

MISS CARLENE JONES  
1969 EARTH RODEO QUEEN

## Local Beauties Compete For Rodeo Queen Title

Miss Carlene Jones, the lovely daughter of Mr. and Mrs. Carl Jones, will relinquish her title as the 1969 Earth Rodeo Queen when the 1970 queen is named during the July 9th performance of the Earth Rodeo slated for July 9, 10 and 11. Eight local beauties had been entered in the second annual Queen's Contest on June 19 with many more expected to be entered by their sponsors before the June 22 deadline.

Among those vying for the title will be Janis Bridge, sponsored by Farm Chemical Company of Springlake; Denise Temple, Earth News-Sun; Jennifer Myers, H. S. Sanders Lumber; Joan Dudley, Pounds Pharmacy; and Laura Dudley, Citizens State Bank. Also entered are Renee James, Brown-Jordan Equipment Company; Connie Kelley, KMP Lake Pump; and La Donna Sigman, Red Fuel.

The 1970 queen will be presented a trophy buckle depicting a queen's crown and Earth Rodeo Queen. The first

and second runners-up will each be awarded trophies. During her reign, the queen's duties will include representing the local rodeo at area rodeos and other activities. She will also present the 1971 Rodeo Queen at the 27th Annual Earth Amateur Rodeo.

Judging will begin at 9:30 a. m. on Tuesday, July 7, with the riding contest to be held at the local rodeo arena. The remainder of the contests are to be judged at a luncheon which will be held at 1:00 p. m. in the Community Center.

The Young Homemakers have out of town judges to judge this year's contest on a different basis than the 1969 contest was judged. The contestants will be rated on simple horsemanship, poise and personality. They must be enrolled in high school for the 1970-71 school year.

An informal Coke party is scheduled for the contestants on June 30. At that time they will be informed on what will be expected of them.

## Mrs. Banks Rites Held Saturday

Funeral services for Mrs. Amie Irtle Banks, 89, were held Saturday, June 20, at 2:30 p. m. in the Springlake Church of Christ. Morgan Sturgess of Tulsa officiated. Mrs. Banks died in a Littlefield Hospital Wednesday, June 17, following a week of hospitalization.

She had been a resident of Springlake for 39 years moving there from Elmer, Oklahoma. She was born in Berry County, Missouri, on June 8, 1881.

Mrs. Banks was a member of the Springlake Church of Christ.

Interment was in the Littlefield Cemetery under the direction of Parsons-Ellis-Singleton Funeral Home of Earth.

She is survived by two daughters, Mrs. L. H. Dent of Earth and Mrs. Edith Woods of Dallas; five sons, Arnold of Lubbock, Ray of Springlake, Kenneth of Anaheim, California, Joe of Fayetteville, Arkansas, and Dwight of Hereford; two brothers, Dick Stevenson of Washburn, Missouri, and Warren Stevenson of Cassville, Missouri; three sisters, Mrs. Kate Patterson of Rocky Comfort, Missouri, and Mrs. M. N. Wilson and Mrs. Nora Alfrey, both of Joplin, Missouri; a sister-in-law who has lived with her for 43 years, Miss Ann Banks; 20 grandchildren; 26 great-grandchildren; and one great-great-grandchild.

Pallbearers will be Mrs. Banks' grandsons.

Summertime means fun in the sun and of course the water. But if you're not safety conscious, it can be a time of tragedy. Drowning is the fourth leading cause of accidental death. Don't be a statistic.

THE MIGHTY METS OF THE EARTH-SPRINGLAKE LITTLE LEAGUE ASSOCIATION-Team members include, front row, left to right, Dave Cleavinger, Billy Huston, James Hanson, Jeff Washington, Britt Washington and Carlton Gregory. Second row, Coach Calvin Wood, Armando de Leon, John Cleavinger, Brad Bridges, Randy Latham, Cliff Wood and Coach Ronald Cleavinger.

## Local Residents Attend ACS Annual Meeting

The annual meeting of the District Three-South Unit of the American Cancer Society met Thursday, June 18, in the Littlefield High School auditorium with six area residents in attendance.

Registration for the meeting began at 8:45 a. m. with the opening session beginning at 9 a. m. Mrs. Pete McLaughlin, District Director of Plainview presided.

Presentation of colors was made by the Littlefield Boy Scouts and Mrs. C. L. Houchin, Lamb County president, spoke on the purpose of the meeting.

The welcome was given by Paul McCormick, Mayor Pro Tem of Littlefield.

Minutes of the 1969 annual meeting were read by Mrs. Thurman Lewis of Earth.

The three new directors elected for 1970-71 were Dr. Paige of Lubbock, Hubert Henry of Littlefield and Mrs. Pete McLaughlin of Plainview.

Group sessions were held beginning at 9:50 a. m. and lasting until 12:30 p. m. Group session one, which dealt with "Education", was led by Mrs. Pat Thornton of Lockney. The group two session, entitled, "Campaign", was led by Mrs. J. R. Fain of Littlefield. The third group session, "Service", was led by Mrs. D. J. Peters of Plainview.

A luncheon was held in the cafeteria with Dr. Cadman Chaffin presiding. Invocation was given by H. C. Randall.

The presentation of special awards for public education were awarded to Hale County for schools and colleges programs while Lubbock County received two awards. They were for clubs and organizations programs and for total program audiences.

