

# Kenneth Wyatt CofC Banquet Speaker

Kenneth Wyatt of Tulla will be the 1971 Chamber of Commerce Banquet speaker.

Wyatt is one of the most able of the great new artists of the west. He has a new concept and style in western art that has brought him outstanding buyer response and appreciation. His record is a tribute to the art buying world.

Wyatt, his wife, Veda Mae, and children, Mark and Jill, live in Tulla where he is evangelist for the United Methodist Church. After service on the Knife and Fork Club circuit as an outstanding humorist and speaker on Christian principles, he is in wide demand by clubs and young people's organizations.

Wyatt was introduced to the art buying public at a High Plains Galleries auction and the buyers, recognizing his bold style, his use of color, and his superb draftsmanship, bought him at a record pace.

One of his most dramatic and biggest boosts came early in 1969, when Mr. and Mrs. Ken Curtis, Festus Haggins of Gunsmoke fame, in Amarillo for the annual Stock Show and Rodeo liked his work so well they bought seven of his major paintings. Festus Haggins' statement that he had been looking all over the country for western art and felt that Wyatt's work was for him received widespread publicity.

KENNETH WYATT

The Chamber of Commerce and Agriculture Banquet is scheduled Friday, February 12, at 7:30 p. m. in the S-E cafeteria.

Tickets may be purchased at \$2.50 from chairman Bill Scott or the Chamber of Commerce office.

## Earth Business Firms Need More Night Lights

Mayor E. C. Kelley asked help of the News-Sun Tuesday in an effort to awaken merchants in the City of Earth to the need of leaving a light on in their business firms during the night. Kelley said several business places seemed not to leave any lighting whatsoever in their firms at night. This he said is nothing short of an invitation to thieves to break in and steal.

He went on to explain the need also of having better lighting in the alleys. This could be accomplished through the cooperation of two or three merchants splitting the cost of the monthly light bill. This way it would not be a burden to any one merchant and would afford each one better protection.

Kelley went on to say there seemed to be numerous break-ins throughout the West Texas area. He paused to reflect that an ounce of prevention was better than a pound of cure and

that better lighting of the firms and the alleyways behind would serve to discourage would-be thieves. "Those unlighted buildings are nothing short of a trap," Kelley said, giving as an example, "If the police spot a broken out window in a firm and stops to investigate and must walk into an unlighted building with the street lights behind him he is silhouetted for the thief inside and he is nothing short of a target for a thief."

Police protection should be considered in Earth and everything that can be done to prevent theft here should be done. The City Council this week purchased a riot gun which is the same as a sawed off shot gun, for the City Marshal. Marshal Pittman will now carry the riot gun as he patrols the town. This was an act to provide police protection for our City Marshal.

## Earth Car Recovered After Being Stripped

A 1962 model Chevrolet was stolen from the home of Mr. and Mrs. Dick Goldstein in Earth sometime during the night Wednesday and was taken to a spot approximately 14 miles from the Goldsteins' residence and was stripped.

Goldstein, a member of the Springlake-Earth High School faculty, reported the theft of the automobile at 7:30 a. m. Thursday when he made ready to go to school. After being notified of the theft, City Marshal Alvin Pittman alerted the Deputy Sheriff E. E. Burrows and Sheriff E. D. McNeese to be on the look out for the stolen auto.

Nicho Triana, a S-E High School student, arriving at school at approximately 9 a. m. Thursday, notified Deputy Sheriff E. E. Burrows that he had spotted Goldstein's car while on his way to school. The youth told authorities where the car was parked.

City Marshal Alvin Pittman, Deputy Sheriff E. E. Burrows and Sheriff E. D. McNeese immediately drove to the scene where the car was left and found it stripped. Gone were the battery, tires and headlamps. The trunk showed tell-tale signs where attempts had been made to pry it open. Total damages were estimated at approximately \$200.

City Marshal Alvin Pittman stated Tuesday that the rims from the headlights have been recovered and that he feels certain the other stolen items will be recovered soon.

VANDALISM STRIKES AGAIN--The picture above shows damage received sometime during Wednesday night or early Thursday morning on a 1962 Chevrolet belonging to Dick Goldstein, a member of the Springlake-Earth High School faculty, when vandals stripped the vehicle.

## S-E Little Dribblers National B B Champs?

National Basketball Champions in Springlake-Earth? Probably not too many of our area citizens would give much consideration to such a question. But a realistic assessment of Springlake-Earth's new Little Dribblers Basketball program shows that a possibility for a National Championship does exist.

The new Little Dribblers basketball league in Springlake-Earth is an active part of the nation's most rapidly expanding youth activity, Little Dribblers, Inc.

This season, Little Dribblers basketball leagues are operating in over 30 Texas communities, 12 other states, and people in 29 states are interested in organizing teams.

A few years ago, in Levelland, local citizens decided they wanted to boost the city's sagging junior high basketball program. What they did is now on its way to becoming basketball's equivalent of Little League Baseball.

Helping Levelland was the original idea in creating basketball leagues for boys 8, 10, 11 and 12 years of age. The idea caught on so well that less than two years ago, Little Dribblers, Inc. received its Charter. Expansion followed and last year teams from Arizona, New Mexico and Texas participated in the First Annual Little Dribblers Basketball Tournament.

All towns, regardless of size, have a chance to win a National Championship designation. Regional play-offs will determine the 16 teams--eight from each division--that will meet in this year's Second Annual National Tournament, scheduled for April 20-May 1.

LDB rules call for two divisions of play. The American Division for towns with less than 5,000 population and the National Division for cities over 5,000 population.

Springlake-Earth is one of the Texas towns that will have an active Little Dribblers league and local officials are shooting for a national title.

One of the best things about the program, supporters say, is that every team member must play at least one full quarter each game. Every team member is a playing member. Besides teaching fundamental basketball skills, participation encourages leadership abilities, cooperation in team play and physical fitness.

Ed Dawson was one of the first Springlake-Earth citizens to express an interest in establishing the Little Dribblers program here. The local league will begin play the middle of February and continue through April.

The Board of Advisors for Little Dribblers, Inc. includes major college coaches Bob Bass of Texas Tech, Leon Black of Texas and Ted Owens of Kansas. And numerous high school coaches (who can see future advice on program administration.

National Basketball Champion in Springlake-Earth? Could be!

## City Council Has Lengthy Agenda

Members of the City Council met Monday to resolve many items of business on a lengthy agenda. Several citizens attended and presented various proposals for consideration of the council.

The meeting opened with the minutes being read by Mrs. Lu Ann Britton. These were approved by the group.

Mrs. Marie Ross and Mrs. Wayne Rutherford, representatives of the Town and Country Study Club, asked the council to consider lower cost of water rates for the summer months.

Mrs. Ross asked if it would be possible for the town to put some type of signs or decorations in the empty buildings in Earth so the town would not look so bad to people driving through.

Fire Chief Bud Matlock and Fire Marshal James Wages gave the council a brief but detailed report on a new siren system that could be heard over the entire town for the volunteer fire department. They asked if the City could purchase the new system. City attorney, Andy Stroebel, is to contact the Civil Defense and see if the government, through Civil Defense, will help with the purchase.

The council voted to keep the same tax rate for 1971 set at \$1.50 per \$100 based on a 2% evaluation.

A City election has been called for April 30. Offices to be filled are those of aldermen Larry Tunneil, Bill Bryant and Doug Parish whose terms will expire.

The deadline to file as a candidate for the three vacancies is March 4.

City Marshal Alvin Pittman reported the purchase of a riot gun. He also asked the council to purchase a camera for use by the city so he would not have to borrow one from Littlefield.

A group discussion was held on the need of three additional street lights for the city. The three sites are at Hite Park Addition, North Parish Addition and the Westside Addition.

The resignation of Bill Bryant was accepted. Bryant plans to move from Earth in the near future.

Repairs to the city swimming pool were okayed and applications for management of the pool are being accepted.

The bills were voted to be paid and the meeting was adjourned.

Attending the meeting were Mayor E. C. Kelley, City Marshal Alvin Pittman, City Attorney Andy Stroebel, Water Superintendent Johnny Enloe, and aldermen H. S. Hickman, Bob Belew, Doug Parish, Larry Tunneil. Also present were Mrs. Harold Britton, Mrs. Marie Ross, Mrs. Wayne Rutherford, Bud Matlock, James Wages and Norman Hinchliffe.

Larry Hausmann left Thursday for San Antonio to attend a church conference. He returned home Saturday.

## Area Men Attend Conference

Rev. David Hartman, pastor of the First Baptist Church in Earth and Guy Francis Kelley of Earth recently attended an institute on evangelism held at Arrowhead Springs in San Bernardino, California. This is the headquarters of the Campus Crusade for Christ International, sponsors of the conference.

The conference consisted of teaching people how to share their faith. It presented the "how-to" aspects of effective presentation.

Following a brief morning session, the group gathered for inspirational messages. These dealt with "The Cleansed Life", "The Spirit Filled Life", "Walking In The Spirit", "Lity's Role In A World In Crisis", "Priorities", "Witnessing In The Spirit", "The Great Commission", and "How To Love."

