RESUME WORK ON PARKER BRIDGE IMMEDIATELY SAYS DIVISION ENGINEER

Rock Soundings Caused Trouble and of Work on Highway No. 5; To Resume Work Immediately

which have been construction work on the bridge about one mile from Memphis, on Highway No. 5, have been eliminated, J. W. Ryder, division engineer of the Panhandle district, returned from an inspection of the work last night. He was in driving the bridge. Rock soundings were incorrect. The bridge and reported when the construction was encountered at depths. The best pile driving in the Panhandle is now being done by Mr. Ryder. The construction will be completed in a few days. The road will be ready for traffic as soon as other work can be completed.

SLOAN WELL AT NEWLIN IS DOWN THOUSAND FEET

(Newlin Correspondent)
The prospective oil well near Newlin is below the one thousand foot mark and still going down at a rapid movement. The crew is very confident of the certainty of bringing in a well and seem to be anxious to get into the paying sand. They have one of the best rigs that have ever been in this part of the country, and they know how to use it, too. Listen for the blast when the well comes in.

CHILDRESS GAS MAN MOVES TO MEMPHIS

G. A. Evans, formerly of Childress, has opened a plumbing office in the Memphis hardware store and will be engaged in the business of gas fitting in Memphis in the future. Mr. Evans stated he planned to open a shop here in the near future. He will bring his family here as soon as arrangements can be made toward securing a suitable house.

W. P. MARKHAM MOVES BACK TO CHILDRESS

W. P. Markham is moving this week from Memphis to Childress to make his home here again while he takes employment with his former "boss," E. C. Pilcher, in the blacksmith shop. Mr. Markham will this time take over the acetylene gas department for Mr. Pilcher. Mr. Markham was a resident of Childress and an employe of Mr. Pilcher some 11 years ago, moving from here to Kirkland and later to Memphis. Mr. Markham, in recalling old times, said that his job when he was here before was shoeing horses and he recollects having shod 22 horses between 6:30 one morning and that hour that night.—Childress Post.

BUSINESS GIRLS CLUB ELECTS OFFICERS

The Business Girls Club met at the club home last Friday night and elected the following officers: Miss Frankie Allison, president; Miss Justine Keeling, vice-president; Miss Jimmie Cooper, secretary; Miss Mildred Harrell, treasurer; Miss Byrd Pressler, reporter. After the business session a drill in better English was held, which proved very interesting. Misses Byrd Pressler and Willie Guinn were hostesses for the evening and served lovely refreshments. The club adjourned to meet February 11, at 7:15 o'clock.

THREE NABBED ON CHARGE OF VAGRANCY

Local officers arrested two negroes and a white man at the Denver station Tuesday night on a charge of vagrancy. The negroes were released after examination before the county attorney Wednesday morning. The white man is being held at the county jail, pending further investigation. Finger prints were taken and forwarded to authorities in neighboring towns.

PROTESTANT EPISCOPAL MISSION AT ESTELLINE

The Protestant Episcopal church is starting a mission at Estelline and those who are members of the church, living in Memphis and who would be interested are asked to communicate either with Rev. L. L. Swan of Clarendon, Texas, or with Mr. H. C. Foote of Estelline, as baptismal services and confirmation services will be held this month and the mission organized. H. C. FOOTE.

OUSLEY WILL SPEAK HERE FRIDAY 2:30

NOTED AGRICULTURAL MAN WILL DELIVER LECTURE ON COTTON

Hon. Clarence Ousley will speak in Memphis Friday, February 4th, and is anxious that all farmers and business men hear his message. The speech will be delivered in the community auditorium of the court house, on the basement floor, at 2:30 p. m. Mr. Ousley has been connected with the Agricultural Department for several years, and has proven his friendship for the farmers of Texas. He will have a message that will be worth hearing. So be sure to come and invite your friends and neighbors to come along too. You will be entertained as well as given something to think about.

NEW MANAGER AT CITY TAILOR SHOP

Earnest Lee has accepted a position as manager of the City tailor shop, succeeding Lonnie Burk. Mr. Lee was recently a partner in the City Grocery store, having sold his interests in that business last month. The City tailor shop was recently remodeled and is an up-to-date and modern cleaning establishment.

GAS STOVE DEMONSTRATION

Demonstrations of gas stoves are being held this week at both the King furniture store and J. M. McKelvey furniture store. These firms have ads appearing in another section of the paper outlining special offers and advantages and they urge the general public to attend these demonstrations. Many interesting points have been outlined at the demonstrations held by firms last week and no doubt many may be given out this week.

COUNCILMAN FIGH IS GOOD SODA SALESMAN

Jack Figh demonstrated his prowess as a soda jerker at the Tarver Drug store this week when he applied for a position in that capacity. Horace gave him an opportunity to strut his stuff—Jack mixed a couple of cokes just like an old time soda sleet and had about cinched the job when he failed to collect. He was immediately canned. He offered an alibi that he was waiting for them to spend more and he would collect all at once. But Jack will remain in the automobile business for the present, so Horace says.

