Sharnen up at Bryants Drum Major Twirler Tryouts Slated Friday

Bill Bryant of Bryant's Department Store announces that he has been able to secure the services of specialists in the field of scissor and shear sharpening, a professional service much needed by most every home in the area, to handle precision sharpening of sewing, kitchen, and regular scissors, pinkie shears, scissors used in barber and beauty shops, surgical, lawn and garden scissors and shears, hedge clippers, etc.

Machines used are the very finest Commercial Models available and are the same as those used by such large corporations as General Motors, Du Pont, General Electric, Florsheim Shoe Company, and many others. The professional precision job possible on this equipment comes from patented features, such as the floating design jig assembly which maintains preset angles (to match bevel on any scissor or shear blade), no matter what degree, from the fulcrum to the tip or point of the scissors or shears, all of which will also permit the sharpening of curved blades by the same method that is used to sharpen straight blades. All of this coupled with the highest quality white aluminum oxide, perfectly balanced grinding wheels.

The precision sharpening of your scissors or shears will be performed "WHILE YOU SHOP" in the various departments at Bryant's Department Store. Each pair of your instruments will be ground to a perfect uniform edge—restoring the same precision edge as was when they were brand new, and in many instances will even have a sharper cutting edge than when they were new.

Mr. Bryant invites everyone needing scissors or shears sharpened to gather them up and come in and meet their friends and neighbors and shop while their scissors and shears are being sharpened. This service will be offered Monday and Tuesday, May 19 and 20, two days only.

Drum Major Twirler Tryouts Slated Friday

Band director Jerry Starkes has announced that auditions will be held tomorrow (Friday) for the 1969-70 Wolverine Band Drum Major and twirlers.

Tryouts are scheduled for 4 p. m. in the school gym.

Phil Anthony, band director at Littlefield High School, will serve as judge for the tryouts.

Students vying for drum major are: Jan Blackburn, Debbie Martin, Jan Cleavinger, Sharla Haberer and Kent Kelley.

Those auditioning for twirler are: Gloria Stephens, Marion Dawson, Susie Temple and La Donna Sigman.

Drum major candidates will be required to lead the band by whistle commands, voice commands and baton commands; conduct, and lead the band through a sight routine given them by the judge.

Twirlers will perform a series of fundamental routines.

County Bank Deposits Up \$2 Million

Lamb County Banks have increased total deposits to the amount of \$2 million over this same time last year.

Deposits in the six Lamb County banks and the Citizen State Bank at Antioch showed a combined increase of \$2,595,653.73 at the April 30 bank call over the call April 18, 1968.

Citizen State Bank at Earth reported an increase of \$142,871.79. April 30, 1969, deposits were \$3,350,156.72 compared to \$3,207,284.94 for the '68 call.

Norlan Dudley attributed the increase to "normal growth."

Littlefield Federal Savings and Loan reported an increase of \$345,254 while the Security State Bank of Littlefield reported

\$1,375,448.54 increase in deposits since the call last April.

Deposits at the Littlefield First National Bank are down \$830,882.43 from the bank call last year making that bank the only one out of the seven not showing an increase.

Mets Defeat Giants In Season Opener

The Mets walked away with a 21 to 3 victory over the Giants Monday evening in the opening game of the 1969 Little League season.

The Giants were first to bat, but it was in the top of the second inning before they were able to cross the plate for a score.

The last two runs for the Giants came in the fourth inning. Giant scores were made by Doug Jones, Mark Barton and Larry Dear.

With 21 scores to their credit, the Mets are off to a fine start. Each boy on the team was given credit for a score. Four Mets runs came in the first inning, followed by 2 each in the second and third, nine in the fourth and four in the fifth inning.

The remaining two teams in the local league began their season Tuesday with the Yankees coming out on top of the Red Sox, 13 to 9.

