## CHURCH BANQUET IS HELD FRIDAY

Rev. Ernest C. Moberley Of Elk City Is Main Speaker; Almost 100 Attend

Almost 100 persons attended the annual membership banquet of the First Christian Church last Friday night in the church dining room.

Rev. Ernest C. Moberley of Elk City gave the main address of the evening, which was well received. Rev. Moberley is well known throughout this section as an able speaker.

The Beacon Quartet of Amarillo, headed by H. A. Shaw, former Memphis First Christian Church pastor, furnished popular and religious music for the occasion, singing a number of songs. Dr. J. A. Odom served as toastmaster for the occasion. Hayes

## Auction Sales To Be Conducted Here

Trades days, featuring auction sales, are to be instituted by the Farmer's Union Supply Company next Thursday, and the auction sale Trades Days will be continued on following Thursdays.

Everyone is invited by the Farmer's Union company to bring anything for sale—farm implements, furniture, livestock, or anything else—to the lot across from the Farmer's Union store here for public auction.

The sales will be conducted by a licensed auctioneer, and those offering goods for auction will be assessed a small fee to cover expenses.

## 273 Memphis Students Given Honor Ranking

Two hundred and seven-three students in the three Memphis public schools made honor roll grades for the six-week term just completed, according to the three principals, H. J. Gore, L. C. Linn, and Mrs. H. B. Estes.

Honor roll ranking is awarded those students showing decided improvement in their work and those who attain high scholastic standing.

The honor roll:  
High School  
Graduate students—June Bretherton.  
Seniors—Bill Boren, Myrtle Brannon, Benjie Estes, Dorothy

## FARM PROGRAM CHANGES GIVEN BY GOVERNMENT

Revised Conservation Rules Are Grouped In Nine Heads

Changes in the soil rehabilitation program sponsored by the federal government for 1937 have been grouped under nine heads, and will cover practically all alterations in the 1936 program, according to information received from the state headquarters at College Station.

While all details of procedure have not yet been announced, a bulletin from A. L. Smith at College Station, executive secretary of the state committee, outlined the changes which have been made. It was said that group meetings of county agents and their assistants are to be held before county-wide meetings are called for the sign-up campaign.

The following provisions indicate the changes made for the current year:

1. "A soil conserving base must be established for each farm. This is the acreage normally planted to soil conserving crops on the farm.
2. "The requirements regarding minimum acreage of soil conserving crops have been changed. The minimum acreage of soil conserving crops that must be planted in order to escape the penalty is the soil conserving base plus the acreage diverted from the soil depleting bases for payment.
3. "The penalty for not planting the minimum acreage of soil

## Eli Project Gets Approval Of WPA

Approval of the Works Progress Administration project for the Eli school, which calls for the landscaping of the school campus, has been given, district WPA authorities disclosed this week. The project means an outlay of over \$3,000 for labor and materials.

No WPA funds are available at the present time for the approved work, and the Eli work order will mean nothing unless Congress appropriates funds for the WPA governmental agency this term of court.

Similar landscaping and repair projects for the Salisbury, Newlin, and Brice schools have been presented to WPA officials. Their approval or rejection by the WPA is awaiting action of Congress.

## Defective Wiring Is Cause Of Small Fire

Slight damage resulted from a fire that broke out at the Robert Robison residence on North Ninth street Wednesday morning shortly before 9 o'clock.

The Memphis Fire Department answered the call, but the small blaze had been extinguished by the time they arrived at the scene. Burned wall paper was the extent of the damage, the fire resulting from defective wiring.

## NAME WIDOW AS DISTRICT CLERK

Mrs. J. N. Cypert Appointed To Fill Out Unexpired Term of Husband

Mrs. J. N. Cypert has been appointed by Judge A. S. Moss of the 100th Judicial District of Texas to succeed her husband as district clerk of Hall County.

Mrs. Cypert's bond will probably be approved by the Hall County Commissioners Court within the next few days. County Judge M. O. Goodpasture stated that a special meeting of the court will be called for the purpose.

The new district clerk is the second woman to be given her deceased husband's public office here within the past few months. Mrs. J. H. Bownds was named tax assessor-collector last year following the death of Mr. Bownds.

Mrs. Cypert's qualifications to handle the duties of the office include two years' attendance at the San Marcos State Teachers College, five years of school teaching prior to her marriage, two years as teacher of the kindergarten at Lakeview, and three years as kindergarten teacher in Turkey.

## FARMERS NEAR ESTELLINE WILL TERRACE LAND

Precinct Association Set Up To Aid In Land Betterment

Farmers of the Estelline vicinity are to be given an opportunity to terrace their farm lands within the next several weeks at the lowest possible cost by a community terracing association sponsored by the Memphis Soil Conservation Service Camp and the County Agricultural Office.

County Farm Agent R. E. L. Pattillo presided over a meeting of Estelline farmers Monday afternoon of this week at Estelline. Sheriff Lindsey E. Hill announced Wednesday.

Both men, well known in their communities, have already assumed their duties of office. No deputy is to be appointed for the Lakeview precinct, and W. C. Anderson will serve as the only deputy in Memphis at the present.

R. D. Rivers is acting as constable at Turkey at the present time, the elected constable, Practice Worden, having moved to California. Rivers has yet to be approved by the commissioners court.

## Report Shows Drop In Cotton Ginning

There were 18,155 bales of cotton, counting round as half bales, ginned in Hall County from the crop of 1936 prior to January 16, 1937, according to C. Lee Rushing of Memphis, special agent for the Bureau of Census.

This compares with 24,366 bales of cotton ginned to January 16, 1936.

## LOCAL WOMAN SUCCUMBS OF HEART ATTACK

Mrs. Betty Wood, 53, First Came to Hall County In 1914

Mrs. Betty Wood, 53 years of age, died at her home in Memphis Friday morning, January 22, at 10 o'clock of heart attack.

Funeral services for Mrs. Wood were conducted by Rev. Orion W. Carter from Hodges Funeral Home here Sunday afternoon, January 24, at 2:30 o'clock. Interment was made in Fairview Cemetery with Hodges Funeral Home in charge.

Palbearers for the funeral were A. B. Stone, W. N. Wyatt, F. C. Dodson, F. C. Townsen, S. W. Messer, and A. Dunlap.

Mrs. Wood was born in Mississippi on January 28, 1884, residing there eight years. She lived in Oklahoma 15 years and in Arkansas for seven years before coming to Hall County in 1914. She had lived in Memphis since 1932.

Survivors are the husband, Eli (Continued on page 6)

## Deputy Sheriffs Are Named This Week For Precincts 2, 3

Jess Tunnell has been appointed as deputy sheriff at Turkey and Pat Moffin has been appointed as deputy sheriff at Estelline. Sheriff Lindsey E. Hill announced Wednesday.

Both men, well known in their communities, have already assumed their duties of office. No deputy is to be appointed for the Lakeview precinct, and W. C. Anderson will serve as the only deputy in Memphis at the present.