NEW OFFICERS INSTALLED BY ENCAMPMENT

The Memphis Encampment No. 60 IOOF held installation ceremonies at the regular meeting on Friday, January 28, and the following officers were installed: J. M. Wilborn, chief patriarch; Robert Snowden, high priest; Frank Wright, senior warden; W. C. Blankenship, junior warden; W. A. McIntosh, scribe; Chas. Oren, treasurer; King Stephens, guide; W. B. Stargel, M. W. Paschall, W. B. Nall, and R. L. Rodgers, four watches; D. H. Roberts, inside sentinel; J. W. Stewart, outside sentinel; E. Gerlach, first guard; E. H. Godfrey, second guard. After the installation several inspirational talks were made by the new officers and members, each pledging a greater interest in Odd Fellowship in the future.

GOODYEAR GAS STATION MOVED NEW LOCATION

The Goodyear service station, has moved from its former location at Seventh and Main streets, adjoining the Dodge sales rooms and has consolidated with the Auto Supply station on Fourth and Main. The station has been under the management of Wade Roberts, who will, in future, be connected with the Auto Supply station. Mr. Roberts stated that the unhandy location made the station inaccessible to the motoring public, thereby necessitating a removal in order to properly serve its patrons.

SUNDAY SCHOOL CLASS ENJOYS OUTING MONDAY

Members of the junior boys' Sunday school class of the First Baptist church enjoyed an outing on a wicker boat Monday afternoon at Wayside park. The class is under supervision of W. B. Wilson who escorted the following boys on the outing: Jack White, Leniel Sigler, Derwood Neely, and Willie Ben Wilson Jr.

S. D. STURDIVANT WAS BURIED HERE WEDNESDAY

Samuel David Sturdivant, 21, son of Mr. and Mrs. T. T. Sturdivant of Memphis, died at the San Antonio state hospital on January 31. The body was shipped to Memphis and buried at Fairview cemetery Wednesday. Mr. Sturdivant had been an inmate of the state hospital for the past three years.

CLARENDON C C HOLD ANNUAL MEET THURSDAY

LOCAL BODY REPRESENTED BY G. A. SAGER AND CLAUDE WELLS

The Clarendon Chamber of Commerce held their annual banquet in the new Antrobus Hotel last Thursday night, with a large crowd present. G. A. Sager and J. C. Wells represented Memphis at the banquet. It was a swell affair, and Homer Mulkey, retiring president of the chamber of commerce, acted as toastmaster in a pleasant style. James Z. George, manager of the Board of City Development of Amarillo, made a masterful address, after which Secretary Holcomb of the Clarendon organization, and a number of committeemen made reports of the work accomplished during 1926. Clarendon certainly has a working organization, and all are pulling for a bigger and better Clarendon. Several local and visiting people made short talks, congratulating Clarendon. The Clarendon Band furnished music for the occasion.

BOOSTS MEMPHIS CHAMBER OF COMMERCE

The Clarendon News, of which Sam Braswell is the editor and owner, gives the Memphis Chamber of Commerce quite a boost in last issue and incidentally passed some taffy to the Democrat editor, which was appreciated, although undeserved. The article is reprinted, not because of what it says about the editor, but because of the boost it gives Memphis.

One of the outstanding chambers of commerce in this section of Texas is the Memphis Chamber of Commerce, located in the capital of Hall county. Just recently it elected Editor Claude Wells of the Memphis Democrat as its president for 1927, and forthwith held a wonderful annual banquet reporting the accomplishments of the year just passed and outlining a great program for the new year. Editor Wells is a master-citizen as well as a splendid newspaper man and Clarendon people feel assured of the continued success of the Memphis organization under his able direction. Salute!

DR. R. E. L. MORGAN PREACHED HERE SUNDAY

Dr. R. E. L. Morgan of Clarendon College preached a great sermon at the Methodist church last Sunday morning, after which he took a good collection for the college.

HIGHWAYMEN WOUND CANDY SALESMAN NEAR WELLINGTON MONDAY AFTERNOON; ESCAPE

Shooting May Have Been Result of Newlin Arrests Last Week Say Local Officers; Wounded Man Not In Serious Condition

FIRE BOYS WILL BANQUET CITY DADS THURSDAY

The Memphis volunteer fire department will be hosts to members of the city council at a banquet at Rube's cafe next Thursday night. All department members and members of the city council are expected to be present. The following program will be rendered: Toastmaster—Henry Read, president. Welcome address—D. H. Arnold, father of the department. Response—Mayor Foxhall. Fire Equipment—Silas Wood, chief. Traffic at Fires—Bill Huddleston, fire marshal. Our Fire Boys—Sam Harrison, councilman. Duties of Firemen—King Stephens, assistant chief. Relations of Council to Department—Jack Figh, councilman. Value of Department to City—Earl C. Johnson. Better Protection—W. E. Wilson. Cooperation—C. T. Matkin.

FIRE TUESDAY AT FARMERS UNION GIN

A bale of cotton was burned in the press at the Farmer's Union gin here Tuesday afternoon before workmen could extinguish the blaze with a small garden hose and small extinguishers. The fire department made a hurried call but the flames had been checked when they arrived. Other than the bale of cotton the loss was small.

