

Byrtie Bell Baker Becomes Bride of Willie Roy Adams

Miss Byrtie Bell Baker, daughter of Mr. and Mrs. J. B. Baker of Wichita Falls, became the bride of Willie Roy Adams, son of Mr. and Mrs. W. F. Adams of Lakeview, Thursday, January 10, at 10 o'clock in the morning.

Rev. Ritchey read the rites in the home of Mr. and Mrs. Bob Spencer at Dumas.

Miss Nell Ruth Adams of Lakeview, sister of the bridegroom, was bridesmaid, and J. O. Adams, cousin of the bridegroom, was best man.

The bride wore a beige, two-piece suit with aqua and tan accessories. Her corsage was of tea roses.

Mrs. Adams attended NTSTC at Denton and is teaching at the Palo Duro school at Stinnett.

Mr. Adams attended the Memphis High School and is employed by the Panhandle Eastern Pipeline Company near Borger.

At the reception, which a few friends attended, Miss Glendora Adams of Lakeview, served the three-tiered wedding cake and coffee from the lace-draped dining table, flanked by tall white tapers.

After the reception the couple left for a short wedding trip to points of interest in the South.

Davis Seeks Commissioner

for Third Term as Commissioner of Precinct

L. Davis this week announced his candidacy for re-election as Commissioner of Precincts in Hall County, subject to the action of the Democratic primary next summer.

Davis is seeking his third term in office, having first been elected in 1938 and assuming his duties in January of 1939.

Group 3 was in excellent financial condition, both before I became Commissioner and now," Davis said. "I feel that I have fulfilled my duties of the office in a manner during my three years in office, and I believe that my experience will enable me to discharge my duties more effectively and more economically than I have in the past."

Davis has been a resident of Hall County for the past 33 years. He was first elected in 1938, and to that time, he had been engaged in the mercantile business for 15 years, and in the grocery business for 15 years.

Davis told county voters that he has been greatly appreciated, and I take this as a compliment. I will appreciate again this year."

Secretary of agriculture has a 14 per cent increase in action in 1942.

Former Resident Afraid of Indians When Family Came to Texas in 1869

Editor's Note: The following story appeared in a recent issue of the Fort Worth Star-Telegram. It is published here because Mrs. E. B. Palmer, now of Pampa, is a former resident of Memphis.

MRS. E. B. PALMER

"We were scared of Indians and cowboys when we started out for Texas in 1869, but our native Mississippi was torn up from the war, homes gone, loved ones killed, and we felt like we would be glad to be somewhere else, even if it was a strange prairie country," writes Mrs. E. B. Palmer, 90-year-old resident of Pampa.

"But we found the Indians were gone where we stopped first, in Bell County, near Belton, at a place called Mountain Home. And later we came to know the cowboys as our best friends, God bless them."

"I was married just before my father and mother, Mr. and Mrs. Allen Barr, decided to leave Calhoun County, Mississippi, and come to Texas, and my new husband and I decided to come along. Our first home in Texas was a little log cabin on a German sheep ranch and we had a hard time finding it, houses being so scarce. But we saw a future in the country and decided to stay with it."

"In 1873, while Roger Q. Mills was governor, Mills County was created by cutting corners off Brown, Comanche, Hamilton, and Laspasas counties. Goldsmith was the county seat. We lived there and had a family of 10 children, whom we reared to maturity."

"When the Oklahoma 'rush' came along we decided to try our hand at some more pioneering, and moved near Altus. Mr. Palmer tried to make the 'run' but got left."

"We lived in Oklahoma a while. When my husband died in 1904 there still were seven children at home, but they have all long since married and scattered, making their own homes."

"I'm now living in Pampa with a widowed daughter. This is a beautiful town, a nice country to live in, full of good people, and nice churches and schools, and a wonderful place to make your home."

"I say bless Texas and God bless America!"

African Pictures To Be in Amarillo

First lady of exploration, Osa Johnson, the Kansas girl who "married adventure," soon will be in Amarillo to present her latest motion picture production, "African Paradise."

"African Paradise" shows how an intrepid pair lived in the midst of savage tribes and vast herds of elephants, rhinos, hippos, lions, and all kinds of wild game which had enjoyed undisturbed sanctuary for centuries.

