HALL COUNTY'S CLUB REPORTS— WEDDINGS

Society News

Mrs. Roy Guthrie Reviews Book at Delphian Meeting

Instead of its regular meeting for Tuesday, November 19, the Delphian Club sponsored a book review and tea at the Legion Home to obtain funds to purchase a uniform for the Memphis High School Band.

At 3 o'clock the meeting was called to order by the president, Mrs. A. Anisman, who, after the introductory remarks, presented Miss Lowena Moore, violinist. Miss Moore, accompanied by Mrs. Tom Draper, played "Beautiful Dreamer" and "Ah, Sweet Mystery of Life."

Mrs. Roy L. Guthrie reviewed "On the Long Tide," by Laura Krey. This historical novel depicts the highlights of Texas development from about 1815 to 1836. Although the author maintains authenticity, the romantic element of the story captures the listener, the reviewer pointed out. Tea was poured by Mesdames A. Anisman and W. C. Davis, who were assisted by Mesdames Harry Delaney, Jack Boone, Hal Goodnight, Clifton Burnett, Noah Cunningham, Henderson Smith, and Miss Maud Milam. Mrs. Sid Baker, chairman of the day, welcomed the guests.

Former Resident Is Wed in Vows At San Marcos

Miss Dorothy Nell Baker, daughter of Mr. and Mrs. Sloan Baker of San Marcos, former resident of Hall County, was united in marriage with Jasper L. Snellings, son of Dr. and Mrs. D. A. Snellings, Sunday afternoon, November 17, in San Marcos.

The bride is a graduate of the Gatesville High School, and is a 1940-41 senior in SWSTC in San Marcos. During her freshman year there she served as secretary of her class, and in 1935 she was a Galliard. She is a member of the Kappa Lambda Kappa sorority and of the Philosophical Literary Society, and at present is president of the college YWCA. The groom finished San Marcos high school in 1935, and the Teachers' College in 1938. He taught science and served as assistant football coach in Mesquite for the past two years.

The couple will make their home in San Marcos.

Harmony Club Has Meeting in Home Of Mrs. McNeely

A meeting of the Harmony Club was held Wednesday, November 13, at the home of Mrs. M. McNeely, with Mrs. Ned Baird and Mrs. Forrest Patterson as co-hostesses.

Sees Danger in Fifth Column Net

for Money ght Activity

WASHINGTON—Congressman Dies wants Congress to investigate the activities of the fifth column net in this country. He says it is spreading a net for sabotage, espionage, and propaganda. He traces the net into German and Italian activities.

After the business meeting, Dies served tea to the members of the committee.

Mrs. Dies, who is a member of the committee, said she is sure the net is spreading a net for sabotage, espionage, and propaganda. She says it is spreading a net for sabotage, espionage, and propaganda.

Congressman Martin Dies charges fifth column activity in U. S. is centered in German embassy, Washington, shown at right. He says leaders are Dr. Hans Thomsen, top left, and Gaetano Vecchioti, bottom left.

Wessel song. Loyal citizens of German lineage have been threatened. This happened to a Texas editor who got an intimidating letter from Baron von Spiegel, German consul general in New Orleans.

Fritz Wiedemann, German consul in San Francisco, has been another active propagandist, as has Dr. Hans Thomsen, charge d'affaires at the German embassy in the capital.

Italian Ovra is active here. Like the Gestapo, it seeks to have people of its original nationality do its bidding by threats of what will happen to relatives back in Europe if they fail to obey.

The man in general charge of Italian activities in America is believed to be Gaetano Vecchioti, Italian consul general in New York City. It is estimated these Italian organizations in America have about 25,000 members divided into some 200 branches. Reports on their activities go directly to Salvatore De Cicco of the ministry of foreign affairs in Rome.

SOME investigators think the Italian Fascists have been even more active than the Nazis. Like the German Gestapo, the attend the funeral and were accompanied by a sister, Mrs. Ben Dunlap.

Bill Boren Named As 'Favorite' From TCU Junior Class

Final Rating of Candidates Not to Be Announced Until Issuance of Annuals in May

Bill Boren of Memphis has been nominated by his classmates at Texas Christian University as one of the six boy candidates for the junior class for the "favorites" section of the 1941 Horned Frog, student yearbook.