PRaises ECONOMICS DEPARTMENT OF SCHOOL

Miss Charlotte Mayfield, inspector for the State Department of Education, spent Tuesday in Memphis high school. Miss Mayfield says the department is doing splendid work, and recommended that the school add a small amount more to the equipment in order that more girls might be accommodated. There are dozens of girls in the school who desire Home Ec work, but the equipment and lack of funds stand in the way of more pupils and some kind of arrangements should be made to accommodate all who desire to take the work. Miss Christian, teacher of home economics, has entered a number of her students for competition in the fourth national meat story contest, promoted by the National Live Stock and Meat Board of Chicago.

NEGRO CAUGHT WITH STOLEN GOODS; JAILED

L. C. Smith, negro, is in the county jail awaiting a trial for the alleged theft of a leather jacket and a pair of boots from a white man at the pipe line camp near the oil mill. The negro was arrested by Sheriff Christian. He was hidden in a box car on the tracks near the camp, and had the stolen articles in his possession at the time of his arrest.

BRUMLEY INFANT DIES LAST SUNDAY MORNING

The two-year-old infant son of Mr. and Mrs. W. R. Brumley died Sunday morning while enroute to the hospital. The baby had been ill only a few days and the ailments were not considered serious. Sunday morning the infant awoke and walked into breakfast. It was stricken a few hours later and died before it could be brought to a doctor. Mr. Brumley is a nephew of J. H. Brumley, and the family has been in Memphis only a few months.

Troy Rackley, candy salesman of Wellington, was shot through the left breast by two unknown assailants who jumped upon his car about six miles east of Wellington late Monday afternoon.

Rackley was returning to Wellington in the company's truck after a day's run in the surrounding territory, and was carrying on his person the money that the day's sales amounted to. He was forced to slow down for a rough bridge, and at this time two men rushed from the side of the road, jumped upon the sides of the cab holding a gun on him, and demanded him to stop. Rackley stopped the truck and stepped to the ground, and the men asked for his money. Seeing that the highwaymen were a bit excited, Rackley grabbed for the gun, and in the struggle which took place the gun was discharged with the bullet taking effect in Rackley's left arm pit. The men fled after firing this shot and Rackley fired after them. The bandits returned the fire, shooting twice at him from down the road. One of the bullets lodged in the side of the truck, missing the salesman's head by not more than one foot. Rackley, who was returning home after a trip to Clarendon, Memphis and Newlin, had visited the sheriff's office in Memphis prior to his return home after it had been reported that two men were seen following him around in Newlin. Rackley recently identified clothing worn by the alleged burglars of the Lelia Lake drug store, and was instrumental in their arrest. Officers believe this probably had some connection with the shooting.

BAND ENTERTAINS GILES PEOPLE FRIDAY NIGHT

The Memphis Gold Medal Band, accompanied by a goodly number of Memphis citizens, went to Giles last Friday night and put on a good musical concert. The affair was enjoyed by all present. Pies were sold at auction for a benefit fund for Giles.

BEACH TO OPEN STORE ON NORTH FIFTH STREET

Beach's House of Commerce will be opened soon by B. L. Beach in the new brick building recently completed on Fifth street, near the postoffice. Mr. Beach, who has been associated with the J. A. Whaley cotton company the past four years, is owner and manager of this new establishment. Office supplies and sporting goods will be the principal lines handled in addition to magazines, periodicals, fruits, drinks, candies, cigars, etc. Mr. Beach will also conduct a free employment bureau and board of exchange. This establishment should prosper as Mr. Beach is a man of pleasing personality and extensive business experience.

BERT BREWER PUTS CREDITOR UNDER OATH

Bert Brewer will find himself in the clutches of the law if he continues his tomfoolery—here's his latest: A man came in to collect a bill against Bert's company and before the bill would be allowed Bert, jestingly, told the man he would have to swear that the bill was correct. The man was requested to repeat after Bert, "I solemnly swear that the bill is correct to the best of knowledge and belief." The man held up his hand and answered "I do." Squire Gillis says Bert has no right to make a man take an oath and that he is infringing on the duties of the justice of the peace and had better cut it out or pay the regular justice fees.

MINISTER VISITS TEMPLE

Evangelist Randolph J. Smith, minister for the Seventh and Brice streets Church of Christ, left Monday morning for Temple, his former home, to look after a business transaction, preparatory to moving his family here. He will return Saturday, and fill the pulpit at his church Sunday.

THE SEVEN SEERS

On Saturday, January 29, 1927, an article issued by the Associated Press appeared in the Fort Worth Star-Telegram on page 7, column 1, the following dispatch:

Washington, Jan. 28.—Senator Heflin, Democrat, Alabama, declared in the Senate Friday that he had received 100 letters threatening his life because of his recent attacks on the Knights of Columbus.

"I have received letters from a hundred highly intelligent men and women," he said, "telling me that if I could not be silenced any other way they would do it by poison, with a bullet or by other means."

"Letters are coming in warning me that I am likely to be murdered. They urge me not to be intimidated, but to be careful."

