First Boy Scout Troop Chartered By Adobe Walls

Baptist Sponsored Troop Is First of Three Local Troops to Get Charter

Memphis Boy Scout troop number 35, sponsored by the Baptist Church, won the honor of being the first of the newly organized troops to receive an official charter from the Adobe Walls Council this week.

Penner patrol; Wallace Fletcher, patrol leader; Jack Hightower, assistant patrol leader; G. B. Garner, H. E. Gilmore, John Perkins Jr., Earl Joyce, Billy Powers, and William Clark.

Wolf patrol; Robert Williams III, patrol leader; James Baldwin, assistant patrol leader; James Wilfred, Dwight Kinard, Perry Stevens, Roy Brock, Frank Smith, Winfred Messer.

Eagle patrol; Sam Prather, patrol leader; W. H. Butler, Neal Grand, Paul Crowder, D. B. Bell, Jack Pyeatt, Gayle Pyeatt, George Sargent, and John Sargent.

All are Tenderfoot in rank with the exception of Wallace Fletcher, 1st class; Robert Williams, 2nd class, and Douglas Barber, cub scout.

In spite of wars and threats of wars, dictators and threats of dictators, taxes and unemployment, spring is nearly here. It will do you good to get out in the open and see how insignificant are the vanities of men and politicians who are powerless to check the turn of the seasons, create the food that the world must eat, control the coming of the new leaves, the grass, the calves, the lambs, and the pigs. How much more important is the work of a good farmer than all the bombast of the mightiest dictators or the mouthings of the noisiest politicians. R. M. Hooper, from the Tulsa Herald.

Constipated?

For 20 years I had constipation, awful gas, bloating, headaches and back pains. Adlerika helped right away. Now, I eat sausage, bananas, pie, anything I want. Never felt better. Mrs. Mabel Abbott.

MEACHAM PHARMACY and TARVER'S PHARMACY

WIN RECOGNITION—Miss Alice Strawn, G. S. Dowell, and Carl Chaudoin of the Quail Schools will speak on the program of the Southern Regional Conference for Vocational Teachers at Little Rock, Arkansas next Thursday, April 6. The Quail school co-operative plan has attracted nation-wide attention.

Quail Teachers to Appear on Southern Regional Program

Superintendent Carl Chaudoin, G. S. Dowell, and Miss Alice Strawn of the Quail schools have been invited to appear on the program of the Southern Regional Conference for Vocational Teachers at Little Rock, Ark., April 6, to discuss Quail's cooperative agriculture and home-making three-year program.

The Quail schools have received nation-wide recognition for their educational program, which includes exchange of classes, evening classes and projects, evening schools, and agricultural education agencies such as the Farm Security and Extension Services. The program has been worked out by Supt. Chaudoin and his staff in an effort to meet the needs of rural people and help them to have improved farm homes, schools, and living conditions in general.

The invitation to speak at the Little Rock conference came last week from the Federal Office of Education, Department of Interior, in Washington. Quail will be the only Texas high school to report on vocational programs at that meeting.

On March 24, Mr. Dowell and Miss Strawn are to represent Area I, composed of 36 Panhandle counties, on the program of the

R. E. Dickson Will Address Farmers In Meeting at Turkey on April 11

Texas Vocational Association at Houston. They have been invited to sit on a two-hour panel of eight teachers, with Dr. Wheeler of the University of Georgia presiding, to take part in a discussion of joint programs of home-making and agriculture.

Miss Josephine Padral, Texas state supervisor of Home-making, discussed the Quail school and cooperative program at the regional conference last year following a visit to the Quail school and evening classes. The Quail schools have received national, as well as state recognition. Two national magazines carried articles concerning the program in 1938 May issues.

Mrs. W. A. Stanley and Mrs. Powell Combs of Amarillo came Tuesday of last week to visit their mother, Mrs. Fred Swift. Mrs. Swift returned home with them for a two-week visit.

R. E. Dickson, whose work at the Texas Experiment Station at Spur earned him the title of Texas No. 1 Farmer this year, will speak under auspices of the Turkey Lions Club at the Turkey High school auditorium Tuesday evening, April 11, County Agent W. B. Hooser announced Monday.

Dickson will make an address which is expected to be of interest to every farmer in Hall County, and the public is extended an invitation to attend.

At a banquet held in his honor last January 13 at the Texas Hotel in Fort Worth, the well-known Spur farmer was presented the 1939 Merit Award of the Texas Agricultural Workers Association for distinguished service to Texas agriculture.

As superintendent of the experiment sub-station at Spur, Dickson has achieved state-wide recognition for his accomplishments in pioneering soil and water conservation in this section. His experiments in grain sorghum improvement and livestock foods and feeding have also attracted a great deal of favorable attention.

As a pioneer experimenter in conservation methods, however, he has achieved his greatest prominence. In his work at the Spur station, Dickson plowed a virgin field unearthing many of the principles and practices of soil and water conservation that are today part and parcel of the broad and comprehensive national program.

Dickson's appearance at Turkey has been arranged by the Turkey Lion's Club through the Texas Agriculture Extension Service, and the sponsors hope to have a good representation of farmers from all parts of the county to hear the address.

PERSONALS

Miss Inez Morrison, who is attending business college in Fort Worth, spent the week-end here with her parents, Mr. and Mrs. W. B. Morrison. Her father took her to Fort Worth Monday.

Mr. and Mrs. Howard Weatherby of Shamrock spent the week-end with Mr. Weatherby's brother and family, Mr. and Mrs. T. D. Weatherby.

Mrs. Claude Daugherty of Seymour left Wednesday for her home after spending a week here with her foster daughter, Mrs. W. B. Hooser.

Mr. and Mrs. B. L. Pittman and daughter, Sara Ann, of Amarillo spent the week-end here visiting her parents, Mr. and Mrs. Lee Kerbow. They were accompanied by Miss Margaret Kerbow of Clarendon, who also visited home folks here.

Frank Duke and two children of Houston are here visiting his mother, Mrs. T. R. Franks.

Mr. and Mrs. Ben Wilkerson of Houston visited her mother Mrs. Jessie Jones, first of the week.

Paragraphs Culled from The Democrat's Exchange

When you hear someone denouncing America and its institutions, remember this: Think of what happens to those bold enough to speak, even in moderate tones, against the regime in power in Germany, Russia, Italy, and a host of smaller countries. Ours is a freedom possessed by no other people.

Some of these days the easy-going people of this nation are going to demand that the elements within our borders who are continually trying to undermine this government shall return to the governments they profess to love so dearly. Just now the Nazi element is attempting to cause a lot of disturbance. If they are not satisfied here, they should be sent back to Germany.—The Canyon News.

World affairs seem to be the least of the worries of the people of the United States these days. In nearly every state the legislatures are in session, and our national Congress is still battling over matters of interest to the great number of people here

in this country, so most of us are content to spend the greater part of our time wondering what is going to happen in Washington or at the state capital.—The Higgins News.

The shelterbelt plantings will be of use if they do nothing other than prove to the skeptical that trees will grow in this country. There are still some people who will tell you that trees will not grow here despite the nice groves on some farms. With miles of shelterbelts growing, there will be no basis for such a false argument.—The McLean News.

So far the objection has been found in Floyd County to the use of silage preserved under the ground. Some two- or three-year-old supplies of silage have been opened up recently to be found in practically as perfect condition as though it had only completed curing a week ago.—The Floydada Hesperian.

An election held at White Deer recently to vote revenue bonds to purchase the gas system from the

Central States Power Corporation was carried off to 11. Just as the transfer of the operation of the White Deer River.

Private utilities are selecting investors who will act as a definite policy that will tend to go with money. Not until that is done ahead with the expansion has been forced to begin so long and create the country so sorry. The Wheeler Times.

IT'S A HIT! The NEW **Firestone CHAMPION TIRE**

Because IT'S THE ONLY TIRE MADE WITH THE NEW SAFETY-LOCK CORD BODY and GEAR-GRIP TREAD

CAR OWNERS everywhere are acclaiming the extra blowout protection and non-skid safety of the new Firestone Champion Tire. And automobile manufacturers, knowing its outstanding performance, have adopted it for their new 1939 models. On every hand you hear, "It's the most effective tire we have ever had on wet pavement and in mud and snow!" It's the hit of 1939!

The Firestone Champion Tire is a completely new achievement in safety engineering and the result of a new and revolutionary means of locking greater safety into the cord body of a tire. This is accomplished first, by the use of a new type of tire cord called "Safety-Lock," in which the cotton fibers are more compactly interwoven to give greater strength. And then the fibers in each individual cord, the cords in each ply and the plies themselves are all securely locked together by a new and advanced Firestone process of Gum-Dipping, which provides amazingly greater strength—and greater strength means greater safety.

The new Safety-Lock cord construction gives the added strength that makes possible the use of the new thicker, tougher, deeper Firestone Gear-Grip Tread, which provides remarkably longer non-skid mileage. This sensational new tread is called "Gear-Grip" because of its design which has more than three sharp-edged angles that grip the road with footed hold to protect against skidding assure a safe stop.

Come in today and equip your car with new Firestone Champion Tires, the ones made that are safety-proved on the spot for your protection on the highway.

AB JENKINS
World's Safest
Ab Jenkins, holder of records for safety, endurance, who has more than a million miles on Firestone Tires without a flat, says, "On the steep extra safety of Firestone Dipped Tires on wet pavement."

of the City had been certified at that time. Four voting boxes will be set up at the City Hall for the city election Tuesday. Ward 1 will

vote in the Tax Collector's office, Ward 2 in the Municipal court room, Ward 3 in the office of the Chief of Police, and Ward 4 in the City Secretary's office. In the school board election Saturday, voters will poll their ballots at the office of the school tax collector in the City Hall. Polls will be open from 8 a. m. until 7 p. m.

Giants' Pitching Strength Seems Unknown Quantity

BY IRVING DIX

FROM a roster liberally sprinkled with convalescents, Bill Terry says he'll scrape together a club which will be a serious contender in the National League.

Carl Hubbell... will the old whip snap into shape?

But there are a number of experts who fear the Giants' physical uncertainties may prove their undoing.

New York pitching strength depends on the ultimate outcome of three operations. Carl Hubbell and Hal Schumacher had surgical work done on their arms.

Clyde Castleman still must be put in the unknown quantity classification because of the operation on his spine in the fall of 1937. The right-hander returned to the hill last season, but not very effectively, winning only four and losing five.

To add further to the Polo Grounds' worries, no one knows whether Cliff Melton will regain his fast ball and whether or not Burgess Whitehead will be able to take over at second base where he left off two years ago. Burgess suffered a nervous breakdown after an appendectomy last year. He must come back a long way.

There are plenty of "ifs" in Terry's plans, but he insists on a note of optimism.

BACK practically where he started from is Mule Haas, former outfield star of the Philadelphia Athletics. . . . Mule takes over as manager of the Oklahoma City club of the Texas League . . . which sent him up to the big time. . . . Don Lash, former Indiana cinder ace, holds the American indoor record of 8:58.4 for two miles, but never did better than 9:18 in the Big Ten.

The Washington club, listed at \$200,000, is incorporated at the lowest figure of any in the big leagues. . . . Archie Harris, Indiana sophomore, already has broken the Western Conference discuss record in practice, with a heave of 155 feet 2 inches. . . . Fred Haney, manager of the Browns, has a new weight-reducing wrinkle for baseballers.

