

PUBLIC SCHOOL WEEK MARCH 3-7

Springlake-Earth Schools will observe Public School Week March 3-7. It has been a number of years since our local schools have observed Public School Week and this year they have made an all out effort to give the public the opportunity to become acquainted with the school's program of work.

The elementary building will display the work of students from kindergarten through 5th grade. The teachers will be present to get better acquainted with you and to answer any questions you might have about the program of work in your child's room.

Teachers will also be present in the Junior and Senior high buildings to give you an opportunity to become better acquainted with them. Refreshments will be furnished by the local PTA and served by members of the National Honor Society.

Immediately after the open house at 7:30 p. m. the Junior class will present three one act plays in the high school auditorium. Everyone is invited to attend the plays. Tickets will be \$1.00 for adults and 50¢ for students.

There are several events scheduled throughout the week. Projects from Jesse Green's Industrial Arts Class will be displayed in the windows of local merchants. These projects are items that the senior high school boys have made from wood, including such things as cedar chests.

Also on display during Public School Week will be trophies won by the Wolverine Band and the Athletic teams. These will be on display at Citizen State Bank.

Be sure and remember Public School Week, March 3-7, and take advantage of this opportunity to become better acquainted with your local teachers and school program.

We've all heard the old saying "Into each life some rain must fall," and we know the statement to be quite true. However, recently more than just a little rain has fallen into the lives of Mr. and Mrs. Jimmy McDonald as their twin sons have had to battle for their lives ever since their premature birth in January.

At present Richard, now weighing 5 pounds and 11 ozs is at home. His brother Wesley however, had to be taken to Dallas where he underwent surgery twice. Hopefully he will be allowed to return to the Lubbock hospital (today) Thursday. He currently weighs 3 pounds and 4 ounces.

Friends of the family wishing they could help through this lengthy and expensive experience have set up an account at the Citizen State Bank. Any one wishing to help out may send or bring in a check to be deposited to their account.

The McDonalds are not discouraged, quite the contrary, they are just thankful the two boys are still alive. Mrs. McDonald is the former Jean Sawyer.

NOSIN

Maybe its just as well that men don't understand women. Women understand women, and quite frequently, don't like them.

NOSIN

Getting rich this day and time could be as easy as it is for one lonely dandelion to take over an entire lawn, and you know they can do that with a breeze.

It seems anyone could get rich if he could guess the exact moment that a piece of junk becomes an antique and buys it just 10 minutes before it is termed an antique. People go wild over antiques today and will pay any amount to get them.

One of my sisters is gathering various antiques. She received,

among other gifts, two red depression glass vases for Christmas. They weren't antiques, but are considered unique and good to have, as very little of the old red depression glass is available today.

Showing her vases off, I was shocked for I had one just like hers, with the addition of adult birds feeding their babies painted on the side. Not being up on things of this sort, I had been trying to have a garage sale and stick a flower in it and sell it. However, I couldn't remember what kind of glass it was, I just called it old red poverty glass.

Now I don't think I'll ever have a garage sale, everything in our house is probably antique. The only thing is, we hadn't intended it that way.

NOSIN

Thought for Public School Week:

Educated is that which if a school teacher isn't, he is sure gonna be when the students get done learnin' him.

NOSIN

Through the years much sorrow, loss of property and funds have been inflicted upon families and friends because a proper and updated will was unavailable upon the death of the breadwinner.

Year after year folks continue to put off making a will, yet take time to do the minor tasks of the day.

A local resident, Norman Ellis, was said to have given some thought to the subject of making a will. However, his thoughts on the subject and his reasoning for not making a will were unique to say the least. He summed up his idea in a few words that packed a punch, "If I could figure out how to leave all my debts to my friends, I'd make out a will at once."

Lamb County 4-H Food Show March 1

The Lamb County 4-H Food Show will be held March 1 in the Lamb County Community Center at 600 West 3rd in Littlefield. The theme for this year is "Southwest Foods."

The food show schedule to begin at 1:45 p. m. with contestants checking in and setting up their exhibits.

At 2:00 p. m. judging of the exhibits will begin and at 3:15 the public is invited to attend the Tasting Bee and the Awards Program to follow.

4-H members will be judged on their knowledge of nutrition, ability to plan menus and food preparation skills. The 4-H members have attended 4-H Foods and Nutrition Project Groups taught by 4-H Adult and Teen Leaders.

