One-vehicle accident in Lariat kills three

Icy road conditions were the cause of a one-vehicle rollover on Thursday night near Lariat that killed three people.

A 1999 Chevrolet van carrying 11 people was traveling westbound on U.S. Highway 84 near the St. John Lutheran Church at about 7:30 p.m. when it skidded on black ice, crossed into the median divider, and rolled over, according to a Department of Public Safety

spokesman in Amarillo.

The dead were identified as Dora Gurado, 25, of Midland, Jessie Ann Harris, 48, of Odessa and Kristopher Cowles, 19, hometown unknown.

Gurado was pronounced dead at the scene. Harris died a short time later at Muleshoe Area Medical Center and Cowles died early Friday morning after being transferred to University Medical Center in

Lubbock.

All eight of the remaining accident victims were transported to either the High Plains Regional Medical Center in Clovis, N.M. or Muleshoe Area Medical Center, where they were later transported to UMC.

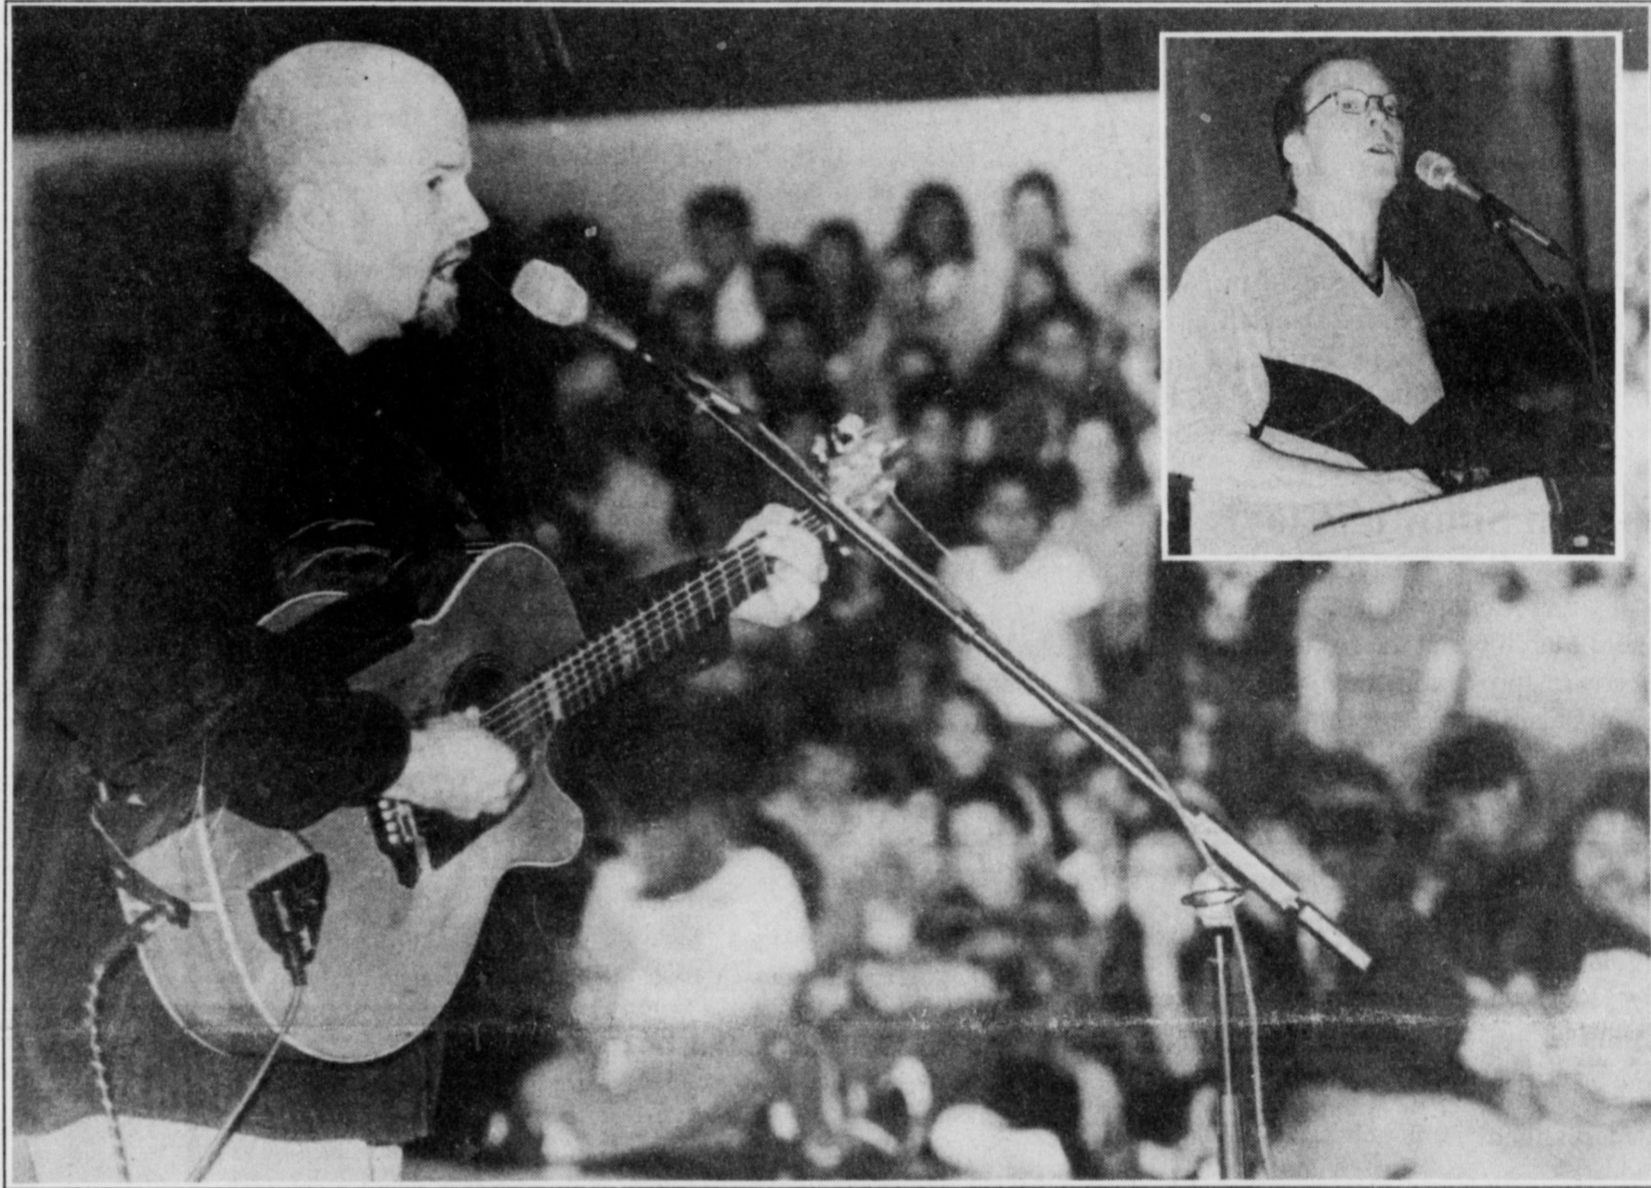

The condition of patients taken to UMC ranged from serious to critical condition according to a hospital spokesperson.

The accident forced law enforcement officials to close down both lanes of the highway for nearly 3 1/2 hours, according to officials.

A DPS spokesman said the vehicle was traveling at an unsafe speed for the road conditions.

Nine of the occupants were ejected from the vehicle, according to witnesses.

Police believe the group was en route to Clovis, N.M.

Christian recording artist and motivational speaker Al Denson (inset) visited Watson Junior High Thursday with his message that "character counts." His group, which included guitarist Jeff Calhoun (left), drew more than 2,000 fans during a concert later that night at the Bailey County Coliseum.

Boll weevil foundation explains program

Boll weevil eradication was one of several timely topics covered Thursday during the Llano Estacado Conference West at the Bailey County Coliseum.

