Teams Enter Rock Relays

Over 30 teams have entered the Cap Rock Relays, to be staged here for the second year April 15-16. Entries will be accepted until April 11, and several more are expected by Coach Frank Hubbell to come in before that time.

Housing of the 350 students and coaches expected for the meet is in charge of the Sideliners Club. The Club will also give a banquet for visiting coaches and superintendents Saturday, April 16, at noon. The fifty-six awards to be given were made possible by Memphis business establishments.

The relays will open Friday night, April 15, with the first band contest, to be held at the high school auditorium. A beautiful trophy will be given to the band judged best in concert. The band marching contest will be staged Saturday afternoon, following the track and field meet, in the Memphis business district. The winning band in this contest will also receive a trophy.

Preliminaries of the track meet will start at 9 a. m. Saturday, and will be concluded that morning. Finals will begin promptly at 2 o'clock Saturday afternoon, and will be run off strictly on schedule. There will be no preliminaries in the one mile relay, medley relay, one mile run, or 880.

Memphis to Be Host to Singers This Week-end

Stamps Quartet Will Open Convention Saturday Night; All-Day Session Sunday

A concert by the Virgil O. Stamps Quartet, noted group of singers, will open the Hall County Singing Convention here Saturday night at 8 o'clock. The quartet will appear at the High School auditorium; admission will be 25c and 15c.

Sunday morning at 10:30 the convention will reopen. Numbers of singers from all over the county and many from surrounding counties are expected to be here to participate in the singing. The convention will be in session most of the day Sunday, to be concluded that afternoon.

Included among the prominent singers to be here are Rev. E. F. Cook's quartet from Amarillo and the Dodsonville Quartet from Collingsworth County, according to A. B. Wills, president of the association.

All singers and lovers of good singing are invited to attend the concert Saturday night and the convention Sunday.

Will Build Bridge Over Indian Creek

A bridge will be built across Indian Creek some five miles west of Memphis on the road leading from the northwest part of Memphis, it was announced this week. The bridge will be built by commissioners of precincts 1 and 2.

Surveying work is being done on the bridge and the road on each side. The road is to be graded from about three-fourths mile west of Indian Creek east into northwest Memphis. Most of the roadbed has been put up.

Goodnight Memorial Donations Sought

S. S. Montgomery of Memphis is Hall County's committeeman on the Goodnight Memorial Fund drive. He states that anyone who wishes to donate any amount to the fund, may turn their donation to him or to The Memphis Democrat in Memphis, or mail it to Mrs. Harold Bugbee, treasurer, Clarendon.

To the first 25 who make a \$5 or more donation a lithograph of a portrait study of Col. Charles Goodnight made by the noted artist, Harold Bugbee, will be given.

"I believe there are a number of Hall County people who will wish to have a part in erecting a monument at the grave of one of the Panhandle's greatest pioneers," Mr. Montgomery said.

George Medlock Is Hurt in Auto Fall

George Medlock, 6, grandson of Mrs. Norma Hunt of this city, was injured Wednesday of last week when he fell from a moving automobile while en route to Amarillo.

The accident occurred near Amarillo. George fell out of the car when the door came open. He was thrown to the pavement, receiving a gash in his head and other bruises. He was taken to an Amarillo hospital where he was kept until Tuesday of this week.

The car was being driven by Carl Nuhn, and was occupied by Mrs. Mac Tarver and son Gary, Tommy Noel, Mrs. Hunt and George. George was on his way to Amarillo to see an eye specialist and on account of the accident he will go to Amarillo Saturday to have an eye operation.

DEATH CLAIMS H. W. KUHN WEDNESDAY

Was Identified With Memphis Schools & Business 14 Years

Howard W. Kuhn, well-known business man of Memphis, died at his home, 210 North Twelfth street, Wednesday morning at 5 o'clock following a brief illness.

The body was taken to Bethesda, near Weatherford, his former home. Thursday morning where final tribute was paid Thursday afternoon at 3 o'clock, with services in the Methodist Church, conducted by the pastor. Interment was in the family plot in the Bethesda cemetery under the direction of the King Mortuary.

The 44-year-old native Texan was born September 27, 1893, in Parker County near Weatherford where he grew to manhood and was educated. He was a graduate of the Weatherford College and attended Texas University. He came to Memphis in 1924 to serve as principal of the Memphis High school. Later he served as chairman of the county board of education a number of years. He taught in different schools before coming to Memphis. He came here from Bowie.

Mr. Kuhn was a sergeant in the U. S. Army during the World War. On September 1, 1921, Mr. Kuhn and Miss Anne Binkley were married.

The Kuhn Motor Company was established in Memphis in 1929 and has been operated by Mr. Kuhn since.

Besides his widow, he is survived by his parents, Mr. and Mrs. F. W. Kuhn; a brother, Wallace Kuhn, of Weatherford; and a sister, Mrs. Alice Walker, of Montague. His mother and sister were at his bedside at the time of his death.

Aldermen whose terms expired last Tuesday were: O. V. Alexander, ward 1; G. H. Hattenbach, ward 2; Mac Tarver, ward 3; E. T. Prater, ward 4.

Launch Goodnight Memorial Fund Drive Tuesday

S. S. Montgomery Is Named To Represent Hall County On General Committee

By VANCE JOHNSON CLARENDON, April 5.—W. H. Patrick, pioneer Clarendon banker and long-time friend of the late Col. Charles Goodnight, was today named chairman of a committee which will immediately launch a campaign for funds with which to erect a suitable monument at the Goodnight burial place.

Colonel Goodnight, scout, Ranger, trail driver and cowman—whose cattle were the first to come into the Panhandle country—is buried beside his wife, Mary Ann, at Goodnight, the town named for him.

Vance Johnson, of the Amarillo News, was named secretary of the memorial fund committee and Mrs. Harold D. Bugbee of Clarendon was named treasurer. An executive committee including the chairman, secretary, J. T. Christian of Claude, Cleo Hubbard of Goodnight, and J. Claude Wells of Memphis, was chosen.

The committee decided to set \$1,000 as its goal. Slightly more than \$100 already has been contributed.

Colonel Goodnight's grave is to be marked identically as is that of Mrs. Goodnight and it is the plan of the committee to place a six-foot iron fence around the burial plot and to erect a suitable bronze plaque between the graves calling attention to the contribution Goodnight and his wife made.

Sweet Sorghum Is Declared Soil Conserving Crop

A ruling of the agricultural department was given out first of the week to the effect that sweet sorghums cannot be planted for hay on retired or rented acres under the terms of the 1938 farm measure.

Following the ruling a telegram was received the next day by County Agent Pattillo reversing the ruling. Sweet sorghums may be planted for hay, and is considered a soil conserving crop, as was published last week. Sudan for hay may also be planted on retired acres.