Lakeview Cops—

(Continued from Page 1)

field events, the one-act plays and a special matinee at the Palace Theatre Friday afternoon.

Four Class A high schools, Memphis, Lakeview, Estelline, and Turkey, and thirteen rural schools, Eli, Plaska, Brice, Deep Lake, Parnell, Pleasant Valley, Salisbury, Webster, Bridle Bit, Weatherly, Friendship, Buffalo Flat, and Lesley were represented by hundreds of contestants in the various divisions of the two-day meet.

A summary of the winning contestants and schools in each event and division follows: (Contestants are listed in the order in which they placed. Only winners of the first four places are listed.)

Class A High School Senior Boys Declamation: Bobby Wheeler of Memphis, Junior Cunningham of Lakeview, and J. C. Denton of Lakeview.

Declamation, Junior Boys: Joe Berryman of Parnell, W. L. Crawford of Pleasant Valley; Robert Smith of Eli.

Declamation, Junior Girls: Frances Gilreath of Eli; Christine Trapp of Parnell; Gladys Mixon of Salisbury.

Declamation, Sub-junior Boys: Calvin Pitts of Pleasant Valley; Donald Ray Fuller of Eli; and Gene Hanner of Bridle Bit.

Declamation, Sub-junior Girls: Emma Lou Holcomb of Deep Lake; Katherine McElrath of Lesley; and Colleen Weatherly of Weatherly.

Clarendon Man Wins Judgement for 18 Cents from City Gas Company

While a battle over Clarendon's city ordinance reducing the gas rate from 70 cents to 50 cents was still hanging fire in district court in Travis County, Judge R. Y. King won a judgment for 18 cents from the City Gas Company in Justice Court at Clarendon last week.

The heated five-hour trial before Justice of the Peace W. A. Davis grew out of alleged violation of a clause in the company's franchise reducing the city gas rate ten cents effective in June of 1937.

The company, maintaining that the city had rendered the franchise clause invalid by passing an ordinance reducing the rate to 50 cents in 1933, and, appealing to the Railroad Commission, had refused to allow the 10-cent reduction King asserted in his suit. Their franchise, issued in 1927, called for the rate to be reduced from 70 cents to 60 cents after a 10-year period.

After a bristling 5-hour debate, Justice Davis awarded King an 18-cent refund of last month's gas bill. Attorneys for the gas company held, however, that the justice court (with a legal limit of \$200) did not have jurisdiction in the case, since instead of 18 cents, an estimated \$6,000 annual rate reduction was involved if the 10-cent cut was upheld.

In the meantime, the Clarendon company had warned consumers in that city that all who were attempting to pay bills at any rate less than 70 cents would be cut off, but failed to make good their threat in the allotted time; while their lawyers battled valiantly in District Court at Austin against an order by the Railroad Commission reducing the rate to 51 cents—an amount which, if upheld by the courts, will mean a saving considerable more than 18 cents to Judge King and all other Clarendon consumers.

Dr. and Mrs. R. E. Clark are in McGregor this week with Mrs. Clark's father, Judge John Freeman, who is reported very ill with flu and pneumonia.

J. A. Whaley was taken to Dallas by ambulance Wednesday from Amarillo. He had been in an Amarillo hospital for several days, and it was decided to take him to the Carroll-Driver Clinic in Dallas for attention. Mrs. J. A. Whaley, James Arthur Anthony and Herbert Estes accompanied him.

proximately 250 members newly organized 4-H take part in the show. County Agent Hooser ing the exposition are bay of Estelline, Ray Lakeview, and J. T. Memphis, vocational instructors in these th

for holding the show at the new location, which was the site of the Hall County Dairy Show last year.

Jake Tarter, county agricultural agent from Wheeler County, will judge the show this year. Ribbons and cash prizes will be awarded winning entries, calves competing in two classifications, milk-fed and dry-lot fed. The champions of the two divisions of the calf entries will compete for the titles of Grand Champion of the show and Reserve Champion.

The Memphis Chamber of Commerce has agreed to assist vocational agriculture instructors and 4-H Club leaders in sponsoring the show, and will raise money for cash prizes and bonuses to be awarded winning entries.

1000 People Attend County Meet Here Friday and Saturday

Track—
Parnell led the rural school division with 20 points, increasing the margin with 5 points for second place in the Pentathlon. Deep Lake, with no entry in the track, edged out Brice for third place by winning the pentathlon and 10 points. Brice was fourth with 13 points in the rural track and for third place in the pentathlon.

A summary of the complete meet follows. Events, time or distance, and names and schools of the winners of the first four places are given in order:

Senior Track and Field
120 yard high hurdles, 20.3 seconds: Rice of Memphis, Lawrence of Lakeview; Taylor of Memphis; and Watson of Lakeview.
100 yard dash, 11 seconds: Jones of Memphis, Lindsey of Memphis, Arnold of Turkey, and Powell of Memphis.
440 yard dash, 59.6 seconds: Lawrence of Lakeview; Strygley of Lakeview and Rice of Memphis tied for second; Lipscomb of Turkey.
880 yard run, 2 minutes, 15.2 seconds: Powell of Memphis; Wells of Lakeview, Sanders of Lakeview; and Geisler of Turkey.
220 yard low hurdles, 30 seconds: Rice of Memphis, Cunningham of Lakeview; Watson of Lakeview; and Lawrence of Lakeview.
220 yard dash, 24.7: Jones of Memphis; Lindsey of Memphis; Arnold of Turkey; and Stevenson of Turkey.
One mile run, 5 minutes, 4.2 seconds: Evans of Lakeview; Moore of Memphis, Rea of Lakeview, and Richardson of Turkey.
One mile relay, 4 minutes, 2.7 seconds: Memphis, with Jones, Powell, Moore, and Rice; Lakeview with Wailes, Cunningham, Strygley, and Lawrence.
High jump, 5 feet, 2 inches: Johnson of Turkey; Walls and Watson of Lakeview tied for second, Moore of Memphis.
Pole vault, 8 feet, 6 inches: Jones and Lindsey of Memphis tied for first, Dodson of Memphis, Wells of Lakeview.
Discus, 102 feet: Ewen of Estelline, Walls of Lakeview, Whitfield of Lakeview, and Roberson of Memphis.
Broad jump, 18 feet, 2 inches: Watson of Lakeview, Cunningham of Lakeview, Johnson of Turkey, and Evans of Lakeview.
Javelin throw, 133 feet: Roberson of Memphis, Dodson of Memphis, Jones of Memphis, Gilbert of Estelline.
Shot put, 38 feet, 8 inches: Walls of Lakeview, Ewen of Estelline, Watson of Lakeview, and Whitfield of Lakeview.
Class A Juniors
100 yard dash, 12 seconds: Strygley of Lakeview, Jeffries of

Memphis, Landers of Memphis and Wansley of Lakeview.
50 yard dash, 6.7 seconds: Jeffries of Memphis, Landers of Memphis and Strygley of Lakeview tied for second, Wansley of Lakeview.
Broad jump, 16 feet, 5 inches: Landers of Memphis and Strygley of Lakeview tied for first, Morris of Memphis, Pinkerton of Turkey.
High jump, 5 feet: Landers of Memphis, Wallace of Lakeview, Morris of Memphis, and Pinkerton of Turkey.
440 yard relay, 55.2 seconds: Memphis first with Morris, Landers, Grimes, and Jeffries; Lakeview second with Wallace, Wansley, Orcutt and Strygley; Turkey third with Pinkerton, Cruse, Boltman and Colvin; and Estelline fourth with Hueblin, Cavell, Gilbert, and Wise.
Pull-up, 20 times: Williams of Memphis, first; Jeffries of Memphis and Wansley of Lakeview tied for second at 16; and Bailey of Lakeview, 4th.

Lakeview Wins Senior Girls Track Events

Memphis Junior Girls Take First Place in Youngsters Division

Lakeview captured first place in Senior girls' track and field events Saturday, scoring 39 points to 13-1-2 for Memphis and 9-1-2 for Turkey.

Memphis junior girls nosed out Lakeview in their division of the girls' track and field with 30 points to 26-1-2 for Lakeview. Turkey was third with 6-1-2 and Estelline fourth with 3.

The girls' track and field events were under the direction of Robert Devin, and were held in the field south of Cyclone Stadium Saturday.

Caprock Relays— Hooser to Appear On Radio Program

each event, and finals will start promptly at 1 o'clock Saturday afternoon. The meet will be run on schedule, Hubbell asserted.

The schedule for finals in the track events follows:

120 yard high hurdles at 1:15; 100 yard dash at 1:30; 50 yard dash (juniors) at 1:40; 440 yard dash at 1:50; 100 yard dash (juniors) at 2 o'clock; 220 yard low hurdles at 2:10; 880 yard run at 2:25; 220 yard dash at 2:35; mile run at 2:45; medley relay at 2:55; 440 yard relay (juniors) at 3:10; and mile relay at 3:20.

In the field events, pole vault and shot put will begin at 1 o'clock; discus throw and high jump are on at 1:45; and the running broad jump and javelin throw start at 2:15.

County Agent W. B. Hooser announced this week that he will appear on a program to be broadcast over radio station KGNC at Anrillo on April 15 with a talk on 4-H Club work.

Hooser has taken a prominent place among 4-H Club organizers with the Texas Agriculture Extension Service, having had considerable success in club work in Wheeler County before coming to Hall County early this year. Since taking up his duties here in January, he has organized thirteen 4-H Clubs in the county which now have a combined membership of more than 250 boys.

His talk over KGNC will be presented in question-answer form, explaining the purposes and plans for 4-H Club work. Time of the program has not been announced.

WELCOME BACK—NEIGHBOR

JUDGING from the crowds which thronged the streets of Memphis Friday and Saturday for the Hall County Interscholastic League Meet, last week's prediction that 3,000 visitors would be in the city during the week-end was a conservative estimate.

With close cooperation between town and school, the finest possible weather conditions, and a carefully planned program, the County Meet was run off smoothly and pleasantly with none of the bickering and dissatisfaction which so often mars an event of this kind.

The Memphis schools are unusually well equipped for entertaining a large gathering of this type, and the more-than-adequate facilities provided doubtless contributed largely to the harmony and efficiency which characterized the Meet.

Already Memphis boasts the finest track, athletic field and stadium to be found in this area. The facilities of the three modern school buildings, combined with that offered by local churches, make available auditorium space which is more than adequate for the needs of a county or even a district Interscholastic League meet.

By next year Memphis will also boast one of the finest gymnasium buildings in the Panhandle, with seating capacity to care for large crowds and a gymnasium floor conforming in size to college regulations for basketball and other indoor athletic events.

Taking into consideration all of these factors, the suggestion advanced by at least one out-of-town school official, and endorsed by several others following the close of the County Meet last week-end, that the annual competition be held in Memphis each spring may be worthy of serious consideration on the part of all concerned.

Coaches from the four Class A schools of the county were unstinting in their praise for the efficient handling of the track and field meet last Saturday and all apparently favored a move to make Memphis the host city each year. Such a move has many favorable aspects, both for Memphis and for the other towns and communities of the county. Improved facilities available in Memphis are unequalled anywhere else in the county, while the opportunity to promote good will and good fellowship through the Memphis trade territory is one of inestimable value to the business men of this city.

