GIN BURNS AT LAKEVIEW; LOSS IS \$30,000

ORIGIN OF FIRE ON WEDNESDAY IS UNKNOWN

Insurance In Amount Of \$13,500 Carried On Entire Plant

Fire which broke out about four o'clock Wednesday morning completely destroyed the Potts Gin at Lakeview, entailing a loss of fully \$30,000. The plant was already doomed when the alarm was given by the Lakeview telephone operator. It is understood that insurance in the sum of \$13,500 was carried on the plant, which was owned by the Potts Gin Company. The origin of the fire is unknown.

Destroys Cotton Bales
Besides the plant proper, the fire destroyed several bales of seed cotton, fifteen or twenty tons of seed and twelve bales of lint cotton. The gin was one of the most modern plants operating in Hall County. Continental equipment was used throughout. Only last summer, considerable repair work was done on the plant, getting it in first class condition for the ginning season. A cleaner

Mothers Will Be Guests Of Squad For McLean Tilt

Announcement is made this week by Coach Nolan Walter that all mothers of Cyclone football players will be guests of honor at the game to be played on the local gridiron Thursday of next week between the Memphis and McLean teams. The mothers of the players will be admitted to the game free of charge and a special section of the stands will be reserved for their use. The game is scheduled to be called at 3:30 p. m.

It is the desire of the coach and his team that every mother be present for the contest. It does not matter whether their boys play on the first team or not, just so he is coming out for football. The coach and team also desire to express their appreciation for the local support of the Memphis fans. The telegrams that are received during halves at every game have been a big impetus to winning and are gratefully acknowledged.

Girl Scouts Have Programs Lasting Throughout Week

Programs during Girl Scout Week have been carried out as scheduled and the general public seems to be well pleased with the showing made. The programs of the week got under way last Sunday afternoon at three o'clock at the First Methodist church when the Girl Scouts of the city observed the "Scouts Own" day, with an address on "The American Girl" by Dr. Ernest E. Robinson, Methodist pastor.

Scouts Do Good Turn
On Monday, the Girl Scouts observed "Neighbor Day" and did a good turn for some one other than in their immediate families, thus carrying out a part of the Scout laws. "Dad's Day" was fittingly celebrated by the Scouts on Tuesday and on Wednesday, "Hostess Day" was observed when the Girl Scouts entertained the Scout Council, advisory members and their mothers at the Girl Scout Headquarters in the Carnegie Public Library. The Scouts observed Thursday as "Mother's Day" and Friday will be observed as "Sports Day." The program of the week will be brought to a conclusion on Saturday afternoon, when the Scouts broadcast a program from the local radio station.

Howard Foote Star On College Squad
According to "The Trumpeter," a school paper published weekly by the students of Wentworth Military Academy at Lexington, Missouri, Howard Foote, oldest son of Mr. and Mrs. E. S. Foote of this city, is playing fullback on the "A" Company team of that institution. Howard was in the starting lineup in a game played recently between "A" Company and "C" Company, in which the former defeated the latter by a score of 9 to 0. The school paper states that the victory for "A" Company was achieved largely by the line plunging of Howard Foote.

CHRISTMAS WINDOW HAS BEEN PUT IN AT DEMOCRAT

The first Christmas window to be seen in Memphis was put in at The Democrat office Monday of this week by M. G. Ray, foreman of the mechanical department of The Democrat, assisted by Tommie Woods. The window is attractively decorated in colorful Christmas paper and in miniature electric lights which give to the window a real Yuletide significance or meaning.

Duard Scott, Former Foreman of Democrat Visits Here Sunday

Duard Scott, former foreman of the mechanical department of The Democrat, was in Memphis Sunday night for a short time en route to Midland where he is now employed as foreman of the Midland Reporter-Telegram, a daily newspaper. Duard in company with Mrs. Scott left Midland Saturday night after his paper "had been put to bed" and drove into Dodsonville, their old home, at six Sunday morning. He spent a half hour in The Democrat office Sunday night, leaving at nine o'clock for Midland. Mrs. Scott will remain in Dodsonville for some time visiting relatives and friends.

Duard reports that business conditions in Midland are good considering the times. He stated that oil and cattle furnish the principal sources of revenue in that section, and both are moving well at present.

Modern Tourist Camp To Be Built Here On Moorish Plan

Work on a tourist camp, that is to be the finest between Amarillo and Wichita Falls, was started here this week by C. C. Hodges of Clayton, New Mexico, former owner of Camp Mission in that city. The camp site is located on North Tenth street. It will have twenty apartments when completed and will be modern throughout, having all the conveniences of a hotel. A portion of the camp will be ready for use on or before December 1, Mr. Hodges stated.

Moorish Architecture
The camp will be built on a Moorish style of architecture and of white oriental stucco. The building will be constructed on a square plan with an open court in the center, and having a 170-foot front. The two corner apartments at the front of the building will be two story structures, topped with tall spires.

To Have Hardwood Floors
Each apartment will be of modern type. Hardwood floors will be used throughout. Hot and cold water will be furnished in each one, and each will have a private, modern bath. They will be equipped with modern furniture, some with electric fans. Dishes and linen will be furnished when desired, with little additional cost.

LOCAL MINISTER TO LEAVE FOR CONFERENCE

Dr. Robinson Expected To Be Returned For Third Year

Dr. Ernest E. Robinson, pastor of the First Methodist church, will leave Monday, November 10, to attend the sessions of the North-Texas Conference which will convene at the First Methodist church in Sweetwater beginning Wednesday, November 12, and will continue through Sunday, November 16. Bishop Hiram Boat of Dallas will be the presiding bishop at the conference which takes in eight districts in this section of the state, with approximately 20 charges to the district. It is expected that 175 active ministers will attend the conference and some 325 laymen. Appointments will be announced at the concluding session of the conference on Sunday evening, November 16.

Cyclone-Irishmen Football Contest To Be Broadcast

The Memphis Cyclone-Shamrock football game will be broadcast play-by-play over the local radio station through the courtesy of The Democrat and Tarver's Pharmacy. Arrangements have been made whereby this can be done by the use of leased telephone wires between Shamrock and Memphis during the period of play. These play-by-play reports will be handled from the field and will come direct to the broadcasting room in Memphis. No delay is expected in transmitting the plays, and Memphis fans will be able to keep up with the game as each move is made on the field in Shamrock.

This is the first attempt ever made to broadcast a Class "B" football game in this district and the credit goes to the efforts of Tarver's Pharmacy and The Memphis Democrat in securing the leased wire service. All expenses of the broadcast are defrayed by these concerns.

Tune in at 3:15 for announcements as to the line-up and other information relative to this game. King Stephens, announcer for the Panhandle Radio Co., will be at the microphone to announce the play by play account to Hall County fans.

