Reception Shower Given Saturday For Mrs. J. C. Montgomery At Bishop Home

At the home of Mrs. J. T. Bishop, 821 South Sixth, Saturday afternoon, June 6, Mrs. Joe Montgomery, a recent bride, was honored with a reception shower. The hostesses were Mrs. Ira Neely, Mrs. Claud Johnson, Mrs. Roy McFalls, Mrs. W. Wilson, Mrs. R. V. Householder, Mrs. E. A. Thomas, Miss Elizabeth Clem, Miss Nelma Bishop and Miss Mylindred Bishop.

The guests were received by Miss Mylindred Bishop, Mrs. Joe Montgomery, Mrs. A. W. Howard, Mrs. Lesley Calhoun and Mrs. Roy McFalls.

The reception rooms were lavishly decorated with a profusion of spring flowers artistically arranged in baskets and bowls about the rooms. Mrs. C. L. Sloan Jr. furnished music with various selections throughout the afternoon.

A pink and green motif was used in the dining room where the guests were served brick ice cream with a heart frozen in the center and individual cakes with pink icing. Plate favors were packages of pink larkspur and baby's breath. The table was laid with a lace cloth and centered with a centerpiece bearing a large crystal bowl of pink rosebuds and baby's breath. Tall pink candles in green holders, with pink, marine bows, burned on either side which added to the attractiveness of the table.

After the refreshments were served the guests were directed into another room where they signed the bride's register, which was presided over by Miss Nelma Bishop.

After signing the register the guests viewed the display of beautiful gifts. Guests called between the hours of 3 and 4:30.

The invited list included: Mrs. W. C. Montgomery of Clarendon, Mrs. J. W. Fitzjarrald, Miss Reba Fitzjarrald, Mrs. T. B. Rogers, Mrs. W. C. Davis, Miss Martha Perkins, Mrs. Lee Thornton, Mrs. C. A. Lovely Miscellaneous Bridal Shower At Thornton Home On Wednesday Honors Reba Fitzjarrald, Bride-Elect

The outstanding social event of the spring season was the lovely miscellaneous bridal shower given for Miss Reba Fitzjarrald, bride-elect of Clarence Stroehle of Clark Hawk, Colo., at the home of Mrs. L. M. Thornton, 1022 West Main, Wednesday afternoon, June 10, at 4 o'clock. Mrs. Thornton, Mrs. T. A. Paulsel, Mrs. D. A. Grundy, Mrs. J. C. Wells, Mrs. H. T. Kuhn, Mrs. Chas. Oren, Mrs. E. Garrett, Mrs. H. H. Lindsey, Mrs. G. H. Hattenbach and Mrs. Margaret Morgan were hostesses.

Coronopsis and roses in colors of yellow and green were used in the decorations of the reception rooms.

On arrival the guests registered at the bride's book accentuated with yellow and green, the chosen colors, at a table where Mrs. Garrett presided.

A white trelis with greenery entwined formed the background for the bride-elect's chair, which was artistically draped, and on either side were large baskets of yellow coronopsis. The honoree was becomingly gowned in a heavy yellow crepe suit with white accessories.

An entertaining program under the direction of Mrs. Morgan was given as follows: "Salutation and Toast to the Bride," Lula Faye Oren, piano solo, "Liebestraume" by Liszt, Geraldine Kinard, reading, "The Newly Weds" by Dandeker, Mrs. Hernal K. Whaley, vocal solo, "I'm Falling in Love with Someone" by Victor Herbert, Ellen Hamilton, accompanied by Mrs. Margaret Morgan, poem, "To the Bride," Mrs. H. T. Kuhn.

Mrs. Morgan announced the shower by introducing an old-fashioned Black Hawk, solo, and Bobbie Clark, appropriately dressed, entered the room with pick and shovel, pulling a small covered wagon, with words across the cover, "Colorado Sound." Reading an original poem, she presented the wagon loaded with many lovely gifts, to the honoree. Miss Fitzjarrald was assisted in opening the packages by Mrs. Paulsel and Mrs. Morgan.

After viewing the large and beautiful assortment of gifts the guests were served a dainty refreshment plate, on which the

chosen colors of yellow and green were noted. Favors were small coronopsis of yellow feverfew tied with yellow and green ribbons.

Lula Faye Oren, Mary Ellen Hamilton, Geraldine Kinard and Mrs. Hernal Whaley assisted the hostesses in serving.

