MEMPHIS, HALL COUNTY, TEXAS, FRIDAY, OCTOBER 2, 1936

FIVE CENTS

NUMBER 15

Rainfall During Last Month Is 30-Year Record

Following directly on the heels of the driest three summer months on record here, September, 1936, was the wettest September recorded in Hall County in the past 30 years.

With light rains on September 24, 25, 26, and 27, the month's record total was boosted to 7.54 inches, which eclipsed the 7.33 inches of rain which fell here in September, 1926.

Only .30 inches fell in Memphis during all of June, July, and August; but the first week of September saw a good rain, and light rains fell every two or three days throughout the entire month.

The total amount of precipitation received here last month was less than an inch under the greatest amount of rain received here in a single month on record. In October, 1926, a total of 8.35 inches was received, which is the wettest single month on record here.

The average amount of rainfall, taken over a period of 20 years, received in September is 2.78 inches.

Rains recorded in Memphis last week by J. J. McMickin, official United States Weather Bureau statistician, are: Sept. 24, .12 inches; Sept. 25, .40 inches; Sept. 26, .12 inches; Sept. 27, .68 inches.

Sheriff To Return Man Here on Theft

Sheriff Joe Colvin left this week on a 2,000-mile trip to Tennessee and back, going to Tennessee to return Robert McCulloch to face charges of theft in connection with a cottonseed theft case here several months ago. Several others are under grand jury indictment in connection with the theft, members of the sheriff's department stated.

Sheriff Colvin was forced to secure extradition papers before being permitted to return McCulloch to jail here. Sheriff Colvin and McCulloch are expected to arrive here about Saturday.

CCC HERE OCTOBER 6-8

Civilian Conservation Corps enrollment for 40 young white men of Hall County will take place at the Memphis CCC Camp on October 6, 7, and 8, according to Mrs. F. E. Davis, relief supervisor here.

This enrollment is for white applicants between the ages of 17 and 28, inclusive; single, unemployed, and not in school. The applicant must be from a family receiving assistance from the local County Welfare Office, Resettlement Administration, WPA or PWA, or must be eligible for same. He must make an allotment to a dependent coming under the above classification of from \$22.50 to \$25 monthly. This money can be used only by the person to whom it is allotted as a means of subsistence and can not be held in trust for the enrollee.

Further, the applicant must be physically fit to perform manual labor; must not have any criminal record, nor hold any peace office commission.

Because of the fact that Hall County has been designated for drought assistance, any applicant who has had previous experience in the CCC may re-enter the service if he has an honorable discharge.

This enrollment comes at an opportune time when many families are in need of assistance and cannot be assigned to WPA, although WPA quotas have been hiked here and the fall cotton picking season is on, Mrs. Davis said. The enrollees receive some very benefits.

Cotton Pickers Now In Demand In Hall County

Frank N. Blevins, who is in charge of the National Reemployment Service office which was opened in Memphis last week to serve labor demands of Hall and Briscoe counties, states that jobs are available at this time for every able-bodied man in this section who wants to work.

There are some 300 cotton pickers wanted by Hall County farmers right away, Mr. Blevins said. Any person who wants a job picking cotton may find the job by applying at the NRS office in room 8 above the old Hall County National Bank building.

Hall County farmers are paying 60 cents, 65 cents, and 75 cents per hundred for the "snap" cotton. The early cotton here is said to be unusually light in weight in most cases.

MEMPHIS WILL DRAW 200 FOR SHERIFF MEET

Memphis Hotel Made Headquarters For 2-Day Parley

The Hall County Sheriff's Department and the Memphis Chamber of Commerce have been working together for the past two weeks on plans for a program for the North Texas and Southern Oklahoma Peace Officers' semi-annual convention, which is to be held in Memphis on Wednesday and Thursday, October 14th and 15th.

The Memphis Hotel has been selected as the official headquarters and it is probable that the sessions of the convention will be held there.

RESUME TRADES DAYS HERE SOON

Local Merchants Will Form Association To Increase Volume Of Business

Plans are under consideration at present for the resumption of a series of "Memphis Trades Days," in the form of bargain days by cooperating Memphis merchants in an effort to create a bigger volume of business.

It is likely that an active plan will be worked out at an early date for the resumption of the trades days here. The trades days will be similar to the series conducted here in the early summer, it is believed.

452 BALES ARE GINNED IN HALL

Figures Released by Bureau of Census For Cotton Ginned In Hall Prior to Sept. 16

Four hundred and fifty-two bales of cotton, counting round bales as half bales, were ginned in Hall County from the crop of 1936 prior to September 16.

This information has been released by C. Lee Rushing for the Department of Commerce, Bureau of the Census, Washington.

The cotton harvest is expected to get under way in Hall County rapidly now, following an interruption of more than 10 days caused by recurrent rains.

COUNTY SCHOOL OFFICIAL QUILTS

Fay U. Berry Resigns Post On County School Board; Tom Luttrell Is Appointed

Fay Berry has resigned his position on the Hall County School Board as representative of Commissioners' Precinct No. 2, and Tom Luttrell has been appointed by the county board to fill out the unexpired term of Mr. Berry.

Mr. Luttrell was appointed at a recent meeting of the board in the office of the county school superintendent, at which time Mr. Berry's resignation was accepted by the board.

The board now consists of H. W. Kuhn, Memphis, president; Ben Gresham, precinct 1; Tom Luttrell, precinct 2; Wade Davis, precinct 3; J. M. Eudy, precinct 4.

Two Speakers On Rotary Program

"Ten things every Rotarian should know about Rotary" was the subject of a short address made by Dr. J. A. Odom at Tuesday's Rotary luncheon.

Following Dr. Odom's discussion of Rotary principles, Dr. L. M. Hicks spoke humorously on "Your pasture is no greener than mine." He told of how he had investigated other businesses and professions and found that the men conducting such businesses had as many or more worries than he had in the business of dentistry, therefore he had come to the conclusion that it would be best to stick to his own business.