On Tuesday and Thursday, groups were divided into pairs and sent to visit in Redland, California, and to make community religious surveys. They witnessed for Christ as they visited the townspeople.

Rev. Hartman stated that the inspirational messages were taped and would be placed in the local church library. The local townspeople were inspired by the religious conference and were anxious to tell others of their experiences there.

Mrs. Johnny K. Martin was admitted to the Littlefield Hospital Friday.

## New Mail Schedules

New mail schedules have been reported to the Earth News office by Postmaster Harold Miller.

Mail will be dispatched to Springlake and Olton at 11 a. m. Monday through Saturday.

Mail for Muleshoe will be dispatched at 2 p. m. Monday through Friday.

Mail for all cities and towns will be dispatched at 4 p. m. Monday through Friday and at

10 a. m. Saturday, Sunday and holidays.

The street letter box will be cleared at 3 p. m. on Saturday, Sunday and holidays. Mail dropped after these times will be postmarked the following day.

These changes are necessary if we are to give better service to our customers. This should give you next day service on First Class mail in a radius of 500 miles of Earth, Texas.

## Springlake Baptist Church To Present "His Land"

"His Land", the thrilling story of Israel from ancient to modern times, is a one-hour color feature motion picture to be shown at the First Baptist Church in Springlake on Monday, February 8, at 7:30 p. m. Shown graphically is the fact that Israel today is a living testimony to the words of the prophets when they proclaimed

that Israel would take her place among the nations of the world.

"His Land" rich in color and authentic sights and sounds, with a popular musical score composed by Ralph Carmichael, has been called "a musical journey into the soul of a nation and will be enjoyed by all who attend."

## Judges and Commissioners Conference Feb. 10-11

Co-lege Station--The 13th annual County Judges and Commissioners Conference is set for Feb. 10-11 at the Ramada Inn here.

The conference, with the theme of "Responsible County Leadership," is jointly sponsored by the Texas Agricultural Extension Service and the County Judges and Commissioners Association of Texas.

About 300 judges and commissioners are expected for the conference, according to Charles E. Lawrence, Extension county officials program specialist.

He indicated that much of the program will be directed to newly elected officials. In an effort to better acquaint them with the day to day operation of their office.

Although many of the programs will be for both judges and commissioners, some will be divided into different sessions for each group of officials, noted Lawrence.

He added that many Extension specialists present can contribute on-the-job information.

Among the speakers in the conference will be Colonel Wilson E. Speir, director of the Department of Public Safety, and Assistant Attorney General J. C. Davis, Jr.

## Treflan Valued At \$1800 Taken From Earth Ag

Ninety gallons of Treflan valued at eighteen hundred dollars was stolen Tuesday night, January 26, from the Earth Ag Supply firm in Earth. Norman Hinchliffe, manager of the firm, said the burglary was discovered when he arrived for work Wednesday morning.

Thieves apparently gained entry by breaking out a window in the main office building. They then entered the storage room and made away with the 18 five gallon cans of Treflan.

Investigating officers on the case include deputies Jerry Collins and Jerry Lightfoot of Littlefield and City Marshal Alvin Pittman. In checking with the Lamb County Sheriff E. D. McNeese in Littlefield, he stated that this was the first robbery this year of farm supply places and the only one as yet in Lamb County. He went on to say, "In the past few years, farm supply places have been hit by numerous robberies. Since last Tuesday, when that robbery occurred other counties in the area have been hit by thieves including Castro, Bailey and Farmer."

As of yet no clues have led to the discovery of the thieves who burglarized the local firm, reported Sheriff McNeese.

## Springlake Lions Celebrate Anniversary

The Springlake Lions Club held an Anniversary Dinner for their wives celebrating their 15th year. Twelve charter members were honored at the event. They were: Billy W. Clayton, James Sanderson, Willis White, Donnie Clayton, James Busby, Ed Jones, Hilbert Wistlan, R. L. Byers, Jr., J. J. Coker, Elroy Wistlan, Ronald Cleavinger and W. B. Barden. Entertainment for the evening was presented by the Golden Tones consisting of Karen Dear, Kim Welch and Regina Cole.

The group presented four songs to the gathering. Speaker for the evening was Roy Lynn Kahlich, district governor of 2T2, who was accompanied by his wife Joyce. The program pertained to the relationship of Americanism and Lionism. He told what Lions Clubs need to do to make our country better. Kahlich told about the program the Commission had made early in the 1900's for the conquering of the United States without a war and told of the progress their plan has made so far. The program was a very informative one and said to be very meaningful.

A delicious dinner of chicken, dressing, gravy, cranberry sauce, green beans, tossed salad, relish plate and peach cobbler was served to approximately 50.

The dinner was served by Kim and Sue Jones, Kathy King and Susan Clayton, daughters of Springlake Lions.

## '71 License Plates On Sale

1971 license plates went on sale Monday at the Earth City Hall. Vehicles must be registered by no later than March 31, 1971.

Last year, as of April 1, 1970, approximately 700 automobiles, 225 commercial vehicles, 125 farm trucks and 125 trailers were registered.

To register your vehicle this year, all you need besides the fee is the computer card mailed to you from the Texas Highway Department recently. If you have misplaced this card or have not received one, you may register by bringing your title and certificate of last year's registration.

## Meeting Held On Drama Planning

A one act play planning meeting was held Wednesday at 7:00 P. M. at the Hart High School.

The meeting was held for District 3A speech departments to make plans for a one act play contest to be held April 6 at Happy. The contest will be sponsored by each speech department of each school.

Attending from S-E High School were: Ward Cooksey, Dennis Criswell, and Mrs. Betty Sulser.

A third DPT Clinic will be held from 9:00 A. M. to 12 P. M. Wednesday, February 10 in the Earth Community Building.

Those who should attend this clinic are as follows:  
1. Anyone who missed a 3rd shot in the 2 series.  
2. Anyone who missed the 1st series but took the 2nd series in January and needs a 2nd shot.  
3. Anyone who needs only a booster.

These will be given only at the Community Building and not at school.

## BLOOD DONORS NEEDED

Donors are needed to give blood at the blood bank in Lubbock to replace blood used by Mrs. Ollie Mae Smith at the University Hospital.

Anyone who can give blood is asked to contact Oleta Sanders at school.

DALE RIGGS, manager of Pioneer Natural Gas Company in Earth, is shown receiving a plaque from Perry Martin, president of the Earth Chamber of Commerce and Agriculture, for being first place winner in the Christmas Lighting Contest for Businesses.

## West Texas Water Conference To Be Held In Lubbock

Lubbock--What's what with water--In Canada, the United States and specifically in West Texas--will be reviewed Friday (Feb. 5) for those attending the ninth annual West Texas Water Conference.

The conference is sponsored by the West Texas Water Institute representing 30 West Texas organizations which have a special interest in water resources.

Several hundred are expected to register when the conference opens at 8 A.M. at the Red Raider Convention Center.

Sessions will include discussions of the Canada Water Act, water planning in the Mississippi River basin, water planning by the federal government and the findings from special water related studies on the Texas High Plains.

Providing research results will be representatives of Texas Tech University, Texas A&M University and the U. S. Department of Agriculture's Agricultural Research Service (USDA-ARS) at Bushland.

Peter J. Reynolds, head of the General Studies Section, Water Planning and Operations Branch, Government of Canada, will open the meeting. He

will discuss "Canada Water Act: A Vehicle for Action," outlining the nationwide water resources program adopted by Canada.

Water planning by the U.S. government will receive special attention at the luncheon session when Executive Director Bill Clayton of Water, Inc., will be presiding.

Fred H. Bayley III, who has spent 18 years with the U.S. Army Corps of Engineers in Mississippi will talk about water planning in the Mississippi River Basin during Session I. He is assistant chief of the Corps' Planning Division at Vicksburg.

Moderator of this session will be Jack W. Fickessen, acting executive director of the Texas Water Development Board.

Interim Dean Sam E. Curl of the College of Agricultural Sciences at Texas Tech University will moderate Session II devoted to two discussions. Dr. I. R. Johnson, chief, Southern Plains Branch, Soil and Water Conservation Research Division, USDA-ARS, will review "Some Water Options for the Southern High Plains." Texas Tech agricultural economist James E. Osborn and William C. McCray will describe "In-

## Mrs. Allen's Services Held

Services for Mrs. Shelly Allen, age 58, were held Tuesday at the First Baptist Church at 2:00 P. M. with Rev. David Hartman officiating.

Mrs. Allen, a native of Earth, had resided in Paris for 18 months and earlier had been a resident of Plainview and Floydada. She was born August 10, 1912 in Montague County.

Mrs. Allen died Saturday afternoon at Paris.

Interment was in the Earth Cemetery under the direction of Parson-Ellis-Singleton Funeral Home.

Mrs. Allen is survived by her husband, Shelly one daughter, Mrs. Shirley Lowmore of Hugo, Oklahoma her father, Frank Barrett of Littlefield; six sisters: Mrs. Opal Lowe of Earth, Mrs. Shirley Presley of San Clemente, Calif; Mrs. Ruth Worthen of Dimmitt; Mrs. Betty Brooks of Hereford; Mrs. Martha Allen of Lubbock; Mrs. Glynas Pillow of Halfway; three brothers: Everett Barrett of Albuquerque, N. M., Cecil Barrett, Farmington, N. M., and Ben Barrett of Portland, Oregon, and one grandchild.