The day-long agricultural conference, which drew about 60 farmers and ag producers, was sponsored by the Bailey County Extension Service Office.

During the afternoon session, Osama El-Lissy of the Texas Boll Weevil Foundation outlined the mechanics of the eradication process, telling farmers that the cost of the program will rise the longer they wait.

"The boll weevil population will not go down naturally," El-Lissy said. "You need to be thinking about the future now."

Boll weevils have appeared in record numbers in Bailey County the last two years, according to trap counts compiled by the local extension service office.

Area cotton producers will vote on a referendum in March to create the Northwest Plains Boll Weevil Eradication Zone, which consists of Bailey, Parmer, Lamb, Deaf Smith and

Castro counties.

According to El-Lissy, it typically takes four years to eradicate the boll weevil.

The first year would consist of a fall dipause spraying program fol-

lowed by three years of in-season spraying.

If the referendum is passed in March, the spraying program would

Northwest High Plains committee announces meetings

The zone consists of Deaf Smith, Parmer, Castro, Bailey and Lamb counties which contains over 500,000 acres of cotton producing land.

The plan would be funded by a grower assessment of \$12 per land acre irrigated and \$5 per land acre dryland and the rationale for the proposed assessment will be explained at the meetings along with how the assess-

ment is proposed to be collected.

Representatives of the Texas Boll Weevil Eradication Foundation will be ready to answer grower questions alongside the producers on the NWHP zone committee.

New city boss due Monday

Rick L. Hanna will become Muleshoe's third city manager to take office since 1975 when he reports to work Monday morning.

Hanna, who served as Post city manager for the past five years, was busy Thursday tying up loose ends.