The Red Sox began their scoring efforts in the second inning with 3 boys crossing the plate for scores. The runs divided, however, two in the fourth inning and one each in the fifth and sixth.

Dyke Gaston led the Red Sox scoring efforts with four runs. Steve Green, Steve Morgan, Lee Brown, Billy O'Hair and Randy Thomas scored one each.

Edwin Fuller led the Yankees in runs scored crossing the plate four times during the games. Larry Murrell, Randy Bills, and Gary Stephens followed suit with two scores each, as did Dickie Brown, Jerry Murrell and Eric Freeman who scored one each.

The Giants will clash with the Red Sox tonight (Thursday) and it's the Mets vs Yankees Friday. Game time is 5:30 p. m.

Mrs. Dwayne Maserang, Renee and Devert visited Sunday with Mrs. W. S. Maserang.

Mr. and Mrs. Frances Kelley, David and Monte visited last weekend in Bowie with Mr. and Mrs. Jimmy Ivans and family.

FUNK'S G-4697

G-4697 is a medium maturity high-yielding, strong-standing hybrid producing grain of excellent quality. Yields of 179.5, 175, 154, and 143 bushels per acre have been recorded in 1968 in Castro county. G-4697 produces uniform wide leaves and girthy ears. Excellent threshability is reported. Plant early for highest yields and superior standability.

FUNK'S G-4333

G-4333 is a short season high-yielding, strong-standing, single cross which established top yield records in 1968. At Tullia 185 bushels per acre was chalked up and 147 bushels per acre made at Dtmitt. G-4333 is very attractive with uniform stalk and ear height. It responds to higher plant population and narrow rows where fertility and water make top yields possible and does unusually well under average conditions. G-4333 has out-yielded competitors in this early maturing category. Be sure to plant G-4333 in 1969.

G-711AA is a full season high tonnage silage hybrid with good grain content. G-711AA was the highest yielding corn silage hybrid in the High Plains Research Foundation tests at Halfway, with 30.05 tons per acre at 70% moisture. G-711AA tends to have higher protein content than many hybrids. This well known top yielding silage hybrid with many 30 ton yields to its credit is hard to beat. If you are planting for silage you should be planting G-711AA.

WSG Concludes Mandate For Mission Study

The Mission Study 'Mandate for Missions' was concluded Monday evening at the Wesleyan Service Guild meeting in Fellowship Hall of the First United Methodist Church.

Mrs. Oliver Tunnell led the final lesson, assisted by Mrs. W. D. Martens and Mrs. Beulah Newton. The lesson included discussions on forms of worship and different individual missions including service and witnessing.

The opening prayer was led by Mrs. Johnnie Williams.

Mrs. C. T. Richardson, president, presided at a brief business session as the group discussed changing their meeting date to be effective next fall. No decisions were made.

The meeting was dismissed with the Guild Benediction. Refreshments of lemon cake and strawberry shortcake with whipped cream were served by Mrs. Norlan Dudley and Mrs. Oliver Tunnell.

Present were: Mrs. C. T. Richardson, Mrs. Johnnie Williams, Mrs. Oliver Tunnell, Mrs. Norlan Dudley, Mrs. B. T. Hamilton, Mrs. W. D. Martens, Mrs. John Welch, Mrs. Beulah Newton, Ruby Jones and visitor little Miss Lorie Tunnell.

Meeting May 20 To Plan Summer Home-Ec Classes

A meeting has been slated for Tuesday, May 20, at 8 p. m. in the home economics building on campus, to plan for free classes for interested ladies in the area to take various phases of home economics through the summer.

The classes are open, free of charge, to all ladies, Latin American, Colored, or White.

Discussed at the meeting will be the structure of the classes, the time, how often they will meet and the phases of home economics individuals wish to take.

All phases of home economics will be offered through special emphasis will be placed on classes in sewing, canning, cooking and child care.

The classes will be taught by home economics teachers Mrs. Cecil Slover and Mrs. Jerry Beard.