## Bookmobile Area Schedule

The High Plains Bookmobile will be in this area on the following dates:

Thursday, February 11  
Springlake #1, 11:00-11:45  
Springlake #2, 12:00-1:00  
Earth, 1:15-3:45  
Friday, February 12  
Pleasant Valley, 10:00-11:00

## Centre Nets \$12.05

Members of the Home Demonstration Club met Saturday at the Goodwill Centre and had total sales of \$12.05.

Assisting in sales were Mrs. W. E. Biles, Coletta Biles and Mrs. Herman Cooper.

terindustry Effects from Water in the Texas High Plains. Dr. Osborn is program chairman for the conference.

Afternoon sessions will be devoted primarily to research results.

Texas Tech Agronomist Eugene A. Coleman will talk about "Feedlot Runoff for Crop Production: Promise with Problems." From Texas Tech's Department of Civil Engineering, Tommy Ray Knowles and Dr. B. J. Claborn will present a paper on the "Development of a Computer Model for Groundwater Management."

Representatives from the Texas A&M University Agricultural Research and Extension Center at Lubbock will describe the "Effects of Irrigation Methods and Fertilizer Techniques on Potential Pollution of Groundwater by Nitrates and Other Solutes." They are Dr. C. W. Wendt, soil physicist, Dr. A. B. Onken, specialist in soil fertility, and Dr. O. C. Wilke, agricultural engineer.

"Groundwater Recharge Research for the Texas High Plains" will be shared with participants by Arland D. Schenider, USDS-ARS agricultural engineer.

Dr. George McBee, resident director of research for the A&M research and extension center in Lubbock will moderate that session.

Moderating the final session will be Director Tom Longnecker of the High Plains Research Foundation at Halfway. Three papers will be presented.

Dr. Raymond E. Meyer, Texas Tech Soil physicist, will discuss "Subsurface Asphalt Barriers as a Water Conservation Measure." Wilke will talk on "Potential for Harvesting Water in the Texas High Plains." Director Dan M. Wells of the Texas Tech University Water Resources Center will describe water research at Texas Tech.

## Texas Gets Federal Fund

Austin--Texas was allocated \$657,750 in federal funds for fish restoration and \$1,538,500 for wildlife restoration for operations in 1971.

Texas and Alaska received equal amounts for wildlife restoration and were the two states receiving the highest allocations. Texas, California and Alaska received the highest allocations for fish restoration.

Funds are made available by the U. S. Department of Interior's Bureau of Sports Fisheries and Wildlife to all 50 states, Guam, the Virgin Islands and Puerto Rico.

Wildlife funds are derived from the 11 percent excise tax on sporting arms and ammunition, and money for fish projects comes from a similar levy on certain sport fishing equipment.

## Home and Schools To Use Microfilm

Micropublishing, the publication and dissemination of information on microfilm, is destined for a major role in homes and schools, according to Eastman Kodak Company.

It will help Mom keep track of her recipes and assist the children with their school work. Dad will find micropublishing helpful in his home maintenance chores and hobbies.

Curriculum packages in schools will be microfilmed and libraries may even depend on micropublishing for lending in place of books.

The users of the products of micropublishing receive them in various ways, including roll microfilm magazines, aperture cards and microfiche. Microfiche cards are especially useful in micropublishing because of the volume of information that can be compacted on a single sheet--the equivalent of up to 500 pages.

## LETTERS TO THE EDITOR

Publishers of the Earth News-Sun  
Ross and Polly Middleton  
Earth, Texas

Dear Ross and Polly,  
The members of the Lamb County Farm Bureau sincerely appreciate your printing the story about the election of our new state president of Texas Farm Bureau, his qualities as a family man, and his qualifications as a leader in agriculture.

Lamb County Farm Bureau would also like to commend you for your encouragement to members of small communities to have a more progressive attitude.

We are also interested in keeping our young people with their new ideas and enthusiasm closer to home. Our county organization is generating increased activity in this direction.

If you would like to be informed of our activities in the county, please contact one of our officers or the county office and we will make sure you are made aware of them.

In behalf of Lamb County Farm Bureau, I remain gratefully yours,

Dolan Fenneil, President  
Lamb County Farm Bureau

Making plans for the future is often a way to escape work for the present.--N. DeVane Williams, Holmes County (Fla.) Advertiser.

## Troop 308 Goes Hiking

Springlake Brownie Troop 308 met Monday and were led in the Flag ceremony by Beverly King.

Members took a brisk mile hike and returned to play games.

Refreshments of candy bars were served to Lynn Howell, Teresa Lunsford, Beverly King, Cretia James, Lesia Templeton and leaders, Kathy Bibby and Carlene Jones.

## Den 2 Meets

Cub Scout Den 2 met Friday for a brief meeting.

The Pledge of the Flag was led by Bryen Vaughn and Alan Moore led the first verse of America. The Cub Scout Promise was said in unison.

The boys completed their achievement in American folklore. Afterwards, they discussed the upcoming banquet.

Refreshments of Cokes and potato chips were served by Keith Clayton.

Those attending were Allen Moore, Michael Smith, Keith Clayton, Lexie Fenneil, Kelley Green, Bryen Vaughn, Kerry Sawyer, Johnny Smith, assistant, Mrs. Alan Smith, and leader Mrs. Donnie Clayton.

## Lamb County Bond Sales Total \$115,604.

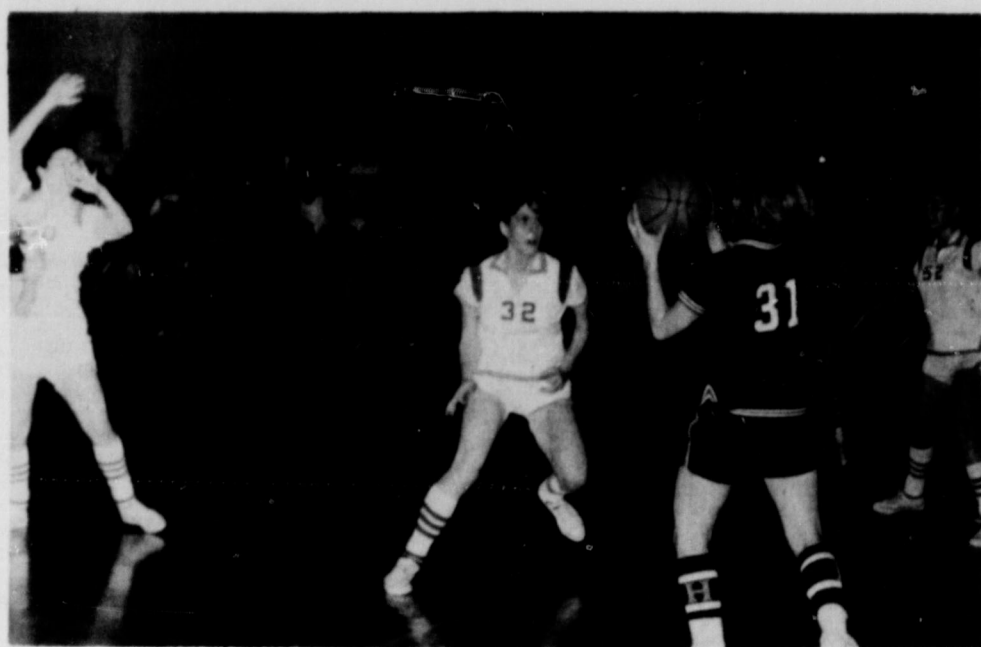

December sale of United States Savings Bonds in Lamb County were \$4,816,000, according to County Bond Chairman C. O. Stone. Sales during 1970 totaled \$115,604, which represents 89 per cent of the yearly sales goal of \$130,000.

Texas purchased \$14,698,804 in Series E and H Savings Bonds during the month. Total Bond and Freedom Share sales for 1970 were \$181,582,787 for 101 per cent of the state's goal of \$179.9 million. Seventy counties and seven districts in Texas have achieved their 1970 sales goal.

Nationwide, sales of E and H Bonds during December were \$384 million for an increase of 11.1 per cent over December 1969 sales. Total cash sales of E and H bonds for 1970 amounted to \$4,655 million - 6.2 per cent above 1969.

Bailey County purchased Sales Bonds in the amount of \$49,616, throughout the year which was 83% of the \$60,000 annual goal.

Castro County purchased Bonds totaling \$8,025,000 which was only 63% of their \$60,000,000 goal.

## High School Six Weeks and Semester Honor Roll

Ward Cooksey, S-E High School principal, has released the high school honor roll for the six weeks and for the semester.

Those students listed under the six week A honor roll are: Regina Meeks, Donna Lowery, Jan Cleavinger, Johnny Kelley, Gay Ellis, Kim Kelley, Kim Welch, Renee Jones, Julie Cleavinger, Elaine Hanson, Becky Littleton, Charles Winder, Pat Cleavinger, Scott Lee, Debbie Green and Denise Morgan.

