## Local Rebekahs Observe 79th Anniversary

The local Rebekah Chapter met in regular business session Monday night in the L. O. O. F. Hall after which they enjoyed a special program arranged for the celebration of the 79th anniversary. At this time the several lodges over the county had been invited to help in the celebration.

Mrs. Chas. Oren made a few introductory remarks to open the program and was followed by some selected piano numbers by Mrs. W. A. McIntosh much to the enjoyment of those present. Miss Annette Gerlach gave a reading, B. F. Shepherd, Jr. and Helen Boswell entertained with a vocal number followed by a reading given by Darline Read. Mrs. Della Webster sang in her most pleasing manner a solo entitled "Behind the Clouds." Mrs. Zada Goodpasture and Mrs. Nell Read sang "Leave a Little Smile" and gave as an encore, "If I Had a Girl Like You." For this number the participants were dressed as a little girl and boy. Mrs. Goodpasture wearing the apparel of a boy of years back and Mrs. Read wearing the short ruffled dress and short socks of a mere child. Both were well fitted to the song. This particular song was enjoyed to such an extent that a second encore was necessary. They sang "Carolina Moon" and again were called back but the singers were given out so refused to sing further.

Immediately following the program, Mrs. Jewel Dennis was installed as Noble Grand, succeeding Mrs. Ray Taylor, who recently moved to Dumas and Mrs. T. J. Hampton was appointed as Left Supporter of the Chapter. "Till We Meet Again" was used as a closing hymn sung by all those present.

## Methodist Circle No. 2 Meets Last Monday Afternoon

Members of Circle No. 2 of the Methodist Woman's Missionary Society met Monday afternoon at the home of Mrs. W. W. Clower, in mission study with Mrs. L. M. Hicks as teacher.

The song, "Lead On, Oh King

Eternal" opened the meeting and prayer was led by Mrs. L. M. Hicks.

The first two chapters of the book "The Roads to the City of God" were very ably given by Mrs. Hicks in lecture form.

Members present for this meeting were Mesdames J. W. Slover, Ed Lofland, N. A. Hightower, J. P. Montgomery, H. F. Schoolfield, J. B. Reed, Frank Phelan, A. C. Hoffman, W. E. Johnsey, E. T. Whaley, L. M. Hicks and Mrs. Frank Fore, a visitor.

Closing prayer was led by Mrs. N. A. Hightower.

Monday, October 6, Circle No. 2 will meet with Mrs. L. M. Hicks in her home on South Eighth street.

## Gives Dinner For Sister Honoring Latter's Birthday

Mrs. Lloyd Moreman entertained friends and relatives in her home, 16th and Brice streets, Sunday, with a luncheon given in honor of her sister, Mrs. Sam Roberson of Clarendon who was celebrating her birthday.

The luncheon was spread attractively upon a large dining table at 12 o'clock and the several guests who enjoyed this luncheon were Mrs. Sam Roberson, honoree; Mr. and Mrs. E. H. Watts; Mrs. Glass of Giles; Mrs. W. D. Shelton and son, D. C., of Clarendon; Mr. and Mrs. Lloyd Miller and Miss Rubye Thornton of Memphis.

## Pathfinders Hold Meeting Tuesday With Mrs. H. Boren

The Pathfinders' Council met in the home of Mrs. Hollis Boren on South Seventh street, Tuesday, September 16, at three o'clock. The house was called to order by Mrs. Ed Lofland in the absence of the president and vice-president and roll call was answered with foods that are harmful to the body. Mrs. Paul Williams read, "There Are No Drafted Souls in Hell." A discussion on "Foods" followed which was very interesting.

The club adjourned to meet with Mrs. Borden on October 7, in her home on South Tenth street.

## Mrs. Sigler Honors Her Daughter With Birthday Party

Mrs. Scott Sigler entertained a group of little girls with a party Friday afternoon, honoring the tenth birthday of her daughter, Billie.

The girls were first entertained with several indoor games and contests and then were taken outside where they continued to enjoy lively games and where dainty refreshments were served.

Following the refreshments, the party was introduced to a treasure hunt and each guest was rewarded by finding a little handmade sachet with her name attached.

