(Continued From Page 1)

trays, catheters, solutions for catheter irrigations and intravenous solutions. No drugs or medicines are furnished. They must be provided by the patient or his family.

Although the area nurse will take care of area patients, an RN from the Lubbock office must supervise the progress. The RN will make monthly visits to patients in the area. Any additional information is needed or if any problems should arise, the Director of Nursing Service, Mrs. Milliken, recommends that her office be contacted and someone will visit the patient.

The Home Health Agency was set up to begin when Medicare began in 1966. It was not started in Lubbock until April 1, 1969. The Lubbock office hired a nurse and set up a Plainview station in June, 1970.

In just a year's time, since the nursing program began, the number of patients has grown from 10 to 200. Present patient load is currently 135 in the Lubbock area.

Services have been expanded beyond Lubbock to include a number of area towns. Served from the Lubbock office are Ralls, Slaton, Lorenzo, Idalou, Ropesville, Tahoka, Petersburg, New Deal and Abernathy. In a radius of 35 miles from Plainview, the office there serves Hale Center, Kress and Otton. An office is being set up in Tulla. The Muleshoe office will serve Earth, Springlake, Dimmitt and Littlefield.

The non-profit agency now has nurses especially trained in inhalation therapy and cardiology. Many of their aged pa-

tients suffer from emphysema, and positive pressure machines to aid their breathing are used under the direction of the nurses.

One of the most valued new services to help patients become active and happy is called occupational therapy by the nurses. Patients are taught usually by volunteer workers to make useful and ornamental items. This gives them a new outlook on life to do something creative and useful. Where patients have been immobile, they sometimes become active again. This gives both mental and physical therapy.

Mrs. Milliken explained that patients could have one of the two plans. The "A" plan calls for 100 home nurse visits when they come home from the hospital, if they need that many. Plan "B" does not make it necessary to have been hospitalized. They can still have 100 home visits with 80% of them paid for through the government's Medicare program and the remaining 20% financed through the family, if they can afford it. If not, they are not denied these services.

The program has expanded and the demand for nurses has increased. Each nurse hired by the Home Health Agency is expected to make approximately 75 visits weekly. The HH Agency is sponsored by the Missionary Baptist Foundation. Administration of the program is directed by Land D. Wall. Seven physicians served on a medical advisory committee and serving with Wall on the board of directors are J. C. Chambers and C. R. Meadows.

Mr. and Mrs. Ardis Barton and Mark spent last week in Fort Worth visiting relatives and seeing Six Flags Over Texas.

Local Scouts Complete Order Requirements

Boy Scout Troop 614 members Doug Jones, Dyke Gaston, Coke Hopping and Kevin Hinson were successful in attaining membership in the Order of the Arrow during the Order Ordeal held at Camp Post. The event began on the evening of Tuesday, August 18, and continued through Wednesday, August 19.

The four local Scouts along with Scoutmaster Travis Jaquess signed in for the Ordeal at 7 p. m. Tuesday at which time the silence test began for the Scouts. During the Jurisdiction of the Ordeal, those Scouts attending were required to remain absolutely silent at all times. When communication was required, sign language techniques were put into use. But according to one local Scout who attended, "We just didn't communicate much at all." Punishment for conversing was carried out in four stages. For the first offense, a knotch was carved in the Scout's arrow. The second time the silence rule was broken, another knotch was carved in the arrow and the Scout was required to carry the arrow in his mouth the remainder of the day. If a third offense was committed, the lodge chief summoned the Scout for a consultation and action was taken for the fourth violation.

The first activity on the Ordeal agenda was the viewing of a film concerning Scouting

and the Order of the Arrow. Following the film, the

Small meals were served to Scouts to prove their worthiness for camping out by themselves without many provisions.

The morning hours were spent working as crews of eight on various camp improvement projects and sharing kitchen duties. The local Scouts were in charge of digging a drainage ditch along side a path to insure greater hiking safety.

Following a lunch of half a sandwich and a glass of Kool-Aid, the Scout crews completed their project work. The final step in the path safety project consisted of climbing a hill and digging dirt to be dropped onto the path. The purpose of this work was to build the path to a greater height for better drainage.

A forty-five minute swimming session in the camp pool was enjoyed by the troopers prior to their final camp meal and Ordeal ceremony. The evening menu consisted of chicken fried steak, potatoes, salad, bread, tea and ice cream.

During the final and most meaningful campfire session of the Ordeal, the Scouts who passed the Order of the Arrow Ordeal were presented awards. Each of the four local Scouts received an Ordeal Arrow pin, two Ordeal patches, one sash and two Ordeal books. Upon receiving these awards, the Scouts officially became members of the Boy Scouts Order of the Arrow.

Booster Meeting Set for Tuesday

The Springlake-Earth School cafeteria will be the scene of a Booster Club meeting Tuesday evening, September 8, at 8 p. m. All Booster members, junior and senior high football players and their parents are invited to attend and get acquainted with the new Wolverine coaches.

Donuts, Cokes and coffee will be served to all attending.

Inez Barton of Dallas visited over the weekend with Almer Barton and attended the Haberer-Barton wedding.

SENIOR CITIZENS TO MEET WEDNESDAY

A meeting of the Good Earth Chapter of Senior Citizens Club was postponed Wednesday and rescheduled for 2:30 p. m. on Wednesday, September 9.

The meeting will be held in the Earth Community Building, Leonard Harper, minister of the Church of Christ in Earth, will give the invocation.

The meeting will be open for all senior citizens in the area. They do not have to be 65 years old to attend.

LAMB COUNTY RED CROSS MEETING SLATED

The Lamb County Chapter of the American Red Cross will meet Friday, September 4. The regular monthly meeting will be held at 4 p. m. in the Red Cross Office in the Lamb County Court House.

Amphion, a son of Zeus, built the walls of Thebes by charming the stones into place with a lyre, according to Greek mythology.

NOTICE!

Due to new state health regulations, all livestock is required to be inspected by a state inspector before and after slaughtering.

An inspector will be available Tuesdays through Fridays, except on holidays.

Therefore, Tuesdays through Fridays are the only days we will be permitted to slaughter. Livestock should be in our plant before 10 a.m.

Your co-operation is appreciated.

Westinghouse Washer - Dryer

Washer Model LA280L Dryer Model DE260L

FAMOUS DOUBLE-ACTION WASHING

In ordinary washers only the agitator does any work. In Westinghouse washers both tub and agitator turn working in unison to give all of the clothing maximum agitation, insuring a uniformly clean wash.

TWO SPEEDS -- Normal for regular loads, Gentle for delicate fabrics and Permanent Press.

PREWASH allows you to give heavily soiled garments special pre-wash treatment prior to regular wash cycle -- just set the dial for warm water pre-wash prior to regular hot wash -- warm rinse washing.

WASHER AND DRYER

Prices Start \$288
As Low As...

