## PHIS STILL ONNING FOR PROJECT

### Dunbar Talk High Officials on to Washington

is still in the running for the project. The report back from Washington this week by T. J. Dunbar, C. Wells, who spent weeks ago army engineering a survey of Memphis soundings preliminary to a project in this section. Panhandle. This following period of inaction, and telephone calls by the Chamber of Commerce reveal what had been Memphis application. The project had been so far as Memphis. Dunbar and Wells to Washington to look matter and try to get on. was spent in Washington men who succeeded in the valuable assistance of representatives. Conference had with heads of the department and other officials, who made commitments concerning the application and promised consideration. and Wells made the trip between Dallas and on Sunday night, they expect that Memphis chance of being selected. At least the proposition of the table instead of being rejected, they said.

### Limit for Is Set at Per Hour

Administrator Jeffers two important recommendations of the Baruch Rubber, directed the Office of Transportation to limit needs to 35 miles an hour in the Office of Price Administration to prepare to ration throughout the nation on basis that it is now rationing. The limitation on speed will go into effect October 1 for all vehicles operated by carriers. Common cars and buses operated (Continued on page 8)

### Farmers to Piped in War Says Land

Secretary of Agriculture directed the Farm Security Administration to shift its war effort so that the farmer be protected to the fullest extent possible to do so. expected that Farm Security Administration would release the manpower of farmers for the war effort. "The Hall (Continued on page 8)

### Loans Liberalized For Needs; Cooperative Purchases Urged

farmer is ill-equipped to prepare to meet the war effort in the Robert C. Land, rural supervisor for the Army Administration in this critical situation. Secretary of Agriculture directed the Farm Security Administration to shift its war effort so that the farmer be protected to the fullest extent possible to do so. expected that Farm Security Administration would release the manpower of farmers for the war effort. ### President Stresses Need of P-TA Action in Promoting Constructive Youth Program

Mrs. D. L. C. Kinard of this city, president of the Eighth District, Texas Congress of Parents and Teachers, presided over and was the main speaker of the board of managers' meeting in the high school building at Amarillo Saturday afternoon. She was accompanied to the meeting by Mrs. W. C. Davis and Mrs. Roy R. Fultz. Mrs. Kinard stressed the need for following closely the principles of the parent-teacher movement as a means of promoting constructive youth programs for the nation. Mrs. R. E. Pattillo of Childress was introduced as the new vice president to fill the vacancy created by the resignation of Mrs. R. A. Fender of Panhandle. Reports were heard from Parent-Teacher organizations of the Eighth District. The report for Memphis was given by Mrs. Kinard and Mrs. Davis.

## FALL REVIVAL AT FIRST BAPTIST CHURCH WILL BEGIN NEXT SUNDAY

REV. DOUGLAS CARVER

The annual autumn revival of the First Baptist Church will begin next Sunday morning, it is announced by Rev. Sid F. Martin pastor. The series of meetings will continue through Sunday, October 11, with two services daily, 10 a. m. and 8 p. m. The preaching will be done by Rev. E. Douglas Carver, pastor of the First Baptist Church of Pampa, who is one of the most

T. D. CARROLL

popular Baptist preachers of this section of Texas. This will not be his first time with the First Baptist Church of this city, as he conducted a very successful revival here some years ago. Song services will be under the direction of T. D. Carroll of Henderson, who is known throughout the state for his singing and competent choir direction. He is also (Continued on page 8)

## Canada Is Subject Of Talk Heard by Local Lions Club

Estelline Man Thinks Ties Between U. S. and Neighbor Must Be More Closely Knit

"Canada" was the subject of an enlightening talk by J. T. Duncan, superintendent of the Estelline school, at the regular weekly luncheon of the Memphis Lions Club Wednesday at noon in the basement of the First Methodist Church. Duncan has made a thorough study of the northern neighbor of the U. S. and had some very interesting facts to present to the club group. In the course of his talk, the speaker expressed the feeling that the friendship of Canada is worth more to this nation than that of any other country. While not disparaging "good neighbor" efforts toward countries to the south, Duncan said more effort should be put forth by the people of the U. S. to understand Canada and Canadians. The 13,000,000 people of Canada buy more from this country than all of South America, he asserted. The war has brought Canada and United States people even closer together than before, he said pointing out that tariff barriers have been torn down and there is free exchange of arms and raw materials for the war effort. Pointing to common language and kinship of blood, Duncan believes the ties between Canada and this country will be knit ever more closely in the future, as a matter of mutual assistance and protection.

### Mrs. Kinard Gives Talk at Amarillo P-TA Conferene

Mrs. D. L. C. Kinard of this city, president of the Eighth District, Texas Congress of Parents and Teachers, presided over and was the main speaker of the board of managers' meeting in the high school building at Amarillo Saturday afternoon. She was accompanied to the meeting by Mrs. W. C. Davis and Mrs. Roy R. Fultz. Mrs. Kinard stressed the need for following closely the principles of the parent-teacher movement as a means of promoting constructive youth programs for the nation. Mrs. R. E. Pattillo of Childress was introduced as the new vice president to fill the vacancy created by the resignation of Mrs. R. A. Fender of Panhandle. Reports were heard from Parent-Teacher organizations of the Eighth District. The report for Memphis was given by Mrs. Kinard and Mrs. Davis.

### Workers Will Be Instructed In Duties in Four Sessions On Afternoons of Next Week

The first class of instruction for supervisors, checkers and packers in the surgical dressing program of the Hall County Red Cross chapter was held Wednesday night under the direction of Mrs. Lloyd Phillips, chairman, and Mrs. W. C. Davis, vice-chairman. The second and final sessions will be held tonight at the Red Cross rooms. Next week instruction will be for all the women who will take part in this work. Classes will be held from 2 to 5 p. m. Tuesday through Friday and on one evening yet to be decided. It was pointed out that prospective workers need attend only one session for instruction, unless something should arise which they do not understand. They may choose the afternoon most convenient for them. Supervisors, checkers and packers who have taken the course of instruction this will be expected to assist the chairman and vice chairman in teaching the workers next week, Mrs. Phillips said.

### Supervisors For Making Dressings Meet This Week

Workers will be instructed in duties in four sessions on afternoons of next week. The first class of instruction for supervisors, checkers and packers in the surgical dressing program of the Hall County Red Cross chapter was held Wednesday night under the direction of Mrs. Lloyd Phillips, chairman, and Mrs. W. C. Davis, vice-chairman. The second and final sessions will be held tonight at the Red Cross rooms. Next week instruction will be for all the women who will take part in this work. Classes will be held from 2 to 5 p. m. Tuesday through Friday and on one evening yet to be decided. It was pointed out that prospective workers need attend only one session for instruction, unless something should arise which they do not understand. They may choose the afternoon most convenient for them. Supervisors, checkers and packers who have taken the course of instruction this will be expected to assist the chairman and vice chairman in teaching the workers next week, Mrs. Phillips said.

## CYCLONE DOWNS PADUCAH SQUAD FRIDAY NIGHT

### Local Gridmen Show Up Well in Winning First Home Tilt 31-0

The Memphis Cyclone grid machine blitzed the Paducah Dragons in decisive fashion Friday night in a non-conference battle in Cyclone stadium. Getting off to a rather sloppy start, the black-and-gold youngsters hit their stride in the first quarter and took the game under control, amassing 31 points in three quarters without permitting the invaders so much as to threaten their goal line. Attacking by land and air, the Cyclone carried the battle to the foe throughout the engagement. The aerial combat team of Huggins to Jackson effective boom-barded the Dragons, accounting for two touchdowns, setting up a third and scoring one point after touchdown by the air lanes. Butler's educated toe did yeoman service on kick-offs and punts, doing much to keep the visitors on the defensive. The 1942 edition of the Cyclone showed up in the first home engagement as a team, without primadonnas. The backfield worked smoothly behind a hard hitting and blocking line. So large was the margin of victory that the second string carried the school colors through a good part of the encounter. Butler, holding down the signal (Continued on page 8)

### Wheeler Mustangs To Meet Lakeview Next Friday Night

The Wheeler Mustangs will invade the cyrie of the Lakeview Eagles Friday night for a conference football clash which is expected to be a hard fought and exciting encounter. The game will be the first of the season for the Eagles in their rhombus stadium. Due to the fact that the Memphis Cyclone has no game scheduled for that night a large number of local pigskin fans are expected to attend. J. T. Duncan of Estelline will referee the game, with the opening kick-off set for 8 o'clock. The starting line-up for the Eagles is listed as follows: Sanderson, left end; Vest, left tackle; Shepherd, left guard; Story, center; McClendon, right guard; Wiley, right tackle; Byars, right end; L. Merrill, quarter; Bownds, left half; Burnett, right half; L. V. Merrill, fullback.