Memphis, Fairview Call For Consolidation Vote

Elections have been called by Hall County Judge Jim Vallance in Memphis and at Fairview on Tuesday, October 27, to determine whether or not the Memphis Independent School District and the Fairview Common School District No. 28 shall be consolidated.

The election was called by County Judge Vallance after he was presented with petitions from qualified voters of the Memphis school district and of the Fairview school district last Saturday, demanding that an election be called.

Following is the petition presented by the Fairview petitioners: "We, the undersigned qualified voters of the Fairview Common School District No. 28, hereby petition the County Judge of Hall County, Texas, to order an election in accordance with the Texas Public Laws, to be held at

the Fairview school house, to determine whether or not the Fairview Common School District shall be consolidated with the Memphis Independent School District, for school purposes and the resulting district be known as the Memphis Independent School District. Said election also to determine whether or not said consolidated school district shall pay off all outstanding bonds against said district or either of said districts to be included and a tax levied therefor."

A similar petition, asking for an election in Memphis, was presented Saturday by a number of citizens of Memphis Independent School District.

All persons who are legally qualified voters of this state and county and who are resident qualified voters of the districts shall be entitled to vote in the elec-

DEMOS IN MEET HERE SATURDAY

Party Officials Launch Drive To Secure County's Quota For National Campaign

James E. King, a member of the State Democratic Committee for the Panhandle and County Democratic Chairman, conducted a meeting of Hall County Precinct chairmen in the county courtroom last Saturday afternoon at 2 o'clock.

Plans were laid at the meeting for a drive to secure the sum of \$600 for the National Democratic Party fund. This amount was the quota assigned the county by the district organization in Amarillo.

Precinct chairmen of the county will work their respective precincts and a local committee will work Memphis in an effort to raise the money. The local finance committee consists of James E. King, Oren Jones, J. C. Wells, T. J. Dunbar, and Temple Deaver.

"Almost every citizen of this section has benefited either directly or indirectly from the Roosevelt Administration, and we would indeed be ungrateful if we were not willing to assist in returning the present Administration to the White House," Mr. King stated.

HALL COUNTY TEACHERS TO CONVENE HERE

'Teacher Retirement' Subject Of Talk By School Man

The Hall County Teachers Association will meet in its regular monthly session at the First Baptist Church Annex in Memphis Saturday morning at 10:30 o'clock. Mrs. Roy L. Guthrie, president of the association, will have charge of the meeting.

Following the plan that each rural school in the county will put on an entertainment program during the year at the association's meetings, the Eli and Deep Lake schools will give short entertainment features.

This is to be followed by an address by Alvis Yarbrough, Pleasant Valley school principal, on "The Teacher Retirement Bill," a bill which is to be voted on shortly.

Reports will be heard by Mrs. Alvis Yarbrough for the library committee, by Wesley Foster, graduation committee; C. T. Howell, school program committee; Miss Edna Bryan, uniformity of program committee; J. W. (Continued on page 6)

HAWTHORNE IS ON TRIAL FOR WHITE KILLING

Ralph McCulloch and Henry Jordan Are Found Guilty

W. H. (Bill) Hawthorne, Memphis, was placed on trial here yesterday in district court for murder. The case is being re-tried, after an earlier trial this term of district court resulted in a hung jury.

The jury was selected Thursday morning, and the hearing of testimony got under way Thursday afternoon. Hawthorne is charged with the pop bottle slaying of London White in a Memphis domino parlor on July 22, 1935.

Ralph McCulloch of Estelline was convicted of murder in district court last week, and the penalty assessed was five years in the penitentiary, which was the maximum penalty under the conditions of the case, it was stated by court officials. McCulloch was charged with the murder of G. H. Baten, Turkey school teacher. Baten was killed in an accident on the Turkey-Estelline highway on the night of October (Continued on page 6)

Estelline Teacher Has Position With Tennessee College

Miss Agnes Nelson, who for several years has taught school in this county, resigned her position as head of the Estelline High School Home Economics Department to accept a position with the University of Tennessee as instructor in the home economics department there.

Miss Nelson taught school at Estelline last year, and prior to that she had taught seven or eight years at Newlin. She received her bachelor's degree at West Texas State College and received her master's degree at the University of California.

Miss Nelson left Monday for Knoxville, to assume her teaching duties there.

MEMPHIS DELEGATION IN RADIO BROADCAST AT TRI-STATE FAIR

TEMPERATURES DROP SHARPLY IN PANHANDLE

Hall County Citizens Get First Touch Of Winter This Week

Hall County residents received their first touch of winter this year the latter part of last week, and the installation of heating stoves and an outcropping of common "colds" greeted the sudden drop in temperature here.

An imperceptible amount of frost was recorded here Sunday night, but no damage to crops was reported by farmers of the county. A heavy frost or a freeze at this time would damage crops of this section greatly, farm officials declared.

The cold "snap" vanished Wednesday, with clear skies and an increase in temperatures recorded.

Temperature recordings by the official weather gauge during the cold period:

	High	Low
Sept. 26	68	45
Sept. 27	48	42
Sept. 28	60	38
Sept. 29	60	39
Sept. 30	68	40

Memphis gained considerable recognition when delegations from the Memphis High School rendered a 15-minute radio broadcast over Radio Station KGNC in Amarillo last Saturday while in attendance at the Tri-State Fair.

Forty-six from the Vocational Agriculture Department of the Memphis High School and high school choral club went by bus to the Amarillo fair Saturday. The Memphis Choral Club, entering the junior chorus division of the music contests, won second place and a cash prize of \$2.50. Towns were represented in the contest from over the entire Panhandle.

Following is the program given by the local delegation in the Wilbur Hawk Music Hall over Radio Station KGNC: "Texas, Pride of the South" and "A Rendezvous with a Dream," by the high school choral club with Mrs. Marion McNeely, director; whistling solo, "Hermesillo," Amilda Thomas; piano, a group of popular numbers by Nell McNeely of W.T.S.C.; a talk, "Greeting from Memphis High School," by Riley W. Carlton, head of the local agriculture department; clarinet solos, "A Night in June" and "The Mocking Bird," by Milton Pullis, high school band director.