Mrs. Johnson, widow of Martin Johnson, a genius of his generation, will come direct from San Francisco to appear in person and then take the film to St. Louis, so the only southwest showing will be in Amarillo Monday, January 26.

There will be only two presentations, a matinee arranged especially for school children and a night show for adults. Both showings will be in Amarillo's municipal auditorium.

Information for— NEW INCOME TAX PAYERS

Editor's Note: This is the first of a series of articles concerning the present income tax law of the U. S. Other articles will follow week to week.

Who Must File a Return? Every single person having a gross income of \$750 or more; every married person, not living with husband or wife, and having a gross income of \$750 or more; and married persons living with husband or wife, who have an aggregate gross income of \$1,500 or more.

When Must Returns be Filed? For the calendar year 1941, on or before March 16, 1942. For the fiscal year, on or before the 15th day of the third month following the close of the fiscal year.

Where and With Whom Must Income Tax Returns be Filed? In the internal revenue district in which the person lives or has his chief place of business, and with the collector of internal revenue.

How Does One Make Out His Income Tax Return? By following the detailed instructions given on the income tax blanks, Form 1040 and Form 1040A (optional simplified form).

What Is the Tax Rate? A normal tax of 4 per cent on the amount of the net income in excess of the allowable credits against net income (personal exemption, credits for dependents, interest on obligations of the United States and its instrumentalities and earned income credit) in the computation of the normal tax net income; and a graduated surtax on the amount of net income in excess of the allowable credits (personal exemption and interest on obligations of the United States) in the computation of the surtax net income.

Forms for filing returns of income for 1941 have been sent to persons who filed returns last year. Failure to receive a form, however, does not relieve a taxpayer of his obligation to file his return and pay the tax on time—on or before March 16 if the return is made on the calendar-year basis, as is the case with most individuals.

Forms may be obtained upon request, written or personal, from the offices of collectors and from deputy collectors of internal revenue in the larger cities and towns.

A person should file his return on Form 1040, unless his gross income for 1941 does not exceed \$3,000 and consists wholly of salary, wages, or other compensation for personal services, dividends, interest, rent, annuities, or royalties, in which event he may

elect to file it on Form 1040A, a simplified form on which the tax may be readily ascertained by reference to a table contained in the form.

The return must be filed with the collector of internal revenue for the district in which the taxpayer has his legal residence or principal place of business on or before midnight of March 16, 1942. The tax may be paid in full at the time of filing the return or in four equal installments, due on or before March 16, June 15, September 15, and December 15.

In making out your income tax return read carefully the instructions that accompany the form. If you need more information, it may be obtained at the office of the collector of internal revenue, deputy collector, or an internal revenue agent in charge.

Remember that single persons or married persons not living with husband or wife, who earn as much as \$14.43 a week for the 52 weeks of the year, and married persons living together who have aggregate earnings of as much as \$28.85 a week for the year, are required to file returns.

C. of C. Ballots Due By Saturday Noon

Chamber of commerce members who have not yet turned in their ballots for the selection of directors have until Saturday noon to turn them in. Carroll Snyers, manager, said this week.

The ballots were mailed to members several days ago, and were to be turned in by Wednesday. Since a number had not turned them in, the time was extended until Saturday.

Directors chosen will be announced following the compilation of the ballots next week, it was explained.

Committee Leaves For San Antonio

The defense committee, selected at a recent meeting of chamber of commerce members, left this morning for San Antonio to confer with military authorities.

Defense projects which might be located in Memphis will be discussed, it was explained.

McMurry Elected Chairman of New Grocers Group

Plans Being Worked Out To Cooperate With Wants Of Federal Government

Ernest McMurry was elected chairman of a retail grocers association at a meeting held Wednesday afternoon in an attempt to perfect an organization to cooperate with requests made by the government during the present emergency.

Chosen as vice chairman was Orville Goodpasture.

Those reported as joining the new organization were the Farmers Union Supply Company, Draper Grocery, Memphis Grocery, Williams Grocery, Gilmore Grocery, City Grocery, P. and J. Food Store, Piggly-Wiggly, and the C. and M. Grocery.

Plans are now being worked out for definite closing and delivering hours for the various groceries. These hours would be arranged to be convenient to customers, and at the same time conserve resources and materials as sought by the government. Definite delivery hours, it was pointed out, would save on tires and delivery trucks, and definite closing hours would conserve on power.

