

## Good Riddance Of Bad Rubbish . . .

Wednesday afternoon the towns of Earth and Springlake were being cleaned and polished in cooperation with National Earth Day. The filth that had been allowed to accumulate for years was being carted off to the dump yards truckload by truckload by enthusiastic workers, Scouts, Springlake-Earth students and firemen, civic clubs and many others were out ridding the town of waste. Details will be shown in next week's paper.

HELP SEND A MOUSE TO COLLEGE. . . This twosome holding the cancer poster are anxious to save lives. The idea is that 27¢ buys a mouse for cancer research and scientists need thousands of mice to help save lives from cancer. The cancer drive is on locally -- so give to help fight cancer.

## Cancer Day Set Tuesday

Tuesday, April 27, has been officially declared Cancer Day and the Lamb County Cancer Drive for Earth will begin at 8:45 a. m. with a kick-off coffee in the Thurman Lewis home, County chairman, Mrs. Lewis, expects 35 to 40 workers to be present for the event. The Pleasant Valley Social Club will be canvassing that area for donations while Mrs. Wayne Davis will supervise the cancer drive for the Springlake area.

All ages are involved when it comes to cancer -- in both contracting the disease and aiding in research to cure it. The younger set of cancer workers do their share by "Sending a Mouse to College." This program is not connected with the regular cancer drive and it is the way children help. Each 27¢ used to send a mouse to college goes for research. Research is necessary to achieve the final victory. The 27¢ aids scientists

in their search for a cure for leukemia, an area for real optimism; the relationship between viruses and human cancer; ways to detect cancers of the lung, breast and colon-rectum much earlier, when these cancers are more curable; how to mobilize the body's immunization mechanisms to counteract cancer; and methods to overcome resistance against drugs which cancers cells build up.

ACS dollars are broken down into six different categories. In the fight against cancer, A breakdown of the ASC dollar is 38 cents for cancer research; 15 cents for professional education, fellowship and service; 21 cents for public education; 23 cents for service to patients; 5 cents for development of program and administration and 9 cents for campaign for a total of \$1.11. The 11% expenditure reflects increased research allocations to Texas by the National Society.

## Time Changes Everything . . .

"Time Changes Everything" maybe a song title but it does hold quite a bit of truth. Time has even changed time.

In this day and age man has decided to try to save daylight by advancing time one hour beginning at 2 a. m. Sunday, April 25. Clocks will run with

this advanced time until the last Sunday in October in an effort to preserve one hour of daylight for leisure, family activity, etc.

So, be prepared to relinquish one hour of sleep on Sunday and set your clocks up one hour to keep up with the rest of the citizens of Earth.

NATIONAL EARTH DAY WEDNESDAY was celebrated in Earth, Texas, with hoes, rakes, shovels, brooms and even the vacuum cleaner. Leading the big Earth event was Bill Scott, Mayor E. C. Kelley, Chamber President W. B. McMillan and Dale Riggs. The event was going full blast at press time Wednesday.

## Little League To Continue Sign-Up

The Little League Baseball Association of Springlake-Earth will continue its sign-up this Thursday (tonight) at 8 p. m. in the Earth Community Building for boys interested in playing in Little League, Babe Ruth or Pony League this season. A meeting was held last Thursday at 8:00 p. m. for sign-ups, but, due to the rain, there was only a small turnout. There must be enough players signed up for four teams in order to have a Little League in Earth.

A fee of \$5.00 for the Little

League, boys 8-12; and \$10.00 for Pony League, ages 13-14, will be charged when signing up. The fee includes insurance and use of equipment.

Officers and new directors were elected last Thursday. They are president, Earl Jordan; vice president, Robert Geissler; secretary-treasurer, Don Randolph; player agent, Phil Neimast; directors, E. C. Kelley, Bob Belew and Dolan Fennell.

Held over directors are Jerry Barden, Ardis Barton and Donald Runyon.

## Wonders Never Cease

WHAT WAS IT? No one seemed to be able to determine if it was actually real, honest-to-goodness wet, falling rain that coursed downward on the area Thursday or if it was a figment of their hopeful imaginations. You can rest your worried minds now because the U. S. Weather Bureau has confirmed, beyond a shadow of a doubt, the fact that it really was RAIN.

The Thursday afternoon and night rain was the first appreciable measurement of precipitation since October 16,

lacking 24 hours being six months ago to the day.

Folks throughout the area were mighty grateful for the drops of moisture but felt a pang of misery for the clouds were accompanied by the year's first tornado watch that put county civil defense units on their toes for the season of twisters. Although a watch was issued, no funnel sightings were reported. An Olton official reported a hook forming in a cloud north of Olton at 7:24 p. m. but the formation apparently dissipated.

Over an inch of rain careened down on Earth during the Thursday night showers to brighten the day and the faces of everyone and to put that long-forgotten smell of fresh, clean air and damp dirt back into the area. A little hail was reported

throughout the county, but it was small and not damaging.

Olton recorded over an inch from the rains Thursday and Littlefield had measurements ranging from .4 to .60 inch.

Did the rains stop there? No, sir! About .2 inch more was recorded in the Friday morning showers upping the average of the area to one-half inch.

Dryland farmers in the area stated that additional rain is needed before planting time. And everyone is hoping they get it.

## Breakdown Of Water Rates Listed

City residents will receive a decrease this year in their water rates for using over 20,000 gallons. The previous rate has been 20¢ per 1000 gallons and it will now be 10¢ per 1000 for all used over 20,000 gallons. This decrease will begin with May billing.

The regular water rate is \$3.00 minimum for the first 3-3000 gallons of water used. The rates per 1000 gallons are scheduled as such: 3-3000

-\$3.00; 3 to 5000, \$.50 per 1000; 6 to 10,000, \$.35 per 1000; 11 to 20,000, \$.25 per 1000; and all over 20,000 gallons, \$.10 per 1000.

Bills this last month were broken down so the customer could see how his bill is divided for trash pick-up, water usage and sewage disposal.

The standard monthly sewage rate is \$2.00 and \$1.25 is charged for residential trash pick-up and the Firemen's Fund,

Businesses in the city are billed \$1.75 monthly for this trash service and the Firemen's Fund. A \$1.00 mosquito spray charge will be in effect starting in May. This, the same charge as last year, is added to city bills to aid in paying for protection from summer mosquitoes throughout the city.

## WE'RE DOWN TO EARTH... AT EARTH, TEXAS

"We're Down to Earth at Earth, Texas." People across the nation and around the world will soon be able to see this winning slogan on bumper

stickers advertising our town. The slogan was selected from a field of 250-300 entries judged by out-of-town non-inter-

ested parties and was submitted by Mrs. Jean Haberer. Announcement of the winning slogan was made Wednesday, Earth Day, after clean-up op-

eration workers gathered at the City Park for a picnic supper and prayer session. For her community-minded slogan, Mrs. Haberer was a-

warded a \$50 Savings Bond, given jointly by the Earth Chamber of Commerce and the Citizens State Bank of Earth.

# There When They're Needed

They're there when they're needed. Four members of the Earth Volunteer Fire Department and Civil Defense Unit added further proof to this statement early Monday morning when they loaded two pickups and headed for Hereford with a big helpful hand.

The foursome made the journey only after they felt sure the worse conditions had passed our town and there were enough workers here to take care of things just in case an emergency did arise.

When the white funnel dipped down and lashed its angry tail at Hereford, destroying communications, shutting down utilities and ravaging portions of the city, the Earth unit went into action.

Quick thinking was a must and Richard Bills, Doug Parish, Bob Belew and Harold Britton worked in complete coordination with the other members of the local unit and gathered the equipment they thought would be useful upon their arrival there. Due to the electric shut-down caused by the twist-

er, the local men loaded the city's portable lighting unit and a variety of lights.

When the group reached Hereford, they followed a standard procedure and inquired at the first road block as to where their aid was needed most.

A fireman canvassing the city directed them to the Deaf Smith County Hospital where the lighting unit was immediately set up to supply electricity for a lung machine. An elderly man who had been hospitalized at the time of the tornado was dependent on the machine to aid his respiratory functions. The hospital staff had been working to operate the machine manually and were relieved and grateful for the unit which supplied enough electricity to operate the machine and provide lighting for the hallway.

When the unit had been properly set up and put into operation, Bills, Belew and Parish began a canvass of the city to see where they could be of use. After the injured were trans-

ported to the hospital and the roads partially cleared, the biggest immediate problem faced by the residents of Hereford was the large number of looters. The local men aided Hereford officials in keeping the looters out of the damaged sections.

