure a better flow of information to the public.

At the bill signing ceremony, Governor Connally made this statement regarding the importance of the legislation:

"Senate Bill 94, commonly known as the open meetings bill, provides basically that all meetings of boards, agencies and commissions shall be open meetings, open to the press. This is something that the working press in the capitol and the press throughout the state have been interested in for a long, long time. I think it's an historic and significant bill and a significant day."

"Certainly there's never been any desire, as far as I know, on the part of anyone who serves on a board or an agency or commission to transact its business under the cloak of secrecy. But, nevertheless, the meetings have, from time to time, been closed."

Connally added: "This bill will now end that and provide that all the meetings shall be open to the press. It's a great step forward in trying to provide a means where the public can be more informed with respect to governmental affairs and public affairs."

"Beyond any question, one of the weaknesses of a democratic society is that it's always difficult to try to articulate and to inform the public of the problems that surround the administration of government. I personally feel that if the public is informed, if it has the knowledge, people themselves will always make the right decisions. And this is going to be a step in providing the means where people can be better informed on the workings of their government."

Governor Connally further stated: "This is particularly important because the affairs of this state are run by the various agencies, boards and commissions. People generally do not quite understand the significance of these various boards,

agencies and commissions and the work that they do and the decisions they make. It is really the heart and the essence of government in Texas."

"So I want to applaud the efforts of the press itself to bring into the light and to the awareness of the Legislature the need for this type of legislation. I want to commend the members of the Legislature who supported it and congratulate the people of Texas that they now can be better informed on their own affairs."

Excepted in the bill, so far as open meetings are concerned, are grand juries and certain executive sessions supported by or expending public funds. The law also excepts meetings called to consider the appointment, employment or dismissal of a public officer or employee or to hear complaints or charges brought against such persons, unless the individual concerned requests a public hearing.

Similar legislation was introduced by the Texas Press Association some 20 years ago. This year it had the backing not only of TPA but also the Texas Daily Newspaper Association and the Sigma Delta Chi journalistic fraternity, plus the support of radio and television media.

Co-sponsors of the new law, in addition to Senator Brooks, were the following Senators: Joe Christie of El Paso; Barbara Jordan of Houston; Criss Cole of Houston; Henry C. Grover of Houston; A. R. Schwartz of Galveston; and Dorsey B. Harleman of San Angelo.

Joining Representative Rapp in escorting the bill through the House were Representatives Russell Cummings and Paul Floyd, both of Houston.

Olton Youth Center Schedules Dance For Saturday Nite

miss their friends. He added that they appreciated all that the people of this area have meant to his family and that he feels their lives are richer because they have known and worked with these people.

He had led revivals in the Springlake and Earth area and at Adams, Oklahoma and Wichita, Kansas since he has been pastor of the Springlake Church. For the past year, he served as clerk for the Llanos Altos Association, and he was chairman of the association's nominating committee in 1966.

Another phase of church work that Bro Larkin has been active in, is work with the Royal Ambassadors. He has taught RA Counselor and Leadership courses in the Springlake and surrounding areas. For two years, he served as director of the Royal Ambassador Camp at Palacios, Texas. He twice assisted the State Brotherhood Department in conducting a regular clinic at Plainview.

Bro Larkin was active in the Springlake Lions Club where his last duties included leading the singing and serving as program chairman. He also drove a school bus and did substitute teaching for the Springlake-Earth Schools. The colleges he attended were Howard Payne University, West Texas State University, and Wayland Baptist College.

The Larkins have been active in church work with the young people of the area and in associational work with the youth. They have attended the local school's basketball and football games, track meets and other sports events. Bro Larkin also has driven the school bus for the band members to various places to compete in contests.

Mr. and Mrs. Jack Hinson of Springlake left Friday for Tres Rios. The couple plan to be there until June 5 when they will return home.

Jones is president of the Austin SDX Chapter and Capitol Correspondent for AP. Scarborough is a member of Texas Press Association's legislative committee. Rep. Bill Rapp of Raymondville, House sponsor, was unable to be present. Under the terms of the bill all meetings of official public bodies must be open to the press and to the public. Connally proclaimed the law "a great step forward for the people of Texas."

