Heard last week that Clarence Hamilton, local Democrat, had perhaps joined Senator Thurmond in switching over to the Republican party. News came, Friday morning, his barn was completely covered with "Gold-water for President" stickers. (Story is however, that Clarence was just as surprised as everyone else about his switch over in politics, seems he had nothing to do with his barn decoration during the night.)

"nosin"

There was a Colored window washer in New York, washing windows 40 stories up, and wearing a sign on his back, "LBJ for USA." Along came an angel, and approaching the Negro she said, "If you had faith you could just turn loose of that pole and glide down to the earth as smoothly as a bird." The Negro gave a negative reply, saying he was afraid of falling. The angel persisted, and finally the Negro turned loose, he fell down, down and down onto the pavement below, killing himself. The angel spoke softly, using the sweetest voice and said, "It's a wonder I ever got to heaven in the first place, the way I hate Democrats."

"nosin"

Have you entered the football contest?? If not, remember you have a chance, now that they won't let me enter. All you have to do is clip the coupon from the Piggly Wiggly Ad in the paper and make a guess. Who knows, this just might be your hidden talent...

"nosin"

I figured that if the Russians ever do invade this country, it will probably be to find out what is "Deep in the heart of Texas."

"nosin"

Dutch Been has gone all out in his efforts to help the Boy Scouts finance the moving, plumbing and building of a foundation for the new Scout Hut. And time is of utmost importance, since the school board has given the Boy Scouts the old Colored School Building for a Scout hut, providing they can raise the money to have it moved within 30 days.

So, Saturday is the big day for the Scouts, since Dutch has agreed to let the Scouts and their dad's operate and receive the days profits from gasoline, and oil sales and from wash and grease jobs from both his stations, the Earth Oil and Gas Co. and the Springlake Motor Supply. The Scouts need your support, and invite your patronage Saturday.

"nosin"

Orchids to the H.S. Sanders who will be celebrating their 50th Wedding Anniversary Sunday. The Sanders are a rare type of people who just never grow old, even though they will be celebrating this half-century anniversary. They are a busy couple, so busy indeed that they have little time and patience with everyday small town gossip. They are happy, intellectual, interesting people who take a healthy interest in their town, it's people, and the Nation as a whole. Lovely Jessie Sanders is wearing a beautiful new diamond ring, a gift from Homer, for I'm sure, making his life more beautiful by her sunny disposition, that never seems to grow stale...

"nosin"

We can't seem to win for losing. And it is now our firm belief that Taylor Furniture personnel just flat practice their sales talk on the News-Sun personnel. And it takes...

This week Wilma called up again using that same nice voice and asked Eldon to come down to help her and C.O. fix up a full page advertisement on those beautiful new G.E. Appliances, they became dealers for this week. I didn't go. I knew better, I went last week and as a result I have two lovely new chairs. This time Eldon went alone, and doubtless felt good after getting his full page advertisement fixed up. He, like I, made the mistake of looking around a minute, and immediately became interested in a beautiful new color TV? (He checked and found, by the way, that these TVs would be serviced by a certified repairman from Lubbock who is schooled for repairing this brand of TV.) So he's now one of the lucky ones who has a color TV in his home. Funny how salesmen end up buying just like any other good customers when they spot a bargain...

"nosin"

The Taylors are so proud of their new line of appliances,

THE NEW CITY WATER TANK provides 210,000 gallons additional storage.

## City Adds Another Water Storage Tank

The new water storage tank recently erected in Earth, has increased the storage capacity of the City Water System to a total of 210,000.

The new tank, located in the northern part of Earth was built at an approximate cost of \$17,000, which included installation, plumbing, and connecting to the present system.

The addition will provide increased water storage to have on hand in accordance with the State Board of Insurance Regulations for fire protection.

## Free Gifts, Free Demonstration At Two Day Celebration

Taylor Furniture of Earth is staging a two-day demonstration of their new G.E. Appliances to acquaint area folks with the outstanding features of these appliances.

Miss Murriel Bridge, of Amarillo, Home Service Director for Southwestern Public Service Company will be on hand beginning Friday at 2:00 p.m. and all day Saturday to explain all the fine features of these appliances. Including the new Americana Range with its self-cleaning oven, which is fascinating homemakers all over the country, with all its time saving, economical, effortless way of self cleaning.

She will also explain the features of the Americana Refrigerator-Freezer, featuring a counter top, roll out freezer and self-filling ice trays. She will answer any and all questions regarding the many new G.E. Appliances awaiting you at the Taylor Furniture.

Registration will begin Friday and continue until 6:00 p.m.

Murriel Bridge

Door prizes of pocket-secretarys will be given to all who attend. Those remaining for a demonstration will be presented free measuring glasses. The kiddos will be presented free kites.

Several outstanding values will be featured during the two-day showing, among these will be the famous Farm Journal's, County Cook Book valued at \$5.95 which can be yours for 99¢. Also a beautiful 10 piece set of glasses on sale for only 99¢.

Miss Bridge, whom all the homemakers will enjoy meeting heads a staff of 15 Home Service Directors, who are located in various towns in Oklahoma, Northwest Texas and Eastern New Mexico. She has been with Southwestern Public Service for four years. Prior to this, she had worked with an electric utility in Oklahoma, with an appliance distributor, and a national manufacturer of major appliances.

Saturday, when free prizes will be given away. First prize will be a hair dryer, second prize, a football, and third prize is a

## Plant X Employee Receives Ten Year Service Award

Emery Ray McAlpine, a resident of Earth, employed at Plant X, received a 10 year service award Wednesday night in Plainview at the 16th annual service awards dinner for the Plains Division of the Southwestern Public Service Company.

Forty eight employees received awards from A.R. Watson, president and general manager of the electric company, for periods of service ranging from

5 to 35 years. Top honors this year, for 35 years, went to Arthur W. Bates of Plainview and Jesse E. McLane of Abernathy.

Throughout Southwestern Public Service Company's 45,000 square mile service area, 245 employees with a combined service of 3525 years will be honored at service awards dinners this year.

## Methodist Church To Host Missionary October 6

The Rev. Finis Jeffery, Missionary to Japan and Korea, will be in the Earth Methodist Church on Tuesday morning, October 6, at 10:00 a.m.

Several of the area churches will be meeting with the Earth Methodist Church at that time. Rev. Jeffery was an Air Force Colonel flying over and helping

in the war against Japan. He returned home with a determination to go back with the message of Jesus Christ to the very same people he had helped to destroy.

He and his family, Shirley, Steve and Breck, returned to Japan in 1952 and have been there since that time.

## Local FFA Winner In Farm Mechanics

Ray Tom Packard received second place winner in the farm mechanics entry at the South Plains Fair in Lubbock. He was in competition with twelve boys, in agriculture shop projects, which involve projects made in the shop by each boy. Packard received a set of livestock racks and approximately \$20.00 in prize money.

Delegates to the National Convention in Kansas City, Missouri leaving by train from Amarillo October 11 will be Mike Dent and Kenney Kendrick, from Earth.

## City Cafe Opens Today, Free Coffee

The City Cafe, east of the Earth Theatre, will have its opening Thursday, October 1, serving free coffee all day.

William Jordan, from Yuma, Arizona, is the new owner. He has had fifteen years of experience in restaurant business, feeding as many as 500 people at times. Jordan will do the cooking, himself. Local help will be used for serving.

Steaks, chicken, chops, and Mexican food will be served from 6:00 a.m. to 9:00 p.m. daily.

Jordan came to Earth from Yuma, Arizona, where he owned and operated, Juanitas Cafe for two years previously before coming to Earth. He was in the cafe business for two years in Hereford, two years in Bovina, and one year in California's Imperial Valley, where he had the Owl Cafe.

With his many years of cafe experience Jordan should be an addition to the restaurant service in Earth. Enjoy free coffee with him Thursday, and visit the City Cafe.

## Area Men In Accident Near Strawn

From the recent accident near Strawn, three area men were seriously injured, and one died, Furch Riley, 54, of Springlake, Jack Sanders, 24, and Doug Higgins of Hart received injuries, and were taken to the Ranger General hospital near Strawn.

Riley suffered two broken hips, one broken shoulder blade, a collapsed lung, cuts, and bruises, and stitches. Later he was moved to the Methodist Hospital in Lubbock. He will have hip surgery as soon as the lung condition permits. He is showing some slight improvement.

Sanders and Higgins suffered shock, bruises, cuts, and received stitches, but they are both home, and reported improving.

## PTA Fall Workshop Scheduled October 7

The annual PTA Fall Workshop will be held October 7 from 9:30 a.m. to 3:30 p.m. in the Springlake School.

The theme of the workshop is "Education for all children." The program is designed to be of interest to the laymen as well as to the membership. All interested people are urged to attend, also all officers, committee chairmen, council officers, and district board members.

At 10:00 a.m. there will be a general assembly, with Mrs. J.M. Farmer, District president, presiding, followed by an address

by Nat Williams, Lubbock School Superintendent.

From 10:55 p.m. to 12:30 p.m. there will be coffee time, and a symposium, "Educational Opportunities for the Individual Child" with Dr. Holmer Webb of Texas Tech, as moderator.

From 1:30 p.m. to 2:30 p.m. group meetings will be held, with many influential and informed leaders participating.

