### ALPHA DELTA STUDY CLUB MEET

One of the most interesting and enjoyable meetings of the Club year was held by the Alpha Delta Study Club at the home of Mrs. J. L. Ratliff on last Friday afternoon. This being the regular time for the Texas Day program, the discussion was all on Texas. The principle speaker was Prof. R. D. Holt. He gave a most interesting and instructive discussion on the Texas Centennial. After the program, Miss Ruby Quinn furnished music at the piano.

Members present were Mrs. W. O. Alexander, Mrs. L. J. Baker, Mrs. J. N. Davis, Mrs. D. E. DeLong, Mrs. Geo. R. Long, Mrs. John Rae, Mrs. Mabel Parker, Mrs. R. D. Holt, Mrs. C. E. Knight, Mrs. W. L. McWhorter, Mrs. W. A. Mullett, Mrs. Seth Ramsey, Mrs. E. M. Reynolds, Mrs. W. T. Whitten, and the hostess, Mrs. Taylor of Amarillo, and Miss Quinn were present as guests.

### THURSDAY BRIDGE CLUB MEETS

Mrs. C. M. McWhorter was hostess to her Bridge Club on Thursday afternoon. Mrs. W. E. Cooper was high scorer for members and Mrs. R. D. Holt for guests. Members present were Mrs. W. O. Alexander, Mrs. H. D. Irby, Mrs. Cooper, Mrs. H. E. Lynn, Mrs. V. G. Tisdale, Mrs. D. C. Royster, Mrs. Joe Edens. Guests included Mrs. Holt, Mrs. E. M. Reynolds, Mrs. C. E. Knight and Mrs. Sam Loyd.

### ELDORADO BRIDGE CLUB ENTERTAINED

Mrs. Lewis Whitten was hostess to the Eldorado Bridge club on Thursday, April 4.

Ten club members, Mrs. Kenneth Garey and Mrs. Elton Smith enjoyed several games of contract bridge and a salad plate was served.

Mrs. Otis Buie was high club member and Mrs. Garey high guest.

### ADULT MISSIONARY SOCIETY MEET AT CHURCH MONDAY

The Adult Womens Missionary Society met at the church Monday at 2:30 p. m. for the beginning of the Bible Study for the second and third quarters.

Preceding the study the chairman called for any business that might be on hand. Responding to a request from the District secretary it was voted to send 5c per member for the support of a Scarrit Scholarship Fund. Mrs. D. E. DeLong was elected as alternate delegate to the Missionary conference which meets in San Antonio, April 9-12.

The office of President and vice-president being vacant the society elected Mrs. D. E. DeLong as president and Mrs. Barrie Currie as vice-president to fill the unexpired term.

There being no further business the society entered into the Bible Study of the "Life and Letters of Paul". Two chapters were presented and the 3 and 4 chapters will be taken up for the second Monday in May. The Society will meet at the home of Mrs. M. F. Laird, Monday, April 15 at 2:30 p. m. for sewing day for the "Gift Box".

### FUNERAL HELD FOR W. M. SMITH SATURDAY APR. 6

William Milton Smith, age 84, died at 2:30 o'clock Saturday morning at his home here after a long illness.

Mr. Smith was born March 27, 1851 near Bonham, Texas, in Fannin County, where he grew to manhood. He was married to Miss Julia Frances Cook in 1875. To this union were born six children of whom four are now living. His wife died in 1893. Later he married Miss Etta May Cupps. Seven children were born to this union. Five are still living.

He was an active member of the Methodist Church for many years and led a Christian life.

Nine children survive: Mrs. R. H. Blaylock, Eldorado; Mrs. T. H. Farrington, Eldorado; Mrs. J. H. Luederke, Eldorado; Mrs. Roy Key, Ingram; H. G. Smith, El Paso; R. E. Smith, Eldorado. Forty-six grand children and thirty-three great grand children also survive.

Funeral services were held at the Cemetery, Rev. P. S. Connell Pastor of the Methodist church, officiated. The Eldorado Funeral Service had charge of the burial arrangements. Interment was at 5:00 o'clock Saturday afternoon.

### Men Have Supper At Presbyterian Church

"The Men of the Church" held their regular monthly meeting in the basement of the Presbyterian Church on last Wednesday evening. The ladies served a splendid supper, after which a program was conducted by Mr. F. B. Gunn and Mr. Leslie Baker. In keeping with the subject, "A Man's Part in Keeping the Home Christian," there was first a representation of a 'Family altar' scene around the supper table of a Christian Home, the Scripture being read and each member of the family offering a few words of prayer. This was followed by members of the family expressing their ideas of what is a father's part in a Christian home. Such programs as this deal with vital things, and are beneficial to all.

### MISS ELLA CUMMINGS PASSED AWAY MARCH 29

Miss Ella Cummings, a former teacher in the Eldorado schools and a cousin of L. M. Hoover passed away March 29 in an Austin hospital, where she had been taken the previous evening. She had been ill only a short time, and on Tuesday evening before her death taught her night classes in the government school that is being conducted at Burnet.

Her body was carried to Burnet for burial.

