MEMPHIS, HALL COUNTY, TEXAS, FRIDAY, NOVEMBER 20, 1936

FIVE CENTS

NUMBER 22

Recommendations Are Made On Farm Plans County Committee

MEMPHIS, Nov. 19.—The county committee on farm plans, after a session last night, recommended that the proposed program, the first of the county's conservation program, be put into effect as soon as possible.

The committee, which is headed by the county judge, J. G. Chancey, and includes the county clerk, J. H. Treadwell, and the county auditor, J. H. Treadwell, also recommended that the county should be divided into districts for the purpose of carrying out the program.

The committee also recommended that the county should be divided into districts for the purpose of carrying out the program.

The committee also recommended that the county should be divided into districts for the purpose of carrying out the program.

W. F. CAVES IS DEATH VICTIM HERE NOV. 14

Widow, Three Small Children Survive Memphis Man

William Franklin Caves, 28 years of age, died at his home just outside the city limits on State Highway No. 5 Saturday morning, November 14, at 10 o'clock, following a three-week illness of pneumonia.

Funeral services for Mr. Caves were conducted from the first Baptist Church of Memphis Sunday afternoon at 3 o'clock. The final rites were spoken by Rev. J. H. Treadwell, who was assisted by Rev. E. J. Evans, both of Memphis.

Funeral services were held at the home of the deceased at 10 o'clock Sunday morning. The services were conducted by Rev. J. H. Treadwell, who was assisted by Rev. E. J. Evans, both of Memphis.

CHICAGO YOUTH IS JAILED HERE

19-Year-Old Chicagoan Caught After Automobile Stolen From Memphis Streets

Douglas Williams, a 19-year-old Chicago youth, has been lodged in the Hall County jail in connection with an automobile theft from the Memphis business square Monday morning of this week.

Williams was arrested at Quannah Monday, after local officers sent out reports of the theft. Sheriff Colvin went to Quannah Tuesday morning and returned the youth here to face the car theft charges.

Williams, it is claimed, drove off a Bergman Produce Company car from where it had been parked on a Memphis street. Frank Hooks, the salesman, left the car and went into the Crawford Grocery, and when he returned the car was missing. He immediately notified officers, who sent out reports of the theft.

CONDUCT LIQUOR RAIDS SATURDAY

Raymond Ballew, Amos Park Pay Fines After Caught By State, County Men

Two liquor raids were staged in Memphis Saturday night by Hall County officers and operatives from the State Liquor Board, and two men were arrested and an undetermined amount of whiskey and beer confiscated.

The business establishments of Raymond Ballew and Amos Park were raided, and Ballew and Park were arrested. A quantity of beer was confiscated at Ballew's place, local officers said, and a charge was entered against him for the illegal sale of beer. Ballew pleaded guilty and paid a fine amounting to \$45.45.

TO POST NAMES OF PENSIONERS

November Checks For Pension Recipients To Be Mailed Within Next Few Days

A complete list of all persons within Hall County receiving old age assistance checks and the amount of each person's check for the current month will be posted in the county clerk's office here beginning early in December, district officials for the Texas Old Age Assistance Commission have announced.

This is one of the provisions of the new old age assistance law adopted at the special session of the legislature, it was explained. The first list will probably be received by County Clerk Floyd Springer from the state old age pension headquarters about December 5.

Orville S. Carpenter, acting director of the Texas Old Age Assistance Commission, has stated that neither applicants nor recipients now on the rolls would have to file new applications under the new pension statute.

"The original application will be sufficient for everyone who has previously filled out one of these forms," Carpenter said. He added that the commission had received a number of "second" applications.

RED CROSS MEMBERSHIP QUOTA NOT REACHED IN HALL COUNTY

"We are approximately 90 members below our quota as set by the state Red Cross organization," Zeb A. Moore, Hall County Red Cross Roll Call Chairman, stated this week, "and it is necessary for all public-spirited citizens in the county to assist in the drive now in progress if we are to come up to our quota."

Those who wish to pay the one-dollar membership fee and affiliate themselves with the Red Cross organization, or those who wish to make contributions to the Red Cross should contact their community roll call chairman, Mr. Moore said.

Following is a list of the community roll call chairmen: Memphis—Olin V. Alexander. Estelline—R. E. (Tim) Moore. Newlin—Mrs. Fred Hemphill. Parnell—Miss Lola Winn. Turkey—C. E. Edgar. Weatherly—J. B. Lewis. Lakeview—Mrs. Del E. Wells. Lealey—Herbert L. Gipson. Brice—J. W. D. Chappell. Plaska—Edgar R. Foster.

Mr. Moore announced that Plaska is the first community in Hall County to reach its cash quota as set by the Red Cross. However, the community has not quite reached its membership quota.

L. C. Linn of Memphis, who is in charge of the Junior Red Cross drive, is asking all school rooms in

SEVERAL HUNDRED ATTEND OPEN HOUSE OF CCC CAMP HERE SUNDAY

Several hundred citizens of Memphis, Hall County, and surrounding territory visited the Memphis Civilian Conservation Corps Camp No. 1821 last Sunday afternoon when the local CCC unit held its first "open house."

Residents of this section were guests of the camp at the invitation of Commanding Officer Capt. Oscar P. Houston Sunday afternoon and were conducted about the camp grounds by guides. The visitors were given explanations of the work done by the Memphis CCC camp by the enrollees.

MAN IS SHOT BY 'HIJACKER' HERE MONDAY

Officers Search For Hobo Who Wounded Man In Stick-Up

A transient from Tennessee who gave his name as Conner was shot in the left leg just above the ankle by a would-be "hijacker" on a northbound freight train a short distance north of Memphis Monday morning of this week at about 9 o'clock.

Conner told Hall County officers that he and an unknown "hobo" were occupying an empty boxcar of a freight train, when the "hobo" suddenly pulled a gun on Conner and demanded that he "stick 'em up."

The Tennessee man complied, and the other began searching him. Conner said that they were standing in the center of the car near the door and that he attempted to shove the "hobo" out the door.

The robber managed to catch on the door and keep from falling to the ground, and immediately shot Conner, the bullet entering the left leg above the ankle and coursing downward.

As soon as he was shot, Conner jumped from the train. A section gang was working nearby, and the injured man was put aboard a hand-car and carried to a Memphis hospital, where first aid was administered.

As the shooting occurred in Donley County (about four miles north of Memphis), the man was carried to Clarendon shortly and

Large Crowds Attend Educational Programs At Schools Here Friday

Part Of County's Turkey Growers Refuse To Sell

Several turkey growers of Hall County decided to let their roosters supplant their birds on the Thanksgiving Day tables this year, rather than sell their turkeys at the low price of 10 cents per pound.

The Thanksgiving market has already closed here. Local produce dealers were able to get enough turkeys to make their shipments, but a number of raisers of this section decided to hold their flocks until the Christmas market comes up.

In view of the high prices of pork and beef, turkey raisers claim that they should get at least 16 or 17 cents per pound for their flocks.

LOCAL BAPTIST CHURCH NAMES NEW MINISTER

Rev. J. W. Mason Of Pearsall Will Take Position Dec. 2

Rev. J. William Mason of Pearsall will arrive in Memphis with his family on Wednesday, December 2, to assume his duties as pastor of the Memphis First Baptist Church.

The Rev. Mr. Mason wired the local church's board of deacons Tuesday morning of his acceptance of the Memphis Baptist pastorate.

The local Baptist Church had voted Sunday morning to call Rev. Mason, after numerous Baptist ministers had been heard through the late summer and fall in an attempt to fill the vacant pulpit. Rev. O. K. Webb left the Baptist Church here last summer to accept a pastorage with the Calvary Baptist Church of Morgantown, N. C.

Rev. Mason preached at the local church Sunday, November 7. For the past two years Rev. Mason has been pastor of the Pearsall Baptist Church, near San

PAMPA RESIDENT HURT IN MISHAP

Jet Brumley, Former Memphis Man, In Wreck Near Here Last Sunday Evening

Jet Brumley, prominent Pampa business man and a former resident of Memphis, was painfully injured in an automobile accident a short distance north of Giles last Sunday night about 7:15 o'clock when his automobile turned over into a ditch at the roadside.

Mr. Brumley received treatment in the Clark Hospital here, where he was carried after the accident occurred.

The mishap took place when Mr. Brumley, going at a fast clip, attempted to pass a car, both traveling toward Memphis. As Mr. Brumley rounded the car, he met another automobile. He put on his brakes and was thrown into the ditch at the side of the highway.

WELL KNOWN ATTORNEY OF MEMPHIS DIES

David Fitzgerald Of City Is Buried At Arlington Nov. 15

David Fitzgerald, prominent Memphis attorney and member of the Hamilton and Fitzgerald law firm, died in a Memphis hospital Saturday night, November 14, at 8:50 o'clock. He was 44 years of age.

Funeral services for the well known Memphis barrister were conducted Sunday afternoon, November 15, at 3:30 o'clock from the First Presbyterian Church of Memphis, with Rev. E. C. Cargill of Seymour and new pastor of the local Presbyterian Church officiating. Rev. Orion W. Carter, Memphis Methodist Church pastor, assisted with the funeral rites.

The Charles R. Simmons Post of the American Legion, of which Mr. Fitzgerald was a member of long standing, had a part in the funeral services.

Pallbearers for the occasion were W. J. Bragg, John O. Fitzgerald, John Deaver, C. Land, Sam J. Hamilton, and Allen C. Grundy, all Memphis attorneys. Honorary pallbearers were J. M. Elliott, Judge R. H. Templeton of Wellington, W. T. Link, and R. Y. King of Clarendon.

Those in charge of the floral offerings were Mrs. Conly Ward, Mrs. H. B. Estes, Mrs. T. E. Noel, Mrs. Allen Grundy, Mrs. B. Atchison, Mrs. Ira Foster, Mrs. Durwood McCool, Mrs. C. D. Denny, Mrs. Craig Hunter, and Miss Jewel Keenan.

Following the services here, the body was taken to Arlington, accompanied by close relatives and friends, where further funeral rites were conducted by Rev. John R. Patterson, pastor of the Arlington First Presbyterian Church, who was assisted by Dr. S. M. Bennett, Arlington Presbyterian minister. Burial was in

(Continued on page 5)

Bond Issue Of Brice School to Be Refinanced

The Brice Common School District No. 12 is now refunding its bond issue, following approval of the measure by the A. C. Hughes Estate, Denver, owners of the original issue of \$12,000. The amount now outstanding on the bonds is \$10,500, as three of the \$500 bonds have been taken up by the school. The original issue was to have been paid off in 40 years, with a 20-year option.