HEAVY DUTY 3-POINT DRUM SUSPENSION -- assures quiet, smooth-as-clock work operation. Self-aligning spherical bearing at the rear of basket and two bearings in front reduce vibration and noise. Heavy Duty drive motor maintains constant speed without strain.

HANDY LINT COLLECTOR -- special fine mesh collector traps more lint because of its larger-than-average capacity. Located up front in the door where it's easy to remove, easy to clean.

BLANCED AIR FLOW SYSTEM -- gives safer, more effective drying. Heated air is dispersed through tumbling clothes from back of porcelain enamel drum. Perfectly balanced distribution of heated air eliminates possibility of hot spots.

PORCELAIN ENAMEL DRUM -- smooth surface won't rust or corrode.

ACRYLIC FINISH TOP AND CABINET -- of heavy gauge welded sheet steel resists stains, rust and surface wear.

FOOTBALL CONTEST

Nothing to subscribe to—Nothing to buy

—No obligation—

JUST FILL OUT AND SEND IN YOUR ENTRY

3 Big Prizes

GIVEN AWAY WEEKLY

**First Prize—\$5⁰⁰ Second Prize—\$3⁰⁰
Third Prize—\$2⁰⁰**

CONTEST RULES

The teams that are playing in this week's contest games are listed side by side in the official entry blank on this page.

Use the handy entry and mark out the teams you predict to lose. Print the scores you predict in the tie-breaker game in the spaces provided.

Each week's entry must be turned in or mailed to the Earth News-Sun office. Contestants are given a week to prepare and turn in their entries.

Entries must be in by 4:00 p.m. Friday or postmarked on that date. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Each week the number of games correctly predicted will count toward each contestant's season total. The person picking the most games correctly for the entire season will receive the grand prize. In the event of a tie on the season total, a coin will be flipped to determine the winner.

The weekly prizes will be given to the persons picking the most number of games for that week. The tie-breaker will count as one of the games picked, and the predicted score will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person is allowed.

ENTRIES MUST BE TURNED IN BEFORE 4PM

HD Club To Study Landscaping Ideas

by Mrs. Lady Clare Phillips
Home Demonstration Agent

Home demonstration club women will be studying landscaping ideas this month with emphasis on flowering bulbs. Now is the time to prepare beds for planting bulbs and winter annuals. Divide and transplant irises, cannas, day-lilies, shasta daisy and violets. Complete digging and storing gladiolus bulbs. Purchase tulip bulbs and chilli in refrigerator 35 to 40 degrees Fahrenheit for 60 days. Make

preparation for purchasing spring flowering bulbs. Peonies can be dug and divided from now until mid-October. It is best not to disturb established plants unless they are crowded.

Landscape planning should be a concern of all homeowners. Houses are built to live in and yards also need to be designed and built for use and enjoyment.

Homemakers Installation Slated

The Springlake-Earth Chapter of the Young Homemakers will hold its first regular meeting of the 1970-71 school year on Tuesday, September 8, at which time officers for the forthcoming year will be installed. The event is scheduled for 4 p. m. in the Home Economics Cottage located on the school campus.

'70-'71 officers to be sworn in by district state officer, Dickie Holcombe, are president, Linda James; vice president, Mary Jones; secretary-treasurer, Carolyn Curtis; reporter, Bettye Hausmann; and parliamentarian, Myra Dell Metcalf.

Other business to be conducted during the meeting will include a discussion of plans for programs and projects to be undertaken by the local chapter during the present school term.

All prospective members of the Young Homemakers are urged to attend this joint installation and planning meeting.

The Springlake-Earth Band Booster meeting is slated for 8 p. m. on Monday, September 7, in the band hall.

Parents of all band students are urged to attend. Homemade ice cream and coffee will be served following the meeting.

You are invited to attend a bridal shower honoring Charlotte Sawyer, bride-elect of Jimmy Smith, on Thursday, September 10, from 6:00 to 7:30 p. m. in the home of Mrs. C. C. Goodwin. Selections have been made at Pounds Pharmacy.

Notice

Barton-Haberer Vows Exchanged Saturday in Methodist Church

Miss Deborah Lynn Barton and Davey Earl Haberer were united in marriage in a lovely ceremony in the United Methodist Church of Earth at 7 o'clock Saturday, August 29.

The double ring ceremony was performed by Dr. George Worrell of Rockwell, uncle of the groom. Dr. Worrell serves with the Southern Baptist Evangelistic Board.

The altar was centered with a beautiful basket of pink gladiolus, flanked by two spiral candelabras and two arch candelabras bearing lighted pink tapers and greenery. The church pews were marked with lovely pink satin bows enhanced with greenery and gorgeous pink gladiolus.

Traditional wedding music was presented by Mrs. Bob Belew, organist, and Mrs. Larry Tunnell, pianist, who accompanied soloist, Mrs. Kenny Hamilton, as she sang "My Own True Love." As the couple knelt at the altar, Mrs. Hamilton also sang "The Wedding Prayer."

The bride, given in marriage by her father, Weldon Barton, was attired in a lovely candelight cage dress of silk organza, which fell from a bodice heavily appliqued in peau d'ange lace. The wedding band neck was appliqued in lace and embroidered in pearls. The short puffed sleeves were sheered in a cuff of peau d'ange lace accented by a soft bow of silk organza. Diagonal bands of peau d'ange lace were appliqued from the bodice and extended to the hemline of the gown. The chapel length train was appliqued with matching peau d'ange lace. A flowered coil of lace embroidered in seed pearls held the three tiered veil of silk illusion. She carried a cascade bouquet of stephanotis and glameillas surrounding a beautiful white orchid.

For something old, the bride wore a golden coral pin which belonged to her great-great-grandmother and was given to her by her great-aunt, Mrs. Harvey Hickman. Something new was her wedding dress. Something borrowed was a lace handkerchief belonging to her grandmother, Mrs. Almer Jane Barton. The traditional blue sash was something blue. For good luck, she wore a sixpence in one shoe and a penny bearing the year of her birth in the other shoe. Serving as candlelighters were Miss Welda Barton, sister of the bride, and Miss Camille Haberer, sister of the groom. They were attired in identical floor length gowns of aqua batiste, with empire puffed sleeves. The gowns were trimmed with soft aqua lace, with a matching aqua velvet ribbon sash tied in a bow in front. Pink flocked flowers adorned the skirts.

Miss Cretia James, daughter of Mr. and Mrs. Jeral James, served as flower girl. She was attired in an identical dress to that worn by the candlelighters.

Mrs. Karen Tunnell served her sister as matron of honor. Her floor length gown was designed in aqua batiste with empire puffed sleeves. The sash, a pink velvet ribbon, was tied in a bow at the back with streamers falling to the hemline. She wore a picture hat of aqua tulle.

