TWO INJURED IN AUTO ACCIDENT

Clarendon Car Knocked Into Barrow Pit Near Memphis By Hit-And-Run Driver

Mr. and Mrs. Ham Earthman of Clarendon and their three daughters were brought into Memphis Friday night and two of the daughters were treated for minor injuries sustained in an automobile accident between Memphis and Giles.

The Earthman family was en route to Memphis when they were struck by a hit-and-run driver on Highway 5 east of Giles. They were struck from the rear, and the Earthman car turned over and plunged into a barrow diten and was badly damaged.

The family was brought into Memphis by passing motorists.

CCC CAMP HERE IS AREA'S BEST

Ranks Superior To All Other Units In District For Past Month; Given Banner

The Memphis Civilian Conservation Corps camp has been awarded a banner signifying that the local camp ranks highest in all-round superiority of all CCC units in this area.

The banner is flying on the flag-pole at the local CCC grounds beneath the United States flag. Littlefield was awarded the honor banner during September, and Memphis won it in October. The local camp and the Amarillo camp are now being given special inspections to determine which is superior for the month of November.

Judging is on the following points: appearance, cleanliness, transportation, administration, appearance of the enrollees, educational program, religious program, and welfare program.

The Memphis camp has received commendations every month since it was established here, but this is the first time that it has been graded as the best in the area.

Capt. O. P. Houston is commanding officer of the Memphis Civilian Conservation Corps unit.

The eight other CCC camps in this district and over which the Memphis camp ranked are located at Sweetwater, Lamesa, Littlefield, Lubbock, Tucumcari, Canyon, Amarillo, Perryton.

Local Merchants Scrub Windows This Week As Halloween Pranksters Revel

Windows of almost every business establishment in Memphis received a washing this week, as store proprietors washed away the soap smudges left by Halloween pranksters.

Halloween in Memphis this year was quieter than usual, with less midnight revelry. However, several sections of town reported streets littered with buckets, cans, and yard furniture. Several out-houses were overturned, and the tires of numerous cars were deflated.

Several parties were held, and a

To Lead Nation Four More Years

President Franklin Delano Roosevelt (above) and Vice-President John Nance Garner (right) received an overwhelming endorsement from the people of the nation in the general election Tuesday. They were returned to office in the greatest Democratic triumph in history. Voters of this section voted heavily in favor of the New Deal.

FORMER LOCAL RESIDENT DIES AT AGE OF 91

Heart Attack Fatal To W. B. Ragan In Waco Oct. 28th

W. B. Ragan, 91 years of age and a former Memphis resident, died Wednesday night, October 28, at 10 o'clock, following a sudden heart attack. Mr. Ragan was the father of C. A. Ragan of Pliska. He died at the home of a daughter, Mrs. Bell Kelley, in Waco and was talking to the family at the time the heart attack seized him.

Funeral services for the aged man were conducted from a Waco funeral home Thursday afternoon, October 29, at 3 o'clock. Burial was in the Spegwill Cemetery, six miles south of Waco.

Mr. Ragan resided in Memphis for three years and in Hall County six years. He was injured in an accident while living here. A railway handcar ran into his wagon, and injuries which he received kept him in bed six months. Mr. Ragan was a Civil War veteran, having fought beside General Robert E. Lee in the War Between the States for three years.

The deceased Mr. Ragan was born in Tennessee in 1845. He left Tennessee when a boy. He moved with his family to Hall County about 1925, and then removed to Waco some five years ago. He was married in Alabama to Miss Mattie Wester, and six children were born to this union.

Survivors are the three children, Mrs. Bell Kelley of Waco, Mrs. I. W. Wallace of Houston, (Continued on page 6)

MAN CHARGED IN DERAIL ATTEMPT

Webb Huddleston of Estelline Jailed At Childress After Timber Is Put On Tracks

Special to The Democrat
CHILDRESS, Nov. 5.—Webb Huddleston, who lives near Estelline, is a prisoner in the county jail here after his arrest on a charge of "willfully and maliciously obstructing a railroad line with intent to cause bodily harm."

Investigation which followed the placing of a heavy cross tie on the Fort Worth & Denver track between Childress and Estelline resulted in filing of charges against Huddleston last week.

He was taken into custody near Estelline on the Oscar Wright place by Sheriff Dick Moore, Deputy Sid Parlain, and Special Agent J. D. Barkley.

Officers quoted Huddleston as admitting he placed the tie on the tracks "just to see what the train would do to it." The act is alleged to have occurred October 21.

Railroad employees informed Barkley, who filed charges against Huddleston, that the timber was struck by the train at a spot just inside the Childress County line.

They said that the northbound afternoon train struck a post across the tracks October 21 and that the southbound passenger hit the tie at the same place later that day.

Officers asserted Huddleston first obstructed the track with the post, saw it shoved harmlessly aside, and then employed the heavier timber. Conviction on the charge carries a penalty of from two to seven years in the pen.