Application for refunding the issue to the State Permanent School Fund has been presented by an Austin company in behalf of the Brice school to the State Department of Education. The state school board met yesterday (Thursday) to consider the matter, but its decision will not be made known here for a day or two yet.

Purpose of the refunding is one of economy. By refinancing the issue, a considerable sum of money can be saved in interest each year. The present interest rate is 6 per cent, and if the state takes over the bonds the interest rate will be either 4 per cent or 4 1/2 per cent.

Interest on the bonds now amounts to \$630 per year, and at

The most successful school affair to date of the current school year was presented last Friday night at the Memphis High School, the Memphis Junior High School, and the Memphis West Ward School in observance of "National Education week."

Several hundred persons attended the educational programs presented at the three schools and gained first-hand knowledge of the curricula and teaching methods employed in the local institutions.

Acting on an appeal made by faculty members, the student body, and the local school board, Memphis townspeople literally swarmed the three buildings to see the exhibits, the classes at work, and to attend the mass programs.

Faculty members and students served as guides to conduct the many visitors about the buildings and into the various class rooms, where classes went through their work in order to give the parents and other visitors an accurate conception of the work being done at the three schools.

Lectures, demonstrations, and musical entertainment were offered at the programs given in the High school auditorium, the West Ward auditorium, and the Junior High auditorium.

Students whose parents attended the exercises were given points to be applied on their six-weeks grades, as the faculty believes that it is worth much to the student for his parents to understand the school program.

The programs were under the direction of the school principals, H. J. Gore, L. C. Linn, and Mrs. H. B. Estes, and under the general supervision of Supt. W. C. Davis.

The schools this week received a letter from the local board of trustees, complimenting the schools on their success in the observance of "National Education Week."

COLLEGE BAND IN CONCERT HERE

The West Texas State Teachers College band from Canyon will present a band concert at the Memphis High School Auditorium Wednesday morning, Nov. 25, at 11 o'clock.

The program is sponsored by the Memphis High School band. Admission will be 10 cents. Proceeds go to the band fund.

If the refunding plans go through, the money saved on the interest will be used to make long needed repairs on the Brice school building. A federal Works Progress Administration project is now being worked out by Bud Gresham of Lubbock, Brice school officials, and County Supt. Vera Gilreath whereby the Brice school will furnish part of the materials and the WPA will furnish all labor and a part of the materials for the work to be done.

Present plans call for a new roof to be built on the school building, inside plaster work to be done, new outhouses to be built, and the campus to be landscaped. The total expenditures will be from three to four thousand dollars.

Miss Gilreath, J. W. D. Chappell, head of the Brice school; V. E. Waldrop, Cal Holland, and W. H. Lemons, trustees, went to Lubbock recently to confer with Works Progress Administration officials in regard to the proposed project.

The Voice of the People

Editor's Note—This space is open to all readers of The Democrat for the purpose of expressing their opinions on any and all subjects. All signed letters will be reprinted here upon request, so long as they carry clean, unbiased material. The following should be considered as the opinion of the writer, in no manner reflecting on the editorial policies of this newspaper.

I am an old man and I would like to give my idea concerning the old age pension.

No, I don't believe in the Townsend pension. It is not just to the mass of people. Neither can I see why an old person should have or want help if they own two or even one thousand dollars worth of property. Why not sell the property and live on it until it is all gone, then apply for a pension? For we can't take anything with us when we are called away.

Some might say, what about the children taking care of the parent? That is OK if the children are able and willing. But my opinion is there is where the most and biggest mistakes are going to be made. There are some seemingly who are doing well, to judge by their surroundings, yet perhaps they are behind with their taxes and interest on what they owe. That being the case, old Dad or old Mother would be clear of letting their wants be known; and there are some few who wouldn't take care of their parents, though they were ever so able, but I am glad to say there are very few of that kind of people in our part of the world.

Jimmie Allred claimed the old age pension was his "baby." Well, he stepped into the legislative hall this last called session and gave the little fellow a sound spanking, and I think he is a little rarer from the spanking. Now, if Jimmie will just rub on the soothing oil of stingygreen the little fellow will soon be able to play with his toes.

H. T. STURDIVANT.

TAL KNOX IMPROVING

Tal Knox, Memphis man, is improving rapidly in a Memphis hospital from the effects of a bullet wound received in a pistol altercation here Saturday night, November 7.

Harry Delaney spent Wednesday in Amarillo on business.

TEACHERS WILL ATTEND PARLEY

County Instructors To Hear Gov. Allred At State Meet In Fort Worth Next Week

Almost every common and independent school teacher in Hall County and a large number of the school trustees will leave Wednesday night or Thursday morning of next week for Fort Worth, where they will attend the annual convention of the Texas State Teachers Association.

There will be more teachers and trustees to attend the TSTA meeting this year than ever before, it has been said.

Governor James V. Allred will address the teachers' meeting, and the array of widely-known speakers will include State Superintendent of Schools L. A. Wood, and J. Frank Norris, Fort Worth minister. Numerous national school figures will attend the meeting to make addresses.

For the first time in history all of the rural school teachers and rural school trustees of Hall County are affiliated with the Texas State Teachers Association. All of the school teachers of the independent schools of the county—Estelline, Turkey, Lakeview, Lesley, and Memphis—are members of the state school organization.

Miss Vera Tops Gilreath, Hall County superintendent of public instruction, is vice-president of the county superintendent's division of the Texas State Teachers Association.

County Agricultural Agent R. E. L. Pattillo will attend a district meeting of county farm and county home demonstration agents in Panhandle today to discuss the county planning problems.

Several leading agriculturists of this section are expected to attend, and it is thought that the meeting will develop into a discussion of next year's probable federal farm program.

Call 15 for commercial printing.

Registration of WPA Workers Is Conducted Here

Several National Re-Employment Service workers from the Amarillo and Childress offices were in Memphis last week to assist with the re-assigning of all persons employed by the Works Progress Administration.

The assigning of WPA laborers to the various projects is to be shifted from the National Re-Employment Service organization to either county case workers or WPA supervisors, it was said.

Not all of those on WPA projects in Hall and Briscoe counties were re-registered last week, and another day for taking registrations will be set by the local NRS soon.

Frank Blevins is head of the Memphis NRS office, which serves employers and employees of Hall and Briscoe counties.

Plaska Negro Gets Song-Writing Note

Alva Dee Jackson, youthful Plaska negro, won honorable mention and a small cash prize in a nation-wide song-writing contest conducted in Hollywood, Calif., recently.

Jackson's song was entitled "Sunshine on the River." The young Plaska negro has written scores of song-poems, and one was accepted recently by the Radio Music Guild of New York. The song-poem will be set to music and offered on the market for sale about January 1, 1937.

"I am 17 years old, am the son of Levi and Virginia Jackson, who are now divorced, and live with my father on F. B. Spry's farm at Plaska," the youthful darky wrote.

"My ambition is to be a song writer, songwriter, and orchestra leader like such famous negroes as Duke Ellington, Cab Calloway, 'Fats' Waller, Louis Armstrong, and Jimmy Lunceford," he said.

Mrs. George Carter and son George Clark returned to their home in Lubbock Sunday after a few days visit here with her parents, Mr. and Mrs. F. V. Clark.

SCHOOLS AID IN CHURCH SERVICE

Educational Week Is Brought To Close With Religious Service Sunday Night

"Educational Week," observed by independent schools of the county and especially by the three Memphis schools, was brought to a close in Memphis last Sunday night with a religious service at the First Methodist Church.

The three schools of the city had a part in the services at the church Sunday night, and W. C. Davis, city school superintendent, gave an Educational Week address, explaining the curriculum learnings of the schools today. Mr. Davis spoke on "Our Changing Methods of Teaching."

The church was filled to near capacity, as scores of school children swelled the attendance. The Memphis High School band, under the direction of Bandmaster Melton Pullis, gave a concert before the services opened. The West Ward Rhythm Band and the Junior High Choral Club were in attendance in costume. Special sections were reserved for the school students.

Rev. Orion W. Carter, pastor, delivered his religious address along educational lines in keeping with "National Education Week."

Legion Launches Membership Drive

The annual membership drive of the American Legion was launched in Hall County this week, and efforts are being made to swell the membership of the post in Memphis and the post at Turkey.

Quota of the Charles R. Simmons Post here is 95 members, the lowest quota ever issued to the local unit.

"There are some 400 ex-service men in the county, and we would like to have every one of them join the American Legion," C. C. Dodson, local post commander and who is heading the membership-drive here, stated.

Suede hats, \$1.95. THE SMART SHOP.

Program Is Given By Childress Club At Rotary Meeting

The Childress Rotary Club presented the program for the Memphis Rotary Club luncheon Tuesday. Dr. T. L. Lewis, former member of the local club, had the program in charge.

Dr. Lewis presented Charles Dameron, principal of the Childress High School, and a former resident of Memphis. Dameron introduced the first number, which was a violin solo, "Under the Double Eagle," by James Harris, a pupil of Childress high school, accompanied by Mrs. Maggie Knight. Following the solo, R. J. Hodges, another pupil, made an interesting talk on how a bill may become a law in the State Legislature or in the national Congress.

Mr. Dameron gave an interesting discussion of "Citizenship." He believes that high school students of the present time think more seriously than many people believe concerning their duty as students and later as citizens of the community. They will take their place as citizens with soberness and a keen insight into the duties incumbent upon them as citizens, Dameron said.

ATTEND CHILDRESS MEET

Hayes O. Luna, J. M. Elliott, M. O. Goodpasture, Mrs. J. A. Whaley, Mrs. W. C. Milam, Mrs. J. A. Odom, Mrs. Clyde Milam and Miss Margaret Milam went to Childress Wednesday to attend the Panhandle Christian Churches Association in session there for the day. Eight cities were represented, including Memphis. Mr. Luna of the local Christian church gave the devotional at the morning session.

Mr. and Mrs. T. R. Easterling are spending this week in Wellington. Mr. Easterling is district court reporter.