Other attendants of the bride were Betty McCombs, Rockwell, New Mexico; Miss Jamie Washington, Canyon, and Mrs. Logan Armstrong, Lubbock. They wore dresses identical to the matron of honor.

Jim Fox, Lubbock, served the groom as best man. Groomsmen were Craig Barton, brother of the bride; Kenny Kendrick and Logan Armstrong, Lubbock.

Ringbearer was Tracy Tunnell, nephew of the bride. Serving as ushers were Wayne Tunnell, brother-in-law of the bride, Lubbock, and Danny Byers, Austin.

MRS. DAVEY EARL HABERER (nee Deborah Lynn Barton)

The bride's mother was attired in a street length A-line dress of pink lace with matching accessories. The groom's mother wore a street dress and matching coat of imported pink silk with matching accessories. Each wore corsages of purple orchids.

Following the ceremony, a reception was held in the fellowship hall of the church.

Mrs. Ricky Byers of Lubbock and Mrs. Danny Byers, Austin, served pink punch, pink mints and cake to guests from a table covered with a floor length lace cloth over satin centered with a Unity candle used in the wedding ceremony. The three tiered wedding cake was topped with a large white satin bell which had been used on the 50th wedding anniversary cake of the bride's grandparents.

The bride, daughter of Mr. and Mrs. Weldon Barton, is a 1967 graduate of Springlake-Earth High School. She received her B. S. degree in elementary education from Texas Tech University on August 22.

The bridegroom, son of Mr. and Mrs. Roger Haberer, is a 1966 graduate of Springlake-Earth High School. He served two years in the U. S. Army and is currently attending South Plains Junior College majoring in agri-business.

For their wedding trip to Acapulco, Mexico, the bride chose a navy blue ensemble consisting of an A-line dress and sleeveless coat trimmed in white with matching accessories.

After September 4 the couple will be at home at Route 4, Muleshoe.

Mrs. Pat Lewis Named Queen of Week

A weight loss of 4 3/4 pounds was recorded by Mrs. Florence Gover, weight recorder, when fourteen members of the Happy Loser: "T.O.P.S. Club met in regular session. The meeting

was held Thursday, August 27, at the Goodwill Centre with Mrs. Jo Houchin presiding in the absence of T.O.P.S. leader, Mrs. Emily Clayton. The meeting was opened with the

TOPS Pledge. Mrs. Pat Lewis was named Queen of the Week with a weight loss of 1 1/2 pounds. Runner-up for the title, with a 1 1/2 pounds loss, was Mrs. Jo Houchin.

A brief business session was held prior to adjournment with the Serenity Prayer.

Those present were Mrs. Pauline Hucks, Mrs. Lucille Barnes, Mrs. Sandy Daniel, Mrs. Jo Houchin, Mrs. Florence Gover, Mrs. Inez Inglis, Mrs. Beverly Taylor, Mrs. Anna Mae Johnson, Mrs. Orna Pearl Murrell, Mrs. Pat Lewis, Mrs. Alma Ott, Mrs. Kate Patterson, Mrs. Billy Speck and Mrs. Era Walker.

Local Women Attend Schools

Five local women have enrolled in area colleges and universities in an effort to further their educations and prepare themselves for future careers by receiving degrees in various fields of study.

Among the college goers to be found on the campus of South Plains Junior College in Levelland this fall will be Mrs. Ward Cooksey, Mrs. Bill Mann, Mrs. Bill Verden and Mrs. Jerry Starles while Mrs. Leon Dent will be attending classes at Texas Tech University in Lubbock.

Mrs. Cooksey and Mrs. Mann are traveling to Levelland two days a week for classes. Mrs. Verden and Mrs. Starles are both carrying a full college schedule and attend classes five days of each week. Mrs. Dent is commuting three

days a week to the campus of Texas Tech to continue her studies required for obtaining a degree.

Party Line

Mrs. Frances Davis had major surgery Saturday morning in the Central Plains Hospital in Plainview. She was admitted Tuesday morning and was given blood transfusions before surgery could be performed. She is expected to be dismissed Thursday (today) or Friday.

Mrs. Nora Painter, Sunray, has been seriously ill and is currently recuperating at the home of her daughter and family, Mr. and Mrs. Marcus Messer.

Party Line

Melvin Bock and family spent the weekend in Ruidoso with Mr. Bock's mother, Mrs. Marie Lewis, who was dismissed from the Ruidoso Hospital on August 8 after being a patient there for 27 days. She expects to be able to return home at Truth or Consequences by the middle of September.

Hello World

Mr. and Mrs. Allen J. Doggett of Lubbock are the proud parents of a daughter, Perri Lynn, born Monday, August 31, at 5:15 p. m. in the Littlefield Hospital and Clinic.

The little lass tipped the scales at 6 pounds and one ounce at birth and measured 20 inches tall.

Grandparents are Mrs. Leta Kelley of Earth, Mrs. Temple Doggett of Lubbock and George Doggett of Fort Worth.

Great-grandmother is Mrs. Annie Moore of Plainview.

Joan Lucas Receives Degree

Mrs. Bill Lucas, the former Joan Dawson, was among the more than 1,000 students to receive degrees at Texas Technological University at commencement exercises on Saturday, August 22.

Joan, the daughter of Mr. and Mrs. Ed Dawson of Springlake,

was honor graduate in the school of Arts and Sciences. She received her degree from the school of music and is currently enrolled in the graduate school of music working toward a masters degree in theory. She is a teaching assistant in that department.

OH HAPPY DAY... That was the kind of day it was for S-E seniors when their lovely class rings and Wolverine yearbooks were distributed last week. Susie Adrian and Ronda Clayton leave no guesswork as to their happiness.

Frank Meeks Services Held

Funeral services for Roy Frank Meeks, 79, resident of the Dodd Community for 40 years, were at 2:30 p.m. Wednesday in the Church of Christ in Earth. Minister Leonard Harper, officiated.

Meeks died at 9:10 Monday morning in the Central Plains Hospital in Plainview where he had been a patient for one day.

Meeks was born November 15, 1890, in Bowie County, Texas. He met and married Miss Ula Brown on September 27, 1914, in Bowie County.

Survivors include his wife, Ula of the Dodd Community; two daughters, Mrs. Jim Gregory of Lubbock and Mrs. Charles White of Globe, Arizona; three sons, Pat of the Dodd Community, Marvin of Columbus, Ohio, and I. V. of Gobbs, Nevada; one brother, Clyde Meeks of San Antonio; and one sister, Mrs. Jessie Campbell of Dallas. Also 12 grandchildren and 8 great-grandchildren.

Pall bearers were Raymond White, Jimmy Eagle, Austin Latham, Carl Gregory, F. F. Collins and Robert O'Hair. Honorary pall bearers included J. E. Embry, D. B. Head, O. C. Frye, Thurlio Branscum, G. L. Adrian and W. C. Maxcay.