HEAVY FROSTS, SUB-FREEZING WEATHER HERE

Temperature In Drop To 22 Degrees; No Damage Apparent

Sub-freezing weather and the season's first heavy frost struck the Panhandle and Hall County simultaneously this week, as the bottom of the thermometer apparently fell out Monday and Tuesday nights of this week. The temperature dropped to 25 degrees Fahrenheit on Monday night and to 22 degrees, exactly 10 degrees below freezing, on Tuesday night.

The cold weather was accompanied by cold winds from the north. Stock warnings were issued from nearby radio stations and daily newspapers Monday night and Tuesday.

It is thought that the frost will have little harmful effect in the county, as the cotton and late feed crops had already stopped growing. Rather, it is believed that the frost will help "cure" the late feed and will cause the cotton leaves to fall off. This will result in making the cotton easier to gather and will give the farmers better "turn-outs."

No damage to the feed will be done if it is gathered immediately (Continued on page 6)

Whiskey, Alcohol, And Gin For Sale!

For sale: Several pints of good "bootleg" whiskey and gin. Apply to the Hall County Sheriff.

Sheriff Joe Colvin is to sell, in accordance with a law passed by the 44th legislature of the state, at public auction from the doors of the court house in Memphis on November 10 between the hours of 10 in the morning and 4 in the afternoon to the highest bidder holding a package store or wholesale liquor dealer's permit the following:

Twenty-five one-half pints of whiskey, 27 pints of whiskey, two pints of gin, and two pints of grain alcohol.

County Casts Large Vote for 'New Dealers'

Despite cold weather and a lack of local interest, Memphis and Hall County voters turned out in large numbers for the general election of Tuesday, November 3, endorsed the regime of President Roosevelt and Vice-President Garner and voted their sentiments on the six proposed amendments to the Texas constitution.

SHETLAND KICKS 5-YEAR-OLD BOY

Brice Lad Knocked Senseless When Kicked In Face While Playing With Young Colt

Billy Morgan Salmon, five-year-old son of Mr. and Mrs. Bill Salmon of the Brice community, narrowly escaped serious injury and possibly death when he was kicked in the face by a pony at his home shortly after lunch Thursday of last week.

The lad was playing with a Shetland colt in the horse lot on his father's farm when the colt's mother kicked the boy in the face. The boy was knocked unconscious, and another child ran to the house to tell the parents.

Mr. Salmon, who was not fully recovered after an appendicitis operation, rushed the lad to a Memphis hospital. The boy did not fully regain consciousness until he reached the hospital, it was said.

The boy was confined to the hospital for two days, and several stitches were taken in his lips. He is now improving satisfactorily.

J. D. GUINN IS DEATH VICTIM HERE NOV. 3

Retired Merchant Of City Had Lived In County 25 Years

J. D. Guinn, 75 years of age, died at his home, 203 North 12th street, here Tuesday night, November 3, after an illness that had lasted for several weeks. Mr. Guinn was a retired Memphis merchant.

Funeral services for the well-known Memphis man were conducted from the Memphis Church of Christ Wednesday afternoon, November 4, at 3 o'clock. Dwain Jones, local Church of Christ minister, conducted the final rites.

Interment was made in Fairview Cemetery, Memphis, with the King's Mortuary directing.

Palbearers were Clifton Burnett, Roy Coleman, Ed Lofland, Ernest McMurry, H. B. Bennett, J. Henderson Smith. Honorary pallbearers were R. L. Madden, L. B. Madden, Jess Carlton, E. N. Hudgins, J. M. Ferrel, and M. J. Draper.

There were no official flower bearers, and the floral offerings were in charge of the funeral directors. (Continued on page 6)

FORMER CITIZEN OF COUNTY DIES

E. S. Rice, 70, Succumbs After Paralytic Stroke Monday; Father Two Local Men

E. S. Rice, 70 years of age, formerly a citizen of Hall County, and father of E. E. and W. C. Rice of Memphis, succumbed at his home at Greenwood Monday evening, November 2, at 6:45 o'clock. He died of a paralytic stroke, although he had been in failing health for a number of years.

Funeral services for the aged man were conducted from the Sanger Baptist Church, Wednesday afternoon, November 4, at 8 o'clock. Rev. L. C. Greer, Baptist pastor, officiated at the final rites. Burial was at Sanger, Texas, where Mr. Rice formerly lived.

Mr. Rice was born in Tennessee on October 3, 1866. He moved his family to Memphis in 1925 and resided here until 1931, when he moved to Greenwood, near Decatur.

The deceased man was a Baptist and a member of the Masonic Order of long standing.

Survivors are one daughter, Mrs. Tom Vaughn of Sanger; four sons, John Rice of Goshen, Ind., E. C. Rice of Greenwood, and E. E. and W. C. Rice of Memphis; one sister, Mrs. Almada Lewis of Gainesville; and one brother, Dr. J. C. Rice of Sanger.

All of the children at one time lived in Memphis. W. C. Rice and Mr. and Mrs. E. E. Rice of Memphis attended the funeral.

Colt Show Here Well Attended

Good interest was shown in the county-wide colt show staged in Memphis Saturday of last week, and several scores of farmers and stockmen attended and viewed the fine young colts.