Twelve candidates from each class—six boys and six girls—have been nominated. After a run-off vote, three boys and three girls from each class will be presented at a "Presentation Ball" sponsored by the annual. The date for this ball has been announced as Saturday, December 14.

Final voting will take place at this time to select the six to be honored. The girl and the boy receiving the greatest number of votes will each have full-page pictures in the annual. The other four will have smaller pictures.

No announcement as to the final rating of any of the candidates, including Boren, will be made until the annual comes from the press next May.

Midwest Places 4 Men on All-America Eleven

BY ART BRONSON
PICKING all-America football teams is just about the favorite indoor pastime in late fall. Everyone is entitled to pick his own team, and most everyone does.
 The truth about all-Americas has been said many times. No one person can hope to see all the good football players in action—not even all the good centers, or good ends, or fullbacks. So picking an all-America involves close study of individual and team records—and even then, some brilliant players are bound to be missed.
 All of which is enough apology for an all-America team that doesn't need any apologies.

SECTIONAL honors go to the Midwest, with four players on this year's all-star eleven. The East places three, the South two, and the Southwest and Pacific Coast one each.
 The backfield is especially noteworthy. No all-star team could fail to consider big John Kimbrough, whose driving power and speed paced the strong Texas A. & M. offense all season.
 Then there's the great Tom Harmon, Michigan's unstoppable back who has often been compared to Red Grange. Norm Standee, a great straightahead runner who has been an important cog in the Stanford machine, gets the nod over his brilliant teammate, Hugh Gallarneau. Pitching Paul Christman, Missouri's standout passer, completes the backfield.

THE line is big and fast-charging and smart, agile on defense and virtually impenetrable on offense. Both the ends, Gene Goodreault of Boston College, and Paul Severin of North Carolina, have been standout pass receivers.

FIRST TEAM
 L. E.—Paul Severin, North Carolina.
 L. T.—Alf Bauman, Northwestern.
 L. G.—Bob Suffridge, Tennessee.
 C.—Leon Gajekki, Penn State.

Ann Maxwell of Denton visited Betty Johnson last week-end. They are both in school at TSCW. Miss Maxwell is formerly of Memphis.
 Dr. and Mrs. E. H. Boaz returned Saturday from an elk hunting trip in Colorado.

Big Jim Kimbrough of Texas A. & M. wins all-America honors with his driving power and speed.

R. G.—Helge Fukema, Minnesota.
 R. T.—Nick Drahos, Cornell.
 R. E.—Gene Goodreault, Boston College.
 E.—Paul Christman.
 E.—Norm Standee, Stanford.
 E.—Tom Harmon, Michigan.
 E.—John Kimbrough.

SECOND TEAM
 ENDS: Alan Bartholemey, Yale, and Holt Rast, Alabama.
 TACKLES: Abe Shires, Tennessee, and Ernie Pannell, Texas A. & M.
 GUARDS: August Lio, Georgetown, and Tom O'Boyle, Tulane.
 CENTER: Ray Apolskis, Marquette.
 B A C K S: Dave Allerdice, Princeton; Charlie O'Rourke, Boston College; George Franck, Minnesota, and Hugh Gallarneau, Stanford.

7th Graders Make Frieze in Class

This year the seventh grade has an art teacher, and at present, the class is making a frieze.
 The frieze is on the life of Christ, and is being made on large paper and colored with pastels.
 One represents Mary praying, another of King Herod talking to a wise man, and another about Joseph and Mary with baby Jesus going home to Nazareth. The frieze is to be exhibited in a store window down town.
 The fifth grade class has started work on a Santa Claus castle.

FFA Boys Elect Queen of Chapter

Miss Billie Clyde Robertson of the Webster community was elected queen of the Lakeview FFA chapter.
 Miss Robertson started to Lakeview High School in the spring of 1932, and is a senior this year.