MARCH WEATHER REPORT IS GIVEN

The highest temperature recorded here during March was 33 degrees on the 26th, the monthly report of J. J. McMickin, weather observer, reveals. The lowest recording was 28 degrees on the 7th and 8th.

There were 17 clear days, 5 cloudy days, and 9 partly cloudy days during the month. Greatest precipitation in 24 hours was 1.38 inches on March 27, while the total rainfall for the month was 2.92 inches.

Four Aldermen Are Elected Unopposed

Approximately 1,500 visitors were registered at the local CCC camp's observance last Saturday of the fifth anniversary of the founding of the Civilian Conservation Corps.

An open house, a free barbecue, and tour of inspection of soil conservation work was held for the entertainment of the throng of people who came from Hall, Childress, Donley, Briscoe, and Collingsworth counties, composing the area served by this camp.

Also attending the celebration were several on the personnel of the regional office of the Soil Conservation Service in Amarillo: C. Laker, assistant regional conservator; B. P. Hopkins, soil conservationist; F. J. Bykes, regional agronomist; Fred C. Newport, agronomist; and B. C. McLean, regional photographer. Other visitors of note were: P. C. Bennett, project manager, Vega, and members of his staff and county, city, and extension service officials from Clarendon, Childress, Silveston, Wellington, and Vernon.

Addresses were made by Captain Fred W. Maxwell, camp commander, and Mr. Laker, the regional conservator.

Guests were conducted on the inspection tour through the camp by guides from the camp. Educational work being done in the camp, handicraft work by enrollees, and facilities of the camp were shown.

The barbecue was served from 11:30 to 12:30 on the area adjoining the camp on the south. Music was furnished by the Memphis High School Band, directed by Milton Pullis.

At 2 p. m. SCS officials took visitors on a tour to a number of farms and ranches in the area on which Soil Conservation work has been done. Transported in SCS trucks fitted with seats and accompanied by a pick-up equipped

Schedule for Hall County Baseball League Is Given

First Game to Be Played Sunday, April 10; Season Will Be Concluded July 31

Schedule of games for the Hall County Baseball League were announced this week by Jack Boone, president. Six teams are included in the league: Memphis, Childress, Hedley, Salisbury, Cross Roads, and Parnell.

The four teams with the highest standing at the end of the season on July 31 will enter a play-off. It will be played on the order of the Shaughnessy plan; that is, the team in first place will play the one in fourth place a three game series to determine the winner of these two teams. Second and third place teams will follow this plan. The two winners will play three games to decide the championship.

Several Memphis business men met this week to make arrangements to buy uniforms for the local team. Others made cash donations to purchase baseball equipment for the team.

Rules and regulations will be sent to all managers at the early.

GAS RATE IS REDUCED BY ORDINANCE

Rate Lowered From 75 to 35 Cents Per 1000 Cubic Feet

The City Council passed an ordinance at the Tuesday night meeting reducing the gas rate within the city from 75 cents per thousand cubic feet to 35 cents for the first 25,000 cubic feet of domestic gas used, and a lower rate for additional gas used.

On March 1 the City Council made application to the State Railroad Commission to reduce the Memphis rate, and the ordinance is a follow-up action of the application.

The ordinance is published in this issue of The Democrat.

**CLARENDON COLLEGE PUTS
ON GOOD-WILL PROGRAM**

Several artists from the Clarendon Junior College appeared on a program given here last Friday morning at 11 o'clock in the high school auditorium.

It was a good-will program, and was greatly enjoyed by those who saw it.

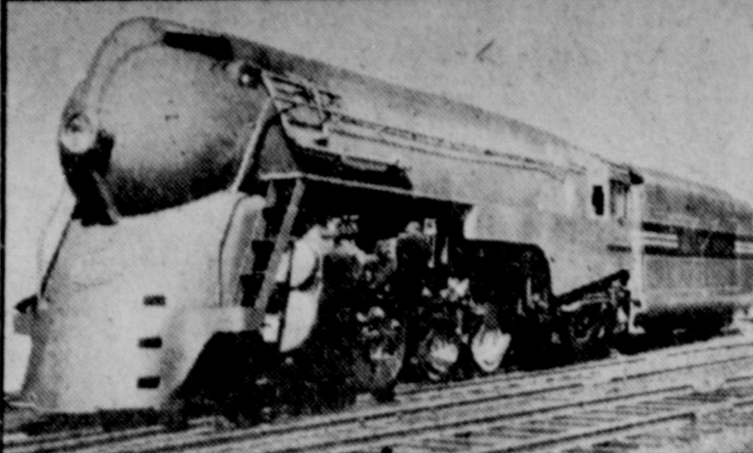

Conly Ward, who underwent an operation on one of his hands in a Dallas hospital ten days ago, was dismissed from the hospital Monday. En route home he stopped in Wichita Falls to visit with his sister, Mrs. C. G. Crump.

Mrs. D. A. Grundy and Mrs. G. H. Hattenbach spent Wednesday and Thursday in Amarillo. They were guests of Mrs. Hattenbach's daughter, Mrs. C. W. Fleming during their stay.

Janie Sue McMurry spent last week-end in Pampa as the guest of Mr. and Mrs. Howard Yarbrough.

Mr. and Mrs. J. C. Wells went to Clarendon Tuesday afternoon where Mr. Wells attended a meeting relative to the Goodnight Memorial Fund drive. Mrs. Wells visited with her brother John Vineyard.

If You Like Curves, Look at This

Streamlined in an entirely new design, this Hudson-type locomotive is the first of 10 steel giants that have been ordered for the Twentieth Century Limited run between New York and Chicago. In road tests it has developed 4700 cylinder horsepower at 75 miles an hour. Engineers hail it as an outstanding advancement in modern locomotive power.

Locals and Personals

Mrs. Don Atkins returned to her home in Liberal, Kan., first of the week after a visit here with her parents, Mr. and Mrs. I. F. Huckaby.

Rush Downs of Weatherford was here first of the week on account of the illness of H. W. Kuhn.

Mr. and Mrs. J. T. Nelson and daughter Ellen spent Wednesday here with Mrs. Nelson's brother, E. M. Ewen.

F. V. Clark accompanied Dickie Boy Benton to Dallas Tuesday where he will receive treatment in the Shriners hospital for Crippled Children.

Herschel Montgomery made a business trip to Dallas the latter part of last week.

Nell McNeely spent the college holidays here with her parents, Dr. and Mrs. Marion McNeely.

Mr. and Mrs. A. Anisman made a business trip to Borger Monday, returning Tuesday.

Judge and Mrs. A. S. Moss and Mr. and Mrs. Herman B. Hill Jr. spent Monday in Amarillo on business.