The vocational agriculture students spent most of the day visiting the various agriculture exhibits and did not appear on the program, as had been planned. Mr. Carlton is arranging to take the F. A. Glee Club to Amarillo at (Continued on page 6)

CARDUI

Helped Three Times

At three different times, Cardui has helped Mrs. Ike Wright, of Sealy, Texas. "I used Cardui, when a girl, for cramps, and it helped then," she writes. Next, after marriage, she reports having taken Cardui when she felt weak, nervous and restless before her children were born.

And during middle life, it helped her again. "I was miserable," she explains. "I did not have an appetite. I was very blue and upset. I remembered Cardui had helped me, so I took it again and soon began to pick up. I ate and had more strength. I kept up the Cardui and did not have any more trouble. Is it any wonder that I recommend Cardui to all my friends?"

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

Field Goal Gives Cyclone 9-7 Win Over Paducah

DENNIS WALKER STARS AS TEAM GETS 3RD WIN

Victory Puts Cyclone Team In Race For District Crown

Memphis served notice last Friday night that she will have to be reckoned with before District 3B honors are awarded, when the Memphis High School Cyclone executed a story-book finish in a thrilling football game on the Cyclone field to defeat the powerful Paducah Dragons by a score of 9 to 7 in an intersectional game.

With Memphis trailing 7 to 6 in the fourth period of the game, and with over 1,000 fans surging along the sidelines and shouting frenzied acclaim from the bleachers, Dennis Walker, Cyclone captain, calmly kicked a perfect field goal from the 20 yard line to stem the tide of defeat and give the locals their third win in as many starts.

The field goal was the first ever to be kicked on the turf of the new Cyclone Stadium, and the first to be kicked here in several years, and was the thrilling climax of a thrill-studded, hard fought game.

Outweighed over 10 pounds to the man, the Cyclone warriors fought their hearts out for four full quarters of fast football; and by playing "heads-up" football, took advantage of the breaks to score an earned victory.

Dennis Walker was by far the most spectacular performer of the Cyclone, with his long, true punts, hard tackles, pass defense, and his perfect field goal. Talmage Pounds played his regular brilliant game and was the spearhead of the Memphis offense. Billy Pope Hall performed well.

The entire Memphis forward wall, composed of Benjie Estes, co-captain; Pud Malone, co-cap-

BLACK-DRAUGHT GOOD LAXATIVE

Black-Draught has been kept on hand for all the family in the home of Mr. W. A. Lemons, of Independence, Va., since twenty years ago. Mr. Lemons writes that he takes it as a laxative in cases of "headache, dull, tired feeling, biliousness."

"And I take it if I feel uncomfortable after a heavy meal," he adds. "I especially use it for sick headache. It certainly is good."

"When a man says 'Black-Draught is good,' it is probably because he remembers the prompt, refreshing relief it brought in constipation troubles. Its benefits are felt because it is a simple, herb laxative, so natural in composition and action that thousands and thousands of men and women prefer it when a laxative is needed."

tain; James Evans, John Harris, Dennis Sanders, A. J. Clark, and Paul Dodson, played the entire game and played it well.

Outstanding for Paducah were F. Boone, half; C. Craig, guard; D. Blythe, full; and E. Hindman, quarter.

Memphis scored first in the contest, coming as the result of a blocked punt in the second quarter by Pud Malone. Memphis' try for point was not good, and Paducah forged into the lead in the third period when a pass was completed over Zeb Moore, safety, for a touchdown; and the extra point was kicked. Walker's field goal, the margin of victory, was in the fourth period and ended the scoring.

First Quarter

Paducah took the kick on her 30, and after two line plunges and a fumble kicked out on the Memphis 45. Memphis, after a plunge and two passes were no good, punted out on Paducah's 25. Blythe fumbled and Malone recovered on the Dragons' 22 for Memphis. On three stabs, Pounds made a first, but the Dragons held for downs on their 14 and the ball went over.

Blythe picked up six at right end and punted out on the Memphis 45. Pounds and Dunn smashed the line for seven yards and Walker's boot sailed out on the Dragons' 8. Hindman and Blythe made nine yards in three plays, and Blythe punted to midfield. Pounds fumbled for a 25 yard loss. Pounds passed to Walker for six yards as the quarter ended.

(Continued on page 9)

Wellington, Shamrock, and McLean defeated Clarendon, Lefors, and Mobeetie, respectively, in the only three conference football contests in this district last weekend. Memphis, Wheeler, and Lakeview had non-conference games.

Wellington 13, Clarendon 0
The flashy Skyrockets from Wellington defeated the Clarendon High School Bronchos in Clarendon last Friday night 13 to 0. The 'Rockets threatened in every quarter, forcing the Bronchos to a defensive game.

The first score came early in the third period when a Clarendon pass was intercepted. After a series of successful passes, the 'Rockets put the ball in a scoring position and Clark ran through the line on a fake for the tally. The quarter ended 6-0. Late in the fourth period, Estes, star back, intercepted a Broncho pass and ran 30 yards to the four before being stopped. A moment later he carried it across on a line play.

Shamrock 19, Lefors 0
Shamrock's fighting Irishmen went to town on the flying feet of an ambitious halfback named Rook Friday night, crushing the Lefors Pirates 19-0 in the first conference game for both teams.

The Irish put Rook over in the second quarter for a touchdown, and in the third quarter the same

man delivered on a three-yard jab. The final counter in the fourth quarter was made by Cantrell. The Simmons brothers and Caruth constantly were in the limelight for Lefors while Drake and Brothers assisted Rook and Cantrell in cracking the Irish whip. Lefors made four first downs to Shamrock's 14.

McLean 37, Mobeetie 0
The McLean Tigers romped over the Mobeetie Hornets in McLean Friday afternoon 37-0. Led by Braxton and Capt. Lawwell, halves, the Tigers took the opening kickoff and marched 60 yards to score. Bogan scored from the six.