## FHA Chapter Takes First Place Award

The Springlake Chapter of the FHA won the first place award in total points for displays at the South Plains Fair in Lubbock, Monday, September 28.

Judy Gover placed first in individual points received.

There were many awards given for work on projects which were shown at the Fair, but a complete list will not be available until a later date.

A large percent of Springlake High School girls attended the viewing of their work and achievements which were displayed.

## Grandson Of Local Couple In Merit Scholarship Semi's

Mike Sanders, son of Mr. and Mrs. H. S. Sanders, Jr., of Amarillo was among the thirty six high school seniors in the Amarillo High schools to qualify as a semi-finalist in the National Merit Scholarship Program.

The condition on which students become semi-finalist was based on a test given last March. In which only about 2/3 of one percent of high school seniors in the Nation become National Merit Scholarship semi-finalist. Texas has provided 690 semi-finalist from 241 Texas High schools. There are 14,000 semi-finalist in the Nation.

Semifinalists must substantiate their qualifying test performance on a second examination, be endorsed by their schools and

MIKE SANDERS

fulfill certain routine requirements to become finalists. All merit scholars are then selected from the finalist group, which in past years has been about 98 percent of the semi finalists.

As finalists, students will be eligible for scholarship awards sponsored by the National Scholarship Corp., and some 230 business corporations, foundations, colleges, unions, trusts, professional association and individuals. In 1964, 1,625 such merit scholarships were awarded. About 5,000 merit scholars are now in college, and 9,100 have been named since the program was established in 1955.

Mike moved to Amarillo from Muleshoe 4 years ago. He is the grandson of Mr. and Mrs. H.S. Sanders Sr. of Earth.

## District FFA Officers Elected Thursday At Littlefield

Bobby Coker of Springlake High was elected Treasurer of the Littlefield District FFA, when Chapters of the District gathered for the annual September meeting Thursday in Sudan. Other officers elected were as follows:

President, Stanley Black, Muleshoe, Vice president, Mike Camp, Farwell, Secretary, Johnny Norwood, Amherst,

Reporter, Haynes Melton, Littlefield, Sentinel, Danny Miller, Lazbuddie, Parliamentarian, Kenneth Conley, Sudan, Advisor Bill Bickel, Muleshoe.

The meeting was called to order at 4:30 by District President Johnny Actkinson of Farwell. They discussed the district banquet and sweetheart contest held each year in Littlefield.

## Findley New Deputy For Earth Area

Tom Findley 36, of Dimmitt has been named Deputy Sheriff of Earth, and will officially take over duties Thursday, October 1.

Findley replaces Homer Whisenand who recently moved to Oton where he is serving as Deputy Sheriff.

Findley has had 12 years of experience in law enforcement, he served 3 1/2 years at Lemesa in the Police Department.

Mr. and Mrs. Findley will be moving to Earth in the next few days. They will be living in the former Earl Jordan home on Elm Street.

Sam Cearley returned home Sunday from the St. Anthony's Hospital in Amarillo, where he underwent eye surgery September 21, and is improving.

Mr. and Mrs. John Laing Jr. are visiting her parents in Los Angeles, California.

Mrs. Alice Tarloff from Toledo, Ohio is visiting in the home of Mr. and Mrs. Terry Green.

## Plans Underway For Bigger and Better Homecoming

The Ex-Students Homecoming Officers recently held another meeting, Sunday afternoon, September 27 in the Springlake High School building. Officers present for this meeting were: Ardis Barton, Jo Anne Branceum, Pat Goforth, Beth Kelley, Bennie Sue Free, Marthel Hinson, Bill Mann was a guest to assist in the planning.

Plans are progressing nicely toward the forthcoming 1964 Homecoming, October 23. It was reported that the ex-students yearbook is being worked on at present, and will be available for all Exes to purchase on the night of October 23. Anyone having information of

former Exes or teachers, of our school system is urged to bring this information to the Earth News-Sun as quickly as possible. Activities will begin at 6:30, October 23, followed by the program from 8:00 to 9:30 p.m. Afterwards there will be a meal served in the cafeteria for all Exes.

The game between Springlake and Kress will be at 7:30 p.m. in the Wolverine Stadium. The Homecoming Queens are being chosen from the honor years, 1934, '44, '54, '64.

The crowning of the queens will be the highlight of the half time activities.

All Exes, be sure to attend!

## Scouts Take Over Earth Oil, Springlake Motor Supply

Dutch Been, owner of Earth Oil and Gas and Springlake Motor Supply has announced that all the profits of the day, at both the Earth Station and the Springlake Station, will be given to the Boy Scouts. The boys and their fathers will wash and grease cars, fill tanks with gas and oil and strive to give the very best service.

Money is needed for the new Scout project, which is a better building for the eighty-four Scouts and Cubs. Scouts, who are so interested in their activities, but are badly in need of more space for their endeavors.

Mothers too are busily working to assist the boys in raising the money for the Scout building, which will be the revamped Colored School building. This structure will be moved to the City park property. Funds are needed for moving, installing, plumbing, and laying a foundation for the building.

The Mother's Auxiliary held a bake sale Wednesday, September 30 at Piggly-Wiggly's and Pattersons in Earth. On October 3, there will be another bake sale at Springlake Superette and B. and M. Grocery in Springlake. Advance orders for pies and cakes may be turned into Gayle Littleton at 257-2991 Lorene Perkins, 986-2941, or Ava Nell Winters at 257-5141. Cub Scout mothers are also assisting in this worthy project.

Let us help our Boy Scouts and realize this dream of a new meeting place for our youth!

DUTCH BEEN turns over his stations to the Boy Scouts on October 3, as a money raising project to aid the Scouts in securing larger quarters for their meetings. Pictured left to right are Ricky Welch, Danny Glasscock, Delbert Rudd, Dutch Been, Gary Kelley, and Joe Reyes.

## Federation Day Observed At Joint Study Club Salad Supper

Thursday, September 24, Federation Day, was observed in Earth, with a salad supper at 6:30 p. m. in the community building. The Town and Country Study Club and Alturi Junior Study Club were joint hostesses for the occasion, with Mesdames C. T. Richardson, Roy Neal, Darrell Sawyer and Neil Pounds as individual hostesses.

Forty-two ladies were present. Federated Club Women from Ambient Denver City, Olton, Littlefield, Springlake, and Sudan attended. Mrs. Besse Woods, California, was a guest.

The attractive arrangements on the speaker's table were of yellow spider chrysanthemums. On the serving table, orchid chrysanthemums surrounding two china hands represented the District theme. "In the Hollow of Our Hands," Delicious salads complimented the beauty of the table. Other table decorations were vases of red rosebuds and ivy.

ert N. Tipps, president of the Caprock District, Denver City, was introduced by Mrs. N. Ray Kelley. Her topic, "In the Hollow of Our Hands" challenged each club member to be more active in their town and community. Each club was urged to erase illiteracy by conducting adult education classes.

Members attending from the Alturi Study Club were: Mesdames Earl Jordan, Darrell Sawyer, Neil Pounds, Billie Robnett, and Clyde Woodard.

From the Town and Country Study Club, members attending were Mesdames L. K. Anderson, L. Z. Anglin, B. Campbell, B. T. Hamilton, Lesia Hite, M. E. Kelley, Ray Kelley, Carra Marjan, Roy Neal, Ben Orteg, C. T. Richardson, Wayne Rutherford, H. S. Sanders, and C. W. Terry.

CLUB PRESIDENTS AND GUEST SPEAKER, pose following the Federation Day Dinner at the community building Thursday night. Left to right is Mrs. Billy Robnett, President of Alturi Study Club, Mrs. Robert Tipps, District President of Texas Federated Clubs, and Mrs. Ray Kelley, President of the Town and Country Study Club.

A PATROL OF CADET GIRL SCOUTS, Troop 185 are distributing Posters in the area to remind area folks of the forth-coming Girl Scouts Drive. Leaders for this group are Mrs. Carrol McDonald and Mrs. Lynn Glasscock. Pictured left to right are, Judy Jaquess, Cindy Barron, Lauren Earnest, Jan Hodges, and Tresea Glasscock.

### Mrs. Myrtle Clayton Attends Tea Honoring Wayland College Women

Mrs. Myrtle Clayton attended a "Get Acquainted Tea" honoring Wayland Baptist College Women, Saturday, September 19 from 3:00 to 5:00 p. m. in the home of Mrs. Henry Heck, Plainview, Texas.

Guests were greeted at the door of the beautiful Heck home by Mrs. Heck and Mrs. Roy McClung, Wayland's first lady. A beribboned identification tag was presented each guest by Mrs. Claude Furgason of Halfway, wife of a Wayland Trustee.

Focal point in the dining area was a beautiful appointed table, which was covered with a white cut-work cloth and centered with a large arrangement of spider mums, chrysanthemums and asters in a crystal compote. Presiding at the table during

the afternoon were wives of two Wayland Trustees, assisted by Mrs. Rodney Hick, daughter-in-law of the hostess.

Mrs. J. N. Marks, Jr., daughter of the hostess provided background music at the organ while the guests mingled in the living room, family room and sun room. Assisting in hostess duties were Miss Nancy McClung, freshman daughter of Dr. and Mrs. Ray McClung, Miss Donna Sue Sigman, Iraan, a Wayland sophomore, and Misses Marjan and Kathy Heck, grand daughters of the hostess.

