NEW BUILDINGS FOR C. C. C. CAMP

Award Contract For Material and Work Starts at Once
 Word was received this morning from Washington that the Wm. C. Campbell Company was low bidder on the materials for the buildings to be erected at the CCC Camp for the Soil Conservation Service, and that erection of the building was to begin at once.
 According to Superintendent Hull, work on the buildings will be begun tomorrow morning, using local skilled labor under the supervision of the service.
 The three buildings, which will be placed to the south and east of those now at the camp, will comprise an office building, 28x32 feet, a garage, 24x150 feet, and a combination blacksmith shop, seed house and tool house, 24x60 feet.
 With the completion of these buildings, the local camp will be completed, insofar as buildings are concerned, and the work of soil erosion control can go forward.
 Recruiting of the enlisted personnel at the camp up to its full strength will begin the latter part of this month.

Submits Tax and Old Age Pensions

AUSTIN, Sept. 18—Governor Allred threw open the whole field of revenue and tax legislation in a special message to the legislature this morning.
 He also submitted old-age pensions and called for means of meeting the added expense and the existing deficit in the treasury.
 "The administration inherited a tremendous deficit," he said, "and the rural aid appropriation has been increased by \$2,000,000 and \$3,000,000 was voted for the centennial."
 The governor recommended immediate enactment of a "real graduated chain store tax," a sulphur tax, a tax on pipelines, a selective luxury tax and corrective measures in the franchise taxes advocated last election.
 He also submitted a number of local bills and a bill appropriating \$200,000 for the construction of a State Courts building, conditioned on the obtaining of federal assistance.
 The governor said it was the legislature's duty to determine what old age pension plan was the best.
 The chain store tax was a state party plank at the last election. "Local merchants are entitled to a fair chance at sustaining themselves," the governor said, "and the tax can constitute a just and substantial contribution to badly needed state revenues."
 He declared the sulphur companies had amassed astounding profits from negligible investments, and should make far more substantial contributions to the cost of government.
 The Senate confirmed all recess appointments that the governor submitted, and passed speedily, 25 to 2, a bill to conform the Brazos River District Act to federal requirements for allotment of \$30,500,000 to the project.

May Be Senator

The seat in the U. S. Senate made vacant by the assassination of Huey P. Long may be occupied by his widow, shown above. Attempts are being made to induce her to accept the appointment to avert war for the spoils among Huey's henchmen. Precedent for the action was established when Mrs. Thaddeus Caraway of Arkansas took the seat made vacant by the death of her husband.

Lynch Negro In Mississippi

OXFORD, Miss., Sept. 18—Eliwood Higginbotham, negro, was taken from the Lafayette County jail last night by a mob and lynched, as a jury deliberated as to whether he slew Glenn Roberts, a white man, last May.
 The mob overpowered the sheriff and three deputies, and hung Higginbotham two and a half miles from town. Approximately 150 persons took the keys from the jailer and dragged the screaming negro from his cell.

Hall County's Agricultural Exhibits Make Good Showing at Amarillo Fair

Tear Gas Halts Death Riot Protest

Tear gas bombs hurled from speeding police cars, as vividly shown in this picture, routed demonstrators who marched on Minneapolis city hall to demand removal of the mayor and the police chief, blamed for the casualty toll in riots in which the police fired into a crowd of strikers and sympathizers, killing two and wounding more than a score. The violence followed walkout of employes of the Flour City Ornamental Iron Works, demanding a wage boost and better working conditions. Troops were held in readiness by Gov. Floyd B. Olson to prevent new outbreaks.