The guest list included: Mrs. C. Z. Stidham, Miss Myldred Bishop, Mrs. C. R. Webster, Mrs. Sam Foxhall, Mrs. O. R. Goodall, Mrs. L. M. Hicks, Miss Eloise Norman, Mrs. Candler Hawkins, Mrs. Roy Fultz, Mrs. W. T. Hightower, Mrs. A. E. Rice of Russellville, Ky., Mrs. C. D. Denny, Mrs. Seth Palfrey, Mrs. T. B. Rogers, Mrs. H. B. Mrs. Georgia Eason of Amarillo, district manager, was honored guest and made a very interesting talk.

During the meeting Mrs. W. J. Bragg was designated to make the trip to Omaha, Neb., next year to the National W. O. W. meeting. It was decided to meet the second and fourth Fridays in each month. The next meeting will be held Friday afternoon, June 26, at the home of Mrs. W. B. Fulk, 814 West Dover, at 3 o'clock.

Following the business session a social hour was enjoyed and refreshments were served to the guests.

HOME FOR VACATION

Miss Helen Boswell, who has been visiting her sister, Mrs. A. P. Brawley at Dumas, since the close of school at the West Texas State College at Canyon, returned home Sunday and will spend the summer vacation here with her mother, Mrs. Ala Boswell. She will return to Canyon for the beginning of the fall session and will be a member of the senior class.

Mr. and Mrs. Brawley brought her home and Mrs. Brawley remained until Tuesday.

Bomar Horton of San Angelo was a guest in the home of Mr. and Mrs. Hamilton from Tuesday until Thursday.

FLOOD CONTROL

FLOOD CONTROL, which may seem a foreign sub-
ject to Hall County citizens, begins at the grass
roots, say soil conservation men in the United States
Department of Agriculture. What they mean, ac-
cording to local SCS officials, is that the run-off
should be controlled for an entire watershed; from
the crest of the hill right down to the mouth of the
rivers.

In the uplands, at the headwaters of all streams,
nature, if undisturbed, retards run-off by throwing
across practically every foot of land an interlacing
system of tiny dams. A dead leaf, a blade of
grass, or a root tangle stops a rain drop from run-
ning—changes its direction again and again, and
makes it creep away. Floods are made up of rain
drops infinitely multiplied and brought together in
a hurry.

Farmers are adopting nature's method of flood
control when they keep their fields rough and plant
soil-holding, water-impeding crops, SCS officials
here declare. In contour farming, each furrow, each
tiny narrow scratch, becomes a small dam or terrace
—doubly effective when reinforced by grass cover.

Department conservationists do not offer "flood
control at the grass roots" as a substitute for dams
and spillways farther down the valleys. They offer
it as a reinforcement, because it makes water creep
away and in so doing stores most of it in that great-
est of reservoirs, the soil.

The Soil Conservation Service program for this
region goes further in aiding in flood control by a
system of level terraces with closed ends and by con-
tour farming. This system of farming with terraces
tends to hold all the rainfall, allowing none of it to
go into the streams.

Since moisture is a limited factor in this section, it
is necessary to conserve all the rain that falls for
crop and pasture production.

SOUTH'S ACREAGE NOT TOO LARGE

THE NATIONAL COOPERATIVE COUNCIL,
composed of 4,000 farmers' business organizations,
has announced a new farm plan for consideration by
Congress. One part of this plan states that the prob-
lem of crop surpluses should be dealt with by com-
pletely withdrawing from production the requisite
number of acres instead of transferring these acres to
other uses. Commenting on this proposal, the
Progressive Farmer makes the following statements:
"Now it is entirely probable that such a plan as
that suggested by the National Cooperative Council
would be found satisfactory in the Corn Belt States,
but it would be less likely to work effectively in the
South."

"First of all, it approaches our problem from the
wrong direction. It calls for a reduction of our cul-
tivated acreage, in the face of a cultivated acreage that
is already too small to yield a decent standard of
living for our farm people. What we need over most
of the South is not smaller farms but better balanced
farms."

"We need that very shift of acreage to other crops
that this plan inveighs against. If certain of the bor-
der states are included as Southern, we have about
half the farm people of the nation. The cultivated
lands of the South are already overtaxed to support
the huge population that depends upon them. It is
doubtful if a smaller acreage can support our popu-
lation in any condition but one of poverty."

