

Delay Action On Dial Phone Proposal Here

Action was delayed by City commissioners last night on a Bell Telephone company request for a rate increase and proposal for installing a dial telephone system in Big Spring.

The commission countered the request for an increase in rates with a suggested lower schedule, agreeing to consider the telephone company's answer to the suggested rates at a special meeting.

Commissioner Frank Hardisty, a delegate to the State Democratic convention at Mineral Wells, was absent Tuesday.

John B. Moore, local telephone company manager, submitted Southwestern Bell's dial system proposal and request for rate increase. In his statement, Moore declared that the company has been operating at a loss for the past two years.

In 1948, he said, the company "failed by \$21,907 to collect enough local revenue in Big Spring to pay the cost of furnishing service with a plant which had cost \$630,386 to build."

"In 1949, as operating costs continued to increase, the company lost \$54,956 on a property which by this time had cost \$802,692," he declared. "Revenue from 1953 rates would not pay post-war costs."

New rates requested by the company are \$9 for a one-party business telephone, \$1.50 for business extension, \$4.25 for one-party residential phone, \$3.50 for two-party residential phone, \$3 for four-party residential phone (to become available after the dial system was installed), \$1 for residential extension, \$13.50 for commercial PBX trunk, \$1.50 for commercial PBX station, and a 23-cent guarantee on semi-public service.

New rates would represent an increase of 63.6 per cent on business telephones, 70 per cent on one-party residential phone, and 55 per cent on two-party residential phone, Moore said.

The suggested rate schedule submitted by the commission was \$8 for one-party business phone, \$1.25 for business extension, \$3.75 for one-party residential, \$2.75 for two-party residential, \$2.25 for four-party residential, 75 cents for residence extension, \$10 for commercial PBX trunk, \$1.25 for commercial PBX station, and a 20-cent semi-public service guarantee.

This counter-offer was proposed by Commissioner Willard Sullivan. It was his proposal that these rates be put into effect now, to extend until such time as a dial system is put into effect. At that time, the city would consider the fall rate increase "provided it was in line with other towns of comparable size and with comparable service."

Moore indicated that he was "confident that the suggested rates would not be acceptable to the company, but agreed to forward the schedule to Southwestern headquarters. Commissioners voted to meet in called session as soon as Moore received a reply."

In supporting his argument for a rate increase and acceptance of the dial system proposal, Moore pointed out that Big Spring now has more than twice as many

QUESTIONED — Maj. Harold Banning, (above) Army finance officer in Berlin, grins broadly as he was booked in Reno, Nev. for Army authorities. The Army said it wants to question him about the possibility, who arrested him at a Nevada dude ranch, that it is all a misunderstanding. (AP Wirephoto)

Name Marshall Defense Chief; Johnson Resigns

KOREAN WAR AT A GLANCE

By The Associated Press Eighth Army Headquarters Lt. Gen. Walton H. Walker announced U. S. troops "very soon" will take offensive and savs enemy "will fold."

Follows Early's Giving Up Post

WASHINGTON, Sept. 13.—George Catlett Marshall, soldier by profession and diplomat by experience, headed back to the Pentagon to become secretary of defense.

GEORGE C. MARSHALL

LOUIS A. JOHNSON

Offensive Is Near, Allied Troops Hear

By LEIF ERICKSON Associated Press Staff TOKYO, Sept. 13.—Allied troops got word today that they will kick off on the offensive soon against the big Red Korean war machine they have battled to a standstill for a month.

Lt. Gen. Walton H. Walker, allied ground commander in Korea, said in a fighting talk to his front-line troops: "Soon we are going to give up the attitude of defense... as soon as we start forward and break the crust in front of us, the enemy will fold."

"We can feel a weakening of the enemy now... in some positions they are actually pulling out."

The U. S. Eighth Army commander described the long weeks of delaying action as necessary "agony and suffering."

Walker's fighting talk came as allied troops flattened the Red Korean bulge on the northeast front in a triple-thrust power drive.

The United Nations gains in a three-day offensive were the greatest in nearly a month. They sealed much of the gap torn last week by Communists in their massive breakthrough south from Kigye near the east coast.

Resurgent South Korean troops, driving east from Yongchon and northwest from Kyongju, rolled back the Communists.

To the east, a mixed force of South Koreans and Americans rammed shut the southern gate of a mountainous corridor, trapping 3,000 Red Koreans.

Along the 125-mile allied defense perimeter, this was the picture: Pohang - Yongchon sector - "Task force Davidson" closed a

three-mile gap between Angang and Pohang. From the west, the South Korean Eighth Division thrust three-fourths of the way to Red-held Angang. It has punched 12 miles in three days. A South Korean regiment drove northwest from Kyongju to close this last gap. Reds dug in on Hill 343 south-

west of Angang were resisting fiercely. Taegu sector - U. S. First Cavalry Division elements attacked a strongly-fortified hill eight miles north of Taegu. This was in the immediate area where they stormed

replacing Rep. Charles A. Plumley. Republican. Retiring Sen. George D. Aiken, Republican was unopposed.

Michigan - Republicans picked former Gov. Harry F. Kelly to oppose Democratic Gov. G. Mennen Williams.

Minnesota - Republican Gov. Luther Youngdahl swamped four little known opponents, Harry H. Peterson led a six-man race for the Democratic-Farmer-Labor nomination.

Washington - W. Walter Williams, Seattle businessman, led two other candidates for the Republican nomination to the Senate. Democratic Sen. Warren G. Magnuson was unopposed.

Here's a summary of top races: Arizona - Sen. Carl Hayden and other members of the Democratic congressional delegation were renominated. Republicans had no primary opposition. A woman, former state auditor, Ana Frohmiller, appeared to have won the Democratic nomination for governor.

Colorado - Sen. Eugene D. Millikin was renominated by Republicans without a contest. The Democratic nominee is Rep. John A. Carroll, also chosen without opposition. Former Gov. Ralph L. Carr was picked by Republicans as their gubernatorial candidate to oppose Gov. Walter W. Johnson, Democrat.

Vermont - Winston L. Prouty, lumber dealer, won the Republican nomination to the state's only House. He is virtually assured of

HST ASKS EXCEPTION

To Let Marshall Serve His Nation

WASHINGTON, Sept. 13.—President Truman asked Congress today to make an exception and let Gen. George C. Marshall serve as secretary of defense even though he is a military man. The Senate Armed Services Committee immediately approved the necessary legislation.

The vote was 10 to 2. Congress has to act because the law says nobody who has been on active duty as an officer of the armed forces within the past 10 years can be secretary of defense.

The Senate group acted even before a bill was introduced formally. The House Armed Services Committee postponed action until Friday.

House group said the matter is so important "that I want a full committee present if possible."

The bill may be called up in the Senate tomorrow or Friday, in a quick follow-up of the Senate committee action.

Mr. Truman wrote Tydings and Chairman Vinson (D-Ga.) of the corresponding House committee, asking for the necessary legislation and enclosing a draft.

There was some Republican opposition in traditional civilian control position, however, to an interruption in traditional civilian control.

Midway Must Vote Bond Issue Before School Construction

Voters of the Midway Common school district must vote on a proposed bond issue of "not less than \$6,000" before contract can be let for construction of a new four-classroom school building, Walker Bailey, county school superintendent, announced this morning.

No date has been set for the balloting. Letting of the contract for construction of the school had been scheduled for yesterday afternoon, but the bond question forced postponement. Plans and specifications for the structure have been completed and distributed to contractors by Puckett & French, architects and engineers.

County Delegation Backs Gov. Shivers

Howard county's delegation to the state Democratic convention in Mineral Wells strung along with Gov. Shivers.

O'Dwyer Given Okay By Senate Group

WASHINGTON, Sept. 13.—The Senate Foreign Relations Committee today approved the nomination of William O'Dwyer of New York to be ambassador to Mexico. The vote was 8 to 0.

O'Dwyer recently resigned as mayor of New York City to accept the diplomatic appointment.

FROM UNITED STATES

Mexico To Receive Battle Flags Today

MEXICO CITY, Sept. 13.—The United States formally presents Mexico today with her captured battle flags, some of them taken 103 years ago on the very spot where the return takes place.

President Miguel Aleman himself receives the 69 flags in the shadow of Chapultepec Castle, captured by U. S. forces just 103 years ago today. The banners, which have been in the hands of the U. S. Army, were accompanied by a personal message from President Truman to President Aleman.

The Mexican Government itself has taken every step to give dignity to the return and to show its gratitude.

and instead return the Chamizal, a suburb of El Paso, Tex., claimed by Mexico.

Even the newspaper, Ultimas Noticias, usually friendly to the U. S., said editorially yesterday that:

"The return of the flags has been very unpopular. The banners which were in foreign hands were, in the last analysis, symbols of an unequal fight and proof that Mexico went down fighting bravely in defense of her dignity."

However, the crowds which turned out yesterday when the flags arrived were accompanied by an honor guard of U. S. Army, Navy and Air Force cadets seemed enthusiastic.

I. P. Trammell, city policeman, said he was driving a police car on the night of Feb. 8 when a radio call was received to proceed to Third and Gollard. In the police car with Trammell were Policemen I. King and Fire Chief H. V. Crocker. Trammell said they saw Cook at the alley between Gollard and Nolan on Third street when the police car approached the Third-Gollard intersection.

The police car went to that location, Trammell said, and a man was loaded into the car and carried to a hospital.

Earlier the defense had objected repeatedly to questions directed to petty Starr by the district attorney. She said she was at the Casino club on the afternoon and night of Feb. 8 visiting her mother who

worked there. She said she saw Ronald Williams there about 7 p. m. and again after 9 p. m. and that he appeared sober and that his conduct was good.

Proceedings were to continue at 1:15 p. m.

Testimony started this morning after the jury was completed shortly after 10 a. m. A panel of 63 veniremen was exhausted Tuesday afternoon with only 11 accepted for the jury. Twenty more were called this morning, and the seventh man examined was accepted.

Members of the jury are J. H. Shelburne, J. R. Smith, Ota Grais Jr., Bob Satterwhite, D. D. Douglass Jr., J. R. Boodle Jr., H. I. Heiter, Shirley Robbins, Vernon S. Baird, J. P. Naworthy, Eddie Mann and Roy Cook.

State Puts Three Witnesses On Stand As Murder Trial Of Kirby Cook Opens

The state put three witnesses on the stand this morning to open the murder trial of Kirby Cook, including one man who said he saw Ronald Williams shot down.

In response to questions asked by District Attorney Elton Gilliland, Herbert Smith said he witnessed the shooting while driving on East Third street. A man came running around the corner of East Third and Nolan streets, Smith said, and shortly thereafter he saw another man come around the same corner.

Smith testified that he recognized the second man as Kirby Cook, who was then a deputy sheriff, and that Cook had a gun in his right hand. The witness said the chase continued east on the south side of Third street for almost half a block and then Cook fired. He said the other man took "a step or two," then fell.

George Thomas, a defense attorney, sketched diagrams with chalk on the floor in front of the jury box. He had Smith to mark position of the shooting victim, Cook and Smith himself.

TICKETS GIVEN FOR SURRENDER

ON THE MASAN FRONT, Korea, Sept. 13.—United Nations surrender tickets are bringing in some Korean Reds.

One Communist came through U. S. 25th Division lines today waving a leaflet. He told an interpreter:

"Please give me more leaflets and I'll bring back other men. They want to surrender but do not have tickets."

He was given a handful. Ten minutes later he returned with four more Reds.

Skies Cloudy Over Nation

CHICAGO, Sept. 13.—Skies were cloudy today over wide areas of the country and cool weather continued from the northern Rockies eastward to the New England states.

The sun was in hiding over the Central Rockies, the Great Lakes and Southern Plains, the Central and Middle Atlantic regions and the Middle Atlantic states. Showers fell over most of the cloudy regions. Rain also fell in Oklahoma, Arkansas and northern Texas.

Temperatures dropped below freezing at some points in the northern Rockies and were in the 30's over most of the region and in the northern plains. They were around normal over the southern third of the country.

Texas Demos Line Up With Rare Unity Behind Shivers

By DAVE CHEAVENS Associated Press Staff, MINERAL WELLS, Sept. 13.—Texas Democrats were lined up with rare unity today behind Gov. Allan Shivers on what he wants to be a harmonious middle course.

Many deserting Dixiecrats of 1948 were back in the party, pledged to support its nominees—at least in 1950. The new executive committee included some former state righters and some hold over liberals.

But most of all it was a carefully handpicked Shivers committee. It acts for the party—and for the governor—between conventions.

There was a long, bitter convention committee struggle for places but it never erupted on the convention floor.

Early in yesterday's convention, the governor seized control by shopping majority. After that, despite the flurry in the party officials' committee meeting, it was altogether a Shivers' show.

Not only is the new executive committee made up mostly of his friends, but of conservatives. Shivers lined up with this group to take over control of party affairs. Two years ago, the late Gov. Beauford

H. Jester turned the trick with a liberal coalition group.

The convention named J. E. Wheat of Woodville, long time friend of Shivers, as executive committee chairman to succeed John C. Calhoun of Corsicana, who retired.

Wheat had been secretary. To succeed him, the convention elected rancher-Banker Judd Stuart of Strawn.

Mrs. Claude Hudspeth of San Antonio was re-elected vice-chairman. The convention adopted a platform opposing a general sales tax and an income tax. It advocated caution in state spending and said it new money has to be raised, the tax burden should be equitably distributed. It also approved a resolution urging a state law to make Communists register and carry "suitable identification" under penalty of "death or lesser penalty" as a Texas jury may prescribe.

The platform re-stated the principles on which Shivers won the Democratic nomination: Conservation of the state's human resources, its soil and water resources, and funds. The platform also called for orderly development of water resources, with federal aid if necessary, but without federal control.

FOR DECORATIONS

Steam Turned On To Secure Funds

With the Sept. 15 deadline for raising funds for the purchase of 34 strings of Christmas street decorations only two days away, the chamber of commerce Decorations committee this morning turned on more steam in its drive for some \$4,500.

Tentative order for the decorative material must be verified by Friday if it is to be secured at its present price, Gilbert Gibbs, chairman, reminded this morning. If funds are not raised by that time, the order will have to be cancelled, he said.

A total of \$2,397.50 had been pledged to the fund at noon today. Canvassers were still at work contacting local business and professional men in an effort to raise the additional \$2,000.

Gibbs asked that individuals and operators of all business establishments who had not been contacted make any desired contribution to the fund by calling the chamber of commerce.

A sample of the Christmas decorations is on display across Main street downtown. The metallic ornaments are of the permanent type and may be used for a number of years, Gibbs said.

Overall objective of the funds drive is to assist in making Big Spring one of the outstanding cities in West Texas on the Christmas decorations standpoint. Arrangement of the decorations will be in a manner to give the best city-wide effect, the drive chairman declared.