Joining the Wayland group in this charming hospitality were Mrs. W. T. Clayton, Springlake, and Mrs. John Harrai of Abernathy. Mrs. Clayton is the newly elected president of the area organization, "Women For Wayland," and Mrs. Harrai is projects chairman.

### Psi Nu Chapter Discuss Ways To Finance Audiometer

The Psi Nu Chapter of Beta Sigma Phi had a called meeting Tuesday night in the Earth community building. The yearbooks were distributed to members by the yearbook chairman, Mrs. Richard Bills.

Mrs. Clay Gable was presented with a sterling baby spoon. Members discussed a Style Show to raise money for their Audiometer Fund. The fund now contains \$219 toward the purchase of an audiometer for the Earl Springlake School.

Refreshments of coffee and cake were served to Mrs. Don Randolph, Robert Taylor, Richard Bills, Charles Parish, Carl Sanderson, Jerel Taylor, Terry Green, George Taylor, by the hostess, Mrs. Clay Gable.

### Psi Nu Chapter Has Program On Poise

The 40th meeting of the Psi Nu Chapter of Beta Sigma Phi was held last Tuesday night in the community building of Earth. When all International dues are paid and the new pledges trained, the chapter will receive its charter based on membership.

There was a vote on Valentine Sweetheart for the year and the

winner will be crowned on Valentines Day. A picture of the winner will be sent to the International Office. A Valentine Queen will be selected out of all the chapter winners by a

personality in show business. The program of the night was given by Sunnye Randolph. "Speech" was the basis of the program. Poise, confidence, composure and many other im-

portant factors of speaking were stressed and presented very well. Chocolate cake and coffee was served by the hostess, Jacqueline Green to: Kay Branscum, Tommy Bills, Jacqueline Green, Linda Laing, Sunnye Randolph, Sooky Sanderson, Sue Taylor, Ric Taylor and guests, Glenda Ott and Robbie Parish.

the Hall. All members from district 7 are invited. Members attending were: Mrs. Minnie Pate, Noble Grand, Mrs. Forrest Simmons, Vice Grand, Mrs. Bobbette Marshall, Past Grand, Mrs. Orbie Armstrong, Secretary, Mrs. Johnnie Murrell the Treasurer, Mrs. Mary Gilmore, Lodge Deputy, Mrs. Clyde Parish, and Mrs. Earl Walker.

**WSCS To Study Spanish Americans**  
The two circles of the Woman's Society of Christian Service of the Methodist Church met at 9:30 September 24, in a joint meeting to begin the study on "Spanish Americans."

Fellowship preceded the devotional given by Mrs. Carroll McDonald.

A historical background on how the "Spanish Americans" came to the United States, along with a brief study of present day living and working conditions, began the study under the direction of Mrs. McDonald.

The meeting on October 1 will continue the study of the Spanish Americans and will cover the needs and characteristics of these people. This will be a general meeting.

On October 8, the women of the church will be invited to visit, along with the WSCS, the Wesley Community Center in Amarillo. This is a home mission supported by the Woman's Society and Guild for the Latin Americans.

Twenty-two women were present at the last meeting.

"Sh-h-h! Don't wake the baby. I'm talking from the bedroom on an extension telephone."

## NOTICE

Senator Yarbrough will be honored at a dinner in Amarillo at 7:00 p.m. Wednesday, October 7 in the Vic Mon Room of the Holiday Inn West. Tickets will be available at the door. In the afternoon from 3:00 to 4:30 p.m. a reception honoring Mrs. Yarbrough is slated in the Amarillo Club in downtown Amarillo.

The single Adults Club of Littlefield will hold its monthly meeting Sunday, October 4, in the Community Center at 8:00 p.m. Anyone who is widowed, divorced or any single person 22 years of age or older is eligible to attend.

Monday, October 5, at 7:30 p.m. in the Springlake Auditorium, there will be a "Young Homemakers" meeting.

John Subert, Extension Agricultural Economist, with Texas A&M system from Lubbock will be the speaker, the subject of which is "Estate Planning." This topic relates to the planning of inheritance of property in such a way according to law to acquaint the owner and their children with the handling of such matters.

The general public is cordially invited to attend.

There will be a Cub Scout Den mother's meeting, Thursday, October 8, at 7:30 p.m. in the Junior High School Library. All interested in the Cub Scout program are urged to attend.

On October 7 at 2:00 p.m. in the community building, Mrs. Ken White, from Clovis, N.M., State Committee Woman of the Democratic League of Women Voters will be the guest speaker at a coffee given by the Democratic Ladies of the county. The purpose will be that of organizing women voters of Lamb County. All interested women are welcome to attend.

A come and go Bridal shower honoring Mrs. Gerald Pellham, nee Jannette James, is slated for Saturday 3:30 to 5:30 p.m. in the Earth Community Room. Gifts can be left at Rutherford and Company and Earth Dry Goods. Everyone is invited to attend.

Monday, October 5, at 8:00 p.m. at the Springlake School Cafeteria, there will be a meeting of the Young Farmers, to discuss plans for an Area-wide Field Day. Young Farmers and all who are interested are urged to attend.

All interested Scout parents are invited to come to the Scout meeting in the Junior High School library, October 8, at 7:30 p.m. C.A. Buzzitta, of Littlefield Scouts, will be present. Cards have been sent to the new parents, who are especially invited.

Remember the Bake Sale this Saturday at Springlake Grocery Stores.

The Associates of Lubbock Christian College will meet at 7:30 p.m. Thursday in the home of Mrs. Claude Ellis. A salad supper will be served.

There will be another ex-student officer's meeting held

## SCOUT NEWS

Thirty-five boys attended the weekly Scout meeting Tuesday night in the Scout Hut. Neal Pounds of Pounds Pharmacy presented artificial respiration techniques, and supervised the boys in giving first-aid.

Travis Jacques, Scout Master, Jim Glasscock, and Frank Jackson met with the boys. The hut was very crowded for this demonstration.

There is little Cub Scout News this week due to the Fair.

Den 6 held their weekly meeting at the Scout Hut with the Pledge of Allegiance to the Flag for their opening. Jerry Brock served cupcakes and Cokes to the boys. Mrs. Alexander led the group in a "listening" game. The boys completed their rain gauges, formed the living circle, and adjourned. Seven boys and den mothers were present.

### Card of Thanks

Please accept our heartfelt thanks for the interest, food, and flowers during the time of our bereavement.

A special thanks to Parson's Funeral Home and to Kelley Newman and M. R. Phillips, for their comforting words.

May God richly bless each of you.

The R.C. Hooten Family  
Mr. and Mrs. R.B. Robnett

### PARTY LINE

Mr. and Mrs. Billy H. Hodge enjoyed a lobster supper, Saturday night in the home of Mr. and Mrs. Morgan Locker of Muleshoe, Miami lobsters were served to the guests.

Mr. and Mrs. A. L. Copenhaver of Brownsville, Texas have been house guests of the A.M. Sanders.

Kelley Green, son of Mr. and Mrs. Bobby D. Green, was admitted to the Littlefield, Hospital, Monday.

Sunday afternoon at 3:00 p.m. October 11, at the Springlake School. All officers and committee members, please attend.

Kathy Richardson will be installed as Worthy Advisor of Earth Assembly, Order of the Rainbow for Girls, in open installation. Saturday, at 7:00 p.m., October 3, in the Masonic Hall.

All members of the Earth Rebekah lodge No. 139 are asked to be present for Friendship night, October 8 at 8:00 p.m. at the IOOF Hall.

## Girl Scout News

The Girl Scouts of Earth met Thursday, September 24, in the basement of the Methodist Church.

Patrols were divided, and worked on the "Good Grooming" badges.

On September 29, Tresa Glasscock's patrol held their meeting. The patrol placed posters, "Supporting the Girl Scouts" in the down-town windows.

## Wesleyan Service Guild Meets In Rudd Home

The Wesleyan Service Guild met in the home of Mrs. Ada Rudd September 30 at 7:30 p.m. A business meeting opened the program, followed by a prayer by Mrs. Rita Richardson. Mrs.

Beulah Newton gave an interesting program, the subject of which was "Mothers Of Other Cultures." The Guild Benediction was given as the closing. Refreshments of cake and coffee were served to the following members attending: Mesdames Beulah Newton, Ann Hamilton, Naomi Burgess, Ruby Jordan, Gladys Goodwin, Rita Richardson, Ruby Jones, Maxine Tunnell, and Ada Rudd.

FRANCIS IMPLEMENT CO.

WHY

IS

LICHTE-SULLINS ACID DELINTING CO.

one of the largest on the Plains?

BECAUSE:

1. We furnish trailers to catch your cottonseed when you gin. These are furnished within 30 miles of Littlefield (this includes the Earth & Springlake areas). Just have your ginner call us collect and tell us when your cotton will be ginned.

2. We take a composite sample of delinted seed from each load of seed and send to the State Seed Laboratory of the Texas Department of Agriculture. Their report sheet is mailed to the farmer. No guessing.