Hall County Cotton Farmer Makes Over \$1,000 This Year From 14 Milch Cows

Mr. and Mrs. S. E. Williams, who are occupied in farming and who reside a short distance west of Weatherly, are cotton raisers who make their livelihood on the side by tending to a herd of cows. The Williams family has milked 14 cows this year, selling over \$700 worth of cream. They have used the "skim milk" to finish out 30 head of hogs. With the hogs marketing at about 200 pounds and bringing eight cents per pound, the Williams family gained some \$480 traceable to the cows. They have realized some \$1,180 from their 14 milk cows, they reported.

Two hundred and sixty acres of cotton is being cultivated by Mr. Williams, making in the neighborhood of a bale to every 10 acres. "I'll make more off my 14 cows than I will from my entire cotton crop this year," Mr. Williams told County Farm Agent R. E. L. Pattillo.

Mr. Williams grew his own feed and furnished his own pasture for his milk cows.

M. I.; his mother, Mrs. W. C. Scoggins of Memphis; three brothers, Arthur Caves of Murphys, Calif., Lawrence, and Dewey Caves of Tulsa; and three sisters, Mrs. Bessie Cockerham of Fort Worth, Mrs. Charlotte Ragsdale of Clarendon, and Mrs. Bertha Richardson of Memphis.

SALE CAMPAIGN IS ADVERTISED

Series Of Trades Days Here Will End December 16th; Thousands To Attend

The second advertising campaign of the current sales campaign being sponsored by the Memphis Chamber of Commerce and participated in by cooperating Memphis merchants was instituted last week-end.

The current series of "trades days" will close with a gigantic selling event here on Wednesday, December 16. Buyers from this entire section of the Panhandle are expected to flock to Memphis on that date.

CALL MRS. HUDGINS FOR HOLIDAY APPOINTMENTS

I am glad to be back at Greenhaw's Beauty Parlor and would appreciate very much your calling now for Thanksgiving appointments. Mrs. David Hudgins.

PERSONALS

B. E. Rushing of Childress was in Memphis Tuesday on business.

Dr. T. L. Lewis of Childress was a visitor in Memphis Tuesday.

Lee Vardy, superintendent of the Turkey school, and Chas. Russell of Turkey were business visitors in Memphis Tuesday.

Jet W. Brumley, who was injured in an auto accident near here Sunday, was taken to his home in Pampa Wednesday in a King Ambulance. Mrs. Brumley also returned home after being here with Mr. Brumley.

Mr. and Mrs. E. A. Thomas spent Sunday and Monday in Fort Worth where Mrs. Thomas went for medical treatment. They went by Denton and visited Mr. Thomas' father, J. H. Thomas.

C. R. Lemons, traveling for the Kahn Tailoring Co., called on the local dealer, Alexander & Ross, Thursday.

Miss Mary Noel returned Tuesday from a three-week visit with friends in Mineral Wells. She visited with Mrs. C. G. Crump in Wichita Falls a few days en route home.

Mrs. Ode McAbee was a visitor in Childress Wednesday.

Mr. and Mrs. George Springer, Floyd Springer, Mr. and Mrs. B. E. Davenport, Mrs. C. H. Bownds, Mrs. Henderson Smith, and Mr. and Mrs. N. A. Hightower went to Lakeview last Friday afternoon to attend the funeral of W. S. Dunn.

Herschel Montgomery spent Sunday at Shamrock with his parents, Mr. and Mrs. J. A. Montgomery. His brother, Harry Montgomery, Arizona State Manager for Associated Press, was there also.

Sheriff J. N. Colvin spent Wednesday in Amarillo on business.

Mr. and Mrs. C. L. Taylor of Carey spent Tuesday in Memphis and were guests in the home of Mrs. S. W. Black. Mr. Taylor is minister of the Church of Christ at Carey and taught the Bible Class at the local church in the afternoon.

Jim Roberts, traveling salesman for the Kell Mill and Elevator Co. at Lubbock, spent Wednesday here on business.

L. Bond of Childress was a business visitor in Memphis Wednesday.

Mr. and Mrs. Ray Martin spent Tuesday and Wednesday in Paducah with Mr. Martin's mother, Mrs. J. R. Martin.

Jehs Rosenwasser was a business visitor in Clarendon Tuesday. He was there in the interest of the Rosenwasser store.

Mrs. Omer Johnsey and son Omer Jr. went to Estelline Monday for a visit with relatives.

C. L. Caviness returned Tuesday from a two-week visit with his daughter, Mrs. Preston Bethel, at Conway, Ark., and on a hunting trip.

Jim Bob Brewer left Wednesday for Houston for an indefinite stay with his aunt, Mrs. Quinton Shelton. He plans to attend a business college.

Miss Inogene King is leaving tonight for Dallas to spend a few days there with her sister Mrs. C. H. Smith of Duncan, Okla., who is in Dallas for medical observation.

Mrs. R. L. O'Keefe of Tampa is here this week visiting her daughter, Mrs. Carl Periman.

Mrs. B. F. Denny, Mrs. C. D. Denny and Miss Lula Travis were visitors in Childress Thursday of last week. They visited with Mr. and Mrs. Carl Denny.

T. D. Weatherby left Wednesday on a business trip to Houston.

W. H. Youngblood of Brice spent Wednesday in Memphis on business.

Report from Mrs. W. L. Whelan, who is ill in the Quannah Clinic Hospital, is to the effect that she has not been doing so well this week.

C. A. Reynolds made a business trip to Muleshoe Monday, returning Tuesday. Mr. Reynolds has farm interests near there.

Miss Joyce Denson and Miss Peggy Leary of Estelline were visitors in Memphis Wednesday.

Roy McQueen is leaving today for Corpus Christi where he will be employed doing carpenter work.

Mrs. Mary Lee Finnis and Miss Johnnie Wilson spent Wednesday in Amarillo.

R. S. Greene made a business trip to Clarendon yesterday. Ewel Grundy of Estelline was in Memphis yesterday on business.

Mrs. Cecil McCollum visited her parents at Chillicothe from Sunday until Tuesday.

Bill Parker of Abilene was a business visitor in Memphis Friday.

Try a Democrat Want-ad.

growing more careless each day. Drivers, don't let DEATH have a chance to grin at you—drive carefully and save yourself from regret.

One thing about the depression party: everybody had an invitation and attended. Excuses didn't count.

How about getting uniforms for the members of the Memphis Gold Medal Band? An organization that performs such effective civic service should be equipped in keeping with its value to the community.

Those who attended the school parties last Friday night found that the Memphis schools are doing a great work in the community. Progressive methods are being used throughout the schools and the results speak for themselves.

Hold Funeral—

(Continued from page 1)

ber 16, 1884. Mrs. Dunn preceded her husband in death in 1923, and Mr. Dunn later re-married.

The deceased Mr. Dunn resided in Hall County for over a quarter of a century, living here continuously from 1905 to 1932.

Survivors include his wife and two small children, and the following children by his first marriage: Mrs. Lee Risinger, Arthur Lunn, Mrs. Claude Neely, Mrs. K. W. Wells, Charles Neely, Mrs. A. J. Nabors, Mrs. Ellis Veazy, and Floyd Dunn; and a brother, J. P. Dunn of Groom.

Among the out-of-town relatives and friends attending the funeral were Mr. and Mrs. Arthur Dunn and daughters Melvie, Wandu, Benny Frances, and Rena Blanche of Amherst; Mr. and Mrs. Charles Dunn of Lubbock, Mrs. Claude Neely of Amarillo, Mr. and Mrs. R. L. Risinger and daughters Charline and Billy Bob and grandson Corkey Smoot, Mr. and Mrs. K. W. Wells and children, Mary Frances, Jimmie Dell, and Weldon, and Floyd Dunn, Littlefield.

Mrs. W. S. Dunn and children and Mr. Peters of Olton, Miss Ruth Pendagrass of Amarillo, Mr. and Mrs. A. J. Nabors and daughter Fanny Sue of Cambridge City, Ind., and Rev. Ollie Apple of Petersburg.

lications, which were unnecessary and could not be considered.

Immediate re-investigations will be made of all recipients now on the rolls whose eligibility is doubtful under the "necessitous circumstances" clause of the new law.

Nearly 88,000 November checks will be released by the assistance commission within the next few days, and Hall County aged-needs may expect their checks within the next week, it was reported from Austin.

"We are now writing 1,500 additional checks this month," the director said. These are for aged needy individuals eligible under the new law who have not received their grants.

placed in a hospital.

Deputy Sheriffs John R. Turlington and Prentice Warden of Memphis and Sheriff Guy Pierce of Clarendon stopped the freight train and searched for the "hijacker," also searching the "breaks" near Giles, but no trace was found of the assailant.

Well Known—

(Continued from Page 1)

the Arlington cemetery beside the father of the deceased. King's Mortuary, Memphis, directed.

Mr. Fitzgerald became ill last Friday morning while en route to Memphis from Austin, where he had been on a law case. He was taken to a local hospital shortly after his arrival home and succumbed Saturday night. He had been in ill health for some time.

Mr. Fitzgerald was born at McKenzie, Tenn., on July 23, 1892. He and his parents resided in Tennessee and in Kentucky for several years, and in 1902 they moved to Waxahachie, Texas, where they lived until 1904. They moved to Arlington in 1904, and Mr. Fitzgerald attended Carlisle Military Academy there, graduating in 1909. He attended Missouri Valley College at Marshall, Mo., where he was graduated with a degree of Bachelor of Arts in 1913. He attended Lebanon Law School at Lebanon, Tenn., and was graduated in 1914 with a degree of Bachelor of Laws.

The same year he was admitted to the bar in Texas, and worked in a law office in Fort Worth until April, 1915. He became a practicing attorney in Memphis in 1915, and made his home here until his death. At one time he was City Attorney of Memphis.

Mr. Fitzgerald enlisted in the Army on April 26, 1918, at Memphis, serving in Camp Travis until April of the following year. He was a charter member of the local American Legion Post and was the first Post Commander of the Charles R. Simmons post.

Mr. Fitzgerald was married to Miss Grace Ogden of this city on February 2, 1936.

The deceased Mr. Fitzgerald had been a member of the Presbyterian Church since a child, having been converted at the age of eight years.

Immediate survivors of Mr. Fitzgerald are his wife, Mrs. David Fitzgerald of Memphis; his mother, Mrs. P. M. Fitzgerald of Memphis; and one brother, Rev. Gerald Fitzgerald of Sylvan Grove, Kansas.