Persons interested in attending classes this summer, but who will be unable to attend the planning session are urged to contact either Mrs. Slover or Mrs. Beard.

WINNERS IN LONG TONE CONTEST. Three fifth and three sixth grade band members were named winners in the Long Tone Contest held recently by Band director Jerry Starke. The students were required to sustain a tone for as long as possible while retaining a characteristic tone on their instrument. Winners were 'left to right': Kathleen Cole, sixth grade clarinet, overall winner with 29 seconds; Karen Kemper, sixth grade, flute; Kelley Haydon, fifth grade, clarinet; Gary Stephens, fifth grade, bass; Johnny Cleavinger, fifth grade, cornet; and Don Marriott, sixth grade, cornet.

SUNBEAMS CONTINUE WITH THEME 'HELPING OTHERS'

The Wednesday afternoon meeting of the Springlake Sunbeams followed the theme 'Helping Others,' as Sunbeams heard a story of an entire family who was always willing to help anyone in need.

Following refreshments of ice cream cones served by Mrs. Bill Matlock, the group busied themselves making Mothers Day Cards.

Those attending were: Corrie Hopping, Mark Bridge, Tammy Davis, Rena Winder and Sunbeam leader, Mrs. Jerry Fields.

Ga's Host Mother Daughter Tea

The Laura Snow GA's included their Mothers in their Tuesday afternoon meeting as they hosted a Mother-Daughter Tea. The meeting, held in Fellowship Hall of the First Baptist Church, was opened with the introduction of Mothers present. Introduced were: Mrs. E. B. Barnes, Mrs. Clinton Green and Mrs. John Adrian.

Mrs. Raeman Cole, GA Leader, gave a brief outline of GA work after which the membership recited the GA watchword, the Star Ideals and GA Allegiance. Mrs. Cole further summarized the organization's work explaining the Forward Steps and how the girls may progress within the program. The GA colors and emblem were also explained.

Alice Fae Adrian presented the Prayer Calendar and the scripture I Timothy 6:1-12 was read. The group was led in a prayer for missionaries by Barbara Lanier.

Mary Lee Johnson took charge of the meeting, to lead a program entitled Center in Crescent City. Mary, assisted by Donna Green, Elza Barnes and Minnie Smith, each acting as a tour guide, presented facts about the different areas in New Orleans and concluded with a true, false quiz.

The meeting was closed with prayer by Mrs. Troy Blackburn, GA Leader.

Green punch and assorted home baked cookies were served from a table laid with a white cloth and centered with a lovely yellow floral arrangement. Napkins were engraved with the GA emblem.

Members attending were: Eliza Barnes, Peggy and Nancy Cantrell, Pam Hood, Barbara and Patricia Lanier, Joyce Thomas, Donna Green, Mary Lee Johnson, Beverly Kay and Margaret Hood, Alice Johnson, Minnie Smith and Alice Fae Adrian.

MISS PATSY KEMPSON
Grand Worthy Advisor

Grand Worthy Advisor Honored With Luncheon, Cookout

Miss Patsy Kempson, of Dumas Grand Worthy Advisor, Grand Assembly of Texas, Order of the Rainbow for Girls, was honored with a salad luncheon Tuesday as her brief visit in Earth came to a close.

Mrs. James A. Littleton, Jr., Mother Advisor hosted the noon luncheon in her home.

Guests were served from a table covered with a lovely green cloth. Individual tables were also draped in green and were centered with a small green candle nestled in an arrangement of daisies and placed in large coffee-mug vases.

Luncheon guests included: Mrs. John Laing, Mrs. L. Z. Anglin, Mrs. Bill Morris, Mrs. Forrest Simmons, Mrs. Gene Brown, Mrs. C. O. Taylor, Mrs. Phillip Haberer, Mrs. Jerry Kelley, Mrs. Gene Cotton, Mrs. Melvin Bock, Mrs. Larry Tunnell, Mrs. Jerry Starks and Mrs. Donald Kelley.

