The Commissioners' Court met Monday with all members except R. C. Edmiston present and after allowing all small accounts and routine business, passed an order employing John S. Oglesby to audit the County's books for the next two years, for 1934 and 1935.

The bond for the Sheriff was approved and the quarterly report for both County Clerk and Treasurer were approved.

The Court also passed on and adjusted claims and ordered same paid to the following parties on Highway No. 30, all accounts were small ones, Ed Finnigan, Wm. Mittle, W. M. Holland, Mrs. E. L. Calcote and Guy Bodine.

The Court adjourned Monday afternoon.

LION CLUB NEWS

The Lions Club met Wednesday with a goodly membership present and two visitors. The visitors were Judge C. L. South of Coleman and the other was Neal Hollis.

The entertainment was furnished by Mrs. Elton Smith, Miss Helen Stanford and Miss which was enjoyed by all Lions present. The reading of Mrs. Smith brought back pleasant memories to several of the elderly Lions, captioned, "Under the Buggy Seat."

The Lions Club voted unanimously to assist Supt. Holt and Coach Williamson in trying to secure the play-off football game if Eldorado should get in the play-off for the last game, to come to Eldorado and to work to that end.

One of the visitors, Mr. Hollis said he was moving to Eldorado and wanted to get up a Bugler and drum band for Eldorado.

Eldorado Wins From Junction

Raymond Reynolds

The Eldorado Eagles went to Junction Saturday November 11th. The Junction Eagles had been undefeated, but they suffered a defeat of 6 to 7 at the hands of the Eldorado Eagles. The Junction Eagles had been undefeated in Conference games.

The Eldorado Eagles took a pass in the second quarter for a touchdown and Captain Isaacs kicked the extra point.

During the third quarter, the Junction Eagles took a pass for a touchdown, but failed at the extra point.

During the fourth quarter, W. B. Gibson intercepted a pass from the Junction Eagles, which nearly took him off his feet, but he held on to the ball. This makes the fourth pass that Gibson has intercepted this year.

The Eldorado Eagles gallantly stopped and held the power drives of the Junction Eagles.

The Eldorado Eagles attained four twenty-yard-line penetrations, while the opposing team gained only two penetrations. Junction had thirteen first downs to Eldorado's nine.

The Eldorado team should be complimented on its splendid cooperation.

Two thousand persons viewed the Eldorado victory

On the same date the Ozona Lions defeated the Sonora Bronchos by a score of 38 to 0, throwing Junction, Ozona and Eldorado, at present, in a three way tie for this half of the district.

Next Saturday, November 18 Eldorado meets Menard at Eldorado in another Conference game. The entire population of Eldorado is expected to be out at the game backing up the Eagles.

The starting line-up for Eldorado was:

Billie Kerr, L. E.; A. Page, L. T. E. Butler, L. G.; W. Gibson, C.; J. Jones, R. G.; D. DeLong, R. T.; A. Carr, R. E.; J. Hext, Quarterback; R. J. Alexander, Left Halfback; G. Casey, Right Halfback; J. Isaacs, Fullback.

Substitutes: J. Meador, J. Shugart, F. Susan, R. Jones.

Officials of the game were: Fisher: Referee, San Antonio; Jim Forgason: Umpire, San Antonio;

Pierce: Linesman, San Antonio.

Bud Ellis was in from the ranch Saturday on business.

Judge C. L. South Out For Congress

Judge South of Coleman was in Eldorado Wednesday, guest of R. D. Holt, an old friend of his in Coleman County, that he met in days gone by. Judge South is a candidate for Congress from this district, which was created by the last Legislature and it seems that there will be quite a number of candidates to select from, but Judge South has quite a few friends in Schleicher County.

W. A. Schuller was in from the ranch Thursday and moved up his subscription to The Success for one year.

Eldorado Eagles Win Over Junction 7 - 0

Well, The Success figured it out right last week when we predicted that the Eldorado Eagles were scheduled to beat the Junction Eagles by a very close decision. In fact, now they are headed for the District Championship, as the games now stand, it is a three-way tie. Ozona beat Eldorado, Junction beat Ozona and Eldorado beat Junction, and our guess is that from the games played that the Eldorado Eagles will nose out for the Championship. Although they will have to fight hard the next two games if it should fall on them to play two games.

