"A Weekly Publication Serving Schleicher County"

VOL. XXXVII

Eldorado, Schleicher County, Texas, Friday, October 1, 1937.

NO. 40

On The DIVIDE

PAYS WITH CHICKENS

L. Kent, well known resident of this county, came in the office Tuesday with three big, frying sized chickens and used them to pay up his subscription to the paper.

Sensing the idea that C. S. McKinney and family, who have been entertaining scarletina, might be chicken hungry, we took them out there. Needless to say they appreciated Mr. Kent's method of paying us for his subscription.

Others who have paid their subscriptions are: A. B. Thomerson of Sonora, Milton Baugh, Chars. Suddeth, Truett Stanford, Otto Williams, W. R. Nicks, S. I. Nicks, Nellie Mather, Mrs. T. F. Green, Mrs. Mabel Parker, Marvin McDonald, Ovid Wade, H. E. Lynn and J. M. Logan.

Mr. and Mrs. Doc Kerr requested Tuesday that we send the paper to Carl Kerr at Marlin Texas, for a year.

PROVIDE FOR SOCIAL SECURITY ACTS

In the controversy now going on between the Governor and T. J. Holbrook, member of the State Senate, relative to the increased taxation demanded by the Governor to meet the Social Security needs voted by the people of Texas, will say:

If increased taxes are needed to meet these expenses which are incurred by the direct vote of the taxpayers, then these taxes should be levied. But if Holbrook is right, and three-fourths of the state's revenue is in the hands of irresponsible people and is being squandered recklessly by those not directly responsible to the voters of the state, then a halt should be called.

All state revenues should be placed at the disposal of the Governor and Legislature, that is, to those parties directly responsible to the electorate.

That is the mistake the President is trying to make in turning over the financial and business affairs to his personal appointees and combining the states into groups over which these parties will preside. Then if this should happen, goodbye to state rights and goodbye to Democracy.

If we are to retain a Democracy, we must keep all our affairs in the hands of men directly responsible to the state and nation. Then if those we elect do not handle affairs to suit us, we can elect someone in their places who will.

These Social Security Acts, voted by the people, should be provided for, but the vast sums placed at the disposal of irresponsible appointees should be returned to the officers elected by the people, viz: the Governor and Legislature.

F. G. CLARK

Tex-Tor Oil Corp. No. 1 Judkins & Spencer, seeking Ordovician production in eastern Schleicher County, had underreamed 6 1/2 inch casing to 2,920 feet yesterday. The pipe is to be lowered to around 3,100 feet to shut off water before, drilling is resumed at 3,135 feet in sandy lime.

Emmett T. Askins Now Employed By Funeral Home

Mr. and Mrs. Emmett T. Askins came to Eldorado this week, and Mr. Askins has accepted a position with the Eldorado Funeral Home. Mr. and Mrs. Askins will make their home at the funeral home apartment, and Askins will also be employed at the Ratliff Store.

Askins comes to Eldorado from the Kiker Funeral Home at Colorado City, where he was employed for some time. He was accompanied to Eldorado last week by Mr. Kiker, who gave him the highest recommendations, stating that the only reason Askins was leaving his employ was because of the fact that his daughter is taking charge of the home at Colorado.

Mr. Askins is a licensed embalmer, holding his Texas license and is thoroughly experienced in this line of work. The Success joins Eldorado people in welcoming this family to our town.

Good Rain Falls In County Friday

Schleicher county ranchmen are all smiles again—and farmers didn't take it so bad either. In fact, the rain which fell in old Schleicher last Friday night just about pleased everybody.

The rain started in Eldorado at about 7:30, and let up along toward midnight. Practically every portion of the county received some moisture, but it varied from slightly over an inch to approximately three inches. It was estimated that about 2 1/2 inches fell in Eldorado.

Although the moisture retarded cotton picking to some extent it's a great boom to ranchmen who had begun to worry about fall grazing. Cotton began coming to the gins again Monday.

Eagles To Meet Iraan Saturday

Coach Weldon Bynum will take his Eldorado High School Eagles to Iraan next Saturday for the fourth non-conference game of the 1937 football season.

This will be the last game before the opening of the conference grid season. Coach Bynum has his team in good shape for games, and believes that they will enter these games with much enthusiasm.

A large number of fans, including the pep squad girls, will accompany the Eagles to Iraan for the game next Saturday.

NEW DISTRICT HOME DEMONSTRATION AGENT VISITS IN COUNTY

Miss Ruth Thompson, new district home demonstration agent, of College Station, spent last Saturday in this county. She spent the day in conference with Miss Margaret Stewart and getting acquainted with the work here.

Miss Thompson succeeds Miss Kate Adele Hill in this district. She is a former county home demonstration agent, having served in Kaufman county.

City Council Names Engineers For Water Project

At a called meeting of the City Council last Tuesday night, the engineering firm of Koch and Fowler of Dallas was awarded a contract to complete plans and blueprints for Eldorado's municipal water system.

Mr. Koch, accompanied by C. W. Arlitt of Austin, was here to meet with the council. Mr. Koch stated that it will be about eight or ten days before he can have these plans ready for approval of the city.

Koch and Fowler take the place of H. R. F. Helland of San Antonio, who had the original contract. Due to other business, Mr. Helland was unable to do this engineering work at this time.

Utilities Company Is Sponsoring New Nat'l. Contest

Believing that West Texans have an opportunity to "cash in" on a national contest, the West Texas Utilities company last week invited all Eldorado citizens to participate in a \$40,000 contest on the "electrical standard of living."

The company will cooperate with a national firm in distribution of two grand prizes and 10 prizes each worth \$200 each week for 10 weeks. N. R. Kennedy, local manager, announced. Entry blanks may be secured at the local office, he said.

"All you have to do is write 100 words on why the electrical way of living appeals to you," he said. "Although similar to our recent contest for a new name for women, in which Neotectress was chosen as a substitute for housewife, there is no connection.

"In this new contest, the grand prize will be a \$12,000 all-electric home. Second prize is an \$8,000 home. Winners of these two prizes will be chosen from winners of weekly prizes. The contest will last 10 weeks, beginning at once. Both men and women may enter, sending in entries each week."

Entries must be made on the official entry blank, he said, which gives all details and instructions. The entry blank may be obtained by request at the office here.

FFA Chapter Organized Here

In their first regular meeting Monday, September 20, vocational agriculture boys organized, and elected officers for a local FFA Chapter. Approximately forty-five members reported with five associate members.