CHURCHES
MEMPHIS MINISTERIAL
ASSOCIATION

Beginning on Thursday of this week, the Ministerial Association, at the invitation of the superintendent of schools will inaugurate a new series of weekly discussions in Character Education as a regular activity in the high school. The hour will be 1 to 1:30 each Thursday afternoon. The ministers of the association will alternate in conducting the program. The association assures the students that it will make every effort in its power to provide interesting sessions throughout the series. The first lesson will be taught by Dr. Dunlop, the evangelist with the Presbyterian Church.

The preaching service on the square for Saturday afternoon, April 9 will be conducted by Dr. Dunlop, visiting evangelist with the First Presbyterian Church. JOE FINDLEY, Secretary.

CHURCH OF CHRIST
W. M. Davis, Minister

Brother C. L. Taylor of Lakeview will preach both morning and evening next Sunday. The local minister will be at Lakeview, where he is now doing the preaching in a protracted meeting.

All the members are urged to be in their places at 9:45 for the Sunday morning Bible study. The young people's meeting will be at 7:15. At 3:30 p. m. Tuesday the women's Bible class will meet for study. The prayer meeting will be Wednesday at 7:45 p. m.

FIRST CHRISTIAN CHURCH

The Sunday immediately preceding Easter is known as Palm Sunday. It marks the anniversary of the peak of Jesus' popularity. On the Friday following the original Palm Sunday Jesus was publicly executed. This sudden turn of affairs is one of the strangest facts of recorded history. This puzzle in the life of Christ will be the basis for our morning sermon. Our Scripture reference will be John 12:20-28.

Our Sunday School hour is 10 a. m. Church services begin at 11 a. m. and 7:45 p. m.

The church had a fellowship supper on Wednesday, April 6, at which Mr. H. J. Gore, principal of the Memphis High School, was guest speaker. His subject was "Relationships Between the Church and the School."

JOE FINDLEY, Minister.

CARD OF THANKS

I wish to take this means of expressing my sincere thanks and appreciation to my friends who sent me flowers, get-well cards, and wrote letters while I was in the Wichita Falls General Hospital. Your thoughtfulness will always be remembered with deep gratitude.

Estelline Chapter FFA Has Banquet

The Estelline chapter of the Future Farmers of America gave a banquet there Tuesday night of this week.

Riley W. Carlton, local FFA adviser, and Henry Lee Solomon, Memphis FFA boy, were guests at the banquet. Several others also attended from here.

Mr. and Mrs. John Tate of Meadville were in Memphis Wednesday on business.

Mrs. N. W. Durham, Miss Lillian Admire, and Dr. W. Wilson were visitors in Amarillo Wednesday.

Mrs. Scotty Sigler and daughters, Sandra and Dianne, of Archer City are here visiting with their parents and grandparents, Mr. and Mrs. Roy Fultz.

Selby Installs Modern Equipment

Selby Shoe Service, managed by H. L. Selby, this week installed complete new equipment.

The new stitchee and finisher, the "Landis 400 Line," is the newest and most modern thing on the market in shoe repairing machinery, it is said.

Mr. Selby invites the public to come in and inspect this new equipment at his shop in the Memphis Hotel building.

Tommye Noel, June Power, and Jeanne Draper visited in Amarillo Monday.

Billie Blackwell and Athlee Goffinett were visitors in Granite, Okla., Sunday.

High School Band To Participate In Vernon Festival

Twenty-eight members of the Memphis High School Band, directed by Milton Pullis, will go to Vernon April 21-23 to participate in the Northwest Texas Band Festival.

There the band will compete for the loving cup as the best concert band or the best marching band. Burl Springer will direct a 100 piece band in two numbers in a student conductor's contest. Billy Blackwell will enter a drum major's contest.

Winners in each division will also win the right to compete in the Abilene band festival, the contests being conducted on a basis similar to the Interscholastic League. Bands or students winning at Abilene will go to Waco for the state music meet, according to Mr. Pullis.

New uniforms for the band are expected to arrive by April 13, in time to be worn to Vernon. A Memphis school bus will be used to transport the band members to the festival.

2,044 Auto Tags Issued in County

Up to Thursday morning of this week, the Hall County tax collector issued 2,044 license tags for vehicles in the county. These were made up of 1,675 passenger cars, 178 farm trucks, and 191 commercial vehicles.

One thousand three hundred fifty cars had been registered by April 1 last year, whereas a considerable increase was evident for 1938. April 1 was the deadline for attaching the new plates.

The employment of several extra hands in the tax collector's office last week was necessitated by the onrush of car owner who waited until the last minute to buy their tags.

Billie Lee Williamson spent from Friday until Sunday in Childress as the guest of Celia Ann Baird.

Mr. and Mrs. Homer Baker and children of Denton visited here from Saturday until Tuesday with Mr. and Mrs. E. E. Roberts.

Sam Protects Alaska Salmon from 'Invading' Japanese Fishermen

Alaskan canneries such as the one shown in the top photo felt the effect of Japanese salmon fishing in territorial waters. This modern fishery, located at Metlakatla, produces more than 200,000 cases of salmon yearly. Lower photo shows a salmon catch as it is brought "over the side" of a fishing ship into waiting bins. Japanese fishermen were not so careful to catch only fish of the size of those in this haul.

IN meeting the Japanese situation, the government was also protecting the salmon itself. The Japanese were unconcerned about the stringent fishing regulations imposed on Alaskan fishermen by the U. S. government. Their assaults upon the salmon runs without regard to these restrictions were nullifying the government's annual investment of more than \$350,000 in conservation measures. Washington was anxious to prevent any wholesale slaughter of the tasty fish.

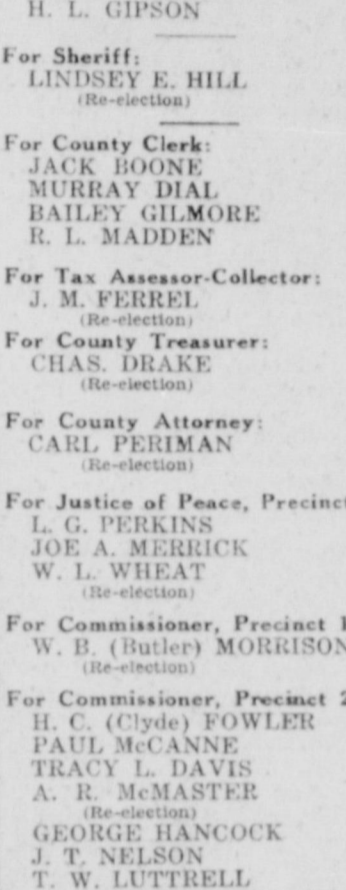

Although Japan has given its assurance, the United States is setting the Coast Guard to act as its watchdog. It is taking chances on anything so valuable as its Alaskan salmon industry, which has mushroomed from a single cannery producing 12,500 cases in 1878, to 117 canneries employing 25,000 persons and producing 8,500,000 cases a year.

