LOCAL MEN ATTENDING W. O. W. ENCAMPMENT

Captain Lewis Wheat, Lieutenant Earl C. Johnson, J. Reese Poole, Harry Baskerville, and John Hammond of Memphis, and H. S. Parnell of Lodge, left Saturday morning to attend the State Uniform Rank Encampment of the W. O. W. at Galveston this week.

MEMPHIS TERRITORY COTTON SEEMS LATE

Crop conditions are not as good around Memphis as Childress, judging from the crops viewed on a trip to that city Sunday afternoon. The crops are looking good and are growing nicely. The cotton is later than around Childress, but if weather conditions are favorable the yield will be almost as large as ever before.

HALL PAVING IS PROGRESSING RAPIDLY

The contractors putting down the concrete surface on the highways of Hall county are busy, judging from the amount of detours necessary to get to Memphis. The road bed is being put in condition for the slab and the work of laying it east of Memphis will be started in a few days. From the reports coming from county officials up there the work being done is the equal of any in the State.

Doubtless the contractors are better able to lay better roads now than a few years back, as they have learned many things about concrete, and are in a position to do better work. The Federal and State engineers are giving more attention to the work than in the past when only a county engineer was looking after the work.

REV. HAWKINS, PIONEER, DIES SUNDAY 11 A.M.

Rev. M. E. Hawkins, known all over the Panhandle country, passed to his reward Sunday morning at 11 o'clock, and was buried in Fairview cemetery Monday afternoon, following the funeral at the First Methodist church, attended by people from many towns over the Panhandle.

Rev. Hawkins was a Methodist preacher who had been in active ministry since 1889, serving four years at practically every place he was stationed by the Conference, and that was mostly in this western part of Texas, where he did a great work through preaching, and by example. He was undoubtedly the best known and loved of any preacher in the Conference, and his going left many sad hearts.

Like the pioneer preachers of old, he blazed the trail for Christian civilization in this section of country, and his life and influence has left an indelible mark upon the citizenship that will not be erased and will live on for years to come. He was a character well rounded and truly religious, loving and lovable; never complaining but taking life as he found it and making the best of every situation; always at his post of duty and never shirking; a good citizen, husband, father, friend, tried and never found wanting; a self-made man who worked hard for those things that he believed were right and worthy; a man among men—one of God's Noblemen, if you please.

M. E. Hawkins was born August 12, 1857 in Ellis county to M. F. and Amanda Hawkins who were married in Midlothian. They were of the Hawkins and Newton families who had always been frontiersmen. M. E. was reared before there were any high schools or colleges, receiving what education he had from common schools; he was converted and joined the church under the ministry of William Price at old Lebanon church in August 1889.

He was recommended for admission to Methodist ministry at N. W. Texas conference in 1889, and received on trial and ordained deacon by Bishop McIntyre and at same conference was sent to Bristol, Waxahachie district, where he remained two years. He served Midlothian four years, Ferris four years, Mansfield four years, Claude three years, Canyon four years, Canadian four years, Memphis 1914-1915, Wellington 1915 to 1919, Claude again 1919-1923, Lakeview 1924 up to not long ago when he resigned due to ill health. He was ordained elder by Bishop Key. He said of all his charges during his thirty-six years ministry his four years at Midlo-

VISITORS FROM HOLLIS HONORED WITH BARBECUE

Dr. and Mrs. Hopkins of Hollis, who were visiting Mr. and Mrs. S. T. Harrison a few days last week, were entertained with a barbecued chicken dinner last Thursday evening at Wayside. Besides the barbecued chicken, all the other accessories were added, including sherbet, etc.

D. L. C. Kinard was the chef and had evidently barbecued chickens before, for he knows just how it is done. Those present were: The honor guests Dr. and Mrs. Hopkins, and Mr. and Mrs. S. T. Harrison and children, Mr. and Mrs. W. S. Cross, Mr. and Mrs. D. L. C. Kinard and children, Mrs. A. W. Read, Dr. and Mrs. T. L. Lewis and Robert Jones Jr., Mr. and Mrs. Elmer Shelley and children, Mr. and Mrs. J. C. Wells, Mrs. Hopkins, Mrs. Lewis and Mrs. Kinard were school mates in Baylor College a few years ago.