"Farm management studies indicate quite clearly
that a farmer must handle a reasonable acreage of
land if he is to maintain a decent standard of living.
When we take the total acreage of cultivated land
in the South and divide it by the total number of per-
sons who are getting their living from this land, we
find that here in the South, the number of cultivated
acres per capita of rural population is very small in
comparison with that of other sections of the nation.
Unless many people are to leave Southern farms for
the cities, the present cultivated acreage will be re-
quired to maintain them."

Federal Reserve
Banks Discussed
At Rotary Lunch

T. H. Deaver, of the First Na-
tional Bank, was the speaker at
Rotary luncheon Tuesday. His
subject was the Federal Reserve
bank system. He gave details of
how and why the system was es-
tablished, and how it is operat-
ed for the good of member banks
and individual communities.

The Reserve Banks act as the
balance wheel for business, and
have a great influence upon the
nation's financial condition; stabil-
izing in time of skyrocketing and
discouraging in times of depres-
sion; giving member banks credit
when conditions of their commu-
nity warrant, was the outline given
by Mr. Deaver of the purposes of
the system.

The Rotarians voted to accept
the invitation of Capt. O. P. Hous-
ton to dine at the CCC Camp Tues-
day, June 16.

County Baseball
League Results

The league leading Cross Roads
baseball nine retained its high
standing of 1,000 per cent last
Sunday by defeating the Parnell
baseball team 11 to 9.

Salisbury is still pushing Cross
Roads for honors in the Hall
County Baseball League. Sunday
the Salisbury crew left Fairview
down with a shutout, the score be-
ing 9-0.

Elk, which team has not been
able to break into the win column
a single time since the inception
of play this summer, fell prey to
the CCC team from Memphis. The
score was 17 to 9. Lesley de-
feated Turkey on both ends of a
double-header. The first game was
7-4 and the second was 17-9.
This Sunday's play:

Elk at Salisbury, CCC at Fair-
view, Lesley at Cross Roads, Tur-
key at Parnell.

Vacation Church
School To Close
On Sunday Night

The daily morning sessions of
the Vacation Church School are
being brought to a close this week,
and the school will officially close
with the presentation of certifi-
cates at the regular evening hour
of worship at the First Methodist
Church here Sunday night.

Aside from the presentation of
the certificates, displays will be
arranged showing the work done
by the various departments of
the church. Demonstrations of
teaching methods employed in the
children's school will also be given.
Following the Vacation School
Program, Rev. Orion W. Carter,
pastor, will deliver an address to
the parents.

Approximately 75 local children
have attended the two-week
church school, under the general
supervision of Miss Margaret Mc-
Elreath and Rev. Carter. Sunday
school departmental superintend-
ents and teachers have assisted
with the instruction.

COMMISSIONERS COURT
HOLDS SESSION MONDAY

In regular monthly session Mon-
day of this week, the Hall County
Commissioners Court accepted the
resignation of John Rollins of Es-
telle, constable of Precinct No.
3. No one has been appointed to
fill the position of constable in
Precinct 3, it was said.

The regular paying and approv-
ing of bills constituted the re-
mainder of the day's work for the
court. County Judge Jim Val-
ance presided over the monthly
session.

CONDUCTS FUNERAL

Rev. Orion W. Carter went to
Haskell Tuesday to conduct the
funeral services of Ralph Kirk-
patrick, who was accidentally killed
Monday while building a water
tower. The Kirkpatrick are old
friends of Rev. Carter.

office force. Fans were turned to full speed ahead; ice water was in demand; collars were unbuttoned. Then it was learned that a youth had touched a match to the bottom of the thermometer, causing it to mount so rapidly.
Regardless of the match, other instruments recorded the temperature above the century mark—but not enough for anybody. And summer doesn't officially open until about June 21. The Panhandle's hottest weather is over before summer begins.
The Tuesday night norther was a welcome visitor.
Jimmy: "Are damn and hell curse words?"
Tomie: "Perhaps not, but hell doesn't sound so damn good."
A friend of mine who lives in Hedley tells of an amusing incident that occurred in the early days of this section of the country. Telephones were new and quite a curiosity. A line had just been built from Memphis to Giles. This Hedley man, then living at Giles, connected with the line and used fence posts for holding up the wire. When he came to a gate the wire was raised to the top of the gate posts. It was wound around one of the posts two or three times as if it would hold while he stretched. A bystander said, "Heck, I know it won't work; no telephone talk can make all those turns."
A young bride walked slowly down the church aisle. As she reached the platform before the altar her dainty foot brushed a netted flower, upsetting it. She looked at the spilled church grave, then raised her large child-like blue eyes to the sad face of the minister. "That's a hell of a place to put a hily," she said.
Candidates are getting their second wind and belts have been tightened for the second hitch. One can see them as they set their pins into more determined positions and the light of battle gleams in their eyes. They come by ones and twos, and occasionally come in company with several of their backers.
From now until July 25 these note hunters will put all their time and energy into the campaign. Some will win and some will lose—but none will be quitters in this American pastime.