No Noise Is Good News to Aviators

Airplanes which speed silently through the sky may be the result of a motor silencer devised by two Montreal engineers. The silencer, 90 per cent effective, is a torpedo-shaped shell that fits over the exhaust outlet of the motor. Photo shows the invention, hailed for its value in war as well as peace, fastened to the plane beneath the fuselage.

Now Revels in Easter Lilies

Ann Miller, brunette dancer at RKO Radio, will have the time of her life this Easter with an Easter bunny and it's the traditional lilies, which happen to be her favorite flowers. A year ago Ann wasn't able to have as many Easter lilies as she wanted. This Easter, however, following her rise to stardom in "Radio City Revels," she will surround herself with them and also make a point of distributing them to her friends.

Junior High Queen Crowned Monday

Monday night the Junior High P. T. A. gave a pie supper at the junior high school building. The election and coronation of Billy Jo Prater as Queen of Junior High was the main feature of the affair.

A program was given on which the High School Band, directed by Burl Springer, the High School Boys' Quartet, and the Junior High Chorus, directed by Miss Mary Fireman, appeared.

In the coronation of the queen, Temple Deaver escorted the queen. Attendants and their escorts were: June Joyce and Rayburn Jones; Sue Lynn Guthrie and Duard Pounds; Wacile Mason and Ted Swift; Jane Tarver and Dwight Kinard. Train bearers were Sue Lamkin and Betty Ruth Byrd. Crown bearer was Benny Davis. Trumpeters were George Dean Morgensen and Glynn Baker. Jim Deaver was announcer and Genevieve McCool was musician.

The P. T. A. realized \$54.95 from the pie supper. The queen was chosen from among four nominees, one from each class in junior high. The one for whom the greatest number of votes were sold and the largest number of pies bought was crowned queen.

By GUSSIE MARIE BULLOCK

Mr. and Mrs. S. A. James and children returned home from Seymour Monday after a several days' visit with relatives there.

Dennis Clappitt, Wayne McClelland, and Charles Bullock attended a dance at the Joe Ritter home on the J. A. Ranch near sons Leon and Aubrey, Oscar Bullock, Emma Bullock, Gussie Marie Bullock, Nadyne Waldrop, and Clyde Hobbs.

Milton Sanders of Brice spent the week-end with his parents, Mr. and Mrs. Elmer Sanders.

Miss Jessie Lee McDonald of Heckman attended church here Saturday and Sunday.

W. N. Bullock spent Sunday and Monday with his daughter and Clarendon Wednesday night.

Miss Hazel Marie Merrill entertained with a slumber party Thursday night. Those present were: Edith Waldrop, Gussie Marie Bullock, Alma Graves, Nadyne Waldrop, Marion Evans, Margie Northcutt, and Jessie Lee and Charlotte McDonald of Heckman.

Attend County Meets

The Briscoe County meet was held at Silverton Friday and Saturday. Antelope spelling team, composed of Clinton Bullock and Dan Nelse Dean, won fourth place. Clinton handed in a perfect paper, receiving 100; Dan Nelse made a grade of 84 on his paper. Antelope also won first place in choral singing for rural schools.

Mr. and Mrs. C. C. Brown and son Eddie and daughter Betty Jean, Mr. and Mrs. C. S. Graves and daughter Alma and sons Earl Dean and Carl Jr., Mr. and Mrs. J. C. Bullock and son Clinton and daughter Mary Jo, Mr. and Mrs. Dan Dean and sons Dan Nelse and Zack Luther, Mrs. C. W. Graves and daughters Eugenia, Nadine, and Wanda, Charles Bullock, and Jimmy Rufus Bullock attended the county meet at Silverton.

Mr. and Mrs. Oscar Bullock entertained with a dance Saturday night.

Raymond Waldrop, who is working at Lone Star, spent the week-end with his parents.

Rev. Applewhite filled his regular appointment here Saturday night and Sunday.

Mr. and Mrs. Roland Salmon and daughter Gaye Lynne and son Nolan Leon, Pete Salmon, Miss Susie Salmon of Brice, and James Martin of Lakeview spent Sunday in the Dan Dean home.

Flint Dog Has Day in School

Mary's little lamb had nothing on Billy's dog Pal, who accompanied his young master, 9-year-old Billy Ashby, to school in Flint, Mich. Mrs. Donna Lathrop, the teacher, was so much flattered by Pal's attentive manner, which he displays in this picture, that she permitted him to remain for the whole day's session.

The Hall County track meet at Turkey which was postponed until last Saturday from the previous Saturday because of rain was attended by Antelope Flat students in the Lakeview school. Those who placed in the track events were Ernest Dean Evans second in mile run, and Arlo Merrill, third in discus throwing. Others attending the meet from here were Elmer Sanders and her husband Mr. and Mrs. John Rhea of Paloduro.

Mr. and Mrs. Elmer Sanders and sons visited Mr. and Mrs. Virgil Sanders of Brice Sunday.

Mr. and Mrs. Roy Heckman and little daughters of Silverton spent Sunday with Mr. and Mrs. C. S. Graves.

Mr. and Mrs. W. F. Durham and daughters of Heckman spent Sunday with Mr. and Mrs. J. C. Durham.

Former Memphian Dies in Tennessee

Dr. Albert Lafayette Johnson, 68, formerly a practicing physician of Knoxville and Hall's Cross Roads, died unexpectedly March 29 in his room in a Johnson City hotel. His death was attributed to a heart attack. His home was at 231 East Oakhill avenue, Knoxville.

Dr. Johnson was graduated when he was 18 years old. He attended University of Tennessee and was graduated at the old Lincoln Memorial college of medicine. He practiced for 10 years in Knoxville and Hall's Cross Roads.

He later established a large practice in Memphis, Texas, where he resided for 20 years. After his retirement he returned to Knoxville.

Dr. Johnson was a member of Broadway Baptist Church, the Ancient Arabic Order, Nobles of the Mystic Shrine and the Knights Templar commandery at Memphis, Texas.

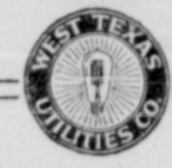

Dr. Johnson is survived by his

Advice to AN Easter Bride AND Every West Texas Home Maker

TO YOU WHO WILL BECOME 1938's SPRING BRIDES: You may be in a whirl of excitement over wedding plans, gifts and wishes for your happiness. Even so, we want to get our word in. Whether you're going to a small love-nest, an apartment or a mansion, whether you're going to do all your own work, or have one maid or a dozen, Electric Service is going to be a vital factor in the operation of your future home. There will be many electric appliances among your wedding gifts such as toasters, waffle irons, percolators, grills and lamps. They'll all be useful. But you still will have the problem of cooking, washing and ironing, and refrigeration. So we invite you to call on our Home Service Bureau to help solve this problem. Remember that we have special long-time terms for just such households as yours.