"Although there was not so many colts entered as we had anticipated, we feel that the colt show was a success. It is the start for bigger and better colt shows in the future," County Agricultural Agent R. E. L. Pattillo stated.

W. M. Cofer's animals won first and third places in the mule colt division of the show. George Sexauer's colt won second prize, and Dave Howard's young mule won fourth. First place in the horse colt division was won by a colt belonging to George Sexauer.

Prizes of the county-wide affair are seasons, donated by jack and horse owners of the county. Two preliminary colt shows had been staged at Lakeview and at Turkey last month.

It is likely that another such contest will be held next year, for the purpose of promoting better work stock.

"Movies Grow Up," Declares Faculty Of Local Schools

How many of us remember when the movie was considered pernicious to the welfare of our children, when, in fact, it really was a harmful element in their lives because we had not learned how to use it?

Today, the movie industry has grown up, and American citizens, as movie-patrons, have grown up also. A few years ago, when the screen was a new thing in our lives, we did not know how to use it, just as we did not know how to use the radio when it was new. We did not know which programs were best, so we just turned the radio on and left it, taking the desirable programs with the undesirable ones. But, now, we have learned to discriminate, both in radio programs and in the movies.

Intelligent Discrimination is Said to be One Earmark of an Educated Person

Intelligent discrimination is said to be one earmark of an educated person. We have the movies with us. Are we using them to the greatest advantage? We want more and better pictures. Someone, a leading psychologist of our nation, has said that the inspiration received from a movie has often changed the course of a life. The movies then, as a force in our modern world, should be guided into positive rather than into negative channels. It should build up rather than destroy. Hence, the necessity for discrimination becomes apparent.

FIRST GRADE QUALITY—The new Firestone Standard Tire is built of first grade materials, by skilled workmen, and embodies the Firestone patented construction features of Gum-Dipping and two extra layers of Gum-Dipped cords under the tread.

GUM-DIPPED CORD BODY—Every cotton fibre in every cord in every ply is soaked in liquid rubber.

This is the only process known that prevents internal friction and heat, providing greater strength, blowout protection and longer life.

TWO EXTRA LAYERS OF GUM-DIPPED CORDS UNDER THE TREAD—This patented Firestone feature binds the whole tire into one unit of greater strength, cushions road shocks, gives extra protection against punctures.

LONGER NON-SKID MILEAGE—The new scientifically designed non-skid tread is wider, flatter, with more and tougher rubber on the road, giving long even wear and thousands of extra miles.

LOW PRICES—These low prices are made possible by volume production in the world's most efficient factories.

THE FIRESTONE NAME AND GUARANTEE—Every Firestone Standard Tire bears the Firestone name, your guarantee of greater safety, dependability and economy.

THOUGHTS FOR NOVEMBER ELEVENTH

NOVEMBER ELEVENTH, the 18th anniversary of the close of the World War, will find almost 6 million persons under arms, an editorial in the Rotarian Magazine says. Nations again are in a dizzying race to gain superiority in armaments. The words "the next war" have so frequently been repeated that they no longer carry the whiplash of horror.

And yet the last war is not yet paid for. Mars' ledger is still in the red. Many devastated villages have not been rebuilt, and will not be. Shrapnel-crippled men still hobble down the streets. In hospitals and sanitariums others cough and fight grimly on, some too terribly disfigured to be seen even by kindly visitors.

If peoples whose attitudes and desires were crystallized into decisions that led to the World War could have foreseen the results, would they have paid the price of peace whatever it might have been? Facing prospects of a war even more costly, more disastrous, will peoples today sacrifice that which is needed to make peace—not war—inevitable.

These are things to think on, November eleventh.

FARMERS UNION SUPPLY COMPANY IS FLOUR DISTRIBUTING AGENCY

Announcement has been made by Roy Coleman that the Farmers Union Supply Company has been designated as the distributing agency for Hillbilly Flour and Feed in Hall County. Mr. Coleman is general manager of the local concern.

The Hillbilly Flour Company is a Texas concern headed by W. Lee O'Daniel, with headquarters in Ft. Worth. The Hillbilly products are now being distributed in this section for the first time. Mr. Coleman said; and the flour and feed are to be offered merchants of the county at low competitive prices.

The Hillbilly radio program will be dedicated to the Memphis Farmers Union Supply Company Fri-

day night, Nov. 6, at 8:45 o'clock. The 15-minute program will be broadcast over Radio Station XE-PN, Eagle Pass, over 730 Kilocycles, and the program will deal largely with the quality of Hillbilly products and the progressiveness of the local concern.

Three demonstrations have been arranged at the Farmers Union Supply store here Saturday. Ottie Jones will give a White Swan Coffee demonstration, Claude Holland will give a Brown's Cracker demonstration, and "Wild Bill" Hood will serve sandwiches, demonstrating Armour's Products. The coffee, cakes, and sandwiches will be served free to visitors of the store, Mr. Coleman stated.

Work After Brief Recess For Fall

School was resumed Monday of this week at Deep Lake, Webster, Brice, and Indian Creek, after having recessed several weeks ago to permit the students to help gather the cotton and feed crops. The Lesley school had re-convened the preceding Monday.

