## Cross Work Started Here

Cross was to 131,000 in 1935, and in 1936 it is expected to reach 150,000. The work of the Red Cross is to help the victims of disasters, to care for the sick and wounded, and to provide relief for the needy.

## NON-JURY CASES HEARD IN COURT

Six Guilty Pleas Are Heard By Judge Vallance; Liquor Counts Head Docket

Action in county court here this week was light, as the second week of the October term was disposed of. Not a single jury case was heard this week, and the court labors were confined to the hearing of guilty pleas by County Judge Jim Vallance.

Six pleas of guilt were accepted by the court this week, and light fines were assessed. Hank Martin pleaded guilty to two charges, one a charge of drunkenness and the other the possession of un-taxed whiskey. On the first count he drew a fine of \$1 and costs, and on the other he was assessed a fine of \$10 and costs.

Hughel Thomson, pleading guilty to charges of swindling with a worthless check, was fined \$1 and costs of court.

Thurman Baker was fined \$1 and court costs on a plea of guilty to a charge of drunkenness.

Raymond Archer, charged with the unlawful possession of un-taxed whiskey, entered a plea of guilty and was fined \$10 and costs of court. Doyle Dunn, faced with a similar charge, drew a \$10 fine plus the court claims.

Judge Vallance stated that it is unlikely that any jury cases will be heard next week.

## AGED HEDLEY MAN TAKEN BY DEATH SUNDAY

Funeral Services For John Ward, 65, Are Spoken

John Ward, 65 years of age, died at the home of a sister, Mrs. B. N. Stewart, near Hedley Sunday night at 8:15 o'clock, following an illness of four days brought on by a stroke of apoplexy.

Funeral services for the Donley County man were conducted at 1:30 o'clock Monday afternoon, October 26, at Hedley. The final rites were conducted by Wallace Layton, Church of Christ minister from Clarendon, assisted by Rev. A. V. Hendrix, Methodist minister in the Rowe Cemetery at Hedley with the Hodges Funeral Home, Memphis, conducting.

Pallbearers were Ed Butler, W. B. Lawrence, Charles Bennett, A. M. Saunders, E. H. Walker, C. R. Hunsaker, Flower bearers were Misses Madge Richerson, Myrtle Reeves, and Pauline Boliver.

Mr. Ward moved to Donley County in 1917 from Ellis County, where he was born, and had

There will be no election party at The Democrat office next Tuesday night, it has been announced in answer to several inquiries.

It is felt by the publishers of the paper that because of lack of competition in any of the races in this county and the state being overwhelmingly democratic an election party would not be justified. The election so far as Hall County is concerned is a foregone conclusion, it is felt.

## The 1936 Red Cross Poster

American Red Cross

THIS year's American Red Cross poster emphasizes the theme that the Red Cross is "of, by and for the people."

Four million men and women are members of the Red Cross and through their membership dues they support its activities. Only in time of major disaster when needs for relief reach great proportions does the Red Cross ask the public for disaster relief funds. The membership funds represent the financial support of the

## Lakeview Farmer Finds Raising of Hens Profitable

Jack Morgan, farmer of near Lakeview, is one Hall County farmer who has a flock of chickens which is proving its worth.

During the week of October 17, Mr. Morgan sold 45 dozen eggs from his flock of approximately 170 hens and pullets. This did not include the eggs used for home consumption.

Mr. Morgan reports that his flock of white Leghorns are producing from 50 to 80 eggs per day.

Eggs, incidentally, are worth about three cents each.

## Orion W. Carter Main Speaker at Rotary Luncheon

Special Train To Grid Contest Not To Be Run Tonite

Plans for running a special train to Wellington tonight for the Memphis Cyclone-Wellington Sky-rockets football game did not materialize, W. C. Davis, city superintendent here, stated. "We could not come to terms with the railroad officials," Mr. Davis said.

"However," Mr. Davis stated, "we are planning for at least 200 Hall County football fans to attend the game in Wellington tonight."

Several Wellington citizens were in Memphis this week in the interests of advertising the football game, and they stated that a special program is being planned for tonight. The Collingsworth County fans are looking for a real football game tonight, inasmuch as Wellington has not won over Memphis in the past six years, it was reported.

## Schools of Memphis, Fairview Are Voted To Be Consolidated

By a majority of only three votes, the Memphis Independent School District and the Fairview Common School District were voted to become consolidated Tuesday of this week as voters of the two school districts went to the polls and cast ballots in a called school election.

It was also voted in both districts for the consolidated district to assume the bonded indebtedness of the Memphis Independent School District and of the Fairview Common School District.

The vote in Memphis on consolidation was 139 favoring the consolidation and 13 against consolidation. The Fairview vote was 12 for and 9 against the consolidation.

Memphis tax-payers voted 131 to 20 in favor of the assumption of the bonded indebtedness, and the Fairview vote was 10 to 6 in favor of the issue.

In order for the merging of the two schools to become effective, it was necessary for a majority of the votes to favor the consolidation in each of the two districts.

The actual consolidation of the two schools will take place after the Hall County Commissioners Court meets and canvasses the election returns. It is thought that an extraordinary session of the court will be held shortly for the ballot count. Buses from Memphis to Fairview will be operated as soon as the county school board approves a bus route.

## Sends Old Rifle To Santa Fe, New Mexico, Tuesday

Mrs. Frances Anthony of this city this week shipped a rifle to Dan H. Taichert, Santa Fe, New Mexico.

The rifle was the property of A. Roberts, now deceased, and it was handed down to him by his father. It is thought by the children of A. Roberts that the rifle is at least 75 years old.

The gun weighs fourteen and three-fourth pounds, and is the old style cap and ball, long barrel rifle, like those used by hunters of Indians and buffalo in the pioneer days.

## SCHOOLS TO GET MONEY INCREASE

First Of State Apportionment Checks Received; Gain In Enrollment Is Noted

The first state apportionment money was received in the county last week to be used to pay teachers' salaries, and a check of the records at the county school superintendent's office revealed that money will be received in Hall County for some 200 students more than last year.

Total enrollment in the county at present is 3,843, which compares with 3,669 last year. In addition to the 200 extra students, each Hall County scholastic will this year receive \$19 in state apportionment money instead of the usual \$16. This will mean quite an increase in state apportionment, but this may be offset by a decrease in the state aid funds, which are based on monetary need of the schools, Miss Vera Tops Gilreath, superintendent of public instruction in the county, pointed out.

Of the 3,843 students enrolled in the county, Memphis has 1,236. The other students are divided as follows: Estelline, 428; Turkey, 381; Lakeview, 285; Leesley, 134; all common schools, 1,379.

All schools in the county are now recessed for cotton picking, with the exceptions of the four main schools—Memphis, Turkey, Estelline, and Lakeview—and Pleasant Valley, Buffalo Flat, and Newlin.

Some \$3,585 in state apportionment money was received here by the county superintendent this week to be given the rural schools. This represents \$3 for each child in the 14 rural schools.

## TEACHER'S MEET HELD SATURDAY

Greenbelt Association Hears State Educator In Address On 'Teacher Retirement'

Miss Vera Tops Gilreath, county school superintendent; W. C. Davis, city school superintendent; Sam S. Cowan, Memphis; Lee Vardy, Turkey school superintendent; Miss Carrie Buchanan of Turkey, and Mr. and Mrs. L. B. Penick of Estelline were Hall County school officials who attended the Greenbelt Educational Association in Quanah last Saturday.

Childress was chosen as the meeting place for the next semi-annual convention, and A. W. Adams, superintendent of Children's schools, was elected president of the teachers' organization.

## County Stockmen To Show Colts In Event Tomorrow

The best horse and mule colts in the county will be concentrated in Memphis Saturday for the first county-wide colt show to be staged here in years, and it is expected that some 12 or 15 colts will be entered in the show.

Location of the colt show is the large lot belonging to the Harrison Hardware Co. directly behind the Harrison Hardware Store on North Sixth street.

The show is to be conducted in three divisions; namely, mule colts, light colts, and heavy colts. Three awards will be given in each division. No cash prizes will be given, but awards will be seasons and will be donated by the

jack and horse owners of the county. This does not include the government stallion at Estelline.

Judging will likely start immediately after lunch; and the judging will be done by Frank Ford, county agricultural agent of Armstrong County, who has had much work with livestock.

Precinct colt shows have been held at Lakeview and at Turkey. The shows are hindered at this time because of the great amount of work that all Hall County farmers have to do in their fields, but it is expected that a large number will turn out for the event tomorrow.

## OFFICIALS FOR HALL ELECTION ARE SELECTED

Court Lists Presiding Judges, Assistants of 16 Precincts

Following are the presiding judges and their assistants to serve in the 16 voting precincts of Hall County in the November 3rd general election as set by the Hall County Commissioners Court (the presiding judge is listed first in each instance):

No. 1 (Memphis)—Sam J. Hamilton, W. B. Funk, W. P. Watts, H. A. McCann.

No. 2 (Newlin)—Ben Gresham.