Latest contributors, through noon today, were the Commercial Credit corporation, Builders Supply company, Dick Lane, Lee O. Rogers, Wood & Roberts, Dr. G. T. Hall, E. O. Ellington, W. H. Wharton, R.H. Theatres, Shroyer Motor company, A. K. Lebkowsky & Son, Sherwin-Williams company, Whitt's Bar, Empire Southern Gas company, Franklin's, O. F. Priest, Robert Stripling, Crane Dental Lab, W. B. Hardy, Doris Letter Shop, Vernon Baird, H. C. McNabb, Tom Rossen.

Joe Edwards, Big Spring Motor company, Rowe Motor company, McEwen Motor company, Crystal cafe, Perry's cafe, Quick Lunch cafe, Underwood's barbecue Stand, Morocco club, Douglas Coffee shop, and Packing House Market.

Fans May Contribute To Baseball Fund

Big Spring baseball fans may contribute to the Bronco Pennant fund, Floyd Kinzey of the Bronco Boosters reminded this morning.

Minimum 370,000 Will Be Drafted By Next July 1

WASHINGTON, Sept. 13.—Maj. Gen. Lewis B. Hershey is making plans for inducting between 370,000 and 500,000 men into the armed services before next July 1.

He told the Senate Appropriations Committee at a closed session Sept. 1 that his "most conservative estimate" was "at least 370,000, and maybe 400,000 and maybe 500,000."

America's Weapons

U. S. S. BRUSH, destroyer of the "Sumner" class. Has a standard displacement of 2200 tons length, 37 feet; beam, 40 feet; rate speed, 34 knots. Is armed with six 5-inch guns, five 21-inch quintuplet torpedo tubes.

THE WEATHER

BIG SPRING AND VICINITY: Partly cloudy with widely scattered showers today, tonight and Thursday. Warmer this afternoon and tonight.

High today 97, low tonight 72, high tomorrow 98.

Highest temperature this date 105 in 1936, lowest this date 60 in 1949, maximum rainfall this date 1.93 in 1908.

CLOUDY

BUSINESS OUTLOOK

Truman's Pay-As-We-Go Tax Is Easy To Say, Hard To Get

BY J. A. LIVINGSTON
President Truman has grown. The speech he made on economic controls on heading off inflation, would not have been possible a year and a half or two years ago. In 1948 and even as late as 1949, Truman asked Congress for standby price and rationing controls to stop the rise in the cost of living.

Those demands were made just before the 1949 readjustment in business. As such they were not well timed. And they were the demands of a President who wasn't quite hep to the way an economy works. The President and his economic advisers felt that extreme wartime measures would work in peacetime. Yet the cost of setting up controls would have been prohibitive.

Obviously, the country is far more prepared for regulation from Washington today than two years ago. Lives are at stake. And it is well to have the nucleus for an all-out war setup—an Economic Stabilization Agency to regulate wages and prices, and a national Production Authority to direct the flow of steel, copper, aluminum and other scarce materials.

And President Truman seems prepared to avoid it. He declared: "There is only one sensible way. If we tax ourselves enough to pay for defense, we will help hold down prices. Inflation would hurt us more in the long run than higher taxes now."

So far, well said. The President seeks to deal with the cause of inflation, a superabundance of purchasing power, rather than the symptom, rising prices. But whether the President or Congress will really make good on

those words is something else again. Sen. George (Dem. Ga.), chairman of the Senate Finance Committee, promised that a \$7,000,000,000 second-installment tax bill would follow the present \$4,300,000,000 measure. That would bring the total annual tax increase to \$11,300,000,000. Yet President Truman figures that by next June we will be "spending at the rate of at least \$30,000,000,000 a year" on defense, or \$15,000,000,000 more than at present. At that pace, spending would be outrunning taxation by \$3,500,000,000.

The real test of the pay-as-we-go will come in Congress, when senators and representatives take a good hard look at the rates necessary to extract some \$55,000,000,000 to \$60,000,000,000 a year, or even more, from taxpayers. That's a 5 per cent rise over the current tax take. Corporation rates may have to rise to 50 per cent, on top of which an excess profits tax will be necessary. Excise taxes will have to go higher. And so will personal income taxes. There ain't no votes in that, brother!

President Truman laid it on the line this way: "All of us—whether we are farmers, or wage earners, or business men—must give up some of the things we would ordinarily expect to have for ourselves or our families." Thereupon the President chided business, as well he might, for unnecessary price increases. But he was ever so careful in dealing with wage earners. For them, he said, "The guiding principle must be: Do not ask for wage increases beyond what is needed to meet the rise in the cost of living."

Chalk Up A Plus Sign For Six Lone Star Teen-Agers

DAYTON, O., Sept. 13. (AP)—Six youngsters from Texas walked into the Montgomery County Commission office the other day. Their leader, 16-year-old Albert Castro, stepped up the desk of Commissioner Harry Munger, grinned, and carefully counted out a five-dollar bill, 11 one-dollar bills, and a 50-cent piece.

Thus was completed one of the most unusual deals in the county's financial history.

Three months ago the six youths, en route from Galveston to Fremont, O., for the beet-picking season, were stranded here when they ran out of funds. The commissioners dipped into the county treasury and gave each of the six \$2.75 for fare to Fremont.

Young Castro, as he plunked down the cash, said: "We're grateful for the help you gave us. We promised to give back the money, and here we are."

Munger said the commission is authorized to provide transportation funds for stranded persons who can prove they are residents of other states or counties.

"Of course," he said, "we don't make a practice of giving money to everyone who asks. And when we do, it's quite unusual that we ever hear from the people again, once they're on their way. It's a rare thing when money lent like this is paid back."

Four Methods For Assignment Of Clergy To Active Service

AUSTIN, Tex., Sept. 13.—There are four methods by which clergymen of all denominations may be assigned to active duty with the Chaplain corps, declared Chaplain Luther W. Evans, Chief of Fourth Army chaplains.

Reserve chaplains may volunteer for active duty; chaplains assigned to Reserve and National Guard Units will be called up when their units are mobilized; chaplains in the volunteer or inactive Reserve will be called up to meet the needs of the service; and clergymen with no previous military experience can apply for a commission in the Reserve.

TEXAS BUILDING; STOP AND GO

Start And Stop Antics Show State Industry Is In A Jag

By The Associated Press
The usually smooth-running Texas building industry is in a jag of fitful starts and stops like a chicken with a towsack over its head. Maybe that's the answer: The industry can't tell where it's going. Maybe it's not.

Some explanations advanced for the antics which make building permits charts look like an electrocardiograph are these:

1. It's seasonal.
2. Credit restrictions.
3. The Korean War (the most usual explanation, but one with many facets).
4. It has been raining too much.

5. Material shortages—and rising costs. At Orange, construction skidded almost to a dead stop during July. Then it rose sharply in August. Denton building zoomed along at a pace far exceeding 1949. Then suddenly, as the Denton Record-Chronicler put it, "someone turned the faucet off." That was late in August. Not a building permit was issued for a full week.

Marshall building is slowing, but they said "it's seasonal." Wichita Falls building permits slipped, during "unfavorable building weather."

At booming Houston, building permits through Sept. 1 for the year totaled \$119,416,283 compared with \$57,107,679 for the 1949 period. That looks as if Houston were building faster now than last year. But permits last week were under the 1949 week, by \$2,035,791 to \$2,086,425.

In the face of rising costs, there was no doubt many a family with dreams of a home of their own had adopted a "wait and see" attitude. The question: Would an early end to the Korean War see costs drop again? And also: Is an early end in sight?

Dallas builders apparently were undisturbed by any of the various factors. Building permits there in the last week of August totaled 408 for a valuation of \$3,114,776 against a valuation of \$1,728,560 and 609 permits for the similar 1949 period.

At Beaumont, the drop-off of permits was sharp in early August. Amarillo expected no slowdown. August commitments in the Panhandle capital totaled \$2,134,834 bringing the year's total to nearly fifteen million dollars.

At the booming coastal city of Orange, permits hit a \$100,000 a month clip for the first six months. Then in July the figure nosedived to \$40,000—lowest for one month

in years. But in August permits skyrocketed to more than \$200,000. Building Inspector J. W. Winfrey at Orange attributed both the slump and increase to the Korean War. He said builders adopted a wait-and-see attitude during July and then in August began hustling to get ahead of possible Federal controls.

At Fort Worth, builders taking out permits tell city clerks that material shortages are running them out of business. They especially need sheetrock and plumbing supplies.

Fort Worth permits for the week ending Sept. 2 totaled 144 against 191 for the same 1949 week, and valuations dropped from \$879,608 to \$473,770.

Austin building already has almost reached 1949's record \$30,327,000. Through Tuesday the total stood at \$28,275,849. Building Inspector John Eckert said the pace of construction continued "steady" at mid-week.

Despite the "seasonal decline" at Marshall, builders there expressed confidence the East Texas city's post-war boom is still underway. Permits for the first eight months of 1950 totaled \$915,917 against \$797,885 for the similar 1949 period.

Marshall realtors reported FHA and VA reluctant to go along with a tendency toward some small increases in home building costs, but that satisfactory re-appraisals had been effected so far. Most Marshall jobs are residential.

Port Arthur expects to set a new building record this year with permits due to total around \$6,000,000. Since the early part of the year, permits have been ahead of similar periods last year. As of last week, permits totaled \$4,150,000. Total for all of last year was \$4,572,039.

So far this has been Lubbock's greatest building year, Building In-

spector Lloyd Ross said. Lubbock permits total \$17,646,092 so far this year, compared to \$16,755,000 all of last year—a record at that time. Residential construction has increased remarkably with 1,232 permits totaling \$9,416,055 issued so far. The number is running about double last year's.

A Lubbock building volume of \$20,000,000 for 1950 has been predicted by observers.

Building in Abilene during the first week of September continued at what the city building engineer calls an "unbroken pace" following August's record breaking building month.

During August of this year, there was \$1,902,477 in building on 14 structures, 117 of which were new projects. This contrasts with a building program of \$499,486 during August last year when 136 structures—68 of them new—were raised.

Business construction in Abilene shows the greatest climb—\$378,400 in permits for August, 1950, compared to \$37,501 for August, 1949. Residential construction almost doubled this August as compared to last year with \$694,725 in permits.

Perricone Quads To Confuse Army

HOUSTON, Sept. 13. (AP)—The Perricone quadruplets pretty soon may be confusing some Army company clerk.

They passed their draft physical okeh and are going to ask that they serve together.

But not in the infantry. They hope its any branch but the walking one.

Anthony, Bernard, Carl and Donald—20—the nation's only male quadruplets—came from Beaumont yesterday for their physical.

They'll go from the induction center here to Fort Sill, Okla., in 30 to 60 days.

And what about that poor company clerk?

Well, suppose he's making up the K.P. list. He hits the wrong letter on his typewriter. A Perricone may pull kitchen police when it should be B Perricone. Or maybe it'll be C for D or D for C or C for B. See?

Latin-Americans Schedule Independence Day Fiesta

LATIN AMERICAN 2-24 brown Big Spring Latin-Americans have scheduled an Independence Day Fiesta for Friday and Saturday in observance of the anniversary of Mexico's Independence.

The Fiesta is to get underway at 11:30 a. m. Friday when Angellita Zubieta is crowned Independence Queen. Mayor G. W. Dabney is to preside at the coronation ceremony.

Young Actress Strolls From Stage To Bible

PASADENA, Calif., Sept. 13 (AP)—Colleen Townsend strolls the campus instead of the sound stage today.

The girl who at 21 was earning \$1,000 a week only seven months ago as a film actress is majoring in Bible study and theology at Pasadena College, where she enrolled yesterday.

She quit her film career in February for work in religion, although she does not intend to become a minister.

Miss Townsend is also working with a young peoples group at the Hollywood Christian Church. Last summer she helped build a headquarters for a Protestant inter-church council at a war rehabilitation camp near Paris.

les scheduled for the WOW hall near Kate Morrison school. Miss Zubieta was elected queen by the Latin-American community in a recent contest.

A salute to the flag will be rendered at 6 a. m. Saturday, Independence Day. A series of patriotic poems will be recited by Latin-American youngsters. Ernesto Gomez will direct band music for the various phases of the Fiesta.

Friday night, starting at 8 p. m., Independence eve will be celebrated with a dance at the WOW hall. A dance is also slated for Saturday evening.

Mrs. Victoria A. Avina is chairman of a special committee arranging for the Fiesta. The celebration will be in observance of Mexico's gaining its independence from Spain on Sept. 16, 1821.

TP Protests Red River Navigation

DENISON, Sept. 13 (AP)—The Texas and Pacific Railroad protested that navigation of the Red River between Denison Dam and Shreveport would seriously affect its parallel freight operations.

The railroad's position was presented in a brief at an Army engineer regional hearing yesterday on Red, Arkansas and White River development.

BEVIN ARRIVES FOR DIPLOMATIC TALKS — British Foreign Minister Ernest Bevin waves as he and Mrs. Bevin leave the liner Queen Mary for their arrival in New York. Bevin will attend the meetings of the Big Three foreign ministers this week. (AP Wire-photo.)

Parents Strike In School Row

OAKLAND, Md., Sept. 13 (AP)—A strike by parents of students in the Kitzmiller area boiled over into court today with six parents named in grand jury indictments.

The indictments charge them with "wilfully conspiring" to keep their children out of school. Names of the defendants were not disclosed.

When the Kitzmiller Elementary-High School opened last week 34 of 300 enrolled students turned up. The parents had told officials they were protesting a Garrett County school consolidation program.

Some objected that the new setup made it necessary for their children to travel to schools 17 miles

from their homes. Monday night Walter W. Dawson, president of the county board of education, warned he would take legal action if the strike continued. Only 20 students reported yesterday.

The law under which the indictments were returned provides fines up to \$50 for interfering with the attendance of children at school.

Argument Set Over Free Beer For Soldiers

WASHINGTON, Sept. 13 (AP)—Should front-line troops get free beer?

"Beer is absolutely essential for our boys in the Far East," strongly insists Rep. Dingell (D-Mich.). He says the water isn't fit to drink.

The Army, claiming it was getting kicks from back home, yesterday cut off the can-a-day it had been giving combat men. They can still buy beer—if they can find any.

A chaplain "somewhere in Korea" said wistfully, "Everyone looked forward to that one can of beer. It was the great relaxation of the day up front."

Dingell is going to ask Congress to make free beer a legal item in the Korean chow lines.

Rescue Ships Hunt For Three Lost Craft

HALIFAX, N. S., Sept. 13 (AP)—Rescue ships hunted today for three small fishing craft buffeted by a hurricane in the Atlantic off Nova Scotia.

Missing since yesterday were the Nickerson and Sir Echo, each with six men aboard.

The Portuguese Cova da Iria flashed an S-O-S last night after losing its steering gear.

The hurricane was expected to rage over the Grand Banks fishing grounds off Newfoundland today, then continue out into the North Atlantic.