Officers were elected in the following order: Richard Bruton, President; Gerald Nicks, V-President; Willie Bridgeman, Secretary; John McWhorter, treasurer; Raymond Rodgers, reporter; John T. Ballew, parliamentarian; Ray Bruton, watch dog.

Another meeting will be called in the near future to make plans for the year's work.

John M. Cooper's No. 2 Bert Page in Schleicher County, which last week ran 7-inch casing to 4,570 feet in shale, had drilled past 4,710 feet.

U. S. Photographer Takes Pictures Of County Activities

KITCHEN IMPROVEMENT WORK; HANDLING OF LAMBS ARE FEATURED

Frank S. Knoblock, photographer in the office of Secretary of Agriculture Henry Wallace at Washington, was a visitor in this county on Thursday of this week. Mr. Knoblock took pictures of various activities in this county.

Among his pictures was one of the kitchen of Mrs. Ray Alexander, showing kitchen improvement in connection with home demonstration work in this county.

Mr. Knoblock also took several pictures of the 4-H Club lambs which are being placed on feed and he visited the Jess Kay ranch where pictures on the handling of lambs were made.

It's For Sale!

H. B. SPEARS EXHIBITS FOUR-LEGGED CHICKEN A FUNNY FREAK

H. B. Spears, whose chief business during the frying chicken season is "undressing" them and making them ready for cooking, now has a new sort of freak. He came in the Success Office last Tuesday with a chicken that can rightfully claim ownership of four legs and feet.

The chicken uses only two of his (or her) legs as a means of locomotion. The other two, although pretty well developed legs and feet, are of the "spare tire" type, and they seem to almost take the place of the fowl's tail feathers. All feet have four toes, making sixteen for this chicken.

Spears says the chicken will put up a pretty fair scrap with any other chicken. He says the freak chicken is for sale, but his price for the fowl is a sort of private matter.

PIONEER COWPUNCHER NOW TRAVELING TRAIL OF FORMER DAYS

Charlie Harr, of Millett, Texas, accompanied by his wife and daughter-in-law, Mrs. Chas. Harr Jr., of Carizzo Springs, was through here one day last week, enroute to San Angelo.

Mr. Harr is a pioneer cowpuncher, and was through this section over sixty years ago—at a time when it was "open country." Mr. Harr drove a herd of 3,000 cattle through the Rock-springs section.

He is now traveling over that old trail, and while at Rock-springs he found the old water hole where he watered the cattle. He is the only remaining cowboy who made that drive over sixty years ago.

MISS HOWELL'S FATHER DIES IN DUBLIN HOSPITAL

Word was received Wednesday of last week of the death of Miss Howell's father in a Dublin hospital. Mr. Howell had been ill for several months. He was 82 years of age.

Women's Council To Hear Reports From Delegates

Meeting Scheduled Saturday Afternoon In Office Of Demonstration Agent

Members of the County Home Demonstration Council will meet next Saturday afternoon at two o'clock in the office of the home demonstration agent.

A main feature of this meeting will be reports from delegates who attended the Texas Home Demonstration Association at San Antonio this week. These ladies are Mrs. Palmer West, Miss Pat Talbot and Miss Lottie Reynolds.

After the council has adjourned, Miss Stewart will conduct a school on electing officers and making reports. This school is for the club presidents, secretaries and parliamentarians.

Marine Corps Has Vacancies For Eligible Men

The officer in charge of the United States Marine Corps recruiting station at Dallas, announces vacancies for 100 men a month for the next three months. Men enlisted will be immediately transferred to the Recruit Depot, Marine Corps Base, San Diego, Calif., for training and duty.

Young men between 18 and 30 years of age, single and without dependants, not less than 64 inches nor more than 74 inches tall, and of good moral character will be considered. Those under 21 years of age must have consent of parents or guardian.

Application blanks and full information relative to life and opportunity of a U. S. Marine will be furnished on request.

High School Students Organize Band

Seven high school students met at Miss Mollie Turners Wednesday night for the purpose of organizing a high school band. Members of the band are: Katherine Montgomery, who plays the Piano; Wilma Burros, guitar; George Whitley, guitar; James Burros, violin; Ray Bruton, mandolin; Jack Whitley, mandolin; and John Burros, mandolin.

This is the first high school band organized in several years and has good prospects for success. Extra-curricula credits are now being offered to members of the band. Several more students are expected to join soon.

Miss Hicks, public school music teacher and director of the Choral and Glee Clubs, is enthused with the band and is going to allow the members to play in the clubs. She plans to use them in a musical program to be presented about the first of November, the proceeds of which will be used to buy a piano for grammar school.

Mrs. R. L. Ballew, Mrs. Chester Wheeler, Mrs. N. R. Kennedy, Miss Agnes Wright and Mrs. L. T. Barber visited in San Antonio and with Lt. and Mrs. Robert Frost at Fort Sam Houston last Sunday and Monday.

Eagles Trounce Lakeview 46 To 0 On Muddy Field

Playing on a muddy gridiron, the Eldorado Eagles defeated the Lakeview Indians 46 to 0 last Saturday afternoon. Starting early in the first quarter, the Eagles went for a touchdown after Lakeview was unable to make a first down on their initial try. Meador, driving low, went off tackle for the score, but Williams' kick was short. The first quarter ended with Eldorado on the 20-yard line.

Starting the second quarter, the Indians made a first down, but were unable to continue in their defensive work because of a fast charging Eldorado line. The kick was to the 45-yard line where the Eagles took the ball on two off-tackle plays to the 4-yard line, with Meador doing the lugging. Yates, with a nice hole opening up through the center, plunged over for the second counter.

After the kickoff, the Indians were unable to make a first down so they punted. The Eagles started again from the 50-yard line with Williams making a first down, Yates making a beautiful smash through the Indian line for 15 yards, and Williams having little trouble getting over for the third touchdown. Meador went off-tackle for the extra point.

At this point, Coach Bynum (See No. 1 Last Page)

Local Ranchmen Moving Livestock To Market Points

Schleicher county is the scene of much activity this week, as many ranchmen are selling livestock and the stock is being moved to various points. Among the shipments made by A. J. Burk and others this week were the following:

A load of fat cattle was taken to the Fort Worth market for Pat Martin the first of this week. Atkins Bros. of Christoval had 970 head of lambs moved from their ranch to the Christoval stock pens, where they were shipped out.

Burk and Graves moved a load of ewes to Sterling City or Tobe Whitley.

Atkins Bros. also had 160 head of kid goats moved from the Joiner ranch west of Eldorado.