Several hours of time were given freely by these men in an attempt to aid fellow Texans during a trying time of crisis. To say that Hereford was dependent on Earth's aid would be incorrect. But, to say that our local Civil Defense Unit is there when they're needed and willing to give of themselves and their time is the praise these men should receive.

During the tornado season, our local men give up time with their families to stand watch and be prepared to alert the citizens of Earth when danger threatens. From the time the watch was first issued for the area Sunday night until the watch was cancelled at 8 a.m. Monday morning, the welfare of the City of Earth

## S-E Band To Attend Tri State Band Festival

At this time next week, the Springlake-Earth High School Wolverine Band will be competing in the 39th annual Tri-State Music Festival in Enid, Oklahoma. Our bandsmen will join 12,000 other students from 300 bands, choirs and orchestras while competing for top honors in concert, sight-reading and stage band.

There will be 16 bands in Class CCC (high schools with 175-250 students). This is the equivalent to Texas' large Class A and small Class AA schools.

The band will leave Thursday morning at 8:00 and check into the Broadway Inn Motel in Kingfisher, Oklahoma. After

supper, the band will travel to Enid and observe the large school division marching contest. The band will compete Friday morning and afternoon. That night, the band will eat a catered supper and ride the rides at Springlake Amusement Park in Oklahoma City. They will leave for home early Saturday morning in order to be home in plenty of time for the All-Sports Banquet.

The local band will be sponsored by several interested par-

ties. The band will be highly commended.

# Mystic Forces Dominate Banquet

"The Age of Aquarius" dawned in the Springlake-Earth School cafeteria at 7:30 Saturday evening when the junior class hosted members of the senior class at the annual Junior-Senior Banquet.

The mystics of the zodiac were first encountered as guests entered the foyer. They were greeted by total darkness highlighted by black light posters glowing under the influence of a black light. The effect of the zodiac was continued in the dining room where the lower four feet of the walls were completely covered by silver foil. The effect of psychedelic reflections from the foil was achieved by the use of a color wheel. Black tarp, climbing the wall from the top of the foil to the ceiling, was accented by various zodiac signs placed at strategic intervals. Black lights reflecting off the tarp added drama to the scene. The west end of the room was dominated by a large multi-colored Aquarius sign highlighted by numerous blinking lights. Hanging from the center of the ceiling was a large silver reflector ball catching and returning motions of the lights and attendants.

The tables, covered in white, were centered with silver flower vases each containing three tissue paper flowers constructed to glow in the dark with the use of fluorescent paints.

To further the mood of the evening, hard rock music could be faintly heard in the background upon arrival of the guests and during dinner.

The delicious menu served guests consisted of Roast Taurus (steak), Potato au Mars (baked potato), Sagittarius Arrows (green beans), Rings of Saturn (green salad), Toast to the Dawn (buttered toast), Golden Dream (strawberry shortcake) and Aquarius Brew (tea or coffee).

The program of the evening began when guest speaker and entertainer, Richard Campbell of Lubbock, presented several vocal selections including "Love Story." He continued by relating a true story

of an athlete and the challenges and temptations he faced upon entering college. The story revealed numerous ways in which the righteous path now trod upon can be altered when communication and understanding with God are lost or neglected. Campbell concluded with the presentation of a hymn.

Other entertainment was provided by the Golden Tones, Regina Cole, Karen Dear and Kim Welch, who sang a medley of Neil Diamond hits. Among the songs presented were "Holly Holy", "Both Sides Now" and "Honey Drippin' Times." The senior class song, "Today", was also sung by the trio.

The senior class prophecy, or a look into the future, was read by several members of the junior class to let the seniors have a preview of their future lives as the juniors see them.

The evening program was headed by master of ceremonies, Hoyt Glasscock. Invocation was given by Mike Cleavinger prior to the wel-

# 375 Attends Co-Op Stockholders Meeting In Springlake

Three hundred and seventy-five member patrons and guests were served a delicious chicken and barbecue dinner Saturday on the Farmers Cooperative Association Gin lot.

Reports were given by representatives from the regional cooperatives doing business with the local gin.

The 9000 acre increase in cotton acreage in Lamb County is expected to affect a small increase in the Springlake area.

Eudell Baucum, gin manager, spoke of the fast ginning season in his report. His first bale of the season was ginned on October 9 and his final bale came December 11. He explained that in order to keep trucks from being tied up for a long period of time that a conveyor belt was to be installed on the west side of the seed house to help out when labor wasn't available. Also he explained this is to cut down on high cost help. Baucum also told of other new gin equipment that was due to arrive shortly and that installations would begin upon their arrival. He said the new equipment would result in a ginning capacity increase of 30 bales of cotton in a 24 hour period. Last year the gin turned out 195 bales in a 24 hour period and with the new equipment the gin would be able to turn out 200 bales in the same

length of time. Baucum gave additional ideas for doing a good job with less expense involved.

Twenty-five gifts of cotton were given away during intervals of the meeting.

During the election of directors, three of the four outgoing directors whose terms had ended, were re-elected. The new man named to the board was P. A. Washington.

Following the election, the board re-organized. V. O. Busby was named president, Les Watson will serve as vice president with Doc Miller to remain secretary-treasurer. Directors are Kenneth Hinson, Don Clayton and P. A. Washington, with Eudell Baucum as assistant secretary and gin manager.

MR. AND MRS. PHILLIP DEWEY SANDERS

## Kendrick-Sanders Exchange Double Ring Vows

Miss Carol Ann Kendrick and Phillip Dewey Sanders were married at 8 p.m. Saturday, April 10, in the home of her parents, Mr. and Mrs. H. W. Kendrick of Earth.

Rev. David Hartman of Earth minister of the First Baptist Church, officiated the double ring ceremony.

The groom is the son of Mr. and Mrs. C. L. Tucker of Lubbock and W. D. Sanders also of Lubbock.

The bride wore a street length empire style dress of white crepe. The dress was in tiny tufts across the front of the bodice which was accented with imported white iridescent pearl beads at the waistline and around the neckline.

White imported lace lined the bottom of the skirt. The self-fabric large bow, attached to the back of the neck, fell in soft fullness the length

of the dress.

The bride carried a cascade of white baby's breath intermingled with pink carnations accented by lovely long white streamers tied in love knots.

She was attended by Miss Linda Starkey of Amarillo who wore a princess styled street length dress of pale pink crepe. She carried two pink carnations.

The father of the groom served his son as best man.

A reception in the home followed the ceremony.

The table was laid with a white table cloth. The decorations consisted of two silver candeliers with tiny pink roses set in crystal holders to each side of the two-tiered white wedding cake topped with a heart shaped archway made of white flowers with hanging white wedding bells. The tiers were decorated in white roses. The

guests were served punch, nuts and mints from crystal and silver appointments by Sharon Kendrick and Linda Starkey.

Mrs. Sanders is a 1967 graduate of Springlake-Earth High School. She attended McBride and Davis beauty college and was employed at Main Street Beauty Salon in Mileshee.

Her husband is a graduate of Lubbock High School and is employed by Southwestern Public Service Company in Lubbock.

The couple are residing at 2222 - 5th Street, Apartment 106 in Lubbock.

## Troop 373 To Visit Radio Station

Girl Scout Troop 373 met Thursday and voted to take a trip to Mileshee to the radio station in May. A definite date has not been set.

The girls worked on the My Community Badge with drawings of the State Flag, State Bird and the State Flower.

The troop furnished refreshments of candy bars for Lydia Smith, Pam Ott, Pam Hood, Hattie Thomas, Oletha Thomas, Doniece Taylor, Teresa Lively, Linda Hood, Sherri Higgins, Cheryl Riggs, Patricia James, Joyce Ingram and leaders, Mrs. Ralford Daniel and Mrs. Allen Smith.

## GA's Enjoy Storytime

The Springlake Girls In Action enjoyed an afternoon of stories Wednesday, April 14. The stories included "A Day With the Jim Slacks" which pertained to missionaries in the Philippines, and "To the Rescue", which concerned a woman missionary doctor from Texas in Rhodesia.

Gail Miller read the prayer. Refreshments of Kool-Aid and cupcakes were served by Mrs. Ed Jones to Bobbie Moseley, Robbie Moseley, Gail Miller, Ranae Winder, Sheila Moseley, Nancy Rameritz, Teresa Lunsford, Elouisa DeLeon, and leader, Mrs. Delvin Walden.