JASPER BOGUE FILLS PULPIT HERE SUNDAY

Rev. Jasper Bogue, Panhandle district missionary for the First Christian church, filled the pulpit of the First Christian church here last Sunday morning and evening. Rev. Bogue was passing through the city, but at the request of several members of the church, he decided to remain here during the day and conduct these services. Rev. Bogue's home is at Panhandle, Texas.

County Institute Begins Next Week

A notable program has been worked out by County Superintendent Theodore Swift to be given at the meeting of the Hall County Teachers' Institute, Thursday and Friday of next week. The sessions of the institute will be held in the senior high school and the general assembly periods will be open to the public. A number of outstanding speakers and school authorities have been secured for the two-day institute and the teachers will hear some of the best musical talent in the city as well as P. T. A. speakers. The teachers will likely attend the football game Thursday.

Library Board Plans To Hold Open House To Interest People In Work

Plans were outlined for an open house to be held at the Carnegie Public Library in the near future at a meeting of the Library Board Tuesday night at 7 o'clock. The board went on record as desiring to have more people take an interest in the work the Library seeks to accomplish in this city and it was the unanimous opinion of the members that an open house would furnish the means whereby the citizenship at large would become better acquainted with the Library, its problems and facilities. Chairman F. N. Foxhall of the Library Board appointed a committee to arrange for the open house, consisting of Miss Edna Bryan, chairman; Robert Grundy and Russell Clark.

Report Is Accepted
The report of the Carnegie Library for the third quarter was read by Miss Bird Presler, librarian, and was accepted with many expressions of approval and approbation. The report detailed the fact that there are 3,588 books in the library. Of this number, 1,566 are non-fiction; 1,308 are adult fiction and 714 are juvenile books. The number of magazines and papers received weekly is fifteen.

Books circulated by class during the three month period were as follows: fiction, 3,740; juvenile fiction, 2,481; non-fiction, 174; magazines, 104; library cards issued to new readers, 44; books donated by clubs, 4; by individuals, 10; books purchased, 189; persons using reading room, 351; books taken from circulation, 36; amount of cash on hand July 1st and fines collected, \$13.63; incidentals, \$11.92, leaving a balance of \$1.71.

Cyclone Star

James Hammond, captain and fullback of the 1930 Memphis Cyclone Football Team, played the best game of his career last Friday in the contest with Clarendon. James accounted for four of the five touchdowns made by the Cyclone. Thus far this season, Hammond has made 17 touchdowns and three points after touchdowns for a total of 105 points, leading this entire section in the number of tallies an individual player has accounted for.

7 Criminal Cases Disposed Of Up To Wednesday Night

Seven cases had been disposed of in County Court here up until Wednesday night, tried before County Judge A. C. Hoffman, and eight more cases came up for trial Wednesday night and Thursday. In the seven cases, only two were found guilty and both received fines.

One Case Tried Monday

One case was tried Monday, in which Lee Kerbow, charged with swindle with bogus check, was found by the jury to have paid the check, and he was pronounced not guilty. In the case of the State of Texas vs. C. (Booger) Red Rogers, charged with unlawful carrying of a pistol, tried before the County judge, the case was thrown out of court and Booger Red pronounced not guilty. The cases against Tom Brown and Tom Lenoir were dismissed on motion of the county attorney. Dan Dean, tried for simple assault, was acquitted by the jury, Wednesday.

Two Found Guilty

The two cases in which the defendants were found guilty were the State of Texas vs. Dan Dean and Roland Salmon. Roland Salmon was tried Tuesday and found guilty of aggravated assault and fined \$50 and costs. Dan Dean

On the LEVEL

a column by William Russell Clark

Before many weeks have elapsed, I expect to have a visit from an old friend—not old as years go but in the length of time we have known each other. For the past four years, he has been on foreign service for The National City Bank of New York, and is, at the present time, a junior officer in the Osaka, Japan, branch.

I had a ten word note from him, written from Osaka, shortly before he left for the states. He didn't say much, but I imagined I could read between the lines. He was glad to think of returning home. We have kept up a desultory correspondence since he arrived in the Orient and I have gathered from his letters that Japan is far from being the land of cherry blossoms some of the operatic composers would have us believe.

Japan is a land of little men and women, shrewd bargainers, who take pleasure in looking out for themselves. Japan is a land of strange rituals and ceremonies, a land of inconveniences and preposterous assumptions; a land of poorly heated houses, overcrowded trolley cars; of strange crawling feet; over-populated, congested, but striving right manfully to take hold of western civilization, in business and commercial relationships, and make it stick.

This idea I have gathered from my friend's letters. I had accepted "Butterfly" and cherry blossoms at face value. I wanted to believe that Japan's mountains breathed poetry, that her people had a culture as deep-rooted as their institutions. But I am fast becoming disillusioned and ready

MR. CURRY RESIGNS HIS POSITION ON NEWS

Hubert Curry has resigned his position as a reporter on The Memphis News and has been succeeded by Meredith Gross, of Childress. Mr. Gross has been working on the Estelline News for the past year and has done good work both as a reporter and printer. He started to work for The News Monday and will work in both the editorial and mechanical departments.

Mr. Curry has been on the job here for nearly a year and his work has been quite satisfactory, according to King Stephens, editor of The News. Mr. Curry resigned so that he might assist his father, who is editor and publisher of a weekly paper, The Crosbyton Review, at Crosbyton.

Refrigeration Is Sold Of At Rotary

Talk on the Refrigeration Industry by W. R. Cabaness, local manager of the West Texas Utilities Company and three vocal solos by Miss Vernadine Jones, featured the weekly meeting of the Memphis Rotary club Tuesday at noon. Mr. Cabaness traced the growth of refrigeration from earliest times until the present and told of its many conveniences in a modern day civilization. Bill Hale, of Childress, also made a short talk in a humorous vein on the subject of "Frozen Credits."

Miss Jones sang "From the Land of the Sky Blue Water" and "The Moon Drops Low" by Charles Wakefield Cadman and "All For You" by Bertrand Brown. She was accompanied by Mrs. Elmer S. Shelley. In the absence of the regular pianist, Mrs. Margaret Morgan-Andrews, Mrs. C. L. Sloan, Jr., played the Rotary songs incident to the meeting.

Attractive Display At Tarver's Is Work Of Jimmie Stanford

One of the most attractive show windows seen in Memphis in some time is the Halloween display at Tarver's Pharmacy this week. Jimmie Stanford dressed the window and the job is an excellent one. This display features a well known variety of candy, especially designed for Halloween consumption. The show window is done in a color scheme of orange and black and in addition to the candy shown, there are paper hats, whistles, bells and crepe paper—everything for the Halloween entertainment.

Jimmie Stanford is certainly an artist in his line. He has added one hundred percent to the looks of Tarver's Pharmacy through his displays. Jimmie is a graduate of the Koester Display and Card Writing School of Chicago, having finished the course in that institution in record time.