The exhibitors will enter one of the three classes, the Peewee class is an exhibit-only class for youth under 9 years of age. The Junior class include 4-H'ers from ages 9 to 13 years and Seniors include 4-H'ers from 13 to 19 years.

The 4-H'ers will enter food in one of the following categories: Breads and Desserts, Main Dishes, Side Dishes or Snacks and Beverages.

Judges for the event will be Extension Agents and 4-H Leaders from Bailey and Cochran Counties.

Food show winners will enter the District 2 4-H Food Show which will be held March 22 in Lubbock.

Those from Earth who plan to enter the show are Vonda Stephens, Cindy Clayton, Scott Branscum, Lesa Templeton, Libby Kellar, Cliff James, Darcy Randolph, Kevin Riley, Belinda Hampton, Duke Hampton, Tommy Hampton and Teresa Ott.

School Board Election Set

The Springlake-Earth School District will hold a school board election Saturday, April 5.

There will be two places to be filled, Incumbant Ray Joe Riley and Dwane Jones have both filed for re-election.

Deadline for filing is Wednesday, March 5.

The election will be held at the Springlake-Earth High School library.

Preparations Made For UIL Contest

Students of Springlake-Earth Schools are preparing for UIL Contest which is coming up in March and April.

Categories for elementary students are story telling, 2nd and 3rd grades; picture memory and spelling, 4th and 5th grades. Junior High students will be competing in spelling, ready writing, number sense and oral reading.

The golf competition will be held April 7 and 14 at Vega and Farwell.

The one act plays will be presented on March 20 at Farwell. All other competitions will be on April 11 at Farwell.

The students who will compete in these events will not be named until March 21.

Mrs. J. A. Littleton, Sr. returned home Monday after spending ten days in the hospital. She is feeling very well and is able to be out.

DOUG JONES, ERIC FREEMAN and LARRY DEAR are assisted in an oxygen experiment by their chemistry teacher Jerry Beard.

BILL ANDERSON brings the pages to life for his students in his English III Literature Class.

THE 7th GRADE GIRLS seem to be enjoying their Social Studies class with Mrs. Susan Ghisum.

Two File For Councilman

Ralford Daniel, Jr., and Glenn Bulls, incumbent, have filed for the position of city councilman.

There are three vacancies to be filled. The terms of Calvin Wood, Glenn Bulls and Doug Parish all expire.

Deadline for filing for city councilman is Wednesday, March 5 at 5 p. m.

Anyone wishing to file for the position may do so at City Hall.

The City Election has been set for April 5.

School To Dismiss Early

Springlake-Earth Schools dismissed at 3 o'clock Wednesday, February 26 and will dismiss early again today, Thursday, February 27, announced Superintendent Bill Mann.

The reason for the early dismissal is the semester test schedule.

Missionary Conference To Be Held At Methodist Church

The Earth United Methodist Church will hold its first annual Missionary Conference March 6-9.

Special guest missionaries will be Rev. Philip Del Rosario of the Philippine Islands, Rev. Bill Kent of Canyon and Rev. Jacinto Alderete of Amarillo.

Thursday and Friday, March 6-7, the church will hold a prayer vigil. Also on Friday there will be a covered dish dinner at 5:30 p. m. for everyone.

The evening services on March 6 at 7 p. m. will feature Rev.

Bill Kent as the main speaker with Rev. Alderete and Rosario giving their testimony.

Saturday, March 8 will begin with a family breakfast at 6:30 a. m. with Rev. Philip Del Rosario as the main speaker. A prayer meeting will follow at 8 a. m.

A special meeting for the youth and children of the congregation is planned at 9:30 a. m. followed by a noon luncheon for everyone.

The Wesley Center Children's Choir of Amarillo will provide the entertainment.

The evening service will begin with a sandwich supper at 6 p. m. Rev. Jacinto Alderete will be the main speaker for the Saturday evening service at 7 p. m.

Sunday, March 9, the missionaries will teach the Sunday School classes.

Rev. Philip Del Rosario will be the speaker at the 10:55 a. m. worship service.

Faculty To Be Honored

All Springlake-Earth faculty members will be honored at a reception Monday, March 3 at 7:30 p. m. in the home of W. B. Hucks.

The reception is being given by the XIT Study Club.

The members stated that often when you no longer have children in the lower grades, you fail to become acquainted with the teachers like you did when your children were younger. And often times when your children are no longer in school you don't know the faculty at all.

The club is taking advantage of Public School Week to honor all Springlake-Earth faculty members and to get better acquainted with them.