Other firms are expected to join the organization, it was reported, and definite arrangements will be worked out later.

H. D. Stringer Announces Candidacy For Re-Election as County Attorney

The Democrat is authorized to announce the candidacy of H. D. Stringer for re-election to the office of County Attorney of Hall County, subject to the action of the Democratic primaries.

Stringer was born in Titus County, Texas, and came to Hall County in 1910. He was reared in Memphis and attended the Memphis schools. He received his legal education in Texas and Vanderbilt Universities. He was admitted to the Texas Bar in 1931, and has been engaged in the active practice of law since that time. Stringer is married and the father of two children.

In announcing his candidacy for re-election to the office of County Attorney for a second term, Stringer said:

"I want to thank the voters of Hall County for the splendid support given me in the last election. Since I assumed the office of County Attorney I have fulfilled the duties of the office to the best of my ability. If I am re-elected I will continue to do so. I respectfully ask the voters to investigate the manner in which I have handled the office, and I believe such investigation will merit your support for a second term. I will sincerely appreciate your consideration and support."

WPA EXECUTIVES HERE
Visiting in Memphis Wednesday were the following WPA executives from Amarillo: Mrs. Pearl B. Walker, district director of community service programs; J. E. Rowland, director of surplus commodities; Bert Boomer, chief time-keeper of District No. 16; and Mrs. Ima G. Newberry, district supervisor of luncheon projects.

DIES IN CALIFORNIA

Online Schools Sponsor Two Courses in Shop
 Between 25 and 40 young men are needed; technical courses to be given later.
 Between 25 and 40 young men will be assigned to technical courses in the shop building there, and will be instructed in these two courses as soon as the shop is completed, it was explained.
 The young men may be assigned to work on a two-week basis during the winter months to seek employment opportunities between the ages of 16 and 18, inclusive, are eligible for the training, Superintendent Duncan said.
 The purpose of the project is to give young men practical training relative to national work, thereby aiding them in finding employment," he explained.

WPA Recreation—
 Guthrie said. "However, no protest can be raised when everyone in his own capacity is doing his utmost to promote the best interests of the government and the citizens of the United States."
 Closing of the project will also stop the programs in the various communities which have been carried on, it was explained. These included singing meetings and folk games.
 The project had 17 employees, and required a monthly payroll of about \$1,000, most all of which was spent in Hall County each month. Participation was large, and last week 8,278 people participated in the program in one way or another, Mrs. Guthrie said.
 It is hoped that with the close of the war the project can be reopened. Several clubs and sport activities which were started under the program may be continued at present, it was explained.
ATTENDS MEETING
 County Judge M. O. Goodpasture left Wednesday morning for Graham, where he will attend a meeting of county judges. Discussion will be held on new tax problems, and defense projects are also to be discussed.

G. B. Ware in Race For Commissioner Of Precinct No. 3
Now Operates Own Ranch Near Estelline; Makes Statement in Announcing
 G. B. (Buren) Ware has authorized The Democrat to announce his candidacy for the office of Commissioner of Precinct No. 3, subject to the action of the Democratic primaries next summer.
 Ware is now operating a small ranch of his own near Estelline, and has been engaged in stock ranching most of his life. He worked on the JA ranch 5 years, the Milliron 17 years, and was foreman of the Crews Ranch in Childress County 2 years.
 His statement in announcing is as follows:
 "In announcing my candidacy for the office of Commissioner of Precinct No. 3, I assure you that I have given the matter much thought and consideration. I realize the office is one of the most important offices in the county and that it carries much responsibility. You know my qualifications and if you see fit to support me, I will give my best efforts in looking after the duties of the office and the best interest of the people of this precinct.
 "I feel that most of the voters know me personally since I have been in the precinct for 22 years. However, I will try to see each of you personally. I will appreciate any support you can give me."

SOCIETY.
Hiram Wood Given Party by Members Of School Class
 Hiram Wood, who left this week to enlist in the U. S. Navy, was honored by the diversified occupations class of Memphis High School at a party at the school last Thursday afternoon.
 Games of ping pong, "big business" baseball, cards, and "42" were played. The group went to the home of Robert Devin, class instructor, for refreshments.