SOCIETY NOTES

P. T. A. Meet Last Week Has A Large Number Present

One hundred and twenty-five members and visitors attended the meeting of the Parent-Teacher Association held at the Junior High School Thursday afternoon of last week. The subject for the afternoon was "Home and Parenthood" and the meeting was opened by singing "Home, Sweet Home," followed by two enjoyable numbers given by the Junior High Glee Club.

The relaxation period was ably directed by Mrs. T. C. Delaney and the Girl Scouts. Mrs. L. M. Hicks gave a most interesting talk on "Home Environment and Character Building" and Mrs. Bill Howard's reading of "Home" by Edgar A. Guest, was greatly enjoyed. Mrs. C. S. Compton talked on "How Much Should the Parent Help the Child in School Work," and Mrs. M. J. Draper gave a "Tribute to the Birthday of the Texas P. T. A." The fire prevention posters were on display in charge of Miss Doris Robinson and showed many clever ideas and painstaking work on the part of the pupils making them.

During the business session, the membership committee reported 89 paid members, prizes of \$2.50 each being given to Mrs. Hall's room and Mrs. Jay's room for obtaining the most members. Superintendent H. A. Jackson reported that in future, school would be dismissed at 3:15 on P. T. A. meeting days in order that the teachers might all be able to attend, and the association voted to meet at the Junior High School at that hour.

Mrs. R. C. Parks, chairman, gave the following list of room mothers appointed for the West Ward School: Miss Ezzell's room, Mrs. Pete Clower; Miss Kennan's room, Mrs. T. M. Humphreys; Miss Steinman's room, Mrs. Bertha Carter; Miss Lee's room, Mrs. Curtis Huckaby; Miss McCann's room, Mrs. W. L. Flake; Miss Shankle's room, Mrs. R. D. Stuart; Mrs. Kimberlin's room, Mrs. Raymond Ballew; Mrs. DeBerry's room, Mrs. Otis Jones; Mrs. Gore's room, Mrs. E. W. Thomas; Miss Pendergrass's room, Mrs. D. L. Johnson; Mrs. Cowan's room, Mrs. Atta Mae Lane; Mrs. Dycus's room, Mrs. King Stephens; Mrs. Byrd's room, Mrs. J. B. Wright; Miss Robinson's room, Mrs. M. J. Draper; Mrs. Linn's room, Mrs. Will Gerlach; Mrs. Jay's room, Mrs. Zeb Moore; Mrs. Hall's room, Mrs. J. P. Montgomery; Miss Sachse's room, Mrs. J. P. Watson.

It was announced that on Thursday, November 6, at 10:30 a. m., Mrs. Page of Claude, third vice-president of the district, would speak at the high school auditorium to the County Teachers' Institute on the work of the P. T. A., and a conference would be held that afternoon at 3:30. All members were urged to be present at one or both meetings.

The prize for attendance was won by the Intermediate Department, the seventh grade in Junior High, and Mrs. Gore's and Mrs. Byrd's rooms in West Ward receiving honorable mention. The meeting was dismissed by the P. T. A. prayer.

C. J. Nash Is Given Surprise Birthday Dinner October 24

C. J. Nash enjoyed a surprise birthday dinner on his sixty-ninth birthday, October 24, in the home of Mrs. Albert Gerlach. At noon, Mr. Nash was ushered into the dining room where he found a bountiful dinner awaiting him, topped off with a large birthday cake.

Mrs. W. M. Wolf, a daughter of Lakeview, assisted Mrs. Gerlach in preparing the dinner. Only the immediate families were present.

Mrs. Thos. B. Huff Given Surprise Birthday Dinner

Mrs. Thos. B. Huff was the happy recipient of a lovely surprise birthday dinner on Thursday night of last week.

She had gone about her day's work in the usual routine, thinking nothing of her birthday when about 4:00 o'clock in the afternoon three of her sisters and her mother arrived from Dodsonville bringing with them chickens, dressed for frying, fresh sausage and two large cakes. At 6:00 o'clock the dining table was covered with fried chicken, gravy,

hot biscuits, salads and everything that helps to make eating fried chicken well worth the time.

After supper, the family enjoyed games of various kinds. Those who came from Dodsonville were Mrs. J. W. Binkley, Miss Charlie Binkley, Mrs. Virgil Scott and Mr. and Mrs. Ben Lance and children.

Endeavor Society Changes Its Name At Meeting Sunday

The Intermediate Christian Endeavor of the First Presbyterian church met in regular session at the church Sunday afternoon at five o'clock. During a brief business meeting, the members voted to change the name of the organization to the Tri-C (Christians, Comrades, Co-Workers) Guild.

A song by the Endeavorers was followed by a prayer for the missionaries, roll call, song, offering and Bible study. Officers of the Guild are Ruth Gammage, president; Geraldine Lewis, vice-president and reporter; Willie C. Wilson, treasurer; Nell McNeely, secretary and Cora Fox Yonge, pianist.

Methodist Circle No. 1 Holds Meet With Mrs. Lofland

Members of Circle No. 1 of the Woman's Missionary Society of the First Methodist church met Monday afternoon in the home of Mrs. John Lofland in their first week of prayer program with Mrs. Lofland as leader. A leaflet, "The Eliza Bowman School, A Methodist Enterprise at Cienfuegos, Cuba," was given by Mrs. M. J. Draper and Mrs. L. M. Hicks. Jesus and His Disciples Pray was given by Mrs. Lofland.

Members present were Mesdames D. E. Brumley, L. M. Hicks, L. S. Clark, M. J. Draper, J. P. Montgomery, W. A. Thompson, S. S. Davis, Ira Neeley, W. M. Bagwell and L. G. DeBerry.

Mrs. Claude Wells Entertains With Forty-Two Party

Mrs. J. Claude Wells entertained with a Forty-Two party at her home Saturday evening honoring Mrs. S. W. Hopkins of Hollis, Oklahoma, who is here as the guest of her sister, Mrs. H. L. Bruce. The rooms were beautiful with cut flowers. After the games, delicious ice cream and cake were served.

The guest list included Mesdames V. O. Williams, D. L. C. Kinard, J. R. Jones, H. W. Kuhn, A. W. Howard, T. L. Lewis, A. Baldwin, Chas. Oren, J. H. Norman, Frank Fore, Pete Clower, R. L. Madden, T. T. Harrison, G. W. Sexauer, Louie Goffinett, T. M. Harrison, R. C. Householder and H. L. Bruce.

Entertain Friday With Four Tables Of Bridge

Misses Winnie Cassel and Clem Wyatt entertained with four tables of Bridge at the home of Mrs. H. W. Stringer Friday evening honoring Miss Wyatt's sister, Mrs. Rainey H. Smith, who is here visiting from Kansas City, Missouri. Mrs. James E. Bass made high score and Mrs. L. Holt second high.

The guest list included Mesdames Curtis Huckaby, Hamp Prater, L. Holt, Bill Gerlach, M. G. Ray, King Stephens, Loraine Bartee, Ray Webster, James E. Bass, and Misses Mildred Harrell, Altha Tom Bridge and Willie Guinn.

