FIVE CENTS

NUMBER 11

## MEMPHIS, ESTELLINE, AND TURKEY SCHOOLS OPEN MONDAY FOR 1937-38

### 4,000 Appropriated for State Highway Here

A total of \$124,000 was appropriated by the Texas state highway department for the Memphis area for the 1938 fiscal year. The amount is expected to be used for the construction of new roads and the improvement of existing ones. The highway department estimates that the work will be completed by the end of the fiscal year.

### HALL BASEBALL PLAY-OFF WILL START SUNDAY

Games To Be Played At Cross Roads And Parnell

The play-off in the Hall County Baseball League will get underway next Sunday afternoon at Parnell and at Cross Roads, with Lesley journeying to Cross Roads and Salisbury going to Parnell. Cross Roads ended the regular season on top in the county race last Sunday by clouting out a 6 to 5 victory over Parnell in a thrilling game witnessed by a crowd of around 1,200. The winners of the games next Sunday afternoon will play a two-out-of-three series, the winner of the series being the county champion. To this team will go the purse made up at the beginning of the season. A meeting of club managers has been called by the president of the league for Friday afternoon, Sept. 3, at 6 o'clock to determine the eligibility of several baseball players. The meeting is to be in Memphis.

### NEW MAGNOLIA STATION OPENS

Jerry Wright and Lee Wattenbarger Will Manage Station

A new \$7,000 service station, the Magnolia service station on Highway 5 at Noel and Tenth streets, opened in Memphis on September 1 under the management of Jerry Wright and Lee Wattenbarger. The new red and white structure, of English design, is one of the most modern and most imposing service stations in the city. Mr. Wattenbarger and Mr. Wright will operate service trucks for road service, will feature washing and greasing, and will carry tires and automobile accessories in addition to the standard gasoline and oil. Both Mr. Wattenbarger and Mr. Wright are well known in Memphis, having resided here for years. Mr. Wright has been actively engaged in the service station business for some time, running the Waggoner station at Noel and Eighth streets; and Mr. Wattenbarger has been working for the Magnolia wholesale agency. The station at Noel and Eighth streets is to be closed, Mr. Wright said. J. B. Reed is the Magnolia wholesale dealer for Memphis and territory.

### New Service Station Is Opened Sept. 1st

J. S. McMurry will manage the service station at Main and Eighth streets that has been vacant here for the past several months, having opened the station for business on September 1. The station was formerly the Wood Service Station. Mr. McMurry is well known here, having been in the gasoline and oil business for many years. He was formerly a wholesale gasoline and oil dealer.

### INSTRUCTORS TO MEET

Memphis and Hall County school teachers will meet at the high school auditorium here next Saturday morning at 10 o'clock in the first general meeting of the year. There is a possibility that a county rural teachers' association will not be formed this year, and the rural teachers may meet jointly with the Memphis instructors.

### GRID LUNCHEON WILL BE GIVEN HERE SEPT. 3RD

Football Players To Be Entertained By Business Men

Members of the Memphis High School Cyclone football squad will be guests of Memphis business men at a grid luncheon to be held Friday noon this week at the First Christian Church. Some 80 local business and professional men and members of the football squad are expected to attend the luncheon. District Attorney John Deaver will give the principal address of the affair, and J. Claude Wells, mayor and newspaper publisher, will serve as toastmaster. Short addresses will be made by Supt. W. C. Davis, T. M. Potts, president of the school board; and Coaches Frank Hubbell and Wilson Dees, and several fans.

### AGED PIONEER OF HALL DIES AUGUST 26TH

Mrs. Mary C. Glasco Lived In County For 35 Years

Mrs. Mary Catherine Glasco, pioneer citizen of Hall County and resident of the Newlin community, died at the home of a daughter, Mrs. Ora Messer, near Wellington Thursday morning, August 26. She was 75 years and six months of age. Funeral rites for the well-known Hall County pioneer were conducted from the Methodist Church at Newlin Friday morning, August 27, at 11 o'clock. The final rites were administered by the pastor, Rev. J. N. Tinkle, assisted by Rev. L. J. Crawford, pastor of the First Baptist Church at Newlin. Interment was in Newlin Cemetery. (Continued on page 6)

### 41 To Pay Taxes on Installment Basis

Forty-one taxpayers of Hall County took advantage of the special delinquent tax law in force the latter part of August. Payment of \$465 in delinquent taxes was made, covering ten times the amount of taxes. By use of the plan, the taxpayers will pay off their delinquent tax obligations in regular installments, due every 60 days. Tuesday was the last day on which arrangements could be made to take advantage of the installment plan of paying taxes.

### Delinquent Tax Suits Are Up In This Court Term

The September term of district court in Hall County will open here next Monday morning with the impending of the grand jury by District Judge A. S. Moss. Included on the docket will be 20 suits on delinquent taxes.

The city of Estelline has filed suit against 18 persons for the collection of delinquent taxes, and the city of Memphis has filed two suits for the collection of back taxes.

One of the largest civil dockets for some time will face the court, as numerous new and hold-over cases will appear. There are 18 divorce cases listed. The criminal docket is expected to be very light, as there are very few cases continued from last term. The only three criminal cases now on the docket are as follows: The State of Texas versus Mrs. J. H. Richardson of Turkey, a charge of forgery of a land deed; another charge against Mrs. Richardson of falsely personating another in acknowledgement to a deed; and the State of Texas versus F. B. (Continued on page 6)

### State 3-C Quota of Enrollment Heavy

A call for approximately 11,000 white and 1,200 colored boys to be enrolled into the Civilian Conservation Corps during October has been issued by Adam R. Johnson, director of the Texas Relief Commission, to the various county welfare boards. This number far exceeds any former enrollment figure and will give almost all boys in the state an opportunity to enroll if they are unemployed, 17 to 23 years of age, in need, and whose parents or themselves, due to financial limitations, are not in a position to secure or provide comparable training. Full strength of the Texas quota is 16,000 white and 1,700 colored, and due to discharge of enrollees reaching the age of 24 or completion of the maximum enrollment of two years, replacements will be necessary.

Heretofore, rules did not allow boys from other than the groups receiving or eligible to receive public assistance be accepted, but these have now been modified. Such boys who have no dependents may allow two-thirds of their pay to remain on deposit and upon discharge, or completion of their enrollment, receive the full accrued amount. Where there are dependents, an allotment will be made each month direct. Over \$500,000 each month is brought to Texas through these allotment checks to dependents, which materially relieves the burden that would otherwise be carried by the communities.

## Price of Cotton Is Pegged by Loans And Subsidies Offered By Gov't

President Roosevelt this week authorized the Commodity Credit Corporation to make loans of nine cents a pound and additional subsidies to producers of the 1937 bumper cotton crop in an effort to stabilize the price in 12 cents a pound and safeguard the proposed cotton control program.

In fixing the loan at nine cents, the chief executive ignored demands of Southern Congressmen and Senators that the loan be pegged at 10 cents a pound.

**Three-Cent Subsidy**  
Secretary of Agriculture Henry A. Wallace said cotton producers who co-operate in the crop production program will be paid a subsidy comprising the difference between the average price of seven-eighths inch middling cotton on the ten spot markets of the day the cotton is sold and 12-

cent cotton. The maximum subsidy, he said, will be three cents a pound.

Following is the lending plan: Nine cents a pound on cotton classing seven-eighths inch middling or better. Eight cents a pound on cotton classing thirteen-sixteenths inch in staple and middling or better grade. Seven and three-fourths cents a pound on cotton classing seven-eighths inch as to staple but under middling. No loans will be made on seven-eighths inch cotton or better in staple which is of a grade not deliverable on contract under the regulations of the New York and New Orleans Cotton Exchanges and no loans will be made on thirteen-sixteenths inch cotton under middling grade.

Pay in July, 1938  
The loans will bear interest at

the rate of four per cent and mature on July 31, 1938. The first payments will be made on a basis of 65 per cent of the grower's base production.

The effect of the program is to assure the farmer nine-cent cotton, regardless of market price and regardless of whether he co-operates with the Government in a crop control program. If he co-operates, he enjoys the benefits of 12-cent cotton—both the loan and subsidies.

