

**MEDITATIONS**  
By The Editor

Up at Camp Edincott at Davisville, R. I., W. E. DeLong-M M 1/c, who says he is enjoying the efforts put forth weekly in these columns sends us the following clipping:

**"THOSE TEXAS SAVAGES!**  
"French Still Have Strange Notions About the United States.

"Paris, Sept. 26.—The French still have their strange notions about the United States.

"An article about U. S. Army's WACs in the Evening Paris newspaper *Defense de la France*, referred to Pfc. Mary Jones, who, it said, was from a village of '200 souls' in the 'half-savage' State of Texas."

Meditations wants to know if its Texas politics that causes the forming of such opinions?

Perhaps it might be some of the tall tales going around about Texas cattle and sandstorms.

Still no definite opinions have been formed as to a war memorial for Schleicher county. At least some persons are expressing their opinions on the matter. And this writer is reasonably assured that a very suitable one will be erected in Eldorado.

Out in Lovington, N. M. there is a war memorial erected by the American Legion Post. The memorial has attracted attention of many patriotic and civic-minded citizens over the entire Southwest. A few from this county have seen the project and have lauded it in respect to appropriateness, beauty and permanence.

A picture of the memorial was sent this scribe when we requested one from the Lovington Post Commander and no doubt it is a thing of beauty, being built of white brick and carrying display windows to care for nameplates of all service men from Lea County, N. M.

Such a memorial in this county would not only pay a lasting tribute to our service men, but would be a thing of beauty for the community and tourists to enjoy.

We favor the above, but at the same time we still contend that Eldorado needs a park for children to play in. It would promote a considerable discouragement of vandalism existing here, such as rocking elderly ladies, throwing eggs in one church several times and generally littering it up, and on a more recent occasion entering another church and breaking hammers from a piano.

These youths, together with others, need, and will need for generations to come, a playground where they may entertain themselves with health-giving exercise. Let's think this out.

**Mr., Mrs. L. Johnson Assume New Duties**

Mr. and Mrs. Lloyd Johnson are announcing this week the assuming of their new business, effective last week. They are now operation the Gulf Station and store formerly known as King's Gulf Station near the schools.

Mr. Johnson, has for several months been employed at the Jeffrey Gulf Station on Main Street and is experienced in the line of business in which he and Mrs. Johnson are now engaged.

An announcement elsewhere in this issue of the Success carries a message to the general public.

who's new  
this week

Mr. and Mrs. Leo Ivy are the parents of a daughter born Tuesday morning, Oct. 3 at their home on the S. L. Stanford and Son Ranch in the Bailey Ranch Community. The baby weighed 7 lbs., and has been named Rose Marie.

## Annual Lamb Sale Date Oct. 14th

**Marine Returns**

CORPORAL JONES

Mr. and Mrs. S. E. Jones received a wire from their son, Corp. Samuel E. Jones that he had landed in Long Beach, Calif., after having been seeing duty in the Pacific for many months.

Corporal Jones left Eldorado on Oct. 19, 1942. He participated in the invasion of Guam.

**D.F.C. AWARDED  
JIMMY DANFORD**

Galveston Army Air Field, Galveston, Texas, Oct. 4—Emmett J. Danford, son of Mrs. Ruth Danford, Eldorado, Texas, has been enrolled as a student in the Instructors Indoctrination Unit at the Galveston Army Air Field, Galveston, Texas. The school, utilizing the skill and knowledge of veterans in aerial warfare, trains combat men to serve as instructors at various crew training bases throughout the country.

Overseas for 5 months, T/Sgt. Danford participated in 30 missions against the enemy in the European Theatre of Operations. He flew as an engineer to win the Distinguished Flying Cross and the Air Medal with 3 Oak Leaf Clusters.

Entering the Service on July 4, 1942, the Sergeant returned to the United States on July 16, 1944.

**Lt. Fines Rounds Interned At Berne Switzerland Camp**

Lt. Fines L. (Jack) Rounds, a co-pilot on a B-24 bomber is interned for the duration in Switzerland, following the completion of his fifth mission over enemy territory, according to a cablegram from Berne, Switzerland, received recently by his parents, Mr. and Mrs. Harris Rounds now residing in Hot Springs, N. M., and who are former residents of Eldorado.