Mr. and Mrs. Virgil Cameron of Tulsa visited his mother, Mrs. J. G. Cameron, here Saturday and Sunday.

MY LAST MESSAGE!

This is a sort of farewell message unless we meet again on the open road, you, racing along like mad . . . and I tracing and following you, always a step behind . . . ready to catch you at the right moment. The right moment occurs when you forget the speed you are making and defying all laws and regulations.

Now heed well the following:—Run like the wind. Pay no attention to the road. Cut corners. Speed up to the car ahead in a dangerous manner. Let your headlights grow dim. Take the wrong side of the road. And . . . by all means steer the car with one hand. Do not slow up at street stop signs—just keep going regardless of through-street traffic.

Then you will gratify your wish and meet me . . . quicker than you think . . . to stay with me forever. Forget the bright and sunny days and glorious nights. Cut yourself off from your family and friends. Forget that you have long years ahead of you and the happiness this world contains.

BEWARE! DON'T TAKE A JOYRIDE WITH DEATH!!

Singing Convention Will Be Conducted At Turkey Nov. 29

The Four County Fifth Sunday Singing Convention is to be held in Turkey Nov. 29 at the High School Auditorium.

The convention was originally called the Motley County Singing Convention, but has since invited Hall, Briscoe and Floyd counties to join, changing the name to the present one.

Everyone is invited to attend and bring a basket lunch as dinner will be served on the ground.

C. M. Lyles of Floydada is president of the convention and Earl Morrison is secretary.

Praise Services Will Be Held At Memphis Church

The regular annual Praise Service will be held at the First Presbyterian Church Friday evening, Nov. 27, at 7:30 o'clock.

An interesting program has been planned and the new pastor, Rev. E. C. Cargill, and wife will be present at the service.

The program will be as follows: Call to Worship, Mrs. Mamie Van-Pelt; song, Doxology, congregation; Devotional and prayer, Mrs. M. C. Ward; Thanksgiving poem, Mrs. Weston Hodges; vocal duet, Mrs. Gladys Power and Miss Pauline Ross; Thanksgiving talk, Mrs. E. C. Cargill; song, "Count Your Blessings," congregation; welcome address, John Deaver; response, Rev. E. C. Cargill; music, Presbyterian Men's Choral Club.

P. S. Mason, with the G. M. A. C. in Amarillo, was a business visitor in Memphis Wednesday.

Memphis Pastor Attends Church Meet In Dallas

Rev. Orion W. Carter, pastor of the Memphis First Methodist Church, attended the branch meeting of the National Preaching Mission in Dallas this week.

The Mission was held in 28 major centers of America, and smaller meetings are to be conducted later in the various communities of the nation.

"It is great to see different denominations united in this great move under the leadership of the Federal Council of Churches," Rev. Carter wrote. "It is a most practical and inspiring meeting, getting at the heart of true Christianity, with no regard to institutionalism. Thousands of people are crowding many churches at all hours of the day."

Dr. E. Stanley Jones of India, Bishop Ralph Cushman of Denver, Dr. Beavers of Rochester, Dr. Truett of Dallas, Dr. Ivan Lee Holt of St. Louis were among the outstanding speakers.

Mrs. Carter also attended the convention.

Autos Collide At 9th, Main Streets

An automobile accident occurred at Main and Ninth streets Tuesday night at about 10 o'clock in which none of the occupants of the two automobiles was injured but both cars damaged.

Miss Genevieve Prater was driving west on Main street and Orville Smith was driving south on Ninth street when their cars collided at the street intersection.

Social Security Act Is Put Into Force In City

Hall County post offices and postal units over the entire nation this week put into operation the United States Social Security plan that will set up for 26 millions of working men and women Social Security accounts which will enable millions of these workers to retire when they reach the age of 65 with a monthly income for life.

Post offices here and over the nation began Monday, November 16, the distribution to employers of a form known as the "Employer's Application for Identification Number." This form will enable the Post Office Department to know how many employees' application forms to deliver to each employer.

Then, beginning November 24, post offices will distribute to employees, through their employers, forms known as "Application for Social Security Account Number." These employees' application forms will be distributed to all work places and will also be available, after such distribution, at all post offices. When the worker has filled out the form, he may return it, without paying any postage, by handing it back to the employer, delivering it personally to his local post office, or mailing it, without postage, in a sealed envelope addressed simply: "Postmaster, Local."

On the return of this information to the post office a Social Security account will be set up for each person eligible and he or she will be furnished a card—comparable to an insurance identification card—certifying that an account has been set up and bearing the number of the employee's Social Security account so as to make it easy for the worker to find out at any time just how his or her account stands.

Oscar M. Powell, director of the Social Security Board region embracing Louisiana, New Mexico, and Texas, describing old-age benefit provisions of the Social Security Act, said:

"All of this means that men and women of Louisiana, New Mexico, and Texas, like men and women in the other 45 states of the Union, who work in some factory, shop, mine, mill, store, office or almost any other kind of business or industry, will begin January 1, 1937, to earn benefits that will come to them later on. From the time they are 65 years old, or more, and stop working, they will get a check from the government every month of their lives, if they have worked some time (one day or more) in each of any five years after 1936, and have earned during that time a total of \$2,000 or more.

"Retired workers will receive their checks regardless of the amount of property or income they may have accumulated; however, if a person prefers to continue working after he is 65, the monthly government checks will begin coming to him whenever he chooses to retire.

"How much a worker will receive after he reaches the age of 65 will depend entirely on how much he earns in wages from his business or industrial employment between January 1, 1937, and his 65th birthday. A man or woman who gets good wages and has a steady job most of his or her life can get as much as \$85 a month for life after age 65. The least a person can get in monthly benefits is \$10 a month.

"If a person should die before monthly retirement checks begin to come in, his family will receive a cash payment amounting to 31-2 cents on every dollar of wages earned by the worker after 1936. If, for instance, a worker should die at age 64 after having earned \$25 per week for 10 years before that time, his family would receive \$456. If, however, a person has not worked enough to get the regular monthly checks by the time he is 65, he will get a lump sum, or, if he should die, his family or estate would get a lump sum amounting to 31-2 cents on every dollar of wages earned by the worker after 1936.

"Taxes called for in this law will be paid both by employers and workers. For the next three years, beginning January 1, 1937, workers will pay 15, 25, or 30 cents a week or more, depending on what they earn. In other words, during the next three years, workers will pay one cent for every dollar they earn, and at the same time employers will pay one cent for every dollar earned by the workers in their establishments, up to \$3,000 per year per individual.

"After the first three years—that is to say, beginning in 1940—employers and employees will each pay 1-2 cents for each dol-

lar earned up to \$3,000 per year per individual. The tax is then graduated one-half cent each three years until finally, in 1949, employers and employees will each pay 3 cents for each dollar earned. That is the most employers and workers will ever pay.

"The government will collect both of these taxes from the employer. The worker's part of the tax will be taken out of his salary. The government will collect from the worker's employer an equal amount out of his own funds.

"The Social Security law also creates an old-age reserve account in the United States Treasury, and Congress is authorized to put into this reserve account each year enough money to provide for the monthly payments workers will receive when they reach the age of 65.

"What workers will receive from this government plan will always be more than they have paid in taxes and usually more than they can get for themselves by putting away the same amount of money each week in some other way."

T. M. Potts, E. W. Godfrey, C. W. Crawford and H. B. Bass made a business trip to Brownfield Wednesday.

SELECT OFFICIALS OF COUNTRY CLUB

Tomie M. Potts Elected Head Of Club, J. P. Watson Is Elected Vice-President

Directors and officers of the Brookhollow Country Club were elected at the annual meeting of the club members Thursday night of last week, and Tomie M. Potts was named president of the organization for the coming year.

The board of directors was elected by all members present, and the directors in turn named the officials for the club.

Directors named were J. L. Barnes, W. V. Coursey, W. C. Dickey, T. J. Dunbar, F. N. Foxhall, Frank W. Foxhall, Sam J. Hamilton, E. N. Hudgins, James E. King, Tomie M. Potts, E. E. Roberts, and J. P. Watson.

Officers named were T. M. Potts, president; J. P. Watson, vice-president; and W. V. Coursey, secretary-treasurer.

Mr. and Mrs. Hugh Crawford and son Bobby Ray returned Wednesday from Brownfield where they had been for the past several weeks. Mr. Crawford was in charge of a used car lot for the Potts Chevrolet Co. during his stay in Brownfield.

NATIONAL BOOK WEEK OBSERVED BY MEMPHIS SCHOOLS AND CLUBS

Memphis schools this week have been actively observing "National Book Week" with programs and displays at the three local schools featuring hundreds of novels and other works of literature.

A large number of parents and others interested in books and education visited the book displays at the local schools. Letters have been written to prospective donors of books to the school libraries and a list of desired volumes was attached to each letter.

The "National Book Week" is designed to stimulate better reading and to make America book conscious. The local schools this week have promoted the idea of giving novels or classics this year for Christmas presents.

Miss Rosalee Knox, H. J. Gore, L. C. Linn, Mrs. H. B. Estes, Miss Jewel Keenan, and Mrs. Beth Lemons were instrumental in the book week displays.

Special Services At Local Church

Dedication services will be held at the First Methodist Church at the morning hour Sunday, Rev. Orion W. Carter, pastor, informs The Democrat from Dallas, where he has been this week attending the National Preaching Mission.

All officers of the church at large or of any church organization will be expected to be in a reserved section for the services Sunday morning, Rev. Carter stated.

Memphis Students Named Officers In Club At Texas U.

AUSTIN, Nov. 19.—Clay Cochran of Amarillo was recently elected president of the Panhandle Club at the University of Texas. Other officers of the club are Robert Nichols of Clarendon, vice-president; Harold Foxhall of Memphis, secretary; J. C. McCollough of Panhandle, treasurer; George McClesky of Memphis, sergeant-at-arms; and Warren Hughes of Chillicothe, reporter.