Joe Coombes To Do Missinonary Work In Trinidad

Roswell, N. M. - The New Mexico Military Institute observed its Seventy-fifth Anniversary Year Commencement from May 26 through May 28. The Commencement period was crowded with three days of festivities and ceremonies for its junior college and high school graduates and students and visiting parents, alumni, and friends.

Highlights of the annual occasion were a reception by the Superintendent, Major General Sam W. Agee, U. S. Air Force (Retired), a military awards ceremony, a military athletic jambolaya, a baccalaureate service, a final review and parade, an alumni meeting and luncheon, a colorful final ball, a polo game, and a graduation ceremony, in which Associate in Arts Degrees were conferred on Junior College Graduates.

All activities were terminated with the playing of "Auld Lang Syne" and dismissal by the Commandant of Cadets, Col. Curry N. Vaughan, U. S. Army (Retired). Among the cadets participating in the activities was Sgt. James M. Wohlgenuth, of Dimmitt.

Gary Kelley To Attend Nuclear Science Symposium June 11-14

Gary Kelley, Springlake-Earth Senior and the son of Mr. and Mrs. Guy F. Kelley, has been selected to attend the seventh annual Texas Nuclear Science Symposium which will be held at the University of Texas at Austin from June 11th through June 14th. Gary will be accompanied to the symposium by Mr. Dewane Fryar, high school faculty member.

The Southwestern Public Service Company sponsors the attendance of area high school students at the symposium as part of the program of the Texas Atomic Energy Research Foundation, of which the Electric Company is a member. TAERF and the University of Texas present the symposium, which is attended by 500 top students and instructors from Texas High Schools.

Gary has a combined interest in science and mathematics and is past president of the National Honor Society and newly elected President of the Student Body.

Mr. Fryar earned his B. S. Degree in Physics and Mathematics from Eastern New Mexico University at Portales in 1961

Area Receives First Rain In Months

The rain Sunday was the first for this area in approximately eight months and it was welcomed by area farmers and residents in general.

Rainfall reports show that Earth received .4 inch of rain. This report was given by Pete Parish.

Springlake residents reported that they had rainfall which varied from 1/2 inch, in and around town. The Edwin O'Hairs reported 1/2 inch of rain at their home east of Earth.

County Reaches 48% Of Annual Bond Sales In Four Months

April sales of Series E and H United States Savings Bonds amounting to \$7,038 in Lamb County were reported today by C. O. Stone, Chairman of the Lamb County Savings Bonus Committee. This is 48 per cent of the county's goal of \$160,000.

He went on to explain that the first four months of the year had been exceptionally good with sales totaling 77,229. If sales continue as high in the coming months as they have been thus far, Lamb County will go well over their goal.

Total purchases of E and H Savings Bonds in Texas for the month of April amounted to \$13,817,202. The January-April sales for the state totaled \$56,389,486 which is an increase of 8 per cent over the same period of 1966.

Nationally, cash sales of E and H Bonds for the first four months of 1967 amounted to \$1,770 million, 4 per cent above sales during 1966. Sales of E Bonds alone for the first four months were \$1,640 million, an increase of 6.3 per cent over 1966's million.

LETTERS TO THE EDITOR

May 29, 1967

Dear Ross,
I want to take this means to say "Thank You" to all the good people here in Earth. Each prayer, kind work, and act of thoughtfulness has been sincerely appreciated this last week. Mother, Daddy, and I will return to Houston this Saturday.

We plan to be there about seven weeks and return soon after July 19. While down there I will be in the hospital three days a week until I have had seven treatments.

While there, my address will be: Melodie Brock; c/o Joe Brock; 4711 Saxon; Bellaire, Texas.
I will try to answer all cards and letters although it may take a while.
May God bless each and every one of you for all your kindnesses.

Sincerely,
Melodie Brock

Depart from evil, and do good; so shall you abide for ever.—(Psalms 37:27)

It would seem that no one would deliberately do anything that would take away his peace of mind, his sense of well-being. But we do this when we allow ourselves to entertain thoughts of injustice. We need to let go any such feelings, and the best way is consciously to deny them. It does not matter what the appearances are, the justice of God can be trusted. God's law of justice is at work in our life and affairs and it is on this law that we are to rely.