Dr. H. J. Sannon was guest speaker for the luncheon. He is currently serving as area vice president for Medical Affairs of the American Cancer Society. Dr. Sannon is a graduate of the University of Montana and the University of Illinois. His most recent assignment prior to joining the American Cancer Society was as Consultant in Surgery at the Lyndon B. Johnson Tropical Medical Center in American Samoa. He also served as Assistant Clinical Professor of Surgery at the University of Hawaii School of Medicine.

Those from Earth attending were Mrs. C. L. Houchin, Mrs. Mervin Sanders, Mrs. Thurman Lewis, Mrs. A. W. Gover and Miss De Lynn Sanders.

## Library Remodeling Nears Completion

The halls and campus of the Springlake-Earth Schools have been vacant of students since May 22. Although the laughter, chatter and steps of those students can no longer be heard, all is not quiet. The banging of hammers, the buzzing of saws and the swishing of paint brushes fill the air as workers begin general maintenance and various improvements to the school buildings and campus.

The biggest project undertaken this year has been the complete remodeling and expansion of the high school library. The increased inventory of books has made the addition of new shelves mandatory. The need for greater space to accommodate the student body and the addition of shelves prompted the expansion of the library facilities. The north wall between the library and a social studies classroom has been knocked out to double the library space. According to school superintendent Bill Mann, the expansion project is expected to be completed by July 9.

Improvements in the field house located at the northwest corner of the football field are being made as workers repaint the entire structure. All floors in the local school buildings have been re-sealed, waxed and buffed.

The inevitable minor repairs to be done which constantly

plague custodians are being sought out and taken care of throughout all the buildings on the campus.

Although workers are concerned with the school buildings, lawn mowers have been started, sprinklers turned on and fertilizer spread to keep the grass and flowers on the ground looking as beautiful as ever.

The inevitable minor repairs to be done which constantly

## Brumm Sales Total \$426.25

The annual Caravan For The Blind Broom Sale held Thursday, June 18, netted a total profit of \$426.25 on the sale of brooms, mops, ironing board pads and covers and etc. The Earth Lions Club, which sponsored the sale, will receive \$110.83 of the total sales.

The local club will use these funds in their sight conservation program and other program and other projects such

as purchasing eye glasses and sending someone to the annual Crippled Children's Camp. All items sold by the Caravan are manufactured by the blind and all profits are used in aiding the blind and the conservation of sight.

Be careful about swimming too soon after eating. A muscle cramp might result in your being unable to swim and could be your downfall.

## David Posada To Attend Lions Crippled Children's Camp

David Posada, son of Mr. and Mrs. Daniel De Leon has been accepted for a two weeks stay at the Texas Lions Crippled Children's Camp located at Kerrville, Texas.

David is co-sponsored by the Earth and Springlake Lions Clubs. A member of the Earth Lions Club will take him down to the camp and a Springlake Lions Club member will bring him back home.

The lad will be in Kerrville from July 5-18. Camp facilities include swimming, arts, crafts, boating and many other activities that David can enjoy.

The camp is staffed with nurses and doctors and is a desirable place where boys are taught to participate in all the available activities. The camp is sponsored by all Texas Lions Clubs, including the Earth and Springlake Lions Clubs.

David is currently enrolled in a special reading class taught by Mrs. Victor Coler.

DAVID POSADA

## Swim Classes Rated Excellent

The intermediate swimming classes for area residents ended June 19 with a total enrollment of 13. Class instructor and pool manager, David Jaques reported, "This is the first year the intermediate class has been taught and the attendance was excellent."

Those attending the classes were instructed in various swimming strokes including the side stroke, breast stroke, back stroke and American crawl. They were also taught the different methods of floating and elementary life saving.

Classes in beginner and advanced beginner swimming are now in progress. They will continue until July 3.

All adults interested in participating in swimming classes are asked to contact David Jaques. If enough adults are interested in taking lessons, a class time convenient for those wishing to participate will be scheduled. Adults who cannot swim will be taught various beginner strokes. Those who can swim will be instructed in the different advanced strokes.

It may be a man's world but it's certainly not that way in the water. Statistics show that nearly 85 percent of all drowning victims are male.

## Locke To Serve As Head Coach

Dwane Locke has been employed by the Springlake-Earth schools to serve in the capacity of head football coach for the local Wolverines. In addition to coaching, he will be teaching a social studies class. At the present time he is instructing the students enrolled in drivers education.

Locke is a graduate of Eastern New Mexico University. He did his post graduate work at Texas Tech University and received his masters degree from Southwestern State College in Weatherford, Oklahoma.

The Lockes moved here from Jayton where he had been coach for one year. Prior to coaching at Jayton he was employed for seven years by the Meadow school system.

Mrs. Locke will be teaching in the local junior high school. She is a graduate of Texas Tech University and is currently working toward her masters degree at Southwestern State in Weatherford, Oklahoma, which she will receive in the spring of 1971.

The Lockes have two children, Keith, 9, who will be in the third grade and Kim, 7, who will be a second grader.

## The Old Timer

"These days, a child who knows the value of a dollar must be mighty discouraged."

