CHILD WELFARE CONFERENCE REPLETE WITH WORTH-WHILE PROGRAMS AND FUNCTIONS

CAR IS STOLEN IN SOUTH TEXAS AND IS FOUND AGAIN

While Mr. and Mrs. Glenn L. Thompson were on their honeymoon at McAllen, South Texas, last week their Chrysler 60 roadster, belonging to Glenn's father, L. M. Thompson, was stolen. They returned to Metaphis Tuesday morning, and after arriving received a message that the Chrysler had been found at Edinburg, nine miles from McAllen. Mr. and Mrs. Thompson had been on an extended trip beginning Easter Sunday, stopping at Fort Worth, Waco, and Temple, where they visited relatives and friends, arriving in due time in San Antonio for the commencement of San Jacinto week. From San Antonio they went to Corpus Christi and McAllen, then across the Rio Grande to the quaint town of Matamoros, Mexico, then back to McAllen and ready for the return trip home when their car was stolen. They came by rail to Memphis. Glenn left Tuesday night for McAllen to get the car.

A tree planting ceremony Friday afternoon on the Memphis high school campus, conducted by Mrs. S. M. N. Marrs, vice president of National Congress, concluded the three day session of the Child Welfare Conference of the Eighth District Texas Conference of Mothers and Parent-Teachers Associations. Mrs. Marrs made a timely address Thursday night on the Educational Significance of the Parent-Teacher Movement, which was the theme of the convention, pointed out that new methods were brought about by new objectives in parent-teacher work, namely, worthy home membership, sound health, technique in the three R's, a wise use of leisure and useful citizenship. "We realize that education is for everybody and we stand for the equality of education for every boy and every girl in this great nation of ours," she declared. W. E. James of Austin, director of Texas Council for Safety, gave a great insight into the need for a Safety Council, in his address Thursday night, and again at the high school Friday morning. People have been realizing for some time that there are two people in Texas die each day from auto accidents, and in proportion over the nation, but only lately has a concrete movement been started which is national in scope and intentions, and the ultimate aim is to teach young and old to cooperate in the preventative movement.

BUSINESS GIRLS CLUB HELPING IMPROVE CITY

The Girls' Business Club met in regular session at Carnegie Library Friday, April 23, with Misses Hammond and Christensen as hostesses. There were eighteen members present. The club was very much gratified over the report of the Civic committee. The movements being sponsored by the club, namely the marking of the streets and the improvement of the Railroad Park are progressing nicely. The street signs are here and in a very short time Memphis streets will be marked. The club started this movements and its committees has worked together with a committee from the City Council but the City is financing the work. As they promised the girls sometime ago the Railroad company has placed a fence around the Park. The club has put in the water, planted grass and flowers. It is expected that it will be one of the beauty spots of Memphis this summer. The lesson on Texas History was greatly enjoyed. The discussions of Colonization of Texas by Spanish, French and English were lead by Misses Allison, Bridge and Black. Each member took part in the discussions. After dainty refreshments were served by the hostesses the club adjourned to meet Friday, May 13. Mrs. J. W. Binkley of Dodsonville is visiting her daughter, Mrs. T. B. Huff and family this week.

PAGEANT GIVEN AT M. E. CHURCH

The pageant Sunday night at the Methodist church was one of the most inspiring and beautiful ever presented in this church. The title was "The Resurrection" and portrayed events leading up to, including and following the Resurrection. Spot lights, fake lightning and thunder made some of the scenes very realistic and awe-inspiring. The characters were dressed for the parts and the effect was good. The pageant was sponsored by the Daughters of Wesley class, under the direction of Mrs. L. D. Pierce Jr. A large crowd was present. Some have suggested that this pageant at sunrise in some park on Easter morning next year, would be a good drawing card as well as have a wholesome effect. Elmer S. Shelly left Monday night to attend the Seventy-fourth annual convention of the Texas Knight Templar and Grand Commandery of the State at Dallas.