Mrs. R. A. Harp Is Graduate of ACC

Mrs. R. Allen Harp was born in Kansas City, Mo., and attended the Southwest High School where she received her diploma.
 She attended Abilene Christian College, graduating in 1933.
 Mrs. Harp's first experience as a teacher was at Cee Vee High School in Cottle County. Her favorite hobbies are playing tennis and collecting dolls.
 She has been the English teacher in Lakeview High School for the last two years. She has also been co-sponsor and sponsor of the pep squad for the last two years, and also sponsor of the junior class last year and the freshman class this year.
 She is popular with the student body, although a few students can't understand why she insists on the students bringing up their assignments.

Worley, Moss Are Visitors at School

Lakeview High School was honored Wednesday morning, November 20, with the presence of District Judge A. S. Moss and Congressman-elect Eugene Worley.
 Superintendent Swinburn introduced Judge Moss who spoke briefly to the student body and then introduced Mr. Worley.
 Mr. Worley gave a patriotic address which was a challenge to the youth of the land to practice good citizenship in order to be good national leaders of tomorrow.

Bad Roads Hinder Travel of Buses

The roads have been so bad during the rain that the buses could hardly run.
 Last Wednesday the bus which came out to Brice slid off in the ditch and was unable to get out.
 Mr. Holland of Brice brought the children to school. The bus came back to Lakeview about noon.
 The Pleasant Valley road also has been bad. The bus could go no further on the route than the Pleasant Valley School house. Only eleven children rode the bus.

Study Course of 6th Grade Given

The Lakeview 6th graders English class is studying "The Pledge to the Flag" and "The American's Creed." The class recently had an election, which consisted of the offices of president, governor, vice president, secretary of war, congressman, chairman, and the lieutenant governor.
 In arithmetic the class is studying decimals, common fractions, and percents.
 In art 6th graders are making posters for Thanksgiving, charm strings, and invitations with ships on them for the P-T. A. meeting.

Stephens Member Of Longhorn Band

When the University of Texas football team meets the Texas Aggies today, Col. George E. Hart's Longhorn Band, 155-men strong, will be on the field to give support to the Texas steers.
 Longhorn band members this season include Slaton Stephens of Memphis, who plays the trombone. He is the son of Mr. and Mrs. H. King Stephens of the Government Printing Office at Washington, D. C.

Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsh ones but is a gentle persuader for intestines when used this way. A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, sour stomach, bad breath.
 BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative" that helps impart tone to lazy bowel muscles. It's economical. 25 to 40 doses: 25c.

NOBILITY OF CHARACTER

Nobility of character is not a matter of intelligence. Moral qualities spring from the heart, not from the head. They are rooted in conscience and moral purpose and not in the intellect. Even the most illiterate person may be truthful, honest, just, and sincere in action, noble in character. Scholarship and integrity, intelligence and virtue are not synonymous terms. The qualities they name may be united in an individual, and it is desirable that they should be so; but they may also be found separated.
 Nobility of character is not a matter of one's efficiency. Efficiency may be moral, but it may also be mechanical, managerial, or professional. The term has a definite significance in many fields lying beyond the merely ethical. The desperado may be cruel and brutal in the extreme, glorying in the instincts of the jungle, without the slightest sense of moral responsibility, and yet be most efficient in his nefarious work. Efficiency is often found closely related to nobility of character, but there is no justification in assuming that one is the source of the other, or that they are necessarily closely related.
 Every student should get all the scholarships he can; get all the culture he can; get all the wisdom he can; but above all things, he should strive to build nobility of character. Manhood is better than greatness; and "the soul outranks the intellect as the sun outranks the stars." Nobility of character overtops all titles, caps all careers, crowns all virtues; for it is the quality that gives weight and worth and moral dignity to the soul.

PLEASE DO NOT PARK AT OUR DOORWAY

If your car has starting trouble as the weather gets colder, there is one sure-fire prescription:—

HIGHER TEST (more volatile) GASOLINE
 That's a perfect description of Phillips 66 Poly Gas.
 During the coming winter months, you can confidently expect... based on past experience... that the Volatility Number (high test rating) of this amazing motor fuel will be 50 per cent higher than the average Volatility Number of premium price gasolines.
 Think of it! Most motor fuels, including those which cost 2¢ extra per gallon, will not come within halting distance of the volatility given by Phillips 66 Poly Gas, which sells at regular price. If you wonder how Phillips can afford to be so generous with high test quality, remember that Phillips is the WORLD'S LARGEST PRODUCER of natural high test gasoline.
 Find out for yourself how this extra high test gasoline gives extra fast starting, even after your car has been standing all night in the cold. Note the faster warm-up. Feel the improvement in power and pick-up. And don't forget, you get more mileage, because you save the gasoline usually wasted by excessive use of the choke with low test motor fuel.
 Tonight, get a trial tankful of extra high test Phillips 66 Poly Gas, without paying a penny extra. Then tomorrow, you can touch the button and START everytime, no matter how cold the day.