The modern electric range produces delicious cakes and tarts without the necessity of spending laborious hours in the kitchen.

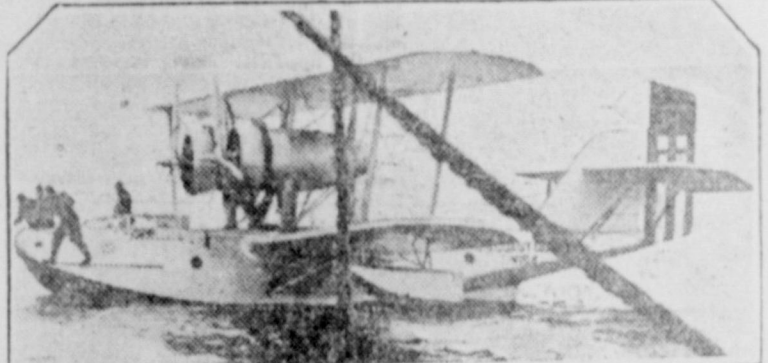

TO BRIDES OF OTHER YEARS: The swing to Electric Cookery is definitely under way. Last year every fourth range purchased in the United States was electric. Every seventh home served by this company right here in West Texas NOW has Electric Cookery. Why? Because it's FAST, CLEAN, COOL, ECONOMICAL, EASIER, HEALTHFUL, SAFE, TIME-SAVING and MODERN. This delightful new type of cookery will meet with your approval.

Guard's New 'Mercy' Planes

Give Swift Aid to Stricken Seamen

Newest of the coast guard's flying boats is the "Winged Mercy," top, a \$120,000 craft that defies bad weather and choppy seas when flying to the rescue of a stricken seaman or ship's passenger. After the plane lands, the sick or injured man is transferred in a lifeboat, as in center photo. On board the mercy ship, lower photo, the patient, in this case J. O. Riggs, Morehead, N. C., receives immediate attention. Chief Petty Officer J. S. Calan is the man at his side. All photos were taken on the flight in which the new seaplane, first of seven like it, received its initiation.

The "mercy boats" will be kept at coast guard stations at Cape May, St. Petersburg, Fla., Cape Cod, Mass., Charleston, S. C., San Diego, Calif., and Port Angeles, Wash. The seventh will be a reserve ship, probably being held at Floyd Bennett Field, New York.

propellers and Breeze cartridge type starters are used. Wing spread is 73 feet. Construction is of aluminum alloy, and fuel is carried in tanks in the wings and engine nacelles to make certain that no gas fumes will penetrate the hull itself. Cost of each ship is \$120,000.

Stadium Project to Begin Here Friday

Forty-five WPA workmen will begin work Friday morning on the new project at Cyclone Stadium. Permanent bleachers are to be built to replace the old ones, which are in a bad state of repair. Ground has been broken, footings laid out, and most of the material purchased for construction, it was stated. The project must be completed by July 1.

The bleachers will be made of concrete, and will be 80 yards long to seat at least 1,200 people. Entire cost of the project is estimated at \$5,000, with the Works Progress Administration bearing the greater portion of the cost.

Mr. and Mrs. M. E. Pickle spent Monday night here with her mother, Mrs. Bessie Pendergrass. Mrs. Maude Williamson and daughter, Marie, Dennis Walker and Horace Malone were visitors in Amarillo Monday.

Anniversary—

(Continued from Page 1) with amplifier, those who made the trip were shown examples of how pasture farming, strip cropping, terracing, and other conservation practices had helped to alleviate soil erosion.

Some interesting facts concerning the CCC camp were pointed out by camp officials: Of the 181 enrollees stationed here, approximately 60 of them are living with their families in the town of Memphis. Their children are attending the local elementary and high schools and churches. It can readily be seen that these men and their families, together with the supervisory personnel, the majority of whom live with their families in town, form an integral part of the community.

The activities of the enrollees are many and varied. This being a veteran camp, these men have experience in a number of trades and professions. Fifteen types of mechanics, fourteen cooks, seventeen carpenters, thirteen types of construction workers, six oil field workers, six painters, four plumbers, and four linemen and general electricians are represented among the enrollees. In addition, there are salesmen, clerks, draftsmen, and teachers. A large number of the men are farmers by training.

In conjunction with the educational program being carried out at the camp, many enrollees are studying subjects of interest to themselves in their spare time. Some have acquired proficiency in a different line of work since entering the CCC. An insurance adjuster has made a study of tree surgery and his services are frequently called for in remedying tree conditions in Memphis and nearby cities. A tailor has learned stone cutting. A farmer has assembled photographic equipment piece by piece, and is now ready to start out in that profession. Another enrollee whose poems have won recognition and have been published in several newspapers and periodicals, has assembled a book of poems of his own composition which have been accepted for publication. Teachers of local schools have offered their services and are assisting in the camp educational program.

The most cordial relations have always existed between the camp personnel and the citizens of the community. The services rendered by the Soil Conservation Service have proved to be of inestimable value to the farmers in the five counties which comprise the Memphis area. Many of the farms had eroded to such an extent that the farming of them was becoming impracticable. However, with the work of the service and the splendid cooperation of the farmers, many of these faults have been corrected.

County Meet— (Continued from page 1) yard run, unless the number of entries makes it necessary. Senior track and field winners will be given a gold medal for first place in each event, a silver medal for second place, and a bronze medal for third place. A gold medal and large trophy will be given the winning team in both the one mile relay and medley relay. High point men in the junior and senior track divisions will receive 14 inch trophies. Individual winners in each junior event are to be awarded ribbons.

Events included in the track and field meet are: Senior division—100 yard dash, 850 yard run, 440 yard dash, 220 yard dash, one mile run, one mile relay, medley relay, shot put, discus throw, pole vault, broad jump, high jump, and javelin throw. Junior division—50 yard dash, 100 yard dash, broad jump, high jump, chin bar, and 440 yard relay. Also included is the Fat and Forty race.

Concerns which made the awards possible are: E. E. Cudd Service Station, Durham-Jones

Historic Names in the Land of Cotton

Names historically significant to cotton growers were represented when Frank H. Special Meeting—

(Continued from Page 1) of the Memphis study clubs. Tuesday at noon Dr. and Mrs. Dunlop were guests at the Rotary Club luncheon, where they spoke on Holy Week in Jerusalem.