R. D. Rivers is acting as constable at Turkey at the present time, the elected constable, Practice Worden, having moved to California. Rivers has yet to be approved by the commissioners court.

## Farm Bill Forms Carried To State Office This Week

Assistant County Agricultural Agent A. J. Walker left Sunday for College Station with Hall County farmers' applications for federal grants in compliance with the 1936 government farm program.

After the state board approves the grants, they will be mailed to Memphis and farmers will be called in to sign them. The forms will then be sent to the state office and checks will be mailed out from Austin. It is thought that this county will receive the government farm money about February 20.

Farmers of Childress and Wheeler counties have already received part of their money.

Applications for payment under the estimated \$40,000,000 agricultural conservation payments to Texas farmers are being received at Austin at the rate of about 2,000 a day. Plans are being made to speed up certifying the applications to the general accounting office, which must be done before farmers can get their checks.

Special to The Democrat  
Four Hall County citizens were killed instantly when an automobile crashed into the side of a freight train at Lockney early Wednesday night. A fifth Hall County citizen is critically injured in a Lockney hospital.

The dead:  
A. J. Weatherly, about 60, of Parnell; Garland Weatherly, 35, his son; Betty Weatherly, 7, daughter of Garland Weatherly; and J. M. Parsons, about 40, Parnell.

The fifth victim of the crash, Mrs. Garland Weatherly, 27, is suffering from severe internal injuries and fractures of both legs and one arm. She has been unconscious most of the time since the accident.

The car, a light sedan, was driven by Parsons when it crashed into the side of a Fort Worth & Denver freight en route from Childress to Lubbock. The vehicle struck behind the engine tender.

The demolished automobile was wedged between the train cars. The train was not in motion when the car crashed into it. The accident occurred about 7:30 o'clock. A coroner's verdict of accidental death was rendered.

The group was returning from a hurried trip to Benson, Ariz., where A. J. Weatherly had gone to get his son, Garland, who had

## FORMER LOCAL RESIDENT DIES

Mrs. Mary Arnold Of Pampa Had Lived Here Many Years

Mrs. Mary Bradford Arnold, 56, daughter of J. C. Montgomery, founder of Memphis, (deceased) died early Thursday morning, January 28, at her home in Pampa.

Mrs. Arnold, sister of S. S. Montgomery of Memphis, lived most of her life here. She moved with her parents to Hall County as a child. She was married to Austin Arnold, who preceded her in death by 28 years. For several years Mrs. Arnold ran the Ar-Mont Inn, being familiarly known as "Sister Mary."

## CITIZENS OF HALL, ADJOINING COUNTIES RESPOND TO PLEA OF RED CROSS TO AID FLOOD AREA

Calls have been issued to citizens of this section to make contributions through the Red Cross organization to help alleviate the distressed conditions in Kentucky, Arkansas, Missouri, Ohio, West Virginia, Tennessee, Illinois, Pennsylvania, Indiana, Mississippi, and South Carolina, caused by the nation's worst flood in history. Flood waters this week have rolled down the Ohio valley, leaving more than 125 dead, 750,000 homeless, and estimated damage at above 300 million dollars.

Hall County, the first of the week, was given a quota of money to be raised by the Red Cross of \$75. The following day the quota was doubled, then trebled. Following is a telegram that W. R. Cabaness, Chairman of the Hall County Chapter of the Red Cross, received Wednesday from Cary T. Grayson, National Chairman of the Red Cross:

"Flood suffering has already reached unprecedented proportions with relief needs steadily mounting. Under these conditions impossible now name final goal for funds. Only limit Red Cross assistance must be maximum generosity American people. Every possible member national Red Cross staff now assigned to field for relief duty. I call upon all chapters to assume full initiative their respective jurisdictions and mobilize every community resource of personnel and organization to raise promptly largest possible amount. Report daily amount raised. For your information in view presents known needs your goal should be not less than five times quota originally assigned you."

"We are sending money to the flooded area every day," Mr. Cabaness stated. "The people of this vicinity have responded in a heart-warming manner to the call of the Red Cross for aid in this crisis, and we have already sent over \$225. Our quota is now \$375 and we are doing our best to raise it. We need every cent that we can get," Mr. Cabaness said.

Those persons who donated on the first quota are asked to make further donations, if possible, in view of the steadily mounting need for relief. Donations, large or small, are welcomed and should be turned over to Mr. Cabaness (Continued on page 6)

To Present Senior Play

The Estelline seniors will present their annual play in the high school auditorium Tuesday, February 2. The play, "Trouble in Paradise," is one of the best royalty plays published in 1936. "Trouble in Paradise" is a three-act comedy-drama presenting some of the experiences of a small co-educational college, J. S. Solomon as a serious-minded student, Morris Leary as a football hero, Faye Gattis as the most popular girl in school, Doris Mae Denson as the college flirt, and Alvin Phillips as the best talker and worst dancer in school, carry the leading roles.

They are admirably supported by Lois Marcum, Juanita Phillips, Juanita Maberry, Virginia Bumpass, Evelyn Wynn, Mary Gresham, Gordon Stout, Jerrel Rapp, Earl Sims, Claude Thomas, and George Helm.

Win Tourney Honors

The Estelline Cubbies won first in the invitation tournament held at Kings High last week-end. The Cubbies played South Lockett Friday afternoon, winning the first two games of the volleyball match to the score of 15-4 and 15-3. They played Odell next, winning by the score of 15-13 and 15-9.

The local team played West Vernon in the finals, winning 15-13 and 15-8. The Cubbies have started out with another good season. They won first in the regional meet in '34 and second in '35. Those making the trip to Kings High were Misses Juanita Phillips, Juanita Maberry, Yieda Maberry, Ethel Mae Stinson, Mavis Caldwell, Lois Marcum, Christine Brunson, Mary Nell Davis, Eldean Morehead, Mary Lillian Moore, and the sponsors, J. T. Duncan, Carl Bailey, and L. B. Penick.

FFA Team in Meet

The Estelline FFA basketball team entered the basketball tournament at Quail last Saturday. The team won an easy victory in the first tilt by defeating the Childress farm lads by a score of 20-10. The next game was played with Quail with a defeat of 32-12. The Quail team had a slight lead at the half; then Sielan of Quail "got hot" and caused the final defeat. Those making the trip were Gordon Stout, "Rusty" Adams, Harlan Reed, Henry Spradlin, Jerrel Rapp, Ernest Lee

Chandler, and the sponsor, Walter Labay.

## Kansas City Life Shows Increase in Business for Year

E. N. Hudgins, special representative of the Kansas City Life Insurance Company in Memphis...

"Congratulations upon exceeding your own goal of over a million a month production in the eight and a half years you have owned and operated the Texas Agency. Your Agency has submitted to the company in the one hundred two months a total of \$102,734,952 of business. This is an especially commendable record in view of seven of the years being within the depression. During each year your agency has led all other general agencies of the company."