"I thought I'd have it easy the last two weeks," Hanna said in a phone interview from Post. "But I've had so much to do here that I haven't even had a chance to think about Muleshoe."

The 45-year-old Morton native was hired by the Muleshoe City Council on Dec. 8 to replace James Fisher.

Fisher was asked to resign in August by the city council. Fisher had managed the city for a little less than two years after he was named to replace Dave Marr, who had held the job for 21 years.

The first item on his agenda Monday morning is to meet with the city's department heads, Hanna said. He also said he will take "a hard look at the budget" and read the City Charter.

Here's a Lesson Learned from Damaged Mail

I have just spent several minutes taping back together, repairing, a letter and attachments from a big health insurance company. The letter was not damaged in the mail. It was damaged in my home. Ripped in two, to be exact. The full fury of the temper tantrum lasted, I'm presently glad to say, for only one long literal tear, and subsided before any irreparable shredding took place.

Focus On Faith
Curtis Shelburne

I had never seen my wife succumb to such a fit of rage.

Well, honestly, I still haven't. (Don't show this to her, okay?) I admit it. I was the letter ripper.

Ripping that letter felt really good at the time. It was (this is my defense) an act of contempt, defiance, and abhorrence toward a large health insurance company of the sort whose practices inflate health costs, whose premiums are extortion, who accept checks quickly and part with them slowly (this claim was first filed in 1996 and has since been impacted somewhere in the bowels of our health system), whose love for forms and accompanying hatred of productivity rivals even government bureaucracies, whose letters are rarely good news but instead are new and improved ways to say you owe more and

we're paying less. The system in America is bloated, confusing, frustrating, and unwieldy. The *New England Journal of Medicine* recently printed an editorial sharing their findings that healthcare in the U.S. is not only the most expensive in the world (\$4,000 per capita as compared to the runner-up Sweden, \$2,500), it is by far the most complicated, choked with forms, red tape, regulations.

The system is in serious need of serious change. Soon.

My ripping that letter didn't accomplish much, even if it did feel good at the time. Spending time and tape to put it back together to fight the unhealthy healthcare bureaucracy dragon one more round was not nearly as much fun.

I found myself thinking about the Little League umpire I remember, years ago now, who found himself listening to fans. Big mistake. Next thing I knew, he was throwing off his mask, flinging his chest protector into the dirt, stalking off the field, and quitting mid-game. Must've felt great at the time. Until the next morning when he opened his eyes and realized he still had to live here. (Not for long.)

Righteous anger can be constructive if it promotes justice and needed change. But our anger has a very hard time staying "righteous" and temper tantrums never come under that heading. We ignore the apostle's words at our own peril: "Do not let the sun go down while you are still angry" (Ephesians 4:26).

Curtis Shelburne is minister of the 16th & D Church of Christ in Muleshoe.

Adult learning center offers a second chance

By LESLI RADFORD
Journal staff writer

Alene Bryant is looking for a few good students. Bryant, a retired school teacher and instructor at the Muleshoe Adult Learning Center, said getting a GED should be top priority for those who never had a chance to finish high school.