## PRESBYTERIANS SELECT PASTOR

Rev. E. C. Cargill of Seymour Is New Presbyterian Pastor; Will Arrive In City Soon

Rev. E. C. Cargill of Seymour has announced to the pulp committee and to members of the Memphis First Presbyterian Church that he will accept the pastorate here, left vacant when Dr. J. A. MacMillan went to Brady last March.

Rev. Cargill filled the pulpit at the Presbyterian Church here last Sunday, and the Presbyterian members extended him a unanimous invitation to accept the pastorate of the local church.

The Rev. Mr. Cargill will bring his wife to Memphis shortly from the Seymour church. They will not be here for the services Sunday. Rev. Cargill has been pastor of the First Presbyterian Church in Seymour for the past 14 years, and he is one of the civic and religious leaders of that city, it is said.

## FORMER CITIZEN IS BURIED HERE

A former resident of Memphis, Mrs. Jinnie McAlester Collins, 62, died at the home of her daughter, Mrs. Donley Brown, of Shamrock early Monday morning, October 26. She had been in ill health for several years and an attack of pneumonia last week proved fatal.

Funeral services for Mrs. Collins were conducted from the Fairview Cemetery in Memphis Tuesday morning, October 27, at 10 o'clock by the Rev. C. E. Jameson, pastor of the First Methodist Church of Shamrock and a former pastor of the Memphis First Methodist Church.

Mrs. Collins was born in Kentucky in 1873, and moved with her husband, Tommie L. McAlester, to Hall County from Fannin County, Texas, in 1905, and resided several years on the J. A. Montgomery farm near Eli. Mr. McAlester died here in 1916. Mrs. McAlester, who later married, moved with the children to Shamrock and had resided there since.

Survivors are five children: two daughters, Mrs. Brown and Mrs. Gertrude Dorman; and three sons, Rufus, Emmett and Frank McAlester.

## MRS. ADRIAN ODOM ILL

H. B. Estes went to Hereford Wednesday in a King Ambulance after Mrs. Adrian Odom, who is ill. She was brought to the Odom Sanitarium and underwent an appendix operation Tuesday morning. Mr. Odom accompanied her to Memphis.

## Sales Campaign of City Is Furthered

Memphis Chamber of Commerce officials have furthered the sales campaign for Memphis which began last week with a series of trips to towns and communities surrounding Memphis.

The trades campaign this week was advertised by trips to Quail, Lelia Lake, Hedley, Lakeview, Estelline, Newlin, Turkey, Plaska, and Eli.

Memphis merchants are co-operating in a campaign to increase the Memphis trade territory and to swell their volume of business.

### Gentlemen's Evening Is Observed By Blue Bonnet Needle Club October 27

The Blue Bonnet Needle Club observed Gentlemen's Evening Tuesday at the home of Mr. and Mrs. H. B. Gilmore with a dinner party.

The entertaining rooms were decorated in various Halloween emblems, in colors of black and orange, and lighted to present a "spooky" appearance.

For partners at dinner the guests drew tally cards in Halloween colors. On the back of each was a clever joke.

At 7:30 o'clock a lovely two course dinner was served at quarter tables laid with white linen cloths and centered with small flower pots holding orange blossoms. At the conclusion of the meal each one present was asked to read their joke.

After dinner the tables were arranged for the ever popular game of "42."

Those present were Mr. and Mrs. James Baird, Mr. and Mrs. Jack Boone, Mr. and Mrs. J. E. Chitwood, Mr. and Mrs. L. L. Doss, Dr. and Mrs. O. R. Goodall, Mr. and Mrs. Claud Johnson, Mr. and Mrs. H. H. ### Halloween Parade To Be Staged Here Saturday To Advertise P-T A Carnival

A colorful Halloween parade will be staged on the Memphis streets Saturday afternoon at 6 o'clock to attract attention to the large Halloween carnival that will be held at the West Ward school building Saturday night, sponsored by the West Ward P. T. A.

Every Halloween reveler in Memphis and vicinity is invited to take part in the parade, which will form at the school building at 6 o'clock. The parade will advance up Main street, around the square, and back to the West Ward building. All people are invited to parade whether in costume or not.

The carnival itself will start at 6:30 o'clock at the West Ward building, with an admission charge of 10 cents to everyone being made.

The school auditorium will be transformed into a house of mirth, with booths and shows being arranged. The carnival will feature the coronation of the Carnival Queen, who is to be elected by the student body.

Added attractions will be booths graced by live figures wearing death masks, gruesome music, and other "creepy" effects. Each booth is to be in charge of some teacher or room mother. Included will be old carnival favorite games, the fish pond, bingo, and a cake walk. A main program will be given during the evening, and confetti will be sold to lend reality to the atmosphere of Halloween.

### Hard-Time Party Is Given Tuesday By Mr. and Mrs. Burks

Mr. and Mrs. Clarence Burks on North Twelfth street entertained a group of friends Tuesday evening with a Hard-Time Party.

Games and dancing furnished diversions for the evening's entertainment. Appropriate refreshments were served by Mr. and Mrs. Burks to the following guests: Mr. and Mrs. Hirk Roberts, Mr. and Mrs. Tom Wood, Mr. and Mrs. Herschel Stewart, Mr. and Mrs. Thomas Hampton, Roy Paige, Alfred Burks, Ellis Veteto, Mary Etta Martin, Ruby Saylor, and Mrs. Major Wood.

### Miss Nelma Bishop Entertains With Bridge Party

Miss Nelma Bishop entertained with a delightful bridge party Saturday afternoon at her home, 821 South Sixth street.

The Halloween color scheme of black and orange was carried out in the table appointments and the refreshments.

In the games Miss Margaret Milan made high score and was presented with a set of colonial pictures.

Orange colored marigolds in black vases formed a centerpiece for the refreshment tables, where the guests were seated. Osgood pie topped with whipped cream and coffee were served to Miss Ella Louise Chenault, Miss Mildred Vaughn, Miss Beulah Patton, Miss Lorena Prunty of Paducah, Miss Eloise Norman, Miss Frankie Barnes, Miss Jewel Keenan, Miss Margaret Milan, and Mrs. Jack Jarrell.

### Mrs. Easterling Jr. Entertains Friends With Bridge Party

Mrs. T. R. Easterling Jr. entertained two tables at bridge Thursday afternoon of last week at the Easterling home, 115 North Fourteenth street.

Halloween decorations were used in the entertaining rooms and were further emphasized in the bridge accessories.

At the conclusion of the bridge games, Mrs. Robert Roark was awarded the high score prize and Mrs. Lawson Brown the floating prize.

During the social hour an attractive salad course was served by the hostess to Mrs. Clay Crow, Mrs. Chas. Champion, Mrs. Harry Womack, Mrs. Leon Piland, Mrs. Carl Gerlach, Mrs. Robert Roark, and Mrs. Lawson Brown. On each plate was a pumpkin-shaped mint cup with a black cat attached, filled with assorted candies.

J. H. Codd returned Monday from a business trip to Corpus Christi.

**Predict That Lead in County For Roosevelt-Garner Will Be More Than 23 To 1**

Compilation of vote estimates from Democratic county chairmen in 28 Panhandle counties, made this week by state headquarters, showed those counties will give Roosevelt-Garner electors seven to one lead over Republican electors.

The estimated majority of the Democratic votes in Hall County was 23 to 1.

Tabulation of reports from county chairmen in 142 Texas counties, including all of the state's largest except Bexar and El Paso, show a prospective total vote in those counties as follows: Democratic, 480,326; Republican, 91,932; others, 16,596.

Dr. T. M. Montgomery, Democratic county chairman of Potter County predicted a total vote there of 6,000 votes, with 5,000 Democratic, 800 Republican and 200 scattered.

The Gray County vote was estimated at 4,500, distributed as follows: Democratic, 3,625; Republican, 725; others, 150.

Childress County should poll 3,000 votes, with 2,500 Democratic and 100 Republican, J. Ross Bell, the county chairman there, predicted.

Hale County's total should be 3,000 with 2,500 Democratic, 300 Republican, and 200 scattered, County Chairman Frank R. Day estimated.

County chairman in the other 24 Panhandle counties from which reports have been received here estimated as follows:

Hansford, 850 Democratic, 100

Republican; Oldham, 575 Democratic, 20 Republican; Farmer, 1,350 Democratic, 100 Republican; Hartley, 645 Democratic, 95 Republican; Randall, 1,350 Democratic, 225 Republican; Lipscomb, 800 Democratic, 300 Republican; Hemphill, 1,300 Democratic, 300 Republican; Donley, 1,200 Democratic, 250 Republican; Castro, 900 Democratic, 90 Republican; Swisher, 1,690 Democratic, 190 Republican; Hall, 2,350 Democratic, 100 Republican; Floyd, 1,300 Democratic, 450 Republican; Motley, 1,000 Democratic; 75 Republican; Cottle, 1,100 Democratic, 300 Republican; Cochran, 1,000 to 30; Bailey, 1,200 to 300; Dickens, 1,900 to 50; Garza, 1,000 to 200; Lynn, 1,500 to 500; Terry, 2,160 to 200; and Kent, 975 to 25; Doherty, 500 Democratic, 75 Republican; Sherman, 250 Democratic, 50 Republican.