Anti-Commie Bill Heads For Veto

By OLIVER W. de WOLF
Associated Press Staff

WASHINGTON, Sept. 13.—A bill aimed at stifling Communist activities all along the home front headed today for a Senate-House conference as the first step toward a probable veto by President Truman.

It received an overwhelming 70 to 7 vote of approval in the Senate late yesterday after a day of heated and often confused maneuvering that eventually welded two opposing measures into one.

Briefly the bill provides for:

1. The internment of dangerous Reds in time of war, invasion or

2. Registration of Communist and Communist front organizations.
3. Barring Reds from government jobs and obtaining passports.
4. New legal curbs on sabotage and espionage.
5. New weapons to be used to exclude and deport aliens considered to be subversive.
6. Outlawing conspiracies to set up a "totalitarian dictatorship" in the United States.

Sen. Kilgore (D-WVa.) had introduced the internment plan as a substitute for the sweeping catch-all bill sponsored by Chairman McCarran (D-Nev.) of the Senate Judiciary Committee. As a substitute it was defeated 50 to 23.

Meanwhile Senate Democratic Leader Lucas of Illinois grabbed the ball when the voting was finally over, he had succeeded in nailing a somewhat modified version of the Kilgore plan onto the McCarran bill.

It was done by voice vote after the Senate had (A) batted down 45 to 29, Lucas' move to substitute the plan for the Communist registration section, and (B) rejected 37 to 35, his first attempt to write the plan into the bill. This vote was later reconsidered and acceptance followed.

Local Delegation To Attend ABClub Meet In Odessa

A delegation of local American Business Club members will go to Odessa Friday and Saturday Sept. 15 and 16 to attend the District 8 convention of the ABClub. Registration will begin at noon Friday and at least ten, and perhaps more of the local membership have made definite plans to attend all or some of the convention sessions.

Eugene Thomas, club president has announced that the club will meet at the Settles Hotel Monday morning at 7 o'clock for a breakfast. Lyle Smith of Huntington, West Va., national ABClub president, will be honored guest at the breakfast. Thomas has issued a request that all ABClub members attend the Monday morning session.

POLITICAL TALK — Leading figures of the Texas State Democratic Convention are shown in Mirnal Wells where they gathered for a cup of coffee and convention talk. Left to right, the are: John C. Calhoun, Corsicana, retiring chairman of the executive committee; Governor Allan Shivers; J. E. Wheat, Woodville, secretary of the executive committee and slated to be the new chairman, and Judd R. Stuart of Strawn, slated to be the new secretary of the committee. (AP Photo)

Elementary Pupils May Still Partake In Band Program

There is still room for elementary pupils of fifth grade or higher rank to participate in the band program.

J. W. King Jr., director, said that many new residents were not familiar with the availability of the program. The elementary band program is being offered daily from 3 p.m. to 4 p.m. in the band rooms at the high school, King said.

Those who participate do so by arrangement with the grade school principals. Around 45 are taking the program now, stated King, and there is room for more.

The high school has 89 enrolled Friday evening it will feature the traditional coronation of the band queen, Marilyn Miller, at the between-halves period of the Big Spring Quannah game.

Organizing for the year's work, the band has named George Hill to be captain, and Joe Williams to be drum major. Joy was re-elected to her post.

Mexican Cotton Cannot Be Exported Without A License

BROWNVILLE, Sept. 13.—A new customs order means that at least 200,000 bales of Mexican cotton now stored in the Grande Valley warehouses cannot be exported without a U. S. customs export license.

Deputy Collector of Customs Hugh T. Wood yesterday said owners of Mexican cotton stored in this country must file for regular export licenses. This involves having a buyer ready in a U. S. approved country before the license can be sought. Delays of various length are anticipated after application, Wood said.

Oslo was called Christiania before 1925.

Sign Loyalty Pledges

HYNDMAN, Pa., Sept. 13.—About 900 of Hyndman's 1,300 residents stood in line in the rain yesterday to sign loyalty pledges in a campaign sponsored by the local Veterans of Foreign Wars post.

Red Ship Exploded

TOKYO, Sept. 13.—Gen. MacArthur's headquarters said today a South Korean ship Monday blew up in Haegu Bay, due south of Pyongyang, North Korean capital.

Woman Killed

BROWNFIELD, Sept. 13.—Miss Tommye Sue Morgan, 23 of Lubbock was killed yesterday when the automobile in which she was riding overturned.

Lightning Kills Woman At Home

WELLSBURG, W. Va., Sept. 13.—Mrs. Jeff Soles, 68, was killed yesterday when lightning struck a wire clothes line at her home.

Mrs. Soles was hurrying to take a wash off the line before an approaching storm broke. Witnesses said lightning struck a tree and traveled along the clothes line, knocking the woman to the ground.

Don't Be Satisfied With Symptomatic Relief! It's Now Possible To RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Heartburn, Constipation, Certain Nervous Disorders When Due to Lack of Vitamins B₁, B₂, Iron and Niacin in Your System!

HADACOL One of the Greatest Blessings of the Times!

Just a Few of Thousands Upon Thousands of Interesting Records of Folks With Such Deficiencies Who Have Been Helped

Mrs. C. C. Keller, 1629 1/2 Frederick Avenue, St. Joseph, Missouri, says HADACOL really has put a stop to her neuritis pains. She was in a very bad condition with aches and pains and unable to sleep and was forced to give up her position as a practical nurse. She had severe pains in wrists and stiffness in her hips, being almost unable to walk. Now after taking one bottle of HADACOL, she is able to do her own housework. She most enthusiastically recommends HADACOL to all sufferers from neuritis pains.

Link Robinson (a steel worker for over 20 years), 519 Lindsey, Newport, Kentucky: "When your stomach is in bad shape as mine, couldn't eat, gas pains, stomach bloating and nervousness, then your body doesn't get the proper foods it needs. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat anything I want to. Best of all I haven't got those terrific gas pains and stomach bloating."

Mrs. L. Crifasi, 327 N. 14th Street, Springfield, Illinois: "I am elated with the wonderful results obtained by taking HADACOL. I had emotional indigestion, which is stomach distress and makes a person feel down and out. HADACOL seemed to be prepared for my ailment, for it made a new woman of me."

W. E. Hoxworth, a skilled maintenance man in Waco, Texas: "I almost had to give up my job because of suffering from stomach distress. I couldn't hold my food, as no food agreed with me. After hearing about HADACOL and completing a second bottle, I began to feel better and regain the weight I lost, and suffered no more indigestion. I now take HADACOL regularly to help stay well." (Why don't you try HADACOL?)

Mrs. J. Sciranski, 514 Kruger, Ottumwa, Iowa: "My daughter, Marilyn Sue, is five years old and for some time lacked pep, had a poor appetite was generally run-down. Since giving her HADACOL, we have noticed wonderful results. She has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take her HADACOL, too." (Kiddies sure do like HADACOL.)

Floyd Mabe, 14014 South 7th Street, St. Louis, Missouri: "For some time after a wartime injury I had been troubled with neuritis pains in my legs and could not work. Nothing seemed to help me until I tried HADACOL. After taking a half bottle, I seemed to feel better. My wife told me it was only my imagination, but I continued to take HADACOL and up to the present have taken 13 bottles. Now I feel fine with no more pains in my legs." (HADACOL is so effective because it relieves the REAL CAUSE of neuritis aches when due to such deficiencies. Why don't you give HADACOL a chance to help you?)

Mrs. John Geary, 840 Ursuline Street, New Orleans, Louisiana: "I had such a nervous stomach I was unable to eat regularly. Lots of times I was unable to hold any food on my stomach. Then I heard about HADACOL. After the first few bottles I could tell a definite improvement. Now my stomach doesn't trouble me at all. I eat anything I want. HADACOL is wonderful. You can see that, if it did so much for me after suffering so." (A big improvement is often noticed within a few days' time. One of the many advantages of HADACOL is that continued use helps prevent such stomach distress from returning. Don't continue to suffer. Start taking HADACOL today!)

Senator Dudley J. LeBlanc—the Man Responsible for the Great New HADACOL

Now! Thanks to the tireless efforts in scientific research of Senator Dudley J. LeBlanc—eminent statesman of Louisiana and creator of this great new HADACOL nutritional formula—it is at last possible to relieve the REAL CAUSE of such ailments as neuritis pains, stomach distress, gas pains, heartburn, indigestion, insomnia, certain nervous disorders and a general run-down condition due to lack of Vitamins B₁, B₂, Iron and Niacin.

Senator LeBlanc has just completed a modern \$250,000 manufacturing plant and a similar one is well under way so that this wonderful HADACOL will always be available to the public.

What the Great HADACOL Does... No longer do you have to be satisfied with symptomatic relief—you can start this very day, and relieve the REAL CAUSE of such ailments with HADACOL. Get that wonderful HADACOL feeling everyone is talking about! A big improvement in the way you feel is often noticed in a few days.

And continued use of HADACOL helps prevent such ailments from coming back. Naturally, there's an explanation for this. You see, HADACOL not only feeds deficient, run-down systems with extra quantities of Vitamins B₁, B₂, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—elements so vital to help maintain good health and guard against such deficiency sickness.

Sold on Strict Money-Back Guarantee Don't continue to suffer! Be fair to yourself—start taking HADACOL today. HADACOL

Senator Dudley J. LeBlanc is very inexpensive—costs only a small amount daily. And HADACOL must help you, or your money will be returned. Trial size, only \$1.25 a bottle. Large family or hospital size, \$3.50. Refuse any substitute. There's only one true and genuine HADACOL.

MANY DOCTORS RECOMMEND

HADACOL

GET THAT WONDERFUL HADACOL FEELING

Refuse substitutes. There's only one true HADACOL.

Stocks of new Sheen Gabardines are at their peak right now. So pay Penney's a visit soon. Ask to see a new Town-Clad sheen gabardine in a double or single breasted model... in the newest colors. Ask our salesman any question, the harder the better. He has all the proof you want, that Town-Clad's a Great Suit for \$45.

A Bible Thought For Today—

x x x Look not on his countenance, or on the height of his stature; because I have refused him: for the Lord seeth not as man seeth; for man looketh on the outward appearance, but the Lord looketh on the heart.—I Sam. 16:7.

Consider The Little Children And Drive All The More Carefully

Recognizing that traffic hazards have increased sharply with the resumption of school, the American Automobile Association has devised a special campaign to prevent or reduce traffic accidents involving school children.

We have seen children at the wheel who could not possibly be over eleven or twelve years old, law or no law. For the responsible motorist, the "take it easy" advice is good, and should receive attention.

Redistricting Problem Loaded And Should Be Faced Promptly

When the various state legislatures convene after the coming general election, they will be faced with the delicate job of redistricting both for the national House of Representatives and for their state legislatures.

which have gained population and are entitled to new congressional representation, must elect the additional congressmen "at large" that is, the whole state votes on the at-large congressmen.

Editors' Roundtable

Some Editors Believe Dewey Will Seek Presidency Again

To a rather large minority of editors Governor Dewey's decision to seek reelection indicates that he will try for the Republican nomination for President in 1952.

of the question... Political friendships are prone to wither in the chilling atmosphere of rivalry.

NEW ORLEANS (La.) TIMES-PICAYUNE (Ind.-Dem.)

"Gov. Dewey's return to the Republican firing line follows the Truman-Flynn-Boyle maneuver which, by promoting New York's Mayor O'Dwyer to a diplomatic post, promoted a city mayoralty election to bring out a big (and predominantly Democratic) city vote next November...

LOUISVILLE (Ky.) COURIER-JOURNAL (Ind.-Dem.)

"Dewey's avowed intention to turn the New York Governor race into a debate on national issues, principally foreign policy, betrays a thought that he may revive his right to become the natural antagonist for the President and the administration program...

ASHEVILLE (N. C.) CITIZEN (Ind.-Dem.)

"It is clear enough that Dewey has been brought back into the picture because the O'Dwyer resignation forced the Republicans' hand. What lies beyond this? ... Now that he is back in the state picture, will he come back to the national scene as Republican nominee for President in 1952? ... No Republican candidate who failed twice has ever run a third time. But a third trial for Dewey undoubtedly is the strategy behind the scenes of New York's busy political to-and-froing."

CHICAGO SUN-TIMES (Ind.)

"Don't lay any bets that Dewey will be the Republican Party of New York State. How nominee for president in 1952. It's too early to guess... His return strengthens the Republican Party of New York State. How much it will strengthen the Republican Party nationally remains to be seen. For one thing it does not promise increased harmony within the party. Plenty of Republicans want no part of Mr. Dewey's leadership."

WICHITA (Kans.) EAGLE (Ind.)

"If Dewey wins the governorship he will control the New York Republican delegation in 1952. Having renounced any presidential ambition, there is some presumption he will support Gen. Dwight D. Eisenhower for the presidential nomination. So New York looms as prime fighting ground between the two parties with the winners making their impress on the 1952 struggle for national control."

ST. LOUIS (Mo.) STAR-TIMES (Ind.)

"A party that seemed to have had its fill of Dewey — as a presidential candidate may be forced to reconsider... He may become the party's logical candidate in 1952 by (1) its failure to come forth with a stronger prospect and (2) the sheer weight of New York's electoral vote in national elections. Republicans outside of New York may swallow hard at the prospect of a third try with Dewey, but they could do worse."

NASHVILLE (Tenn.) TENNESSEAN (Dem.)

"Assuming that Eisenhower and his friends have decided that he should be the next Republican standard bearer... it will be something of a miracle if Governor Dewey and his organization do not begin to edge away henceforth... Another gubernatorial victory must tend to undermine the Dewey conviction that a third chance at the presidency is out

Romans Cut Wine Use

ROME—(AP)—Wine growers of the Rome area say that average per person consumption of wine in the province has dropped more than 60 per cent since World War II and have asked the government for a being considered by the provincial council.

Sentiment Increases For Admitting Spain To Pact, Giving Economic Aid

BY GEORGE GALLUP, Director, American Institute of Public Opinion

PRINCETON, N. J., Sept. 13—Signs of a changing public attitude about our relations with Spain are to be found in a public opinion study just completed by the American Institute of Public Opinion.

States would be making a military blunder not to have Spain for an ally and use her as a base in case of general war in Europe. This survey is designed to show first the opinions of the total sample of the population interviewed, and next the opinions of the better-informed portion of the sample—those who were able to give a correct answer to the preliminary question, "With what country do you associate General Franco?"

Sentiment for Spanish membership in the Atlantic Pact has increased since a similar survey in May, 1949. At that time the "informed" voters were evenly divided on the question.

A total of 56 per cent correctly identified Franco with Spain. Voters were then asked two questions dealing with the Atlantic Pact and sending supplies to Spain. The following tables show the vote of all persons questioned, and the vote of the best-informed.

Do you think Spain should or should not be invited to join with the United States and Western European nations in the North Atlantic Security Pact?

Here is the vote:

Table with 2 columns: All Voters, Informed Voters. Rows: Should, Should not, No opinion.

Do you think the United States should or should not give military supplies and economic aid to Spain now if Spain agrees to help us in the event of a war with Russia?