## Troop 309 Plans Box Supper

Springlake Girl Scout Troop 309 met Friday and made plans for a family box supper that will be held Friday, April 30, at the Springlake Community Building. The girls will be in charge of all decorations.

The girls spray varnished paper mache eggs.

For Earth Day, the Troop will all meet at the Community Building in Springlake to help clean up the area around the building and will also clean up some of the elderly people's yards.

The girls adjourned at the close of the meeting and went to the Springlake Cafe for Cokes.

Attending the meeting were Belinda Hampton, Kathy King, Dina Jo Hampton, Ranae Winder, Tammy Davis, Connie Dear, Carrie Barden, Kay Howell, guest Brene Belew, and leaders, Mrs. Wayne Davis and Mrs. Sam Barden.

## Party Line

VICKI RUTH SANDERS

## Engagement Told

The engagement and approaching marriage of Miss Vicki Ruth Sanders, daughter of Tom Sanders and the late Wanda Sanders, to Doug Messer of Midland, son of Mr. and Mrs. Marcus Messer of Earth,

was announced this week by the bride-elect's father.

The wedding is scheduled for July 10 at 8 o'clock at 2502 Rogge Lane in Austin. Friends and relatives are invited to attend.

## GA's Continue Missionary Study

The Earth GA's 1, 2 and 3 continued their study of missionaries Wednesday, April 14. Pamphlets of missionary jobs were acted out by the girls and on-lookers tried to guess what their jobs were.

The prayer calendar was read by Elizabeth Kellar.

Missionary of the Week was Russell L. Locke, a missionary in Nigeria.

Refreshments of punch and chips were served to Jana Pittman, Elizabeth Kellar, Jennifer Kellar, LeAnn Haberer, Diana DeLeon and leader, Mrs. Dewitt Kelley.

## Temple-Greenlee Vows Exchanged

Miss JoAnne Temple became the lovely bride of Jack O'Neal Greenlee of Lubbock in a double ring ceremony at 3 p.m. Saturday, April 10, in the First United Methodist Church of Portales, New Mexico, with the Rev. W. C. Strickland officiating.

The bride is the daughter of Mrs. Peggy Temple and the late Joe B. Temple. Parents of the groom are Mr. and Mrs. Neal Greenlee of Monahans.

Musical selections included "Theme from Love Story", "Whither Thou Goest" and "The Lord's Prayer."

Nuptial vows were exchanged before an altar decorated with Topiary trees of white daisies and fern to each side of the altar with the altar table having white tapers. The altar rail was covered with long chains of white daisies and ivy.

The bride, given in marriage by her great-grandfather, Joe Asbury Taylor of Lubbock, was lovely in a full length princess style gown of white organza and tulle trimmed with embroidered alencon lace. The full long sleeves were of pleated nylon organza. She carried a beautiful daisy bouquet on a white Bible.

Miss Melinda Sue Temple, sister of the bride, served as maid of honor. Miss Shirley Denise Temple, sister of the bride, and Miss Cindy Greenlee, sister of the groom, served as bridesmaids. The attendants wore yellow dresses accented by daisy headbands. They carried baskets of daisies and fern.

Bobby White of Lubbock served as best man.

Groomsmen were David Abbott of Lubbock and John Beasley, also of Lubbock.

Ushers were Perry Don O'Hair and Larry Thomas, both of Earth.

The groom's parents hosted a rehearsal luncheon in Portales.

A reception was held in the

MR. AND MRS. JACK GREENLEE

church parlor. The serving table was covered with a white cutwork cloth over yellow and had a centerpiece of daisies and ivy with yellow candles to each side. Crystal appointments were used in the serving. Assisting in serving were Miss Gloria Stephens, Miss Lauren Kay Earnest and Mrs. W. A. Wilke of Slaton, aunt of the bride. Also helping was Mrs. Thetis Richardson, grandmother of the bride.

The bride traveled in a white

diagon suit, green silk blouse with white accessories.

After a wedding trip to Ruidoso, New Mexico, the couple are now at home at the Heritage Arms Apartments in Lubbock.

The bride attended Springlake Earth High School and is currently attending South Plains College in Levelland. The groom is a senior student at Texas Tech University and is employed at Purina-Ralston Company in Lubbock.

## Mary Slack GA's Study Missions

The Mary Slack GA's met in the home of Mrs. L. D. Winters Wednesday, April 14, for their mission study. They showed posters of Biblical missionaries to the hostess and explained that people in every culture could be missionaries today.

They sang three songs including "Joy, Joy, Joy", "Teach Me to Pray" and "Into my Heart."

Mrs. Winters and her daughter,

Sherry, served ice cream and Cokes to Toni Ingalls, Lisa Pittman, Suzy Lansford, Karleen Hulcy, Kristi Thomas, Donna Green, Teresa Lively and leaders, Mrs. Earl Kellar and Mrs. L. H. Galloway.

Mrs. H. S. Sanders and Auretta of Earth spent Saturday night and Sunday visiting Mr. and Mrs. H. S. Sanders, Jr. in Amarillo.

## Jennifer Angeley Honored With Bridal Shower

Jennifer Angeley, bride-elect of Bruce Bonick, was honored with a Come-and-Go Bridal Shower Friday afternoon from 3:30 to 5:00 p. m. in the home of Mrs. J. A. Littleton, Jr.

The bride-elect's spring colors of pink, blue, yellow and white were used throughout the home. Numerous bouquets of spring colored floral arrangements were placed in different areas of the home. The serving table was covered with a white linen lace edged table cloth. The centerpiece was a straw bonnet with a bouquet of spring flowers.

Refreshments consisted of a white sheet cake decorated with yellow bells, a yellow fruit punch served from a milk glass punch bowl and nuts and mints served from milk glass appointments. Yellow napkins and milk glass plates completed the motif.

Corsages were given to Miss Angeley, mother of the groom and bride and grandmother of the groom. Miss Angeley received a yellow chrysanthemum corsage with white lace intermingled to enhance its beauty. Mrs. Jack Angeley, mother of the bride-elect, and Mrs. Leonard Bonick of Comanche, mother of the prospective groom, received corsages of white chrysanthemums. Mrs. Luna Rice, grandmother of the prospective groom, from Comanche, received a yellow chrysanthemum corsage.

Approximately 50 guests attended the event.

Hostesses for the shower were Mrs. Harold Britton, Mrs. Leon Foster, Mrs. Gladys Parish, Mrs. E. R. McAlpine, Mrs. C. C. Goodwin, Mrs. A. E. O'Hair, Mrs. J. C. Randolph, Mrs. M. H. Been, Mrs. Ed

Dawson, Mrs. Perry Martin, Mrs. Wallace O. Jones, Mrs. Crill Bulls, Mrs. F. W. Bear-den, Mrs. Orville Cleavinger, Mrs. Beula Coker, Mrs. J. J. A Coffee for Mr. and Mrs. Jessy Cole in honor of their new son, Christopher Heath, will be held in the home of Mrs. Price Hamilton on Thursday, April 29, from 10 to 11:30 a. m.

The Earth Roping Club is having a Fun Night this Friday, April 23, beginning at 7:00 with a hot dog supper.

There will be events for all the family and everybody in the community is invited. Each family is asked to bring hot dog makings for their family.

FRANKIE AND JOHNNY SKIT... The local Rainbow Chapter hosted a friendship meeting Friday night at the Masonic Lodge. Pictured presenting the pantomime skit is Camille Haber-er, Becky Littleton, Connie Kelley, Marianne Messer and other mourners and undertakers.

## Rainbows Entertain At Friendship Night

The Earth Rainbow Girls gave the entertainment at the annual Friendship Night for the Earth Chapter 870, Order of the Eastern Star, Friday night in the Masonic Lodge Hall.

After a delicious salad supper, the Earth Rainbow Girls presented several skits and songs, the last of which they dedicated to Mrs. Forrest Simmons, Worthy Matron, and presented her with a gift.

The program was as such: 1. Eastern Star skit--Several girls conducted a humorous skit in which they portrayed several of our Eastern Star members and how they conduct a meeting.

2. Susie Adrian led in a group game called "That's Me."

3. Debbie Green presented several piano selections.

4. The record "Along Came Jones" was pantomimed by Camille Haber-er, Kieta Haber-er, Connie Kelley and Joan Dudley.

5. The record "Frankie and Johnny" was pantomimed by Marianne Messer, Camille Haber-er, Becky Littleton and Connie Kelley with others as

mourners and undertaker. 6. Fonda Goodwin and Kieta Haber-er did a song, "Me and My Shadow."