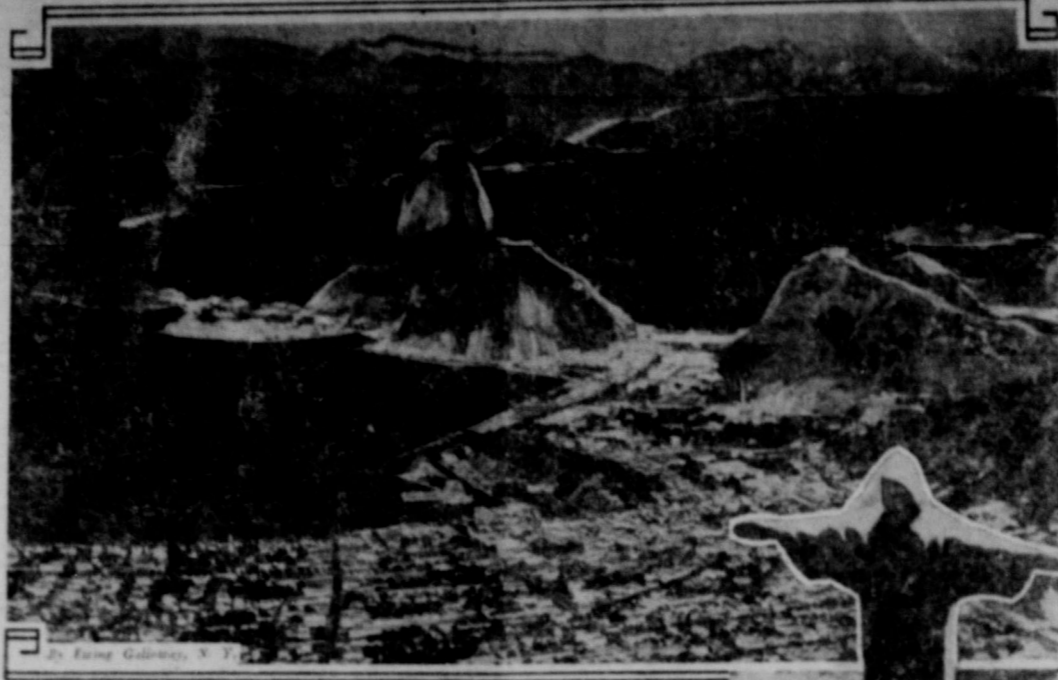

The club will participate in various campus activities, and will entertain its members with club social entertainments.

SCHOOLS TO TURN OUT
All schools in Memphis and over the entire county will turn out Wednesday afternoon and will have a two-day recess, on Thursday and Friday, in observance of Thanksgiving, a national holiday.

Bob Walker of Pampa visited his parents, Mr. and Mrs. W. M. Walker here Wednesday. He came to bring Mrs. J. H. Brunley, who had been in Pampa visiting her sons, Jet and Raymond.

American Colony of Rio De Janeiro Awaits Expected Visit by President Roosevelt

REPRESENTATIVES of twenty-one nations of the western hemisphere are today converging on the city of Buenos Aires, capital of the Argentine, where the Pan American conference opens on December 1 to discuss the possibility of an all-American League of Nations.

"But of these twenty-one nations," according to an article in the initial issue of Life Magazine, "the biggest and perhaps the potentially richest will not be the United States of America, but the United States of Brazil."

And in glamorous Rio de Janeiro, capital of that vast empire of tropical jungles and sub-tropical plains, the American colony eagerly awaits the expected visit of President Franklin D. Roosevelt, who, it is hoped, will be able to pay a short visit to beautiful Rio should he attend the Buenos Aires gathering.

An invitation has already been extended by President Getulio Vargas of Brazil, presented in Washington by the Brazilian Ambassador, Oswaldo Aranga. Many Americans in the Brazilian capital hope that President Roosevelt's warship will arrive there on Thanksgiving day so that they may hear the President give his Thanksgiving Day proclamation from an American cruiser in a foreign port.

Latest Rio de Janeiro dispatches, however, indicate that the president may not arrive before November 27th, the day after Thanksgiving.

"The wealth of Brazil funnels into the capital, Rio de Janeiro," according to the Life article, "to make it one of the world's greatest pleasure cities. Rio citizens who call themselves Cariocans spend most of their time in the area shown in the left of the panorama picture. Here are the

shops and offices, the Archbishop's and the President's palaces, and the great boulevards. On an adjacent hill, facing the Sugar Loaf, is a gigantic 130 foot statue of Christ, which dominates the colorful scene below.—From Life Magazine.

BUSINESS OF COUNTY WILL CEASE ON THURSDAY FOR THANKSGIVING

Thanksgiving Day, Thursday, November 26, will be observed throughout the county, and all business establishments in Memphis, Lakeview, Estelline, and Turkey will close in keeping with the spirit of the occasion.

Residents of Memphis and this section will take a holiday next Thursday, and many of them will spend the day in the open. Scores will attend nearby Turkey Day football encounters.

As the day marks the opening of the hunting season for migratory birds, scores of Hall County nimrods will be in the fields and by the lakeshores early in quest of the wild ducks.

They will not necessarily be hunting the ducks for the larder, though, because 10-cent turkey prices afford many a bountiful spread this Thanksgiving. A number of local citizens have already bought their birds, and others will seek out nearby turkey growers within the next day or so.

Thanksgiving will be ushered in Wednesday night when all churchgoers of the city and community gather at the First Christian Church at Tenth and Main streets for a united Thanksgiving service. The Rev. E. C. Cargill, new pastor of the Memphis First Presbyterian Church, will likely preach the Thanksgiving sermon.

Despite a short crop this year and the busy harvest season, business will abide briefly; and prospects are that Turkey Day this year will be a real Thanksgiving.

W. C. Blankenship Is Fined Here On Insurance Charge

W. C. Blankenship of Memphis paid fines amounting to \$171.50 in county court this week for soliciting and selling insurance without a license.

Blankenship was arrested by James Byrne of the Texas Fire Insurance Commission Tuesday morning and was booked on 19 charges of "soliciting insurance without a certificate of authority." Ten fines of \$17.15 were paid.

Detective Byrne stated that Blankenship's license had been revoked by the Texas Fire Insurance Commission on August 6, 1935.

New ECW Project Started At Newlin

The Memphis Emergency Conservation Work Camp has begun a new soil conservation project in the Newlin community, the farthest south that the local camp has worked other than in the tree-planting program.

The ECW camp is now constructing stock water tanks on the farms east of Newlin of S. W. Rollins, S. D. Ballard, and Guy Kercheville.

As soon as the cotton crops are gathered, the conservation workers will start terracing work on the farms.

MRS. D. L. C. KINARD ATTENDS PTA CONVENTION

Mrs. D. L. C. Kinard went to Fort Worth Monday to attend the State P-T. A. Convention in session there from Tuesday until Thursday inclusive.

Mrs. Kinard is president of the local P-T. A. Council and is fifth vice-president of the Board of Managers of the Parent-Teachers Association of the Eighth District.

COTTON GINNING SHOWS DECLINE

Crop In Hall County This Year Is Over 1,000 Bales Late

Cotton ginning in Hall County was running a thousand bales behind the ginning of last year up until November 1, figures released by the bureau of the census, United States Department of Commerce, showed.

The only county nearby which has shown a gain in ginnings to date over the same time last year is Donley County. Collingsworth and Childress counties are later than Hall County in comparison with last year's figures.

Official government reports showed that 8,141 bales of cotton had been ginned in Hall County from this year's crop. There had been 9,322 bales ginned to the same date last year. It was unofficially reported that 12,000 bales of cotton had been ginned in this county through Tuesday of last week.

Donley County had ginned 4,819 bales to November 1 this year; whereas, that county had ginned only 3,633 bales to November 1, 1935.

Collingsworth County ginned 4,455 bales to November 1, 1936, but to the same date last year that county had ginned 7,197.

The figures showed that Childress County had ginned only 2,741 bales to the first of November this year; whereas, to November 1 last year Childress County had ginned 7,174 bales.

60 Blocks Of City Streets Graveled

Approximately 60 blocks of the Memphis streets have been gravelled to date by local laborers on a federal Works Progress Administration project, according to W. E. Gerlach, WPA supervisor for Memphis.

One hundred and three needy men are employed on the project, which is the only WPA road job now in progress in this precinct. The crew works in two shifts.

Two Texas Revolution Widows Visits State's Centennial In Dallas

MRS. MARY BERRY

MRS. MARY LONGLEY

Dallas, Texas, Nov. 17.—Two of the three living widows of the Texas Revolution were the honored guests of the Texas Centennial Exposition on Sunday, Nov. 15. They are Mrs. Mary Catherine Berry, 83, who lives near Baird, Callahan County, and Mrs. Mary Longley, 74, of Abilene, Taylor County. The third, Mrs. Mary M. Price, 93, lives in Rochester, N. Y. She is an invalid and was unable to make the trip to Texas. Mrs. Berry, native of Arkansas, is the widow of Capt. Andrew Jackson Berry, a veteran of San Jacinto, who died many years ago. Mrs. Longley is the widow of Campbell Longley, a native of Tennessee, who joined Gen. Sam Houston the day after the battle of San Jacinto.

New Fords Are Displayed Here Saturday By Foxhall Motor In First Public Show

The new Ford V-8 for 1937 went on display last Saturday at the Foxhall Motor Company and at showrooms of Ford dealers throughout the nation.

The new cars present a number of outstanding features, principal among which are:

Two new engine sizes, a brand-new 60 horse-power V-8 which makes it first bow in the American motor car market, and the famous 85 horse-power V-8, with a number of important refinements. Either is available in the single chassis.

New cable-and-conduit control "soft easy action" brakes, with the "safety of steel from pedal to wheel," are important phases of the new car. New body lines have been designed in which the "tear drop" form has been used wherever practicable.

A de luxe five-passenger club coupe is the newest of the 11 body with either engine size, six with types available, five without de-luxe equipment and with either engine size, six with de luxe equip- ment and the 85 horse-power V-8 engine only. All closed body types have clear-vision ventila- tion system.

All-steel body, including new all-steel top, as well as steel structure, steel panels and all-steel floor are features of the new Ford.

The new Ford, according to those who viewed it here last week, is the most beautiful Ford ever built. Its sleek lines flow with- out a break from the smart radi- ator grille, through the new shield- type hood, the new slanting V- type windshield and the smoothly- moulded steel top to the graceful reverse curve of the rear quarter.

From a mechanical standpoint the most important development in the new Ford is the 60 horse-

power V-8 engine. Although new to America, it has been built in England and France for more than a year for Ford cars de- signed for the European market. There it has been an outstanding success.