Cancer Society Unit To Meet

The Lamb County Unit of the American Cancer Society will meet at 7 p. m. Monday, March 3 at the XIT Room of the Security State Bank in Littlefield.

Representatives from every community are asked to be present to receive crusade materials and to set the dates for the local crusades.

Mrs. Lady Clare Phillips of Littlefield is again serving as county wide crusade chairman.

Mrs. Jody Ellis, vice-president of the Lamb County Unit and Mrs. Jackie Freeman, Memorial Fund chairman, will represent Earth at the meeting.

Fire Destroys Trailer House

James Wages, Fire Chief, reported that the Earth Volunteer Fire Department was called to a fire Northwest of Dodd, Wednesday, February 19, about 3 o'clock in the afternoon.

The trailer house of Gerald Vaughn was completely destroyed by the fire. The cause of the fire was not known.

Vaughn had left a short time before to go to town. Neighbors reported the fire.

One fireman said that by the time they reached the scene, the fire had already destroyed the trailer and they concentrated on getting the fire under control to keep it from spreading.

School To Dismiss Friday

Springlake-Earth School Superintendent, Bill Mann has announced that there will be no school Friday, February 28. This is a teacher in service work day. The teachers will all be in school, but the students will have a holiday.

S-E Faculty Plays Seniors

Friday in the Springlake-Earth High School Gymnasium the Springlake-Earth faculty battled the Senior girls in two volleyball games.

The faculty won both games. The score of the first game was 15-2. The faculty barely edged by in the second game with a score of 11-8.

Those playing on the faculty team were Marie Slover, Pat Eagle, Sue Haberer, Donna Fryar, LaDenna Jones, Beth Cain, Susan Chisum, Monarac Cummings, Oletha Sanders and Jody Ellis.

A basketball game between the male faculty and Senior boys followed the volleyball games.

Composing the faculty team were Melvin Chisum, Tom Phelps, Earl Ramsey, Art Karger, Gary Hamilton, Smithy Lawrence, Jerry Beard and Bill

West.

The faculty won the game 45-23.

All money made at the games went to the Athletic Department.

Frontiers '75 Held At Dent Farm

Farming Frontiers '75 was a huge success when about 75 farmers and friends gathered at Dent Farm Supply, Inc. for coffee and doughnuts Tuesday February 11.

The film was shown to acquaint customers on what's new in the John Deere line and to give them an idea of how the equipment performs.

Door prizes were awarded, with V. J. Sigman and Donald Kelley receiving John Deere Barbecue Grills. John Deere Patio bells were won by John Bridges and

Chemists' Group Tells Us About The Food We Eat

To help consumers better understand why chemicals are added to food, the Manufacturing Chemists Association (MCA) has revised its reference booklet, "Food Additives: What They Are/How They Are Used."

The booklet describes the purposes, benefits and sources of food additives. Sections are included on federal legislation dealing with foods and how these laws, combined with industrial scientific research, protect the consumer, and there is an appendix of selected references.

Goodwyn-Mann Exchange Vows

Cynthia Ann Goodwyn, daughter of Mr. and Mrs. Roland Goodwyn of Lubbock, became the bride of Thomas Lloyd Mann of Earth Saturday, February 22 at 7 o'clock in the evening at Hodges Chapel of the First Christian Church in Lubbock.

Bob Connel, minister of the Church of Christ in Post, officiated the double ring ceremony. He is the uncle of the bride.

The bride, given in marriage by her father was beautiful in a Victorian gown of Ivory Organza accented in Chantilly type lace highlighted with Venise trim. The Princess silhouette featured a deep yoke of pearl encrusted lace with a high Duchess neckline with a fluted stand-up collar. Long tapered sleeves of lace were also highlighted with a double row of pearl beaded scallopes, with fluted lace cuffs falling over the hands. The full skirt was sprinkled in pearl beaded Venise lace medallions, with the entire hemline encircled in a deep lace flounce, with the train reaching to Cathedral length. A Camelot style Capulet held her veiling that was edged in Chantilly lace scallopes that fell in tiers repeating the oval shape of her train. Pearls also highlighted her headpiece.

The bride carried a beautiful

bouquet of Ivory roses surrounded by baby's breath and Stephanotis.

The traditional something old was a bracelet given to the bride on her 5th birthday by her maternal grandmother.

A cameo brooch belonging to the bride's paternal grandmother was something borrowed. Something new was her gown and she wore the traditional blue garter.