Delphian Club Has Meeting in Home Of Mrs. Wherry
 The Delphian Club met in the home of Mrs. R. H. Wherry Tuesday afternoon with Mrs. J. O. Fitzjarrald as co-hostess.
 Mrs. J. C. McMurry introduced the program, telling of the circumstances leading to the writing by Mrs. Sid Baker of the story of primitive life among the Red Men who lived along the Rio Grande in New Mexico. Mrs. Baker, dressed in Indian costume, gave the story which was interspersed and made more effective with Indian music.
 Mrs. Clyde Milam, accompanied by Mrs. Tom Draper at the piano, sang, "Hiawatha's Melody of Love," "Indian Love Call," and "By the Waters of Minnetonka." Mrs. Baker then told of national defense service being rendered by the American Indians today and in their name led in the pledge of allegiance to the flag.
 The club voted to dispense with one meeting each month and devote that day to defense work. Refreshments were served to 21 members.

 most perfect sleepers I ever knew. He slept loud, long and lustily. In fact he did more than sleep—he hibernated. While Granddaddy was fixing me a lunch one day I thought a sawmill was running. She said, "That ain't no sawmill; that's just Grandpa's breath hitting a log.
 When I get home all tired and worn, from a long and busy day; and after supper yawn and stretch, and quickly hit the hay.
 Just drift into gentle slumber and forget this life of woe; that is, until the midnight train pulls in to puff and blow.
 Then business pops back into my mind, as I lie counting sheep, hoping for another chance at sweet forgetful sleep."

APRICOT BETTY
 1 (No. 2½) can apricot halves, drained | ½ teaspoon cinnamon
 5 tablespoons butter | Dash salt
 2½ cups small bread cubes | ¼ teaspoon corn starch
 1 egg white | 4 tablespoons KARO (red label)
 Set aside 12 apricot halves for topping. Melt 3 tablespoons butter, and mix with bread cubes. Toss with fork. Stir in KARO (blue label) and cinnamon. Arrange alternate layers of bread mixture and remaining apricots in greased individual baking dishes. Dot with remaining butter. Place 2 apricot halves on top of each, keeping cut side up. Bake in a moderate oven (350 degrees F.) 20 to 30 minutes.
 Add salt and corn starch to egg white, and whip until it begins to hold shape. Add KARO (red label). 1 tablespoon at a time, beating thoroughly after each addition. Drop half teaspoonfuls around edge of baking dish, and in center of each apricot half. Return to oven, and bake 10 minutes or until meringues are browned. Makes 6 servings. Serve hot!

NOTICE TO THE PUBLIC

SOMETHING YOU SHOULD KNOW

CITIZENS OF MEMPHIS and the surrounding area will have the opportunity of learning first aid from a competent instructor when the course is opened February 9.

Completion of the course, which will be open to both men and women, requires ten nights of study. The instruction under present plans will be given each Monday and Thursday night for ten nights.

At the completion of the course, a certificate will be given to each person. The Red Cross offers this and two other first aid courses. Whether the advance courses will be offered here depends on the success of this initial preliminary instruction.

A number of people in the city have had instruction in first aid in one way or another. Firemen, for example, take the course. Members of the recreation project at the high school have taken a first aid course.

But everyone who is above the age of a child should know something of first aid in war time. And the more rendering this help the better.

The course is given for practically nothing, with the only cost being the cost of a textbook which may be bought from the Hall County chapter chairman for less than one dollar. Some of your time is spent, naturally, in taking the instruction, but surely you will not consider that time as lost time.

So far most of those who have signified their intentions of taking the course are women. It is pleasing to know that women are interested in first aid, for the time may come when women may be required to render much service in this field.

At the same time it is discouraging to know that so few men have expressed the desire to take the course. Granting the fact that many men already know something of first aid, we can still readily see that many more know nothing of what to do in case first aid becomes necessary.

The instructor will have help in teaching the class, so the class can hardly be made too big for all to learn. If you have not already done so, inform one of the officials in charge of the work that you want to be a member of the class. First aid is something that you should know, because the first aid given to an injured person may save his life.

Don't let your lack of knowledge of first aid be the cause for the last aid an injured man or woman may need.