### First Home Game for Eagles Expected to Draw Crowd; Teams Are Evenly Matched

The Wheeler Mustangs will invade the cyrie of the Lakeview Eagles Friday night for a conference football clash which is expected to be a hard fought and exciting encounter. The game will be the first of the season for the Eagles in their rhombus stadium. Due to the fact that the Memphis Cyclone has no game scheduled for that night a large number of local pigskin fans are expected to attend. J. T. Duncan of Estelline will referee the game, with the opening kick-off set for 8 o'clock. The starting line-up for the Eagles is listed as follows: Sanderson, left end; Vest, left tackle; Shepherd, left guard; Story, center; McClendon, right guard; Wiley, right tackle; Byars, right end; L. Merrill, quarter; Bownds, left half; Burnett, right half; L. V. Merrill, fullback.

### Letter from Sanders Tells of Life in Japanese Prison Camp

The family of J. R. "Rusty" Sanders, U. S. Marine Corps, were cheered this week to receive from him a letter, which was transmitted through the International Red Cross from a Japanese prison camp at Shanghai, China. "Rusty," son of Mr. and Mrs. L. D. Sanders of Memphis, was one of the Marines who so heroically defended Wake Island at the start of the war and was taken prisoner by the little brown men. His mother received a message from the War Department in May stating that he was alive and well. The letter, which was passed by the Japanese censor, but bore no date, follows: Dear Mama: Just a few lines to let you know that I am well and in good health and am thinking of you. I came through the battle uninjured, but a bit tired of it all and am now waiting patiently until the war is over and I can come home once again. I'll tell you a little about our daily life. We arise at six in the morning, have breakfast at 7 and go out to work at 8:30. We either work on a large playground that we are building or in gardens. We are growing quite a nice garden and will soon be raising our own fresh vegetables. We return from work at 11:30 and have dinner at 12. We work in the afternoons from 1:30 until 3:30, and have supper at 5. Then

## FLAMES RAVAGE STEAM LAUNDRY TAILOR SHOP

### Loss in Fire Sunday Afternoon Is Large; Origin is Unknown

No accurate appraisal of the overall loss from fire, which Sunday afternoon ravaged the Memphis Steam Laundry and Lindsey Tailor Shop, was available today, but will total several thousand dollars. Damage to the building, which was the greater part of the loss, is estimated at between \$3,300 and \$3,500. Damage to machinery and other equipment of both laundry and tailor shop was not as great as at first appeared, although was heavy. There was considerable loss, also, in clothing and laundry bundles in the two establishments. Neither the laundry nor the tailor shop equipment was covered by insurance. The fire, believed to have started at the rear of the laundry, had gained considerable headway in the closed building before it was discovered about 5 p. m. The exact origin is not known. Prompt and efficient action on the part of the volunteer fire department brought the flames under control in a comparatively short time. The blaze raged through the upper part of the (Continued on page 8)

### Special Exams for Teachers Are Set

Recognizing that the teacher shortage in Texas is definitely threatening the cause of education, State Supt. L. A. Woods has authorized a special examination for second class certificates to be held Friday and Saturday, October 16 and 17, according to information received this week by Miss Tops Gilreath, county superintendent. These examinations will be held in all counties of the state. Persons 18 years old and up are eligible to take the tests, and those interested are urged to begin preparation at once. The examination for Hall County will be held in the courthouse. Miss Gilreath announces.

### Church Program Expected to Draw Big Crowd Tonight

A capacity crowd is expected tonight at 8:30 at the First Methodist Church for the big rally and program being sponsored by the 10 men of the church who have been working in the "Back to Church" movement, started last spring. This group is extending a blanket invitation to all members of all the churches of the city and all their friends. The program committee has been hard at work in arranging an event that will comprise plenty of entertainment as well as inspirational features. It will be different from the sponsoring group asseverates. Tommie M. Potts will be master of ceremonies for the following program: Invocation, Rev. E. L. Yeats. The first 15 minutes will be given over to the young people of the Methodist church. "Our Church" will be the topic of a talk by Mrs. N. A. Hightower. Six two-minute sketches will be given by these men: "Object of the Rally," Tommie M. Potts. "Church Influence," W. A. Thompson. "The Most Comical Incident in My Experience," Rev. R. L. Yeats. "Church Fellowship," Arthur Gidden. "Why We Like Our Pastor," E. N. Hudgens. "Our Pastor's Faults," speaker unrevealed. W. B. Hooser will elaborate on the subject of "Back to Church" and Lewry Johnson will tell the audience about his grandmother. (Get Your Scrap in the Scrap)

### Carroll Smyers to Go to New Orleans

Carroll Smyers, former secretary of Chamber of Commerce, will report the first of October in New Orleans where he will be in the district office of the Public Health Service. Mr. Smyers and his wife and daughter lived in Philadelphia during July and the first of August before going to Washington. They will be in New Orleans for several months and then he will be sent across the border where he will be with the Texas Program in the U. S. Division of the Public Health Service. (Answer Rumba with Rumba)

### JERRY SITTON VISITS BRIEFLY HERE TUESDAY

Lt. and Mrs. Jerry Sitton, who have been stationed at the Naval Air Base at Corpus Christi, visited briefly with friends in Memphis late Tuesday. They were en route to Oakland, Calif., Lieutenant Sitton having been transferred to the Naval Air Base there.

## Odd Souvenirs Of Australia Received Here

A box of souvenirs from "down under" was recently received by Mrs. Anna Guill of Memphis from her son, Lieut. A. W. Guill, who is stationed in Australia. The package was two months in making the long journey by land and sea, but the contents were in good condition, with the exception of one small metal figure, which was broken. Most interesting of the souvenirs was a set of six napkin rings carved from mulga wood, each ornamented with small metal figures. Two of these figures are kangaroos, two koala bears and two emus. There were also two bronze cigarette boxes, lined with some kind of soft wood, and a pottery ash tray.

### Infant of Visiting Family Dies Here

Joe Thomas McAfee, 7-months-old son of Mr. and Mrs. Lee McAfee of Dimmitt, died in a hospital in Memphis Monday afternoon at 4 o'clock, after one day of illness. Mr. and Mrs. McAfee and family were visiting his brother, Andy McAfee and family at Parnell when the baby became seriously ill and was brought to Memphis for treatment. Funeral services were held from the community church at Hulver Tuesday afternoon at 2:30 o'clock, by Rev. R. J. Ibsen, pastor of the Free Will Baptist Church at Estelline. Burial was in the Hulver cemetery, directed by King's Mortuary of Memphis. Survivors, besides the parents, are two sisters, Lorena Dell and Mary Bell, and one brother, J. Lee.

### CLAUDE'S Comments

The scrap drive is on earnest here. School children are earning the city from one end to another to get the scrap metal, and it is surprising how much is being dug up where people thought nothing could be found to amount to anything. A few pounds of scrap iron around every home in the United States, when put into one pile, would cause Hitler and Hirohito to sit up and take notice. Farmers are needing cotton pickers right now, due to the rapid opening of cotton. The leaf worms have done a lot of damage, but a 40,000-bale crop is predicted for Hall County anyway. The crop is (Continued on page 8)

Women Work— CIVILIAN DEFENSE AUXILIARY NOTES

By INEZ BAKER

MORALE: "It is unity in a purpose."—Jonathan Daniels, assistant director in charge of civilian mobilization.

For a long time we have been wanting to write about women's clubs and this seems to be a good opportunity. It is laughable to look back to the beginning. The late Phebe K. Warner used to tell of the opposition men raised to their wives joining clubs. One fellow said: "No, I won't have my wife gallivanting about after such things." Imagine a man objecting to his wife joining a club today!

Perhaps they objected to the name "club" for the only clubs they ever heard of were places men met to smoke, play cards and drink. But the purpose of the women was not such, as evidenced by the names of early clubs: Shakespearean, Lord Tennyson, etc. Their mottoes also set forth their purpose.

L. T. Taylor, author of "The Cavalcade of Jackson County," Texas, claims the Eleanor Brack, Enridge Literary Club, organized at Edna, September 28, 1901, to be the first ladies' literary club in Texas. We of Hall County know better, since we have positive proof that the Culture Club of Memphis was organized May 16, 1899. But that doesn't matter, we are more interested in their purposes. The motto of the Eleanor Brackenridge Literary Club was "The desire for knowledge, like the thirst for riches, increases even with the acquisition of it." Many years ago we heard the late Effie Houghton, charter member of the Culture Club, say: "Not that we claim to be more cultured than our sisters, but that we strive for culture for ourselves and others." The first course of study of the first was English Literature through the Milton period, of the other, Texas History.

Clubs changed as the years passed. Women began to study the needs of their children, of the underprivileged, of their own communities. They began to study the needs of their own country, and the peoples of other nations. Rural clubs were formed. Farm women learned to buy and sell, to can and to feed their families at home. We do not know when men changed their opinions about women's clubs but it must have been when they wanted something done they could not do themselves.