7. Camille Haber-er sang "Four Strong Winds" and was accompanied by Becky Littleton. 8. Two very elderly people were able to make it to the last for a skit, Earlene Walker and Vicki West.

9. A humorous skit including approximately 12 girls was given showing a teen-ager getting her lessons with a radio blaring. 10. "The Lamp Went Out" was the next play.

11. Ending the skits was a patriotic number. Certain words give a spine-chilling feeling when speaking about our country, one of those words being "welfare". Susie Adrian as Pa and Joan Dudley as Ma with their 10 children presented this humorous skit. At intervals during the program, different girls came in and added extra jokes and stunts to the program.

They concluded the program by marching to the East and singing a special song for Mrs.

Forrest Simmons. They presented her with a gift showing their appreciation for her help to the assembly through the years. They then closed with the singing of "My Rainbow."

Girls who participated in the program were Kelley Wheatley, Carmen Wimberly, Debbie Green, Patricia Lanier, Camille Hinchliffe, Kieta Haber-er, Barbara Lanier, Becky Littleton, Karen Hinchliffe, Connie Kelley, Fonda Goodwin, Marianne Messer, Vicki West, Earlene Walker, Joan Dudley, Susie Adrian and Camille Haber-er.

The Mother Advisor of this lively and talented group is Mrs. Jimmy Shirley. Mrs. Donald Kelley is Grand Visitor.

The dining hall tables were covered with white linen table cloths and decorated with baskets of spring flowers consisting of tulips, daffodils, daisies and hyacinths.

Approximately 85 guests from Tulla, Canyon, Lockney, Happy, Littlefield, Muleshoe, Dimmitt and Olton attended the function.

## Christie Lynn Starkes Honored On Birthday

Christie Lynn Starkes, daughter of Mr. and Mrs. Jerry Starkes, was honored Thursday at 4:30 p. m. on her fifth birthday.

The decorations for the party were done in pink and white with an Easter theme. Pink and white streamers were draped across the ceiling. The serving table was covered with a pink cloth and a white lace overlay and centered with an adorable Easter sheet cake. The cake was edged completely around with pink Easter grass with pink and blue styrofoam bunnies and jelly bean eggs intermingling. To the back of the cake was a small 18th century doll made from pipe cleaners and donned in a pink dress. To each side of the doll were duck dolls dressed in blue like little boys. A birthday anniversary candle was to one side of the cake and was surrounded by pink grass. The candle burned throughout the party.

Place settings of plates, cups and napkins were in the Mickey Mouse motif. Party favors of whistles and harmonicas were at each place setting with miniature nut cups filled with jelly beans and bubble gum. Numerous games were played and enjoyed by the children. Kelley Criswell received some Play Dough for winning the "Pin the Tail on the Donkey" game. An outside Easter egg hunt was held afterwards. Entertainment was completed

with a game of "The Farmer in the Dell."

Refreshments of orange Kool-Aid and birthday cake were served after the games.

Those attending were Danny Ward, Gary Don Davis, Jeff Hamilton, Kelley Criswell, Kristi Criswell, Danny Cooksey, Carmen Ray Kelley, Mrs. Matt Patterson, Mrs. Ward Cooksey, Mrs. Dennis Criswell and host, Mrs. Jerry Starkes and the honoree.

## Mission Friends Draw Self-Patterns

The Earth Mission Friends met Wednesday, April 14, and made pattern outlines of themselves on rolls of paper. Each child then filled in their features.

The children were reviewed on Bible verses and played a game of "Tic Tac Know" with Bible verses.

A Bible story was read by Mrs. Pete O'Hair about family life.

Refreshments of punch and chips were served to Gary Davis, Kelley Criswell, Carmen Kelley, Wade Joe Kelley, Greg Hulcy, and two guests, and their leaders, Mrs. Pete O'Hair and Mrs. Lillie Wuerflein.

**It's PIONEER<sup>®</sup> again this year.**

**Here's why:**

JODIE BARRETT, Muleshoe, produced 6500 pounds of grain sorghum per acre last year from 23 acres of Pioneer brand 846. The crop had very little rain during the growing season and had four waterings after planting. Mr. Barrett particularly liked the yield, fast growth, and the easy threshing of 846. He plans to plant 150 acres this spring. Naturally we're proud that good farmers like Jodie Barrett plant Pioneer hybrids year after year.

Designer high-style colors at higher prices.

At the regular price of \$12.50 a gallon, MANOR HALL is probably the highest priced wall paint in the country... and certainly the best. This introductory offer at \$9.97 a gallon is being made to encourage more people to try MANOR HALL—because the record shows that most people who use MANOR HALL will never be satisfied with any other paint. The easily visible superiority over ordinary paints is the key to MANOR HALL'S appeal.

It is America's first flat latex enamel. MANOR HALL is the *only* paint you need to give a decorator finish to your walls, ceilings, doors, trim and cabinets... and it comes in a wide array of exquisite colors... many unavailable in any other paint. The savings on this offer are substantial, and we urge you to come in and buy now. But, we still say, the real bargain is in the paint—not the price.

## Local Women Attending Bank-Women Conference

Ann Jones, vice president and cashier of Citizens State Bank, Earth, Texas, and Helen Gover, assistant cashier of the local bank, will attend the Southwestern Regional Conference of the National Association of Bank-Women Inc. in Lubbock April 22-24.

The three-day conference, scheduled for the KoKo Convention Center, is expected to attract between 250 and 300 women bankers from Arkansas, Oklahoma and Texas. "The Challenge of Change" is the theme selected to run through the various sessions designed to suit the interests of the women executives.

Jean E. Spencer, who is assistant to Vice President Spiro T. Agnew, will be one of the nationally-known speakers featured on the program. NABW Vice President Ruth D. Harrison, assistant vice president and director of public relations and advertising, Irwin Union Bank and Trust Company, Columbus, Indiana, will also be on hand to present a workshop on programming done by the organization's Na-

tional Office.

Miss Joy L. Lambert, assistant cashier, Lubbock National Bank, Lubbock, is serving as general chairman of the Conference. Co-chairman is Mrs. Jeanette Bagwell, assistant to the president, Citizens National Bank, Lubbock.

The National Association of Bank-Women Inc. has a membership of more than 8,000 women executives in banks, savings banks and trust companies in the United States, Canada and overseas. The Association was founded in 1921 when women bank executives were a rarity. Today more than two-thirds of all personnel employed in banks are women and there are more than 20,000 women bank officers in the United States.

The Association is particularly active in the field of education, providing scholarships to graduate schools of banking for qualified members. It has worked to attract young women into the banking field and to encourage them to improve their technical and professional skills.

## Rainbows To Prepare For Tea

The regular meeting of Earth Rainbow Girls was held in the Masonic Lodge Hall Monday evening and plans were announced for a Mothers' Day Tea by Mrs. Jimmy Shirey, Mother Advisor. Assignments were given to the girls for the tea.

The mother advisor also announced that June 14-16 is Grand Assembly and to start making arrangements to attend.

Vicki Wislan stated her Charity project will be to help clean up the town on Earth Day. The Rainbow Girls planned on meeting Earth Day at 3 p. m. at the Lodge Hall for the clean up.

Kleta Haberer was conducted to the East where she received her Pot of Gold.

An invitation to a tea honoring Mrs. Melvin Bock was read and the tea will be held Sunday, April 25, from 2:30 to 4:30 p. m. in the home of Mrs. J. A. Littleton, Jr.

Monday, April 26, a joint meeting will be held at Petersburg. The Earth Rainbow Chapter will leave from the Lodge Hall at 5 p. m. to help assist with the meeting.

Melissa Been and Earlene Walker will furnish refreshments at the next meeting.

The meeting closed in regular form.

Twenty persons were served punch by Carmen Wimberly.

## Service Pins To Be Awarded At PTA

The last PTA meeting of the year will be next Monday at 8:00 p. m. and will include a local talent show and a service award program. Service pins are awarded to teachers at 5 year intervals as a visible sign of appreciation.

New PTA officers for the 1971-72 year will be installed by the 14th district president, Mrs. J. D. Sams.