Table with 2 columns: All Voters, Informed Voters. Rows: Should, Should not, No opinion.

The President then went on to say: "Spain is not, and has not been foreclosed from borrowing money from this government. Money will be loaned to Spain whenever mutually advantageous arrangements can be made with respect to security, terms of repayment, purposes for which the money is to be spent, and other appropriate factors, and whenever such loans will serve the interests of the United States in the conduct of foreign relations."

Dewey Forces Cooked Up Good Deal For Hanley To Forego "Ambitions"

WASHINGTON — It was a secret deal which Dewey forces made with Lt. Gov. Joe Hanley to get him to withdraw from the New York race for governor.

JOHNSON'S SPEECHMAKERS The heat on Secretary of Defense Louey Johnson has been so intense that he has drafted his top assistants into a special task force to tell the public what a great man Secretary of Defense Louey Johnson is.

In a quiet talk the other day, Stennis observed: "We will solve our race problems in the South, if we can have economic parity with the North. It's the bitter competition for jobs and dollars that stirs race trouble. We are making great strides in better understanding and better-educated citizens."

RIVAL TV STARS In the delegates' lounge at Lake Success, a newsman said to Security Council President Sir Gladwyn Jebb: "How does it feel to be a TV idol?"

FROM MISSISSIPPI Sen. John C. Stennis is winning friends for the South on Capitol Hill. No noisy demagogue like his predecessor, Theodore (The Man) Bilbo, Stennis picks up votes in Congress by calm reasoning.

MISSISSIPPI IS A top state in the per cent of the tax dollar going into schools, for both Negroes and whites. But what we badly need is factories to utilize the great man-power pool in the South. We are losing large numbers of trained young men who must look for job opportunities elsewhere."

SEN. STENNIS READILY admits that the wage-hour law, though bitterly fought by fellow Southern conservatives, was a boon to the South by raising its economic level.

"I have learned a lot about my country and the world since I came to the Senate," he comments. "I have learned to understand and respect other points of view."

THE EDUCATION of this Southern statesman is all chronicled in a black loose-leaf notebook. Every night when the Senate Office Building is nearly deserted and the tumult of the day is over, John Stennis carefully sorts out his thoughts and writes them down. His diary contains ideas on legislation, world affairs, and conversations he has had with other senators.

Around The Rim—The Herald Staff "The Buckboard" Is Official Journal For Rodeo Cowboys

"The Buckboard" is the name of the official publication for the Rodeo Cowboys Association.

ducers, contract acts, and for individuals who fail to turn protested prize money as per directors' instructions.

One might naturally expect to carry the standings and calendars which concerned various individuals and shows. In that respect, it would be what Sporting News is to the baseball world.

And if you think the Buckboard hesitates to list those who have fallen from grace, get an issue. There it is by anywhere from 100 to 150 names.

Well, Buckboard does just that, and pretty thoroughly. The standings are carried each month as well as the results in all the shows which have paid membership fees to the points award system.

There is another column reserved for "Deadbeats," explaining that the majority of members are conscientious, sincere and reliable. Buckboard frankly admits that there are a few "hot check artists, hotel skip pers etc. among us."

Besides this, there is about the most complete calendar of show dates you can imagine. It's carried two ways—by shows, and then by calendar dates. The calendar for the approved shows lists not only the dates, but the number of events, cash awards per each, total awards; number of performers; secretary; producer, entry closing date; show time.

Editorially, Buckboard is where to the point. With The RCA and the IRA (International Rodeo Association) each naming champions, the public is apt to become increasingly confused, according to Buckboard. No solution has been found; it continued, but it suggested that a meeting of men with open minds on the question might bring about some method of a joint point award. No agreement could be reached by either side "hogging" the show, said the magazine.

What gives it an unique flavor, to the lay observer, is the candor with which certain items are displayed.

Yes sir, that's cowboy flavor all right. Imagine the official journal of lawyers, doctors and even the press not only admitting the presence of unethical character in the ranks, but advertising them for all to see. Or in admitting that all the facts might not be on their side. Refreshing, very refreshing...

For instance, each month there is a boxed space which details those on the "Blacklist." It doesn't make any difference what the cause. If cowboys have done something to be blacklisted, their name are published boldly for all to see. The same goes for stock contractors and pro-

The Nation Today—James Marlow

Government Seeks Repayment Of Debt For Training Medics

WASHINGTON (AP)—UNDER THE regular draft law—covering everyone except doctors and dentists—only those between 19 and 26 can be drafted into the armed forces.

under the law as to whom he takes first. Congress asked him to do the drafting in this order:

That law stands unchanged. But under another law just passed doctors and dentists up to the age of 50 can be drafted. This doesn't mean, though, that the government will start taking anyone up to 50.

1. Those who had AST or V-12 and put in less than 90 days' military service or none at all. (This No. 1 group also includes those who paid for their own medical training but were deferred from the draft because they were studying medicine.)

The first to be taken will be those who had medical training at government expense during the war but put in little or no military service.

2. Those who had AST or V-12 training and put in more than 90 days' service but less than 21 months of it. (This also includes those in parenthesis under No. 1.)

This is the story: During the war the government set up an Army specialized training program (AST) and a similar program for the Navy called V-12.

3. Doctors and dentists who didn't take any part in AST or V-12 but still have had no military service of any kind.

This was the idea: The government would pay the expenses of youths studying to be doctors, dentists, scientists, and so on.

(This of course would include those who were practicing before, during and after the war, and even those just now getting out of school.)

They received government pay. And until they graduated they were exempt from the draft.

4. Those who had active service. That is, doctors and dentists who are veterans of the war.

ONCE THEY WERE GRADUATED IT was understood they'd start paying back their debt to the government by joining up in the Army or Navy.

(BUT IN THE CASE OF NO. 4 CONGRESS asked the President to be careful about laying down special rules for them, taking into consideration the length of their service, the time they may have spent in the AST or V-12 program, and whether or not drafting them would be tough on their dependents, or on their community.)

Those who finished before the war ended did just that although some didn't see much service before the war was over.

Sometime soon the President will announce a registration date for doctors and dentists. Then:

The training program itself ended in the fall of 1945 when there no longer was a great need for doctors or dentists in Army or Navy.

1. All those under 50 must register with a draft board.

This left many youths, with part of their schooling already paid by the government, free to finish at their own expense.

2 Or, just certain groups, which he'll designate, must register.

And, when they finished, they were free to go into private practice. Some joined the armed forces. Some went into military reserve units. And some just went into private practice.

If a doctor or dentist volunteers for military service, he'll be made a commissioned officer and, in addition to his officer's pay, get a bonus of \$100 a month.

When this country decided to re-build the armed forces—after the Korean outbreak—the Army and Navy made a bid to get some of those still-young doctors, who had had some schooling at government expense, to pay back their debt by joining up.

If the government has to force him into military service by drafting him, he may get a commission but he definitely won't get the \$100 bonus which goes to volunteers. The new law says that plainly.

This bid got a pretty cold shoulder from the young doctors and dentists, even though the American Medical Association urged them to step forward.

What of those doctors and dentists who, whether or not they had AST or V-12 training, have joined a reserve outfit? Do they have to register? Can they be drafted?

SO CONGRESS PASSED THIS BILL giving the President power to call any doctor or dentist up to 50 years of age. Although the President can suit himself

No doctor or dentist who is a member of a reserve unit has to register. Nor can he be drafted. But—being in the reserves, he can be called to active duty any time. If that happens to him, though, he'll get an extra \$100 a month, just like any volunteer.

Notebook—Hal Royle

Stop-Over At Anchorage Is Not A Gay One For War's Evacuees

ANCHORAGE, ALASKA. (AP)—The wives and children of the nation's finest come home this way. Often, late at night, the great planes of Operation Raven stop briefly before the last leg of the long trip to the U. S. A.

over. The fame of their welcome has spread to Tokyo.

The North Pacific run isn't a vacation tour anymore and the evacuees arriving daily at Elmendorf Air Force Base are not the laughing, prosperous international travelers of a few weeks ago. They are families uprooted by war.

The operation was named after the somber raven when it became apparent that dependents in Japan would have to return to stateside homes after husbands became casualties or as new troops required their quarters. But not all the returning dependents are bereaved by the war. Many are optimistic and it is their cheer that means much to the widows on the long Pacific flight.

SOME ARE SHAKEN BY OTHER EXPERIENCE, but there are no tears. Volunteers who meet the planes with food and toys for the children are quick to note the women with a strained and detached look that sets them apart. They are the quiet widows of men who have died in the Korean hills. Reluctantly they give up their infants to volunteers who feed and care for them during the stop.

Some received first notification of their loss in Tokyo casualty lists. A few received suddenly terrible bundles of clothing. The health officer, the immigration man's questions, the customs examination, all are a little unreal for the women who only 20 hours before boarded planes in Japan.

THE RECEPTION PROGRAM AT Elmendorf does everything possible to comfort and care for the evacuees. First planes, after the Korean war started, were met by officers who found themselves unequipped to deal with tired mothers and fussy babies. Then volunteers from the officers' wives and NCO wives clubs took

Janis Yates And Bennett Petty Are Married In Double Ring Ceremony

Janis Yates and Bennett Petty were united in marriage in a candlelight ceremony at the First Methodist church Tuesday evening at 7:30 o'clock.

The bride is the daughter of Mr. and Mrs. W. R. Yates, 705 Johnson. Bennett is the son of Mr. and Mrs. B. F. Petty, 1502 Nolan.

The Rev. Albie Carleton read the double ring informal ceremony before an altar decorated with yellow gladioli and fernery. Lighted white tapers in floor candelabra illumined the nuptial bower.

Proceeding the ceremony, Mrs. Champ Rainwater, organist, played a medley of wedding music and accompanied a sextet, Barbara Greer, Susan Houser, Wanda Lou Petty, Kitty Roberts, Jan Masters and Ann Crocker, who sang "O Perfect Love". Wanda Lou Petty, sister of the bridegroom sang "O Sweet Mystery Of Life".

Given in marriage by her father, the bride wore a white dress of imported chantilly lace over zeus, trimmed in pearls. Her shoulder-length veil was attached to a head-dress of pearls and little of the valley. In carrying out the wedding tradition, the bride wore a pin of pearls and turquoise belonging to her mother-in-law's grandmother, Mrs. Hobbs. Something new was a string of pearls a gift from the groom, something borrowed was a white Bible belonging to her niece, Jo Ann Miller. She wore a blue garter and a sixpence in her shoe.

The bride carried a bridal bouquet of gardenias and tuberoses tied with white satin streamers. Wanda Richardson attended the bride as maid of honor. She wore a dress of aqua organza. Bob Wilson was best man. Ushers were W. H. Reed and L. L. Miller, brothers-in-law of the bride. Jo Ann Miller lit the altar tapers.

For her daughter's wedding, Mrs. Yates wore a dress of black crepe and a corsage of white gardenias. Mrs. Petty wore a white crepe dress and a gardenia corsage.

For her wedding trip, the bride wore a suit of pink gabardine and a corsage of white gardenias. Mr.

MRS. BENNETT PETTY

and Mrs. Petty will be at home in Houston where he will be a Junior at the University of Houston.

The bride is a graduate of Big Spring high school and has been employed at the State National Bank for several years. She is a member of the Beta Sigma Phi sorority. Petty is also a graduate of Big Spring high school and attended school at Howard County Junior college. During World War II he served for two and half years in the Air Corps. This summer he was an employee of Petty Electric Company.

Following the wedding, a reception was held in the church parlor. The bride and groom and their parents received the guests. Members of the houseparty were Mrs. L. L. Miller, Mrs. W. H. Reed, Mrs. R. L. Myers of El Paso.

Tall baskets of white gladioli were on either side of the lace covered serving table which was centered with a three tiered white wedding cake on a mirror reflector. Quेषha Preston served the cake and Millie Balch poured the punch. Jo Ann Miller presided at the guest register.

Out-of-town guests attending the wedding included Mrs. R. L. Myers of El Paso, Mr. and Mrs. Joe Rockwood of Crane, Mrs. Jo Nell Watts of Crane, Mr. and Mrs. Burt Hull and Delores of Seminole.

A rehearsal dinner for the Yates-Petty wedding was held in the home of Mr. and Mrs. L. L. Miller and Jo Ann Monday night.

Attending were Mr. and Mrs. W. H. Reed, Mr. and Mrs. W. R. Yates, Mr. and Mrs. B. F. Petty and Wanda Lou, Bob Wilson, Teresa Shiltz, Quेषha Preston, Millie Balch, Wanda Richardson, Janis Yates, Bennett Petty.

Guests of Mr. and Mrs. H. T. Awalt have been Mr. and Mrs. Oscar Norris, Mr. and Mrs. Rich-

ard Hall and Jimmy and Mrs. Betty White of Lytle.

Mr. and Mrs. Claude King and Frances, Mr. and Mrs. John Gaskins, Junior Gaskins and Bobby spent the week end with Mr. and Mrs. J. A. Barker in Junction.

Mrs. E. L. Roman, O'Dell and Judy spent the week end with S. Sitt and Mrs. Robert Cheathun in San Antonio.

Mr. and Mrs. W. A. Jackson accompanied Darrell to Stephenville Sunday where he will be a student at John Tarleton college.

Guests of Mrs. W. N. Irwin have been Mr. and Mrs. Garrett Richards of Fort Worth, Mr. and Mrs. Hugh Richards of Sweetwater, Mr. and Mrs. F. C. Appleton and children of Vincent, Mr. and Mrs. Marvin Sewell and children, Mr. and Mrs. Gene Haston and James Robert and Mr. and Mrs. George Andus of Big Spring.

Mrs. W. N. Irwin visited Mrs. Rex Morton in Big Spring recently.

Mr. and Mrs. J. C. Spalding and Mary Ann spent the week end with relatives in Amarillo.

Guests in the home of Mrs. J. H. Airhart have been Mrs. W. M. Nichols, Mrs. Edgar Airhart, Mr. and Mrs. E. C. Airhart and Bobby, Mrs. Elsie Smith and Mr. and Mrs. J. F. Airhart of Kee.

Supt. H. E. Barnes reports a large enrollment in the local school with all teachers posts filled.

New teachers of the local school system were honored with a "stew supper" Tuesday night by the Classroom Teachers Association.

In charge of the activities for the evening was Mrs. Margarita Coffey social chairman. She was assisted by Mrs. Jack Reed, mixing queen, Dean Bennett, official can opener, J. A. Coffey, rag mop chairman, Mrs. Johnny Hale, pie queen, Allene Hamilton, official dish washer, Mrs. J. Hardy and Mrs. Virgil Smedley, official pot-lifters, and Walter Reed, general flunky.

All faculty members and board members attended the supper and each brought his or her own spoon and saucer for the stew supper.

Exemplar Chapter Has Program On Germany

Study topic at the meeting of the Exemplar chapter of Beta Sigma Phi Tuesday evening was "Germany." Joyce Croft, Emma Mae Carlton and Pat Dobbins were on the program.