Negro Is Given Life Term As An Habitual Criminal

Calhoun Case Is Being Tried Today
 Robert Conway, colored, charged with forgery and also with being an habitual criminal, was convicted in District Court yesterday and given a life sentence in the penitentiary.
 According to his own testimony, Conway had been indicted and convicted on felony charges at least a dozen times, and jury was charged by the court that only two courses were open to them, to find the defendant either guilty as charged or innocent entirely. In the former case, the compulsory verdict, under the habitual criminal act, would necessarily call for a life sentence in the penal institution.
 The jury was out only a short time before returning the verdict.
 The case of the State of Texas vs. B. D. Calhoun, indicted by the present Grand Jury and charged with incest, was taken up by the court this morning, and the trial is under way.
 Attorney Templeton of Wellington is representing the defendant, and District Attorney Deaver the state.
 This morning was taken up by an examination of witnesses, in an effort to secure a jury for the case, and the testimony is being taken this afternoon.
 In all likelihood, this trial will take up both today and tomorrow, and possibly longer.

INSTALL LEGION HEADS LAST NIGHT

Install New Officers and Hear Reports From Meet
 Officials for the coming year were installed last night at the regular meeting of the Charles E. Simmons Post of the American Legion, and almost a full membership was in attendance, according to Leonard Doss, retiring post commander.
 Reports on the State Legionnaire's Convention held this month in Dallas were given last night by E. H. Whittington and Joe Rehbeis, delegates from the local post to the convention.
 At the conclusion of the business meeting, doughnuts and coffee were served.
 The following officials were installed: Joe Rehbeis, post commander; Del Wells, first vice-president; E. H. Whittington, adjutant; E. S. Browning, finance officer; D. J. Moryensen, service officer; Leonard Doss, sergeant-at-arms, and Roy Guthrie, chaplain.

INQUIRY BOARD INVESTIGATES ACCIDENT

District Officials Are Here To Learn Facts In Fatal Wreck
 An investigation board consisting of Captains Spurlock and Aldrick and Lieutenant Hall, of CCC District Headquarters, at Lubbock, were in this city yesterday, conducting an inquiry into automobile collision last Friday night which took the lives of two enlisted men of the local camp.
 Several local citizens were called before the board and questioned as to the accident, especially those who were present at the scene of the wreck soon after it had happened.
 Their findings were not made known locally, but will be forwarded to Washington for consideration by high officials of the service.
 At last report, the other CCC men injured in the accident have left the hospital at Amarillo and are recovering from minor injuries.

Name Garrison On Safety Board

AUSTIN, Sept. 18—Homer Garrison, Jr., 34, of Lufkin, was today appointed Assistant Director of the Texas Department of Public Safety. He will be second in command to L. G. Pharo, acting director.
 Garrison became a peace officer fifteen years ago. He will have charge of the officers training schools.

Six First Places Among Awards

Exhibitors in the Hall County agricultural booth at the Amarillo Tri-State Fair this week were awarded seventeen ribbons, including 6 first places, 4 second places, 1 third place and 6 fourth places.
 Competition in the agricultural division was very keen this year, with more counties represented and a generally higher class of products on display.
 Hall county winners were as follows:
 White Milo Maize: A. M. Wyatt, Memphis, fourth.
 Feterita: H. R. Wallace, Lakeview, fourth.
 White Dent Corn: Mrs. Zadie Kilpatrick, Memphis, first; Clyde Fowler, Memphis, second.
 Popcorn: H. R. Wallace, Lakeview, second.
 Oats: Charles A. Williams, Memphis, fourth.
 Rye: Charles A. Williams, Memphis, fourth.
 Millet: Charles A. Williams, Memphis, first.
 Red Top Sorghum: Alfred Hutcherson, Memphis, first; H. S. Fowler, Lakeview, second.
 Other Sorghums: W. H. Youngblood, Memphis, first; H. C. Fowler, Lakeview, second.
 Sweet Clover: Clyde Fowler, Memphis, first.
 Sheaf Alfalfa: J. A. Jackson, Memphis, first.
 Alfalfa: J. A. Jackson, Memphis, first; Alfred Hutcherson, Memphis, second.
 Cusshaws: D. A. Neely, Memphis, third.
 Visitors at the fair state that crowds were always to be seen around the Hall County exhibit, and much interest was expressed in the products shown from here. Haskall County carried off the bulk of the premiums awarded.
 Twenty-two counties have exhibits in Agricultural Hall, with a total of over 1,000 items in the different displays.
 The Tri-State Fair is this year paying \$50 to each county with an exhibit booth, thus leaving the prize money won to go to the individual exhibitors. First places pay \$2, second \$1.50, third \$1 and fourth 50 cents.