Interment was in the Bailey County Memorial Park under the direction of Parsons-Ellis-Singleton Funeral Home of Earth.

"Look Out World" Here We Come

"Look out world, here we come, Senior class of '71" was the theme of a senior party last Wednesday, August 26.

The senior rings and annuals were distributed that day and called for a celebration featuring homemade ice cream and hamburgers in the home of Mr. and Mrs. Buddy Adrian.

The party was also in honor of Ronda Clayton's 17th birthday.

Connie Kelley provided the birthday cake which was iced in white and decorated in green and gold featuring a megaphone with "Yea, Ronda" and "Happy Birthday."

Those attending were Susie Adrian, Jimma Banks, Jenna Banks, Kathy Bibby, De Anna Cavitt, Karen Armstrong, Jerry Lynn Barden, Tony Barton, David Bradley, Ronda Clayton, Welda Barton, Jan Cleavenger, Carlene Jones, Kent Coker, Camille Haberer, Connie Kelley, Donnie Galloway, Elaine Hanson, Johnny Kelley, Joan Dudley, Roberta Gaston, Denise Morgan, Robert Richardson, Johnny McNamara, Danny O'Hair, Kent Parish, Jennifer Myers, Wilma Meeks, Mike West, Monte Winders, Mr. and Mrs. Buddy Adrian and Mr. and Mrs. Rex Clayton. For entertainment, the seniors played records, signed annuals and played football.

The party ended around 11:30 when the tired but happy seniors said their good-byes to their hosts and departed with thoughts of making this the best year of their school life.

RINGS AND THINGS... This happy group had waited eleven long years to become a candidate for a senior class ring. At long last the countdown is over and the rings are now their very own. Proud seniors find their left hand is automatically being carried high this week. Pictured are Kent Parish, David Bradley, Jennifer Myers, Jerry Lynn Barden, Ronda Clayton, Susie Adrian and Kent Coker.

475 Attend County Pioneer Reunion

Standing room only was available for a portion of the 475 old-timers who gathered Tuesday, August 25, in Littlefield to form the largest Annual Lamb County Pioneer Reunion in the 21-year history of the organization.

The Lamb County Community Center was filled to capacity as the county pioneers became re-acquainted with old friends and reminisced about the "good ole days."

Thirty-eight of the 475 registered pioneers were guests of the annual event and several who arrived after registration was complete were still able to enjoy the food and fellowship along with their fellow oldsters.

Mrs. E. M. Davis of Littlefield, 19-year-old pioneer, was the oldest woman present again this year. Mrs. Davis has captured top honors as oldest woman present for the event for the past several years.

Another pioneer of 92 years of age, Tyne Fife of Sudan, received recognition as the oldest man present for the festivities. Fife, who retired from the furniture business only five years ago, is still very active in his community.

The honor of travelling the greatest distance to attend the reunion was won by A. C. Tremain of Miami, Florida. Tremain flew 1,850 miles to be present for the reunion. This was the first time in 21 years he had been in Lamb County.

An Olton resident, Henry Miller, was recognized as the person present who has lived in Lamb County the longest period of time--since the year 1900. He came to the territory prior to the time Lamb County was organized from the Bexar District in 1908, and named for L. G. A. Lamb, a San Jacinto Battle victim.

During the business session Tuesday afternoon, the presi-

dency of the Lamb County Pioneers organization was awarded to Louis Hair of Olton and Buck Ross of Littlefield was elected to serve as vice president. Returned to their respective posts of secretary and treasurer were Lyle Brandon and Sid Hopping, both of Littlefield. Scrapbook custodian for the forthcoming year will be Mrs. L. E. Slate of Sudan.

The afternoon's program featured several talented musicians and dancers from the Circle Eight Square Dance Club. Providing music before, during and after the main program session was a fiddlers' group and hundreds of the old-timers remained after the delicious barbeque to enjoy the nostalgic presentations. The group was organized and headed by Pleasant Valley resident, E. K. Anglely, and included Leidon Phillips and James Cunningham, both of Muleshoe; Arvin Peevy and Hiram Cook of Clyde; and six members of the Espinoza family. They were Al, Camilo and David, all of Muleshoe; and James, Jessie and Joe, all of Montana.

The Sunset Quartet, Jan Sisson and Zed Robinson presented several enlightening vocal numbers to add to the gaiety of the occasion. Clifton Smith of Littlefield called for the Circle Eight Square Dance Club square dance exhibition. Couples participating in the exhibition were the David Thompsons, the Gary Shipleys, the Earl Rodgers, the Byron Douglasses and the Doyle Tapleys.

Highlighting the evening was the huge 6 p.m. barbeque when the old-timers enjoyed a leisure evening of milling about the Community Center lawn until dusk and reminisced with each other.

IS YOUR GOD DEAD?

by The Farmer's Mate

Nowdays some people say, "God is Dead!" My God is alive! Long may it be said.

That the Heavenly Father can never die Except in the hearts of men who deny

That He walks each day with them Hand-in-Hand, O, the wondrous goodness of Him!

Do you realize the things He has done In order to save us one-by-one?

Just think of His greatness, His glory and grace-- The time that it takes Him to prepare our place

In the Kingdom of Heaven, our Eternal Home! If MY God is dead, then I must roam

Through the desert of despair and loneliness

Fighting off fear, resentment and bitterness.

I have faith in MY God that He did not lie When He said, "Ye shall come to me when you die."

MY God is Alive! If MY God is YOUR God

Then yours is alive, too!

EARTH

Ambulance-Auto Collision Injures One

At approximately 4:15 Sunday afternoon a freak accident involving a 1967 Chrysler and the Parsons-Ellis-Singleton ambulance of Earth occurred at the intersection of Highway 70 and Main Street in Olton, which resulted in injuries to one person.

The ambulance, driven by Hershel Hulcy, was traveling east on Highway 70 transporting a patient to a Plainview hospital when the Chrysler, driven by Chereé Minicke, emerged from a parking lot into the path of the emergency vehicle. Hulcy was unable to avoid hitting the auto broadside just in back of the front door on the right side. The back door and rear fender of the auto were heavily damaged but no injuries were sustained by the driver and an unidentified passenger in the Minicke auto.

Three of the four passengers in the ambulance escaped serious injury when the mishap occurred. Frank Meeks, who

had apparently suffered a stroke and was being taken to Plainview for treatment, and ambulance attendant Brian Hulcy, passengers in the rear of the ambulance, were uninjured. Upon impact, Mrs. Meeks and the driver were thrown against the windshield and dash of the vehicle. Hulcy received a slight bump on the head and Mrs. Meeks suffered a lacerated knee.

Olton city officials who investigated the accident summoned a Parsons ambulance in Olton to take Mr. and Mrs. Meeks to Plainview for treatment. Mrs. Meeks' injury required several stitches and she was admitted to the hospital for observation.