MARKET

MY CREED FOR HALL COUNTY

By CARL MILLER

I believe that Hall County is a county of opportunity and optimism—not in the future, but NOW. I believe that every pessimist in Hall County is a wart on nature and a greater tax on progress than ignorance.

I believe that the idleness, envy, and selfishness, dissipated in Hall County every twelve months, if directed, would grade every market road, paint every home, and pay every cent of debt.

I believe that the unused and undeveloped brain power in Hall County is twice as powerful as that now leading. I believe that a greater spiritual and intellectual life in Hall County is possible through the idea of unselfish service, inculcated in the boys and girls of today who are to exemplify the character of tomorrow.

I believe that unless every individual possesses an ideal for a better Hall County, lists his taxable property honestly, qualifies for jury service, gives a full day's work on his own farm, and puts his religion on a seven-day-a-week basis, he cheats himself and defrauds his neighbor.

I believe that every untrained teacher, unqualified preacher, and unskilled workman in Hall County, represent misdirected energy, wasted time, and stupidity of effort, and foots the bill in diminished production of both dollars and character.

I believe that there is enough latent and dormant energy in Hall County, if trained and set to action with a vision, to sit in our legislative halls and rule Texas wisely and well. I believe that every idler and defense shirker in Hall County is an abomination to God, a sit-downer on safety, a parasite on preparedness, and should be ostracized from the association of all patriots.

I believe it is my duty while a citizen of Hall County to sell it on its merits, as an honest commodity, at an honest price, to home seekers by honest methods. I believe it is my duty to serve my God, my fellowman and my country, as well as Hall County, with kindness, courtesy, and good cheer. I believe that unless my life harmonizes with my creed on Hall County, this were as well writ on water.

DRIVE FOR BAND UNIFORMS NETS \$675.08; MORE FUNDS ARE NEEDED

With a net total of \$675.08 raised for uniforms for the Memphis High School Band, the committee in charge of the drive, along with other parents and teachers, this week issued thanks to all who cooperated in any way with the drive.

An additional amount of approximately one hundred dollars is still needed to pay for the uniforms, which have already been ordered, it was pointed out. Any person who has not yet contributed to the fund may do so by contacting any member of the High School Parent-Teacher Association. The uniforms were purchased through local firms at wholesale cost.

"We want to take this means of thanking each business firm, each club, and each individual for their generosity in our recent drive for the high school band uniforms," members of the committee said. "We also thank all committees who worked so faithfully, and especially the group of business men who gave so liberally of their time to make the project a success."

"A list of those who contributed more than a dollar has been compiled. We had no way of checking on the ones who gave through the dollar drive, but are no less appreciative of their contribution. We thank you again and pledge our support in any effort to benefit our schools and our city," the Association's statement concluded.

Those who contributed were as follows: American Legion Auxiliary (two uniforms), \$50. Donating one uniform (\$15) were the following: High School Parent-Teacher Association, Jun-

Farmers to Learn Of New Program In Four Meetings

Educational Sessions to Begin Friday; Marketing Quotas to Be Discussed

A series of farm educational meetings, designed to acquaint farmers with the farm program, will begin Friday afternoon at Turkey, County Agent W. B. Hooser announced this week.

Discussion will be held on cotton marketing quotas, changes in the farm and ranch program, and on any other phase of agriculture which is brought up, Mr. Hooser said. Farmers will vote on the cotton marketing quotas December 7.

The meeting in Turkey Friday afternoon will be held at the theater there. Other meetings scheduled are as follows: Memphis, Monday, December 2, at 2 o'clock in the afternoon at the district courtroom; Estelline, Tuesday, December 3, at 7 o'clock at night at the schoolhouse; Lakeview, Wednesday, December 4, at 7 o'clock, at the schoolhouse.