Those attending were: Jacqueline McMurry, Phyllis Howard, Jeanne Parks, Amilda Thomas, Omega Ballew, Athlee Goffinett, Dorothy Stuart, Owen Gilmore, Janie Sue McMurry, Mary Jones, Katherine Reynolds, Lillian Huckabee, Inez Morrison, Betty Johnson, Helen Ruth Thompson, Mary Helen Nelson and Wilma Lee Watson.

## Miss Groves Given Surprise Shower On Friday Evening

Miss Merita Groves was honored with a surprise handkerchief shower given her by a number of her friends Friday evening in the Carnegie Library Park at 7:30 o'clock.

The young people gathered at the Wiggins home where Miss Helen Ruth Wiggins and Dorothy January were acting as hostesses, and went to the park in a group where they played many lively games until 10 o'clock.

Following the games, a generous serving of punch was enjoyed and a large tray filled with packages representing sandwiches was passed, first, to the honoree. She was eager to get her unwrapped thinking it to be a sandwich but to her happy surprise, every small package contained a beautiful handkerchief for her.

The young guests were: Merita Groves, honoree, Audrie Lofland, Edna Blair, Cora Fox Yonge, Valerie Harrell, Odessa Lampkin, Naomi Wiggins, Bobby Ragsdale, Jack Norman, Jewel Jones, Edwin Thompson, Henry Boyd New-

man, Julius Jones, Billy Cosby, and the hostesses.

## Bass Family Has Reunion Sunday At Estelline

The Bass family met in reunion Sunday, September 21, in the country home of George Bass near Estelline. The celebration was occasioned by the eighty-seventh birthday of J. P. Bass of Mineral Wells, father of George Bass.

Three outstanding features of the meeting were the presence of four direct generations of the family, namely, J. P. Bass, Mineral Wells, George Bass, Estelline, John Bass and John M. Bass, Clarendon; both of J. P. Bass' living children, the son and Mrs. W. H. Carlton of Hobart, Oklahoma; and every living grandchild with the exception of two.

Those attending were J. P. Bass and wife; Mr. and Mrs. W. H. Carlton, Hobart, Oklahoma; Mr. and Mrs. R. H. Lumpkin and three daughters, Amarillo; Mr. and Mrs. Leslie Nance, Pampa; Mr. and Mrs. Cal Boston and son, Pampa; Mr. and Mrs. J. P. Bass and two children, Clarendon; Mr. and Mrs. Sam Moore and daughter, Estelline; Mr. and Mrs. Ernest Lee and son, Estelline; Mr. and Mrs. Roy Guthrie and daughter, Memphis; Mr. and Mrs. Gordon Bain, Bula; W. P. Cagle, Clarendon, and Mr. and Mrs. George Bass.

## Mizpah Auxiliary Has Meet Monday With Mrs. Foxhall

Monday evening, September 22, at 7:30 o'clock, Cy Foxhall received the members of the Mizpah Auxiliary at the home of her mother, Mrs. Oren Jones. A very interesting devotional was led by Estelle McCool, the subject being the Psalms. Loraine Tucker conducted the lesson, which was taken from Second Thessalonians, 1-2. Each member answered roll call with a sketch on Spanish speaking in the United States. The members were delighted with the poem, "Trees," read by Joan Bryan.

Delicious refreshments were served to the following members: Mesdames Ray Bass, Joan Bryan, Lela Clower, Emma Deaver, Edna Elliott, Cy Foxhall, Margaret Gore, Boodie Grundy, Hattie Johnson, Elizabeth Johnston, Minnie Kinslow, Billy Kittinger, Estelle McCool, Frank Noel, Mary Noel, Kate Shelley, Pearl Stephens, Loraine Tucker, Pearl Ward, Cora Yonge and Betty Deaver.

### FIRE DESTROYS VACANT HOUSE ON EAST NOEL

Fire destroyed a vacant house on East Noel street and did considerable damage to another at about 4 o'clock Tuesday morning. The fire started from an unknown origin in the vacant house, a two room structure belonging to Ben Woodington, and spread to the home of W. R. Kuykendall from flying sparks on the roof of the house. Damage done to both houses was estimated at about \$800.

Due to an insufficient water supply on the eastern side of town, the fire department was forced to relay the water through the two trucks for five blocks, using all available hose.

**Felt Bad After Eating**

"BEFORE I started taking Black-Draught, three years ago, my health was very bad," writes Mrs. C. C. Carson, 945 Concord St., Beaumont, Texas. "I suffered constantly from constipation. I had headache when I got up in the morning, and I felt dull and sluggish. I hardly ate a meal that my food agreed with me. Frequently I would have gas on my stomach, and felt awful.