The opening of the second period found the Tigers in possession of the ball in midfield. Bogan spotted a 40-yard kick out on the Hornets' 10. On the first play, the Mobeetie backs fumbled and Nicholson, Tiger end, recovered for a touchdown. Overton missed goal.

Watson, McLean quarter, intercepted a pass on the enemy 26, and Bogan passed to Nicholson for 18 and a touchdown. The last half saw Lawwell on three touchdowns jaunts around left end, the longest being 30 yards. Nicholson and Overton were unable to add the extras. The Tiger second string went into the game in both the second and fourth stanzas.

Memphis Plays Lefors Tonight

Seeking their fourth win of the season and their third conference win to date, the Black and Gold warriors of Memphis High School will journey to Lefors today to engage the Lefors High School Pirates in a conference football clash there tonight.

If possible, Coach Harold Chesty Walker plans to take his entire squad of about 32 men to Lefors. Only about 25 will suit out for the game, however. These are Ben Smith, Horace Malone, James Evans, Blakely Montgomery, R. C. Vinson, Albert Crump, ends; John Harris, Dennis Sanders, Buck Gillenwater, Louie Smith, tackles; A. J. Clark, A. G. Callahan, Paul Dodson, Chester Wattenbarger, guards; Benjie Estes, center; Leroy Robertson, Zeb Moore, Talmage Pounds, John Gilreath, J. R. Sanders, halves; Gordon Hagemeier, Billy Pope Hall, Doyle Dunn, fullbacks; Dennis Walker, Pat Noel, quarterbacks.

Stiff Competition
In Lefors, Coaches Chesty Walker and Frank Hubbell are expecting stiff competition. Hubbell scouted the Shamrock-Lefors contest in Shamrock last Friday night, and the assistant Cyclone coach reports that Lefors has a well balanced football machine and one that is likely to upset any team in the district.

Lefors battled the Memphis Cyclone to a tie on the Cyclone field last year (although Memphis won the game on 20-yard penetrations and first downs); and it is said that the Buccaneers have a good number of lettermen back, in addition to a wide array of

ESTELLINE CUB TEAM SCORES ON QUITAQUE

Special to The Democrat
ESTELLINE, Oct. 1.—The fast-stepping Estelline Bear Cubs scored a 19 to 0 victory over the Quitaque Panthers on the local gridiron last Friday afternoon before a large crowd.

Gaining approximately 200 yards on 37 running plays, and completing five out of nine attempted passes, for a total of 114 yards, the Estelline Cubs held the upper hand throughout the contest over the Class "B" Panthers. Stout, with a 55-yard touchdown run to his credit; Rapp, and Leatherwood led the offense for Estelline. Sims, Hood, Wright, and Phillips were the outstanding linemen for the local club.

Turkey Turks And Tulia Hornets In Pigskin Deadlock

Special to The Democrat
TURKEY, Oct. 1.—The terrible Turks of Turkey battled the Tulia Hornets to a 6 to 6 tie in Tulia last Friday afternoon in a slow exhibition of football, featuring fumbles throughout the game.

The Turkey eleven possessed a real football fighting spirit throughout the game with their consistent end runs and excellent passing team, while the Hornets exhibited their strength periodically through the game, penetrating the Turk's brick-wall line at intervals.

Yarbrough and Elliott, who composed the Turk's passing team, scored for Turkey in the second quarter. They were assisted by Cotton and Arnold, who exhibited nice technique against the Hornets.

The National Football Annual, a publication which gives official pictures and news write-ups of the outstanding football players over the entire United States, lists two Memphis men as among the most outstanding performers of the nation.

J. W. West, regular right end on the Red Raiders of Texas Technological College, Lubbock, and William Thomas (Tug) Sanders, regular tackle on the Southern Methodist University Mustangs of Dallas, received mention and were pictured in the football publication.

West, 190-pound wingman who played end on the Cyclone for three years, received special mention and was listed by the magazine as a notable candidate for All-America, highest honor of college football.

Both West and Sanders were prominent in athletic activities during their high school days here. West played football and basketball, and was captain of the track team one year. Sanders played tackle on the Cyclone for four years and was a four-year track man.

Sanders, weighing 235 pounds, is a Senior at S. M. U. Alternating at tackle last season with Truman Spain, All-America player, Sanders won his second numeral. He played most of the Rose Bowl game at Pasadena last New Year's Day for the mythical national championship.

West has one more year of eligibility, but he may graduate next spring, he stated here this summer.

Although losing to the powerful Shamrock Irishmen last Friday night by a score of 19 to 0, the Pirates put up a stubborn fight; and it is reported that the Lefors club will improve from week to week.

Despite the fact that Coach Walker was well pleased with the showing his men made against Paducah last week, he has given them no rest this week, putting them through lengthy practice sessions of hard football and stressing pass defense. The forwards have received instructions on rushing the passer, as these were the most flagrant weaknesses that cropped up in the game against Paducah.

The Memphis mentors are still troubled over a halfback position, the sore spot that has worried the coaches the entire season thus far. Doyle Dunn received a broken finger last week, and Leroy Robinson, who plays the same halfback position, had received a broken hand the week before.

Zeb Moore, 125-pound half, may get the starting nod at the wingback slot. Moore has seen a good bit of action, and his speed and shiftness offset his size considerably. All of the rest of the first-string men will be ready to go.

Memphis' probable starting line-up tonight; James Evans, left end; John Harris, left tackle; A. J. Clark, left guard; Benjie Estes, center; Paul Dodson, right guard; Dennis Sanders, right tackle; Horace Malone, right end; Talmage Pounds, left halfback; Zeb Moore, right halfback; Dennis Walker, quarterback; Billy Pope Hall, fullback.

Among the football fans who attended the TCU-Texas Tech game at Lubbock Saturday were Mr. and Mrs. Hugh Crawford, Mr. and Mrs. T. M. Memphis. I drove in front of the W. M. Fore store and someone came out and said "Where in the h— did that d— stuff come from?" W. M. Fore came out and asked "What are you going to do with it?" I told him that the business men of Memphis promised to build a gin provided we grew the cotton. He said it was true but he had not seen any cotton growing and had not heard anyone say anything about cotton, therefore he did not know there was any cotton in the country, but he would call J. C. Montgomery to Jones' bank next morning and do something about it.