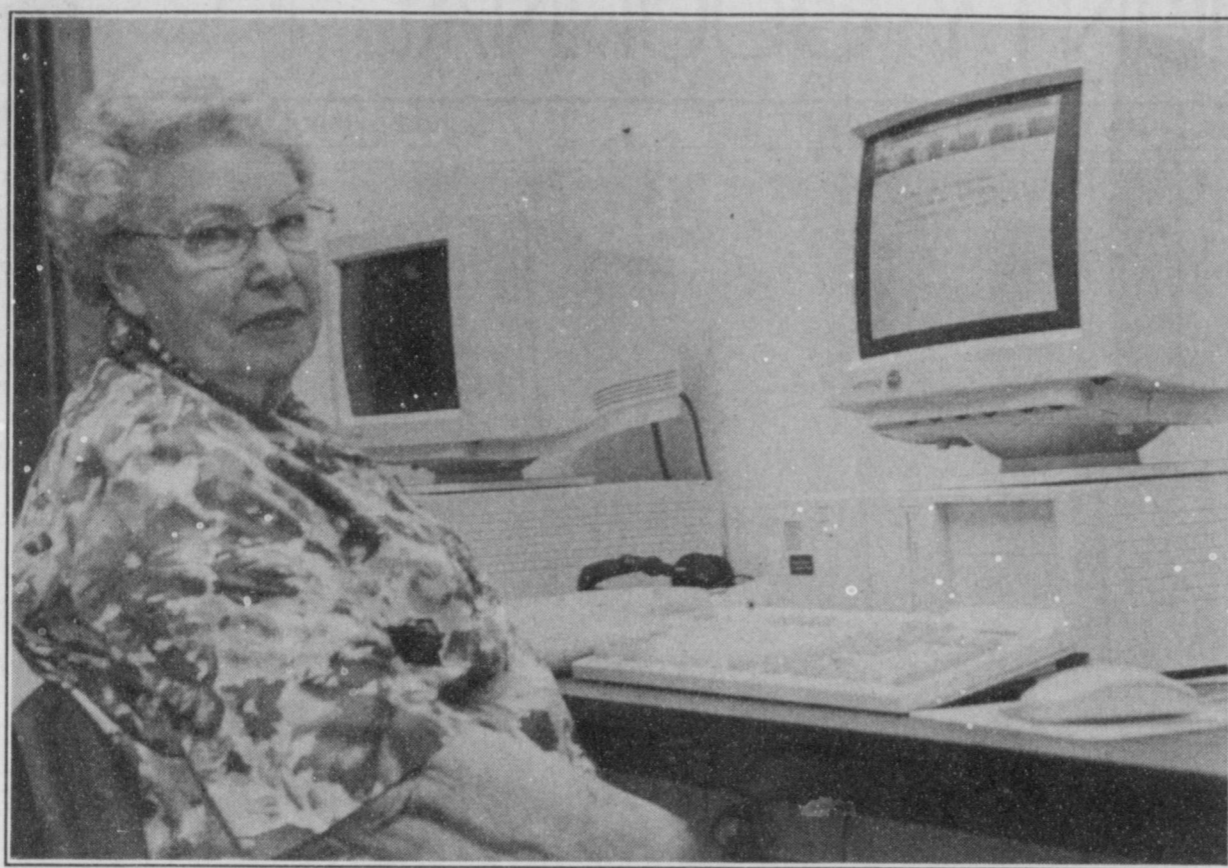

Eleven of the more than 50 students currently enrolled at the learning center are working on their GED.

The center has computer programs and pre-GED booklets to help adults receive their GED. Computer programs are designed to help students in math, science, reading and social studies. The program also offers a section in English as a second language for those who cannot speak or read English.

The learning center has been an affiliate of the South Plains Community Action Center located in Levelland since January 1996. Bryant, an elementary teacher in Muleshoe for 37 years, was chosen from a list of retired teachers given to the Community Action Center by Elizabeth Watson.

The center has helped 20 students receive their GED.

"I am very proud of the students that come here, get their GED and bring it back to show me they accomplished their

Former Muleshoe teacher Alene Bryant is an instructor at the Muleshoe Adult Learning Center.

goal," Bryant said. "I'm almost as proud of them as my own kids when they graduated high school."

She was especially proud of one student from the Rio Grande Valley that attended classes. Bryant said she could not speak English when she came to class. The student returned to the Valley with her GED and fairly good English skills.

"Most of the adults that come here do not have jobs. Once they graduate with their GED, they find a job. Most of them

have stuck with those jobs, some at the head of their department, since they left here," said Bryant.

Bryant takes pictures of each of her students when they enroll. When they graduate, she puts them in a picture frame and hangs them on the wall to show what several adults can and have achieved in a matter of months.

"I look at these pictures and think of all the people that still don't have their GEDs and all they have to do is come here for help," she said. "Most jobs

these days, even manual labor, require that you have a high school education."

A student must be 17 or older, have a picture ID, birth certificate and social security number when they enroll.

Anyone interested in the program can call the center at 272-7540 from 8 a.m. to noon Monday through Thursday or from 6:30-8:30 p.m. on Monday and Wednesday.

Information is also available by calling Bryant at 272-4160 or the Texas Work Force Commission at 272-7537.

USDA disaster aid sign-up begins Monday

WASHINGTON — Agriculture Secretary Dan Glickman Wednesday reminded eligible farmers that sign-up begins Feb. 1 for assistance provided by the 1999 Budget Bill under the new Crop Loss Disaster Assistance Program.

Sign-up ends on March 12, 1999.

"This money is sorely

needed by farmers who suffered losses due to natural disasters," said Glickman. "We're going to do our best to get it out to the people who need it so they can make plans for planting in the spring."

More than \$2 billion will be used to reimburse farmers hit by natural disasters and who suffered losses of at least 35 percent of their historic yields.

No farmer will receive more than \$80,000 under this program. No one with an annual gross income of \$2.5 million or more is eligible.

Farmers are eligible for compensation either for qualifying losses on 1998 crops, or losses in any three or more crop years between 1994 and 1998 where a crop insurance indemnity or assistance under the noninsured crop disaster assistance program was received. Farmers can receive payments under either single-year or multi-year provisions, but not both. The U.S. Depart-

ment of Agriculture will make payment to each successful applicant at the higher of the two levels.

Payments to farmers will be prorated after all applications are reviewed in order to stay within the program's requirements and budget.

Farmers can contact their local USDA Service Center or Farm Service Agency county office.

Crop loss payments will be made in early spring after all applications have been processed.

LAP deadline extended to Feb. 5

Under the Livestock Assistance Program, \$200 million was appropriated to provide assistance to eligible livestock owners who suffered qualifying feed losses because of natural disaster conditions.