Several other rural schools will take up next Monday, and it is thought that all schools will be in session by the time the district deputy state superintendent visits the county to check for standardization and state aid.

There are now seven common schools and five independent schools of the county operating.

Teachers, Parents Of Precinct No. 2 Form Social Club

School teachers, parents, and others interested in education met at Lakeview Thursday, Oct. 29, and organized the "Nine-In-One Educators Social Club." This is an organization of commissioners' precinct number 2, and has been formed for the purpose of acquainting the school patrons with the teachers.

At the meeting last week, games were played and music by the Lakeview High School pupils was enjoyed. Refreshments were served by the Lakeview teachers. Everyone reported an excellent time.

Officers elected during the meeting were Herbert Gipson of Lesley, president; Alvis Yarbrough of Pleasant Valley, vice president; H. H. Colley of Webster, secretary; J. W. D. Chappell of Brice, reporter.

The club is to meet once each month at the different schools in the precinct. The next meeting will be held at Brice on Thursday, Nov. 19, at 7:30 p. m. Everyone interested in education is invited to attend the Brice meeting.

Farm Program By F. F. A. Is Given

The Future Farmers of America chapter of Memphis High School presented a program at the chapel hour at the local high school Friday of last week.

The following program was given: Devotional, Rev. Orion W. Carter; song, F. F. A. glee club; talk on poultry culling, Sidney Harwell; guitar solo, Ralph Hill; F. F. A. creed, Allan Parker; duet, "The Wheel of the Wagon is Broken," Kermit Monzingo and Rayford Harris; negro monologue, Eugene Davis and Jack Halcomb.

Methodists Attend State Conference

Hall County Methodist pastors and lay delegates left the first of this week for Houston to attend the joint session of six Methodist conferences this week. The Methodist Episcopal Church and five conferences of the Methodist Episcopal Church, South, are meeting jointly for the first time since the church divided many years ago. An attendance of 2,000 ministers and lay delegates and 8,000 visitors, was predicted for the five-day meeting.

Assignments for 1,300 ministers will be read Sunday night, and among them will be the affiliated Methodist ministers of Hall County.

SS ATTACKS ACCIDENT IN HOMES AND ON FARMS

Red Cross during the past year. It is safe to say that America is waking up to the awful toll of lives and human suffering exacted each year by accidents," Mr. Moore declared. "National, state, municipal, and civic groups in all parts of the country have thrown their weight into the fight with the Red Cross to devise ways to promote safety. In the last analysis all accidents are preventable, or, as a famous engineer once remarked, 'Accidents don't happen—they are caused.'"

"Industry has gone a long way," he concluded, "in proving this statement to be true by reducing its accident frequency rate by more than half in the last ten years, and it is up to us in the Red Cross, as well as the general public, to do all in our power to eliminate the accidents on the farm and in the home."

INSTANT STARTING on Coldest Days

FOR extra fast cold-weather starting, your motor must have a gasoline that is extra high test. Phillips 66 Poly Gas meets this specification right down to the last 'T'.

Because it is made by the WORLD'S LARGEST PRODUCER of natural high test gasoline... because it is 100% custom-tailored to the constant changes in your climate... because we always aim to give greater value—the high test (gravity) rating of Phillips 66 Poly Gas is right now being pushed up and up!

You know this gasoline is different, the first time you touch the starter. And every mile you drive piles up more evidence of the benefits given by extra high test plus the added energy units supplied by the patented POLYmerization process.

Say "Fill it up" to the man at the Orange and Black 66 pump and you say "Good-by" to the nuisance and damage of slow, hard, winter-starting. You get faster warm-up and smoother running. You reduce battery drain. Cut crankcase dilution. And save the miles usually wasted by overtime use of the choke.

Why wait? Today or tomorrow, the first time your gas gauge looks low, try this sensational winter gasoline. It doesn't cost a penny more than ordinary motor fuels.

PHILLIPS 66 MOTOR OIL

Phillips 66 Motor Oil is famous for instant starting, which helps instant starting. Save your money and your motor with this finer, longer-lasting lubricant.

A native of Virginia, Jefferson D. Guinn was born June 15, 1861. He was married in 1883 to Miss Minnie Goodnight. They resided at Snyder, Texas, for a time, and moved to Memphis from Snyder 25 years ago.

Mr. Guinn was engaged in the grocery business here for some 20 years, retiring in October, 1932. He was well known throughout the county.

Survivors are the widow, Mrs. J. D. Guinn of Memphis; one daughter, Mrs. Tom Isham of Lakeview; one brother, Will Guinn of Roaring Springs; and one sister, Mrs. Fannie Edwards of Roaring Springs.

by organizations that have been working for years to obtain better and cleaner pictures, they will help to put it across.

Visual education has come to be recognized as a major factor in school work, and the children's show on Saturday morning here is another forward step in the educational trend.

Regardless of how voters felt about the result of the presidential election Tuesday, Christmas is coming and Santa Claus will make his annual visit to millions of homes as usual.