The engine was developed pri- marily to give the American mo- toring public maximum fuel econ- omy. Its introduction marks an important deviation from the con- tinuous trend during recent years toward higher horsepower and ex- treme performance. It permits a lighter car with resulting greater economy.

New Lightweight Car Makes Debut

A line of trucks and passenger automobiles which will sell for less than \$400 will be among the new models offered to motorists of this district for 1937.

Named the American Bantam, its makers state that it is the only American-made line of cars which runs 45 to 50 miles on a gallon of gasoline, and goes 30,000 to 40,000 miles on a single set of tires. The auto is being manu- factured by The American Ban- tam Car Company, Butler, Pa.

Wide interest in the new car is evidenced by the statement of R. S. Evans, president of the com- pany, that dealer orders for a total of 19,107 cars have been re- ceived since the car was an- nounced to dealers on Sept. 15.

Harry A. Miller, whose racing motors have been in the winning cars at the Indianapolis races for nine straight years, is vice president of the company in charge of engineering. Thomas L. Hibbard,

Magic Valley Raises Peaches Too

The captivating beauty of Beverly Wittnebert (oval) won the admiration of John Boles, Universal Pictures star charged with the duty of selecting the queen to rule over the Texas Citrus Fiesta in Mission, and the Donna girl will ascend her throne December 4 as Queen Citrianna IV. But the task of selecting a reigning beauty for this outstanding Texas Centennial Celebration was a difficult one as the lovely photograph above of Mary Patrick, Brownsville girl chosen as alternate, abundantly proves. The Texas movie star headed a delegation from his native city to celebrate Greenville Day at the Texas Centennial Exposition in Dallas, and among the day's ceremonies was the public selection of Miss Wittnebert from the many photographs of duchesses to the 1935 Fiesta.

designer of bodies for some of the highest priced American and European autos, is vice president in charge of design. Mr. and Mrs. Nolan Berry and daughter Helen Jo of Wellington spent Sunday here with Mrs. Sam Harle.

IMPROVED AIRFLOW IS CHRYSLER'S BID FOR PATRONAGE THIS SEASON

An improved and refined Air- flow car will be Chrysler's 1937 bid for the patronage of those motorists who seek the ultimate in performance, safety, riding comfort, ease of handling, luxury of appointments and scientific aerodynamic design. Because it was far ahead of the times when first introduced in 1934, Chrysler's Airflow has changed less in fundamental engineering and exterior appearance than any other car in the last three years. It has, however, been steadily improved and this year, by means of a new front end treatment, takes on a new beauty without interfering in the slightest degree with its sound

and complete streamlining. The reason for the Airflow's lack of revolutionary changes is simple. When it was introduced in 1934 it was years ahead of the times. Chrysler accomplished at one bold stroke what other engineers might have done in a decade. The Airflow was immediately imitated in appearance. More and more cars have shown the influence of its design until today some approximate its appearance in some of their exterior lines. But the unique construction that characterized the Airflow at its inception has not been imitated. The Airflow remains today the thoroughly streamlined car with a safety all its own.

In designing the Airflow's unit body and frame, Chrysler engineers borrowed some of the time-tested principles of bridge construction. Instead of putting the body on the frame, they made the frame part of the body. Passengers thus sit in a steel box protected on the top, bottom and all four sides by girders. The frame extends from front to back along the car's whole length. The front end is as strong as the middle section, instead of sticking out like the handles of a wheelbarrow, as in an ordinary car. In effect, the frame is five feet deep instead of a few inches and the passengers sit inside the frame and not on top of it.

This type of construction makes possible the use of the strength- giving steel girders familiar in bridges. Each part is scientifically shaped and constructed to meet the strains and stresses imposed on it. The result is that while the construction saves weight, it gains strength as does a cantilever bridge.

The Airflow of 1937 is com- fortable and it is safe. A new scientific weight distribution was one of the features of the original Airflow and this has been one of the reasons for its great success. By means of the new type of body and frame construction, Chrysler engineers found that they had room to do what they had long wanted to do, namely, move the engine farther forward. This in turn meant that the front and rear seats could be moved for- ward, so that the passengers ride in a cradled area between the axles instead of having the car seat over the axle. Obviously the central portion of a suspended body is the one having the least motion. The familiar "teeter-tot- ter" or see-saw furnishes a per- fect example.

Roominess in all interior di- mensions is one of the features of the Airflow car. The unique body and frame construction permits seats to be so wide that three pas- sengers can ride comfortably ei- ther front or rear. Chrysler will be handled locally by the Gloor Motor Company.

Chevrolet—Oil Gauge and Crankcase Filler

... developed through constant improvement year after year. They are more compact, with a gain in strength.
 ... Ample provision for luggage is made in every model. Town sedan and sport sedan in each line have spacious trunks, and models without trunks or rear decks have commodious space behind the seat. Each model also has a package ledge across the top of the rear seat, as well as a locking compartment in the instrument panel.
 ... Driving ease is increased, and durability enhanced, by the completely new Syncro-Mesh transmission in the new models. It is more compact and rigid, and the synchronizing mechanism is improved through the use of simplified cone clutches.

Newspaper Ads To Feature Publicity Of New Chevrolet

DETROIT, Nov. 19.—Chevrolet's achievement of all-time sales records in 1936, under a policy which made newspapers the front line of the company's advertising offensive, has dictated continuance of that policy in 1937, and especially in the announcement of the new models. This statement by C. P. Fiske, advertising manager, was a feature of an all-day party which Chevrolet held for 300 newspapermen.
 "The 1937 models are the finest Chevrolet has ever built," said Mr. Fiske. "And the advertising behind them measures up to the product itself. Last year and for several years back, we have relied primarily upon newspaper space to get our message across to the public. In light of the amazing sales achievements of 1936, it is hardly necessary to justify to you our intention of adhering to that policy this year. The newspaper will be the foundation of our advertising effort."

Local CCC Camp Placed In Fort Worth District

Information has been received at the Memphis Civilian Conservation Corps Camp to the effect that the Lubbock CCC District, which includes the local camp, is to be disbanded and the companies of that district placed under the supervision of the Fort Worth District, with headquarters in Fort Worth. Lubbock will be used as a distribution point.
 Major R. C. Throckmorton is the District Commander for the Fort Worth District. The local camp will be located in the northern sub-district, instead of the southern, as under the old setup. Capt. George W. Roper will be the new Sub-District Commander.

POTTS CHEVROLET COMPANY
 TOMIE M. POTTS

PLEASANT VALLEY

By Claudia Vandeventer
 Mrs. Nora Ragen spent Sunday at Plaska visiting relatives.
 Rev. Luther Crawford filled his regular appointment at Plaska Sunday.
 Mr. and Mrs. Jim Brooks spent from Sunday until Tuesday at Littlefield visiting relatives and friends.
 Mr. and Mrs. Jess Johnson moved to the home of Bob Crabb Saturday.
 Mr. and Mrs. Roy Allison were business visitors in Memphis Saturday.
 T. J. Isbell is ill.
 Mrs. Ethel Dutton and Mrs. McKunken, room mothers, served the children with pop corn Thursday of last week.
 Miss Ollie Brown was a shopper in Memphis Saturday.
 Mr. and Mrs. Elmer Watson spent Sunday in the home of J. W. Molloy.
 Elwin Pate spent Sunday with Lloyd and Clifford Vandeventer.
 The Parent-Teacher Association met Thursday of last week.
 Eddi Galloway spent last week in Fort Worth attending a Bible school.
 Mr. and Mrs. J. M. Isbel of Fort Worth, Ben Isbel of Garden, and Mr. and Mrs. Newt Ledger of Earth are here because of the illness of their father.

Locals and Personals

Mr. and Mrs. L. E. Thompson and sons Neal and Ernest, and Mrs. J. H. Neal of Clarendon visited Mr. Thompson's mother, Mrs. George Thompson, here Sunday.
 Misses Georgie Lee and Marjorie Drake, teachers in the Turkey school, spent Saturday and Sunday here with their parents, Mr. and Mrs. Chas. Drake.
 Mr. and Mrs. H. G. Greshel and sons Charles and Billie and Mrs. Jim Pullen spent Sunday in Vernon. They were guests of Mr. and Mrs. Fritz Miller and Mrs. Claude Muller.
 Miss Helen Hulsey, with the Service Beauty Shop, spent the past week-end in Estelline with her parents, Mr. and Mrs. L. H. Hulsey.

... that smell means Wasted Miles and Money

DEAR DISTRESSED DAMSEL:
 Perhaps you wonder why the poor motorist is using such a "rich" mixture. Lady, the reason is that the tank contains ordinary low test gasoline.
 That's why the driver had so much trouble in starting, and why it is taking so long for his motor to warm-up. With all his yanking on the choke, the engine is still missing and sputtering.
 He isn't enjoying it a bit more than you are... and in addition, it is costing him real money because with the choke out he is using up gasoline 5 to 15 times faster than normal! Besides, he is thus diluting the oil in the crankcase, which is one of the chief causes of winter damage to motors.

... How can he correct the trouble? Easily. All he has to do is use Phillips 66 Poly Gas and use less choke. It is made by the WORLD'S LARGEST PRODUCER of natural high test gasoline. This explains its extra high test and the pleasant fact that it costs nothing extra.
 It starts cold motors with split-second speed. Warms them up fast. Delivers maximum power with minimum fuel. And obviously, it increases mileage per gallon by decreasing the need for wasteful choking.
 Since Phillips 66 Poly Gas costs no more than ordinary gasolines, how can you possibly lose by trying a tankful!

New Chevrolet 1937

THE COMPLETE CAR--Completely New

Chevrolet's 1937 engine is completely new, but adheres closely to time-proved Chevrolet engineering principles. It is of six-cylinder valve-in-head type, smoother, more powerful, more economical, and lighter.

A representative model from Chevrolet's new line, typifying its beauty and grace—the Master De Luxe Sport Sedan with trunk. Note the distinctive "speed line" extending back from the side of the hood.

Unisteel construction joins the floor, cowl assembly, panels, and Turret Top of Chevrolet's all-steel body, to form one integral structure, welded in all joints, and reinforced and braced for permanent silence and safety.

Luggage capacity in Chevrolet's new trunk models has been greatly increased, as has interior luggage space in other models.

Beauty and utility mark the new Chevrolet instrument panel. The windshield is of greater area, with narrow corner posts, affording better vision.