Melinda Basinger of Aurora, Colorado served as maid of honor. Bridesmaids were Lynn Nicholson, Sheryle Huddle, Vanessa Goodwyn and Amy Goodwyn. They wore identical floor length dresses of apricot double knit, accented by short jackets.

The bridesmaids bouquet were composed of a variety of roses of the bride's chosen colors.

Serving his son as best man was William L. Mann. Groomsmen were Steven L. Mann, Jimmy Mann, brothers of the groom, Ronnie Goodwyn brother of the bride and Tim Ward.

Candlelighter was Monty Goodwyn, brother of the bride.

Dale Cook, Ronnie Overby and Gordon Hoffman served as ushers.

The altar was decorated with a beautiful double tiered candleabra with arrangements of white mums. Two large white candles stood on either side of the altar.

On each pew was a hurricane

MRS. THOMAS L. MANN
(nee Cindy Goodwyn)

lamp with an ivory candle. Each lamp was decorated with greenery and an ivory bow.

Wedding music was provided by Julie Wyrick who played various selections on the organ and Mike Paulk who sang "The Wedding Song." Paulk and Ellen Camp also sang "One Hand, One Heart." Bob Connel, uncle of the bride sang, "Holy Father, Glorious Master."

For her daughter's wedding, Mrs. Goodwyn chose a pink mauve mysta jersey floor length dress. The simple long waisted gown was accented with a wrist length jacket. A pink cymbidium orchid completed the outfit.

Mrs. Mann, mother of the groom wore a lime green chiffon floor length dress. The light green bodice had bishop sleeves with sheer cuffs and a natural waistline with a regimental strip sash in different shades of green. The deeper green chiffon skirt was sheer to the back. Mrs. Mann wore a green cymbidium orchid.

A reception immediately followed the ceremony.

The bride's table was laid with an ivory cloth. The wedding cake served as the centerpiece. It was a 3-tier cake covered with yellow, orange, coral and rose colored flowers with lime green pedals, topped with pastel flowers in a cherub

statuette. Bouquets of roses and daisies in the bride's chosen colors were used throughout the reception hall.

The bride chose a 2 piece dress of brown tweed for a wedding trip to Rudosa, New Mexico and El Paso and other points of interest.

The bride is a 1974 graduate

of Coronado High School in Lubbock and is now employed at J. C. Penneys.

The groom graduated from Springlake-Earth High School, attended Lubbock Christian College for 2 years and is now an officer on the Lubbock Police Force.

After March 1, the couple will be at home at 4818 55th St., Lubbock.

Youths Enjoys Fellowship

Mr. and Mrs. Bill Weldon recently held a devotional in their home for the youth group of the Church of Christ and their guests.

Approximately 25 young people attended.

HOW'S The Electric Company DOING?

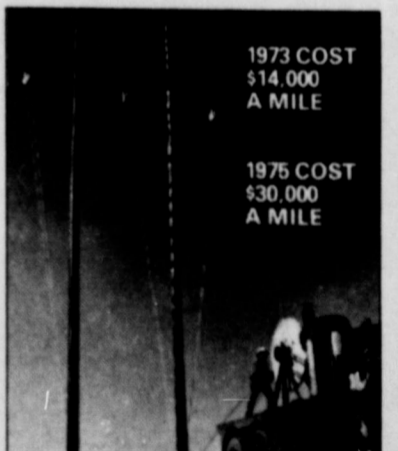

Let's ask Don Webber, transmission line foreman . . .

"What's going on here, Don?"

"We're putting in a new 115,000 volt line . . . gives us another feed to back up our dependability . . ."

"Cost us about \$14,000 a mile just two years ago, now it's running \$30,000 a mile."

Higher costs to keep your electric service dependable . . . part of the reason your electric bill may be higher these days. But without dependability, electricity wouldn't be worth much . . . would it?

Dinner Honors Prospective Bride And Groom

Miss Cindy Goodwyn and Thomas L. Mann were honored Friday, February 21 at 7 p. m. with a pre-nuptial dinner party in the Lubbock Club.

Mr. and Mrs. William L. Mann of Earth, parents of the prospective groom hosted the party.

The prospective bride and groom were seated at the head table with their parents Mr. and Mrs. Roland Goodwyn and Mr. and Mrs. Mann.

The tables were laid with gold cloths. The centerpiece on the head table was a bouquet of spring flowers in the bride's chosen colors. The other tables had gold lotus cups surrounded by leather leaves as centerpieces.