3. We save the farmer real money. Our price is \$35.00 per ton, which is an economic break that counts.

4. We have a 10,000 square foot storage warehouse for finished seed. We give you 21 days free storage after delinting. After that, if you wish to leave your seed with us, our charge is \$1.00 per ton per month, which covers storage handling and insurance. Many who do not have good home storage use our warehouse, but it is your choice.

Our method? The oldest form of acid delinting. It has been in use on the Plains since 1937.

Look us over. We have had a good business here since 1958. We still ask the same question, "WHY PAY MORE THAN \$35.00 PER TON FOR DELINTING?"

OCTOBER 1-2-3-5

★★★★★★★★★★  
**Nosin...**  
 With Polly  
 ★★★★★★★★★★

(Cont. from Page 1)

that they are staging a two-day public demonstration Friday and Saturday, of their new G.E. Appliance, to acquaint area people with the advantages of owning a G.E. appliance... There'll be prizes, bargains, many items on sale, and an all around good time and door prizes for all who attend... "nosin"

Clipped this from an exchange paper, thought you might enjoy it as much as I.

**THE RIGHT MAN:** An anti-poverty inspector in upper Appalachia heard that a skintint farmer was paying below standard wages. He went to investigate and was taken around to meet all the farm's employes. "This is William," said the farmer, "he milks the cows and he gets \$40 a week. "This is Sam, my other hired man, Sam also gets \$40 a week. "This is Kate, She cooks for me and gets \$30 a week and room and board. "The inspector seemed satisfied, but then the thought came to him. "Any others?" he asked. "Only the half-wit," Rufe replied. "He gets \$10 a week and tobacco and food. "May I speak to him?" asked the inspector. "Sure," Rufe replied. "You're speakin' to him right now. "nosin"

Parting thought... Prayer should never be taken out of the Public Schools... That's the only way some of us got through.

**WOLVERINES READY TO LEAVE FOR A BALL GAME.** Handsomely dressed in new Black Blazers, white shirts, and black ties, this well dressed club represents our school as they travel to other schools dressed like gentlemen. The new blazers were presented to the squad before leaving for the Roosevelt game last week, by the Wolverine Booster Club.

**T.E.C. Reports Little Cotton Ginned In Area**

The Texas Employment Commission reports that very few bales of cotton have been ginned so far in the county. The hail which occurred on

Saturday night, September 26, caused heavy damage to the cotton. Bolls were completely beaten off of the stalk in some places. Fieldton was hardest hit.

In the August 1 report, the number of estimated bales to be produced in the county had been raised from 175,000 to 180,000 however this was before the recent hail damage.

**PTA Committees Chosen For Colored School**

PTA Committees were formed recently at the Colored School at a Parent Tea, sponsored by the U.S. Osbornes.

Refreshments of chicken salad, cookies, and punch were served. Mrs. Rohelen Johnson of Springlake was chosen chairman for the Christmas festivities. Mrs. Estella Thomas for Easter, and Mrs. Alice Brown for the end of school. Mrs. Sedalia Hood is general secretary for all PTA committees.

County agent McNutt and County Demonstration agent Mrs. Phillip, organized the 4-H Club for girls and boys. The agents advised joint meetings for a while.

The officers chosen were: President, Daisy Ruth Washington, Vice-president, Doriscene Renfro, Secretary, Robert Lee Washington, Reporter, Joseph Finch, Song Leader, Margarette Hood, Game Leader, William Sanders, and Adult Leaders, Mr. and Mrs. U.S. Osborne.

McNutt and Mrs. Phillips explained to the group, the purpose of the Club, and the development and enrichment each child should expect to receive from the organization, in personal cultural development, health, gardening, and livestock. On the first Wednesday, the

meeting will be on project presentation. Each child will select the project which he and his parents have chosen one in which he or she will benefit the most.

**Marshal Reports Gas Stolen From Combines**

City Marshal Clarence Hazlett stated that several area people have reported stolen gasoline from their combines. These combines are usually left parked near the road, ready for the next day's harvest.

What a terrible way for the people who are doing these acts of injustice to treat these good, hard laboring combine men who come here to help us harvest our crops! No other types of vandalism have been reported, but City Marshal Hazlett plans to "track down" these molesters of property and eliminate these injustices.

Anyone experiencing any type of property trespassing is urged to report it to the City Marshal, for immediate investigation.

## Texas Tech Travels To College Station Saturday

Texas Tech's Red Raiders invade College Station to play Texas A & M in a Southwest Conference game at 7:30 p. m. Saturday.

Each team will be hoping to rebound from a loss last week. Texas A&M bowed to University of Houston in a 10-0 upset, and Texas Tech was defeated by defending national champion Texas 23-0.

Texas A&M a week earlier held to a 9-6 win Louisiana State University, whose Bengals later blanked Rice 3-0. At the same time Texas Tech was beating Mississippi State 21-7.

Texas Tech last year blanked Texas A&M 0-0, but the Aggies finished strong, beating Rice and nearly edging Texas.

In the rivalry begun in 1927, A&M holds a 15-6-1 advantage.

For three successive weekends the Red Raiders face three SWC foes on the road. After the A&M contest Tech meets Texas Christian and Baylor before returning home for an Oct. 24 engagement with Southern Methodist.

Texas Tech's season attendance record set last year seems likely to fall. With the largest crowd ever to witness a game west of Ft. Worth, 47,000 spilling into the north end zone slope at the Texas game, the Raiders have already attracted 85,000 fans into Jones Stadium. Last season Tech drew 194,800, an average of 32,400 fans.

Reserved seats remain available for the four games left at home, with SMU Oct. 24, West Texas Nov. 7, Washington State Nov. 14, and Arkansas Nov. 21.

## Kenneth Hite Promoted To Major In USAF

Word has been received that Captain Kenneth F. Hite of the U.S. Air Force, son of Mrs. Lena Hite and the late Robert P. Hite, of Honolulu, Hawaii, was promoted to Major in early August. Major Hite received meritorious service recognition as Course Director and Instructor in the Department of Military Studies, office of the commandant of Cadets, United States Air Force Academy, Colorado, from April 15, 1957 to August, 1960.

Throughout this period, Major Hite performed in an outstanding manner, and displayed the highest degree of professional competence. His broad knowledge of the entire spectrum of air force operation enabled him to develop and direct courses entitled "Training Operation," "Airpower in Modern War," "Armed Forces," and "Applied Aero-Space Power" in the presentation of Military Studies Programs, for which he was responsible.

Major Hite invariably brought forth new methods of presentation and new ideas and instructional techniques, which greatly enhanced the quality and value

of instruction to Cadets. His operational background, personal experience, high standards of personal and moral conduct, in alliance with his devotion and energy, were responsible to a large degree for the establishment and presentation of a sound professional curriculum in the study of Aerospace Power. Major Hite's contribution have led to the successful establishment of the Air Force Academy, and reflect great credit to himself and the United States Air Force.

The Major made ninety-six missions over Korea during the Korean War. He was a jet fighter pilot and was awarded the Distinguished Flying Cross for Meritorious Service.

Major Hite is a graduate of Springlake High and West Point, United States Military Academy, New York.

He is now stationed in Honolulu with his wife, Margaret, and children, Suzie, Doug, and Holly.

The major is the brother of Robert Lowell Hite, who was one of the famous Doolittle Raiders. He has a sister, whose husband is a United States Naval Flyer.

## Bond Sales Drag During Year

Mr. C. O. Stone, chairman of the Lamb County Savings Bonds Committee, announced that the county's August Savings Bond sales totaled \$9,578.00. Sales for the first eight months of this year were \$132,692 which represents 42.8% of the 1964 sales goal.

Total sales in Texas for the first eight months of the year were \$100,643,333 or 67% of the state goal. Savings Bond sales have increased approximately \$900,000 compared to the same period in 1963.

"In a recent brochure the treasury Department stressed the tax advantages of buying E. Bonds. While the interest is subject to Federal income tax, the reporting of E. Bond interest

may be deferred until the bonds are cashed or reach final maturity. This means that the owner of the bonds can choose to cash his bonds in years of lower income. This fact makes the E. Bond particularly attractive to the large investor and for those persons either planning retirement or supplementing an existing retirement program."

Chairman C. O. Stone stated.

## Party Line

Mr. and Mrs. Melvin Lewis from Lamesa, visited Sunday in the homes of their parents, the Elvis Claytons and the Virgil Lewis.

## JOIN THE BATTLE OF THE BOLL WEEVIL

Every person, directly or indirectly connected with the cotton industry, should wage war on the boll weevil. Widespread infestation of the area would produce an economic disaster that is FRIGHTENING. The economic base of our HIGH PLAINS area could be eaten away by the boll weevil.

HIGH PLAINS bankers urge YOUR support of the DIAPAUSE CONTROL PROGRAM to protect your income and that of every HIGH PLAINS resident.

JOIN THE BATTLE

**THE ENEMY** - BOLL WEEVILS... Invading the High Plains... If they succeed will cost about \$30.00 per acre, every year, for control... Millions more in lost yields and quality, plus reduced value of investments.