Lieutenant Rounds enlisted in the Air Corp in Dec. 1941, and received training at Sheppard Field, Wichita Falls, Duncan Field, San Antonio, Goodfellow Field, San Angelo and Curtis Field, Brady. He received his wings at Lubbock in Dec., 1943, and was sent to Casper, Wyo. He left for overseas service from Topeka, Kans., last August.

The interned airman was with the 15th Air Force in Italy and in Crew 5566. He formerly attended the Edorado Schools. His father having been associated with the Red & White Store here.

**Legion Barbecue Well Attended; Visitors On Program**

Some 66 persons, composed of Legionnaires, their wives and families, together with a few invited guests were present on the courthouse plaza Wednesday evening of this week to enjoy a barbecue and fellowship hour sponsored by the local Legion post.

Following the typical West Texas feed the group assembled in the courtroom where they enjoyed a meeting, in which Commander Clyde Keeney presided. Flags were posted, and the group sang "The Star Spangled Banner" led by Mrs. John Williams.

Wesley McAlpine, Petty Officer 2/c, here on leave was introduced and conducted a "quiz program" on some of his experiences aboard U. S. destroyers. Seaman McAlpine related some events concerning his 36 days spent on a life raft with three other white men and three Negroes. Petty Officer McAlpine has just recently returned to the States following 19 months spent in the Central and South Pacific. When asked if plenty of cigarettes were available to men in service he replied, "I have seen times when a pack would have sold for \$20." After having drunk coffee in some sectors the seaman related that he now knows why the English drink tea instead of coffee.

Next on the program was the introducing of Corp. Charles Davis who has just returned to Eldorado from Alaska, which place he states he has thoroughly toured by plane, automobile and truck, but none by rail. He has flown over the Alcan Highway which has been one of the great World War II projects. Corp. Davis related many interesting experiences about Army life in Alaska where he has served for many months. He has served some 9 years in the U. S. Army.

State Chaplain, the Reverend Sterns, Ozona Methodist minister, addressed the assembly briefly on the part the Legion should play and it's responsibilities, emphatically stressing the dire need for clean living in the homes and in the posts.

The chaplain, who served with the 36th Division in World War I as a machine gunner brought out the fact that there were something like 4 million men in the service in the first war and 11 million in this conflict, which showed the possibilities of the large membership in the post-war era.

Post Commander Keeney announced that the Legion would strongly consider the erection of a War Memorial and that the matter would be discussed in a meeting of the post Tuesday evening of next week.

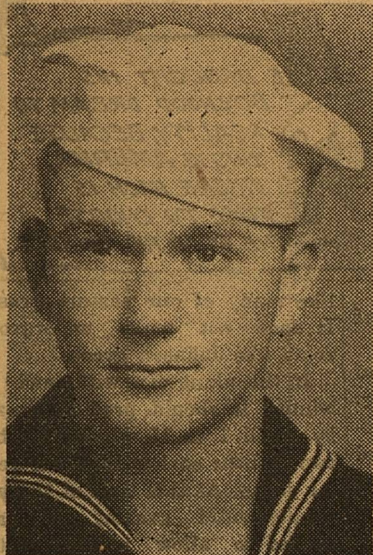

The Flag was retired and the group sang "America," led by Mrs. Williams.

Benediction was pronounced by Rev. Frank Meadow, Methodist pastor of Sonora.

**DR. PENNINGTON ATTENDED MEDICAL ASSN. MEETING**

Dr. H. Z. Pennington attended the annual meeting of the Fourth District Medical Association in San Angelo which was in session Monday of last week. The association is composed of 29 counties.

**Overseas 22 Months**

ERNEST DICKEY, PHM. 2/c

Mr. and Mrs. Ernest Dickey have received a telegram from their son, Ernest, Jr., Phm. 2/c, stating that he had arrived in the States after 22 months of overseas service.

Seamon Dickey, who is in the Medical Corp, entered the service, July 1942. He is a graduate of the Kilgore High School and a post-graduate of Eldorado High School. He was employed in Kilgore prior to entering the services of his country.

**Eagles To Conference Game Today; Played Del Rio Squad Well**

In what has been described by spectators as one of the Eagle's best football games played in many seasons was played last week-end in Del Rio against the Del Rio Wildcats.