Members of the wedding party

attending were Melinda Basinger, Lynne Nicholson, Sheryl Huddle, Vanessa Goodwyn, Amy Goodwyn, Steve Mann, Jimmy Mann, Ronnie Goodwyn, Tim Ward, Monty Goodwyn, Dale Cook, Ronnie Overby and Gordon Hoffman.

Others attending were Mr. and Mrs. H. M. Goodwyn, grandparents of the bride, Mrs. Margaret Mann, grandmother of the groom, Mrs. Steve Mann, Mr. and Mrs. Bob Connel, Mrs. John Fay, Mr. and Mrs. Lawrence Huff, Mr. and Mrs. Darrel Basinger, Mrs. Tim Ward, Mrs. Gordon Huffman, Mrs. Dale Cook and Mr. and Mrs. Marvin Sanders from Earth and Mr. and Mrs. Perry Martin also from Earth.

WORLD HISTORY can be fun when the teacher makes the course as interesting as Coach Art Karger does.

FHA Honors Secret Grandmothers

The F. H. A. girls honored their secret grandmothers with a

tea Wednesday, February 19 in the Home Economics cottage.

At the beginning of the school year each F. H. A. member selects a secret grandmother, whom she honors with gifts and cards throughout the year.

At the tea Wednesday, each girl introduced herself and revealed her secret grandmother by presenting her with a long stemmed red rose.

The grandmothers presented their secret granddaughters a gift to show their appreciation for the thoughtfulness shown them throughout the year.

The girls served their secret grandmothers individual cake squares, decorated with a red rose bud and hot spiced punch.

Present for the tea were: Odessa Stine, Mrs. Laura Stansell, Mrs. Almer Barton, Mrs. Ruey McKinney, Mrs. Frank Anderson, Mrs. Golda Belew, Mrs. Lena Hite, Mrs. Emily Clayton, Mrs.

Janice Way, Mrs. Velma Baker, Mrs. John Welch, Mrs. Velma Jones and Mrs. Faye Hay.

Also Mrs. Lucy Lewis, Mrs. Annie Lewis, Mrs. Ruel Fanning, Mrs. Ethel Drake, Mrs. Carra Morgan, Mrs. Maude Stout, Mrs. Myrtle Clayton, Mrs. Sally Gooch, Mrs. Guy Kelley, Mrs. Bud Jones, Mrs. Bob Ussery, Mrs. Juanita O'Hair and Mrs. Blanche Hudson.

Also Mrs. Bonnie Haberer, Mrs. Bea Hinson, Mrs. John Laing, Mrs. Grace Hooley, Mrs. Mary Butter, Mrs. H. H. Hamilton, Mrs. O. D. Wood, Mrs. Gladys Goodwin, Mrs. Beulah Newton, Mrs. Joel Jones, Mrs. Lottie Orteg, Mrs. Earl Walker, Mrs. Frances Eagle and Mrs. Shorty Williams.

Bus Service Available To Senior Citizens

A twelve passenger mini-bus has been purchased by the Farmers Union for the use of persons 55 years or older, regardless of race, color or creed.

The bus will be available each Wednesday from 9 a. m. until 3 p. m. for anyone in our area needing transportation.

If you want to use the bus, you are requested to call Earth City Hall, 257-2111, before Wednesday for reservations.

This service will be very helpful to our senior citizens who do not have transportation to the doctor, the grocery store and such.

Lamb County is only one of 14 counties to receive one of these buses. There are 254 counties in Texas.

ATTEND SCHOOL

A GARNISH goes a long way with color, and nutrition. Try using a green pepper, a radish or cucumber, stuffed olives, a tomato wedge, sieved egg, or sprig or parsley.

RECENT STUDIES indicate that slapping and jolting infants and very young children can whiplash the child's head and may even cause permanent brain damage.

PRAYER IS THE KEY.....

A ding-a-ling orders Gas air conditioning now.

A telephone call to Pioneer Natural Gas brings an air conditioning specialist to your home for a free survey and cost estimate at no obligation to you. He'll answer all your questions, and tell you what it will take to install GAS air conditioning in your home. It's the first easy step toward having your dependable GAS air conditioning installed before the first hot, windy days are here.

A GAS air conditioning system is ruggedly built to cool quietly and efficiently. There are fewer moving parts, and no compressor to break down or wear out. Heat from the steady blue flame circulates a refrigerant through the system to cool the air. It's this simple principle that gives GAS air conditioning its long life with no loss of cooling capacity and easy maintenance.

