Zio. EWS-SUN

cial

This week we have something to cheer about, even though in a losing effort. The Springlake-Earth Wolverines lost to Amherst last week, but it was not due plack of effort on any one of the team. In fact each and very one of the players made an all-out effort to bring home the victory that they expected. Seems like the real problem was that there was a lack of joint effort.

But the most important thing, we feel, is that there were more folks in the stands from Springlake-Earth than at any of the home games last year. If we keep this up this year, the boys will have a lot more incentive than hey have had in the past. Again we must say, win-lose ordraw, these boys deserve support and encouragement.

Another bright spot in an otherwise dismal week, we imost completed a call using (one plus) dialing. Our phone system is a sad state of affairs, more often than not, when one tries this system of dialing, he either gets a wrong number or no number at all. We listen to the pronaganda from the phone company about direct dialing and direct dialing for credit cards and collect calls. All this system does is eliminate the operator for the dialing portion, they are still required to take the information and the call is not a penny cheaper because of the direct dialing. Seems to us like two years of (one plus) dialing should be enough to iron out the bugs (we of all people should know about bugs, from the last several months of trying to exterminate them in our press) which brings up another point, hopefully we are rom now on going to print newspapers that are acceptable not only to the subscribers, but to us as well. It has been pure agony for us this past several months.

For The People

The Earth City Council met in regular session Monday night, September 4 with Mayor W.B. McMillan, Aldermen, Jerry Been, Jimmy Huckaby, Bill Freeman, Raiford Daniel and Glenn Bulls in attendance. Others were City Attorney, Andy Storebel, Water Superintendent Johnny Enloe, Assistant Water Superintendent Selso Ramon and City Secretary, Betty McAlpine.

The 1 cent city sales tax on utilities was discussed and the council adopted an ordinance to keep the sales tax. Bill Garner, representative of Pioneer Natural Gas, met with the council to explain their rate increase. The council adopted a resolution suspending the request for a rate increase for 120 days. Jim Allen, with Water Tower Services met with the council and agreed to set up a date to inspect the tanks. A 3 way joint purchase of Sewer rodder machine with the City of Springlake. Springlake-Earth School and City of Earth was discussed. The council agreed to contract to the cemetery association the sale of water for a period of 5 years. Danny Byers and Davey Haberer met with the council to discuss housing for the ambulance in the event an ambulance is purchased

Bills for August were reviewed and council voted to pay bills.

Meeting adjourned. Athletic Booster Club

The Springlake-Earth Athletic Booster Club met Tuesday evening at 8:30 p.m. in the school cafeteria with 20 members and the coaching staff of the school present. Meeting was called to order by Macky McCarty.

Minutes of the previous meeting were read and ap-

SLEW **Starts Slow**

The Wolverines went to Amherst and kicked off the 1978 football season and recovered a fumble the first play of the game and then scored from 48 yards out on a Jimmy Don Randolph to Ronnie James pass. The snap was poor and it was 6-0.

Then Aniherst came back and was able to get the ball into the end zone to make it 6-6. The Wolverines stopped the 1st of 4-2 point tries. The two teams played back and forth and then late in the 2nd quarter. Amherst got the ball after a poor punt and moved into scoring again. At half time it was 12-6 Amherst. The second half kick gave the Wolverines good field position but with several penalities, the drive stalled late in the 3rd quarter the An herst Bulldogs scored again. It was now 18-6. Late in the fourth quarter. Amherst cored again to make it 24-

The penality incurred by the Wolverines hurt badly The break down of Conner support on defense and an inability to produce a good punting caused the defense to ' play with poor field position.

The passing game was able to pick up some yards and the power running was at times very tough.

"The Wolverines had several people play well offe sively, Lexie Fennell, Bryon Vaughn, Rudy DeLeon, Rex Fennell, Ronnie James, all graded out well; Dfensively, Rudy DeLeon, Ricky Smith, Steve Monreal, Kevin Riley and Lexie Fennell.

We had too many mistakes and we will correct conon. We're ision that went

Number 49

MELVIN KINNISON, manager of SPS presents Ann Hamilton the plaque for her retirement.

Ann Hamilton Retires

On August 31 at 2:00 p.m. Ann Hamilton was honored with a retirement tea in the Hospitality Room of the Citizens State Bank.

Ann was presented her retirement booklet from Southwestern Public Service by Nelen Swaim, personnel manager of Lubbock. Ann was also presented a money tree and a plaque from her fellow employees at SPS.

Seems like maybe we should have stuck with the old ystem of trash pickup. At least with Margarito P.amon, we had regular pickups and it didn't cost quite as much.

We hear thru the grapevine that the city law enpreement officer is starting a crack-down on drivers with no license and under age drivers also. Watch out MM

proved

New business - Pictures of Players of the Week will be displayed in different businesses in town. This week's players are Rudy DeLeon, Lexie Fennell and Mike McCarty.

A film on the game between Amherst and Wolverines was shown and Coach Taylor commented on the film. Next game will be Friday against Sudan at Sudan. Come out and support the SLEW CREW.