JUNIOR LONGHORNS WIN

The Junior Longhorns, a baseball team composed of boys between the ages of 12 and 15, have rounded into mid-season form and are now running up a string of victories. They won over Hedley last Sunday by a score of 23 to 18. Derral Holland and Fred Clark Jr. formed the batteries for the Longhorns. They defeated the Smith team Wednesday 16 to 14. Miss Bess Edwards, of the Extension department of the A. M. College, spoke on "Our Homes in Texas." This was very interesting and very appreciated by all present. Edwards told of some of the things being done by home demonstration clubs over the state. She gave a survey of the conditions on Texas farms, the lack of conveniences and even of such necessities as refrigerators, a thing then told of the improvement brought about by kitchen cabinets among the women and by room contests among the girls. Mrs. S. M. N. Marrs conducted a school of instruction in the afternoon, stressing the need for the women to know something about the purpose and of the P. T. A. and to set a definite objective for their work. The inter-relation of local, state and national organizations was so discussed, and delegates were urged to send in dues for members to the state associations.

MEMPHIS BALL CLUB BEATEN

The Memphis baseball club, the Go-Its, were defeated Sunday by the Amarillo Metros by the score of 14 to 2. This was expected by the management and fans. The pitcher and catcher secured for this game reported cold weather. The Metros show great speed with a plentiful supply of team work, and a good lesson for the Go-Its, as team work is what they need. Their main lesson was taught by Manager Gibson on "no play" ball, says Manager Woodington. The GoIts are reinforcing and planning to show the Metros some speed Sunday, May 8, on their home ground. In fact the GoIts say they are arguing to get the Metros goat when they meet again. The GoIts defeated the Clarendon team, at Clarendon, 4 to 2 Wednesday. These teams will play here Friday. Don't fail to see this game as a good one is anticipated.

FIRST CHRISTIAN CHURCH Tenth and Main

Amidst an epoch when contentment, satisfaction and rest are almost unknown to the greater part of the world, Society seems to reach out into vast space expecting to receive a mystical oil pour upon the tempestuous billows of time. Too often the hands of entreaty have been withdrawn and found to be filled only with emptiness and thus precious moments have gone to waste.

Now is the time for those individuals composing Society to appeal to solid reason. At any price we need to seek that oil that would spread joy, pleasure and success to the soul of man. But we must turn back and get started up the proper avenue. The church is the greatest for good in the world. Directly or indirectly this divine institution protects you, promotes your interest, secures your rights, stands between you and injustice and violence and it strengthens and deepens the spiritual life of all who seek its inspiration. It is ignoble to accept its blessings and not render your support, even more than all this, it is base ingratitude.

Bible school at 10 o'clock, communion at 11, followed by sermon, "Jesus Heading the Bread Line." Junior C. E. at 11:10. Intermediate C. E. at 7 o'clock. Evening evangelistic service at 8 o'clock, the sermon, "Was the Thief Saved on the Cross?" Come and hear this message, tell your friends about it and bring them along and let us reason this question together. Perhaps we shall learn something new, though it be an old truth of the Word.

Regardless of your station or your looks, we are here to help you and being one of God's creatures you are wanted at His place of worship.

J. L. RICE, Minister.

Study to show thyself approval unto God a workman that needeth not to be ashamed, rightly dividing the word of truth. Second Tim. 2:15.

But continue thou the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them. And that from a child thou hast known the holy scriptures, which are able to make thee wise unto

salvation through faith which is in Christ Jesus. All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness. That the man of God may be perfect, thoroughly furnished unto all good work. Second Tim. 3:14-17.

"The Christian's faith beholds a home on high; The Christian's hope grows brighter as the years go by; The Christian's love breathes trusting prayer; The Christian's going home, and Christ tells where." R. J. SMITH, Minister.

MEMPHIS ARTIST TO PLAY AT CLARENDON. The opening program of the second annual May Festival sponsored by the School of Fine Arts of Clarendon College will be given by the Mac Dowell Club on Thursday, May 1, 8:15 p. m., at the Methodist church.