Honor roll students are: Dale Wheatly, Karen Hinchliffe, Joe Rivas, Kevin Anderson, Monte Price, Jesse Castillo, Hoyt Glasscock, Mike Cleavinger, Karen Dear, Cris Dent, La Donna Sigman, Janet Britton, Sammy Matlock, Kathy Bibby, Sherry Pittman, Darla Dear, Vickie Head, Lesa Morgan, Barbara Buckner, Renee James, Brian Sanderson, Gail Wages, Paige Gaston, Earlene Walker, Sherry Lowery, Becky Pittman, Sammy Parish, Eddie Alair, Ronda Clayton, Janis Bridge, Connie Kelly, Hoyt Glasscock, Mike Cleavinger, Karen Dear, La Donna Sigman, Janet Britton, Sammy Matlock, Scott Alexander, Chuck Smith, Laneta Lausford, Jesse Castillo, Dale Wheatly, Karen Hinchliffe, Regina Meeks, Joe Rivas, Cris Dent, Sherry Pittman and Shelly Gaston.

Gaston, Sammy Parish, David Hanson, Sherry Pittman, Sherry Lowery and Becky Pittman.

The semester A students are: Kim Welch, Gay Ellis, Kim Kelley, Johnny Kelley, Mirian Dawson, Pat Cleavinger, Scott Lee, Debbie Green, Charles Winder, Julie Cleavinger, Joan Dudley, Elaine Hanson, Becky Littleton, Donna Lowery, Jan Cleavinger and Denise Morgan.

Semester B students are: JoAnne Coker, Shella Lewis, Becky Smith, Phyllis Smith, Tony Keeth, Carl Sulser, Renee Jones, Lisa Orr, Doug Freeman, Carlene Jones, Sherry Pittman, Laura Dudley, Darla Dear, Vickie Head, Lesa Morgan, Barbara Buckner, Guy Davis, Brian Sanderson, Clifford Daniel, Gail Wages, Paige Gaston, Earlene Walker, Sherry Lowery, Becky Pittman, Sammy Parish, Eddie Alair, Ronda Clayton, Janis Bridge, Connie Kelly, Hoyt Glasscock, Mike Cleavinger, Karen Dear, La Donna Sigman, Janet Britton, Sammy Matlock, Scott Alexander, Chuck Smith, Laneta Lausford, Jesse Castillo, Dale Wheatly, Karen Hinchliffe, Regina Meeks, Joe Rivas, Cris Dent, Sherry Pittman and Shelly Gaston.

## 274 Students Enrolled At TSTI

The final enrollment figures for the spring semester at the Mid-Continent Campus of Texas State Technical Institute is 274 students, says Dr. J. N. Baker, the vocational-technical school's General Manager.

The 274-student enrollment is an almost 10 per cent increase over last semester, said Baker, and includes both full-time and evening class students.

TSTI's Mid-Continent Campus was opened for the first time in September 1970, with instruction being offered in

seven full-time programs, plus evening classes and Manpower Development Training Act programs in three other areas.

For the spring semester at State Tech there are 233 male and 41 female students. Among the female students are two Amarillo women who are enrolled in the school's newest program—horse shoeing.

Since its opening there have been 373 students enrolled at State Tech including 16 who graduated from MDTA programs for Steam Presser Operators and Farm Equipment Operators.

## Earth Lions To Hold Supper

The Earth Lions Club will have a Valentine Dinner in the Community Building Thursday, February 11, beginning at 7:00 p.m. The event will be to honor their wives, honorary Lions and Lionesses.

A delicious dinner of ham, vegetables, salads, pie, coffee and tea will be served.

Entertainment for the evening will include games of 42 and bridge.

Over 2.3 million tons of old newspapers are now recycled annually and made into cartons, wallboard and reprocessed newsprint.

## New State Highway Map Released

AUSTIN--How do you make something good even better? In the case of the new 1971 Official State Highway Map released by the Texas Highway Department it was easy.

This year's map includes the addition of three lakes, the designation of six new comfort stations on non-Interstate routes, a new U. S. highway number designation from near Moore all the way to Mexico, and a new cover featuring a picture of the wonders of Padre Island National Seashore.

The map is a perennial favorite of Texas motorists. Over 1.2 million maps were distributed last year and projections for 1971 call for distribution as high as 1.4 million.

Added to the new Official State Highway Map are Lake Franklin County, in Franklin County; Lake Weatherford in Parker County and Lake E. V. Spence in Coke County.

Six safety rest areas on non-Interstate routes now include comfort stations. Their locations are: U. S. 69 south of Mt. Selma, U. S. 59 north of Leggett, U. S. 90 east of Brackettville, U. S. 281 south of Fairburn and two others on U. S. 290 near LBJ State Park.

The '71 map will show a new U. S. Highway 57 designation from Interstate Highway 35 near Moore westward to Eagle Pass. This highway joins Mexican Federal Highway 57 at Eagle Pass which continues on to Mexico City. This is the first major international route under a single national designation in both countries, a distance of 930 miles.

The map shows some 2,320 miles of Interstate Highways open to traffic in Texas. When the national Interstate system is complete, Texas will have 3,176 miles of IH routes.

The map also reflects the realignment and improvement

of many sections of other types of highway facilities in the state-maintained system.

Visitors will find expert assistance in planning travels in Texas at 11 tourist information bureaus operated by the Highway Department, including the Roy Bean Visitor Center and Cactus Garden at Langtry and in the Capitol Building in Austin.

Tourist information bureaus are also located at key highway gateways at Anthony, Laredo, Orange, Waskom, Texas, Denison, Gainesville, Wichita Falls and Amarillo.

Trained travel counselors in these bureaus and information centers assist more than one million tourists annually.

Safety rest areas are designated on the map with a small green square, roadside parks with the familiar green dot symbol.

Altogether, the Texas Highway Department has provided approximately 1,100 safety rest areas, roadside parks and scenic turnouts for the safety and convenience of highway users in Texas.

Other features of the map include listings of Highway Department district offices, Department of Public Safety Offices and State parks. A handy conversion table turns kilometers to miles and liters to gallons.

The Official State Highway Map is one of the most popular of more than 7.3 million pieces of travel-oriented literature distributed each year by the Texas Highway Department. Copies of the map are available at Highway Department Tourist Bureaus and at Department district offices.

The map also may be ordered directly by sending name, address and ZIP code to Texas Highway Department, Travel and Information Division, P.

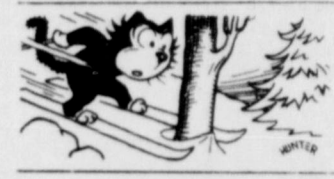

## New Fibers For Home Furnishings

College Station, January 28 Home furnishing fabrics of the 1970's will have improved wearing qualities and be safer, announces Jan Salabaugh, housing and home furnishings specialist at Texas A&M University.

Improvements expected include reduced pilling, easier stain removal, lower soil reposition, greater resistance to burning will be required characteristics for fibers of the future. Dyeing now has these safety qualities, and improvements are being made in nylon. Soon expected on the market is a new, safer form of rayon. With these developments, carpets, wall coverings, draperies and bedspreads will have a higher level of flame resistance.

Another improvement foreseen is carpeting that no longer creates static buildup, making soil resistance greater.

And ironing of sheets, pillowcases, and table linens will become obsolete as manufacturers are supplied with durable press fabrics made of polyester-cotton blends.

O. Box 5064, Austin, Texas 78703.

## Royal Named Chairman Of '71 Easter Seal Campaign

Coach Darrell Royal of the University of Texas at Austin has been named Chairman of the 1971 Easter Seal Campaign in Texas.

Doyle Patton, Jr., Easter Seal Representative for Lamb County, has been notified by P. O. Settle, Jr., of Fort Worth, President of the Texas Easter Seal Society, that Royal will lead over 35,000 volunteers in the annual appeal for funds.

The legendary director of athletics and head football coach of the Texas Longhorns, Royal rose from a small town in Oklahoma to the heights of college football.

In 1969, his 13th year as head coach, Royal won his second National football championship and sixth Southwest Conference title by defeating the University of Arkansas 15-14, Texas' 21-17 triumph over

## Clothes Designed To Teach

Clothes that teach as well as adorn have been introduced for boys and girls, announces Joanne Thurber, Extension clothing consumer education specialist at Texas A & M University.

The clothes include word-letter association groups, Denim pants sets are labeled with the letter "D" and a picture of a dog. Other outfits have letter appliques that teach the alphabet. The letters are upside down so the child can see them.

Some of the garments in the group have red and green "stop" and "go" signals to help teach fundamentals of traffic safety.

The clothes also have a manipulation group with big zippers, buttons, buckles and snaps to help teach the child how to dress himself.

Miss Thurber reminds that it is important to recognize the time when a child is ready to dress himself. His spontaneous interest will be evident when he is ready, but if he is not given the opportunity, that in-

terest will quickly be stifled.

Between 15 and 18 months, the average child begins to show a real interest in putting on his clothing. But interest may vary. One day he may insist upon putting on his own shirt, while the next day he may refuse to try.

