City Laws To Be Enforced, Strays To Be Eliminated

The Earth city officials met to be made available to replace Monday night in a regular slat- the ones that are unserviceable

Among the items of business discussed was the issuance of a warning to citizens of the area, to the effect that all traffic ordances would be strictly enforced.

It was brought to the attention of the commission that several western Public Service Compeople still persisted in double parking. The commission in-structed the city marshall to is-sue tickets to all offenders, ef-increase for electrical service fective immediately.

It was also brought to the commissioner's attention that the sion tabled the request until a city is currently being overrun later date so that they could with stray cats and dogs. The study the request before giving group therefore agreed that to their answer. remedy the situation the strays must be eliminated.

The mayor and commission requested that citizens who have pets, must keep them penned up or tied up for the next two weeks. Elimination of these strays will be carried out within this period of time.

Other business conducted by the group was the authorization to purchase parts to repair the city maintainer, and to pur-chase a supply of trash barrels

Leroy Wilkinson, local Southpany office manager was prefor residential and general service users. The city commis-

Also discussed and passed on was the erection of no solicitor signs within the city limits. Present for the meeting were: E. C. Kelley, mayor; Betty

McAlpine, city secretary; El-don Parish, Doug Parish, Dud Chesney, Bill Bryant and Neil Pounds, councilmen; Alvin Pittman, city marshall, How-ard Kenyon, Lubbock; Leroy Wilkinson, Southwestern Public Service representative and Ross

PTA TO MEET SEPTEMBER 25

The Springlake-Earth Parent Teacher Association will have its regular meeting Monday, September 25th at 8:00 p.m. in the School Cafeteria. This meet ing is especially designed to help you become better acquainted with your child's teacher and also the other teachers that are new to the system. This is a good opportunity to let your teachers know that we are behind them and that we are sincerely interested in main-

taining a good strong school.

BOOSTER

The Men's Booster Club met Monday night at the Springlake Earth Cafeteria with 23 members present.

The group viewed films of the Dimmitt-Muleshoe game. Coach Danny Smith presented a financial report of the athletic program. The possibility of starting a Little League football program in Earth and Springlake was discussed.

The coaches reported on recent minor injuries of the players.
Superintendent Bill Mann informed the group that all funds from the sale of reserved seats go into the athletic fund, Refreshments were served.

The WACs met Monday night with the Booster Club and viewed the film of the game with

It was decided to make more Wolverine markers to emphasize the homes of the Wolverines.

Homer Sanders had minor surgery Tuesday in the Methodist Hospital in Lubbock.

Attention all Wolverine mothers and supporters! Don't for-get the WAC meetings each Monday night at 8:30 p.m. at the Springlake-Earth School Cafeteria.

Dramatic! Distinctive! Daringly new!

'68s Top Secrets are here

hevrole

essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE

And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've

ever built. BETTER PERFORMANCE

There are new engines, a bigger standard Six and V8. There's a new

regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES

You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW

There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors new vinyls, new fabrics, new colors There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

MRS. JERRY M. TISDALE ... nee Miss Beverly Lemons

Lemons - Tisdale Exchange Vows In Recent Ceremony

an evening cetemony at Avenue Baptist Church in Hereford recently. The Rev. Charles Dav-enport of Claude and the Rev. Paul McClung of Salida, Colorado, both family friends, of-

Edgar Lemons gave his daughter in marriage in the double sister.

Mrs. Grady Marvin Tisdale, on Route 2, Hereford,

Mrs, Carl Wimberly played an organ medley of love songs as a prelude to the ceremony, and

ring service, conducted before a sunburst of green foliage and gold mums with white tapers Richardson and Gary Lemons, brother of the bride as grooms-The bride's parents reside on Route 1, Hereford, and the bridegrooms parents, Mr. and the bride as grooms—to Earth to harvest his crop. He is visiting in the home of his mother, Mrs. Ruby Hodge.