At the close of the games, lovely refreshments were served.

Mr. and Mrs. J. R. Jones and son Bobbie and Mrs. Grace Crawford and children were visitors in Wellington Sunday.

Mrs. B. F. Shepherd and sons, Donald and B. F. Jr., visited her sister, Mrs. George Russell, in Amarillo last week-end.

Mrs. Robbins Is Entertained At Party Last Week

Honoring Mrs. Dorothy B. Robbins of Hillsboro, Texas, who was here visiting her son, Lyman E. Robbins, Mrs. J. C. Wells and Mrs. G. L. Tipton entertained Saturday afternoon at the home of Mrs. Wells, 808 West Noel street. Autumn flowers furnished the decorations. Seven tables were arranged for the ever popular pastime of Forty-Two.

At the conclusion of the games, Mrs. Robbins gave a number of her original poems which were greatly enjoyed. She read: "Clisbee's," "Interference," "Dogwood," "The Crooked Tree," "To You," "Blow, Blow and Blow," "Blue Eyes," "Mirage," "Lullaby of the Aviator's Baby." Mrs. Robbins sang the chorus of this lullaby.

Those in the receiving line were Mrs. Wells, Mrs. Robbins, Mrs. W. Clower and Mrs. Tipton. A delicious salad course was served by the hostesses, assisted by Misses Dorothy Madden and Cora Ethel Thornton to Mesdames W. C. Diekey, W. P. Dial, George Greenhaw, J. L. Barnes, D. A. Neeley, C. R. Webster, B. E. Davenport, C. W. Broome, B. Webster, D. A. Grundy, R. L. Madden, G. W. Sexauer, C. A. Powell, S. A. Bryant, E. S. Shelley, N. A. Hightower, E. S. Foote, L. M. Elmer Shores was a Memphis visitor Saturday.

The home demonstration club met Thursday afternoon with Mrs. Harvey Stotts with Mrs. J. A. Lemmon as hostess. As the demonstrator Miss Buttrill was attending a district meeting at San Angelo, no lesson was given and the afternoon was spent in pleasant conversation and making a "Sunbonnet Girl" quilt blocks for the hostess. Visitors for the afternoon were Mrs. J. P. Alexander of Hedley and Mrs. Sallie Stotts.

Officers for the new year are to be elected at the next meeting which will be November 13 and the president is asking all the members to be present at that time.

There was a singing at the Baptist church Sunday night.

Miss Odessa Dennis, who has been visiting her sister, Mrs. Alfred Stone at Guthrie, Oklahoma, for the past three months returned home Saturday.

MR. FARMER

Listen to This!

If you are raising cotton in order to make money to provide the comforts of life for yourself and family, then you owe it to yourself to gin and sell your cotton where you get the most dollars and cents per bale.

WHY allow yourself to be prejudiced simply because you have been induced to buy stock that never can make you money unless you sell your cotton and seed below the market in order to pay you a dividend? Stop and figure where and how to get the most out of your cotton and seed before your crop is out of your hands.

Don't be misled any longer by fancy promises of fat dividends. Get your dividends now.

THE DEMOCRAT'S PROGRAM FOR 1930

(Check Mark Indicates Project Has Been Realized)

1. **Loss selfishness and more selflessness in the business, professional and social life of Memphis and Hall County.**
2. **The placing of agriculture on a higher plane, with emphasis being put on diversification, live at home movement, and the cow, sow and hen route to contentment and general well being.**
3. **A better understanding between Memphis and the towns and communities in Hall County.**
4. **More respect for city ordinances in connection with parking of cars in the downtown district, observance of fire rules and regulations, and keeping the streets of the city in a clean condition.**
5. **More general cooperation in all movements seeking the betterment of Memphis and Hall County.**
6. **A municipal auditorium.**
7. **More paved streets.**

THE BURIAL OF THE HATCHET

The operatic hatchet has been buried in Amarillo and Mary Garden. Chicago's Darling, is to appear in concert in the Panhandle city on Monday night, November 3, at 8:15 o'clock under the auspices of the Tri-State Fair. Readers of The Democrat will recall that when Miss Garden sang in Amarillo with the Chicago Civic Opera Company last year, Col. Erasmus Tack found fault with Miss Garden's stage presence, and accused her company of omitting several scenes from the opera. Accusations and denials spread like wildfire. Col. Tack and Miss Garden kept up the barrage for a long time, but now all is peaceful on the Amarillo and Chicago fronts. A reconciliation has been effected between the Amarillo publisher and the noted diva and Miss Garden has even accepted an invitation to have tea with Col. Tack.

Regardless of what has gone before, we are confident that many Memphis and Hall County people will avail themselves of the opportunity of hearing Miss Garden on the concert stage next Monday evening. She is unquestionably one of the most arresting world figures today and she is returning to Amarillo with the avowed purpose of making good before her Panhandle audience. When Miss Garden sets her head to do a thing, it is generally accomplished and those who attend her concert may be assured of a genuine artistic treat.

Ever since we can remember, we have been hearing of Mary Garden. Mary Garden said this; Miss Garden did that; Mary's hobbies are thus and so; Garden wills to have it this way. And so it has gone and so it is likely to go until Miss Garden gets too old to even "totter." To our way of thinking she has a number of good years left and she will undoubtedly be at her best when she appears in the Amarillo recital.

GIRL SCOUT WEEK

THIS is Girl Scout Week. Members of this international organization, some 150,000 strong, are celebrating this week as their very own. A considerable amount of attention has been accorded the Boy Scout movement in the press of the nation, but it always seems that the Girl Scouts have been relegated to the background. This is not as it should be. What the Boy Scout movement does for the boys, the Girl Scout movement does for the girls.

Memphians should be proud to know that constructive steps are being taken in this city to better the lives of growing girls. The Girl Scout organization is strong here. It is really accomplishing something that is worth while. We hope that the citizenship will enter into the spirit of the week and lend every possible encouragement to the cause of Girl Scouting. It is one of our big assets—this organization—and

whenever the opportunity presents itself.

MAKING THE HONOR ROLL

WE know of nothing that is more conducive to good scholarship than the practice of the city schools of announcing an honor roll at the end of each six weeks of the school term. The list of students making or winning this coveted honor last week was not as large as it might have been, but it must be taken into consideration that the standards are very high. In fact, we have been informed that it is necessary for a student to have an average of above 90 to get on the honor roll.

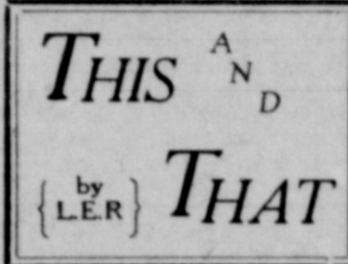

The statement is often made that there are too many things that enter into school life, known as outside activities, to put the honor roll within the reach of the majority. That may be true to a certain extent, but we have known hundreds of students, in high schools and colleges, whose names have been placed on various honor rolls, who knew how to coordinate their efforts. They took part in school activities and at the same time did not fail to look to their studies.