It was reported that the emergency lights on the ambulance were in use at the time of the accident but, due to the patient's serious condition, the ambulance siren was not being used. In an unofficial estimate of damages the ambulance was termed a total loss.

A H-A-N-D-Y FOURSOME... Like all members of the Senior Class, this foursome seemed to be quite anxious to show off their class rings. They are Danny O'Hair, Janis Bridge, David Bradley and Donnie Galloway.

Littlefield Beauty Receives Top Honors

Tension was high, as was the temperature in the Littlefield Junior High auditorium, as more than 600 spectators anxiously awaited the naming of the 1970 Miss Lamb County Friday, August 28.

A Littlefield High School junior, Linda Horn charmed her way to the title, from amid the eighteen beauties from throughout the county who were vying for the crown, to climax the two-hour beauty pageant.

Miss Horn, the 5-7, brown-haired, blue-eyed daughter of Mr. and Mrs. N. C. Horn, was presented a lovely bouquet of red roses, her crown and a trophy by Kathy Minyard, Miss Littlefield of 1969, after being selected Miss Lamb County.

The New Miss Lamb County is a Littlefield High School cheerleader and is active in band, choir, FTA, Kat Klub and Girl Scouts. She was also selected to serve as LHS basketball Queen last year.

First runner-up in the pageant was Miss Janis Bridge of Springlake. She is the lovely dark brown-haired, green-eyed, 17 year old daughter of Mr. and Mrs. Robert Bridge. Janis, who is currently serving as Lions Club Queen for the Springlake-Earth Clubs, was

named second runner-up in the Miss Wool Contest competition earlier this year. She is a senior student at Springlake-Earth High School and an avid participant and spectator of all sports who has received many recognitions and awards for her athletic ability in the field of basketball. She has served as captain of the Springlake-Earth Wolverettes, is a member of the National Honor Society, student council member and has been honored for her 4-H work.

Following second runner-up, Judy Williams, 17 year old daughter of Mr. and Mrs. Willie Williams of Sudan, was local beauty, Joan Dudley. The third runner-up is the vivacious 17 year old daughter of Mr. and Mrs. Norlan Dudley. She is the 1970 Earth Rodeo Queen and has been awarded various other titles including Smile Queen, Band Duchess, FFA Sweetheart, secretary of her class of Springlake-Earth High School and was first runner-up for the title of Lions Queen. Joan received nominations for Most Beautiful, placed in the top five of the district FFA Sweetheart contest and was a 1969 Homecoming Queen candidate. She is a senior student of Springlake-Earth High School and is

very active in FHA, Rainbows, band and basketball.

Fourth runner-up in the Miss Lamb County competition was Susie Humphreys. She is the 16 year old daughter of Mr. and Mrs. Jim Humphreys of Amberst.

All of the eighteen contestants first modeled in bathing suits then came back in formal for the scoring of the three judges--Mrs. T. R. Eoff and Mel Lisman of Lubbock and Tim Mcdree of Level-land.

When the field had been narrowed to the five finalists, Emcee R. B. Hall asked each of the girls where they would go if they had their choice of a trip to anywhere in the world. The longest and most enthusiastic applause followed Miss Horn's reply, "... To Vietnam ... to help, not only to see what is there, but to show what America is."

Aiding Rev. Hall, pastor of the Littlefield First Baptist Church, with the presentation of the girls was Kathy Fitzgerald of Beta Sigma Phi, sponsors of the pageant. Carolyn Spies, president of the organization, introduced the program and special entertainment was provided by Eddy Nicholson of Lubbock.

Regulations Expected For Commercial Hog Lots

Commercial hog lots located near public flowing streams or surface water supplies will be placed under regulation in the near future by the Texas Water Quality Board. Notice of public hearing has been published in 12 daily newspapers across the state. The hearing is set for 10 a. m. August 4, at the Terrace Motor Hotel in Austin.

Also, any swine producing operation may be required to

comply with regulations if it is located over a sensitive groundwater area where seepage may cause contamination of wells or other water supply in the neighborhood. Hog farms are subject to regulation if they cause a nuisance or appreciable damage to public waters in the state.

The regulation does not apply to small-farm hog producers unless they are endangering some public water supply.

It is primarily written to cover units with 50 or more breeding animals. Five hundred pigs under 50 pounds would also be under regulation.

Anyone interested in receiving a copy of the proposed regulation can get one by writing to the Texas Water Quality Board, 1108 Lavaca, Austin, Texas 78701. All concerned are invited to write their comments to the Board, or to appear and testify at the hearing.

Enrollment Reaches 761

As the end of the first week of the 1967-71 school year draws near, enrollment figures are slowly inching upward with a total school enrollment of 761 reported Wednesday, as compared to the 1969-70 enrollment of 829.

According to Ward Cooksey, high school principal, 225 students have registered in the four high school classes. A break-down of the figures indicate that freshman students total 163, sophomores, 60; juniors, 50; and senior students, 52.

In the local junior high, principal Cecil Stover, reported that 64 seventh graders and 61 eighth graders had enrolled for the current year making a total junior high registration of 125.

A total of 411 kindergarten and first through sixth grade students have enrolled for classes according to Bill Verden, elementary principal. Verden said of the total figure, 15 students were currently attending kindergarten classes. In the first grade division, 88 students have been registered with second graders totaling 53, and third grade, 60. Sixty-four was the reported fourth grade enrollment, 65 in the fifth and 66 in the sixth grade.

All three local principals and other school officials are optimistic concerning the 1970-71 student enrollment. A minimum number of drop-outs and transfers from the school are expected to occur and hopes

are high that figures will indicate an increase when classes resume Monday morning.

GEORGE WHITE DISTRICT GROUP TO MEET TUESDAY

Jerry Boudreaux, District Chairman for the George White District of the South Plains Council, Boy Scouts of America, announced that the monthly meeting of the George White District Committee is scheduled for September 8 at the First National Bank in Leveland at 7:30 p. m.

Anyone interested in a quality scouting program for the boys of Hockley, Cochran, Lamb and Bailey Counties are urged to attend this monthly meeting of the Boy Scouts of America.

Phil Middleton Employed by Public Finance in Odessa

Phil Middleton, who has been employed by Public Finance Company in Amarillo for the past four months, was transferred to the company's Odessa office this week.

Middleton moved to Odessa Wednesday to begin his duties there. He is the son of Mr. and Mrs. Ross Middleton of Earth.

Annual Boys Ranch Rodeo September 6-7

The 350 boys of Cal Farley's Boys Ranch will be putting on their 26th annual Boys Ranch

Rodeo, September 6 and 7, the Labor Day weekend. Believed to be the only rodeo of its kind in the nation in which the only contestants are boys riding professional rodeo stock, under R. C. A. rules, the event is expected to attract about 5000 persons for each of the two afternoon performances at 2:30 p. m.

