MEMPHIS, HALL COUNTY, TEXAS, THURSDAY, OCT. 4, 1934 4 PAGES PRICE 5 CENTS

FIND MAP OF COUNTRY NEAR LINDBERGH HOME IN HAUPTMANN TRUNK

NEW YORK, Oct. 4.—District Attorney Samuel Foley announced today that investigators found maps of New Jersey, including the region where Col. Charles Lindbergh's estate is located and the region in Massachusetts where Lindbergh sent a futile mission after payment of the \$50,000 ransom, were found in Bruno Richard Hauptmann's trunk.

Foley said that Hauptmann reproduced the maps from memory during the questioning "with a remarkable accuracy."

Also in the trunk, Foley said, were found nine German-American

ictionaries, each of 1,000 words, which contained the more difficult words in the Lindbergh ransom notes.

Hauptmann's criminal record in Germany, cabled by Detective Arthur Johnson, showed the prisoner had been sentenced on several charges there, and once escaped jail.

A special panel of 150 was drawn from which to select the jury to try Hauptmann on an extortion indictment, October 11.

Five psychiatrists were prepared today to conclude their mental test of Hauptmann, begun yesterday.

FOUR SUSPECTS ARRESTED IN KILLING

Taken in Connection
With Slaying of
Two Brothers

SAN ANTONIO, Oct. 4.—Four suspects were placed under arrest this morning in connection with the slaying near George West of Homer Dobbs and his brother, Virgil, in a reported robbery. Two suspects were held at George West. Two Mexicans taken at Seguin were taken to Falfurrias for questioning.

ALICE, Oct. 4.—An extensive manhunt was being carried on in the territory between Alice and San Antonio today as officers and highway patrolmen sought the robber-killers of two brothers here yesterday.

Sheriff Albert Smith, of Live Oak county, started an investigation as soon as the bodies were discovered and highway patrolmen joined in later, but no clue to the identity of the assailants was discovered yesterday.

The brothers, Homer Dobbs, 32, and Virgil Dobbs, 16, were shot and killed near here early yesterday as they returned to their San Juan home from a regular trip to San Antonio with a truck load of vegetables.

Joe Foster, a fence rider on the George Reynolds ranch, found the bodies in a pasture about 75 feet from the highway where the Dobbs truck was parked. Both bore wounds from rifle and pistol bullets.

Officers believed the men were shot in the back and, after they fell, were shot once in the head. About \$200 the brothers were believed to have been carrying was missing.

The men left their home Monday night on one of their three-week trips to San Antonio vegetable markets.

LEGION INSTALLS LEADER TONIGHT

Doss Becomes Local Commander; To Listen To Radio Talk of National Head

L. L. Doss is to be installed as commander of the Charles R. Simmons post of the American Legion at the regular meeting of the post here tonight. He succeeds Commander D. J. Morgenson and fills the position left by the resignation of E. H. Whittington, commander-elect.

Other post officials will also be installed tonight. They are J. M. Tucker, first vice-commander; Roy Guthrie, adjutant; C. C. Dodson, service officer; Joe Reheis, treasurer; Russell Clark, historian, and D. J. Morgenson, sergeant-at-arms.

Joe Ballard and D. C. Messick will be installed as members of the executive committee.

The legionaires will also listen to the radio address of National Commander Edward A. Hayes at 8:45 o'clock. He will make a reply to a recent attack on the national legion by a well-known magazine editor. A radio will be placed at the legion hall.

DETROIT EVENS COUNT WITH 3-2, 12 INNING VICTORY OVER CARDS

DETROIT, Oct. 4.—The Detroit Tigers, behind the masterly pitching of Schoolboy Rowe, evened the count in the World Series today by defeating the St. Louis Cardinals, 3 to 2, in a 12-inning game.

Durocher came in with the winning run on "Goose" Goslin's single, after Pitcher Walker had walked him and he advanced to second on another free ticket.

Schoolboy Rowe let the National Leaguers down with seven hits in the 12 innings, and struck out seven as he went the full route.