Install GAS air conditioning now. You'll avoid the rush, and be enjoying the quiet, cooling comfort of GAS air conditioning while everyone else is waiting. Give us a ring... a-ling.

'74 Farm Census Pouring In, Census Bureau Reports

More than half of the 4 million 1974 Census of Agriculture report forms mailed to farms and ranches nationwide have already been completed and returned, the Bureau of the Census reports. The Bureau, part of the Department of Commerce's Social and Economic Statistics Administration, mailed the forms right after Christmas and this rate of return is well ahead of the rate in 1969 when the farm census was first taken by mail.

Bureau officials say that the quality of the reporting is good. Farmers who have not mailed in their completed forms can save time if they will read the instructions carefully before filling out the form. Particular attention is called to the "skip" questions at the beginning of the sections on crops and the sections on livestock, as well as for many of the individual sections. A check in the "No" box at the head of the crop section, if no crops were raised, or at the head of the livestock section, if there were no livestock or poultry operations, enables the farmer to skip individual questions in that section.

Every farmer's report form is confidential by law. No other Government agency can ever obtain or use the report made by any farmer. Only sworn Census Bureau employees who check and process the completed forms ever see them. And sworn census employees are subject to two years imprisonment or \$1,000 fine, or both for dis-

closure of information on individual report forms.

The U. S. House of Representatives Subcommittee on Census and Statistics had this to say about Census Bureau confidentiality: "There has never been a single claim substantiated that the Bureau of the Census has made individual information available outside the Bureau or that the Bureau has ever used any information received other than for authorized purposes." The only authorized purposes are for statistical totals. Even here, the census law on confidentiality holds. Statistical tables must be published in such a way that no individual, no farm, no business can be identified. For example, suppose there is one large ranch that spreads over most of a county. No data will be published for the county that would make it possible for an informed reader to figure out confidential information about the big ranch.

The same public law that imposes confidentiality on the Census Bureau makes response by farm operators mandatory. The completed forms are to be mailed back in the postpaid, addressed return envelope enclosed with the form. The '74 Farm Census cannot be closed out until every form mailed out is accounted for; thus, the sooner the forms are returned, the sooner results can be made available. Census by mail allows operators to fill out their reports at their convenience and use their farm business records.

DOUG LEWIS, JOHN BRIDGES and GENE TEMPLETON were presented plaques during the Springlake-Earth Junior Livestock Show for their outstanding work and dedication in the show.

Estimates are acceptable and should be reported in the absence of records.

Party Line

Glenn Branscum is still home. He is able to be out some and is feeling very well. He will return to Dallas in the near future for further surgery.

V. J. Sigman spent several days in the Littlefield Hospital last week undergoing tests. He is now home and reported to be doing fine.

GLEN HAUSMANN, KEN CRAFT and GLENN CRAFT were named winners in the Bach and Sonata Festival.

Students To Play In Winner's Recital

Competing in the annual Bach and Sonata contest Saturday, February 22 were Glenn and Ken Craft, sons of Mr. and Mrs. J. M. Craft and Glen Hausmann, son of Mr. and Mrs. Larry Hausman.

The contest sponsored by the Plainview Music Teachers Association was held at the Recital Hall of Wayland Baptist College in Plainview.

As a result of receiving highest grades, Glenn, Ken and Glen will be presented in the Winner's Recital, March 9 at the Recital

Hall of Wayland College. Judges for the contest were Mark Fear of the Wayland Baptist College music faculty and Mrs. Norman Auchter, who is on the music faculty of Texas Tech University.

Glen Hausmann is a piano student of Mrs. Jean Craft and Glenn and Ken Craft are students of Mr. Carson of Olton.

Due to the snow storm Saturday, only four of the 19 students planning to enter were able to compete in the contest.

What Do You Say To A Baby?

It is frequently thought that a mother is the only one who understands what her baby is saying or feeling.

But understanding infants and talking to them has to be learned, it doesn't come naturally, one family life education specialist contended this week.

Dorothy Taylor, with the Texas Agricultural Extension Service, said that parents are often frustrated when they can't identify their infant's wants or what he is trying to say.

"Infants are vague about what they say, their language is short and very incomplete, almost a code. No adult or child really speaks the language of babies," she reminded.

The infant is in just as precarious a position in communicating with adults. At no time in his life is he less able to talk and express his needs in words.