We met at the bank next morning and discussed the probability and possibility of cotton production in the Panhandle. I told them I was thoroughly convinced that cotton would grow and do well here—at any rate I would try another crop.

J. C. Montgomery told Jones if the bank would furnish him the money he would go to Dallas and buy a second-hand gin and press, set the machinery up and gin the bale of cotton even if it were the only bale ginned that fall. He was given the money and with it he bought a good one-stand gin and screw-pin press at a cost of \$250. The gin was placed in a vacant store building and T. B. Lovelace, the thresherman, brought his horse-power machinery and set it down on the outside of the building, ran the coupling rod into the house and connected it with the gin.

The gin had no feeder, so the cotton had to be put into the stand by hand. The lint came out loose and flew all over the house. A man would gather up the lint, carry it in a basket to the press on the outside of the house, climb a ladder and put it into the press. By the time the gin was installed nine bales had been hauled ready for ginning—the nine bales being the total crop for that year.

The next year, 1894, a man by the name of Messie, who lived somewhere southwest of Memphis and owned a steam threshing outfit, moved the gin into the livery barn at the southwest corner of the square and operated it by steam power. Some 40 bales were ginned.

In 1895 the gin was sold to W. P. Hedgecock who moved it to the northwest part of town and possibly 50 bales were ginned.

A Mr. Turbyville bought the gin in 1896 and moved it down the railroad to a tank near where the oil mill is now located. This year less than 100 bales were ginned.

The whole country took to cotton raising in 1897 and by August it was decided that Memphis had to have another gin, so the Wilson brothers moved a two-stand gin to the west side of town. More than 800 bales were ginned.

Sometime later the Wilsons sold to Bob Moreman, after which time I have not tried to keep up with the gin business in Memphis.

W. I. ATKINSON.

Mr. Atkinson's article was read by S. S. Montgomery who said "It is a correct history of early cotton growing in this section. The first gin was placed in a bluefront building which was located where the Potts Chevrolet Co. business now operates—Seventh and Main.

"The first boll of cotton ever grown in Hall County grew in my father's cow lot east of the railroad in Memphis. He fed his cows cottonseed and in the spring of 1890 he noticed a cotton plant growing, so he turned his cows into another lot and let the stalk grow and put on bolls. He decided then and there that cotton would grow in this part of the Panhandle."

PEP SQUADS AT SCHOOL FORMED

20 Girls Are In Drum Corps And 60 In Pep Squad; Will Attend All Grid Games

Memphis now has one of the best girls' pep squad and drum corps in this section, H. J. Gore, high school principal, reports.

There are 60 girls in the Memphis High School pep squad and 20 additional girls in the high school drum corps, all equipped with drums. The girls made their first appearance of the school year last Friday night at the football game between Memphis and Paducah, and both the drum corps and the pep squad will attend all of the remaining football games, both those at home and those away.

The girls are leaving this afternoon by school buses for Lefors to attend the football game there tonight. Miss Rosalee Knox is sponsor of the pep squad, and Miss Mary Foreman is sponsor of the drum corps.

Rebecca Ray Weaver is the local drum corps major, and Hattie Dem Ward, Joyce Read, and Maurine Reheis are the pep squad leaders.

All of the girls wear gray uniforms of black and gold, the school colors, with suitable accessories.

Twelve Additions To Lesley Church Result of Revival

A series of evangelistic services closed at Lesley last Friday night, with 12 additions having been made to the Lesley Baptist Church. Rev. R. Neal Greer conducted the meeting, which lasted for 12 days.

Large crowds attended each meeting and much interest was shown, Rev. Greer reported.

DOCTOR'S Rx GUARANTEED TO RELIEVE MISERY AND SUFFERING OR NO PAY!

Quick Relief From Terrible Pains Caused By Sluggish Stomach, Poisonous Bowel Accumulations, Congested Liver and Sluggish Kidneys Is Guaranteed— or Pay Nothing, Declares Medical Man

Every sick man and woman in this city is offered an unusual opportunity to get real relief from their pain and suffering, by Mr. H. L. Williams, head of the great medical laboratories which bear his name. In collaboration with a nationally famous clinic, Mr. Williams has perfected a prescription which acts at once on sluggish stomachs.

For Sour, Burning Stomachs
Awful gas bloating spells are relieved at once. Burning pains from sour, fermenting food disappear as the active ingredients in Williams S.L.K. Formula go right to work in your stomach. Your kidneys get a wonderful diuretic action which flushes out impurities. Your liver is revived and urged into action to get rid of that congestion which is affecting your digestion.

Accumulated impurities in your bowels, from decaying food, which are pouring poisons into your blood stream, are swept out by the action of Williams S.L.K. Formula and thus you get relief from Rheumatic and Neuritic Pains caused by Uric Acid poisoning from a sluggish system.

Local Druggist Endorses
If you have any of these symptoms you can try Williams S.L.K. Formula—and unless you get satisfactory results you get your money back and the test costs you nothing.

Mr. Williams has appointed a prominent local drug concern, Tarver's Pharmacy, as exclusive representative here for the Williams S.L.K. Laboratories and he invites every sick person in this city to come in and get a bottle of Williams S.L.K. Formula on this Money Back Guarantee. You can't lose. Don't miss this opportunity. Get your bottle of Williams S.L.K. Formula today from Tarver's Pharmacy. (Adv.)

Brother of Mrs. S. T. Harrison Buried At Waco

Mrs. S. T. Harrison received word Friday of the death of her brother, W. T. Smith, who died suddenly Friday morning at his home in Waco.

Funeral services for Mr. Smith were held Saturday afternoon at 3 o'clock, with burial in the Waco Cemetery.

Mr. Smith is survived by three sons and one daughter, three brothers and two sisters besides Mrs. Harrison.