the work sheets is that the farmers thought they were signing final contract forms. In reality the work sheets are merely papers which qualify cotton producers to make application for subsidy grants.
County Farm Agent Pattillo stated that the applications for the soil conserving grants would be made next in keeping with the federal farm program here, but that he had not received word from the state office when to start making the applications.
Approximately 300,000 work sheets have been filled out by Texas farmers to participate in the Agricultural Conservation Program. It was estimated recently by the State Agricultural Conservation Committee upon surveying reports from county agricultural agents up to June 1.
Members of the State Committee further pointed out that the 300,000 work sheets represent about 75 per cent of all Texas farm acreage. They say that out of the 500,000 farms in the state, some 400,000 should be eligible to receive grants.

Memphis Plans—
(Continued from page 1)
able contestants for the \$50 cash awards to be given the regional winners are the Deep Lake school group, the high school quartet composed of Bud McAbee, Dennis Walker, Rayford Harris, and Kermit Monzingo; Bob Hamilton's high school orchestra, Wedad H. Youth, Helen Davis, Donald Dickie, Martha Thompson, Hattie DeWard, and June Power.
The Gold Medal Band, official West Texas Chamber of Commerce band for 1936, directed by W. C. Milam, will have a section in the Parade of Progress to be staged in the afternoon. The high school band will also play in the parade. Floats and historic vehicles from nearby towns will depict local history for the past hundred years.
Following the pageant Soapys Halmark's Sherry orchestra will play for a dance to entertain the Childrens Centennial visitors.
With 6,000 available seats, tickets for the mammoth Centennial pageant are now on sale in Memphis at Turner's Drug Store.

SUDAN MUST BE LEFT ON LAND TO QUALIFY FOR SOIL SUBSIDY
Hall County farmers who cooperate with the federal farm program this year should be aware of the fact that any sorghum, sudan grain, or millet when seeded on crop land between January 1, 1936, and July 31, 1936, and all the crop is left on the land or plowed under will qualify for one dollar per acre in the Soil Conservation and Domestic Allotment Act, R. E. L. Pattillo, Hall County Agricultural Agent, stated this week.
Mr. Pattillo was informed by letter from Lester Young, assistant field officer of the A. A. A. from College Station, that: "An acreage interplanted to sudan and grain sorghums will be considered one hundred per cent soil conserving acreage if all of the crop is left on the land or turned under. If the grain sorghums are harvested in any way or if the crop is grazed, this acreage will be considered one hundred per cent soil depleting."

sides a number of checks. This Brown did.
The lone bandit scooped the money up off the floor and backed out of the station. He ran down the highway about 100 yards and hid behind a sign board.
Local officers were called, and they went to the scene of the hold-up, where they were given a meager description of the outlaw.
The bandit was said to have been of medium height and wore a pair of colored goggles, with a mask over the lower part of his face. Both officers and the filling station man believed that he was an amateur, and Brown said positively that he had heard the bandit's voice before, but could not place it.
Hall County officers are still working on the case.

275 Hall County Citizens Leave for Texas Centennial

Two hundred and fifteen common school students and 50 independent school students in Hall County have paid their railroad fares to Dallas to attend the Central Centennial Exposition there June 12-14, according to Miss Inez Mason, assistant to the county school superintendent, thus assuring Hall County of its quota of 250 students to attend the Centennial to take part in the mass sing-song there tomorrow, June 13.

The school children from this county, accompanied by school officials and school patrons, will journey to the Dallas exposition tonight by special train. Plans for the running of a special train were worked out here, but the train is to be assembled in Amarillo. A few students will board the train in Amarillo and at points en route to Memphis. Here it will pick up its major load of passengers, as almost 200 will board the special here. The train will arrive in Memphis at 10 o'clock tonight. It will arrive in Estelle at 10:30, after a brief stop at Newlin, and at Childress at 10:55 o'clock.