In the eight and a half years since he acquired the Texas Agency, the Kansas City Life Insurance Company's assets have increased from \$42,000,000 to \$101,500,000, the business in force from \$369,000,000 to \$435,000,000 and surplus to policyholders has increased from \$6,800,000 to \$9,500,000, according to Mr. Cummings.

Celebrating exceeding his goal for the first eight and a half years of his management of the Texas Agency Mr. Cummings has announced a free trip to the Convention of the National Association of Life Underwriters in Denver, Colorado, in August, 1937, to all agents who produce a specified volume of business in the first seven months of the new year. Mr. Cummings states that he expects not less than fifty of his associates to qualify for the trip.

## FOREST SERVICE ANNOUNCES SHELTER BELT WILL CENTER ITS ACTIVITIES IN THIS SECTION OF STATE

### Street Sermons To Be Started Here Saturday

Weather permitting, a preaching mission will be initiated in Memphis Saturday afternoon, January 30, at 2:30 o'clock on the courthouse steps. The local Methodist, Baptist, Christian, and Presbyterian churches are sponsoring a series of street sermons to be given each Saturday afternoon from 2:30 to 3:30. Pastors of the above churches will take turns preaching. The Memphis public address system will be used. The first services were canceled because of the inclement weather.

Rev. J. William Mason, pastor of the Baptist Church, will preach Saturday afternoon on "It Is Well." Rev. Orion W. Carter, Methodist pastor, will be in charge of the service, and Rev. E. C. Cargill, pastor of the Presbyterian Church, will lead the singing. Hayes O. Luna, Christian Church pastor, will pray.

### Service Station Is Purchased Here

Clyde Crawford of Amarillo has purchased the Major Wood Conoco Service Station at Main and Eighth streets here, it has been announced, and Mr. Crawford hereafter will operate the station.

J. H. Knightstep, local experienced service station man, is assisting Mr. Crawford. Mr. Crawford formerly lived near here before moving to Amarillo.

Mr. Crawford stated that a line of accessories and tires will be installed at the station shortly.

James E. King left Sunday for Houston to attend a Democratic State Committee convention in session there this week. Mr. King is County Democratic Chairman of Hall County. He was accompanied as far as Dallas by Dr. W. Wilson.

Farmers in Wilbarger, Foard, Hardeman, Childress, Hall, Collingsworth, and possibly Wheeler and Cottle counties will be the beneficiaries of a government tree planting program within the next few weeks if pending financial arrangements materialize, according to Acting State Director, W. E. Webb, in charge of U. S. Forest Service operations in the Shelterbelt Zone in this state. As a means of liquidating the Shelterbelt Project, the Forest Service has decided to plant the nursery stock on hand in shelterbelts on farms in selected areas under cooperative agreements with farmers.

Only a very limited amount of stock is available for planting, and applications are now being received from interested farmers by the Forest Service officials in charge of the various districts. An allotment of relief money is expected for the purpose, and applications are being accepted subject to its becoming available. Application forms may be obtained from A. G. Shattenberg, Wellington, for plantings in Collingsworth and Wheeler counties, from E. H. Kemp at Childress, for Childress, Hall and Cottle counties, and from Arthur F. Lehman for plantings in Hardeman, Foard and Wilbarger counties. The exact areas in these counties within which plantings will be made will be determined from the number of acceptable applications received. Groupings of the plantings in concentration areas was decided upon because of the added expense of making widely separated, isolated plantings, it was explained.

The amount of acreage which can be planted will be limited by both the number of trees available and also by the amount of funds allotted for this work. Probably not more than 2,100 acres can be planted in Texas because of these limiting factors.

Applications will be accepted as far as possible in the order in which they are received, although the deciding factor as to whether or not plantings are made in any area will be the total number of applications received from that area.

The planting work will begin

### HALL COUNTY FARM BRIEFS

D. H. Davenport of Lakeview conducted a demonstration in tile irrigated gardening last year. He obtained his water from an overhead tank. He put in about 200 feet of tile nine inches under soil and did experimental work in raising strawberries and tomatoes. The results were not very satisfactory, and the county agent thinks that perhaps the tile was too deep.

C. A. Powell, near Newlin, planted 18 acres of land to red maize with seed obtained from the Lubbock experiment station last year. He had a poor stand but made about three-quarters of a ton per acre. The quality of grain was much better than that obtained from home-grown seed, it was said.

There were six new trench silos built in Hall County last year, Agent R. E. L. Pattillo reports. Two silos were filled in 1935 which have not yet been opened. V. L. Yarbrough, who lives eight miles south of Memphis, emptied his silo and enlarged it before refilling. It is now 70 feet long, 10 feet wide, and nine feet deep. The silo held over 6,500 bundles of maize, hegar, and sweet sorghum. Cost of construction was \$21.50.

C. A. Williams of the Salisbury community and John W. Ewen of Estelline are making grape-testing demonstrations for this county in cooperation with the Woodward, Okla., experiment station. Each man has received three plants each of 14 different varieties of grapes. The land was

about Feb. 1, depending upon the weather, and will give work to approximately 250 unemployed men for a period of six to eight weeks.

Edgar H. Kemp of Childress, who is in charge of the Shelterbelt work in this area, and his assistant, J. R. Stockstill, were in Memphis Monday in regard to the work in Hall County.

## FRIENDSHIP

By Mrs. C. L. Padgett  
Mr. and Mrs. C. W. Campbell of Amherst visited in the home of Mr. and Mrs. H. M. Sheffer last week-end.

Miss Thelma Jenkins spent several days last week in Memphis visiting with a cousin, Roma Grimes.

Alvis Melton left for California last week in search of work. Mary Helen Padgett was a guest of Wanda and Billy Gene Beckham last Monday night.

Mrs. Clara Fitzgiver of Amarillo was a guest of her mother, Mrs. Sheffer, last week-end.

Jake January left for Arizona last week in search of work.

Mr. and Mrs. R. B. Spruill of Eli spent Saturday night with his mother, Mrs. W. H. Spruill.

Mrs. G. I. Grimes left for her home in Memphis after spending several days with her daughter Mrs. L. E. Jenkins. Mary Joe Sheffer and Dorothy Read of Memphis visited Iva Lov Scott Saturday night.

This community was made sad by the passing away of Mrs. Nita Ann Offholter's father, J. N. C.

terraced before the planting was done. Mr. Ewen's soil is sandy and Mr. Williams' is red sandy loam. "From these demonstrations we will be better able to make intelligent recommendations for grape planting for this section. We are particularly interested in getting grapes and berries grown, because they usually escape the late freezes that often kill other types of fruit here," County Farm Agent R. E. L. Pattillo said.