By the age of three, a child should be able to fasten different types of garment closures, provided they are not too small or are not located in hard-to-reach places. A child gets much satisfaction from being able to perform this job. When he masters the operation of these fasteners, he increases his feelings of independence and self-sufficiency.

An important fact to consider, Miss Thurber suggests, is that clothes for a young child should fit his personal needs and interest—not his parents' likes or dislikes. In addition, his clothes should be the correct size, be styled for freedom of action, be sturdy, be suited to the weather, and be appropriate for self-dressing.

Notre Dame in the 1970 Cotton Bowl was Royal's fifth straight bowl victory in a string which began with a National championship win over Navy in 1964 (Cotton Bowl) and includes triumphs over Alabama (1965 Orange Bowl), Ole Miss (1966 Bluebonnet Bowl) and Tennessee (1969 Cotton Bowl).

"While I appreciate the honor of serving as the 1971 State Chairman," Royal said, "I consider it primarily a chal-

lenge--and a way to help motivate more Texans to give our handicapped a better chance in life.

As State Chairman, Royal joins with 223 Easter Seal Appeal Chairmen throughout Texas who are participating in the largest fund appeal ever staged by the Texas Easter Seal Society.

Last year over 21,000 crippled children and adults in Texas received rehabilitation and other services rendered by the Texas Society through 20 treatment centers and affiliated Easter Seal chapters, regardless of race, religion, economic status, or the cause of crippling.

Darrell Royal and his wife Edith are the parents of three children and three grandchildren.

## Den 3 Enjoys Olympics

Cub Scout Den 3 began olympic games Wednesday, January 27, to be completed the next week.

Greg Geissler led the singing of "America" and the Pledge to the Flag.

Roll call was given by each boy telling what he enjoyed most on his visit to the planetarium.

Greg Geissler served refreshments of Cheese Twist and punch to Ricky Higgins, Kyle Kelley, Lonnie Nalust, Glen Hausmann, Jimmy Robbins, Rodney Davis, Bryan Smith and den leader, Mrs. Phil Nalust.

# Rainbow Installation Services Held

Installation services were held for Miss Joan Dudley Saturday at 6:00 p.m. in the Earth Masonic Lodge Hall. Mrs. Phillip Haberer gave the welcome and the invocation was given by Ward Cooksey. Introduction of installing officers was given. They were installing officer, Connie Kelley; installing musician, Sharon Tunnell; installing marshal, Susie Adrian; installing chaplain, Camille Haberer; and installing recorder, Karen Hinchliffe. The following officers were installed in a beautiful ceremony: Worthy Advisor, Joan Dudley; Worthy Associate Advisor, Earlene Walker; Hope, Laura Dudley; Chaplain, Fonda Goodwin; Drill Leader, Marianne Messer; Religion, Barbara Lanier; Nature, Zeta Haberer; Immortality, Camille Hinchliffe; Fidelity, Patricia Lanier; Patriotism, Debbie Green; Service, Melissa Bean; Choir Director, Kathleen Anderson; and Choir, Kelley Wheatley. Mrs. Jimmy Shirey was then installed as Mother Advisor for the year and the Advisory Board members were also installed. Advisory Board members installed were Mrs. Norlan Dudley, Mrs. Doug Lewis, Leonard Green, Mrs. Norman Hinchliffe, Mrs. Forrest Simmons, Mr. and Mrs. Johnny Murrell, Mrs. C. C. Goodwin and Mrs. Jimmy Craft. The new Worthy Advisor, Joan Dudley, gave greetings. Ronda Clayton read Miss Dudley's scripture, Matthew 7:7 and the Worthy Advisor's poem "My Country" was given by Janis Bridge. Her song, "God Bless America", was sung by Mrs. Monarae Cummings, Mrs.

Sharon Hamilton and Mrs. Linda Green. The Worthy Advisor's parents, Mr. and Mrs. Norlan Dudley, were presented behind the bow where Miss Dudley dedicated her term to them and then to the east where they were given a corsage and a boutonniere. The marshal presented the Worthy Advisor's little Rainbow sister, Deanne Clayton, and her mascot, Dorcy Randolph, behind the bow and to the east where they were given presents. Miss Dudley's sponsor, Mrs. Gene Brown, was presented to the east where she was given a gift. Mrs. Brown gave the Worthy Advisor a gift and Mrs. Shirey her grandmother's Eastern Star ring. Others presented were Mrs. Donald Kelley, Grand Visitor, and Connie Kelley, member of the Grand Finance Committee. Mrs. Phillip Haberer was presented behind the bow and then to the east where she was given a styrofoam base surrounded by blue crepe paper topped with the colors of the Rainbow wrapped around it. The arch was surrounded by red carnations. Mrs. Haberer was conducted to each color station where she was presented a poem and letters spelling out "Rainbow". Karen Hinchliffe was presented behind the bow and then to the east where she was given a horn of plenty in which was placed a styrofoam ball covered with brown felt surrounded by artificial fruit. Miss Hinchliffe was conducted to each color station where a poem was read and she was presented each color of the

Rainbow. She then received her PWA's pin. Miss Hinchliffe gave Miss Dudley a traveling gavel necklace. Mrs. Haberer received a PMA's pin from Mrs. Forrest Simmons. Benediction was given by Ward Cooksey. The hall was beautifully decorated in a patriotic theme. The American Flag made of red, white and blue crepe paper and silver stars was on the east wall. To each side of the flag were pictures of the Liberty Bell. On the east pedestal was a red velvet cloth on which was placed a floral arrangement of red and white carnations and a red, white and blue ribbon. Also on the cloth were the United States eagle and the Declaration of Independence. On the piano and the recorder's desk were American Flags and pictures of the Statue of Liberty. Behind the line of officers' stations were red, white and blue net with blue and white stars. Also on the stations were American Flags surrounded by red carnations. Tables in the hall were covered with white paper with red and blue streamers. Three flags were on each. On the wall were silhouettes of Washington and Lincoln with the U. S. shield on either side. The serving table was decorated with a red cloth and white net. On the table was a beautiful flower arrangement with red and white carnations and red, white and blue ribbon. The lettering "Joan Dudley, Worthy Advisor," was written on a white cake decorated with red roses and silver leaves. Donna Dudley and Cindy Dent served punch and cake to approximately 50 guests.

TERESA LUNSFORD

## Teresa Lunsford Scout Of The Week

Teresa Lunsford, daughter of Mr. and Mrs. Bill Lunsford of Springlake, has been named Scout of the Week. This is Teresa's, age 8, second year in the Springlake Brownie Troop 308. She attended Day 1 Low Day Camp last summer. Teresa is in the 3rd grade and enjoys playing piano. Her favorite color is pink and her favorite food is jelly bread.

# "Relive The Past" T&C Program

Mrs. Marie Ross was hostess to the Town and Country Study Club Thursday, January 28, in her home. "Relive The Past" was the Club program theme for the evening. Mrs. N. Ray Kelley, program chairman, introduced the guest speaker Mrs. Charles Sanders of Ralls. Mrs. Sanders, a former resident of Earth, is a member of the South Plains Genealogical Society and Texas Heritage Department Chairman of the Federated Women's Club at Ralls. A member of Crosby County Historical Survey Committee and Charter Member of Ralls Historical Museum and acting on the Board of Directors. The interesting topic of discussion was "Texas Landmarks". Mrs. Sanders began her talk with Ed Syers interesting quotes, "Once a philosopher said that a people with no loving respect for the heritage left them would indeed leave nothing of themselves to be remembered proudly." Some years ago Texas Historical Society set out for a proud look at Texas, border to border and prehistory to yesterday, what to see and feel across our land. It hoped to guide, in its way, to the beauty and tranquility beyond our superhighways and our now-a-days jet compulsions. This provides a good time to look back and ahead, she stated. We can look back, gratefully on much pure beauty, each of its kinds, our valleys, rivers, lakes, mountains, trees canyons and our green plains and so much sense of old time, to ponder. Those ancient pueblo ruins, Palo Duro's sheer walls, Panhandles ghost towns to

beetle's rock jail and many more wonders. These are the things to be thankful for. The fortune of just being Texans. They are only fragments. You cannot ever see or tell it all. But Texas Historical Committee Members are trying to fit, piece by piece, those fragments to the sense of our heritage. The work will go on, we suggest that you help us write it. The definition for a landmark is "a point that guides". By the landmarks of Texas we are led to an understanding of our heritage. Local individuals must help gather the fragments of local history before its to late, before our old timers go, she insisted! Mrs. Sanders used posters as visual aids to illustrate from Spanish explorers to the Space Age. The Alamo to agriculture, Landmark Maps and the New devisions under Texas Heritage. Mrs. Sam Cearley, president, presided over the business meeting. New Officers were elected for 1971-1972 club year. Mrs. N. Ray Kelley, president, Mrs. B. F. Orteg, vice president, Mrs. John Welch, secretary, Mrs. M. E. Kelley, treasurer, and Mrs. Carra Morgan Federation Counselor. Mrs. Marie Ross gave a report of Federations Womens Seminar at the Women's Clubhouse at Lubbock January 16. Directing the meeting was Caprock District President, Mrs. LeRoy Johnson of Morton, assisted by Mrs. Harold Green, District Vice President from Tahoka. In attendance from the local club were, Mrs. Sam Cearley, Mrs. M. E. Kelley, Mrs. Marie

Ross and Mrs. H. S. Sanders. Refreshments of party sandwiches, olives, pickles, angel food cake topped with whipped cream and cherries was served with coffee and tea. Members present were Mrs. Clay Beavers, Mrs. B. Campbell, Mrs. Sam Cearley, Mrs. Iona Hite, Mrs. N. Ray Kelley, Mrs. John Laing, Mrs. M. E. Kelley, Mrs. John Welch, Mrs. H. S. Sanders, Mrs. Wayne Rutherford, Mrs. Marie Ross, Mrs. C. P. Parish, Mrs. B. F. Orteg, and Mrs. Carra Morgan. Visitors were Mrs. Jerry Kelley and the speaker.