**\$445,000 for County**  
Under the present base acreage, Hall County cotton producers can draw subsidies on 29,680 bales. At \$15 a bale, Hall County cotton farmers will be able to benefit by some \$445,200 from the subsidies, if all producers co-operate. The base acreage is 153, (Continued on page 6)

### ALL SCHOOLS IN COUNTY TO BE UNDERWAY

Successful Term Is Foreseen by Heads; New Instructors

With the start of the city schools in Memphis and at Turkey and Estelline on Labor Day, Monday, Sept. 6, every school in the county will have launched work on the 1937-38 term.

The Lakeview school and most of the common schools have been in progress for the past two or three weeks, getting an early start in order to turn out during the first part of October for cotton picking.

**Budgets Set**  
A highly successful school year throughout the county is predicted by the county and city superintendents, despite the decline in enrollment over the county that was foreseen in the census reports last year. All school budgets have been made out recently with an optimistic tone. All city superintendents met with the county superintendent here Tuesday night and went over transportation funds. Hall County schools will benefit greatly from the hike in the (Continued on page 6)

### Transportation Aid Received From State

The sum of \$4,864 was received from the state department of education by Miss Vera Tops Gilreath, county school superintendent, Monday morning as a payment on the transportation aid for the 1936-37 school term, the last of the year.

Some \$11,763 was received in all for the transportation aid during last school year. The independent schools have also received state transportation money, and the Lakeview amount was far below the sum that had been expected.

### SCS Superintendent Is Transferred To Project At Clovis

E. McBride, superintendent of the Memphis Soil Conservation Service camp, this week was transferred to the Soil Conservation Service camp at Clovis, N. M., as engineer of the project.

Mr. McBride came to Memphis in January of 1936. His going to New Mexico represents an advancement into classified Civil Service.

A. B. Chapman, camp engineer here, will serve as acting camp superintendent of the local SCS camp.

### FOOTBALL TEAM HERE IMPROVES

Three Lettermen Return To Squad; Conference Games To Be Started Sept. 17

With the return of three lettermen who have been working this summer, Coach Frank Hubbell's 1937 Memphis High School football squad has taken on an improved appearance; and expressions are being heard that the Cyclone grid team this year will be a formidable one.

Scrimmage sessions have already been held, and the squad is getting down to hard work. Over 25 men are now reporting for football, and others are expected to report after the start of school.

Men showing up to advantage thus far in the drills are as follows: Otto Brannon, Talmage Pounds, Jack Foster, J. R. Sanders, Billy P. Hall, Gordon Hagemeyer, backs; James Evans, L. E. Jones, Billington, Blackburn Montgomery, ends; Dennis Sanders, John Harris, Glen Bruce, Lewis, tackles; Paul Dodson, A. J. Clark, Dewien, guards; Leroy Robertson, A. G. Kesterson, centers.

Memphis' grid season gets under way here on September 17, when Memphis plays a conference game with Mobeetie. However, Coach Hubbell is seeking games for one or two open dates.

### COTTON AGENCY MOVES TO CITY

J. H. Morris Company To Serve Gins Of Wide Territory

J. H. Morris and Company, cotton merchants and exporters, have this week moved the firm's headquarters from Clarendon to Memphis. Operations were begun here September 1, although the office quarters on Noel street next door to the Foxhall Motor Company are still undergoing repairs.

The moving of the firm's headquarters to Memphis was in order to locate at the center of the ginning, compress, and cotton production area for this section, Mr. Morris stated.

Malone Hagan of Memphis, a veteran cotton man and who has been associated here with the A. W. Howard cotton company, is now associated with the J. H. Morris company. The cotton firm is not entirely new to Hall County, having operated a branch office here in the past. It was operated last year by Gene Chamberlain, who has also moved from Clarendon to Memphis to be with the company. Thomas Clayton has also moved to Memphis from Clarendon to take up his duties with the firm.

J. H. Morris and Company will serve as sales agency for several co-operative gins in Hall County and as agency for other gins of Donley County and vicinity.

### Wedding Licenses Are Issued to 14

Only seven marriage licenses were issued from the office of County Clerk Floyd Springer here during the month of August. Those securing the permits to wed are as follows:

Robert E. Watley and Mrs. Opal Parker, Virgel Sanders and Miss Mozelle Stodghill, Horace Byrom and Miss Grace Cass, Theodore Gilreath and Miss Ramona Grimes, Oren Simpson and Miss Imogene Robinson, Aubrey Robertson and Miss Viola Barbee, Guy W. Lampman and Miss Ruby Ruth Taylor.

### Abilene Woman Winner Of West Texas Utilities Company Housewife Contest

ABILENE, Sept. 1.—What is believed to be the first concerted effort in the nation to eliminate from popular usage a name the majority of women resent, "housewife," today had resulted in the substitute word, "Neoelectress."

It was defined as meaning "a modern home maker alert to this new electric age" and had the approval of Dr. Charles E. Funk, noted lexicographer of New York, who selected it from more than a thousand substitute names submitted in a campaign conducted by the West Texas Utilities Company over its 40,000 square-mile territory.

Mrs. Ben D. Parker, Abilene woman and a dog fancier, submitted the word. "N-e-o, she pointed out, means 'new,' L-e-c-t-r-e-e-s, she said, suggests feminine usage of electricity.

The campaign was based on the theory that the word "housewife" has become obsolete due to the improved status of women.

"It is true," Dr. Funk said in announcing his selection of neoelectress, "that the facilities for the effective management of the home have, within the past few years, become so notable as to remove—let us hope, forever—much of the ceaseless drudgery formerly a concomitant of that necessary field.

"My search for the winning name (neoelectress) led me to seek a term that was not only new in every respect, but that would be formed with due regard to etymology and with a recognition of the fact that the chief agency in the relief of household drudgery is electricity."

Winner of second prize in the contest was Mrs. F. B. Probandt, of San Angelo, who entered the word "domestician." Third place was awarded Mrs. W. B. Bourland, of Oklaunion, with the entry, "homeologist."

Decisions of Dr. Funk also were based on letters explaining usage of words.

Mrs. Parker's reward for her first place entry will be a super-duty Frigidaire; Mrs. Probandt receives her choice of a Hotpoint electric dishwasher or a Thor washing machine; and Mrs. Bourland will be presented with a Sunbeam Mixmaster.

Honorable mention and choice of smaller electric appliances will go to ten women; Mrs. Lee White, Dalhart; Mrs. O. R. Bodeen, Childress; Jane Yeager, Rochelle; Mrs. R. C. Roberts, Vernon; Mrs. W. N. Pipkin, Matador; Mrs. S. G. Jones, Abilene; Mrs. J. Dexter Eoff, Ballinger; Anna Mick, Mason; Mrs. R. H. Bounds, Stamford; and Mrs. R. R. Trimble, San Angelo.

**You've got something**

That's what the used-car dealer said to me when I brought in my old jalopy. The paint and rubber were so-so. Upholstery, fair. But the engine? Marvelous! So he paid me way over the Blue-book value, and I've warned the family never to use any oil except Phillips 66 Motor Oil in our brand new bus."

The moral is: To keep your engine in tip-top condition, use the finest oil you can buy. Not the highest-priced oil, but a lubricant like Phillips 66 Motor Oil, which gives you more protection for every penny you pay. Guaranteed 100% pure paraffin base.

Advertising Manager  
West Texas Utilities Co.,  
Abilene, Texas.

Dear Sir:

The purpose of the contest that your Company arranged is one that should appeal to every American woman, for it is true that the facilities for the effective management of the home have, within the past few years, become so notable as to remove -- let us hope, forever -- much of the ceaseless drudgery formerly a concomitant of that necessary field. Science and invention, I am sure, will shortly find ways to eliminate the few remaining onerous duties. It is, therefore, indeed high time that the term formerly synonymous with household drudgery be relegated to the limbo of forgotten things.

Accordingly, I have examined with the greatest interest all the entries that you sent me by airmail. I can not be certain, naturally, that any of them would become the one term that will be received by American women as a permanent and acceptable substitute for the outmoded term housewife. I think, therefore, that your plan to offer a selected list of prize-winning terms is the wise procedure, thereby suggesting possible lines which may lead to a term -- perhaps altogether new -- that may be generally accepted.

I regret that a great many of the entries seemed to me altogether too flamboyant and fanciful for even brief consideration. Others, tho the contestants may not have realized it, were terms already employed in our language with far different meanings. Others were altogether dependent upon the correct pronunciation for their significance.

My search for the winner of the contest led me to seek a term that was not only new in every respect, but that would be formed with due regard to etymology and with a recognition of the fact that the chief agency in the relief of household drudgery is electricity. This word I found in Neoelectress, coined by Mrs. Ben D. Parker, of Abilene, Texas.