"Give a woman a hairpin, and she can fix anything," used to be a common saying. Without precedent, without masculine aid or approval, without money, with only faith women's clubs through the years have built parks, libraries, shrines and hospitals. They have endowed colleges and established scholarships. They have built bridges between classes and nations. They have done more to bring about a friendly relationship between the United States and South American nations than any one else.

All of which brings us to this: If you want to know how many women's clubs there are in your community and their names, read the list of donors to any worthy project, you will find all of them included there. They still like to work in units, and why not since in unity there is strength and purpose? Their efforts and accomplishments are recorded as a whole, not as individuals.

For some reason our Soldier's Kit fund reports a little short this week; we are sure it will look better next time. Lakeview sends \$2.00, given by Mr. and Mrs. G. W. Carter who drove all the way into town to bring their gift. They also send 60c, given by the third and fourth grades in school, and \$1.00 from Mrs. Lance Leggett. Mrs. Mattie Compton of Memphis fills a kit with \$1.00. The Delphinian Club, \$20.00.

Mrs. George Dickson, chairman of the Brice Auxiliary, never fails the Red Cross. Last week she donated several gross of buttons and this is a gift to be appreciated since buttons are very hard to get. She also brought in a finished quilt for which the lining was furnished by Mrs. W. H. Young blood and herself and quilted by the Brice women. Thank you ladies.

Mrs. C. C. Cunningham, chairman of the Plaska Auxiliary brought in one of the prettiest quilts you ever saw, made and donated by the Plaska women.

The fire Sunday afternoon almost "scared" us to death. The Red Cross sewing room, only a few feet from the fire, was full of finished garments, hundreds of them ready to be shipped. Mrs. Webster says these will positively be sent this week.

The office of Defense Transportation has taken some more rubber out of rubber-necking by abolishing for-hire sightseeing service by any motor vehicle using rubber tires. In Boston, horse-drawn carriages 50 to 75 years old have been resurrected so visitors may continue to see the city's historic places.

ANNOUNCEMENT!

Last week I advertised that, having decided to close out my business, I would sell my stock of groceries at cost. Since that time I have made a deal to sell the entire stock to the City Grocery, which will save me expense, time and effort in disposing of the stuff. If I have disappointed the good people of this area in their expectations of getting groceries at cost prices, I am indeed sorry, but hope you will understand my position. I will turn over the stock to City Grocery on

THURSDAY, OCTOBER 1st

So that, when you read this, I will be out of the grocery business in Memphis, after serving the public for some 16 years. It is a source of regret to me that such a move is necessary, but inability to get competent help and general war conditions make such a step seem advisable.

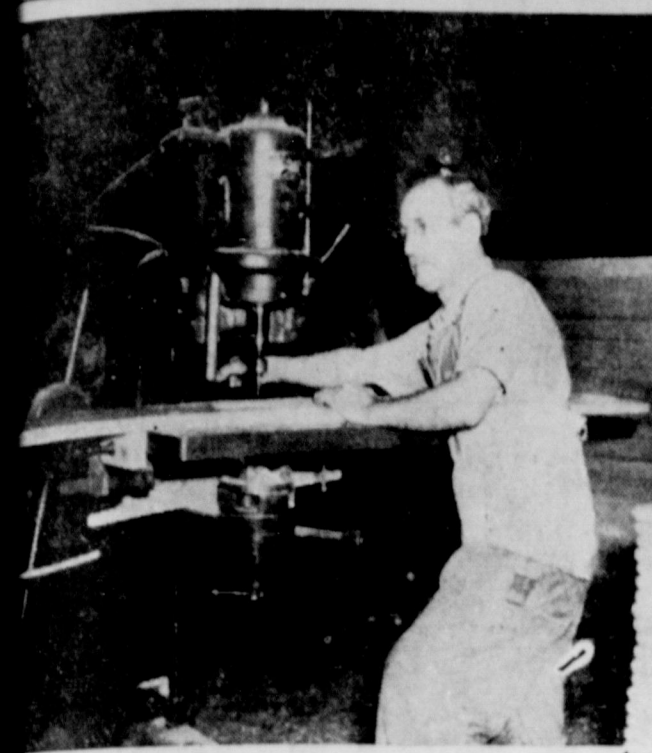

I want to take this opportunity to express heartfelt thanks to the customers who have been so loyal all through the years. It has been pleasant to deal with you, and I wish you all the luck in the world for the future.

NEWS about boys in the Service

Pvt. J. G. Gardner returned Sunday to Fort Riley, Kas., after a visit here with his parents, Mr. and Mrs. J. G. Gardner. He is in the medical corps.

Jack Walker of New Orleans La., who is in the Coast Guard, came Sunday night for a visit with his parents, Mr. and Mrs. Cleve Evans. He is in the Coast Guard.

Marion Messer of New Orleans La., came Sunday night for a visit with his parents, Mr. and Mrs. Cleve Evans. He is in the Coast Guard.

Rufus Clark Jones of Memphis has volunteered as a specialist in the Air Corps, according to information released by Major W. W. McCollom, publicity officer at the West Texas Recruiting and Induction Center at Lubbock.

Lt. A. W. Guill, who is stationed somewhere in Australia with the 197th Coast Artillery, has been promoted from second to first lieutenant, he informs his mother, Mrs. Anna Guill, in a recent letter. Lt. Guill says he got a good laugh at a remark in a letter from his mother about cold weather, as it is now summer in Australia and he has turned another two shades darker.

L. D. Messer, son of Mr. and Mrs. Jess Messer of Memphis, will soon complete his course of training for the Navy Signal Corps at the University of Illinois, Urbana, Ill., and expects to be designated for sea duty soon. He writes as follows:

Dear Folks: Here's your sailor again reporting on his life in the U. S. N. Signal Corps. I am healthy and doing fine in school, but it is hard to learn. I thought I would never learn signals, but I can now read 115 letters a minute sent with flags in semaphore. I am in the fast class, so I will graduate within the next few days.

I am on edge tonight, for there is a big bunch going out in about a week and I think my name is on the list, but I am not sure yet. Will probably know by Monday. We will probably be with the Comandos. They are the men who are given jobs that seem impossible but somehow always get them done. I hope I get to go, for I am restless and ready for sea duty.

I am going to try to get a few days furlough to come home, if I can, for I really want to see everyone in good old Memphis again. This life is really exciting when a fellow gets used to it. I know now I would miss the fellows, their jokes and laughter and the general "madhouse" of the place. I have lots of pals, we probably won't get to stay together, but I'll never forget them.

I am busy from morning till night all week, then have to clean the place like a silver spoon on Friday night and stand personal inspection on Saturday, which takes about three hours before we get liberty to go to town. And let me tell you, we really appreciate getting to go to town. But by Sunday night we are glad to have a place to come back to and rest and dream of the good old times we had over the week end. Then Monday we start planning all over again for the next week end.

Winfred, you stay with mother and dad as long as you can, for

Back From Sea—Buy Bonds With Pay

NEWPORT NEWS, VA.—When a cargo ship docked at Newport News recently, after a six-month trip to Murmansk, Russia, carrying War supplies, almost all crew members bought War Bonds from a Newport News Banker who went aboard for the purpose of selling the bonds when the seamen indicated a desire to buy them.

Jobs Open—CIVIL SERVICE

With the national defense program of the United States opening up large numbers of jobs of varied types almost daily, the Civil Service Commission is asking for applications, Glynn Thompson, local secretary of the board of examiners, has announced.

Here's a listing of a few of the jobs for which applications are now being taken (further information may be obtained from Thompson at the Memphis post office):

Uncle Sam is looking for men and women — especially the girls — to go to work in the weather bureau, Glynn Thompson, secretary, local board of U. S. Civil Service examiners, announced today. Applicants should be at least 17 years old and have a high school education or its equivalent.

The ones who make the grade in this training course may be rapidly promoted, with duty in Arkansas, Louisiana, Oklahoma Texas and New Mexico.

Applications can be obtained from any first or second class post office in Louisiana or Texas; the regional director, Tenth Civil Service Region, Customhouse New Orleans, or from Glynn Thompson at the Memphis post office.

The Army and Navy are calling for 3,000 graduate nurses a month for the next twelve months. Many of these will be taken from civilian institutions. During the year ending June 30, about 45,000 new students were admitted to schools of nursing.

### Miss Marie Rasco Becomes Bride of Pfc. Firman W. Williamson Wednesday Night

Miss Marie Rasco, daughter of Mr. and Mrs. A. G. Rasco, and Pfc. Firman W. Williamson, son of Mr. and Mrs. C. C. Williamson of Lubbock, were married Wednesday evening at 8 o'clock at the Presbyterian Church. Rev. Russell Wingert, pastor of the church, performed the ceremony in the presence of friends and relatives. Decorations arranged for the service were built around leandrea, being flanked by ferns, centered by a large candelabra.