Hucks-Curtis United In Marriage Saturday

Miss Carolyn Hucks, of Springlake, and Don Curtis, of Plainview, were united in marriage May 27 at 8 p. m. in

the First Methodist Church, Earth. The bride's parents are Mr. and Mrs. W. B. Hucks of Springlake, and the groom's parents are Mr. and Mrs. Cecil Curtis of Sunnyside.

The double-ring ceremony was read by Rev. Albert Lindley, pastor of the First Methodist Church, Petersburg. Baskets of yellow mums and gladiolas flanked by white candelabra, decorated the church.

"Till the End of Time" and "The Lord's Prayer" were sung by soloist, Miss Kathy Clayton. She was accompanied on the organ by Miss Joan Dawson, and Miss Karen Jones on the piano.

The bride was lovely in an exquisite full length gown of white bridal satin, when she was given in marriage by her father, W. B. Hucks. Seed pearls and crystals were embroidered on the bodice of the satin gown and her headpiece was a Dessy creation of jeweled lace with a hand woven veil of pure silk illusion. The bride carried a bouquet of white carnations and gladiolas atop a white Bible. White streamers and an arrangement of wedding rings and bells also were included in the bridal bouquet.

The traditional something old, new, borrowed and blue were included in the bride's ensemble. She also carried two pennies in her shoe, one penny each of the year of the bride's and groom's birth.

Mrs. Bill Chaney, Earth, attended her sister as matron-of-honor. Bridesmaids were the bride's classmates, Misses Cynthia Busby, and Diana McNamara, both of Springlake, and Pansy Been, and Janita Blackburn of Earth. The bride's attendants wore full length gowns of soft yellow peau de soie, accented by trains of white lace. A single yellow rose was carried by the matron of honor and each bridesmaid.

Ken Dawson of Springlake served the groom as best man and groomsmen were Billy Stevens, the groom's cousin from Petersburg, and the groom's brother-in-law, Bill Baker, Slaton. Ushers were Charles Axtell, Sunnyside, Bill Chaney of Earth, the bride's brother-in-law, Will and Melonie Baker, the groom's nephew and niece of Slaton, carried baskets of flowers. Ring bearers were the bride's cousin, Renae Winder and Clint Dawson.

Candlelighters were Miss Dalphia Banks of Springlake, and Miss Anita O'Hair, Earth, class mates of the bride. The bride's mother, Mrs. Hucks was attired in a beige lace suit with the blouse and trim made of matching crepe. Floral embroidered accessories completed her ensemble and her corsage was of yellow carnations and gladiolas. Mrs. Curtis chose a turquoise suit, with white accessories, to wear for her son's wedding. Her corsage was composed of white gladiolas.

The traditional white wedding cake, three tiers and decorated with yellow roses, was placed upon the reception table, which was covered with white lace over bridal satin. A centerpiece of yellow gladiolas and roses in a crystal bowl was flanked by silver candelabra with yellow tapers. Punch was served from a crystal bowl atop a silver stand. Nuts and yellow creme mints also were served.

MRS. DON CURTIS (Formerly Carolyn Hucks)

Class mates of the bride, Misses Beverly Prather, Linda Jordan, Debbie Barton, and Kathie Brown, all of Earth, presided at the reception table. Wedding guests were registered by the groom's sister, Miss Debra Curtis.

The reception also honored the bride's parents, Mr. and Mrs. W. B. Hucks on their silver anniversary. It also was the second wedding anniversary of the Hucks' other daughter and husband, Mr. and Mrs. Bill Chaney. The bride and groom and Mr. and Mrs. Chaney presented a gift of Sterling Flat ware for their anniversary. The Hucks were married in 1942 at Quanah, Texas.

For a wedding trip to Colorado, the bride chose a white shift of dacron knit with matching white accessories. She wore a white corsage taken from her wedding bouquet. Mrs. Curtis is a 1967 graduate of the Springlake-Earth High School, where she was a member of the State Champion Wolverette Basketball team. Her husband is a 1967 graduate of West Texas State University, Canyon, where he received his BS degree in agriculture and minored in biology and chemistry. He is a member of the Lambda Chi Alpha Fraternity. The groom is employed by Sun-Yue Fertilizer, Lockney and they will make their home in Plainview.