New Employees At Dent Farm Supply

Dent Farm Supply is now co-owner of the John Deere Company in Muleshoe and Tuffy Dent will be working there; but he is leaving the local store in good hands.

Assuming duties at the Farm Supply in Earth will be Ronnie Dent, brother of Tuffy, who graduated from Springlake-Earth in 1962 and Eddie Moudy, a Happy product of 1964.

For the past eight years, Ronnie has been the general manager of a bread company in Amarillo. He will assume bookkeeping duties at Dent Farm Supply. He is married to the former Peggy Stansell, an Earth girl, and they have two children, son Monty, age 12, and daughter Michelle, 6.

Eddie moved his family here from Lubbock. He also married an Earth girl, the former Beth Dent. They have a daughter, Amy, almost 6 years old and a son Ryon 2. Dent Farm Supply was founded in Earth 25 years ago

by my father L.H. "Chubby" Dent." Ronnie said. "The first building was where his hobby shop is now, beside Earth Locker. Two years after founding the company, he built at the present location.

Ronnie and I are excited about being here," Eddie said. "Our primary purpose in being here is to continue to give outstanding service. We feel we have some of the top people here, and we are proud of our staff."

RONNIE DENT, "CHUBBY" DENT and EDDIE MOUDY

what we showed Friday night.

We want to thank the many fans who traveled to Amherst to help us and we do appreciate it very much. Players of the week are on display around town. They are selected by film grade. This week they are Offensive, Lexie Fennell, offensive tackle play: Defensive, Rudy DeLeon, playing as a linebacker and Bit Hit, Mike McCarty, for hits on kick off return.

SLEW JV Starts With Bang

The Wolverine JV started the 1978 season off Thursday night with a 20-6 win over the visiting Amherst Bulldogs.

The game was a tremendous start for the JV and its goal this year of winning and being the greatest help they can be to varsity team.

The JV scored on runs by Kenny Wright and Poncho DeLeon offensively and a run back of an interception, also by Kenny Wright.

Many outstanding players showed themselves to be emerging into tremendous football players. Outstanding jobs were by Raymond Olvera, Kenneth James, Mike Ramirez and Joe Longoria. Others too numerous to mention also did a great job.

The JV will play this Thursday at home following the Jr. High ball games.

School Board Meeting

The Springlake-Earth Board of Trustees met in regular session, Monday, September 11 at 8:00 p.m. in the high school building with all members present. The first order of business was approval of minutes

and payment of bills.

The board reviewed enrollment figures which showed a total enrollment of 718, which was up 6 over the same period a year ago. Enrollment figures showed an enrollment of 328 in Elementary, 181 in Junior High and 209 in High School

The board reviewed information from the school tax assessment practices board which showed a market value of property assigned to the Springlake-Earth District as been \$131,624,626.00. This was up from a previous figure used this past year of \$79,688,480.00. Report was given on the school breakfast program relative to number of students participating and menus served. Records indicated an approximate average of 180 students per day eating breakfast

The board heard a request by Vic Coker to consider way of shortening the school day.

The board discussed the progress made on the school building and renovation program and noted that it would be several days yet before completion. Meeting adjourned.

Ann's loyality and dedication was sighted during the presentation.

Serving refreshments were Xie Collins of Lubbock, Molly Griffin of Friona and Agnes Lewis of Earth registered the guests.

Refreshments included a white cake trimmed in yellow with the theme "KXG 407 Mother Earth Clear." The theme was taken from call numbers, Earth's SPS base radio and Mother Earth being Ann's nickname. The cake was made by Mrs. Griffin of Friona.

Special guests present were Bryle and Brian Hamilton of Earth.

Hamburger Supper

The Sudan Young Homemakers are having a hamburger supper, Friday, September 15 from 5:30 to 7:30 in the Sudan school cafetorium, prior to the Sudan-Wolverine football game.

Tickets are \$2.00 each and does include iced tea. Everyone is invited to come eat with them before attending the game.

Rocky Lunsford Wins First

The annual football contest. sponsored by the Earch News-Sun got underway this week with great success. This week's contest was very close with the tie-breaker deciding the winners.

With 10 games correct, the tie-breaker gave Rocky Lunsford, 1st place and Richard E. Moore, 2nd place. In a 7-way tie, with 9 games correct, the tie-breaker

gave Lupe Flores, 3rd place.

Others with 9 games correct were Tom Sanders, Ronnie Dent, B.J. Angeley, Larry Cole, James Hanson and John Messer

Having 8 games correct were Allen Moore, Vickie Kelley, David White, Norman Clayton, Larry Price, Lonnie Neinast, Rodney Geissler, Bill Weldon, Doug Jones. Mike West, Lexie Fennell, Cliff Sanders and Edna Sanders.

Others with 7 games correct were Christy Clark, Dave Cleavinger, Danny Randolph, Mary Fulfer, E.C. Hudson, William P. Holland, Jr., Kevin Anderson, Clenn Branscum, Jason Hinchliffe, and Jo Eddy Riley. Having 6 games correct were Shawndi Geiss.er, Lupe Duran, LaVerne Fennell and Kevin Riley.

Jodie Riley had 5 games correct.