Mrs. L. G. Rasco, sister-in-law of the bride, played "The Rosary," "Liebestraum" (List), "Drink to Me Only with Thine Eyes" and "Indian Love Call."

The bridal party entered to the traditional "Bridal Chorus" from Lohengrin. "Traumeei" was played softly during the ceremony. "Wedding March" by Mendelssohn was used as the recessional. Mrs. Rasco also played the wedding music.

Miss Mary Jones, the bride's only attendant, wore a blue wool Jersey dress with beige accessories. Her corsage was of white carnations. R. G. Patrick served as best man.

Given in marriage by her father, the bride wore a white wool Jersey dress with sugar plum accessories. She carried a bouquet of white carnations on a white ribbon. Mrs. Williamson has attended Texas Tech, Lubbock, for the past two years. She was a member of the K. Shari social club.

Mr. Williamson attended the Weatherford College last year. He is now in the Lubbock Flying school.

Immediately following the ceremony, the couple left for a wedding trip to Ruidosa, N. M. For travel, the bride wore a tan velvet suit with kelly green accessories. Mr. and Mrs. Williamson will make their home in Lubbock.

Out of town guests attending the wedding were Mrs. Bob Miller of Birmingham, Ala., Mrs. V. J. Jones and daughter Rosalee of Abilene, Mr. and Mrs. Gus Rasco of Fort Worth, and Miss Fay Rasco of Amarillo.

### Occupations Class Enjoys Picnic at City Park Tuesday

Members of the diversified occupations class of the Memphis High School enjoyed a weiner roast at the city park Tuesday evening. Games provided entertainment after the picnic supper.

Those attending were Gene Robertson, Frances Messer, Carl Baker, Jimmie Lee Diamond, Robt. P. Cymming, Nora Mae McMurry, Helen Patrick, James Chappell, Teddy Jim Austin, Bobby Blair, the instructor, Robert F. Devin, and daughter, and Mackie Allen.

The class elected officers last week as follows: Gene Robertson, president; James Chappell, vice president; Helen Patrick, secretary-treasurer; John Hall, sergeant at arms; Billie Wells, reporter.

### Week of Prayer Observance Held By Baptist Women

The W. M. S. met Monday at the church for the Mary Hill Davis week of prayer program and business session.

Mrs. George Cullin, president presided during the business session. Mrs. H. B. Gilmore of Circle No. 1 was leader of the program. "The Light of the World Is Jesus" was sung at the beginning of the program. Chapter 1, "Setting Out State Missions" of Mrs. Cass' book, "That They May See," was used as the subject.

Mrs. J. H. Smith led the devotional. Mrs. Emma Baskerville introduced the book and related a story of the French Village church. Mrs. Chas. Oren gave the work of the District Missionaries and State Evangelists.

Mrs. Gilmore told of the bases for good literature and ministerial retirement plan. A song, "Jesus Calls Us" and prayer by Mrs. W. Wilson closed the program.

Members present were Mrs. J. H. Smith, Mrs. Emma Baskerville, Mrs. Mack Graham, Mrs. Bud Godfrey, Mrs. E. T. Prater, Mrs. Chas. Oren, Mrs. W. Wilson, Mrs. L. G. Rasco, Mrs. George Cullin, Mrs. W. B. Scott, Mrs. J. W. Goodell, Mrs. Wm. Hood, Mrs. H. B. Gilmore, Mrs. L. O. Dennis, Mrs. Bill Smith, Mrs. N. M. Lindsey, Mrs. Tom Draper, Mrs. Alfred Hutcherson, Mrs. John Barber and Mrs. Claud Johnson.

### Book Review Is Heard by Members, Guests of Club

"The Days of Ofelia" by Miss Gertrude Diamant was reviewed at the Current Book Club Tuesday afternoon at 4 o'clock by Mrs. H. W. Lynch of Amarillo.

The club met at the home of Mrs. R. C. Walker and Mrs. C. W. Kinslow, Mrs. S. B. Palmeyer and Mrs. L. E. Madden were co-hostesses.

Mrs. D. J. Morgensen, president, conducted a brief business session. A donation of \$5.00 was given to the Red Cross Kit Fund. The treasurer also reported the \$1.00 was given to the U. S. O. drive in June.

Mrs. Lynch was presented by Mrs. Morgensen. She gave a vivid account of "The Days of Ofelia." It is not a novel on Mexico, but rather a prose sketch book depicting the daily life of the "Escoto" family, and in a true sense, reflects the national traits of the Mexican people.

Miss Diamant's real mission to Mexico City was a commission to apply "Intelligence Tests to the Otomi Indians" but during her sojourn in Mexico, she became more concerned with details of the Escoto family's daily life. The ten year old Ofelia, one of six children, was employed by Miss Diamant as a personal maid; therefore, the writer could not resist the gentleness of the Mexican child.

"Ofelia" was a symbol of Mexico, not less than the Otomi Indians or the old Colonial Mansions. She is "Pippa" passing.

Thirty-six members and guest were in attendance at the review.

—Answer Bonds with Bonds— Roy Gilreath returned Sunday to College Station where he will attend A. & M. College.

Mr. and Mrs. Orlie Jones and son Hubert went Wednesday to Canyon on business.

### Schools, Missions Is Program Topic Of Baptist Women

The W. M. S. of the Baptist Church met Tuesday at the church to observe week of prayer for State Missions.

The meeting was opened with a song, "What a Friend We Have in Jesus." Mrs. Leon Randolph led in prayer. Circle No. 2 with Mrs. L. O. Dennis as leader, was in charge of the program.

Mrs. D. A. Grundy gave the devotional. "Christian Schools" was the subject of the program and the following gave a discussion: Baylor University, Mrs. Bud Godfrey; Mary-Hardin Baylor-Hardin Simmons, Mrs. Claud Johnson; Howard Payne-Wayland College, Mrs. Mort Lynch; College of Marshall Decatur Baptist College, Mrs. F. Smith; Southwestern Baptist Seminary, Mrs. W. B. Morrison. The meeting was closed with special prayers.

Members present were Mrs. D. A. Grundy, Mrs. J. D. Smith, Mrs. Mort Lynch, Mrs. Frank Smith, Mrs. Bud Godfrey, Mrs. W. B. Morrison, Mrs. Claud Johnson, Mrs. Leon Randolph, Mrs. L. O. Dennis and Mrs. George Cullin.

### Gammage Needle Club Meets With Mrs. Stanford

The Gammage Needle Club met Wednesday at the home of Mrs. E. H. Stanford for a luncheon and an all day meeting.

A business session was held during the afternoon and the members voted to donate \$5.00 for the Red Cross. The day was spent quilting a quilt for the hostess Mrs. Stanford, and was donated to the Red Cross.

Members present were Mrs. Jess Roden, Mrs. D. P. Webster, Mrs. Bill Monzingo, Mrs. John Dunn, Mrs. Jess Daniels, Mrs. Ed McMurry, Mrs. Mack Dunn, and Mrs. Stanford, and two visitors Mrs. Alvis Gerlach and Mrs. E. N. Hudgens.

The next meeting will be Thursday, December 17, at the home of Mrs. D. P. Webster. This will be the Christmas party.

Plaska Girl, to Be Wed Soon, Is Shower Honoree

Mrs. L. C. Richberg of Estelline honored Miss Demarius Gidden bride-elect of Lt. Sam A. Thomas of Denver, Colo., with a bridal shower on Wednesday night of last week at her home.

The rooms were decorated with garden flowers. Mrs. Sara Gilliland presided at the brides' book and Mrs. James Cooper served punch from a crystal bowl. Mrs. A. Bailey gave a reading. Mrs. Gidden and a corsage of carnations, lilies, was seated between her mother, Mrs. A. Gidden, and an aunt, Mrs. N. Gidden.

Those present were Mrs. E. B. Wallace, C. L. Shaver, Collum, A. Bailey, Frank Hill, Frank Cooper, Sara Gilliland, W. A. Cooper, J. H. Lowder, W. A. F. E. Leary, Joe Ballard, Huffmaster, and L. C. Richberg.

Misses Mildred Baker, G. Berry, Mary Lane Henderson, and Mrs. A. Gidden were also present.

ING GASOLINE WILL VOID  
ANCE AND ENDANGER LIVES

Civic leaders in the fire prevention are...  
...to overcome dur-  
...Week, Octob-  
...Marvin Hall,  
...insurance commission

a lot of common sense and reason-  
...History has never record-  
...a time when fire prevention  
...was of greater importance than  
...it is today. Fire prevention is  
...needed, not for just a few days  
...or a week, but every day in the  
...year. It is foolish to throw safety  
...and protection aside by taking un-  
...due risks with gasoline."

Texas standard fire policies  
...The Commissioner points out  
...clearly states that insurance i-  
...void if gasoline is stored on the  
...premises unless a permit is ob-  
...tained from the insurance com-  
...pany. The company doesn't have  
...to serve the policy holder with any  
...kind of notice.