THE HARD HITTING GIANTS of the Earth-Springlake Little League have managed to keep spectators on the edges of their seats during their action packed games. Players for the Giants are, front row, left to right, Clint Dawson, Cokie Hopping, Donnie Well, Scottie Hopping, bat boy Corey Hopping and Mark Barton. Second row, Timmy Thomas, Rodney Gelsler, Brian Taylor, Dallas Clynch, Larry Dear and George Flores. Coaching the local team is J. W. Dear.

Scouting Flight Ceremonies Set For Friday

Approximately 70 Brownies, Junior Girl Scouts, leaders and visitors are participating in the 1970 Girl Scouting Day Camp being held June 22-25. The four day event is being held at the Springlake Park with the Flight Ceremonies scheduled for Friday, June 26.

During the four day session, each of the three local divisions of scouting are working individually and as a group. The first year Brownies are conducting work in the various fields of arts and crafts while the main objective of the second year Brownies is their preparation work for becoming Girl Scouts. The industrious group of Junior Girl Scouts are completing requirements for obtaining their Outdoor Badges and becoming Cadettes. To receive an Outdoor Badge, each girl must individually study the building of campfires, tying various types of knots, the correct methods of using knives and participate in hiking expeditions.

On Friday, a swimming party at the local pool and a wicker roast at the home of Mr. and Mrs. Thomas Lively will open the Flight Ceremonies for those who have successfully completed their requirements.

for Flying Up. During the ceremonies, the fourth grade Brownies will Fly Up to the rank of Junior Girl Scouts. All sixth grade Junior Girl Scouts will be graduated to Cadettes to further their scouting careers.

It was also reported that Mrs. Thomas Lively relinquished her position as Neighborhood Chairman to Mrs. Donnie Clayton. The new Neighborhood Chairman will be in charge of relating all scouting information from Caprock Council Headquarters in Lubbock to the various scout leaders in Springlake and Earth.

Notice

Miss Judy Jaquess, bride-elect of Dustin (Dusty) Thomas, will be honored with a Come-and-Go Bridal Shower Friday, June 26, from 4 to 6 p. m. in the home of Mrs. Paul Wood. Selections have been made at Pounds Pharmacy and Howell's 216 Floral.

More than half the drowning victims in pools are under the age of ten. Children should be watched very carefully when in the water. It only takes a few seconds for a child to be in over his head.

Earth Rainbows Attend Grand Assembly

Nine members and sponsors of the Earth Chapter, Order of the Rainbow, were among the 4,267 Rainbow girls and sponsors from all over the state of Texas who attended the Rainbow Grand Assembly. The meeting was held in Dallas on June 15, 16 and 17.

Miss Carol Smart of Dallas was the presiding Grand Worthy Advisor. The Grand Assembly of Texas is under the leadership of Mrs. Martha Whitfield, Supreme Service and Supreme Inspector of the Supreme Assembly, Order of the Rainbow for Girls.

Miss Becky Littleton sang in the Grand Choir. Karen Hinchliffe and Camille Haberer were voting delegates. Connie Kelley was appointed a member of the Grand Finance Committee and Mrs. Donald Kelley, Grand Visitor.

The girls enjoyed the inspirational meetings and an outing

at Six Flags. They also received their B certificates.

The Earth, Hate Center and Plainview Rainbow girls chartered a bus and attended the meeting together.

The final meeting on the 17th was the beautiful installation service. Miss Jacqueline Carswell of Waco was installed as the new Grand Worthy Advisor. Connie and Mrs. Kelley were installed also. Miss Joy Riddlehuber of Plainview was installed as Grand Representative from Texas to Arizona.

Representing Littlefield as a Grand Officer that night was Miss Georgeann De Busk, Grand Representative from Texas to Oklahoma. Annita and Donita Kelley received their eighth year certificates at the meeting.

The Order of Rainbow is an organization for girls 12-19 sponsored by Eastern Star and Masonic Lodges.

Attending from the Earth Chapter were Annita, Donita and Connie Kelley, Becky Littleton, Camille Haberer, Karen Hinchliffe, Mr. and Mrs. Donald Kelley, Mrs. Jerry Kelley and Mrs. J. A. Littleton, Jr.

Debbie Morgan Feted With Bridal Shower

Miss Debbie Morgan, bride-elect of Jimmy Waggoner, was feted with a Come-and-Go Bridal Shower from 3 to 4:30 p. m. on Thursday, June 18, in the Fellowship Hall of the Sunnyside Baptist Church.

The entertaining rooms were decorated throughout using the bride-elect's chosen colors of lavender and white. A beautiful flower arrangement consisting of lilies, gladioli, zinnias, daisies, baby's breath and fern, all sprayed lavender, enhanced the top of the piano in the receiving room.

Sisters of the bride-elect, Lisa and Denise Morgan, registered guests from a table laid with a white cloth centered with a bud vase holding a single lavender gladiolus. The bride's book completed the table decorations.

A lovely white linen cloth edged with lace covered the serving table. The centerpiece consisted of a lovely arrangement of fresh zinnias, lilies, daisies, baby's breath and fern, all sprayed lavender, set in a crystal bowl atop a gold pedestal.

White individual cake squares adorned with miniature lavender

and silver wedding bells, yellow fruit punch and nuts were served from silver and crystal appointments. Guests were served by Mrs. Willie Mae Sadler, Mrs. Naomi Brown and Mrs. Retha Wilson.