The specialist, who is associated with the Texas A&M University System, pointed out that infants are totally dependent on others to receive his message, interpret it and fulfill his needs. Because he is so desperate to talk and to be understood, a baby is usually a ready communicator, she said.

"Infants who are just learning to talk need good models. So it is important for adults to use correct pronunciation and not baby talk with their child."

The infant's understanding is evident in his "play back" of words. When he does an instant replay, this reinforces good language development.

"Understanding infant communication is an art. Parents who talk to their babies many

times during the day are helping the child develop good thinking and communication skills," she said.

Local Students To Enter Bee

Three Springlake-Earth 5th graders are preparing for the 23rd annual Spelling Bee sponsored by the Lubbock Avalanche-Journal to be held in the near future.

The three students who will be competing are Arlie Ellis, Ricky Dutton and Scott Branscum. The competition will be held at Littlefield, with schools from Lamb County represented.

The winner of the county contest will advance to regional competition April 5 in the Smylie Wilson Junior High School auditorium. Dr. Harvie Pruitt, assistant to the president at Lubbock Christian College will serve as director.

Tips On Care Of A Mixer

Regular care of a mixer can give it a longer service life, one family resource management specialist pointed out this week.

"Regular cleaning can prevent damage to the motor and the possibility of electrical shock," Mrs. Lillian Chenoweth with the Texas Agricultural Extension Service, said.

She explained that the head can be wiped with a soft, soapy cloth, then rinsed and dried. But consumers should avoid abrasive cleansers which can mar the finish. The head should never be immersed in water.

"The beaters and bowl should be washed after each use, either by hand or in a dishwasher. Before using the mixer again, be sure that all parts are completely dry," Mrs. Chenoweth said.

It's a good idea to wipe the cord occasionally with a damp cloth when the mixer is unplugged, the specialist said.

Concerning oiling the mixer, she said that instructions from the manufacturer of each indi-

Snow Blankets Area

Approximately 4 inches of snow fell in Earth and surrounding areas Friday night and early Saturday morning. Gusting winds caused the snow to drift and accumulate in drifts as high as four feet in some places.

The country roads running east and west had the most drifts and in some places were impassable.

Saturday traffic was almost at a standstill due to blowing snow making visibility near impos-

ible. Most area residents stayed indoors.

By Sunday morning the roads had been cleared and the winds subsided so that area residents could resume their normal activities.

Joe Salem of Sudan will be the guest speaker at the Earth United Methodist Church Sunday morning in the absence of Rev. Walter White who will be on a ski trip with the youth of the church in New Mexico.

Salem is a distinguished lay person of the Northwest Texas Conference and for several years was the NTC Lay Leader.

He devotes much of his time to a youth group in Sudan called "Lotus."

The group is self supporting, relying on gifts from supporters and odd jobs given them by local residents. They meet each week in a donated building in Sudan for spiritual meditation. Approximately 80-90 youth belong to "Lotus."

Little League Meeting Tonight

There will be a meeting of the Little League Association Thursday (tonight) February 27 at 8 p.m. in the Earth Community Building.

This meeting is very important as it is imperative that Earth Springlake renew their Little League Charter so that the boys can play baseball in our community.

All boys 7-12 are eligible for Little League.

Boys must pre-register at this meeting also.

If not enough interest is shown at this meeting, Earth-Springlake will be forced to consolidate with a surrounding town in order for our boys to have the opportunity to play ball.

All interested persons are urged to attend this meeting tonight.

SUNNYSIDE NEWS

BY TEENY BOWDEN

A trace of snow was received Monday with 2 or 3 inches more Saturday with blizzard conditions. Drifts were 5 ft. in places and the ground swept clean in other places making it difficult to estimate the amount. It was the first blizzard of the winter.

Tom Henderson, president of Atmospherics Inc., spoke to a group of farmers at the community building Friday morning. Better Weather Inc. is the hail suppression program organization for Castro and Lamb Counties. The 1975 program and boundary lines were discussed. Questions were answered and viewpoints expressed. James Welch of Dimmitt, new president of Better Weather Inc. and Dale Stanley of Littlefield, secretary-treasurer were also

present at the meeting. Joel Bradley was admitted to Methodist Hospital in Lubbock Monday and underwent major surgery Tuesday for the insertion of a feeding tube directly into the stomach. He was dismissed Friday morning.

Mrs. Noble Armstrong was admitted to Plains Memorial Hospital in Dimmitt Friday. She has been quite ill since she was hospitalized recently with the flu.