On Wednesday night, 1000 head of lambs were moved from to their ranch at Christoval. The Russell 12-mile ranch to Menard. The name of the Menard county party purchasing the lambs was not learned.

Still other cattle and sheep have been moved this week, but the above are the only ones which have been reported.

Mr. and Mrs. T. W. Johnson have just returned from a visit to Fort Worth and Dallas. They also went to Wichita Falls, where they visited their daughter, Mrs. O. R. Burden.

Mrs. V. S. Smith of Johnson City is here this week, visiting with her brothers, T. C. and J. W. Harrington, who are ranching near Rudd.

THE FARMER AND THE GOLD BRICK

The time-worn story of the city slicker and the gold-brick might well be revived in view of John L. Lewis's bid for farmer support and his stated ambitions to organize the farm folk under a union.

To be sure, it would greatly enhance the CIO's powers if the American farmer could be rallied to support that minority of the labor ranks that marches under the Lewis banner—but it does not seem logical that the farmer wants labor dictating prices, especially when the farmer, along with other industries, must pay those prices. Can you imagine the farmer voting deliberately to pay higher prices for the tools, clothing machinery and prepared foods he buys, just because John L. Lewis asks him to? That would be his "reward."

Then, too, can you picture the farmer and his farm hands dropping the hoe by the clock putting over until the morrow the milking duties just because the union dictates the hours a man may work? Time and nature do not recognize unionism, and until Mr. Lewis can enroll them in his

When Women Need Cardui

If you seem to have lost some of your strength you had for your favorite activities, or for your housework . . . and care less about your meals . . . and suffer severe discomfort at certain times, try Cardui! Thousands and thousands of women say it has helped them. By increasing the appetite, improving digestion, Cardui helps you to get more nourishment. As strength returns, unnecessary functional aches, pains and nervousness just seem to go away.

fold, it is not likely that crops will wait to be harvested and the cow hold her milk until another time.

LIVESTOCK FEEDING

Successful raisers of livestock know that proper feeding is of the highest importance, and for this reason they are constantly on the alert to adopt feeding methods which have proved effective under practical tests. Federal and state experiment stations, as well as large lumber privately operated, are continually carrying on such tests to determine the relative values of various stock feeds, and the results are made available to livestock raisers throughout the country.

Much attention has been given in recent years to the protein content of stock feeds, a discussion of which is contained in recent publications by the Department of Agriculture. One of these government bulletins devotes considerable space to the use of soybean oilmeal, of which it says, in part:

"Soybean oilmeal is a highly nutritious and easily digestible protein, having a very desirable physical effect on all animals. As its valuable properties are becoming better known it is growing in popularity as an ingredient of mixed feeds for poultry, dairy cows, beef cattle, hogs and sheep."

Commercial feeds containing soybean oilmeal as an ingredient are also recommended by a number of state experiment stations which have conducted extensive experiments in stock feeding.

WAGE AND HOUR LAWS

Endless arguments for and against the enactment of wage and hour laws have been put forward, and it must be admitted that the problem is one concerning which there may be honest differences of opinion.

One point, however, seems to have been quite generally overlooked, and that is the effect such laws, especially if carried to extremes would have on older workers, whose plight is already a matter of deep concern. The establishment of higher wages and shorter hours by law would certainly place workers 45 years of age and over at an even greater disadvantage than that which they are under now. It is an unfortunate fact that

many employers set an age limit when employing additional workers. There is little use in arguing that such discrimination is wrong. If one employer, for example, should employ a force composed principally of old men he could not compete with another employer whose force was composed of younger and more active men obtained at the same wage.

A law might possibly compel an employer to retain older men already on his payroll, in some cases, but it could not prevent his reducing his force and laying off the older or less efficient men first. When a force was to be increased an employer could hardly be forced to employ older men if younger ones were available.

Many of our most intelligent labor leaders understand these facts, and are not in favor of rigidly establishing hours and wages by law. They believe a free exercise of the right of collective bargaining, without government interference, to be preferable to rigid regulation through legislative action.

Timely Topics

Friends of the Duke and Duchess of Windsor, who were twice snubbed recently by the failure of the Duke and Duchess of Kent to visit them as expected, are furious. They remind the world that the Duchess of Kent, although born a Greek Princess, gave testimonials for cold cream and worked as a mannequin in Paris before the youngest British duke married her. So why should she high-hat Wally?

With the fuel gauge right before their eyes, approximately 1,500,000 motorists ran out of gas and stalled during the past year, according to estimates compiled from filling station reports by a national automobile association.

As a warning to agitators, the following sign the size of a regular billboard has been erected at the entrance to a coal mine near Birmingham, Ala., "Notice. We are Americans and believe in American principles. If you are here to interfere with our rights, this is the place to turn around, Employees of Acmar Mines."

The sale of newspaper advertising is not the sale of a commodity, therefore is not subject to the Robinson-Patman Act, according to a decision of the Federal Trade Commission, which has dismissed complaints of advertisers against newspaper rate schedules.

Approximately one-fifth of every person's earnings are taken by various forms of taxes, which eat up as much money as the nation's food, clothing, rent and electric light bills and put together. And still higher taxes are yet to come.

Dr. Overton H. Mennet, 87 years old, of Los Angeles, was recently elected commander-in-

chief of the G. A. R. at the national encampment in Madison, Wis. As the Civil War ended in 1865, he was only 15 years old at that time—rather young for a veteran.

Graduates Of E.H.S. Enroll In Institutions Of Higher Learning

The graduates of Eldorado High school have chosen various colleges and universities of Texas in which to gain higher learning this year.

The University of Texas stand at the top with six graduates enrolled. Those attending the Texas University are: Jetty Grace DeLong, Mary Jess Koy, Zona Clare Koy, Jack Meador, Jack Shugart, and Margaret Hill. All the girls were enrolled there last year. Jack Meador attended Texas Tech, and Jack Shugart was enrolled in a junior college at Cisco.

Howard Payne in Brownwood ranks next in line with four ex-students attending school. Joe Turner Hext, Felix Susen are starting the second year there. Cecil Moore is a new student having gone to A & M last year. Jack Hext is a freshman there.

Those enrolled in San Angelo Junior College for the ensuing year are Johnnie Ferne Isaacs, Cecil Newlin, Leola Sauer, and Slaton Skinner. All of these students are freshmen there having graduated from E H S last May.

Attending T. S. C. W. in Denton are Nell Campbell, Celeste Tisdale and Mildred Mund. Mildred is a freshman there.