The honoree was presented a beautiful corsage of white carnations accented by lavender and purple ribbons tied in love knots.

Gifts were registered in the bride's book by Mrs. Ysleta Ball.

The hostesses' gifts included a lovely bedspread, a roto broiler and a pressure cooker.

Hostesses for the occasion were Mrs. Mozell Lilley, Mrs. Norma Conard, Mrs. Verba Sadler, Mrs. Lillian Carson, Mr. and Mrs. H. V. Hughes, Mrs. Ina Thelan, Mrs. Willie Mae Sadler, Mrs. J. E. Shirey, Mrs. Betty Louder, Mrs. Dorothy Ott, Mrs. Irene Bradley, Mrs. Jerry Bradley, Mrs. Naomi Brown, Mrs. Monarae Cummings, Mrs. Louise Bridge and Mrs. Ann Kelley.

Know where your children swim. New and unfamiliar spots may be a big challenge to them but they could also be very dangerous.

Girls Study Sewing In 4-H Program

by Lady Catre Phillips

Sew yourself into the scene is the program 4-H Club girls are working on now.

Sewing helps to create the look you like at a price you can afford. Girls learn to shop for fabrics, buy patterns and then construct and model their garments. They learn also how to buy ready made garments and plan a suitable wardrobe.

July 14 is the date set for the county dress revue to be held at the Community Center in Littlefield at 2:30 p. m.

Records and garments will be judged in the morning and the public revue will be in the afternoon. All girls from 9 to 19 are eligible to make any type garments they are capable of making and the highest scoring Senior and Junior girl will participate in the district revue July 28 in Lubbock.

Mrs. Floyd Bennett of Colorado Springs, Colorado, returned home Friday following a week's visit in the home of her parents, Mr. and Mrs. E. C. Kelley. Mrs. Bennett arrived in Earth Saturday, June 13, to attend the funeral of her grandmother, Mrs. Clara Kelley.

### Mrs. Fred Clayton Named TOPS Queen Of The Week

Eleven members of the Happy Lovers TOPS Club were present for a regular meeting Thursday, June 18, in the Goodwill Centre. Mrs. Fred Clayton opened the meeting with the TOPS Pledge. Members were weighed in by weight recorder Mrs. Allen Gover and a loss of 11 1/4 pounds was recorded. Mrs. Fred Clayton was named TOPS Queen of the Week with a 3 3/4 pound loss. Runner-up for the title was Mrs. T. V. Murrell with a weight loss of 2 1/2 pounds.

The meeting was adjourned with the TOPS Serenity Prayer. Present were Mrs. Lucille Barnes, Mrs. Fred Clayton, Mrs. Ralford Daniel, Mrs. Robert Geisler, Mrs. Cullen Hay, Mrs. C. L. Houchin, Mrs. Allen Gover, Miss Teri Inglis, Mrs. Gerald Inglis, Mrs. Don Taylor and Mrs. T. V. Murrell.

Mrs. Alice Martin and Frances Davis attended the Martin family reunion in Gainesville June 13 and 14.

CONNIE KELLEY

### Connie Kelley Installed At Rainbow Grand Assembly

Miss Connie Kelley, past Worthy Advisor of the Earth Rainbow Chapter, was installed Wednesday, June 17, at Grand Assembly at Dallas as Junior Member of the Grand Finance Committee of the Grand Assembly of Texas, Order of the Rainbow for Girls.

Connie will be a senior at Springlake-Earth High School for the 1970-71 school year. She is active in school and church activities. She will serve as twirler for the band and is an officer in FHA. She was selected by her classmates as junior class favorite. In her church activities, Connie is a past president of the Llanos Altos Girls Auxiliary. She served last year as song leader of the Llanos Altos YWA. She is the daughter of Mr. and Mrs. Donald Kelley of Earth.

She is the daughter of Mr. and Mrs. Donald Kelley of Earth.

### Carolyn Dunn Employed By Earth Oil and Gas

Miss Carolyn Dunn began her duties as bookkeeper for Earth Oil and Gas Company on Monday, June 15. She filled the vacancy left by Mrs. J. W. Solis who is moving with her

family to Amarillo where Solis will be a faculty member of TSTL. Miss Dunn had been employed in the insurance department and as bookkeeper at the South Plains Hospital in Amherst before moving to Dallas. She was employed for 1 1/2 years by Great Southwest Hospital there prior to her employment at Earth Oil and Gas. She is a graduate of Dimmitt High School and the daughter of Mr. and Mrs. Fred Dunn.

### Mrs. Steve Chance Honored With Bridal Shower

A Bridal Shower honoring Mrs. Steve Chance was held Thursday, June 18, from 4 to 6 p.m. in the Community Building in Earth. The bride's chosen colors of blue and white were used throughout in the decorations. Mrs. Gardner Sanderson and Mrs. G. Kellar registered guests from a table laid with a lovely white cloth centered with a beautiful arrangement of fresh spring flowers. The lovely cluster of snowballs sprayed blue and baby's breath were held by a crystal vase. The bride's book completed the registry table decorations. The serving table was laid with a blue linen cloth. The centerpiece consisted of a white candelabra holding nine pale blue tapers entwined with white roses and enhanced by white bride's ribbon tied in love knots.