Elizabeth Murdock presided at the business session. The project of the year will be clothing an orphan girl. A chapter is to be established in Snyder this month.

Those present were Pat Dobbins, Johanna Underwood, Elizabeth Murdock, Edna Womack, Mattie Bell Tompkins, Barbara Gage, Lorraine Talbott, Dorothy Hall, Freda Hoover, Joyce Croft, Johnnie Lou Knappe, Marguerite Wooten, and a visitor, Betty Bob Buckley of Ft. Worth.

Mr. and Mrs. B. C. Duncan and Ollie Ruth were in Aspermont Sunday where they attended a reunion of the M. D. Duncan family. Forty-two members of the family were present.

Mrs. Milas Wood Is Given Shower

Mrs. Milas R. Wood was honored with a pink and blue shower in the home of Mrs. J. W. Bryant 1405 Fifth St. Tuesday evening. Hostesses were Mrs. J. W. Bryant, Mrs. Ray Phillips, Mrs. Pat Boatler and Mrs. Mayron Shields.

Floral decorations were assorted flowers and the theme of pink and blue was carried out. Mrs. Boatler registered guests and Mrs. Shields was in charge of the games.

Those present were Mrs. Winston Bryant, Mrs. Ellie Mason, Mrs. F. L. Sneed, Mrs. T. G. Wood, Mrs. Robert E. Lee, Mrs. W. C. Carroll, Mrs. George W. Neill, Mrs. Louise Booth, Mrs. Bud Foster, Mrs. Arthur Pickle, Mrs. Raymond Hamby, Mrs. W. O. Graham, Mrs. Nellie Barton, Mrs. M. O. Hamby, Mrs. J. F. Horner, Mrs. W. A. Prescott, Mrs. Stella Prescott, Mrs. Bob Wren, Mrs. Tommy Lovelace, Mrs. W. D. Lovelace, Mrs. Opal Newton, Mrs. Bill Newton, and the hostesses.

Beta Sigma Phi Gets Two New Members

Two new members were welcomed at the meeting of the Omicron Chapter of Beta Sigma Phi. Both are transfers, Alice Wilson of Fort Worth and Ann Smith from Odessa.

The state project will be donations to Girl's Town it was announced. The next meeting, Sept. 26 will again be in the home of Cozarea Shields, 205 Princeton.

Those attending were Delores Brooks, Bobbie Green, Mildred Puckett, Eric Kilpatrick, Frances Dunlap, Alice Wilson, Mary Reed, Faye Morgan, Delores Heath, Alta Mae Bettie, Lucille House, Doris Stevenson, Corinne South, Theresa Crabtree, Melba Dean Douglas, Lavonne Casey, Patti McDonald, Betty McGinnis, Frances Cooper, Betty Nabors, Margaret Murdock, Jean Ray, Ann South, Pauline Morris, Adelyne Holbert, and the hostess.

Knott Community Reports Visits And Visitors; College Students Leave

KNOTT, Sept. 13 (Sp1)—Wanda Lee Robinson, Coconite Nichols and Jerry Grant left Sunday for Abilene where they will enroll in Hardin-Simmons University. Helen Ruth Clay, Don Barnes, Donald Curry and Charlene Fortune have enrolled in Howard County Junior College. Edna Adams left Sunday for Plainview where she will be a student at Wayland College. Bobby Airhart is in Lubbock attending Texas Tech.

Knott Rebekah Lodge, No. 14, met at the IOOF Hall Thursday night. An application for Willie Barnes was read. Present were Lella Clay, Emma Coker, Minnie Unger, Nora Gaskins, Lora Jeffcoat, Ruby Ross, P. P. Coker and R. H. Unger.

Sunday dinner guests of Mr. and Mrs. W. M. Nichols were Elder R. F. Pepper of Turkey, Mrs. J. J. McGregor and Lillie of Big Spring.

Mrs. Garrett Irwin and Jan of Odessa spent Saturday night with Mrs. W. N. Irwin.

Guests of Mr. and Mrs. H. T. Awalt have been Mr. and Mrs. Oscar Norris, Mr. and Mrs. Rich-

ard Hall and Jimmy and Mrs. Betty White of Lytle.

Mr. and Mrs. Claude King and Frances, Mr. and Mrs. John Gaskins, Junior Gaskins and Bobby spent the week end with Mr. and Mrs. J. A. Barker in Junction.

Mrs. E. L. Roman, O'Dell and Judy spent the week end with S. Sitt and Mrs. Robert Cheathun in San Antonio.

Mr. and Mrs. W. A. Jackson accompanied Darrell to Stephenville Sunday where he will be a student at John Tarleton college.

Guests of Mrs. W. N. Irwin have been Mr. and Mrs. Garrett Richards of Fort Worth, Mr. and Mrs. Hugh Richards of Sweetwater, Mr. and Mrs. F. C. Appleton and children of Vincent, Mr. and Mrs. Marvin Sewell and children, Mr. and Mrs. Gene Haston and James Robert and Mr. and Mrs. George Andus of Big Spring.

Mrs. W. N. Irwin visited Mrs. Rex Morton in Big Spring recently.

Mr. and Mrs. J. C. Spalding and Mary Ann spent the week end with relatives in Amarillo.

Guests in the home of Mrs. J. H. Airhart have been Mrs. W. M. Nichols, Mrs. Edgar Airhart, Mr. and Mrs. E. C. Airhart and Bobby, Mrs. Elsie Smith and Mr. and Mrs. J. F. Airhart of Kee.

Supt. H. E. Barnes reports a large enrollment in the local school with all teachers posts filled.

Study topic at the meeting of the Exemplar chapter of Beta Sigma Phi Tuesday evening was "Germany." Joyce Croft, Emma Mae Carlton and Pat Dobbins were on the program.

MENU FOR TOMORROW

- QUESTS FOR DINNER
- Spicy Tomato Juice
- Chicken Fricassee
- Steamed Rice
- Green Peas
- Pickled Watermelon Rind
- Apple Pandowdy*

*Recipe for Starred Dish Follows: APPLE PANDOWDY

Ingredients: 1 quart sliced apples pare and core before slicing, 1/2 teaspoon cinnamon, 1/2 teaspoon nutmeg, 1/2 cup light corn syrup, 2 tablespoons butter or margarine, recipe rich baking powder biscuit dough. Method: Arrange sliced apples on greased oblong baking dish, sprinkle with cinnamon and nutmeg. Pour syrup over apples and dot with butter or margarine. Cover with biscuit dough which has been rolled to 1/4-inch thickness. Cut several slashes in dough so steam can escape. Bake in moderately hot (450 degree) oven 30 to 45 minutes. Serve hot with nutmeg flavored cream. Makes 6 servings.

Ruth Circle Has Regular Meeting

Mrs. Omer Elliott, circle chairman, presided at the business session of the Ruth Circle of the First Christian church when they met in the church parlor Monday night.

The meeting opened with the Doxology and Mrs. Lloyd Thompson offered a prayer. The lesson was presented by Mrs. Cliff Wiley from Acts 1.

Refreshments were served by Mrs. Curtis Driver, hostess.

Attending were Mrs. Omer Elliott, Mrs. A. L. deGraffenreid, Mrs. A. A. Marchant, Mrs. W. L. Harkider, Mrs. G. L. Jones, Mrs. C. A. Murdock, Jr., Mrs. B. J. Ray, Mrs. Melvin Duratt, Mrs. G. B. Farrar, Mrs. Hacke, Mrs. Mrs. Lloyd Thompson, Mrs. J. L. Johnson, Mrs. J. D. Benson, Jr., Mrs. R. G. Weaver, Jr., Mrs. Curtis Driver, Mrs. James Petroff, Mrs. Cliff Wiley and Mrs. Bill Bener.

Past Matrons Have Supper Tuesday

The Past Matrons Club was entertained with a Chuck Wagon supper on the lawn at the home of Mrs. T. J. A. Robinson Tuesday evening. Veda Carter and Rebecca Morris were hostesses.

Mrs. Leona Benson gave the invocation and Bonnie Allen presided at the meeting. Mrs. Nora Williamson gave the opening prayer for the business session.

Those attending were Eula Hall, Ann Eberley, Brownie Dunning, Fanny Mae Akers, Bonnie Allen, Eula Carnick, Mae Hayden, Ruth Picklin, Beatrice Carroll, Jesse Graves, Edith Murdock, Agnes V. Young, Pearl Wiley, Ethel Lees, Blanche Hall, Berta Mae McCombs, Willie Mae Dalney, Rose Stringfellow, Nora Williamson, Leona Benson, Ortry Boatler, Ruby Reed, Minnie Michael, Dorothy Hull, Emily Andrews, Nettie Mitchell, and Christene Robinson, a visitor.

Lesson Study Held By Nazarene WFMS

A discussion and lesson study from the book, "Jerusalem and Beyond," was held at the meeting of the WFMS of the Nazarene Church Monday night.

Mrs. Curtis Hood was in charge of the program. The opening song was "Bringing In the Sheaves" and Mrs. R. E. Zell read the scripture. Mrs. E. E. Holland led the prayer.

Those taking part on the program were Mrs. J. H. Turner, Mrs. David Beeman, Mrs. B. Y. Dickson, and Mrs. Lewis Patterson. Mrs. C. E. Stewart led the closing prayer.

Those attending were Rev. and Mrs. Lewis Patterson and Vivian, Mrs. Curtis Hood and Larry, Mrs. E. E. Holland, and Mrs. C. E. Stewart, Mr. and Mrs. J. H. Turner, Mr. and Mrs. R. E. Zell, Mrs. David Beeman and Cherry, Mrs. Lowell Holland, Mrs. C. B. Parker, and Mrs. Dickson.

Bobby Fox, son of Mr. and Mrs. Buel Fox will leave Thursday night for College Station where he will be a junior at A&M College.

FULL WHITENING POWER! YET PUREX IS GENTLE TO COTTONS AND LINENS - DEFINITELY MILDER

Purex is safe—yet no other bleach does a better whitening job! Purex whitens your wash with gentle Controlled Action. Scientists say it has "a lower oxidation potential." That simply means: Purex is milder—milder and safer for your cotton and linen fabrics.

Avoid harsh bleaching! No other bleach makes whites whiter or fast colors brighter than Purex. Yet Purex is gentle. Used as directed it protects your cotton and linen fabrics so they last as long as if no bleach were used. Remember! Play safe! Use only Purex, the gentle bleach.

PUREX—THE GENTLE BLEACH WITH Controlled Action

GUARANTEE: We guarantee that Purex, used as directed, will let your cotton and linen fabrics last fully as long as if no bleach were used. © 1950, Purex Corp., Ltd.

AREA OIL NEWS

New Producers Loom In Howard, Borden And Martin

New producers loomed today in Borden Howard and Martin counties. Skelley No. 1 Frances Gunn in north central Howard was taking a potential test after flowing 201.76 a total depth of 7,520 feet...

and went for 27.76 barrels of oil in 40 minutes. The shake out showed two percent basic sediment. Final recovery was 150 feet of oil and gas out mud, 90 feet of salt water. Gas volume was 111,900 cubic feet per day...

hole with acid and is now flowing to clean out, test and complete. Five and half inch string was cemented at 6,872 and the total depth is 6,872. Location is 973 from the east and 467 from the south lines of Sec. 59.25 H&TC.

W. G. BOHANON

Engineer Was Trying To Make Up Lost Time

PITTSBURGH Sept. 13 (AP) — A spare, graying Pennsylvania railroad engineer testified today he was trying to make up time when his crack passenger train rammed the rear of a troop train, killing 23 National Guardsmen.

William Eller, 65-year-old engineer of the Pennsylvania's "Soldier of St. Louis," testified in near-whispers at opening of an investigation into the fatal Ohio crash by the Interstate Commerce Commission, the railroad, the Ohio Public Utility Commission and the Army.

The veteran engineer told how he reduced speed but "not enough" at the first approach block before the stalled troop train. Eller guessed his speed at the time at 50 miles per hour. ICC regulations require that speed be reduced to 30 miles an hour at an approach block so the train can come to a complete stop at the next stop and proceed sign.

Principles of arrangement, color, design and construction of backgrounds, treatment of floors, lighting effects, etc., will be stressed in the course on display. Study of the alphabet, lay-out, composition, copy writing and use of color with pen and brush will be stressed in the show card course.

Final Rites Set For J. T. Joiner

Last rites will be said at 2 p.m. Friday for J. T. Joiner, 79, who died at 6:15 a.m. today in a local hospital.

Mr. Joiner had suffered a stroke in front of the courthouse last election day and had been in the hospital since that time. Service will be held in the Eberly chapel with Price Bankhead, For a n Church of Christ minister, and P. D. O'Brien, Big Spring First Baptist pastor, officiating. Burial will be in the Coahoma cemetery.

Mr. Joiner had lived in Howard county for the past 44 years. On Feb. 4, 1906, he started ranching in the "Went area. Six years ago he sold his ranch and moved to Big Spring. Born May 7, 1871, he was married to Rena Cunningham on Oct. 4, 1896, at Fridonia, Tex. He is a past master of the Masonic lodge in Coahoma.

Mrs. B. C. Cook Dies At Loraine

COLORADO CITY, Sept. 13.—Mrs. Rebecca Cook, 79, died at her home in Loraine Tuesday afternoon. She was the wife of B. C. Cook and had lived at her home near the east waterworks in Colorado City for 62 years. Two years ago they moved to Loraine. Funeral was to be held at the Kiker chapel here this afternoon.

Visitors Welcomed At Lodge Meeting

Two out-of-state visitors were welcomed at the meeting of the Big Spring Rebekah Lodge No. 284 Tuesday night. They were Juanita Gum of the Guyman, Oklahoma Rebekah Lodge No. 241, and Margaret McCarthy of the Eureka Rebekah Lodge No. 149, Barnum, Minnesota.

25, It was announced. Thirty-four sick visits were reported.

Reports were made by appointed committees on preparations being made for the meeting IOOF and Rebekah Association of District 2 here October 28. The drill team practiced for degree work.

Ladies Bible Class Takes Test On Bible

A test was given on the book of Acts at the meeting of the Ladies Bible Class of the Church of Christ Tuesday. The test comes at the completion of a six month course given by Minister Herbert Love.

Newly-Weds Will Make Their Home In Big Spring

Mr. and Mrs. Royal C. Mills, who were united in a double-ring ceremony at the rectory of the St. Thomas Catholic Church last week, will make their home at Apt. A, 1505 Wood St.

The bride is the former Anna Marie Grube, daughter of Mrs. August B. Grube and the late August Grube of Dallas, and the groom is the son of Mr. and Mrs. Joe B. Mills of McKinney. Both are employed at the Veterans Hospital here. She is a nurse in the operating room, and he is a medical ward attendant.

Father Paul E. Hally, assistant pastor, officiated at the informal ceremony. Mrs. Grube gave her daughter in marriage. The couple's wedding was attended by Mr. and Mrs. James T. Hicks.

