## Jury Of View Assesses Damages To Property Owners Along Route Of New Highway \$21,774.74; About One-Third Of Sum Claimed

### On the LEVEL

a column by William Russell Clark

As a political prognosticator, I could probably be found wholly unreliable. I once thought I knew how a certain state race would terminate. I was absolutely positive of the outcome until the night of the election when the returns began rolling in and I then discovered how far removed from accuracy were my predictions.

### RATES LOWERED FOR SUMMER BY WATER CO.

Stuart, local manager, of the Texas Water Utilities Company. The new rate which is to be in effect immediately is a minimum of 1,000 gallons for \$1.50; the next 3,000 gallons for fifty cents per thousand and all over 4,000 gallons at twenty-five cents per thousand. It can easily be seen that after 4,000 gallons have been used, the rate is exactly one-half as much as formerly.

### GIVE APPROVAL TO ACTION OF FIVE JURORS

A report was submitted to the Jury of View to the Commissioners' Court in session Monday and accepted by the body, fixing the amount of damages to be paid property owners over the route of the new highway from Memphis to Mulberry Bridge by way of Lakeview. The jury allowed the property owners the sum of \$21,774.74 against claim which were filed to the amount of \$64,887.63. It is understood that the report was satisfactory to many of the landowners affected.

To say that politics is tricky business would be the same thing as admitting that night follows the day. It is a presupposed fact. It is taken for granted. A candidate may start a race as strong as a horse radish or flaming onions and end the campaign the last man on the ticket in the number of votes received.

Wrenn was one of ten students selected, because of high scholarship, to become a member of the Junior Scholarship Society, and it is believed that she will be elected to membership in the senior organization during the coming school year. She will receive her B. A. degree next June and will probably return to Memphis to take up her teaching duties again.

The work Robert did for his Master's degree ranked with the highest in his class, and he was one of the twelve candidates for this degree to be graduated with honors. He had passed all his class work incident to the M. A. degree some time ago and devoted a large part of this year to the work of finishing his thesis, time for commencement.

The following general program has been prepared: 9 a. m. to noon, educational program, including bedroom and book case demonstrations for the girls and grain sorghum judging to be participated in by the boys. At the noon hour, a basket lunch will be spread picnic-fashion. From one to two p. m., there will be team demonstrations by the girls' clubs and from two to four, a period of recreation, which will include swimming and games. Parents of all club members are expected to attend the encampment along with the boys and girls.

The encampment is being looked forward to with eagerness by the 4-H club members according to the county agents, and it is expected that much good will come of it. The various club members of the county will be given the opportunity of becoming better acquainted with one another and will be given an insight into the projects now under way.

### Estelline Stages Comeback To Beat Owls Here Friday

BY ADRIAN ODOM

After dropping two straight to the Memphis Owls, Estelline staged a comeback "with blood in their eyes" and ran the Owls out of their own roost by taking the heavy end of a 9 to 6 game here last Friday afternoon. Although Knight fanned eight Cubs during the game, he allowed thirteen hits, which proved too much for the Owls. However, Knight should receive only a small part of the blame. Four errors and a weak position at second did their part in giving the game to Estelline.

The two big thrillers of the game came in the fourth and sixth innings. In the fourth, J. Marcum of the Cubs sent a homer through the fence in right field, and in the sixth, Stuart sent one deep into left field to win the distinction of being the first Owl to hammer out a homer this season. Luck was with the Cubs, however, for Marcum brought in two runs with his homer, while Stuart collected his while the bases were empty.

Estelline started the game with two runs in the first inning, but the Owls rallied in the third with three runs to take the lead. In the next frame, Estelline unwilling to remain behind, started on a spree that netted five hits and four runs, taking a lead which they held throughout the game.

#### DOG MOTHERS KITTENS IN DRAPER'S SHOW WINDOW

M. J. Draper, who is fast becoming known as the "Barnum of Memphis," had another unique "menagerie" in one of his store windows last Saturday. This time, it was a dog belonging to C. F. Stout who was mothering three small kittens.

The self-appointed mother will not stand to be separated from her adopted children. The dog adopted the kittens shortly after she had given birth to several puppies. She soon lost her own little ones and now finds consolation in her adopted children.

"This Orgatone (Argotane) acts just like it was made espe- cially to fit my case," said Mrs. J. L. Greene, residing at 1619-B Lincoln street, Amarillo, Texas, in an interview at her home.