New power, economy, durability, safety and comfort, coupled with striking new beauty, characterize Chevrolet's new models for 1937. They are offered in two series, Master and Master De Luxe, virtually identical in appearance.

Chevrolet's fully-enclosed Knee-Action is furnished at no extra cost on the Master De Luxe models; and new Syncro-Mesh transmission, and safety plate glass all around at no extra cost, feature all models of both series.

Wooden Indian Answers Questions

In the General Motors Exhibit at the Texas Centennial Exposition at Dallas is the famous "Chief Pontiac," mechanical Indian, who answers questions asked by visitors. Beside him are Phil Harris, orchestra leader and Leah Ray, singer.

JUNIOR RED CROSS ACTIVITIES GROW AS SCHOOL CHILDREN AID

Few organizations could equal the record for growth and achievement shown by the American Junior Red Cross, a branch of the adult Red Cross functioning in the leading schools throughout the country, according to L. C. Linn, Junior Red Cross chairman of the Hall County Chapter.

Since its inception during the early World War years, Mr. Linn declared yesterday, the Junior Red Cross has enjoyed a phenomenal growth both numerically and from the standpoint of influence among the youth of America. Today the organization consists of 8,351,298 members in 35,882 elementary, junior high, and high schools, 599,653 of these members representing the rapid growth of the Junior society during the past fiscal year.

In commenting on the work of this great youth movement, Mr.

Linn pointed out that helping disaster victims by contributions to the Red Cross flood and tornado relief fund this past spring, as well as supplying several thousand blind children with stories in Braille were two outstanding activities in which the Juniors have been especially helpful.

"Many thousands of dollars for disaster relief were given by Junior members this past year," he said, "and a new record was established both in the total amount of money for disasters raised, and in the number of Junior members who have participated in the work of the organization during this twelve-month period. No one can honestly doubt that young people today are keenly alive to what goes on in the world, and are ready to back this interest by quick and effective action."

From the National Children's Fund—a fund administered by the Junior Red Cross and built on contributions by the Juniors—appropriations have been made to buy playground equipment and books for children in communities particularly hard hit by disasters, lunches for school children in hurricane districts and libraries for schools where books have been destroyed by catastrophes of various kinds, as well as for schools in mountain or rural areas whose funds will not permit such purchases.

One project which moved throughout the year under impetus of great enthusiasm was that of providing at least one story in Braille for each child in state schools for the blind. Covers for the Braille manuscripts were made by hand by the Juniors, and the cost of materials was met from the Children's Fund. The Juniors also provided more than 52,000 menu covers to be supplied mess rooms of ships of the United States Naval Fleet at Christmas time.

"In the 36,000 schools where American Juniors are to be found," Mr. Linn pointed out, "international friendship and understanding have been fostered through the exchange of photograph albums, letters, and handwork between our students and those of many other countries, thereby stimulating an interest in children of other nations which would be hard to inculcate in any other way."

Miss Lois McCulloch spent from Sunday until Wednesday in Dallas at the Centennial Exposition.

Mrs. James Cornelius and children Carolyn Ann and Patricia Kate of Amarillo visited here with her mother, Mrs. Grace Duke, from Saturday until Monday.

Mrs. M. P. Turner spent Saturday and Sunday in Wichita Falls with her daughter, Mrs. J. S. Minton. She went with her niece, Mrs. Nettie Kirschhoff, of Panhandle.

Amazing Results From New Medicine Now Sleeps Well, Can Eat Almost Anything and Feels Like a New Person

SO MANY people pass wretched days and nights! — Sluggish with constipation — Tormented with painful Gas and Bloating — Backs aching, sluggish kidneys — nerves tight and strained! Such men and women will be thrilled to know that Thousands are finding wonderful relief from the private prescription of a former army doctor, called Williams S. L. K. Formula. Typical of the grateful letters of praise that many sufferers are writing is the following: "I have been suffering with my stomach and kidneys for some years and have not been able to do any housework for the past two years. Could hardly eat a meal and enjoy its benefit before losing it."

Williams S. L. K. Formula was recommended to me, and results have been so rapid that it's marvelous. Now get natural rest at night—no getting up two or three times—and feel like a new person. S. L. K. has stopped that awful feeling of nausea as well as bloating and gas." Mrs. P. D. Franklin, 518 Avenue C, Lubbock, Texas.

Money-Back Guarantee
Williams S. L. K. Formula is guaranteed to get quick, wonderful results from Sluggish Stomach, Liver, Bowels and Kidneys—or your Money Back! Get a bottle today at Turver's Pharmacy and if you are not completely satisfied—return the empty bottle and carton, and your money will be refunded. The trial will cost you nothing! (Adv.)

CAS

—HERE'S WHAT THEY SAY—

HENRY EDENS

I find the Case Model CC Tractor which I purchased from you two years ago to be very reliable in every respect, and the extra power which my tractor develops is certainly an added factor in tractor farming.

I deep sub-soiled (Chiseled) some 400 acres of my farm this year and found that the power my tractor developed was used to a great advantage in this particular work, and feel that no other tractor of same size would have handled the load which I pulled.

I also especially like the simple Easy-Off and On implements and the simple Motor Lift, as these advantages certainly prove time savers and the conveniences are much appreciated.

I am firmly convinced that my tractor does not use any more fuel than smaller tractors on the same load, and my tractor operates very economically on fuel; I had used one other make of tractor prior to purchasing my Case Tractor and with my past two years experience and operation of my Case tractor, there is no comparison as to power developed and fuel economy. I like my Case tractor fine and it is far the best and most economical tractor I have ever operated.

Respectfully yours,
HENRY EDENS

T. B. ROBERTS

I have used my Case CC Tractor for the past two years and am well pleased in every respect. I find the surplus power which my tractor develops is a great asset as there being times I have used it to great advantage in deep plowing as well as belt work.

I sure like the simple method of Easy-Off & On implements, and I am sure my tractor will operate just as economically as any smaller tractor on developing the same power and pulling the same load.

Very respectfully,
T. B. ROBERTS

W. A. HOWARD

I have used my Case CC for the past two years, 300 acres each year.

I am well pleased with my and especially like the "Easy On and On" implements.

I find my tractor has developed a surplus of power every farm need. I much simple "motor-lift" and I tractor will operate as economically as any smaller tractor same load.

My total repair bill on tractor for the past year has only. My total operating for fuel this year farm acres was \$87.00.

My tractor is now in condition.

Yours respectfully
W. A. HOWARD

Night Lighting Enhances Beauty of Ford Exposition

Its solid white walls flooded with many lights, the huge Ford Exposition building at the Texas Centennial in Dallas makes an attractive and imposing structure at night. Parapet lighting adds beauty to the design. The front of the building, which faces Federal Concourse, has rows of Neon tubing which contribute much to the general lighting arrangements.

PERSONALS

Red Cross Anticipates Results In Drive on Home-Farm Hazards

Farm dump heaps create fire hazards, breed disease germs and are sources of cuts and puncture wounds which may result in serious infection. Right: Falls cause most home accidents, and often result from a "lax man's" load while climbing or descending stairs.

DURING the year the Red Cross organized 2500 community groups to deal with local accident problems in a progressive effort to cut accidents in homes and on farms. The three-fold program of the Red Cross warns against careless habits, eliminates hazards by a check-list method of inspection conducted by the householder, and teaches first aid to thousands so that persons injured will have a better chance for recovery.

Home mishaps last year killed or crippled 171,500 persons and farm work accidents took 4,400 lives, as many as the combined fatalities recorded for construction and manufacturing.

Mrs. Paul Young of Nashville, Tenn., is here visiting her mother, Mrs. R. L. Leslie. She will return home today.

Miss Altha Tom Bridge spent Sunday in McLean with her parents, Mr. and Mrs. W. J. Bridge.

Mrs. Henry Ellis and children Eulaine and LeRoy and Miss Louise Williams of Lefors spent Sunday here with Mrs. Ellis' parents, Mr. and Mrs. Lee Guthrie.

Miss Gladys Rosenwasser of Loekhart arrived in Memphis Friday for a two-week visit with her brothers, Jess and Marcus Rosenwasser.

Mrs. Fred Swift spent last Friday in Clarendon with her daughter and son, Mrs. J. R. Bartlett and J. D. Swift.

Miss Oradel Nuhn, teacher in the Berger school, spent Sunday here with her aunt and brother, Mrs. Ora Oglesby and Carl Nuhn. She was accompanied to Memphis by Mr. and Mrs. J. A. Gillespie and son Henry.

Mr. and Mrs. Pete Quarles of Pampa were visitors in Memphis Saturday.

Miss Enid Moses spent last week-end in Clarendon as the guest of Miss Thursa Mae Turner.

Mrs. Lee Gregory of Turkey spent Friday of last week in Memphis.

Hollis Boren went to Dallas Sunday on a few days business trip.

Mrs. J. P. Meek and Mr. and Mrs. J. A. Harper of Childress spent Sunday in Memphis as the guests of Mr. and Mrs. S. E. Mayfield.

Mrs. Hal Goodnight and daughter Patsy Ann and Mrs. Tom Bell visited their parents and grandparents, Mr. and Mrs. S. S. Cooper, at Estelline Monday.

Thanks Friends

During the past number of years that I have been engaged in the operation of service stations in Memphis, you have favored me with a very liberal patronage for which I am most grateful.

I have tried at all times to merit both your patronage and your friendship, and now that I have disposed of my station and accepted a connection with CUDD BROS., may I have the continued pleasure of serving you.

Respectfully,

Art Miller

—You Have Stepped Out In Front With The Newest Model Car—

NOW — STEP OUT IN FRONT

With The Newest Model, SAFEST AND MOST ECONOMICAL TIRE ON THE MARKET TODAY

FIRESTONE'S NEWEST — MOST SENSATIONAL TIRE DEVELOPMENT . . .

THE *New* Firestone STANDARD TIRE

SIZE	PRICE
4.50-21	\$ 7.75
4.75-19	8.20
5.00-19	8.80
5.25-18	9.75
6.00-17 H. D.	14.30
6.00-19 H. D.	15.20

FIRST LINE QUALITY—The new Firestone Standard Tire has been designed and constructed by Firestone skilled tire engineers—it is a first quality tire, built of high grade materials, embodying exclusive Firestone patented construction features.