A delegation of Wellington students will board the special at Childress. The fares are \$5.77 for an adult round-trip ticket, and \$2.99 for children under 12 years of age. Funds for sending the school children to the Centennial have been raised in several different ways. Plays have been given at several of the schools, a mass school pageant was staged in Memphis, numerous pie and box suppers have been held, and school boards have paid their students' ways, and other students have paid their own transportation fares.

The local school children, many of whom will be taking their first train ride, will join with 30,000 other children from over the entire state in the giving of a gigantic sing-song at the Centennial. The Hall County delegation will return home early Sunday morning, June 14.

Following are the pupils and sponsors who have paid their train fares since last week: Lenley, Thelma Brewer, Helen Masters, Beatrice Mills, Greenwood, Berneice, Harvey, Brown, Robert Clark, Joe Neal, Berry, Francis Rogers, Maurine Mitchell, Mrs. B. H. Brewer is a sponsor.

Plaska—Ruth White, Billie Mae Nabers, Katherine Jones, Sidney Harwell, Pauline Vallance, Cecil Galloway, Inez Revel, J. W. Dunn, Eleanor Paschall, Mrs. Henry Foster, sponsor.

Society Former Memphis Girl Awarded Scholarship

Miss Lucille Cudd of Wichita Falls, formerly of Memphis, was among the three honor graduates of the Wichita Falls High School of the class of 1936.

Miss Cudd tied for the highest honors among the girls and was awarded a scholarship. She was

secretary of the National Honor Society, 1935-36, and is also a talented young artist, who has received a number of awards for her paintings. She is a vocalist, having appeared on several programs, under the direction of Charles M. Underwood. Miss Cudd was a member of the A Cappella Choir and Girls' Special Glee Club of Wichita Falls High School. She is the charming daughter of Mr. and Mrs. J. C. Cudd, who were born in Memphis and attended the Memphis public school until moving to Wichita Falls with her parents in 1923.

BUILD Rugged Energy
THAT "RUN-DOWN" "HALF-SICK" FEELING IS OFTEN DUE TO LACK OF IRON IN THE BLOOD
PERK UP WITH PURSANG
Contains Iron and Copper compounds to build up Hemoglobin—the substance that makes Red Blood Red.

Overwork, illness, Wrong Food, Lack of Exercise... all collect their toll. Now's the time to get back to normal.

Just how well are you feeling today? Do you feel keen and alert... full of pep and energy? Or are you feeling blue... discouraged and dragged out... only "half alive"? If that is the way you feel, it's time to do something about it. That dull, tired feeling may be the result of an iron deficiency. Blood that lacks iron can make a man or woman imagine almost everything is wrong when really the condition can be quickly remedied.

If you are "below par," just get a bottle of Pursang at our store today. You may be one of those people who lacks iron in the blood. If so start taking it and see how much better you feel in two or three days. Wait a week or more and you will hardly believe you are the same person—you will feel so well!

Pursang contains organic iron and copper compounds which act as an effective hematinic. They increase hemoglobin—the substance which makes red blood red.

BLACK-DRAUGHT GOOD LAXATIVE

Black-Draught has been kept on hand for all the family in the home of Mr. W. A. Lemons, of Independence, Va., since twenty years ago. Mr. Lemons writes that it takes it as a laxative in cases of "headache, dull, tired feeling, biliousness."

"And I take it if I feel uncomfortable after a heavy meal," he adds. "I especially use it for sick headache. It certainly is good."

"When a man says 'Black-Draught is good,' it is probably because he remembers the prompt, refreshing relief it brought in constipation troubles. Its benefits are felt because it is a simple, herb laxative, so natural in composition and action that thousands and thousands of men and women prefer it when a laxative is needed."

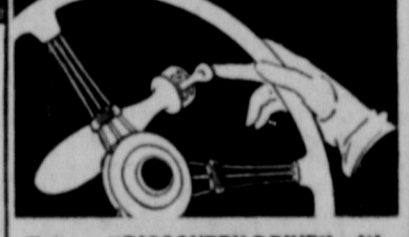

A BONUS IN SIZE POWER SAFETY ECONOMY

Of all four leading low priced cars . . . Terraplane ALONE gives these big car values

"We sure got a lot for our money!"