A county or partial county must be approved for participation in LAP by DAFP before applications from eligible livestock producers can be accepted. Bailey County has been approved to begin taking applications for LAP.

LAP sign-up was originally scheduled to end Jan. 8. Because of the length of time necessary to assemble information for DAFP review and approval, many counties were not approved until after sign-up began. Therefore, the LAP sign-up period has been extended until Feb. 5.

Bailey County FSA is now accepting applications and will do so until the Feb. 5 deadline.

Police suspect arson involved in city vehicle fire Monday

Muleshoe police have a prime suspect in an arson case involving a vehicle fire early Monday morning at a city residence.

Lt. Otis Carpenter said the suspect has been interviewed and he expects an arrest to be made soon.

The fire destroyed a 1992 Chevrolet pickup truck belonging to Javier Rios, 28, of Whiteface, according to police reports.

The vehicle was parked outside the residence of what police described as a female acquaintance of Rios at 719 W. 3rd St. in Muleshoe.

When emergency personnel arrived at the scene at a 5:15 a.m., they found the pickup fully engulfed in flames. The fire spread to a nearby tree and

then to the roof of the house. Rios and his female friend were in the house at the time the fire started.

The fire caused minor damage to the house, according to Carpenter.

Police suspected arson because of the intensity of the heat and the origin of the fire appeared to be the bed of the truck. An investigator from the state fire marshal's office was also called to investigate.

Carpenter described the suspect as an acquaintance of the woman.

Arson is a second-degree felony. Carpenter said there could be additional charges filed against the suspect.

LHS edges Happy in OT

HAPPY — Lazbuddie picked the perfect game for its milestone 20th win of the season.

Capitalizing on superior quickness and a huge edge at the free-throw line, the Lady Longhorns forged a first-place tie in District 11-1A Friday by surprising Happy 57-48 in overtime.

"This is a huge win," Lazbuddie coach Carey Sudduth said. "It will give them a lot of confidence knowing they can win a big game on the road."

"The kids were flying around and playing with a lot of want to," Sudduth added.

The hard-earned victory gave Lazbuddie a split of the district home-and-home series. Happy prevailed 49-39 in the first meeting. The two teams would meet again in a seeding playoff if they finish tied for first.

The Lady Longhorns (20-4 overall, 4-1 in district) scored the first five points in overtime and sealed the win by making 11 of 15 free throws when Happy (7-17, 4-1) was forced to foul.

Scottie Brown, who led LHS with 14 points, and Holly Engelking both sank 4 of 4 free throws in overtime. Rachel Rodriguez added 12 points for

Friday's doubleheader

Amherst at Lazbuddie

LHS and Laura Jo Via finished with 10 despite foul trouble.