The boys have been getting ready for the rodeo with qualification rides on calves, steers, Brahma bulls and bucking broncs for about two months. All will have a part in the rodeo with 88 riding as contestants for the trophies that will be awarded to the best riders. Top honors will be the Senior and Junior All-around Cowboy trophies, with 1st, 2nd and 3rd place trophies going to contestants in each riding event.

Texas-size barbecue sandwiches with all the trimmings will be on sale for \$1.00. The barbecue concession is one of several that will be operated by the boys. Another rodeo feature will be the appearance of riding clubs from area communities in the rodeo's grand entry. Reserve box seats can be obtained at the Boys Ranch office, P. O. Box 1890, Amarillo, Texas or by calling 372-2341. Ticket prices are \$2.50 for box seats; general admission tickets are \$1.50 for adults and 75¢ for children.

Party Line

Mrs. H. H. Hamilton spent a couple of days visiting her son and family, Mr. and Mrs. Clarence Hamilton and Butch of Clarendon.

The Clarence Hamiltons are serving as dorm parents and have moved into an apartment in one of the boys' dorms on the Junior College campus. Mr. Hamilton is a member of the college faculty.

The Hamiltons are former residents of Earth. Hamilton served as instructor of high school history in the Springlake-Earth Schools for several years before moving to Clarendon last year.

Butch will be attending New Mexico Military Institute at Roswell. Mr. and Mrs. Pete O'Hair, Kirk, Kenny and Ed O'Hair fished last week at Lake Kickapoo.

FINANCIAL FACTS

By: Norlan Dudley

Did you know that our paper money often lies to you?

It frequently isn't as old as it claims to be. The date that appears on every piece of American currency is there for one of two reasons. Either it is the year that the Act of Congress authorized the bill's printing or it is the actual date of the year of printing.

In the case of many bills, they are actually printed years after the date on their surface suggests. Take, for instance, a Series of 1899" bill with the signatures of Elliot and Burke on it. The bill couldn't have been printed in 1899 because Elliot and Burke were in office concurrently only from November 21, 1919, to Janu-

ary 5, 1921. Sometime in that 14 months, the bill was actually printed.

Watch Next Week For Just Sign For It

Everyone in the area is invited and urged to attend the Wolverine Development Corporation meeting tonight at 8 p. m. in the community room at the Earth City Hall.

Sunnyside News...

By Tenny Bowder.

Pictures for the church directory will be made at the church Saturday, September 12, from 4:00 until 9:00 p.m. Choose the hour most convenient to you, but please have your picture made if you are a member because everyone else wants your picture in their book whether you want it or not. The representative will be here on Tuesday to give you the line-up and details. Please reserve this date. Those who cannot come because of illness or other providential hindrance, will have to pay \$3.00 and furnish a sharp picture. If you have your picture made, the directory will cost you nothing. If you are a former member or just interested in having a copy it will cost you \$1.25. Help us get this word around.

Melinda Jill Wilson, infant daughter of Mr. and Mrs. Glen Wilson, was dismissed from Central Plains General Hospital in Plainview Monday and has been doing fine all this week.

Mrs. Larry Odum of Hereford was admitted to Plains Memorial Hospital in Dimmitt last Sunday morning. An 8 lb. 2 1/2 oz. girl was born to them Monday afternoon. They named her Lisa Michael. They were dismissed from the hospital Wednesday and stayed in Dimmitt with Mr. and Mrs. M. B. Odum until Sunday when they went back to Hereford.

Mrs. Pearl Sadler of Dimmitt and Mrs. Maggie Seymour of Abilene spent Monday night with Mr. and Mrs. Ezell Sadler. They went to Hale Center Tuesday. Jake King of Hereford had dinner with the Ezell Sadlers Tuesday.

The Sunbeams met at the church at 3:00 Monday afternoon. They will meet after school during the school term.

Mr. and Mrs. Eddie Haydon and girls visited last week in Weatherford with his parents and fished a few days at Possum Kingdom Lake. They returned home last Sunday night.

Mr. and Mrs. Duard Harris and David attended the funeral services for his uncle, William Harris, in Wellington Friday. Mr. Harris was one of the pallbearers. They also visited while there with his mother who is in St. Joseph's Hospital. His aunt died in Colorado the same day his uncle died. She was buried Saturday in Colorado but they were un-

able to attend her services. David Harris enrolled in Tech this week. Classes will start Monday. Sue has been working as a bookkeeper in the Prather Accounting Office in Dimmitt this summer so she has decided to continue working rather than go to college.

Mrs. Bill Baker and children and Debbie Curtis of San Angelo spent last Thursday through Saturday night with their parents, Mr. and Mrs. Cecil Curtis. Debbie enrolled Thursday in the university there for the fall semester. Connie Conwell, 17 year old daughter of Mr. and Mrs. Gene Conwell, former residents of the community and members of the church, passed away in a Galveston hospital last Thursday night of kidney failure. She was taken from her home in Canyon to Galveston in April for a kidney transplant but was never in condition for the surgery. Funeral services were held in Canyon Monday afternoon.

Mr. and Mrs. Cecil Curtis spent last Sunday in Petersburg with her parents, Mr. and Mrs. E. M. Stephens, and her brother, Mr. and Mrs. Jack Stephens.

CORRECTION: Mr. and Mrs. Lyle Christenson do live in a trailer house on the Blewett lot in Sunnyside but he is working for Mr. Shottenkirk at the Sunnyside Cattle Company.

Mrs. J. Paul Waggoner visited Tuesday afternoon in Olton with her parents, Mr. and Mrs. Bob Ball. She and Mrs. Hubert Lilley visited their mother in the Littlefield hospital Saturday afternoon.

Mr. and Mrs. Duard Harris and David visited in Levelland last Sunday and again Monday with her parents, Mr. and Mrs. W. B. Sanders.

David Harris spent last Saturday and Sunday night with his cousin, Jimmy Barfield in Amarillo.

Mrs. William Barfield of Amarillo visited last Thursday and spent Thursday night with her sister, Mr. and Mrs. Duard Harris and family.

Stanley Harris is busy with football practice. He will play on the Hart B team this year.

Mrs. Ray Joe Riley has been busy this week with the Springlake-Earth PTA organization. She is president again this year.

Mr. and Mrs. Anthony Stanford of Weatherford, Oklahoma, visited Tuesday with her sister, Mr. and Mrs. Ray Joe Riley and boys. They were between semesters at pharmacy school.

Mrs. Carol Pounds, Beth and Britt spent Tuesday night with Mr. and Mrs. Eddie Haydon. They are former Earth residents in the process of moving.

Mrs. Jimmy Waggoner of Dimmitt visited with her parents, Mr. and Mrs. Bill Morgan, Wednesday. They and Denise and Lesa visited with Mrs. Larry Odum and new baby in Dimmitt Wednesday.