**BATTLE PLAN**- ATTACK AND KILL WEEVILS IN FALL, before they hibernate (Diapause Control)...

**WAR CHEST** - 50c A BALE FROM PRODUCERS, collected 100% at every compress... Supplemented by matching Federal funds.

**PRODUCER'S CHOICE**: 50c now or \$50.00 later. For complete information, see your County Agent, ASC office, Vocational Agriculture teacher, or contact Plains Cotton Growers, Inc.

## Early Bird With Mechanical Pickers Wait For Dry Cotton

Drink an extra cup of coffee and make money. This may not sound reasonable, yet it makes a lot of sense to Texans who use mechanical pickers to harvest their cotton and explain why they're in no great rush to start their pickers early in the morning.

Wise farmers wait for cotton moisture to drop to a reasonable picking level, says Beverly G. Reeves, cotton ginning and mechanization specialist, Texas Agricultural Extension Service. This waiting can get them a full grade or more at the gin.

Regardless of how dry the weather, cotton should never be harvested at night nor in the early morning or late evening, explains the specialist. Even on the driest day, cotton will probably never be dry enough for machine harvest until 8 a. m. or later.

Moisture in seed cotton from humidity may not be seen or felt, says Reeves, but it is there. And, it limits the kind of job the ginner can do. Excess moisture in cotton usually results in the loss of grade and quality, and this can cost the grower \$10 or more per bale, the specialist points out.

Great must be increased in gin dryers to try to get desirable grades from high moisture cotton. This increases the danger of

fiber quality damage on dry portions of the bale being ginned and the dry bale that may follow, explains Reeves. Over drying can result, making for the kind of cotton that mills don't want.

When should you start your mechanical pickers? Delay harvesting, advises Reeves, until the relative humidity in the field at boll height is 60 percent or less. Normally, 60 percent relative humidity is correlated with eight percent lint moisture. If a hygrometer or cotton moisture meter is not available, Reeves says to pick a handful of cotton, squeeze it tightly in your hand and release it quickly. If the cotton fluffs out when released, it is dry enough for picking. Otherwise, wait and make another test later. Also, make the test at several different locations in the field, advises the specialist.

THESE NEW FFA OFFICERS will represent the local Chapter through the year. They are, bottom row, left to right, Ken Dawson, Kenney Kendrick, Dwayne Montgomery. Front row, Harold Powell, Jimmy Shirey, and Randy Kelley.

## Party Line...

Mesdames Bonnie Green, B. T. Hamilton, M. E. Kelley, and C. L. Hamilton attended the meeting Saturday afternoon of the Dimmitt Democratic League of Women Voter's. Mrs. Ken White, N. M. Committee Woman gave an informative talk to approximately forty people.

## Mexican Baptist Mission Conducting Evangelistic Services

The Mexican Baptist Mission of Earth is conducting evangelistic services at the church from September 27-October 4,

as part of a state-wide Crusade aimed at reaching 2 1/2 million unevangelized Latin American people of Texas with the gospel.

About 400 Latin American churches and missions throughout the state are participating in the widespread effort called Cruzada Bautista Nueva Vida (the Latin-American Baptist new Life Crusade.) It is being sponsored by the Baptist General Convention of Texas August 30 through October 11. In addition, Baptist churches near the border in Mexico and New Mexico are joining in the Crusade.

The Crusade is being held in four stages with the state divided into three zones for better co-ordination. The first week of the campaign in each area is devoted to area-central campaigns held chiefly in tents at 43 strategic locations.

Personal witnessing campaigns take up the second week, with local revivals in about 400 of the churches slated the third week. The fourth and final week features major central campaigns in auditoriums and stadiums in 23 cities across the state.

Seven Anglo churches have been assigned to each of the Latin-American Churches as prayer partners, said Dr. T. A. Patterson, Executive Secretary of the Baptist General Convention of Texas.

He said the meetings are being promoted throughout the state through newspapers, radio, and television. T. V. stations across the state have carried or will carry a 28 minute documentary film on the Crusade, and on the contribution Latin Americans have made to agriculture, food, architecture, and other vital areas of life in Texas.

Crusade leaders predict that 25,000 professions of faith in Christ will result in the six-week campaign.

Bro. P. Molina is preaching in our local mission, which is sponsored by the First Baptist Church of Earth.

This district, composed of the Llanos Altos Association,

State Plains Association, Caprock Association, and Lubbock Association have had approximately 400 conversions.

## Tips on Machinery Cost and Efficiency

Successful management and operation of farm machinery is becoming increasingly important, says Henry O'Neal, Extension Agricultural Engineer at Texas A&M University.

The average machine costs for Texas farms is between 20 and 25 percent of total farm receipts. Fortunately, farmers can do much to achieve better operating efficiency with their machinery.

O'Neal offers these tips on how farmers can get more for their machinery dollar, one way is to be familiar with the manufacturer's recommendations for each machine. Farmers should know how the machines are to be maintained as well as what they are designed to do.

Keep machinery in adjustment with cutting edges sharp, working parts aligned and lubricated, and all mechanisms timed and in good working condition. The result will be more trouble-free operation, lower power requirements and reduced operating costs.

O'Neal emphasizes that periodic tractor tune-up and minor repairs pay big dividends. Engineers throughout the country, he says, have found that properly adjusted breaker points, ignition timing, spark plugs, and carburetors, and clean air filters and crankcase breathers will lower operating cost considerably.

Complete and regular lubrication and proper storage also make for better service, he says. Other machinery management

## Party Line

Ronald McDonald, three year practices O'Neal encourages are keeping records on lubrication and repairs. Also operating equipment at near capacity and hiring some machines on a part time basis when needed might be cheaper and more practical than buying them.

O'Neal urges farmers to keep up to date on latest developments in machinery for their particular types of farming. When buying machinery, shop wisely, he says. He suggests comparing not only prices and features, but also the service that can be expected.

old son of Mr. and Mrs. O. D. McDonald, formerly of Springlake, was treated by Dr. Bausman in Amherst, and hospitalized September 18 to September 23.

Mrs. M. E. Clayton and Mrs. Josie Rich were Sunday dinner guests of the Fred Clayton family.

Mrs. Floyd Burgess visited for several days last week in Vernon in the home of her daughter and family, Mr. and Mrs. Doug Brown.

Sp. 4 Mike Burgess, from Ft. Geo. G. Meade, Maryland, was recently released from active duty to assist with harvest.

Comfort ye, comfort ye my people.—(Isa. 40:1).

We can provide a measure of comfort to our friends and relatives who are faced with adversity, simply by praying for them. Prayer, spoken in love, will always find a welcoming response in the heart of the one for whom that prayer is said.

## Lazbuddie News...

Mrs. C. A. Watson

Jacque Smith was guest of Sidney Bullock, 30th Senatorial District Committee Woman of Lazbuddie, Saturday, September 26, to attend the regular monthly meeting of the Castro Democratic League of Women. Gloria White of Clovis was guest speaker. Sidney Bullock of Lazbuddie was reelected the committee woman of the 30th Senatorial District at the State Convention at Dallas this September. Mr. and Mrs. J. B. Young and Mr. and Mrs. E. D. Chitwood, Jr. were at Port Aransas for a week's vacation last week. The group returned by way of Fort Worth to see the Chitwood's daughter, Pat and by Baylor to see and Young's sons Cooper and Steve and by College Station to see Dick Chitwood.

Mr. and Mrs. E. D. Chitwood, Sr. are at College Station this week to attend the meeting and observations of the Fruit Orchard.

Mr. and Mrs. J. B. Young was in Lamesa Saturday night to be at the wedding of a friend, Laura McCray, daughter of the A. C. McCrays, formerly of this area. Miss McCray and Carl White of Lamesa exchanged vows at the First Baptist Church Saturday.

At the recent meeting of the Lazbuddie 4-H Club, County Agent Joe Vanzant read the rules for the 4-H Club for the coming year, also he discussed National 4-H Club week for the coming

week, September 23, through October 3. Bobby Redwine presided at the meeting. Jimmie Broyles led the 4-H pledge and motto. Twelve parents and twenty two members were at the meeting. The Club had a window display in the Friona Drug during the Maize Days celebration last month. The theme for the display was "4-H Around the Universe." Members having part in the window display were Judy Loelzer, Patcine Broyles, Dale Blackstone, Katie Blackstone, Maxene Broyles, Ann Blackstone, Christie Ivy, Cathy Coker, Kathy Coker, Delayne Steinbock, Timmie Foster, Bobby Redwine and Steve Foster.

Judy Koelzer represented Parmer County in the District 4-H bake show at Amarillo Tri-state Fair last week. Judy competed against 8 other girls representing their counties at the Fair. Judging was held Saturday.

A group of Lazbuddie folks went to Amarillo Tuesday to hear Senator Goldwater speak. Among them were the Lazbuddie Bluebonnet Bells. The Bells were accompanied by their husbands also.

The Lazbuddie Republican Bluebonnet Bells entertained their husbands along with the Muleshoe Bells with an ice cream supper held at Muleshoe State Bank Community Room in Muleshoe last week.

The Lazbuddie Loughorns had open date Friday September 25. The Horns will go to Sundown October 2. They will play their first conference game at Happy with Happy October the 9th.

Mrs. N. C. Eldridge, mother of Mrs. T. J. Brantley passed away Monday September 21 in a Dallas hospital with a heart attack. Mrs. Brantley kept her mother last winter in her home here. The Brantleys including Norman and Carolyn, grandchildren of this area attended the funeral held at the McAdoo First Baptist Church. Burial was in the McAdoo cemetery.