A letter from Rev. J. C. Young at Goliad, Texas, says for us to send The Success to them in their new field, and says that The Success gets better with age. We know, or "ust" to know something else that improved with age, why not The Success? Bro. and Mrs. Young have many warm friends in our city that wish them well where ever their labor carries them. The only request we might make of Rev. Young when he gets acquainted with Mrs. H. M. Brigham, is that he does not tell her too much dope on the editor.

McClatchey - Hutchins

Sunday morning at nine O'clock at the ranch home of Mr. and Mrs. W. H. McClatchey, nine miles northeast of Eldorado, Mr. F. R. Hutchins of San Antonio led to the marriage after one of Schleicher's most charming young ladies, Miss Mabel McClatchey, daughter of Mr. and Mrs. W. H. McClatchey. Miss McClatchey has resided in Schleicher County for the past 13 years and has bloomed into womanhood in our midst. She has many charming features and has sung frequently in solos and duets in church services. She has won the friendship and admiration of all our people, who congratulate the groom for the hand he has won.

The groom is a son of Mr. and Mrs. A. R. Hutchins Sr. of Uvalde, who is special representative of the Texas Co., for which he has worked for the past 18 years.

The acting clergerman was the Rev. W. H. Marshall pastor of the First Methodist Church of our city.

Only a few friends and relatives witnessed the ceremony. Miss Elizabeth Hutchins of Uvalde, sister of the bridegroom, who was maid of honor, and Cecil McClatchey, brother of the bride, best man, were the only attendants.

Mrs. Hutchins wore a brown triple-sheer crepe dress trimmed with brown velvet and accessories to match. She carried a corsage of bride's roses. Miss Hutchins wore a black satin suit with accessories to match, and carried a corsage of red roses.

Out-of-town guests for the wedding were Mr. and Mrs. R. A. Hutchins, Miss Elizabeth Hutchins, and Mr. and Mrs. A. R. Hutchins, Jr., of San Antonio. Immediately after the ceremony, the couple left for a short trip after which they will be at home at 502 Erie Avenue in San Antonio.

FLOWERS FOR THE LIVING

Mrs. Kate E. Robinson, an Eldorado Merchant for the past 32 years, is celebrating her 71st Birthday this Friday, November 17th. She came to Eldorado in 1901 and has been since that time in the Mercantile business. During her years in our city she has been our nearest neighbor and the flowers she had given can only be seen by those who know her best and many of them are never seen only by the recipient. She believes in giving flowers to the living. She has been a successful business woman and has helped to tide many families over the rough places in life by her generosity in a business way.

Her many friends congratulate her on this birthday and wish her many other such annual events.

FIRST QUARTERLY CONFERENCE HELD

Rev. S. L. Bathelhor was in Eldorado Sunday night and after services at the Methodist Church, held the First Quarterly Conference for the year 1933-34. Of course it was so early, less than 20 days, after the last, Fourth Quarterly Conference of the year just past, the local members did not have much to report, except plan and talk for the coming year's work. Although the report showed that almost \$100 had been collected and paid out by the local church since the last Conference.

Eldorado was well represented at Junction. Those who attended report that about 1,000,000 people witnessed the game between Eldorado Eagles and Junction Eagles, and when the feathers quit flying Eldorado had one more Quill than the Junction boys could hold up, therefore were the victors.

Rainy weather Saturday morning kept several Eldorado cars from going to Junction and the price of gas also had its bearing on the trip.

The number of car wrecks and lives lost in the past few weeks is almost alarming. There must be a reason.

The rain last week was fine on the young grain that has just come up from the rain week before last. The rains have been light but are doing lots of good if they will just keep coming.

Arrests for drunkenness in Dallas for the month of October numbered eight hundred and eighty-eight, the highest total for any one month in the history of that city, according to police reports. This is just a sample of the kind of temperance that legal sale of intoxicants promotes, and is doubtless being duplicated in every locality in the state where liquor sales are licensed. —Florence Vidette

One fine afternoon back in 1913 an obscure prince was shot in the equally obscure city of Sarajevo. To most of the world the event simply meant one more scarehead and nothing more. Then armies began mobilizing. Lights burned late in chancelleries. The British Navy set out for maneuvers several weeks ahead of the normal time. And the greatest war in history was underway.