"Should a fire result from  
...stored gasoline," Hall said, "the  
...property owner could not collec-  
...any insurance if the company had  
...not granted permission for gaso-  
...line storage, regardless of the  
...quantity on hand."

County, acquiring same from Reed  
& Watenbarger. Charley H. Hill  
is working for Mr. Finley as driv-  
er.

Mr. Finley was with the Feder-  
al Security Administration for  
eight years. He will move his fam-  
ily from Amarillo to Memphis in  
a few days, and will occupy the  
Mrs. Fred Swift home on North  
10th street.  
"I have always liked Memphis  
and made up my mind to move to  
Memphis at the first opportunity,"  
Mr. Finley said.

### THE JUNIOR JUNK ARMY

THE boys and girls of Memphis and Hall County are part of a National Junior Army which on October 5 will begin a great attack.

The attack is against the worst enemy within our borders today. This enemy could stop our factories from making guns and ships and tanks and planes. This enemy could prevent those weapons from being made by preventing manufacture of the steel out of which parts of those weapons are made.

This enemy is starvation of the steel mills.

But the school pupils of our nation, organized into a great Junior Army, are going to feed the mills. They are going to find and bring together the things out of which tanks and ships are made—things like rusty pipe, broken bed springs, airguns that won't shoot any more. Around Memphis and Hall County that is junk, scrap. But after it has gone through the mills it is bombs for the Nazis and bullets for the Japs.

Commanding general of the Texas division of the Junior Army of schools boys and girls is L. A. Woods, state superintendent. The regiment in Memphis is headed by Col. W. C. Davis, superintendent of schools. County Supt. Tops Gilreath is colonel of the county regiment.

Each school principal is a major in the Junior Army. Under each major come the captains, the teachers. School boys and girls of each school room will be lieutenants, sergeants, corporals and privates of the Junior Army. Those who do well will be promoted, just like real soldiers in the fighting army.

A fighting army uses maps and scouts every foot of ground. Members of the Junior Army will scout the same way for the pieces of junk. From maps, each will be given a place to scout. So the Junior Army will scout all America, each street and road, each city block and country farm, finding junk.

For, so long as the junk lies ungathered, it is part of the starvation enemy of our steel mills, our war factories, and our fighting men. The boys and girls of Memphis and Hall County are going to find and take prisoner all of that enemy in this part of our nation.

ooOoo

The formula used by the average person to arrive at an opinion is to add a small measure of information to a dash of imagination and a large quantity of prejudice, and shake well with emotion.

ooOoo

A new bulletin on "How to Treat a Black Eye" has been issued by the government. Now how about one on "How to Explain a Black Eye."

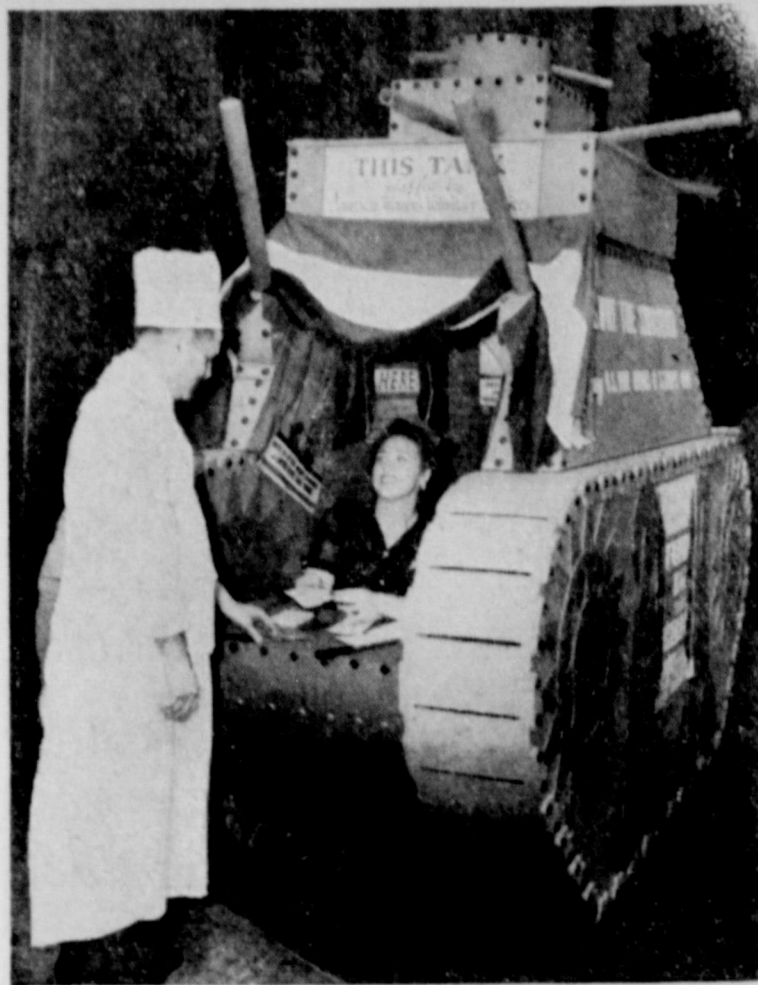

ooOoo

If you spend a dollar in your home town, you have a chance to get it back; if you spend it somewhere else, you just spend a dollar.

ooOoo

The margin between keeping your chin up and sticking your neck out is very narrow.

### Bond-Selling Blitz Buggy

**NEW YORK CITY.**—You never can tell what you'll run into on Broadway. Latest wartime addition to that fabulous thoroughfare is a tank. But fortunately for auto drivers and pedestrians alike, it's just an immobile wooden "mock-up" from which members of the AVWS sell War Bonds and Stamps at the 48th Street corner. It serves another purpose, too—it's a reminder that War Bonds help buy tanks and other items of warfare. — U. S. Treasury Department

### NEWLIN

By MRS. FRED HEMPHILL

#### Whether Or Not

Whether or not you had planned to get out your coat and start wearing it in September, or even put up your stove this early isn't always a matter of choice, especially when the weatherman gets the seasons mixed and sends along a little winter weather when it should be autumn. But if you did not wear your coat it must be that you don't have one, for the thermometer dropped way down the 40s following a brisk norther Friday night.

#### Bob Crow Hurt in Fall

Bob Crow was painfully but not seriously hurt Sunday morning when he fell from a second story building— which is under construction at the defense plant in Childres, where he is employed. He was pulling a long piece of timber up into place by a rope and lost his balance when it struck him on the head, causing him to fall to the ground. He was knocked unconscious for several hours but a complete examination at a Childres hospital showed no bones broken. He was resting fairly well Monday.

#### Gun Busy Here

In spite of the fact that very few bolt pullers have come into this area, the gun here is running steadily and the bales are rolling into the yard. However, many farms are without any help and some with 20 to 30 bales open. Many of the school students are availing themselves of the opportunity to do their patriotic bit after schools dismisses in the afternoon and on Saturdays. I am going to stick my neck out and say that if ever an emergency existed it is now when the farmers need the help of the school children, who can't our schools be dismissed for two weeks and let every child help in this crisis. Many larger schools over the state have done so and much is being accomplished by it. A number of farmers are going to be forced to stop their children from school who never have done so before in order to try and save their crops. Won't you who can, do something about this?

#### Mr. and Mrs. Frank Solomon Moving

Mr. and Mrs. Frank Solomon are moving this week to Friona to live there after making their home here for the past 26 years. Mr. Solomon has been superintendent here in the Methodist Sunday School for that length of time. Members of the Sunday School presented Mr. and Mrs. Solomon a nice platform rocker and end table last Friday night when a number of families of the community met at their home for a surprise party. Sunday after church services a number of families took their lunch to the Solomon home and visited with them throughout the day. It is with deep regret that we as a community feel the loss of the Solomons moving from our midst. Both have been leaders in church and community life and active in everything worth while. Their type of Christian character and Christian home is an asset to any community.

#### Wife Hears Husband's Voice

By Short Wave  
Wayne Cardwell Jr., son of Wayne Cardwell of Denver, Colo., and grandson of the late L. M. Cardwell of Newlin, has been in the army stationed abroad for several months and no word had been heard from him for three or

#### four months. His wife who lives in Dallas was listening to the radio one morning recently and heard a transcribed record of her husband's voice from a prison camp. She was not expecting to hear this and was very surprised and thrilled to hear his voice, every word of which was very plain. She had thought he was dead since the capture of Corregidor. Mr. Cardwell is the stepson of Mrs. J. R. Nelson.

#### O. B. Lawrence Rated Captain

Mr. and Mrs. D. W. Lawrence of Newlin were notified recently of the promotion of their son, O. B. Lawrence, from second lieutenant to captain. Capt. Lawrence is stationed at Camp Roberts in California and has been in the Army for 8 or 10 years.