A wreck at the intersection of Highway 385 and FM 145 Wednesday noon sent a passing motorist to the hospital, but he was just treated and released. A Coca-Cola truck was trying to make a left hand turn onto 145 but having to yield to a car coming from the north meeting him. The car behind didn't see the oncoming vehicle and had to pull back and had too much speed to stop so he ran into the Cola truck. Both vehicles were badly damaged but no one was hurt badly.

Ensilage harvest is in full swing this week and there is need at this time of the year for those of us who know the road to adjust our speed to try to prevent the passing motorists, unfamiliar with the danger from running upon the yellow stripes when they can't pass.

Mr. and Mrs. Roy Lilley and his cousin, Mr. and Mrs. Fowles (Jessie Jo Lilley) of Sallisaw, Oklahoma, visited Thursday afternoon with Mr. and Mrs. Weldon Bradley.

Kelly, Kim and Jeannie Haydon and Terry Blanton were among a group of children from the Earth Church of Christ attending a skating party at Littlefield Thursday night.

Mrs. Ed Thompson visited in Dimmitt Wednesday afternoon with Mrs. Joe Hastings. The mission prayer group and WMS committee met Wednesday night for the regular monthly meeting.

The Baptist Women met Thursday afternoon to begin plans for next year's work. Mrs. Mack Turner will be the president.

Mr. and Mrs. David Sadler and Melody of Lubbock came in Friday evening for the weekend.

Rev. and Mrs. Ellis Parsons and children of Plainview visited Saturday with their parents, Mr. and Mrs. Thomas Parsons. The Lions Club was busy Thursday with their broom sale. They had many other needed items besides brooms.

Mr. and Mrs. Olen Venable of Irving had dinner Sunday with Mr. and Mrs. W. E. Louder, Mr. and Mrs. L. B. Bowden and Marie Lewis, Mr. and Mrs. Ezell Sadler visited with them after dinner.

Rev. Mack Turner has been in the best of the last of the week with a back ailment but was able to attend the Sunday services.

Mrs. Roy Phelan got sick during Sunday School class Sunday morning and was admitted to a Plainview hospital. She was given dextrose as she will undergo tests the next few days.

Last Tuesday David Bradley, Denise Morgan and Janis Bridgeman attended a swimming party for the 25 Springlake-Earth seniors.

Janice Townsend will finish high school in Durant, Oklahoma, this year. She left last week.

Roy Bradley was admitted to Plains Memorial Hospital Friday after a battery exploded and injured him. He was dismissed Sunday.

Steve Jackson and the Dawsons enrolled in Tech this week. School will start Monday.

Kathy Calhoun has just finished beauty school in Hereford and will go to Austin to take her test Tuesday, so her future plans about college are uncertain.

Fifty-seven attended Sunday School with 27 in Training Union Sunday. The nominating committee and the deacons met after the evening service. So did the choir.

Mrs. James Powell of Dimmitt and Mrs. David Sadler and Melody of Lubbock visited Sunday afternoon with Mr. and Mrs. W. E. Louder, Mrs. Ezell Sadler and Marie Lewis.

Frank Locke of Levelland, father of local coach Duane Locke, underwent surgery Monday at Methodist Hospital in Lubbock. Locke suffered a broken hip in a fall and surgery was required to set the break. He is reported to be making satisfactory progress.

Rock Music Festivals Can Be Dangerous To Health

A phenomenon of the younger generation has been its passion for loud music and the outgrowth of the rock festival. The intensity of the music has proved damaging to the ears of the avid listeners. And the rock music festivals can be dangerous to the health of the participants, says the Texas State Department of Health.

There's evidence to support the belief that rock festivals are on their way out, and a Texas festival at Bastrop during the Labor Day Weekend may be one of the victims of this trend.

But what about the danger to the health of participants?

In addition to massive traffic jams and incidences of drug use which all too often accompany a rock festival, the lack of adequate sanitation facilities presents a primary health problem. Due to the overwhelming crush of young people attending a festival, it has been impossible to provide sufficient facilities for food, water, toilets, shelter, and refuse or sewage disposal.

At a festival just outside Livermore, California, most of the chemical toilets were filled to overflowing by 10 a.m. on the first day of a three-day festival.

At last summer's Woodstock Festival at Bethel, New York, an apparently good plan went up in smoke when upwards of 400,000 people clogged access roads and overflowed into areas without sanitation or food

or water supplies. Hundreds of acres were turned into a muddy sea of hungry, thirsty humanity.

Most people who attend rock festivals bring their own food, but numerous commercial food vending operations normally are located throughout a festival area. In many instances there are no handwashing facilities provided for use by food handlers after using toilets. Improperly stored or handled foods are the rule. Food is dispensed from vans and pickup trucks, displayed on blankets on the ground and distributed in virtually every conceivable way.

Deaths due to stabbings, automobile accidents, drownings, tractor accidents and drug abuse have been reported at rock festivals. Injuries while high on drugs have been frequent. Many minor injuries of the feet are attributed to go-

ing barefoot. Cases of heat exhaustion and over-exposure to the elements are frequent. Planning for health aspects of rock festivals hasn't been good. If the festivals are to continue, better planning should be one of the first considerations.

TEXAS PRESS ASSOCIATION
 MEMBER

County 4-H Adult Leaders To Participate In Forum

Five 4-H adult leaders in Lamb County will participate in the SPD (South Plains Development Program) District 2 4-H Adult Leaders Forum scheduled for September 8, 9 and 10 at the Ceta Canyon Methodist Camp in Randall County.

The forum is designed to bring "new life" into 4-H Club work, points out Logsdon. New ideas for a more effective 4-H Club program will be discussed.

Registration will be from 4 to 5 p.m. on Tuesday, September 8, and a general assembly at 7:30 p.m. will kick off the forum. Featured speaker at the assembly will be Dr. John E. Hutchison, director of the Texas Agricultural Extension Service, which is sponsoring the event along with SPD. Hutchison will talk on "4-H Club Work in the '70's."

Forum sections which will be held during the three-day program include "Recreation, Scope of 4-H and Leader Orientation." Leaders for these sections will be Mrs. Lucille Moore, recreation consultant, Green Valley, Arizona; H. T. Davidson, Extension assistant state 4-H Club leader, College Station; and County Extension Agents Doyle Warren, Floydada; Mrs. Catherine Crawford, Big Spring; Mrs. Jane Blay, Brownfield; and Bobby Lemons, Colorado City.

A general assembly at 11:30 a.m. on Thursday, September

10, will close the forum. Featured speaker for the assembly will be Joe Roth, Extension state agricultural agent, College Station. He will discuss "The Responsibilities of 4-H Leaders and County Extension Agents."

Vesper services during the forum will be led by Dan Yeary, First Baptist Church, Lubbock, and Rev. Mark Williams, First United Methodist Church, Plainview.