Johnnie Clement is enrolled in Southern Methodist University at Dallas. Maxine Wilton is attending T. C. U. in Ft. Worth. Eldorado's only boy attending A & M is Harmon Bodine. Sam Smith is going to school at a junior college in Arlington, Texas.

MRS. OTIS BUIE HOSTESS TO MEMBERS OF THURSDAY CLUB

Mrs. Otis Buie entertained members of the Thursday afternoon bridge club on Thursday of last week. Mrs. Lewis Ballew won high club prize, while guest prize went to Mrs. Leonard Baugh of Blum, Texas.

Present were Mesdames A. P. Bailey, Lewis Ballew, J. C. Crosby, Ben Hext, N. R. Kennedy, Luke Thompson, E. M. Reynolds, J. W. Lawhon, Jr., Eldrid Reach, H. T. Finley, members; and Mrs. Van McCormick and Mrs. Baugh guests.

Being good merely to go to heaven is selfishness.

BEATRICE WRIGHT ELECTED PRESIDENT OF HOMEMAKERS

Beatrice Wright was elected President of the Homemakers Club at its first meeting last Monday. Other officers elected at the meeting were Maude Brown, vice president; Thelia Luedecke, secretary; Bonnie Mund, treasurer; Alice Mund, reporter; Erma Lee Bodine, parliamentarian; and Mabel Whitley, song leader.

The program committee consists of Doll Weatherly, Chairman; Mary Cloud and Kathleen Crosby.

After a short business meeting was held, Joy Sample gave a reading on "What a H. E. Girl is," and Ernestine Finnigan gave "An If for Girls."

R. L. Jones and Judge J. A. Whitten were business visitors in San Angelo last Monday.

NOBODY'S BUSINESS
BY JULIAN CAPERS, JR.

Austin.—An omnibus bill, carrying moderate increases in taxes on natural resources, with oil, sulphur and natural gas as chief contributors, appeared to be the best bet to emerge from the taxation muddle as the 45th legislature began its splendid tax session this week. There was no assurance that any new taxes would be voted, but the omnibus method, rather than single-shot tax legislation, apparently was the early choice of the majority of those members who feel that some new revenue is essential. The strong senate bloc which denies the need of new funds at this time may be able to block all tax increases. But it will take a couple of weeks, at least, for the oratorical and political fireworks to be disposed of, and the House, where tax bills must originate, to pass some bills over to the senate, before a definite line on actual accomplishments of the legislature will be available.

Leaders Furnish Drama

Dramatizing the two schools of thought on the tax controversy are Gov. James V. Allred, fiery, dynamic and 100 per cent sold on the need of \$15,000,000 new revenue, and the senate veteran Tom Holbrook, of Galveston, who is equally convinced that no new tax burden need be imposed on Texas citizens. Holbrook, conservative, eloquent and studious, is an old school

statesman who believes the modern trend toward expansion of governmental activity and particularly the social security program are a menace to democratic institutions. He has been consistent in his political beliefs, and has advocated them as strongly when he was in the hopeless minority as he does today, when he apparently comes much nearer to having a majority of opinion with him. Holbrook, serving his 17th year in the senate, has never given the slightest regard to the public popularity of any cause he advocates or opposes. The people of his district apparently respect his habit of bluntly stating his convictions, regardless of their popularity, and they regularly send him back to represent them in the senate.

Diversions Unpopular

Rep. H. L. McKee, of Port Arthur, got a quick and unfavorable reaction to his proposal to divert into the general fund \$3,000,000 of gasoline tax money from the fund to retire county road bonds. Highway enthusiasts registered such a storm of protest when Gov. Allred recommended a similar diversion from road funds last year that the legislature quickly dropped the proposal. Even Gov. Allred pooh-poohed McKee's suggestion. A dozen influential house members, including George Davidson of Eastland and Joe Keith of Sherman, immediately registered opposition to McKee's suggestion.

New Laredo Bridge

Plans for a new free international bridge to replace the present toll-bridge at Laredo on the Mexico City highway, were advanced at a conference here between Texas highway officials and a delegation of Mexican highway officials, headed by Undersecretary Herrera of public works. Chairman R. L. Bobbitt of the highway commission, fully recovered from his recent auto accident injuries, gave a dinner for the visitors, at which speakers included Gov. Allred, Col. Ernest O. Thompson, judges of the high Texas courts and other state dignitaries.

Names And News

Charley Green, editorial executive of the Austin American-Statesman newspapers, authored the best wisecrack of the week when he remarked at a dinner where discussion of President Roosevelt's western tour was under way. Green said: "Yes, it looks like everybody in the country has quit Franklin Roosevelt, except the people." . . . John Wood, once secretary to Gov. Miriam Ferguson influence on the state highway commission, sought to do a little po-

litical fence-building this week, but it backfired. Wood, who is "thinking about" running for railroad commissioner against Chairman C. V. Terrell, disclosed to the senate investigating committee that the highway commission had asked bids on an airplane, and inferred the plane was for Chairman R. L. Bobbitt's personal use, adding that he was going to vote against the purchase. Later investigation developed the plane purchase was asked by the engineering department, for use in making aerial surveys of road locations, as half a dozen other state highway departments do. . . . Rep. A. G. Skaggs, of Deport, can't keep out of trouble with the Austin traffic cops. His car was impounded for parking in front of a parking meter without depositing a nickel, and then the police discovered they had a total of six traffic tickets issued against Skaggs' car for illegal parking all over town. . . . State Auditor Tom King, who estimated the general fund would be nearly \$25,000,000 in the "red" by the end of the current biennium, had a rather unhappy session with the senate investigating committee when Senators Holbrook and Stone asked him to explain in detail some of his estimates of tax income. They took particular exception to King's methods of computing probable income from oil and sulphur taxes, pointing out that proper regard apparently had not been given to expected increase in production of both commodities, based on current production figures. . . . Sen Harold Beck, personable young solon from Texarkana, becomes the senate's "odd man" with announcement of approaching marriage of Senator Allen Shivers, of Port Arthur. Beck remains the senate's only bachelor member. . . . O. B. Kurcher, engineer for the federal bureau of roads, declined an invitation to speak in Austin the other day, and when pressed for a reason said: "When I went to college there was one snap course which all the engineering students always took because nobody ever flunked it. It was public speaking. Nobody ever failed in it until I took it." . . . Dallas got all of the plums when Gov. Allred promoted Associate Justice Joel Bond to be chief justice of the fifth court of civil appeals, named Dist. Judge Towne Young to Bond's place, and W. L. Thornton, brother of the Dallas banker, to Young's district judgeship. Sen. Claude Westerfeld was ignored, as usual by Allred in making the appointments, but announced he would not oppose senate confirmation.

