Who sold us all of these

SUMMER DRESSES We'd Like to Know

We've sold hundreds of these smartly styled, goylv patterned Silk Dresses during the season, but some silver-tongued salesman certainly "put it to us" by selling us too many of them. They're all good styles that you can wear for a couple of months, but they are taking up too much of our floor space so we are going to get rid of them at these prices.