Rev. Calvin Beach will preach this week at the Seth Ward Baptist Church, Plainview. This is a crusade for the New Life Development for the Latin American Baptist people. Rev. W. Hughes, Leveland will fill the stand at the Lazbuddie Baptist Church at both morning and evening services Sunday October 4.

Birthday Greetings this week to, Ronnie Harden, Robert Flores, Peggy Carroll, Jesse Mendezoa, Wmell and Maudene Barnes from Abilene were home visiting their parents the Wesley Barnes over the weekend.

Mr. and Mrs. Owen Broyles visited Sunday in Morton with her sister and husband, Mr. and Mrs. O. F. Barnett.

The Midway H. D. Club will meet Tuesday afternoon, October 6, in the home of Mrs. M. C. Mason. The program will be given by Mrs. Elsie Williams on School-age and Teen-age children guidance.

# Wolverines Outman Roosevelt 32-6

by Eldon Trotter

The last time the Wolverines tangled with a flock of Eagles, they came out on the short end of the gridiron battle. But Friday night the Wolverines, out played Roosevelt all over the field.

The starting eleven for the Springlake Wolverines wasted little time in letting it be known they had traveled a long way to bring home their third win of the '64 season.

Roosevelt won the toss of the coin and elected to receive the kick off, but instead Jerry Don Sanders politely kicked the ball clear out of the end zone, and play was started from the 20 yard line. On three plays the Eagles were held to no gain and were forced to punt.

Moments later with the ball resting on the Roosevelt 29 yard line, Jerry Don Sanders pitched out to Thomas Gregory who

went to the right side, and went over standing up for the first touchdown for the night.

Jerry Don Sanders split the up rights with a perfect kick and the Wolverines had a 7-0 lead.

For the second time, on kick off, Jerry Don kicked the ball clear out of the playing field, with the ball again being brought out to the 20 yard line.

Again the Roosevelt eleven could not move the ball and was forced to punt. At this point, Doug Messer relieved Jerry Don Sanders from the quarterback position and tried his luck at running the club.

Messer wasted no time in trying a new play, but used the play that had worked three times the week before and politely sent Floyd Bennett flying through the left side of the line for a 21 yard run and a second touchdown for the Wolverines. Jerry

Don came back on the field for the point after touchdown, but had his kick blocked and had to settle for a 13-0 lead at the end of the first quarter.

On kick off Jerry Don seemed to take his spite out on the ball for being blocked, and sent it once again clear out of the end zone for another touchback.

When the Wolverines took possession of the ball in the second quarter, coach Mahan pulled his entire starting eleven off the field, and turned the duties over to his second unit which is made up mostly of sophomores.

Doug Messer moving the second unit with the grace of a pro, decided to try his luck at running and found enough room to get into the open on the left side and covered the 25 yards to pay dirt, going in standing up. On point after, Messer handed

off to sophomore, Chris McClure who bulldozed his way up the middle of the line for the extra point.

This time Doug Messer tried his luck at kicking the ball, but had it to go off the side of his foot for very little yardage.

Once more, Roosevelt tried to move the ball but found the second unit too much to handle, and was forced to punt.

At this point it was getting late in the second quarter, and the ball was resting squarely on the center field stripe. Doug Messer rolled out and tossed a strike to Chris McClure, who broke into the open and headed for the right side of the field, but found himself being trapped, reversed the field, spinning and cutting his way to the goal line, finally going over standing up for the fourth touchdown of the night. Messer stayed to the air,

hitting Logan Armstrong in the end zone for the extra 2 points. At this point Springlake had a 29-0 lead.

To start the third quarter, Roosevelt tried an onside kick, only to have James Thomas, the sophomore guard to take the ball and start up field, with one Eagle around his feet, Thomas hit the dirt only to have half-back, Sonny Paxton to come flying into him, hitting him in the back, forcing a delay of the game while James was being removed from the field on a stretcher, and taken to the Methodist Hospital in Lubbock. Later it was learned that James had a pinched nerve that caused great pain and concern at the time of his departure from the field.

With the second and third units operating against the Eagles, they moved the ball up to the 25 yard line, from that point, coach Mahan sent the first unit into the game to give Jerry Don Sanders protection for a try at a field goal. From that point, Jerry Don split the uprights with a perfect kick, and another three points.

Late in the third quarter, quarterback Nicky Hopkins tossed a perfect pass to Jerry Powe who covered 45 yards, and Roosevelt's only touchdown of the night.

Hopkins tried a keeper up the middle of the line but found the second unit too tough to budge.

Springlake and Roosevelt battled to a standstill during the fourth quarter, with the second and third units of Springlake holding and taking everything the Eagles could throw at them.

The most entertainment of the night came from the sidelines, with the entire first unit wanting to play any position, as long as the coaches would let them on the field. As John Patterson stated, "Man, I don't like to play this position," setting on the sideline.

A good game was turned in by the second unit, and the entire first unit should be in tip-top shape, after setting out most of the Eagle game, plus having an open date October 2. Leav-

ing them a full two weeks to get ready.

So, fans, we can all set out a game this Friday night, and be ready to root for our Wolverines on October 9th, when they battle Amherst at the home stadium. See you there!!

## Party Line...

Mr. and Mrs. Guy F. Kelley, Gert, Kim and Johnny, Mr. and Mrs. Donald Kelley, Anita, and Donita, Mr. and Mrs. Pete O'Hair, Kelley, Kenney, and Kirk left Friday night for Lake Kickapoo, near Electra for a weekend fishing trip. They caught catfish, crappie, and perch. They enjoyed boat riding and cooking out. They stayed in a lodge at the lake. There was a fishing barge, which the children enjoyed especially. The group returned home Sunday.

Mr. and Mrs. Ray Kelley spent Sunday night in the home of Mr. and Mrs. George Nichols in Amarillo. They returned to Amarillo again Tuesday to be with J.W. Kelley.

TURN ME LOOSE seems to be the expression on Logan Armstrong's face as he tries to turn the corner for extra yardage against Roosevelt. An unidentified Wolverine seems to be coming in to jar the tackler loose.

ROOSEVELT'S JOE BROWN No. 11 tries an end run, but was brought down by No. 23, Bill Gover. At this point in the game it was a good battle between the second and third units of Springlake and the number one unit of Roosevelt.

# STARS OF THE WEEK

Mr. and Mrs. M.E. Kelley spent Tuesday in Amarillo, at the Northwest Texas Hospital, where J.W. Kelley had minor surgery.

## BACKFIELD

This week the honor goes to Chris McClure, who played a game he can really be proud of. Chris showed the hustle and the will to win, that really makes for a top notch Wolverine. Early in the second quarter, Chris caught a pass for the point after touchdown, and later in the same quarter, took a roll out pass from Doug Messer and worked his way all over the field for a 50 yard touchdown run. McClure is a 140 pound Sophomore, but I'm sure that we will see a lot out of this Wolverine before his high school career ends.

## LINEMAN

This honor goes to Tommy Barlow, the 151 pound Sophomore, who I'm sure the Roosevelt Eagles thought weighed more than that. Tommy was a thorn in the side of the Eagles, staying in the Roosevelt backfield most of the night. I'm sure the fans will agree with the coaches, who bestowed this honor upon these two sophomores, that they really played a whale of a ball game.

## Opening Session Of Wayland College Held September 21

Dr. McClung opened the 55th session at Wayland College, Monday morning at 10:00 with the traditional President's Chapel.

Equally traditional is the introduction of special guests and at this time Dr. Hope R. Owen, President Emeritus and Mrs. Hope R. Owen, Mrs. W.T. Clayton of Springlake, Mrs.

Ray McClung and son Mark were introduced. Plainview pastors introduced were Rev. W.P. Brian, Seth Ward, Rev. C.T. Cunningham, Emmanuel, Rev. Orville Brantley, Beth, Rev. Clayton Watkins, Park View, Dr. Tim Trammell, First Baptist Church, Dr. John Traylor, College Heights; Mrs. Brian, Mrs. Cunningham, and trustees.

Claude Fargason, Halfway, and J.B. Bratcher, Plainview.

Dr. McClung used "Symbols of Faith on which Wayland was founded, and has continued to grow," as the theme for his address. R.B. Hall, director of religious activities, read Deut. 31: 9-13 as the opening scripture and Dr. W. Neil Record, assistant to the president, gave the

invocation. Under the direction of James D. Cram, the Wayland International Choir sang, "The Face of Moses Shone." The benediction was pronounced by Dr. Hope A. Owen.

Dixie Phillips, of Dallas, visited in the home of her parents, the M.R. Phillips during the weekend. Also visiting during the week were Mr. and Mrs. Sammy Phillips and children of Longview.

## Small Grain Seed Need Protection From Disease

Chemical seed protectants can prevent many disease problems on small grain caused by fungal and bacterial organisms on the seed coat.

With the fall planting season here, Wendell Horne, Extension plant pathologist, advises growers who save their own seed or buy untreated seed to apply such protectants before planting to insure a vigorous and healthy stand. Most commercial seed companies use a seed treatment.