Miss Cummings taught in the Eldorado school one term and her friends will be grieved by the sad news of her death.

### J. T. BALLEW SUFFERS WITH PNEUMONIA

J. T. Ballew, Sr., formerly of Eldorado is seriously ill at his home in San Angelo.

Gilbert, Lewis, and Lyonelle Ballew, sons, and Mrs. Van McCormick, daughter of J. T. Ballew were called to San Angelo last week to the bedside of their father who was ill with pneumonia.

Mr. Ballew is reported not much improved this week with other complications added to his illness.

### NO INCREASE IN FREIGHT RATES ON LIVESTOCK

J. A. Whitten and Jess Koy On Committee That Fought Rate Increase

This week J. A. Whitten received a communication from the Live Stock Traffic Association with offices in Fort Worth that an order had been received from the Interstate Commerce Commission in the matter of increases in freight rates and charges.

In this proceeding the railroads were seeking an increase of 10% of all rates above 25c on practically all commodities, and while under the order they were permitted to increase the rates on some commodities, no increase was allowed on livestock.

Hearing on this application was held in Fort Worth, November 7, 8, and 9, 1934, at which the Sheep and Goat Raisers organization through a committee of which Judge J. A. Whitten and Jess Koy are members opposed any increase in livestock rates, and brief in opposition to the proposed increase was filed January 1, 1935.

The increase, if granted would have added a considerable sum to the transportation costs of livestock from this county.

### Eldorado Football Schedule Completed

Superintendents and coaches representing all the schools in District 17B met in Sonora last week and completed the organization of the executive committee and arranged schedules for the 1935 season. The schools represented were Sonora, Menard, Junction, Rocksprings, Ozona, and Eldorado. R. D. Holt, local school superintendent, was elected chairman of the executive committee for next year to take the place of Superintendent R. S. Covey, Sonora, who has served as chairman for the past year and who will go to Sweetwater as school superintendent next year.

The Eldorado High School football schedule for 1935 is as follows:

September 28; Merdon at Eldorado; October 5; Eldorado at Brady (tentative); October 12; Eldorado at Sonora (Conference); October 19; Open; October 26; Eldorado at Junction (conference); November 2; Open; November 11; Rocksprings at Eldorado (conference); November 16; Menard at Eldorado (conference); November 23; Ozona at Eldorado (conference); November 28; Sonora at Eldorado, non-conference and Thanksgiving game.

### H. E. Girls To Hold Open House and Shower Today

On Friday, April 12, (today) an open house and shower will be given in the new Home Economics department. Everyone is invited to come and visit the Home Economics department on this day from 1:30 to 4:00 o'clock. Those who come may bring something to donate to the department but are not compelled to do this. Cup towels, biscuit cutters, cookie cutters, rolling pins, salt and pepper shakers, and other small articles will be appreciated very much. Come and bring someone with you.

### CO. COMMISSIONERS COURT IN REGULAR MONTHLY MEETING

On Monday of this week the Commissioners of Schleicher County met to transact routine business. Judge H. W. Finley, John Williams, R. C. Edmiston, Pat Martin, T. C. Meador, O. E. Conner and John Isaacs were present.

During the afternoon a number of visitors were given a chance to state their business. A committee representing the Womens Clubs read a resolution complimenting the County Demonstration Agent's work and ask that Miss Farnsworth be retained for the coming year.

A committee from the Lions club complimented the work of Miss Farnsworth and County Agent, C. Snell.

### Applications For Loans Are Being Received Here

Field Supervisor H. L. Johnston of the Emergency Crop and Feed Loan Office at Dallas, Texas, states that applications for emergency crop loans and feed loans are now being received by the Schleicher County Loan Committee, with offices located at the Court House.

In accordance with the Act of Congress authorizing the loans, and regulations issued by Governor W. I. Myres of the Farm Credit Administration, loans will be made only to farmers who are unable to obtain elsewhere seed, fertilizers, supplies, feed or the necessary credit to purchase such items. Loans will not be made to applicants who can obtain credit in the amount needed from any other source, including the production credit association.

### Teachers In Eldorado, Have Experience

Twenty-three teachers are now employed in the five schools located in the Eldorado Independent School District. Two of these teachers were added at mid-term due to increase enrollment in the Eldorado Grammar School. The twenty-three teachers now employed have had an average experience in teaching of 8.4 years, which is considerably above that of teachers in other schools of the same size. The greatest length of service for any teacher is 26 years. Four teachers are teaching their first term. See Teachers page 6

### OFFERS TRIPS TO 4-H CONGRESS

Prizes making it possible for 58 outstanding 4-H club members residing in counties traversed by the Santa Fe railroad to attend the forthcoming 14th National Club Congress to be held in connection with the International Live Stock Exposition are offered through the National Committee on Boys and Girls Club Work this newspaper is advised.

The prizes are for club members who never before have attended the two great Chicago events to which over 1,000 4-H boys and girls go as delegates. They are offered in the seven states of Arizona, Illinois, Iowa, Kansas, Missouri, Oklahoma, and Texas, and total \$4,590.00. Contestants are required to submit records to their county agent, and winners are selected by state leaders.