Leah and Donnie Galloway of processional. Juanine Smith of Seminole was flower girl, Karol Shook and Jerry Smith carried

the rings.
A portrait gown of Chantilly lace in Victorian style was worn by the bride over white satin, Tiers of ruffles enhanced skirt fullness and spread into a chap-el train. Sequins and seed pearls embroidered the lace pat-

tern around the Sabrina neck-ine. Fitted sleeves tapered to points at the wrist. Layers of illusion floated over her shoulders from a rhinestone and seed pearl tiara. Her bou-

quet was of fluffed mums sur-rounding an orchidall in white. The diamond necklace she wore was the bridegroom's gift, and she carried the wedding band of her grandmother, Mrs. J. J. Barlow of Earth.

Bridesmaids' dresses were floor length, in empire style, with crepe skirt and lace bodice in matching avocado shade, the high waistline traced by velvet ribbon which tied and hung in streamers to the hemline over a central box pleat in the skirt back.

Matching lace and ribbon circlets held blush veils, and they carried gold mums. The small flower girl and girl ring bearer wore minature replicas of these costumes, the feminine candlelighter was dressed similarly but

in gold color.

A reception in the church fellowship hall followed the wedding. The table was laid in white, with scalloped net over satin. Mums and carnations with green leaves were arranged with lighted candles for a center piece in the wedding colors of gold and green.

With heart-shaped layers as the base, the wedding cake rose to four-tier height on colonnades and was ornamented

with sugar roses and cupids. Mmes. Lynn Kester, Otis Lee, William Wimberlay, Lester Eng-lish, Phillip Shook, Walt Bea-vers and Douglas Morris were in

the houseparty.
The bride's mother wore for the wedding and reception a mint green silk dress with accessories in that color and beige. Mrs. G. M. Tisdale chose an off-white suit with avocado accents. Both had green orchid

corsages.
As the couple left on a trip to eastern Oklahoma, Mrs. Tis-Miss Beverly Kay Lemons and Jerry Marvin Tisdale repeated wedding yows by candlelight in "Whither Thou Goest" and as a cossories and the orchid from the cost of t benediction, "Wedding Prayer." her bouquet. After September 8 they will be at home at 209 Union, Hereford.

Matron of honor was Mrs, John Sooter, the maid of honor Miss Alicia Gelloway, bridesmaids graduate of Hereford High School Misses Cheryl Soloman and Nan- and the bridegroom completed cy Tisdale, the bridegroom's high school studies two years earlier.

Billy Homer Hodge of Belle-flower, California has returned

Mrs. Beulah Newton and Mrs. Earth lighted candles before the Phyllis Beavers, Muleshoe, attended a Christmas Designing School in the Ko Ko Palace in Lubbock Sunday afternoon.

Rainbow Girls HELLO WORLD Have Hootenanny

Blectricity has shortened our life expectancy. Power from the BAILEY COUNTY ELECTRIC COOPERATIVE automatically awakens us with light early in the morning and doesn't let us go back to sleep until far into the night. As a result we are up longer, eat more and get fatter faster. We know cooperative service is something to crow about but do they have to do it day and night? The BAILEY COUNTY ELECTRIC COOPERATIVE is fine for people but if it were left up to us, there wouldn't be a kilowatt to cook with. So we are bringing our case to you. We get no sympathy from our mother, the brooder. She's electric also.

Bailey County Electric Cooperative Assn.

Tops Club Inc. To Observe 20th Anniversary

On January 21, 1968 the first in his authoritative book, "Drugs them realize what they have to of Choice," that "Group therapy twentieth anniversary. Ester through an organization similar to Alecholics Annowing might in Milwaukee, Wisconsin, met and decided to do something about being overweight. This one small group of friends who decided to Take Off Pounds Sensible (TOPS) has grown to 5,922 International Tops Chapters with a total enrollment of

147,433 members in 1966 with a loss of 1,402,195,74 pounds. Doctors send patients to TOPS Clubs and accept invitations to talk at Chapter meetings. The American Medical Association bless TOPS and all its work. TOPS Clubs have become the ranking practitioners of group therapy for obesity in the coun try, and group therapy has become accepted as powerful artillery in the rickety arsenal of

of weapons against overweight. Dr. Fredrick Stare of Harvard and other nutrition experts have applauded the idea as sound. Phsychiatrists like Dr. Albert J. Stunkard of the University of Pennsylvania have pointed out that such groups conserve the time of busy thereapist and save the overweight a lot of money. After surveying the range of available appetite - depressant drugs, Dr. Walter Modell wrote

Wyatt of San Angelo.