Mr. and Mrs. Noah Spencer were in Northwest Texas Hospital in Amarillo Friday with her daughter, Vivian while her husband Carmon Pigg underwent spinal surgery.

Mrs. John Spencer was dismissed from Plains Memorial Hospital in Dimmitt Wednesday.

Mrs. Mary Fulfer was dismissed from Plains Memorial Hospital Wednesday.

Mrs. Ronald Henderson of Plains, Kansas was admitted to St. Anthony's Hospital last Fri-

day. Mr. and Mrs. J. C. Holbrooks have been with her much of the time.

Gerald Graham was in Amarillo last Monday for a medical check-up. He can now begin to put some weight on both legs,

two or three times a day, but not all weight on one leg.

Mrs. Cliff Brown and Mrs. L. B. Bowden attended the Castro County Genealogical Meeting in Dimmitt Thursday night.

Rev. M. D. Durham of Lubbock visited with several in the community Thursday afternoon and had dinner with the Roy Phelans, Henshel Wilson and Mr. and Mrs. Herman Wilson of Amarillo.

Mr. and Mrs. Thomas Parson attended the Puppet Seminar at Calvary Baptist Church in Friona Tuesday night.

Greg George is number 15 on the Dimmitt Mustang Little Dribbler team in the minor league. Hal Gilbreath is number 14 on the same team. They lost their game Tuesday night to the Longhorns and lost their game Friday night to the Raiders.

Brandon Cox plays on the Bear Little Dribbler team in the minor league. Kelly Ballard also plays on the Bear team.

Kent Bradley is number 10 on the Hornedfrogs Little Dribbler team in the minor league. They won over the Aggies Monday night. The other games were cancelled.

TEXAS TALK
By CALVIN WOOD and EARL JORDAN
Q: What do the terms "canner" and "cutter" mean?
A: Canner and cutter are two of the terms used to describe beef cattle carcass classification. Specifically, "canner" is the lowest of the eight common quality grades of mature beef. The designation canner would indicate virtually no marbling in the meat and mean the animal was at an advanced age when slaughtered. "Cutter" is essentially the same except generally there would be less maturity and at least a trace of marbling. Canner and cutter grades are used only for the older or mature animals and may include steers, heifers, cows, bulls and stags. The other six quality grades used in the beef class include: Prime, choice, good, standard, commercial and utility. Southwestern beef, usually finished in the feedlot, customarily falls into either the choice or prime categories.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION APRIL 22, 1975

NUMBER ONE ON THE BALLOT (S.J.R. No. 3)

Repealing Sections 48a, 48b, 51e, and 51f of Article III and Sections 62 and 63 of Article XVI of the Texas Constitution, Article XVI of the Texas Constitution is amended to:

Provide for the revision and consolidation of provisions relating to state and local retirement systems and programs and to provide that all general laws that have established retirement systems and optional retirement programs for public employees and officers in effect at the time of the adoption of this constitutional amendment will remain in effect, subject to the general powers of the Legislature.

Provide that the amount a participating officer or employee contributes to the employee retirement system or the teacher retirement system shall be established by the Legislature but may not be less than 6% of current compensation and providing further that the amount contributed by the state may not be less than 6 nor more than 10% of the aggregate compensation paid to participating persons, except that in an emergency, as determined by the Governor, the Legislature may contribute more than 10% of the aggregate compensation paid to persons participating in state retirement systems.

Provide that the Legislature shall provide for local retirement systems created by any city or county for its officers and employees and shall further provide for a state-wide system of benefits for officers and employees of counties or other political subdivisions of the State which may voluntarily participate, and

to further provide that a state-wide system of benefits shall be provided for officers and employees of cities which may voluntarily participate.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment revising and consolidating provisions relating to state and local retirement systems and programs and providing for a maximum state contribution to state systems of 10 percent of the aggregate compensation paid to individuals."

NUMBER TWO ON THE BALLOT (H.J.R. No. 6)

Amending Article III, Section 24 of the Texas Constitution to:

Provide an increase in salary for members of the Legislature from \$400 per month to \$600 per month.

Provide an increase in the per diem rate for members of the Legislature from \$12 to \$30 for each day during each Regular and Special Session of the Legislature.

Provide an increase in the transportation allowance for members of the Legislature from \$1.10 per mile to the rate prescribed by law for employees of the State of Texas.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment setting the salaries of members of the legislature at \$600 per month and setting a per diem of \$30 per day during legislative sessions and a mileage allowance at the same rate provided by law for state employees."