Gene Koy was the winner for 1934 from Schleicher county.

### BASEBALL FANS SHOW INTEREST

T. A. Beasley To Head Team For Coming Season

The arms of the old baseball players and some recruits are beginning to itch, and the baseball fever is manifest among the Eldorado fans, as was exhibited at a meeting Wednesday night. About fifteen players and fans were at the meeting to elect a manager for the coming season. T. A. Beasley, of the Shell Pipe Line Station was named to head the team, while W. C. Doyle was elected as secretary-treasurer and L. T. Barber, Captain.

The team has been working out for the past few days, but there has been no definite positions assigned to players and the strength of the team is yet unknown. But from past history the fans should not be in doubt about whether Eldorado will have a good team or not. The fans have always supported the team here and by the spirit they have already shown in donating to the team to make it possible to buy material to start, it seems as if they are ready to back another team.

The team will go to Veribest Sunday to mix with the strong Concho Basin team, for its initial game of the season. Many new faces are seen on the diamond and most of them are promising young players that will try to shoulder the load for Eldorado for the next few years. Only two or three of the old timers will be in the line up. Mr. Beasley asks that all youngsters who want to try to learn the game, come out to practice sessions almost every afternoon.

The battery for Sunday's game has not been named yet but the pitching load will probably be carried by Duncan and Trotter, while "Mooney" Graves will be on the receiving end.

### Eagles Prepare For Next Years Fight

Rah! Eagles, Fight! Rah Eagles, Fight!

The Eldorado Eagles are looking forward to the first whistle of next years game. They'll be there—fighting. The Eagles have only six letter men back, but the team will do its best to better all past records.

Spring training will start in a few days and the fans will be able to see what they are going to back. Eldorado will probably have a bad year next year—but who knows? Everyone thought that Eldorado was the "underdog" in '34 but she came up.

Only a few men are training now but don't get it wrong—they're all here.

### PLANS MADE FOR END OF SCHOOL

Only six weeks remain now of the 1934-35 session. Plans for the close of school indicate that there will be plenty of programs and work for both teachers and pupils. Some of the school plans are:

- May 3—Senior Class Play.
- May 10—May day Fete by Grammar School Pupils.
- May 19—Senior Class Sermon
- May 22—Seventh Grade Graduation Program.
- May 23—Senior High School Commencement Program, Dr. Thomas H. Taylor, Howard Payne College as speaker.
- May 20-22—examinations.
- May 24—Close of school.

### LIONS PRACTICING THREE-ACT COMEDY TO BE SHOWN HERE

This week members of the Eldorado Lions Club are getting down to work on their individual parts in the Three-Act Comedy, "Mamma's Baby Boy, which will be shown Friday night April 19, at the Eldorado High School Auditorium.

Up until this time it has been "mighty" funny. But some of the boys aer being made over. Some of the old chaps will be the replica of a frisky young flapper in her teens. Grandma becomes a young flirt and even the negre Maid gets the idea and goes in for the younger and better things of life.

Tickets can be had by seeing any member of the club.

### West Counties Will Send 74 Boy Scouts National Jamboree

Boy Scouts from 15 or more West Texas towns will cast their lot with the other 30,000 Scouts from all over the United States in the National Jamboree at Washington, D. C., Aug. 21 to 30, Dr. Hal P. Bybee, Jamboree chairman for the Concho Valley Council, revealed following the April 1 deadline for registration fees.

Tuesday's mail brought the list of \$25 fees for 74 Scouts, including the Iraan band of 35 Scouts. Twenty-two troops responded with from one to six Scouts' fees. The council quota is 80 Scouts, including Iraan's 35 band members.

Troops asking for extra Scouts are Fort Stockton No. 59, Rankin No. 56, Texon No. 55, Garden City No. 54, Sonora No. 19, San Angelo No. 6, San Angelo No. 3, and San Angelo No. 2.

Actual fees reported by Doctor Bybee are Fort Stockton, 3 Scouts; Big Lake, 1 Scout; Rankin, 3 Scout; Texon, 2 Scouts; Garden City, 2 Scouts; Ozona, 1 Scout; Iraan Troop and Sea Ship, 2 Scouts; McCamey, 1 Scout; Ballinger Troop 29 and 30, 1 Scout each; Menard, 1 Scout; Brady Troops 23 and 24, 1 Scout each; Junction B, 1 Scout; Sonora, 6 Scouts; Eldorado, 1 Scout; San Angelo Troop 6, 2 Scouts; San Angelo 4, 1 Scout; San Angelo 3, 5 Scouts and 1 Sea Scout Patrol; San Angelo 2, 4 Scouts.

### TWENTY-TWO IN SENIOR CLASS

Ten boys and twelve girls make up the membership of the Senior Class of the Eldorado High School this year. All of these should graduate, provided that they complete the courses which they are taking this semester. About one-half of the members of the class have had all of their work in the local schools. It is expected that about half of the class will attend college next fall.

Mrs. Joab Campbell, Miss John Alexander, Mrs. L. M. Hoover and Mary, spent the week end at Brownwood visiting Mrs. Campbells daughter Nell and John Alexander who are attending Howard Payne College.