S. S. WORKERS MEET SEPT. 9

The Panhandle District Sunday School and B. Y. P. U. Convention will meet with the Memphis Baptist church September 8 and 9. Dr. W. Marshall Craig, pastor of the Gaston Avenue Baptist church, of Dallas, will be the principal speaker. Mr. T. C. Gardner will have charge of the B. Y. P. U. work and Mr. E. S. Hopkins the Sunday school work. Leon Waite of Canyon, president of the district, will direct the meeting.

This district is composed of about forty counties and Memphis is expecting and hoping for a large attendance.

EVANG. WALLACE SPEAKS AT ROTARY

Evangelist Wallace, who is conducting a revival meeting at the Brice and Seventh streets Church of Christ, was the principal speaker at Rotary luncheon Tuesday. He made a splendid talk on Service which was enjoyed by all present.

Miss Versa Odom gave a reading in which she made a classification talk for Rev. Jameson. This was excellent and highly enjoyed. Mrs. Margaret Morgan played the accompaniment for several Rotary songs.

Cearly Kinard and Wiley Orr were presented with birthday gifts—both having a birthday the same day.

Mr. and Mrs. Roy Bartlett and children of Clarendon visited Mrs. Bartlett's parents, Mr. and Mrs. Fred Swift, here Friday.

PAVING WORK COMPLETED ON NORTH ROAD

The paving company, having completed the stretch north of town, moved the machinery Saturday to two and a half miles south of town and Monday began laying paving toward Memphis. They expect to complete this stretch in just a few days and will then pave toward Salisbury. The company and county officials believe they will have the paving done for a few miles out in time for the moving of the fall crops. The county officials also state they will do all they possibly can to make detours accessible along the route, and where detours cannot be made accessible will bridge over the road to let the traffic pass.

The State highway department is advertising for bids for topping with asphalt the road west from Estelline to Hulver, a distance of five and half miles. This will give Hall county, with the paving of Highway 5, a system of hard surfaced roads that will demonstrate to the citizens the value of good roads, and create a desire to build more hard-surfaced roads throughout the county—and Hall county certainly needs them if any county in Texas ever needed good roads.

WORMS NOT HURTING COTTON A GREAT DEAL

Reports from different parts of the country are to the effect that there are some boll worms in the cotton, but very little damage being done, and not likely to be should the weather continue good. Every year the report gets out that the worms are ruining the crops, but seldom do they actually ruin any crops. A few crops have been cut short in some cases in years gone by, but as a rule the boll worm scare blows over.

FORMER CITIZEN LIKES THE DEMOCRAT

Please find enclosed my check for \$2 in payment of your paper for one year.

I enjoy the Memphis and Hall county news as was in Memphis for some twenty years, in fact, came to Memphis when "Hogback Butte" at Salisbury was a hole in the ground. I was a pupil under Mr. L. A. Wells, when he taught in Memphis. If you can remember please give him my regards when you are in Amarillo. I departed from Memphis in July, 1921 and have not returned, but anxious to keep in touch with the happenings. I remain,

RECORD CROWDS ATTENDING CHURCH OF CHRIST REVIVAL

Walter Harrell, who has been in charge of the business for the past few months, has been transferred to South Texas, where he will be assistant district manager over a large territory. Mr. Blanton was bookkeeper for this firm in Childress a few years ago. He was transferred from Childress to Chickasha, Okla., later to Clarendon and then to Memphis, where he has been about two years. His return to Childress will be appreciated by a large number of friends made when here before.—Childress Index.

U. S. GOVERNMENT WILL HAVE EXHIBITS AT TRI-STATE FAIR

The greatest agricultural exhibit of them all, owned by the United States Government, and occupying a space 100x12 feet, will be displayed in the Agricultural hall at the Tri-State-Exposition, which is to be held from September 11 to 17, inclusive.