Memphis, "the friendly city," is being offered an unequalled opportunity to prove its right to that title.

0000000

THE CITY PARK

PLANNING toward a greater Memphis, the civic leaders of this city have been busily laying the foundations for a fine city recreational center. After fifteen years of dreaming and planning, that project is now about to become a reality.

Dreaming idle dreams, however, has not produced the park. Hard work and expense and many hours of personal interest have been necessary on the part of its sponsors to make the dream a reality.

Now that the park is actually under construction, soon to become a real place of relaxation and recreation, it will still require that same spirit of interest and attention which has created it. Maintenance of the park and grounds will be a big task, and as in all public centers of this kind the maintenance must depend in a large measure on the people who make use of it.

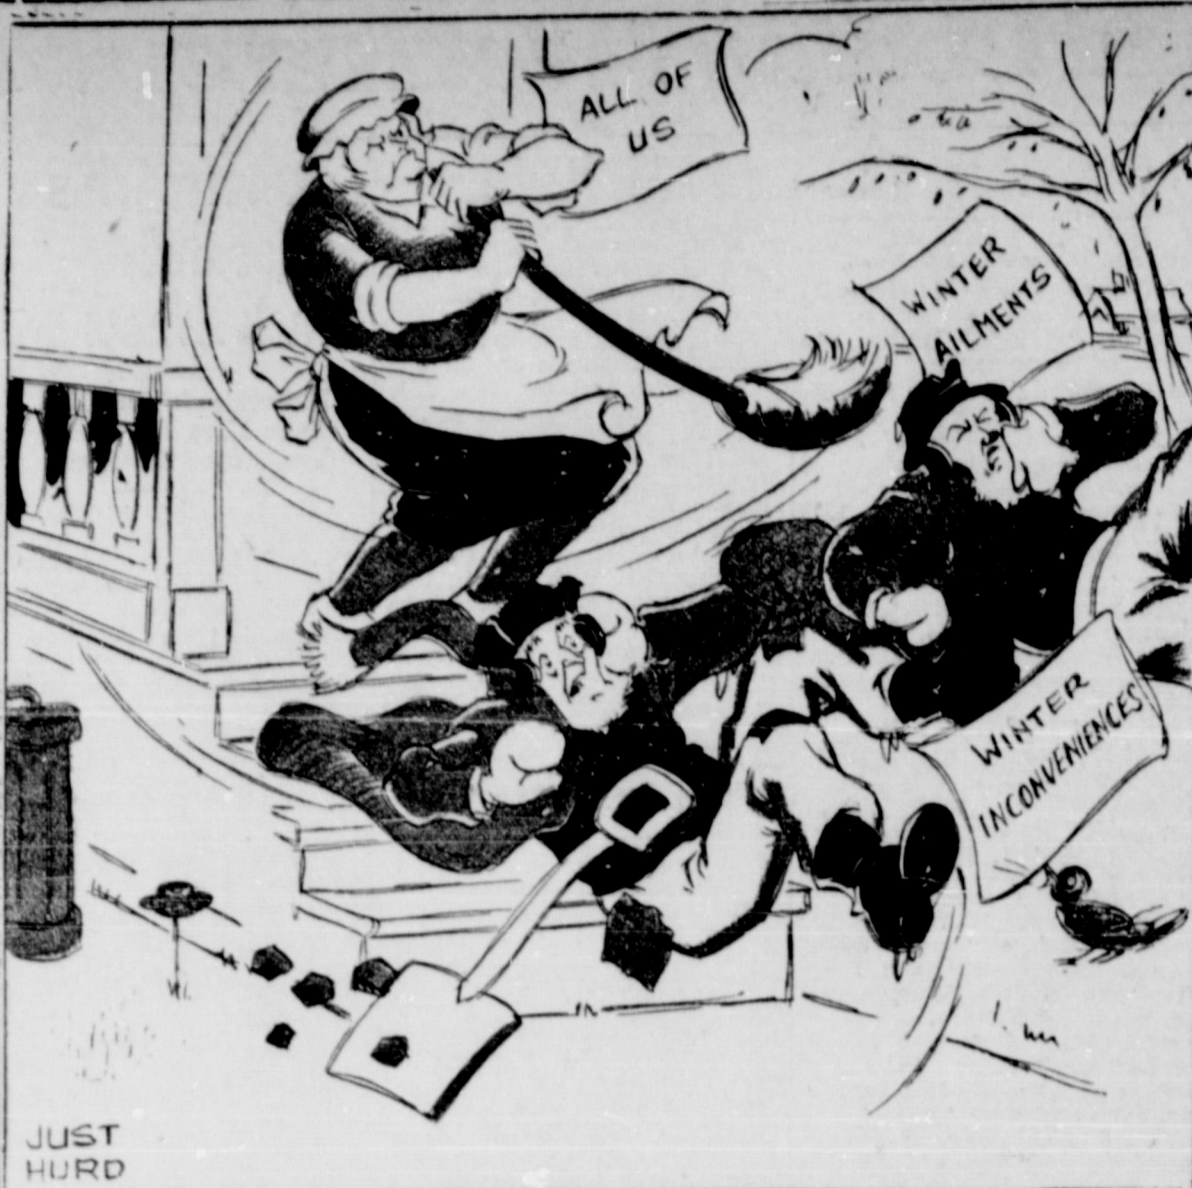

Considerable effort is being put forth to make Memphis' city park a clean, pleasant, and beautiful spot. It is up to the people of Memphis to keep it that way.

0000000

The cross that Europe has to bear is the double-cross . . . in Mr. Hitler's explanation of the legal base for the Czech grab, the other nations identify the base but not the legality. —The Dallas News.

0000000

A great many people criticize the government spending program, but practically everyone favors the farm subsidy provision when the government checks are due. There's something to this "personal appeal psychology."

JUST HURD

Planting Livestock Profits

By T. C. RICHARDSON, Secretary
Breeder-Feeder Association

Improved permanent pastures are of course the key to permanent success in livestock. More than is generally realized this is just as true of hogs and poultry (including turkeys) as it is of dairy cattle, sheep or beef cattle. Anything that can be done this spring, therefore, which will make the permanent pasture better either next summer or a year from now is a step in the right direction. There is still time to sow lespedeza, sod bermuda grass, and run contour furrows to hold the rainfall on the pastures.

Temporary pastures, such as sudan grass, are equally important. The permanent pasture sometimes runs short in the summer drought and it always needs an occasional rest so that the grass and clovers can mature seed, fill in the sparse spots, and maintain such a dense sod that weeds are held down. An over-grazed pasture usually soon becomes a weedy pasture, and the mower must be brought into play to control them.

Not only to help improve the permanent pasture, but of more immediate moment, is the need of temporary summer pastures to keep an ample supply of green grazing for all the livestock and poultry on the farm. A comparatively small acreage in sudan will keep the milk flow up when the permanent pasture is short or dry, it will keep the hens and turkeys healthy, it will supply an essential vitamin to all manner of animal life.

A good many successful farmers plant cowpeas or soy beans in the corn and turn livestock in to do the harvesting. In the western portions of Texas and Oklahoma the best practice is to plant the corn or grain sorghums "Two rows and skip one" with the beans or peas planted in the vacant row. Farther east there is usually enough summer rainfall to support both crops in the same row, but on thin land alternate

rows of corn and peas or soy beans is more generally the practice. The epicent is to use some legume crop, according to its best adaptation, because legumes are needed in a good ration, and they add to the productive value of the carbonaceous feeds, either grain or forage.

There remains the one sure-shot, twelve-month, source of succulent feed—the silo. Of all the "pastures," permanent or temporary, it is the only one which neither drouth nor waterspout, fire nor flood, heat nor cold, affects. It can be used any day in the year when needed, or it can be left indefinitely without deterioration. Many thousands of farmers in the Southwest have already proven the trench silo as a cheap and efficient method of storing feed as an insurance against shortages. Many more thousands will this spring plant for the silo, and those who do not will go on taking the risks of weather and fire.

What shall we plant? Whatever will grow best on your farm! Grain or sweet sorghums usually make the heavier yields in the Southwest, and where they "head out" well are equally as good, ton for ton, as corn. Corn and soy beans make an ideal silage but it takes good land and ample rainfall to produce a good crop where they are drilled together in the row. A good many farmers like popcorn as a silage crop, planted thickly. Plant whatever you think best on your farm, but plant silage of some sort!

It is pretty hard for a Southwestern farmer to ensile a corn crop which is making a good yield of grain. Those who know its value by experience do not hesitate to put a few bushels of corn crop in the silo, as Troy Fenner did last year. But Troy had been feeding silage and knew that forty bushels of grain in the silo is worth more than the same amount of dry grain.

For those whose heart might fail on a promising corn crop, it is probably better to plant something else for silage; but by all means plant something for the silo!

Mrs. Jack Brumley and little son, who live on Route 1, were callers at The Democrat office Wednesday.

CLAUDE'S Comments

By J. C. W.

A famous columnist asks, "Why is Ugliness Normal?" He says: Get away from your home town—wherever it may be—long enough to look at it with the eyes of a stranger. You will be amazed to see things that you never noticed before. The things that will amaze you most of all is how ugly and how untidy your home is. . . . Poverty has something to do with it, yet the homes of some of the rich residents are hopelessly ugly. What really oppresses you, however, is the needless, indefensible, shameless ugliness of the average American town. It ought not to be.

This is clean up week in Memphis. Some have attempted to clean up and beautify their own part of town; others have not. Let's all strive to get Memphis out of the "normal" class, and make it once more the cleanest town in Texas.

Rain, sleet, snow, winter and spring weather during the past week have given inhabitants something to think and talk about. The moisture, however, gives promise of good crops, beautiful yards and green grass this year, and should encourage all to do something about beautifying the homes in Memphis.

Work has started in earnest on the municipal park south of town. Temporary roads have been prepared and a temporary crossing laid on the creek near the park. Visit the future recreation spot of Memphis now and help to plan its beautification. It can be made the most attractive place in the Panhandle, by proper effort and cooperation.

CHAMPIONS, 1938 MODEL—With plans for the second annual Hall County Fat Stock Show on April 8 rapidly nearing completion, last year's winners will be making strong bids for more blue ribbons. More than 2,000 people attended the 1938 show here on March 5, and Roger Ellerd (upper left) exhibited the Grand Champion steer. Ellerd is shown with his prize animal and the purchaser, Hall Goodnight, Piggly Wiggly manager. Ted George (top center) showed the grand champion heifer. A. Powell of Childress, the purchaser, stands at his side. Winfred Rapp, (top right) and Roy Coleman, purchaser, stand with the reserve champion of the show. The lower panel of pictures show, left to right, A. T. Parker and his second prize heifer, Winfred Rapp and his reserve champion, D. Stillwell and his second prize heavyweight steer, and Clifton Burnett.

Governor Endorses Fight to Stamp Out Vacancy Land Racketeering in Texas

The state-wide movement to stamp out vacancy racketeering was given impetus last week by Governor W. Lee O'Daniel who urged passage of proposed land legislation now before the Legislature. He particularly praised the favorable report given by the House Public Lands Committee to a bill sponsored by Representative I. A. Smith of Bay City, saying the bill would end "racketeering in vacancy-seeking, protect the landowners and the public school fund."