### CARD OF THANKS

We want to take this means of thanking the people for the beautiful floral offering, sympathy and help given during the illness and death of our Father, W. M. Smith.

**EDITORIAL**

**THE POST OFFICE WASTE BASKET**

Each day when the mail comes in at noon it is interesting to see the people congregated at the post office to get their mail, one letter at a time, sometimes a circular, again one will open up a familiar looking package (a mail order catalogue) and most everyone of those find the trash basket. At one time it was the popular thing for small town folks and country people to order from these mail-order houses. But today with all our educational advantages we know that, in most cases we can get a better quality goods and at as cheap a price as can be found in any other "man's town" right at home and from the best merchants in the world. Eldorado merchants have stood behind the people of this County until it hurts. Maybe some of them can't go much farther until a pay day comes along but you know that they are always interested in your welfare and will put out every penny they have and then buy on the credit in order that they may carry you through the tough spots.

One of the most ungrateful acts one could commit would be to send their cash to some outfit who don't give a tinker's Howdy what becomes of you and your county taxes. Don't care whether you eat or starve.

Stand behind your home merchants and when you get in a tight they will surely stand behind you.

Eldorado merchants advertise in your home paper—they make it possible for you to get the home news. The money they spend for advertising brings information concerning your county affairs, tells you what is going on in other communities. They are soliciting your business, telling you that you can buy what you want from a friend who will see that you are satisfied.

Read our advertisements, tell the merchants you saw it in the Success. Then he will know that you read—and a reading community will not order from a "furriner". They have passed that point in advancement.

**CLEAN UP**

There is no sure sign of spring, but spring should be a sure sign of the arrival of that time for the community to clean up. There is no superstition or prophesying about this clean-up sign.

When Warm weather has come to stay (until cold weather returns in autumn) every owner of property and tenant should instinctively feel it his duty to remove the evidences of winter's ravages and to aid and augment nature in her work of rebeautification.

The Lions Club of Eldorado is sponsoring a cleanup campaign and we think it would be a good idea if the Womens clubs would join in and give these men a few pointers.

We have on several occasions had the opportunity to see the women demonstrate that they can get things done.

Every spring cleanup should include repairing and painting buildings.

Cleanliness about the home costs nothing. A community cleanup campaign need involve no expense, just a little labor on the part of every citizen. If there ever was an excuse for uncleanness it was removed long ago.

The compensation of a community-wide clean-up improves the health of the community by removing deposits that are breeding places of disease germs and disease carrying insects.

A clean town is a better place in which to live than one that is unsanitary and unsightly. And the best advertising our town can have is the appearance of being cleaned up. "Clean-Up, Paint-Up and Plant up. Let us make Eldorado, The Biggest Little Town In Texas."

**THE WATER RATE QUESTION**

Under the present set-up the only relief that Eldorado may have with reference to electric light, telephone, and water rates is to increase the population of this city to more than 2,000 people. Then our city council will have authority to regulate rates to be charged by utilities. This authority rests only with towns over two thousand population, according to the decision rendered by the Supreme Court in what is known as the Farmerville Case.

The administration utility bill, sometimes erroneously called the Montgomery Bill, is the source for the proper regulations of Utilities in Texas. We believe that every citizen can assist by contacting your representative and state senator urging support of this bill.

**HAS US BEATEN ON CIRCULATION**

According to a news story in one of our exchanges a firm in Tucumcari, N. M., placed a full page ad for rain in the local paper.

Just what promise the editor of that paper made to the advertiser we do not know, but if he circulates among the angels and even the Lord Himself takes the paper, it may have us beaten on circulation coverage. We have been claiming a big circulation lately and have been getting some new subscribers almost every day and we have heard some wild tales about circulation, but the Tucumcari editor takes the cake.

C. J. Warren, editor of the Hudspeth County News wants to know if he claims a complete coverage of the realm below, and does he print that edition in asbestos?

**DOES THE JURY ACT?**

Governor Allred, while the Rangers under his command were "swooping" down on various cities of the state and staging raids on gambling and liquor establishments, had much to say about the failure of local officers and prosecutors to enforce the law. He avowed that he did not want to send the state police into a community, but that it was forced upon him by the sopineness of local officers.

The only answer the local officers can give him is that they find it hard to get a conviction. A jury in Dallas a few days ago turned a man loose who had been caught with the goods on a liquor selling charge.

If the people want law enforcement they can have it by using it.

**FRENCH "THIEVES DAY"**

Merchants in France have developed something new as a business stimulator in a "Thieves' Day". Customers attempt to pilfer any article they wish. If caught in the act they must pay for the article; if they get away with it—all right.

**IT WON'T BE OUR WAR**

The action of the Hitler Government in tearing up the Treaty of Versailles and openly announcing to the world that Germany intends to conscript a huge army and mobilize an immense fleet of military airplanes is the most serious threat to world peace since 1914. It is difficult to see how this can lead to anything but another European war.

For months the other European nations have been aware that Germany was secretly arming, in defiance of the provisions of the Versailles treaty. Negotiations were under way, indeed almost at the point of conclusion, which would have relieved Germany of most of the more onerous restrictions imposed upon her by the Peace of 1919. But the Hitler Government, apparently under the domination of the military element, was not content to wait.