## KIDNEY TROUBLE RELIEVED AND GENERAL HEALTH IMPROVED

Caretaker in Sweetwater Church Now Sleeps and Eats Well — All Sluggishness Gone

Practically all bodily ailments grow progressively worse when not correctly treated and have a tendency to lead to other disorders. That was the experience of Mr. Lawrence Penn, 310 Orange Street, Sweetwater, Texas. His first trouble was with his kidneys, this trouble becoming so severe that he could hardly sleep nights, having to get up 3 or 4 times every night. Indigestion and a general run down condition developed until he could hardly keep going. Williams S.L.K. Formula has given him real relief as expressed in his own words:

"No pains, no burning sensation, almost eliminated getting up nights. I sleep better than I have in a long time and my appetite is improving. All sluggishness has disappeared."

Williams S.L.K. Formula is recommended for kidney, liver and stomach disorders, the symptoms of which include lame back, distress after eating, headaches, a tired, run-down feeling and many others. Keep your kidneys, liver, and stomach healthy and nature will do the rest. You can get Williams S.L.K. Formula at Tarver's Pharmacy with the positive guarantee that if you are not entirely satisfied with your very first bottle your money will be refunded.—Adv.

## Starts Campaign Of Education For Control of Cancer

The American Society for the Control of Cancer, whose headquarters are in New York City, is starting a new nation wide campaign of education. It is organizing what it calls a "Woman's Field Army" to establish local units throughout the United States for the purpose of informing the public as to how it may best protect itself against cancer.

Those who have given the subject most thought estimate that from 50 to 65 per cent of the 130,000 deaths which occur each year from cancer in the United States (and the number is constantly increasing) are needless deaths and are due to ignorance and neglect. The purpose of the American Society for the Control of Cancer is to try to reduce this needless cancer mortality through education in regard to cancer.

The chairman of the Texas division of the Woman's Field Army is Mrs. Jos. M. Perkins of Eastland, at present President of the sixth district of the Texas Federation of Woman's Clubs.

The national directors are Mrs. Marjorie B. Illig of Onset, Massachusetts, field representative, and Grace Morrison Poole of Rye Beach, New Jersey, counselor. Both of these women have done distinguished work in the councils of the National Federation of Woman's Clubs.

Mrs. Perkins will issue a call in the near future for an organization in some central city, probably Dallas or Fort Worth, and a membership drive will be started in March.

The activities of the Woman's Field Army will be carried on with the cooperation and advice of the various state and local medical organizations.

Mrs. T. C. Delaney of Lubbock arrived Monday for a two-week visit with her son, Harry Delaney, and family.

## SHOULD ADOPT AMENDMENT 4

**Governor Allred Makes Plea to Voters To Remove Pardon Power From Governor**

AUSTIN, Oct. 28.—A plea to Texas voters to adopt Amendment Number Four on the November 3rd ballot, was made here this week by Governor James V. Allred.

This proposed Constitutional Amendment would remove pardoning power from the hands of the Governor to those of a non-political, non-partisan board. At the present time the Governor has absolute power in clemency matters.

"It is not fair to the convict nor to the public," Gov. Allred said, "and no governor has the time to give the proper attention to each case. It is a full-time job and every convict's case should be subject to review without the necessity of bringing influence to bear. Prior to my election as governor I advocated this change in our basic law and since I have been in the office I am more convinced than ever that it should be adopted."

The Governor pointed out that during his administration criticism had greatly diminished but that the system inaugurated of having a board pass on meritorious cases

could be better insured by adoption of Amendment No. Four on the ballot.

"In my opinion," the Governor continued, "the case of each inmate in the penitentiary should be subject to review automatically at the proper time. This would be possible if this Amendment is adopted. I appeal to the people of Texas to give this proposal their most earnest consideration and vote for its adoption. In so doing, this state will take a long step forward."

## BLACK-DRAUGHT Next Time You Need a Laxative

For constipation, take a dose of Black-Draught as soon as you realize the condition you are in. "If I am bilious, have a headache or a cold, I take a dose of Black-Draught at night," writes Mrs. R. D. Thaxton, of Lexington, Ga. "If I have a bad feeling after meals, I take just a pinch of Black-Draught. It relieves me. I recommend it very highly—a good family medicine. I give my children Syrup of Black-Draught. I find both good."

Black-Draught paves the way for the relief of many such symptoms as those mentioned above, when constipation is at the bottom of the trouble.

Just try it! Follow the directions carefully and you'll probably learn why Black-Draught is so popular.

OIL-PLATING DONE

CONOCO

HERE

(BUT BE SURE YOU READ ALL THE OTHER WINTER OIL ADS, TOO)

You will find most of the emphasis these days, on oil that flows freely.

Well and good. You SHOULD use your correct Winter grade, but... You can see that the more freely any oil flows, the more freely it FLOWS DOWN OFF the pistons, cylinders, and other parts when you stop.

Then in starting up cold, where is mere free-flowing oil?

It is waiting to be pumped up on the job. And even in much warmer weather than this—according to engineering opinion—those oil-starved waits can cost you more engine wear than all the rest of your driving!

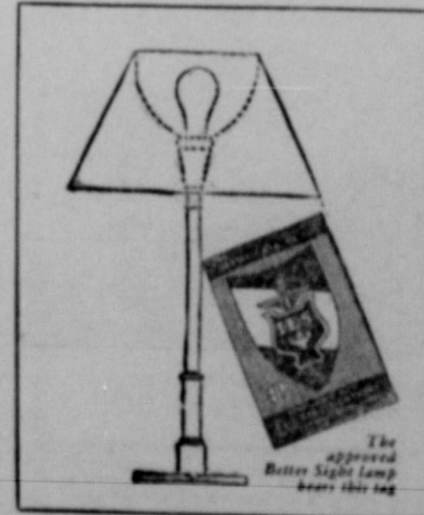

But this Winter with free-flowing Germ Processed oil, you can have your engine Oil-Plated! ... much more than a change to OUR Conoco Germ Processed oil... really a change to unbroken Winter lubrication for YOUR engine. It may stand cold for hours—days—weeks. Yet the slippery Oil-Plating formed only by patented Germ Processed oil, will always be UP IN ADVANCE. Pistons slip easy. Starter spins. Oil-Plated engine obliges—and lives the good life, on a stingy diet of Conoco Germ Processed oil. Continental Oil Company

### Building Is Hallmark of Beauty and Dignity

Bronze statues of the immortals of Texas history and a wealth of authentic Texana... set off by limpid flags and cotton cloudbanks, stands one of the most important features at the Texas Centennial Exposition in Dallas.

The yearbook this year will be similar to the one published last year and will feature photostatic work. A contract for the book has been let to the Steck Company of Austin.

The annual is to be financed by student sale and by school picnics and other entertainments. We shall not call on the local business men for aid in getting out the publication, Mr. Cowan said. The yearbook will not carry any advertising.

### LAKEVIEW

H. W. Blanks visited his son at Hedley last week, returning home Friday. A grandson, Leroy Planks, returned with him for a week-end visit at the home of Mrs. Jess Stanley and family.

#### School Dedication

Plans are being arranged for the staging of a dedication program for Lakeview's new high school building. The program will be of interest to all citizens of this section. A definite date has not been set, but it will be held on some Sunday in the near future. Lakeview's new high school building is much larger and better equipped than the school buildings of many towns that are larger than Lakeview.

Lyman Davenport, Lakeview hardware merchant, has been seriously ill at his home for the past two weeks. He is slowly improving but is still confined to his bed.

Mrs. Ina Boren, wife of J. H. Boren, local groceryman, underwent an operation at a Quannah hospital October 19. Her recovery is reported to be satisfactory, and it is expected that she will return to her home here within a day or two.

Richard G. Smith and Miss Viola Dunn of Lakeview surprised their friends and families by being married Friday evening, October 23. They were married at the residence of Rev. G. H. Gattis, who performed the sacred rites.

Mrs. Jack Allen and Jack Jr. were New Mexico prospectors last week. They accompanied their husband and father, Jack Allen Sr., who drives a truck, but found the trip not to their liking.

Mr. and Mrs. W. C. Veasy and Mr. and Mrs. Nealy Hudson of Clarendon were visitors in the homes of Mr. and Mrs. W. C. Wyatt and Mr. and Mrs. C. F. Srygley last Sunday.

Parker Floyd left Sunday for New Mexico on business.

Mr. and Mrs. Herbert Payne, local beauticians, spent Monday and Tuesday in Amarillo taking a course in their trade.

#### Out-Talks Dentist

S. A. Welch, local farmer, has been ill for two or three weeks. He is suffering from the result of having out-talked his dentist and having too many teeth extracted at one time.

Miss Flora Hood of Sulphur Springs has been employed at the local high school to teach business administration and typing.

Miss Corrine Lemrick visited home folks in Dallas last week. She accompanied several pupils and teachers who went to Dallas on the special train to the Centennial.

One of the busiest citizens of Lakeview these days is Rev. G. H. Gattis, pastor of the Methodist Church. He is closing out his year's work and getting ready for his conference, which meets in Houston next week. He will leave for the conference Monday. Next Sunday will be the closing day of the conference year and plans are being made for a good service at the Lakeview church. Everyone is invited to attend the services of the day.