The Tigers, trailing 2 to 1, tied the count in the last of the ninth to send the game into extra innings. Walker, a pinch hitter, singled, scoring Fox from second, who had advanced on an out, with the tying run.

He lost a chance to win the game when he was caught in a chase between first and second.

The hurling of Rowe thrilled the crowd that jammed into the park to see the mighty moundsman at work. Although he allowed the Cards to get into the lead and was all but defeated, after he got well underway he was never in danger again. During the extra inning he could not be touched.

Plan Classes Today In Adult Education

Teachers, educators and people interested in free adult education courses are in an open meeting this afternoon with Mrs. Roy Guthrie, county school superintendent, to make plans for the opening of education classes in Hall county. The classes are to be provided under the federal government's relief educational plan, offering more than 200 courses, ranging from vocational subjects to nursery subjects.

If plans are made this afternoon for the organization of free classes in this county, they will begin immediately and will extend through January, and possibly longer, according to W. C. Darnell, district supervisor, who was here earlier this week to explain the educational plan. The classes are open to every adult in the county who is not now attending schools of any kind, and subjects may be chosen, places for classes to meet and times for their meeting set to suit the convenience of the members of the class.

Teachers for the individual subjects (Continued on page 4)

TWO SUSPECTS IN BANK ROBBERY ARE ARRESTED

SHAWNEE, Okla., Oct. 4.—Two men were arrested near Waukegan late yesterday as suspects in a recent Newcastle, Ind., bank robbery.

The men, Jake Owens and Hugh Webb, were arrested at the request of Ed Kirby, Newcastle sheriff, at the home of Webb's parents.

In their possession was \$450, guns, burglar's tools and a new car.

Details of the Newcastle robbery were not available here.

JURY IS GIVEN \$28,000 SUIT FOR DAMAGES

Verdict Expected by
Mid-Afternoon in
District Court

At noon today a Hall county jury received the \$28,000 damage suit of J. J. Kimbrow against the Fort Worth and Denver City railway company, and an agreement was not expected by District Judge A. J. Fires before mid-afternoon. The Judge's charge to the jury was made yesterday afternoon and arguments given by attorneys this morning.

The case has created considerable interest among local bar members. It has been under way in 106th Judicial District court for the past three days.

Kimbrow, 19-year-old Hall county youth, suffered injuries that caused the amputation of his left foot while riding a north-bound freight train at Lelia Lake on December 23, 1933. The foot was amputated just above the ankle.

The prosecution, represented by Dave Fitzgerald, local attorney, and A. E. Zellers, of Weatherford, alleges the youth's foot was amputated when he was forced from the train by railroad men. They are asking \$25,000 actual damages to the boy and \$3,000 to his father.

Representing the railroad in the suit are Judge A. S. Moss, local attorney for the firm, Don H. Culton, of Amarillo, and Bert Walker, of Fort Worth. Their contention is that the boy sustained injuries when he attempted to board the train again after being put off at Lelia Lake.

A number of out-of-town witnesses have been present for the trial.

Mrs. D. R. M'Bee, 88, Dies at Home Here Last Night

Mrs. Darcus Reynolds McBee, 88, died at her home, 1811 West Montgomery street, at 10 o'clock.

Funeral services were to be held this afternoon at 4:40 o'clock at the Church of Christ, with John H. Banister, pastor, conducting the services.

Burial will be in Fairview cemetery, with King's mortuary in charge.

Mrs. McBee had lived in Hall county for 14 years. She was the mother of Dr. J. H. McBee of this city. She is also survived by a son, J. H., of Rosebud. He is here for the funeral.

Typhoon Hits Island In Phillipine Group

MANILA, Oct. 4.—A typhoon swept northern Luzon island tonight, stopping communications and causing heavy property damage.

Manila escaped the storm. It was the second devastating typhoon to sweep this section of the Philippines in the last six days.

Fined \$5, Costs in Drunkeness Charge

Barney Bradlock, of Swearington, pleaded guilty on a charge of drunkenness in County Judge Jim Vallance's court this morning, and was assessed a five dollar fine and costs of court.

Bradlock was arrested by members of the sheriff's department at a late hour Wednesday afternoon.