TERPEZONE CLINIC

I will open a Terpezone Clinic in my office Monday, October 5. Free demonstrations all day Monday, and from 9 to 11 a. m. each day during the week including Saturday.

Terpezone is a system of treatment by inhalation of an atmosphere created in the office . . . Terpezone is pinene onoxide—a powerful germicide, a healing agent and blood purifier. Absolutely harmless and pleasantly respirable . . . Terpezone attacks the cause of the trouble and is not a palliative.

24 years of constant use prove this visible, dry, cool vapor to be effective in all chronic respiratory troubles, blood pressure, and some skin conditions.

25, 1935. McCulloch, it was charged by the state, was drunk at the time his machine collided with the automobile driven by Baten.

The jury was out less than an hour in returning the verdict of guilty, following a fiery argument by District Attorney John Deaver. McCulloch's attorneys have posted notice of appeal.

Henry Jordan, Memphis negro, who was indicted for murder after Dora Mae Patterson and Luke Walters, negroes, were found dead in a burning house in Morning-side Addition, local negro settlement, on the night of April 15, 1935, was found guilty of the murder of Dora Mae Patterson by jury Thursday morning and was sentenced to life imprisonment. A previous trial had resulted in the death penalty, but the case was tried over because of a technicality, it was said.

The jury was out over night and

returned to the box Thursday morning to ask questions before a decision was reached. The district courtroom has been packed by large crowds of whites and negroes during the entire session of court. James C. Mahan of Childress is presiding in the absence of Judge A. J. Fires.

Memphis boys and girls make good when they go to college is a statement that has been frequently made in this column. The statement can be made again concerning several members of the Memphis Gold Medal band who are in college and who have been selected to play with the bands of their respective colleges, doubtless because of their musical training and ability. Others could get places if it were not for the fact that they are either working their way through college or have hard literary courses.

Olin Reheis was successful in getting an appointment to the U. S. Naval School of Music at Washington, D. C.

Tom Bob Harrison has been selected as a member of the famous Simmons Cowboy Band and is given a scholarship in Hardin-Simmons.

G. W. Smith is with the A. & M. College band as clarinetist.

R. E. Martin Jr. gets a berth on the Tech College band as first clarinetist.

Jesse Mont Reed also gets a place on the Tech band as trombonist.

Bob Hamilton and C. A. Powell have made the Clarendon Junior College Band.

John Gould, who conducts the "Furthermore and However" column in the Wichita Times, writes:

Some things I didn't know before but which I found out about when reading J. Evetts Haley's remarkable biography of Charles Goodnight:

That the town of Clarendon was founded as a prohibition colony in the days when prohibition was a new idea, and that the deeds to all the property in town contain clauses forever barring the sale of liquor.

The name Quannah means "perfume" in the Comanche tongue and was given to the Indian chieftain because he was born out on the prairie in the verdant springtime when the air was filled with the fragrance of wild flowers.

That all of Texas clear out to the New Mexico line used to be attached to Clay county for judicial purposes.

That a number of the most important ranch properties in the Panhandle Plains region were started with English capital, through promoters who would pay English investors 3 or 4 per cent and lend the money to cattlemen at 12 per cent and up.

That a newborn longhorn calf will shy away from a dog, or try to fight it, but a newborn Angus or Durham will try to make friends with it.

That prairie dogs stage migrations for long distances and start life anew away from the home burrow.

That a mother antelope, when menaced by a coyote or other predatory animal, will pretend to be crippled and thus lure the attacker away from her young one.

Did she learn that from the quail or did the quail learn it from the antelope?

That the generally accepted belief that calves, released from the branding pen, will run straight to their own mothers in the herd, is a lot of hooley; the mixed-up smells of pent-up calves sometimes make it hard for mama to identify her own.

That some cattlemen learned to know their cattle, by individual markings, exceptionally well, being able to recognize as many as 3,000 head in this manner.

That a close-herded bunch of animals, when wet, will generate so much electricity that it affects the atmosphere.

That when an Indian took an enemy's scalp, he "cured" it by a process of slow broiling so as to get all of the fat out of it. Cured in this way it could be kept indefinitely.

Exotic Sight for Exposition Visitors

Alongway Texas clouds and fronted by the cooling reflecting basin, the Transportation building offers a sight for visitors to the Texas Centennial Exposition in Dallas.

OLD, DECEASED PIONEER, INSTRUMENTAL DEVELOPMENT AND GROWTH OF HALL COUNTY

Thousands who liberty and a new World were the mothers from Eng- land in Rhode Is- land for several genera- tions. Henry Denis Arnold, a descendant of the family, went to New York in 1856, he moved to Iowa, where he finally bought a sawmill. He returned to New York and his wife Gertrude Hilliker. In 1882 this

couple moved to Malcon, Iowa, where Henry Arnold was employed for some time by the railroad company. Later he entered the butcher business, buying, selling, and shipping cattle to Chicago and other places.

Notes Panhandle In connection with his shipping, he saw much advertising of cheap land in the Panhandle of Texas. He read the posters tacked on the depot walls and became interested in the idea of great plains, herds of cattle, and days on the open range.

Henry Arnold left Iowa in 1888 and arrived in Salisbury, Hall County, Texas. This little settlement consisted of two small box houses of two rooms each, and a depot, where one man acted both as railway agent and express agent.

All through the Panhandle the home owners were few and lived great distances apart. A vast majority of the land was owned by the state. There were a few scattered villages, but the chief occupation was cattle raising. Practically all commodities were brought in from Fort Worth, or Kansas.

Locate at Newlin After looking about for some time, Henry Arnold selected a section of land about a mile from the railroad switch known as Newlin. There he built a small cabin and settled. As money was scarce, and living expenses high, he hired out as a cowboy. He

followed the herds of cattle until the spring of 1892. During these three and one-half years, he roved over practically every acre of land owned by the Diamond Tail, Milliron, Matador, and the Capital ranches.

Henry Arnold remarked, "Antelope used to roam this county in greater numbers than prairie dogs. I have seen hundreds of them chasing over the ranches, but they have disappeared and with them went the old chuck wagon, the cow puncher and his pony."