The PTA this spring has shown an active schedule and will end the school year busy. Highlights of what the PTA has done include the following: at the March 1 meeting, Gil Lam's spoke on drug and alcohol abuse. The March 15 program included election of officers for 1971-72 and a panel discussion was held on the "New Sexual Morality."

March 18 was Public Schools Week and 42 willing people baked cakes for the teachers.

Events scheduled to conclude the year are: April 23, Spring conference in Levelland; April 26, last meeting of the year; May 11, school of instruction for new officers to be held in Littlefield; May 25, PTA sponsors TB x-ray unit as a public service; May 23-26, National PTA convention in Oklahoma City, Oklahoma.

Mrs. Ray Joe Riley, president of the Springlake-Earth PTA, gave the following statement in regard to her work with PTA. "I have enjoyed my PTA work. It is a good way to become acquainted with nice people. At times, the attendance is poor, but when contacted to make a cake for a teacher, there were no refusals which means something."

She urged anyone who has not seen the interscholastic league ribbons received, to please go to the school.

## Three To Attend FHA State Meet In Dallas April 23-24

"FHA Steps Into Action" is the theme of the 1971 state meeting of the Texas Association of Future Homemakers of America to be held at the Memorial Auditorium in Dallas, April 23-24.

More than 5,000 members and advisors representing 76,000 members in 1,600 chapters throughout the state are expected to attend. Members are homemaker students in junior and senior high schools. Homemaker teachers serve as advisors.

Representatives of the Springlake-Earth Chapter of Earth as delegates will be Becky Littleton and Criss Dent. Nancy Howard will go as advisor to the group.

Keynote speaker will be Reverend Logan Cummings, Pastor, First Baptist Church, Brownwood. Reverend Cummings will speak on involvement of young people in solving today's problems. He is well known for his ability to communicate with youth.

State Degrees of Achievement, the highest award of the organization, will be awarded to more than 300 Future Homemakers from over the state.

A State Chorus composed of 100 Future Homemakers chosen by their areas will be featured. This group will be under the direction of Joseph Abston.

## A Special Family Mission Topic

The Springlake Beginner Mission Friends met Wednesday, April 14, and discussed the week's topic, "A Special Family."

For activity time, the children cut pictures from catalogs of furniture and glued them to cardboard.

A record was played entitled "Help One Another" and a

Choir Director, Tyler Street Methodist Church, Dallas.

Installation of the 1971-72 state officers will climax the Saturday morning business session. At this time, ten officers elected through chapter participation throughout the state will be placed in office. A newly elected president will receive the gavel from Pam Price, Yantis, outgoing president. A highlight of the Saturday morning session will be a closing challenge given by Miss Barbara Bailey, 1969-70 Area IV FHA President and now a Home Economics student at Tarleton State College, Stephenville.

The Future Homemakers of America organization is sponsored by the Homemaking Division of the Texas Education Agency with Mrs. Elizabeth F. Smith as director and Mrs. Betty Romans serving as State Advisor.

story was read to the children, "We Work Together."

A discussion was held on obeying and a short story was read on the topic of obeying. The children discussed families working together.

# Hereford Ravaged By White Tornado

At approximately 12:30 a. m. Monday morning, a peaceful and beautiful West Texas City was suddenly transformed into a center of havoc as a tornado whipped down its treacherous tail, disturbing the peace and quickly slashed at its beauty. Residents of Hereford who were enjoying a night of slumber when the funnel mutilated portions of the city appeared awed when daybreak revealed the

\$2½ million in damage caused by the white twister.

The hop, skip and jump dance performed by the tornado began some five miles southwest of Hereford near a World War II prisoner of war camp. Sheriff Travis McPherson was alerted of the approaching funnel cloud and within minutes he observed it as it progressed northward toward the southeastern and northeastern sections of Hereford.

After Sheriff McPherson spotted the white tornado, he phoned to have the city siren sounded and then raced through town sounding his car siren.

McPherson described the frightening sight as a white funnel cloud that never did turn black. He further stated, "It bounced several hundred yards, jumped completely over some high line wires and smashed some tin buildings.

A survey of the damaged structures, Civil Defense Director Bill Thompson theorized the twister never touched the ground because very few of the damaged homes were leveled.

McPherson, who believes the funnel was some 100 feet above the ground most of the time said, "If it would have stayed on the ground, it could have wiped out an entire city block."

Several residents who heard the twister scream through the city said they heard an explosion.

"We first heard this wall and we ran to look out the window. We saw big balls of fire drifting in the air and as they hit the ground there was a huge explosion. And then it was all over," said one Hereford man whose home was unroofed and heavily damaged.

Allen Wagner, a Hereford High School senior, said he saw the twister come down over his home, level a barn and head straight down Avenue K "like a bullet."

The twister destroyed 10 mobile homes, nine other homes and unroofed some 30 to 40 houses, officials estimated early Monday.

Officials here were most surprised at how families escaped serious injury while in their trailer homes during the height of the storm.

"A man and his family were in their trailer home and the next thing the man knew, he was being tossed about in the trailer. I don't see how they got out alive," McPherson said.

The tornado moved north-northeastward, crossing U. S. Hwy. 60 where it smashed the Crowl-Gulld Cement plant, the bus terminal, a beauty salon and an auto repair shop, all within 500 feet of each other. A wall clock in the bus depot was stopped at 12:50 a. m.

In this area, windows were blown out, high lines were downed, telephone poles were dented and glass, trees, tin, wire, trash and other rubbish littered the streets.

As the twister moved down Avenue K, it overturned the car and camping trailer in which a California couple was sleeping.

"We heard kind of a whistling noise and then all at once, the twister picked it up and

SECOND PLACE JUNIOR HIGH Division by Joe Herrera.

turned it over--car trailer and all," explained Earl Cornish who was visiting his daughter and family in Hereford. The man said sorrowfully he was planning to leave for Mexico Monday morning.

Six mobile homes were demolished in a trailer park one and one-half miles north of Hereford.

Several residents who heard the twister scream through the city said they heard an explosion.

The fierce tornado bashed its way through seven miles of the city causing an estimated \$2½ million in damage, injuring 20 persons and miraculously killing no one.

City officials were puzzled at the fact that no casualties were reported--especially after several citizens indicated that they had been tossed about in their trailer homes.

None of the injured was critically hurt.

"We've been lucky, that's all I can say," said volunteer fireman J. C. Spain who was one of the first to explore the devastated southeast section after

the storm. Spain described the rubble as a "pile of tin, twisted up."

At 8 a. m. Monday, Thompson and other officials compiled an initial damage estimate of \$1,815,400 which was later hiked to \$2½ million.

"We found that a lot of the homes we thought were just unroofed were actually destroyed," Thompson explained. "That's why we raised the figure."

Communication with Hereford was difficult throughout Monday as the storm severed lines to more than 500 telephones. A telephone company spokesman said the destroyed cables will be replaced by underground lines.

Power was being restored at 1 p. m. Monday to many residences and businesses and two of the hardest hit streets--Avenue K and Star Street--were cleared for traffic.

Governor Preston Smith Monday dispatches a state disaster team to Hereford upon the joint request of Mayor Jim Sears and Deaf Smith County Judge H. C. Williams.

The disaster crew will survey the damaged sections block by block, according to Thompson, and will ascertain if the city qualifies as a disaster area.

Thompson pointed out, however, that the town's utmost concern is "cleanup."

"As a point, we've been real fortunate. We've got all the help we need and now it's just a matter of cleaning up," he went on to say.

Shortly after the twister struck Hereford, Thompson issued the call for outside assistance from law enforcement agencies, fire department units and other emergency relief squads.

Some 75 law enforcement officers converged on Hereford before sunup, providing protection against looters and helping block off heavily damaged sectors of the city.

## County Spelling Bee Saturday

The Lubbock Avalanche-Journal County Spelling Bee will be held in the Littlefield Court Room at 1:30 p. m. Saturday.

Mrs. Beth Manning will be pronouncer and the school directors will serve as judges.

Six schools will be represented at the bee. They are Springlake-Earth, Spade, Amherst, Littlefield, Sudan and Olton.

Representing Springlake-Earth will be Camille Haberer and DeAnna Holmans. Kim Jones will serve as an alternate.

Last year's county champion, Linda Ivins, from Spade, will be attending the meet. She represented Lamb County in Lubbock last year.

The regional meet will be May 1 at Smiley Wilson Junior High in Lubbock at 10 a. m.