## Pauline Hucks TOPS Queen Of The Month

Mrs. Pauline Hucks received a lovely arrangement of fruit and a fruit bowl as she was announced TOPS Queen of the Month. Mrs. Hucks lost a total of 5 3/4 pounds for the month. Runner-up for the honor was Mrs. Louise Bridge with a 5 1/2 pound loss.

Twenty one members were present Thursday at the TOPS Happy Losses Club and recorded a total loss of 20 1/4 pounds with 3 3/4 pounds gain. Mrs. Beverly Taylor was TOPS Queen of the week with a 3 1/2 pound loss. Mrs. Pauline Hucks was runner-up with a 3 pound loss.

## XIT Has Game Night

The XIT Study Club met Tuesday and had a game night. The event was held in the home of Mrs. Jim Stephens. Refreshments of chips, dips, cake and coffee were served. Those attending the game night were Mrs. Donnie Clayton, Mrs. Ed Jones, Mrs. David Metcalf, Mrs. W. B. Hucks, Mrs. Ernest Baker, Mrs. Ralph

## Troop 309 Earn Health Aid Badge

Springlake Girl Scout Troop 309 met Friday and all attending the meeting earned their Health Aid Badge. Things discussed and demonstrated were 1. Things you have to do for comfort and safety on a hike, 2. Safety rules for play equipment, 3. Demonstration of first aid for fainting, small cuts, blisters and splinters, 4. How to use triangular bandages, 5. Practiced what to do in case clothes catch fire, 6. Made emergency cards to put by telephones. Jill Barden served refreshments of Cracker Jacks to BeLinda Hampton, Kathy King, Dina Jo Hampton, Renee Winder, Tammy Davis, Connie Dear, Carrie Barden, Kay Howell and leaders, Mrs. Sam Barden and Mrs. Wayne Davis.

Lynda Robbins left Sunday to spend a week in Portales, New Mexico, in the home of Mr. and Mrs. Jack Robbins.

## Rainbow Officers Installed

Joan Dudley, Worthy Advisor, assisted by Mrs. Jimmy Shirey, Mother Advisor, conducted a regular business meeting of Earth Assembly 156 Monday in the Masonic Hall. The officers installed were Vicki Wislan, Charity, Karen Hinchliffe, Recorder; Becky Littleton, Treasurer; Gena Wislan, Love; Connie Kelley, Musician. Advisory Board members installed were Mrs. M. W. Messer, president; Mrs. Melvin Bock, Mrs. J. A. Littleton, Jr. and Mrs. Erroy Wislan. Miss Dudley reported a talent show will be presented February 18 for the Grand Worthy Advisor who will be in Earth at that time. Assemblies to help with the presentation are Hale Center, Plainview, Muleshoe, Lockney and Petersburg. On February 19 a luncheon will be held in honor of the Grand Worthy Advisor. Gena Wislan was presented in the east to receive her green color bar. The meeting was closed in regular form. Refreshments were served to approximately 50 persons by Worthy Advisor Joan Dudley. Patriotic decorations were used in the hall and throughout the dining room.

## WMU Discusses The Church and Racial Issues

The Springlake WMU met Monday in the home of Mrs. Herbert Miller and participated in a royal service program which pertained to racial understanding. A question and answer period was held on how different churches handled racial issues. The prayer calendar was given by Mrs. Ernest Baker. The members discussed the Week of Prayer scheduled March 7 through March 14 for home mission study and the church revival to be held March 14-20. Refreshments of coffee and cake were served to Mrs. Ernest Baker, Mrs. Lowell Warden and Mrs. Herbert Miller. Sunday evening guests in the home of Mr. and Mrs. Jim Robbins were the Jack Robbins family of Portales, New Mexico.

## Troop 101 Learns Food Preparing

Earth Brownie Troop 101 met at the fire hall Tuesday and as a service project, prepared a complete meal. The girls were divided into three different patrols and prepared a meal of scrambled eggs, toast, jelly and orange juice. The girls practiced the correct way to set a table and how to serve food.

Outdoor games involving the identification of different sounds were led by Fonda Goodwin. Refreshments of cookies and Cokes were served by Carrie Been to Kim Locke, Jodie Daniel, Debra Houston, Sharon Jackson, Lisa Taylor, Rhonda Weaver, Delma Gonzalez, Diana Hoskins, Stephanie Parish, Sheila Jordan, Daniella Britone, Jackie Hood, Beverly Hood, Vilinda Thomas, junior leader Fonda Goodwin, and leaders, Mrs. Doug Parish and Mrs. Alan Smith.

## Beginner Mission Friends Discuss Friends

The Beginner Mission Friends at Springlake discussed "Friends In My Home". The children worked on a mural by cutting pictures from a catalog of boys and girls. The pictures were pasted on the mural and became the Mission Friends' friends. At Group Time, Mrs. Bill Lunsford read from the Bible John 15:17, "Love one another." The storytime was "Friends Who Help". The story was about Elisha and the children were shown a picture of Elisha. A song, "My Best Friend Is Jesus" was sung by the children. Prayer time closed the session. Refreshments of Kool-Aid and cookies were served by Mrs. Wayne Davis, to Jerry Field, Diana Jones, Kelly and Kathy Head and leader Mrs. Bill Lunsford.

## Earth GA's 4,5,6 Study Sign Language

The Earth GA's 4, 5, & 6 graduated the use of sign language Wednesday, January 27 under the leadership of Mrs. R. S. Cole. Each individual girl tried to learn sign language so that they could talk to deaf people.

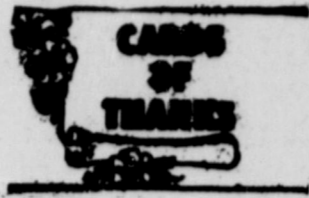

Two stories were read to the GA's pertaining to the handicapped. One story, "Cynthia and Laveda" was about two girls, daughters of a Baptist preacher, who attended a school on classes for the deaf.

The girls took the information they had learned and started classes in their hometown church for the deaf.

The other story, "Mary", pertained to a girl who had cerebral palsy. She learned sign language for the deaf and helped teach the blind.

Both stories presented the question of how we could assist in our own neighborhood the handicapped people.

The missionary of the week was reported by Christi Thomas. Refreshments of cookies and punch were served by Mrs. Billy Pittman and Mrs. R. S. Cole to Christi Thomas, Karen Hulcy, Suzy Lunsford, Toni Inglis, Lisa Pittman, Paula Verdant, Teresa Lively, Stephanie Tunnel, and guest Sue Jones.

I want to take this opportunity to say thanks to everyone in this wonderful community of ours for the many kindnesses you have shown us during the illness of our daughter. People are so good and we say a special thanks to Mrs. Marvin Sanders, Mrs. Ray Stansell and the School Lunchroom staff, and those who donated blood in our time of need. I know the Lord answers prayers--- Thank you again.

Grant and Stella Thomas

I wish to thank all the good people from Springlake, Earth and Pleasant Valley who gave blood to Plainview Hospital for me.

Thank you and may God bless you all.

Frank Butter and Family

I would like to express my appreciation for all the flowers, visits, cards and concern during my recent illness. Also thank you for the expressions of sympathy at the loss of my brother.

W. C. Maxcey

**Mrs. Smith Hosts HD Club**

The Home Demonstration Club met Thursday in the home of Mrs. James Smith.

Mrs. Smith called the meeting to order and the club sang the Home Demonstration Prayer.

A short business meeting was held and afterwards games were played.

Refreshments of cake, jello, coffee and cold drinks were served to Mrs. L. C. Blalack, Mrs. Raul Fanning, Mrs. Herman Cooper, Mrs. Bob Boone, Mrs. Oran Bibby, Mrs. Ed Biles, Mrs. T. V. Murrell, Mrs. Keith Boone and Mrs. James Smith.

The next meeting will be February 11 in the home of Mrs. Bob Boone.

**Springlake GA's Have Visitation**

The Springlake GA's met Wednesday and had a visitation program. The girls visited with an absence prospect of GA's and also visited an elderly lady in the community.

Some of the girls showed their posters on mission adventures on their return to the church.

Refreshments of cookies and Kool-Aid were served by Mrs. Wayne Davis.