The local assembly joined with the Muleshoe assembly in entertaining Miss Kempson Tuesday evening. Rainbow girls from both assemblies gathered at the home of Mr. and Mrs. Alex Williams in Muleshoe for a cookout.

Following a meal of hamburgers, homemade ice cream and cookies, the girls enjoyed a game of volleyball.

Entertainment for the occasion was furnished by the Earth Assembly. The program consisted of a Radio Jumble, followed by performances by the TOP Hats, the Lamplighters, The Charleston by Sharla Haberer and a reading of "Little Red Riding Hood." The program was concluded with a dedication to the Grand Worthy Advisor by the Kelley Three, "My Best To You."

Prior to their leaving for Muleshoe the Assembly presented a gift to Miss Kempson bearing the signature "Earth Assembly No. 156, May 13, 1969."

Miss Kempson arrived in Earth Tuesday afternoon and was the house guest of the local Worthy Advisor, Sharla Haberer. Patsy is a Texas Tech sophomore from Dumas and is a twirler with the Tech Band. She will retire as Grand Worthy Advisor when the Grand Assembly of Texas meets in Fort Worth in June.

Attending the cookout from Earth were: Sharla Haberer, Susie Adrian, Connie Kelley, JoAnne Temple, Becky Littleton, Karen Hinchliffe, Mary Ann Messer, Laura Dudley, Denise Temple, Joan Dudley, Vicki Wisian, Darlene Sulser, Susie Temple, Sharon Clark, Camille Haberer, Suzy Ruby, and Annita and Donita Kelley. They were accompanied by Mrs. James A. Littleton, Jr., Mrs. Phillip Haberer, Mrs. B. Campbell and Mrs. Donald Kelley.

Notice

There will be a Come-and-Go Bridal Shower honoring Jody Angeley, bride-elect of Jessie Cole, May 19, 7-8:30 p. m. in the home of Mrs. Price Hamilton.

Wolverine Band Boosters will meet 8 p. m. tonight (Thursday, May 15) at the band hall for the final meeting of the school year.

Included on the agenda will be the election of officers, and the discussion of requests made previously by the band director. All band parents and band boosters are urged to attend.

Primary Sunbeams Hear Story On Helping Others

The Primary Sunbeams met Tuesday afternoon at the First Baptist Church, Earth with their leaders Mrs. Larry Tunnell and Mrs. Jimmy Craft.

The group heard a story which told of a family, the Bakers, who were never ready to help those in need.

Stephanie Tunnell served re-

freshments of cookies and the group learned to cut out paper dolls.

Sunbeams were reminded of Mothers Tea, Tuesday, May 20.

Present were: Ranel Maseraing, Kyle Kelley, Stephanie Tunnell, Timmy Craft, Rodney Davis, Carrie Sawyer and Earivas Rivers.

WMU Meets For Group Activity

Members of the WMU met Tuesday afternoon at the First Baptist Church, Earth for Group Activity.

Prior to their visiting newcomers, shut-ins and the sick, the membership heard reports on visits made previously. Mrs. Price Hamilton, Mission Activity Chairman, presented lists of those requesting prayer and visitation.

Mrs. Pete O'Hair presented the

Calendar of Prayer and Mrs. Raeman Cole led in the prayer for missionaries.

Present were: Mrs. Lillie Wuerlein, Mrs. Pete O'Hair, Mrs. Raeman Cole, Mrs. Price Hamilton and Mrs. Guy F. Kelley.

Party Line

Mrs. Wayne Rutherford attended a Mary Kay luncheon in Amarillo Saturday as guest of her daughter, Mrs. Bud Cooper of Clovis, New Mexico.

Mr. and Mrs. O. M. Cleavinger and family, and Mr. and Mrs. Ronald Cleavinger and family visited in Dimmitt Sunday evening with Mr. and Mrs. N. F. Cleavinger.