Seed-borne fungi and bacteria destroy the seed in the soil or attack seedlings as they struggle through the soil. Such diseases are referred to as seedling blights, says Horne, and often result in a significant loss of stand.

Mercury-type seed treatments such as Cerasan and Panogen have been highly effective as protectants for small grain seed. These materials may be applied in a rotary seed treater made from a 50-gallon drum or they may be applied with machinery devised for that purpose.

Some fungi are also borne within the seed and are not affected by chemical treatment. Loose smut of wheat and barley is an example of this type of disease, the pathologist points out. A water-soak method must be used to control this condition.

Most seed-borne diseases of small grain can be inexpensively controlled with chemical seed protectants, says Horne. For more information on seed treatment, Horne suggests a visit with the local county agricultural agent.

## Party Line...

Mr. and Mrs. Jack Hinson who have been at Tres Ritos, N.M., since September 3 were called to Amarillo Thursday, September 24 because of the death of a life long friend, T.L. (Dusty) Rhodes. Funeral services for Rhodes were held in Griggs Memorial Chapel Saturday.

September 26 at 2:00 p.m., with Rev. Mahon, Associate pastor of the First Presbyterian Church of Amarillo in charge. Others attending the funeral from this area were: Mr. and Mrs. J.E. Parish and family, Mr. and Mrs. Kenneth Hinson and family, Mr. and Mrs. Ed Dawson, and Mr. and Mrs. N.F. Cleavinger of Dimmitt.

HESSTON V-22 HARVESTED THIS

## PROFITS INCREASE WITH THIS BRUSH HARVESTER (some call it a flexible roll stripper)

Whether you call it a brush harvester as Hesston does... or a flexible roll stripper, as some others do... the Hesston V-22 Cotton Harvester with its unique brushing action gets more cotton and cleaner cotton than the best solid roll stripper available. Hesston works in cotton making up to three bales; it will strip shoulder-high, irrigated cotton, and it has proven its efficiency in open and storm-proof varieties, rank stalks, and bumble-bee cotton. The reason is Hesston brush action. The two-row V-22 has rotating nylon

brushes with alternating rubber paddles. It is available in either the trailer model or new 1,000-lb. capacity basket model with exclusive front dumping... hydraulically. The vertical air stream elevator has green boll separating efficiency up to 97%. Not only is the V-22 profitable, but it is a trouble-free machine to own. It is available for a variety of tractors. Compare the V-22 with any other. You'll see the difference in the field; you'll receive the difference at the gin.

## SPRINGLAKE ELEVATOR SUNNYSIDE GRAIN

## Peanuts On Bean Vine A Rare Phenomena

Strange incidents occur when they are least expected. One morning recently, G. S. Armstrong strolled out in his garden, (which is his pride and joy) to inspect his beans. He has a plot, ten by twenty feet, where he raises a garden. Last year he had planted peanuts, which he had replaced this year with pole beans. These were planted in one row approximately seventy feet long, next to his fence. There was a peach tree near this row of beans, also winter onions. When Armstrong noticed a variation in two bean vines, he uprooted them, and there, to his amazement were unusual formations. Scratching his head in wonder and awe, he remarked, "Peanuts!"

Having arrived on the Plains of Texas in a covered wagon in 1924; hauled the lumber for his home by horse and wagon from Dimmitt, endured snow storms and hardships; seen grass land replaced by cane, feed, and cotton; Armstrong has experienced many changes and surprises in forty years. But life is interesting here in West Texas, where something new happens often.

He and his wife enjoy their garden. They delight in the fresh vegetables and fruits when they are in season, and prepare them for the winter by canning and freezing.

When asked if he planned to grow more "beans and peanuts" next year, Armstrong replied, "I'm surely going to try."

This is one example of the humor and wit of one of our dear "old timers" who will never grow old. Keep up your enthusiasm, and we'll expect something new raised by G. S. Armstrong, again next year.

## It's the Law in TEXAS

Stop for School Buses

Thousands of school children

PROOF POSITIVE; That peanuts do grow on bean vines, that is in Earth, Texas. Where else, Pray tell??

are now trooping back to school throughout Texas. Many of them will be transported by school buses. Most people are careful when approaching a school bus which may be standing beside the road or school to pick up school children or allow them to alight. However, we have already had some very bad accidents this year because a child or a motorist, or both, were careless at that very time.

Most Texans are aware of the law which required a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus, he is then allowed by law to proceed past same at a speed "which is prudent, not exceeding ten miles per hour, and with due caution for the safety of such children."

What many persons do not realize is that the very same rule applies when meeting a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule greatly outnumber those who comply. Failure to follow the law in this case can lead to fine up to \$200, even when no accident occurs. Following an accident in which some child is injured or killed, the penalties are naturally much more serious.

Although the above rule does not always apply when passing a stopped school bus in a business or residential district of a town, the necessity for extreme caution even in those locations is obvious.

When it comes to overtaking and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed on past it a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four-lane highway.

However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movement in safety. And, in no event should such passing be accomplished by driving off the payment or main traveled portion of the roadway.

Familiar to all are the no-passing zones designated by yellow lines placed on one side of the center line on our highways. Not so well known are the restrictions against crossing the center line when approaching within 100 feet of or when traversing any intersection or railroad grade crossing.

A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic. Generally speak-

## College Costs Continue To Surge Upward

Continued increases in college costs are shown in a new nationwide survey by the U.S. office of education, reports Mrs. Wanda Meyer, Extension Service home management specialist.

Median tuition charges, the halfway mark between those that are higher and those that are lower, increased \$206 in private universities and colleges and \$49 in state and other publicly supported schools, the survey shows.

The median tuition in private institutions rose from \$534 for the 1958-59 school year to \$740 for 1962-63. The median at publicly supported institutions increased from \$134 to \$183, in comparison.

During the four-year period, tuition and student fees were upped by 98 percent of the private institutions, while in state supported colleges and universities, 81 percent raised tuition and fees for state residents, and 91 percent increased charges to out-of-state students.

The latest survey does not reflect additional increases in tuition and fees effective in many institutions of higher learning with the beginning of the new academic year in September. These changes range from small amounts to "considerable" amounts.

The Office of Education did not report on charges for room and meals. Mrs. Meyer said. These costs reflect less change than tuition and vary less among private and public universities.

An earlier survey a year ago showed these annual averages: Public universities and colleges, \$189 for room and \$350 for board, private schools, \$231 for room and \$415 for board.

## Southwestern Exposition, Fat Stock Show Premium List Published

W. R. Watt, president and manager of the Southwestern Exposition and Fat Stock Show, has announced the publication of the 1965 premium list. Distribution of the Premium List is now being made to all previous Ft. Worth exhibitors and prospective exhibitors.

Others desiring a copy of the new Premium List should write the Southwestern Exposition and Fat Stock Show, P. O. Box 150, Ft. Worth, Texas 76101.

The purse of premiums and entry fees at Ft. Worth, including the Livestock Show, Horse Show and Rodeo will total approximately \$229,000.00. Watt reports there have been many changes and additions to the Premium List since the 1964 Stock Show. Prospective exhibitors are urged to carefully study all rules.

The Stock Show is enthusiastic over the signing of the Judy Lynn Show as the guest stars of the 1965 Rodeo. Watt said, "Judy and her band have a wonderful show and we feel they will provide first class entertainment for our rodeo audiences." The Judy Lynn Show will be coming to Ft. Worth from extended engagements at the Golden Nugget, Las Vegas, Harrah's, Lake Tahoe and Reno, and the Tradewinds Hotel, Ft. Lauderdale.

The 1965 edition of the Southwestern Exposition and Fat Stock Show opens January 29 and will run through February 7, 1965. Deadlines for livestock entries are December 20, 1964, for cattle, horses, sheep, and swine and January 15, 1965, for poultry, rabbits and pigeons.

many institutions of higher learning with the beginning of the new academic year in September. These changes range from small amounts to "considerable" amounts.

The Office of Education did not report on charges for room and meals. Mrs. Meyer said. These costs reflect less change than tuition and vary less among private and public universities.

An earlier survey a year ago showed these annual averages: Public universities and colleges, \$189 for room and \$350 for board, private schools, \$231 for room and \$415 for board.

Letter to the Editors

Dear Mr. Middleton:

The Rodeo Committee of the Texas Board of Corrections is reserving two tickets for you to attend the 1964 Prison Rodeo which will be held each Sunday in October.

We are enclosing literature on the rodeo. If you will let us know which performance you would like to attend, we will mail you two tickets.

Sincerely,  
Richard C. Jones  
Rodeo Publicity

## Whooping Crane Identified Near Cherokee, Oklahoma

One of the rare whooping cranes was positively identified this morning resting on the Salt Plains National Wildlife Refuge near Cherokee, Oklahoma. Refuge Manager Lyle Stiemmerman was able to make positive identification of the bird. Although Salt Plains National

Wildlife Refuge is on the direct migration path to the big birds' preferred wintering grounds, the Aransas National Wildlife Refuge near Austwell, Texas, on the Gulf Coast, the sighting was unusual in that the bird is far ahead of the normal migration timetable. A total of 32 whooping cranes left the refuge in Texas last spring headed for their breeding grounds in northern Canada.