Press Paragraphs

CULLED FROM THE DEMOCRAT'S EXCHANGES

Getting Projects

Ed Bishop in the Dalhart Texan: The Panhandle's failure to secure more of the vast expenditures made by the government can be traced directly to leaders in the various communities who assume that our population is so small that our influence is of no value. We generally admit defeat before we start. Then, too, we assume that such expenditures are made without regard to politics, etc.; that the plants are located by engineers without regard to political influence. You might ask the citizens of Dallas if this is true!

Stooped

The Tulsa Herald: Some one writing in to the information column of a newspaper asked what was the cause of stooped shoulders in adults. The conductor of the column gave the scientific answer, but the simplest answer is that in a good many instances stooped shoulders are caused from carrying a mortgage.

Society

The McLean News: Society is perpetuated only by those persons who observe the rules of thrift, loyalty, faith, and honesty. The man who flaunts all rules is a social menace; the honest man is careful to observe all rules in order that the other fellow may not be harmed. Some people you expect to be on the right side of any question and will be found courteous to others, their "rightness" being taken for granted. There are others who are seldom found on the right side and are usually found flaunting all ordinary rules of conduct.

Slogan

Virginia Anderson in the Shamrock Texan: We knew it, that slogan, "Remember Pearl Harbor," is going the way of "V" for Victory and "Keep 'em Flying." A popular brand of toothpaste opens its 1942 advertising campaign with "Remember Pearl Harbor!" And guess what, they refer to your teeth as "Pearl Harbor!" Isn't that clever?

Good Idea

E. E. Hayley in the Saint Jo Tribune: Then there is the business man who called up the Better Business Bureau and asked them to send a man down to make his a little better.

Torture

The Scurry County Times: A good way to torture yourself is to figure how much fun you could have had with the money you've lost in "investments."

Story

J. C. Estlack in the Donley County Leader: A local man, who told me in all secrecy, supplies the following story: A few nights ago he stooped over to tune in his radio. Feeling a pain in his back, he remarked: "I'm getting lumbago." His son of six years, sitting on the floor with his Christmas tricks, looked up and said: "Tune out the yellow devils, we couldn't understand them now!"

Hitler the Head Man

The Canyon News: Hitler is now the sole commander of the German armies. He has ousted trained military men who do not agree with him. The dictator must run the whole show if he is to continue as dictator.

H. W. Spear to Run For Commissioner Of Precinct No. 2

Lakeview Resident for Past 13 Years Has Had 18 Years Road Experience

H. W. (Shorty) Spear of Lakeview has authorized The Democrat to announce his candidacy for election to the office of Commissioner of Precinct No. 2 in Hall County, subject to the action of the Democratic primaries next summer.

Spear, who has been living at Lakeview for the past 13 years, had had 18 years experience in road building, he stated in announcing.

The candidate moved to Lakeview from Swisher County. Since living at Lakeview, he has worked some for the county, and is now employed at the Lakeview Farmers Co-Op Gin.

"I have never sought public office before," Spear said this week, "and naturally will be unacquainted with the means of seeing each voter in Precinct No. 2."

"I want to take this opportunity, therefore, of soliciting your vote and influence in the elections next summer. With the experience I have had in road work, I sincerely believe that I will be able to fulfill capably, efficiently, and economically, the duties of the office."

"I will appreciate your support and influence in the election, and can assure you that you will not be disappointed if I am elected to the office."

Winning the War COMES FIRST

★ The government has placed rigid restrictions on civilian use of steel, brass, copper, aluminum and other materials vitally needed for building planes, tanks, ships and other war equipment. Many of these same materials are needed in the construction of Natural Gas Service facilities.

★ Like every other good citizen, the United Gas Corporation is co-operating wholeheartedly by reducing to minimum its use of those materials needed to win this war.

★ Throughout the years your Gas Company has aimed to provide all of its customers with adequate, low-cost Natural Gas Service at all times. It regrets that now extension of Natural Gas Service may be greatly restricted, unless the desired Service is necessary for defense or public health and safety. Even such construction must be built under special governmental priorities.

★ However, the Company does not expect these restrictions to affect your present Dependable Natural Gas Service. Our entire personnel is alert to its responsibility. We have an ample supply of Natural Gas for the needs of our customers, and enough in reserve to take care of increased defense demands as can now be foreseen.