President of the District 2 4-H Adult Leaders Association is Roy Carpenter of Ropesville. Extension District Agents are Mrs. Aubrey W. Russell and Billy C. Gunter, both of Lubbock.

Morgan Named Prexy of Junior High School Band

Steve Morgan was named president of the junior high band during an annual election held Monday by the 40 members of the band.

Other officers elected were Brad Barden who was named vice president and Ruth Street was section secretary.

Dawn Barden and Judy Herrlage were named librarians. Their duties will be to take care of all sheet music, etc.

Jerry Starkes is band director for this enthusiastic group. He hopes to have a very beneficial year with this group.

1970-71 JUNIOR HIGH BAND OFFICERS were elected Monday by the 40 member band. They are, front row, left to right, Steve Morgan, president; Ruth Street, secretary; and vice president, Brad Barden. Serving as librarians will be, back row, Judy Herrlage and Dawn Barden.

Fish Farms Need License

AUSTIN--Getting a license to farm fish isn't a hard row to hoe, but it is necessary, according to the Texas Parks and Wildlife Department.

A fish farmer is defined as "any person, firm, or corporation engaged in the business of production, propagation, transportation, possession and sale of fish except fish propagated for bait purposes, raised in private ponds or reservoirs."

To engage in this sort of enterprise, a \$25 license is required from the Department for each premise on which fish farms are located.

A "fish farm vehicle license" is required for each vehicle

transporting fish from fish farms for purpose of sale from the vehicle. If the fish is not for sale from the vehicle, a license is not required for the vehicle, but a bill of lading, telling the species of fish, number, fish farm owner's name, location, and license number of the fish farm and destination of the cargo must be with the vehicle.

The act requiring the license allows propagation of all species of fish, but bass and crappie may be sold only for stocking purposes to another licensed fish farm.

All other fish propagated on fish farms may be sold for any purpose.

ANDRE DAVIS, BEVERLY NEWMAN ENROLL AT BAYLOR

Miss Andrea Davis and Miss Beverly Newman of Dimmitt left last Wednesday for Waco where the twosome are enrolled for the fall semester in Baylor University.

On Friday, the girls' mothers and grandmothers, Mrs. Colene Newman, Mrs. Billie Gwen Smith, both of Dimmitt, and Mrs. L. T. Smith of Earth, took a load of clothing to the girls. They spent the weekend in Waco. On Sunday, the girls and their guests attended church together before the three left for home.

Cain To Enter TCU Program

Hollis Hudson Cain, Jr. of Springlake is among 27 young men accepted to enter Texas Christian University's 1970-71 Ranch Management Program.

The largest class to be accepted for the program since its establishment in 1956, the men will have intensive classroom instruction in basic principles of land, grass and livestock development.

Geared for men who plan to

ing or livestock farming, the TCU Ranch Management program also features the practical experience of seeing at first-hand ranches, feedlots, research and marketing facilities in three states. During the semester, the Ranch Management men travel more than 900 miles to gain practical experience.

In addition to the regular staff of Director John Merrill, Associate Director Raymond Kenny and veterinarians Dr. Ben Nye and Dr. Bill Wohler, more than 100 ranchers, business and professional men lend their knowledge of agrarian technique to the program.

Cain is the son of Mr. and Mrs. H. H. Cain of Springlake.

Thoughts For Labor Day

Labor Day has long been an occasion for one last family fling to mark the end of summer. Picnicking, boating, swimming and fishing are part of a good old-fashioned American Labor Day weekend. The custom of fun has long overshadowed the deeper meaning of Labor Day--which, according to the dictionary, is a day set aside "for special recognition of the working-man."

Labor Day, this year, comes at a time when the pressures of inflation are bringing to a head the issue of wages versus productivity. Living standards have risen steadily for longer than anyone can remember, thanks to the rising productivity of American workers. But, for sometime now, the trend has been toward wage increases regardless of productivity.

According to Time magazine, in the auto industry productivity has risen only 9 per cent since 1965 while hourly pay and benefits have climbed 25 percent. Reportedly, workers in the auto industry are demanding wage increases above 12 percent in order to better than restore the purchasing power that union men had a year ago. Keeping up with inflation has become the chief argument for wage increases--irrespective of productivity. If ever there were a losing game, this is it, and labor will be the chief loser.

Savings Bonds Interest Boosted By .5% Bonus

(Dallas)--Residents of Texas and American citizens everywhere who own or are buying United States Savings Bonds are in line for higher interest on their Bonds. The increase in the form of a .5-percent bonus, raises the effective interest rate on new Savings Bonds from 5 percent to 5.5 percent, when held to maturity.

Rex Brack, Texas Chairman for U. S. Savings Bonds, noted that "The bonus applies not only to new issues sold on or after June 1, 1970, but also to older Bonds as well, so there is no advantage in redeeming outstanding Bonds to buy new ones."

"I think that U. S. Savings Bonds are one of the greatest self-help opportunities available to us in Texas. Revenue from Savings Bonds helps the Federal Government finance highways, recreational areas and protection of our environment," Brack said. "We can

see the benefits all about us," he added. "And Bonds traditionally are treasured family assets because they help pay for children's educations, new homes and cars, vacations and weddings. Bonds provide timely assistance in unexpected family crises."

He pointed out that the 10 million Americans who purchase Bonds regularly enjoy other direct benefits.

"The interest paid on U. S. Savings Bonds is not subject to State or local income and personal property taxes. This new rate increase, coupled with their tax advantages, makes Savings Bonds especially useful," Brack said.

He urged Texas residents to contact their employers or their banks to take advantage of the new Savings Bonds bonus by increasing their Payroll Savings or Bond-A-Month participation.

"Savings Bonds enable us to demonstrate, in a most positive manner, faith in our country while helping to provide for our own financial security," Brack added.

Oldest stained glass in the world represents the Prophets. It is in a window of the cathedral of Augsburg, Bavaria, Germany.

Goodwill Center Nets \$14.70 Saturday

The Goodwill Center was open for business Saturday, August 29, with members of the Town and Country Study Club in charge of sales. A total of \$14.70 was taken in during the 1-5 p.m. business hours and numerous requests for school clothing were reported by workers.

Town and Country Study Club members supervising the day's sales were Mrs. Lottie Orteg, Mrs. John Welch, Mrs. Wayne Rutherford and Mrs. Ray Kelley.

Local Threesome Attends Birthday Party in Plainview

Mr. and Mrs. Harvey Hickman were accompanied to Plainview Sunday by Mrs. A. C. Barton, where the threesome were guests at a birthday party in the Heritage House in Plainview.

The honoree, Mrs. Carry Walker, was celebrating her 90th birthday. She is a cousin to Mrs. Hickman and Mrs. Barton.

Approximately 30 guests attended the event.