The individual white cake squares adorned by pale blue miniature wedding bells, clear lime punch, mints and nuts were served from crystal and silver appointments by Miss Carlene Jones. The honoree and her mother-in-law, Mrs. Paul Chance, were presented with lovely corsages of white carnations tipped in pale blue accented by blue streamers. Hostesses for the occasion were Mrs. Opal Lowe, Mrs. Forrest Collins, Mrs. Donald

Kelley, Mrs. Marvin Sanders, Mrs. L. G. Layman, Mrs. J. D. Phipps, Mrs. Orbie Armstrong, Mrs. Gardner Sanderson, Mrs. Barney Schellar, Mrs. Burl Hamilton, Mrs. Alfred Dutton, Mrs. Guy F. Kelley, Aurelia Sanders, Mrs. Buddy Adrian, Mrs. Jimmy Eagle, Mrs. G. Kellar and Mrs. Truman Layman.

### Party Line

Mr. and Mrs. R. S. Cole, Rod and Gary Davis returned Wednesday evening from a week's vacation in Lake Brownwood and Gainesville where they attended the Martin family reunion. In Sanger they visited Mr. Cole's niece and family, Mr. and Mrs. George Butler. They also visited in the Gordon Highfill home in Wichita Falls and the Grady Stamps home in Childress.

### Use Your Food Freezer Correctly

Your food freezer is not a bank, so don't put foods in and expect them to draw interest, advises Lady Clare Phillips, county home demonstration agent. Foods get no better with age; in fact, there is bound to be some loss in quality. But a food freezer is something like a bank in at least one respect. In both cases, you need records. Listing what is in a package, along with the date you placed it in the freezer is fine but that is not enough. It would help greatly to have a written record that shows your deposits and withdrawals says Mrs. Phillips, speaking in banker's terms. A written record shows what is in the freezer and how long it has been there. Use the record when making the shopping list. Use the freezer as often as possible. It is all too easy to "lose" packages of frozen food in the back or bottom of the freezer. Food thrown away because it was stored too long makes the food freezer an expensive kitchen item.

# Electric Air Conditioning? NO QUESTION ABOUT IT!!!

### OVER 30 YEARS OF PROVEN DEPENDABILITY

Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

### LOW OPERATING COST

Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low... no extra installation costs, either!

### NO LOSS OF EFFICIENCY BECAUSE OF ALTITUDE

Our area is several thousand feet above sea level yet electric air conditioning is not adversely affected. It does its cooling job as efficiently as if it were at sea level. An important point to consider when buying.

### CHOICE OF BRANDS

There are 58 manufacturers of electric air conditioning and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified on your neighborhood dealer's store front.

### CHOICE OF SIZES

Only electric air conditioning offers the right size for your cooling job. Too large a unit makes your first cost unnecessarily high; too small runs up operating cost. Electric air conditioning can save you money on both counts.

### COMPLETE SERVICE

The principle of electric air conditioning is so well understood and the parts so easy to change that any air conditioning man can give you service quickly should you ever need it.

BE SURE-GET ALL THE INFORMATION BEFORE YOU BUY

## The RADIO SHACK

## Methodist VCS Set For June 29

Vacation Church School for the First United Methodist Church of Earth has been scheduled for June 29 to July 3. Classes will begin at 9:00 and last until 11:30 a.m. School will begin each morning with a twenty minute "Sing Along" to be led by Mrs. Bob Belue. Those attending will then be divided into their separate classes.

Mrs. Richard Bills, coordinator of children's work for the church, will serve as principal for the VCS with Mrs. Doug Parish serving as director.

Workers for the various departments will be Mrs. Ed Dawson and Mrs. Jimmy Nix, nursery II; Mrs. Phil Neinst and Mrs. Marvin Been, Jr., kindergarten; Mrs. Rayburn Ott and Mrs. Jimmy Shirley, elementary I and 2; and Mrs. Jerry Jones and Mrs. Don Cur-

tis, elementary 3 and 4. Leaders for the Day Camp group, ages 11 and 12 which will meet daily from 9 until after lunch, will be Mrs. Earl Jordan, Mrs. C. C. Goodwin and Mrs. Norman Sulser. Members of this class will be required to bring sack lunches. Mrs. Johnny Cornet will be in charge of the infant nursery for mothers working in Church School.

Mrs. Don Randolph will be serving as chairman of the Kitchen Committee. Mothers of those students attending will furnish the refreshments for the five day session.

On Sunday, July 5, members of the church will present the Sanctuary Service during the evening worship.

The life you save could well be your own or even that of a loved one if you take the time to learn life saving techniques. Many drowning victims could have been saved had someone known the correct safety procedures.

## Red Sox Overpower Yankees

The robust Red Sox of the local Little League overpowered the Yankees during competition Thursday, June 18, and racked up a total of 16 runs against 4 for the Yankees.

Serving as pitchers for the Yankees were Eric Freeman, Randy Bills and Rene Guana. Lee Brown and Ray Van Banks dominated the mound for the Red Sox.

Joe Fulfer, Eric Freeman, Rene Guana and Randy Bills each scored one run for the Yankees.

Red Sox scorers were Royce Jordan with 3; Brad Barden, Kevin Kelley, Lee Brown, Ray Van Banks and Steve Green had two runs each while Ronny Thomas and Terry Hood added one run each to the Red Sox score.