The people have spoken. Roosevelt has his mandate to continue the New Deal. However, it is believed he will be more conservative than he has in the past. With prosperity definitely approaching, there will be no need for such drastic steps as have been characteristic of the administration since 1933.

What is the cost of war? Not in human misery, but in cold cash? Henry Morton Robinson, in an article in the Rotarian Magazine, predicts that by the time the last Liberty Bond is retired, the last bonus certificate cashed, the last disabled veteran is buried, and the last pension paid, the World War will have cost the citizens of the United States a total of 100 billion dollars!

It needs no further demonstration, Mr. Robinson concludes, to prove that neither government nor taxpayers find war a profitable undertaking. Disregarding the human sacrifices that must be made, passing lightly over the millions of lives snuffed out by war, it should be an easy matter in this ledger-minded world of ours to indict war as a waster of public treasure and a ruinous financial venture to all who engage in it.

A Main Street citizen says that it was 90 degrees colder Tuesday morning than it was one day last summer.

Why is it that so many drivers are so contrary as to ignore the common courtesies of the road when out on the highways of the country?

Some will hog the road and will speed up when another starts to drive around them, forcing the driver of the rear car to drop back, then slow up again only to repeat the performance at each attempt of the other to pass.

Others will keep their lights bright when meeting cars at night, blinding the drivers until they have to slow up and many times stop dead still to keep from going into the ditch. Last Saturday night while driving from Amarillo to Memphis, I met something like 100 cars, and in each instance I turned on the dimmers. Less than 10 of the 100 drivers met turned on dimmers.

The state highway department has been doing some good work conducting safety lanes in the different towns and cities of Texas. The department could add a course

in driving, forcing every driver to learn decent manners while on the road day or night, and by all means show them that all modern cars have dimmers that are workable.

One writer advocates that each driver be required to display his name in big letters on the car he is driving, which, he says, would cause the driver to think twice before he would allow others to know that he was a road hog, a reckless driver, or one who doesn't show common decent courtesy to his fellow man while out on the road.

Just a hint to car salesmen: Tell the customers about the dimmer attachment and when it should be used.

Our neighboring town, Estelina, will stage a rodeo on November 11. Mr. Bell, the promoter, says he has the wildest rodeo cattle for the event ever in this section of West Texas.

CALIFORNIA MAN MAKES FIRST VISIT TO TEXAS

Milton Gair arrived Wednesday from Redlands, Calif., to spend a few days with his father-in-law, George Bugbee, on the Bugbee farm near Brice.

Mr. Gair is a successful dry goods merchant at Redlands. This was his first time to visit Texas and made the statement that he was highly impressed with this section of country. He and Mr. Bugbee will leave in a few days for California.

Mr. Bugbee spends a few months each year on his Hall County farm.

Turkey Market For Thanksgiving Open

Now is the time for all turkey raisers to market their birds for the Thanksgiving market, local poultry dealers aver. The turkey market at this time is unstable, and is somewhat lower than it was a year ago.

The low market is said to be caused by a surplus turkey crop this year. The Thanksgiving market has already seen an influx of turkeys and other fowls, and the market at this time is uncertain.

Several car-loads of turkeys will be shipped from this county to the markets over the country. Two car-loads, some 4,000 birds, have already been sold by the Memphis Poultry and Egg Company.

There are a number of Hall County farmers and poultrymen who have good flocks of turkeys, it is said. The poultry business in this county runs into thousands of dollars annually.

R. U. X. Gives Him Rheumatic Relief

Prominent Windthorst Farmer Tells of Remarkable Results From Williams R.U.X. Compound

TO THOSE suffering the torments of rheumatism the hope of life's happiness grows more remote with each succeeding day. The constant suffering—the long sleepless nights gradual wear down the bravest resistance and life becomes something to be endured rather than enjoyed. Such was the case with Mr. John P. Hoefle when he got his first bottle of R. U. X. and just see what he has to say:

R.U.X. Makes 69-Year-Old Man Feel Entirely Better

"I have been bothered with rheumatic pain in my knees for the past ten years and could scarcely get around at times. The pain in my knees and joints no longer bothers me, and I can highly recommend WILLIAMS R. U. X. COMPOUND to all who suffer as I did. In conjunction with this remarkable medicine have also taken S.L.K. FORMULA, and my stomach is now getting in good shape again. Am now able to reduce dosage, sleep well, and feel entirely better." MR. JOHN P. HOEFLE, Windthorst, Texas

Lady Took Cardui During Middle Life

Women who are entering middle life will be interested in the experience of Mrs. L. C. McDonald, of Paragould, Ark., who writes:

"I cannot say anything but good about Cardui. I think it is a grand medicine. I took Cardui during change of life. I was so weak, so nervous, I could hardly go. I just dragged around. I had fainting spells and would just give down. My back and head hurt. I knew I had to take something to give me strength. I read of Cardui. I took about seven bottles. It gave me relief and strength. I am now 60 years past, and can do a pretty good day's work in the house and garden."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

THE THANKSGIVING TURKEY MARKET IS NOW OPEN

SELL EARLY FOR BETTER

We are sorry to have to advise that the Thanksgiving turkey market this year is considerably lower than it was last year, due to the large crop over the nation.