Allison-Skogland Vows Exchanged In Church

In an impressive candle lighted ceremony in the First Methodist Church in Muleshoe, Saturday at 7:30 p. m., Miss Veta Sue Allison became the bride of John Edmund Skogland, Jr. Both are of El Paso.

Rev. J. Frank Peery read the vows amid a lovely setting created by a large altar arrangement of white gladiolas, Calla Lilies and cascading greenery, flanked by gold candelabra holding lighted white tapers.

Parents of the couple are Mr. and Mrs. Harold Lamar Allison of Muleshoe and Dr. and Mrs. John Edmund Skogland of Houston.

Organist, Mrs. Sam Damron, Muleshoe, accompanied soloist, Mrs. Kenneth Osborn, Lovington, New Mexico, as she sang "Twelfth of Never". Dr. and Mrs. Kenneth Osborn sang "Because".

Given in marriage by her father, the bride was lovely in a formal length gown of white silk organdy designed with a scoop neckline, short sleeves, and an Empress Josephine silhouette. Appliques of beaded peau d'ange lace accented the bodice and A-line skirt with a train that swept from the waist back. An open pillbox of silk organdy with beaded lace held her chapel length veil of silk illusion which was applied with beaded peau d'ange lace. She carried a bridal bouquet of gardenias, stephanotis, surrounded by ivy.

Attendants wore floor-length dresses of seafoam green pique fashioned with elbow-length sleeves, round necklines and slim chiffon skirts over pique. Bands of daisies outlined the empire bodices and hem-length panels were secured at the necklines in the back. Double crowns of daisies held their circular veils. They carried bouquets of daisies surrounded by ivy.

Maid of honor was Miss Carolyn Allison, sister of the bride. Other attendants included Bonnie Skogland, Houston, sister of the groom; Jan McVicker, Muleshoe; Mrs. Jane Stephens, Lubbock; and D'Maris White, El Paso. Beth Osborn, Lovington, cousin of the bride served as junior bridesmaid.

Ralph Natale, Everett, Massachusetts, served as best man. Groomsmen included Hobart Coming, Golden, Colorado; Bill Hansis, Baltimore, Maryland; Thomas Serrano, San Ysidro, California; and Fred Allison, brother of the bride. Jack Allison was junior groomsmen. He is also a brother of the bride.

Allison Kay Pool, Muleshoe, wearing a seafoam green formal length gown served as flower girl. Ringbearer was Russell Tunnell of Earth.

Trainbearers included Misses Loveta Jo and Carol Sue Black. They were attired in white silk organdy formal length gowns trimmed in lace.

Jim Allison, brother of the bride, and Steve Osborn, cousin served as candle lighters.

Ushers were Larry Allison, Muleshoe, cousin of the bride; Tom Cowell, Commington, Mass.; Fred Whitecotton and A. R. Garcia of El Paso. Mrs. Buddy Pool, Muleshoe, and Miss Becky Osborn, Lovington, N. M., presided at the guest register.

Immediately following the ceremony, a reception was held in the Fellowship Hall of the church. The bride's table was covered with a white satin cloth over white net. The satin was draped on the sides and was decorated at each point with bridal wreath and green ribbon. A nine branch candelabra and the bride's bouquet decorated the table. The groom's table was covered with a green cloth and decorated with ivy and a single candle in a silver candelabra.

Serving at the bride's table were Miss Georgia Didlake, Palos Verdes Peninsula, California; and Mrs. Fred Whitecotton, El Paso, Texas.

Serving at the groom's table were Mrs. Bobby Borden, Portales and Miss Linda Wells, Muleshoe. Background music was by Linda Scott, Muleshoe. Members of the house party included Mrs. Edward Smith, Mrs. Gerald Allison, Mrs. Oscar Allison, Mrs. Neal Dillman, Mrs. J. E. McVicker, Mrs. Kenneth Freure, Mrs. Linda Murray, Mrs. David Anderson, Mrs. John West, Mrs. A. W. Copley, Mrs. J. K. Adams and Misses Kathy Andreas, Judy Elliott, and Susan McVicker, Miss Kenzie Jean Osborn was in charge of the rice bags.