Mr. and Mrs. Homer Tucker, Hattie Dem Ward, Martha Thompson, and Billy Thompson attended the McLean-Shamrock football game in Shamrock Friday night.

Kidney and Bowel Misery Relieved Thanks Hoyt's

Stomach Misery, Stiff Legs, Muscular Soreness and Body Wracked with pain relieved, Says this Tulsa Boiler-Maker

Mr. W. F. Ellis, 114 West First, Tulsa, Okla., states:

"I was bothered with constipation, gas pains, bloating, sour acid risings. Muscular pains due to constipation and kidney weakness gave me a lot of misery. My legs and ankles became so stiff that I could hardly go."

"Since taking Hoyt's, constipation is leaving; gas, bloating and sourness of stomach are gone. I was astounded at the relief from aches, pains and soreness that it gave. I can get a good night's rest. I feel 100 per cent better!" Hoyt's Compound is sold by the Tarver's Drug Store and by all druggists in this section. (adv.)

Flomot, Amherst in Bi-District Game

Flomot and Amherst, winners of District 3-B and 4-B, respectively, will meet in a bi-district game at Flomot Friday afternoon at 2 o'clock, it was announced.

Silverton, also in District 3-B, downed Turkey Thanksgiving Day to place them in a with Flomot for district title. The district committee, however, awarded the district title to Flomot since Flomot had downed Silverton 6-0 earlier in the season.

Officials for the game will be Crago of Sul Ross as referee, Each of ACC as umpire, and Green of Texas Tech as head linesman.

Mary Lee Taylor's RADIO RECIPE

Holiday Icebox Cake

Breaded by Mary Lee Taylor November 28, 1940

- 16 soft marshmallows
1 cup cold Pet Milk
22 vanilla wafers, 2 inches across

Dip scissors in cold water and cut marshmallows into small pieces. Put into bowl with milk. Let stand in refrigerator about 1 hour, or until thoroughly chilled. Stir occasionally while chilling. Meanwhile, dissolve gelatin in boiling water. Chill until gelatin begins to thicken. Rub with vegetable oil a deep 9-inch cake pan. Line bottom and sides of pan with vanilla wafers. Whip chilled marshmallow mixture with rotary egg beater, or electric beater at high speed, until light and fluffy. Fold into chilled gelatin. Pour into water-lined pan. Chill until firm. If desired, garnish top with candied cherries cut to resemble flowers. Serves 6.

gathering of cotton crops in this county, but most farmers seemed jubilant over the moisture since it will provide a base for next year's crops.

Following the drop to 31 degrees last Wednesday night, Wednesday afternoon the thermometer rose to only 43 degrees. Thursday night's reading was 41 degrees, and Thursday afternoon the temperature climbed to 72 degrees, the highest recording of the week.

Friday's low was 39 degrees, high 63; Saturday, 35-40; Sunday, 35-38; Monday, 38-42; and Tuesday, 33-53.

The sun found its way from behind the clouds Wednesday morning, and by the afternoon, the temperature had risen considerably.

Defense Program To Cause Boom, Dr. Thomsen Says

Citizens Must Prevent Wrecking of Nation Then, Minister Tells Rotarians

Dr. R. Thomsen, Presbyterian minister of Amarillo, was the principal speaker at Rotary luncheon Tuesday. His address on International Relations was the best ever delivered in Memphis, according to statements of the Rotarians.

Jas. L. McCormick, of the McCormick Advertising Agency of Amarillo, preceded Dr. Thomsen with a classification talk.

Thomsen and McCormick were accompanied by Arthur Osgood, inter-city chairman, and George M. Waddill, secretary, of the Amarillo Rotary Club.

Dr. Thomsen, in his address, stated that this country is in for the greatest boom in history because of the defense program, which will continue until completed regardless of how long the war lasts in Europe and who wins it. This program will place the United States 100 billion dollars in debt, bring on inflation, more employment, higher prices, wages, and soldiers compensation. A boom, whether sound or not, will necessarily follow, he said.