"I read about Black-Draught, and I thought it might help me. After I had taken it a little while, I felt much better. It relieves constipation. I keep it on hand so when I need a laxative I will have it. In the three years I have been taking it, I have never found anything as good for constipation."

# VICTORY SALE

When L. E. R. popped off about being able to pick 200 pounds of cotton in one day, I felt pretty certain that Rosenwasser's would have a page advertisement at L. E. R.'s expense this week. Well, here it is, and if you'll check over these prices you'll soon see that we're celebrating our victory by passing on very low prices to you. In other words, our victory is yours, because now you can buy at lower prices than ever. All of which goes to show, I think, that this year's cotton crop has done some good—it's brought you this big value-giving event. —JESS.

**L. E. R. SAYS:**  
I imagined that my morale would be broken if I failed to pick that 200 pounds of cotton, but, believe me, broken morale is not to be compared with a broken back. Now I know what farmers mean when they ask for farm relief—they want relief for sore backs. —L. E. R.

How many amendments affecting the legislature to be voted on in the general election?

Two, to be voted on separately, but one in effect.

What change do they propose?

To change the term of the regular session of the legislature from 60 to 120 days; to increase the per diem of the members from five to ten dollars; to reduce the mileage from 20 cents each way to and from Austin to ten cents; to divide the sessions into three parts, the first for introducing measures, preparing them for consideration, and the acting upon emergency appropriations; the second period is for consideration by the committees, giving those affected thereby a chance to be heard, while giving the people of the state a chance to know what the legislature is considering; the third period is for consideration by the two houses in uninterrupted session when all members will be free from preparing bills, sitting on committees, etc.

What is the difference in the pay received by the legislators?

Being familiar with the pay received by a member living at Memphis, I will use that as an illustration; taking one hundred and twenty days session for example.

As the law now stands he would receive \$600 as salary, and \$532.50 cents for mileage, making \$1132.50.

For the same time under the proposed change he would receive \$1200 as salary and \$88.75 mileage, or \$156.25 more.

Can the legislature transact more business in a continuous session of 120 days than in three sessions necessary to make the 120 days as at present?

Yes, if it should take 120 days continuous sitting to do the work, it would take not less than 150 days as it now stands, requiring an extra session. The 150 days would give a Member \$150 more salary and \$177.50 mileage; making a total of \$1460.00, or \$171.50 more than he would receive under the proposed change.

Do all members receive the same pay?

They receive the same salary, but not the same mileage because of the difference in the distance from Austin. Those living farther than Memphis would receive more mileage while those closer

receive less.

Do you think the state would save money by adopting those amendments?

I have no doubt of it. It may not be that it would give the state less in mileage and per diem. I doubt it. But the difference would be little.

But there is no question but that the state would find the change more economical. The amount that would be saved in time. The clerk hire, stenographical work, stationery, stamp bill, telegraph and phone cost, etc., for which the state is paying, would be enormous. I can not in a brief article explain all the details of incidental expenses the state pays and how it can be eliminated.

Do you think we would get more efficient legislators by making a raise in salary?

I do not think, as stated, that the pay of the legislators would be materially increased, if at all, but if it did. I do not think you could get more efficient members in the legislature; but you would very much increase the efficiency of those whom you do select, by giving them a chance to work in a more systematic way, a better

chance to serve you intelligently and efficiently.

A man who serves you with the pay as his incentive is worse than nothing. The average man who goes to the legislature, does so from a sense of duty, a desire to help, and from love of the work, and is appreciative of the honor and has a high regard for the good opinion of his countrymen. If he should serve his state 120 days, a third of a year for the \$1200 dollars proposed, after paying his hotel bills, or boarding house expenses, he would get home with less money than an assistant teacher in a country school might receive.

Does it ever take over 150 days to complete the work of a legislature?

Yes, this present legislature was in session over 200 days, costing the state far more than if there could have been one continuous session as the amendments provide, and the legislature could have done more satisfactory work both to themselves and the people.

How would a continuous session save in contingent expenses? The contingent expenses continue as long as the legislature is in session, it is very great; and when you reduce the time, you reduce the pay to the legislators, to the numerous employees with other expenses.