For second choice, I have selected the entry of Mrs. F. B. Probandt, of San Angelo, whose word is Domestician. My third choice is the entry of Mrs. W. B. Bourland, of Oklaunion, whose word is Homeologist. The remaining selections, in the order of my preferences, are attached hereto.

Very truly yours,

Charles Earle Funk  
Charles Earle Funk.

Do you like "Neoelectress"? N-e-o means new. L-e-c-t-r-e-e-s has the feminine ending and suggests electricity. Taken together, the word suggests a modern home maker alert to this new electric age. Dr. Funk, in his letter, says "the chief agency in the relief of household drudgery is electricity." Thus, we define "neoelectress" as meaning "a modern woman freed of kitchen drudgery by Electric Servants." The name is being copyrighted with that definition.

The contest was successful because it attracted attention to the improved status of West Texas women. A thousand women specifically said they dislike the name "housewife." However, it is more difficult than we at first thought to find a suitable substitute. But we like "Neoelectress" better the more we think about it. We hope you will. To all entrants we express sincere gratitude for their help. We only wish there could have been prizes enough to go all the way round!

Happy but almost speechless was Mrs. Ben D. Parker of Abilene, when shown the superior entry in the "name-a-housewife" contest. "I'm glad," she told Harold D. Austin, who sells the refrigerator, "that you thoughtfully added 'Every woman needs a Frigidaire' to the contest."

Tri-State Fair To Offer Prizes For Group Attendance

AMARILLO, Sept. 1.—Substantial cash prizes will be offered again this year to bands accompanied by delegations at the Tri-State Fair, September 20-25.

The registration booth will be maintained in the Amarillo Globe-News display, located in the merchants' building.

Mason King, in charge of grandstand attractions for the Fair Association, has announced a plan for bands to defray expenses of the trip or to obtain funds for band libraries.

"Every band visiting the fair this year will be given 15 cents for each ticket sold to either the rodeo or the night show," explained Mr. King.

"Bandmasters or chamber of commerce officials are invited to write to me for the number of tickets they want to sell," continued Mr. King.

The Tri-State Fair director said exposition officials would be hosts to all bands at one of the grandstand attractions.

"Cities are urged to select the day on which they will send delegations to the fair," added King.

Beutler Brothers of Elk City, Okla., will stage the rodeo each afternoon in front of the grandstand and each night there will be a special attraction, probably a beauty revue and musical comedy.

Al G. Barnes and Sells-Floto circus and Crowley's United Shows on the midway will be other attractions.

Conservation Figure Will Visit Turkey's Shelterbelt Project

CHILDRESS.—The development of the Plains shelterbelt project near Turkey has spread over the nation, according to Edgar Kemp of Childress, head of the district forest service office here, who has announced that former Governor Gifford Pinchot of Pennsylvania will probably accompany a group of national forestry service officials on an inspection tour of the strips during September.

The nationally-known political figure is well known for his interest in forest conservation.

Foresters from national forest service offices who have inspected the Turkey strips have declared them to be the best of all Great Plains projects. The trees are planted in sandy land and are from eight to ten feet high.

Mr. and Mrs. Regnal Greenhaw of Lefors visited here last week-end with his parents, Mr. and Mrs. George Greenhaw.

Mrs. W. L. Patton spent last week-end in Hobbs, N. M., visiting with her son.

Mrs. H. B. Estes returned Sunday from Nocona where she went Friday to take her mother, Mrs. E. B. Peters, who had been her guest for several weeks. She was joined in Wichita Falls by Benny Estes who will spend several days here with Mr. and Mrs. Estes before leaving for Marshall where he plans to attend the Marshall Junior College and assist Mr. and Mrs. Alvin Morgan in a furniture store. Mr. and Mrs. Morgan are moving from Wichita Falls to Marshall this week.

CARD OF THANKS

We wish to thank all those who were so kind and helpful in the illness and death of our dear mother, Mrs. M. C. Glasco. May God in His tender mercy be so kind to you in your hour of bereavement.

## THE NINE-CENT COTTON LOANS

HALL COUNTY FARMERS are going to get 12 cents a pound this year for their cotton, if they want it, since President Roosevelt this week authorized the making of nine-cent loans to farmers for their cotton with a three-cent subsidy payable in the summer of 1938.

In authorizing the loans, President Roosevelt had two aims in view: To assure the cotton producer of a fair price on his bumper cotton crop, and to control production.

Under the new plan the producers of the better grade and staple cotton will benefit. And the producers of short-staple cotton will suffer. It is estimated by our county farm agent that only about 13 per cent of the cotton planted in this section is short staple, and that the majority will command the higher loans. We are pleased to learn this, as all leading agriculturists are seeking to improve the staple of Texas cotton and the campaign being waged by ginners of the county is already showing results.

We approve of Mr. Roosevelt's intention to help the cotton producers of the nation, but we believe that he is traveling on unsound lines to do it. We can readily see that farmers will benefit at the present by complying with the President's program. And we can see as easily what would happen if the government offered to buy all cotton at a high price.

What we can't see is where the cotton situation is headed. We don't believe that the United States can control the price of the world cotton market, and as we see it the surplus United States cotton must compete in the world market. And if Congress would help the cotton farmer in the world market, it could do so easily by reducing the tariff rates.

## HALL COUNTY SCHOOLS OPEN

EVERY SCHOOL in Hall County will be in session next Monday morning as hundreds of children, large and small, continue their search for knowledge. There will be new faces in many of the classrooms, new teachers and new students having taken their places in the life of the various communities.

The characters and the setting of the coming school year will be slightly changed, but the action remains essentially the same. The school is the great equalizer. It furnishes an equal opportunity to everyone, and its principal aim is to accomplish that which every thinking person desires—self betterment.

Every child is born with an instinct to seek knowledge. The purpose of the school, then, is to concentrate facts and skills and to impart them to the pupils. The school's business is perhaps the most important in the community, for it trains the future citizens of the country and provides a basis for future security and happiness.

And a student's lot is a happy one, whether he takes the time to realize it or not. For he is one of a rollicking crowd who slides over most "stuffed-shirt" practices and admires a person primarily for a good sense of humor. He is free from care, and his main worries are his delinquent Spanish translations and the football game coming up Friday night and whether or not Mary will go with him to the party Saturday night.

So we would have every student to realize how much fun he is having in his quest for knowledge, and we would encourage him to continue this search as long as possible.

## BUSINESS CONDITIONS IMPROVE

BUSINESS CONDITIONS are already on the upgrade in Memphis and Hall County, and they are expected to improve steadily for the next several weeks in anticipation of the good cotton crop in Hall County this fall.

Two service stations, a cafe, and a cotton buying firm have opened in Memphis this week. A new picture show, a new dry goods firm, and possibly a new grocery concern and a cafeteria will open in the near future. There is a little building activity going on at this time, and business in general is picking up. The corner of the depression years has been rounded, and we are anxious to see a return to normalcy, and the next year, we believe, will see this return.

## Paragraphs From Panhandle Press

Culled From The Democrat Exchanges

**Food-for-Thought**—In the various exchange papers, namely the Shamrock Texan and the Wellington Leader, I've noticed where the Editors and Managers have been receiving fresh vegetables and fruits from their farmer friends. And reading about them has made me lose several pounds thinking about how good fresh vegetables must taste. However, those farmer friends who might read this should not accept it as a hint. As a matter of fact I hope they won't bring in anything because I know what they think of me and this column, and I would be afraid to eat anything that was brought in. And knowing them like I do I wouldn't be surprised to read about Deek Wells having a sudden attack of ptomaine poisoning or Albert Cooper suddenly passing out.

### Mere Misdemeanors

Haston Yazzie was out looking for a constable of the Hashknife community Saturday night after his neighbor outwaded. The only thing he charged against his neighbor was that he made his boy of five years drunk on wildcat-likker, whipped his wife, threw the rookstove into the yard, and poured sand in the lard bucket. This is the leading social event of the week—Dunley County Leader.

The White Deer Review states that children are natural-born mimics. They act like their parents in spite of all efforts to teach them good manners.

John Gould, columnist in the Wichita Daily Times, is investigating reports that drug store lunch counters are now using chicken in the chicken salad sandwiches because of the high cost of pork.