For a short wedding trip to Buidoso, N. M., the bride chose a bone linen dress with matching street length coat accented with gold and apple green. Her accessories were also bone. She lifted two gardenias from her bouquet for a corsage.

The bride graduated from Muleshoe High School in 1964 and is a junior elementary education major at the University of Texas at El Paso where she also serves as president of the Student Education Association. She was also a candidate for Miss Texas Western last year. She has taught piano the past three summers in the piano studio of Mrs. Sam McKinstry, Muleshoe.

The groom is a graduate of Memorial High School, Spring Branch, Houston, and is now a senior economics major at UTEP

MRS. JOHN E. SKOGLAND, JR. (Formerly Veta Allison)

where he also serves as business manager of El Burro, the school paper. He has worked the past two summers in Boston, Mass. They are now at home in El Paso.

4H Sewing Classes Held In Wesley Clark Home

The George Wesley Clark home was the scene Monday for the second session of a 4-H Sewing Project taught by Mrs. Clark. She also taught the first class which was held in her home May 15. Both first and second year courses were taught at the sessions.

Members are working on sewing projects to be entered in a dress review at Littlefield. The dress review will be held in July at the Community Building.

Those present for the first year sewing course were Franice and Joy Faver and Laquinta Clark, who sewed on gathered skirts. Renee Clark, who is taking a second year sewing course, worked on the tent dress she is making. There is one other member in the second year class Lajuanna Marshall, but she was not present for the meeting.

The sewing sessions will be held every Monday in the Clark

home, until the garments are completed.

Melody To Return To Houston For Treatment

Mr. and Mrs. Ross Brock and Melodie will leave Saturday for Houston where Melodie will re-enter the Cancer Research Clinic there Sunday, for additional treatment. Melodie will be required to take treatments each Monday and Tuesday for the next seven weeks. The schedule has been worked out so Melodie will be admitted to the hospital each Sunday and remain for two days of treatment and be dismissed each Wednesday for the seven weeks period.

Couple Attends 50th Anniversary Class Reunion In Oklahoma

by Joline Franklin

The well known phrase about "school days and dear old golden rule days" -- brings many memories to mind. R. W. Fanning, a long time resident of Earth, came into the newspaper office recently and shared some of the memories of his school days with us. He also told us about a class reunion that he and his wife attended recently.

ATTENDS 50th REUNION OF HISTORY MAKING CLASS

A couple of weeks ago, Mr. and Mrs. Fanning attended the 50th reunion of his 1917 graduating class at Magnum, Oklahoma. It was a class that made history in many ways, and one of its distinctions was that it was the largest class to graduate from Magnum High School prior to that time.

There were 42 graduating seniors, 22 girls and 20 boys. Nineteen of these class members were on hand for the 50th reunion. Twelve members of the class are deceased.

The school took quite a few honors in 1916-1917, even though the school year did get off to a rather unusual start. Magnum High's debating team ranked near to the top in the state championship. The basketball team won second in the state and the baseball team ranked as third in the state's top high school teams.

Mr. Fanning said that although he played some football, baseball really was his game and he was on the first team.

UNUSUAL START OF 1917 SCHOOL YEAR

At the first assembly that year, the principal told the student body that he had heard that they were "a bunch of thugs and outlaws" and that he could take care of them if they were looking for trouble.

The students were astounded at the principal's announcement because the school had never had this reputation and they knew his words were unfounded.

SENIOR CLASS "REBELS"

A tradition of the school was that the senior class (each year) would have a certain place to sit at assembly, and also a specific room to assemble in as a homeroom.

50th REUNION OF HIGH SCHOOL CLASS... R. W. Fanning, in the back row second from the right, is shown here with 15 members of his graduating class. Three other members of the class who attended the reunion were not available for pictures.

When the principal attempted to change this tradition by assigning the seniors new rooms they decided at a class meeting to rebel in an orderly fashion. The result was that the class staged the first "sit-in" of the school's history.