### Terrible Pains In Hands And Arms R. U. X. Gave Welcome Relief After Very First Dose

If you are suffering from stabbing, aching, rheumatic pains, you will rejoice in the knowledge that a new preparation known as WILLIAMS' R. U. X. COMPOUND is providing unusually effective relief even in the most stubborn cases. Just read this letter from Mr. T. D. McMennamy in relating his experience:

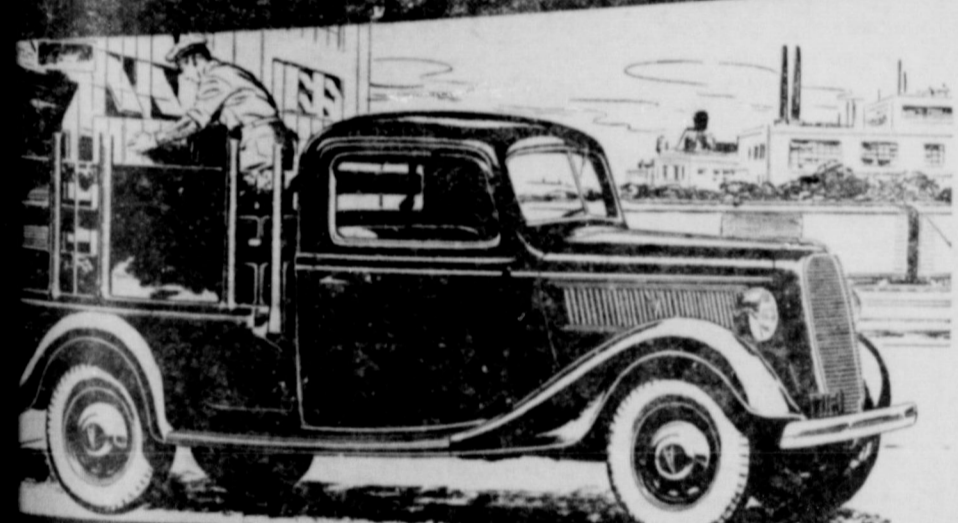

Texas Wishes He Had Found R. U. X. in 1931.

"In 1931 my hands, arms and shoulders began to pain me at night. It gradually grew worse, breaking up my sleep at night, and interfering with my work during the day. The Pinson Drug Store here recommended WILLIAMS' R. U. X. COMPOUND to me, and I noticed results with the very first dose.

"I continued to take it, and after two bottles the pain in my muscles stopped and the numbness of my arms and hands disappeared." MR. T. D. McMENNAMY, Hair Center, Texas.

**Money-Back Offer**  
Other sufferers from rheumatic pains can try WILLIAMS' R. U. X. Compound without risking one penny. Your own local druggist, the well-known Tarver's Pharmacy, guarantees to refund every cent you paid if you return the empty bottle and carton within ten days and can honestly say that you have not found relief.—Adv.

## POWERED TO CUT OUR HAULING COSTS

FORD brings you trucks with a choice of two great V-8 engines—each designed by Ford engineers specifically for the work you want it to do. The V-8 which established entirely new standards of performance with economy in the low-price truck field has been increased to 85 H.P. and gives even greater gasoline economy than last year's thrifty engine. And there is a new 60 H.P. V-8 engine built to handle lighter jobs with outstanding gasoline economy!

You will also find many other improvements which insure increased economy of operation and upkeep. Every part is ruggedly built to deliver the maximum number of ton-miles at minimum expense.

Let us lend you a 1937 Ford V-8 hauling unit for an "On-the-job" demonstration. Prove to yourself what Ford has done to cut your trucking costs this year!

conserving crops has been changed. Instead of 11-2 times the rate of pay for diversion from the general soil depleting base, this penalty is \$3 per acre for each acre by which the minimum required acreage of soil conserving crops exceeds the 1937 planted acreage of such crops.

4. "The class I payment is made for diversion, or reduction, from soil depleting bases. It is not necessary to plant soil conserving crops on the land diverted from soil depleting bases in order to earn a class I payment, as the penalty for not planting the minimum acreage of soil conserving crops is only \$3 per acre.

5. "The method of computing the soil building allowance for the farm has been changed. The 1937 soil building allowance will be \$1 for each acre in the soil conserving base, plus \$1 for each acre diverted from a soil depleting base for payment, plus \$1 for each acre in commercial orchards on the farm in 1937, plus \$1 for each acre devoted to only one crop of commercial vegetables in 1936, plus \$2 for each acre on which two or more crops of commercial vegetables were produced in 1936, plus 25 cents for each acre of fenced, non-crop, open pasture land that is in excess of one-half of the crop land on the farm and which has a carrying capacity during the normal pasture season of at least one animal unit for each five acres.

6. "The general soil depleting base has been changed to include the entire acreage normally interplanted to general crops and legumes, the acreage of small grains normally followed by legumes, and the acreage of sudan normally harvested for seed, hay, or forage.

7. "The rates of pay for diversion from the general soil depleting base have been changed from an average of \$10 per acre to an average of \$9 per acre.

8. "Deductions will be made if the 1937 acreage of crops in the general base exceeds such base, or the acreage of such crops needed to meet home consumption needs for the farm, whichever is the greater.

9. "The county conservation association will handle at least certain parts of its local administrative cost by means of 'county budgets' similar to old corn-hog associations. Details are not yet available."

Bill Phleuger of West Main street recently proposed to a young lady on Noel street. With love shining in his great brown eyes and tears in his voice he said: "Darling, I want you for my wife." Young lady: "And what would your wife want with me?"

\* \* \*

"And all the days of Methuselah were nine hundred sixty and nine years; and then he died."

And that is all that you will find in holy writ about Methuselah, except the bare announcement that he was begotten.

Here was a man who was on earth nearly a thousand years and in all that time did nothing to earn more than a four-word obituary:—"And then he died."

"It is not of record that he did one thing to gain for himself the respect of a man, the admiration of a woman, the love of a child, the fidelity of a dog.

No deed of sacrifice. No act of charity.

He just up and died.

He saw fair-haired girls and roistering boys grow to womanhood and to manhood. He saw the years touch them in their passing until they became wrinkled and stooped; until death placed its icy hand upon them and said:—"Come."

Likewise he saw their children and their children's children, and their children's children join the great caravan which ever marches on into the unknown.

If he ever so much as gave a cup of cold water to a wayfayer the historian failed to record the fact.

He was just a bond slave of time, a parasite upon the body politic, a barnacle on the ship of progress.

Maybe you wonder why some one didn't hit him with an axe and send him on his way long before death overtook him naturally. We'll tell you why:—There were no axes in those days.

Who wants to be a Methuselah? Who wants to just sit around like a bump on a log, or a wart on a toad, or a freckle on a red-haired boy?

If you want to, Mister, go ahead and do it, but get off to yourself and don't block the traffic for folks who are going places.

Get your petrified carcass and your ossified brain off the public highways. Honk, honk! The green light has flashed and we are just about to step on it in this here town.

Wall Street cleaned some of us like a Saturday night bath, but it was a surface cleansing and didn't get to our inners, thank goodness.

We still have our gumption left

## Name It!

(Continued from page 1)

There are a few Methuselahs in Memphis—content to drift and let the town do likewise—without caring whether the town goes forward or backward, and who would not lift a finger to help their fellow men.