Insurance Men Aid in Campaign

Plans were discussed whereby the Memphis Insurance Exchange would aid in the Fire Prevention Week here October 6-12 at the exchange's regular monthly meeting yesterday morning in the office of the Delaney Insurance company.
 Discussion was also held on a safety campaign for Memphis, dealing largely with traffic safety. A traffic safety campaign will likely be held, the plans to be announced later.
 J. P. Watson, president of the Memphis Insurance Exchange, presided over the meeting yesterday.

Organize Brice PTA Association

BRICE, Sept. 18—Patrons of this community met at the local school house Thursday morning of last week and organized a Parent-Teachers Association.
 Mrs. Grace Pittman was elected president, Mrs. Cecil Cross is vice-president and Lola Bess Todd secretary and treasurer. Mildred Pittman, Clyde Shepherd and Model Aduddell compose the social committee, and Mrs. Star Johnson, Mrs. J. W. D. Chappell and Hardy Todd are on the program committee.
 Meetings are to be held on every second and fourth Thursday afternoons of each month.

To Retire As Chief of Staff

WASHINGTON, Sept. 18—General Douglas MacArthur announced today that he would retire as Chief of Staff of the United States Army on December 15, to undertake the task of organizing the military defenses of the new commonwealth government of the Philippines.
 The President detailed MacArthur to the assignment at the urgent request of Manuel Quezon, yesterday elected first president of the new government.

Varsity Weak in Experience Situation Now at Columbia

Only Four 1934 Lettermen Back

By HENRY SUPER
United Press Staff Correspondent
New York, Sept. 18.—Columbia's gridiron warriors face one of their most difficult schedules in history this year with a squad predominantly sophomore and inexperienced.

Nine men who were counted as regulars last year were graduated, ridding both line and backfield of such performers as Tomb, Ed Brominski and Nevel, backs, and Ferrara, Richavich, Ciampa, Wuerz and Chase, linemen.

Of last year's regulars only Captain Al Barabas and John Hudasky, backs, Joe Coviello, guard, and Ed Furey, end, remain as a nucleus around which Coach Lou Little hopes to build a formidable eleven.

Little In Doubt
"The prospects? How can I say?" Little replied to questions during practice. "With a team bound to include so many inexperienced players, your guess is as good as mine. I've seen young teams such as this do well, while I've seen others that have been unable to counteract the handicap of inexperience. We'll have to wait and see."

Forty varsity candidates are on the squad which is practicing daily on Baker Field for the opening game against Virginia Military Institute on Oct. 5.

Three hopefuls on whom Little is expected to pin a good deal of work are Al Erhart, big forward-pass catching end; Jim Lavis, tiny guard, and Sam Maroon, substitute guard two years ago. These players were inactive last year because of injuries.

Must Develop Reserves
Others who have had varsity experience are Joe Vollmer, Joe Gerbino and George Furey, backs, and Tony Harvicki, tackle.

Varsity players and reserves must, in most cases, be developed from last year's freshman team. Among the sophomores expected to make the varsity are Johnny Bateman, chunky guard; Oscar Bonom, a back, and Hubert Schaud, rangy end from Syracuse.

An idea of the task facing Little is seen by the fact that only six players on the squad are seniors and 11 juniors. The rest are sophomores.

After Virginia Military, Columbia plays Rutgers at Baker Field, Oct. 12, and then follow Pennsylvania, Michigan, Cornell, Syracuse, Navy, Brown, and Dartmouth. The games with Pennsylvania, Cornell and Navy will be played away from home.