The Weather

TEXAS ALLOTTED TWO MILLIONS FOR RELIEF

Between One, Two
Million Expected
To Follow

WASHINGTON, Oct. 4.—The Relief administration today allotted \$2,339,000 to Texas for October. It was said a supplemental allocation for general purposes, probably between one and two million dollars, will be made later.

Today's grant was divided as follows: \$1,647,000 for drought relief; transient relief \$135,000; student aid \$57,000, and rural rehabilitation \$500,000.

Kidnap Plot Is Frustrated; 2 Suspects Held

WHEELING, W. V., Oct. 4.—Frustrations of a plot to kidnap Betty Bloch, daughter of a wealthy Wheeling tobacco manufacturer, and the arrest of two men for conspiracy, was announced today by department of justice agents.

The suspects, who, officers said, admitted conspiring to hold Betty for \$25,000 ransom, are Harry Thornton haberdashery clerk, and Thurman Bowen, professional football player.

DENIE SHEEPMEN'S REQUEST

WASHINGTON, Oct. 4.—The government today denied a request by Representative Kleberg that ranchmen not be required to skin condemned sheep sold to the federal agencies in drought areas. The Texan contended that the skinning of such animals is uneconomical.

ANNOUNCE DATES FOR JUNIOR CHAMBER OF COMMERCE SHOW

Dates for the presentation of the Junior Chamber of Commerce's negro minstrel under the direction of William Russell Clark were announced this morning.

The mirthful, tuneful production will be presented next Wednesday and Thursday nights at the High school auditorium at 8 o'clock. Admission will be 20 cents for adults and 10 cents for children.

With a cast of 30 "dark face" comedians and singers, the minstrel promises to furnish two nights of real fun and enter-

tainment. The production includes a number of old, favorite minstrel songs as well as a number of more recent "hits."

The cast has been working for two weeks under the direction of Mr. Clark and Mrs. C. L. Sloan, Jr., who has charge of the music. All members have learned their parts, and it appears the show will "go off" without a hitch. The entire cast will be announced within the next two or three days, Mr. Clark stated. Dress rehearsal will be held Tuesday night.

Canning Plants To Be Worked Strictly on Community Basis

Government canning kitchens in Hall county will operate strictly as community projects, with the processing of meats, vegetables and fruits on a percentage basis, according to Judge A. C. Hoffman, Hall county relief administrator. Operation of the plants is expected to begin within the next week or 10 days.

Installation of kitchens in Memphis and at Turkey are practically complete and operation is being held up awaiting the arrival of ad-

ditional equipment. Frames and burners for the pressure cookers are expected to arrive from the Austin offices within the next few days. Additional equipment will be purchased locally, and local officials are awaiting purchasing orders for this equipment.

Sam H. Brown, of Memphis, has had charge of the installation work of the two kitchens. The two plants are arranged in such a manner that when the food is placed in

the cookers, it is never touched by hands. The foods come into the kitchen to the right and finished, canned product is delivered to the left, after making a complete circle of the building. Equipment is sufficient to handle four sizes of cans, number 1, 2, 2½ and 3.

Complete announcements as to the rate of charge for canning various products will be made before the plants are put into operation, according to Judge Hoffman.

CITY TIGHTENS HOLD ON THIEVES

MEMPHIS this week tightened its hold on criminals when the city council passed an ordinance calling for complete records of transactions of dealers in second hand merchandise and "junk". The ordinance makes it impossible for stolen household goods and other articles to be sold within the city if all the dealers are anxious to remain out of the reach of the law. It provides for punishment of the men who encourage thieves to make away with other peoples' property by purchasing the goods—at only a fraction of their value—without asking any questions.

Most of the petty thievery that has been going on here (we believe it has died down to a great extent during recent weeks) has netted loot that, it appears, had to be disposed of within the city, for most of the "jobs" were small and did not warrant carrying the loot to distant points for disposal on a paying basis. Too, if stolen goods are disposed of within the city and the purchaser is entirely innocent of its true identity, the records he is required by the new law to keep will go far in helping police discover the culprits who disposed of the stolen property.