#### Patriotic Pigs

When the government asked everybody to produce all they could and do all they could for the war effort it must have been heard in the barnyard, for a farmer reported that he recently had a sow that produced 18 pigs, and another that had 16. Have you ever heard of any more than that at once?

#### Visitors

Mr. and Mrs. Bill Nelson and children Sara Beth and George spent Sunday here with their father, Mr. and Mrs. J. R. Nelson. J. R. Nelson celebrated his 89th birthday Tuesday of this week. Happy birthday, Uncle Bob!

#### John Alex Rowell of San Antonio

John Alex Rowell of San Antonio came Saturday night for a few days visit with his parents, Mr. and Mrs. John Rowell. John Alex is in the civil service at San Antonio.

#### M. C. Martin left Sunday for Paris

M. C. Martin left Sunday for Paris where he will visit his parents and bring back some cotton pickers.

#### Mr. and Mrs. A. H. Glasco and daughter Sue visited her father

J. O. Hemphill and other relatives last week end.

#### J. S. Solomon of Burbank, Calif. spent a few days here last week

with his parents before they moved to their new home. J. S. is a pilot on T. W. A. from Burbank to Albuquerque, N. M.

#### Mrs. Rhoda Nelson received word Sunday from her daughter,

Mrs. Bill Cowan in Colorado Springs, Colo., that she was dangerously ill. Mrs. Cowan has been ill for a number of years.

#### Mrs. M. C. Martin spent last week with her son and family, Mr. and Mrs. Bill McClenney of Dumas.

### VICTORY

Excerpts from the Official OEM Bulletin

#### "Retailer Assistance" Program Planned

A "retailer assistance" program to aid retailers in reducing deliveries and eliminating service "trills" is being formulated by OPA, with the help of a committee of retailers from all parts of the country. Stanley Marcus, of Neiman-Marcus, Dallas, was invited to attend a meeting of the committee in Washington, to assist in development of the program.

#### Last Voluntary Plea for Typewriters Seen

What may be the last voluntary plea for sale of standard typewriters by civilian owners for use by the armed forces has been issued in the Southwest WPB region by Region Director K. Eugene Risser. A quota of 12,000 standard machines made after January 1, 1935, has been set for Texas, Oklahoma and Louisiana. Authorized typewriter dealers throughout the region are purchasing the machines at the factory trade-in price for the model as of February 1, 1941.

#### Oil Shipments Shatter Records

Tank car shipments of oil to the east coast shattered all previous records for the second successive week, with a daily average of 856,710 barrels reported for the week ending September 19.

#### Nationwide Gas Rationing Ordered

WPB Rubber Director William M. Jeffers has ordered nationwide gasoline rationing on the same basis as the gasoline rationing now existing in the 17 eastern states. The Office of Price Administration will carry out the rationing program.

#### Utilities Can Make Connections

Blanket permission to utilities to make gas or electric connections in certain circumstances has been granted by the War Production Board, in a supplement to its preference rating order P-46. The action is intended to take care of a person moving into a house which was not wired or piped for range service prior to July 1, 1942 and which is not equipped with a range of any kind. If the house is already equipped with a gas service line or an adequate electric service line, no additional service line is permitted.

#### OPA Director Pushes Truck Pooling Plan

Stressing that the "only solution for the acute tire shortage is for every line of business and industry with a common hauling and transportation problem to work out some pooling arrangements at once," Texas OPA Director Mark McGee, has announced dates for two more mass meetings, October 1 at Beaumont and October 2 at Houston, where share-a-truck programs will be explained. Mass meetings already have been held at Lubbock, Sulphur Springs, Huntsville. Decrease in the October state quotas of Grade 2 new passenger car tires, retreads and tubes, and new truck tires, retreads and tubes demonstrate the urgency of the rubber shortage. Mr. McGee said.

#### Regional ODT Office Opened

Headquarters for Region 7 of the Office of Defense Transportation have been opened at 405 Praetorian building, Dallas, to serve Texas, Louisiana, Oklahoma and New Mexico. A region director has not yet been named.

#### High School Victory Corps Formed

Creation of a high school Victory Corps, urged by War Manpower Commissioner Paul V. McNutt, in every public school throughout the country will give every high school student a chance to volunteer for definite service in the nation's war effort. Captain Eddie Rickenbacker, flying ace of World War I, has accepted chairmanship of the Victory Corps policy committee. The two aims of the corps are speed-up specialized training for youth in the war service they will perform after leaving school, and active participation by boys and girls still in school in their community's war effort.

#### Automotive Services Covered

By MPR 165  
Machine shops which supply automotive repairs, maintenance and rebuilding services are subject to the price control provisions of the service trades regulations. (No. 165) OPA has reminded operators of such machine shops should supply statements of their March prices to their local war price and rationing boards. Many shop operators supplying automotive services have acted under the impression that they were covered by Maximum Price Regulation No. 136, gas machines and parts and machinery services, and have sent price statements to OPA in Washington in compliance with this regulation.

Requirements are the desire to earn a commission, leadership ability plus sufficient mental ability to complete the course of instruction satisfactorily.

Quotas also exist for Antiaircraft, Coast and Field Artillery, Armored Forces, Tank Destroyer Infantry, Ordnance, Signal, Cavalry, and Chemical Warfare service. Interested qualified registrants should apply through their local Selective Service Boards.

### The Wounded Don't Cry

**CAIRO, EGYPT.**—A corner of an advanced dressing station in the desert after a recent battle on the El Alamein front. Wounded get their first treatment here and are later taken to a plane or auto ambulance to hospitals far behind the lines in Alexandria or Cairo. Your purchase of War Bonds helps to get the best possible care and the best possible medical supplies for men as these injured in battle.

### Press Paragraphs

SELECTED FROM THE DEMOCRAT'S EXCHANGES

#### Comparative Value

A good many are finding out that a salary is not always revealed by the figures on the pay check. As an offset there is the living cost peculiar to the locality in which the salary is paid. It often happens that a small salary with low living costs will provide more than a much larger one with higher living costs. It isn't what one makes but what is left after the bills are paid, that counts.—Foard County News.

#### Money Makes the Mare Go

Most newspapers are just what the advertising merchants of the town make them. Where most every merchant is advertising and getting the trade, the paper run from eight to ten pages weekly. When it must cut down to from two to four pages weekly, the merchants are not advertising as they should. Merchants can make or break any newspaper by not advertising as they should, to boost and build up their home town. We must all "hang together" or we will surely hang separately as to a successful business town.—Claude Eady.

#### A Mother Thinks Out Loud

I know how mothers feel the first time they see their sons in the army uniforms. I did not know my son when I saw him get out of the car the other day. Through my mind ran the lines of the old song when I saw who it was, "I did not raise my boy to be a soldier." No, I did not raise my boy to be a soldier, but I tried to teach him the love of country and the freedom it gave to its citizens. I taught him to want the right against the wrong, the good instead of the evil. And now has come the time in his life when the choice has to be made. His country needs his skilled doctor's hands and I pray that by the help of God he may do his duty.—Nellie Witt Spikes in The Floyd County Hesperian.

#### Politicians' Battle Cry

"You May Fire Gridley!"—after the election. Thus the command that opened the battle of Manila Bay in the Spanish-American war might have been given, had it Administration leaders and some of our Congressmen been in charge, instead of Admiral Dewey.—Moore County News.

### JANE ARDEN

### Bofors Ack-Acks In Production Here

AKRON, OHIO.—A view of an assembly floor in a plant of the Firestone Tire and Rubber Company where Bofors Anti-Aircraft Guns are now in production. A few of the finished weapons may be seen—all ready to go to war. War Bonds help to pay for guns like these. Be sure to invest at least 10% of your income in War Bonds. — U. S. Treasury Department

### ASKA

S. E. E. FOSTER

Mrs. S. H. Boone of Dallas were here a few days on business. Alliance and family of Thursday night with dance and family. Mrs. Buck Grant and Conway visited relatives here the past Saturday.

Foster, who is attending business college, spent the week end with Mrs. Lucille Foster.

### Russian Sharpshooter Visits U. S.

WASHINGTON, D. C.—Lindmila Pavlichenko, 26-year-old Soviet girl sniper, veteran of the Odessa and Sevastopol sieges, is pictured with Ambassador Maxim Litvinov as she was welcomed at the Soviet Embassy in Washington recently. Lindmila is credited with having knocked off 309 Nazis with her trusty rifle. Your War Bond money, via lend-lease, may have bought the bullets she used. Help shoot down more Nazis with at least 10% of your income!

U. S. Treasury Department

tending Draughon's business college at Lubbock, spent the week end with her parents, Mr. and Mrs. Elmer Gardenhire.

Mrs. T. L. McWhorter, Mrs. Joe Bob McWhorter, Mrs. Doyle Hall and Mrs. Harold Hodges visited Mrs. W. L. Crawford Sunday afternoon.