There is still time to enter, you may be the grand prize winner. Don't delay, mail or bring your entry forms to the News office.

SUSIE DURAN

Susie Duran September Queen

For the past several months, Susie Duran and Racheal Monreal have been competing for the title of September 16th Queen.

The girls and their sponsors have held raffles, sold food and had different projects to raise money for the new hall of the St. Mary Magdalene Catholic Church. The winner was determined by who raised the most money

Winning was Susie Duran with a total of \$3017.22 for the new hall

Susie will be crowned Queen on Saturday, September in at 9:00 p.m. at the new hall of the church. Everyone is invited to attend.

Sponsoring Susie were Manuela Gonzales, Carrie Sanchez, Amelia Bosquez, Sulema Gauna, Juana Ortiz and Josie Sanchez

Following is a list of raffles and winners sponsored by Susie: May 28

Services Held For J.O. Vaughn

Services for J.O. Vaughan, 86, of Earth, were at 2:30 m. Tuesday in Earth Church of Christ with Wilburn Dennis, Littlefield minister, officiating and Jim Eckman, minister of Earth Church of Christ, assisting. Burial was in Earth Cemetery under direction of

Parsons-Ellis-Singleton Funeral Home of Earth. Vaughan died at 5:20 a.m. Monday in Plains

Memorial Hospital at Dimmitt after a long illness. The farmer moved from Vinson, Oklahoma to Earth in 1952. He was born in Ellis County. Vaughan married Essie Darrow on November 22, 1914 in Reed, Oklahoma. He was a member of the Church of Christ.

Survivors include his wife; two daughters, Ruey McKinney of Dimmitt and Joye Breedlove of Littlefield: two sons, Loyd of Dimmitt and LaVerne of Earth; two sisters, Ethel Penley of Mangum, Oklahoma and Maggie Watson of Oklahoma City, Oklahoma; three brothers, Tom, Jack and Claude, all of Mangum, Oklahoma; eight grandchildren and two great-grandchildren. Pallbearers were his grandsons.

ARGEST CROWD ever to show up for the Wolverine opener between Springlakearth and Amherst last Friday night.

Band Sells Magazines

oth irs.

It's that time of year again! Band members are busy ling magazines and records this year to help us meet guipment and instrument expenses. Our agazine/record program is the nationally acclaimed Reader's Digest QSP Program, featuring over 250 afferent magazines, many at special prices. All of our oney raised in magazines will go directly for the urchase of new instruments and equipment, as well as for UIL and other festival fees.

The record program this year features over 200 bums, 8-track tapes, and cassettes in all areas of enertainment: Country, Pop/Rock/Disco, Easy Listening, Soundtracks, Classics, Children's, Sacred, and Christmas, as well as a special 17 album selection of Elvis Presley recordings. All record money goes toward the spring tour.

Also this year, band members are selling boxes of amous brands candy. All candy sells for \$1.50 per box, with payment due upon delivery (Around the first week of October.) Our sales feature: Schrafft's Peanut Butter Cups (better than Reese's); Heath Toffee-ettes and Mint ruffles (always the first to go); and Stuckey's Almond Clusters (like pecan millionares) and Pecan Log Roll great anytime, especially holidays.) All of our candy sales go toward our spring tour.

All records and magazines should be received before Christmas so they would make great gifts. We are buying new shirts for the band this year with some of the profit, and there is a special cash prize for the top salesman. So, when the band members come by, please let them show you what they've got. We thank you for your support, and hope you enjoy our products.

Students Enroll In Ranch Program

To Serve On Board

Jerry Gutheinz, president and managing officer of Frontier Savings Association in Plainview, has been elected to serve on the Board of Directors for the Texas. Savings and Loan League. The selection was made during the trade association's annual convention which was recently held in Houston for its 320 member insured savings and loan associations in Texas as well as numerous real estate financing related associate members.

Gutheinz took his position at Frontier Savings three years ago at the age of 27 and now also serves as chairman of the board. Prior to that he had done consulting work with savings and loans and began his savings and loan career with Briercroft Savings in Lubbock.

He has been an active supporter of League programs and has raised more money for the Savings and Loan Political Action Committee than any other sigle person in the last two years. He is also one of the leading contributors to the Texas Real Estate Political Action Committee and heads up all contributors from the Plainview area.

He is a 1969 B.B.A. graduate of Texas Tech University and attended graduate school at the University of Texas at Austin.

He and his wife Diana have two children.

J&C School Menu Study Club

For the first meeting of the Town and Country Study Club, fourteen members met Tuesday. September 12th for a 7:00 breakfast a Wolverine Cafe. the at The theme of the

program was Service and Understanding. A devotional "Where shall Wisdom be Found?" was given by Mrs. Blanche Ramseur as she read from the 28th Chapter of Job. Mrs. Lillian Hamilton, president, presented the New Year books and Mrs. Faye Queen, Program Chairman, gave a preview of the years program. Grace was said by Mrs.