Matters are not especially different in Europe now. Hitler's withdrawal of Germany from the League of Nations and the disarmament conference, has sent the greatest scare since those 1913 days through premiers and emperors, congresses and parliaments. The Hitler position is that the Versailles treaty is unbearable—that the refusal to meet Germany on an equal basis so far as armaments, especially, are concerned, thrust the blame onto the other powers and that whatever happens will be their fault. Position of the other powers is more vague than that, and more confused. But they definitely fear Germany. Theoretically she has no army, save a small Reichswehr made up of picked men in for long terms. Practically, she has a great army consisting of Hitler's brown shirts, which, under command of schooled Reichswehr officers, is powerful indeed. Her great lack is the weapons of offense—artillery, tanks, planes.

Final decision may be left to France, which has most at stake, is most afraid. Many European statesmen believe it is time to declare a preventative war on Germany, crush her absolutely and unseat Hitler, before she has time to prepare. Smaller countries are alarmer—barricades are rising on the Swiss frontier, and her small, but first-class army received increased appropriations, went into harsh training. There is a link of nations around Germany of which but one, France, is great—the others, however, by cumulative action, could make it very unpleasant for Hitler.

So far as the United States is concerned, these events are of only economic importance. Roosevelt

 When you find yourself knocking the other fellow, just remember you are giving expression to snobbishness and self-conceit so manifest in your own life.

A selfish Christian is a contradiction.

E. M. Acker and son, Milton, were in Eldorado Monday shaking hands with old friends. While here they made The Success office a visit, finding the Editor out. We regret our being out. Mr. Acker is the manufacturer of "Acker's Black Medicine". He gave us a bottle several years ago and we have never been sick since. We believe it a good preventative.

Take a Pinch of BLACK-DRAUGHT For Distress After Meals
 He had suffered distress after meals, but by taking Theford's Black-Draught he was relieved of this trouble, writes Mr. Jess Higgins, of Dawsonville, Ga.
 "I had sour stomach and gas," Mr. Higgins explains, "and often I would have bilious spells. I read about Theford's Black-Draught and began to take it. It relieved me of this trouble. I keep it all the time now. I consider it a fine medicine. I take a pinch of Black-Draught after meals when I need it. It helps to prevent sick headache and to keep the system in good order."
 Now you can get Black-Draught in the form of a SYRUP, for CHILDREN.

SHOWER HONORING MRS. F. R. HUTCHINS

On Friday afternoon, November 10th, at the home of Mrs. J. E. Tisdale, the Methodist Missionary Ladies, assisted by Mrs. Lawrence Steen and Mrs. Leland Haynes, sponsored a miscellaneous shower honoring Miss Mabel McClatchey, who became the bride of Mr. F. R. Hutchins, of San Antonio, Sunday, November 12.

The home was beautifully decorated carrying out the autumn colors and an improvised rainbow was used in carrying out the program.

Little Master James Bryan Roberts and Little Miss Emily Ann Harper were dressed as the bride and groom and entered carrying a telegram for the bride-elect.

After following a string, which represented the trail leading to the end of the rainbow, a pot of gold, so to speak, was found. Many useful and beautiful gifts were there as a reward for the bride-elect.

Delicious refreshments were served to a number of friends and relatives.

Mr. and Mrs. B. E. Moore were shopping and visiting in the city Monday.

Charlie Yancy was in the city Saturday mingling with friends.

AMERICAN BOOK WEEK
 NOV. 12 - 18

(Editorial)

The modern school is based upon a good library and the modern education is based upon reading good books.

Lincoln Walked 20 miles to borrow a book but your high school library has more and better books than Lincoln knew.

Why waste your time reading a poor book when it takes no more time to read a good one?

There is no ship like a book to bear us to lands far away.

GIVE ME

Leave to enjoy myself. That place that does

Contain my books, the best companions, is

To me a glorious court, where hourly I

Converse with the old sages and philosophers;

And sometimes, for variety, I confer

With Kings and Emperors and weigh their counsel;

Calling their victories, if unjustly got,

Unto a strict account, and in my fancy

Deface their ill-fated statutes. Can I then

Part with such constant pleasures, to embrace

Uncertain vanities? No! be it your care

To augment a heap of wealth; it shall be mine

To increase in knowledge. —Fletcher.