T. J. Spry of Sheppard Field visited last week end with his parents, Mr. and Mrs. Tom Spry.

Mr. and Mrs. Pete Williams and family of Lakeview spent Sunday visiting Mr. Williams' parents Mr. and Mrs. E. E. Foster.

Mr. and Mrs. C. Cunningham left Monday for Bridgeport where they will visit relatives and friends for the next few days.

T. J. Brock spent the week end in Amarillo visiting his son, Jordan Brock, and his daughter, Mrs. Otis Dollar.

Mrs. J. W. Oliver went to Wichita Falls last Thursday to visit her daughter, Agnes Oliver, for a few days.

W. L. Nabers made a business trip to Paris last Friday. Mr. and Mrs. L. A. Bray visited Mrs. J. T. Martin Sunday.

### GILES

By MRS. J. A. LEMON

Miss Margie Burdine of Hedley was a house guest of Miss Peggy Stotts of Giles last week end.

Those visiting the Rollie Kelley home Sunday were Mr. and Mrs. Clarence Burks and daughter Merline, Mrs. Dick Spoon and Mrs. Arvor McQueen of Memphis.

Mrs. Elmer Mitchell and children have returned to their home in Amarillo after a visit of several weeks here with Mrs. Mitchell and Mrs. Roy Alexander.

Mr. and Mrs. W. B. Proffitt and family visited Mr. and Mrs. A. O. Proffitt at Lesley Sunday.

Mr. and Mrs. E. M. Glass made a business trip to Clarendon recently.

Mr. and Mrs. J. D. Foster moved this week to Amarillo where J. D. is employed.

Several farmers in this community began picking cotton this week.

Miss Nina Jo Foster was a Clarendon visitor Monday.

Mrs. Theo Johnson and children of Hedley were Giles visitors Thursday of last week.

Bill and Odell Proffitt and David Stotts attended a ball game at Hedley Friday night.

U. S. Treasury Department

Memphis, Mr. and Mrs. P. E. Gardenhire and daughter Florence and Elma Fay of Plaska, Oleta Ellis, Bobby Durrion of Lelli Lake, and Zetta Jo Jenkins of Friendship.

### Their Destination: Over Niagara Falls

NEW YORK, N. Y.—AWVS girls christen the Bondmobile by tweaking its occupants, effigies of the three dictators, as the car starts from the Battery on its tour of the state which ends with a push over Niagara Falls. Any citizen who purchases a War Bond is entitled to give it one more push on its way to eventual doom. The motorless Bondmobile is being used to aid the September War Bond campaign in New York state.

U. S. Treasury Department

Miss Elizabeth Ballew of Vernon, student in Texas Tech, Lubbock visited Sunday and Monday in the home of Mrs. R. C. Walker.

Mr. and Mrs. Cleatus Phelps of Amarillo visited Monday and Tuesday with her mother, Mrs. J. C. Scott.

Mrs. Asa Lee Gailey of Abilene left here Friday morning for Waco where she visited with her parents-in-law after a short visit here with her parents, Mr. and Mrs. D. L. C. Kinard.

Miss Thelma Mae Saunders of Amarillo visited last week end with her parents here.

Miss Ruth Knight of Amarillo visited last week end with her parents, Mr. and Mrs. Bud Knight.

J. E. Crisman left Monday night for Fort Worth where he will be employed in the Consolidated Air Craft Company.

Mr. and Mrs. Ralph Howe and daughter Giva Lois visited Wednesday and Thursday in Dallas where Mr. Howe looked after business.

U. S. Treasury Department

### FRIENDSHIP

By MRS. C. L. PADGETT

Mr. and Mrs. Elmer Grimes and family and Curtis Long of Stockton, Calif., visited their sister and aunt, Mr. and Mrs. L. E. Jenkins and family last week.

Homer Upton of Camp Barkeley, Abilene, is visiting his sister, Mr. and Mrs. Elmer Glover and Miss Pauline Upton.

Mrs. McCanne is visiting her daughter, Mrs. Eugene McCreath this week.

Isaac Long of Paris visited his sister, Mrs. L. E. Jenkins and family last week.

Mr. and Mrs. Kermit Hopper and daughters, and Mrs. Kitty Walls were guests of Mr. and Mrs. Jim Hopper Sunday.

Laverne Archer of Memphis spent Friday night with Mary Helen Padgett.

Mrs. Charlie Stewart and children visited Mr. and Mrs. Butler Stewart Sunday.

Miss Helen Nash is visiting her parents, Mr. and Mrs. Abe Nash this week.

Miss Catherine Grimes, Mr. and Mrs. Ray Grimes and family, Willie Long and Mrs. James Long of Memphis visited Mr. and Mrs. L. E. Jenkins and family Friday.

### LOCALS AND PERSONALS

Mr. and Mrs. Ollie Lee of Pampa visited Sunday with Mr. and Mrs. Joe DeBerry.

Mr. and Mrs. H. M. Guest, Mrs. Bill Howard, and Mrs. Ernest McMurry went Monday to Amarillo where Mr. Guest underwent an eye operation on Tuesday.

Elmo Powell of Amarillo visited last week end with his parents, Mr. and Mrs. J. H. Powell.

W. C. Anderson and daughter Mary Ruth were Huntsville business visitors last week end.

Miss Lula Faye Oren, who is teaching in Amarillo, visited last week end with her parents, Mr. and Mrs. Chas. Oren.

Mrs. J. J. McMickin and Mrs. A. H. Brown visited Friday in Amarillo with relatives.

Miss Oradell Nuhn who is teaching in Amarillo, visited Sunday with Mrs. Ora Oglesby.

Mrs. A. H. Brown returned to her parent's home here Thursday after being in Dallas with her husband who left from there for training in the Air Forces.

Byron Baldwin left Sunday for a business trip to Dallas.

Mrs. Mary Bownds left Saturday for Dallas where she will visit with her son, Clark Bownds, and family.

### Fire Prevention Week Designated

In the first two years of World War II Nazi bombers in destructive attacks on London, Coventry and other cities did damage estimated at \$408,000,000. Four hundred and eight million dollars worth of damage by fire within two years time!

This week, Gov. Coke Stevenson designated October 4 to 10 as Fire Prevention Week, since fires, whether started by Hitler's incendiaries or carelessness, are equally destructive.

To supplement the regular fire fighting personnel of the state in wartime emergency, a force of 25,000 auxiliary firemen, 12,000 rescue squad leaders and 60,000 fire watchers is being trained under the direction of Fire Insurance Commissioner Marvin Hall.

## THE TOWN THAT LET HIM DOWN

HE: Well, here's the city limits. Tomorrow I can see my customers around town. Are you tired?  
SHE: Not very. Does the car need anything?  
HE: Yes, it does, but the map shows no Conoco station here.  
SHE: You and your Conoco Nth oil... but I don't blame you... the way this car performs.  
HE: Here's the hotel, and a garage right across. Let's leave the car there, eh?

ATTENDANT: Good evening! In for the night?  
HE: Yes. Fill the tank, grease her, check the oil, but don't drain.  
ATTENDANT: What brand do you use?  
HE: Conoco Nth.  
ATTENDANT: Sorry, haven't got it... but this is the last straw, mister. You're the fifth driver this week demanding Conoco Nth. Seems like everybody knows about that Death Valley Test, when six engines were run to destruction. Conoco Nth out-miled the average of five other brands more than two to one. I'm going to get some in stock.  
HE: Sure, your regular customers, too, will want Conoco Nth to OIL-PLATE their engine.

CONOCO Nth helps keep your oil and your engine clean. It can save you repairs and many a quart. See Your Conoco Mileage Merchant today. Continental Oil Company

## CONOCO Nth MOTOR OIL

FOR THE DURATION of your car Don't depend on hurried stops for gasoline to have your tires and car checked. Join my ONCE-A-WEEK CLUB. Choose one day each week to bring in your car. I will properly check your tires, oil, radiator, and battery. I will report anything that appears to need attention. I will keep a careful record and remind you when greasing and oil change are needed. I help you get maximum service and car life at least possible cost and trouble. Your Mileage Merchant

### U. S. NAVY SEEKS ENLISTMENT OF WOMEN IN 'WAVES' FOR SHORE DUTY

#### Bit and Spur Club Members at Rodeo

Several members of the Bit & Spur club of Memphis, with their horses and equipment, attended a rodeo at the Maguire ranch, two miles northwest of Quannah Sunday. The group staged a parade in Quannah before the rodeo. The were guests at a picnic lunch served at the home of Mr. and Mrs. J. E. Forrest at noon.

Club members took first, second and third places in the flag race which was a feature of the rodeo. Troy Broome was first, Clyde Milam second and Jack Henson third. Those attending were Mr. and Mrs. Troy Broome, Mr. and Mrs. Clyde Milam, Mr. and Mrs. Murray Dodson, Mr. and Mrs. T. D. Weatherby, Mr. and Mrs. Glenn Thompson, Mr. and Mrs. Hank Hawkins, Carl Harrison, Bobbie Dawson, Jack Henson, A. D. Langley, Mrs. C. E. Hankins and Jackie Dawn Hankins.