The bride wore a dress of soft green crepe with brown accessories and an orchid corsage. Her mother wore a light green dress with black accessories and a corsage of carnations. Mrs. Hicks, matron-of-honor wore white with black accessories and a carnation corsage.

Mrs. Mills received her training at the St. Paul's School of Nursing in Dallas. Mills is a graduate of McKinney High School and a veteran of World War II.

What's your biggest temptation?

IF ANY OF THE ABOVE applies to you, you've probably been given countless solutions to your problems till you're tired of hearing them.

Well, we can't offer any help to you on the first two, but when it comes to spending too much money and not saving, we've got an easy, painless way that requires no strain, no struggle, and no self-control on your part. It's...

... the Payroll Savings Plan and a mighty good thing it is, too.

After you sign up, the amount you have designated is automatically saved for you without fail. It's put into U. S. Savings Bonds for you, regularly. Therefore... you'll never find yourself at temptation's door with your savings money in your slippery hands!

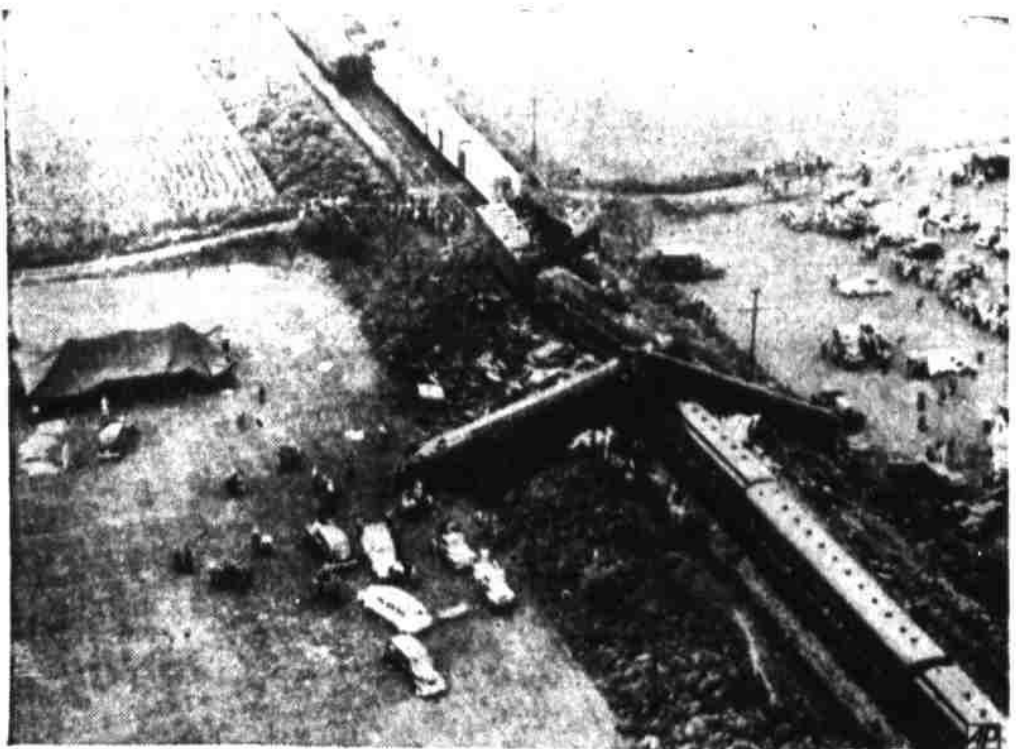

And to prove that Uncle Sam really has your interest at heart, you get four dollars back, after ten years, for every three you save!

Honestly, the Payroll Savings Plan is really the best way to save up for the future that's just around the corner. Don't put it off any longer—sign up tomorrow and you can kiss one temptation good-by!

If you're not on a payroll, look into the Bond-A-Month Plan at your nearest bank.

Automatic saving is sure saving—U.S. SAVINGS BONDS.

This is an official U. S. Treasury advertisement—prepared under auspices of Treasury Department and Advertising Council.

Scottie-Tech Battle Opens Prep Action

BY HAROLD V. RATLIFF ASSOCIATED PRESS SPORTS EDITOR

Touted Highland Park battles a power of the City conference — Crozier Tech of Dallas — tonight in the opening feature of a slam-bang schedule in the Class AA division of schoolboy football.

The Scots, one of the three top-rated teams of the state, throw bulk and experience against the Crozier Tech eleven as Mal Bowers tests his passing arm for the first time this season.

This is the only game of tonight but Thursday, Friday and Saturday nights will find 51 more being played, bringing 71 of the 79 teams of class AA into competition.

Tests of City conference teams feature the schedule with Abilene at Arlington Heights (Fort Worth), Cleburne entertaining Adamson (Dallas), Odessa hosting San Jacinto (Houston), Baytown going to Houston to battle Lamar and Kerrville playing Thomas Jefferson at San Antonio in the most important games.

In interconference warfare Denton goes to Wichita Falls to open the season for the Class AA defending champions and Austin will be at Waco for another major battle.

Five interschool games are scheduled with the clash of mighty Port Arthur and Fortier of New Orleans the headliner. Fortier is a power of Louisiana football and a tough trial horse for the highly rated Yellow Jackets.

The complete schedule by Districts:

- 1-Friday: Childress at Amarillo, Borger at Capitol Hill (Oklahoma City), Hobbs, N. M., at Pampa. 2-Friday: Sweetwater at Vernon, Denison at Wichita Falls. 3-Friday: Quanah at Big Spring, Plainview at Lubbock, San Jacinto (Houston) at Odessa. 4-Friday: Carlsbad, N. M., at Bowie (El Paso), Roswell, N. M., at Sylva. Saturday: El Paso High at Fort Worth Tech. 5-Friday: Abilene at Arlington Heights (Fort Worth), Gainesville at San Angelo, Coleman at Brownwood. 6-Friday: Denton at Graham, Hillsboro at Mineral Wells, Ranger at Weatherford, Adamson (Dallas) at Cleburne, Amon Carter-Riverside (Fort Worth) at Breckenridge. 7-Friday: Sulphur Springs at Greenville, McKinney at Sherman. 8-Wednesday: Crozier Tech (Dallas) vs Highland Park (Dallas). Friday: Gladewater at Grand Prairie. 9-Friday: Tyler at Forest (Dallas) Port Neches at Longview, Paris at Kilgore, Orange at Texarkana. 10-Friday: Marshall at Lufkin, Jacksonville at Henderson, S. M. Houston (Houston) at Conroe, Palestine at Athens. Saturday: Nacogdoches at Milby (Houston). 11-Friday: Fortier (New Orleans) at Port Arthur. 12-Friday: South Park (Beaumont) at Galveston, Baytown at Lamar (Houston), Jeff Davis (Houston) at Galena Park, Austin (Houston) at Freeport, Beaumont at Texas City. 13-Friday: North Side (Fort Worth) at Corsicana, Arlington at Ennis, Austin at Waco, Bryan at Waxahachie. 14-Thursday: Harlandale (San Antonio) at Ray (Corpus Christi). Friday: Kerrville at Thomas Jefferson (San Antonio), Alice at Miller (Corpus Christi). 15-Thursday: Laredo at Alamo Heights (San Antonio). Friday: Edison (San Antonio) at Victoria. 16-Friday: Pharr-San Juan-Alamo at McAllen, Edinburg at Mission, Kingsville at Harlingen, San Benito at Westaco, Texas Military Institute (San Antonio) at Brownsville.

dwelling in the Southwest Conference.

True, 23 of last season's Bruins graduated and the squad of 67 is, for the most part, inexperienced. But, down to the last man, they have team spirit and drive unexcelled anywhere.

Breaking down the personnel new coach George Sauer has to work with, there are 29 sophomores, 15 returners from the 1949 B team, three junior college transfers and 19 lettermen.

Only four of the lettermen were first-stringers on the two platoons that ground out an 8-2 record in 1949. The vacancies in both the forward and backfield were declared "wide open" by Sauer in the spring and he hung the same sign out when he kept practice began.

Three or four good prospects are bidding for each spot.

The forward wall could develop into Baylor's biggest surprise of the campaign. "Iron Mike" Michalske, the line coach, thinks the primary will improve steadily after the season starts.

Shaggin' Stan Williams, Baylor's greatest end since Jack Russell, leads a coterie of flankers. Williams is a definite candidate for All-America in his junior year. The Bears could easily have another all-conference end in Hal Riley. Riley had a good sophomore year but sat out 1949 because of a broken leg.

The punters also are adequate. Larry Isbell and Marshall Alford both are fine left-footed kickers and there are at least half a dozen orthodox foot-swingers. Hank Dickerson will be the place-kicking specialist.

Center and quarterback remain the biggest problems. However, there is a glimmer of optimism there. Coach Sauer predicted "One of those quarterbacks is going to do some fine passing before the year is over." Hayden Fry, a three-let-terman; Squadman Isbell, Bob Reid and Alford are joined by Sophomores Claud Kincannon and Frank Davidson as the signal-calling candidates.

Gale Galloway, 6-4 and 195 pounds, lettered as an end last season. He was shifted to center to help out where four mainstays pivots graduated.

Fullback is well taken care of by team captain Frank Boydston. A pair of very promising sophomores, Richard Parma and Ken Scarborough, fortify fullback.

Veteran Jim Jeffrey, the No. 2 ground-gainer of 1949, is likely to get the nod at left halfback and Don Carpenter, a shifty sophomore, looks good on the right side of the T. Contenton comes from returning lettermen Jim Mott and Johnny Curtis, Squadman Frank Shannon and Sophomores Bobby Brooks and Jackie Day.

King-sized Steve Dowden is one of the starting holdovers at tackle. Ken Casner and Walter Still both got in enough time last year to let letters and are fighting it out for the spot opposite Dowden.

Walter Bates looks like he will repeat at guard and while Bryce Reid seems to be a thin favorite in a ding-dong battle for the other guard spot, John Hancock and Bill Athey will have their share of good days.

Harlingen Wins Way To Finals

HARLINGEN, Sept. 13. (AP) — Harlingen and Corpus Christi open a seven-games series here tonight to determine the championship of the Rio Grande Valley league.

Harlingen moved into the finals last night by beating Brownsville 9-8 to win the series four games to two. Corpus Christi had won its series from Laredo several nights ago.

The Capitols came from behind to beat Brownsville and eliminate the Charros. Four runs in the eighth inning did the trick with Don Petchow singing in the deciding tallies.

Jake McClain, who knocked 52 home runs during the regular campaign, parked a couple, each coming with Petchow on base.

Brownsville 002 031 020-8 10 4 Harlingen 012 020 04x-9 10 3 Goss, Rodriguez, Knoke, Parsons, Meyers and Chagn, Gregg, Christensen, Guthrie and Harshaney.

TOP HAND — Steve Van Buren (above), of the Philadelphia Eagles, is considered the best running back in the National Pro Football league. However, the Eagles aren't rated as strongly as the Cleveland Browns in the East.

Cayuses Gain 2nd Victory In Row, 13-10

ROSWELL, Sept. 13 — The Big Spring Broncs spotted the Roswell Rockets five runs and then put together a 19 hit offensive to defeat the New Mexico club, 13-10, here Tuesday night.

The victory was the second in a row for the Steeds over the Rockets and left them the favorites to enter the final round of the Longhorn league Shaughnessy playoffs. The scene of action now switches to Big Spring for three games, if that many are necessary to decide the winner.

Eight hurlers paraded to the hill during the long battle, four for each side. Manager Pat Stacey of the Hosses had to call on the brilliant Gil Guerra for the second straight night to put out the late Roswell fire. Guerra who came on in the fifth, received credit for the victory.

The Cayuses picked up three runs in the fourth to climb back into the game, then swarmed all over three Roswell hurlers for seven tallies in the fifth.

Every man in the Big Spring lineup had a hand in the attack on the four Rocket hurlers.

Table with columns for team names and statistics. Includes rows for Big Spring (13) and Roswell (10).

Riot Breaks Up Mexico Game

MEXICO CITY, Sept. 13. (AP) — The foreign players in Mexico's major baseball league defeated the Mexican players 12-6 last night in the annual all-star game.

The game was called after the first hit of the eighth inning when irate fans invaded the field in one of the most riotous scenes in baseball history. The park management said fans unable to buy tickets broke down the gates and rushed in. The fans said more tickets were sold than there was space.

Crackers, Barons Go Out In Front

By The Associated Press Atlanta and Birmingham, the one-two teams, put their best feet forward and tripped Nashville and Memphis in the opening games of the Southern Association playoffs.

The Crackers downed Memphis' Chicks 4-2 last night, and the Barons clipped Nashville's Vols 6-4. Memphis is in Atlanta again tonight, and the Vols remain in Birmingham. Then both series move to Tennessee.

FIELDS HAS BIG SQUAD

Stanton Buffaloes Host Big Springers Thursday

The Big Spring Shortorns, reserve grid eleven of the high school Steers will open their 1950 season in Stanton Thursday night, meeting Leo Fields' Stanton Buffs in an 8 o'clock contest.

The Dogies, who are being coached by Conn Isaacs and Larry McCullough, bear much promise. The local coaches will have a better idea of the Shortorns' strength after Thursday night, since the Buffaloes will represent a severe test.

Fields has a squad of 44 men, one of the largest in the Stanton school's history, and it includes eight returning lettermen. Only seven of the numeral winners will see action, however. Terrell Pinkston, who lettered as a back last year is sidelined because of illness.

Still, the Buffs probably will have experienced men starting at all backfield posts and three positions in the forward wall will be held down by lettermen.

Big Bob Lindley gives the Buff line some heft. He weighs in at 218.

The complete probable starting lineup for the Buffs, with position name, experience and weight, in order, follows: Left End, Bobby McClain, squadman, 165; Left Tackle, Bobby Lindley, 1 letter, 218; Left Guard, Freddie Church, squadman, 154; center, James Tunnell, no experience, 178; right guard, Lee Graves, one letter, 145; right tackle, Floyd Davenport, 1 letter, 160; right end, Marshall Huffman, no experience, 146; quarterback, Ken Henson, one letter, 147; left half, Earl Koonce, one letter, 147; fullback, Red Gibson, two letters, 164; right half, Earl Koonce, 1 letter, 154.

Others who are almost sure to see action for the Buffs include Eldon Hopkins and Sadler Bridges, centers; Ray Simpson and Mims, guards; Harlan Woods, Bill Overby and Glenn Cross, tackles; McCoy and Eiland, ends; and Scooter Polk and Hubert Gregg, backs.

The Buffs are interested in playing football, Fields observed.

Sports fans who are interested in the purchase of tickets to this College Game can get them at the above mentioned places, or by writing to the Midland Optimist Club.

Fields was pleased with the per-

formance of the Stanton aggregation in a scrimmage session last Saturday with the Midland B team in that practice round the Buffs had their troubles at times, but on the other hand they experienced some moments of brilliance.