Col. Harve H. Haines, manager of the Board of City Development of Amarillo, secured this exhibit after making a personal trip to Washington, D. C. In addition to the agricultural exhibit, Col. Haines also secured the Treasury Department's permission to exhibit the Government's collection of all the coins minted, and paper money printed since the inception of the Nation.

The agricultural exhibit alone, according to Bob Emmett, secretary-manager of the exposition, is worth traveling two hundred miles to see. In it will be shown everything grown in the United States, from the grains and fruits of the semi-tropics of Florida, to the hardier grains and fruits of the northern states. There will

L. Perez, who lives on the J. H. Brumley farm fifteen miles south-east of Memphis, brought the first bale of the season to town Wednesday morning. The bale was ginned free of charge by Nail and Beaty, and bought by Curtis Cudd, who paid 25 cents per pound for same. The bale weighed 509 pounds. A premium was raised amounting to \$66.75 and given to Perez. The seed brought \$16. The total price received amounted to more than \$200.

The cotton was planted early in the spring and had the benefit of all the early rains, which tided it over the dry weather. However, that section of country had several showers that the rest of the county failed to get.

Last year the first bale was brought in a day earlier, August 23, by C. A. Gregory on the Conley Ward farm seven miles southwest of Memphis, and brought 20 cents per pound, and nearly as much premium. In 1925 the first bale was brought September 9.

JOHNSTON CAR STOLEN TUESDAY AT ESTELLINE

Elbert Johnston of the Johnston Hardware company, had the misfortune to get his big-six Buick coupe stolen Tuesday night. The car was in his private garage at his home when taken by thieves. The car was not locked and the get-away was made without awakening anyone. A light rain which fell during the night would indicate that the car was stolen about midnight or shortly after, the tracks showing plainly where the car was backed out of the garage. Deputy Frank Cox in searching for the Johnston stolen car Wednesday found a Buick coach about six miles northeast of Newlin, parked on the side of the road. One tire was flat which was thieves abandoning it. An advertising pencil of a lumber yard in Wellington was the only clue to the owner. A telephone call to the lumber yard disclosed the fact that the car belonged to the yard and had been stolen Saturday night. Parties from Wellington came after the car and paid Mr. Cox the \$25 reward offered for the return of same.—Estelline News.

MARVIN THOMPSON

Marvin, the 5 months old infant son of Mr. and Mrs. Henry Thompson of Lakeview, died last Friday night. The funeral was held Saturday afternoon. Interment at Lakeview Cemetery.

95 YEARS OLD

Mrs. G. W. (Grandma) Thompson, mother of our townsmen, T. J. L. M., G. M., and W. M. Thompson and Mrs. R. L. Slaton passed her 95th birthday Monday, August 22. She is still in fairly good health and her many friends hope she may live to reach the Century mark.

be an expert from the Agricultural Department at Washington, to answer questions.

The value of the display of coins and paper money is said to be at least a quarter of a million dollars. The Treasury Department sends a heavy detail of secret service men to watch over the coins. Numismatists declare it is an entire education in itself to spend an hour viewing these coins.

In addition to the Federal exhibits of agriculture and money, there will be the Postal Department's collection of stamps of all kinds, and the Navy's Department display of models of every fighting ship constructed by the Government since the days of Old Ironsides.

Tuesday night made people wonder if fall of the year had actually arrived—the wind being cool from the north and having the feeling of a fall norther. By Wednesday evening it was warm as summer again.

BORGER CITY NOT HEALTH RESORT YET

My old friend, Bill Smith, formerly of Memphis restaurant fame, got a big double-header in yesterday's Daily Herald. The cause of Bill's breaking into the limelight and crowding Lindbergh and Vanzetti off the front page was that he broke the record for the number of times in getting arrested in one day. The paper stated that Bill was arrested three times in three hours. I guess Bill thought it wasn't fair for "Lindy" and Vanzetti to hog all the free advertising in the newspapers.