Until the birds return to Aransas this winter, it will not be possible to make an accurate estimate of the success of this year's reproduction. Under complete and intensive protection by state, federal, and Canadian wildlife authorities, the whooping crane is staging an uphill battle for survival from the all time low of 17 birds in the 1930's.

Attending the Tech-Texas football game in Lubbock Saturday night were Mr. and Mrs. Gene Gaston and children.

**MAN WANTED.** For Rawleigh business in Lamb County or Castro County. No experience needed to start. Sales easy to make and profits good. Start immediately. See Paul Roack, 1410 W. 8th St. Plainview, or write Rawleigh's Dept. TX H 290 190 Memphis, Tennessee.

By Teony Bowden

Mr. and Mrs. Houston Carson became new grandparents Monday when a 6lb. 10oz. boy was born to Mr. and Mrs. Dubby Geore of Plainview. He and his mother came home from the hospital on Thursday.

Mr. and Mrs. W. T. Mitchell returned to their home in Weatherford Monday after a two week visit with their daughter, Mr. and Mrs. Earl Phelan.

Mr. and Mrs. Erving King went to Amarillo Monday to spend the week with their grand children while Mr. and Mrs. Francis King take a vacation.

The WMU Executive Committee met at the church Monday afternoon with the president, Mrs. Roy Phelan, in charge. Monthly business was also transacted.

Mr. and Mrs. E. R. Sadler returned from their trip to the Gulf Coast Monday night.

Rev. and Mrs. M. D. Durham, Mr. and Mrs. Roy Phelan, Mrs. Troy Blackburn, Mrs. J. T. Holcomb, Mrs. Tex Conard, and Mrs. Wanda Newberry attended the Worker's Conference emphasis on Sunday School work at First Church Dimmitt Monday night.

Mrs. Dwayne Louder and Lane of Flagg visited Monday with Mr. and Mrs. Alton Louder.

Mr. and Mrs. Lowell Westmoreland and children of Littlefield visited with Mr. and Mrs. Alton Louder, Tuesday.

The WMS met Wednesday night for a Community Missions emphasis, Mrs. Roy Phelan and Mrs. Houston Carson were in charge.

The brotherhood had charge of the Wednesday night Prayer Service in preparation for the revival next week. Houston Carson presided. Roy Phelan brought the message.

Mr. and Mrs. Houston Carson went to Hart late Wednesday night to be with her sister after receiving word of the death of her husband, Ernest Lee Brooks, in a one car accident near Ranger, Texas. Mrs. Furch Riley and her daughter also went to Ranger to be with Furch Riley who was seriously injured in the same accident. Mr. Riley's nephew and son-in-law who were also in the accident were not badly hurt. Mr. Riley was moved to Lubbock Friday where he was to undergo surgery Saturday. Both hips and a collar

bone were broken as well as other less serious injuries. He was not able to undergo the surgery because of a collapsed lung and it was postponed until Tuesday at least.

Funeral services for Ernest Lee Brooks were held in Hart Friday afternoon. Several from the community attended the service.

Mrs. M. D. Durham, Mrs. Troy Blackburn and Mrs. Roy Phelan attended the Annual Association WMU meeting in Littlefield Thursday.

Mrs. E. R. Sadler worked in the Gift Shop of Plains Memorial Hospital in Dimmitt Thursday afternoon.

The Beginner Sunbeams met at the church Thursday afternoon. They also visited with Mrs. J. D. Cox and Mrs. Rachel Elsie.

The Brotherhood sponsored a special Prayer Service at the church Thursday night. Rev. M. D. Durham presided, Milburn Hayton was the speaker.

Ezell Sadler and Woodrow Powell of Earth were honored with a Birthday Supper, in the Ezell Sadler home Tuesday night. Those present were Mr. and Mrs. Ezell Sadler, Mr. and Mrs. James Powell and children, Mr. and Mrs. Larry Sadler, Mr. and Mrs. Kenneth Powell and children of Plainview, Aline Powell of Earth, Glen Harvey of Littlefield, and Mr. and Mrs. Woodrow Powell.

Hubert Lilley and Mrs. Clifford Little of Olton were married in the home of her aunt, Mr. and Mrs. Ancil Miller of Olton Thursday night. After a honeymoon in Ruidosa, N.M., they will make their home in the community. Mr. and Mrs. J. Paul Waggoner, Mr. and Mrs. Eldon Lilley and Mr. and Mrs. Roy Lilley of Dimmitt were among the guests for the wedding and the reception which followed.

Twenty six attended the Spanish Story Hour at the church Tuesday afternoon. Mrs. Tex Conard, Mrs. Alford Crisp and Johnnie Holcomb were elected to be in charge of the class for the coming church year.

Rev. and Mrs. Paul McClung of Newhome and his parents, Mr. and Mrs. L. M. McClung of Southgate, California were dinner guests of Rev. and Mrs. M. D. Durham. They are Rev.

Durham's nephew and uncle. Several attended the Fair in Amarillo this week.

Mrs. James Powell entertained in her home with a Tupper Ware Party Friday afternoon.

Mrs. M. D. Durham and Mrs. Roy Phelan taught the Mission Study book "History of the Woman's Missionary Union" to the WMS Friday afternoon. Mrs. Troy Blackburn taught the same book to the Springlake WMS with a luncheon Friday.

Mrs. E. R. Sadler was honored with a Birthday Supper in the Ezell Sadler home Friday night. Those present were Mr. and Mrs. E. R. Sadler, Mr. and Mrs. Ezell Keeler of Hale Center, and Mrs. Pearl Sadler of Dimmitt.

Mrs. Sadler spent Friday night with Mr. and Mrs. Ezell Sadler.

Patty Little of Olton spent the weekend with Mr. and Mrs. J. Paul Waggoner and Jimmy.

Mr. and Mrs. Ben Louder of Canyon visited Saturday morning with Mr. and Mrs. W. E. Louder and Mr. and Mrs. Ezell Sadler.

Rev. Weldon Franks of Dallas arrived Saturday afternoon to bring the evangelistic messages for the Revival meeting which began Sunday. He will be a house guest of Rev. and Mrs. M. D. Durham.

20 inch of rain was recorded for Tuesday night with another .80 received Saturday night.

Mr. and Mrs. D. C. Hamilton of Lubbock arrived Sunday morning to help in the Revival meeting. He will lead the singing for the meeting. They will be house guests of Mr. and Mrs. Weldon Bradley, Molly and Lee.

Mr. and Mrs. Clarence Baggett of Hereford visited Sunday afternoon with Mr. and Mrs. Leslie Louder and girls.

Rev. Weldon Franks and Mr. and Mrs. C. D. Hamilton were Sunday dinner guests of Rev. and Mrs. M. D. Durham.

Eighty nine attended Sunday school with 46 in Training Union Sunday. The Youth Committee met after the evening services to plan a youth social for after the Saturday night revival services.

The Dimmitt FHA Barbeque will be held October 2 at the South Grade School Cafeteria from 5:00 until 7:00 just prior to the Homecoming Game. Tickets are now being sold by the FHA members. They are \$1.25 for Adults and .75 for children. Johnnie Holcomb is publicity chairman.

Mr. and Mrs. Houston Carson were in Hart Sunday for a Birthday dinner for Brooks, the father of Ernest Lee Brooks who lost his life in the car accident Wednesday night.

## Farmers World, 1964 Yearbook On Agriculture Released

Farmer's World is the title of the 1964 yearbook of Agriculture released this week by the U.S. Department of Agriculture.

The new edition joins a long list of other yearly volumes which have been widely used and treasured by agriculturists, and others because of the wealth of information contained and also for their value as reference books.

The 1964 edition surveys in depth the United States stake in world agricultural trade and aid. During fiscal 1964 American agricultural exports exceeded \$6 billion, the largest export operation ever carried out by one nation in a single year. The new record speeded up by four years the export timetable previously set up in earlier USDA projections.

Farmer's World contains 608 pages and covers a broad range of world food sources and their potentialities, the production of many crops in world trade, world marketing of farm goods, types of trading here and over seas, international organization and trade agreements, including the common market, assistance programs, and outstanding needs and problems as to research, uses of farm goods, income and the development of nations, nutrition, and economics.

Secretary of Agriculture Orville L. Freeman in the foreword said, "This book reveals the vital stake everybody in the U.S. has in a healthy export trade for American agriculture, not only because farmers have so much to sell and because the livelihood of so many Americans besides farmers depends on it, but also because the world so greatly needs what we can offer."

Distribution of the Yearbooks of Agriculture, Congressional documents that have been printed for more than 100 years, is

God meant it for good. (Gen. 50:20).

Whenever we meet with something that seems unjust, we should hold firmly to our faith in God. Let us remember that God's law is at work, that His law is sure and unailing, that His justice always prevails.

mainly by members of Congress, Superintendent of Documents, Washington, D.C. 20402

party line

Mr. and Mrs. Kenneth Walker and family spent the weekend with her parents, Mr. and Mrs. Ray Glasscock. Rocky went home with them and attended the Fair Monday in Lubbock.

Mr. and Mrs. T. V. Murrell have spent two weeks visiting relatives in California.

Ray and Hazel Galscock, Leroy Higginbotham and Herman Cooper attended a dinner and Texaco meeting at the Congress Inn in Plainview Thursday night.