Mr. and Mrs. J. A. Kutch and family are moving from this community this week. They will move to a farm near Memphis. They have many friends who will regret their going.

Lakeview gins had ginned 741 bales of cotton from this year's crop at the close of ginning on Monday night, October 26.

### Beauty & Bovine

Center of interest at the National Dairy show at the Texas Centennial Exposition in Dallas are members of farm royalty, Miss Lillian Heard of San Angelo, Texas, National Dairy Show Queen, and "Carnation Ormsby Butter King," \$100,000 champion of all cows in production of both milk and butter fat.

### WEBSTER

By Nell Cochrane  
Rev. Gattis filled his regular appointment here Sunday.

Among those from this community who attended the Centennial at Dallas last week were Mrs. C. A. Orrell, Nell Cochrane, Johnnie Hugh Steenson, Lottie and Augustine Mills, W. C. Wolfe and daughters Mozelle and Jessie, Noble Avery.

L. J. Robertson and son Earl made a business trip to East Texas last week. Leon Roan returned home with them for a short visit among friends here.

Mrs. Elmer Srygley and children, Ralph and Jack, were visitors here Sunday.

Louie Orrell has returned home from Santa Maria, Calif., where he has been working for the past several months.

Mrs. Floyd and sons and Mrs. Aubrey Martin and little daughter were Sunday guests of Mr. and Mrs. Allen Henry.

Mr. and Mrs. Tom Cochrane and children of Deep Lake were visitors in the J. P. Cochrane home Sunday afternoon.

Aubrey Martin was a guest in the C. F. Martin home Sunday.

Mr. and Mrs. J. H. Robertson and son Weldon and Harless Robertson left last week for a few days visit at the Dallas Centennial.

Mr. and Mrs. Collie and little daughter have returned from a two-week visit in East Texas.

### Red Cross—

(Continued from Page 1)

though at the close of the fiscal year relief work in the spring flood and tornado zones was not completed. Only nine states in the country escaped some type of catastrophe during the year, he said. Assistance also was given in disasters in insular territories.

"Since the Red Cross first began carrying out disaster relief 55 years ago," Mr. Moore said, "assistance in the form of food, clothing, medical aid, shelter, and rehabilitation of homes and families has been sent to more than 1,900 scenes of disaster, and during this time a total of more than \$109,500,000 has been expended in this work of mercy."

During the year, 256,988 ex-service men came to the Red Cross for some form of assistance, Mr. Moore reported. Through the same period, 222,693 persons were given instruction in first aid, bringing the total number of first aiders who have been trained by the Red Cross since 1910 to 1,173,494 persons. The life saving service also enrolled 80,961 persons as life savers after their completion of regular courses of instruction, while 10,339 persons were reappointed after additional instruction and examinations.

"The Red Cross carried out an extensive program for the improvement of health conditions throughout the United States," Mr. Moore said.

"Maternity and infant care was given by our nurses on islands off our coast, in isolated mountain

communities, and in drought stricken areas," Mr. Moore revealed. Red Cross nurses were also sent into a number of epidemics this year, including serious outbreaks of typhoid, meningitis, bronchial diseases following dust storms, pellagra, and scarlet fever."

During the year, 133,468 volunteers were on active duty giving a total of 1,707,220 hours during the year. These volunteers produced 685,074 garments; 4,355,719 surgical dressings; 16,773 Christmas bags for soldiers, sailors, and marines serving overseas; 342,274 pages of Braille printing for blind readers, and 8,136 pints of canned food for the needy.

"The Junior Red Cross made another great jump ahead this year," Mr. Moore declared. "The enrollment of school boys and girls in the Junior Red Cross increased greatly, reaching the impressive total of 8,351,298 children enrolled in 34,882 schools. Junior Red Cross work is now being carried on in Memphis, with L. C. Linn in charge."

Mrs. Emmett White of Plainview arrived in Memphis Wednesday to spend until Saturday with her mother, Mrs. S. E. Lewis. Mrs. White is the former Geraldine Lewis.

Mrs. J. L. Darby and Mrs. D. H. Echols and son Bill Darby were visitors in Memphis from Estelline yesterday.

Mrs. Tom Wood left Thursday for Corpus Christi where she will spend some ten days with her mother, Mrs. N. H. Brown.

### Teacher's Meet—

(Continued from page 1)

Some 225 school teachers and school officials from 13 counties attended the all-day session Saturday and heard a program of speeches which included an address by C. M. Wilson from the State Department of Education, Austin, who voiced advocacy of a proposed amendment to the Texas constitution providing a teacher retirement plan.

J. D. Wilson of Childress, district deputy state school superintendent, and several other leading educators spoke at the meeting.

W. C. Daves of Memphis is a director of the association.

Counties represented at the meeting were Hall, Dickens, Cottle, Kent, King, Collingsworth, Childress, Throckmorton, Motley, Haskell, Foard, Stonewall, and Hardeman.

resided in and near Hedley ever since.

Survivors are one brother, J. P. Ward of Fletcher, Okla.; and four sisters, Mrs. Joe Linesay of Hillsboro, Mrs. L. F. Stewart of McLean, Mrs. Etna Hawkins of Quanah, and Mrs. B. N. Stewart of Hedley.

James Hammond spent Sunday in Clovis, N. M., with his brother, John Hammond.

### Schools Of—

(Continued from page 1)

A route was set up and run by the Memphis school for a time this year.

The consolidation of the two schools will result in about 40 children being sent into the local schools. The Fairview school has not been in session this year, and a part of the children have been going to Lakeview and a part have been attending classes in Memphis.

The special school elections were called by County Judge Jim Vallance after being petitioned by qualified voters of Fairview and of Memphis.

Presiding judges for the election were Roscoe Ellerd of Fairview and H. A. McCanne of Memphis.

### Death Claims—

tery here with the Hodges Funeral Home directing.

Pallbearers were H. A. Whitefield, Walter White, V. L. Yarbrough, Joe C. Dickson, Ed McCreary, and C. E. Sweatt. Those in charge of the floral offerings were Mrs. Herman Vallance, Mrs. T. A. Everett, Mrs. R. D. Harrison, Mrs. Raymond Adcock, Mrs. Ellis Rogers, and Mrs. Bill Bredland.

Mr. Hawkins, a native Texan, was born on October 14, 1862, in Hamilton County, Texas. He resided there until he was a young man. He resided in Donley County for some time, living in the Hedley community; and moved to Hall County five years ago. He had conducted a small grocery establishment on Main street here since moving here five years ago.

Mr. Hawkins was a former minister of the Church of Christ, and had been affiliated with that religious organization for a half-century.

Survivors are the wife, Mrs. Cordelia Hawkins of Memphis; five daughters, Mrs. J. H. Jenkins of Westwood, Calif.; Mrs. E. F. Hairgrove of Memphis, Mrs. Arnold Weghorst of Walsenburg, Colo.; Mrs. H. E. Terry of Redwing, Colo.; and two sons, A. L. Hawkins of Trinidad and Claude G. Rives of Purcell, Okla.

Mrs. Jenkins was unable to attend the funeral. D. D. Banta of Norman, Okla., was among the relatives here for the final rites.

by the Moonlight," Dennis Walker, Horace Malone, Rayford Harris and Kermit Monzingo; chorus, "On the Range," and "The Stein Song" adapted to Memphis high school; all of which were roundly applauded.

Members of the Glee Club: A. J. Clark, Dennis Sanders, Harry Tyler, Bud Crump, Joe Miles Kinard, Billy Thompson, Dennis Walker, Horace Malone, Kermit Monzingo, Blackburn Montgomery, Cordelle Bayles, Rayford Harris, Robert Moss, Ralph Hill, Cecil Gatioway, Lester Smith, and Oren Smith.

Mrs. T. M. Potts spent Sunday at Lakeview with her sister, Mrs. David Davenport.

### Alf Landon Wins!

It was a Republican landslide when this feathered namesake of the G. O. P. nominee perched so fearlessly atop the Democratic Donkey, swept the boards in the Texas Centennial Exposition bantam show in Dallas and was named the prize bird of them all. His owner is W. L. Caskey, Topeka, a personal friend of Landon.

### Election Nov. 3—

(Continued from page 1)

be unopposed on the ticket, as the elections were the same as determined in either the first primary of July 25 or the second primary of August 22.

Because of the lack of county races, the voting in Hall County is not expected to be so large as it was in the Democratic primaries. Yet, it is thought that a large number of the qualified voters will cast ballots. Less than 50 absentee ballots were cast, Floyd Springer, county clerk, reported.

The voting strength of Hall County is approximately 3,400, and the number of votes polled in the Democratic primaries was well over 3,000.

The heated race between President Franklin Delano Roosevelt and Gov. Alf M. Landon of Kansas for the presidency is expected to draw large crowds to the polls; and the importance of the proposed constitutional amendments will increase the number of voters still further, it is believed.

There is no doubt as to the outcome of the Roosevelt-Landon race in Hall County, it is said, as Roosevelt is conceded a 20-to-1 lead here.

All qualified voters have been urged by election officials to register their sentiments at the polls next Tuesday.

Try a Democrat want-ad.