★ Meeting these conditions naturally means some sacrifice but everyone will agree that winning the war comes first. When this war is won, the United Gas Corporation will be ready and quick to resume its program of bringing complete benefits of low-cost and reliable Natural Gas Service to those desiring it in the territory it serves.

"We are going to win the war, and we are going to win the peace that follows."
—President Roosevelt.

WPA Committee Meets in Turkey To Hear Reports

Members of the County-wide WPA committee, which is the guiding group for WPA projects in this area, met in Turkey last week to hear reports from the various project supervisors.

Reports were given by Mrs. Roy Guthrie, supervisor of recreation; Miss Rachel Deahl, housekeeping aide; Mrs. Gene Barnett, lunchrooms; and County Judge M. O. Goodpasture.

Mrs. Guthrie reported that 16 people were employed on her project, and outlined new phases of the program. The project will close this week, although this was not known at the time of the meeting.

Miss Deahl, with 20 persons under her supervision, reported that she plans a nutrition center in the near future. In it will be taught marketing, planning of meals, and general health rules.

The luncheon project, under the supervision of Mrs. Barnett, is now rated 100 per cent in Hall County, with all of the schools participating. The newest luncheon room is in the Estelline Public Schools. Judge Goodpasture spoke on "What WPA Has Meant to Hall County." He made the following report: 37 per cent of WPA funds have gone for improvement of highways and streets; 12 for adult education; 10 for improvement of highways and streets; 12 for adult education; 10 for erection and rehabilitation of buildings; 10 for parks and playgrounds; 8 to maintain sewing rooms and housekeeping centers; and 2 for sanitation. The remaining 21 per cent had been planned for projects not found in Hall County.

The committee will meet again February 9 at Lakeview, with A. C. Hoffman as chairman of the program.

German-Born Man From Tulia Guest Of Rotary Club

Henry Teubal of Tulia, manager of the Swisher County cheese factory, was guest speaker at Rotary luncheon here Tuesday. The subject of Teubal's address was "America at War."

Born and reared in Germany, Mr. Teubal gave much first-hand information concerning the German nation and other nations of Europe that have become so thickly populated as to force them to try to spread out over other countries. This, he said, is the principal cause of the present world cataclysm.

The allied powers will win, Teubal said, but it will take several years. However, if the people of America will go "all out" for defense, the time of winning will be cut shorter.

Leaving Germany at the age of 18 because of the attitude of the leaders who wanted war and who forced the people to be warlike, Teubal came to America and became a naturalized citizen as soon as possible. In 1917, when World War No. 1 was declared, he enlisted in the American army and fought for America.

The P-T. A. will meet Friday night at the school house. The program will be sponsored by Mrs. Roy Guthrie. After the P-T. A., the social hour will be spent playing games. Every one is invited to attend.

No Jobs Yet Open At Orange Yards

Due to considerable publicizing of the letting of additional shipbuilding contracts at Orange, there has been an increased migration of workers into that area, according to Martin W. Waldron, manager of the U. S. Employment Service in Childress.

These additional contracts are still in the planning and drafting stage, and will result in no substantial increase in employment in the near future. When workers are needed, the regular clearance machinery of the Employment Service will be used to send workers to Orange, Waldron said.

Until such time as workers in Childress are notified by their local office of the Employment Service that job opportunities exist at Orange, they will be taking long chances by going there.

Sales of cattle and calves by Texas ranchers and farmers in 1940 brought \$100,120,000. Receipts for hogs were \$16,710,000 and for sheep \$12,896,000.

Red Cross Roll Call Ends With Total Membership of 938

Women Work— CIVILIAN DEFENSE AUXILIARY NOTES

Fifty women reported for duty at the Civilian Defense Auxiliary meeting Tuesday afternoon.