Settlers began gathering about Salisbury. In 1889 a town was started on the railroad about four miles north of Salisbury, and was named Memphis. It was in 1890 that this town became the county seat of Hall County.

While roaming the prairies as a cowhand, Duillius Henry Arnold visioned probable prosperity and independence for the settlers in tilling the soil. He and his neighbors began considering wheat as a money-making crop.

In 1892 Arnold was given a pass on a cattle train to Kansas City. From there he went to Iowa and brought his wife and children to Texas. They were located in their comfortable home.

Moves to Estelline In 1894, Henry Arnold moved his family to Estelline. They were the third family to settle in the little town. Here he worked on a ranch most of the time. In 1900, he moved to Memphis and was appointed deputy sheriff and tax collector, which office he held two years.

He bought a dray line and wagon, which he ran for some time. He served as county treasurer for four years. Finally, feeling the pull of his earlier experiences, he became interested in butchering, buying, trading, and shipping cattle. He established a meat market in Memphis, which he managed for 20 years.

In November, 1924, Henry Arnold underwent a serious operation, and thereafter was never able to do strenuous work. In 1926, his friends elected him to the office of district clerk, which position he held until his death in 1933.

True Westerner Henry Arnold was a true westerner. He loved this great land which he had seen develop and blossom and prosper. He wanted the youth and the succeeding generations to have a clear conception of the romance of the pioneer days. To this end he spent much time in corresponding with old-timers, in collecting correct data concerning the Indian scares, the buffalo hunts, the political, the educational, the church, and the social history of the section.

He was an enthusiastic member of the Panhandle Plains Historical Society, which has headquarters in the West Texas State College in Canyon. He attended its meetings and collected material for the museum, sending some of his own branding irons and keep-sakes there.

He had begun a history of the Panhandle, which is most interesting, although it is unfortunately left in file. While a member of the local school board in Memphis, he visited the schools, talked

Chapman Family Leaves Saturday

Mr. and Mrs. W. C. Chapman and son Cullen are leaving tomorrow for California where they will likely locate. First, they will go to Oakland to visit Mr. Chapman's brother, M. W., then to San Francisco to visit another brother, J. B.

The Chapmans have been residents of Memphis for the past ten years and Mr. Chapman was salesman for the Hanna-Pope store during the nine years the firm was in business here. Mrs. Chapman was also employed as bookkeeper for business firms, during most of that time. For the past several months both Mr. and Mrs. Chapman have been employed by the Potts Chevrolet Co.

26 Boys And Girls Aided By NYA At Local Schools

Twenty-six boys and girls are helping pay their way through high school here through assistance from the National Youth Administration, local school authorities have announced.

The students are working at the school, doing such work as helping keep the gymnasium, improving the playground, keeping up the playground equipment, serving as stenographers and office helpers, working in the home-economics and science laboratories, and running the moving picture projection machine.

Thirteen of the jobs are for the entire nine months, and the other 13 are for a three-month period, which was granted the local school because the county was designated by the federal government as eligible for special assistance due to drought conditions. The students earn approximately \$6 per month each.

DWAIN JONES TO CONDUCT MEETINGS DURING OCTOBER

Dwain Jones, of the Church of Christ, leaves Monday for Alvord where he will conduct a revival meeting. From there he goes to Gage, Okla., to hold a meeting and will return to Memphis about October 28.

He announces that he will be here Sunday to conduct services.

Dennis Walker

Continued from page 4

Walker punted to the enemy 17. Estes nailed Gibson for a three yard loss, and Paducah punted to her own 35. A pass to Evans bounced off his shoulder and was taken by a Paducah man. A line drive was no good and two Paducah passes failed. Malone blocked the attempted punt, scooped up the ball and ran five yards to Paducah's 12 yard marker. On an end around, Malone advanced to the four. A reverse lost two yards, and Pounds knifed through tackle to score. Walker's kick was wide.

Paducah took the kickoff on her 33, and a pass from Blythe to Boone was good for 17 and a first down. Stanridge made six, and Hindman made it a first. Estes intercepted a pass on his 40 to break up the drive. Two plunges and a pass failed to gain, and Walker kicked out. Evans a moment later covered a Paducah fumble. A pass to Walker was good for 18 yards, and Hall got three as the half ended. Score, 6-0.

Third Quarter Memphis received on her 30. Walker kicked out on the enemy 25 after two thrusts gained seven yards. The Dragons' passes failed and Blythe kicked to Pounds on the 50, and Pounds fumbled and Paducah recovered. Two Paducah passes were dropped, and then a forward and a lateral netted 12 yards and a first. Boone took a pass far down the field in the clear and ran the remaining distance to score. Blythe kicked goal.

Moore and Hall made a first on the Dragons' 46 after the kickoff. The Cyclone bogged down there and kicked to the visitors' 33. Paducah made a first at right end before having to punt. Pounds' pass was intercepted and Pounds was hurt in making the tackle on his own 25. The ball went over on downs on the 16 as the quarter ended. Score, 7-6.

Fourth Quarter Pounds and Hall hit center for a first, and Walker took Pounds' aerial for 11 and another first. Memphis failed to gain in the next series and was forced to punt. Walker kicked to the one yard line, where Malone killed it. Blythe's spiral sailed out on the

30. After two attempts failed, Pounds made it a first on the 10. Pounds, on three tries, lost a yard. On fourth down, Hall took Estes' snapback from center, and Walker kicked a field goal from placement from slightly back of the 20 yard line.

Paducah took the ball on her 32. Latimer caught a pass for a 30 yard gain, but Hall ended the march with a pass interception. He was pulled down after making a 30 yard run. Pounds cracked the line twice for a first down as the game ended. Final score, Memphis 9, Paducah 7.

Memphis led in first downs, seven to five.

The starting line-ups: Memphis—Estes (c), center; Dodson and Clark, guards; Sanders and Harris, tackles; Evans and Malone, ends; Pounds, quarter; Hall, full; Dunn and Walker, halfbacks.