WRECK VICTIM FUNERAL

Mr. and Mrs. Joe Chitwood and son, Joe Jr., left Memphis Wednesday night for Olney to attend the funeral of W. D. Chitwood Jr., who was burned to death in a car wreck two miles west of Olney late Tuesday night. W. D. Chitwood was a cousin of Joe Chitwood of Memphis.

And our hope and our burning desire to do things.

And there is only one way of doing things, and that is just to do them.

Let's don't be Methuselahs. Let's do something that will warrant historians of another age in writing something more laudatory about us than was written about that old fossil who lived nine hundred and sixty nine years. "And then he died."

### HELP THE FLOOD SUFFERERS

HALL COUNTY is rallying to the call of the American Red Cross by making contributions for the relief of the Ohio River flood sufferers. The first call for aid came Saturday from the national headquarters of the organization and local Red Cross officials immediately began soliciting contributions.

Since Saturday another call has been issued for doubling the amount, since it will take millions of dollars to relieve the situation—the worst in the history of the United States.

Individuals and companies here have responded liberally to the plea. Every dollar helps, and every person will want to do his bit.

Reports from all over the Panhandle reveal the fact that the people of this drouth-stricken area may be down but they are not out. Thousands of dollars have been raised this week in the area, with more funds added daily.

Those of you who have been reading the daily papers or listening in on your radios know the great need of the people in the cities, towns, villages, and rural communities along the Ohio River and on down the great Father of Waters. They need medicine, food, shelter, clothing and other bare necessities of all kinds. The American Red Cross is ministering to the unfortunates in great style, and it will take money—lots of it—to do the job right.

Send or bring your check, your silver, or any small change to The Hall County Red Cross Chapter, or to The Memphis Democrat, so that it may be transmitted at once to the proper authorities. Remember, the Red Cross came to the aid of hundreds of Hall County people a few years ago when they did not need it near so badly as the flood sufferers! This is the time to repay the debt. Will you do your part?

### THAT CARELESS DRIVER AGAIN

LAST YEAR, in an American city of something over one million population, traffic deaths averaged approximately five per day. During the early part of January this year, deaths in the same city caused by motoring carelessness averaged seven a day, says a news bulletin.

People read of loss of life disinterestedly, turn the page and forget it. But the world would stand aghast if seven similar victims were selected each morning by lot and sacrificed at a public ceremony.

Of course that would be impossible—but the idea may give one a new view of the automobile accident situation.

Under the lottery system of selecting victims for sudden death, the papers each morning could list the names of those drawn, and the unfortunates could wind up their business and go quietly to their doom. That opportunity isn't given to those who are run down by speeding cars.

So remember that the chance of being killed by a motor car is a daily lottery and is greater than the chance of winning a prize in the sweepstakes in which one hopefully gambles a dollar or two now and then. Is dangerous driving worth its price?

Drastic license laws in all states of the Union are needed.

### TEXAS PARENTS WILL REAR CHILDREN

ALMOST EVERY NEWSPAPER in West Texas has rallied to the support of American parents within the past week or so by urging citizens to write to their state senators in Austin and demand him to vote against ratification of the so-called Child Labor Amendment.