After a careful study of market conditions we are convinced that those who sell early will receive the highest prices—because the crop will soon supply the eastern markets which will doubtless mean lower prices.

WHEELER, WELLINGTON, CLARENDON, AND LEFORS WIN CONFERENCE FOOTBALL ENCOUNTERS OVER M'LEAN, MEMPHIS, LAKEVIEW AND MOBEETIE '11'S

The Wellington Skyrockets, the Clarendon Bronchos, and the Lefors Pirates climbed a notch in the District 3B pennant chase last Friday by scoring victories over the Memphis Cyclone, the Lakeview Eagles, and the Mobeetie Hornets, respectively. The Wheeler Mustangs continued their championship pace by upsetting the Clarendon team by a score of 13 to 0.

Shamrock's Irishmen remained idle last week. Wheeler 18, McLean 0. By trouncing the McLean Tigers in a fourth period rally, 18 to 0, the Wheeler Mustangs continued their championship climb and knocked McLean out of the running in the district race. It was Wheeler's fifth conference win of the season, and her record is marred by only one tie-game.

Ford, sparkplug of the Wheeler backfield and almost a one-man team, made all three touchdowns for the victors, one of which followed a 65-yard run. He also intercepted a pass and ran 73 yards, only to be downed on

the 17-yard marker by one of the fast McLean backs.

The McLean attack was led by Capt. Laswell and Bogan, a hefty triple-threat man. The McLean defense was also led by Bogan, who backed up the line. First downs in the game were 13-all.

Clarendon 10, Lakeview 6. The Clarendon Bronchos defeated the Lakeview High School Eagles in Clarendon Friday night, 10 to 6. Trailing in the last period by a count of 6 to 4 and with only 20 seconds of play remaining, the Bronchos completed a pass across the goal for the final score.

Clarendon scored two safeties on kicks blocked behind the Lakeview goal. The Lakeview men put up a good showing, despite the fact that they had not been working out regularly.

Lefors 13, Mobeetie 0. The Lefors Pirates registered their first win of the season last week by defeating Coach Clinton Meek's Mobeetie Hornets by a score of 13 to 0. Carruth, Lefors

back, scored both the touchdowns.

The win left Mobeetie and Lakeview tied for the cellar in the championship race.

Week's Card. Today sees the last full week of play this year for the teams in this district, and the Wheeler-Shamrock game heads the program tonight. The game is all-important in determining the district champion, and the winner is considered a toss-up.

Memphis and Clarendon engage in their annual battle tonight in Memphis, and although the game will have no direct bearing on the district race, it will be a colorful affair and will attract much attention.

Lakeview journeys to Mobeetie tonight to play the Hornets in what is looked to be an easy game for the Eagles. Although both teams occupy the cellar with no conference wins, the Eagles are considered a much stronger team. McLean and Lefors play in Lefors tonight in another conference scrap, with a victory and an improved percentage standing the only spoils of the game.

Wellington Beats Cyclone In Offensive Duel Friday Night

Two brilliant offensive football teams engaged in a scoring melee on Powell Field in Wellington last Friday night, and the dazzling Wellington Skyrockets, flanked with perhaps the fastest class "B" backfield ever assembled in these parts, emerged a 20-21 winner over the powerful Memphis High School Cyclone.

The game was a razzle-dazzle affair throughout, with flying aerials and flying flanker plays keeping the spectators in a state of the "jitters" through the entire 60 minutes of play.

The two teams were evenly matched, with one exception—speed. And the Skyrocket lads were the fastest and most elusive that the Cyclone has run up against this year.

Austin Flashes. Led by little "Flash" Austin, 150-pound quarterback, the Wellington club boasts a sextet that can sprint 100 yards in 10 seconds. The slippery Austin was the outstanding performer for the "Rockets." His lightning-like runs, however, were only slightly more effective than those of Estes, Parker, and Bailey, all Wellington speed merchants. Clark, a substitute Skyrocket back, was far faster than any player the Cyclone boasted.

One of Wellington's stellar performers and another 10-second man was held on the sidelines because of an injured shoulder. He was C. E. Jackson, star passer.

Although the Skyrockets were decidedly superior to the Cyclone in the matter of speed, they were not a whit more effective in blocking, tackling, kicking, and passing. In fact, the Cyclone showed a much better pass combination than Wellington, and the Black and Gold experienced little difficulty in cracking the Wellington line when a few yards were needed.

Hall Passes. Outstanding for Memphis was Billy Hall, who did the chunking to Walker and Malone and a few others to run up an impressive yardage gain. Pounds, half, played his usual steady game; and Walker made numerous sensational plays.

Malone and Evans at end had a hard night of it, as end sweepers galore were run by the flashy "Rocket" sprinters. Both ends, however, played well. Evans was injured in the latter part of the game, and his position was ably filled by Blacky Montgomery. Clark, guard; Estes, center; and Sanders, tackle, showed up to advantage. John Harris, husky Cyclone tackle, was injured at the start of the game and was unable to play further. His place was taken by Buck Gillenwater.