# Local Students Named To Dean's List PTA Spring Conference To Be Held Friday

GARY KELLEY

Vicki R. Sanders, daughter of Tom Sanders, Gary Kelley, son of Mr. and Mrs. Guy F. Kelley, of Earth, and Mrs. K. B. Parish of Springlake were among the more than 1,650 students in the College of Arts and Sciences at Texas Tech University to be named to the Dean's List during the fall semester.

To qualify for the Dean's List a student must have a grade point average of 3.0 or more and must be taking as many as 12 hours of work.

Announcement of honor students was made this week by Arts and Sciences Dean Lawrence L. Graves.

The College of Arts and Sciences is one of eight colleges and schools at Texas Tech University. The others are the colleges of Agricultural Sciences, Home Economics, Engineering, Education and Business Administration and the Graduate School and the School of Law.

Enrollment during the fall semester passed the 20,000 mark for the first time since Texas Tech was founded in the mid-twenties.

The PTA spring conference will be held in Levelland High School Friday. The theme will be "Who Says We Can't?"

PTA leaders from the district and state will be present to inform, instruct and inspire. Workshops will be held on family, community, education, human relations, government and drug abuse. There will be other workshops for the local presidents and other officers.

This conference winds up a year of PTA work and gets things rolling for next year. Any PTA member can attend and should contact Mrs. Larry Hausmann or Mrs. Ray Joe Riley. Several from Springlake-Earth are planning to attend the conference which should be very inspiring.

Springlake-Earth PTA year-books and history books will also be judged at the conference.

## Sweettooth?

How does your sweettooth feel? Could it use a delicious juicy pie or a nice, fluffy cake?

Well, your sweettooth won't have to wait to sink into a mouthwatering pie or cake if you hop down to Pattersons Pay and Save between 4:30 and 7:00 p. m. Friday, April 23. When you arrive, you'll be greeted by members of the Springlake-Earth High School National Honor Society. These industrious youths will be conducting a bake sale on Friday. Why? The Honor Society is in the process of adding to their scholarship fund and all proceeds will be used to aid a worthy student in furthering his education.

So why not treat your family and satisfy your sweettooth and aid a student by purchasing pastries from the Honor Society.

Interest on the national debt cost American taxpayers \$39,000 a minute, according to the House Appropriations Committee.

# Twister Quintet Dances Over Area

A quintet of twisters performed a mage dance along paths that proved to be a sector 10 miles wide in some spots and 22 miles long north and east of Muleshoe.

The five twisters, which roared over this West Texas City like "a great big train" touched down some 3 miles from Muleshoe moving northeast.

The powerful wind storms uprooted trees, twisted wreckage, unroofed homes and outbuildings and downed 38 electric and telephone poles on their journey.

Twenty-five farm homes were damaged in the community of YL, about 10 miles northeast of Muleshoe, had damage of varying types--including house and garage roofs removed and damage to a trailer.

About 2 miles west of Lazbuddie, the home of Mrs. Larus Treider was damaged extensively and Mrs. Treider was found Monday morning.

She was apparently not injured.

"I am 85 years old and nothing like this ever happened to me before," she said.

Approximately 40 men of the neighborhood were repairing her home this morning. Her house was unroofed, barns and other outbuildings were damaged or blown away, and trees were broken. She was found Tuesday morning by Bailey County Electric Cooperative workers.

Mrs. Hattie May, 68 of Muleshoe Rt 1, was injured as she was driving about 2 miles south of Lazbuddie during the storm. One account was that her car was blown from the highway. Driving rain was occurring at the time.

As Mrs. May was helpless beside the highway, a family in route to West Plains Memorial Hospital in Muleshoe with their injured child saw her and stopped to take her to the hospital with them, said Radio Station KMJL.

The child injured is Gerald

Mendoza, 13-month old son of Mr. and Mrs. Paul Mendoza. He had extensive lacerations on top of his head and on his forehead.

Mrs. May had a fractured ankle, chest injury and facial bruises.

The Mendoza child was injured when the family's trailer house was rolled and twisted and split in half.

While Mrs. May was being injured in the storm, her house was being moved about two feet off its foundation and a plate glass window in her living room was being shattered. The home is located about 5 miles north and 1 1/2 miles northeast of Muleshoe.

From the Gregory farm where the first damage was located the storm moved to the Butch Vandiver farm 3 miles north and 1 1/2 miles east of Muleshoe. Vandiver said it was approximately midnight when the shop roof in his yard was blown off. He located it Tues-

# Cloud Seeding Planned To Stimulate Rain

Directors of the Plains Weather Improvement Association voted Thursday, April 8, to conduct a rainfall stimulation program in conjunction with the 1971 hail suppression program. The decision was spurred by one of the biggest droughts to ever threaten the Southwest. Hale and portions of Lamb, Floyd, Crosby, Castro, Swisher and Lubbock Counties are included in the 2,000 square-mile area over which the project will be conducted.

Frank Moore, president, said that in last year's hail suppression program, only about 10 percent of the clouds were seeded. It has been scientifically proved that rainfall can be stimulated to increase the amount of precipitation re-

ceived from 18 to 20 percent over a 30 to 50 percent larger area in hail suppression programs, Moore said.

To conduct the rainfall stimulation program aircraft applying amounts of silver iodide crystals into updrafts of air feeding into the clouds will seed the clouds. This is similar to the hail suppression program except that more clouds will be seeded.

The rainfall stimulation program will begin with the hail suppression program on May 10 and will continue through September 1 unless, of course, we get too much rain by then," Moore stated.

Moore added that the rainfall stimulation program will cost \$100 per hour plus materials.

Both programs will be conducted by Atmospheric, Inc. which conducted the hail suppression program last year and has contracted to stimulate rainfall in the Colorado River Basin area beginning April 17.

Moore, who estimated that the stimulation program will cost an additional \$10,000 per county or \$20,000 for the target area, stressed that this was not a rainmaking program. "If we don't have the clouds to seed, the program won't cost anything," he said.

Moore reported that the Plains Weather Improvement Association had collected \$43,000 to date, about a month behind last year's amount at this time. "However," he said, "we started about a month late-

er this year." He continued by saying that supporters in Hale and portions of the surrounding counties would have the necessary \$80,000 for part of the hail suppression and rainfall stimulation program by April 22. Lamb County residents will raise nearly that much to implement the complete project, Moore said. Total cost of the program will be \$127,600.

Moore further pointed out that the rainfall stimulation project costs were less expensive than in other areas.

Moore said the application pending before the Texas Water Development Board for a permit to conduct a hail suppression program is being amended to permit the rainfall stimulation operation.

# Registration For PH&T Competition Now Open

All boys, aged 9 through 12, in the Earth-Springlake area soon will have an opportunity to test their baseball skills in a nationwide competition that will culminate with eight boys competing for national championships at the All-Star Game in Detroit July 13.

Registration for the competition -- the Official Major League Baseball Pitch, Hit and Throw Competition (PH&T) -- began in this area on April 1.

Now in its second year, PH&T is sponsored by Major League Baseball in conjunction with Phillips Petroleum Company and local Phillips 66

dealers.

Registration will continue through May 20 and local contests will be held on May 22, according to M. H. Been, local Phillips Petroleum Company distributor, the PH&T coordinator for this area.

Been said he expects that several hundred boys from this area will register for the competition.

Each boy competes with boys of his own age in three events -- pitching for accuracy, hitting for distance and throwing for accuracy. Winners are determined on the basis of total scores.

Local winners will advance to district contests on June 5 (or 6) at Amarillo.

Winners and runners-up at every level -- including the local winners -- will receive handsome plaques and jacket patches. At the division level, each participant from this area will compete in a junior-size baseball uniform loaned for the purpose.

They also will be feted at a banquet with major league stars and taken on a sightseeing tour of the city.

Been said that when PH&T was launched last year, more than a quarter-million boys participated in all of the 50 states. This year the number is expected to exceed a half-million.

Baseball Commissioner Bowie Kuhn, in a statement issued in connection with PH&T, said the competition has transformed the widespread popularity of baseball among boys into a nationwide physical fitness and youth development program.

While most boys, he said, play baseball simply for enjoyment, it is a maturing experience. "PH&T has given a new dimension to that experience."

# "Mini-Bikes" Cause Maxi Headaches

Mini-skirts, mini-shorts, ... everything's a "mini" these days. But "mini-bikes," the latest craze in midget motorcycles, have the potential to cause maxi-headaches for many parents in Texas, the Insurance Information Institute cautions.