In discussing the theft of some oil field supplies not long since with an acquaintance of mine he made the statement that there were people here who would steal anything in the world, and now I have decided he was right. Last week a man broke into a doctor's office and stole a five gallon bottle of sterilized water, being under the impression, perhaps, that it was something stronger. A few days ago a man was arrested for stealing a dog from a widow woman. The woman claimed that the dog was stolen from her last fall and the man claimed that he bought him from another party. It was finally decided to let the dog go on the witness stand and select his rightful owner but to the consternation of the J. P. and the jury the dog insisted upon recognizing every one who came into the court-room. After spending some time cussing the dog the jury gave him to the widow.

I attended a meeting of the L. O. O. F. lodge in Isom last night and didn't get home until about 1 o'clock. This morning when I got the Daily Herald the first bold headline that caught my eye was this: "Police Make 33 Arrests Last Night." Its a wonder they missed me in the drag as I was out pretty late.

A man by the name of Tom Campbell left Stinnett, the county site, last Sunday for Borger to get some dental work done. He had \$75 in green backs in his pocket book and has disappeared as completely as if the earth had swallowed him up. It is thought he met with foul play on account of the money he had on him but the officers haven't the slightest clue to work on.

Machinery and material are being assembled for the paving of the new (scenic) highway thru Hutchinson county. In connection with this matter a rather amusing incident occurred over at Stinnett this week while the commissioners court was in session. A reporter for the Borger Daily News went over there and tried to force his way into the court room while the commissioners were holding a secret session and got thrown out. As a result the Herald has been cussing the court out in its subsequent issues.

You remember what a fuss was raised when Ranger DeGraftenreid was alleged to have "pistol whipped" Deputy Sheriff Bates some two or three weeks ago. Last Sunday night one of the county officers undertook to arrest a crazy drunk and pistol-whipped him nearly to death before he could be subdued. The Borger Daily Herald has launched a determined campaign against pistol-whipping and states that this practice on the part of peace officers must stop if the outside world is to be convinced that Borger is ever even halfway civilized and capable of local self government. In a way I think the Herald is consistent at least. It made a vociferous protest against pistol-whipping by the rangers and if it is wrong for the rangers to pistol-whip a man it is just as wrong for any other officer to do it. However, no peace officer wears a six shooter just for an ornament and if they are not to be allowed to use them in handling violent and dangerous prisoners they should all be disarmed and given a cotton billy.

I note from the Borger Herald that the widely advertised game of baseball to have been played tomorrow (Sunday) between the mothers of Borger and the Girl Scouts has been changed to Monday afternoon on account of a strenuous protest by the ministers of the city. It strikes me that this is discriminating against the women-folks just a little as the men pull off from one to three match games every Sunday and have cock fights, dog fights, badger fights, and sometimes free-for-all fights between the games.

A man who claimed to be a citizen of Amarillo and who was "lit up" like a light house, started on a wild career through the main street of Borger yesterday morning just at sunrise in a big Lincoln car. He shattered all previous speed records and soon had the whole town aroused by his war whoop. The entire police force was soon on his trail and he led the force for half an hour

A Rare Picture of the President

One of the few pictures ever taken of President Coolidge on horseback was obtained recently when the president rode from the summer White House to Mt. Rushmore for the ceremony attending beginning of work on the Jefferson-Lincoln-Roosevelt memorial. Senator Simeon Fess of Ohio is at the president's side.

INCREASE CAR PRODUCTION

Production of Dodge Brothers new four cylinder line has been increased 25 per cent, according to information received from the factory by J. R. Figh, local Dodge Brothers dealer. Shipments of these cars, which have been widely advertised as "The Fastest Four in America," have been running behind retail sales ever since July 17 when the new line was formally announced, it is stated, and dealers have been delivering cars as fast as received.

The present jump in production is the third which Dodge Brothers have made within three weeks. Under the new schedule approximately 1,000 fours are coming off the line each day compared with about 800 previously. "The substantial increase," Mr. Figh states, "indicates clearly the approval with which the new and finer Dodge Brothers four is being received everywhere. It is particularly significant that such sales volume has been reached so soon after the introduction of the new line, as to date only the sedan has been displayed. A new coupe and a new cabriolet roadster were put in production a few days ago and with these body types also on the market a still further increase in production in the near future is indicated."