"If I am stricken down, I will go down knowing that I have kept the faith and that I have done my duty for my country."

As one of the Seven Seers I pronounce the above an item of the most sensational order, yet it was placed in a remote part of the paper quoted. Why is this? Are our papers nerveless and afraid to present to the people of the United States, prominently displayed, the serious dangers which confront our nation. The average daily papers, sir, are commercial cowards and unworthy the patronage and support of a people whose heritage is founded in the rich lives of American heroes.

Since August, 1926, possibly earlier, it has been well known to people who care to keep informed, that the Knights of Columbus have exerted every power to precipitate a war between the United States and Mexico. They tried first a religious issue, later, the oil issue. They seemed to assume that we Americans would fight Mexico "for the Roman Catholic hierarchy" and, failing, then cried "petroleum" with an assurance that certainly we would sound the "tocsin of war," and offer our sons on the altar of wars.

Only a very few days ago Mr. Coolidge and Mr. Kellogg thought the time was ripe for slipping us into trouble with Mexico. Mr. Heflin in the United States Senate exposed the cloven hoof of the Knights of Columbus in the war scare and perhaps, we hope, defeated the purposes of the war party. Patriotically coming to the nation's rescue, we are now called on to witness his attempted humiliation by threats of assassination in an effort to silence or to control him.

What do Hall county people think of such? Do they propose to say "All right, boys, go to it, kill him if you want to?" Or, do they propose to support Mr. Heflin in the discharge of his duty as an American who seeks to perpetuate America for Americans?

These threats are typical. The Heflin case is not an isolated one. By such methods are America's elected legislative, executive and judicial officers controlled or intimidated entirely too often. Shall we by our silence say, "Mr. Heflin, you are wrong; you pulled a bonehead?" Or shall we write him, or wire him, "Mr. Heflin, we protestants are here. Do your duty as a real American and we are with you world without end, Amen."

A SEER.

SUPPORT YOUR TOWN

To those who can visualize the results and who have the welfare of their city or county at heart, it is a genuine pleasure to lend every effort to community enterprises that may be successful. It has been demonstrated times without number that the community in which there is spirit of cooperation and unity is the place where opportunities are found and created. That place is bound to go forward, in spite of handicaps.

After all, services for others in the end brings the most profit. It may not always be in dollars and cents, the consciousness of having done something for others is well worth what it costs. The grouch and the drone may profit by your endeavor, but mark well that their profit will not afford them the pleasure that you receive.

It is a rare thing to find a community where there is whole-hearted co-operation between all classes of citizenship. Farmers are suspicious of town men, town men ignore farmers in arranging for any community project. The average small town business man, once a farmer himself perhaps, is sincerely interested in his patron's welfare. If he is a good manager he prospers but he puts in long hours at hard labor and is content with a reasonable profit. Moreover he stretches a point in extending credit. Farmers are unjustly suspicious and should meet advances of the town man looking toward fellowship half way. On the other hand, the town man is to be blamed for not heartily approving the co-operative enterprises fostered by farmers, few of which conflict with legitimate business affairs. And he should give farm folks a full share in the work of any community enterprise. Getting together for a frank discussion will help solve every "problem" that effects country life.

The chamber of commerce cannot perform miracles, but it can do much to point out opportunity for that individual development and that community development which spell success and progress. Any chamber of commerce which fulfills this obligation may be called a success.

Business begets business. It is always the busy, prosperous going town that attracts new business, new industries, new citizens and new buildings. The increase in population and new buildings distribute taxes over a wider area, thus reducing taxes for each individual. Just as surely as you realize the beauty of the sentiment found in the Golden Rule and Live Up To It just that surely must you realize that Home Loyalty, practiced, is but another way proving to your friends and neighbors the sort of citizen you really are.

Your home town has a right to your loyalty and support; it supports you and you should support it. It supplies you law and order, trade, occupation, education, friends and recreation, and the rights of a Free-Born American Citizen.

In every city it is easy to hear the complaint, "The chamber of commerce is controlled by a handful of men," but occasionally someone who utters that criticism is induced to try to gain a place for himself in that restricted circle. He lets it be known that he is willing to undertake committee work and participate in the af-

KEEP YOUR FOOT ON THE CLUTCH

By Erwin Greer

Keep your foot on the clutch despite what experts tell you to the contrary. If the traffic is great, keep your foot on the clutch. Don't take unnecessary chances on the highway or in the street; glide over the bumps, thus saving your machinery; and don't forget your brake. Caution is the first law of good sense, when it has to do with forty-horse power. Approaching an intersection, remember clutch and brake.

Youths make daring drivers. They go rapidly and easily, with fearless abandon and nonchalance. But they have an undue share of accidents, because they don't think enough of clutch and brake. Oh, yes! there are disasters through confusion, and through timidity; but they are not the disasters of the young driver. Nine-tenths of the wrecks come from going too fast.

A good driver will keep control of his machine at all times. He can stop quickly but without a shock. He can go slow, as he must when others might be endangered by his fast driving, but can step on the gas and leap ahead when there is opportunity. The person who controls his power all the time is the one who has the opportunities, which in the heavy traffic of life are fleeting and momentary. The man who has learned is the one who knows, and the one who knows is the one who has opportunities. When one is in no position to take advantage, it is not an opportunity for him. Therefore the disciplining of the mental powers is the putting of hand and foot on the various controls of life.