The whole class sat still when they were told by the principal to go to their newly assigned rooms. He ordered the class to leave the room once more-but they still remained quietly in their seats. After a few tense minutes, the principal made the announcement that the whole class was expelled. The class then rose from their seats and left the room and the school.

SCHOOL BOARD MEETING

This was the first (and only) senior class ever to be expelled from the high school. The school patrons held a meeting with members of the board of education also present. As an outcome of the meeting, the principal was censured and the seniors were given the right to go back to school.

When the seniors returned to school, all traditions were honored and the class gained what they felt were their constitutional rights--without any placard carrying or rock-throwing.

WORLD WAR I DECLARED

Mr. Fanning was born at Waxahachie, Texas and moved to the country around Magnum in 1902. He and the former Ola Mealer, a preacher's daughter, were married at Floydada in 1919. They moved from Hereford to the Earth area in 1935, where he became engaged in farming operations.

VARED PROFESSIONS

The members of the 1917 graduating class of Magnum High have chosen varied professions and Mr. Fanning is the only farmer of the group. Several graduates of the class became teachers, and two went into the field of medicine. One class member is owner of a dress shop in Lubbock.

EARTH RESIDENT SINCE 1935

Mr. Fanning was born at Waxahachie, Texas and moved to the country around Magnum in 1902. He and the former Ola Mealer, a preacher's daughter, were married at Floydada in 1919. They moved from Hereford to the Earth area in 1935, where he became engaged in farming operations.

LUNCHEON, BANQUET HIGHLIGHTS OF REUNION

About 650 alumni of Magnum High School attended the class luncheon and banquet this year. Former 1917 class members were given a tour of the city and the school campus where many changes have been made through the years. But Mr. Fanning said there still are many familiar sights with some of the older homes and the old court house remaining as landmarks. And he added that the depot and the old mill are the same buildings that were there when he was a youth.

All in all, according to Mr. Fanning, it was quite an event, from the luncheon until the farewells were said after the banquet. It was an event that was looked forward to--and it will not be soon forgotten by those who attended it.

We want to thank Mr. Fanning for sharing his memories of his school days and the 50th class reunion with us.

Gloria Stephens Hostess To Party

Gloria Stephens was hostess for a slumber party Friday night at the home of her parents, Mr. and Mrs. Jim Stephens, Springlake.

Sixteen Freshman and Sophomore girls were guests for the slumber party, and they brought their sleeping bags and slept in tents in the Stephens' back yard. A supper of "sloppy-joes" was cooked out in the back yard. Those attending the party were Jan Hedges, Becky Sanders, Lauren Earnest, Judy Jaquess, Jan Blackburn, Cindy Burton, Laquita Raught, Linda James, Teresa Glascock, Pam Avery, Susan Parish, Jimma Banks, Karen Armstrong, Sandra Henderson, Jinna Banks, and Brenda Robertson, and the hostess, Gloria Stephens.

Mrs. Sarah Clark returned from Amarillo Monday night where she had spent two weeks visiting with her daughters, Mrs. Sherman Worth and Mrs. Louis Rogers.

Wesley Clark is a patient in the Green Memorial Hospital, Mulshoe. He is suffering from an eye infection.

NOTICE

Mrs. Norman Sulser has announced that it is time for members of the Brownies and the Junior Girl Scouts to send in their registration forms for the Girl Scout Day Camp and a \$2.50 fee.

Registration will end June 16 for the camp which will be held June 19-23 at the Norman Sulser farm. The registration forms may be mailed to Mrs. Sulser, Route One, Earth.

1967 Graduates Select Various Colleges To Attend This Summer

A number of 1967 graduates of the Springlake-Earth High School have made plans to attend summer sessions at various colleges. Dalpha Banks, Linda Jordan and Steve Larkin will begin their studies June 6 at West Texas State University in Canyon.

Anita O'Hair and Vicki Sanders will attend the University

of Texas at Austin. Janita Blackburn will enroll for summer courses at Hardin-Simmons. Steve Mann will attend ICC this summer.

Texas Tech, at Lubbock, was the college chosen by Debbie Barton, Pansy Been, Cynthia Busby, Diana McNamara, Logan Armstrong, Ginger Dent and Pam Jordan. The summer sessions will begin June 6 at Tech.