This from the Lubbock Avalanche concerning a Tulsa, Okla., lad: Phillip Lane, aged 11 years, 6 months and 16 days, walked into the bureau of vital statistics, plunked down 50 cents, and demanded a copy of his birth certificate. "I'm big for my age," he explained. "I like to go to the movies and I'm darned tired of having them refuse to believe I'm under 12 and making me buy an adult's ticket. They can't argue when I show 'em this. I'll save the cost of this thing in three movies!"

No one has yet been able to figure out why some men will drink from the same bottle yet refuse to eat with the same fork.

It is said that Reno, Nevada, has probably done more to promote world peace than any other city in the U. S. . . . Our idea of economic wisdom is the Scotchman who wrote out his check for \$100,000 in favor of the mother of the unknown soldier. . . . As matters now stand in the military world, if she says she has a hat on, her guess is about as good as yours. . . . A typical American is one who will fire you for incompetency and then give you a letter of recommendation. . . . Old-time fables used to start with "once upon a time," but nowadays they start out with "there will be no new taxes."—Mileshee Journal.

**Cotton Crop Estimates**—Albert Cooper, editor of the Shamrock Texan, tells how to estimate cotton crops, as follows: All one has to do is to get around to the farmers; the ginners; the agricultural agents; the oil mill people; and the compress people.

and get their views. Then sit down for 15 minutes and figure out what caused them to base their estimate as low as they did. Take 15 minutes more, being careful not to go near a cotton field, and then add 33-1/3 per cent to the total the "experts" gave you, and you have the correct estimate for the coming season. Cooper says he has employed this system for many years and has not paid for a new Fall-hat with his own money in five years.

While other sections of the state are going ahead and more generally planting good seed, we are still taking it in the neck. We are all concerned in the matter, but the farmer and land owner particularly. Why not make some gains next year? Now is the time to start thinking of a concerted good seed program over this entire area.—South Plains Farmer.

### Locals and Personals

## Examinations For Drivers Licenses Will Be Delayed

Due to lack of man power, actual examination of applicants for operator's and chauffeur's licenses will be delayed until after the first of October, it has been announced by Col. H. H. Carmichael, director of the department of public safety, Austin. Under the provisions of the amended driver's license law of the state, the director explained, all applicants for such licenses must be given an examination by the department.

"However," Carmichael stated, "the department will be unable to make those examinations, estimated at more than a quarter of a million annually, until additional personnel is secured from graduates of the highway patrol training school now in progress at Camp Mabury."

County seat cities in which regular offices are not located will be furnished with examiners at regular stated intervals; each county seat would be visited by examiners at least once a week, while the larger cities would be scheduled for two and three visits a week.

Examination provisions of the amended driver's license law do not apply to those persons who already hold operator's or chauffeur's licenses; it was pointed out. Operator's licenses now issued are good until April 1, 1939, with no further action necessary on the part of their holders until that date. Chauffeur's licenses are good for one year from the date of issuance, and their holders will not be affected by the amended law until they come up for renewal, at which time they may be given an examination at the discretion of the department.

For the present, tax collectors of the various counties will continue to issue both operator's and chauffeur's licenses in exactly the same manner as they have been issuing them in the past.

Mr. and Mrs. R. L. Stuckey arrived from Gainesville Friday of last week to make their home in the Memphis. Mr. Stuckey will have charge of the meat department at the Crawford grocery store.

## Cigarettes Furnish Old-Age Assistance

When Mr. John Q. Citizen goes down to the courthouse to pay his ad valorem taxes once a year, he is not contributing to the support of the needy aged although he may think he is doing so.

Figures from the auditing division of the Old Age Assistance Commission this week showed that cigarettes are the largest state source of assistance revenue, with liquor, wine and beer next.

Of a dollar paid out in the form of old age assistance, 50 cents is put up by the federal government to match 50 cents paid by the state. The state's 50 cents, based on Nov. 1, 1936, through July 31, 1937, revenues, was derived as follows: 23 cents from cigarette taxes; 2 cents from tax on vending machines; 23 cents from liquor, wine and beer taxes; one-fifth of a cent from the amusement tax; one and four-fifth cents from the tax and license on parimutuel.

CHURCHES

FIRST BAPTIST CHURCH

The pastor's message Sunday morning will be on the subject, "God's Elect" taken from Romans 8:28-34. Sunday evening will be "Doubts," from Luke 7:19-22. We are trusting that the splendid attendance will keep on the increase in all our services. We were delighted last Sunday to have 430 in Sunday school and 291 in B. T. U. with the auditorium well filled in both the morning and evening services. Come to the friendly church where everybody feels at home. You are always welcome.

CHURCH OF THE NAZARENE

We are glad to announce that interest is growing, and our crowds are increasing. The Lord is blessing and leading us on, and we are trusting Him to give us a great revival in the near future. Again we want to extend a hearty invitation to everyone to come and be in our services and help us carry on the work of God. No matter how rich, or how poor, we are interested in your soul, and want to help you to be ready, when you are called to meet God. Regular services: Sunday School 10 a. m. Preaching 11 a. m. N. Y. P. S. and Junior service 7:30 p. m. Prayer meeting each Wednesday night at 8 o'clock. "The Friendly Church."

CHURCH OF CHRIST

The regular minister has returned from his vacation, and will occupy the pulpit with the local congregation both morning and evening next Sunday. We want all the members to be present for the Bible study at 9:45. The minister's subject Sunday morning will be, "The Latest Version of a Sit Down Strike." Many of the Lord's people have gone on a strike in which they are bound to lose. No man can dictate the terms on which he will work in the kingdom of God. At the evening service the subject will be, "The Thief on the Cross." The Lord's supper will be observed both morning and evening. On Tuesday at 3:30 p. m. the women's Bible class will meet for study. The prayer service of the week will be Wednesday at 8 p. m.

CHURCH OF CHRIST

C. L. Taylor, Minister. Preaching the first and third Sundays in each month. Bible study each Wednesday evening at 7:30 o'clock.

tery with King's Mortuary in charge. Active pallbearers were grandsons: J. D. Glasco, Earl Poage, Hugh Poage, Herman Poage, Ralph Messer, and Ed Smith. In charge of the floral offerings were Mrs. Ona Smith, Mrs. Inez Gibson, Mrs. Hallie Poage, Mrs. Lucille Poage, Mrs. Lucille Smith, Mrs. Wanda Poage, Grace Jewell Poage, Laverne Glasco, and Edna Messer.

Mrs. Glasco was born at Gainesville, Texas, February 4, 1862. She was married to Joe Gibson of Azle, Texas, on July 23, 1881. Two children were born to them, but Mr. Gibson and both children are now deceased.

She was married September 25, 1885, to R. D. Glasco; and six children were born to this union, two boys and four girls. One son, Roy Glasco, died at Klamath Falls, Ore., in 1930; and one daughter, Mrs. Agnes Glasco Nall, died at Eli Feb. 14, 1920.

"Aunt Kate," as she was always called, was converted and joined the Methodist Church at an early age. She moved to Hall County in 1902 and lived near Eli until 1913, when she moved to Newlin. She resided there until her death.

Survivors are four children, Mrs. Ora Messer of Wellington, Mrs. Mary Poage of Plainview, Mrs. Jewell Phillips of Lockney, and Archie Glasco of Brownfield; two sisters, Mrs. Lydia Lawrence of Newlin and Mrs. Belle Lawrence of Exeter, Calif.; 27 grandchildren and 12 great-grandchildren.

T. Prewitt.

The city of Memphis is suing T. A. Singer and the Gate City Creamery for delinquent taxes.

Three suits listed on the docket are against the Fort Worth and Denver Railway Company for damages, as follows: R. Canada vs. Fort Worth and Denver South Plains Railway Company, E. W. Gillenwater vs. Fort Worth and Denver Railway, E. J. Ward et ux vs. Fort Worth and Denver South Plains Railway Company, a corporation. The last is a suit for damage in connection with the death of Mrs. Evaloe Weatherly, who was killed in an automobile accident January 29, 1937, near Lockney. Four other Hall Countians were killed in the wreck.

Citizens summoned for grand jury duty next Monday include E. E. Foster, Oral Orcutt, T. L. Colvin, R. A. Edleman, J. M. Endy, J. L. Darby, H. R. Irby, A. Wonnack, W. C. Dickey, J. H. Davenport Jr., T. J. Cope, M. O. Evans, B. L. Gresham, and Joe Barnett.

newspapers located therein. A great majority of these papers, 620, are weeklies, 131 are dailies, 20 are semi-weeklies and two are monthlies.