Many lives are wrecked by even a momentary loss of control. It is quite the custom to blame some other driver. It is possible for an automobile to be wrecked by the carelessness of some other man than the one driving it, and for a life to be ruined by the fault of another; but it is exceedingly rare. When such a calamity occurs it is to one who has lost control of his machine, if but for a moment.

Keep your foot on the clutch! Yacht costing \$60,000, owned by California orange grower, has been wrecked. Think of all the orangeade that must be drunk before he can replace it!

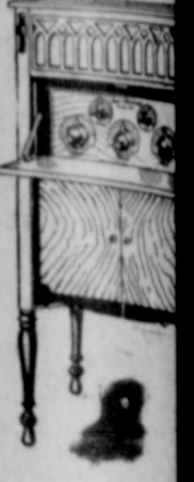

A huge snake, known as a sucuri, 24 feet long and weighing 352 pounds, was captured in Central Brazil. This snake is said to eat but four-times a year.

John and Raymond Brumley, for the most handsome Herbert Sisk, T. J. Dunbar, Adrain Odom, Bert Dennis, candidates for all-round-boy. January 28— were entertained by a reading by C. J. Goodnight and solo by Jeanette Dennis. January 31— were favored with a piano

solo by Bernice Bean and a whistling number by Buddy Brewer.

Tuesday, February 1— The following program was rendered: Piano solo—Maidee Thompson. Reading—Clara Frances Lane. Vocal solo—Lucy Hudgins. —MHS—

The debate try-outs for both the boys and the girls were held at the high school auditorium, Friday evening. Every debater had his argument well prepared, and delivered it just as well as he had it prepared. The winners for the girls were Emil Brewer and Shirley Greene, and for the boys, J. C. Roberts and Benton Miles.

The girl's basket ball team played the Lakeview girls, Friday evening at the high school gym. The Memphis girls were successful in winning, the score being 23 to 4.

Alvin Massey has been elected captain of the boys basket ball team of 1927.

The primary election of the popularity contest closed Tuesday at one o'clock. Interest in the contest has been growing day by day. The candidates to be in the general election are as follows: Prettiest Girl—Madge Williams and Florence Jones.

Most Handsome Boy—Raymond Brumley and John Hammond. Best All-Round-Girl—Ione Webster and Jeanette Dennis.

URGE CLUBS TO BEAUTIFY STATE

The state president of the Texas Federation of women's clubs, Mrs. J. A. Fields, has sent a message to the club women of Texas to take as their goal for 1927, State Beautification, asking that the clubs cooperate in making this year an epochal year in the history of the Federation by expanding the beauty of Texas, by community pride. In view of this message from the state president the civic committee, appointed by the Woman's Culture Club, an organization fostering civic movements, inaugurated for the benefit of our town and community, is asking that Arbor Day, Feb. 22, be observed as tree planting day, as this is a national holiday—the

ster and Jeanette Dennis. Best All-Round-Boy—Herbert Sisk and Alvin Massey.

Cast your votes in the general election and help get your favorite over the top and you will be helping the expense of the annual. The first ballot for the general election was auctioned off Wednesday morning in chapel, for eight dollars. This will count for twice as many votes.

The boys basket ball team played the all stars at the gym Tuesday evening. This was a very interesting game. The high school boys won with a score of 37 to 10.

birthday of the father of our country, George Washington.

The committee is asking the schools of the city, the teachers from the first grade to the seniors, to try to enlist the interest of the pupils along this line. For the boys and girls of today are the men and women of tomorrow. We feel no greater lesson could be taught than this constructive work of creating a desire in the mind of the child a regard for the beautiful.

This committee would also recommend that Arbor Day become an established custom in the schools as tree planting day. We would also call attention to the fact that in every town and community there is a rapidly increasing interest in civic work.

Though much work has been done by the clubs there remains much to be done in the way of beautification and sanitation.

Let us arouse ourselves to earnest civic work in beautifying our town. Then we will benefit our homes, our schools and make Memphis a better place in which to live.

CIVIC COMMITTEE.

Most all the farmers are through gathering. Some few are listing their land for another crop.

Rev. M. E. Hawkins failed to fill his appointment Sunday, due to the bad weather. Mr. and Mrs. Brock and son of Memphis, accompanied by Grandmother Creager visited in the home of J. A. Creager, Sunday. Mr. and Mrs. Veale Baywell also were guests at the Creager home Sunday.

Misses Minnie and Inez Martin and their brother, Frank, spent Sunday afternoon with Alyne and Hollis Creager.

Mr. and Mrs. J. A. Creager entertained the young folks of this community and Lakeview with a singing Sunday night, in honor of Miss Margaret Huff, as Mr. Huff and family will move to Hugo, Oklahoma, this week. All

present at the gathering reports a nice time.