Sponsors of the bill said it had the support of the majority of the House and Senate, educational leaders and bona-fide land claimants.

The governor's endorsement said: "A few days ago the house committee on public lands and buildings by overwhelming vote reported favorably a bill of which Rep. Paris Smith of Bay City is the author, and sponsored by Rep. Harold Hankamer of El Paso, to end the land vacancy racket in Texas.

"For many years this vacancy racket has been a disturbing factor in Texas and has resulted in many losing their faith in government, for land bought by ranchers and farmers from the state, which land they developed—was seized by greedy, self-serving per-

Garden Club Is Organized Here

Dr. W. C. Dickey was named first president at an organization meeting of the Memphis Garden Club last Thursday afternoon at the City Hall. Mrs. C. W. Kinslow was elected vice president and Miss Ruby Hoffman was named secretary-treasurer.

The Club will meet this afternoon (Thursday) to formally adopt a plan of work for the year. Objectives of the club outlined by the secretary include a program of city beautification, exchange of plants, and maintenance of a bureau of information.

Old melodies are like an off-shore breeze from the isles of the past, filling dingy sails of memories until they drift from the secret harbor and pass again in review. They are gone when the spell of the music is spent, like the rainbow hues of a bubble that vanishes suddenly leaving no more trace than a fallen tear.—Douglass Meador in Matador Tribune.

Misses Laverne Reynolds, Marie Kerbow, J. B. Gresham, and Johnnie Hancock visited Mr. and Mrs. Reed Graham in Childress Tuesday afternoon.

Farm Security Administration Will Make Immediate Loans to Farmers

In an effort to further assist the farmers of Hall County, the Farm Security Administration will make immediate loans to those who are complying with the Agricultural Conservation Program so they may have funds to undertake needed protection of their lands from wind erosion.

"Farmers unable to participate in the 1939 AAA soil conservation program because of lack of funds for material may now secure FSA funds for this work," announced L. H. Hauter, regional director, this week. "We feel that the farmer needs the money now if he is to undertake the correct land conservation practices. The Farm Security Administration has been designated by the Department of Agriculture to furnish this short term credit to the farmer."

Loans will be made up to 60 per cent of the anticipated AAA payment. The entire amount of the loan must be used for necessities to prepare the land for a crop, which will also serve as a wind erosion prevention crop, such as sorghums, millets and sudan grass. These necessities can include machinery, gasoline, oil or other supplies.

"In order to be eligible for these FSA loans, an applicant must be recommended by the AAA county committee and be unable to secure the necessary credit elsewhere," says Bob Land, local FSA supervisor. "This is in line with the FSA's policy of making loans only to farmers unable to secure credit from any other source," he said. "The borrower who can get financing when he needs it, from his bank or any private institution, is not eligible for FSA loans. The farmers also must agree not to execute an assignment of their payment other than to the Farm Security Administration."

Thirty six hundred farmers in Region XII last year took advantage of these loans. They borrowed a total of \$712,292 which was used for soil conservation practices and repaid from ACP payments.

Detailed information about the loans can be obtained from the Farm Security office in the Hall County Bank Building or from the local ACP committee.

Work Is Started On Park Road and Bridge Project

WPA Employs Eighty Men As Preliminary Work Begins Last Friday

Work was started last Friday at noon by the Works Progress Administration on a road leading from the end of South 6th street to the new city recreation park site. Eighty men are employed on the project which calls for an expenditure of approximately \$8,000 by the WPA for the construction of roads and a bridge across the creek south of town.

A temporary road has been constructed from the end of 6th street into the park, and workmen are busily moving dirt and filling in ravines for the new road. Steve Powell, WPA supervisor, is in charge of the work.

The project, requested by Hall County commissioners who have been working with the city council, chamber of commerce, and other local civic organizations to build the recreational center, was approved by the WPA a short time ago.

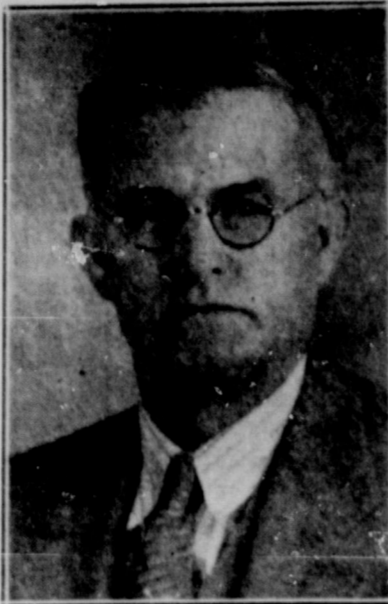

Massey Drive-In Opened This Week

Announcement was made this week of the opening of the new Massey Drive-In cafe on Noel and Tenth Streets here. Weldon Massey proprietor and owner.

The new establishment is located on the West Texas Utilities Company's properties and the building that houses the kitchen and dining room has been completely remodeled and refurnished in modern design.

In an advertisement appearing in this issue of the Democrat, Mr. Massey invites the people of this area to visit his new cafe and offers both counter and table service or car service in the large parking lot. Sunday dinners are a feature of the new establishment and his advertisement gives a complete menu for next Sunday's meal.

OPEN REVIVAL—Rev. J. Perry King, left, pastor of the First Baptist Church of Clarendon, and Rev. C. M. Brister, pastor of the Estelline Baptist Church, will open a revival meeting at Estelline next Sunday morning.

Clarendon Pastor Will Open Revival Sunday at Estelline Baptist Church

Judges' Plan Gets Favorable Report

State Senate and House committees on motor traffic and highways returned a favorable report last week on the so-called "County Judges' Plan" for utilizing all the 1 cent gasoline tax for road and road district bond debt retirement.

The favorable report came after Solicitor General White of the Department of Agriculture in Washington had ruled to Thomas McDonald, chief of the federal bureau of public roads, that passage of the proposed bills now before the Texas Legislature would not cause the state to be penalized by loss of any federal highway funds.

The principle of setting aside the one-cent tax for county road and road district bonds, principal and interest, had been unanimously approved and endorsed by the State Highway Commission and the Board of County and District Road Indebtedness on December 21 last year.

The county judges believe that the real effect of the plan will be felt most in lower county and district road taxes, and term it "The Ad Valorem Taxpayer's Plan."

During the calendar years from 1940 through 1965, County Judge M. O. Goodpasture estimated that Hall County would have to pay \$2,180,483 in interest and principal on its outstanding road bonds. Of this amount, it is calculated that \$1,813,680 could be paid through use of the one-cent tax after the plan sponsored by the county judges is passed by the legislature.

County Judge Goodpasture and members of the Hall County Commissioners Court have made several trips to Austin in the interests of the bill, and reported last week that a favorable response is being made by members of the legislature in Austin.

Those registering were, Messrs. Albert Bailey, H. Clifton, J. T. Duncan, T. N. Copeland, D. T. Eddins, Thurman Hutchins, Elbert Johnston, Elizabeth Kennedy, Walter Labay, Lester Phillips, Leon Phillips, Doyle Pyatt, C. L. Sloan, Margaret Tucker Melba Carr, Charlotte Prewitt, Ralph Moreman, Daisy Carter, Ben Prewitt, Mary Faulkner, Eltha Russell, Lois Jones, Earl Brown, Lillian Russell, Frankie Echols.

Rev. J. Perry King, pastor of the First Baptist Church at Clarendon, will open a revival meeting next Sunday, April 2, at the First Baptist Church in Estelline.

Rev. C. M. Brister, Estelline pastor, will assist in the services during the meeting which is planned to continue for two weeks. Services will be held at the regular hours on Sunday, and during the week beginning at 10 o'clock in the morning and 7:30 in the evenings.

The public is invited to attend the revival, Rev. Brister has announced. Special music will feature the services.

Estelline Culture Club Has Social Wednesday

One of the most elaborate socials of the 1932 Culture Club of Estelline for this year was the delightful "home-coming day" program given by the members at the home of Mrs. B. T. Prewitt, Wednesday.

An Easter theme characterized the decorations for the dinner with spring flowers artistically arranged in the reception and dining rooms.

The afternoon's entertainment was introduced by a greeting of welcome from the president, Mrs. Thurman Hutchins and the response for the former members was given by Mrs. Earl Brown.

Those registering were, Messrs. Albert Bailey, H. Clifton, J. T. Duncan, T. N. Copeland, D. T. Eddins, Thurman Hutchins, Elbert Johnston, Elizabeth Kennedy, Walter Labay, Lester Phillips, Leon Phillips, Doyle Pyatt, C. L. Sloan, Margaret Tucker Melba Carr, Charlotte Prewitt, Ralph Moreman, Daisy Carter, Ben Prewitt, Mary Faulkner, Eltha Russell, Lois Jones, Earl Brown, Lillian Russell, Frankie Echols.

Memphis, One Week Ahead With Spring STATE CLEAN-UP WEEK BEGINS

Cleaning, Has Reputation to Maintain

Memphis was a week ahead of the rest of the state in starting spring cleaning, a news release from Austin reveals. While this city, which sponsors a city-wide clean-up each month, concentrated this week on a real spring-house-cleaning, Governor W. Lee ODaniel in an official proclamation from the governor's mansion at Austin announced State Clean-up and Fire Prevention Week beginning April 2, which is next Sunday.

State and city-wide clean-up campaigns are scheduled over the entire state, these campaigns to facilitate public health protection, lessen fire losses, and promote public safety, according to Dr. George W. Cox, state health officer.

Citizens of Memphis, however, a jump ahead of the rest of the state will simply continue their usual practice of keeping the city clean instead of putting all their trash in one basket during the spring of the year.

Memphis once received a bronze plaque for having the cleanest city in Texas, and Memphis, having a reputation to uphold, has never gotten out of the habit. Once each month a city truck tours the city and collects all trash and garbage free of charge. The citizens of Memphis have cooperated with the program and taken advantage of the opportunity to keep their property clean and neat in appearance.

The good results of their work has shown up in reduced fire losses, and in the noticeably better appearance of the city in comparison with other towns of the same size.

Spring cleaning is a monthly affair in Memphis, but some of the suggestions issued by the State Department of Health for the state-wide clean-up next week may merit the attention of local citizens:

The observance of good sanitation principles indicates the necessity of prompt removal of all waste matter in and around homes to lessen the spread of disease, notably diseases affecting infants and children. Clean-up week is designed to focus attention upon the dirt and disease problems of the state.

Spring clean-up week provides an opportunity for the proper disposal of fire-generating accumulations. A check of homes and business establishments to unearth conditions which are favorable is important so that remedial procedures may be instituted.

Clean-up week gives each citizen an opportunity to investigate cleanliness of services which affect health conditions in his home. As a citizen you have the right to know whether your water supply is pure, whether your milk comes from a clean dairy, whether your community makes use of proper sanitation methods, whether your home has proper sewer connections and plumbing installations. You should make it a point to better inform yourself on the sanitary measures carried out in the various divisions of your municipal government and in business.

The idea of spring clean-up week in Texas is that it be an intensive one week period of scrubbing, raking, painting, etc. and it is hoped that spring clean-up week will generate a standard of cleanliness in each community which will be carried on for the succeeding weeks of the year.

Revival Campaign Closed on Sunday

The revival meeting, conducted at the First Baptist Church for two weeks, closed last Sunday night. According to the pastor, Rev. J. Wm. Mason, there were 38 additions to the church and 44 professions.