The city council is to be complimented for its work in framing and passing this ordinance. It is not the first time it has displayed foresightedness in meeting situations that need either correction or control.

Both the city council and local police have made it plain to those involved that they are clamping down with a strong hand upon such crimes and that they must not be continued. The fight to control what almost developed into an epidemic a short time ago has moved slowly at times, but now we believe we are definitely headed toward control of the situation.

An outstanding point in the ordinance is that it prohibits the purchase of second hand goods from minors, unless their parents or guardians have approved the transaction.

Three Men Hold Up Terms Insull's Ryan, Okla., Bank Stock Sales as 'Simple Cheat'

By Associated Press
ARDMORE, Okla., Oct. 4.—Three well dressed young men, heavily armed, robbed the First State bank of Ryan today, kidnaped the cashier, bookkeeper and two customers and escaped in a sedan with money from the tray. The captives were released unharmed east of town. The robbers failed to open the vault.

By Associated Press
CHICAGO, Oct. 4.—Samuel Insull's stock sales in his Corporation Securities company were termed a "simple conspiracy to swindle, cheat and defraud the public" by the government as it outlined its mail fraud case against Insull today.

Out Our Way by "Cowboy" Williams

HEROES ARE MADE—NOT BORN

BEACH CLUB GIRL

by MARIE McELROY

BEGIN HERE TODAY
BOOTS RAEBURN, 18 and pretty, elopes with RUSS LUND, handsome swimming instructor. Russ goes to Miami, promising to send for her later, and Boots gets a job in a New York department store.

Russ does not write. Months pass and then word comes that he had been killed in a motor boat accident.

Too proud to ask her parents for help, Boots struggles on alone. She meets DENIS FENWAY, young author, who introduces her to EDMARD VAN SCIVER and beautiful KAY CHILLINGFORD.

Denis helps Boots get a job in a book shop. She goes to live with FRANCES GAWTRY, in charge of the shop. Boots' mother comes to see her and begs her to visit her father who has had a stroke.

Denis calls one night and asks Boots if she is going to marry Edward. He apologizes and rushes away.

Edward asks her to marry him and Boots is tempted to say yes. On Christmas Eve she arrives home after a long day in the shop and finds Denis waiting for her.

NOW GO ON WITH THE STORY CHAPTER XLI

The room had been whirling around Boots. Now it righted itself again and she was herself—pale, tired, a little shabby, in her old blue hat, her fingers locked around an armful of bundles. She was in the doorway of the living room with its Chinese ginger jars and its faded rug and Denis Fenway was staring at her.

"I'm at Lois's for Christmas," he said easily. "They went over to hear the carols and I took a walk and thought I'd drop in for a minute."

"Stay and have a bite of supper"

steady. "That was all right. Just one of those things. . . ."
"I'd been at Kay's," he was remembering, aloud. "Rotten party. She hadn't been nice to me for days. Kay's a darling, really," he interpolated, "but when she gets into a vixenish mood you can't do a thing with her. She'd said something about you and Edward getting on like a house afire. I don't know why it made me mad, but it did. I was in a bad mood. Then I'd had some villainous cocktails, too. It just seemed a good idea at the time to drop in and offer you advice. I don't know why I behaved as I did. But I'm sorry. Say you forgive me."
With an effort, she throttled anger. So he'd come to her, held her in his arms for an instant because Kay had been "vixenish," had he? Oh, why, why must he spoil his apology with Kay's name?
"That was all right," she told him, equably. And then, striving to keep her voice commonplace, she went on, "How is Kay?"
His smile flashed at her. "Splendid. She's gone home—to England, you know—for Christmas. Coming back in several weeks. I miss her."
Drums, drums that in her heart. Oh, wouldn't he be seeing Kay weren't she seeing elegance and her eyebrows and her beauty.
He got to his feet, wondering what happened in and stay a while night to your mother won't you?"
Her smile was peevish. Her manner had just the air of casualness. But actually trembling with anger. He had won tonight. Like he strode in and out here settled and she committed to her forward, he appeared pulses to thud and whirl.