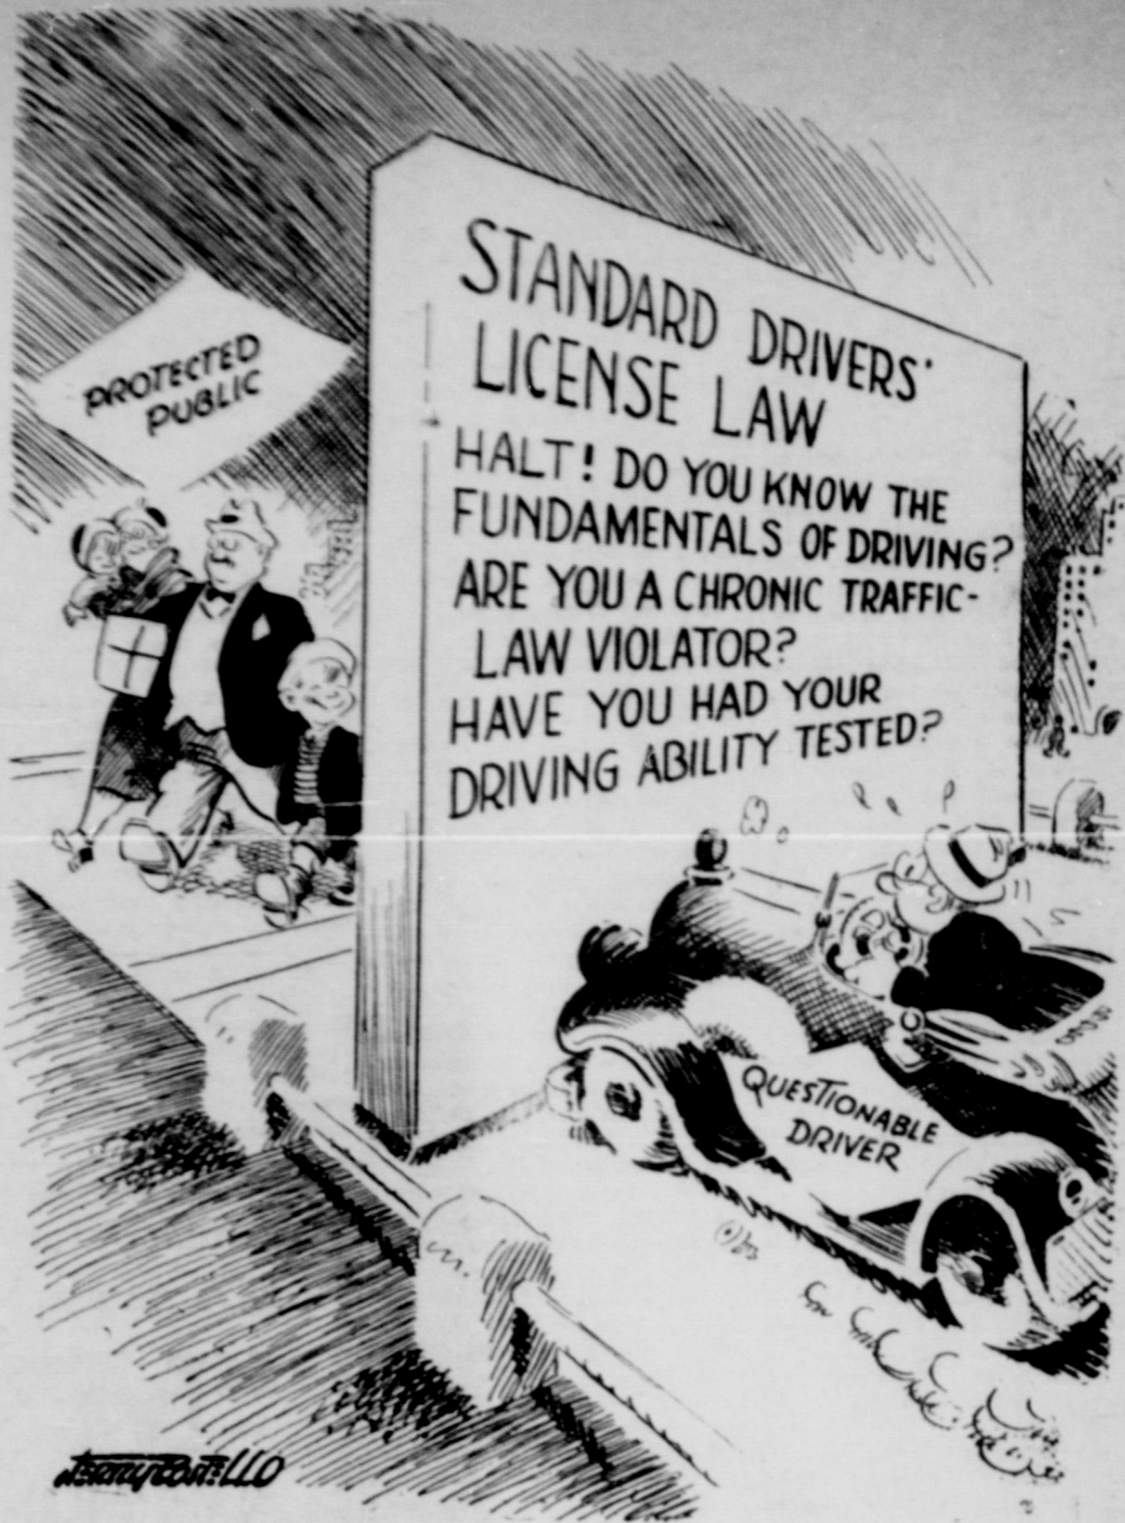

There are 45,000,000 boys and girls in the United States under 18 years of age. It has long been recognized that it is an American heritage for parents to rear their children without any Governmental supervision as is often the case in some foreign countries.

If the Texas Legislature, which convened on January 12th, ratifies the Child Labor Amendment, it will in effect mean that you relinquish many of your parental prerogatives in favor of inspectors and bureaus appointed by the Government.

These inspectors will seek to prevent your children under 18 years of age from doing any work of any nature around the home and the farm.

What would the average farmer, either tenant or

## A Pressing Need

Texas, at present, has a Driver's License Law. But to view the ghastly toll of traffic fatalities, one would never guess it. In this section, as is true of the state generally, motorists ignore the law, and officers—for that matter—do too. Legislation is slated to come before the Texas Congress this term to put "teeth" into the law in an effort to curb drunken and irresponsible driving. Every true citizen should make known his wishes in the matter by writing his state senators and representatives to demand passage of the legislation.

### Marvin Jones Gives Views On Soil And Water Conservation For Area

By MARVIN JONES  
(Member of Congress from Texas)

How valuable is a program of soil and water conservation? It is estimated that one dust storm in the western part of the United States in 1934 swept three hundred million tons of topsoil off the wheat plains.

Four hundred million tons of soil are washed into the Gulf of Mexico each year by the Mississippi River. Each year water and wind erosion together remove beyond use three billion tons of soil.

The present annual money loss to owners of the land is estimated at four hundred million dollars. We are losing value in dollars which dollars cannot replace, once the precious basis of our national wealth is gone. Of course we cannot rearrange nature, but we can do our best to prevent the waste for which man has been largely responsible.

It is important to remember that conservation of soil and water conservation of water must be considered together as essential features of any program which seeks to maintain a productive land. Economizing the rainfall and using the water supply in our section in the best possible way is an all-important parallel to the work now being done in soil conservation.

Last fall when the President's Drought Committee visited the Panhandle, I suggested the following lines of action:

1. Building dams and creating small lakes.
2. Small irrigation projects were possible.
3. Simplifying the farm program with a large share of the responsibility in local hands.
4. Low interest rates for farm credit.

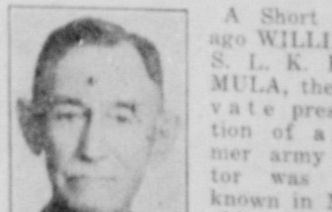

### Lease Block Near Turkey Is Almost Complete for Test

By MARVIN JONES  
(Member of Congress from Texas)

TURKEY, Jan. 28.—C. J. Barnhart of Oklahoma City, who has been here for the past several weeks, securing leases for a test well near the city, announces that his work is practically completed now. He left for Oklahoma City to let contract for the drilling of this test.

According to Mr. Barnhart, location of the well will be about one and one-half miles southwest of the business district. Tools, rig, and other materials necessary for the well is expected to be on the ground shortly after February 1, if the weather will permit the work to be started.

Arch Mitchell, who was in a car accident near Fort Worth recently, was able to be brought home and is now recovering rapidly. Mrs. Mitchell, who went to Fort Worth immediately after the accident, returned with Mr. Mitchell.

It is reliably reported that the attendance at the training school conducted at the local Baptist Church the first part of last week was good, notwithstanding the severe cold weather. Several credits were taken by those attending.

Evangelistic services were begun on last Friday night, to continue for 16 days or more. Rev. John O. Scott, pastor of the Central Baptist Church of Pampa, is doing the preaching. Both Rev. Scott and the pastor, Rev. R. G. Briester, invite everyone to attend the services at the Baptist Church.

Verney Morris of Lamesa visited his mother, Mrs. J. E. Gowdy, and his brothers Oscar and Edgar Morris last week-end. He reported business good in his locality while visiting with old friends during his stay here.

Mrs. A. D. Odum, who has been confined to her home because of illness for some three weeks, is still unable to be out. She is slowly improving and is able to be up in her home. Neal Smith has purchased a new car.

Mrs. Dewie Martin has been the guest of Mrs. J. H. Boren and Mrs. C. Lively during the past week while Mr. Martin has been undergoing treatment at a Memphis hospital.

Mr. and Mrs. C. Gosden and family and Mr. and Mrs. Charlie Crozier and family were dinner guests of Mr. and Mrs. B. M. Durrett last Sunday.

Mrs. John Reed had her son T. B. Reed and daughter Mrs. Ted Tyler and husband as week-end guests.

B. M. Durrett is transacting business in Abilene and South Texas this week. Miss June Wansley visited in Quitaque last Saturday.

visitors with a song program last Monday night. Several singers from Turkey and Lesley were present and the program was reported to be enjoyable.

Herbert Payne, local barber, has been suffering with a severe cold for several days, but has been able to be at his place of business most of the time.

# Hollywood Film Epic To Memphis

## "The Blacksmith's Gift", Starring Monte Blue, to Be Shown Here As Part of John Deere Centennial Celebration

"The Blacksmith's Gift," a historic epic of American agriculture, 100 years ago, will be one of the outstanding features of an all day open house Harrison Hardware Co., local John Deere dealer, will hold in the Texas Theatre Saturday.