The Democrat ran an editorial last week on the cotton situation which elicited a letter from a cotton grower who lives in another section of Northwest Texas. He wrote: "The Government is going to loan 9 cents on cotton and guarantee 12 cents, and get everyone in on it and tie them hands and feet to a curtailment program, which is all that the foreign countries want so they will raise the cotton. I don't know much, but I am sure that it will eventually ruin the South. Let Congress pass the hour and labor bill with crop control and you can't get a negro in the cotton patch. My idea would be to guarantee a good price for that part of the crop consumed here and let everyone raise all the cotton he wants to, but that part sold abroad to go at world market price. The grower raises it at his own risk and if he gets only 3 cents for the surplus, it is his hard luck."

The cotton situation is driving everybody nuts these days. No one seems to know just what is best, and Southern Congressmen advocate pegging the price at 10 cents or better instead of 9 cents, claiming it will keep the price of cotton up instead of forcing it down to 9 cents and below. Local farmers and cotton men do not agree on the proper procedure; neither do the lawmakers in Washington. There is one thing sure, however, and that is it is causing more cotton to be raised in countries that formerly bought the South's surplus. But what will be done about it?

000 acres, and 65 per cent of that is some 97,000 acres.

Last year cotton men of this county received \$343,000 in rental payments from the government in the crop control program, and it is thought that they will receive about the same amount this year. This brings the total that Hall County producers may receive from the government on the cotton program to almost \$800,000.

Cotton grown in this county is high enough in grade and staple to command the top loan provided by the government, generally speaking. County Farm Agent R. E. L. Pattillo stated.

area a mammoth lakes and ponds program, and adequate supporting legislation.

John McCarty of Amarillo, president of the association, wrote: "We want to invite especially all of those people who attended the five-state meeting here in Amarillo on May 20, at which time the group authorized Carl Hinton of Amarillo to represent their interests in Washington in connection with this program. We are also anxious that any citizens or officials, and particularly members of Commissioners Courts, WPA, and other government officials, who will have a big part in putting this program into effect, be present and get a full understanding of the program."

A number from Memphis and Hall County attended the association meeting last May.

In addition to inviting the Senators and Congressmen from the Southwest, the Governors of the five states will also be invited to attend the meeting in Amarillo next Wednesday.

**Destitute Farmers Warned Against Going to California**

Destitute farm families of other states are being warned of the risks they run in going to California, expecting to support themselves by work in the crop fields, or if that fails to find free shelter and relief in Resettlement Administration camps, according to Robert C. Land, Rural Resettlement Administration supervisor for Hall, Donley, and Armstrong counties.

"Distorted reports, picturing California as a paradise for the dispossessed of other areas are now being circulated," Mr. Land said. "These stories hold out false hopes and are likely to lead to cruel disappointments and increased misery if they induce people without money or prospects of employment to move to California expecting to find the easy living conditions pictured in their tales."

Mr. Land referred to a communication recently received from Jonathan Garst, director of the Resettlement Administration program in California, in which the hardships of migratory farm families were defined. "On the basis of this experience," Garst wrote,

and not in a creek bottom. To  
 day it isn't even claimed that  
 the men who were kidnaped or tarred  
 and feathered were violating any  
 law. All that was said by those  
 who perpetrated the outrages was  
 that the men belonged to the CIO.  
 It isn't a violation of the laws of  
 our country for these men to be  
 long to the CIO, regardless of  
 what we may think of that organiza  
 tion.

In my opinion, it is just as im  
 portant to protect people from  
 outrages of this kind as to prevent  
 the taking of property from the  
 rightful owners by the sit-down  
 strike or other unlawful method.  
 Because I didn't want to see the  
 thing get started again in Texas I  
 immediately sent twenty-five  
 members of the state police to  
 Dallas with instructions to pro  
 tect men in their right to speak  
 freely and to assemble lawfully.  
 These officers are instructed not  
 to take sides in any controversy  
 but simply to prevent violence on  
 either side.

I was surprised to get a bunch  
 of inspired telegrams apparently  
 approving the treatment given  
 these organizers because, the  
 telegrams said, they were mem  
 bers of the CIO. I don't care to  
 what organization they belong. If  
 they violate any law they ought  
 to be prosecuted for it; but no  
 set of men has the right to take  
 the law into their own hands and  
 kidnap, or beat, or tar and feather  
 these men. I think the people of  
 Texas are backing me up in this  
 stand.

Since the state police went to  
 Dallas these troubles have prac  
 tically ceased. I am very hopeful  
 that the situation will adjust itself  
 without any further trouble.

I really wish the general public  
 could know in detail the many  
 fine things that have been accom  
 plished by the Public Safety De  
 partment. I am particularly  
 proud of the intelligence branch.  
 In this division we have finger  
 print, handwriting and ballistic  
 experts. This has been a great  
 help to local officers everywhere  
 and, of course, has materially as  
 sisted the state in dealing with  
 the more hardened type of criminal.

Just as illustrative of what has  
 been done in the one field of  
 ballistic work: As perhaps most of  
 you know men from this depart  
 ment can take a bullet that has  
 been fired and trace it to the gun  
 that fired it by markings on the  
 bullet. They have done this in  
 many instances and solved cases  
 that might otherwise have gone  
 as "perfect" crimes.

For instance, recently in one  
 Texas town a man was murdered  
 at night as he slept. He was not  
 robbed, and officers were at a  
 loss for a motive. They did, how  
 ever, find shotgun shells of a cer  
 tain type. They picked up every  
 gun of this caliber in the little  
 town and fired some test shells  
 from them and sent these test  
 shells together with the ones  
 found on the ground in to Austin.  
 The fired shells from each gun had  
 been numbered and the experts in  
 the Public Safety Department  
 shortly advised that the shell with  
 a certain number on it was from  
 the same gun as that which fired  
 the shells found at the scene of  
 the crime. It was no trouble to trace  
 the ownership of this shotgun and  
 its use to a negro in the commu  
 nity who promptly confessed the  
 crime. This is just one of a num  
 ber of similar cases that illus  
 trate how quickly the department  
 can assist your local officers.

Some time ago I had occasion  
 to use the handwriting experts.  
 The State of Illinois had asked  
 for extradition papers on a prom  
 inent citizen of this state on a  
 charge of forgery alleged to have  
 been committed in Illinois. The  
 notary public who took the ac  
 knowledgement in Illinois identi  
 fied this citizen and in an affi  
 davit asserted that he had seen  
 him sign the instrument in ques  
 tion. While I was hearing the  
 case I had the handwriting expert  
 from the Public Safety Depart  
 ment to go over the alleged forged  
 deed and compare it with samples  
 of the defendant's handwriting;  
 and before I could close the hear  
 ing these experts reported to me  
 that without any question the de

endant had not forged the deed.  
 You can imagine how grateful  
 these people were to our Depart  
 ment of Public Safety for the  
 service, which cleared the name  
 of a good citizen of Texas.

From time to time I shall try  
 to tell you more of the work of this  
 department and other departments  
 of the state government in which  
 I think you may be interested.

**Trade Pulpits For  
 Month Instead Of  
 Taking Vacations**

After an interchange of pulpits  
 during the month of August, Rev.  
 E. C. Cargill and Rev. Arthur E.  
 Haynes have returned to their  
 own pulpits and congregations,  
 both apparently pleased with the  
 pulpit changes which served as  
 vacations.

Rev. Cargill, the Memphis Pres  
 byterian Church pastor, and Mrs.  
 Cargill spent the month in Hous  
 ton where he occupied the Wood  
 lawn Heights Presbyterian Church  
 pulpit. They returned to Mem  
 phis this week.

Rev. Haynes, pastor of the  
 Woodland Heights Church in  
 Houston, after filling the pulpit  
 in Memphis for the month of Au  
 gust, and Mrs. Haynes and their  
 son Bernie returned to Houston  
 Tuesday.

**Offer Grid Players  
 Special Train Rate**

High school football squads of  
 this area have been offered a spe  
 cial opportunity to attend the  
 Chicago Bears-All Star College  
 dream game in the Cotton Bowl  
 at the Greater Texas and Pan  
 American Exposition at Dallas,  
 September 6.

Week-end rates will be effec  
 tive on all the railroads, good for  
 departure after the game. In ad  
 dition, high school teams will have  
 reserved for them a special sec  
 tion in the massive Bowl, where  
 they will be admitted for half  
 price, the \$2.20 reserved seat go  
 ing to them for \$1.10. They will  
 be seated with their coaches in a  
 special section of the Bowl.