When the war is ended and the defense program is completed, the United States will stand as the greatest productive power in the world; will have practically all the gold of the world; will have the greatest navy, merchant marine, and air force of the world. America will be an empire republic that will be able to control the economic system of the world and will establish business with all nations of the world, he declared.

"After that, then what? Will we as individuals become cocky and overbearing? It is up to the citizens, churchmen, Rotarians, business men, and leaders to see that the ideals of the past will not be wrecked, and that we will remain humble and render true service to mankind," Dr. Thomsen declared in closing his address.

D. L. C. Kinard, program chairman, introduced the speakers.

He had visited in Memphis a number of times. A. M. Wyatt was unable to attend the funeral since weather conditions have made some of the roads impassible.

District Gridiron—

(Continued from page 1)

nosed out the Cyclone in Memphis 13 to 6.

Next of their victims were the Clarendon Broncs, who were barely downed 13 to 7. An easy victory, 33 to 0, was then taken from Lakeview, and then once more the Irish barely came out on top when they met the Lefors Pirates and won 7-6.

Wellington came next, the Irish downing the Rockets 18 to 0, only to chalk up their only conference loss the next week to Wheeler 7-6. The other conference tilt was with the McLean Tigers last weekend, with the Irish coming out on top with the 13-6 victory.

Winner of District 4-A, Paducah, played Memphis here early in the season, walking away with a 40-0 victory over the Cyclone. Paducah last week defeated Matador in a Thanksgiving Day game, to win the district 4-A title. The Dragons base their attack on the versatile ability of their backfield star, Mobley, who counted for most of the points in the game here.

The Irishmen, however, base their attack more on the work of the entire team, since their backfield is more balanced and the players more evenly-matched than those of Paducah.

Mr. and Mrs. Seth Thomason visited in Tulsa last weekend. They were detained in Tulsa because of the cold rainy weather.

Jerry Blanchard Recovering Rapidly From Operation

Former Baseball Pitcher's Leg Is Amputated After Infection of Gun Wound

Jerry Blanchard of Estelline, who was accidentally shot in his left knee about 10 days ago, was reported Wednesday as recovering rapidly in a local hospital following the amputation of his left leg last Saturday.

Blanchard, a former baseball pitcher with the Oklahoma City team of the Texas League, was shot accidentally Sunday, November 17, as he and his wife were en route home from a hunting trip on the farm where they were living

near Estelline. He was brought to hospital for treatment. His left knee was amputated. He was released from the hospital last Saturday.

Blanchard, when he was in the Lubbock Hawks of the Texas League, had a single game record of 22 in the last season, and was one of 265 strike-outs surprised.

He also has a baseball game to his credit. He was only part of one team during the professional season during the past season in the Oklahoma City club.

Otto Fitzjarrald made a trip to Dallas Wednesday to return tonight.

Mrs. Donald May was a visitor last Tuesday.

Indian Managerial Berth Won't Be Bed of Roses

BY ART BRONSON

DOWN the sports trail: Any way you look at it, Roger Peckinpaugh isn't lying in any bed of roses. The new manager of the Cleveland Indians faces the task of bringing peace and harmony into a situation marked by dissension for years.

Then, too, the Indians under Oscar Vitt came in second in the photo finish American League race, and the new manager will be expected to better that. And only seven years ago Peckinpaugh was fired from the same job.

Roger Peckinpaugh . . . succeeds Oscar Vitt in Cleveland driver's seat.

GEORGE McAFEE, Duke product who is the star rookie of the Chicago Bears, shuns the regulation football shoe, wears instead a low-cut sprinting shoe with football cleats. . . . Football official Bill Street, using pocketmeters, figures the four arbiters working an average game cover a total of about 20 miles—the referee and the field judge leading with about six miles each.

Dr. Jock Sutherland, coach of the Brooklyn Dodgers, says this year's edition of the Chicago Bears is 20 per cent better than any football team he ever saw before. . . . Among coaches turning in credible records during their first year in new surroundings are Frank Howard at Clemson, Jesse Neelley at Rice, Frank Potts at Colorado. Prize in this direction, though, must go to Clark Shaughnessy, who put Stanford back on the football map after years in the doldrums.