## MEMPHIS DOWNNS CLOVIS 32-7

### VISITING TEAM DOES NOT SHOW MUCH STUFF

### Locals Upset Dope In Winning Game; Big Improvement Seen

A hard fighting Cyclone team matched wits with the Clovis Wildcats and tamed them thoroughly to the tune of 32 to 7 in a spectacular and flashy intersectional grid contest on Owl Field last Friday afternoon. The New Mexico lads came to Memphis feeling that they would have a walkover, inasmuch as Memphis had gone down in defeat at Spur the Friday before bearing the zero end of a 52 to 0 score. The Cyclone went on the field determined to make amends for the severe licking Spur gave them and with the old fighting spirit flaming up, they were unbeatable.

**Looked Rather Well**  
Clovis looked rather well during the first few minutes of play, but the spectators soon discovered that the Memphis aggregation was determined to get somewhere and they made short work of accomplishing their purpose. As the seconds were ticking away steadily towards the end of the first quarter, Greenhaw threw a neat pass to the waiting arms of J. D. Jackson who, not waiting for his interference to function properly, eluded the field for a yard and accounted for Memphis' first touchdown of the game and of the season.

**Hammond on Bench**  
Captain Hammond was kept on the bench for the better part of the game and was only utilized in crucial moments. He had been sick for the most of the week and Coach Walter wanted to save him as much as possible. As the second quarter opened, Burns, of Clovis, kicked to his own 45 yard line and Pearson returned the ball 30 yards. Stargel hit right tackle for one yard and Greenhaw made four yards over right guard. Hammond then sent in for Greenhaw to hit left guard for no gain. In the next play, plunged through right guard for Memphis' first touchdown. Both tries for point after touchdown failed for Memphis as the first two tallies were accounted for.

**Locals Score Again**  
Memphis scored again in the third quarter when a delayed play, McLearn to Womack, around right end, gains 25 yards to put ball on Clovis' 20 yard line. A pass, McLearn to Leslie, nets nine yards with the ball on Clovis' 11 yard line. McLearn goes over center for 3 yards and Stargel around left end for one yard. McLearn hits left guard for one yard and Stargel over left guard for 3 yards. McLearn goes through center for the third touchdown for the locals. The try for extra point again fails.

**Touchdown for Clovis**  
Only touchdown for the visitors came late in the third quarter. Kunkler kicked to the seven yard line and Clovis returned the ball 22 yards. Houk went over left guard for 2 yards, and on the next play, Burns nabs a 10 yard pass and runs 59 yards for a touchdown for Clovis. The try for point after touchdown was successful.

Memphis scored the fourth touchdown while the third quarter was still in progress, McLearn kicked 42 yards; Clovis fumbled and Memphis recovered on Clovis' 15 yard line. A delayed plunge, Greenhaw to Jarvis, over right tackle, nets two yards. Greenhaw then went over center for two yards and Stargel circled right end for 11 yards and the fourth touchdown. Kunkler kicked goal for the extra tally.

The fifth and last touchdown for the locals came in the fourth quarter. Hammond punted the ball 40 yards to Clovis' one yard line and Burns made a return of 5 yards. Burns punted 35 yards; Pearson grabbed the ball and finally held it and raced for touchdown. Hammond plunged the line

### Building Occupied By Raymond Ballew Suffers Fire Loss

The building occupied by Raymond Ballew, Studebaker and Erskine dealer and agent for General Electric Refrigerators and Radios, was seriously damaged by fire shortly after three o'clock Sunday afternoon. Several automobiles were destroyed and others were damaged in the conflagration.

**Terrific Explosion**  
The cause of the fire is attributed to spontaneous combustion. Immediately before the fire broke out, there was a terrific explosion which carried out the plate glass in the front of the building. The fire department got on the job immediately and due to their efforts kept the flames from spreading to nearby buildings. For a time, it looked as though the entire block might be doomed. The spontaneous combustion causing the explosion is presumed to have originated from gas fumes which collected in the closed building. The extent of the damage was estimated to be around \$5,000, the most of which was covered by insurance.

**Another Alarm Turned In**  
Shortly before this fire, another alarm was turned in when a motor in the City Bakery caught fire, but this blaze was extinguished with little or no damage.

Hub Bass, one of the fire boys, was sick Monday, as a result of his work in helping to extinguish the flames.