It is a tragedy to grow old without having lived.

ELDORADO HOME DEMONSTRATION CLUB MEETS ON FRIDAY

"In judging bread, flavor is of greatest importance," said Miss Margaret Stewart, Schleicher county home demonstration agent, at the regular meeting of the Eldorado Home Demonstration Club. The club met in the home of Mrs. Palmer West on Friday, Sept. 24th.

In scoring yeast bread brought by seven members of the club, appearance, crumb and lightness were also considered. A marked improvement in the bread was noted since a scoring earlier in the year.

Refreshments were served to twelve members and four visitors. Achievement day will be held Friday, Oct. 8, in the home of each of the demonstrators.

RIVERSIDE CLUB HELD REGULAR MEETING ON SEPTEMBER 21

The Riverside Home Demonstration Club met on Tuesday, Sept. 21, with Mrs. Marvin Baker. The program was on scoring yeast bread. This was the first meeting with the new agent, Miss Stewart.

The following scores in yeast bread making were made: Mrs. Curtis Stockton, 90 on braided rolls; Miss Pat Talbot, 97 on sweet breads and 90 on butter scotch rolls, Mrs. Marvin Baker, 99 on cinnamon buns.

The next meeting will be for the purpose of observing achievement day. Mrs. Louis Tisdale and Mrs. W. H. Whitworth will be in charge.

MRS. SETH RAMSEY ENTERTAINS TUESDAY

Mrs. Seth Ramsey entertained with three tables of bridge at her home on Tuesday afternoon. High prize went to Mrs. Van McCormick, while Mrs. Lewis Ballew won the cut prize.

Refreshments were served to Mrs. W. O. Alexander, Mrs. J. Lawhon, Mrs. C. C. McLaughlin, Mrs. L. L. Baker, Mrs. McCormick, Mrs. Ballew, Mrs. J. W. Hoover, Mrs. L. L. Stuart, Mrs. Luke Thompson, Mrs. Ed DeLong, and Mrs. Dave Williamson.

Mrs. S. L. Stanford and daughter, Helen, and Truett Stanford and family left Thursday for San Antonio, where Helen entered business college. While there the Stanfords visited with their sister, Mrs. Raymond Alsop. They will return by way of Austin and Liberty Hill and visit relatives, returning home Sunday.

Miss Jessella Johnson was home last week-end from business school in San Angelo.

AGRICULTURAL CONSERVATION PROGRAM FOR 1938 ANNOUNCED

College Station—The 1938 Agricultural Conservation Program will set up acreage goals for cash crops which are smaller than the established bases, according to Geo. Slaughter, chairman of the Texas Agricultural Conservation Committee, who has recently returned from Washington, where representative farmers were called to confer with AAA officials as to the program.

The 1938 program is in most respects quite similar to the 1936 and 1937 program, Slaughter said. The range program, developed during 1937, will be continued.

Chief difference in the new program from previous plans is the provision for national goals for major soil-depleting crops to provide adequate supplies for consumption and export, but such as to keep down burdensome surpluses, according to Slaughter. He explained that each state will be given its share of the national goal, and each county will be given its share of the state goal. The county goal will be distributed among the farmers of the county.

In 1938, the maximum payment for each producer will be calculated at the beginning of the crop year and the attainments of soil depleting and soil building goals will be set as conditions for full payment.

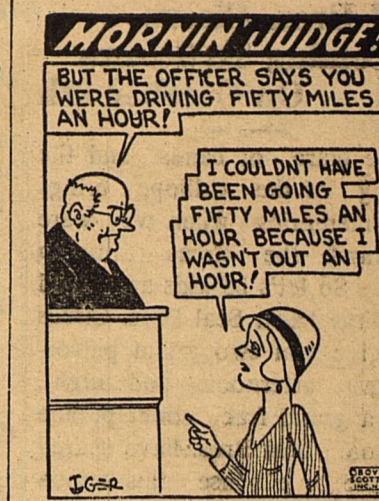

The division of payments between landlords and tenants will be the same as the division of crops, Slaughter said.

The new program was hailed by Slaughter as by far the most uniform in application to all regions that has yet been developed. He stated that it is the plan of the Agricultural Adjustment Administration to inform each farmer as to the acreage in each of his crop goals before planting time in the spring of 1938.

Mr. and Mrs. Ben Hexi and Miss Ernestine Finnigan attended the football game in Brownwood last Friday night.

Cecil Newlin, who is attending business college in San Angelo spent the week-end here, with home folks.

ELECTION NOTICE

By virtue of my office, I hereby call an election to be held at the Court House in the City of Eldorado, Texas, on Tuesday Oct. 5th, 1937.

Said election to be held for the purpose of electing two Aldermen to take the place of J. L. Ratliff and Geo. R. Long, who have resigned. W. N. Ramsay, F. M. Bradley and J. H. Rodgers are hereby appointed to hold said election.

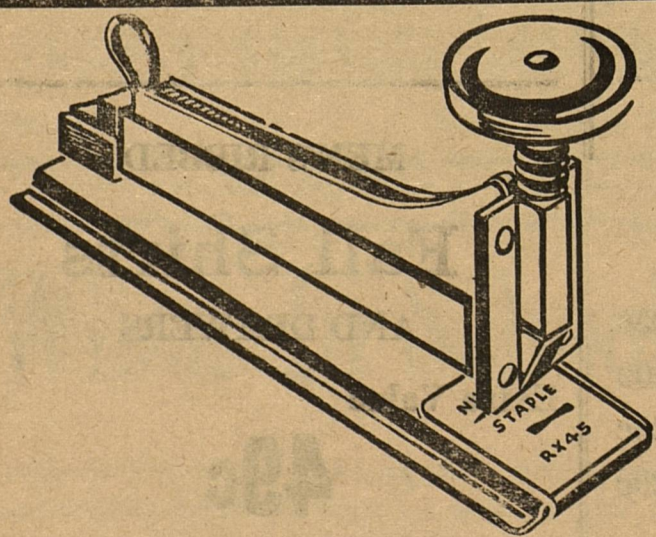

A. T. Wright, Mayor.

**Seal Bros. Circus
Coming To Sonora
On October 8th**

The blare of bands and the tooting of the calliope brings back memories when we were kids, and the circus came to town. So let's be kids again and turn time back. Seal Bros. Circus will give you two grand performances, afternoon and night, with a grand free street parade at noon. Seal Bros. have spared no time or expense this season in meeting with the modern requirements.