Farmer Explains Benefit of Cotton Marketing Quotas

Supply and Demand Can Be Kept Balanced Now—Not Like Days of World War

Cotton farmers of the United States are better prepared through the marketing quota provisions of the AAA farm program to protect themselves from effects of the European war today than they were during the World War.

Through the adjustment provisions of the program and through marketing quotas, farmers have the means of keeping supplies of cotton in line with demand—something they did not have in 1914. D. L. Cothron, state AAA committeeman and Lamar County cotton farmer, declared.

"As a result of being unable to work co-operatively in adjusting production, farmers learned during the last war what happened when cotton was thrown on an over-supplied market," the committeeman said. "In 1914-15 the war weakened demand for a large American crop and caused the price to drop from about 12 cents to 6 1/2 cents."

In contrast to that situation, since the European war broke out in 1939, the farm price of cotton, supported by government loans, has increased slightly despite the two-year supply now on hand, he pointed out.

"Cotton marketing quotas and acreage allotments are the farmer's tools for adjusting the supply of cotton to be placed on the market," Cothron continued. "During the World War the laws of economics worked against the cotton farmer. But now farmers can, through the AAA program, do their own adjusting and place on the market that amount of cotton which can be sold at a reasonable price."

With exports of cotton reduced as a result of the present war and other factors, farmers are facing a serious situation. Despite the expected increase in domestic consumption, estimated to be from 8,000,000 to 8,500,000 bales this season, less than one-half of the 25,000,000-bale world supply of American cotton will be used this year, the committeeman said.

World consumption of American cotton since 1932 has been equal to or well above production in every year except 1937. That year when there was no adjustment program in effect a bumper crop of 19,000,000 bales was produced. This large crop brought the surplus back to the 1933 levels, nullifying the work of our years of cotton supply adjustment. The 1937 crop has been responsible for the excessive supplies since that time.

Texas farmers will vote, along with the other cotton farmers of the nation, on December 7 to decide whether they want marketing quotas to be in effect on the 1941 crop. A favorable vote of two-thirds is necessary before quotas will be operative.

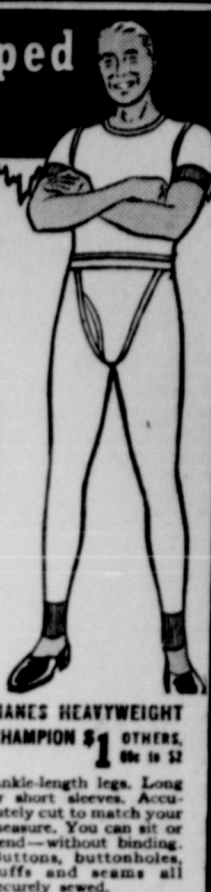

Ed Foxhall, Mack Wilson, C. E. Compton, and Matthew Allen returned Thursday from a 10-day hunting trip to the John Moore Ranch near Kent. They were joined by a group of friends from Stanford, Spur, Childress, Abilene, and Dallas. There were 12 on the hunt and 12 deer killed.

THIS IS THE UNDERWEAR WE RECOMMEND FOR MEN AND BOYS. Rosenwasser's MEMPHIS. Through the week ending October 26, the port of Houston had exported 130,000 bales of cotton, or nearly one half of the United States total of 300,000 since August 1. This gave Houston a substantial lead over other ports.

How Winter OIL-PLATING maintains needed lubricant in advance for safe quick starts. Any good timely oil ad tells you the one same truth . . . your Winter oil ought to flow fast. For it must come groping up from the bottom of your engine, to all inner surfaces—a total area bigger than a windshield, but tough for the oil to reach. The sooner the oil could get there, the more safely you'd start up. That's what's at stake. And that's why many stop depending on fast flow alone, as they learn that their engines can be OIL-PLATED to lubricate "faster than instantly" at every Winter start. Simply changing to Conoco Germ Processed oil brings your engine OIL-PLATING, which cannot be late getting started, because it's always PLATED UP where needed, before you even step out of the house.

HARRELL CHAPEL

By MRS. LOIS RICHARDS

Rev. Self came to fill his regular appointment Sunday and Sunday night, but no services were held due to the bad weather.