LaMotta Is Favored In His Middleweight Title Skirmish

DETROIT, Sept. 13. (AP) — Middleweight Champion Jake LaMotta is expected to tame Laurent (Tarzan) Dauthuille of France tonight in a promising 15-round title bout at the Olympia stadium. Ring time is 9:00 p. m. (CST).

Back in the city where he wrestled the crown from another Frenchman — the late Marcel Cerdan — 15 months ago, La Motta rules a 5 to 9 favorite. No knockout is predicted.

With radio and television barred, promoter Nick Lonis looks for a crowd of 13,000 to pay \$100,000.

La Motta probably will weigh 159. Dauthuille will be about the same.

ACC-SUL ROSS

Ticket Demand Heavy For Game

MIDLAND, Sept. 13. (Sp1) — Interest is running high in West Texas in regard to the college football game to be played in Midland on Saturday night, September 23rd. Tickets went on sale Friday, September 8, and immediately there was a demand from all sections of the Permian Basin. In fact some areas had roused such interest that it was necessary to deliver blocks of tickets to more local points to handle the demand. By Saturday, two days after the tickets were released, ticket booths had been set up at corner drug in Crane, the First National Bank in Odessa, McCamey News of McCamey, and Rankin Food Market in Rankin. Requests from other cities had been received, and tickets will go on sale in these localities as soon as arrangements can be made for proper handling and distribution.

Sports fans who are interested in the purchase of tickets to this College Game can get them at the above mentioned places, or by writing to the Midland Optimist Club.

Reserve seats will be \$1.80, general admission \$1.20.

Defending Champ Out Of Tourney

ATLANTA, Sept. 13. (AP) — The queen no longer defends her crown in the Golden Anniversary Women's National Amateur golf tournament. And the tide for Texas had begun to run strong.

Mrs. Mark A. Porter, known in golf as "Dot Germain" Porter of Westmont, N. J., the 1946 National amateur winner but here at the East Lake course yesterday she took a 1-up whipping from Mrs. J. Albert Hayes of Philadelphia on the 19th hole.

Pat Lesser, the National and Western Junior champion from Seattle, lost 3-1 to Elizabeth Dodd of San Antonio, Tex.

Three Texas girls besides Miss Dodd won their second round matches. The biggest threat of all the Texans is Polly Riley of Fort Worth. Polly knocked out Mary Agnes Wall, the veteran from

Breck In Action

PHOENIX, Ariz., Sept. 13. (AP) — The Denver Industrial Bankers took a 6-0 victory last night over DeKal III, in the World championship tournament for Women of the National Softball Congress.

In two other games West Allis, Wis., gained a 3-1 decision over Tucson and the Seattle, Wash., Epicures massacred Wichita Falls, Tex., 17-0.

The Epicures fell on two Wichita Falls pitchers for 16 hits in running up their lopsided score.

West Allis plays Breckenridge, Tex., tonight. Menominee, Mich., in a 6-5 walkaway. Betsy Rawls of Austin, defeated Mrs. Reiner M. Torgerson of Garden City, N. Y., 2-1 and Betty MacKinnon of Mt. Pleasant, defeated Jean Donald of North Berwick, Scotland, 5-3.

Broncs Seek Third Straight Win Over Roswell Tonight

Clubs Tangle Here At 8:15

Have the Big Spring Broncs been playing 'possum in the Longhorn league wars?

Local fans will descend upon Steer park this evening to see for themselves if the Cayuses, who rose up from the role of the underdog to twice smash the mighty Roswell Rockets in playoff games at Roswell, can make it three straight wins.

A victory for the Hosses this evening would just about slay the Rockets' chances to slip into the final round against the winner of the Odessa-Vernon series.

Local fans were pessimistic when the Broncs headed for Roswell four days ago to first finish the regular season and then begin the playoffs.

The Rockets took 14 of 22 games during the regular campaign from the locals and seemed capable of making mince-meat of the Big Springers in a set where the chips were down.

But Gil Guerra came along to blank the Rockets in the opening contest, then the Broncs got the better in a slugging match with the New Mexico club last night.

Tom Jordan, the Roswell skipper, is expected to rely on Dean Franks to stay the Broncs bats tonight. Franks has been poison to the Steeds all season. The question is: Can he hold his whammy over a hepped-up ball club that tastes victory and finds it to their liking. Crafty Bert Baez is scheduled to hurl for the Broncs. Baez beat the Rockets last time out and achieved 14 wins throughout the 1949 season. He's a great money hurler.

The Rockets play here again Thursday night. If a fifth game is needed it will be played in the local park Saturday night. There will be no Friday night activity due to the football game carded here.

If the Rockets do succeed in coming back and winning at least two games here the teams will return to Roswell to finish the series.

Admission price for the game tonight is \$1.

GAMES TODAY

MANAGER

LOOKING 'EM OVER

With Tommy Hart

You have only to consult the record if you doubt Jorge Lopez's power at the plate.

The published second sacker, who is completing his second season with the Big Spring Broncs, ranked fourth in home runs and sixth in runs-batted-in in the Longhorn league this year.

Only Tom-Tom Jordan of Roswell, Bob Crues of San Angelo Leo Eastham of Odessa, in that order, had more round trippers than Lopez. Jordan, Eastham, Bill Cearley of Odessa, Jim Prince of Midland and Jim King of Vernon drove more runs across the dish than the Cayuse key-stoner.

Danny Concepcion, the Steeds' first sacker, has received more than one-sixth of all the bases on balls issued the Big Springers. Had Danny been here all season, he would have been pushing Eastham for the lead in that department.

ACE MENDEZ HAD SAME OLD AILMENT
Ace Mendez, who as a Bronc in 1949 led the Longhorn league in strikeouts, is still wading futilely at a lot of third pitches. The most recent WT-NM averages showed Ace to have struck out 111 times for Abilene.

Midland may get a new baseball plant in 1951, according to the word from that city. Midland needs one, but not as badly as does Big Spring. The local park has served its purpose well but is just about obsolete now.

HORNE PLAYED UNDER STALLWORK AT QUANAH
An alum of Quanah high school, which sends its football team here this weekend to meet the Big Spring Steers, is Bill Horne of Our Town.

Bill played football under Dan Stallworth at Quanah back in the '30's. Many an oldtimer here will remember Dan. He was a junior high school principal here in the '20's.

Look for Hardin-Simmons university to have one of its hardest football games of the season Nov. 3. Its opponent for that day is Loyola of Los Angeles, which reportedly is really loaded.

Loyola is the team victimized by HSU not so many years ago, when Bulldog Turner and Burns McKinney teamed up to score the game's only touchdown. Following an out of bounds play, Bulldog brought the ball back and snapped it to McKinney before the Loyols had time to line up. McKinney roared to a TD.

Burns is well known here, manages to officiate at least one local football game every fall.

Peppy Blount, the state legislator who hails from here, will spot at University of Texas football games this fall for Radio Announcer Kern Tipton.

J. W. Thompson, a strapping youngster trying out for the local high school football club, comes from good baseball stock. He's a cousin of Charley Thompson, a tackle on the Sweetwater Mustangs who may rate all-state honors this fall.

CRAVATH LIKES LEAN, HUNGRY PLAYER
Jeff Cravath, the excellent coach of the University of Southern California, says he'll take a poor, hungry kid over the wealthy man's son, any day, when it comes to a football player.

"We ought to have the best football teams in the world here at USC," comments Cravath, "but... there's too much money out here. People in this area have more money than anywhere else in the country. It's a common sight for my football players to drive up in swanky convertibles. Most of them wear better clothes than I can afford."

Some 13,000 tickets were sold to holders of seat options on the new stadium, another 3,000 bought season tickets, and over 2,000 are being held for Rice students and faculty.

Ticket demand is heaviest of the Texas and Southern Methodist games, but the Santa Clara tilt dedicating the new stadium is running a close third.

Plans also are being made to have numerous high school bands in the Houston area participate in the Sept. 30 ceremonies.

Padres, Oilers Go Out Front In Playoffs

By The Associated Press

San Antonio, which finished fourth over the regular season route, and Tulsa, which wound up third, held one-up leads over front-running Beaumont and second-place Fort Worth in the Texas league play-offs today.

It was not unexpected, however. On the basis of the league finish San Antonio and Tulsa were favored to push their way to the final play-off. Both Beaumont and Fort Worth closed out in a slump.

San Antonio knocked down Beaumont 5-1 at Beaumont last night as Southpaw Lou Sleater limited the Roughnecks to six hits. The Lone Beaumont run was unearned.

Tulsa licked Fort Worth 5-2 with Lanky Jim Blackburn giving up only three hits. One of those was a homer by Fred Storck with a man on in the eighth to account for both Cat tallies.

The clubs plays second games tonight with Procopio Herrera (12-7) on the mound for San Antonio, opposed by Clarence Beers (7-7) at Beaumont, and Walker Crass (18-11) starting for Tulsa against Fort Worth's Bill McCaham (2-3) at Fort Worth.

A crowd of 5,334 turned out to see the heavy-slugging Missions batter Beaumont, which used four pitchers trying to stem the tide. San Antonio got two runs in the second and two more in the sixth to win easily.

At Fort Worth 4,336 were on hand to watch Tulsa clout four Fort Worth pitchers for 16 hits, six for extra bases. Walter Post slugged three doubles, a triple and a single in five trips to lead the assault. Blackburn pitched in with a home run with the bases empty in the eighth.

SAN ANTONIO 030 002 100-5 8 1
BEAUMONT 000 000 010-1 6 1
Sleater and Balch; Nevel, Melignano, Schaeffer, Ferris and Courtney.

DICK BURNETT MAY SELL FRANCHISE

DALLAS, Sept. 13 (AP) - R. W. (Dick) Burnett said today he was negotiating for the sale of the Dallas Baseball club of the Texas league.

He said he had placed a price tag of \$1,000,000 (M) on the club and that five parties are interested in the property. They include the New York Giants and the Boston Braves, he said.

The other prospective buyers are a Dallas syndicate and two individuals, not Dallas residents. Burnett, a wealthy Texas oilman

Easter's Homer Sinks Yankees

By The Associated Press

Luke Easter's thundering home run had Detroit atop the American league pennant race.

The big Cleveland first baseman smashed a three-run circuiter in the ninth last night to beat New York 8-7. Detroit, which had triumphed over Washington in afternoon game, 3-2, moved into first place by a half-game over the Yankees.

And the third-place Boston Red Sox made it even closer, edging Chicago, 2-1, to climb to within one game of the Tigers.

The St. Louis Browns, blanked Philadelphia, 6-0.

In the National league, the Philadelphia Phillies protected their 6 1/2 game lead beating the St. Louis Cardinals, 1-0.

Brooklyn's runnerup Dodgers had the rare distinction of getting only one hit and winning. Ewell Blackwell of Cincinnati stopped the Dodgers with one safety, but lost 3-1.

The New York Giants beat Pittsburgh, 3-0, to climb within a half game of the fourth-place Boston Braves, who lost to Chicago, 3-1.

Capacity Crowds Due For Three Of Rice-Owls' Home Grid Games

HOUSTON, Sept. 13 (AP) - While around-the-clock construction crews rush a new 70,000-seat stadium to completion, Rice Institute fans are buying more football tickets than ever before in history.

There are good prospects for capacity crowds for three of the Owls' six home games - Santa Clara on Sept. 30, Southern Methodist on Oct. 21 and Texas on Oct. 28.

This would mean 210,000 people would file into the new stadium on only three week ends. Six games in 1948 drew only 150,000 and last year attracted only 200,000.

This year's ticket sales approximated 20,000 for each of the six games before the general public received a chance to make purchases.

Some 13,000 tickets were sold to holders of seat options on the new stadium, another 3,000 bought season tickets, and over 2,000 are being held for Rice students and faculty.

Ticket demand is heaviest of the Texas and Southern Methodist games, but the Santa Clara tilt dedicating the new stadium is running a close third.

Plans also are being made to have numerous high school bands in the Houston area participate in the Sept. 30 ceremonies.

Santa Clara game visitors also will include the Apache Belles, girls' drill team from Tyler Junior College.

These girls were a feature attraction of the half-time program in January when Rice defeated North Carolina in the Dallas Cotton Bowl New Year's classic.

The Apache Belles will arrive here on Sept. 29 and stay at the Shamrock Hotel. Saturday morning they will lead a downtown parade which will launch the stadium dedication ceremonies.

George Brown, chairman of the Rice Board of Trustees and vice president of the firm constructing the stadium at cost, is confident the huge oval-shaped bowl will be completed by 8-15 o'clock kickoff time Sept. 30.

Over 50,000 seats already have been installed. The architects obviously had the football fan's comfort in mind every time they worked at their drawing boards while designing the stadium.

Comfort - and the beauty of the stadium - will become noticeable as soon as a fan arrives in the area of the stadium, flanked on three sides by three wide boulevards.

Asphalt topped parking areas to handle 10,000 automobiles are to the east and west of the structure and inside the stadium grounds.

Mr. Fan also will have to take a minimum of steps and do a minimum of climbing to find his seat. The playing field is 27 feet below the actual ground surface. Concrete stands with 44 rows of seats encircle the field. Upper decks, with 46 rows, run from slightly beyond the goal lines on each side.

Only about 19,800 of the seats are in the end zones. Elimination of a cinder track around the playing field places front row spectators within 35 feet of the sidelines. The front row also is seven feet higher than the level of the field.

Concrete and steel supports for the upper decks do not obstruct the view from any seat in the lower stands.

The seats, made of three planks of redwood, are 18 inches wide and 12 inches deep. The old stadium seats were 14 by 10.

The architects figure the seating arrangement will permit a capacity crowd of 70,000 to be cleared from the stadium in nine minutes, six-less than the old 30,000-seat structure.

Douglass, who served with the quad's brother Jesse Perricone in World War II, lost the test. Left to right the brothers are Anthony, Bernard, Carl, and Donald Perricone of Beaumont, Tex. (AP Wirephoto)

DELEGATES ARE WEARY

Reds Use 45th Veto To Halt Probe Of Manchuria Bombing

By STANLEY JOHNSON
Associated Press Staff
LAKE SUCCESS, Sept. 13 (U.S. Security Council delegates, after witnessing Russia's 45th veto, began consultations today for the opening of the United Nations General Assembly next Tuesday.

Weary from six weeks of almost daily meetings, they voted to take the rest of the week off and meet for their last pre-assembly session next Monday.

They will take up then Communist China's charges of U. S. aggression against the island of Formosa.

Russia yesterday vetoed an American resolution to set up a commission to investigate other Red Chinese charges of American bombings of Manchuria.

The council then decisively defeated a Russian move to condemn the U. S. for the alleged attacks. Only the Soviet Union voted for its proposal.

Informal sources here speculated that delegates voted the long recess not only to do spare work in preparation for the opening of the UN General Assembly, to which they are also delegates, but to consult their governments on the Formosan issue.