The horses and equipment were taken to Quannah in the Weatherby transport truck.

#### Flames Ravage—

### Cyclone Downs—

(Continued from page 1)

calling assignment, booted the opening kick-off, with Paducah returning to the 30-yard stripe. London, Dracon fullback, fumbled on the next play, with Memphis recovering in scoring position. Four ineffective tries, however, returned the ball to the Dragons on their own 10. A blocked punt was recovered by the Cyclone on the 8, from where a pass, Huggins to Jackson, chalked up the first touch down late in the first quarter. Butler's kick for point failed.

The Cyclone slammed across another counter in the second period when Paducah punted to the 31 after futile tries to gain ground. A short pass Huggins to Doss and a good run by the latter netted 20 yards. Clark skirted left end for an additional 25 yards. Huggins tossed the agate to Jackson, who again dashed for pay dirt. Butler's kick was low in the try point.

The remainder of the period saw the ball change hands three times without a scoring threat.

In the third quarter the Cyclone unlimbered heavy artillery to score three times. Butler returned Paducah's kick-off to the 38, then hit the line for 7 yards. Huggins hit the line for another yard, then tossed to Jackson for 10. Then Huggins broke loose around right end for the touchdown. The point was converted with a pass, Huggins to Jackson.

Butler kicked to Paducah's 10 and the ball was returned to the 25. After two ineffectual tries to break through the Cyclone line, Cothron fumbled and Memphis recovered on the 10. Butler reeled off 9 yards through the line and Huggins carried over. The pass for point was incomplete.

The final score came in the closing minutes of the third period after Paducah punted to their own 40. Jackson set the ball on the 5-yard stripe with a sensational 35-yard right end dash. Smith, substitute quarterback, carried over. Score: Memphis 31, Paducah 0.

The final period was scoreless, with the Cyclone second string doing duty most of the time.

The Cyclone bagged nine first downs to four for the Dragons. Nine forward passes were completed by Memphis out of 14 tries. Paducah completed three passes out of nine tries.

The starting line-ups were: Paducah: Arthur Hobbs, left end; Dawson Reed, left tackle; Ben Brewer, left guard; Larry Fowler, center; Cleo Branscum, right guard; Marvin Smith, right tackle; Ethridge Puckett, right end; Clifford Payne, quarter; Royal Kirby, left half; Ernest Cothron, right half; O. B. London, fullback.

Memphis: Jerry Doss, left end; Ed Sherley, left tackle; Alonzo Robertson, left guard; Ray Bruce, center; Perry Stephens, right guard; Ed Evans, right tackle; William Clark, right end; W. H. Butler, quarter; Aldon Huggins, left half; B. F. Jackson, right half; Robert Cummings, full back.

The Cyclone will rest over the coming week end. Friday, October 9, they journey to Borger for a nonconference game with the Class AA Bulldogs.

Accepted applicants will be enlisted as Apprentice Seamen and sent to a university for training and instruction. Advancement to higher non-commissioned ratings will depend on the demonstrated ability of recruits to fulfill the requirements for higher rank in appropriate classifications. No applicant enlisted is assured of any rating above Apprentice Seaman and advancement is on merit. Pay and allowances are the same as for enlisted men in the Navy of the same pay grades.

Schools for those enlisted in the first quota will open October 1 at the University of Wisconsin, Indiana University and Oklahoma A. & M. Additional schools will be opened as the program advances.

Mr. and Mrs. H. H. Lindsey and Mr. and Mrs. J. C. Ross visited Mr. Lindsey's mother, Mrs. G. R. Lindsey, in Eldorado, Okla., Sunday. They also met Mrs. Ross' mother, Mrs. W. G. Cousins in Quannah, who accompanied Mrs. Ross home for a visit.

Mr. and Mrs. Scotty Sigler and daughters, Diane and Sandra, of San Antonio, came Thursday of last week for a visit with her parents, Mr. and Mrs. Roy R. Fultz. Mr. Sigler left Wednesday for New Orleans where he will leave for Panama Canal to do defense work. Mrs. Sigler and daughters will remain here.

Mrs. Charlie Gilpin, Mrs. Leslie Foxhall, Miss Maurine Thompson were Amarillo visitors Tuesday.

E. T. Prater and daughter Genevieve were Mangum, Okla. visitors Thursday afternoon of last week.

Mr. and Mrs. Horace Dunlap and little son Wayne of Dallas visited last week with his parents, Mr. and Mrs. A. A. Dunlap.

Harold Smith left Sunday for College Station where he plans to attend A. & M. college.

#### Fall Revival—

(Continued from page 1)

cinated with the Jewish evangelist, Hyman Appelman, but due to a cancelled date, was available for the series of services here. He is truly a great singer, said Rev. Martin.

"We feel that we are indeed fortunate to bring to Memphis this fine team of workers," the pastor declared. "All are invited to hear them. We are all conscious of a great need of a spiritual awakening. It is the only way out of the tragic times we are going through. There must be a coming back to God on the part of his people everywhere before victory will be ours."

### Small Farmers to—

(Continued from page 1)

County FSA office is expected to make a great many more loans this year to farmers in this county than ever before because our lending program has been liberalized and our program has been put on a full wartime basis.

The county supervisor said that the lack of equipment and replacements has retarded production and for this reason a share-the-machinery program is to be reemphasized this year. Loans to group of farmers to purchase machinery to be used cooperatively will be made to farm operators in addition to many other types of food production loans.

Anxious to meet the immediate needs of farm families as well as to help them get ready for increased production next year, Mr. Land invites all interested persons to contact him at his office in the Hall County bank building at Memphis.

### Speed Limit—

(Continued from page 1)

on regular schedules over regular routes will be given until October 15 to adjust their schedules to the new speed limit will be left up to the states for the present, ODT announced. Local and county officers have been asked to cooperate and have agreed to help enforce the ruling.

Nationwide gasoline rationing—designed to reduce mileage so as to save rubber rather than gasoline—will become effective about November 22, Price Administrator Henderson reported. By that time ration books will have been distributed to approximately 20 million motorists in the unrationed area. The present tire rationing program will be integrated with the new gasoline rationing program and tires on all cars will have to be submitted to OPA for "on-wheel" inspection every 60 days to insure proper care.

The OPA said fuel oil consumers in the 30 rationed east and midwest states will have to get along this winter with one-third less oil than usual because the originally-planned cut of one-fourth would not be sufficient. On the basis of last winter, however, which was about 10 percent warmer than usual—the cut will only be about 26 percent, the office said. The quota of new adult bicycles for rationing in October was set at 88,000, compared with the September quota of 90,000.

### Comments—

(Continued from page 1)

The Panhandle of Texas has two real representatives in Washington in the persons of Senator Tom Connally and Representative Gene Worley. Senator Connally is considered one of the most outstanding men in Washington and is serving on some of the most important committees. He has the respect of all governmental heads from the President down. Gene Worley is fast getting onto the ropes, and my prediction is that he will be one of Texas' leading Congressmen before long. Last week he was speaker at a luncheon of the Texas Club, which is composed of all representatives from Texas. He told them how badly the U. S. forces need more help in the Pacific, giving them facts he learned at first hand when he was with the Navy several months in various places of the Pacific. His fellow workers were highly impressed and their respect for Gene has grown immeasurably. Any visitor in Washington hears many complimentary things about these two Texas men.

**HEALTH IS OUR FIRST DEFENSE**

# DON'T BE FOOLED BY A FULL JUNK YARD!

Don't listen to people who say—"They can't need scrap badly. Look at that junk yard, or the auto graveyard they've got plenty of scrap. And remember the last we had a drive the stuff sat around for weeks." Tell people these true facts . . .

Of course the junk yards are full. They are "factories" that turn out finished scrap—sorted, broken up, and bundled . . . ready for the mills of America. The scrap has to go through these yards, and it keeps going through fast!

The auto graveyards too, are busy. They specialize in used car parts, but produce plenty of scrap as well. In June alone, these yards moved 450,000 tons—for they are required to junk within 60 days as many cars as they buy.

As for Salvage Depots—communities all over the country are staging drives. All this scrap can't be taken away at once. The junkies can't handle it and the mills can't store it. But every pound needed and will be used. We've got to pile it up ready for instant use at any time.

The day when all junk yards are empty, when the auto graveyards are cleaned out, when all the local scrap stockpiles are gone—that's to dread. It is a day to avoid.

So remember—steel is needed to fight the war, and millions depend on it. This steel is 50% scrap—and the mills need enough scrap to last even longer. Don't fail to do your part in this emergency.

**Get your scrap ready for the drive that starts**