In the most spectacular speed marathon ever pulled off in this town before he was finally cornered. When the inebriated gentleman was carried before the justice of the peace he explained that he was a bad man from Amarillo and had come over to paint Borger red.

The latest claim of Borger, the wonder city, is the fact that a Borger dog has broken into the movies. "Texas," a big police dog owned by C. B. McCormick of this city, departed a few days ago for Hollywood where after a short training Memphis people will perhaps soon see him on the screen.

MEDICAL MEN MEET IN SESSION AT ESTELLINE

The Four-County Medical Association held their regular meeting in Estelline on Friday of last week. The meeting was very interesting and profitable one.

The meeting was open to the public and was held in an informal manner. Speeches were made on the different phases of the medical profession. The danger from an epidemic of infantile paralysis was stressed and several cases mentioned where the disease is now raging. A warning was thrown out against taking children to public gathering or places where the crowd were congested. The disease is also prevalent among grown people in some places and is almost always fatal.

Among the doctors in attendance at this meeting were the following: Doctors Wardlow, White and Journigan, of Childress; Wilson, Clark, Ballow, and Odum of Memphis; Jenkins and Wilder of Clarendon; Gilmore of Turkey; Wolford of Wichita Falls and local doctors Vardy, Shelton, and Miller.—Estelline News.

ANARCHISTS
Sacco and Vanzetti, after fighting for seven years to keep from paying the penalty for murder, finally had to give up their lives in the electric chair. They died with "long live anarchy" on their lips. Their friends have been holding demonstrations all over the world, protesting against these two having to pay the penalty. They and their friends oppose governments, and when they are caught in the meshes of the law, are the first to call upon the government to protect them.

It is about time that men, who are enemies to our government, should be made to understand that this is a government of, for and by the people, and that crime by whomsoever committed, will be punished. The idea of a few anarchists trying to run this country (and every last one of them cannot speak plain English) is abhorrent to the real citizenship of America. If they don't like our country and our laws, let them go elsewhere. There is no room in America for them.

Crops of Hall county are getting better and more promising every day, with the continued crop growing weather to aid them. The Democrat may be wrong, but it looks like from forty to fifty thousand bales of cotton for Hall county this fall, and the price is climbing, due to the boll worms doing damage to cotton over the South.

This is the year of all years to have good exhibits at the Hall county fair, for it will show to the world that Hall county made good in a time when drought and bad prevailing conditions made things look blue to all. Let's show the people what Hall can do under adverse conditions.

When Old Fiddlers Get Together

It's always fair weather when old fiddlers get together as this picture shows. Recently 200 old-time violin teachers from six states convened at Parkesburg Pa. John Shindel of West Lancaster Pa. is shown doing a little jig while Josiah Speakman of Oxford Pa. plays the measure.

The Memphis chamber of commerce will send a county exhibit to the Tri-State fair at Amarillo next month. This will be done, not only to show the world what our county can do, but to aid in making the regional fair of the Panhandle one of the best any where, because Hall county is a part of the great Panhandle.

Still that speeding demon goes up and down the busy streets of Memphis, with a rattle and a bang; with back-firing every few feet making sounds like a shot gun being fired. Six times he went up and down Main and Noel streets in a few minutes time recently—just a public nuisance.

VOICE CONCERT

Mr. A. H. Mahaffey, teacher of voice, will give a concert at the Presbyterian church next Tuesday evening at 8:15. Everyone is cordially invited to attend.

Mr. Mahaffey will teach in Memphis the coming winter, beginning on Tuesday, September 6. He comes highly recommended and anyone interested, call Mrs. Elmer S. Shelley.

To Brother M. E. Hawkins:
Whereas in the ways of wisdom of Almighty God, our beloved pastor, Brother M. E. Hawkins, passed to his reward this Holy

Sabbath Day at 11:30 a. m. after a continued illness of two months, thereby bringing grief to his family and sorrow to his pastorate.