The whole matter resolves itself into doing the right thing at the right time. There is a time for play and a time for work. The two do not mix very well. When the play period comes it should be entered into wholeheartedly. Equally, when the time for study arrives, attention should be given to it. A divided effort is never conducive to good results. We hope the next six weeks will show a much larger number of students who have made the honor roll. It can be done and the local students are fully capable of winning this coveted honor if they try hard enough.

THE MUSTACHE FAD

THERE may be little to it and then again, there may be a good deal. We are speaking of mustaches. The Lions Club has recently started the fad to functioning here. Practically every member of this organization is trying to grow the lip adornment. Most of the members are meeting with a certain amount of success, but there are one or two, who have failed to show anything startling as yet.

One of the best excuses for mustaches we know anything about is the excuse that lip whisks aid materially in shaving. It does not take so long to rid the face of a beard if the upper lip is kept intact and undisturbed. Another advantage is the fact that no matter how white the mustache may be, it can always be dyed black. This has already been resorted to with a considerable degree of success. Keeping a mustache in trim is the hard part. A bunch of bristles, allowed to run wild, fails to add anything to the countenance of the person concerned. On the other hand, if mustaches are treated as things of art and are groomed accordingly, there is no telling what movie actor some local citizen will be emulating. We are wondering to what extremes the fad will go and sincerely hope no Van Dyke beards will be attempted. Life is too short for such creations.

point north at a 45-degree angle. The other two point south at a 60-degree angle. You can imagine how I look.

"Aren't you a Lion?" someone asked me yesterday.
"Yes," I answered.
"Aren't you supposed to be growing a mustache?"
"Yes."
"Well, when are you going to start?"

That's the type of wise crack I'm having to endure daily.

I've been trying to find out if there isn't some artificial means of making a mustache grow. Dr. Royal S. Copeland, who writes a daily column for the Amarillo Globe and who also answers health queries of his admirers, helped me out some. This is the question that was asked him: "What will increase the growth of my mustache?" His answer was: "You might try applying a little warm castor oil every night."

I used to thoroughly abhor taking castor oil internally, so I know I'll enjoy partaking of it externally.

I understand that one King Stephens has been taking my name in vain over the radio. King

you his vast unseen audience that my efforts at mustache-growing were responsible for the illness that sent me to the hospital last week. I deny the allegation and declare in rebuttal that a mustache the size of mine couldn't possibly send anyone to the hospital. And besides, people who live in glass houses shouldn't throw bricks. King Stephens and Russell Clark ought to be yoked together and sent to the reformatory for appearing in public with the insolent-looking little insignificant mustaches they wear right under their noses. If I ever do get a mustache I'm going to have one big enough to count, I'll promise you that.

While we're on the subject of hospitals, I must tell you that I received a gorgeous bouquet of "home made" flowers on the last day of my confinement. They were brought to me in person by Tom Potts, of the D & F Chevrolet Co., who said he regretted exceedingly that he was unable to refund the fine of \$10.00 I suffered when caught speeding in a Chevrolet in Fort Worth. Tom said the short cotton crop had made him forget that such a thing as a ten-dollar bill existed, and he hoped that I would find a measure of solace in the flowers.

J. D. Guinn, you know, has a real nice mustache. I was admiring it very much—and somewhat jealously—and asked him how long it had taken him to grow it. "Sixty-nine years," he answered. Maybe I'd better give up!

The title of a song broadcast from Dallas a few nights ago was given as "Where Do Mothers Learn the Things They Tell Their Daughters Not to Do?"

My mother has been visiting me, by the way, and I hope the people of Memphis have properly observed that I've been a model young man for the past week. What mother doesn't know won't hurt her, so please don't "let on" while she's in town. Even Bill Huddleston, the chief of police, told her I was a pretty good boy. Imagine! Of course, you people in general, and Rev. E. T. Miller in particular, know better, but I'll be much obliged if you won't say anything. Therein lies the real reason I had to go to the hospital—I was so good while mother was here it made me deathly ill.

Mrs. Erin Jones Couch, former efficient stenographer and general handy-woman about The Democrat, has sent me this clipping from a South Texas newspaper:

NOTICE
All persons having relatives buried in or owning lots in the Bluffton Cemetery are hereby notified that a meeting of such relatives will be held at the school house Friday.

Apparently you can't keep good people down in that community.

Jake Masterson of Hedley was a Memphis business visitor Monday.

Here and There IN SPORTS

BY ADRIAN ODOM

Now another traditional game has passed, and still the Cyclone has never met defeat at the hands of the Clarendon Bronchos. Hammond carried off the honors of the day by playing a brand of football he has never played before. On last Friday he placed his name in the Cyclone records along with John Hammond, Dennis, Martindale and others.

Jarvis was in a large way responsible for the long gains that Hammond was able to make. This comes from the fact that Clarendon probably scouted the Turkey game, in which Jarvis made all the big gains for the locals, and decided that he was the man that they must keep covered. In doing this, the Bronchos left Hammond open. However, no one was responsible for the way Hammond played defensive football.

Bourland, at center for the Cyclone, played an excellent game in the line. He out-guessed the Bronchos on many plays, and was in the middle of almost every play. West and Jackson at the end positions stopped those long end runs, for which the Clarendon eleven was famous. Every member of the squad played an excellent game.

Shamrock, Estelline and McLean are now ready for the Cyclone games with them. Of these three teams, none of them are "set-ups." This week-end the Cyclone meets Shamrock. Although the Cyclone is hoped to win this game, the Irishmen are stubborn fighters and may win any game if they once get in the lead. Estelline has not made a good showing during the season, but that team will play far over its head in an attempt to stop the Cyclone. McLean started the season very poorly, but in the last few games they have displayed some real strength and have a good chance to take any game.

One of the greatest up-sets in Southwestern Conference football came Saturday with Rice's victory over Texas. Texas A. & M. fell before the onslaught of the Arkansas team for another big upset. Anything can be expected to happen when the Razorbacks are playing at home. However, both defeats were the results of the stronger teams sleeping on the job because they thought that they could not lose.

S. M. U.'s overwhelming victory over Indiana makes things look badly for the Navy. A Southern Methodist victory over the Midshipmen would mean much for the standing of the Southwestern Conference. T. C. U. smothered the Matadors from Tech. This victory was no honor for the Christians; it was to be expected.

Texas A. & M. and Baylor U. have renewed athletic relations,

and the two gridiron teams will probably meet next year for the first time since 1926. The old students have passed on, and the new have no grievances. This relationship may never be broken again, for the clashes like that of 1926 seldom occur the second time between the same schools. New students learn from the experiences of the old that it pay.

Local and Personal

Mr. and Mrs. J. D. Browder returned Saturday from a two weeks stay in Mineral Wells. They will likely remain in Memphis until after the first of the year.