Outstanding linemen for Wellington were Clement, end; Blaesengame, tackle; and Sullivan, guard.

Navy Yardage. The powerful offensives of both

teams are shown by the statistics of the game. Wellington gained 462 yards from scrimmage and Memphis gained 353. Memphis scored 16 first downs and Wellington gained 11. The Cyclone attempted 23 forward passes and completed 12, while Wellington attempted four and completed one.

The Skyrockets scored first in the game, opening their barrage of reverses, spins, and end runs in the first quarter after Memphis punted to the "Rocket 25" after making one first down. Austin went around right end for 28 yards and a first, and then Estes sped around the other end for 18 and another first.

Austin Scores. Austin and Parker reeled off another first down, and Austin on a surprise buck through the center scampered 15 yards to score. Bailey kicked goal. Score, 7-0.

After the kick, Noel took Hall's pass for a first on the "Rocket 40," but the enemy held and took the ball on downs. A Wellington drive was halted when a Cyclone recovered a fumble on Memphis' 45. The Skyrockets, however, retaliated when Fulton intercepted a Memphis pass. Austin circled right end in a burst of speed to run 34 yards to the goal. Bailey kicked goal. Score, 14-0.

60-Yard Drive. The Cyclone opened the second quarter with a series of first downs with Pounds doing the ramming. The 60-yard drive was climaxed by a touchdown when Hall drove through center for the last few yards. Walker kicked goal. Score, 14-7.

The Skyrockets scored a few minutes later when the elusive Austin slipped through center and raced 50 yards across the Cyclone goal. Bailey's kick was not good. Score, 20-7.

Walker Scores. Another 60-yard drive by the Cyclone resulted in a touchdown when two long passes from Hall to Walker were completed. Walker ran 15 yards after taking the last pass and carried three men with him as he crossed the line. Walker converted and the score was 20-14. The half ended shortly.

Wellington scored in three plays after play had been resumed. The nimble-footed Austin this time streaked his way 43 yards to score. Bailey missed goal. Score, 26-14.

Memphis fought the ball into "Rocket territory on the next series of downs by a 35-yard pass from Hall to Walker. The Cyclone bungled a touchdown when Evans juggled a long pass from Hall before dropping it almost on the goal line.

Bailey Runs 65 Yards. After taking the ball, Bailey drove through right guard and out-ran the Memphis backs 65 yards to pay dirt. Estes circled left end for the conversion. Score,

33-14. The Cyclone crowned a 50-yard drive with a touchdown after getting the ball on the 50-yard line after Wellington's punt hit a Wellington man before hitting the ground. The "Rockets drew a 15-yard penalty on the play. A pass from Hall to Walker and a 14-yard jaunt by Pounds placed the ball in scoring position. Hall scored on a short buck through center. Walker kicked goal. Score, 33-21.

Punt Costly. A Cyclone march up the field was halted when Malone accepted a pass from Hall and lateraled wide to Walker. Wellington recovered the lateral. Memphis held deep in her own territory, but Walker's punt careened off his foot into the line of scrimmage, and Wellington got the ball on Memphis' 24. Estes made a first down, and then Clark, a substitute, shot through center for 10 yards and a marker. Bailey kicked goal. Score, 40-21.

Hall took the kickoff on the Memphis 18-yard line and side-stepped his way up the field to the "Rocket 38, before he was pulled down from behind. Wellington stiffened and took the ball. A pass from Estes to Clark was good for 40 yards. Estes of Memphis intercepted the next "Rocket" toss and returned 10 yards to Memphis' 26.

Cyclone Drive Frustrated. Walker received Hall's pass to the 50. Montgomery took a 7-yard heave, and Hall passed to Walker for nine and a first. A pass from Hall to Malone netted a first down on the 10-yard line, with 20 seconds left to play. Two hurried passes were thrown before the game ended. Final score, 40-21.

The starting line-ups: Memphis—Malone (e-c) and Evans, ends; Harris and Sanders, tackles; Dodson and Clark, guards; Estes (e-c), center; Noel and Pounds, halfbacks; Hall, full; Walker, quarter. Wellington—Clement and Fuson, ends; Blaesengame and Holden, tackles; Sullivan and Shields, guards; Fulton, center; Parker and Estes, halfbacks; Bailey, full; Austin, quarter.

Memphis substitutes: Zeb Moore, half; John Gilvath, half; Blacky Montgomery, end; Whaley Gillenwater, tackle; Chester Wattenbarger, guard.

R. B. Harper of Claude was a visitor in Memphis Monday.

all others in this department. Hall is by far the outstanding passer in the district. It will be remembered that he completed 26 against McLean, which is something of a record; and Jerry Malin, sports editor of the Amarillo News-Globe, hailed Hall as being as good a passer as the great Sammy Baugh of TCU. Pounds is as hard a runner as there is in the district.

The Wheeler-Shamrock game this week is THE game. The championship of the conference hinges on this contest. If Wheeler's lucky Mustangs are able to defeat the Shamrock Irish, the Mustangs will have clinched the championship of the district, as the weak Lefors Pirates will be the only team left standing between them and the pennant.