Mr. and Mrs. Loyd Robertson are the proud parents of a boy, born January 25. Mother and baby are doing fine.

motor car performance

startled the motor car industry

THE motor car industry was startled when Buick presented the new Buick with an engine vibrationless beyond belief.

If you have driven this great new car, with this remarkable engine, you know why.

Its fluid smoothness makes other motor cars seem rough, harsh, noisy.

People who have driven Buicks for years and people who have owned much more expensive cars, are captivated by the luxury of this one.

paper man ever had something like this: "I ran an ad with you, so you must buy my goods," when probably the ad amounted to about half as much as the article? Wonder what they think the newspaper man can use for money in paying his rent, insurance, light, coal, power, paper, ink, printers, donations, etc? If a paper's advertising space isn't worth paying cash for it is not worth running at any price.

T. E. L. ENTERTAINS

The T. E. L. class entertained at the home of Mrs. S. E. Draper Friday evening, honoring Mrs. T. A. Singer and Mrs. Webster Dennis, who are moving away. The house was decorated in the class colors—green and white. The honorees were presented with silver ladels with T. E. L. engraved thereon.

An interesting program was rendered, followed by delicious refreshments.

MRS. WEBSTER HOSTESS TO CULTURE CLUB

Mrs. C. R. Webster was hostess to the Woman's Culture Club on Wednesday afternoon. John Drinkwater was the subject of the lesson.

Roll call—Modern Plays. Mrs. G. W. Sexauer gave the "Life and Writings" of Drinkwater. Mrs. S. E. Foote conducted questions on Abraham Lincoln.

The hostess served delicious refreshments after which the club adjourned to meet with Mrs. D. A. Neeley, February 16.

MRS. OWEN ENTERTAINS DELPHIAN CLUB FEB. 1

The Delphian club met Feb. 1, in the home of Mrs. Arris Owen, and had a very interesting program.

"Life of John Erskine" by Mrs. W. S. Moore. A book review was given. "Helen of Troy" was beautifully told by Mrs. Roy L. Guthrie. Critic report by Mrs. J. L. Barnes. The club was delighted to have Mrs. John Lofland, and Mrs. G. W. Kesterson as new members. The club is sponsoring "The Winning of Barbara Worth," at the Palace Theatre Feb. 8, 9 and 10, proceeds which will go to the "scholarship loan fund."

A lovely salad course was served by the hostess. The club will meet February 15, with Mrs. J. S. McMurry.

1913 STUDY CLUB WITH MRS. M. J. DRAPER

The 1913 Study Club met Feb. 2nd, with Mrs. M. J. Draper as hostess. The study for the afternoon was the book of Ruth, being led by Mrs. Jet Fore. Twenty members responded to roll call with "famous prophecies."

Mrs. J. P. Watson gave the setting of the story. Mrs. S. S. Davis discussed the character of Ruth and Mrs. V. R. Jones gave the application of the story.

Questions on the book having been prepared by the leader proved very interesting and instructive. Mrs. Kinard sang "On Calvary" accompanied by Mrs. McNeely.

The hostess served a delightful two course luncheon consisting of chicken salad, tomatoes, pickles, hot cheese biscuit, iced tea, and caramel pie. The club adjourned to meet Feb. 16th, with Mrs. T. J. Dunbar.

FRIDAY BRIDGE CLUB GIVES PARTY THE 21ST

The Friday Bridge Club gave a delightful party on the evening of January 21st at the home of Mr. and Mrs. Rufus Greene. After the game Mrs. Sam West was found to have made high score

and Mrs. Bryant second high for the club members, while Dr. Clark made high score for the gentlemen. Mrs. Ewell Noel won the guest prize. Salted nuts and candies were passed during the game and at the end of the evening a delicious salad course was served.

The regular meeting of the Friday Bridge Club was held last week at the home of Mrs. Robert Ragsdale on Eight street. After a brief business session four spirited games were enjoyed. Mrs. Raynes West making high score and Mrs. Peddy second high. The hostess served a salad course at the end of the afternoon.

The next meeting of the club will be with Mrs. Peddy.

SUNDAY SCHOOL PUPILS HOLD CLASS MEETING

The Sodolitan Sunday school class of the First Baptist church held their first class meeting of the year 1927, with their teacher, Mrs. E. T. Miller, at her home Friday afternoon, January 28th.

On account of so much sickness in the community, the class was not so well represented at the meeting, but with several of our faithful friends from the T. E. L. class and other departments of the Sunday school present, we had an interesting meeting. During the business session the following officers were elected: Mrs. Claude Johnson, president; Mrs. A. Howard, second vice-president; Mrs. H. Nelson, third vice-president; Mrs. L. Gober, division leader.

After the business session a short program was given. Mrs. Miller and Mrs. Cudd gave the history of the Sodolitan class. Mrs. Arris Owens and the Misses Janice Miller, and Katherine Oren were contributors to the program. Mrs. Owens read a wonderful poem by Ella Wheeler Wilcox, and the Misses Miller and Oren rendered a beautiful piano duet.

Mrs. Howard and Mrs. Cudd assisted the hostess in serving delightful refreshments after which we adjourned to meet on the last Friday afternoon in February.