Therefore we take this means of expressing our highest appreciation for Brother Hawkins as a Christian gentleman, a devout and able minister of the Gospel, a faithful and efficient pastor, as a business man and a true neighbor.

The gospel that he preached and lived among us will long be remembered to bless us as a charge, to bless our homes and to bless us individually.

May God bless his family and his memory to the good of all those who know and loved him.

Committee.

RESOLUTIONS OF RESPECT

Whereas on August 21, 1927 God called from this earth the soul of Rev. M. E. Hawkins, pastor of the Lakeview Methodist church, and whereas Brother Hawkins was at one time our beloved pastor and

Whereas he served 24 years as pastor in six charges in the Clarendon District and completed 38 years of useful service as pastor in the North West Texas Conference.

Therefore be it resolved that we as a committee for the Third Quarterly Conference of Memphis Station extend to the bereaved family of Brother Hawkins our sincere sympathy and prayers of the entire church and pray that the all sustaining grace of Christ Jesus may be your portion. Brother Hawkins was a good man, full of the Holy Ghost and of good works.

Be it further resolved that we spread a copy of these resolutions on the minutes of our Records, send a copy to the family, and send one to the Memphis Democrat and one to the Texas Christian Advocate.

Respectfully submitted,

Parnell Paragraphs

Parnell school began last Monday with an enrollment of about 115 pupils. The faculty consists of five teachers as follows: A. H. Glasco, principal, math and science; Miss Gladys Leary, history and English; Miss Vera Eddings, sixth and seventh grades; Miss Theta Brim, third, fourth, and fifth grades; Miss Rosa Lee Carter, primary department. One of the best openings that Parnell has ever witnessed was had, if enthusiasm is any sign. The patrons and teachers agreed to meet on the opening day and clean off the school ground. They did this in connection with that some good talks were given by the teachers and patrons after which an old time picnic dinner was spread in the hall of the schoolhouse and was immensely enjoyed by all. This school is well equipped for teaching Manual Training and Home Economics. The patrons and teachers are looking forward to one of the best terms that Parnell has ever had.

Mr. L. T. Winn made a business trip to Oklahoma City last week end.

Crop conditions around Parnell are looking extra good, and it is hoped that nothing will happen to them to lessen the chances for a bumper crop.

Another gin is being built here to take care of the cotton crop that is expected to be made.

We now have a railroad into this town. The steel was laid into town last Saturday. A train looks out of place running across the cotton fields but such is the case. A switch is being laid and it is expected that work on a depot will be begun immediately.

A Sunday school is to be organized at the tabernacle Sunday. Everybody is invited to come and help.

Some disturbances took place at Stockholm and Gothenburg, Sweden. At the latter place the police had to charge the crowd when it tried to reach the American consulate.

There was a fairly complete stoppage of work throughout Argentina Monday. The most serious of a number of Buenos Aires disorders was the burning of a street car in a suburb of Buenos Aires.

At Montevideo, Uruguay, and Asuncion, Paraguay, laborers stopped work. There were no newspapers, the printers having joined the protest strike.

Sacco-Vanzetti sympathizers in Mexico City held a parade in the business section, after which there was an orderly demonstration before the United States consulate general.

thian were the greatest, having 660 conversions and 650 additions to the church. All in all thousands have been led to Christ under his preaching. The above record shows that he lived a life worth while, for twenty-four years in one conference a preacher must be able to stand firm and strong, and another indication of the kind of man and preacher he was was the fact that members of different churches of Amarillo, Claude, Clarendon, Wellington, Lakeview, Memphis and other places were at his funeral Monday. His record has been written in the Book of Life and methinks when that book is opened it will be filled from cover to cover with notations of his many good deeds, his faithful performance of duty, sympathy to bereaved and sick, troubled and careworn, and the influence of his life touching that of other lives lasting for years to come will also be written therein.

The funeral was conducted by the Rev. C. E. Jameson and Presiding Elder Griswold, and attended by hundreds of people, not

only of this county.