Mrs. Fred Swift and daughter, Ruth, were visitors in Amarillo Tuesday.

Mrs. Sam Foxhall returned from Dallas the first of the week where she underwent a tonsil operation at the Baylor Hospital last week.

Mrs. Fred Swift and daughter, Ruth, spent Sunday at Quitaque with their daughter and sister, Mrs. Clyde Tunnell.

Miss Imogene King left Friday night for a few days stay in Dallas and will go from there to Duncan, Oklahoma, for a visit with her sister, Mrs. C. H. Smith.

Eldon Thompson, of the General Motors Company of Amarillo, visited his parents, Mr. and Mrs. T. J. Thompson last week-end.

John Forkner, of the McCormick Advertising Agency at Amarillo, visited his father, Sam Forkner, and brother, Roy, here last week-end.

Mrs. Landrum Stanford and Mrs. A. S. Moss went to Henrietta Tuesday for a visit with Mrs. Stanford's parents, Mr. and Mrs. A. P. Jones.

Mrs. Sam Holder returned Monday from a week's visit in Dallas and Mount Vernon. She visited her mother and sister in Mount Vernon and attended the Dallas State Fair.

Everett Westbrook went to Pampa Sunday where he has accepted a position with the Tarpin Music Company. He will likely move his family there later.

Mr. and Mrs. Ed McMurry and children of Dumas visited his parents, Mr. and Mrs. T. M. McMurry and her mother, Mrs. D. P. Webster here from Saturday until Monday.

Mr. and Mrs. Wade Roberts and son Bobbie of Fort Worth visited his sister, Mrs. A. H. Miller, here Friday of last week. They were en route home from a business trip to Pampa.

Mrs. N. B. Leverett returned to her home at Elk City, Oklahoma, Sunday after a visit here with her son, Roy, and daughter, Grace.

Mr. and Mrs. Forest Power and daughter June and Mrs. Tess Potter and daughters, Marcia and Shirley and S. G. Alexander spent Sunday at Silverton as guests of Mr. and Mrs. Bland Burson.

Misses Clem Wyatt and Lillian Gull of this city and Mrs. Rainey H. Smith of Kansas City, Missouri, went to Panhandle Sunday to visit Miss Wyatt's and Mrs. Smith's brother, Neil Wyatt.

Let's Chat Awhile

BY DOROTHY B. ROBBINS

Goldenrod is cleared of guilt by an able defender—none other than Thomas A. Edison himself. It came about this way—the Chamber of Commerce of West Orange, New Jersey, inaugurated a campaign for preventing hay fever in the community and golden rod and ragweed were to be eliminated. Supporting the campaign with an editorial was the East Orange Courier. Shortly after, Mr. Edison, who believes goldenrod has within it rubber content answered the newspaper's editorial. So convinced was the Chamber of Commerce of the error of their thinking that now they will only attack rag weed while goldenrod will be permitted to remain.

Listen to the Wizard, as he is quoted in part: "Let me say for your information that the pollen of goldenrod is carried entirely by insects. The pollen is heavy and is blown only a few feet from the flower. It would be folly to eliminate goldenrod.

"The Gaspe Peninsula, in Canada, is free from rag weed. I am informed that no cases of pollen fever are known, although golden rod grows profusely there."

Now, who says the jokers haven't lost a subject for future gay remarks? Goldenrod is one of our most beautiful flowers and I am happy to know that it is not an enemy to man. If it produces rubber as the wonderful Edison hinks, farms of it will delight the eye as well as benefit humanity.

Republican Party Start Hard Fight In Behalf Talbot

DALLAS, Oct. 30. (Special)—Texas Republicans this week had launched hard into their fight in behalf of the candidacy of Col. W. E. Talbot for governor of the state...

At that time Col. Talbot spoke over a state radio net-work to thousands of Texas voters, on his advocacy of a two party state, and covering fully the present economic condition of the state as well as the state government.

Many prominent Republican leaders in Texas were present at a meeting and left with the declaration that Texas this year would give Col. Talbot the largest vote ever cast for a Republican candidate in the state.

Col. Talbot made it plain that he would indulge in no personalities in the campaign.

"If you want a third man down in Austin, working for the state of Texas for the next two years, then vote for me," he declared.

"There never was a better time than right now to start buying Texas made products."

"A survey shows that our merchants have the lowest stocks on hand in recent times. Our merchants are going to buy and keep the stocks that you ask for and the quickest way to start money in circulation is for you to begin specifying Texas made products."

"Your merchants will order, and the industries will start production, salaries will then be paid and these people in turn buy your products. We can ourselves do something toward bringing Texas back right now, instead of at some future time. Too many of our cities are buying more from the outside than they are getting from the products they raise. That is what is causing decreases in the smaller cities as shown by our census, which is economic suicide."

"When you spend a dollar with a Texan it stays in Texas, and you have a chance to get it back."

Col. Talbot, now in the life insurance business, has been an extremely successful business man in Texas since before he was 21 years of age. A huge part of the Rio Grande valley was colonized by him in the development of that great new country.

He also is a member of the Masonic fraternity; the American Legion and of the Texas Press Association.

Republican Hope

Col. W. E. Talbot, Republican nominee for Governor of Texas, is making an intensive campaign in behalf of his candidacy.

Mr. and Mrs. W. H. Gilliland left Monday for Panhandle where they will make their home. Mr. Gilliland has accepted a position as bookkeeper for the Panhandle Hardware Company.

Mrs. Alfred Stone and daughter, Margery Don of Guthrie, Oklahoma, came Saturday for a visit with her parents, Mr. and Mrs. John Dennis.

Mrs. Zack Beaty and son Jack of Hedley were Memphis visitors Monday.

W. W. Williamson of Lakeview was here Monday attending court.

HALL COUNTY PIONEER SUCCUMBS

CLARENDON BRONCHOS TRIMMED BY CYCLONE IN BIG UPSET FRIDAY

Inspired Playing Of Hammond And Others Too Much To Be Overcome; Local Boys Play Outstanding Game Of Season.

With the Clarendon Bronchos leading the Memphis Cyclone by a score of 13 to 6 at the end of the first half last Friday afternoon, the locals came back in the third quarter to score four touchdowns against the red and white warriors in a story-book setting and in a story-book way in six minutes of play on the Clarendon gridiron. As The Democrat predicted last week, Memphis proved to have an inspired team, and the all-conquering spirit manifested coupled with the outstanding play of Captain James Hammond and the entire team led the Cyclone to victory. Although the Bronchos scored two tallies in the final period by way of an overhead attack, it was not enough and after a fourth quarter that seemed to have lasted at least two hours to the Memphis fans, the locals left the field in possession of Clarendon's scalp, the better team having won. The final score was Memphis 31, Clarendon 25.