"The fact is, I hadn't seen a well day in fourteen years," con-

tinued Mrs. Greene, "and almost as soon as I started taking Orga- tone (Argotane) it went right to the seat of my trouble and any- body could see I was getting bet- ter. My stomach gave me lots of trouble, and I had practically no appetite and sometimes it seem- ed like I hardly ate enough to keep me alive. In fact, I could not eat the things I liked, as they would sour on my stomach, caus- ing gas to form and put me in misery for hours.

"Most everybody here seemed to be taking Orgatone (Argotane) for their troubles and I got some

for myself. I have now taken two bottles and it is surprising the re- sults I have obtained. My appet- ite is good and I now eat a good square meal and anything I want and feel all right afterwards. All that gas and tired, worn out feel- ing that used to bother me so much is a thing of the past. I rest better and get up in the morning refreshed and feeling fine. Orgatone (Argotane) has given me the energy I needed and I'm now strong enough to go about my housework without tir- ing out like I used to. I am sure glad I found Orgatone (Argotane)

when I did, for it has done me more good than anything else I ever tried before and I mean to stick to it from now on."

Genuine Orgatone (Argotane) may be bought in Memphis at the Tarver Drug Company.—Adv.

BY ERIN JONES COUCH

The annual Home Demonstration rally and house dress and butter contest were held Saturday, June 7th, at the First Presbyterian Church here in an all day meeting.

The program began about ten o'clock, with an organ recital by Mrs. Elmer S. Shelly, who played "Romance in A," by Lieurance; "The Rosary" by Nevin; "Humoresque," by D'Vorak; and "Templars March" by Frysinger.

The butter judging took place during the morning, with a number of club women competing.

At the noon hour dinner was served in the basement of the Presbyterian Church, by the women of the clubs. Over two hundred persons were served by the clubs, they being club members, contestants, relatives and invited guests from among the business men who advertised in the club year book, and the commissioners of the various precincts. The invocation was given by Rev. H. A. Shaw, pastor of the First Christian Church of Memphis. The tables were loaded with good things to eat, some of the chief features being fried chicken, salads, home made pies and cakes, and freezers of home made ice cream.

The tables were all centered with lovely flowers and were presided over by hospitable representatives of the various clubs.

Following the noon hour the guests adjourned to the auditorium where the program was in charge of Mrs. Bennett, president of the Lesley Club, and chairman of the County Council of Home Demonstration Clubs. An organ preceded the club program. Elmer S. Shelly played "The Rosary" by Nevin; "Humoresque" by D'Vorak; and "Templars March" by Frysinger.

Following the club program, Mrs. Bennett introduced Mrs. Elmer S. Shelly, who played "The Rosary" by Nevin; "Humoresque" by D'Vorak; and "Templars March" by Frysinger. Mrs. Bennett then introduced Mrs. Elmer S. Shelly, who played "The Rosary" by Nevin; "Humoresque" by D'Vorak; and "Templars March" by Frysinger.

The addresses were followed by the singing of "America" by the entire assembly. The judges were introduced by Miss Adams, being Miss Bess Edwards, Assistant State Home Demonstration Agent, and Miss Nora Smith the Donley County Home Demonstration Agent.

Mrs. Bennett then called upon, and introduced the presidents of the various clubs, asking the members from the respective clubs to stand. Only one representative from out of the county, was present, being from Childress. Brice had 8 club members present; Hulver, with their president, Mrs. Britt, was represented by 7 members; Indian Creek, with Mrs. J. E. Cooper, president, had 18; Lakeview, Mrs. Wells, president, had 9 members; Lesley was represented by 16 members; Lodge had 3 members in the auditorium when called upon to stand; Webster, with Mrs. Crozier as president, was represented by 3 members; Newlin, with Mrs. Lawrence, had 8 present; Parnell, with Mrs. P. S. Spivey, had 7; Salisbury, with Mrs. C. A. Williams, had 17 present. Two clubs were not represented, being Buffalo Flat and Turkey.

Miss Edwards talked briefly on the subject of the butter judging, commending the club women on their splendid judging. Miss Edwards also complimented the quality of the butter submitted for judging, calling attention to the few points where the specimens were weak. A weakness in point of flavor was shown in some specimens, which showed a sour flavor, a weakness in texture was shown by some, which showed a greasy texture. The specimens as a whole were well flavored, and

properly salted, and of the right pale straw color. The women who took part in the judging were attired correctly for this, their hair covered, and were in wash dresses. Most of the women showed the right attitude in the scoring by giving the reasons for scores set out on their cards.