These packages of pint-sized propulsion look like toys, the Institute notes, and they are notorious for their ability to win their way into the hearts of youngsters -- particularly those between 10 and 14. However, unless the driver is of legal licensing age (15 years old in Texas) or he operates the mini-bike only on his parents' own private property, the vehicle is being operated outside the law and insurance coverage is non-existent.

Texas law prohibits operation of a motor vehicle by anyone under the age of 15 on any public street or thoroughfare in the state and mini-bikes come under the provisions of this law, the Institute says. This covers riding on sidewalks, in parking lots, in apartment complex entrances, exits and

access roads, as well as alleyways and highways.

If the mini-bike is being operated by an underage driver on his parents' property, any damage or injury caused by that driver is covered - within the limits of the policy - by the usual homeowners insurance coverage.

However, the Institute cautions that if the vehicle is being operated outside these narrow limits, the parents of the driver assume responsibility for any damage or injury, and neither the family automobile insurance nor homeowners insurance will offer relief.

The Institute urges parents to consider the problems involved in allowing underage drivers to operate these mini-bikes, from the standpoint of possible harm to the child driving the vehicle and also from the standpoint of possible legal liability and resultant damage suits that could arise from injury or property damage that the youngsters might cause.

Mr. and Mrs. G. L. Adrian of Earth were notified by the Department of the Navy that their son Airman Lonnie D. Adrian, had earned the distinction of being chosen Honorman of his company. He was selected for this honor by his shipmates in recognition of his demonstrated attention to duty, military conduct, responsiveness to orders, cooperation, loyalty and comradeship.

A Certificate of Honor will be presented to him during the Recruit Graduation Review on Friday at 10:00 a.m. at the Recruit Training Center in Orlando, Florida.

Adrian will be promoted to the rank of Ensign 3 Saturday, following graduation. He will then enter the Air Force branch of the Navy and begin five months of training in the air photography in Pensacola, FA.

Adrian is a 1966 graduate of Springlake-Earth High School.

# Annual Governor's Cup Race Scheduled

R. L. Bigham, Commodore of the Lubbock Boat Club announced that the THIRD ANNUAL GOVERNOR'S CUP RACE will be held May 1st and 2nd at Buffalo Springs Lake.

This annual event features top flight Power Boats which will participate in both Closed Course Races and the one hour marathon Governor's Cup Race. Sanctioned by the American Power Boat Association, all winners will be eligible for APBA points. This year's race is expected to attract over 15,000 race fans and racers from six states.

Special events include Drag Races, Celebrity races and displays of the finest Racing Boats in West Texas.

The Lubbock Boat Club headed by Commodore Bigham, is open to all Lubbock residents interested in boating. In addition to sponsoring the Governor's Cup Race, the Club also

sponsors Sail Boat Regattas, Safety Clinics, Power Boat Maintenance and Operations Workshops and two other annual power boat races at Buffalo Springs Lake.

Bigham stressed that there would be no additional entry charge for spectators wanting to watch the races. The normal gate admission of 25¢ for adults will be in effect during the event.

For additional information contact: Mr. R. L. Bigham, 1816 Texas Avenue, 768-8291.

What does the word "denier" mean on a box of stockings?

Denier is the weight and thickness of a strand of nylon yarn. The lower the denier, the thinner the yarn and thus the sheerer the stocking. Very sheer hose are around seven denier, and heavier stockings will be 40 to 50 denier.

# Earth Co-Op Directors Elected

The Springlake-Earth School cafeteria was a busy site Monday, April 19, as the Earth Co-op Gins, Inc. hosted 150 persons at its 41st annual stockholders meeting.

During the session, which began at 6:00 p.m., two directors were elected to fill the vacancies created by the expiring terms of Jimmy Craft and Donald Kelley. Election results revealed the directors elected to be Donald Runyon and Phillip Haberer. These two men will join directors James A. Littleton, Jr., Jack Angeli-

ey, Johnny K. Martin, C. C. Goodwin and Calvin Wood to manage affairs of the gin.

At various intervals during the meeting, seven lucky persons received door prizes of lovely all-cotton towel sets. Recipients of the sets were Stella Thomas, Juanita O'Hair, Frances M. Carty, Ruby Shelby, Wanda Martens, Juanelle Angeley and Mrs. Vic Reynolds.

Further business conducted included the financial report presented by auditor Don Williams of the Merriman Com-

pany of Lubbock. Also given were reports from member cooperatives doing business with the local gin and minutes of the previous meeting were read by secretary J. A. Littleton, Jr.

The 41st session concluded with the distribution of dividend checks in the amount of \$45,000.

The Springlake-Earth stage band provided entertainment for the evening.

## Former Resident Dies In Las Vegas

Laura Cunningham, Hertel, 47, died suddenly of a heart attack at her home in Las Vegas, Nevada, Tuesday, April 20.

Mrs. Hertel was born in Hereford on June 8, 1923, the daughter of Posie and Winnie Cunningham, both of whom have preceded her in death. Services will be held April 23 at 11:00 in the Bunker Bros. Mortuary in Las Vegas, Nevada. Interment will be in the Las Vegas Cemetery.

She is survived by her husband, Wallace Hertel; one daughter, Linda Nadolski; and one son Eddie Nadolski.

Mrs. Dub Martens left Sunday to visit Mr. and Mrs. Harold Powell and Tod in Irving. She will leave from there for Chattanooga, Tennessee, and

### Wanted Used Pickups

### It's PIONEER again this year.

Here's why:

BUTCH PRESTON, Friona, averaged 8314 pounds of grain sorghum per acre last year from two Pioneer brand hybrids -- 820 and 828. The 165-acre crop was planted between May 1 and May 15 and harvested about the first week in November at 15 percent moisture. It was irrigated five times including the pre-plant watering. Mr. Preston liked the standability, yield and easy threshing of both these varieties and expects to plant them again this year. We are proud that so many good farmers plant Pioneer brand hybrids year after year.

Pioneer is a brand name, numbers identify varieties.

## Den 1 Study Conservation

Den 1 met Tuesday at the Cub Scout Hut and opened their meeting by saying the Pledge of Allegiance.

The den was led in a discussion by Mrs. Larry Hausmann on the meaning of conservation. Ways of conserving were discussed and an assignment was made for next week to make a chart showing products that come from the soil.

The den worked on requirements for the conservation achievement #7 by cleaning

the Cub Scout Hut thoroughly and cleaning around the outside for their part in the Earth Day clean-up for Wednesday. Games were enjoyed after the clean-up.

Andy Hartman served refreshments of toffee ice cream bars to Loren Taylor, Biff Belw, Allan Clayton, Rex Fenell, Dave Ingram, Nathan Ingram, Trent Brown, J. W. Pickard and leaders, Mrs. Larry Hausmann, Mrs. Bob Belw and Mrs. Nathaniel Ingram.

WELFARE... Entertaining the group during Friendship Night are Rainbows Susie Adrian as "Pa" and Joan Dudley as "Ma". The twosome with their 10 children presented this humorous skit entitled "Welfare."

## Den 3 Works On Achievements

Cub Scout Den 3 met Wednesday, April 14, and worked on achievements. Each boy who completed an achievement during the week received a pea shooter.

The Cubs wood carved their names on a bookcase they had made earlier in the year so that the future Cubs would know who made the bookcase.

Den Chief Brian Taylor led in the Pledge.

Jimmy Robbins served Pop-sicles to Ricky Higgins, Lonnie Nelast, Glen Hausmann, Rodney Davis, Greg Geissler, Byron Smith, Keith Locke, Gary Pickard, Den Mother, Mrs. Phil Nelast, and assistant Mrs. Robert Geissler.

## Scouts Prepare For Camp-O-Rey

Eighteen boys met Tuesday evening at the regular Boy Scout meeting and worked on things they will be doing in competition with other troops at the Camp-O-Ree on the

George White Ranch west of Littlefield April 30-May 1. They measured distances that are hard to reach.

Assisting with the boys were Travis Jaquess and Darrel Howard.

## Little Dribblers Eliminated In Tourney

One win and one loss were racked up by the Springlake-Earth Little Dribblers before they fell to Farwell and third place in the elimination tourney held Friday and Saturday in Friona.

First action seen by the local group was a 7:00 p. m. Friday clash with Farwell. Mark Barton dropped 2 for S-E during the first quarter of play. Farwell whipped the net with 3 for a 6 point lead.