It would be foolish to say that a new European war would not touch the United States. There is only the most remote possibility of our being drawn into the actual conflict, but such a war would inevitably affect our foreign commerce, which is beginning to pick up. It would put an end for all time, it is likely, to any lingering hope of getting back from the Europeans nations the money we lent them with which to fight the last war. Nor would there be the profitable business in supplying munitions to one side or the other which America enjoyed for nearly three years, before we actually entered the last great war, the years in which the Du Ponts were selling gunpowder, Bethlehem Steel was building submarines, every rifle factory in America was working overtime making weapons for the British and the Russians, and every American ship that would float, even though it leaked like a sieve, was under charter to carry food and war supplies to the Allies.

No European country can float a war loan in America again, as England and France did through the international bankers in 1914. We have more money than we had then, but we are not going to lend it on the doubtful security of natural promises.

We probably would not and could not refuse to sell food and non military supplies to any nation, war or no war—for cash. But as for financing their wars, or lending them money again for war purposes, the United States is through with that sort of thing. —Upton Co. Journal.

**A STATE CAN LIVE WITHIN ITS INCOME**

Nebraska is advertised as being a debtless state today; as a commonwealth where the law prohibits pledging the state's credit for more than \$100,000; and also as a state which has ridden through war and peace, drouth and plenty, without issuing a dollar's worth of bonds.

It built a \$10,000,000 state capital over a period of 12 years out of its annual tax levy. Its roads are paid for by a 4 cent gasoline tax and motor vehicle license fees, plus the usual Federal aid.

Nebraska's government, aside from road building, is supported by a general property tax and it has no income or sales tax.

These facts seem to prove that a great state can be operated on

a business basis and stay within its income.

Nebraska should be an object lesson for every state in the union, many of which are staggering today under bond issues to pay for political experiments and inefficiency which the coming generations will struggle to pay if they are ever wiped out. The taxpayers should rise up in arms, as it were, against practically every proposal that is made to further burden the people with taxes.

The law maker today who suggests tax increases as a way to meet state problems, is in most cases simply showing his inability as a business man to balance the public's business budget.—Industrial News Review, Portland, Ore.

**IS IT FUTILE TO PROTEST HIGHER TAXES?**

We frequently wonder if the people have decided it is futile to protest higher taxes in Texas. It is also a study of why some property can get by with paying practically no taxes at all while other property is made to bear the brunt of the cost of government. We sometimes reach the conclusion that a continuation of our slipshod taxing system has complicated tax matters to such an extent that the solution is beyond the ability of many legislators unless they took more time to give it real study. The whole situation has an air of the proverbial Chinese puzzle. It is like a storm over your head that is full of dangerous debris for you do not know when it is going to hit

you. Of course people should study these questions of government but there are unmistakable signs of "whats the use."

**Texas Lady Tells How Black-Draught Laxative Helps All Her Family**

Here's how Black-Draught fills the needs of a family laxative in the home of Mrs. J. S. Stoker, Fort Worth, Texas: "The grown-ups in my family," she writes, "have always taken powdered Theodor's Black-Draught for biliousness, headaches and other ailments (due to constipation) and found it a reliable remedy. I was very pleased when I saw Syrup of Black-Draught advertised. I bought it and gave it to my little daughters, ages 6 and 4. They needed something to cleanse their systems and Syrup of Black-Draught acted well."... Your druggist sells this reliable laxative in both forms. "Children like the Syrup."

## AFTER HIGH SCHOOL WHAT?

(By Celeste Tisdale)

When we leave high school, we are always asked what we are going to do. Most people go to college. This is a good idea because jobs are scarce and college is a good way to pass off a few idle years.

Most of our Seniors of 1935 are planning to go to college somewhere. There are many different ones mentioned and Texas Tech is the only one that more than one of our Seniors is going to attend, according to present plans.

There are some who are not going away at all. This always happens in every class. Some are going to start ranching, some are thinking seriously of taking a matrimonial venture and some are going to realize their lifelong ambition—to loaf.

## WHAT SCHOOL HAS MEANT TO ME THIS YEAR

(By Clarice Lee)

School has meant more to me this year than any other year of my high school days. I have not only derived much useful knowledge but also much pleasure.

Until this year I studied just as much as I wanted to, no more. This year I have studied hard to make the grade. One who studies most will receive more benefit in the long run. Because I have studied more this year, I have gotten more knowledge out of this year's work.

## ELDORADO TEAMS WIN IN DEBATE TOURNAMENT HERE

(By Felix Susen)

Eldorado High School held their first invitation debate tournament last Saturday, April 6, with two visiting girls' teams and one visiting Boys' team. The visiting teams came from Eden, Menard, and Sanderson.

The debates began shortly before ten o'clock. In the first round the Eden girls' teams composed of Johnnie Stansbury and Juanita Haynes, drew the Eldorado Girls B team, composed of Maxine Wilton and Johnnie Fern Isaacs. The Eldorado girls lost the decision in this contest. The Sanderson team, composed of Mildred Hurst and Betty Bassett, drew the Eldorado Girls A team, represented by Mary Lee Davis and Josephine Clayton. The Eldorado team won the decision in this debate thus placing Eden and Eldorado in the finals.