HARMONY CLUB HOLDS INTERESTING MEETING

The Harmony Club met with Mesdames Greene, Norman and Miss Cooper at the home of the former on Wednesday afternoon of last week. Plans were made to put on a play in the near future, the proceeds of which will go toward paying for a Baby Grand piano which the club has placed in the high school auditorium.

The Drama "Peer Gynt," by Ibsen Grier, was the subject for the afternoon and Mrs. Owen gave the story. Numbers on the program were rendered at their given points in the story.

Highlights in the Life of Grier—Mrs. Kinard.

Piano, "Morning Mood"—Mrs. Tarver.

Piano, "Ingrid's Lament"—Mrs. Norman.

Piano Duet, "In the Hall of the Mountain King"—Mesdames Beach and Greene.

Voice, "Sloveig's Song"—Mrs. Bass.

Piano, "Death of Ace"—Mrs. R. S. Greene.

Piano, "Peer Gynt's Return Home"—Mrs. Morgan.

Violin, "Sloveig's Song"—Mrs. Ward.

The hostesses served a delicious salad course and the club adjourned to meet Feb. 23 with Mesdames Morgan and Shelley.

TWO TEXAS BOYS GET TRIP TO WASHINGT'N

Homer Sheffield, of Crosby, Harris county, and I. J. Thornton, whose home is near Slaton, Lubbock, county, have been adjudged the winners of the two free trips to the first National Club Leaders' Conference at Washington, D. C. next June, donated by the Texas Bankers' Association. Announcement of the names of the winners has just been made here by Sterling C. Evans, state boys club leader of the Extension Service, A. & M. College of Texas.

Every state in the Union will be represented by two boys and two girls at the Washington Conference. Selection of these boys and girls is made on their records. As the two Texas boys who will attend, Sheffield and Thornton head the list with the best records in all the counties of the state. The boys were judged on a basis of farm club records for 1924, 1925 and 1926 and on leadership, participation in club activities, and stories of experiences. Sheffield scored the highest mark with a grade of 90.1-3, while Thornton's grade was 84. C. S. E. Holland, of Houston, is chairman of the agricultural committee of the Texas Bankers' Association which is giving the free

trips to the Texas boys. Sheffield in winning a trip to Washington adds another notable record to his already nation-wide fame as a farm club boy leader. It was only recently that he was announced as the outstanding boy club member in the United States through winning first prize for boys of \$250 in the 4-H Contest conducted by the Farm Journal of Philadelphia.

PIONEER IN TESTING

A two year old Jersey cow belonging to an Erath county club boy, G. V. Bradley, produced 11,351 pounds of milk and 557.94 pounds of butter fat in 303 days, thereby breaking the state record in the 305 day division. She qualified for the months from previous calving. She likewise qualified for a silver medal awarded by the American Jersey Cattle club.

"This young breeder," says the county agent, "selected his foundation herd on his own judgment. He has been offered \$100 for a bull calf dropped last February and has refused \$375 for the cow. This boy is a pioneer in testing in the Shiloh community, and his work has awakened more interest in good dairy cattle than any one thing in the past few years, unless it be last year's cotton experience."

CLARENDON HAS HOME DEMONSTRATION AG'NT

Continued efforts of women's clubs over the county adjacent to Clarendon during the past two years have resulted in the placing of Miss Eula Key of Ballinger in this county as home demonstration agent.

Since arriving in the county on the first of January, Miss Key has succeeded in reorganizing 10 clubs with some 200 women and girls, many of whom have already entered the kitchen improvement contest, the garden contest while others have chosen poultry and dairy products as their major activities of the year.

Orders are being placed daily for steam pressure cookers, newest devices in canning and a carload of cans for the canning of meat products incident with the butchering of pork on the farms of the county.

An early date has been asked for a short course to be held in different places in the county for the special benefit of the many farmers who are turning their attention to dairy cows, poultry and the pruning of orchards.—Clarendon News.

"OUR UNCROWNED HEROES"

There are uncrowned heroes about us:

We meet them each day on the street, Sometimes we greet them quite friendly, Sometimes we fail, even, to speak.

In the mad rush of life as we live it; For the sake of just trying to live, We forget there are others who give it.

That others about them might live. They are all on the job every minute;

The employed or "just volunteer," Each listens, alert, and defensive, The sound of the fire bell to hear. And when the old bell from the tower

Booms out a midnight alarm, The next sound you hear is our laddies;

On their way to save someone from harm.

They are ready to fight for our people To their last ounce of strength, every one,

Till the fire demon of ruin is vanquished, No matter how often it comes.

They alone know the hurt of the fire burns; They alone know the risk they have run

To rescue some loved one from danger, Or save something that someone has earned.

And then, when the roll book is opened And each answers "Here" to his name,

There is scarcely anyone present To praise them, or even to blame. So let's say a good word for our laddies;

Let's praise them while with us they live, Don't wait 'til in sorrow and sadness,

To speak praises that now we should give. By the Mother of a Fireman, MRS. C. L. WOODSON, Rock Mount, N. C.