FIRESTONE NAME AND GUARANTEE—Every Standard Tire is backed by the Firestone name and guarantee—your assurance of safety, dependability and economy.

LONGER NON-SKID MILEAGE—The wider, flatter tread is scientifically designed with more and tougher rubber on the road for long, even wear, and thousands of extra miles.

GUM-DIPPED CORD BODY—Eight extra pounds of rubber are added to every one hundred pounds of cotton cords by the Firestone patented process of Gum-Dipping. This not only provides greater strength, but gives greatest blowout protection.

TWO EXTRA LAYERS OF GUM-DIPPED CORDS UNDER THE TREAD—Cushion road shocks. Afford extra protection against punctures and bind the whole tire into one unit of great strength.

IT COSTS LESS TO BUY—VOLUME PRODUCTION SAVES YOU MONEY—The new Firestone Standard Tire is the greatest tire value ever offered car owners—volume production, efficient factories and the most economical distribution system make it possible to sell this new tire at these low prices.

FOR TRUCK AND BUS OWNERS

GIVES LONGER MILEAGE AND MORE ECONOMICAL SERVICE AT VOLUME PRODUCTION PRICES!

WHETHER you operate one truck or several, dependable service is your greatest asset. In hauling produce to market, operating fast local deliveries, in heavy cross-country hauling, operating school buses, or in any type of trucking service, you need a first-quality tire, built of first grade materials to give you long, trouble-free mileage. Now, for the first time, you can get such a tire at prices you can afford to pay. Come in today and let us show you how the new Firestone Standard Truck and Bus Tire will give you better service and save you money.

NO PROGRAM ON ARMISTICE DAY

The Armistice Day program in Memphis consisted of putting a few flags out on the streets and blowing the whistles on the cotton gins at 11 o'clock. Other than that, no one would have known it was Armistice Day. It is a shame that a least some short Memorial could not have been held at the City Park or in one of the churches.—The Veteran News, Memphis CCC newspaper.

Mrs. John Sullivan and children Billy Jean and Patsy Ruth visited relatives at Turkey Sunday. They were accompanied home by Miss Eunice Mae Colvin who is spending this week here as their guest.

Oil Worker Runs Over Danger Sign And Gets In Jail

Ben Dodson of Tulsa is resting up for the time being in the Hall County jail here, after imbibing too freely of alcoholic spirits last Friday night and trying to do the city of Memphis a good deed by straightening out the curve near the Memphis Cotton Oil Mill. Hall County officers stated this week.

Dodson, an oil field worker who has been employed near Electra, was en route to Pampa last Friday night when his automobile left the highway near the oil mill here and crashed through the big black and yellow "curve" sign to the right of the road.

Hall County officers were called, and they put the man in jail. Charges of drunk driving have been filed against the Tulsa man. Dodson's automobile was damaged badly in the mishap, but he escaped unscathed.

LESLEY

By Mrs. L. L. Mitchell
Mr. and Mrs. Paul Montgomery are the proud parents of a baby boy, born November 12.

Harvy Brown spent the week-end with home folks.
Rev. Brister filled his regular appointment here Sunday at the Baptist Church. A large crowd attended the services.

Lelia Rudolph was a Memphis shopper Saturday.

Mrs. J. O. Fox and daughters Opal and Mrs. W. J. Burris visited recently with Mrs. Fox's aunt Mrs. J. B. Hodges of Memphis.

Mr. and Mrs. B. B. Brewer and family are spending a few days at Plainview. Mrs. Brewer's parents were in an automobile accident near Plainview, and her mother and sister are in a hospital.

Mr. and Mrs. Leonard Mitchell had as their guests Sunday Mr. and Mrs. A. P. Todd and daughter Lola Bess of Brice and Dock Dyess of Lelia Lake.

Enmett Ables of Lesley and Iantha Medford of Salisbury were married Saturday night.

Coupe Newest in Lincoln-Zephyr Line

A new three-window coupe with ultra smart body lines is the biggest Lincoln-Zephyr news for 1937. The new coupe (shown above) has striking lines, modifying the airstream upper body treatment of the six passenger types, which alone were available last year. The rear quarter sweeps downward to the belt to give the car a characteristic coupe appearance, which retains the originality of line typical of the Lincoln-Zephyr bodies. The coupe's single seat is amply wide for three adults. The seat back is divided. Each section is hinged. Either can be swung forward to give access to a compartment back of the seat big enough to hold a good sized steamer trunk. This supplements the usual luggage space. The "first anniversary" Lincoln-Zephyr series is now being shown at Lincoln dealer showrooms throughout the country.

HARRELL CHAPEL

By Mrs. Louis Richards
Mrs. R. L. Bockman and Mr. and Mrs. Louis Cloud of Lone Wolf, Okla., visited Saturday night and Sunday with Mrs. Bockman's sister, Mrs. T. J. Kilgore.

Mrs. A. H. Jones and children visited Sunday with Mrs. Jones' son and wife, Mr. and Mrs. Aubrey Jones of Memphis.

Mrs. Lora Johnson and children spent Sunday in Memphis visiting Mrs. Johnson's sister, Mrs. B. F. Hardin.

Mrs. T. Braddock of Lesley is spending a few days with her brother, Dick Martin.

J. W. Jones spent the week-end with his mother, Mrs. S. L. Jones.
Mr. and Mrs. J. C. Walker spent Sunday afternoon with Mr. and Mrs. S. E. Anderson.
T. L. Waddill made a business trip to Vernon last Friday.
T. J. Kilgore and Thrasher Foreman returned home last week.

"Much Relieved," Says Lady After Taking CARDUI

Although they may be very active and apparently in good health, many women, at certain times, will do well to take Cardui. It may relieve some of the nagging symptoms that are so annoying every month.

Mrs. F. T. Foster, of Greensburg, Ky., writes that she has "derived great benefit" from Cardui. "Before taking Cardui, I was weak and extremely nervous, and suffered from sleeplessness. This made me tired and worn in daytime. My back ached continually. Being an active woman, I did not want to continue in this condition. Having heard a great deal about Cardui, I found, after just a few bottles, I was much relieved. I continued taking Cardui and was so much helped."

Of course, if Cardui does not benefit you, consult a physician.

Real Bargains

We still have several real bargains in good homes. Make an inspection of these places and you'll be convinced you cannot buy the material in them for the price we are offering them at:

No. 1621 Dover—5 rooms, bath—\$950.00

M. H. Maxwell was a business visitor in Childress Monday.
Harrison and Reba Dell Cope of Childress spent the week-end here with relatives.

Mr. and Mrs. Harry Hartzog spent the week-end with Mr. and Mrs. Elmer Teal of near Memphis.
Lyle Beckwith spent several days in Wichita Falls last week.
Mrs. Theo Johnson and children, Frances and Charles, are visiting relatives in Childress this week.

D. C. Browder of Amarillo is here this week looking after his ranch interests.
Miss Alleen and Pauleen McCants were visitors in Memphis Saturday.

Mr. and Mrs. A. R. Childress were Memphis visitors Monday.
Jesse Boone of Hedley was a

Girl's Quartet went to Friendship Sunday afternoon.

A miscellaneous shower was given last Friday at the home of Mrs. R. C. Woodson, honoring Mrs. T. J. Kilgore, who is leaving this week for Colorado, where the Kilgore family plans to reside. Refreshments were served to those present:

Mrs. Flavil Hodge, Mrs. W. A. McClanahan, Mrs. S. E. Anderson, Mrs. W. L. Morrison, Mrs. T. L. Waddill, Mrs. T. T. Davis, Mrs. Lon Moore, Mrs. Ben Moore, Mrs. A. H. Jones, Mrs. L. L. Foreman, Mrs. Leo Collins, Mrs. Jim Phillips, Mrs. F. O. Harris, Mrs. Quitman Box, Mrs. A. M. Eggett, Mrs. Jess Daniel, Mrs. Louis Richards, Misses Maxine Richards, and Sarah McQueen, and the hostess, Mrs. C. R. Woodson.

Locals and Personals

B. E. Davenport, local dealer for the J. I. Case implements, attended a dealers meeting of the Case Company in Amarillo Monday.

T. M. Potts made a business trip to Childress Monday. He was accompanied by J. B. Dudley.

Mrs. D. A. Grundy and Mrs. G. H. Hattenbach attended the Workers Council of the Baptist Church at Harrell Chapel Wednesday in session there for the day.

Judge and Mrs. A. S. Moss left Thursday of last week for a business trip to Dallas and a visit with relatives at J. Lagrange. They will likely be gone two weeks.

Rev. Gerald Fitzgerald of Sylvan Grove, Kan., is spending this week here with his mother Mrs. P. M. Fitzgerald. He came on account of the illness and death of his brother, David.

Red-Blooded Health in PURSANG

Marvelous New Treatment for "Run-Down" People

Tired - discouraged - "dragged out" time to get back to normal. Pursang helps to overcome iron deficiency blood, and to increase hemoglobin—that makes red blood red.

If you are "below par" just start taking Pursang. See how much better you feel in two weeks. Wait a week or more and you will hardly recognize yourself for the same person — you'll feel like a new man!

Durham-Jones PHARMACY

DURHAM-JONES PHARMACY ANNOUNCES THE OPENING OF A TRUSS FITTING DEPARTMENT

With an experienced attendant in charge

EVERY TRUSS GUARANTEED TO FIT PROPERLY

WE HAVE IN STOCK (You Don't Have To Wait) A HOOD-De GARMO TRUSS

For the individual needs of every adult and every child—FOR EVERY TYPE OF RUPTURE

What impresses you at once, the moment you put on this HOOD-De GARMO Truss, is a strong feeling of safety. Fear flies away. You know in your own mind that now at last your rupture is being guarded properly. No truss made equals the HOOD-De GARMO in this quieting sense of security.

The frame, of nickel silver, holds its shape much longer than the ordinary frame of phosphor-bronze. Understraps can be used, but are seldom needed with this superior HOOD-De GARMO Truss. Pads covered with glove calf, much more enduring than napa.

A quality truss throughout, long-wearing, less expensive per year than cheaper grades.

Illustrated above for double rupture. For single rupture only one pad is used.

We also carry in stock—A complete line of abdominal supporters for any kind of support desired.

FREE FITTING AND ADJUSTMENTS

If your present truss is unsatisfactory or needs adjusting—come in and we will adjust it for you without cost!

Expert advice about your rupture problems without Charge.