Girl Scouts End Season With Picnic

Girl Scout troop 373 found the lawn at the Earth Community Building quite satisfactory as they made the area into a picnic ground Monday afternoon. The picnic served as the final

meeting of the year. The troop sang "The Evening Prayer" to begin the activities. After an old fashioned picnic, Junior leader, Carlene Jones led the group in games.

Attending were: Donna Dudley, Debra Daniels, LaAnna Sulser, Sherri Winders, Cindy Dent, Nisha Lewis, Kim Jones, Kim Clayton, Camille Wimberey, Kathy Winders, Teresa Lively, Dina Jo Hampton, Mary B. Marshall and Patty Enloe.

Mrs. J. Winders, Mrs. Edwin O'Hair and Mrs. Norman Sulser were on hand to aid troop leader Mrs. Duane Jones with the activities.

Party Line

Weekend guests in the home of Mr. and Mrs. G. L. Adrian were Mr. and Mrs. Stan Kilmer, Lubbock; Lonnie, a student at West Texas State University; and Helen Smith, Oton.

We would like to take this means of expressing our sincere thanks to everyone who was so kind and thoughtful during the recent tornado. To the Civil Defense Unit, the firemen, and all those who put their safety aside to warn everyone of the coming storm, and then to so quickly make their way to our home to see if we were alright and to see if we needed anything, and to return to help clear away the debris, words are inadequate to express our gratitude. Knowing that all in this world is not bad, and that there are many good and kind people warms our hearts. Again we express our sincerest thanks to all of you.

Study Club Installs Officers for 1969-70

The lovely home of Mrs. T. L. Free was the scene of the installation of officers of the Town and Country Study Club held Thursday night. Officers were installed in a very impressive ceremony by Mrs. B. T. Hamilton. Mrs. Lena Hite served as co-hostess.

Mrs. Hamilton followed the theme "The Wheel" as she led the ceremony. As each officer was installed, she took a small white candle from the interest center and after lighting it stood holding the candle to form a wheel. A large white lighted taper set in the center of the table served as the wheel's hub. Yellow ribbon stretched from the hub to each of the five smaller candles placed around the table. The smaller tapers were lit from the center candle; as the officers took their places around the table the ribbon was made taut forming the wheel's spokes.

Mrs. Ross was presented a president's pin and the gavel by outgoing president Mrs. Carra Morgan.

Mrs. Morgan commented on Links and Connections of the year's work to conclude the program.

The meeting was preceded by a salad supper at 7:30 p. m. Mrs. Sam Cearley gave the invocation.

Members attending were Mrs. L. Anglin, Mrs. Clay Beavers, Mrs. B. Campbell, Mrs. Sam Cearley, Mrs. N. Ray Kelley, Mrs. John Laing, Mrs. Carra Morgan, Mrs. C. T. Richardson, Mrs. Marie Ross, Mrs. Wayne Rutherford and Mrs. John Welch.

Guests were Mrs. G. L. Runyon, Mrs. B. T. Hamilton, Ross Middleton and Buddy Free.

The club adjourned for the summer and will resume regular meetings in September.

STUDY CLUB OFFICERS—were installed during a lovely installation program, Thursday night in the home of Mr. and Mrs. Buddy Free. From left to right, Mrs. Marie Ross, President, Mrs. Sam Cearley, vice-president; Mrs. Wayne Rutherford, treasurer and Mrs. Lena Hite, Federation Counselor (Mrs. J. L. Hinson, Secretary was not available for a photo.)

Proud grandparents are Mr. and Mrs. Houston Oden, Earth and Mrs. C. J. Johnson, Dimmitt. Mrs. Johnson is the former Linda Oden.