HERE'S AN OLD FAVORITE

It is told of Mark Twain that when in his early days he was the editor of a Missouri paper, a superstitious subscriber wrote to him saying that he had found a spider in his paper and asking whether that was a sign of good luck or bad. The humorist wrote him this, and he printed it:

"Old subscriber: Finding a spider in your paper was neither good luck or bad for you. The spider was merely looking over our paper to see which merchant it not advertising, so he can go to that store, spin his web over the door, and lead a life of undisturbed peace ever afterward."—Kansas City Star.

Bilious dull feeling

"MY old stand-by is Thedford's Black-Draught—I have used it off and on for about 20 years," says Mr. W. S. Reynolds, of R. F. D. 2, Arcadia, La.

"I get bilious and have a bad taste in my mouth. My head feels dull. I don't just feel like getting around and doing my work. I know it isn't laziness, but biliousness.

"So I take a few doses of Black-Draught and when it acts well, I get up feeling like new—'full of pep' and ready for any kind of work.

"I can certainly recommend it." In case of biliousness and other disagreeable conditions due to an inactive liver, Black-Draught helps to drive the poisonous impurities out of the system and tends to leave the organs in a state of normal, healthy activity.

Black-Draught is made entirely of pure medicinal roots and herbs and contains no dangerous or harmful mineral drugs. It can be safely taken by everyone. Sold everywhere. Price 25c.

DELEGATE COUNTY CONVENTION

has just returned from the representative Farm Bureau... The report of the Convention, according to Mr. Lewis, shows the prospects bright for the passage of this measure, and they would be much brighter if it were not for a small group of reactionary Democratic Congressmen who evidently are not informed of farm conditions, and who are at present lined up under the leadership of the eastern wing of the Republican party and the industrial East and who are now solidly opposing this bill.

As a people we are inclined to overlook the growth that is all around us because it is a day by day development.

A Million Automobiles

A million automobiles have been registered in Texas in the past year. This in an automobile for every five inhabitant of the State. The valuation of these cars could hardly be less than half a billion dollars.

Texas Needs More Like Him

Edgar B. Davis is a Northern man who made a fortune in oil in the Luling field. He gave Luling a \$150,000 club house as a New Year's present.

Child's Dream Comes True

C. C. Young was orphaned when a small child and had to live in extreme poverty and to obtain his education solely through his own efforts.

Some Potatoes There

Camp county produced last year only 90 per cent of hte cotton crop of 1925, but went in strong for sweet potatoes, shipping from Pittsburg some 300 cars.

Planting Blackberries

The Henderson Chamber of Commerce is sponsoring a movement to get Rusk county farmers to plant sufficient acreage to

blackberries to justify the building of a canning factory. A local business man has agreed to build and operate the factory if the proper acreage is planted to berries.

Cop the Motor Cops

Hotel men are complaining that in some parts of the State motor cops who depend on fees for their pay are holding up out-of-state motorists and collecting undeserved fines from them.

IN MEMORIAM

Of Mrs. Tabatha Womble, entered into rest Jan. 9, 1927, at Lewistown, Montana. Memphis Chapter No. 351, of The Eastern Star, has been deeply bereaved in the home-going of one of our beloved members, Sister Womble, who without warning quietly and peacefully "passed like a ship in the night."

of Sister Audrey Neely and had been a member of our chapter for 18 years.

Her life was that of a consecrated Christian, her death sublime. She was a woman of great faith in God's goodness and the future, and was loved by all who knew her, because she was lovable with her sunny disposition.

This Chapter lost in her going an earnest and faithful advocate of the order, exemplifying in her life the beautiful teachings of the order.

May the perfume of her beautiful life be ever present and may we emulate her virtues.

To the bereaved son and daughters we offer our sincere sympathy and in loving memory request

that this Memorial be read in chapter and that the charter be draped for thirty days.

"There are stars that go out in darkness But whose silver light shineth on, There are roses whose perfume still lingers When the roses are faded and gone, There are hearts full of light and sweetness When no longer their life current flows, Still their goodness lives on with the living Like the souls of the star and the rose."

MRS. LOLA WEBSTER. MRS. VERA DICKEY. MR. D. S. BAKER.

Winter Demands Hot Foods NO makeshift, cold, pick-up meals will do in winter. Have your new enameled Quick Meal Gas Range with Lorain Oven installed this week. Then you can cook winter dinners in the Lorain Self-regulating Oven watched by the Red Wheel. The Lorain accurately measures and automatically maintains any desired oven heat for any length of time. Some things you buy last only a few days, others are "done for" in a few months or a year. But a Quick Meal Gas Range with Lorain Red Wheel Oven gives enduring satisfaction for years and years. A new Quick Meal Gas Range is the best investment in time-saving, labor-lightening equipment you can buy for your kitchen. Unsurpassed beauty of design, with the same fine cooking qualities that have made the Quick Meal line famous for years. Come in and let us show you the new Quick Meal Gas Ranges. Boltless flush fronts, enameled broiler- and oven-linings. Unless the Regulator has a RED WHEEL it is NOT a LORAIN. LORAIN OVEN HEAT REGULATOR QUICK MEAL Gas Ranges MOORE HARDWARE & FURNITURE CO.