CECIL MOORE GETS FREE TRIP

Marguerite Chick

The Santa Fe Railroad is giving free, to the boys that had

the best show records of 1933, a trip to the Chicago Grand

Royal Stock Show and 4-H Club Congress. These records were

judged at College Station October 25th. Cecil Moore gets to go on this trip. He also won a gold medal that was given at the county and it also won at College Station.

Cecil will leave November 30th, and he will be gone ten days. While he is there he will attend besides the Grand Royal Stock Show and the 4-H Club Congress, three banquets that will be given for the 4-H Club members. All the representatives of different clubs will attend these banquets.

The reason for the 4-H Club Congress which meets every year at Chicago is to find out the different rules of the Club and to find out the different work that is being done by the 4-H Club boys and girls.

Thus the western half of District 14 B has a three-way tie at the present. Each of the leading teams has one more league game to play but each of the leaders is doped to win that game. The tie between the leaders will have to be played off and the winner must play "Fredericksburg" by December 2nd. One of the teams evidently will have at least three games to play before the Fredericksburg and that will be a hard schedule.

REV. MARSHALL SPEAKS IN ASSEMBLY

Cleone Morgan

Rev. W. H. Marshall gave a very interesting, as well as beneficial talk to the assembly Friday morning. His talk was on the basis of three points, but the point he stressed most was "Education Is a Privilege." He

told us that education was only a privilege for us. If we wanted it we could take the privilege and if not we could leave it. There was another thing he told us that might interest some of us and that might interest in further life; also he offered to the student who would write the most complete and best outline on his talk, a one dollar bill.

Everyone enjoyed the talk and I am sure that some one will get the benefit of the one dollar.

JOKES

Anna Ruth Spurgers

Milton Spurgers: "Why didn't you laugh at the teacher's joke, Cecil?"

Cecil Moore: "Aw, I'll probably flunk anyway."

He who laughs last laughs best, but he soon gets a reputation for being dumb.

Mr. Holt (To his son): "Roy Davis, why did you hit your little sister?"

Roy Davis: "Aw, we were playing Adam and Eve and instead of tempting me with the apple, she ate it herself."

Senior (after initiation): "You freshmen may sit down now."

Freshman: "Liar!"

A teacher received the following letter the other day:

Dear teacher—I dont see why my bill has got to buy this here bookkeeping book when i can learn him all they bookkeeping mess here to home and let him

take suthin else wot will do him more good like say cotlin hoin or football becas bill aint so hot at delicat subjicks bein broupt up on this here farm of ourn. and

We think that something ought to be done about the way the Sophomore girls vamp the Senior boys.

We all wonder why the football boys have a fresh haircut.

Shorty Doyle (the barber): "You want a haircut?"

Edward Butler: "No, I want 'em all cut."

PAST GAMES

WITH JUNCTION

R. J. Alexander

The only games we have record of between Eldorado and Junction were first about 1926

when Junction won by one touchdown so far as can be remembered (score unknown).

Then in 1929 Eldorado went to Junction and lost by a score of about 70 to 0. The next time

the two teams played was last year (1932) when Junction

came here and was beaten by Jack Kerr blocking 3 punts. The

score was 20 to 7. This year the score wasn't so decisive, but we

like it better as it means so much more. (7 to 6 on Junction's field.)

THIRD GRADE GIVES ASSEMBLY PROGRAM

Mary Lee Davis

Miss Zimmerman had charge of the chapel program last Wednesday. The program consisted

of a small operetta put on by the fourth grade. About twelve

of the little girls from the fourth grade were made up as

Japanese and sang. This was very interesting. Some of the

boys of the fourth grade also sang. The program was enjoyed

by all and we have about decided that these children make

good Japanese as well as singers.

THE TRIP TO JUNCTION

Harold Susan

The football boys left Eldorado about eight-thirty Saturday

morning, in order to get there in time to rest before the game.