In the finals for the girls, Eldorado drew the negative side of the Interscholastic League question this year, "Resolved that the government should own and operate all electric light and power utilities." The local girls won this contest by a vote of two to one.

The Menard boys arrived late and did not debate until the second round. Their team consisted of Roscoe Hyman and Marvin Corder. They debated the Eldorado team consisting of John E. Rodgers and Charles Ratliff. The local boys won this contest also.

The visiting debate coaches were Miss Margaret Martin of Sanderson, Miss Clarice Matthews of Eden and Superintendent T. A. Parker of Menard.

The judges in the debates were N. P. Wilkinson, Mr. Bacon, Anna Florence Page, Margaret Martin of Sanderson and Dorothy Taylor.

It is to be hoped that this will be made an annual affair for the benefits derived are far greater than in many of the school contests.

The local debate teams are working hard in preparation for the District Meet next Friday and Saturday, April 12 and 13, in San Angelo.

## ELDORADO EAGLES MAKE GOOD SHOWING AT CRANE APRIL 6

(By Bill Smith)

The Eagles journeyed to Crane City Saturday April 6, to a large track meet. There were about twelve schools represented and some very good athletes were in action.

The McCamey team won the meet with San Angelo taking second and Crane came in with third. The Eagles took fourth place with only four men. Coach Dave Williamson took his relay team, Joe Hext, Harold Susen, Paul Davis, and Bill Smith, to the meet and entered four events. The Eagles took two second places and two third places. When it came time for the mile relay, the boys were a little weak and tired, but they really put up a fine race all the way until the last. The Eagles led by ten yards until the last lap. When Hayes of San Angelo took the baton from Dennis with a ten yard lead on the Eagles and they were unable to pass him on the last lap.

Coach Williamson reports that this is the best track meet which he has attended in several seasons.

The Eagles won third in the 220 yard relay; third in the 440 yard relay; second in the 880 yard relay; and second in the mile relay, which was the most interesting relay of the meet.

## MEASLES EPIDEMIC IN SCHOOL

(By Inez Cobb)

It seems that most of the students in school have been having a "measles" good time lately, because measles have been quite the rage for the past three or four weeks. There probably never was an old adage concerning measles, but from now on there might be one something like this, "Oh, my dear, you simply must have the measles. Why, you are simply out and considered no one unless you have the measles".

However, some of us this far have been lucky (or should I say unlucky) enough to escape them. Fortunately these German measles last a very short while, and those who stay home only have to remain in one or two days. If we happen to see someone that we thought was taking them (the subject is still measles) we grab our breath, hold it, and dodge them. So far that seems to be the best method to be used in prevention of the measles.

## THE SHERIFF PLAYS ACTIVE PART

The sheriff in the annual Senior Play, "The Ghost Parade," takes a leading hand in the plot of this entertaining mystery play to be presented May 3, in the High School auditorium.

He is a sheriff and many other things combined. He is about 35 and is easy going, with a drawling voice. He always wears his badge and his gun in sight so that everyone can see at a glance that he is the officer of the town.

The sheriff shows Rastus how to handcuff a person and when he

gets his hand handcuffed to Rastus' hand, he can't find the key. Rastus nearly has a fit, but here comes a ghost, and the sheriff and Rastus disappear down the street.

## NUMEROUS ESSAY CONTESTS OPEN TO HIGH SCHOOL STUDENTS

(By Ed Reynolds)

There are several essay contests open to the pupils of the Eldorado High School. Our High School should have some entries, and at least two should be victorious.

One of the essay contests is entitled "The Value of Time in Education". In this contest there will be two national awards and ninety-four state awards. The high school whose student wins first place in the national competition will be presented an International Self-regulating Time and Program System, including a student Attendance Register. In the event that the winning school is already so equipped, an International Central Control Radio, Music and Speech system will be substituted. In either case a complete system will be installed, regardless of the size of the school. The pupil will be awarded a four year scholarship in a school to be elected at a later date.

The Federal Housing Administration is conducting a National Better Housing educational essay contest.

The title of the essays are: "Better Housing and the Home," any substitute may be used. Any high school student may enter. There will be two winners picked from each school, a boy and a girl. The awards have not been elected.

—Eagles Screams—

## DEBATERS IN ASSEMBLY PROGRAM

On April 2 the high school was entertained by a debate between the boys, John E. Rodgers and Charles Ratliff and the girls, Mary Lee Davis and Josephine Clayton. For the first time in many years a man was able to out argue a woman. The boys received three votes to the girls none. This debate was most interesting and not dry as most debates are. The question was: "Resolved: That the government should own and operate all electric light and power utilities".

## WHAT I HAVE RECEIVED FROM SCHOOL THIS YEAR

(By L. D. Mund)

There are many things that I have received from Eldorado High this year, but none of them are very great. This school has good teachers, and one could not help but learn something from them. I have learned many things that I never once thought of learning in high school. My subjects are Chemistry, English, Spanish and Plane Geometry. I have learned something from every one of them, even if I haven't studied very hard.