### Protect Expo from "Enemy" Planes

Keeping "enemy" planes away from the Texas Centennial Exposition in Dallas was the job of this 75 mm. anti-craft gun stationed in the Court of Independence at the World's Fair during Army day. The gun is from the 69th coast artillery of Galveston and "repelled" bombers and observation planes from Texas air fields.

lege of the ballot has been conferred care enough about that privilege to exercise it. According to the 1930 census, there are in the United States 72,943,624 people of 21 years and over. Yet in the largest of all elections, that of 1932, only 39,816,340 ballots were cast. There ought to be a 100 per cent election in 1936, not a 50 per cent election.

People who are always complaining about taxes and conditions may get some food for thought in Mr. Barton's statement. If 100 per cent of the voters would exercise the right of ballot, it might help in taking the control away from the favored few, and thus have a say in the tax matter. When non-voters are asked why they do not vote they give excuses such as: too busy making a living; not interested in politics; disgusted with existing conditions; lack of confidence in voters' power to improve conditions.

A friend brought the following bit of verse for publication. It was written by Congressman Jack Houston of Kansas, and is titled **THREE LONG YEARS.**

Republicans for three long years  
Have shed their coats and skins,  
and tears  
To tell their comrades how they  
feel  
Regarding Roosevelt's New  
Deal.  
For three long years they've played  
for votes  
But never mentioned 9-cent  
oats.  
They said this New Deal stuff is  
rotten  
But never speak of 4-cent cot-  
ton.  
For three long years they've wept  
aloud  
And cursed this money-spend-  
ing crowd.  
They say, of Liberty we're shorn  
But not a breath of 10-cent  
corn.  
For three long years they've yelled  
and raved;  
The Constitution must be  
saved!  
But with their puerile prate and  
prattle  
They sing no song of 2-cent  
cattle.  
For three long years they've  
been at sea  
But now they come to you and  
me  
And offer us—as bait for votes—  
More 2-cent steers and 9-cent  
oats.  
For three long years they've  
yelled and wailed

And tell us how the New Deal  
failed.  
They tell us how we're going to  
spoil  
But never mention 10-cent oil.  
For three long years they fumed  
and fret  
And hammered and slandered  
our New Deal set.  
They tell us all Roosevelt's a  
cheat  
But forgot to talk of two-bit  
wheat.  
They offer, as in days of old  
'A crown of thorns, a cross of  
gold'  
'A balanced budget' can you  
beat it?  
Well one thing's sure you can-  
not eat it.

## INCREASE IN FARM INCOME

CASH INCOME from farm production in 1935 in Texas was \$461,030,000, an increase of 57 per cent over the 1932 figure of \$294,358,000. Cash receipts for sales of principal Texas farm products constitute about 94 per cent of that. During the first seven months of 1936 these cash receipts were 19 per cent greater than during the same period in 1935, thus indicating a continued rise in Texas farm income for 1936, according to figures just released from Washington.

The extent to which the economic situation of Texas farms has improved since 1932 is indicated in part by comparing the 1932 and 1935 production volume of certain commodities, together with the cash income from those commodities.

Texas farmers produced approximately 4,500,000 bales of cotton and 2,006,000 tons of seed in 1932 for which they received a cash return of \$152,463,000. For their 1935 cotton crop, smaller than that of 1932 by about 1,544,000 bales and 690,000 tons of seed, they realized a cash income of \$238,492,000 including about \$9,617,000 in price adjustment payments and \$47,411,000 in rental and benefit payments. The 1935 income was, therefore, larger than the 1932 income by \$86,029,000 or 56 per cent.

Beef producers in this state likewise saw a substantial rise in their cash income from 1932 to 1935, in spite of a marked decrease in production. Dairymen in Texas also profited by a marked income increase.

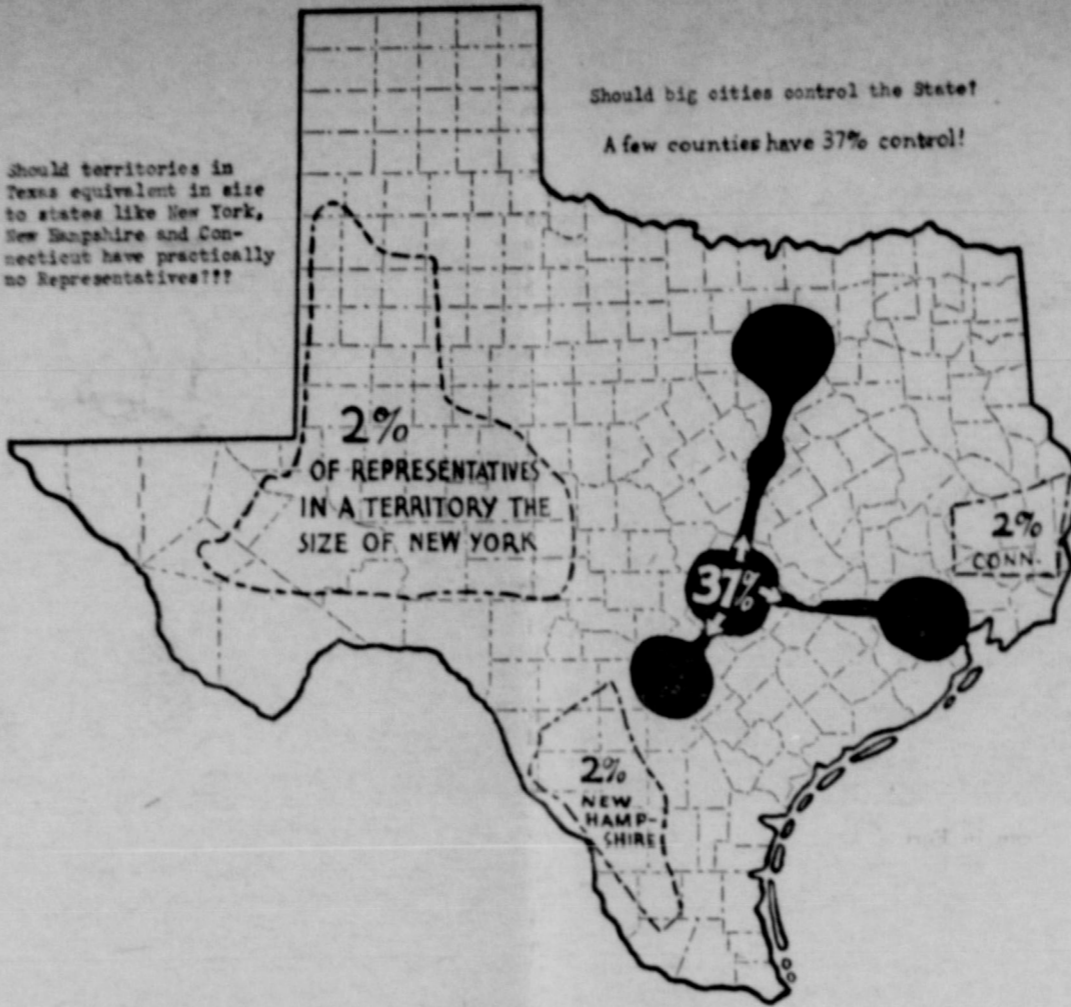

The Texas corn-hog farmers in 1935, as measured by the increased cash returns from production, are much improved over what they were three years earlier. Wheat producers received 80 per cent more cash in 1935 than they did in 1932 when the crop was more than double the 1932 crop.

Cash income from other important farm products showed encouraging upturns in 1935 over that of 1932.

Analyzing the report of increase in price of all farm commodities in 1935 over that of 1932, one may see in it an encouraging future for agriculture as well as strong reason for supporting and continuing the present administration.

## IT'S ALWAYS WARM IN THE "Focused Comfort Zone"

You need not shiver on cold mornings when you have a Coleman Oil Burning Heater in your home. Nor lack for warmth when zero weather and biting winds send the mercury into a nose dive. Just open the Heat-A-Justor Doors and instantly penetrating radiant heat streams out; there's a "Focused Comfort Zone" where it's always warm and cozy.

By adjusting the doors you can send the heat where you want it. Meanwhile your Coleman circulates heated air to warm the room. This is only one of the advantages of the Coleman Oil Heater, which makes it the biggest heater value on the market today. You get—

1. A BIG VOLUME OF HEAT. Tremendous air circulation carries heat farther. Keeps floors warmer.
2. FOCUSED COMFORT ZONE OF radiant heat is ready to warm you when you open Heat-A-Justor Doors. Heat can be FOCUSED where you need it.
3. CLEAN, CAREFREE HEAT AT LOW COST. Burns low cost No. 1 Light Domestic Fuel Oil. No dirt, no mess. 85% to 90% of heat from fuel goes to keep you warm. More economical.
4. BETTER APPEARANCE. "America's Most Beautiful Oil Heater." Two-tone brown Duroplastic Enamel. Will not crack or chip. More durable than porcelain.

**WILL BE SHOWN  
HERE NOV. 7TH**

The finest Chevrolets in the Company's quarter-century of automobile manufacturing will make their bow here and throughout the country on Nov. 7, Tomie M. Potts, of the Potts Chevrolet Co., Chevrolet dealers, announced this week, upon his return from Oklahoma City where 1,200 dealers and salesmen from this section obtained official news of the new product from R. C. Pittman, manager of the Oklahoma City Zone, and members of his staff.