Mrs. Hamilton presided over a short business session. Mrs. Jessie Sanders, Project Chairman, gave a report on the peacan project. The club voted to order a shipment of pecans immediately and to sell them for \$3.50 per pound. The next meeting will

he September 28th in the home of Mrs. Ray Kelley. Those present for the meeting were Mrs. Vernie Bearden, Mrs. Mary Butter, Mrs. Bessie Cearley, Mrs. Ola Fan-Mrs. Lillian Carra Mrs. Fave Mrs.

SECOND PRIZE-\$3 THIRD PRIZE- \$7

CONTEST RULES

NOTHING TO BUY - NO OBLIGATION

SIMPLY FILL OUT AND DEPOSIT ENTRY BLANK

The teams that are playing this week are listed side by side in the official entry blank on this page.

Use the entry blank and mark out the teams you predict to lose. Print the scores you predict in the tie-breaker game in the space provided.

Each week's entry must be turned in or mailed to the Earth News-Sun office. Contestants are given a week to prepare and turn in their entries.

Entries must be in by 4:30 p.m. Friday or postmarked on that date. All late entries will be discarded.

In case of tie, the winner will be determined by a toss of a coin.

Each week the number of games correctly predicted will count toward each contestant's season total. The person predicting the most games correctly for the entire season will receive the grand prize. In the event of a tie on the season total, the winner will again be determined by a toss of the coin.

The weekly prizes will be given to the persons picking the most number of games correct for that week. The tiebreaker will count as one of the games picked, and the predicted score will be used to determine the top three places in that week's contest, if necessary.

Only one entry per person will be accepted.

Entry Deadline 4:30 P.M. Sept. 22

Senior Citizens

The Senior Citizens of Earth met Wednesday, September 6 for a regular luncheon and meeting. Mrs. Roy Taylor led the opening prayer. Each member contributed a covered dish and a lovely meal followed.

A very interesting program was presented by Michael and Tom Graham on their 4-H trip to Washington D.C. Those recognized as having birthdays this month were Mrs. Mary Butter, Mrs. Florence Gover, Mrs. Lena Grace Griffin and Mrs. R.C. Hyde, who is the oldest member at this time.

Those attending were Lena Grace Griffin, Mrs. R.C. Hyde, Florence Gover, Bonnie Haberer, Cladys Goodwin, Carra Morgan, Lillie Wuerflein, Beatrice Shirey, Ruby Jones, Elsie Hawkins, Mr. and Mrs. R.W. Fanning, Mr. and Mrs. Roy Taylor, Velma Jones and Joe Lee Truelock and guests Lucille Murrell, Helen Hulcy, Michael and Tom Graham and Mrs. Gerald Graham.

Mr. Roy Taylor gave the benediction.

Betty Sulser & Lillian Holland **Operate The New Shaklee Center** Good Luck & Welcome Earth Chamber Of Commerce

That's because he's still listed as just "Michael W. Leon" in the telephone directory. There's no mention of his wife Joan. Nor their three teenagers. After all, don't they deserve their own listings?

Well now you can let everybody know about the great things happening in your life with the new edition of your telephone directory. It's going to press soon. So if you're about to make any changes or add a dual name listing, now's the time to do it.

Just call our business office and find out what the charges are, if any.

BRING YOUR GRAIN TO YOUR ELEVATORS

Dimmitt Agri Industries, Inc., has six handling facilities for corn, conveniently located to serve the needs of the entire county. You can take your corn to the location most convenient for you:

. MAIN FACILITY, DIMMITT. . SOUTH ELEVATOR, DIMMITT

NAZARETH

. TAM ANNE [9 west of Dimmitt] . FLAGG [15 southwest of Dimmitt]

. NORTH POINT [north of Dimmitt]

STORAGE SPACE

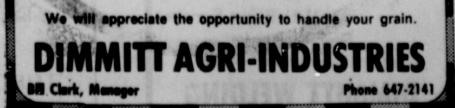

Dimmitt Agri Industries has 5,219,000 bushels of Federally licensed and bonded warehouse space for your use.

DRYING CAPACITY

Our grain drying capacity of 12,250 bushels per hour compliments the complete grain handling facilities that are available to our customers.

ERSIFIED MARKETS

Dimmitt Agri Industries, Inc., has access to a wide range of local, foreign and domestic markets. With these diversified markets, we can make sure that your corn MOVES at the best possible price.

The charge is in connection with an accident at the intersection of US 385 and FM 145 in Sunnyside on November 6, 1976.

Gonzales was driving a sugar beet truck which collided with a pickup driven by Mrs. Ima Blewett. Mrs. Blewett was killed instantly in the collision.

The state charges that Gonzales was negligent in operating the truck. The beet truck was owned by Joe Galvan of Rio Grande City.

The jury was selected Tuesday and the case went to the jury Wednesday morning.

Testifying Tuesday were Rex Cowart, ambulance driver: Weldon Bradley, who arrived at the scene shortly after the accident and Texas Highway Patrol Trooper Jackie Gunnels, investigating officer. Gonzales did not testify.

Good corn and sorghum prospects, both in the United States and abroad. will keep crop prices low in the coming months, in the opinion of Roland Smith, grain marketing specialist with the Texas Agriculture Extension

Service. Smith foresees abundant feedgrain (corn and sorghum) crops over much of the United States

although yields will be

down in Texas due to

traffic.