"Holy Week is the greatest week of the whole year," said Rev. E. C. Cargill, Presbyterian pastor, "and all the good folks of Memphis will be thinking of the passion of our Lord Jesus Christ. We are rejoicing in the kind cooperation of the fine ministers of Memphis and the church members in this special pre-Easter series of meetings. Dr. Dunlop and his good wife, under the leadership of the Holy Spirit, will do three things for us: They will instruct us, comfort us, and inspire us. You are personally invited to enjoy these meetings."

The committee instructed Chairman Patrick to explain the Goodnight Memorial Fund movement to members of the Panhandle-Plains Historical Society at their annual meeting Friday and to present the matter also to the West Texas Chamber of Commerce during its annual convention soon in Wichita Falls.

"We will, of course, welcome contributions to the memorial fund now," Mr. Patrick said. "They may be sent either to the treasurer or to members of the committee in the different towns. The committee would like to complete its work as soon as possible and erect a fitting memorial to this fine old pioneer whose great contribution to the Panhandle is doubted by no one."

'My Home Town' Contest Wednesday

Eliminations for the "My Home Town" contest, originally planned for Wednesday night, April 13, will be held that afternoon instead, due to a conflicting program, Clinton Voyles, director, stated. First winner in the elimination contest will be given a gold-filled award and a trip to Wichita Falls with all expenses paid to compete in the contest at the West Texas Chamber of Commerce Convention April 25-27. Second and third place awards will be given.

COUNTY COURT MEETS ONE DAY THIS WEEK County court met Monday, and was adjourned that afternoon for the remainder of the week. One case, for an alleged bad check, was tried; the trial resulted in a hung jury. Court will meet no more this term unless parties agree on summoning a jury, according to County Judge M. O. Goodpasture.

Mrs. Bessie Pendergrass returned Monday from a visit with her sister, Mrs. D. H. Collins in Floydada. She also visited with her brother, H. O. Waters and her daughter, Mrs. Floyd Dunn in Lubbock.

Mrs. Thebock spent business and parents, Mr. ard.

Aborigines Found
LUBBOCK, April 5.—Evidence of culture of a people not previously known to have inhabited the southwest region 12,000 to 20,000 years ago was discovered by an anthropological expedition to the Blue mountains northwest of Odessa last week. The expedition, sponsored by West Texas Museum Association, was headed by Dr. W. C. Holden, dean and director of anthropological and archeological research at Texas Technological College.

The trip was made in hope of finding artifacts that would link the ancient Pecos river peoples with the ancient civilizations of the Pueblos in New Mexico. Further exploration of the shelter may be made next fall.

Mr. and Mrs. L. E. Jenkins and Mr. and Mrs. Cecil Gilchrist visited Mr. and Mrs. Tom Scarberry of Memphis Sunday.

Rev. J. Wm. Mason of Memphis will preach at Friendship Friday night, April 8. The public is invited to hear him.

April Fool Party
The young people of the Sunday School enjoyed an April Fool party Friday night at the home of Mr. and Mrs. H. D. Tyler. It was the outcome of a contest in which the losers entertained the winners.

All members came "dressed backwards." On the front door was a sign directing them to the back door, on which was a placard reading: "April Fool. Go back to the front door." A series of games directed by Mrs. Guy W. Smith caused much merriment.

Favors were all-day suckers dressed in dance costumes. Prizes were dance caps made of crepe paper. An hilarious evening was enjoyed by the following:

Mr. and Mrs. Guy W. Smith, Misses Clara Burnett, Cloma Lee Evans, Jane Harris, Rebecca Edwards, Mary Lois Scott, Alma Bruce, Adelle Harrell, Thelma and Zetta Jo Jenkins, Louie Spruill and Addie Parker, Messrs. Glen, Boyce and Noel Bruce, Merle and Eldon Padgett, Russell and Curtis Harrell, Stafford and Dude Spruill, Harry and Don Tyler, and Mr. and Mrs. H. D. Tyler.

Boys in Amarillo
Boys from throughout the Panhandle and South Plains of Texas and Eastern New Mexico will gather at Amarillo for the Northwest Texas Older Boys' Conference, April 8 to 10.

This conference is one of three being held in Texas and one of only five being held in the Southwest this spring.

Attendance will be limited to 300 out-of-town delegates and 100 local delegates, according to information received from the Southwest Area headquarters at Dallas.

"God First, the Other Fellow second, and I'm Third."

This theme was selected by the boy officers of the Hi-Y Clubs of the district as the most vital subject for discussion at the conference.

Addresses, forums, discussions will center on the subjects of Friendships, Religion and Life Actions, Personality, World Brotherhood, Individual Responsibility, Community Relations, and Christian Philosophy. Speakers and leaders noted for their understanding of the problems and interest of the youth of today will be on the conference programs.

The official opening of the conference will be Friday afternoon, April 8, at 3 o'clock. Adjournment will be at noon Sunday, April 10.

Homes on Friday and Saturday nights and breakfast on Saturday and Sunday mornings will be provided by the church people of Amarillo. A buffet dinner will be given Saturday night by the conference.

All sessions will be held at the Amarillo High School auditorium.

R. B. Norman, general chairman, announces that all leaders intending to take delegations should write the conference director immediately, estimating the number of delegates to be expected. Delegates from Hi-Y Clubs, churches, and older boys' organizations are invited. Each delegate should represent some organized group.

Registration fee is \$1.50 per delegate. All delegates should arrive in Amarillo by 1 o'clock on the afternoon of Friday, April 8.

The definite increase in the number of persons dying from cancer makes the subject of tumors a timely one. A tumor is a mass of new tissue which is of no use whatever to the body. If tumors or their manifestations were more generally appreciated, much of the misery and many deaths could be eliminated, stated Dr. Geo. W. Cox, state health officer.

The malignant tumor known as cancer may consist, as in the case of benign tumors, of any bodily structures such as fat, bone, connective tissue, superficial layer of the skin, mucous membrane and bodily organs. They grow rapidly and may establish secondary growths far from the site of the parent tumor by means of detached cells traveling in the blood or invading the lymphatics.

Where benign tumors are concerned, surgical removal usually results in permanent cure. However, in cancerous tumors surgery or irradiation (X-ray and radium) or a combination of the two, to be effective depends upon early diagnosis and prompt professional action.

While a number of cancerous growths unfortunately do not present early symptoms, many of the more common ones do. It is the deliberate or ignorant disregard of such early symptoms that has so decidedly occasioned the increase in cancer deaths.

The outstanding signals which justify a suspicion that cancer may be present, though not necessarily so, are: any lump; any unusual bleeding from any bodily opening; a persistent sore; and chronic indigestion.

To disregard these signs, which may mean cancer in an early and therefore curable stage, is to flirt with death. More certainly it does not pay to take any chance with any kind of a tumor or manifestations that indicate the possibility of its existence.