It was misting rain and the road was slick for a while, until

the rain stopped and the sun came out a little. We arrived in

Junction about ten-thirty and hand lunch about eleven-thirty.

The women brought supper along and after the game supper

was spread on the tables in the park. It was dark before

most of them started home.

Everyone there enjoyed the game for it was the best game

we have had this year.

About sixty Eldorado cars made the trip. It is estimated

that over 300 Eldorado people enjoyed the game.

THE ELDORADO SUCCESS

CANNING MEATS

College Station—It is hard to get too many steam pressure cookers and wash pots together when canning a beef or a hog on the farm, declares Miss Lola Blair, food specialist in the Extension Service at Texas A and M College. "There should be 8 or 10 cookers and 4 wash pots if the work is to be done easily and without loss of time," she says. "One wash pot is needed for heating water, one for searing roasts and steaks, and one for chili and stew meat. With proper equipment a beef or two hogs may be entirely canned from 8 in the morning until 4 in the afternoon if there are 8 to 10 people helping, including 2 or 3 men."

More interest in proper canning of meat is in evidence on Texas farms this year than in any previous season in Miss Blair's experience. She says

meat canners to avoid two things particularly in canning meat, both of which have caused trouble and sometimes

spoilage in the past. In pre-heating before sealing the heating

should be continued in can or jar until the product in the

container is hot enough to drive all the cold air out. A simple

test for this is to hold the hand over the can and if it is steam-

ing hot the cold air has been driven out and an effective vacuum

seal can be obtained.

Products pre-cooked in this way are sausage, hamburgers,

roasts, steaks, and liver paste. Due to difficulty of heat penetration

sausage and hamburgers should not be put in No. 3 cans.

Soup, chili, stew and meat loaf can be pre-heated in an open

vessel, put into cans boiling hot and immediately sealed and processed.

A second important step which has caused trouble has

been in allowing the paper on gasket lids to become damp

from water or steam and to buckle up. This can be avoided

by turning the lids bottom side up on the cans and not turning

over until just ready for sealing.

To facilitate home meat canning Miss Blair suggests that

grandfather make a wooden paddle about 4 feet long for

stirring stew and chili. New pine should not be used for this.

She also suggests he put a fork on a broom handle in preparation for canning day.

Orville Berry reports that he had received a card from old

friends Mr. and Mrs. C. B. Reagan, saying that they had

reached their new home and was ready to go to work in their

new field.

Commander Thomson of Newport, R. I., has been at the ranch for the past week, accompanied by his wife and sister, Mrs. Eloise Thomson Wood-

hull, of San Antonio. They have been stopping at the headquarters house with Mr. S. E. Etheridge, who is manager of the

Thad A. Thomson Ranch.

NOTHING else but FEED makes MILK. The quantity and quality of your milk production depends almost entirely upon what you feed your cows. "Cheap" feed might fool you—but not your cows. The best feed is always cheapest in the end—because it produces MORE and BETTER MILK.

AS THE SUN DROPS OFF OF THE GREAT DIVIDE

(Dedicated to the Mothers who have passed on-out there.)

Gazing through a golden shimmering lace
 Peering way out there for her Angel Mother's face
 Asking her guidance for another day of grace
 As the day is closing upon an ill spent race.

Brushing aside this veil of lace—
 For, her eyes, it seems to blind,
 Realizing more fully then, the artist is divine
 For, from heaven comes the evening chimes,
 I can hear her say: "Bless you my child, all out here is fine."

From this gorgeous lake of liquid art—
 Comes Blue, Gold, Orchid, heavenly sparks,
 Evervessing messages filling a lonely heart—
 And making her, indeed a part.

The wind, the flowers, the meadow lark—
 All combined within this colorful art—
 With her love she hath tied, as with a golden chain
 Each link a prayer, that she might gain, a place out there
 By her Angel Mother's side
 As the sun drops off of the great divide.

Angel Mother winging her heavenly flight
 Drawing closed the black velvet curtain of the night
 Leaving a soul sick heart alone
 Longing for this mother and loved one at home.

Away out there on the desert's height
 The wind is whispering—Lo, 'tis I.
 Her Savior is standing by her side
 Ever-ready her foot-steps to guide,
 Across this western desert.