"Despite the adequate supply of corn and sorghum and favorable prices to feeders, feed use has lagged behind earlier estimates," notes Smith. Hog producers have expanded slower than expected. "As far as exports are concerned. corn movement overseas is over 10 percent ahead of last year, but sorghum exports are lagging behind 14 percent," says Mr. Smith.

According to the marketing specialists. world feedgrain supplies are up and should increase over last year. Russia, a major importer of United States feedgrains in the past, has a good crop in the making. This along with strained relations with the United States. likely will keep exports to Russia at a lower level. However, the decline of the dollar in international exchange should aid the

export market somewhat. For example, the dollar has lost over 30 per cent of its value in the past year against the Japanese ven." cites Smith, Where does all this leave the farmers?

"Producers can expect to see corn and sorghum prices near the loan rate in the coming weeks," Mr. Smith says.

'Only severe weather in the Midwest, such as an early frost, could holster prices much at this time.

"Where storage is available, cash grain farmers will want to think seriously about holding their crops in hopes that demand will improve by next spring. Farmers participating in set-aside programs with grain eligible for loan should make plans to use the loan and to evaluate the reserve programs. Also, there is a chance that favorable changes in government policy will be forthcoming." Mr. Smith believes.

There may well be certain attempts by the USDA to tighten feedgrain supplies so as to. strengthen prices. Among options could be the outright purchase of grain or allowing the 1978 grain to enter immediately into

Texas the past five years have ranged from 39 percent to 90 percent greater than dryland yields for the same crop, according to data compiled by Water, Inc.

"Irrigation plays a significant role in contemporary farming," said Water, Inc., Executive Director Duncan Ellison. "Without the availability of irrigation water, both the farmer and consumer would suffer."

For example, he said. on cotton, more of which is produced in Texas than in any other state, the five-year average on irrigated land is 432.6 pounds per acre. That is 39 percent greater than the 304.2 pounds per acre on dryland farms. The total value of cotton in 1977 alone was more than \$1.28 billion. As the second largest

producer of grain sorghum in the nation, Texas last year harvested a crop valued at more than \$437 million. Irrigated yields of 79.5 bushels per acre over the last five years are 90 percent greater than the 41.7 bushels per acre vielded on non-irrigated farms.

During the same fiveyear span, wheat production on irrigated land was 85 percent greater than on dryland. Average production on irrigated land was 34.9 bushels per acre, as compared with 18.8 bushels per acre on dryland. The value of wheat produced in 1976 was more than \$311 million, making Texas the nation's sixth largest producer.

"Since the High Plains region of Texas produces the largest share of the state's cotton, grain sorghum and wheat crops, it is essential that the area have a dependable water supply," Ellison said.

'Unless the area's declining underground water supply is augmented through water importation, the state stand to lose some of its agricultural prowess.' Ellison noted.

Texas fishermen are

reminded by the Texas

for the department's yearround program of fish and wildlife management and restoration.

For full information regarding licenses and game and fish laws, the "Texas departments Hunting and Sport Fishing Regulations' booklet is now available whereever hunting and fishing licenses are sold. Another booklet, containing the 1978-1979 migratory waterfowl regulations will be available at the same outlets in late September after the seasons are set by the parks and Wildlife commission.

Hospital News Patients in the hospital are: Flora Backus, Fred Bruegel Sr., Selicita Falcon, Wayne Grant, Sandee Hoelting, Maria Willie Lopez, A Mandrell, Ida Mae Miller, Isabel Mireles, Harold Staton and Nannie Mae Thomas.

Dismissed from Sam hospital were Killough, Maria Flores, Mamie McLain, Petra Martinez, Lena Behrends, Julian Rodriguez, Santiago Garcia, Zola Langford, Eunice Thornton, Michael Sepeda, Elidia Vega, Beatrice Torres, Choc Lay, Althea Jouett, Esmeralda Barrientos, Jill Nolan, Joy Baker, John Hernandez, Sandi Schinkus, Majorie Hayes, Addie Davis and E.P. Colhoun.

Trooper Dyrle Maples, Mrs. Lowe and Miss Annen were eastbound behind a 1975 Chevrolet pickup driven by 16 year old Brad Brock.

Brock slowed to make a left turn onto a rural road and Miss Annen didn't notice he was doing so, Maples said. She was unable to slow down quickly enough and swerved onto the right shoulder of the highway to avoid hitting the rearend of his pickup.

The car slammed into a drainage ditch where a culvert crosses under the highway and came to rest, heavily damaged on the road shoulder beyond the ditch.

Rescurers had to knock the windshield out to pull Mrs. Lowe from the wrecked car, Maples saiid.

Mrs. Lowe received two broken wrists, broken

Tulia Hiway East

accident within a week in the 100 block of West Bedford, officers said. The first was a minor mishap five days earlier which occurred when a Littlefield woman's car

collided with an Amarillo ribs, a dislocated hip, a stationery company's van

Police said Pevehouse was driving west on Bedford when Mrs. Odom's pickup crossed the intersection from Southwest second, into

Southwest

the path of his car. Mrs. Odom told officers she had stopped at the intersection next to Rhoads Memorial Library, but she did not see the Pevehouse car coming when she pulled into the street.