Newspaper work is something else that I have learned a great deal about. School is a good thing after all and is not so very bad either. Many things can be learned in school.

—Eagles Screams—

## DISTRICT MEET TOMORROW

The district meet is to be held in San Angelo on Saturday, April 13. A large crowd is expected to attend the meet. All the schools in this district are expected to enter the meet. The meet will begin at 8:30 a. m. The schedule for the meet has been worked out. Eldorado will be represented in practically every event. Those going from Eldorado in debate are: John E. Rodgers, Charles Ratliff, Mary Lee Davis, Josephine Clayton; Declamation: Margerite Davis; Junior Declamation: Willie Bridgeman and Wanda B. Rape. Coach Williamson will take all his track team. Every one is expected to bring back some of the medals.

## SCHOLASTIC CENSUS SHOWS INCREASE OF 33 OVER LAST YEAR IN ELDORADO SCHOOL DISTRICT

The annual scholastic enumeration which was completed in March showed that the number of children between the ages of six and seventeen in the Eldorado Independent School District had increased over that of last year by 33. The total scholastic enumeration for 1934-35 was 536, while that for next year is 569. This lacks only a few of being the highest number ever enumerated in the district. The amount which the Eldorado District will receive from the State apportionment, which at present is \$16.50 per capita, will be \$9,388.50.

# What Is a Boy Scout?

"SCOUT" used to mean the one on watch for the rest. It has been made to fit the town as well as the wilderness and suited to peace time instead of war. A Scout is an expert in life-craft as in wood-craft, for he is trained in heart as well as head and hands. Scouting is broad enough to cover riding, swimming, tramping, trailing, photography, first aid, camping, handicraft, loyalty, obedience, courtesy, thrift, courage and kindness, with many other subjects.

A Scout enjoys a trip into the woods more than he does a walk over the smokey streets of the city. He can tie a knot that will hold, he can swim, a river, he can pitch a tent, he can mend a tear in his trousers, he can tell which fruits and seeds are poisonous and which are not; he can identify birds and animals and fish, and knows the ways and home of each.

A Scout sees many things that others do not see, because his eyes are keen. He is mentally awake.

A Scout does not shout his wisdom from the housetops; he holds the quiet power that comes from knowledge. He speaks softly and answers questions modestly.

A Scout holds his honor as his most precious possession. He knows what is his duty and all obligations imposed by duty he carries out of his own free will. He guards his honor as closely as did the knights of old. In this manner a Scout wins the confidence of all people.

A Scout can make himself known to a brother Scout wherever he may be, by a method which only Scouts use. He has brothers in every city in the land, and in every country in the world. Where ever he goes, he can give his sign and he will get a cordial welcome. He can talk with a brother Scout without making a sound, or he can make known his message by imitating the sound of a telegraph key.

A Scout is kind to everything that lives. He knows that horses, cats and dogs have their rights and he respects them. A Scout does a Good Turn every day, and he does not call it a day unless he has helped some other person.

A Scout knows that people expect more of them than they do of other boys, and he guards his behavior so that no reproach can truthfully be brought against the great brotherhood to which he has pledged his loyalty. He seeks always to make the word "Scout" worthy of the respect of people whose opinions have value. He wears his Uniform worthy.

A Scout is a patriot and is always ready to serve his country

at a minutes notice. He loves "Old Glory" and knows the proper forms of respect to it. He never allows it to touch the ground. He develops a strong body, an alert mind, and an unconquerable spirit so that he may serve his country in need. He patterns his life after those of great Americans who have had a high sense of duty and who have served the nation well.

A Scout chooses as his motto "Be Prepared" and he tries to prepare himself for anything, to secure a companion, to ford a stream, to gather firewood, to help strangers, to distinguish right from wrong, to serve his fellow man, his country and his God, always "Be Prepared."

The Scout is a "Friend to all" and a brother Scout to every other Scout.

I took Cardui and was all right again. After I was married, when I felt all run-down and was irregular, I always resorted to Cardui and was helped." ... It may be just what you need. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. Sold in 21 bottles.

## A TRIBUTE TO E. E. WILLOUGHBY

The mortal remains of E. E. Willoughby, pioneer citizen and cattle man of McCulloch County, were laid to rest in the Brady Cemetery on Friday afternoon, March 22, 1935. The Brady Masonic funeral ceremonies and burial service with the impressive Masonic funeral ceremonies, and the grave was surrounded by a large gathering of sorrowing friends who came from many parts of the country to pay the last sad tribute to this beloved pioneer citizen.

Mr. Willoughby came to McCulloch County in 1883, engaged in the cattle business on the open range, and by careful, studious and industrious attention to his business through the years, he became one of the leading ranchmen and land holders in western Texas. Until the time of his retirement from active business a few years ago he engaged himself untiringly in the development and improvement of McCulloch County, as well as in the building and development of the city of Brady where he made his home for many years. Although interested in lands and ranches in other parts of western Texas, he was always loyal to his home county and did much for its improvement throughout his long career in our midst. He belonged to that fearless and hardy class of pioneers whose record of citizenship has never been surpassed in the history of any country. Together with his pioneer companions who found the country a wilderness,

he spent a lifetime in its development, then passing to that "country from whose bourne no traveler returns" has bequeathed a civilized heritage to posterity. May it be the purpose of the younger generations to do as much for their children.