- * TERRAPLANE IS BIGGER with its 115-inch wheelbase—up to 3 inches more than the other three leading low priced cars—more leg and shoulder room.

MANY NEVER SUSPECT CAUSE OF BACKACHE

This Old Treatment Often Brings Happy Relief Of Pain

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are one of Nature's chief ways of taking the acids and waste out of the blood. If they don't pass 3 pints a day and so get rid of more than 3 pounds of waste matter, your 15 miles of kidney tubes may need flushing.

If you have trouble with frequent bladder passages with scanty amount which often smart and burn, the 15 miles of kidney tubes may need flushing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes and dizziness.

Don't wait for serious trouble. Ask your druggist for DOAN'S FILLS, which have been used successfully for over 40 years by millions of people. They give happy relief and will help flush out the 15 miles of kidney tubes. Get DOAN'S FILLS.

Low Operating Cost is not enough! FRIGIDAIRE PROVIDES ALL 3 BASIC NEEDS...

- 1. LOW OPERATING COST**
The "Meter-Miser" . . . Frigidaire's sensational cold-making unit . . . cuts refrigeration costs to the bone. At all times! Under all conditions!
- 2. FASTER FREEZING—MORE ICE**
Vitality necessary during hot summer months. Frigidaire's remarkable Super Freezer provides it. We prove it on our showroom floor. Ask us for proof!
- 3. SAFE FOOD TEMPERATURES**
Frigidaire keeps food safe. Maintains temperatures between 32 degrees and 50 degrees all the time. Dates to build a Food Safety Indicator into every cabinet to prove it! See the proof!

COME IN AND SEE FRIGIDAIRE'S PROOF OF TRUE REFRIGERATION VALUE

Low operating cost is the mark of a good refrigerator . . . but not proof that it is refrigerating. Before you even consider operating cost, you should be satisfied, with proof, that the refrigerator you buy can under all conditions give you the refrigeration required to keep food safely . . . that it can freeze plenty of ice quickly!

When you buy a new Frigidaire with the "Meter-Miser" you get all 3. Not low operating cost alone. But low operating cost plus safe food temperatures . . . faster freezing . . . more ice. Frigidaire offers complete refrigeration . . . true refrigerator value!

Don't take our word for it. Make us prove every claim. Only then can you be sure. Buy this logical way . . . not on unsupported statements . . . but on actual proof. Come in and ask for it now!

Cyclone Tackle Has Close Call

Dennis Sanders Jr., 17-year-old son of Mr. and Mrs. L. D. Sanders of Memphis and a regular tackle of the Memphis High School Cyclone football team, narrowly escaped death on his 18th birthday anniversary last Saturday. Engaged with a group of workmen at the Hollis Boren building on Main street now under construction in raising an "I" beam, Sanders was struck a glancing blow by the beam when the steel which was being used to set the beam snapped in two. The "I" beam, a steel cross-section weighing 1,400 pounds, dropped about 12 feet. It grazed one of young Sanders' head, one shoulder, and down one leg. The youth has been unable to work this week, being under a doctor's care for a badly swollen and other minor bruises.

CARDUI Helped Three Times

At three different times, Cardui has helped Mrs. Ike Wright, of Sealy, Texas. "I used Cardui, and it helped then," she writes. Next, after marriage, she reports having taken Cardui when she felt weak, nervous and restless before her children were born.

And during middle life, it helped her again. "I did not have an appetite. I was very blue and upset. I remembered Cardui had helped me, so I took it again and soon began to pick up. I ate and had more strength. I kept up the Cardui and did not have any more trouble. Is it any wonder that I recommend Cardui to all my friends?"

Thousands of women testify Cardui benefited them. It is done not because YOU consult a physician.

Estelline Tigers Defeat Antonites 11 to 7 Saturday

ESTELLINE, June 11.—Scoring 11 runs in two innings, the Estelline Tigers took the measure of the highly touted Antonites, 11 to 7, here Saturday afternoon.

The locals smothered two visiting pitchers with nine hits and 11 runs in the fifth and sixth frames to overcome a two-run lead and to "sew up" the game.

"Lefty" Blanchard hurled for the Tigers and struck out 11 men, and yielded only 12 hits.

Chandler, lanky Estelline backstop, led the home club at the plate with three hits out of five times at bat. Allen and B. Rich of Anton also connected for three hits each.

Sunday afternoon the Estelline nine tackles the tough Vernon Cardinals on the local field. This promises to be one of the best games of the season.