Both vehicles received moderate to heavy damage, but fortunatly no one was hurt, police reported.

Rates

Adjustments to rates charged for auto insurance will be made on policies written November 1, 1978 and thereafter, to new according schedules adopted September 6 by the State Board of Insurance.

Of the forty rating territories in Texas, twenty will receive increases, eighteen will be reduced, and two will not change.

The average passenger car rate for the entire. state will be 3.2 percent greater than rates charged during the past two years.

Present rates run from \$226 in the Southeastern territory to \$363 in Harris county. New rates will be \$224 in the Southeastern territory. a \$2.00 reduction, and \$377 in Harris county, a raise of 3.9 percent or \$14.00.

For the purpose of calculating the averages. the risk was assumed to be a 1978 medium priced Ford, Chevrolet or Plymouth, not used in business, but driven to and from work. No male operator under 25 included in the family, and the coverages were assumed be to \$10,000/\$20,000/\$5,000 liability, \$5,000 personal injury protection, 850 deductible comprehensive, and \$200 deductible collision. Actual rates will vary according to the type of car covered, coverages ordered and the driving records of the individuals buying the insurance.

Insurance industry requests for increases were for an average of 8.9 percent on passenger cars. and the total on that basis would have been \$95 million in additional

BORDEN CO-The Borden Co. Farm Tour will be Thursday, September 14, at 9 a.m. in the Plain Community Center in Borden Co. according to Randall . Upshaw, County Extension Agent. Corden Co. cotton producers are urged to attend.