Rev. Hawkins was buried at 10:30 a. m. Monday, August 22, 1927, at the cemetery of the church.

W. L. Hawkins, grandchild of Rev. Hawkins, and H. H. Hawkins, grandchild of Rev. Hawkins, were the only ones to be buried with him.

For the past few years he has been farming about Memphis.

Two Princes Visit in Canada

Here are two of the newest pictures of the Prince of Wales (left) and his brother, Prince George, of the British royal family. The two princes posed for the photograph while visiting in Canada.

Harrison had charge of the program, subject, Latin-America. After song and prayer for missions in Latin lands, Mrs. Kinard sang a beautiful solo in keeping with the subject. Mesdames McMurry, Sam Hamilton, and Chas. Oren read papers on the different Latin lands telling the need of Missions in these Latin countries which includes Cuba, Mexico, Central America, Porto Rico and South America, where more than half of the people cannot read or write. As a pleasing finale Misses Ruth Harrison and Catherine Oren sang a duet followed by prayer by Mrs. Miller. The practical results follow this study of Missions in Latin comes, after which a lovely ice course was served to about 35 guests.

MISSIONARY SOCIETY OF PRESBYTERIAN CHURCH IN MEETING MONDAY The Ladies Missionary Society of the Presbyterian church met in regular meeting Monday afternoon at the home of Mrs. Scott Montgomery with Mrs. Montgomery and Mrs. Elmer Shelley as hostesses. The meeting was called to order by the president, Mrs. Sager. After a short business session during which a letter from the Missionary Society of Hayesville, La., was read, recommending to our love and care our new pastor's wife, Mrs. Mallard. The leader for the afternoon then took charge and read the scripture and led in prayer. Mrs. Pete Clower then gave an interesting paper on The Age, Population and Industries of China. Carolyn McNeely followed with a one act play, "A Sweet Potato," which represented a Chinese woman's gift of all she had. Miss Virginia Browder next favored us with a song, "Eye Hath Not Seen," very beautifully rendered. Mrs. Sager told of The Wee Ones, which touched the hearts of all, for verily a little child shall lead them. Miss Marcelle Brewer sang "Jesus Loves Me," and as she sang we realized more than ever the beauty of song. Mrs. Fitzgerald spoke on China, Yesterday and Today, clearing the vision of many on the Chinese situation. We then repeated the Mizpah benediction and the hostesses for the afternoon then took charge. During the social hour Mrs. Van Pelt exhibited a number of Chinese pieces of carving and embroidery. The hostess served dainty refreshments of Chinese tea, wafers, and candied orange. The favors were hand painted cards with the inscription, "Honoring Mrs. J. Hardin Mallard." They were beautifully done by our secretary, Mrs. A. W. Guill. All on the program were attired in Chinese costumes and the house was decorated with Chinese lanterns and incense burned. Forty-five ladies enjoyed the afternoon, among them Miss Dillen of Louisville, Ky., and Miss Hornsby of Austin.

BRUEWER-FOSTER WEDDING IS BRILLIANT AFFAIR Beautiful simplicity marked the wedding of Miss Margarette Brewer and Mr. Robert Lee Foster, of Canyon, on Wednesday evening, of last week, at the First Presbyterian church.

The church was lovely for the wedding, having been elaborately decorated by Mrs. L. D. Pierce, Mrs. John A. Word, and Mrs. John Owen.

Gold was the predominating note in the color scheme. The altar which was banked with palms and ferns, made a beautiful background for the many baskets tied with gold and filled with white and hand-tinted English daisies and gladioli, which were used with artistic effect.

Before the altar was a white trellised arch that was laced with green foliage. From the center of the arch a white satin wedding bell with shower of orange blossoms was suspended.

The ceremony opened with a prelude of nuptial music. A duet, "O Promise Me," by Reginald de Koven, was sung by Mrs. Mac Tarver and Thos. E. Noel. A violin solo by Mr. Frank K. Fore was played, "My Heart At Thy Sweet Voice," by Saint Saens, organ accompaniments were played by Mrs. Elmer S. Shelley.