Sp. 4 and Mrs. Ross Morris, announce the arrival of a baby daughter, Stephanie Renee, born at 2:02 a. m. in Baylor Hospital, Dallas, April 30. Little Stephanie weighed in at 6 pounds 8 ounces and measured 19 1/2 inches.

Maternal grandparents are Mr. and Mrs. N. R. Saenz, Dallas; and great-grandmother, Mrs. Ramona Saenz, Alamo City. Paternal grandparents are Mr. and Mrs. W. R. Morris and great-grandmothers Mrs. Ruby Hodge, and Mrs. Ann Morris, Lubbock.

Springlake WMU Meets In Mission Action

Mission in motion could have been the theme of the Tuesday morning meeting of the Springlake WMU as the membership gathered to plan their Mission Action Week.

Mrs. Thelma McClanahan opened the meeting with the reading of the Calendar of Prayer. The devotional was taken from 1 Timothy 6:1-12. Relating to the scripture Mrs. McClanahan told of Southern Baptists' purchase of four used motorcycles for use by missionaries in Brazil. The cycles provide a means of transportation for four missionaries as they carry out their work in 10 area missions supported by the church. Mrs. McClanahan led in a prayer for missionaries to close.

In discussing mission action projects, the group voted to quilt a quilt to send to the Baptist Church in Emerald, North Dakota. At present the ladies are quilting quilts for several orphan homes.

Further discussion was held on the curtains for the church's cabin at the Floydada camp. Several curtains were examined but no final decisions were made.

Present were: Mrs. Thelma McClanahan, Mrs. Lowell Walden, Mrs. Herbert Miller, Mrs. Don Holmes, Mrs. Ernest Baker, Mrs. Ho Sanders and Mrs. Edna McClure.

Eastern Star Leaders Honored With Dinner

Fifty-three guests gathered at the home of Mr. and Mrs. Marvin Sanders Saturday to honor Mr. and Mrs. Melvin Bock, Worthy Matron and Patron of the local Eastern Star Chapter.

Following a Mexican style dinner at 8 p. m., the Eastern Star and Masonic Lodge Chapters paid tribute to the couple with a skit Mrs. Ted Wilson provided the organ background music which featured several old fashioned tunes. Characters in the skit were: Mrs. B. Campbell, Mrs. Marvin Sanders, Mrs. Pete O'Hair, Mrs. Jerry Kelley, Mrs. Forrest Simmons, Mrs. Johnny Murrell, K. B. Parish, L. K. Anderson, Jimmy Craft, Donald

Kelley and Donnie Clayton. Mrs. Jimmy Craft dedicated her solo, "Relieve Me of all Those Enduring Young Charms" to Mr. and Mrs. Bock.

At the conclusion of the program Mrs. Gladys Parish and Mrs. Ted Wilson entertained the crowd with organ duets. Mrs. Parish played an old pump organ while Mrs. Wilson displayed her talents on a newer electric model.

An eucalyptus cloth draped the serving table centered with a large arrangement of Old Rose Pink roses. Individual tables in the dining area were covered in white and centered with a rose in a bud vase.

Mrs. Jimmy Shirey To Head Young Homemakers

Mrs. Jimmy Shirey was elected president of the local chapter of Young Homemakers as the group met recently in a business session.

Other officers elected for 1969-70 were: Mrs. Don Taylor, vice-president; Mrs. Troy Layman, secretary-treasurer; Mrs. Phil Neisner, reporter; and Mrs. Don Curtis, parliamentarian.

Mrs. Norman Clayton, president, presided at the meeting. The homemakers selected the recipient of the \$25 scholarship. The scholarship, given each year to an FHA member planning to attend college in 1969, will be presented at the school Awards Day, May 21.

Discussion was held on the coming rodeo celebration and the membership voted to sponsor the Rodeo Queen Contest. A committee was organized to begin preparations. They are: Mrs. Troy Layman, chairman; Mrs. Neil Pounds, Mrs. Norman Clayton and Mrs. Truman Layman.