PADUCAH SEEMS THE LIKELY WINNER

Cyclone Team Under Dog in Opening Game

No scrimmages are on the program for the local gridsters this week as they go through their paces each afternoon at the Cyclone stadium, preparing for the opening game of the season with Paducah there Thursday night.

As the opening game draws nearer, Memphis' chances for winning appear to be diminishing. Local fans now are of the opinion that the game tomorrow night will be a toss up.

Coach Chesty Walker and Supt. W. C. Davis recently saw the Paducah football players, and they report that the Paducah team will out-weight the Cyclone by at least 10 pounds to the man. Coach Walker predicted the final outcome of the initial game to be 25-6 in favor of Paducah.

Walker talked to the boys yesterday afternoon at length, stressing the importance of winning the first game of the season. A fairly light work-out was held yesterday. Limbering up exercises were given, and the men were worked on the fundamentals of the game.

A lengthy drill was held on passes, especially flat zone passes. The wingbacks and wing-backers were drilled on breaking up passes. Powers was throwing the ball with more accuracy yesterday than he has heretofore done, and it appears that Coach Walker may develop a passer yet.

W. C. Crump, who has been unable to hit his stride so far, looked good in practice yesterday. For the past two years Crump has been a reserve halfback, but if he continues to show the fire that he displays at times, he should have little trouble in shoving some man off the starting backfield.

Crump has a knack for catching passes and punts, and this, coupled with the fact that he is probably the speediest man on the squad, should make him a dangerous man.

Like a number of other Memphis players, Crump has a leg that gives him considerable trouble. Ferrell, Adcock, Deason, Davis and Grimes all have "bad knees."

A bad knee is one of the worst tendencies or having special utility for the prevention of conception of venereal diseases.

Section 2: The prohibition specified in Section 1 shall not apply to wholesale druggists, to the extent that such druggists are permitted to sell or distribute appliances, drugs and medical preparations specified in section 1 (but only such as conspicuously bear the identification of the manufacturer thereon, or on the retail container thereof) only to regularly licensed pharmacies, nor shall the prohibition specified in Section 1 of the ordinance apply to the sale or distribution of such appliances, drugs or medical preparations by regularly licensed practitioners of medicine in the normal course of their professional activities nor shall the prohibition specified in section No. 1 of this ordinance, apply to the sale of such appliances, drugs or medical preparations by licensed pharmacies provided such sales are made only from the prescription counters of such pharmacies by registered pharmacists there employed or by persons under their direct supervision, and only to persons more than 18 years of age.

Section 3: It shall be unlawful for any person, copartnership, corporation, enterprise or association of any type to advertise for sale any type or kind of the merchandise or goods set out in section 1 within the corporate limits of the City of Memphis, Hall County, Texas. But the prohibition of this section shall not extend to the medical and drug publications, the circulation of which is confined substantially to physicians and the drug trade.

Any person violating any provision of this ordinance shall on conviction be fined not less than One Dollar and not more than Two Hundred Dollars.

Passed and approved this the 4th day of June, 1925.

J. A. Whaley
Mayor.

Attest:
D. L. C. Kinard,
Secretary.

Need Cars

The Memphis Cyclone opens the football season tomorrow with a night game at Paducah, a non-conference game.

Cars for the transportation of the team and pep squad are needed. Cyclone fans who can make the trip, leaving this city at 4:30 tomorrow afternoon, and take someone with them, leave the information as to how many they can accommodate in their cars.

Injuries that can be sustained by a football player, the Cyclone tutor pointed out. A sprained ankle, or a hurt hip or elbow heals easily, but a wrenched knee remains weak for the entire season, he said.

Lakeview Opens Season Friday

The Lakeview High School Football team will play its initial game of the season at Lakeview Friday afternoon when the Hall County club plays an eleven from Dodsonville.

Despite the fact that Lakeview has boasted of only one preceding football team, Coach Bob Clark's aggregation this year is looking good and is expected to win a majority of the games. A good attendance is urged for the opening game Friday afternoon.