The program was given by members of the various clubs and was introduced by Mrs. Bennett. Gladys Salmon, of Brice, gave a reading, showing very creditable rendition; Mrs. Holmes of Hulver followed, reading "Hafiz - or What it Takes to be Content"; Harry Tyler, of Indian Creek club, gave an appreciated reading on "Boys and Babies"; Tommie Lou Luttrell, from Lakeview, read Ella Wheeler Wilcox poem "Solitude"; J. G. McCanne, representing the Lesley club gave an enjoyable reading; followed by Demarius Giddens of Lodge, who gave a clever piano selection. Miss Dorothy B. Watson of Newlin, gave a selection called "Arithmetic" that brought a hearty response; Little Miss Fay Spivey, of Parnell gave a reading illustrated by appropriate gestures; Nathalee Hutchinson, of Salisbury, followed with a reading.

The parade of house dresses, worn by their makers, followed. According to Miss Ruby Adams there were 54 dresses in the parade, two of them made by the club girls, the others by the club women. They were made at a total cost of \$44.68, or an average cost of about 82c each. Fifty-seven dresses were entered, however, some of them did not have a complete record of work done and money spent. Time spent on the dresses was a total of 199 hours working time.

The dresses were of splendid wash materials, and showed fine judgment in planning color combinations and patterns. The workmanship was unusual, considering the average time spent in making, and the finishing was excellent. According to the rules, no dress was made following a purchased pattern, the contestants were required to make their own patterns, and many charming designs were shown.

Following the dress parade lovely gifts of boxed handkerchiefs were presented by Mrs. Bennett to the two judges and to Miss Adams in behalf of the county council of clubs.

The winners were then announced by Miss Edwards, in the girls dress contest Gladys Adams, of the Lesley Club won, being awarded a trip to College Station, where she will contest with other girls from over the state. Gladys spent 7 hours on her dress, at a cost of 95c for the material. The trip to College Station is given by a number of business concerns in Memphis.

In the butter judging contest, in which twenty entered, Mrs. Dewey Britt, of Hulver won getting a trip to A. & M. where she will compete in butter judging.

In the dress contest for women, Mrs. A. Gidden, the president of the Lodge club won, being awarded a trip to A. & M. She spent 2 1-2 hours on her dress, spending 88c on materials.

The second in the dress contest was Mrs. Fred Hemphill, of Newlin, who spent 7 1-2 hours on her dress, at a total cost of 85c, winning a \$5.00 prize.

Third in the contest, winning honorable mention, was Miss Lila Neal, of Lesley.

Miss Edwards spoke briefly on the dresses entered in the contest, complimenting the materials secured, and the fine workmanship in construction.

Pictures were then made of those entering the butter judging contest, and of the girls and women who entered the dress contest. Pictures will be made later of the winners of these contests.

## Guarantee Tires For 40,000 Miles At Local Station

A 40,000 mile guarantee on Star De Luxe tires is announced by the Victory Station.

"Eighteen months ago," said S. L. Seago, "the Hicks Rubber Company announced the purchase of the Star Rubber Company. At that time, it was the sole purpose of the Hicks Rubber Company to produce the greatest tire the world has ever known. The performance of the Star tire has spoken for itself.

"In evidence of our confidence in the product which we have produced, we are making this other announcement—an announcement which should be of vital interest to every car owner: we are now in a position to give a 40,000 mile guarantee on Star De Luxe tires.

"Now that Hicks controls the manufacture of Star tires, we can guarantee them; now that Star De Luxe tires are setting up such impressive mileage records, we back them with a 40,000 mile guarantee.

"This guarantee is not only against defects in material and workmanship, but covers stone bruises, carcass breaks and many other things which cause tires to go out of use prematurely.

"It is our sincere conviction, based on our knowledge of the costliest materials in Star De Luxe and the remarkable performance of these tires, that 40,000 miles is the least mileage the motorist may expect from this Hicks-Built product."

Mr. and Mrs. Clifford Moses of West Noel Street, are the proud parents of a fine baby boy, who arrived Saturday morning. The grandparents, Mr. and Mrs. L. L. Moses are particularly proud of their first grandchild.

Miss Shirley Green returned Saturday from school in Lawrence, Kansas.

Misses Lois Enid Moses and Johnnie Wilson visited in Clarendon Sunday.

Walter Whaley, of Estelline was a Memphis visitor Saturday.