## Party Line

Mr. and Mrs. James Clifton and Mark of Afghanistan arrived Thursday, June 18, for a two month's vacation before returning to Afghanistan. Clifton is employed by the government there. Mrs. Clifton is the daughter of Mr. and Mrs. C. L. Houchin.

## My Neighbors

"Well I had that long talk with our boy and I learned a few things."

## Blues Remain First In Pee Wee Standings

Two powerful Pee Wee teams met in competition Thursday, June 18, at the local ball park with the Blues defeating the Greens by one run. The final score of 7-6 put the Blues in second place in the Pee Wee ratings for the season. The Blues remained in the first place slot.

Serving as pitchers during the exciting event were Ruben Guana for the Blues and Mike Smith for the Greens.

Bobby Gover of the Greens slugged the only home run recorded during the game.

Scoring for the Blues were Bobby Gover and Mike Smith with 2 runs each, while Teddy Zambrana, Raul de Leon and Greg Geissler scored one each.

Crossing home plate for the Blues were Lynn Brown for 2 and one run each was scored by Jimmy Randolph, Kelley Green, Allen Moore and Loren Taylor.

## Susan Britton Named To Honor Roll

Miss Susan Britton, daughter of Mr. and Mrs. Harold Britton, Earth, has been named to the Dean's Honor Roll at Wayland Baptist College with a 3.56 average for the spring semester.

Miss Britton, a 1968 graduate of Springlake-Earth High School, is a sophomore elementary education major with a minor in physical education. She is a member of the Hutcherson Flying Queens Basketball team at Wayland. Miss Britton holds membership in Texas Student Education Association, Athletes for Christ, and was chosen by her class members as a senator.

Earlier, Miss Britton was elected Basketball Queen on campus.

## Our Boys In Service

WICHITA FALLS-Airman Joe L. Luera, son of Mr. and Mrs. Luis R. Luera of Olton, has graduated at Sheppard AFB, Tex., from the U. S. Air Force communications specialist course.

The airman, now qualified to operate radio-telegraph and teletype equipment, is being assigned to Altus AFB, Okla., for duty with the Air Force Communications Service which provides global communications and air traffic control for the USAF.

Airman Luera is a 1969 graduate of Olton High School.

CAMP PENDLETON, CALIF.-Marine Corporal Arvin J. Moser, husband of Mrs. Linda D. Moser of Tennyson, participated in the training exercise "Beagle House" with the Fifth Marine Expeditionary Brigade at Camp Pendleton, Calif.

The exercise was a test of Navy-Marine Corps amphibious and helicopter landing techniques under all weather conditions on various types of terrain.

The exercise was a test of Navy-Marine Corps amphibious and helicopter landing techniques under all weather conditions on various types of terrain.

Life preservers and other life saving devices are inexpensive items for home pool owners. However, they may prove to be the best investment of the summer should someone's life be saved.

# A Reason For Living In Lamb!

Everyone likes the idea of being safe. And according to the latest vital statistics survey by the U. S. public Health Service, Lamb County is, from the standpoint of safety, a much better place to reside than in most places in the U. S. A.

For the average local resident, life appears to be less hazardous. The chances of becoming involved in an accident--fatal or otherwise--are not as great as they are elsewhere, according to government statistics.

The local accident record is reflected, along with those of other communities across the country. The surveys are made on an annual basis.

The findings are of particular importance at this time because of the approach of the holiday season with its usually high toll, both on the highway and in the home.

The report shows a total of 11 fatal accidents in the year among residents of Lamb County. Motor vehicles were responsible for 9 of them. And this is only part of the toll, the National Safety Council points out.

It estimates that, for every fatal accident, there are nearly 100 others of a disabling nature that do not result

in death. The figures in the survey take into account accidents of all sorts that affected local people, wherever they may have occurred. They do not include, however, local accidents involving non-residents.

Lamb County's accident toll, in terms of population, was at the rate of 46 fatalities per 100,000 people.

It was lower than the rate reported for the rest of the United States, 57 per 100,000.

It was better, also, than the State of Texas rate of 60 per 100,000.

The magnitude of the problem is evident from figures compiled by the National Safety Council. They show that 116,000 Americans died as a result of accidents in the past year.

The overall cost of accidents in 1969, counting medical expenses, lost wages, property damage and the like, is estimated by the council at \$23.5 billion.

Lamb County's share of this cost, based upon the average amount per accident, comes to approximately \$2,222,000.

PROUD OF HIS ACCOMPLISHMENT... Ramiro Pasadas, who is a junior in high school, and a member of the Industrial Class III looks over the lovely cedar chest he made during class period at a cost of \$26.50.

## America, The Land Of Beauty

by Sherry Lowery

From the New England states

to the Mid-West to the Far South, I can see and find all kinds of beauty. There is more than one kind of beauty in America. In my point of view, one kind is the physical beauty of all the surroundings. Another kind is all of the freedoms we have as people.

