"Mixmaster, My Favorite Household Appliance Does All the Arm-Tiring Work"

Housewives everywhere are praising this modern electrical servant; because Mixmaster does all the arm-tiring kitchen work and it is so much more efficient than if done by hand.

It mixes feather-light cakes . . . batters for waffles, and hot cakes are made tastier. It whips creams, creams potatoes and many other similar household services. There is no wonder that housewives value Mixmaster as their most prized household appliance.

Visit our showroom and let one of our salesmen tell you all about this wonderful servant.