If, on the other hand, Shamrock beats Wheeler, the race will be thrown into a mad scramble, with Wellington, Shamrock, and Wheeler in the thick of the fight. Shamrock would then be leading the conference with but a tie-game to mar her record, but she would have to meet Wellington the following week in the game which would probably determine the championship.

The Wellington game is history—thank goodness—and the Skyrockets finally downed a Cyclone team after six years of trying. The Cyclone has been defeated four times this year, but in the opinion of The Bench Player Wellington has the only team that is really superior to the Cyclone. Wellington's team is so fast that the Cyclone was outplayed last week for the first time this year. McLean, Wheeler, and Shamrock did not display the superiority that Wellington did in defeating the locals.

Judging by the Wellington fans, Memphis got at least a fair break so far as officiating went in the game Friday night. It was delightful to hear the loud, long, growling sounds made by the Skyrocket fans every time the "Rockets drew a little penalty.

Every grid fan in the Memphis and Clarendon vicinity should turn out for the clash on Cyclone field here tonight. The game will wind up the season's schedule for the Cyclone and will be one of the most colorful of the year. When hostilities are resumed tonight, it will be a resumption of the Memphis-Clarendon grudge battles that have been staged for years and years.

Mrs. E. McBride and son James Everett have gone to Austin for an extended visit with relatives.

Mrs. C. W. Taylor and daughter Agatha returned to their home in Clarendon Friday after a visit here with Mrs. Taylor's niece, Mrs. William Hood.

Improvement Seen In Cotton Grades Of County, State

Cotton ginned in Hall County and over the state during the past week showed a marked improvement in grade over ginnings of the preceding week, according to statistics compiled by state headquarters of the federal department of agriculture at Austin.

The area including Hall, Archer, Baylor, Childress, Clay, Cottle, Foard, Gray, Hardeman, Haskell, Jones, King, Knox, Shackelford, Stonewall, Throckmorton, Wheeler, and Wilbarger counties showed but 30.6 per cent of cotton shorter than 7-8 inches. This is better than any other district in this section of the state.

The district to the west showed 65.1 per cent of such stalks, and that to the east showed 46.7 per cent. There was also a marked improvement in the grade of cotton ginned, it was said.

Mrs. William Hood and her guests, Mrs. C. W. Taylor and daughter Agatha, went to Turkey Thursday of last week and spent the day as the guests of Mrs. Willis Walker and Mrs. Paul Meacham.

Mrs. D. A. Grundy, Mrs. G. H. Hattenbacher, Mrs. Allie D. Weaver and daughter Rebecca Rae, and Miss Eunice Loard spent Thursday of last week in Amarillo.

Could Not Eat Without Pain "Relieved of Suffering for Last Seven Years," Says Wife Of Prominent Wichita Decorator

SO MANY people are complaining of feeling "worn out" and "run down." They can't eat naturally — and food ferments in their stomach and doesn't pass naturally through the body. Such sufferers will be greatly interested in the remarkable testimony of Mrs. Roy E. Mefford, who says:

"For the past seven years I have been terribly bothered with headaches; could not eat many foods without pain and heartburn. I frequently had sleepy spells after eating and was short of breath, and I could not even drink a glass of water in the morning without it nauseating me.

"I heard of WILLIAMS S. L. K. FORMULA at our druggist's here and decided to take a bottle. Now I sleep well and really enjoy eating anything just the same as if I had never been bothered in any way. That awful bloating is gone, and my headaches have disappeared. MRS. ROY E. MEFFORD, Wichita Falls, Texas.

Unusual Trial Plan. If you are suffering, try this remarkable prescription of an ex-army doctor. It is now available in this city at TARVER'S PHARMACY.

Come in today and get a bottle of WILLIAMS S. L. K. FORMULA, and if results are not everything you expect your money will be refunded without question. The trial won't cost you one cent! Adv.

HAPPY RELIEF FROM PAINFUL BACKACHE

Caused by Tired Kidneys

Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by tired kidneys—and may be relieved when treated in the right way. The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. Most people pass about 3 pints a day or about 3 pounds of waste.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, lumbago, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

Mrs. Margaret Morgan Directs Drive For Members Civic Music Association

Mrs. Margaret Morgan of this city has been appointed director of the membership drive in Memphis for the Panhandle Civic Music Association which was organized this week as a unit of the National Music Association, a subsidiary of the National Broadcasting Company.

Last evening Mrs. Morgan and Mrs. T. E. Noel represented Memphis at a Music Lovers' dinner at the Hotel...

Amorillo at the Heaving Hotel. This dinner marked the opening of the week's campaign which is under the direction of Mrs. Muri Springstead, traveling representative of the national organization.

The aim of the Panhandle Civic Music Association is to bring to the Panhandle the cultural music which would otherwise be denied this territory. Through the civic music plan excellent artists can be obtained without financial risk to anyone, being a non-profit organization.

Membership outside the territory, or any one to whom he wishes to transfer his membership, is at...