Paducah—Irons, center; Craig (c) and Puckett, guards; Lewis and Cummings, tackles; Isbell and Latimer, ends; Hindman, quarter; Blythe, full; Boone and Fuller, halfbacks.

Substitutes: Memphis—Moore, Robertson. Paducah—Stanridge, Moore, Gibson.

Officials: Kirby, Texas, referee; Matthews, E. T. S. T. C., umpire; Penick, W. T. S. C., headlinesman.

The Bench Player

Continued from page 4

and Robinson received a broken hand during the preceding week's game. The injuries will hurt the team some; but the two men will be able to play, as their assignments are of a blocking nature, principally.

Horace Malone, who, together with Dennis Walker and Benjie Estes, captains the Cyclone grid team, played his best game to date Friday night. Other than blocking a punt which paved the way for Memphis' only touchdown, Malone was down fast on punts and played a steady defensive game, in addition to heady work on the offense.

The Bench Player's prediction as to how this football district, District 3B, will end up this year:

1. Wheeler.
2. Memphis.
3. Wellington.
4. Shamrock.
5. Clarendon.
6. McLean.
7. Lefors.
8. Lakeview.
9. Mobeetie.

"I wish I had a couple of backs like Pounds and Walker," Blizard Spearman, Paducah coach and former T. C. U. star backfield man, told Supt. W. C. Davis, Carroll Smyers, and the Bench Player last Friday night as the money was being counted after the football game. "Why, do you know where we got Pounds?" Davis asked. "We picked him off a physical education team last year."

"I don't care where you got him; I wish I had a man like him. He's not fast or unusually shifty, but he has beautiful leg action and is a real hard-running back, the former All-Southwest Conference back said.

Open season on doves closed Sept. 30. Hall County hunters reported an unusually good season here this year.

Methodist Church Plans For End Of This Year's Work

The regular monthly meeting of the Board of Stewards of the First Methodist Church was held Tuesday night in the church parlors, with W. P. Dial, chairman of the board, presiding.

Consideration of plans for closing the work of the church year was given, which will necessitate payment of the balance due on the budget fund for the respective pledges by the membership. Fifty per cent on conference claims is yet outstanding.

Conditions of the church finances are good at this time, and the board approved the constructive progress of the church for the past year.

Frazier McGuire was among those to attend the TCU-Texas Tech football game in Lubbock Saturday. He went with Mr. and Mrs. E. E. Cudd and Miss Thelma Shankle. They visited with Nita Cudd who is a student in Tech.

Pension Probe At Austin Is Viewed By Indigents Here

Memphis and Hall County residents this week viewed with considerable interest the procedure of the House of Representatives as that house adopted rules for an old age pension situation probe and prepared to launch an investigation, with Orville S. Carpenter, state pension director, as witness. A resolution ordering the inquiry to last not longer than a week was passed. Among the bills introduced included one to raise the house racing tax, and a proposal was made to transfer the auto license revenues from the highway to the pension fund. Bob Alexander, representative of this district, was named a member of a five-man board to direct presentation of pension testimony. A number of Hall Countians are awaiting the results of the special session of the legislature.

Miss Ruby Adams Honored At Dinner

An informal dinner last evening at the home of Mrs. Bob Cecil had Miss Ruby M. Adams, bride-elect of James H. Travis, as honoree. The couple will be married Sept. 30, and live in Amarillo. Dinner was served from a table centered with yellow daisies. An array of packages presented to Miss Adams proved to be only a mock shower, but the group later presented her with a lovely occasional table. Guests were Miss Adams, Mesdames Frank Foster, Frank Keshn, E. E. McNutt, Lee McConnell, Ed Fowler, Frank Lard.—Pampa Daily News.

Climaxing the entertainment given for Miss Ruby M. Adams since her engagement to James H. Travis was announced last weekend, Priscilla Home Demonstration club was hostess last evening at the home of Mrs. Joe Lewis to about 60 friends over the county. Miss Adams, county home demonstration agent here for nearly five years, is leaving today for Amarillo and will reside there after her marriage.—Pampa News.

S. S. Davis, Lenro Keeton and Hubert Jones were among those to attend the TCU-Texas Tech football game in Lubbock Saturday.

Motorized Units and Highway Posts Give Red Cross First Aid to Injured

ABOVE LEFT: Passing motorists report highway accident to nearby emergency first aid station. Note police car at left, its driver a Red Cross trained first aid driver—one of the mobile first aid units organized to enable persons injured in traffic accidents to receive prompt emergency treatment. First aid stations and highway patrol bridge the gap between accident and arrival of a physician.

ABOVE RIGHT: Trained personnel of highway first aid stations know what to do when an emergency arises. A quick call for ambulance or doctor is made possible by an up-to-date list of nearby hospitals and physicians. LEFT: Many first aid posts are established at rural fire stations, whose trucks serve as mobile first aid units when a crash occurs some distance from the station.

THE Red Cross has forged a new link in its chain of highway first aid stations established to bring immediate emergency care to roadside crash victims. Thirty-two Delaware state highway maintenance trucks comprise the first unit of the Red Cross motorized highway patrol, organized to complement the organization's emergency highway first aid stations. It is planned to equip and give first aid training to the crews of several thousand trucks of state highway and public utility groups, since these vehicles are constantly on duty on the nation's traffic arteries. Numerous groups in a number of states are now prepared to launch similar highway patrols under Red Cross jurisdiction, and the highway police of eight states have finished Red Cross first aid training and will soon augment these mobile units. National Safety Council figures show that last year motor accidents claimed 37,900 lives. This appalling total would have been less if more of the victims had received emergency treatment at the scene of accident while the doctor was on the way. The Red Cross has already established 900 highway emergency first aid stations on through routes in rural areas, and an additional 3,500 will soon be in operation. The well-meaning but helpless bystander at the scene of accident will be replaced by the first aid, trained to splint fractures, stop bleeding and treat for shock. The American Red Cross dedicates its first aid posts and mobile units to the motorist of today and tomorrow who may be injured at a point where medical attention can not be immediately secured.