Mr. Pittman has just returned from Detroit where 1,000 members of Chevrolet's wholesale organization from coast to coast spent four days inspecting and driving the new car and reviewing with factory executives the program to be followed in presenting it. The new models adhere closely to time-tried Chevrolet engineering principles, he reported, but combine greater power, economy, safety, and durability with striking new beauty and grace.

M. E. Coyle, president and general manager of Chevrolet, announced during the convention that the Company had shattered all previous records during 1936, selling more cars and more trucks than in previous years in history, and leading the world in sales for the seventh time in the last ten years. The total for the year will exceed 1,125,000 units, he said, and the objectives for 1937 is 1,200,000.

**CARDUI**

Helped Three Times  
At three different times, Cardui has helped Mrs. Ike Wright, of Sealy, Texas. "I used Cardui, when a girl, for cramps, and it helped then," she writes. Next, after marriage, she reports having taken Cardui when she felt weak, nervous and restless before her children were born.  
And during middle life, it helped her again. "I was miserable," she explains. "I did not have an appetite. I was very blue and upset. I remembered Cardui had helped me, so took it again and soon began to pick up. I ate and had more strength. I kept up the Cardui and did not have any more trouble. Is it any wonder that I recommend Cardui to all my friends?"  
Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

# Memphis, Wellington Grid Teams To Clash Tomorrow

## CYCLONE WILL TRY TO DROP 'BREAKS' JINX

Wellington Has One Of Fastest Teams Of District 3B

Twenty-three Memphis High School football players, accompanied by Coaches Chesty Walker and Frank Hubbell and Managers Jack Walker and Jack Callahan, will leave in cars this afternoon for Wellington, where they will engage the Wellington High School Skyrocks in a crucial conference football contest to-night under the high arc lights on rejuvenated Powell Field, historical Wellington gridiron.

Those who will make the trip are Ben Smith, Horace Malone, James Evans, Blackmon Montgomery, R. C. Vinson, ends; John Harris, Dennis Sanders, Buck Gillenwater, Louie Smith, tackles; A. J. Clark, A. G. Callahan, Paul Dodson, Chester Wattenbarger, guards; Benjie Estes, center; Leroy Robertson, Zeb Moore, Talmage Pounds, John Gilreath, J. R. Sanders, halfbacks; Pat Noel, Dennis Walker, quarterbacks; Billy Hall, and Gordon Hagemeier, fullbacks.

**Cyclone Seeks Win**  
Smarting from three consecutive important conference losses, the Cyclone will attempt to make up for the defeats in part tonight by striving to win over the touted "Rockets." The Wellington grid machine has not lost a single game since Wheeler upset the dope to score a close win over Wellington early in the season. The setback is the only one that the powerful "Rocket" crew has suffered this year.

Coach Chesty Walker's boys have already won over one former All-Southwest Conference man's team (Paducah) this year, and tonight they will be seeking another win over an ex-Southwest Conference luminary's team. Joe Coleman of T. C. U. coaches the Skyrocks.

**Team in Shape**  
Memphis' team will be in comparatively good condition for the battle tonight. Benjie Estes at center, Leroy Robertson and Talmage Pounds, halves, and James Evans, ends, are ailing but will be able to start the game. Coach Walker is expecting the game with Wellington to be the stiffest of the year, but he has hopes of winning the encounter despite the "dope."

Wellington last week defeated McLean 24-0, and the McLean Tigers had previously defeated Memphis by a heavy score. Wellington has a speedy, well-rounded team, boasting six backfield men who can run 100 yards in about 10 seconds.

**Starting Line-ups**  
The probable starting line-ups: Memphis—Estes (c-c), center; Dodson and Clark, guards; Harris and Sanders, tackles; Evans and Malone (c-c), ends; Pounds and Robertson, halfbacks; Walker (c-c), quarter; Hall, full.

Wellington—Fulton, center; Shields and Sullivan, guards; Blasingame and McClure, tackles; Clements and Fuson, ends; Parker and Estes, halfbacks; Austin, quarter; Bailey, full.

A large delegation of Memphis football fans, headed by the pep squad, drum corps, and band, will attend the grid game.

## Cub Onslaught Is Costly To Turkey In Football Game

**Special To The Democrat**  
ESTELLINE, Oct. 28.—The Estelline High School Bear Cubs registered a decisive defeat over the invading Turkey Turks here last Friday afternoon by a score of 27 to 0.

Although making seven first downs, the Cubs failed to tally until the second period when a pass over the goal line by Leatherwood was completed by S. Adams.

A 25-yard pass in the third quarter was good for the second touchdown. Two touchdowns were made in the final quarter by running plays.

The Estelline team made a total of 22 first downs to six for the Turks. Estelline completely outplayed the Turkey eleven, which had been undefeated heretofore this year and which is a strong contender in the district 4B football conference.

## the Bench Player..

The Memphis Cyclone is definitely the "hard luck" team of the conference. Memphis had the best team on the field in the past three conference football games, yet lost all three games—two of them by big scores. Memphis outplayed and made more first downs than McLean, Wheeler, and Shamrock, but lost all three games. The answer is in the slowness of the Cyclone. There isn't a single fast man on the squad, and this lack of speed hurts the Black and Gold worse on the defense than it does on the offense.

Several Shamrock fans admitted that Memphis had the best team last Friday night. Coach G. B. Rush of Shamrock told Coach Chesty Walker after the game: "Well, you had the best team tonight; I was mighty lucky to win. I've seen the last three games you played and saw what rotten luck Memphis had. I was afraid the luck would change on me."

The sports writer of the Shamrock Texan declares that Memphis has the most dangerous offense in the district.

Fred Williams, editor and publisher of the Clarendon News, conducts a guessing contest for all football fans. The fans guess at the winners of all surrounding grid games and the total scores. Not a single person guessed that Wheeler would defeat Memphis when the two teams met, Williams says.

And now Dick Cooke makes the Bench Player feel sheepish—in view of his statements concerning Mr. Cooke last week—with an open championing of the Memphis team. Or, was it irony when he penned the following: "Remember that I am not forecasting and for you who have been smugly asking how Memphis is doing, I will say not bad. It's not every club that can lose 63 points in two games. I have always known that there were a few people in Memphis who didn't care for me, but the idea of a whole team deliberately throwing me down after I had picked them for a possible winner is just too much. Just for that, I am going to pick the Cyclone against Shamrock, Wellington, and Clarendon and bet you they don't win another game."

The game Friday relieved the Bench Player on at least one point. He now knows whom he is going to place on one of the halfback positions or his All-District football team. The back is the same burly-built, beefy individual who scored three touchdowns against Memphis and who cried like a small child during the intermission at the half because he was so peeved at the Cyclone.

Memphis has perhaps the snappiest pep squad in the district. Outfitted in beautiful and striking black and gold uniforms and led by the girls' drum corps, the pep squad is a "natural." And Memphis' little drum major is "tops." Rebecca Ray Weaver is her name, and she can prance like a two-year-old filly. She is only 12 years old, they say; but she'd pass for 13. She's all there from her tiny, bobbing feet to her perky, freckled nose.

The Memphis band is also said to have one of the best drum majors in this section. He is modest, unassuming "Dink" Gerlach. Bandmaster Milam says there is not a drum major in this part who can twirl a baton nearly so fast and tricky as the Memphis youth.

A good drum major, Milam says, is one who is so cocky, conceited, and "prissy" that every red-blooded man wants to knock him down and stomp him.

The Amarillo News-Globe's sports prognosticator last week picked Wheeler to win this district. The Bench Player now believes that the championship (you'll notice that he changes his pick every week) lies between Shamrock and Wellington. Shamrock, Wellington, McLean, and Memphis have better teams than Wheeler, this writer believes. Shamrock has a stronger team than either McLean or Wheeler. The two strongest teams are Wellington and Shamrock, with the better team a toss-up. Since Mem-

## WHEELER AND M'LEAN FOCUS OF GRID SPOT

Memphis - Wellington Scrap Also To Be In Limelight

The McLean Tigers will leave their lair tonight to engage the Wheeler Mustangs in the main battle on the District 3B football card of this week. The encounter brings together two teams that are still in the running for district honors, and one of the teams will probably be knocked from the pennant chase tonight.

McLean lost a hard-fought battle to the powerful Wellington Skyrocks last week in Wellington, and the high-flying Mustangs experienced the greatest difficulty in eking out a 7-6 win over the cellarite Lakeview crew.

The Memphis Cyclone versus the Wellington Skyrocks set to will be of general interest to the conference, as Wellington is conceded a good chance of winning the conference and Memphis has a dangerous team.

The Skyrocks were victorious over McLean last week, while the Cyclone continued its "hard luck" streak by dropping a thrilling encounter to the Irish from Shamrock.

Fans of this section will be keenly interested in the Clarendon-Lakeview game that is to be played at Clarendon tonight, and not a few are picking the Eagles to down the Clarendon Bronchos.