Rev. C. E. Hereford of Plainview was the preacher and John Matthews of Fort Worth directed the singing. Rev. Hereford delivered splendid sermons throughout the meeting, and the singing under the direction of Mr. Matthews was also exceptionally good, according to all reports.

The meeting was a success in spite of many interferences, Rev. Mason stated.

Mark Cummings of Borger Is Buried Here Wednesday

Former Local Citizen Dies at Borger Tuesday; Interment at Fairview

F. M. (Mark) Cummings, 73, of Borger was buried at Fairview Cemetery here Wednesday afternoon. Mr. Cummings, a former resident of Memphis, died at his home in Borger Tuesday. Funeral services were conducted in that city Wednesday morning, and the body was brought here Wednesday afternoon for interment.

Mr. Cummings was a brother of Mrs. C. Z. Stidham of this city. He had lived in Memphis for about ten years before moving to Borger where he had made his home for the past decade. He was formerly chief of police in that city.

Survivors include six daughters, Mrs. Claude Morgan of Pecos Gap, Mrs. Myrtle Caperton of Greenwood, Miss.; Mrs. Jack Morgan of Waldron, Ark.; Mrs. Paul Hofer of Borger, Mrs. Clarence Johnson of Hobbs, N. M., and Mrs. L. White of California. Mrs. Johnson, Mrs. Hofer and Mrs. Morgan were present for the services here.

Rev. J. Wm. Mason, pastor of the Memphis Baptist Church, officiated at the burial service. The body was accompanied to Memphis by the pallbearers and a number of other friends of the deceased.

Dr. B. R. Ezzell of Shilvertown spent Wednesday here with relatives.

New Easter Bonnets Will Feature Flower Garden Motifs

Relative of Local Minister Dies

Mrs. W. M. Hudson, an aunt of Minister Joe Findley of the local First Christian Church, died Saturday night at her home in Shreveport. Brother Findley had gone to Shreveport last week to be at her bedside.

PERSONALS

Mr. and Mrs. Freeman Curtis and Mr. and Mrs. Adron Burkhalter spent the week-end in Dismitt where they visited friends and relatives.

Mr. and Mrs. Bennett Wyatt and baby of Oklahoma City came Saturday to visit Mr. and Mrs. A. M. Wyatt and other relatives. They returned to Oklahoma City Sunday.

Mrs. Fred Berry, Estelline, correspondent for The Democrat, was a visitor in Memphis Monday.

Veils and Flowers Features Milady's Easter Bonnet

Sailors in Straw Are Leading Style for Summer Millinery

Veils for the Easter Bonnet are definitely in this year, and in spite of the turmoil over new fashions in headwear stirred up by radio commentators, columnists, style experts, and the man on the street, a wider variety than ever before is being shown in spring and summer millinery.

The trend ranges from the "little girl styles" to the definitely sophisticated "gay ninety" creations, but veils are very much in evidence on practically all models. For the most part they tie under the chin with ribbon or veiling, and with the bow give an appealing look to the wearer.

Both forward and off-the-face models are being featured this spring with apparently equal popularity. Sailors are rapidly becoming the popular model for summer wear, most styles featuring the high crown with veils and flowers attached in every conceivable fashion.

Straws are the popular material, ranging in color from natural straw to the burnt toast, or tuscany. Black and navy have held a prominent place in the early season models, but pastel shades and white are coming into prominence during the summer season.

The flower garden has reappeared on milady's hat this season, the floral ornamentation being especially adapted to the sailor models. Following the upward swing in straws, the peach basket or lampshade silhouette has appeared as the height of fashion this season. These have been developed in both straw and fabric, and are shown in a variety of trims. The majority feature veils or streamers, however, along with the flower-garden effect.

The classic hats continue to be important for the conservative or mature woman and for sports wear. Swagger felts, small felts in cushion brims, bumpers and small shapes of all sizes are of definite importance in spring millinery. The casual snap brim and the ever-popular Breton in both straw and felt are featured in smart shops this season for sports and casual wear.

The Easter Bonnet, this year, will be definitely "fussy," however, with veils and flowers in profuse array, and the virile comments excited from all sources have only served to place the new styles prominently in the public eye.

Fire Insurance Rates May Get Another Slash

Further Reduction for Texas Is Predicted By State Commissioner

Fire insurance rates in Texas may soon be slashed for the second time within a year according to Marvin Hall, state fire insurance commissioner, who this week announced that a public hearing would be held on April 17 to consider rates and various other matters pertaining to fire insurance.

"Although the loss ratio figures and experience records are as yet incomplete," Hall said, "The present trend is very encouraging, and will probably mean further reduction in fire insurance rates."

Our fire prevention program is showing results and bringing us nearer the goal of lower insurance costs to the citizens of Texas."

On June 15, 1938, the Board of Insurance Commissioners issued orders which effected an approximate annual saving in insurance cost of \$2,500,000.

"Drastic reductions were made last June," Hall pointed out, "on those classes of property which affect the greatest number of people and provide the largest part of the premium volume of the state. After the hearing on April 17 of this year, it is hoped the figures will justify still further reductions. The figures we now have are evidence that greater savings are forthcoming."

Locals and Personals

Mrs. Jack Sitton and little daughter of Amarillo visited her parents, Mr. and Mrs. George Dickson at Brice the past week-end.

Mr. and Mrs. J. R. McGuire and Mr. and Mrs. J. P. O'Daniel and children of Tullia visited in the Roert Low in home Sunday. The McGuires are Mrs. Devin's parents.

A. M. Howard was a business visitor in Amarillo Monday.

LAKEVIEW

By MRS. JACK ALLEN

Mr. and Mrs. M. O. Summer-ville visited their daughter, Mrs. Shieldnight, and children in Childress Saturday and Sunday.

Vern Duren visited her uncle, Bud Godfrey and family, of Memphis over the week-end.

Bobbie Nell Boren, who is a nurse in a Memphis hospital, visited her parents, Mr. and Mrs. J. H. Boren, Sunday afternoon.

Mr. and Mrs. Cecil Mitchell have moved to San Antonio to make their home. Mrs. Mitchell is the former Miss Josie Reeves.

Mr. and Mrs. W. C. Wyatt have gone to Dalhart for several weeks' visit with their son, John Wyatt and family.

Miss Mildred Gatlin, who is employed at Sweetwater, is here visiting her parents, Mr. and Mrs. W. A. Gatlin.

Mr. and Mrs. Cone Adams are the proud parents of a baby girl, born Thursday, March 23. Mother and baby are doing fine.

Mrs. Daisy Castile, formerly Daisy Wells, of Santa Maria, Calif., is here at the bedside of her father, S. P. Wells, who is seriously ill of pneumonia.

Mrs. Tom Isham is reported better after having been in the hospital for several days with an infected throat.

Mrs. Walter Bownds visited in the Swearingen community Thursday.

The revival meeting at the Methodist Church closed Tuesday night of last week. Services were conducted by Rev. Bascom Morton of Millsap.

Mr. and Mrs. Earl Duke of the Deep Lake community attended church here last Sunday.

Mr. and Mrs. Foy Berry and son Joe Neal visited in the home of Mr. and Mrs. Gibson Sunday.

Beth McCreevy spent the week-end with Carmon Duren.

Mr. and Mrs. Gene Gordon of Paducah visited relatives and friends here Sunday.

Larue Long spent Sunday with Bessie Lee Scott.

R. M. Holt Jr. of Elk City, Okla., visited his parents, Mr. and Mrs. R. M. Holt and also his sister, Mrs. R. C. Ellis, Sunday.

Mrs. Raymond Pruitt and daughter, Patsy Ray, of Lubbock are here visiting her mother, Mrs.

Small Residence is Destroyed by Fire

The residence of J. W. New, just northeast of Fairview Cemetery, formerly used as a filling station, was destroyed by fire last Friday morning. All the household goods and wearing apparel were also destroyed.

Mr. New had recently purchased the property.

Ben Smith.

Alton Mitchell went to San Antonio Saturday, returning Monday.

An Easter program will be given at the Methodist Church Sunday evening, April 2. Everyone is invited to attend.

The deputy state superintendent, J. D. Beard from Childress, made a tour of inspection in the Lakeview schools Monday. He was accompanied by County Superintendent Vera Tops Gilreath. The Home Economics girls served lunch for them, with the school trustees also present as guests.

Mrs. Lila Milton spent Sunday with Mr. and Mrs. George Payne.

Mrs. Hugh Colley is improving after being ill for several days.

Mr. and Mrs. Earl Fortenberry visited in Lakeview Sunday.

Visitors in the Watson home Sunday were Mrs. Dean and her son and daughter-in-law from Clarendon, Mr. and Mrs. Will Odell of Petersburg, Mrs. Ben Diggs of Portales, N. M., Mr. and Mrs. Raymond Diggs of Clarendon, Mr. and Mrs. Jeff Melton of Hedley, Mrs. Daisy Stafford and daughter, Billie Marie of McLean, Mr. and Mrs. Bud Daniels and Ernest Jones of McLean, Earl Watson of Hedley, Mr. and Mrs. Joe Barbett of Lakeview and Mr. and Mrs. Troy Payne of Lakeview. Mr. Watson has been quite ill, but is reported to be improving.

Mr. and Mrs. Jim McCombs of Tullia visited relatives and friends here Saturday.

This community was saddened by the passing of H. W. Davis, who died suddenly Tuesday morning.

Mrs. H. M. Davis received word Monday of the death of her brother, Mark Cummings of Borger.

New Styles Offer Varied Costume Changes

NEWLIN

By MRS. FRED HEMPHILL

A heavy rain fell north and east of town Saturday afternoon amounting to about two inches, with only a light shower here.

Mrs. O. T. Walker Dies

News was received last week of the death of Mrs. O. T. Walker of near Lubbock. Mrs. Walker was a resident of the Gilpin community for about 20 years, having moved with her family three years ago to near Lubbock. Her husband O. T. Walker who preceded her in death a year ago, was commissioner of the Gilpin and Harrell Chapel precinct for four years during their residence here. Mrs. Walker is survived by three daughters, Mrs. Ethel Hill, Mrs. Ivie Tucker, and Mrs. Elmer Taylor. Interment was in Lubbock cemetery.

Birth Announcement

Mr. and Mrs. Ogle Martin of Galveston announces the arrival of a six and one-half pound baby girl, born on March 21. She has been named Gwenneth Lee, and is the first granddaughter of M. C. Martin, and is also the granddaughter of Mr. and Mrs. D. W. Lawrence.

Revival Meeting to Begin

According to announcements made Sunday a revival meeting will begin at the Baptist Church on Monday night after Easter under the direction of Rev. Roy Filippo of Amarillo. Rev. E. F. Cook will direct the singing. The meeting, announced to begin at the Methodist Church on the first Sunday, has been postponed due to the illness of the pastor, Rev. Ivie, who has been confined to his bed the past ten days but is some better at this time. He is to leave for Florida to be at the bedside of his father and brother who are both very ill, as soon as he can travel. He will be accompanied by Rev. Davis Calhoun.

The singing class from Plaska visited the Newlin singing class Tuesday night, and brought with them a number of the new Stamp books. President Foster of the Hall County Singers Convention took charge of the occasion and presented the junior quartet in several numbers. Also the girls quartet and the Foster quartet were heard, and the feature of the evening was a bass solo by 15-year-old Cecil Foster. The class meets each Tuesday night.