Quota of Advisors
Just as Coach Walter has a number of sideline coaches who tell him how to run the team, in like proportion The Democrat has its quota of advisors who tell the editorial staff which players to feature in the accounts of the various games, and just as Coach listens and goes ahead unperturbed, so the staff gives an account of the game as they see it. If any injustice has ever been done any player, it has been unintentional, but right here and now,

this writer wants to commend James Hammond for one of the greatest exhibitions any one player has ever given of himself on any gridiron anywhere. Hammond accounted for four of the Memphis tallies and Jarvis one.

Had Eyes on Jarvis
Jarvis played a jamup good game, but Clarendon had their eyes focused on this player and that is why Hammond's plays were all the more effective. Curtis Bourland played the best game (Continued on page 4)

6 INCH MAIN TO BE LAID EAST OF RAILROAD

Between \$10,000 And \$14,000 Is To Be Cost Of Project

According to officials of the Texas Water Utilities Company, this organization plans to make an expenditure here of between \$10,000 and \$14,000 to run a six inch main on the east side of the Denver Railroad. The company's purpose in putting down the main is to insure better fire protection for this part of the city. Work on the project will get under way this week, according to R. D. Stuart. With the exception of three or four pipe line men, the work will be done by local labor entirely and will afford jobs for a number of unemployed men in the city.

To Install Hydrants
Some six or seven fire hydrants will be installed from Montgomery and Eighth streets to Fourth street east of the railroad track and south on Fourth street one or two blocks, then east to First street and then over to the Fair Grounds. While the work will necessitate the expenditure of quite a large sum of money, it will afford fire protection to a section of the city that has not had mains as in other parts of town, and will prove to be of invaluable aid in protecting property on the east side of the railroad.

Venison Supper Is Served To Friends By Physician Here

A venison supper, with all the added viands that go to make such a repast complete, was enjoyed by seven friends of Dr. E. H. Boaz at his home on North Eleventh street Monday night at 7 o'clock. Two large platters of venison steaks formed the piece-de-resistance of the meal, which was served by Mrs. Boaz. To attempt to enumerate the many delicacies that went with the venison would be an all but impossible task, but suffice it to say that the supper would have been complete if nothing but venison had been served. While the meal was in progress, Dr. Boaz gave an interesting account of his recent hunting trip to Colorado, where his party re-

Amarillo Editor In City Saturday Says Business Is Better

T. E. Johnson, managing editor of the Amarillo Daily News, visited friends and acquaintances in Memphis for a short time Saturday afternoon. Mr. Johnson reported that he is of the opinion that business conditions over the Panhandle are improving. He said that business is getting better in Amarillo all the time. The Amarillo editor expressed regret that he did not have an opportunity of witnessing the football game between Memphis and Clarendon last

STATISTICS ARE TABULATED ON GRID TEAMS

Memphis Cyclone and Clarendon Bronchos Still In Running

Statistics on the various Class "B" teams in this section have been compiled by The Democrat in an effort to show football fans the standing of the teams. Estelline and Quitaque have been dropped from the ranks of the contenders, or rather, have voluntarily withdrawn, as it is understood they have been playing ineligible men. With the withdrawal of these two teams, six schools are left in the race, but it seems that Memphis and Clarendon are the only teams that have a chance at sectional honors.

Standing of Teams
The standing of the six teams at present is as follows: Clarendon has won three, lost one and tied none with a percentage of .750; Memphis has won two, lost one and tied none, with a percentage of .666; Wellington has won two, lost two and tied none, a percentage of .500; Shamrock has won one, lost two and tied none, a percentage of .333; Turkey has won one, lost two and tied none, a percentage of .333 and McLean has won one, lost two and tied none, a percentage of .333. Each team is scheduled to play five conference games. Practice games, of course, do not count in the conference standing.

Local Manager For Water Co. Is Given Merited Promotion

It was learned this week that R. D. Stuart, manager for the Texas Water Utilities Company at Memphis and Estelline, has received a promotion and will leave the city about November 10, to assume his new duties as district manager of the Texas Water Utilities Company of the Nocona district, which takes in nine towns, in addition to Nocona. Mr. Stuart came to Memphis in January, 1929, from Breckenridge and has been active in all civic affairs of the community.

Promotion Is Merited
At the present time, he is a vice-president of the Memphis Lions Club and Chairman of the Athletic Council of Memphis High School. He has always shown a desire to be of service in any worth-while undertaking for the good of the city and it is with genuine regret that his friends and acquaintances see him leave Memphis. However, the promotion is merited. Mr. Stuart will be succeeded here by Roy Fultz, of Petrolia, who will have general supervision over the company's affairs in Memphis and Estelline.

Games played in this section this year, with their results, are as follows: Memphis 14, Wellington 18; Memphis 27, Turkey 25; Memphis 31, Clarendon 25; Clarendon 25, McLean 6; Clarendon 19, Shamrock 7; Clarendon 25, Memphis 31; Clarendon 6, Wellington 0. Wellington 7, Turkey 0. (Continued on page 3)

CO-FOUNDER OF MEMPHIS DIES LAST WEEK

Funeral Held Friday Afternoon For Mrs. J. C. Montgomery

Mrs. J. C. (Mammy) Montgomery, died at her home on South Sixth street Thursday of last week at 9:30 p. m., following an illness of about a week. She had been in poor health for several years. At the time of her death Mrs. Montgomery was 80 years, 5 months and 8 days of age. Wise Motorists Are Buying Tires NOW

and for these reasons:

1. Goodyear prices are at the bottom.
2. Cost of punctures added to delays in bad weather, is greater than the miles left in old tires are worth.
3. Slippery roads of fall and winter make the full grip of new Goodyears a desirable precaution.
4. New Goodyear treads during winter wear down slower than ever—about TWICE as slowly as in summer. It is economy to put on new Goodyears now—they will be practically as good as new next spring. Ride with pride and enjoy Goodyear protection all winter, the time you MOST need it.

HALLOWEEN (An Editorial)

Halloween is a time for the younger set to have an enjoyable and merry time. It is a time with which we associate many popular ideas and superstitions and is an occasion for harmless jokes and pranks. Halloween is associated with many elements of prophecy and is the eve of All Hallow's Day or All Saint's Day. In the countries of England and Scotland and in other European countries, the people have only fireside revelleries, and Halloween is often associated with ceremonies of divining a future sweetheart.

In America, however, the boys and girls are too full of fun and spirit to remain around the fireside, and they go from house to house playing pranks of all kinds and spreading joy

Initial Concert Is Given By High School Orchestra Monday

The high school orchestra made its first public appearance Monday morning in a very interesting chapel program in the high school auditorium. This orchestra was to have played in chapel on Monday of last week, but their program was postponed until this week because of another program that had been arranged. The orchestra opened with "Flying Aces," and followed this with "Milenburg Joys," then "St. Louis Blues" and closed with "I Am Still Caring."

Composed of Students: This orchestra has only been organized for a short time, and is composed of high school members. These members with the instruments they play are Pauline Ross, piano, Bill McKelvy and Mildred Kosterson, trumpets, Royce Brooks and Harry Womack, saxophones and clarinets, and Weldon Massey, drums.