Clarendon last week won a 6-0 affray over the straggling Mobeetie Hornets, while Lakeview was holding the Mustangs to a 7-6 game. Mobeetie will play at Lefors tonight in a game which will lift one of the teams from the cellar. The Irishmen will rest on their laurels this week.

## Special Train Run From Shamrock to Memphis For Game

Approximately 300 Shamrock football fans were brought to the Memphis-Shamrock football game last Friday by a special train. The large delegation of Shamrock boosters, headed by a large high school band, arrived in Memphis at about 7 o'clock. The train unloaded near the football field.

The football special was the first to be run to Memphis from Memphis in some time. The round-trip on the train was \$1.35. The special was arranged by 12 prominent Shamrock citizens.

Memphis has lost three games, it is imprudent to list her as the strongest team.

There was probably more whiskey drunk at the football game here Friday night than at all of the preceding games played here this year.

Mr. Jimmie G'entine, The Wellington Leader. Dear Jimmie:

I was glad to note that Wellington beat McLean last Friday night by four touchdowns, as that will reflect that much more glory on the Cyclone when she beats your team tonight. You might be interested to know that Arval Montgomery of the Shamrock Texan and I were two who picked the Skyrocks to win.

I wrote you some time ago that the Memphis team and a bunch of fans would be over tonight to take your boys into camp. You acknowledged the letter and said not to have any boys get their legs broken in order that we might have an excuse in case of a defeat. We are keeping it a secret that we have four men, all first-stringers, hurt, as we don't want your men to get over-confident.

We'll be there early tonight. Does your town honor press passes?

Sincerely yours,  
The Bench Player.

P. S. I'll wager a drink that Memphis makes more first downs than Wellington makes.

James E. King and J. P. Watson spent from Saturday until Tuesday in Dallas on business and attending the Centennial.

## Shamrock Wins Heated Grid Game From Locals

The Powerful Irishmen from Shamrock courted the football gods to emerge with a 24-13 victory over the demonic Memphis High School Cyclone football team in as thrilling a grid game as ever seen on Cyclone Field last Friday night. An estimated crowd of 1,000, fully 400 of whom were from Shamrock, braved the cold weather and thrilled to the titanic struggle which ensued on the gridiron, as the Irishmen entrenched themselves as a strong championship contender by defeating the Black and Gold gridsters in a high-light conference encounter.

The dieties of the football war smiled on the Irish throughout the game, as the wearers of the Green and White won the combat largely through "breaks." A 70-yard "fluke" pass by Shamrock and a fumble by the Cyclone while on a touchdown drive were important factors in the Irish victory.

**Rook Stars**  
Standing out in the game was Capt. Rook of the Shamrock club, 185-pound fleet-footed, hard-running, sure-tackling halfback. Rook was a powerhouse on both the offense and defense and kept his teammates at fighting pitch. Cantrell, 160-pound full; Drake, quarter; King, tackle; and Brothers, center, were stellar players for the victors.

**Drive Is Halted**  
Moore and Hall picked up a first down with off-tackle plunges, and Walker took Hall's aerial for another. Moore and Hall rammed for another on the Shamrock 16-yard line. On the next play Pounds fumbled and Shamrock recovered on her 19 to halt the touchdown drive of the Cyclone machine.

**Wings Play Well**  
An outstanding feature of the game was the beautiful end play of the Cyclone wings. They boxed the speedy Irish backs in on every down, and all of the yardage made by the enemy was on cutbacks, center smashes, and passes. Memphis' passing attack worked well at times, with Hall doing the chunking and Walker the snaring.

Bill Hall, little 133-pound Cyclone fullback, scored both touchdowns for Memphis. The flat-footed little lad's low drives made yardage on almost every attempt. Pounds had been out of practice for three days because of a bad knee, but his stellar play belied his injury. Rook and Cantrell were the ace ball-toters for the visitors.

**Shamrock Scores**  
Shamrock scored first on a 15-yard pass early in the second quarter over Robertson. The first quarter had been played in mid-field largely, with the Cyclone outscoring Shamrock in the matter of first downs. The Irish, however, took advantage of a bad kick late in the first quarter, getting the ball on Memphis' 37-yard stripe.

On a lateral, Cantrell went around the Memphis left end for 27 yards as the quarter ended. The fighting Cyclone line held the rampaging plunges of Rook, Drake, and Cantrell on three bucks for no gain; and then Drake took an easy toss to score, having worked himself behind the Memphis right half when the Cyclone was playing almost an eight-man line. Try for point failed, and the score was 6-0.

**67-Yard Run**  
Memphis took the kick, made a first down, and then Brothers intercepted Hall's pass on the Memphis 33. On the next play Drake ran through the center of the Memphis line for 67 yards and a touchdown, with two Memphis men trailing after him but unable to overhaul him. Brothers missed another attempt at conversion. Score 12-0.

Evans returned the kick to his 31. Pounds skirted right end for 25 and a first. Hall and Pounds picked up a couple more firsts, and a pass to Walker gained another. Pounds, his legs pumping like pistons, drove it to the four, from where Hall rammed it over. Walker kicked goal. Score 12-7.

**"Fluke" Pass**  
The football Father caressed the heavy-stubbed cheeks of the port-

ly Shamrock Irish on the next play when a pass bounded off Pounds' shoulder pads and was plucked out of the air by the alert Rook, who scampered 45 yards to a touchdown. Rook's try for point was blocked. Score 18-7.

Memphis' next drive was frustrated in midfield when the stocky Rook intercepted a Cyclone heave on the Black and Gold 45. The half ended shortly thereafter. Score 18-7.

**Third Quarter**  
As the third quarter opened, Robertson returned the kick to the 36. Pounds and Hall formed the spearhead of the Memphis attack which netted first down after first down, to place the ball on the one-yard line. Hall smacked it across, and Walker's kick was wide. Score 18-13.

Shamrock displayed her best brand of football immediately following, and the mighty Rook reeled off several neat gains, aided by drives by Cantrell and abetted by good blocking. The fighting Memphis line stiffened, and Rook knicked to the Cyclone 17. Hall and Walker picked up a couple of firsts before the ball went over on downs. The powerful Rook started his slashing offense again, but he fumbled in mid-field, and Malone swooped down upon the sphere. The quarter ended immediately.

**Drake Went Through Center**  
Drake went through center for 20 and a first, and Memphis drew 15 yards for roughing. The Cyclone recovered a fumble on her 35 but was forced to punt out after being held for downs. Hutton took Walker's punt on the Green and White 28. Big Rook and Drake drove to a first. Hutton fumbled but recovered, and then the hard-running Rook ripped off a 24-yard spurt to the Memphis 23. The Cyclone held for three downs without gain, but on fourth down Rook plowed and fought his way through the center of the line for 20 yards and a touchdown. Brothers again missed goal. Score 24-13.

**Cyclone Fumbles**  
Pounds returned to the 28. Evans missed a pass, as did Walker. Malone took Hall's forward for nine yards, and Hall bucked line for two and a first down. Hall's pass to Walker was good for nine yards. Memphis drew an off-sides penalty, but Hall drove through center for another first down. Memphis fumbled and Shamrock recovered. Rook got six at center, and Drake was dumped for a five-yard loss as the game ended. Score 24-13, Shamrock.

## Wellington Scores In Every Quarter To Defeat McLean

Headlining the play in District 3B last week, the Wellington Skyrocks upset the dope and administered the first conference defeat of the season to the McLean Tigers in Wellington last Friday night by four touchdowns as a capacity crowd looked on.

Estes, who has been mentioned for All-District honors, and Bailey combined their efforts in the first quarter to place the ball near the Tiger goal; and Estes skirted left end on the fourth down for the score. The try for point was blocked, as were all four of the attempts at conversion.

Midway of the second period Blasingame recovered a fumble on the McLean 35-yard stripe. On the third down, Parker flipped a pass to Fuson on the 15-yard line, where the end began a sprint which ended after he had crossed pay dirt.

The third-quarter touchdown was scored by Austin after Estes and Bailey had helped him bring the ball into scoring position. Austin's scoring dash was made behind perfect interference from the 15-yard line. Clark took the ball over in the fourth quarter for the final touchdown after spinners and passes had brought the ball to the 2-yard line.

McLean was threatening to score when the game ended. The Skyrocket second team was on the field, and the final whistle blew with the ball on the 'Rocket 4-yard mark.

**BILIOUS**  
Condition Needs Double Action Treatment  
Stimulation of liver bile flow is not enough for complete relief, but combined with intestinal stimulation that relieves temporary constipation, quick, soothing results are certain. Herbine, a combination of herbs, combines BOTH actions and so those dizzy, headache, indigestion, gas, rundown feelings get relieved when both liver and bowels return to normal action. ### Senior Girls Form T. O. P. Club Here

Senior girls of the local high school met recently and organized the senior girls' club and elected officials. Officers elected are Mary Helen Nelson, president; Mary Lois Powers, vice president; Dorothy Sue Fultz, secretary and treasurer.

Committees appointed were: Hattie Dem Ward, Inez Morrison, and Dorothy Sue Fultz, program; Marzelle Billings, Amogene Baker, and Lillian Huckaby, social.

The club colors are white and orange.