The thrilling picture was produced in Hollywood with a large cast of well-known actors, featuring Monte Blue and that out-

standing comedian of "The Trail of the Lonesome Pine," Fuzzy Knight. The supporting cast includes Arthur Aylesworth, Otis Harlan, Anne Hovey, John Marlowe, Claire McDowell, and many others.

The story is a stirring episode in the early settlement of the Mississippi Valley; it tells of a grave problem confronting the early settlers, and how that problem

was solved by John Deere, the young Vermont blacksmith, making possible a new era of progress in American agriculture.

Many touching scenes occur in the unfolding of the gripping drama, and the talkative Fuzzy Knight, as the jovial village hanger-on keeps up a continual flow of comedy which makes the picture top-rate entertainment.

Three other pictures will be

shown in addition to the feature presentation, including "From One Anvil," a sequel to "The Blacksmith's Gift," a short news reel showing new developments in agricultural equipment, and "Her Husband's Choice," a sequel to "Sheppard & Son" which was shown last year.

In the homelike atmosphere of "Her Husband's Choice," things happen as they do in every family. There you will meet again old friends of former years—Mr. and Mrs. Sheppard; their son, Dick; their daughter, Phyllis; her soon-to-be-husband, George Barkley, and Jim Brady. It is the story of a modern farm boy and girl as they make plans for their own farm—and how they become owners of a tractor in an unusual way. "Her Husband's Choice" is packed with entertainment, but more, it is an education in modern farming methods.

The program of the day, however is by no means confined to entertainment features. Interspersed there will be talks and demonstrations of a highly educational nature, and Harrison Hardware Company extends a cordial invitation to every farmer in this area to be present for this day of pleasure and profit.

Mr. Harrison extends a special invitation to all farm boys. "Our program has been designed for the boys as well as their fathers," he said, "and I promise that the day will be one that they will never forget."

Plans are being made to make this open house one of the big events of the year in this community, and farm families from many neighborhoods will have an opportunity to get acquainted there and exchange ideas and experiences in their own farming operations. Dozens of new ideas will be presented during the day which will be valuable to everyone present.

The local Centennial day is a part of the National John Deere Centennial celebration; for it was in 1837, just 100 years ago, that John Deere made his first steel plow.

## IN TRUCK LEGISLATION

Any change in existing Texas truck laws which will increase the present 7,000-pound load limit will affect adversely all communities in the state, both rural and urban. This statement is proved best by identifying the causes and effects upon Texas communities.

These are:

1. Increasing truck loads mean correspondingly increasing the distance which the truck can profitably carry its load.
2. Increasing the distance of profitable truck haul means bringing the small town wholesale houses and industrial plants, such as wholesale grocers, bottling plants, feed mills, oil mills, grain elevators, cotton compresses and retail lumber yards, into direct competition with similar establishments in large cities.
3. Such competition will inevitably result in further drying up the small country towns by taking from them the payrolls, taxes and local purchases represented by their present establishments. Property values, both residential and commercial, will decline; volume of re-

tail sales will grow smaller and former employes will migrate to the cities to reinforce the ranks of the unemployed and the bread lines.

4. Large cities, at first stimulated by increased trade territories, bought at the expense of the country towns, will be ultimately affected adversely because of the resulting unhealthy condition of the rural communities forming these trade territories.

5. Because of the consequent shrinkage of the state's tax revenues from country towns, taxes from the cities will have to be increased correspondingly.

6. The lower truck load limit of Texas now has the effect of acting as a barrier at Texas borders to the movement of the larger truck loads carrying merchandise from the metropolitan and producing centers of other states. Any increase in Texas truck load limits will break down that barrier and permit the free truck movement into the state of many commodities which unquestionably would be sold directly to the retailers, thus destroying, in a large measure, the business of wholesalers and jobbers now located in Texas cities.

Conditions which affect adversely the well-being of Texas communities also affect Texas railroads in identical manner and degree.

## Estelline, Memphis Divide Sports Card Here Tuesday Night

Memphis and Estelline split an athletic match in the Cyclone gymnasium here Tuesday night, the Estelline High School Bear Cubs drubbing the Memphis High School team in a basketball game, and the Memphis business men's volleyball team downing the Estelline all-star team.

Leading from the outset, the Cubs defeated the Cyclone 27 to 19 in a cage game studded with personal fouls and slow play. "Rusty" Baccus paced the Estelline crew, chalking up 14 points to grab high-score honors. Gilreath was the high man for Memphis, scoring seven points. Davis, Walker, and George of Memphis were benched on fouls.

The box score:

Hood c	1	1	2	3
W. Adams	0	1	1	1
Chandler g	0	0	1	0
Totals	10	7	12	27

The Memphis men's volleyball team won three straight games over Estelline to take the match. The games were 15 to 7, 15 to 5, and 15 to 9. The line-ups: Memphis, Burks, Sitton, Periman, Pounds, Roundtree, Cowan, Estelline, Penick, Smallwood, Todd, Duncan, Rapp, Curtutt. Boone substituted for Cowan for Memphis.

Carl Melear of Pampa spent Friday and Saturday in Memphis with his parents, Mr. and Mrs. George Melear.

W. W. Williamson and son Tye spent Sunday in Kirklind with his parents, Mr. and Mrs. T. E. Williamson.

### FIRST BAPTIST CHURCH

J. Wm. Mason, Pastor  
The Sunday school attendance came up materially last Sunday, and the teachers and officers are working for an even larger attendance next Sunday. If you are not already enlisted in some Sunday school, you have a most hearty welcome to attend the First Baptist. There is a big place ready for you, and you are needed. Sunday is the time set aside for the taking of the pledge for our 1937 budget. It is a month late, but some time was needed to get ready for it. It is hoped that every member of every organization of the church will see his or her way clear to make a worthy pledge to the program this year.

The months of February, March and April have been set aside by the Board of Deacons of the church as a period in which the tithe might be tested. They are hoping that many of the members of the church who have never tried God's plan of giving the tenth will undertake to tithe during these three months and test the Lord. Read Malachi 3:8-10.

Sunday morning the pastor will bring a message on the subject, "God's Plan of Financing His Kingdom." We are hoping that many who have not been in the habit of coming to the morning service will come Sunday and think on this important subject.

In the B. T. U. last Sunday evening the best attendance recorded was beaten! There were 166 present in the whole organization. For next Sunday evening we want to beat our best again by having 170 present. Won't you be one of those 170? You are needed. Come and enjoy the good programs with us!

The subject for the message from the pastor on Sunday evening will be one which will be suited to follow up the celebration of the President's birthday. We love our young people and believe in them. We are not among the group which thinks that our young people are going to the bad any worse now than in any other age. The subject will be "The Dance," and the scripture text will be I Cor. 10:31. We are hoping that a great many of our young people will come to this service to get the church's view-point of the dance. We are not going to fuss at the young people or others who dance, but we do want them to do some real thinking on this moral question.