 C. A. REYNOLDS.

Mrs. Olin Bain and son Robert  
 Olin spent from Saturday until  
 Thursday here with her mother,  
 Mrs. Emma Barkerville.

H. W. Stringer and daughter  
 spent Thursday in Quanah on  
 business.

 Memphis will remain closed  
 Monday. Students planning to  
 return to school, and all other  
 patrons, are reminded to have  
 their work done this week.

**Uncle Jim Says**

"Some of my neighbors get  
 about 40 days of extra grazing a  
 year by fertilizing their perman  
 ent pastures."  
 The most commonly known de  
 ficiencies in Texas soils are phos  
 phorus, humus, and nitrogen. R.  
 R. Lancaster, pasture specialist of  
 the Texas Extension Service, has  
 pointed out that these deficiencies  
 not only result in lowered yields  
 of forage and an increase of un  
 desirable grasses in pastures but  
 in a lowered mineral content in  
 the grasses.  
 Barnyard manure, at the rate of  
 five to eight tons per acre, and  
 usually applied in the fall, will  
 give a good increase in the pro  
 duction of pasture plants, Lancas  
 ter says. Since manure is short  
 of phosphorus, the nutrient need  
 ed in most pastures, it should be  
 supplemented with superphosphate  
 at the rate of about 200 pounds  
 per acre.  
 Superphosphate alone may be  
 the most profitable, because it  
 costs less than other mineral  
 fertilizers and encourages the  
 growth of legumes, and through  
 them supplies nitrogen for the  
 grasses.  
 "A pasture fertilizer program  
 for dairy pastures might be start  
 ed by fertilizing one-fourth to  
 one-half acre per cow," Lancas  
 ter said. "This area should be  
 fenced off so that cattle can be  
 confined in it during early spring  
 before unfertilized portions of the  
 pasture are ready for grazing. It  
 will provide further grazing after  
 other pastures on the farm have  
 been grazed down."

## Miss Cathryn Easterling Becomes Bride of Coy Dennis of Pampa

In a quiet and impressive ceremony, Miss Cathryn Easterling, daughter of Mr. and Mrs. T. B. Easterling of this city, became the bride of Coy Dennis of Pampa, son of Mrs. Cordie Dennis of Hollis, formerly of Memphis, Monday morning, August 23, in the First Methodist Church in Borger, with the pastor, Rev. J. B. McReynolds, officiating.

The bride was attractive, wearing a grey suit with accessories to match. She was attended by her sister, Mrs. Gordon Walker, who wore a beige suit with brown accessories.

The bridegroom was attended by Otis Dollar of Pampa.

Mrs. Dennis graduated from the Memphis High school with the class of 1930 and took an active part in high school activities. She later attended Draughn's Business College in Lubbock for one year. Mr. Dennis attended high school in Memphis and Pampa. He is now employed with the Harvester Drug store in Pampa.

Mr. and Mrs. Dennis will make their home in Pampa.

## Mrs. Coy Dennis Is Given Shower

Mrs. Coy Dennis of Pampa, who was Miss Cathryn Easterling of this city before her recent marriage, was named guest at a lovely shower given Saturday evening at the home of Mrs. E. S. Foust with assistant hostesses including Miss Mildred Lamb and Mrs. H. B. Bass.

A short program and games provided entertainment for the guests, each of whom remembered the honoree with an attractive gift. A salad course was served.

The guest list for the affair included: Mrs. Elmo Whaley, Mrs. E. A. Thomas, Mrs. Frances McKelvy, Mrs. Roy Mayes, Mrs. W. L. Wheat, Mrs. Sam Hamilton, Miss Mary Ellen Hamilton, Miss Evelyn Lamb, Mrs. David Hudgins, Mrs. C. A. Reynolds, Mrs. W. J. Bragg, Mrs. Lowery Johnson, Mrs. J. C. Ross, Miss Pauline Ross, Mrs. Jack McClendon, Mrs. R. E. Clark.

Mrs. Emma Baskerville, Mrs. Mildred Gibson, Mrs. Leon Randolph, Mrs. C. E. Bentley, Jr., Mrs. Ed Lofland, Mrs. L. O. Dennis, Mrs. F. V. Clark, Mrs. Mary Owens, Mrs. Leo Fields, Mrs. C. W. Broome, Mrs. H. E. Bennett, Mrs. T. R. Easterling, Miss Margaret Goeforth of Wellington, Mrs. Gordon Walker of Borger, and Mrs. Dick Vallance of Hedley.

## Californians Are Entertained At Informal Dinner

Lucille Crump, Maurine Reheis, and Annie Ruth Thompson entertained with an informal dinner party Friday evening at the home of Miss Crump at 608 South Eighth street, honoring W. C. Crump, James Perkins, and Carl Eudy before they left Saturday on their return to Long Beach, Calif.

Garden flowers furnished the decorations. At 8 o'clock a lovely three course dinner was served at a large table attractively laid. Places were arranged for W. C. Crump, James Perkins, Carl Eudy, L. G. Perkins, Maurine Reheis, Annie Ruth Thompson, Lucille Crump, and Mrs. Bess Crump.

## Pleasant Valley Homemakers Meet

The Pleasant Valley Homemakers Club met at the home of Mrs. B. C. Grant on Wednesday afternoon, August 25.

During the afternoon conversation and quilting provided entertainment.

Refreshments of sandwiches and drinks were served to the following visitors and members: Mrs. H. T. Rea, Miss Myrtle Rea, Mrs. M. M. Shirley, Mrs. L. H. Grant, Mrs. E. H. Watson, Mrs. R. B. Spruill, Mrs. A. O. Wines, Mrs. J. W. Molloy, Mrs. C. Vandeventer, Mrs. H. H. Wines, Mrs. A. W. Molloy, Mrs. J. L. Sullivan, Mrs. A. Dutton, Mrs. C. A. Regan, Mrs. E. W. Pate, Mrs. Ruby Howard, Mrs. R. H. Rea, and Miss Laura Crawford.

Mrs. O. F. Washam arrived from Wichita Falls Sunday to spend this week in Memphis with her father, C. D. Ardery.

Mrs. Myrtle Wood left Wednesday for Fort Worth where she will take a course in beauty culture.

Mr. and Mrs. Sam Cowan and children have returned from Denton where Mr. Cowan worked on his master's degree at the North Texas State Teachers College.

Mary Sue Huckaby is spending this week visiting with her aunts, Mrs. J. S. Edwards and Mrs. Ruth Grundy in Hedley and Amarillo. Miss Mary Cosby and Miss Mary Helen Nelson spent last week-end in Childress as the guests of Miss Charlene Hickman. Miss Mae Simmons of Bowling Green, Ohio, visited in Memphis this week with her sisters, Mrs. Jess Foster and Mrs. G. C. and Mrs. S. D. Posey.

## Entertainments Are Given By Harold And Lewis Foxhall

Honoring Miss Dorothy Kelly of Lubbock, house guest of Mrs. John Deaver, Lewis and Harold Foxhall entertained with a dance at the Memphis Country Club Friday evening. Miss Kelly formerly resided in Memphis.

Delightful punch was served during the evening of entertainment by Mrs. Deaver, and dancing was enjoyed until a late hour. Guests attended the late-summer social from Memphis and nearby towns. About 40 were present.

On Tuesday evening a newly-constructed cottage at Brookhollow Club Lake was the scene of a steak supper and dance given by Lewis Foxhall.

Swimming and boating were enjoyed by the guests before the delicious steak supper, prepared by Mrs. John Deaver, Harold Foxhall, and Miss Jeanette Watson, was served.

Dancing was enjoyed by Misses Jerry Watson, Betty Dale West, Nell Walker, Martha Draper, Lois Sager of Childress, Mr. and Mrs. Jack Sitton, Guthrie Bennett, Gayle Greene, Cearley Read Knard, Edwin Thompson, and the host, Mr. Foxhall.

## NOTICE OF MEETING

The West Ward P.-T. A. will meet in the West Ward Auditorium Thursday afternoon, September 9, at 3:15 o'clock for their first meeting of the new year on their regular monthly meeting date.

## NOTICE OF MEETING

The executive board of the local P.-T. A. organizations will meet Friday morning, September 3, at 9 o'clock in the High School building. All officers are urged to be present as plans for the new year are to be discussed.