He was by nature a shrewd business man, a careful calculator and an able executive. He carefully analyzed his problems, developed his plans and executed them in full confidence. He foresaw results and never allowed his sympathies to dictate to his reason. He accumulated a fortune and gave it to his children with more pleasure than any other act of his long and useful life. He left them a record of unsullied honor and a heritage of the highest and noblest type of citizenship. He was a plain man, despised display and hated hypocrisy. He was gentle by nature, kind and courteous to people and studiously avoided giving offense. His rugged honesty, fearless truthfulness and unimpeachable integrity were among his chief characteristics. He hated wrong, loved peace. He actively supported the enforcement of law and order and had the lowest contempt for criminals and crime in any form. He had an implicit faith in God, lived the Christian religion, had no fears of death nor punishment after death. He taught his children the highest ideals, admonished them to be truthful and honest in all things and reared them into the highest state of usefulness and respectability. Such was the life and character of E. E. Willoughby.

In ill health during the last few years and at last growing tired of bodily ills which he could not overcome; and fearing that he would become more and more a burden to his family whom he loved more than life itself, he marched with unflinching tread to the portals of the tomb where he paused in perfect calmness while he wrote the following message to his family:

"To my wife and children: I know my time is short here, I don't feel that I can be of any further help to any one, I know that all of you are doing everything in your power to make me comfortable and happy; but I have a dreadful horror of being bed-ridden and helpless. I feel justified in this act. I have no fears of death. I have no fear of punishment after death. I have very few regrets. If I could live my life over again, I don't think I would change it much. I believe all my children will continue to be respectable and representative citizens of the communities

in which they live."

(Signed) "E. E. W."

Then, "with unflinching trust he approached the grave like one who wraps about him the draperies of his couch and lies down to peaceful dreams."

Mr. Willoughby was my personal friend. I talked with him a great deal and like all who knew him loved his congenial companionship. It is with most profound respect for his memory that I have written this tribute to his life and character.

It brought great joy to the congregation last Sunday night when one of our fine young men was saved. This brings our total addition to 35 in the last six months. Others have been saved who have not united with the church. In the First Baptist Church we try to worship and serve the Lord. Come and worship with us.

Beginning the 21st and running through the 27th Mr. G. S. Hopkins, State Sunday School Secretary of Texas will be with us in a Sunday School Enlargement Campaign. We consider ourselves fortunate in securing Mr. Hopkins for this work, and urge you to come and study with us during that time.

Next Sunday evening the men of the Brotherhood will bring the message. The services of this day are being rendered by the Laymen over the Southern Baptist Convention.

The pastors subject for the morning services will be: "The Ordinances of the Church—Baptism". Come worship with us.

**WOMANS CLUB HAVE TEXAS DAY PROGRAM**

The Womans Club met April 9th for the annual Texas Day program. Mrs. E. C. Hill and Mrs. C. M. McWhorter were hostesses in Mrs. McWhorters home at a luncheon preceeding the program.

Bowls of blue bonnets, and Texas flags carried out the theme of Texas beauty and patriotism. The centerpiece at each table was one of the six flags under which Texas has served, the flag having as a base a small log of native wood, placed among blue bonnets. Guests were seated by choosing the table whose flag matched that of the hand painted place cards.

Mrs. J. B. Edens was program leader for the afternoon. Roll call was answered with the name of a Texas hero. Mrs. D. C. Hill led the flag salute, followed by a talk on Pioneer Women, by Mrs. J. C. Smith. Mrs. W. E. Eaton gave a reading. Mrs. E. C. Hill talked on The Texas Centennial. Mrs. J. B. Edens gave a paper on The Boy Crockett. Mrs. V. G. Tisdale, Mrs. W. N. Ramsay, Mrs. A. J. Atkins and Mrs. J. C. Smith sang Beautiful Texas.

At a business session following the program Mrs. W. E. Eaton reported that books for the public library would be catalogued this week.

The club voted to plant grass and flowers in the park as soon as possible.

Mrs. Brice Dabney, Mrs. N. P. Wilkinson, Mrs. Sam Oglesby and Mrs. Bernie Currie were guests, also Mrs. O. W. Smith of San Angelo.

**TEACHERS—**

three their second year, and one the third year. Experience is as necessary in teaching in order to acquire skill as in any other profession. Teachers are not finished products when they first come out of college and it is the first few years of actual service in the classroom which determines the teacher's success.

The tenure of the teachers in Eldorado Independent School District has been an average of 4 years, the records in the superintendent's office indicate. The State Department of Education of Texas and all other states at present are stressing the fact that teachers who make good should be kept for a period of years and that the school system which changes teachers frequently cannot carry on efficient work, or have a consistent policy.

Cliff Cobb and wife of Port Arthur is visiting his parents, Mr. and Mrs. W. B. Cobb here.