Those visiting in the O. D. Phillips home Sunday were Mr. and Mrs. Roy Widener and family, A. B. Wills, Fostenia Mason of Farnell, Everene Wills, and Dude Helm.

Patsy Ruth Richards spent the weekend with Mr. and Mrs. Loyd Widener of Memphis.

Tom McCauley returned to his home in Spearman, after visiting a few days with his parents, Mr. and Mrs. C. E. McCauley.

L. A. Richards, who is attending Texas Tech, spent from Thursday until Monday with his parents, Mr. and Mrs. Louis Richards and family.

Henry Smith, who has been ill, is improving now.

ATTEND FUNERAL

Among those who attended the funeral of Mrs. Emma Weatherly at Clarendon, mother of Mrs. Leslie Foxhall of Memphis, were Marcus Rosenwasser, Charlie Gilpin of Quanah, Ed Foxhall, Mr. and Mrs. Allen Dunbar, Mr. and Mrs. Carl Harrison, F. N. Foxhall, Mrs. John Deaver, Mr. and Mrs. Frank Foxhall, and Miss Maurine Thompson.

Recent surveys by cooperating state and federal agencies have disclosed that the state highway system is far from complete and that it would require an expenditure of approximately \$385,000,000 to bring the Texas highway system to a standard regarded as modern in the light of existing traffic demands. There are 8,860 miles on the state system only partially improved, 5,600 miles in need of reconstruction, 4,836 miles of farm-to-market roads in need of construction, and additional designations pending before the Highway Commission totalling 3,116 miles. Safety on the highways has become a problem of increasing social and economic importance. The building of safety features in to the highway system has become a major item in highway needs.

The Texas Good Roads Association is urging observance of Texas Highway Week in every county, city, and town possible and is busy with plans for statewide celebration of the week. Datus E. Proper, executive vice president of the Association, announced.

Junior High School To Have 'Night of Fun' Next Week

Funds Raised to Be Used To Pay for Dinner Given Annually for 7th Graders

Striving to get away from out-and-out donations from town-people to be able to put on the annual 7th graders banquet, members of the Junior High School are selling tickets this week for a "Night of Fun," to be held Thursday night, December 5, in the high school gymnasium.

The program, to begin at 7:30 o'clock, will be one of variety, Clinton Voyles, principal of Junior High, said this week. Tickets are selling for 10 cents each.

The program will include boxing matches, races of various types, songs by the choral club, and music by the band, Voyles said.

All funds raised, the principal pointed out, will be used in defraying expenses of the 7th graders banquet. Heretofore, the funds were raised through donations of town-people, and often mothers of the 7th graders brought the food for the dinner without charge.

"We expect to sell enough of tickets to pay for the dinner this year," Voyles said. "In addition, the 'Night of Fun' should provide more than 10 cents worth of entertainment to all those who attend. No one is to be admitted free. Even those on the program will be required to pay the 10 cents admission charge."

Band Lays Plans For Rest of Year

A change in the type of work done by the band comes with the end of the football season.

Members are already beginning to plan the part they wish to take in the annual spring contests. Next spring the contest will be held in Amarillo for this region of the state. The similar contest was held last year in Plainview.

Plans are being made for numerous soloists and small groups to enter the spring competitions, besides the usual full band entry from Memphis.

The band is also beginning work on a concert to be presented to the public some time before the beginning of the Christmas holidays. The time and place for the program will be announced soon.

McQueen Makes Report on National FFA Convention

Representative of Local Chapter Returns From Meeting in Kansas City

The Memphis FFA chapter was entertained by a talk Monday night, November 18, by W. B. McQueen, who had just returned from the National FFA convention in Kansas City.

McQueen rode the bus from Shamrock to Kansas City with 35 other FFA members from throughout the Panhandle of Texas.

While in Kansas City, McQueen visited the American Koyal Livestock Show. Many interesting sights were described by him, and he especially emphasized the work in the slaughter pens and packing departments.

Several ideas were brought back from the national convention as to the conduct of chapters. Friendships were made between the Memphis delegate and boys from North Dakota, South Dakota, Wisconsin, California, Minnesota, and other states in the United States.