Mrs. L. B. Madden of Memphis will be guest soloist in two groups of organ solos. Mrs. Madden is quite an accomplished organist and has a host of friends in the Panhandle. The organ soloist will be an innovation for programs given in the past few years, and will be an interesting feature. Another interesting feature will be in the fact that the Mac Dowell Club will sing all numbers a capelle. The explanation lies in the fact that the Mac Dowell Club possesses some unusually well trained musicians.

FORTY-FIVE THOUSAND DOLLARS PAID FOR PRODUCE IN MEMPHIS SINCE FIRST OF YEAR BY ONE FIRM

As evidence that the farmers of Hall county are doing their part toward diversification, one local produce house in Memphis has paid out to the farmers since the first of January more than \$45,000 for produce.
During the holidays this same firm bought from the farmers 170,000 pounds of turkeys, paying them an average of 32 cents per pound.
From the first of January, 1927, up to March 31, this produce house bought produce as follows: Butter fat, \$346.20; eggs, \$4,226.65; ducks and geese, \$46.46; hens, \$34,601.07; hides, 1,204.03; junk, \$2,946.77; springs, \$1,219.46 and turkeys, \$740.05.
It is estimated that counting the other produce house and the grocery stores, restaurants and hotels that buy butter, eggs and chickens direct from the farmers, that at least \$50,000 more has been paid to the farmers since the first of January, making a grand total of nearly \$100,000.
This is probably the best record of any town in this section of the state, and is indicative of the fact that Hall county people are becoming greatly interested in growing more stuff at home, and not confining themselves to the one crop program.

The 1913 Club recently put on an Art Exhibit at the high school building, charging 10 cents for admission. This money was used in buying pictures for the school, and amounted to about \$55. ENROLLMENT FOR GOLD STAR SHOULD BE MADE AT ONCE

Through the Gold Star enrollment the name of every Confederate Veteran can be placed in the Book of Memory to be kept in the Memorial Hall at Stone Mountain. Opposite each of these names will be placed a gold star. At the time his name is enrolled a special medal, engraved by Augustus Lukeman, sculptor of the Memorial, will be given him. All this time the men who donned the gray in the Sixties, went out from their homes to fight under the immortal Lee and Jackson. Only men and women of the South can make this possible.
The Winnie Davis Chapter U. D. C. is anxious to have the names of every Confederate Veteran in Hall county placed in the Book of Memory. It is with saddened hearts that we note Hall county's quota is only seven. The following names have been sent in to be placed in the Book of Memory: J. W. Wells, M. L. Rainey, R. W. Officer. There are four yet to be sent in. We want all the names sent in so the medals can be bestowed June 3—Jefferson Davis' birthday.
The South is endeavoring to glorify on Stone Mountain its loyalty to principle, devotion to duty and sacrifice of self. It is not in glorification of the statesmanship of President Davis, on the military achievements of General Lee or General Jackson, but to the spirit, to the courage and the devotion of those illustrious leaders and their devoted followers, that the greatest memorial in the history of mankind is being carved on Stone Mountain.

CHILDRESS WINS NEXT ANNUAL MEET PANHANDLE PRESS

Through the efforts of Fred Story of the Childress Post, assisted by Secretary Debenport of Childress C. C., at the annual meeting of the Panhandle Press last week at Amarillo, the next meeting of the Panhandle Press will be held in Childress. It has been the custom to meet every year in Amarillo, for it has been found that to go to any other place causes the attendance to wane. But friendship for Fred Story in this case was the prime reason for voting to go to Childress next year. Childress will show the press people a good time and the entertainment will be in keeping with the open hearted way of the West.
Oran Kelly, of the Spearman Reporter, was elected president for the coming year, and Deskin Wells of the Wellington Leader was elected vice-president. J. D. Sugg of Pampa and Ed. L. Mansen of Clovis were elected as directors. Clyde Warrick of the Canyon News was re-elected secretary.
The convention was presided over by President Ray H. Nichols of the Vernon Record, and was one of the most enjoyable and beneficial in the history of the association. More than one hundred Panhandlers were in attendance.