It has been several years since Seal Bros. Circus has given a street parade, so this spring the managers agreed to again follow the old custom of a real treat to the kids. The parade is really a gorgeous, glittering procession of Music, Horses, Wild Animals, Beautiful Ladies, Camels, Elephants, and Clowns. In fact, people and wild animals from all corners of the world take part in the parade, all free for your most hearty approval.

There are fifty champion acrobatic stars to entertain you. Trained Elephants, Lions, Pumas, Tigers and Americas most beautiful horses. An army of famous funny clowns. A few of the featured performers are the Henry Duo, the dancing somersaulting wizards of the tight wire; the Romin Rooney troupe of international bareback riders; Miss Vates Lola, the original girl on the flying trapeze; Jimmie Goodwin, thriller de luxe; Col Fred Anderson's \$10,000 troupe of Arabian Liberty Horses; and the Smith troupe with their Kentucky-bred dancing, gaited high school horses, featuring Golden Glow, the original Oriental

Dancing Horse.

A beautiful spectacular pageant is presented as a prelude to the circus proper, whereby every member of the circus takes part, headed by its Prima Donna daintily Miss Delores Gueterrez, entitled "SUNNY SPAIN."

**D. A. R. MEETING
HELD ON FRIDAY**

The newly organized chapter of the D. A. R. met Friday, Sept. 24th, at 2:30 p. m. with Mrs. W. O. Alexander. The Year Books were presented to the members. Subjects for the year's work will be "Know the D. A. R." or different phases of work sponsored by the National Organization. Appropriate programs are planned for each national holiday in the coming year. Mrs. Forrest Alexander was appointed as Genealogical Chairman. The subject for the afternoon being "The Constitution", each one present answered Roll Call by naming a Constitutional Amendment. Mrs. Ernest Hill read an interesting paper on "The Story of Our Constitution." This was followed by discussing some projects our Chapter may take up soon.

Refreshments were served to Mrs. E. C. Hill, Mrs. C. M. McWhorter, Miss John Alexander, Mrs. L. M. Hoover, the hostess, Mrs. Alexander, and Miss Ellington, a guest.

Mrs. S. L. Wright of Mertonson spent several days here last week visiting with friends and relatives.

George Spann of the Abilene office of the West Texas Utilities Co., was attending to business matters here one day last week.

**SELF CULTURE CLUB
HEARS PROGRAM
ON INVENTIONS**

The Self Culture Club heard an instructive program last Thursday afternoon when it met with Mrs. Palmer West. Miss Pauline West, gave an interesting report of the meeting in San Angelo, of the Federated Clubs. Mrs. Edgar Spencer, presented the first of a series of diction lessons, and the club endorsed the movement begun by the San Angelo Standard-Times of helping West Texans to become better acquainted with great paintings. Roll Call was answered with names of inventors Mrs. John Williams discussed Famous Inventions, Mrs. Bill McSwane told of Early Invention, and Mrs. Ervin Mund gave a paper on New Inventions. "Unusual Facts and Ideas" was the subject of Mrs. Truett Stanford's talk. A salad course was served to twenty members and Mrs. T. G. Teague, Miss Ella Teague of Big Lake and Mrs. C. Taylor, Sonora guests.

**LEAGUE SOCIAL
GIVEN TUESDAY**

A large crowd of the Young People of the Methodist Epworth League were entertained at the Methodist Parsonage Tuesday evening.

Sandwiches, cakes and cocoa, were served to the guests.

This is the first social for the new League, which was organized about a month ago. The League is very much alive and invites the Young People to attend.

Better follow the Golden Rule than the Rule of Gold.

PRESBYTERIAN CHURCH

Sunday School at 10:00
Morning Worship at 11:00
Evening Worship at 7:30
The Sunday School begins a new year on Sunday. Those pupils who received certificates last Sunday will advance to their new classes on next Sunday. Classes are beginning new lesson series. This is a good time to enroll in a class and you will be cordially welcomed.
The Sunday morning preaching service will close with the

Communion of the Lord's Supper. All members of the church are urged to be present, and we invite others to be present. The sermon subject will be "Glorifying In The Cross."

Notice the change of the time of the evening service. The service begins at 7:30.

The 'Pioneers' should remember the rally to be held in the San Angelo church on Sunday afternoon at 2:30. Let the pastor know if you can go. Let's all go.

A cordial welcome to all the services of this church.
N. P. Wilkinson

Evans Etheridge was in San Angelo the first of this week buying some bucks. He purchased bucks for his Schleicher county ranch from several flocks.

Rev. and Mrs. J. W. Leggett and J. W. Jr, went to Ballinger, Miles and San Angelo Wednesday Mrs. Leggett had some dental work done in Ballinger.

METHODIST CHURCH

Sunday School at 10 a. m.
Preaching Services at 11 a. m. and 7:45 p. m.
League at 7 p. m.
Missionary Society, Monday at 2:30 p. m.

Monthly Stewards Meeting Tuesday at 8 p. m.

Next Sunday is Promotion Day in the Sunday School. Mrs. Ernest Hill, Chairman Board of Christian Education is in charge.

Pastor's subject at 11 a. m. is "Lifes Four Windows."

We are trying to carry on a well balanced program. You are cordially invited to be present.

J. W. Leggett

Engineer Orlie Clayborn was pulling his passenger train out of Carmi, Ill. when three girls began waving at him. He waved back at them, but they motioned so frantically that he thought something was wrong and brought the train to a stop. One of the girls wanted to mail a letter—and did.

**WEDNESDAY BRIDGE
CLUB MEETS WITH MRS.
H. W. WEIDENMANN**

Mrs. H. W. Wiedenmann entertained members of the Wednesday Bridge Club last Wednesday afternoon in her home Mrs. Sam Oglesby won high score for members, and high guest prize went to Mrs. L. L. Stuart.

Present were Mrs. Ed Reynolds, Mrs. A. D. Richey, Mrs. H. B. Rees, Miss Cleone Dabney, Mrs. C. C. McLaughlin, Mrs. Oglesby, Mrs. Seth Ramsey and Mrs. Dave Williamson, members. Guests were Mrs. L. L. Stuart, Miss Pauline West and Mrs. D. C. Royster.

With school opening soon it is important that the children's eyes be examined. With proper light and proper glasses they should have little trouble.