They said such consultation was probably vital to the British, American and French representatives whose foreign ministers are trying to thrash out a Formosan policy at their meetings in New York.

Polio Victim Back In United States

HOUSTON, Sept. 13 (U.S. - Edward H. Rosenwasser, 22, of Fort Worth, stricken with polio in Europe this summer, arrived here last night by special plane from Frankfurt, Germany.

He was flown here by the Air Force and made the trip in an iron lung. On arrival at Ellington Air Force base he was taken to the Southwestern polio center.

Famed Actress Dies While Deep In Debt

NEW YORK, Sept. 13 (U.S. - June Cowell, one of the country's foremost actresses, was deeply in debt when she died last June.

It was disclosed in surrogate's court yesterday that she left assets of only \$3,000 against debts of \$15,000.

TAEГУ REMAINS FOCAL POINT IN KOREAN WAR - The boxed area (A) saw most of the action in the Korean war. American cavalry battalion stormed a Red-held hill eight miles north of Taegu. The Reds shelled the Tabu-Taegu road for the third straight day Sept. 12. In the northeast (B) a secret U. N. force was attempting to spring a trap on Red troops in the Pohang area. In Yongchon area (C) a South Korean force drove nine miles east. On the southwest front (D) American counterattacks recaptured a ridge near Masan. (AP Wirephoto)

Plat Of Mittel Acres Addition Okayed For City

The plat was submitted by J. C. Mittel Jr. and Ed Fisher and embraced the area south of E. 18th between Donley and the alley west of an extension of Owens street.

The commission also approved the appointment of Roy Cardin as police patrolman. Cardin formerly first deputy for the Howard county sheriff, started work Saturday with the police force.

The group voted to open a north extension of N. Gollard through tract No. 8 of the Coffee-Curie addition near the north city limits.

Commissioners okayed a request for the operation of a lunch stand adjacent to the Airport school, provided it is sponsored by the Airport Parents-Teachers group. They approved the final reading of an ordinance prohibiting house-to-house peddling without license.

A request for water outside the west city limits was received favorably, and commissioners agreed to provide the service if property owners would construct their own line to a 12-in. main in the area near the drive-in theatre.

The commission also voted in favor of handling all city insurance through the Big Spring Association of Insurance Agents.

Senator Advises Atom-Bomb Use

LOS ANGELES, Sept. 13 (U.S. - Sen. Clin D. Johnston (D-SC), who says he's tired of "striped pants and cocktail diplomacy," advocates getting tough with Russia, even using the atom bomb.

He told the convention of the National Federation of Federal Employees.

"We should serve notice on Russia without delay that the next act of aggression will mean that the United States will no longer fight in the remote corners of the world but will carry the fight to the very heart of Communist aggression, Russia itself.

"Russia has not progressed as far with the atom bomb as the United States and I for one would not hesitate to use the atom bomb. The time has come to let Russia know that she can not go on forcing Communism on the rest of the world."

Gen. Walker Promises Men An Offensive

U. S. 8TH ARMY HEADQUARTERS, Korea, Sept. 13 (U.S. - Lt. Gen. Walton H. Walker told his long suffering Eighth Army today "It will take the offensive in a very short period of time."

In a fighting talk to his front-line troops, Gen. Walker said: "Soon we are going to give up the attitude of defense which the delaying action has forced on us. As soon as we start forward and break the crust in front of us, the enemy will fold."

"We can feel a weakening of the enemy now," he declared and added: "And in some positions they actually are pulling out."

The Eighth Army commander said there has been weeks of "agony and suffering" for the army in the long, but necessary, stalling and holding while power was built up to take the offensive.

Stanton Legion Installs Newly Named Officers

STANTON (Sp1) Sept. 13-New officers of the American Legion post have been installed here.

They are T. E. Graham, Stanton contractor, commander, Sammy Houston, first vice-commander; Bud Winslow, second vice-commander; Martin Gibson, adjutant; T. J. Lindsay, finance officer; Johnnie P. Cook, service officer; J. D. Fox, sergeant-at-arms; E. W. Ross, historian; Lewis Stewart, chaplain.

Installation was at the hand of Pete Bridges, Littlefield, 19th district commander, and in the presence of the Seventh zone meeting Representatives from posts at Colorado City, Big Spring and Stanton were present. Tom Jay Goss, II, Colorado City, zone commander, presided.

Car Belonging To Colorado City Man Recovered In Loraine

COLORADO CITY, Sept. 13. - An automobile belonging to Eugene Smith, Colorado City, has been recovered in Loraine.

But other items reported stolen from Smith have not been recovered. Smith complained that \$900 in personal effects plus his 1948 Buick were taken without his consent, included were three guitars with an electrical pick up for one, a watch, revolver, typewriter and other things. A warrant has been issued for a man who was believed to have been seen driving the car away.

Big Spring (Texas) Herald, Wed., Sept. 13, 1950 13

PLANTO CHANNEL ALL US AID VIA ONE AGENCY

WASHINGTON, Sept. 13 (U.S. - A plan to channel all foreign aid - both military and economic - through a single government agency reportedly is being drawn up for President Truman's consideration.

Informal officials said today the plan is part of a report now being prepared by Gordon Gray, former Army secretary and new president of the University of North Carolina.

Gray and a staff of government and private financial experts have been studying world economic conditions for the past six months at the request of President Truman.

Tentative conclusions being put into final form, officials said, call for unified administration of all foreign aid programs which involve grants by the American Government. These grants total billions of dollars annually.

First step in the unification proposal, it is reported, would be the merger of the Economic Co-operation Administration ECA, which is directing economic aid to 18 Western European countries plus Korea and China, with the military assistance program now funneling American billions to nearly a score of nations.

These two principal programs presumably would be joined to the "Point Four" program to encourage underdeveloped areas, and the Latin American health and sanitation programs.

Part of the reasoning behind Gray's current thinking officials say is that a tighter check is needed on the money the United States is now distributing to overseas allies.

Other powers suggested for the proposed new agency, it was learned, is that it have a major voice in determining the policies of the Export-Import Bank, and direct the activities of the American representative of the multi-billion dollar World Bank. The Export-Import Bank is this government's principal agency for making foreign loans.

In the steel industry, which supplies material for cars, refrigerators, construction, television, etc., the initial government move was toward easing the pinch of President Truman's projected \$30 billion-a-year arms program.

The government asked the industry to figure out just how much it can expand production capacity, which has just passed the 100 million-ton-a-year mark and is at the highest point in history. Industry promised a prompt answer.

Officers of 21 steel companies, big and little, met at the Commerce Department yesterday with Secretary Sawyer and William H. Harrison, (in leave from the presidency of International Telephone and Telegraph Co., Harrison had just been sworn in as boss of the new National Production Authority (NPA). The President set up NPA in the Commerce Department to help boost the output of guns, planes and tanks.

Escapes Serious Injuries Following Explosion At Home

GARDEN CITY, Sept. 13 - Mrs. Preston Lovelace escaped serious injury Monday when fire followed an explosion at the family home.

She received burns about the face, arms and legs. Mrs. Lovelace was attempting to light a hot water heater. An accumulation of gas, thought to have resulted from a pipe leak, exploded, hurling her backwards.

Neighbors put out the fire before it got out of control. Damage was confined to the bathroom where paper was burned off the wall and fixtures scorched. Some water damage occurred to the remainder of the house.

Easily Made Ensemble

The ensemble is a practical choice for daughter too! Especially this winter-warm hooded coat featuring a dainty little panel frock as companion piece. (Both in one pattern.)

No. 2811 is cut in sizes 1, 2, 3, and 4. Size 2 coat and hood, 1 3/4 yds. 54-in.; dress, 1 5/8 yds. 35-in. Send 25 cents for PATTERN with Name, Address, Style Number and Size. Address PATTERN BUREAU, Big Spring Herald, Box 42, Old Chelsea Station, New York 11, N. Y.

Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra 5 cents per pattern. Just out, the FALL-WINTER FASHION BOOK, filled with exciting new fashions. Over 125 delightfully wearable, easy-to-sew pattern designs for all ages, all occasions. Plenty of smart young school clothes included. Sew and save. Order your copy now. Price just 25 cents.

Mont. Cowoy Leads Parade In RCA Group

Bill Linderman Billings, Mont., runner-up in last year's competition, is currently leading the parade in the all-around cowboy division of the Rodeo Cowboys association.

The September report of RCA shows Linderman with 22,821 points, far ahead of the 15,717 to credit of Gene Rambo, Shandon, Calif., who was third man last year. Jim Shoulters, Tulsa, Okla., last year's winner, is in fourth place, behind Harry Tompkins.

Linderman is not enough that his point total now is more than 1,000 ahead of the final figure posted by Shoulters last year.

Toms Mansfield, Big Spring and RCA president, is leading the calf ropers again, although he possesses no such bulge in his race as Linderman has in the all-around division. Mansfield had 8,153. Others in the ton bracket are Don McLaughlin 7,450, Vern Castro 7,024, Gene Rambo 6,834, Ray Wharton 6,818.

Linderman is the saddle bronc leader with 9,563, followed by Casey Tibbs, 8,560; Bill Ward, 4,913; Gene Pruett, 4,132; Rias Dolan, 3,939.

Harry Tompkins is the bull riding leader with 10,405. Other ropers are Jim Shoulters, 8,460; Gerald Roberts, 5,243; Dave Maso, 4,359; and Wag Blessing, 3,114.

In bareback riding, Wallace Brooks has a slight edge with 5,575, trailed by Buck Rutherford with 5,470. Others are Jim Shoulters, 4,777; Harry Tompkins, 4,646; and Eddie Kridger, 4,450.

Linderman leads steer wrestlers with 8,698. Next is Homer Pettis with 6,245, followed by Dub Phillips with 5,533; Jack Fabor with 4,256; and James Bunum with 3,239.

London Quads Do All Right

LONDON, Sept. 13 (U.S. - The British Commonwealth's second set of quadruplets within a month was reported "all right but premature" a few hours after their birth today.

The newest four subjects of the king - all girls and born within an hour shortly after midnight to Mrs. Elizabeth Coles - were placed in oxygen incubators.

Last month's quadruplets - two boys and two girls - were born during a 50-hour period to Mrs. Betty Sara in Australia.

A nurse described the Coles babies as "fine things." One weighed three pounds four ounces. Two more were each an ounce heavier. The fourth was three pounds 13 ounces.

The 27-year-old mother, a London housewife, was "quite comfortable," hospital officials said. The possibility of four babies had been predicted, but they were not expected until November.

Father David Coles, 31, is a brewery maintenance engineer. The couple has one other child, a five-year-old son.

Two Men Charged With Disturbance

Fred Mabry and Tony Tine were charged by county authorities last night with creating a disturbance after they were arrested at a local tavern.

The two allegedly were fighting. A third party involved in the scrap made good his escape.

Mabry suffered injuries in the fight and was hospitalized.

Rogers Returns

County Attorney A. Mack Rodgers returned last night from Fort Worth where he made an appearance as a witness before a federal grand jury.

The jurors were investigating the reported assault on a Latin-American by a peace officer, which occurred here several months ago.

Maturing The Hard Way - Grim battle experience is reflected in the youthful face of Pfc. William McLendon, Columbia, S. C., who is shown taking a breather near the Masan sector front on Korea's southern defense perimeter. The 25th Division infantryman had just taken part in a tough hill battle against the Reds (AP Wirephoto)

NEW YORK DOCTOR ADVISES

Psychology Should Be Used By Elderly People In High Posts

By FRANK CAREY
AP Science Reporter
STATE COLLEGE, Pa., Sept. 13 — The "fate of the world depends" on expansion of the science of treating people from middle age on — particularly along psychological lines — a New York psychologist remarked.

"It is particularly important," said Dr. George Lawton, that psychological and mental hygiene services be made widely available for — and used by — middle-aged and elderly people who hold positions of power in government, education, labor and industry.

But it is also important that such services be available for and used by all persons in the second half of life — not only to help them live well-adjusted lives but to offset any damaging emotional effects they might have upon children in their midst in case the older persons themselves need guidance.

In a report to the American Psy-

chological Assn.'s annual meeting on the campus of the Pennsylvania State College, Lawton said.

"In nearly all our institutions — government, industry, education — policy is initiated and controlled by individuals in the middle and older age range.

"A small number of individuals in the older age group — through the decision to make war use or not use the atomic bomb or hydrogen bomb — have the power to determine life or death for millions.

Some of these people, he said, are well adjusted with effectively organized personalities, but others, he said, have "aged unsuccessfully" from the emotional standpoint age and control policy.

As to the importance of mental health services for all people from middle age on, he said "most psychological problems originate in the adult, but reveal themselves in the children of this adult."

"We can do as much or more to help a child if we treat his parent or grandparent — and let him be than if we treat him and leave the parent untouched."

"Certainly," asserted Dr. Lawton, "we need a vast expansion of mental hygiene services to children and adults. But it is equally important to have similar services available to middle-aged and older men and women through community psychological service centers, hospital clinics, industrial and union counseling departments."

He said that he hoped that some-

day it would be as common for middle-aged and older persons to submit to periodic psychological checkups "as they now do — or should do — to physical checkups."

Siren Ban Slows Firemen, Police

NEW YORK, Sept. 12 — Sirens no longer scream along New York City streets. As a result, police, firemen and ambulances are having trouble speeding through traffic.

The ban on their sirens, effective yesterday, was imposed by civilian defense officials, who ordered sirens used only as an air raid alert.

Police radio patrolmen reported they were slowed down in answering emergency calls.

The head of the hospital department said ambulances needed some kind of noise gadget to help them buck traffic, and the use of bells is being considered.

Fire trucks already have bells, but one officer complained.

"You almost have to stop for lights now. Drivers hear our bell for maybe a half block ahead. A siren is heard from two to three blocks. A siren commands respect. Bells don't mean anything to the public."

Judge Doesn't Believe In Bets

MIAMI, Fla., Sept. 13 — A deputy sheriff testified he found slips with more than \$100 in bets in Mrs. Marion Stella's purse but Mrs. Stella, 28-year-old mother of two, contended the bets were her own.

"How much do you usually bet?" Criminal Court Judge Ben C. Willard asked yesterday.

"Oh, \$100 a week," Mrs. Stella replied.

"What does your husband do?" "He's a painter."

"And you bet \$100 a week on horses?" "Yes."

"That explanation is an insult to my intelligence," said the judge. "Guilty."

He fined her \$400 and costs.

W. D. Price Talks At Rotary Lunch

W. D. Price, Dallas, was guest speaker at the Tuesday luncheon of the Big Spring Rotary club.

The Pioneer Air Lines representative discussed aviation navigation, pointing out the problems involved in controlling safely the operations of this country's growing number of aircraft. He outlined the role of communications in flight plans and safe navigation under adverse weather conditions.

Price was introduced by James A. Harrison who had charge of the Tuesday program.

Visiting Rotarians included Vic Burgess, A. B. Youngblood, Roy Clifford and J. L. Fargason.