### PRESBYTERIAN CHURCH

A word of appreciation to you Mr. Editor, and your assistants in granting space in our paper for these announcements. Pastors at least hope these announcements are read week after week. Just to test out the truth of this desire some week we would be pleased if some of the members of our various churches would call over the telephone, saying: "We read the Church Announcements."

Next Sunday if the parents will help in getting their children over to the "Junior Church Service," this will help greatly. Mrs. Cargill, said: a splendid beginning last Sunday.

Will you also assist in getting many others into the Sunday School hour in the various departments.

Men of the Bible Class use your telephones, and also other departments. Always glad to see you in the regular Church Service both morning and in the "Vesper Hour."

Have been much pleased with the fine "Quiet Hour Service" on Wednesday evenings at 7 o'clock.

We shall hope next Sunday to have "Special Music" at the preaching hour. Choir rehearsal Thursday evening.

E. C. Cargill, Pastor

### FIRST METHODIST CHURCH

Orion W. Carter, Pastor  
Real marriage is recorded in Heaven, according to the Bible. The church has a very definite responsibility to the young people of today in helping them to know the fundamentals of a Christian Home making.

The Vesper Services 5 p. m. Sunday afternoon will be given over to a consideration of this question. The pastor's subject will be "How may I know that I am choosing a companion who will make my home a success?"

### THE CHURCH LEADER

As we wish to state, we have with us (Pentecostal Assemblies of Jesus Christ Church) Bishop R. L. Blankenship, Bay City, Texas. He is visiting our church this week and giving some wonderful lectures on the Divine Word. Bishop Blankenship states that the Pentecostal Assemblies of Jesus Christ have better than 300 preachers affiliated with them in Texas, and about 15 hundred or two thousand in the national organization.

with the Pentecostal Assemblies of Jesus Christ. This organization is known as the "Oneness People." They have their own Sunday School literature. An official organ, known as the "Pentecostal Outlook," is published at Newark, Ohio, where their headquarters are.

We wish to say this Pentecostal Church here in your town is a little church with a big welcome. And, too, Bishop Blankenship states he is sending us a pastor this week. His name is Rev. George E. Dailey of Houston. So we invite you out to hear our new pastor.

### Pentecostal Assembly of Jesus Christ

PRIMITIVE BAPTIST CHURCH  
The Primitive Baptist Church is conducting preaching services in the East Ward School Building on the third Saturdays and Sundays of each month, with Elder F. M. Griffin doing the preaching. Services begin at 11 a. m. Everyone is invited to attend.

### LAD SUFFERS PAINFUL BURNS IN HOME FIRE

R. C. Vinson Jr., son of Mr. and Mrs. R. C. Vinson, suffered serious burns about his body last Thursday night when his pajamas caught fire while standing before the gas stove preparing to retire.

R. C. had the presence of mind to jump in bed and wrap the covers about him, thus extinguishing the flames.

Mrs. Sam Moore and daughter Elenor Lynn of Children are spending this week in Memphis with her parents, Mr. and Mrs. G. M. Bass. Mr. and Mrs. Bass went for them Tuesday.

## HARRISON HARDWARE

MEMPHIS, TEXAS

### Gets Term

W. C. Davis, Memphis school superintendent, this week issued an appeal for concerted action on the part of taxpayers of the Memphis Independent School District in an effort to meet the financial obligations of the school and to insure the institution's continuance on its present basis.

"The Memphis system is rated by people in the educational field as one of the best schools in West Texas. For this distinction we are justly proud. But to maintain this position of leadership for this section of the state every citizen of Memphis must add his loyal support by paying his school taxes," Mr. Davis stated.

"The school board has cut corners, economized, paid low salaries, let repairs go undone, eliminated every place possible, and still we do not have funds with which to operate. We are appealing to you, as responsible citizens, for concerted action in doing your duty, and then for your influence in helping to equalize the responsibility of supporting our schools. By everybody starting now to pay his taxes, we can save the situation. February first is the deadline," Mr. Davis said.

### Rural Students Get Standard Tests

Standardization tests for rural school students from the fourth through the seventh grade were conducted at the Estelline High School Saturday morning at 10 o'clock for the following schools: Newlin, Planel, Weatherly, Buffalo Flat, Bridle Bit, and Salisbury.

The standardization tests are the mid-term examinations and not the tests which decide whether or not the schools may become standardized. Those tests will be given at the close of the school year.

Examinations for the rural students from the Eli, Deep Lake, Webster, Indian Creek, Brice, Pleasant Valley, Flaska, and Friendship schools will be given in Memphis on Saturday, January 30. The exams were set for Jan. 9 but were canceled because of inclement weather.

### Cyclone Loses Two Cage Games to Owls

Coach Frank Hubbell's Memphis High School Cyclone basketball team lost a doubleheader to the Hedley Owls in the Owl gym last Friday night. The local first team fell before the sharpshooting Owls by a count of 26-20, and the Memphis second team was defeated 31-14.

The line-ups: Memphis—Davis and Wilson, forwards; Moss, center; Noel and George, guards; Gilreath, Phelan, Thompson, substitutes. Hedley—Thomas and Edwards, forwards; McPherson, center; Moser and Johnson, guards; Watt, Adamson, S. Milner, Richardson, G. Milner, Plunk, substitutes.

Second team line-ups: Memphis—Gilreath and Kesterson, forwards; Thompson, center; Sanders and Phelan, guards. Hedley—S. Milner and Plunk, forwards; Richardson, center; Watt and G. Milner, guards; Johnson, Edwards, Adams, Battle, substitutes.

### Questions that Some Folks Ask About Cardui

**BENEFIT FOR MAL-NUTRITION**  
Thousands of women testify Cardui has helped them to overcome malnutrition and to ease many of the functional pains of menstruation.

"What is meant by 'helping to overcome malnutrition?'"  
Cardui contains extracts of two plants which are classed among the "bitters" in medicine because they are known to increase the flow of digestive juices—to improve digestion—so there is a craving for sufficient food for the body's needs, and by their action more energy (or strength) is obtained from the food eaten. The food, of course, brings the additional strength, but Cardui serves as the means to this end by its good influence on the digestive system. (Adv.)

### School to Sponsor Shakespeare Film, "As You Like It"

The local high school's Public Speaking Department is sponsoring the movie "As You Like It," noted Shakespeare comedy, that will be presented at the Palace Theatre here some time during the second week of February.

School students have already begun an advance ticket sale, and the school will receive one-third of the money that the students take in.

The Public Speaking Department will use the funds derived from the motion picture to purchase needed stage equipment for the high school.

#### ATTEND LAYMEN'S MEETING

Hayes O. Luna, pastor of the First Christian Church, E. E. Roberts, Dr. J. A. Odom, Jack Jarrill, Gordon Maddox, Ralph Bennett, E. Bean, J. P. Watson, and Mr. Walter attended a laymen's league meeting in Childrens at the Christian Church Monday night. Following the session a rabbit barbecue was served to those in attendance.

Call 15 for commercial printing.