Lamb County 4-H Members To Attend Annual Roundup June 6-7

Texas has long been famous for its roundups and its 4-H Roundup is no exception. This annual event to be held on the campus of Texas A&M University, June 6-7, is one of the nation's oldest statewide annual 4-H events.

The number of 4-H members in attendance this year will be down since only the first place winning teams from the 12 Extension districts are eligible to attend. Winners in the State 4-H Food Show will be determined on June 6 and those in 31 other judging and demonstration contests on June 7.

The state 4-H leaders say approximately 850 boys and girls from every section of Texas will participate in the contests. They will be accompanied by some 350 local 4-H adult leaders and county Extension agents who have coached and supervised the district winners. Those attending from Lamb County are: John and Lyla Pitts, Freddie Allison, Collin Platt and Sam Allison and adult leader, Harold Allison from Pleasant Valley; Vickie Ray and adult leader, Mrs. Jerry Ray from Sudan and Assistant County Agent, Sam Kuykendall.

In addition, the state 4-H leaders are expecting some 500 friends of 4-H to attend all or part of the two-day program. Included are sponsors of judging and demonstration contests, and members of the Texas 4-H Youth Development Foundation.

4-H is the youth phase of the educational programs carried on by the Texas Agricultural Extension Service, a part of the Texas A&M University System. Local county Extension agents can supply detailed information on 4-H programs and activities of the Texas 4-H Youth Development Foundation.

Area Students Receive BS Degree From ACC

Boyd Clayton, son of Mr. and Mrs. Fred Clayton of Earth was among the 333 students at Abilene Christian College to receive Bachelor's degrees in the 1967 spring commencement exercises on Monday, May 22. Of the graduating class, 239 are from Texas.

Jon E. Jones, minister for the University Avenue Church of Christ, Austin, was speaker at the Baccalaureate services May 21. Dr. Clifton L. Ganus, Jr., president of Harding College,

Searcy, Ark., delivered the commencement address May 22.

Degrees awarded included the bachelor of arts, bachelor of science, bachelor of science in education, bachelor of music education and the bachelor of science in home economics. Others from this area receiving degrees were James W. Killingsworth Jr., son of Mr. and Mrs. J. W. Killingsworth of Dimmitt, and Marilyn Alson, daughter of Mr. and Mrs. John F. Richey of Littlefield.

Six Students From H-SU Named In Who's Who

Six Abilene students were named to "Who's Who In American Universities and Colleges," in an announcement made by the Hardin-Simmons University Student Congress and Faculty.

Twenty-seven students were voted upon on a special meeting of the Student Congress and names of the nominees forwarded to the faculty committee for final decision. Election for the award is based on scholarship, participation in student affairs and citizenship.

Janice Blackburn, daughter of Mr. and Mrs. Troy Blackburn of Earth, was among the twenty-seven students whose names were submitted as nominees. Miss Blackburn is a political science major.

Card of Thanks

Words are inadequate to express our sincere thanks to the many wonderful friends in this area for the flowers, cards and many remembrances shown us during this time of sadness over the loss of our loved one.

Your many kindnesses, prayers, words of sympathy and encouragement has made our sorrow easier to bear. May God Bless each of you in our sincere prayer.

Area Farmers Livestock Survey Cards To Be Mailed

Postmaster Harold D. Miller reminds rural patrons of the Earth Post Office to be on the lookout for June Livestock Survey Cards. Next week survey cards will be placed in a sample of boxes belonging to farmers and ranchmen.

USDA bases livestock and poultry estimates on replies to this survey. "It is important for everyone who gets a card to fill it out and return it to the letter-drop. This way USDA gets a true sample of the areas livestock and poultry holdings."

Survey cards will be forwarded to Cary D. Palmer, State Agricultural Statistician in Austin. After adding and analyzing these cards, USDA statisticians are able to estimate the State's milk production, calf and pig crops, lamb and wool crops, and the number of hens and pullets.

"Information from this survey will guide livestock and poultry producers in making important business decisions," Mr. Miller concludes.