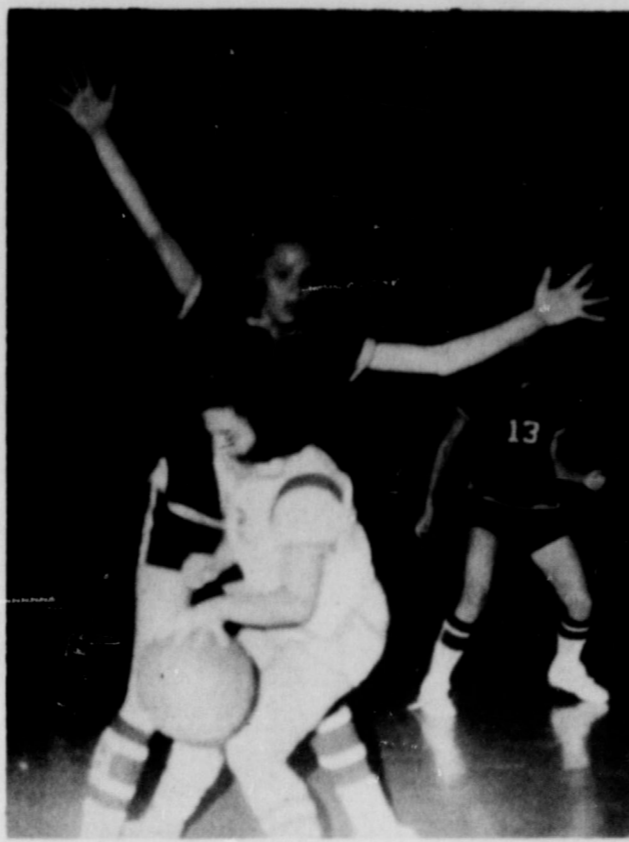

Attending the meeting were: Renee Winder, Tammy Davis, Jaten Scheilar, Gail Miller, Nancy Raineriz, Teresa Lunsford, Sheila Mosley, Lindsey Fields, and leader Mrs. Delvin Walden.

Renee Winder led the closing prayer.

**Baptist Women Pack Cookies**

The women of the First Baptist Church of Earth met Wednesday at 2:00 P.M. to pack and mail cookies and candy for the area boys in the service.

Women of the W.M.U. sponsored the event and invited all interested women to bring homemade cookies and candies for the boys.

JIMMA BANKS scrambles around Hart guard, and in the process scores two of her 10 points for the night.

**Earth Mission Friends Prepare Shut-In Books**

The Earth Mission Friends met Wednesday and worked on making books for shut-ins.

They pasted pictures pertaining to what we do in church. When the books are completed, the mission friends will take them to shut-ins in the community.

Mrs. Pete O'Hair read a story

**Sarah Clark Honored On 81st Birthday**

Mrs. Sarah Clark, a resident of Earth for 34 years, was honored Saturday at 3:00 P.M. by close friends in her home with a birthday party to celebrate her 81st birthday.

Refreshments of several different fruit cakes, tea and coffee were served to guests.

A hostess gift of dress material with money to cover the expense of making the dress was given to Mrs. Clark.

Those attending the event were: Mrs. Jo Houchin, Mrs. Lois Stephens, Mrs. Faye Ellis, Mrs. Faye Hays, Mrs. Cheryl Harper and Laurie, Mrs. Ina

"Spotty's Surprise" and afterwards discussed things we should be thankful for.

Refreshments of brownies and punch were served by Mrs. R. S. Cole and Mrs. Billy Pittman to Gary Davis, Greg Hulcy, and leaders Mrs. Pete O'Hair and Mrs. Lillie Wuerflein.

**The Old Timer**

"A taxi is always a vehicle that seems to dissolve in the rain."

## Earth GA's 1,2,3 Meet

The primary Mission Friends of Springlake made seed pictures of a duck and squirrel. They used rice, beans and popcorn to make the pictures.

The children looked through a Viewmaster at pictures of animals.

Mrs. Doyle Head, leader, read a story, "Friends Who Help."

Refreshments of cookies and Kool-Aid were served by Mrs. Wayne Davis to Mike Raineriz, Reggie Russell, Rocky Lunsford and leader, Mrs. Doyle Head.

cookies were served by Mrs. R. S. Cole and Mrs. Billy Pittman to Jana Pittman, Elizabeth Kellar and Jennifer Kellar.

U. S. News and World Report selected Austin, Texas, as one of 14 "pleasant places to live."

**Primary Mission Friends Make Seed Pictures**

The Earth GA's 1, 2 and 3rd grades met Wednesday and opened with singing several songs.

The prayer calendar was read by Mrs. Robert Geisler followed by a prayer for the missionary of the week.

Mrs. Dewitt Kelley read the

story, "Taming of Tammy." The story pertained to a handicapped child and a handicapped grandmother and how they helped each other.

The girls worked on the mission action program.

Refreshments of punch and

## Eastern Stars Attend Luncheon

Line Officers Club of district 2, section 3, met for a noon luncheon in the youth building of the First Baptist Church in Canyon on January 29.

Louise Williams, chairman of Muleshoe, presided at the business meeting. Further plans were made for the Eastern Star School to be held in Tullia on March 6.

Grand officers and grand committee members were introduced.

Barbara Lewis of Earth, program chairman, presented the program. A question and answer session followed.

The dining tables were decorated in the valentine motif.

The next quarterly meeting will be held in Tullia in April. Those attending from Earth were: Mrs. Forrest Simmons, Mrs. Johnny Murrell and Mrs. Doug Lewis.

## Notice

The Lamb County Red Cross meeting is set for 4 p.m. Friday in the Red Cross office in Littlefield.

Directors of the Wolverine Development Corporation will meet at 8 p.m. Thursday in the Citizens State Bank meeting room.

Half time score was S-E 6 and Dimmitt 11.

Scoring for S-E were Larry Dear, 5; Cliff Wood, 3; and Randy Latham, 2.

**SEVENTH GRADE BOYS**  
S-E seventh grade boys beat Muleshoe 20-19.

Half time score was S-E 8 and Muleshoe 3.

Scoring for S-E were Cliff Wood, Larry Dear and Tommy DeLeon, each 5 points; Brad

**EIGHTH GRADERS BEAT HALE CENTER**  
S-E eighth grade boys beat Hale Center in a close game 22-20 Friday.

At half time both teams were tied with 10 points each.

Scoring for the S-E team were Dickie Bradley, 10; Junior Sauseda, 9; Doug Jones, 2; and Edwin Fuller, 1.

**EIGHTH GRADERS WIN OVER OLTON**  
The S-E eighth grade boys won over Olton Saturday 33 to 16.

Half time score was S-E 14 and Olton 7.

Scoring for S-E were Dickie Bradley and Doug Jones, each 10 points; Junior Sauseda, 7; Edwin Fuller, 4; and Dyke Gaston, 2.

**EIGHTH GRADE GIRLS**  
The S-E eighth grade girls lost to Happy Thursday 16 to 28.

Half time score was S-E 8 and Happy 16.

Scoring for S-E were Vicki Watkins, 8; Melissa Been, 6; and Peggy Gregory, 2.

**SEVENTH GRADE BOYS**  
S-E seventh grade boys were upset by Happy Saturday 31 to 13.

Half time score was S-E 6 and Happy 14.

Scoring for S-E were Larry Dear, 8, and Cliff Wood, 5.

**SEVENTH GRADE GIRLS**  
Dimmitt beat the S-E seventh grade girls 37 to 3 Thursday.

Half time score showed Dimmitt ahead 19 to 2.

Scoring for S-E were L'Anna Sulser, 2 and Camille Hinchliffe, 1.

**SEVENTH GRADE GIRLS**  
Sudan eighth grade girls beat the S-E 7th grade girls 49 to 3 Friday.

Scoring for S-E were Fonda Goodwin, 2 and L'Anna Sulser, 1.

Do you know the difference between a potato and a sweet potato?

The white potato is a member of the nightshade family, and the sweet potato belongs to the morning glory family. The white potato is an enlarged underground stem; the sweet potato is part of a root. The white potato is white or nearly so; the sweet potato is most often orange. White potatoes grow better in cooler climates, while sweet potatoes need a long, warm growing season. In North America many more white potatoes than sweet potatoes are grown.

**FINANCIAL FACTS**

By: WILLIS HAWKINS, JR.

**SAFE DEPOSIT BOX**  
Every family has valuables and important papers which should be kept in good order—protected against fire, theft, and loss.

A bank safe deposit box, available at a small rental fee, can safeguard your personal property and assure you complete privacy. You are given a key to your box, and no one else has access to that box. At any time during banking hours you may inspect the contents in private.

Valuable papers such as insurance policies, real estate deeds and mortgages, stocks and bonds, bills of sale, passports, or wills may be kept in a safe deposit box. Some people also keep jewelry, their birth and marriage certificates, contracts, receipts, and other legal documents in the box. Insurance cannot restore your cherished possessions. Ask about renting a bank safe deposit box.

**WATCH NEXT WEEK FOR FOREIGN EXCHANGE BANKING**

Did you shop in Earth before going out of town to buy?