"THE REST OF THE RECORD"

BY JAMES V. ALLRED
Governor of Texas

Austin—The opening week of the second extraordinary session of the 45th Legislature has arrived and again the legislative chambers of the capitol are filled with the people's representatives.

As Governor, I felt it imperative to convene the session in order that the Legislature might pass laws levying taxes to raise revenue sufficient to provide adequately for:

1. The wiping out of the deficit in the general fund and to make income equal outgo from said fund.

2. To provide additional funds to be allocated for old age assistance.

3. To provide for aid to the needy blind, the dependent, neglected and needy children, and to take care of the state's portion under the teachers' retirement amendment act.

Let me briefly review these points for call:

First: The general fund of this state at present is operating under a deficit approximately fifteen million dollars with the income into the fund lacking four and a half million dollars per year of equalizing its outgo. The legislature at the recent regular session increased appropriations approximately four million dollars per year without providing a single penny of additional avenue to care for either the deficit or the increased appropriations.

It seems only good business—for a state or an individual—that income should equal outgo and that a deficit should be wiped out.

Second: At the regular session last January I recommended that additional moneys be placed in the old age assistance fund. That

fund is now in debt \$1,626,000 on outstanding warrants and the Board of Control estimates that in addition we need to allocate approximately two million dollars annually to this fund. In my opinion, the old Legislature should provide this additional revenue for the old age assistance fund in order to care for the actual needy.

Third: At a special election held on August 23, 1937, the people adopted amendments to the Constitution to authorize the state to aid the needy blind provide help for the needy, neglected and dependent children of this state under provisions of the National Social Security Law. The amendment providing for this participation by the state under the social security program required the state's share not to exceed \$1,500,000 per year.

The regular session of 44th Legislature submitted a constitutional amendment providing for a teacher retirement system for Texas which the people approved by popular vote. The 45th Legislature passed a law to make the amendment effective. State Auditor Tom King has estimated the minimum need of \$1,360,550 and a maximum of \$1,683,750 as the state's share in matching contributions by teachers for their retirement system.

In previous releases of "The Rest of the Record", I have stated my position in limiting this session to revenue raising purposes only. No one can deny that it is my duty as Governor to recommend a revenue program to finance the people's program.

It is the duty of the Legislature of this state to provide revenues for the operation of the government, and in my opinion, it is certainly the duty of the Legislature to provide revenues to take care of the appropriations they may have made themselves and to carry out the people's will as manifested in the a-

UNSUNG HEROES

The engineers are the unsung heroes of the broadcasts of Southwest Conference football games sponsored by the Tumble Oil & Refining Company. They attend more football games in a season than most dyed-in-the-wool football fans, but they rarely see one. The dials of their amplifiers require concentrated attention properly to mix and blend the announcer's voice with cheers and band music so that listeners will get the whole glamorous spectacle of the game with an accurate play-by-play description of it. Equipment is the most up-to-date and complete offered by radio's latest advances. At left, Harvey Wheeler, chief engineer on football broadcasts for the TQN group of stations; at right, King H. Robinson, chief engineer for the group of stations associated with KTRH.

doption of these constitutional amendments.

No other session has offered a more patriotic opportunity for the people's representatives. In the interest of the six million whom we represent, I fervently hope that the members of the 45th Legislature will face squarely the issues and pass the revenues necessary for the people's program.

Baptist W. M. S. Installs Officers Last Monday

The W. M. S. of the First Baptist Church met at 2:30 Monday afternoon to install officers for the coming church year.

The pastor, Rev. C. T. Aly, acted as installation officer. This program was very impressive, making each incoming officer feel her responsibility to the work.

Mrs. J. A. Whitten acted as sunbeam leader, with 5 members present. The young married women voted to name their circle the Lena Lair Circle.

The Dorcus Circle will meet with Mrs. J. A. Whitten next Monday at 2:30 p. m.; the Lottie Moon Circle with Mrs. Geo. Williams, and the Lena Lair with Mrs. B. L. Isaacs, Jr.

Those present were Mesdames Frank Newman, Fred Watson, Truett Stanford, Ben L. Isaacs, Ray Jones, C. T. Aly, Clyde Galbreath, Ed Finnigan, Joab Campbell, Bailey Montgomery, W. T. Whitten, R. A. Evans, Gordie Alexander, Claude Alexander, A. E. Kent, W. N. Ramsey, R. O. Smith, Norman Clink, Roy Davidson, T. D. Riddle, L. M. Hoover, Jess Thompson, R. L. Bricker, Hudson, J. A. Whitten, W. D. Gregory, Geo. Williams and Miss John Alexander.

Mrs. Louis Runge of Galveston is spending this week with Mr. and Mrs. J. Forrest Runge on their ranch near Christoval. She is Mr. Runge's mother.

Mr. and Mrs. J. W. Hoover were visitors in San Antonio last week.

Missionary Ladies Meet With Mesdames Atkins And Thompson

Mrs. A. J. Atkins and Mrs. Luke Thompson were hostesses to the Methodist Missionary Society at the home of Mrs. Atkins last Monday afternoon.

The first session of the mission study course was presented by Mrs. J. E. Tisdale, who was assisted by Mrs. Dave Williamson, Mrs. Luke Thompson, Mrs. L. Wheeler, Mrs. Edwin DeLong and Mrs. W. E. Cloud. The textbook, "What is this Moslem World?", is very interesting, and all present expressed great interest in the course.

The president urges that more members come and enter for the remaining lessons. After the program, refreshments were served to the following members

Mesdames Weldon Bynum, Dave Williamson, Luke Thompson, W. H. McClatchey, L. Wheeler, A. J. Atkins, Reuben Dickens, O. E. Conner, Ben Hext, Betty Tubbs, W. E. Cloud, J. E. Tisdale, J. B. Word, J. W. Leggett, A. B. White, Edwin DeLong, F. G. Clark, Cora Putman and Miss Bessie McClary.

The next meeting will be at the church on Monday, Oct. 4, at 2:30 p. m. Mrs. Jess Koy will be hostess, assisted by Mr. Cloud.

Missionary Ladies Of The Presbyterian Church Meet Monday

The Presbyterian Missionary Society met in the Presbyterian Church last Monday afternoon.