The club met Wednesday of this week with Mary Helen Nelson presiding, and a name was selected for the organization. The club will be known as the T. O. P. club. The motto is "We're the Top." Maurine Reheis was elected club reporter.

The program consisted of a tap dance by Rebecca Ray Weaver, accompanied by Mrs. C. L. Sloan, and a selection of popular songs by Mary Cosby, also accompanied by Mrs. Sloan. Several numbers requested by the girls were played by Mrs. Sloan.

### INTENSE FARMING ACTIVITY IS RESULT OF FAIR WEATHER HERE

#### Centennial Singer

Amy Arnell can't play the big horn but she finds it's a nice place to rest between songs in the General Motors Exhibit at the Texas Centennial Exposition in Dallas. Amy and Tommy Tucker's band at G-M are just part of the Centennial's many free attractions.

Weather conditions in Hall County this week have been generally fair, and the good weather was greeted by unusual farming activity by Hall County cattlemen and farmers.

The large cotton fields are ready for picking and the feed fields are ready for harvesting. Scores and scores of cotton pickers have been busy this week, although numerous farmers have delayed their cotton picking to gather their feed crops.

Because of the cold weather, neither cotton nor maize has been maturing; and the farmers are anxious to cut and bundle their hog and other feed crops—with the exception of maize—before a frost forces a hurried harvest.

Most of the maize has matured and is being headed for winter and spring consumption, but the majority of the other feedstuff is being bunched for "roughage." Row binders have been humming for the past few days in all communities of the county.

Cotton picking is progressing, and the gins are now running longer than for some time. Fall business in general has shown an upward trend since the cold spell and snow of last week.

No frost has been reported; yet, garden stuff and shrubs show a slight "burn" along the edges of the leaves caused either by frost or by the snow.

Ranchmen and stock farmers are now moving their cattle out to market. Four car-loads were shipped last week by one cattleman. They were shipped to Fort Worth. Several car-loads of mules are being shipped out of the county, and two truck-loads were sent by one man last Saturday to Texarkana.

It is said that the cattle and mules freighted out of the county are surplus stock, and are not being shipped because of a pasture shortage. The county farm agent, R. E. L. Pattillo, however, is of the opinion that the farmers in general of the county will not have enough feedstuff to run them until another crop is made next year.

#### HIGH SCHOOL DRUM CORPS HAS MEETING

The Memphis High school drum corps met at the regular periods last week but did not practice drumming.

The corps practiced drumming Wednesday after 4 o'clock in the West Ward building.

The formation for the game with Shamrock was practiced Thursday and Friday afternoon. The pep squad and drum corps had a short pep rally in front of the West Ward building Friday at noon.

The organizations are planning a party to be given Saturday night, Oct. 31.

## CHURCH OF CHRIST MINISTER IS CALLED TO CHURCH AT ALVORD

Dwain Jones, minister of the Memphis Church of Christ, has announced that he will move to Alvord, Texas, next week to begin work as minister of the Church of Christ there.

He will preach here Sunday morning and night, closing his work here after serving the church for more than a year. He reports that the local church has had a number of additions to the membership and that all financial obligations of the church have been met. In addition to the local work, Mr. Jones has conducted six revivals elsewhere.

Mr. Jones returned Monday from a three-week absence from Memphis, during which time he conducted meetings at Alvord and at Gage, Okla.

Twenty-six additions to the church were the result of the meeting at Alvord, and the church there is now building an addition to the house of worship and adding several Sunday School rooms and enlarging the auditorium. A 40-year record was broken in Sunday school while I was there, Mr. Jones said.

## District Officers Of WPA Visit City

Works Progress Administration district officials from the Lubbock district office were in Memphis Wednesday of this week to check the work done here by the adult education instructors and to take inventory of the Memphis WPA sewing room.

E. E. Kerr, district adult education supervisor, consulted with WPA teachers over the county. He reported satisfactory progress here. He stated that no immediate changes in the WPA teaching program are contemplated as to personnel or methods.

He said, however, that the WPA organization is now stressing the importance of improving the quality of teaching. He did not state whether the program will continue after Christmas.

The Memphis Works Progress Administration sewing room is closed at present, but it is probable that it will be opened within a short time. The WPA home economics course under the instruction of Mrs. Carroll Smeyers will also be resumed shortly.

## Harrison Car Is Stolen Saturday

Officers of Hall County have recovered the 1934-Model VS automobile belonging to Sam T. Harrison which was stolen from beside the Harrison Hardware Company store last Saturday night.

The automobile was found on a country road between Antelope Flat and the Lott Ranch Tuesday afternoon of this week. Residents of that section reported to local officers that a car had been abandoned there.

The car had not been stripped, officers said.

## Officers Recover Stolen Automobile

The 1931-Model Ford sedan belonging to a Childress man and which was stolen from a Childress street last week was recovered by Hall County officers on the Milliron Ranch south of Turkey Monday.

The car had been abandoned on the ranch and had not been damaged.

Rev. Orion W. Carter and D. A. Neeley of this city, Rev. G. H. Gattis of Lakeview and Rev. J. P. Cole of Pliska will leave Tuesday for Houston to attend the annual Methodist Conference in session there until Sunday, Nov. 8, at which time the appointments will be made.

J. D. Guinn, who has been very ill at his home at 203 North Twelfth street for the past two weeks is reported no better. His condition is still serious.

## TURKEY FARMERS EYE TERRACING METHODS USED IN MOTLEY COUNTY

Several farmers in the Turkey vicinity have been watching terracing work carried on in Motley County and are anxious for Hall County farmers and officials to adopt the terracing methods employed in Motley County. A meeting of farmers was set for Saturday of this week in Turkey to discuss the terracing work.

A number of farmers are anxious to have the county assist in the terracing work by furnishing machinery and labor, with the farmers paying the actual cost of the terracing.

In Motley County, it is reported,

## Transportation of Two Centuries

## Ghouls And Goblins And Witches Lurk In Shadows Here, Awaiting Halloween

Little children of Memphis and Hall County are cautioned to stick close by their parents and by their firesides tomorrow night (Saturday night), because the witches will be riding brooms across the sky and goblins will be lurking in every shadow to snatch up children, innocent and ugly alike.

Tomorrow night is Halloween and the night that evil-doers are abroad, but the Halloween revelers will have the strong arm of the law and the ghosts and the ghouls and the spooks to deal with as they go about their mischief-making.

Halloween has been in the air here for some few days, and a

number of social events and informal parties have been of a Halloween nature, featuring masks, jack-o-lanterns, and black and gold colors.

In addition to the pre-Halloween social functions, a number of carnivals are being staged at school houses over the county tonight and tomorrow night; and several Halloween parties are to be held tomorrow night.

A number of local citizens have announced their intentions of guarding their out-houses, porch furniture, and pot plants tomorrow night with watchdogs and shot-guns to ward off the marauding young revelers who are prone to scorn the threats of the witches.

## Memphis School Teacher Writes Own Textbook For Use In High School Here

Riley W. Carlton, instructor of the Vocational Agriculture Department of the Memphis High School, has the distinction of being the only high school teacher in the state who is required by the State Department of Education to write his own textbook.

The Memphis school man has written his "Annual Teaching Plan," or textbook, which covers the work to be done by the agriculture students of the high school here in first-year, second-year, and third-year courses.

The book is written along practical lines and especially for Hall County students. The two principal subjects are cotton and grain sorghums, the two main cash crops of Hall County. Other topics treated are poultry, dairy cattle, hogs, wheat, beef cattle, orchards, sudan grass, sweet sorghum, oats, alfalfa, barley, millet, sheep, grapes, and corn.

The book is written in terms of jobs, and such subjects as restoring and maintaining soil fertility, improving livestock and poultry, improving plants, and producing a living at home are included.

Efforts are being made at the high school this year to affiliate the second-year agriculture course; the first-year course was affiliated last year. The course is only one of a number of vocational training courses offered at the high school this year, Supt. W. C. Davis stated.

Rev. and Mrs. Orion Carter, Vada Webster, Lucille Crump, Dorothy Nell Evans, Mary Bee Cole, Frances Gillenwater, and Marion Ruth Duren went to Hedley Tuesday night to attend a Methodist League meeting.

Mr. and Mrs. Frank Phelan returned Wednesday from Dallas where Mrs. Phelan went for medical treatment.

## Memphis Man Is Awarded Contract

L. D. Sanders, Memphis building contractor, has been awarded a contract that calls for the construction of a \$60,000 school building in Lubbock County.

The contract calls for the completion of the rural school building within 240 calendar days. Work is to begin on the project on or about November 9. Mr. Sanders said. Sam West of Memphis will be superintendent of construction.

The school building is to be a large, one-story structure and is to have a large gymnasium.

W. C. Huddleston, who has been ill in the Odom Sanitarium for two weeks, is reported improving and according to attendants will be able to be moved home in a few days.

Mr. and Mrs. H. H. Newman and son Henry and Mrs. J. M. Hammond spent Sunday in Wichita Falls.

## Flies to Dinner

But the part this turkey gobbler played was the piece d' resistance. He was one of a dozen birds released by Mayor J. T. Newman of Cuero, home of a huge annual Turkey Trot, to excited, milling crowds at the Texas Centennial Exposition in Dallas.