The group also decided to enter a float in the rodeo parade. Members of the float committee are: Mrs. Don Taylor, chairman; Mrs. Dean Jones; Mrs. Don Curtis and Mrs. Jera James.

Earlier in the week the Homemakers and guests met at the Homemaking Cottage to hear Freddie Maxey speak on handwriting analysis. Maxey included in his address, handwriting traits of certain personalities, emphasizing the fact that one writing trait prevalent in a person's hand could not distinguish that individual's

Miss Randolph Honored With Bridal Shower

The lovely home of Mrs. Leon Foster was the scene Tuesday evening of a bridal shower honoring Miss Sandra Randolph, bride-elect of David Koontz.

The registering table was centered with a miniature bride and groom standing under a wedding bell and in front of a lighted wedding chapel on a cloud of white net. Jamie Washington presided at the brides book.

Guests were served from a table laid with white linen and lace cloth. A cloud of white net held a miniature bride dressed in lace and tulle before a background of a large white heart bearing the names "Sandy and David" in glitter. Mint green carnations were scattered throughout the cloud of net, which was surrounded by lighted white tapers in crystal holders accented with white roses. Janice Bridge and Alynn Jones served white cake square and frosted mint punch from crystal appointments.

White wedding bells and roses decorated other party rooms. Ann Bearden, Marsha Dawson and Jennifer Angeley assisted in the display rooms.

Carnation and gladiolus corsages were presented to the honoree and her mother, Mrs. J. C. Randolph.

Hostesses included: Mrs. Lynn Glasscock, Mrs. F. W. Bearden, Mrs. Dallas Clyne, Mrs. Wayne Rutherford, Mrs. Keith Jones, Mrs. Carl Gregory, Mrs. Thurlo Branscum, Mrs. P. A. Washington, Mrs. James Washington, Mrs. Melton Welch, Mrs. Bill Freeman, Mrs. J. B. Eagle, Mrs. Leta Kelley, Mrs. M. H. Been, Mrs. Jack Angeley, Mrs. Homer Starkey, Mrs. Paul Wood, Mrs. Richard Bills, Mrs. Kenneth Sawyer, Mrs. Jerald Inglis and Mrs. Leon Foster.

Upholstery Fiber Shrugs Off Stains

A new fiber makes possible upholstery with easy-care features and modern colors. Extension housing specialist at Texas A & M, The fiber, new for upholstery, is olefin or polypropylene, the indoor-outdoor carpet fiber.

Fabrics made of olefin fiber shrug off spots and stains, says Miss Lay. Most common household stains can be sponged away with water and light detergent suds without fear of fuzzing or pilling.

Olefin also is mildew-proof and non-allergenic, she adds.

IT'S POSSIBLE TO BREED a steer for more and bigger steaks, according to U. S. Department of Agriculture scientists. But, they say, there is little hope for breeding steers with more sirloin steak and other desirable cuts and less stew beef and less desirable cuts.

Brownies Make Dunker Bags

Brownie Troop #101 began preparations for Day Camp at their Wednesday afternoon meeting as they contrived a way to make the dishwashing task easier and faster. Each member made a dunker bag for her dishes using nylon net. Dishes placed in the bag may be dunked from wash to rinse water, etc. for easier and faster dishwashing on cook-out days.

The meeting was opened with the Brownie pledge, the pledge of allegiance and the Brownie

song led by Karen Hulcy, Kim Holder and Donice Taylor, respectively. Refreshments were served by Lisa Pittman and the meeting adjourned.

Those attending were Annita DeLeon, Donice Taylor, Rosy Lewis, Karen Hulcy, Petra Lewis, Kim Holder, Christi Pittman, Debbie Pittman, De Ann Clayton, Lisa Pittman, Beth Pounds, and troop leaders Mrs. Doug Lewis and Mrs. Neil Pounds.