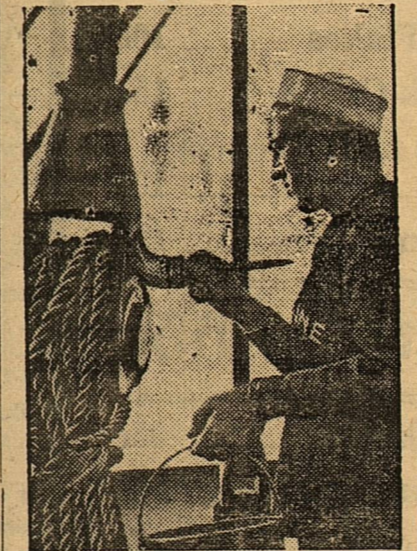

The Lords Day Program was led by Mrs. Bert Page. Mrs. W. J. Burrus and Mrs. John I. Smith served.

Those present were Mrs. N. P. Wilkinson, Mrs. W. E. Eaton, Mrs. Bert Page, Mrs. H. T. Finley, Miss Anna Florence Page, Mrs. T. J. Jones, Mrs. W. A. Mullett, Mrs. S. M. Oglesby, Mrs. R. A. King, Mrs. B. O. Bridgeman, Mrs. Burrus, Mrs. Smith, Mrs. Elton Ellis, Mrs. L. L. Baker, Mrs. Sallie Murchison, Mrs. R. J. Page, Mrs. John Williams, Mrs. H. W. Wiedenman, Mrs. J. B. Edens, members and Mrs. J. A. Ramsey, of Arkansas City, Ark.

Rev. R. S. Davis and W. E. Caldwell of Sonora were here last Friday night to attend the supper given by men of the Methodist church.

West Texas Lumber Co. Your credit is good.

Ship Chores

A CITY afloat, the modern liner provides countless tasks for the men who man her. Wire stays and halliards, turnbuckles and superstructure must be kept clean of rust. Before docking a seaman touches up the superstructure of the Grace Line's "Santa Clara."

When You Feel Sluggish (Constipated)

Take a dose or two of Black-Draught. Feel fresh for a good day's work.

Work seems easier, life pleasanter, when you are really well—free from the bad feelings and dullness often attending constipation.

For nearly a century, Black-Draught has helped to bring prompt, refreshing relief from constipation. Thousands of men and women rely on it.

A GOOD LAXATIVE

WEDNESDAY BRIDGE CLUB MEETS IN HOME OF MRS. BAKER

Mrs. L. L. Baker entertained the Wednesday afternoon Bridge club in her home Wednesday of last week. Mrs. W. O. Alexander won high score, and Miss Cleone Dabney won cut pirze.

Those present were Mrs. H. B. Rees, Mrs. S. M. Oglesby, Mrs. C. C. McLaughlin, Mrs. E. M. Reynolds, Mrs. A. D. Richey, Miss Dabney, Mrs. H. W. Wiedenmann, Mrs. Jimmie West, Mrs. Ed DeLong, Mrs. Alexander, and Mrs. Dave Williamson, members.

Mrs. Sewell of San Angelo was here last week, visiting with old friends and looking after her ranch interests in this county.

1
 (From Page One)
 sent the ball second string. The Indians didn't respect these boys so much, as they proceeded to make three first downs via the air lines, and on cut backs. The half ended before they could continue their successes.

After the kickoff for the second half, Jack Jones provided some fireworks by intercepting an Indian pass, but failed to get away with it. However, from this point Meador made a nice run with the aid of good blocking for 29 yards to the pay dirt. Williams' placement was good.

After the kickoff, Williams dropped back and tossed a pass to Underwood, good for 35 yards and a touchdown. The kick was good for extra point. After the kickoff, Lakeview failed to make a first down and the ball went over to the Eagles. Williams again, with good protection, was able to get off a pass to Bryant, who lateraled to Meador, who ambled easily across for the marker. Williams'

kick for point was good. The first downs were 24 for the Eagles to 10 for the Indians. The entire Eagle team played well. Coulter lead the way for the Indians.

Our next game is with Iraan, there, next Saturday.

Church Slogan

Pay Every Dollar Of Indebtedness Against the Church Building

A few years ago, the First Baptist Church decided to build a better church building, and they did. In fact, they built a house which is a credit to any community of the size and much larger than Eldorado. The building, if constructed today, would cost \$40,000 or more. A large portion of its cost was paid, but several thousand dollars has been carried by the personal indorsement of men of the church, until the amount has been paid down to \$3,200, which is now due. The church in conference decided to make a desperate effort to pay the entire amount, and are making headway, but it

will take 100 percent cooperation to succeed.

The building, as thought in the beginning is a public necessity in the town, as it is the only building that will accomodate the crowds on certain occasions. It has been a pleasure to us to be able to furnish such a building and it goes without saying that for any laudable purpose the First Baptist Church building can be used. For school programs, many large funerals, noted speakers, etc., have always been welcome.

We certainly hope that our members will do their best so that we may have all of the money in as early as possible, as a settlement must be made within the next few days.

We are hoping that the debt will be paid, and that at an early date we may have a dedicatory service, dedicating the house to the Lord, clear of debt. At this time we want to get together all of the notes which have been paid off and make a bonfire with them, bring our dinners and have a great time, praising the

Lord for his many, many blessings.

J. A. WHITTEN,
 Chairman Building Committee.

Good Brain—Good Bite

"Most active and intelligent flea in the world" is the title belonging to the West Texas sand flea. Trainers in circuses and side shows in the northern states send messengers all the way down here to get this particular kind of flea, because they say it takes a shorter time to teach them tricks and they are longer lived. Those who have come in contact with the insect may wish to give it another title—the hardest biter.

Common Clay

Texas clays are used in everything from pottery-making to road-building. Commercial refractory clays are sold for the manufacture of fibre brick, terra cotta, floor tiles and art pottery. Coarser clays yields the common red-pressed brick, drain tile and earthenware. Two other products are kaolin, utilized in the making of fine pottery, and earth for the deodorizing of oils. Many of the ordinary clays are used extensively for road-building.

**TYPING CLASSES
 PROGRESSING RAPIDLY
 UNDER INSTRUCTORS**

Miss DeFord and Miss Strickland state that their typing classes are progressing very well considering the fact that the students were hindered the first week of school while typewriters were being repaired.

Conditions point to a very good typing team for this year. C. F. Jones is leading Miss Strickland's typing class, with Josephine Parrent leading Miss DeFord's. Josephine will not be eligible for the team this year, for she has had typing previously. There are several other students who are practicing hard and will give teams at the Four County Meet something to worry about.

The students will start typing with music as soon as the rhythm records arrive.

Mrs. J. A. Ramsey of Arkansas City, Ark., is here visiting her son-in-law and daughter, Mr. and Mrs. W. A. Mullett.