Mrs. A. T. Young and daughter of McLean and Mr. and Mrs. Lesley Hawkins of Devine are here this week at the bedside of their mother and grandmother, Mrs. J. F. Hawkins, who is seriously ill at her home in north Memphis. Mr. and Mrs. Sam H. Burleson arrived from Dallas Monday to make their home and are at home at the Offield Apartments at 601 South Seventh street. Mr. Burleson will be salesman with the West Texas Utilities Co.

## World Wide Rodeo Honors Will Rogers

COLORADO SPRINGS. — The beautiful Will Rogers Shrine of the Sun is to become one of the most unique singing towers in the world. Spencer Penrose, who has built the granite memorial on Cheyenne mountain, half a mile above the Broadmoor hotel, is now having installed an elaborate system of Westminster chimes and vibra harp which can be operated automatically or through a console on which concerts can be given. The singing tower will be in readiness for formal dedication of the shrine on September 6. Almost two years have been required to complete the memorial. Friends of the late Will Rogers from all corners of the nation are preparing to be present for the dedication. Special trains from California, Texas, Oklahoma, Kansas, Missouri, and Illinois are to carry thousands to the shrine for the dedicatory service to be held at 11 a. m. on September 6—Labor Day. Because Will Rogers was the dean of cowboys, a world-wide Will Rogers Memorial rodeo will be held September 4, 5, and 6 on the Broadmoor Hotel polo grounds, just below the shrine. The opportunity to memorialize Will Rogers in the rodeo arena is attracting the world's leading cowboys. The Pike's Peak Polo association is offering handsome trophies and \$15,000 cash prizes.

## How CARDUI Helps WOMEN

Cardui is a purely vegetable medicine, found by many women to ease functional pains of menstruation. It also helps to strengthen women, who have been weakened by poor nourishment, by increasing their appetite and improving their digestion. Many have reported lasting benefit from the wholesome nutritional assistance obtained by taking Cardui. If you need help like this, get Cardui at the nearest drug store, read the directions and try it.

## SCS Camp Superintendent Suggests Study of Land After Recent Rains

The slack period following the recent rains within the next few weeks will afford every farmer an opportunity to check on erosion costs on his land, says E. McBride, camp superintendent of the Soil Conservation Service Camp located at Memphis.

Farmers co-operating with the Service, he explains, are watching closely the results of various conservation practices, such as terracing, contour tillage, strip cropping, controlled grazing, pasture furrowing and other soil and moisture conservation methods, as reflected in crop yields and animal weights.

In a similar manner, Mr. McBride points out, returns from land not treated may be studied and some indication received as to whether there is a relationship between decreasing yields and soil and water losses.

Thus the yields on sloping fields are compared with those on level fields of similar soil type and other factors, to see if water and top soil have been lost and brought down the yield. The farmer likewise may find it revealing to examine the condition of the soil on spots in his fields where his crops were poor, or to inspect his pasture where the stock has not held up in weight as should be expected.

The important thing, Mr. McBride says, then is to plan remedial measures for the next season. Where run-off water is resulting in reduced yields, terraces may be constructed and contour tillage adopted. Strip crops may be planned to stabilize the soil against wind and water erosion, or pasture furrowing may be done to improve the grass.

## BIRTH ANNOUNCEMENT

Mr. and Mrs. John R. Sullivan of Los Angeles, Calif., announce the arrival of a 9-1-2 pound daughter, born August 26. The baby has been named Johnnie Jo for its father and grandfather Joe Colvin.

## 1913 Study Club Has Garden Party For First Meeting

A Garden Party was the scene of the first meeting of the new club year for the 1913 Study Club which was held in the flower garden at the home of Mrs. T. J. Dunbar Wednesday afternoon, with Mrs. Byron Baldwin acting as co-hostess.

A business session presided over by the president, Mrs. Baldwin, preceded the program.

Garden Poems were given as roll calls. In the president's address, "Objectives for the Year," Mrs. Baldwin told of her aims for the new year. "Exploring the Map of Latin America" was given by Mrs. Carl Harrison which proved very interesting and instructive. In her talk she used small flags representing the different countries and a large map of South America to point out the main historic places. "The Two Americas," a poem in blank verse, was given by Mrs. M. Neely.

The hostesses served a delectable salad course to Mrs. O. R. Carter, Mrs. M. J. Draper, Mrs. Leslie Foxhall, Mrs. H. J. Gore, Mrs. R. S. Greene, Mrs. T. M. Harrison, Mrs. Carl Harrison, Mrs. Jessie Jones, Mrs. D. L. C. Kinard, Mrs. M. McNeely, Mrs. Margaret Morgan, Mrs. H. E. Tarver, Mrs. M. G. Tarver, Mrs. R. C. Walker, Mrs. Ingram Walker, Mrs. J. P. Watson, Mrs. G. D. Beard, Mrs. Bertha Carter, members; and Mrs. G. R. Sensabaugh of Raymondville, and Mrs. Gilbert Childers of Dalhart, guests. Plate favors were small wooden ships to represent the first ship of the discovery of America.

Mrs. W. Fitzjarrald of Hollis and her daughter Mrs. Warren McCullough of Los Angeles spent Wednesday in Memphis as the guests of Dr. and Mrs. J. W. Fitzjarrald.

Miss Zady Belle Walker left Thursday of this week for Charlotte where she will teach art in the public school. Miss Walker recently resigned as art teacher in the Memphis schools.

# Woman's Culture Club Holds First Meeting of Year

The Woman's Culture Club had its first meeting of the year with Mrs. C. Z. Stidham Wednesday afternoon.

During the business session the president, Mrs. R. L. Madden, appointed Miss Vera Gilreath as second vice president, and Mrs. T. B. Rogers press reporter.

The quotation from Humboldt, "The fruit desired from labor is the sweetest of pleasure," was read by the secretary, Mrs. J. A. Whaley. "What I will contribute for success of the club this year" proved interesting.

The afternoon was devoted entirely to business with the exception of a short address by the president, outlining the aims and ideals of the club year.

During the social hour the hostess served a most refreshing salad plate to the following members: Mrs. R. E. Clark, Mrs. Roy Fultz, Mrs. C. L. Hamrick, Mrs. R. L. Madden, Mrs. D. J. Morgensen, Mrs. J. H. Norman, Mrs. T. B. Rogers, Mrs. George Sexauer, Mrs. J. C. Wells, Mrs. J. A. Whaley, and Mrs. W. L. Wheat.

# Atalantean Club Has First Meeting On Wednesday

Mrs. H. B. Estes was hostess for the Atalantean Club Wednesday afternoon for the first meeting of the 1937-38 club year.

Roll call—Quotations on Friendship by the members proved interesting. The president, Mrs. S. L. Seago, chose for her address, "Today's Opportunity," which was forcefully presented. An imposing list of achievements was named during her talk. "How to Win Friends and Influence People" was given in a panel discussion by Mrs. D. A. Neeley, Mrs. Burton Shannon, Mrs. C. W. Kinslow, and Mrs. Guy Smith and was unusually interesting. A vocal duet by Mrs. Sam Hardy and Mrs. N. A. Hightower concluded the program.

The hostess served refreshments to Mrs. J. A. Anthony, Mrs. Ralph Bennett, Mrs. W. S. Bennett, Mrs. Troy Broome, Mrs. W. C. Dickey, Mrs. Sam Hardy, Mrs. N. A. Hightower, Mrs. F. A. Hubbell, Mrs. C. W. Kinslow, Mrs. John Loftland, Mrs. J. Wm. Mason, Mrs. D. A. Neeley, Mrs. R. E. L. Pattillo, Mrs. Frank Phelan, Mrs. S. L. Seago, Mrs. Burton Shannon, Mrs. Guy Smith, and Mrs. C. R. Webster, members, and Mrs. J. Emory Barton of Denton, and Mrs. Guy Hamilton of Corsicana, guests.

Miss Anna Bell Perkins arrives today from Ruidoso, N. M., where she spent the summer months. She is Spanish and English teacher in the Memphis high school.

Mrs. Bess Pendergrass returned Wednesday from Wichita Falls where she spent a week on account of the serious illness of her sister, Mrs. Wilks.

Mr. and Mrs. George Hillis of Lesley were Memphis visitors Wednesday.

Mr. and Mrs. Emory Barton arrived from Denton Saturday and are spending this week here with her parents, Mr. and Mrs. C. R. Webster.

Mrs. Guy Hamilton of Corsicana came Monday and is spending this week in Memphis as the guest of her cousin, Mrs. C. R. Webster.