The type of beauty that surrounds us can be found in nature when it is not harmed by mankind. It is found in our natural resources, such as, water and minerals. Water is one of the beauties of America be-

cause it supplies us with the lakes and rivers that we fish in that brings enjoyment to us. It not only does this but it also is one of the necessities of life. Water brings enjoyment to us when we water ski and swim; this is a beautiful thing to watch. Minerals have much beauty because they provide very beautiful stones for rings, such as the diamond. There is also much wildlife in America that is very beautiful. The deer, elk, and various different animals are examples of

these beautiful animals. The huge green forests provide beautiful places for picnics for people. The beauty of flowers surround us nearly all of the time. The bluebonnet grows wild in Texas. The snow-capped mountains provide places for skiing in winter. The beauty is far spread in America.

As an American I have the privilege of enjoying all of the freedoms provided for us. Some of these freedoms are religion, speech, trial by jury, and the freedom to do as I please as long as it is in accord with laws and principles of the land. I feel that these freedoms are part of the beauty of America. Without the freedom of my choice of religion I could be forced to believe in something I don't believe in and then there would be no thoughts about the beauty of America. The privilege to speak is one of the freedoms that help me to let other people know what I believe and what I understand. If we didn't have the freedom of trial by jury there would be people who might be convicted of something they didn't do.

The Bill of Rights gives us many freedoms that we have. Some of the highlights of the Bill of Rights are freedom of religion, freedom of speech, freedom from unreasonable searches, right to assemble, right to petition right to jury trial and counsel, right to summon witnesses, no illegal loss of liberty, no excessive bail or fines, and just compensation for property. Without the Bill of Rights and Constitution people couldn't have all of their freedoms.

## ★★★★★★★★★ Our Boys ★★★★★★★★★ In Service

The lieutenant, a 1963 graduate of Olton High School, earned his BA degree from Howard Payne College in Brownwood, Tex. He received his commission in 1968 upon completion of Officer Training School, Lackland AFB, Tex., and has served eleven months in Vietnam.

Put your trust in the Lord. —(Psalms 4:5).

When inner tension and frustration builds up and when you feel put upon by others, or when you are tempted to make an issue of what seems to be a mistaken thought or action, stop for a minute. Relax and let go. Remind yourself that God is in charge, and nothing is gained by fearfulness, anxiety, fretfulness. Trust in God's spirit within you for the answer.

Horse-play is a lot of fun for youngsters and sometimes for adults too. But around the pool it is something to strictly avoid. The result of this is all too often an accident or even a drowning. Nothing is that much fun.

## Weed-Free Cotton Adds Yield Bonus

"If your cotton didn't produce the way you expected last season, better take another look at your weed control."

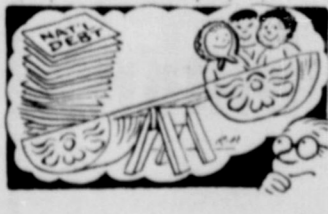

That's the advice of cotton specialists this spring who predict damaging infestations of carelessweed, cottonweed, watergrass and morning-glory if controls are neglected.

The time to act, they advise, is NOW. Weeds rob essential moisture and nutrients from the soil. And this means yields--and profits--take a beating at baling time.

How much? Studies at Texas A & M show that cotton that was weeded with only one carelessweed per foot of row produced only 271 pounds of lint. Weed-free cotton yielded 595 pounds.

For best results most crop specialists recommend using an effective herbicide. Application should be early--preferably at planting.

This gets weeds when it counts, yet doesn't require any extra trips over the field--either for application or follow-up incorporation. And it's safe to follow treated cotton with soybeans.

"Future generations will be born free, equal and in debt."

### TEXAS PRESS ASSOCIATION

MEMBER

## Local Scouts To Attend Established Camp

Three members of Earth Cadette Troop 178 and one Earth Junior Girl Scout Troop member will attend Established Camp festivities at Camp Rio Blanco. The two week session is scheduled to begin June 28. Each scout will be responsible for her individual transportation and from camp.

During the camp session, all members of the Caprock Girl Scout Council attending will be participating in various arts, crafts, swimming and other activities.

In carrying out the Established Camp theme, "Learning to Live Graciously Out of Doors," the girls will be responsible for their personal

cleanliness, camp residence cleanliness and their personal appearances. They will be required to do their own laundry, clean their living quarters and maintain an attractive appearance. All of these duties will be performed under the guidance of trained camp counselors.

While at camp, the Scouts will dine in the lodge cafeteria. They will be required to appear for the evening meal in full dress out of door uniform consisting of shorts, white blouse, shoes and socks.

Earth Cadettes planning to attend are Lisa Clayton, Ruth Street and Donna Daniel, Junior Girl Scout attending will be Margaret Street.

JOHNNY McNAMARA-Shop I student at Springlake-Earth schools made this maple gun cabinet at a cost of \$37.50.

## Gover Named To Dean's Honor Roll

Bill Gover, son of Mr. and Mrs. A. W. Gover, has been named to the Dean's Honor Roll at South Plains College in Levelland with a 4.0 average for the spring semester.

Gover is a 1968 graduate of Springlake-Earth High School. He is a sophomore at South Plains taking a two year course in electronics. He will graduate following the fall term in 1970.

"Couldn't I put this on my Diner's Club card?"

## Ashdown Guest Speaker Of Young Farmers

Don Ashdown, Lubbock, head of the pantomony department at Texas Tech University, was the guest speaker of the Young Farmers meeting held Thursday, June 18.