The bridal procession entered the church, led by six bridesmaids singing, "The Bridal Chorus" from Lehengrin. They were in gowns of pastel shades, with silver slippers. Miss Hazel Chadd of Ada, Oklahoma, wore turquoise blue, Miss Martha DeBerry, orchid, Miss Ruby McCaune, yellow, Miss Carolyn McNeely, light green, Miss Mae Nell Elliott, pink, and Miss Eloise Norman, light blue. Each wore a silver and pearl bandeau (their gift from the bride) and carried their music in white covers with white ribbon markers tied with orange blossoms.

The Rev. J. Hardin Mallard, D. D., pastor, took his place at the altar, followed by the little ring bearer, Pete Clower Jr., wearing a white satin suit and carrying the ring in a rose, preceded the groom and his best man, Mr. Kenneth E. Freize of Canyon, who awaited the bride at the altar.

The maid of honor, Miss Marcelle Brewer, sister of the bride, entered alone. She was charming in a peach and gold changeable taffeta with trimmings of gold lace. Her slippers were gold and in her hair she wore a gold bandeau with pearls and rhinestones. She carried an arm bouquet of tinted roses.

The tiny flower girls, Roberta Owen and Rebecca Ray Weaver, of Big Springs, wore dainty dresses of gold and dropped rose petals in the brides path from gold baskets.

The bride, who entered with her father, was a vision of girlish loveliness. She was met at the altar by the groom. Dr. Mallard in a very beautiful way, performed the impressive ring ceremony, while the violin and organ played very softly, "Believe Me If All Those Endearing Young Charms." As the bridal party left the church, Mrs. Shelley played Mendelssohn's Wedding March. The bride was radiantly beautiful in a gown of white satin crepe, with wide lace flounce heavily beaded with pearls.

Her tulle veil embroidered in floral sprays and pearls, was arranged in cap fashion with a fillet of lace and pearls. She carried a shower bouquet of bride's roses, yellow rosebuds and bridal wreath.

The ushers were Paul W. Brewer, brother of the bride, Clifford Lemons, Paul James Jr., and Marshall Keeling. They wore dark coats with white trousers.

Immediately after the service, a reception was held at the home. The guests were greeted on the lawn by Mr. and Mrs. Brewer and bridal party. On the latticed covered porch, punch was served from a block of ice frozen with flowers. In the reception room

the guests registered in the bride's book, presided over by Mrs. Sam Moore of Estelline, and viewed the many beautiful gifts showered upon the young couple, which attest their popularity.

The dining table was laid in cluny lace and was centered with a two-tier wedding cake, richly embossed in white and gold roses and doves topped with a bride and groom. It was mirrored on a reflector encircled by folds of gold tulle.

On either side stood branched candelabra with gold burning tapers.

The bride is the accomplished daughter of Mr. and Mrs. J. A. Brewer. She has grown to womanhood in Memphis and is a graduate of Memphis High. Having specialized in music she has been a successful teacher of piano. The past two years she taught in the Canyon high school.

While attending Canyon College the two met and the romance began.

Mr. Foster is a member of one of Randall county's oldest families. He is a valued employee of the Canyon State bank, serving as cashier. His sterling character has made him one of the "best liked" young men in Canyon.

Immediately following the reception, the happy couple left amid showers of rice, for Canyon where they will make their home. The bride's going-away costume was a navy blue georgette with red trimmings. Her hat and slippers were of black satin with accessories of tan.

Mr. and Mrs. Foster have many friends here, who wish them many happy years of married life.

Out of town guests at the wedding were Mrs. Sam Weaver of Big Springs, Mr. and Mrs. Frank Houston and Miss Lily Houston of Childress, Miss Jane Douglas of Quanah, Miss Jean Kinch of Fort Worth, and Mr. and Mrs. Sam Moore of Estelline.

Mrs. W. Pierce of Ramsdal, visited her daughter, Mrs. W. E. Wilson first of the week.