Political Announcements

The Memphis Democrat is authorized to announce the following as candidates for public office, subject to the action of the Democratic primary in July—

For District Clerk:
MRS. ISABELL CYPERT
(Re-election)

For County Superintendent:
OLSON SWEAT

For County Judge:
M. O. GOODPASTURE
(Re-election)

For County Clerk:
MURRAY DIAL
(Re-election)

For Tax Assessor-Collector:
J. W. BURK

For County Treasurer:
CHAS. DRAKE
(Re-election)

For County Attorney:
H. D. STRINGER

For Justice of Peace, Precinct 1:
L. G. PERKINS
JOE A. MERRICK
(Re-election)

For Commissioner, Precinct 1:
J. F. (Frank) SOLOMON

For Commissioner, Precinct 2:
TRACY L. DAVIS
(Re-election)

For Commissioner, Precinct 3:
FRED BERRY
G. B. (Buren) WARE

J. Claude Wells, guest speaker, complimented the organization and said if every community would place itself in readiness for service the war would be over sooner. He urged conservation along many lines, but stressed the importance of proper foods for the family. The women cheered quickly when he asserted that the hands of the isolationists, who sought to lull us into a false sense of security, were stained with the blood of the brave boys who fell at Pearl Harbor.

Get your hands into your pockets. The women are coming after that Red Cross fund Memphis failed to raise. Mrs. B. Webster, chairman of this committee, reported her workers were busy in the field.

Mrs. W. Wilson, chairman of first aid and home nursing, and Miss Ethita Jean Sullivan, chairman of nutrition, report plans under way for courses in these subjects.

Mrs. C. L. Hamrick, chairman of Red Cross production, is happy over the work being accomplished. Every community in the county has lined up for service. She also reports that a call has come in to knit for the Army and Navy boys.

The Junior Red Cross of the county, sponsored by Miss Vera Gilreath, want to knit with which no yarn. Who has \$5 with which to start them off?

Give books for the Army camps. Any kind of books, the kind you like yourself. Call Mrs. R. H. Wherry or leave them at the Red Cross sewing room. No magazines wanted.

Many thanks to Miss Audrey Boggs and her typing class at the high school for mimeographing several hundred questionnaires which were given out to the women. These, filled out and returned promptly to Mrs. A. Baldwin, will classify every woman for service. The questionnaires were compiled by Mrs. John Deaver and Miss Sullivan.

Mrs. A. Baldwin, general chairman, requests that each community in the county select a representative and report the same to her immediately in order that they may advise with her regarding the many projects to be carried out.

The auxiliary wishes to express its thanks to The Memphis Democrat for this space in which to report progress. Watch for other announcements. Until further notice the auxiliary will meet each Tuesday afternoon at 2 o'clock in the office of the Justice of the Peace.

War Fund Drive To Start Soon; Quota Here \$2,300

The annual Red Cross roll call in Hall County, which was scheduled to end November 30, drew to a slow and unsatisfactory end this week with a total of 983 for the county being recorded.

The goal was 1,313 memberships. A total of \$1,171.05 was donated in the 983 memberships. Plans are now underway to carry out in the very near future the emergency war fund for the Red Cross. This drive has nothing to do with the roll call, it was emphasized, and Hall County has a quota of \$2,300. The national quota is \$50,000,000.

A large number of surrounding counties have already reached the emergency fund quota for their districts. As yet, however, only a few dollars have been contributed in Hall County.

The final roll call report on memberships is as follows:

Memphis, business district, 387; residential district, 89, toward a total goal of 772; Estelline, 83 (goal 120); Pleasant Valley, 14 (no goal set); Plaska, 54 (goal 20); Eli, 13 (goal 40).

Brice, 25 (goal 30); Friendship, 21 (no goal set); Salisbury, 27 (goal 20); Newlin, 40 (goal 40); Lakeview, 62 (goal 66); Parnell, 16 (goal 14); Turkey, 152 (goal 200).

—Remember Pearl Harbor—

Auxiliary Fire—

(Continued from page 1)

applying for membership will be approved or disapproved by members of the regular fire department in the same manner as regular members are selected.

Massey was recently named as assistant district coordinator for Fire Defense District No. 3, which is composed of Hall, Cottle, Harde-man, Foard, Dickens, King, Knox, Childress, and Collingsworth Counties. H. C. Hawes of Munday is the other assistant coordinator, and F. O. Preston of Childress is the head coordinator.

A meeting will be held in Paducah Sunday, January 25, and will be open to all fire department members who are interested in attending, the local fire chief said. The meeting will begin at 10 o'clock in the morning.

Each of the other cities in the district will also organize auxiliary fire departments. It was explained, and all will be governed by the three coordinators.

All auxiliary members who are accepted must undergo training in fire fighting, hose laying, and traffic control, it was emphasized. The training will be done by regular fire department members.