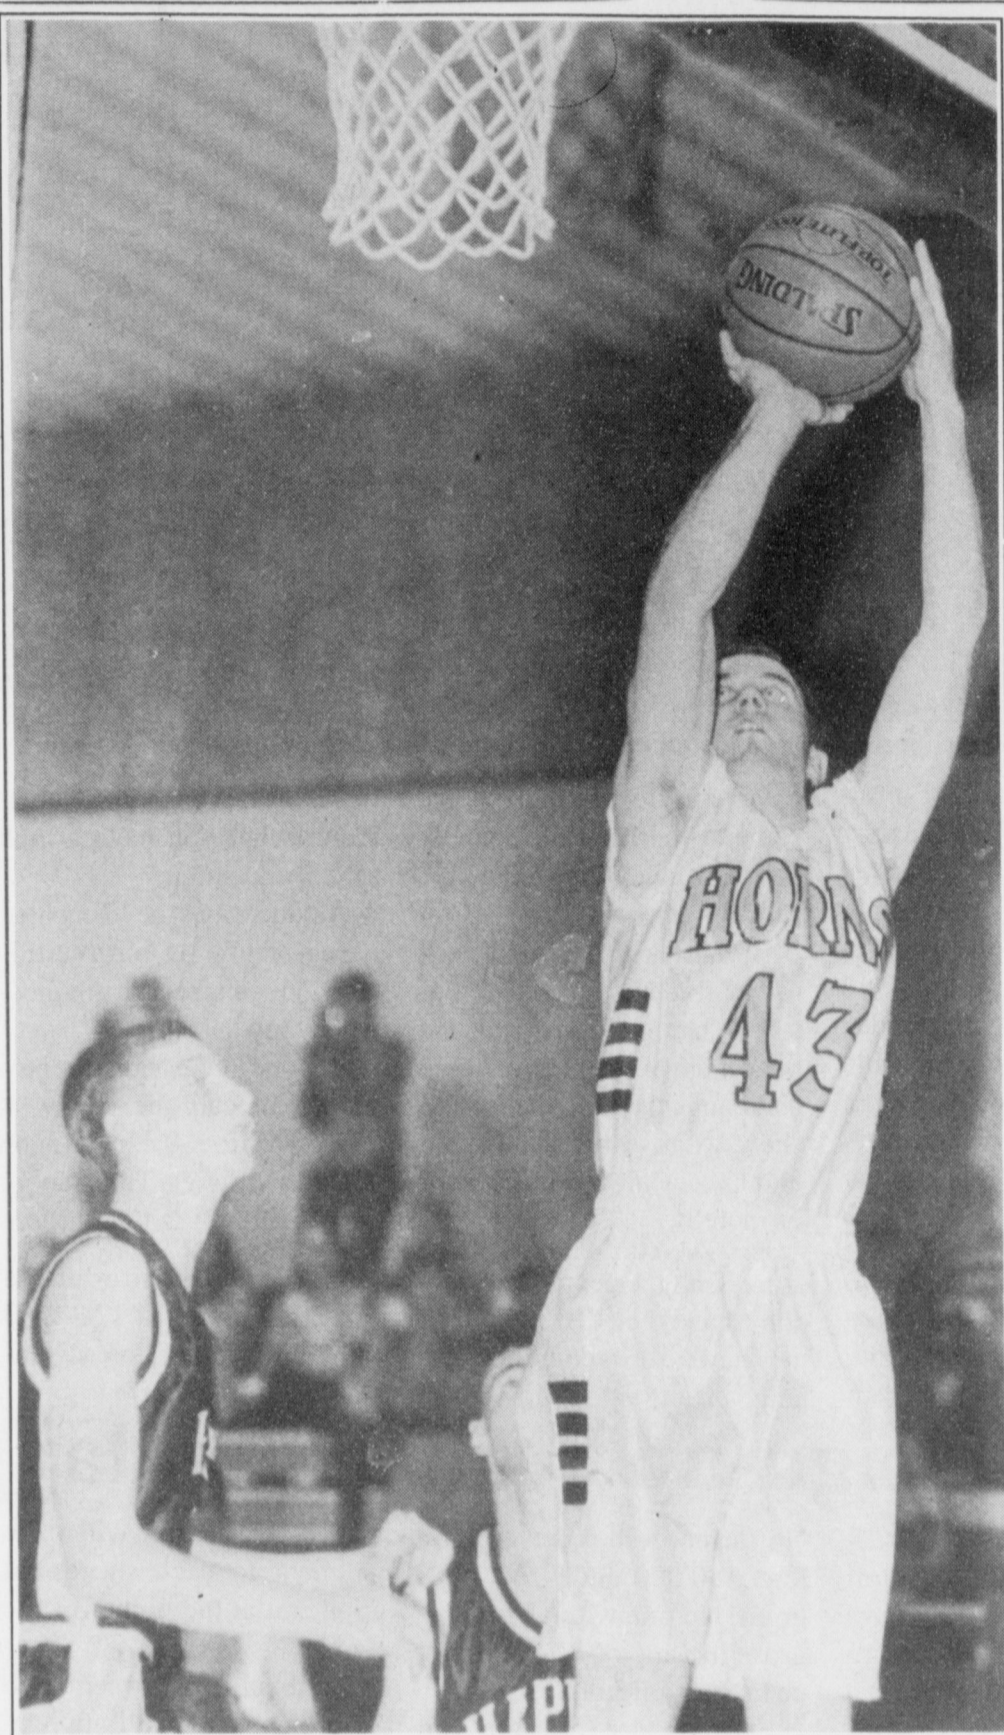

Lazbuddie changed up Tuesday, spreading the floor against Happy's man-to-man defense in hopes of unclogging the middle.

"It was probably a gamble, but we were able to take it to the hole and get them in foul trouble," Sudduth said.

On defense, the Lady Longhorns kept good pressure on the ball, which made it hard for the guards to see the post, Sudduth said.

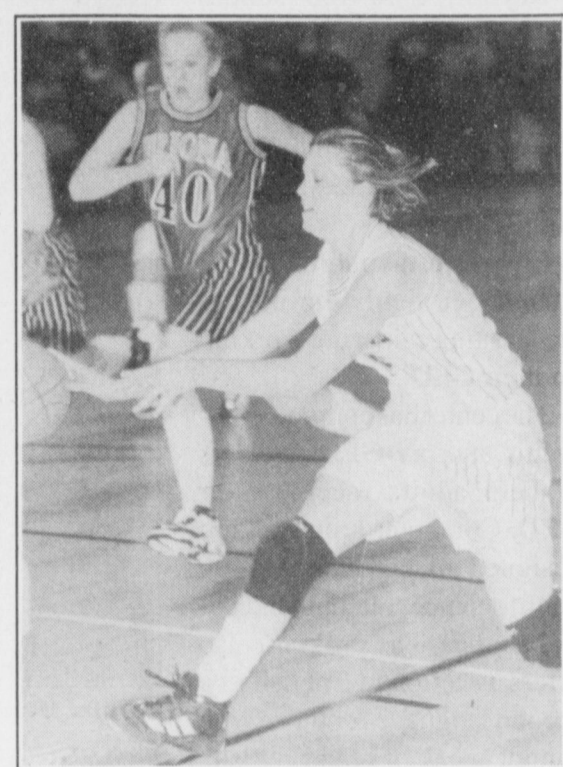

Trailing by three at halftime, Happy freshman Amber Pearson led an 18-8 charge that

Young guns help MHS shoot down Lubbock Cooper

Youth was served Tuesday in Muleshoe's 52-24 win against Lubbock Cooper.