## Youth Need Guidance When Given A Gun

AUSTIN---Youngsters sporting new guns after Christmas-time need more instruction than just how to load and fire them.

Texas Parks and Wildlife Department officials remind Texans that even the smallest, single-shot .22 can be a deadly weapon, so parents who give firearms to youngsters should be sure they are familiar with safe gun handling.

A formal firearms handling course would be appropriate; where this is not possible, some individual instruction from an experienced shooter

might fill the bill. Also, the younger fry shouldn't be allowed to use guns except when accompanied by a responsible adult. Guns and ammunition should be locked up when not in use.

Another reminder to weekend plinkers of all ages; only four species of birds remain on the "unprotected" list. They are the English sparrow, raven, starling and crow.

A new gun can be a source of pride and continuing pleasure for the young sportsman if he tempers its use with an awareness for gun safety.

### The Old Timer

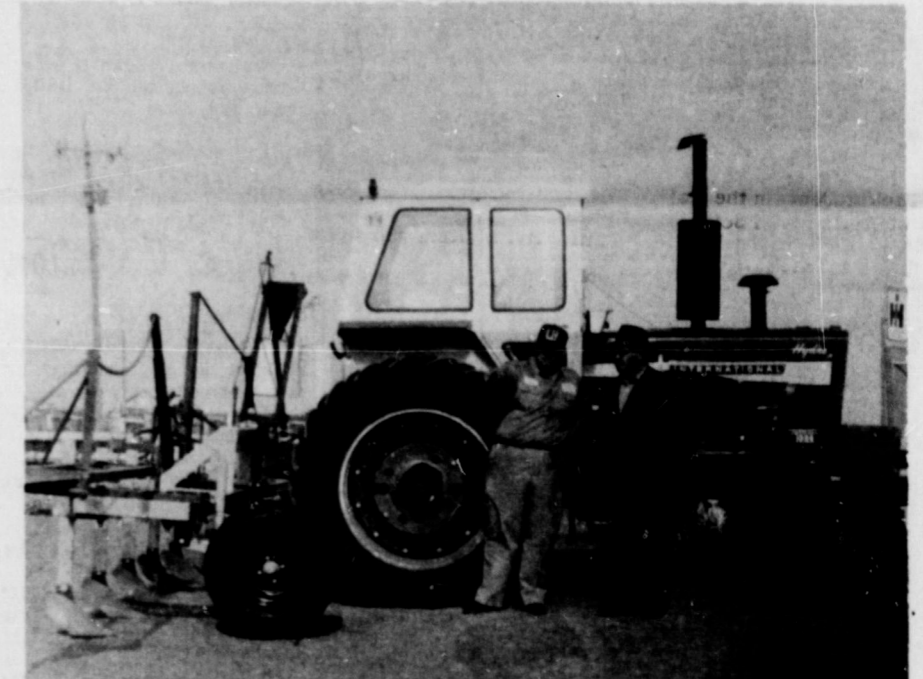

"I don't know where the money goes these days. It takes twice as much to live beyond my means as it used to."

## BETTER FARM WITH

## THE EQUIPMENT THAT MAKES HAPPY FARMERS...

Roy Bryant recently purchased this 112 horsepower 1026 Hydrostatic Tractor from Brown-Jordan Firm. He is pleased with its performance.

## Only HYDROSTATIC has it. Infinite speeds at full load...

... which is why you get substantially higher productivity on every job with Hydrostatic.

For example, if you're plowing with any other tractor, you probably have a choice of a couple of good tillage speeds—say 4 mph and 5 1/4 mph. However, most fields vary in power requirements. You may plow along at 5 1/4 mph, then suddenly need more power. So you must shift down to 4 mph. Perhaps your tractor could have worked at 4.6 mph, but you have no choice. You must drop to 4 mph.

In the same situation—with Hydrostatic—it may have been possible to slow down to 4.6 mph... or any speed your power would hold... and plow more ground each hour. With Hydro, you can always match ground speed to field conditions and to the power of the tractor. Just nudge the control lever to the speed that's best.

In the example above, by working at 4.6 mph instead of 4 mph, the operator can plow six miles more in a ten hour day. And Hydro can give you that same kind of extra productivity on every job.

Have you tried an International Hydrostatic tractor yet?

If you're interested in a demonstration, call us, we'll bring a tractor to your farm and let you try it.

For further information ask these men who have purchased this fine tractor, talk with Kenneth Hurd; Steve Chance and Roy Bryant.

# S-E Students Write Hanoi In Behalf Of POW'S

Jimmy Coker  
Box 56  
Springlake Texas 79082

Office of the President  
Democratic Republic of Vietnam  
Hanoi North Vietnam

Dear Sir:  
I am very concerned and deeply disturbed about the condition of American and Allied prisoners of war held in North Vietnam and by the failure of your government to abide by the provisions of the Geneva Convention concerning humane treatment of prisoners. I ask in the name of humanity that you furnish a list of all prisoners and that you permit an inspection of prisoner of war facilities by an impartial humanitarian agency.

Sincerely,  
Jimmy Coker

Earth, Texas

December 9, 1970

Office of President  
Hanoi  
North Vietnam

Honorable President:  
I am disappointed in the way the Prisoners of War men have been treated. I don't know why they are even kept prisoners if the men of your army don't know how to treat them right. Why don't you let them go or treat them better. Give them more food, medical supplies and housing. I think by you keeping them you are making things worse.

Why don't you take a good look at it. It might get worse and cause a big war. Then you would have to put more men from your country that have not had experience and they will go and try to fight but maybe they will get killed before they can do very much. Maybe there won't be a North Vietnam any more. Think about it and try to do something about it.

Sincerely yours,  
Bryan Taylor

Muleshoe, Texas  
Route 4

Office of President  
Hanoi  
North Vietnam

Dear Mr. President:  
I am very disappointed in the way I hear you have been treating our Americans. Just think what if you were like those men risking their lives for our country? You have a hard job but you should see what you can do about the way your men have been treating our Americans. How can we have peace as long as you have our men in prison not knowing whether they are dead or alive. What if you were in war and you had a little boy or

girl not knowing whether you were dead or alive. Some boys and girls will be at home alone this Christmas. If you would like to know I think you're just trying to start a bigger war. We are in a big enough war already. If you would let our men at least write or receive letters it would make us feel a little better. Would you risk your life for your country like our men have risked their lives for ours? I really think it takes lots of courage to do that. There are so many people not willing to fight. I'm thankful for those who do. Wouldn't you want to be treated right not like dogs if you were in prison? Please think about what I have said.

Sincerely yours,  
Danny Glenn Loyd Branscum

Earth Texas

Honorable Sir:  
Do you have some children of your own? If you do do you treat them well? I think you do. Do you treat our prisoners like you treat your children? I hope you do because I really don't know if we treat your prisoners well but I hope they are treated well. And I hope you treat our prisoners well too. Merry Christmas and a Happy New Year.

Sincerely yours  
Isabel Sauseda

Earth, Texas  
Box 20  
December 9, 1970

Office of President  
Hanoi  
North Vietnam

Honorable Sir:  
What are our soldiers going to be doing on Christmas? What are you going to be doing? You would probably want to be home, so would our soldiers. Their children and wives would like for them to be home also. I am a sixth grade girl and I would want them to be home too but they can't. At least you can do is be a little better on the prisoners and that would be a very good present for all of us. How would you feel if your father was a prisoner and they didn't treat him well? You would probably be worried and want him to get out or be treated a little better. That's one of the memories that their wives and children will have, which is not a very good memory to remember. For the children's sake treat them a little better.

Sincerely yours,  
Donna Dudley

Honorable Sir:  
Dear Mr. President:  
I am writing you these few lines to say hello. And hoping you and your family are in the best of health. As for me I am doing fine. I am a sixth grader and also I am twelve years old. Our teacher Mrs. Parish is telling us all students that we were to write you a letter. And to tell you how the soldiers are doing in Vietnam. And will you tell us sir when the war is going to be over. Because I have a brother that in five more years he has to register to go to Vietnam. I hope they won't select him to go over there. Well I hope you make a peace treaty to those people over there. And it's nice writing to you. I hope you will answer back.

Yours sincerely,  
Rudolph Cervantez

Dear Mr. President:  
It would be very nice if you would let the prisoners free or treat them kind. The families here, if they have people being kept prisoner over there, they like to at least know their being treated kind, but would want them home.

I'm a girl of age eleven, I am very concerned about the prisoners. I am sorry they are over there. They don't get to see their families, their friends that they used to know. If they were kept over there a long period they would not know anybody. They don't get

to write their families, friends or anybody.

Sincerely yours,  
Deanna D'Ann Holmans  
P. S. Merry Christmas

Office of President  
Hanoi  
North Vietnam

Dear Mr. President:  
We are very happy at our home. But some families are not happy at their home be-

cause they have members of the family that are prisoners. They are praying for their members of family to come home. Well I really mean this what I am going to tell to you. Just put yourself in their place. They wouldn't treat you well. Your family would be crying for you to come home. Please treat these prisoners right. Go investigate the prison. You will know how tough it is.

Sincerely yours  
San Juanita De Leon

P. S. Merry Christmas to you and your family.