Johnny Mosely Selected for Award; Four Other Memphis Clerks Get Honorable Mention

Johnny Mosely of the City Grocery was this week selected as the clerk-of-the-month for March by the chamber of commerce shopper. He has been awarded a \$5 check by the chamber of commerce.

Mrs. Elmo Whaley of Rosenwasser's, Mrs. O. V. Alexander of Greene Dry Goods Co., Russell McClure of Durham-Jones Pharmacy, and Cecil Guthrie of Popular Dry Goods Co. were given honorable mention.

Johnny's friendly attitude, willingness to serve, and his ability in making helpful suggestions without becoming irritating were responsible for his being chosen for the honor, the shopper stated.

Johnny will have been employed in Memphis ten months this Friday, becoming connected with the City Grocery June 8, 1937. He entered the grocery business in Chillicothe in July, 1927, and worked there for almost nine years before moving to Quitaque in May, 1936, and thence to Memphis last summer.

When asked his reason for coming to Memphis, he said, "Better salaries and a better town. I wouldn't go back to Quitaque or Chillicothe."

Another shopper has been selected by the chamber of commerce to choose a clerk-of-the-month for April.

Miss Evelyn Lamb returned Sunday from a few days' visit with Mrs. Chas. Whatley in Amarillo.

J. H. Ramsey of Pampa was a week-end visitor in Memphis.

TO WOMEN

If you suffer every month you owe it to yourself to take note of Cardui and find out whether it will benefit you.

Functional pains of menstruation have, in many, many cases been eased by Cardui. And where malnutrition (poor nourishment) had taken away woman's strength, Cardui has been found to increase the appetite, improve digestion and in that way help to build up a natural resistance to certain useless suffering. (Where Cardui fails to benefit, consult a physician.) Ask your druggist for Cardui—(pronounced "Card-u-I").

When a Texas farmer spent the money he received for a bale of cotton sold during February of this year, he came out of the store with just half the goods he would have gotten back in February of 1909-1914 from the sale of a like bale, Geo. Slaughter, Wharton, chairman of the Texas Agricultural Conservation Committee, pointed out in the course of a recent session of the committee at Texas A. and M. College.

"If cotton were selling at 16.2 cents a pound now, a bale of cotton would buy just about what it would have back in 1909-1914," Slaughter said. "This is what is meant by parity price. The spot price of cotton in February was around 8.1 cents a pound."

Parity cotton payments, or cotton price adjustment payments of 3 cents a pound, which farmers who cooperate with the AAA program will receive on their 1937 crop, will narrow the spread between the price they actually sold their cotton for and the parity price of 16.2 cents.

In February of 1937, the money for a bale of cotton bought three-fourths the amount of goods from a store that a like bale sold in 1909 to 1914 bought. The huge cotton crop of 1937 quickly reduced the things that a bale of cotton would buy at the present price level.

The new farm act continues the provisions for parity payments to narrow the gap between what a farmer should be able to buy when he sells a bale of cotton and what he can buy, Slaughter said. That provision, however, depends upon the funds to be provided by Congress. Whether this money will be provided through processing taxes or manufactured cotton goods or otherwise is being discussed at present by congressional committees.

Concerning Wheat Marketing Quota

Wheat marketing quotas under the new farm act will be proclaimed only when the supplies for any year are estimated at more than 950 million bushels, according to Geo. Slaughter, chairman of the Texas Agricultural Conservation Committee. The act states that there will be no wheat quota for 1938 unless parity payments are made available.

The quota plan for wheat will be used only when the total supply is so large that prices threaten to fall to very low levels, as they did from 1928 to 1934, and then only when two-thirds of the wheat farmers voting in a referendum approve of the plan. The Secretary of Agriculture is directed by the act to announce the necessity for quotas on May 15.

Castor bean plants are not the answer to the farmers' prayer for a cheap and easy way to control grasshoppers, says R. R. Reppert, entomologist of the Texas A. and M. College Extension Service.

He bases his statement on recent information from the U. S. Department of Agriculture. "Tests on the effect of castor bean plants on grasshoppers have not gone far enough to find out whether the alkaloid ricin contained in the plants is as poisonous to grasshoppers as it is to control it would be impossible to raise the plants early enough to kill the insects before they spread. And the seed is pretty high, so it would cost a good deal to plant enough to do any good. Even if the seed were planted, and early enough for the first hoppers, the chances are that the insects would eat all the cultivated crops before beginning on the castor beans.

"Grass hoppers are beginning to hatch out in the southernmost of the 104 Texas counties that are threatened by the worst hopper infestation in many years," Reppert said. Plans have been

ever a million dollars and returned more than a hundred dollars for every dollar spent will be used again this year. This consists of spreading a mash of bran, sodium arsenite, and some times sawdust on the areas where the hoppers hatch out.

Scattered thinly at the rate of 10 to 20 pounds an acre as recommended by county agricultural agents, this bait is harmless to man and to domestic animals. The only danger is from using lump bait, spreading it too thickly, or leaving it in piles or containers easily reached, Reppert pointed out.

PRE-EASTER SHOPPING IN MEMPHIS
 IN THE SPRING a young man's fancy turns toward
 thoughts of dressing-up, just as much as women
 of all ages. It's the one season of the year when
 every human feels the urge to take on new life in his
 dress, his mode of living and otherwise copy after
 nature.

Business firms spring forward with new merchan-
 dise, new spirit and new determination to better serve
 their patrons. Memphis business establishments have
 captured the spirit of spring with bigger stocks, more
 complete lines and newer stylings for an expected
 turn to good business. Today, perhaps more than any
 other season of recent years, local dry goods and
 clothing firms are ready for a boom shopping period,
 pre-Easter. Shelves and clothing racks are brimful
 of smart, crisp new merchandise... in excess of those
 of any city in this area.

Memphis shoppers don't have to go out-of-town
 this year to do their Easter Shopping!
 An inspection of the ads in this supplement will
 reveal vast selections of Easter styles in higher
 quality, yet at lower prices. The Democrat has gone
 to considerable work and effort to present these
 firms' messages to the readers! This special supplement
 was planned with the hope that these messages
 would be a little more effective in pointing out the
 possibilities of "shopping in Memphis this year."

RED RIVER PROJECT HAS AMPLE SUPPORT
A HEARING before Congress for the proposed Red
 River Dam near Denison is set for April 11, under
 the arrangement of Congressman Sam Rayburn.
 The project has already been approved by army engi-
 neers and the appropriation of approximately \$54,
 000,000 for the dam will now be asked.

Congressman Rayburn is an advocate of Red
 River flood control by reservoirs and has already
 given much encouragement to the proposed dam on
 the Red River above Memphis, as planned by the Up-
 per Red River Flood Control and Irrigation District.
 He has promised his support and given every indica-
 tion that he will use his personal influence to see
 that a fair impartial examination and preliminary
 survey is made of the proposed project in this area.