Sophomores Chyla Torres and Myndi Heathington and freshman Britni Gartin supplied the firepower in a game-breaking second quarter that turned a precarious two-point lead into a 23-6 halftime blowout.

With leading scorers Lindsey Field and Erin Wilhite on the bench with two fouls each, the young guns combined for 13 points in the second quarter of the lopsided District 2-3A contest. Gartin and Torres had five points each and Heathington added three. Gartin added four steals while Torres and Heathington each knocked down a 3-pointer.

Muleshoe continued the offensive onslaught, getting balanced scoring in a 29-point second half.

Muleshoe coach Jim Gruhlkey said the youngsters are playing with more confidence and communicating better on the floor.

"We played well together, especially with Lindsey and Erin on the bench," Gruhlkey said. "We played good defense, controlled the ball, and took good shots all night long."

Muleshoe's 10th win of the season, combined with Friona's 46-25 loss at Shallowater, gives the Lady Mules (10-16 overall, 5-1 in district) a two-game cushion over both Friona and Littlefield for the district's second playoff berth with four games left.

"I feel real good about where we are at right now," Gruhlkey said.

Lynsie Black led Muleshoe with nine points. Field, Torres and Gartin finished with seven each.

Muleshoe owned a 37-24 rebounding edge, with Heathington collecting eight and Wilhite seven.

Muleshoe sails past Pirates

Mason scored 19 as Mules remain undefeated in 2-3A

Muleshoe home fans could relax for the first time since District 2-3A play on Tuesday when the first-place Mules hosted Lubbock Cooper at WJHS gym.

After a pair of last-second home wins, Muleshoe buried the Pirates 84-45 while posting its highest scoring output of the season.

Junior guard Mitch Mason led four Mules in double figures with 19 points, including five 3-pointers, and added eight rebounds.

Junior post Bret Clements chipped in a season-high 14 points and six rebounds as the Mules (17-

7 overall) remained undefeated in district play at 5-0.

"We played really well," Muleshoe coach Ralph Mason said. "Even when we jumped out to a big lead, we still kept our intensity."

Mason said the Mules did a good job of moving the ball and feeding it inside to the post, and if there wasn't a shot, kicking it back outside.

"We shot well from the perimeter and a lot of that had to do with shooting in rhythm," Mason said. "There was no hesitation."

The Mules, winners of six of their last seven games, also cranked up their running game for the first time in a couple weeks, Mason said.

Mason, Carlton Lewis and Jeff Bruns had six assists each for MHS.

Sporting a two-game lead half way through the district season, Muleshoe was scheduled to play Friday at Littlefield.

Ryan Shuttlesworth led Cooper (3-22, 1-4) with 20 points.

Happy hammers Longhorns in rematch

HAPPY — A loss to Lazbuddie in the district opener two weeks ago appears to have served as a wake-up call for Happy.

Powered by John Mark Moudy's 24 points and 10 3-pointers, Happy stomped Lazbuddie 80-54 Friday to pull even with the Longhorns atop the District 11-1A standings at 4-1.

"They were focused on beating us this time," Lazbuddie coach Rich Powers said. "They've improved since the last time we met and are really playing well now."

Moudy hit two of his five 3s in a 32-point fourth quarter that turned the game into a rout.

Brandon Foster led Lazbuddie (18-8) with 17 points. Josh Morris and Adam St. Clair added 10 points each for the Longhorns, who had won five straight.

Morris pumped in 28 points in the Longhorn's 71-67 win on Jan. 8.

Powers credited Happy with a good job of defending Morris by limiting the number of shots he got. Sonny Calhoun added 20 points for Happy (15-6) and Patrick McCuaig finished with 18.

"They showed a lot of character by coming back and beating us," Powers said. "Now it's our turn for a character test

to see if we can bounce back and take care of business the next three games."

If the teams finish tied for first, a playoff game will be held to determine playoff seeding.