Returns to Hospital

Supt. Cheves is very ill in a Memphis hospital after relapsing from a "strep" throat infection. He became ill early Friday morning and it was necessary to perform an operation on his throat Saturday. Mrs. Sutton of Wellington is teaching in his absence. Word was received early Friday by Mrs. Cheves of the death of her sister-in-law who resided in Alamosa, Colo. She was unable to attend the funeral.

Flu Epidemic Still Raging

Several new cases of the flu and sore throat is being reported in the community and several are absent from school. Miss M. Canne, primary teacher, was sick the past few days but was able to resume her classes Monday. Mrs. D. W. Lawrence is sick in bed and Mrs. R. D. Long was stricken very ill en route home from Quail where she had been visiting Sunday.

Called to Wellington

Rev. L. J. Crawford was called to Wellington Tuesday afternoon by the illness of Mrs. Crawford's niece, who underwent an append-

icitis operation. She is reported to be doing nicely.

Mr. and Mrs. Henry Wasson and small son Gary came in Wednesday from Los Angeles where they have been the past 18 months. They expect to make their home here.

Mr. and Mrs. J. L. Newton of Lela are visiting their daughter and family, Mr. and Mrs. Frank Solomon here. Mrs. Solomon is recovering from the flu.

Mr. and Mrs. Victor Padgett and daughter Dorothy are visiting their parents Mr. and Mrs. Will Padgett this week.

Guy Kereheville made a business trip to Austin last week. The early morning train killed a cow near the depot Monday, which should be a warning to stock owners who are allowing their cows to take advantage of the grass on the right-of-way.

Several cows are killed this way each year.

Fred Hemphill was called to Quannah Saturday by the illness of his cousin Mrs. Beatrice Meek Hardin, who had an appendectomy last Wednesday and needed a blood transfusion. Mrs. Hardin is still very ill.

PERSONALS

Mr. and Mrs. Joe Baumgardner and daughter Patricia of Wellington visited Mr. and Mrs. R. L. Madden Tuesday.

Mrs. D. L. C. Kinard returned Tuesday from Waco where she visited her daughter Jerry, who is attending Baylor University.

Jess Rosenwasser is in Lockhart visiting his mother.

SAYS THE EASTER BUNNY: "C'mon, there's more values from Rosenwasser's on the next page."

Men Will Inject New Colors Into Easter Parade of 1939

Bright Colors And Ensembles for Men Are On Display

Color Predominates in Men's Clothing For 1939 Easter Parade

Bright new colors and contrasting ensembles in men's wear are due to make their appearance this year in the Easter Parade. A wide selection of colors and new shades are on display in Memphis stores this week as the pre-Easter sales begin.

Color is the predominating feature in the new styles for men. Never before in history has there been such a mass-desertion of the conservative grays, browns, and blacks in men's wear.

Bright reds, blues greens, and contrasting plaids and stripes are making their appearance for the younger and more sporting tastes. For the more conservative, there is a wide selection in less conspicuous shades of green, tan and blue, while the traditional white will be featured for summer wear in contrasting ensembles.

With a new avalanche of color in men's clothing, and a new feeling for style consciousness making its appearance this year, the males are turning to color charts to select suitable color combinations for ensembles. Green slacks, with shirts and sports coats in sand, khaki, or contrasting shades of green offer wide possibilities.

Attractive shades in grays and blues may be blended into suitable combinations, and for a symphony in brown, the new brown slacks with beige shirts and tie to match should prove popular. Shirts or sports in light green of the new cinnamon brown should make a handsome ensemble with the brown slacks.

For the more daring, there are unlimited opportunities for combinations in the bright stripes and plaids being featured in 1939 model sports coats.

Bush coats for sports, leisure time, or even business wear are a prominent feature of the new styling. Worn with comfortable slacks, they provide a neat appearing suit for any informal occasion. The new coats are available in the lightest of wool or rayon fabrics, and may be secured either with slacks to match or in contrasting colors.

To the average man, the most pleasing feature of the new trend in men's styles is its extreme economy. By making careful selections, a small wardrobe may be made to do double duty. Slip on the dark green bush coat with the white palm beach slacks, or perhaps they're an attractive tan shade, and presto! you have a new and different suit for the occasion.

The enormous popularity of contrasting ensembles this year makes a wide variety with a small selection of clothing an intriguing possibility.

Gloves Add Color To Spring Costume

There is more color in gloves this spring, says a fashion note from Dallas, although navy remains a favorite. Women are less afraid of trying a color in gloves, and are realizing more and more that a colored glove makes a young and pretty accent with most costume colors.

The season's colors include rosy tan rust, wine, purple, navy and medium pastels.

Advertise in The Democrat!

'Big' News When, Carnera Weds

Primo Carnera, the "Mountain who walks like a man," has again changed managers—this time for good. Above, the former heavyweight champion and his bride, the former Signorina Cavassi, leave the church following the ceremony at Sequals, Italy.

Dusty Shades Are Popular This Year In Men's Hats

Snap Brim Models With Wider Brims Featured In All New Colors

Brighter tones in men's hats, to conform with the bright new shades in coats and slacks, are being featured for the well-dressed man of 1939. Dusty shades of blue, green, grays and tans are the most popular.

The classic style for spring this year is the snap-brim model, with back kicked up. Brims are slightly wider, and with the new slightly tapered crowns give the impression of being lower than in previous seasons. Extremely wide brims are featured for the sporting-minded, but the well-dressed man will appear in more conservative styles.

Light summer weights in the new felts are extremely popular, both for their appearance and coolness.

A dusty green shade is one of the more popular colors in hats this year, since it can be worn well with most of the new colors. Light grays, too, are in order, and will be favored by the more conservative.

Extremely light shades are popular with all classes. The dusty tones are favored, style experts say, because they give the hat an appearance of being slightly worn and appeal to the mass distaste for a "new" hat.

Ribbon bands are narrow, and narrow welt edges, or in the lighter and more extreme styles—raw edges with narrow cord or woven bands are being shown.

GILES

By MRS. J. A. LEMMON

Mr. and Mrs. Arthur Childress and little daughter, Mary Frances, visited relatives in Memphis Sunday.

Misses Alleen and Pauleen McCants of Hartley were here for a visit with Mrs. Arthur Ranson over the week-end.

Rollie Kelley came down from Amarillo Saturday for a visit with his parents, Mr. and Mrs. B. F. Kelley.

Mrs. Jerry Stotts of Childress spent last week here with her parents, Mr. and Mrs. G. L. Foster.

Mr. and Mrs. J. O. Stotts visited Mr. and Mrs. John Ode in Dumas several days last week.

Arthur Ranson attended court in Clarendon last week. He was a grand juror from this section of the county.

Jess Adamson of Clarendon was assessing taxes in this community Wednesday of last week.

Reatha Louise, little daughter of Mr. and Mrs. A. E. Ranson Jr., was quite ill last week but is much improved now.

Mr. and Mrs. E. Paul of Memphis visited in the home of Mr.

CORRECTION

The names of Gloria Virginia Howard, June Joyce and Bobby Claire Davenport were unintentionally omitted last week from the list of 14 pupils entered by Mrs. Conley Ward in the Music Festival held in Amarillo March 16-18, in which all made excellent grades of 90 to 97.

Mr. and Mrs. B. F. Kelley Sunday, and Mrs. Carl Reid and daughters were Hedley visitors Sunday.

Mr. and Mrs. Truett Behrens of Clarendon visited with Mr. and Mrs. F. L. Behrens Sunday.

H. H. Stotts and A. E. and Jack Ranson were Amarillo visitors Saturday.

Mr. and Mrs. Demos Childress had as their guests Sunday Mr. and Mrs. Carlisle of Borger, Mr. and Mrs. Claude Childress of Brownsville, Mr. and Mrs. Eldred Childress and children of Memphis, and Mr. and Mrs. Emil Kirsten of Memphis.

Mr. and Mrs. M. H. Maxwell and D. N. Huddleston were recent business visitors in Clarendon.

Mr. and Mrs. J. W. Stewart and children, Edna and Gene, were Memphis visitors Saturday.

Marie Waters and F. L. Behrens Jr. were Childress visitors Saturday.

Slacks for Women In Popular Style

Hop-sacking and the new light-weight rayon materials in slacks and sports wear for women are featured by local stores this week.

Offering the utmost in comfort and style, these summer-weight style leaders are both attractive and economical. Designed for sports and casual wear, they will prove a handy costume for many activities.

The slacks are designed for wear with bolera-type jackets in contrasting colors, and are featured in all the season's newest shades.

Japonica Is Newest In Spring Hosiery

A welcome newcomer among this spring's hosiery colors is japonica, a deeper and richer shade of copper than that which reached a popularity peak last year.

Japonica is appropriate for wear with all the favored colors of the spring spectrum.

Sewing Circle Time in Carolina

Busy on their entries, three Meredith College co-eds keep a sewing machine humming as they prepare for North Carolina's biggest style event. Girls from nine colleges will be judged on dresses made by themselves from raw materials converted into finished products at the schools. Above, left to right: Sally Arnold, Amella Pruitt, and Eula Hutchison.

Cleaning Problems Get Attention of Farm Families

Suggestions for Spring Cleaning in Farm Yards And Premises Listed

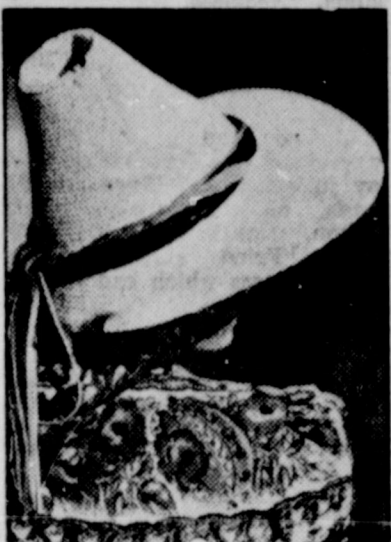

By LOIS WAGGONER
FSA Home Worker

With the approach of spring comes cleaning problems. Not only does the proverbial house-cleaning take place, but yards and premises should likewise be cleaned.

Clean up, rake up, brush up, and mend up. These are some of the problems which Farm Security families are solving at the present time.

Perhaps your yard is littered with cans, bottles, or old pieces of lumber. Then, let's get out the wheel barrow or wagon and haul them away. Those pieces of machinery which have remained in the yard year after year should be removed and stored behind the barn or out of sight. Your neighbors will probably appreciate the removal of these unnecessary ar-

A Hat That Hides

ticles if they are within the neighbors' line of vision.

Of course, there's the problem of weeds. Weeds have always and always will be with us unless we do something about it. The weeds not only lend an unsightly appearance but also form a breeding place for insects and fungus pests. Consequently, yards and garden spots should be clear-

We wish to thank the many friends for their acts of kindness and words of sympathy at the death of our darling baby; also for the beautiful floral offerings. To all we extend our heartfelt thanks.

Mr. and Mrs. Jack Eastland and Family.
W. S. Smith and Family.

New Men's Shoes Are Styled for Comfort, Color

Huaraches and Sandals Are Newest Developments in Footwear for Men

Styles in men's shoes this year following the trend in other forms of men's dress, are designed to be cool and comfortable and in good taste with the brighter colors and greater freedom in suits and sports clothes.