The first step is the placing of silver and copper in proportions set by law, into a crucible, and melted down to a homogeneous mass.

The object of copper is to increase the wearing quality of silver. The molten alloy is then poured to form ingots. Then the ingots are rolled into flat sheets, slightly thicker than the coins to be made from them. During each step, many checks and measurements are taken including the trial blanks.

Ginning Lab Dedication Set For May 17

Lubbock. A large crowd is expected to be on hand at the USDA South Plains Ginning Research Laboratory on Saturday, May 17, for an open house and dedication beginning at 2 p. m.

The new Agricultural Research Service facility is located about 7 and 1/2 miles north Lubbock on US 87 and is next door to the Texas A&M University Agricultural Research and Extension Center.

Highlighting the event will be an address by Secretary of Agriculture Dr. Clifford Hardin, Hardin will be introduced by 19th District Congressman George Mahon.

Bill Thompson, a ginner near Shallowater and past president of the Texas Cotton Ginner's Association, will serve as master of ceremonies for the event, according to Roy Baker, engineer-in-charge of the ginning lab.

Other speakers will include Dr. Gerald Thomas, dean of agriculture at Texas Tech; Dr. John Bradford, dean of engineering at Tech and president of the Lubbock Chamber of Commerce; and Dr. H. O. Kunkel, dean of agriculture at Texas A&M and acting director of the Texas Agricultural Experiment Station.

Baker will give a brief run-down on the ginning lab and will then demonstrate its operation. Some cotton will actually be run through the ginning process at this time to give visitors a firsthand view of the gin's operation.

The ginning lab is the first of its kind in Texas and the fourth in the nation. The other labs are located in New Mexico, South Carolina and Mississippi.

The new lab was completed last fall at a cost of more than \$400,000. It serves the Texas High Plains and other areas of the state growing stripper type cotton. Primary objective of

TORNADO Safety Rules

TO KNOW WHAT TO DO WHEN A TORNADO IS APPROACHING MAY MEAN THE DIFFERENCE BETWEEN LIFE AND DEATH!

- I If you are near a tornado cellar:**

When time permits, go to a tornado cellar, cave or underground excavation which should have an air outlet to help equalize the air pressure. It should be kept fit for use, free from water, gas or debris, and preferably equipped with rock and shovel. THERE IS NO UNIVERSAL PROTECTION AGAINST TORNADOES EXCEPT UNDERGROUND EXCAVATIONS.
- II If you are in open country:**
 1. Move at right angles to the tornado's path. Tornadoes usually move ahead at about 25 to 40 miles per hour.
 2. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.
- III If in a city or town.**
 1. Seek inside shelter, preferably in a strongly reinforced building. STAY AWAY FROM WINDOWS!
 2. In homes: The corner of the basement toward the tornado usually offers greatest safety, particularly in frame houses. People in houses without basements can sometimes be protected by taking cover under heavy furniture against inside walls. Doors and windows on the sides of the house away from the tornado may be opened to help reduce damage to the building.
 3. Standing against the inside wall on a lower floor of an office building offers some protection.
- IV If in schools:**
 1. In city areas: If school building is of strongly reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floors when possible. AVOID AUDITORIUMS AND GYMNASIUMS with large, poorly-supported roofs!
 2. In rural schools that do not have strongly reinforced construction, remove children and teachers to a ravine or ditch if storm shelter is not available.
- V If in factories and industrial plants:**

On receiving a tornado warning, a lookout should be posted to keep safety officials advised of the tornado's approach. Advance preparation should be made for moving workers to sections of the plant offering the greatest protection.
- VI Keep calm.** It will not help to get excited. People have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, chances of a tornado striking one's home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in a warned area are directly affected. You should know about tornadoes though, "just in case."
- VII Keep tuned to your radio or television station** for latest tornado advisory information. Do not call the Weather Bureau, except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special reports or to relay advisories to radio and television stations for dissemination to thousands in the critical area.