So lonely, so beautiful, so wide
 Ever assuring her
 She and her loved ones He will provide
 As the sun drops off of the great divide.

NEGRO JIM DANNIELS ARRESTED BY SHERIFF

Jim Daniels, a negro, wanted at Bracketville, was arrested at Negro headquarters, Dick Fays, the first of the week by Sheriff Conner.

BORN—Wednesday November 8th, to Mr. and Mrs. James Howard Faulk a daughter.

The following renewed their subscription this week and last week: L. E. Clements, Station A; Mrs. Cora Putman, Eldorado; Mrs. J. S. Pelt, Edinburg; J. W. Lawhon, Eldorado; and G. H. Neill, Sonora.

W. N. Ramsay, who attended the Junction-Eldorado Football game, said that the Junction people treated the Eldorado boys with every courtesy, and that the Eldorado boys were all in the game and played hard for the honor of winning the game. None of the boys were out of place and all on their toes all the time and that is what counts in winning the game, a good line and interference is about half of the battle. Eldorado plays Menard here November 18th, tomorrow.

Mr. and Mrs. Harry Freund were in the city Tuesday shopping and visiting.

WOMEN! Get rid of the handicaps of a weak, debilitated condition with the assistance of Cardui.
 Mrs. R. L. West, of Huntsville, Ala., writes: "I was weak and run-down. I had a pain in my side, and I kept losing weight. I grew nervous over my condition—this was unusual for me, for I am very cheerful when I am well and don't easily get nervous. I knew I ought to take something. My aunt told me I ought to try Cardui, which I did. I began to feel better. I kept it up until I had taken three or four bottles. My side quit hurting and I was soon feeling strong and well."
 Cardui is sold at drug stores here.

ON TEXAS FARMS
By W. H. Darrow,
Extension Service Editor

Trench silos are cheap to build, cheap to fill, save all the feed and are easy to get out of, says the county agent of Jim Wells county in calling attention to the 51 silos in use in his county, of which 25 are trench.

Killing chickens the A and M way (sticking) is just as easy as the old way and gives much better quality, says Mrs. Clyde Mosely, Hopkins county farm woman who cans chickens, ground, cubed and as tamales. "I'll wring a chicken's head no more," she declares.

Making sorghum syrup for sale proved profitable for Ben Hubbert who ran the only syrup mill in Shackelford county this year. From three irrigated acres he made 625 gallons which sold readily at 60 cents per gallon. It was his first year and the overhead was high but in the long run it will be a good proposition, the county agent says.

Proper storage space is out of the big secrets in dressing well and making clothes last a long time. This simple point is one of the features of the clothing work of home demonstration agents. It is so simple it's apt to be overlooked, they say. The cost of a good clothes closet is negligible. A Parker county woman has just reported a good one 4 by 12 feet fixed up for 12 cents.

Cotton made \$3 more per acre on terraced land planted on the two-row-and-skip one plan than in solid cotton on unterraced land, B. N. Jackson of Limestone county says. Because of this demonstration he plans to terrace all his farm this winter, the county agent reports.

Thirty Menard county 4-H club calves averaged 2.6 pounds gain apiece per day for the first 90 days on feed. The ration at the end of the period consisted of 50 per cent corn, 17 1-2 barley or milo, 20 per cent cottonseed cake. Calves nursed thru inches.

Better Lighting Will Ease Your Budget Worries

There are budgets that really will work... budgets that will show how to bring expenses within income! But they weren't created at a dark and gloomy desk... they were the result of calm and intelligent analysis under the cheering atmosphere of good light.

It's surprising what a difference adequate lighting makes!... Troubles take on a less terrifying aspect when subjected to the clear, eye-soothing brilliance of the modern electric light. It's not only much easier to work, but the absence of eye-strain keeps your mind clear and alert.

Next time you sit down to plot out the month's expenses, or to write a letter, be sure your light is adequate. You'll find the difference amazing!

A trained employee will be happy to inspect your home-lighting arrangements. There's no obligation, of course... and chances are that a simple rearrangement of your present fixtures, or adjustments giving you adequate sized lamps where they're needed, will be all that's necessary.

Do you know that your increased use of Electric Service is billed on a surprising low rate schedule... and adds only a small amount to your total bill?