Cyclone Slows Down as Conference Tilt Nears

TAPERS OFF ON STIFF DRILL YESTERDAY

Estelline Opens Conference Play Here Tomorrow Night

Getting set for the opening whistle of their first night game at home and their first conference battle of the season, the Memphis Cyclone slowed down in its drill yesterday afternoon.

This afternoon they are to have only a light workout, before going against the Estelline Cubs tomorrow night under the new floodlights of Fair Park stadium.

To Be At Best

Soreness caused by stiff blocking and tackling drills during the first three days of the week was very much in evidence yesterday, but Coach Chesty Walker has whipped the boys into shape in

THE DEMOCRAT TO HAVE PRESS BOX

That "bird's nest" sitting on the east side of the field, at Fair Park, perched about halfway up one of the 60-foot light poles, it seems, is The Democrat's new press box.

Local and visiting newspaper men will have an excellent view of the games here this year, as well as an excellent place to do their work.

The box is 12 feet high (people on the top east side bleachers can see the top of the south goal posts under it) and 12 feet long. Because it will not accommodate more than six or eight people, it is necessary to limit its use during games to newspaper people only.

these departments. Most of that soreness will be gone tomorrow night, but the effects of the long, hard drills will remain.

In the opinion of the railbirds who watched the Cyclone enter and go through the long session of blocking and tackling drills, the club will be at its best against the Cubs. They showed a desire to learn; they were never afraid to hit with all their power during these drills, and they went at them with a willingness that assured rapid improvement.

Cubs Expect Chance

Nevertheless, word comes from Estelline that Coach L. B. Penick's Cubs are intent upon victory. They are not coming here just to fill an

engagement, but with fire in their eyes and expecting an excellent opportunity to upset the Cyclone. Personally, after watching the Cyclone in its drills this week, the writer does not believe the Cubs have more than an outside chance, but that team is bringing a strong backing along with it in an attempt to prove that the trick can be turned.

Several hundred Memphis fans are expected to be on hand for the opening at 8 o'clock. This marks the first game at which season tickets are recognized; it is the opening conference game of a season in which the Cyclone is expected to go far, and it dedicates the new athletic stadium and lights, the best equipment any local team has ever had.

School for Ford Mechanics Taken To the Pupils

A modern adaption for the "little red schoolhouse"—this time in the form of a traveling school for motor car mechanics—rolled into Memphis yesterday. It was housed in a trim Ford V-8 Sedan delivery truck, equipped for mechanical demonstrations of the proper methods of servicing Ford cars of all types. Headquarters during its stay here will be at Foxhall Motor Co., local Ford dealers.

The "school on wheels," which is under the direction of the Oklahoma City branch of the Ford Motor company, is similar in theory to many new traveling schools which "carry the school to the

student." The school truck is equipped with tools of every description to illustrate the most modern methods of motor car servicing employed by Ford dealers.

Thirty-two such traveling schools, one in each Ford branch territory in the United States, have been inaugurated by the Ford Motor company for the benefit of Ford owners.

In the course of yesterday's class, lessons were given in Ford engine construction. A thorough discussion was held of the theory and practice of motor tune-up.

Instruction was given in the servicing and repair of the Ford carburetor, distributor and fuel pump, as well as other units of the electrical system, and the cooling system.

The school will be conducted again tonight at the service department of Foxhall Motor company, local Ford dealers.

at 2 o'clock Friday afternoon. The County Agent will be in Memphis for a meeting Friday afternoon at 3:30 o'clock. Saturday's meetings are to be held at Estelline at 1 o'clock and at Turkey at 3 o'clock.

Government checks for Hall county signers of this year's corn-hog program are expected to arrive soon, according to Mr. Jackson. The 213 signers in the county

endum was devised to answer charges of bureaucratic support for whatever programs finally were adopted by letting the growers themselves decide.

Reason Is Given

The results from the corn-hog vote will be made known soon. The AAA is confident that the majority of producers will say they wish to continue an adjustment program for next year.

Officials said today that one reason a vote to determine farmer

attitude toward the cotton program was not necessary was that the producers who joined the control plan for this year were already under contract for next year.