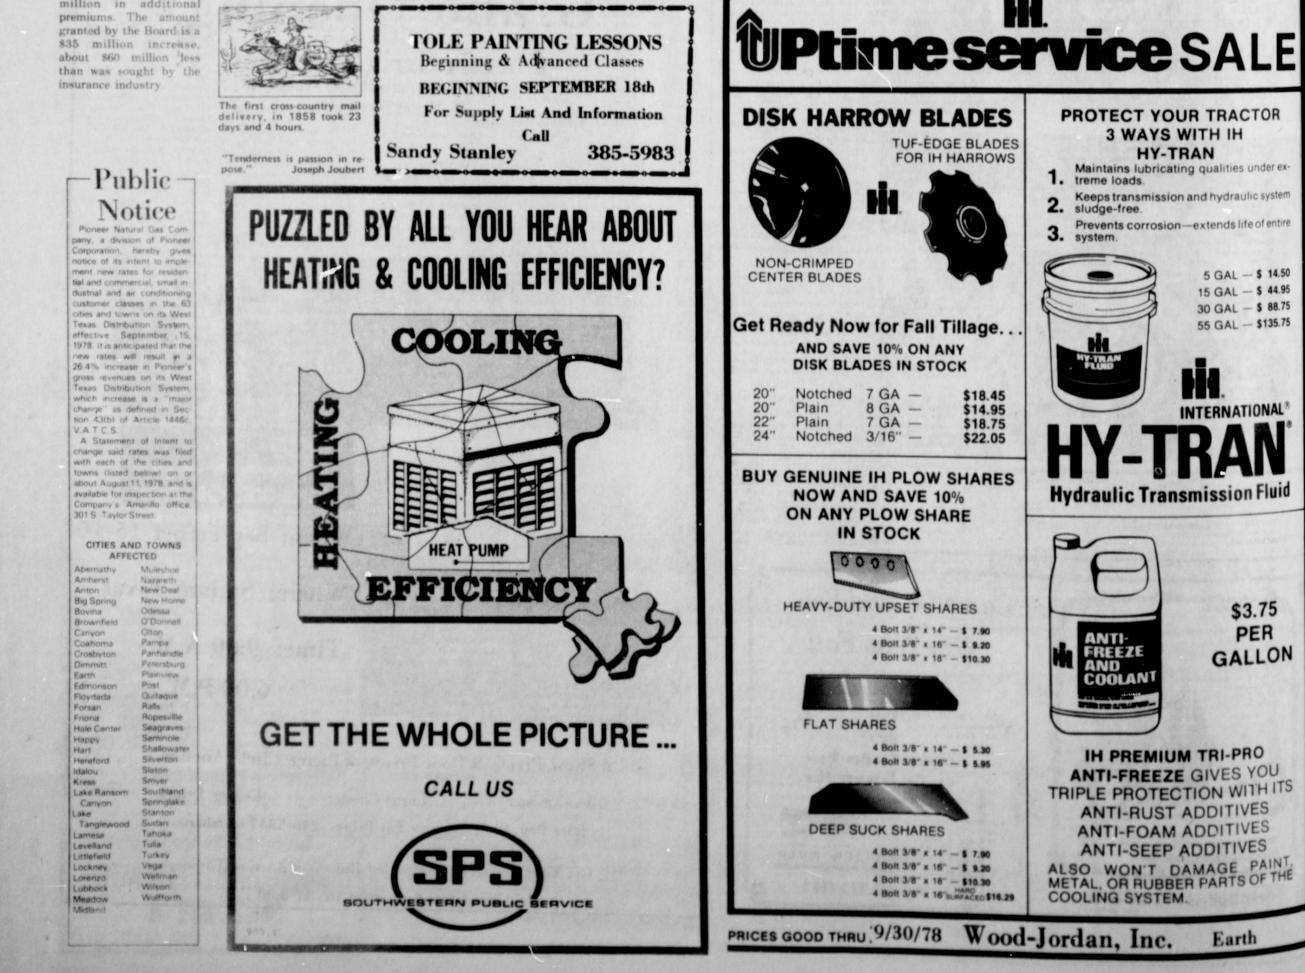

COTTLE CO.-The Cottle Co. Crops Tour will be held on Thursday, September 14 at 9 a.m. starting at the Courthouse in Paducah according to L.M. Mc-Carroll, County Extension Agent.

BORDEN CO.-There will be a meeting of the Adult Leaders Monday, September 18, at 8 p.m. in the P.C.A. Building in Silverton according to Earnest C. Kiker, County

Extension Agent. LYNN CO. There will be an Estate Planning Seminar on Monday, September 18, at 8 p.m. in the Lyntegar Meeting Room, Tahoka, according to Stanley M. Young, County Extension Agent. Wills and estate planning will be discussed. All interested persons are encouraged to attend.

ranching and cattle breeding will be shared with participants at the ninth annual Ranch Day beginning at 9 a.m., September 23, 1 at the **Ranching Heritage Center** of The Museum of Texas Tech University.

Wray Finney, a cattle industry leader and seventh-generation Oklahoma rancher, will

A 72-year heritage of

speak at the Ranch Day noon luncheon. Luring people to the chuckwagon-style bar-

becue lunch will be the tonge-tingling smells of homemade sourdough pancakes, sauerkraut, applesauce and tea cakes.

they least expect it, when they open their own front door. Lock on to a good idea, keep your front door locked. **Annual Ranch Day** prepared in the historic houses on the 12-acre site.

T.J. Nabors-Pearson of Lubbock will also be on hand to demonstrate the art of spinning at the Hedwigs Hill double log cabin.

Square dancers and fiddlers will add to the pioneer atmosphere during the day.

The entertainment will continue during the luncheon, which will be followed by Finney's speech and the annual business meeting and election of officers for the Ranching Heritage Association.

All events, including the luncheon, will be open to the general public.

Finney, his son and his father operate the family ranch near Fort Cobb, Oklahoma. The ranch, a cow-calf and yearling cattle operation, was established in 1906. Finney is also a managing partner of the Western Trio Cattle Breeding Fund, cattle a management firm in Guymon, Oklahoma.

Not only has he raised cattle for many years, but Finney has also had a hand in directing the cattle industry for some time. After serving two

years as first vice president of the American National Cattleman's Association (ANCA), he was elected to two terms as president.

He has also served on such committees as the Agriculture Standards Advisory Committee of the U.S. Department of Labor and the Cattle Industry Advisory Committee of the U.S. Department ot Agriculture.

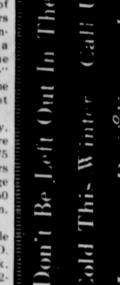

Finney was inducted in 1977 into the American Polled Hereford Association's Hall of Merit for public affairs service to the cattle industry. He has also been a recipient of the Farmer" "Progressive magazine's "Man of the Year in Southwest Agriculture" award. Tickets for Ranch Day.

including the meal, are \$4.50 for adults and \$1.75 for children for members of the Ranching Heritage Association, and \$5.50 adults, and \$2.25 children. for non-members.

Tickets are available from the association, P.O. Box 4499, Lubbock. Texas 79409, 806-742-2498.

You Ought To Be Locked Up

.or at least your home should be, even when you are

in it! Many thefts occur from rooms in front of residences

when the occupants are outside on the back patio or deck

or are working in the yard. A thief seeing that the family

is busy in the yard knocks on the front door and enters

when no one answers and pilfers the home while the

residents are busy outside. Locking the front of the

house while you are out back will normally prevent this

are in the house, especially if one member is home alone,

will reduce the possibility of an intruder entering the

residence and committing a crime against whoever is

It is a good idea to determine who is knocking on the

front door before you open it. An intercom system or a

peephole door viewer should be utilized. At the very least

look out a window to see who is on the porch before

opening the door. Many criminals have used a pretext of

being a repairman, policeman, salesman or even a

clergyman to gain access to a residence to commit a

crime. If you are not certain who it is at the dront door,

do not open the door and admit that person if you are

home alone. Do not admit to anyone that you are home

alone. If necessary, call a neighbor and have that neigh-

bor come out on their porch and watch while you open

your front door and speak to whoever it is on your

doorstep. You, of course, should offer to do the same

if they go downtown or go shopping or go on a trip. But

all too many times people become victims of crimes when

LARGE WHEAT SUPPLIES LEAD TO SET-ASIDE PROGRAM - Due to the large wheat supplies in the U.S., the USDA has announced a set-aside program to trim production. Even with the acreage cut-back, wheat prices will not improve much this fall unless crop problems develope in other parts of the world, notes a grain marketing specialist with the Texas Agricultural Extension Service. Also, the decline of the value of the dollar could help give importers "bargain" prices for U.S. wheat and thus increase exports. The 1979 wheat program is similar to that of last year and revolves around a 20 percent set-aside of planted acreage.