# SIDELIGHTS

By Marvin Jones

The session of the Congress which adjourned recently enacted more major farm legislation than any other session of Congress in the history of the government. Among the more important ones are:

1. Extending the operation of the present Soil Conservation Act to 1942.
2. Agricultural Marketing Agreement Act. This probably affects more farm products, in value, than any other measure that has been passed.
3. Farm Tenant Act.
4. Reduction of interest on Land Bank Loans.
5. Perishable Agricultural Commodities Act.
6. Great Plains Drought Act.
7. Farm Credit Act of 1937.
8. Crop Loans for 1937.
9. Cotton Classification.
10. Provision to destroy grasshoppers.
11. Extension of Commodity Credit Corporation.

The agricultural production of America is vast and far-reaching. More than 200 different agricultural commodities are produced in this country. The total income from the sale of these commodities is about \$9,500,000,000 per year.

We are now endeavoring to work out general farm legislation. It is difficult for this to be done in a way that is fair to all sections.

For instance, the Farm Bureau presented a bill which on its face sounds well, but in reality it would be utterly unfair to our section. Under its terms, the corn growers would receive nearly as much in total payments as would the producers of wheat, cotton, rice, and tobacco combined. This hardly seems fair to some of the Representatives from these latter areas.

Contrary to some reports, the President has not endorsed the Farm Bureau bill.

The President and the Director of the Budget have indicated that the most the farmers could hope to have appropriated for a farm program would be about \$500,000,000 per year. This would mean if this bill were enacted that farmers could not hope to receive more than half the amount they would be promised, or 50 cents on the \$1. I agree with most of those who have studied this question that any promise made by the government should be lived up to.

Then, too, the Farm Bureau bill would be very unfair to our country in that it would allot production on the basis of the ten-year average of the years 1927-1936, inclusive. As these years include the great drought years, it would be unjust to the Great Plains area.

Another provision that would have to be greatly changed in order to be practicable is the provision in the Farm Bureau bill for so-called production "control." As a practical matter it is no control at all. It provides an allotment to farmers; then permits the farmers to sell any amount in excess which they produce, but requires the United States District Attorney to file suit in the federal court for approximately \$40 per bale on cotton, 50c per bushel on wheat, and 40c per bushel on corn as a penalty for the sale of the excess production.

In many parts of the Old South where there is a high percentage of tenancy and about one-half the farmers are colored, and also in certain other sections of the United States where there is a high percentage of tenancy, many feel that these suits could not be collected and that therefore the "control" would break down. It would be particularly hard on our country because judgments could be collected against a much larger number of farmers in our section than could be collected in many other areas.

These are just a few of the objections to that measure.

I have found that we must be particularly careful to see that our section is not discriminated against. Many will remember the tremendous amount of work that we had to do a few years ago to get a proper allotment of wheat production in our section.

The Committee on Agriculture is endeavoring to work out a real farmers bill, taking the best provisions of the Farm Bureau bill and eliminating the objectionable ones. Then, too, we have added a number of new features. These include:

1. A reduction in payment to the larger farmers on a graduated scale so as to make larger payments available for the small, individual farmers.
2. Provision for research laboratories in each of the major agricultural producing areas.
3. A provision authorizing the Secretary of Agriculture to apply to the Interstate Commerce Commission for reduction in freight rates on farm products.

The President of the United States has done much for the farmers of America, and the Committee is working out a measure in harmony with his views. It will be truly a farmers' bill.

# Memphis Receives .30 Inch of Rain

Cooling showers fell over Memphis and vicinity early Thursday morning of this week, and the light rains are expected to aid late cotton of the sector materially.

Thirty hundredths of an inch of precipitation was received in Memphis, according to J. J. McMickin, official weather bureau observer.

This section received only spotted light rains this week, and no heavy precipitation was reported to The Democrat.

# No Changes Here In Dove Hunting

No changes in the state laws regulating the shooting of doves have been announced for this section, despite considerable talk to the effect. Dove season opened here on September 1, and will continue through October 31.

The bag limit for doves is 15 a day, and not more than 45 a week. It is a violation of the law for any person to have in his possession more than this amount. It is also a violation of the law to shoot any kind of game from an automobile or any vehicle, or to shoot from a public road. This includes highways and all roads maintained by the county.

It is a further violation of the law to shoot any migratory bird with any kind of rifle, and if an automatic or pump is used, the hunter must have his gun so plugged as not to hold more than three shells at a time.

Mrs. T. E. Rogers and children, Thomas and Louise, returned Sunday from a visit with relatives at Sudan. Mr. Rogers went for them and spent the day.

Chas. Oren went to Childress Sunday to attend the Optometry study class held in the office of Dr. Basil Noble.

Mrs. Hollis Boren and children, Jackie and Bill Joe, and Mrs. Boren's sister, Mrs. C. A. Hightower of Brice went to Ballinger Tuesday for a visit with their father and grandfather, Rev. M. C. Golden. They went from there to Iraan to visit with Mr. and Mrs. Billy Morrow.

# COUNTY'S WPA LABORERS MAY BE ALLOTTED TO CONSERVATION WORK

All Works Progress Administration labor in the county may be dispensed with in the next few months to permit the WPA to place additional workmen on the water conservation work that has been outlined for the Panhandle.

This decision was reached at a citizens' meeting in the county commissioners' courtroom Wednesday afternoon, the citizens having been called to meet to hear the commissioners' court's stand on the water conservation matter.

The court will instruct district Works Progress Administration authorities that the county will be willing to release all laborers from county-sponsored projects on water conservation work. The court will draw attention, however, to the fact that this action does not mean that the court is dismissing laborers from state-sponsored projects.

It is possible that the state will want WPA laborers from Hall County to work on the state highway that is to be constructed from Highway 4 west to connect with Highway 5 near Memphis, Judge M. O. Goodpasture, head of the commissioners' court, pointed out.

Approximately 20 citizens of the county met with the court Wednesday afternoon and discussed the WPA labor situation. In agreeing to give up the WPA labor, the court stated that it felt that all present WPA road work would be completed in the county by the time the men were needed elsewhere. The county roads could be maintained almost as economically without the WPA labor, it was said, as more machinery and fewer men would be used.

Mr. and Mrs. H. B. Sams and son Herbert Jr. returned first of the week from their vacation and are now at home at the J. P. Montgomery residence in Memphis Heights.

Miss Nelma Bishop is leaving today for Paducah where she will teach in the Paducah school again the coming year.

Mr. and Mrs. Otho Fitzjarrald returned Monday from a visit with relatives at points in East Texas.

Miss Ruth Pendergrass left Thursday for Lubbock where she will teach in the primary department of the public school again this year.

Mrs. Ed Blanks and Mr. and Mrs. W. C. Wyatt of Lakeview were visitors in Memphis Wednesday.

# Commissioners Set County Liquor Levy

Hall County commissioners voted a tax on whiskey permits at the called meeting of the court here Wednesday. The county tax was set at half of the amount levied by the state on all medicinal liquor permits. There have been four drug stores in the county to apply for new liquor permits, two at Turkey and two at Memphis.

Other than setting the liquor levy, the commissioners canvassed the returns of the recent special election on the state amendments.

# Barbecue Given By J. M. Crews Friday For CCC, SCS Men

Forty men from the Memphis CCC camp, E. McBride, C. A. Robinson, A. B. Chapman, Horace Walker, and C. W. Munger of the SCS force here, and R. C. Nelson and P. C. Bennett of the SCS headquarters in Amarillo were treated to a barbecue on the J. M. Crews ranch in Childress County last Friday afternoon by Mr. Crews.

Barbecued beef with all the trimmings were served. The CCC and SCS men are doing considerable work on the Crews ranch. A spring development project is providing Mr. Crews with 100,000 gallons of water a day. He will use the water for stock purposes and to be piped to the ranch headquarters.

Mr. and Mrs. Marshall Stone of Hedley were Memphis visitors Tuesday.

Mr. and Mrs. W. C. Chapman and son Cullen moved Wednesday from the Roberts apartment house to the Fitzjarrald apartment on Brice street.

Mrs. Frank Solomon and daughter Cecile LaVerne of Newlin visited in Memphis Wednesday.

Sheriff and Mrs. Guy Pierce of Clarendon visited in Memphis Sunday.

Mrs. Robert Boston of Altus, Okla., spent Sunday here with her mother, Mrs. D. H. Arnold.