Manz and three of her friends to Alcoholics Anonymous might provide the best hope for most obese persons.

The main thing in TOPS is

somebody cares.

TOPS cannot attempt to stay undercover as Alcoholics Anonymous because after all, how can a fat person be anony-mous? Indeed the self confession that a person actually has an overweight problem is the first step toward the TOPS therapy. Most members have taken it only reluctantly and after substantial persuasion by doctors, husbands or overweight friends. Sometimes either a serious illness or a last pathethic indignity has been required for a woman to overcome her inhibitions and walk into her first TOPS meet-

Wolverines Lose To Owls 32-6 Friday Night

Hale Center's visiting Owls literally outran the host Wolverines Friday night to the tune of 32 to six, as the Springlake-Earth agregation dropped their second game of the season.

The score was not indicative of the play, however, as a much improved Wolverine squad played a never-say-die game, and continued to fight the entire

On the opening play from scrimmage, the Owl's Melvin Robertstooka hand off from his quarterback and sped 80 yards for the initial TD which gave the Owls a six to O lead. Springlake-Earth was not to be taken that lightly, however, as they took the ensuing kick off on their own 15 yard line and marched 85 yards downfield and a TD to tie the game at six to

With exceptional blocking for a sophomore and junior laden-ed team, a combination of Washington, Bridge and Armstrong kept their drive moving. racking up three first downs as Bridge carried the ball over for six points. The try for extra point failed, and the score after only minutes of play in the first quarter was Hale Center six and

Springlake-Earth, six. Hale Center bounced right back, however, and with breaks back, however, and with breaks going their way, it was their night from then on. Using only four plays and one first down after the Wolverine's kick, the Owls completed a pass good for the plays before the night. The try for extra six for the Wolverines.

This was a decided break in the game for the visiting Owls. On the next two series of ball content to the next two series of the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the additional two points was good, as the Owls passed for the wolve again held the Owls, forcing them into a punting site of the owls and six for Springlake.

This was a decided break in the points was good, as the Owls passed for the visiting Owls. On the next two series of ball contents the points was good, as the Owls passed for the additional two points was good, as the Owls passed for the wolve points was good, as the Owls passed for the wolve points was good, as the Owls passed for the wolve points was good, as the Owls passed for the wolve points the night. The try for extra six for the Wolverines.

The opening of the second quarstood at 12 for Hale Center and ter still found Hale Center in their own 20, and in two plays

six for Springlake-Earth. the ball for a first down. A third line. down penalty for backfield in Unable to get together a drive, verines fumbled and Hale Center motion hurt their drive, and on the Wolve ines were once again recovered on the 33 yard line. third down after the penalty, an faced with a punting situation. It took only two plays for the

TERRY BRIDGE-Plunges over for 6 points for the Wolverines after the Wolverines took the ball on the 15 yard line and marched 85 yards for the TD. The score at the end of the first quarter was Hale Center, 6 and the Wolverines, 6.

possession, but the drive was had a first down with Armstrong Springlake-Earth received the ended by the Wolverine defense, carrying for 12 yards, Bad breaks kick off on their own 26 yard with the Springlake-Earth offense once again visited the home line, but was unable to move taking over on their own 37 yard

field, however, as on the second play of the next series, the Wol-

incompleted pass set up a punt- Bridge kicked to the Owls, which Owls to take advantage of this fumbled, but were successfull break, as they scored on a 21 Local fans can be justified in Terry Bridge punted to the Owls in recovering the'r own fumble. yard run to make the score 18 for their pride in this year's Wolver-and on the run back, Hale Cen- This was a decided break in the the Owls and six for Springlake- ine squad and show this pride in

move the drive after the ensuing reported as in satisfactory con-

plays, were once again in a punt-ing situation. A break came their way, however, as the Owls fumbled on the next series of play. The break came too late in the quarter, however, as the clock ran out before the Wol-verines could add points to the board.