HOG OUTLOOK BRIGHT-Hog production continues bright in the U.S. as producers have kept supplies in line by avoiding overproduction, points out a livestock marketing specialist with the Texas Agricultural Extension Service. Both breeding and market hog numbers have increased only 1 percent over 1 percent over a year ago, so hog operations should remain profitable through the first half of 1979 and probably longer. Prices for market hogs should be in the \$46 to \$49 per hundredweight range for the last quarter of the year.

FALL CLEANUP SAVES SPRING GARDEN PROBLEMS-A neglected garden site this fall and winter can become an insect haven waiting to explode next spring with hundreds of hungry and unwanted insect pests. Don't maintain insects in your garden this winter. Destroy their critical food supply and shelter to have fewer pests in your garden next spring. Garden insects, like most living creatures, need food and shelter to survive freezing temperatures and other adverse weather conditions. Don't give them a place to spend the winter in your garden.

Ideal places for insects to overwinter are trash, vegetable stubble, unharvested fruits and tubers, boards, mulch, tall grass and weeds. Removing plant residues and disposing of debris, weeds and other volunteer plants eliminates food and shelter for many insect pests such as cutworms, webworms, aphids, wireworms, white grubs, and millipedes, sowbugs and spider mites.

When a garden plant stops producing, spade it into the soil or take it to the compost pile. Don't allow it to remain in the garden.

Spading the soil deeply during the fall is also good as it will expose many insects to be eaten by birds and predators. Other insects will be tilled deep enough into the soil to prevent their emergency.

By practicing good garden sanitation this fall, you'll be ridding yourself of many undesirable garden "friends" and saving yourself time and money for insect and disease control next growing season.

The Earth News-Sun, Thursday, September 13, 1978-Page 11

Field Day

A field day will be held at the Soil Conservation

Service Plant Materials Center at Knox City on Sep-

tember 27, 1978. A.C. Spencer, executive director of the

Texas State Soil and Water Conservation Board, will be

the principal speaker and his speech will begin at 12:30

Guided tours will be conducted through the 90 acre

center from 8:30 to 3:00 p.m. It is located on FM 1292, 2

miles north and 2 1/2 miles west of Knox City. A bar-

beque lunch will be available on a prepaid basis at \$3.00

per plate. Payment should be sent to Doris Crownover,

Chamber of Commerce, Box 91, Knox City, Texas 79529

by September 15. The public is invited to attend this

field day. The Center is responsible for developing new

Seed or rootstock from native plants that show

potential for solving specific soil and water conservation

problems are collected, then grown and evaluated at the

Center. The more promising ones are then tested under

field conditions on farms of soil and water conservation

district cooperators under a wide variety of conditions.

Selections which prove superior to commercial varieties

are then released to seed growers. These producers then

grow seed and sell it to the public. More than 1100

strains of grasses, legumes, forbs, and woody plants are

being tested at Knox City. About 9,000 pounds of seed

were produced at the center last year, mostly for trial

plantings across Texas and Oklahoma. Some 5,000

woody plant seedlings were also produced as well at

250,000 rhizomes of plants that have to be propagated

varieties, 'Alamo' switchgrass and 'Aztec' Maximilian

sunflower, were certified and released earlier this year as

a result of work done at the center. Lamb County is

testing the Alamo switchgrass variety on the Kent Allen

farm north of Amherst. This test is being conducted to

determine how adaptable the grass is to this area and

how well it will control soil erosion on dry corners around

Systems, Inc., will conduct an annual meeting on

plant varieties to meet the needs of different areas.

GET FURTHER FOR LESS

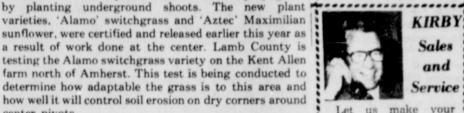

A lot of people are really going places, in comfort and safety without using up a lot of expensive gasoline. They're

going by motorcycle. Motorcycles come in a wide variety of styles these days, including comfortable street cycles that can travel the roads to work, school or shopping during the week, and then take you off to the woods and trails on weekends, almost as if you're getting two bikes for the price of one.

You can see these bikes and many others at Suzuki. From low-cost play bikes up through the new GS1000E, one of the best handling motorcycles available, there are so many different models that most people can find just what they need, at a very good price

Many people have found that getting around on a motorcycle is not only a great deal of fun, it's also a great deal.

stead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its produc tive capacity instead of its market value and allows the legislature provide for the taxation of timber land on its pro-

ductive capacity. The amendment mits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value the residence hor the approval of certain stead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65

years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased. The amendment preents local governments from increasing property taxes unless the govern-

public

poses.

ing body provides public notice and conducts a hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased. The amendment limits ppropriations from state tax revenue to an amount Public Accounts of Texas