Facts About The BIBLE BY JOHN LEHTI

AS A THIEF IN THE NIGHT

THE HIGHLY TRAINED RANGERS-SCOUT OF MODERN WARFARE HAS NOTHING ON THE BIBLICAL SOLDIER WHO WAS ALSO TRAINED TO BE CRAFTY, AND CLEVERLY BY STEALTH EVALUATE HOW BEST TO SPY OUT THE LAND IN A SITUATION WHICH DEMANDED GREAT SKILL IN ORDER NOT TO BE DISCOVERED. THEY OPERATED MOSTLY AT NIGHT, HAVING TO OUTWIT THE KEEN-EARED SENTRY WHERE A CARELESS FOOTFALL MIGHT BETRAY THEIR PRESENCE AND RESULT IN THEIR IMMEDIATE DEATH! SMALL WONDER THIS KIND OF SOLDIER HAD TO OPERATE, TO QUOTE JOB, (24:14)... "AS A THIEF IN THE NIGHT!"

begin in the fall.

Data has shown that once boll weevil eradication is complete, cotton production improves dramatically.

One of the complaints about spraying of malathion to control the boll weevil is that the insecticide also kills off beneficial insects, causing secondary pest problems.

El-Lissy said studies have shown that once the weevils are eradicated and the spraying stops, beneficial insects return and the need to spray for secondary pests drops drastically.

Once the weevil is under control and the program is in what El-Lissy called the monitoring stage, the cost per acre of the program can drop to less than a \$1 an acre.

He said the secret to eradication success is grower leadership and technical assistance.

"The program is not run out of Abilene, it is run out of the local zones," El-Lissy said.

Ceremony unites Schulte, Latham

Nadine Schulte became the bride of Galin Latham, Saturday, Dec. 26, 1999 in a double ring ceremony at Holy Family Church in Nazareth.

Father Jerry Stein of Nazareth and Lyndon Latham of Amarillo officiated.

The bride is the daughter of Beth and Gerald Harder of Dimmitt and the late Lester Schulte. Parents of the groom are Linda and Gaylord Latham of Muleshoe. The couple recited their vows before an altar decorated with candelabras and poinsettias. The pews were decorated with votive lights, hurricane lanterns and ivory tulle bows. Rita McDaniel of Dimmitt accompanied soloist Robin Gonzales as she sang "Daddy Can You See Me Now" as Kara Bock and Denise Kirby, sisters of the bride, lit a memorial candle in memory of their dad, the late Lester Schulte. Robin also sang "The Rose." Jeremy Talley sang "I will Be Here." Jennifer Talley sang "Because I Was Loved By You," and the two sang "From This Moment On" as the couple lit their unity candle. Psalms V quartet sang "Surely the Presence" and "The Lord's Prayer." Other selections included "The Maker Said Take Her," the "Titanic" theme song, and "Power of Love." After reciting their vows, the groom sang "To Make You Feel My Love."

Given in marriage by her brother, Royce Schulte of Sunray, the bride wore a gown of candlelight French lace designed with a sweetheart neckline and Edwardian sleeves encrusted with pearls

and jewels. The gown featured a princess waistline, with a sheathstyle slim skirt. The back of the gown plunged low and pearls were draped across the opening. The back was centered with designer bow. The detachable chapel-length train was studded with pearls and jewels and featured imported crystal lace accents. Her shoulder-length veil, made by her mother, featured a sequined candlelight head piece. She carried a nosegay bouquet of fresh red roses and baby's breath, which was designed by her mother.

Maid of honor was Amy Wooten of Canyon, friend of the bride. Bridesmaids were Denise Kirby of Lubbock and Kara Bock of New Braunfels, sisters of the bride; Katrina Armes of Lubbock, cousin of the bride; Holly Edwards of Lubbock, Wendi Ethridge of Dumas, Michelle Newman of Hobbs, N.M., and Halley Steinhilber of Fort Worth, all friends of the bride. The attendants wore floor length hunter-green satin dresses. The gowns were princess style and featured long sleeves. They carried arm bouquets of fresh red roses, greenery and baby's breath.

Best man was Clint Latham of Lubbock, cousin of the groom. Groomsmen were Lance and Colby Latham, both of Canyon, and Delwyn Latham of Muleshoe, brothers of the groom; Elliot McKinney of Amarillo, Ronnie Hall of Canyon, Jason Doolen and Greg Ritchie, both of San Antonio, all friends of the groom. The groom wore a black tux-

Kaci Schulte of Canyon and Lori Schulte of Dimmitt, sisters of the bride, were candlelighters. They wore red dresses designed after the bridesmaids.

Jayden Kirby of Lubbock and Jordan Schulte of Sunray, nieces of the bride, were flower girls. They wore dresses made of Christmas plaid and black velvet.

Grant and Luke Feaster of Ralls, friends of the bride, were ring bearers.

Ushers were Heath Acker of Canyon, cousin of the bride, Jeremy Langford of Dallas, friend of the bride, and Kip McCall and Kevin Morris, both of Muleshoe, friends of the groom.

The reception and dinner were held at the Nazareth Community Hall. Tables were decorated with ivory cloth, topiary trees, tulle net, green ivy, candles and balloons.

The couple enjoyed a wedding trip to Winter Park, Colo. and will make their new home in San Antonio.