A sudden rally paid off for S-E and 8 points were dunked during second quarter action

by Rodney Geissler with 4, Mark Barton with 2 and Donnie Well with 2. Farwell retained their lead but it had dropped 1 point at half time with the score 15-10.

Scoring during the third period was led by the local basketballers as they narrowed Farwell's lead 21-18. Carlton Gregory dunked 4 followed by Rodney Geissler and Mark Barton with 2 each.

The lead held by Farwell had been completely diminished at the end of four quarters of regulation play. Mark Barton racked

up 5 to Farwell's 2 and tied the score 23-23. Three minutes of overtime play was all it took for Farwell to drop the sphere for one point more than S-E. Rodney Geissler blasted the hoop for 2 and Mark Barton pumped in 1 while Farwell racked up 4 to take the game 27-26.

S-E moved down one step on the bracket and blasted Crowell 35-26.

Nine points were not enough to snatch the first quarter lead from Crowell with 10. Mark Barton racked up 8 points and Royce Jordan slipped a free throw through the hoop for 1.

Another 9 points were bounced off the backboard and S-E

secured the lead during the second quarter. Carlton Gregory and Dickie Brown each dropped 2 to support the 5 points racked up by Mark Barton giving S-E 18 and Crowell was held to 14.

Second half play saw S-E widen the scoring margin 26-19 with Mark Barton rallying for 2, Rodney Geissler, 4; and Carlton Gregory, 2.

The final quarter of play was dominated by Mark Barton who dropped 5 followed by Carlton Gregory with 2 to take the victory by 9 points.

Springlake-Earth was again pitted against Farwell in their final game and were downed 27-20.

First quarter scoring was led by Mark Barton who dunked 3 and Carlton Gregory dropped 2 to take the lead 5-4.

Farwell grabbed the lead and held it at the end of the first half 12-10. Mark Barton and Dickie Brown each hit for 2 and Carlton Gregory added 1 to the total.

A 7 point margin was the lead held by Farwell at the end of third quarter action. Mark Barton and Carlton Gregory divided the quarter's scoring with 2 points each.

The seven point lead was unhampered as Springlake-Earth put forth their final effort in the fourth quarter only to be matched point for point by Farwell. Mark Barton blasted in 4 and Carlton Gregory 2 in the last quarter of play during the final game of the season for the Springlake-Earth Little Dribblers.

## Party Line

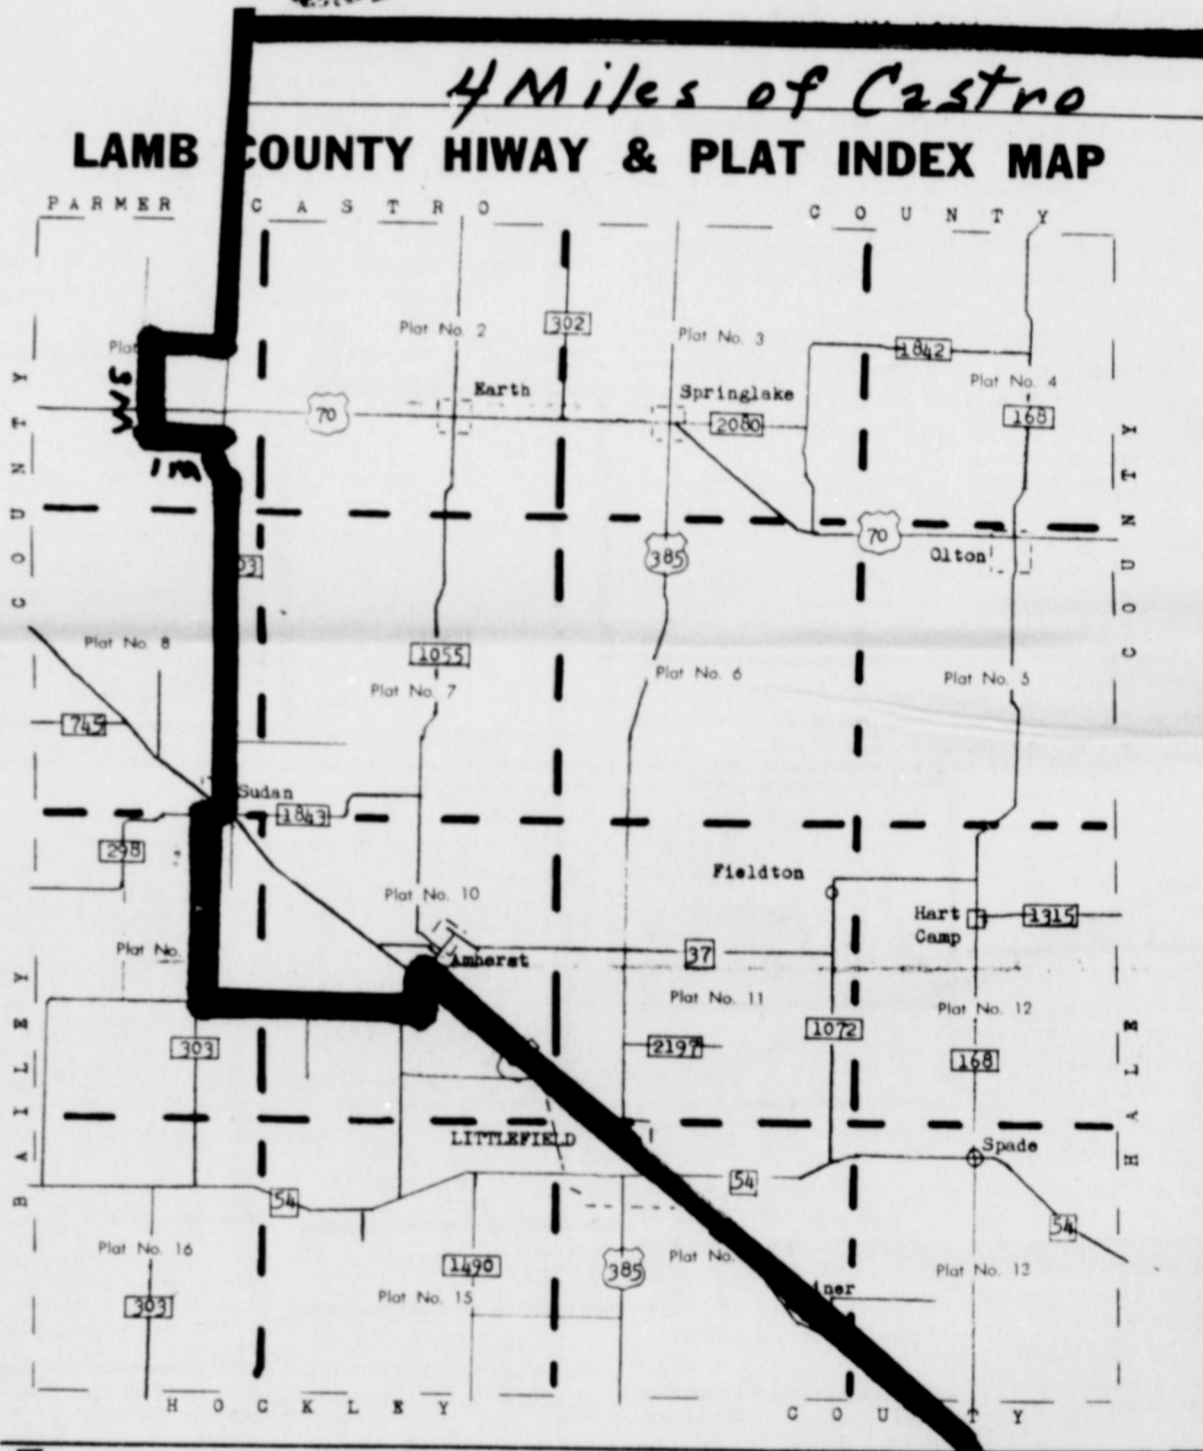

Aurelia Sanders was accompanied to Amarillo Thursday afternoon by Mrs. Ross Middleton. Mrs. Sanders attended an art class there and was overnight guest in the home of Mr. and Mrs. H. S. Sanders, Jr. Mrs. Middleton spent the night with Mr. and Mrs. Phil Middleton. Others visiting the Phil Middletons that evening were Jamie Washington, Lauren Earnest, Gloria Stephens and Darwin Sanders, all formerly of Springlake, and Cris Adams of Amarillo.

Sir Francis Drake was the first Englishman to sail around the world.

Alexander the Great was born in Macedonia, died in Babylon, and was buried in Egypt.