Ashdown's subject was "Safety In Using Agricultural Chemicals." He gave the Young Farmers several pointers in the use and handling of all types of farm chemicals. The disposal of the containers and the methods to help prevent air pollution when using chemicals.

A short business meeting was

held following the speaker. The swimming party scheduled for June 20 was cancelled due to the Methodist "Lay Witness Mission."

The swimming party was rescheduled for Saturday, June 27, at 7:00 p.m. This will be a family event. All members are urged to come and bring their families.

Don Durtis served refreshments of donuts and soft drinks to the Young Farmers and guest, Mr. Ashdown, Dewain Jones and Ed Jones.

## Rabies Clinic Huge Success

Approximately 73 dogs and cats were vaccinated during the rabies clinic held Thursday, June 18, at the City Workshop in Earth. Dr. Jerry Gleason of the Malteshoe Animal Clinic was in charge of inoculating the animals. It was reported by City Secretary, Betty McAlpine, that the response to this rabies clinic was greater than the response to the previous clinics.

Thirty-one city tags were purchased by dog owners in the area.

Any dog not wearing 1970 tags will be picked up by city officials. All dogs and cats are being checked for the 1970 tags. Any animal picked up will be held for three days at the city pound. If not claimed within the allotted time period, the animals will be executed.

## Nine Accidents In Lamb During May

The Texas Highway Patrol investigated nine accidents on rural highways in Lamb County during the month of May, according to Sergeant Thurman Kaffer, Highway Patrol Supervisor of this area.

These crashes resulted in two persons killed, nine persons injured, and an estimated property damage of \$9,005.00. The rural traffic accident

summary for this county during the first five months of 1970 shows a total of 43 accidents resulting in two persons killed, 20 persons injured, and an estimated property damage of \$34,865.00.

During the next three months millions of motorists will be heading for the road on vacations and outings. According to past facts and figures this will be the most deadly consecutive three months of the year.

During 1969 in Texas 996 persons were killed in traffic accidents during the summer vacation period.

The Sergeant stated, "This should be a challenge for all drivers and pedestrians not to be a fatality this summer."

## Green Giant Plans Garden Centers

A familiar trademark seen on supermarket shelves will soon be visible on many highways.

Green Giant Home and Garden Centers will be built in 15 key metropolitan centers. The first of the projected 200 has been opened at Landfall Village near Minneapolis, Minn.

An inverted arched roof gives a modern church-like appearance to the sales building, encompassing some 8,000 square feet, with open-beam walkways. The formed skylight provides natural light to set off displays of plants and shrubbery. The first installation has 16,000 square feet of garden space, and is considered a mid-scale unit by the company.

## America The Beautiful

by Gay Ellis

America is beautiful to people for different reasons. Some Americans see beauty in the land itself. Some see beauty in the green mountains or the sandy deserts. The oceans are beautiful to others. Other Americans see beauty in the rolling plains or the cool valleys. Beauty can be seen in living things, too. Silky animals are beautiful to some people. Their homes, jobs, and families are beautiful to other Americans.

But beauty in America has deeper meanings. Freedom in America is very beautiful. Each American enjoys the freedom of speech. He has the right to express himself and his opinions regardless of whom he disagrees with. Even though an American disagrees with the President, he may express his opinions publicly.

An American has the right to choose his way of worship. Regardless of the way he worships, he will not have to fear that the government will molest him. His beliefs will be respected by others.

A man is free to choose his vocation in life. He can enter any field of work he chooses. He is free to run his business the way he chooses, as long as it is in the boundaries of the law.

All Americans have equal opportunity. Regardless of race, religious background, or environment, an American can rise as high as his ambitions will take him.

America is beautiful because of the understanding we have between races. For some Americans it is hard to accept the races as equal, but when all Americans accept this fact, America will be even more beautiful.

Although America contains 50 separate states, we act as one. The good of the nation and what is best for the majority of the people is always the main concern of the states. This togetherness is a beautiful thing in America.

The most beautiful thing in America is peace. We can travel from shore to shore knowing there is peace in our country, enjoying such beautiful freedoms. We, as Americans, have a peace of mind that surpasses that of anyone else in the world.

Each day I thank God I was born an American, and that I live in a country where a man's life is sacred and only God can take it away.

It seems to most of us a just decision is one that lets us win. — Dale Holdridge, The Langford (S.D.) Bugle.

Your buddy is your best friend, especially when you need assistance in the water. When the subject is swimming safety, always think in terms of two's.

No matter how good a swimmer you may be, safety should always be foremost in your mind. Strength alone will not keep you from getting into trouble if you take too many chances in the water.

### FINANCIAL FACTS

By: Norlan Dudley

Do you know what is meant by "liquid assets?" Liquid assets are those in which their exact value may be realized. And on short notice. Non-liquid assets are those which cannot readily be turned into cash.

Time deposits -- deposits made in savings accounts for a considerable period. This is done to earn specified interest.

Corporate bonds -- Bonds usually backed by real estate or other tangible property. Such property is pledged as security.

Demand deposits -- These are funds kept in a checking account. They may be withdrawn at any time.

Credit Union -- A cooperative organization which makes loans to its members.

Equity -- The net value of a property. Its value minus all liens or charges against it.

Investment Trust -- A company investing the money of its shareholders.

Watch Next Week For Buying An Appliance