"THIS and THAT" From Circle-Springlake-Olton

By Mrs. Tom Stansell

Miss Betty Harrod, daughter of Mr. and Mrs. V.O. Harrod of the Circle community near Olton, graduated from Bethany Nazarene College in Bethany, Oklahoma, Monday evening, May 22.

She graduated from Olton High School in May 1963 and entered college at Bethany in September of that year. During the time she was a freshman she was a member of the Oratorio chorus which gave public singing performances. She belonged to the Sigma Delta Society all four years she was in college. She also took an active part in the organization of Student Education Association acting as delegate to the S. E. A. Convention two years. She was also a member of Associated Women's Students.

During the school semesters Miss Harrod lived in Bud Robinson Hall and Bracken Hall. She found her life in college to be one of social as well as spiritual enrichment.

Her major, Elementary Education, kept Betty extremely busy with reports, observations, and special projects. She did her student teaching the first semester of her senior year. Under supervision she taught third grade at Myers Elementary School in Yukon, Oklahoma. Miss Harrod now has a BS degree and plans to teach in the Elementary grades.

Local Junior High Students Write Themes on Americanism

WHAT AMERICA MEANS TO ME
by Kent Coker

America means many things to me. The first is freedom of worship according to one's conscience. This was the motivation that brought the first settlers to America. In the early beginnings of America a settlement was made of people of only one religion. Roger Williams and William Penn were the first to have religious freedom in their colonies. The ideals of these Americans greatly influenced the writing of the Constitution of the United States and made possible the great heritage of religious freedom in America.

America means an opportunity for education for all. It offers free public schools from the first grade through high school. In many countries education is for the sole purpose of creating a love for one's country and its leader and hate for its enemies. A person will work better for himself than for a government, and this is one reason for America's outstanding progress

among nations. Natural resources are plentiful in the United States of America. These have helped us become the greatest and most prosperous nation in the world. These natural resources, if used wisely, are the key to factories, industry and agriculture that makes our nation great.

America means a great heritage of a free government of the people, by the people, for the people which protects the rights of the individual. America means great men who have fought and died for our country to remain free from dictators, tyrants and communism.

America means freedom of speech and press even to the point of speaking against public officials. Sometimes this is good for the government; sometimes it is detrimental.

America has the highest standard of living of any nation on earth. America gives its citizens more opportunity to earn and enjoy the things they want and need to make life more than just an existence.

America means people giving of their time and money to character building organizations to help the underprivileged, the physically handicapped and the elderly.

country bring to mind the different aspects of its history. The flag is red, white and blue. It now has fifty stars and thirteen stripes. This is one symbol of our country. Another is the bald eagle, our national bird. It has a gleaming white head and tail, and its body feathers are dark brown. The Statue of Liberty was given to us by France, October 28, 1886. The Liberty Bell, another symbol of our country, was rung in 1776 to proclaim our liberty, and it was cracked in 1835.

America means a great geographical variety. It stretches from the cold of Alaska to the hot and humid Hawaii. It rea-

ches from the Rocky Mountains through the Great Plains, from the Statue of Liberty to the Golden Gate.

These are a few of the things America means to me, a free and wonderful country.

Nichols Elected To Head Agri-Business

Walker L. Nichols, agricultural representative for Pioneer Natural Gas Company of Amarillo, was elected president of the Agri-Business Council of Texas on Wednesday, May 30, at the organization's annual meeting in Houston.

The 135-member Council, organized 18 years ago, has provided outstanding leadership in bringing together people in business and agriculture. It has also provided a forum for exchanging ideas and discussing subjects of mutual interest to those primarily engaged in strengthening the ties between business and agriculture.

"The growing partnership of agriculture and business has greatly contributed to the finest agriculture and nation in the world," Nichols said, "and the long range goals of both make it imperative that the relations between the two groups be continued so that both groups and Texas and the nation may reap mutual benefits."

Well-known in West Texas agriculture, Nichols is a director of the Texas Agricultural Workers Association and a member of the West Texas Water Institute, the High Plains T-Bone Association, and the Panhandle Pork Chop Association. He is also actively associated with area Young Farmers, Young Homemakers, Future Farmers of America.