Since the auxiliaries serve to supplement the regular fire service, their job will be to do the more-or-less elementary operations now done by the regulars, thus leaving the regulars for the more intricate operations. It was pointed out. To assume this responsibility, the auxiliaries must be trained in the fundamental operations of fire fighting.

Men selected for the auxiliary fire service, it was emphasized, should understand that they are to supplement and not supplant the regular fire service. Their services will terminate with the emergency, and consequently they must be satisfied with the extent of the auxiliary service.

NEW AMBULANCE BOUGHT
A new ambulance has been received by King's Mortuary, which makes four ambulances they now have in service. The recent addition is a Cadillac, and is equipped with all the latest improvements. Max King said.

Little Theatre to Present Drama Here February 5

Modern Comedy Entitled 'I'm in the Army Now' to Be at School Auditorium

The Memphis Little Theatre has announced that it will present "I'm in the Army Now," by Ned Albert, at the Memphis High School auditorium on the night of February 5.

Although the title indicates that the play concerns war, it is far from it. It was emphasized in a modern comedy about an average family and is packed with laughter, members of the Little Theatre said.

When the group decided to produce a play at the present time, members sought one of modern comedy which dealt with the American scene as it is today. A copy of the play, "I'm in the Army Now," was obtained, and arrangements were made for the production with Samuel French one of the world's largest play publishers.

A cast was obtained and rehearsals were started. A large crowd is expected to attend, it was declared. The play itself deals largely with the youth of the nation.

Members of the cast are as follows: Paul Robertson, J. Claude Wells; Ma Robertson, Kathryn Milam; Diana Robertson, Mary Lee Fields; Bronson Robertson, Nelson Combest; Toby Robertson, Jack Hightower; Granny Robertson, Frances Eddy Harrison.

Dale Morrison, Joyce Sheats; Letty Ashbrook, Helen Boswell; Prentiss Roper, Homer Tucker; Corinna Duffin, Beryl Barnett; Audrey Nayland, Winifred Jane Tarver; Mrs. Essie Knapp, Mary Foreman; and Ramon Valdez, George Thompson Jr.

Marionette Show Closed by Order

Closing of the recreation project at the Memphis High School saw one entertainment feature stopped which in the past two or three weeks has been shown to about 2,000 people.

This was the marionette show of "Robinson Crusoe," a 3-act puppet demonstration which required 45 minutes for showing.

The marionettes were entertained the Rotary Club members, and school children at the three Memphis schools, Eli; Newlin, Salisbury, Friendship, Lakeview, Lesley, and Plaska.

Marionette managers were Robert Mauck, Joe Vandiver, A. L. Musgrove, Harry Romines, and Mrs. Blanche Duke.

Memphians Down Eagles 33 to 26 in Cage Game Here

Cyclone to Meet McLean Here Friday Night; Boxers Of Wellington to Be Here

The Lakeview Eagles, leaders in the southern half of this basketball district, made the amazing total of 14 free pitches only to lose in the final score of 33 to 26 to the Memphis Cyclone in the Cyclone gym Tuesday night.

The Eagles have lost only the one game in district play, while Memphis stands in second place with two losses, one to Lakeview and the other to Wellington. Lakeview downed the Memphians 38 to 21 in a game December 11.

The Cyclone will meet the McLean five here Friday night at 7:30. Following the basketball game, about ten boxing bouts with Wellington fighters will be held. Bill Pletcher, cager coach, announced. Admission will be 25 cents.

The crowd at the Lakeview game Tuesday night was near the 400-mark, about the largest group ever to witness a game in Memphis. Another large crowd is expected to see the McLean game and the boxing matches.

The Eagles scored the first field goal, but a few seconds later the Memphians pulled up even, and then went into a lead which they never lost. Half-time score was 19 to 13 in favor of Memphis.

Eighteen fouls were called on the Memphians and seven on Lakeview. The Eagles capitalized on the free pitches, making 14 of them good.

Scoring for Memphis was as follows: Frisbie, 12 points; Harrison, 6; Stevens, 4; Butler, 5; and Grimes, 6.

Scoring for Lakeview was as follows: Scott, 7 points; Johnson, Gibson, 5; Bounds, 6; Knox, 3; and Davis, 1.