Through such men as Congressman Rayburn, Sen-
 ator Tom Connally, Congressman Marvin Jones, Sen-
 ator Morris Sheppard and Congressman J. J. Mans-
 field the Upper Red River project has ample legis-
 lative support. With little thought of political re-
 wards each of these men have done much for their
 native Texas. Like Rayburn, they have stood for the
 wants and needs of their people on every occasion.

Proposed control efforts along the Red River are
 recognized as immediate needs and these Texans in
 Washington are the only figures in power who can
 see the plans through to completion.

HENRY, I ALMOST FORGOT DAD'S BIRTHDAY. WILL YOU HELP ME
 PICK OUT A NECKTIE SO I CAN SHOW HIM I REALLY
 APPRECIATE THE LOVELY CAR HE GAVE ME FOR MINE?

Paragraphs From Panhandle Press
 Culled From The Democrat Exchanges

The Tattler
 Can you remember once when
 your mother had company and
 just before dinner cornered you
 and the rest of the children in
 the kitchen and with a very seri-
 ous look pointed her index finger,
 telling you not to ask for second
 helpings of certain foods because
 there wouldn't be enough to go
 around? When the guests and
 children were all seated, one of
 you let the cat out of the bag,
 sputtering in front of the guests
 that "was all the butter
 Mother had and not to eat it."
 Gertie E. Haskett in Childress
 County News.

Likely Prospects
 The best politicians this sea-
 son are not neglecting the crop
 of approximately 550 young men
 and young women who have come
 of voting age within the past two
 years. Many a race will be won
 or lost by the young vote. The
 thrill of voting for the first, or
 even the second or third time, is
 passed up by few young people.
 Sad to say, many of the oldsters
 get so soured on the world, or
 so indifferent to their govern-
 ments, that they don't give a hoot
 whether they vote or not. Less
 than 50 per cent of the adults
 in Scurry County will probably
 cast their ballots in July, whereas
 young voters will probably run at
 least 75 per cent.—The Scurry
 County Times.

Gridiron Six
 Some of the smaller schools in
 Northwest Texas are laying plans
 for forming a league next fall
 for 6-man football. This innova-
 tion in the gridiron sport is still
 young, but it has proved quite
 popular in schools not large en-
 ough for regular teams.

Laundryman's Pension
 In a recent published book a-
 bout clothing styles, the predic-
 tion is made that paper will soon
 play a much more important part
 in attire than it now does. In a
 day that sees the paper cup, the
 paper plate, the paper towel, etc.,
 so widely used it is surprising that
 paper clothing has not developed
 more rapidly.

The main idea in paper gar-
 ments is that they will be thrown
 away when soiled. You will buy
 your shirts by the bale and simply
 order another bale when the sup-
 ply runs low. The idea is seen
 as especially adaptable to under-
 wear, for both men and women.
 When you take your undershirt
 off you can either throw it away
 or give it to junior to do his sums
 on. What will become of laundry
 owners is a question the book
 doesn't answer. Of course, they
 can go on relief.—John Gould in
 Wichita Daily Times.

Backed by People
 A wise reporter made a fa-
 mous remark recently when he
 said: "Well, everyone is against
 the President—except the peo-
 ple." William Randolph Hearst
 is learning this to be a bitter
 truth. One of his leading news-
 papers lost more than 52,000
 daily circulation because of the
 unreasonable fight that was staged
 against the president.

During March, Hall County received 4,300 pounds of surplus food and 2,827 articles of clothing through the Commodity Distribution Project of the Texas Relief Commission. The following items were disbursed, according to George Carroll, distributor:

Food commodities: Three hundred one pounds of dried apples, 160 pounds dried apricots, 319 pounds dry skim milk; 2,990 pounds potatoes, 144 pounds dried peas, 154 pounds milled rice, and 301 pounds shortening. Clothing: One hundred five coats and jackets, 569 diapers, 404 children's dresses, 266 infant's dresses, 232 women's dresses, 119 children's pants, 156 men's pants, 169 infant's rompers, 172 shirts, 220 infant's gowns, 80 pairs children's underwear, 290 pairs infant's underwear, 22 pairs men's underwear, and 13 quilt tops.

Now on hand in the surplus commodity storeroom are 2,007 garments to be distributed during April. The same food commodities will be disbursed during April as during March, although in larger quantities and with the addition of fresh apples, Mr. Carroll said.

By MRS. DUDLEY ADAMS Several mothers and fathers of this community enjoyed the play day at the Lesley school Friday of last week. Mrs. E. Cooper spent Tuesday night of last week in the Melvin Hill home. Mrs. J. W. Shields has been sick the past week. Those who visited in the Henry Booth home Sunday were Mr. and Mrs. M. M. Kennard, Mrs. C. A. Adams, Mr. and Mrs. Dudley Adams and children, Mr. and Mrs. Blanford Booth and little daughter, Mr. and Mrs. Dewey Morris and children of Brice, and Mr. and Mrs. J. B. Adams. Mr. and Mrs. Troy Davis spent Friday night with Mr. and Mrs. John Porter Fowler. Melvin Hill has been on the sick list the past week.

Mrs. Elam Orcutt of Tull visited Mr. and Mrs. A. C. Orcutt of Liberty Sunday. Rev. Hoggert of Lakeview filled his regular appointment at Deep Lake Sunday morning and night.

Mr. and Mrs. John Beryman of Parnell spent Sunday with her sister, Mrs. Bill Orcutt. Mr. and Mrs. Martin Holcomb and family spent Sunday in Memphis with his folks and to visit his sister, Eva Mae Holcomb, who was operated on at the Clark Hospital. Rev. Todd filled his regular appointment at Liberty Sunday morning.

Singing was well attended in the afternoon. We had several visitors from Lakeview and Webster. Rev. Luther Crawford of Newlin filled Rev. Todd's place Sunday night. He also brought the young people's B. Y. P. U. class from Pliska. They gave a very interesting program on "The Life of Moses" which was enjoyed by everyone.

Rev. Todd and family had dinner with Mr. and Mrs. Bill Orcutt Sunday. W. B. Bevers is visiting relatives in East Texas. Miss Edith Cofer and Miss Susie Rice visited Mrs. G. F. Hinder Sunday.

Miss Rachel Denton of Amarillo visited her home folks over the week-end. Mr. and Mrs. Forest Denton of Amarillo are visiting Mr. and Mrs. Steve Denton.

Mamie Ruth Knight and Lou Alice Adams were guests of Lavern Hatley Sunday. Miss Euna Byars was a guest of Mr. and Mrs. John Porter Fowler Sunday.

Mr. and Mrs. Earl Hodnett and children spent Sunday with Mrs. Hodnett's parents, Mr. and Mrs. Wess Adcock.