Grays and tans in calf and other fine leathers will be popular for dress wear. Whites, too, will be favored, fitting in well with almost any costume from palm beach to the brighter shades in blue, green, and tan.

Most important development in shoes for leisure wear this year is an American version of the Mexican huarache in oxford, sandal, or moccasin type. Made of woven leather strips, they are designed for coolness and comfort. These shoes are available with either leather or heavy crepe sole.

Blouchers, the box-type square-toed shoes designed for comfort and sporty appearance, are a popular type.

Thick crepe soles on sports shoes this year are expected to jump in popularity with the recent announcement that the shoes can be re-soled. Local shoe shops are equipped to do the work.

Sandals will be a popular 1939 style for men, and are featured in a wide variety of styles and colors.

and family of Plaska spent Sunday in the home of W. D. Bevers. The plays, "What's in a Name" and "The Younger Generation" will be presented Friday night. Admission will be ten cents.

ROSENWASSER'S

Range Conservation Program for '39 Explained by County Agent Hooser

Ranchmen in Hall County who wish to participate in the 1939 range program will first sign application for determination of grazing capacity, and then confer and reach an agreement with the range inspector, county agent, or county committee to be carried out on the ranch, filling out the report of examination of range land, County Agent W. B. Hooser announced this week.

The maximum amount of money that can be earned under the range conservation program for carrying out range-building practices on any ranch is calculated at the rate of \$1 for each animal unit on the ranch, plus 2 cents for each acre of range land. There must be a minimum of 10 acres of range land for each animal unit, and the 2-cent rate on acreage cannot apply to more than 60 acres per unit. An animal unit is one cow, one horse, five goats, or five sheep, or an equivalent, Hooser explained.

The grazing capacity of any ranch participating in the program for the first time this year will be determined through a field survey by a county range inspector. The inspector will take into consideration the composition, palatability, and density of forage growth, variations in weather conditions, distribution and character of watering facilities, topography, presence or absence of rodents and poisonous plants, and the number of classes of livestock previously carried. On ranches where a grazing capacity was established in 1938, detailed inspection will not be necessary.

The payment for natural seedings by deferred grazing will be limited to 40 per cent of the range building allowance.

Dam sites should be chosen carefully, the county agent warned, and ranchmen should confer with authorities before construction is begun. Provision for construction of concrete dams has been made where earthen dams are not practical.

To qualify for payment for development of natural watering places, the operator must at his

Breath of Spring

"Spring!" shouts this charming Balenciaga daytime dress, featuring classic simplicity of line, stylish small waist, and new swing skirt. The costume is styled in pale porcelain blue, with matching buttons and a navy blue leather belt.

own expense wall up the spring or seep with concrete or masonry walls and fence and protect it from trampling, and the water must be conveyed to a tank through a trough or pipe not less than one inch in diameter.

A list of payments for a practices under the range program can be secured from the county agent.

I GIVE YOU TEXAS

By BOYCE HOUSE
Plagiarism? A restaurant in Round Rock (which is where Sam Bass was shot to death) proclaims, "Neckless, wingless, backless fried chicken." Another cafe there asserts, "Original neckless, wingless, backless fried chicken."
Another feud in food: Side by side on the Fort Worth highway just north of Waco are two stands, one advertising "Fried chicken, California style," the other, "Fried chicken, Texas style." Guess which had the bigger crowd?

"That's the way we do it in business," heard last summer, is being quoted by those favoring Clint Small's proposal to wipe out the state deficit by issuing four-year bonds at a low rate of interest and thereby do away with the present situation whereby the taxpayer is paying more for supplies and work because bidders make plenty of allowance for the discount on state warrants.

A radio station recently cut a speaker off the air because he was talking against giving the presidential nomination to John Garner. However, from the same station each week, Elliott Roosevelt criticizes President Roose-

velt's administration. Should the Vice President be treated with more consideration than the President?

This is an "off year" as far as an election is concerned so it might be a good time to go into the whole business of "freedom of the air," so-called. Last year, for example, friends of Ralph Yarborough were paying for some time on the air but the candidate for Attorney General couldn't say what he wanted to because attorneys for the station (who were supporting one of Yarborough's opponents) ruled against this statement: "Let's keep the door of opportunity open for every boy and girl in Texas and not allow it to be locked so that it can be opened only by monopoly's key of gold."

Happiest lad in Texas probably is Oliver Grote. This chronicler witnessed the colorful climax of the Fort Worth Fat Stock Show a few days ago when the 12-year old Mason County 4-H Club boy sold his grand champion steer for \$1.26 a pound—the record price this season. The animal was bought for \$1,039.50.

Remember the joke about the fellow who played poker every night with some card sharps? He went to their room one evening, found the door locked and threw his bank-roll through the transom, saying "They'd have won it, anyway."

Drought Issues Regulations Defining Political Activity for WPA Men

ANTELOPE FLAT

By GUSSIE MARIE BULLOCK

Mrs. Dan Dean, who has been in a hospital in Memphis for the past two weeks suffering from heart trouble, is reported to be improving slowly.

Miss Cleo Bradley of Amarillo is spending the week with Mr. and Mrs. S. A. James.

A. L. and J. C. Durham received a message that their sister, Mrs. G. R. Mullins of Clovis, N. M., who recently underwent a major operation, is improving.

Mr. and Mrs. D. W. Evans and daughter Marion and son Ernest, Dan Dean, Leon Sanders, Roy and Nadyne Waldrop, Margie Northcutt, and Gussie Marie Bullock were among those attending the Hall County Interscholastic League Meet at Memphis Friday and Saturday. Ernest Evans took first place in the mile run, and Leon Sanders placed in the broad jump.

The women of this community met at the schoolhouse Thursday afternoon for the purpose of organizing a quilting club. Mrs. Henry Edens was elected president, Mrs. Birdie Sanderson vice president, Miss Lola Mae Durham secretary-treasurer, and Miss Emma Bullock, reporter.

All from the "flu" last week were Mrs. D. W. Evans, Zack Luther Dean, Charles Bullock, Earl Bullock, Mrs. Oscar Bullock and son Jimmy, and Mr. and Mrs. Tom Blasingame.

Mr. and Mrs. Roy Heckman and daughters of Silvertown spent Sunday in the C. S. Graves home.

Mr. and Mrs. J. C. Bullock and children were in Silvertown Saturday.

Mr. and Mrs. C. S. Graves and children were in Memphis Saturday.

Mr. and Mrs. Floyd Woods and children and Mrs. Dewey Beavers and son and Mr. and Mrs. Donald Alexander of Silvertown spent Sunday with Mr. Beavers at the Heckman camp on the JA Ranch.

John Rhea and son Burch of Palo Duro spent Sunday with their daughters and sisters, Joan and Ramona, who are visiting in the home of their grandfather, W. N. Bullock, while their mother is in the hospital at Sanitorium. Reports from Mrs. Rhea are encouraging and it is thought that she will be able to return home earlier than expected.

Miss Edith Waldrop of Clarendon spent Sunday with her parents, Mr. and Mrs. L. L. Waldrop. Burrell Rhea, Gussie Marie Bullock, and Alma Graves visited friends at Heckman Sunday afternoon.

Jessie Lee McDonald of Heckman spent Sunday night with Alma Graves and Gussie Marie Bullock.

Little James Robert Sanders is ill with the measles this week.

Regulations defining political activity by employees of the Works Progress Administration and outlining methods of enforcement were issued today to all WPA administrative officers by H. F. Drought, state administrator.

Drought's instructions are based upon provision of the joint resolution adopted by Congress appropriating WPA funds for the remainder of the current fiscal year and followed the receipt of a bulletin from Federal Administrator F. C. Harrington on this subject.

All cases involving such possible felonies as promises of jobs or other benefits as a reward for political activity, penalizing workers for political reasons, race, creed or color and solicitations of funds from relief workers will be forwarded to the state administrator. At his request, investigation of all such complaints will be made by the WPA Division of Investigation. Findings of this division will be available as a basis of prosecution by the Department of Justice. A maximum fine of \$1,000 and imprisonment for one year, or both, is provided as the penalty for such violations.

Taking effect immediately, the regulations are to be posted on bulletin boards at the site of every project and at all administrative offices throughout the state. Under the terms of the resolution supervisory or administrative employees of WPA are prohibited from engaging in political campaigns in any manner. Policy of WPA regarding the exercise of the voting franchise, Drought stated, remains as follows:

"Every citizen who works for the Works Progress Administration, whatever his job, has a right to vote in any election for any candidate he chooses. When the hours during which polling places are open or any other conditions prevent employees from freely exercising their voting privileges, scheduled hours of work may be adjusted to provide the necessary time for this purpose. Employees shall not be paid for time allowed during which to vote, but they shall be permitted insofar as is practicable through rescheduling of working hours to work their full quota of hours during the payroll month for which the time off is granted."

Locals and Personals

Mr. and Mrs. W. A. Buchanan were here first of the week to visit her mother, Mrs. J. C. Lamb, who has been ill.

Mrs. Newman Harrington and son Sterling of Quitaque were guests in the J. S. McMurry home the past week-end.

Supt. Vance Swinburn and Ott Bevers, of Lakeview, were business visitors in Memphis Wednesday morning.

Latest Styles for Men Designed for Coolness and Color

PLEASANT VALLEY

By MRS. E. W. PATE

Miss Estell Hillhouse visited friends and relatives in Paris over the week-end.

Mr. and Mrs. Harris Read and family of Memphis visited Mr. and Mrs. Willie Benton Sunday. Little Berna Carol Benton has been ill with the measles, but is reported improving nicely at this time.

Hassel Hillhouse of Newlin, spent Saturday night with Frankie Masters.

Mr. and Mrs. John Molloy and daughter visited Mr. and Mrs. Burl Lowe at Weatherly Sunday. Miss Ethel Hillhouse visited her parents at Newlin over the week-end.

M. O. Sanders, formerly of this community but now of Portales, N. M., was here on business this week. He reported that Mrs. Sanders was seriously ill with the "flu."

Miss Tittle of Plaska was a week-end guest of Mary Boswell. Mr. and Mrs. Leo Koeninger visited Sidney Koeninger and family at Newlin Sunday.

Eiwyn Pate entertained his friends Saturday night with a party. A large crowd was present, all reporting a good time.

New Hair-Do

Up on top in the hair-do hurry-burly is that shown by the model, above, at a Chicago beauty trade show. The style still retains the upswept mode—but the hair is cut short, not shingled. Maximum length of the hair all over the head is approximately three inches.

'39 Styles for Men Are Designed for Freedom, Comfort

Slacks and Sports Coats In Light-weight Material Feature New Styling

The Easter Parade, 1939 model, should be the most colorful in history if the present trends in men's clothing catch on as well as the fashion designers predict. The modern male is coming into his own, and after many years of conservative dress, is due to blossom forth in bright new plumage this year.

Men's styles are more radical, and more colorful, than ever before—and the trend for spring and summer promises more freedom and greater coolness and comfort in men's dress.

Men's suits this year are featuring slacks and sports coats in the lightest of materials. Special summer weights in wools and the new rayon fabrics are on display at Memphis clothing stores, all ready for display in the Easter Parade.