**Shows Improvement**  
The Memphis team showed an improvement of fully 100 percent over the fiasco with Spur. Some real teamwork was gotten under way, although the Coach still has plenty on his hands to get the machine in working order for the conference games. Albert Pearson called a fairly good game, but he fumbled the ball repeatedly and if the Clovis ends had been on the job, he would have gained little of the yardage he rung up.

**Outstanding Player**  
Perhaps the outstanding player of the day was Regnal Greenhaw. A new man, he nevertheless showed the stuff out of which real football players are made. He had the fighting spirit that carries on and carries through. He used his head; he had speed; he knew how to throw passes. In fact, he had an all around good day of it. Following Greenhaw a close second for individual honors was J. D. Jackson. He more than redeemed himself for the way in which he played at Spur. Jackson played hard and fairly consistently. He didn't watch his interference any too closely, but the pigskin gods of war were good to him and he came through in a great way.

**Jarvis Shows Up Well**  
A player who is showing he has plenty of stuff is Jarvis, at right half. In spite of making quite a number of mistakes Friday, he made considerable yardage. When he can handle the ball a little better and gets use to his interference, he should be a demon. Champion punts got off some mighty nice punts and played a consistent game throughout. West took care of right end in substantial fashion. Sanders played a beautiful game during the early stages but let-down as the game advanced. Bourland is getting better acquainted with his center berth and is showing up well. Kunkler had a mighty good toe on him Friday and is getting back rapidly into his old-time form. Stargel and Dial also showed up well and the substitutes, with one or two exceptions, made the most of their opportunities.

**No Stiff Competition**  
Clovis had a team that did not offer the stiff competition that was expected and this fact may account in part for the five touchdowns made by the Cyclone. They demonstrated only a fair knowledge of football. The end positions were especially weak.

### Officer Cares For Opossum As Hotel Turns A Deaf Ear

Who says there are no opossums in Memphis? There was at least one early morning caller of this nationality here Monday. While Officer Marvin Humphreys was making his rounds, he came upon a large, fat opossum immediately in front of the entrance to the Memphis Hotel. Evidently the animal was in hopes he would be cared for at this hostelry, Humphreys declared, but no free lodging

### Box Car On Denver Train Is Grounded Sunday Afternoon

Sunday afternoon broke all records for exciting happenings in Memphis. Besides the two fire alarms, two minor car wrecks were reported and one of the box cars on a Denver freight train was grounded when the front wheels and truck were pulled from under it. The train was about opposite the Memphis Cotton Oil Company.

This is the first time that Humphreys has made such an arrest. He stated that it was probably due to the poor cotton crop that the animal came into Memphis hoping that somebody would give him a good home and something to eat.

game. Late in the second quarter, soon after Hammond had gone into the game as a substitute, he intercepted a short pass and ran 33 yards for his counter. Dennis, who started the game, made his touchdown early in the second half. He received the ball from center and ran straight through the line, making a beautiful broken field run of fifty yards. This run was made in the usual Dennis manner which this city has seen often.

Cy Leland failed to flash in any long runs as is his usual custom. This was due, according to the Star Telegram sports writer, to the fact that he had played Friday in the game with the North Texas Teachers and was about played out.

track. However, traffic was tied up for some time until the box car could be removed from the main line.

is not conceded to have a very strong team, the Cyclone will take no chances. Coach Walter has been putting his men through their paces this week in the expectation of winning the game, but by no one-sided score.

**Have Same Average**

Memphis has won one game and lost one. The same is true of Claude. Claude won from the Amarillo Yannigans and lost to Clarendon last week. Some new plays are being perfected by the Cyclone this week, and one or two of them may be uncerk against Claude if it becomes necessary.

downs if it had not been for this fault. Albert Pearson also fumbled many punts during the game. He fumbled almost every punt but he managed to gain yardage before Clovis' lone touch-down.

**Memphis Looked Better**

On the defense, Memphis looked much better than at Spur. Every man charged and the whole line showed up well. The boys' tackling was a little too high, but this can be remedied. Only one pass got by the backfield and this accounted for Clovis' lone touch-down.

**Great on Offense**

Several of the first year men played in the game and they learned lots about it. The Cyclone looked great on the offense and they plunged the Clovis line for yard after yard. The Cyclone completed almost every pass they tried. The first touchdown came by way of a pass, Greenhaw to Jackson.

The new men in the backfield showed up well, playing their positions like veterans. Every man coming out for football played in the game Friday.