The third quarter was defensive all the way, as neither team could get a drive going that en-abled them to hit pay dirt. For a sophomore and junior studded squad, the Wolverines defensive it acquitted themselves quite well during the entire game and the third quarter gave proof of things to come,

The fourth and final stanza proved too much for the fightng and spirited Wolverines, who had never laid down. With a pass interception and a run back for a TD, the game was all but on ice, and the score changed from 20 to six to 26 to six as the try for extra point was no good, Hale Center scored once again during the final period on a run for 42 yards, bringing the final score to 32 to six as once again the Wolverine defense broke up the try for extra point.

Once again the score was not indicative of the brand of ball played by the Wolverines, A much improved, better agrega-tion took the field against more experienced, heavier and speed. ier personnel but not once did

Eighth Grade **Elects Class** Officers

Springlake-Earth Junior High School met Monday, September 18, in the library for the purpose of electing officers.

Those elected were: president, Michael Hedges; vice president, Hoyt Glasscock; secretary-treasurer, Marian Dawson, and reporter Miles.

and reporter, Mike Cleavinger.

daughter, Mrs. Bobbye Dennis, received their degrees from Science Degree with a major of Elementary Education. She did the first part of her college work a number of years ago at Eastern New Mexico University at Portales, She did fifteen hours credit at Wayland College and the remainder of her studies she completed at Tech. Mrs. Tollett is presently teaching third grade in Olton Public Schools,

Mrs. Bobbye Dennis finished Olton High School in 1963 and entered Texas Tech the fall of that year. The specific field she chose was Home Economics Education with a double major of clothing and textiles in the fashion merchandising option,

During her freshman year Mrs. Dennis was a member of the Texas Tech Home Economics Club. During her sophomore year she was an office assistant the freshman dorm, Gates

Her junior year she commuted

Mrs. Barbara Tollett and her from Olton where her husband

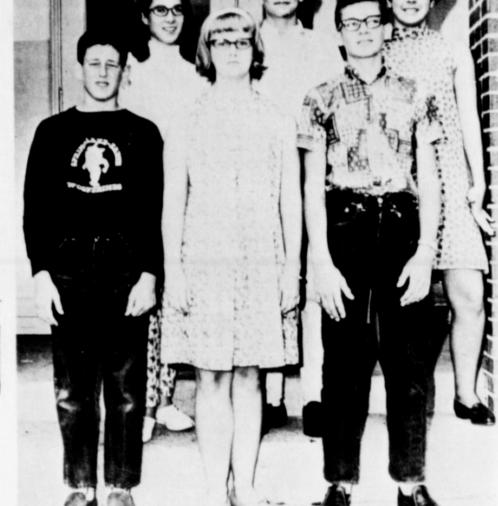

was teaching. Her senior year Mrs. Dennis Texas Tech August 26. Mrs. commuted from Kress which Tollett received a Bachelor of caused her to drive 130 miles each day. She arose at 5 p. m. and at times wasn't back in Kress until 7 p.m. She states that although at times she be-

> came very weary. She is glad she chose to finish college. She made the Dean's Honor Roll four semesters.

She did her practice teaching in Olton last spring under the supervision of Mrs. Thomas

Mrs. Dennis is now teaching third grade in Kress. She says she is proud to be a teacher and hopes she can give her students some of the same lessons in life she received during her public school education all of which she received at Olton.

Mrs. Floy Choate returned to her home several days ago from the Littlefield Hospital, Among her visitors Sunday were Mr. and Mrs. L. L. Laduke, Mrs. Feral Pickrell, Mrs. Ruth Roebuck and Mrs. Maryel Caruth-