Cyclone Presented During this chapel program, the Cyclone football squad was presented to the student body. The team marched into the auditorium, led by Captain James Hammond. As the team entered the students sang "Memphis Will Shine To-night." This was followed by a talk by Mrs. Elmer S. Shelley in which she complimented the squad on their victory over Clarendon.

Seniors Delay The Purchase Of Cards At Class Meeting

A Senior class meeting was called last Monday morning for the purpose of discussing the purchase of personal cards by members of the class. It was decided that the purchase of these cards would be put off until a later date as several of the members of the class had not made deposits for the cards and did not wish to do so at this time. After this was decided upon, the class completed plans for the Halloween party that was given in honor of the Junior class in the gymnasium Tuesday night.

Clarendon Girls Give Teams Dance

The members of the Clarendon High School pep squad gave a dance last Friday night following the Memphis-Clarendon football game at the home of Miss Kitty Speed in Clarendon, honoring the Memphis and Clarendon teams and the Memphis pep squad. About twenty-five boys and girls attended the dance, and all report that it was one of the most spirited affairs ever given for the teams following their football game.

Bridge was played from 7:30 until 8:30 before the dance began. Following the bridge party, those present danced for several hours before returning to Memphis. Another dance was given at the Antro Hotel, and several of the Memphis visitors attended this one in addition to the one given at the home of Miss Speed.

SPUR IS RULED OUT OF CONFERENCE PLAY

The Spur football team was thrown from the Class B Conference last week by the district committee for playing ineligible men, according to word received here by H. A. Jackson. The team will not be allowed to play conference contests for a period of from one to three years. The Bulldogs defeated the Cyclone at the first of the season and had not lost a conference game before they were ruled out of the conference.

PEP RALLY IS HELD LAST THURSDAY NIGHT

A highly enthusiastic pep rally was held at the American Legion hall Thursday night of last week in anticipation of the game between Memphis and Clarendon last Friday. While the crowd was not as large as heretofore, it was every bit as enthusiastic.

CLUB INITIATES NINE MEMBERS LAST MONDAY

Dumb Day Is Planned And Girls Promise To Accept Rides

The Senior girls' C. A. B. Club initiated their new members last Monday night at the high school auditorium. Nell Grant, president of the club, had charge of the program and meeting, and Miss Lucille Pope, club sponsor, was present at the meeting.

Members Take Pledge In the initiation, all new members were made to remain in the hall and were conducted into the auditorium one at a time. Each member was made to take the following pledge: "I hereby pledge to do my duty and to pick up all Senior girls I see walking. I promise never to refuse a ride when asked." They were then instructed that they must be dumb all day Tuesday, were not to answer any questions asked them in class and were to laugh only during the five minute periods between classes. Those girls who failed to do this were made to stay in one hour after school.

Set Dates for Meetings Following the initiation, the club met in a business session. At this time, the first and third Wednesdays of each month was selected as dates for regular club meetings. A program committee was (Continued on page 3)

Business Men On Program At Rally Given Last Friday

An interesting chapel program was rendered at the senior high school Friday morning of last week in the nature of a pep rally just prior to the Memphis-Clarendon game. The program had been arranged by Mrs. Elmer S. Shelley, who knows how to prepare these programs so that a considerable amount of benefit is derived from them.

Business Men Talk Four business men were present on this occasion and made "snappy" pep talks. Two ex-football players, Dr. L. M. Hicks, local dentist, and Hubert Curry, (Continued on page 3)

MEMBERS OF CYCLONE SEE CHILDRESS GAME

Coach Nolan Walter and several members of the Cyclone squad attended the Childress-Electra football game at Childress last Saturday. The game was a close, hard fought contest and offered the boys some very good points on the game. Those attending the game were J. W. West, Tug Sanders, Ivan Thornton and Weldon Massey.

GIRLS' TEAM TO PLAY FACULTY CAGE GAME

Cyclonettes Expect to Win Championship This Season

The high school girls' basketball team will have its first practice game of the coming season Thursday night when it meets a team composed of faculty members at 7:30 in the high school gymnasium. The team has been organized for only a short time, but some very good plays have already been worked out, and it is the belief of Ruth Pendergrass, girls' basketball coach, that the team is on its way to another championship season.

Last year the Cyclonette team lost only one game during the entire season, to the Athens High School squad, and won several tournaments during the season. It is the request of the coach that many students attend this game and back this new team. A charge of ten cents will be made for the game.

Shamrock will be the scene of another great gridiron game Friday afternoon at 3:30, when the Memphis Cyclone goes up against the Irishmen of that city. This game is scheduled to be another of the locals' real battles, for the Irishmen boast a team that is almost impossible to defeat on the home field.

Has Lost Two Games

Although Shamrock has lost two games and has no chance at district honors, they have a team that cannot be overlooked. They defeated McLean by a 25-0 score, held Clarendon to only one touchdown and completely baffled the strong Wellington Skyrockets with their passing attack. Grady at center for the Irishmen is one of the outstanding centers in the district. O'Gorman at full is the Irishmen's offer for a triple threat man, and Tarbet at the right end position is successful on the receiving end of many passes.

Cyclone Must Win

The Cyclone is now pointing to this game as the one it must win, and every effort to do this has been made. With the Twisters giving every thing they have to win and the Irishmen doing their best to defeat one of their old rivals, this game will be one of the toughest of the season.

The Electric Man Shows You a Delightful New Breakfast Method

"Through the use of electric toasters, waffle irons, percolators, egg boilers, electric grills and many other small appliances, the task of cooking breakfast has been made thoroughly enjoyable.

"And now, with the new *Home Comfort* rate, the low cost of operation adds another advantage to the electrically-prepared breakfast.

"You see, this new schedule of rates makes all service over the first 45 kilowatt-hours, for a five-room house, cost only 4c per kilowatt-hour—3c where service is also used for heating or cooking.

"Just think of the possibilities of this new rate. All the service you want to use, and yet your bill will always be quite moderate, compared with other necessities of the home.

"Next week I'm going to tell you about the advantages of this new schedule in connection with your lighting problems, and I'm sure you'll get some ideas from my suggestions."

Halloween—

ment of Halloween friends and neighbors boys have the reception of the mean day and often do things which are harmful to the individual, and to the town as well. These boys do not intentionally do anything of this sort but it is often due to thoughtlessness and carelessness that they allow something disastrous to happen, and they are always sorry for it after it is done.

We should like to have a clean and joyous time this Halloween, when harmful jokes would be laid aside and we would have only innocent enjoyment. We are sure that the people of this city and community would appreciate it very much and feel much better toward Halloween than they do, if we did this. We should try our best this year to show the people what Halloween really signifies and show them that we intend to do only harmless things. Let us band together this year, and see what a merry

and enjoyable time we can have without infringing on the rights and property of others.

Genuine Enthusiasm