Palm beach suits, too, designed for the last word in cool comfort, are on display in the latest style models and should continue in popularity this year as a perennial favorite.

One of the outstanding features of the new styling for men this year shows up, however, in the clothing especially designed for leisure wear, and with the hot summer months coming on in this section, it's a safe prediction that a good majority of the men will adopt these informal styles for business wear.

Shirts of soft fabrics, designed to be worn either inside or outside the trousers, are prominent among the display counters. Stiffly starched collars and hot long sleeves may be replaced during the summer by these neat appearing, yet cool and loosely fitting, leisure-wear shirts. Wide flat collars are featured on many models.

The slacks, which are superseding trousers in popularity, are made with deep pleats, well-tailored, and neat in appearance. The fullness about the waist and hips allows roominess and comfort while still preserving a neat appearance. They should prove quite popular, too, with the men who boast prominent bay windows, since the full cut of the new slacks tends to minimize the protruding effect—streamlining the figure in the most modern manner.

Slightly narrower at the cuffs, the new slacks carry out the streamlined style and at the same time tend to hold the creases better and prevent bagginess.

All the new models are available in a variety of colors.

Stock Sales Good In Spite of Rain

In spite of cold and rainy weather Tuesday, the weekly livestock auction sale of the M and M Livestock Commission maintained a good average and trading was brisk with the demand for horses, mules, and young brood mares particularly strong.

Buyers were present from Fort Worth and Oklahoma City. There was a good run of mixed stock, horses and mules. Another big sale is planned next Tuesday, when buyers from all over this section will converge on the Memphis sale.

Young mules and brood mares will be in big demand. Large numbers of the animals are being shipped to the southeastern states.

CALIFORNIA WOMEN HURT IN CAR ACCIDENT

Mrs. Sam Brown was called to Amarillo Tuesday to meet her sister, Mrs. F. M. Robinson, and Mrs. Virginia Robinson, both of Pasadena, Calif., who were injured in an automobile accident near Portales, N. M., while en route to Memphis. The accident occurred near Portales Monday. The car was overturned and completely demolished, but the women were not seriously injured and planned to come on to this city today (Thursday).

Farm Meetings Are Planned at Plaska And Lakeview

Community Agriculture Associations May Be Organized Next Week

Plaska farmers will meet Tuesday night, April 4, at the Baptist Church to elect a community committee to succeed L. H. Weaver, who is leaving the county. County Agent W. B. Hooser announced this week. The meeting will be held at 7:30 p. m.

County Agent Hooser, Assistant County Agent F. R. Curtis and members of the County Agricultural Committee will attend the meeting and assist in conducting the election.

At the same meeting, an attempt will be made to organize a community agriculture association. All farmers in the Plaska community area are urged to attend.

Monday night a similar meeting will be held at the school house at Lakeview, and farmers in that area will organize a community association, discuss the farm program, and make plans for demonstration projects. The meeting is set for 7:30 o'clock.

On Wednesday night, a meeting of the recently organized community agriculture association at Turkey will be held, and the Estelline association will hold a meeting April 13.

CHURCHES

PRESBYTERIAN CHURCH

Bishop Ivan Lee Holt wrote a very interesting book some years ago which he was pleased to call "The Return of Spring to a Man's Soul." It seems so appropriate to think in terms like that now that spring is here, and so many life giving forces all about us to quicken, to inspire, and to lead into a larger spiritual life.

Will you permit the songs of the church, the communion of the church, and the prayers of the church to again bring spring time into your soul? Is it spring time in your soul today? I wonder if in the spring you ever read Alan Seeger's immortal lines on the rendezvous with death?

"Sure some would cry its better far
To crown their days with sleep,
Than face the wind, the road, the rain,
To heed the calling deep;
Though wet, nor blow, nor space
I fear,
Yet fear I deeply, too,
Lest death shall strike and claim
The me ere.

I keep life's rendezvous.
In the days of Isaiah in the 28th chapter, 12th verse, we have these words, "To whom he said This is the refreshing." The Sunday school and church has a place for you.

E. C. Cargill, Pastor.

FIRST BAPTIST CHURCH

The pastor will preach Sunday morning on "Naaman's Case" with II Kings 5:1-11 as the scriptural background. There are too many people in the world today like Naaman—they want every thing done in their own way even to their salvation. We cannot dictate to God. He has His plan of salvation and it is up to us to follow it.

Sunday evening the message will be on the subject, "God's Moment" with II Cor. 6:2 as the

ELI

By MRS. J. T. NELSON

Several cases of measles are reported in this community. Visiting in the Y. Z. Smith home Sunday evening were Mr. and Mrs. Odell Newbrough and children, Mr. and Mrs. Haskell Smith, Mr. and Mrs. J. T. Nelson, Mr. and Mrs. Roy Smith and son, Mrs. J. H. Gleaton and son, and George Yeager.

Mrs. J. T. Nelson visited her brother, E. M. Ewen of Memphis, Saturday afternoon.

Joe Mae Smith of Canyon visited her mother this week-end. Shirley Patrick's children visited their grandparents, Mr. and Mrs. Wade Patrick, Sunday.

Mr. and Mrs. Ed Smith and children spent Sunday with Mr. and Mrs. Joe Miller.

Mr. and Mrs. Harvey Moore and daughters, Jeannene and Loretta, spent Sunday with Mr. and Mrs. Oscar Moore.

text. There is an acceptable time and there is an accepting time. Have you acted? If anyone knows of friends who have not trusted the Lord, please let them know that there is an accepting time, and that time is now. There will be good music at both services.

The Sunday school attendance last Sunday was 558 and the B. T. U. 175. These were good crowds, and we ought to keep up the good work. There should be more in the B. T. U. every Sunday night. There were 38 who united with the church during the meeting, but 44 people came up on the invitation to a surrendered life. We feel that the meeting was a splendid one in spite of the many interferences during the two weeks.

Lord's Supper will follow immediately after the morning services. Baptismal services immediately following the evening service.

Rev. J. Wm. Mason, Pastor.

To Discuss Wheat Insurance Here

Representatives of the farm program in Hall and three neighboring counties will meet in Memphis today (Friday) for a discussion of wheat crop insurance for the 1939-40 season and 1939 wheat price adjustment payments by the AAA.

Bill Dryden, Panhandle area field representative of the AAA, is to be in charge of the meeting and explain plans to make crop insurance policies more conveniently obtained in the future. Delegations from Donley, Collingsworth and Childers counties are to include Agricultural Conservation Association secretaries and treasurers, county committeemen, extension service representatives, and county crop insurance supervisors.

Carl Harrison and family visited in Dalhart and Amarillo the past week-end.

Southern Women Reply to Query

Wherever they go, the "Touring Reporters" find eager answers to their question, "Were you helped by CARDUI?" Of 1297 users queried among those of 12 states, 1206 stated CARDUI benefited them. That is 93 out of every 100! Users everywhere are glad to tell how CARDUI has made them want and enjoy food; how, with its help, they gained strength, energy, were thus relieved of the symptoms of "functional dysmenorrhea" due to malnutrition. Many also say that, when symptoms indicate the need, CARDUI in larger doses helps "at the time" to soothe pain.

Color In Easter Styles Preview

Color Is Keynote Of Style in Suits And Dress Models

Feminine Touch Replaces Tailored Effects; Frills Are Style-Leaders Now

The style barometer is rising on a tide of color as Easter styles for 1939 feature brightest plumage in popular ne wand old shades. Dresses and suits are succumbing to the feminine influence, and many of the newest models follow the little girl trend to flattering advantage.

Suits are extremely prominent in styles for spring, but this year the lines, instead of being sharply tailored, are being softened and feminized by cleverly designed dressmaker touches. Collarless jackets give a decidedly softened appearance to the neckline, and others, featuring the high rounded reverses which though similar to the lapels of last season, are more feminine, all carry out the little girl and feminine trends so prevalent in styles this year.

Shoulders remain raised and broadened, tending to make the waistline slenderer in contrast, and jackets are longer, giving a smoother appearance to the hips. Skirts are definitely shorter.

Bringing color into the suit picture offers an excellent opportunity to the "designing" female. Ingenious color combinations will be in the height of style, with tweeds in mixtures, plaids, stripes, and checks of every possible description used in developing skirts and jackets for the season's suits.

Most of the new models are single breasted. Tucks at the shoulders, rounder edges of the jacket, and other minor touches lend the feminine appearance in contrast to the sharply tailored models of other years.

Costume suit ensembles in light woollens and crepes will be popular in all new shades, such as fuchsia, marine blue, rose violet, and argentia as well as black. Most of these ensembles are fur trimmed.

Among the more popular new colors in spring wear now featured by local stores are char-treuse, fuschia, and japonica. All are available in alpacas, sheers,

YOUTHFUL dash for the matron is obtained through Pattern 8422, an all-around dress featuring a round yoke, with scalloped closing, and a gathered waist. Sizes: 34, 36, 38, 40, 42, 44, 46, 48.

Three of the smartest details you can wear this spring are contained in Pattern 8412—a princess waistline, a gathered bodice, and frills. Sizes: 14, 16, 18, 20, 40, 42.

Almost as reducing as a liquid diet, Pattern 8428 accentuates slenderness through the lifted waistline and the soft, paneled skirt. Sizes: 36, 38, 40, 42, 44, 46, 48, 50, 52.

For your favorite tot, Pattern 8429 presents a dress-and-panties outfit sure to please. The neckline is the square, shallow kind so becoming to baby faces. Full-length pleats are stitched beneath the pointed shoulder tabs, then fall free to the hem. Sizes: 2, 3, 4, and 5 years.

To obtain a **PATTERN and STEP-BY-STEP SEWING INSTRUCTIONS** of any of the above, send 15 cents IN COIN, your NAME, ADDRESS, STYLE NUMBER and SIZE. Be sure to MENTION THE NAME OF THIS NEWSPAPER.

Address your envelope to The Memphis Democrat Pattern Service, Seventh Ave., New York City, New York.

Bags and Shoes In Matching Shades

Matching accessories will be an important feature of M'lady's Easter wardrobe this spring, highlighting the sharply contrasting costume shades.

Bags and shoes will be chosen to match, with patent and leathers the most popular materials. Alligator, too, is a popular trend. Toast has asserted itself as one of the more popular shades in spring shoes.

Gloves in doe skin and fabric are featured, chosen to match either the costume or fabric on the hat.

Flowers are an important item in choosing accessories. Shoulder corsages are featured on most costumes this spring. Lacy handkerchiefs add to the frills of the 1939 styles in a sweeping return to femininity.

and candy tuft crepes—the more popular materials in new dress wear.

Prints are always in favor during the spring, and this year is no exception. White, gold, and bright middle blue backgrounds are extremely popular with closely massed small florals, small floral groupings in cameo effect, stripes and plaids to match, and women stripes, tiny patterns with a swirling movement, the ground well covered, and huge widely spaced motifs for evening the most popular patterns for spring

and summer dresses. The ever-popular polka dot is still a perennial favorite in all sizes and colors for all types of dresses. They are on a par in popularity this season with stripes, which are becoming more fashionable as the season wears on.

Dresses this season are being frequently shown with extra jackets or redingotes. These are usually fitted and fall in the category of princess lines.

Blouses shown for wear under dressmaker suits are extremely feminine and almost guileless in their outlook.

BEAUTIFUL NEW EASTER HOSE!