The Eagles suffered a call-back of two touchdowns which was related to have been their failure to cop that coveted annual battle's score. Eagle aerial attacks are said to have been too much for the Wildcats when the locals took to the air in the last half and the game ended in a score of 13 to 20 in favor of Del Rio.

Coach Sutherland says his eleven is in good shape to meet the Menard Yellowjackets in the first conference game of the year for the Eagles tonight on the Menard field.

Sonora will be the locals next opponent, which game will be played on the local field in the afternoon of Friday, Oct. 13.

Much enthusiasm has thus far been shown by Brones' players this year, which indicates the team is likely to be much stronger than usual.

**GOOD RAINS FALL AGAIN THIS WEEK**

Another good rain for Schleicher county fell Tuesday of this week, with the following report from the Soil Conservation office released Wednesday:

W. R. Bearce	.85
Eldorado	.89
J. H. O'Harrow	2.40
J. F. Runge	.85
J. F. Oglesby	1.50
J. F. Kinser (no report)	

Heavy rains are reported to have fallen in the Bert Page and other sections.

Alabama is a Creek Indian word meaning "place of rest"

**RENOVATIONS ON METHODIST CHURCH BEGUN**

Trustees of the local Methodist church have let contract for the repair of the church building which was damaged by fire in early September, to W. E. Noah, Sweetwater contractor, and work was begun Wednesday of this week on renovations. Mr. Noah was building contractor on the original structure.

The building was severely damaged by an early night blaze of undetermined origin on Saturday, September 2.

It was understood that completion date of the renovation of the church would depend on securing of labor by the contractor, but some trustees thought perhaps the work would be completed in from 40 to 60 days.

Reasonable assurance was made that materials could be almost duplicated to correspond with the original materials.

**SNFLA Stockholders To Hold Meeting Monday, Oct. 9th**

With official notice to its 151 members already sent out, the Sonora National Farm Loan Association is completing arrangements for its annual Stockholders' Meeting to be held Monday, Oct. 9, 1944, in Sonora at the association office. A. E. Prugel, Secretary-Treasurer, said that the meeting will start at 2:30 p. m. with President, J. A. Ward, Jr. in charge.

Aside from the report on the association's operations and plans for the coming year, the program will include a review of past activities and report by the loan committee.

Five directors will be elected to fill terms expiring this year. Directors of the association, which serves Crockett, Sutton and Schleicher counties are: J. A. Ward, Jr., Sonora; Chas. E. Davidson, Jr., and P. T. Robison, Ozona; B. E. Moore and J. E. Spencer, Eldorado.

**H. D. Clubs To Hold Fall Exhibit Here On Saturday, Oct. 14th**

Saturday, Oct. 14, has been set as the date for the Schleicher County Home Demonstration Club Women to hold their annual fall exhibit. Miss Virginia Ryan stated this week that all club women are asked to have their articles or products to be exhibited in the hands of their club exhibit committees in time for them to arrange the exhibit Friday afternoon, Oct. 13.

**SPECIAL EXHIBIT**

A special exhibit of World War II relics and souvenirs is being arranged. Anyone having articles they care to exhibit should call Mrs. Lum Burk.

The Home Demonstration Club Council is sponsoring the sale of coffee, cake and sandwiches to help defray expenses of the council.

The exhibit is to be held in the Weatherly Building, formerly occupied by the Eldorado Coffee Shop.

Continuing the annual lamb sale which for several years has been conducted by the Parent-Teacher-Association, the Eldorado Lions Club will jointly be connected with the PTA group this year when the sale is held on Saturday, Oct. 14, with Nelson Johnson, well-known West Texas auctioneer wielding the hammer.

Committees from both the P-T.A. and the Lions Club are at work on the project and all final arrangements are being rushed in order that the sale may be conducted on schedule, stated the publicity committee chairman this week.

Sale time has been set for 3 o'clock p.m., and indications are that bidding on the lambs and other items will be brisk, since the proceeds derived from the sale will be used to carry on school and community betterment programs.

This same project has met with hearty approval in surrounding counties and has proven to be a popular method of raising funds to carry on their work programs. The sale has been a success in Eldorado for many years, but this year those in charge hope to make it the biggest one since the project was undertaken.

Donations of lambs are being accepted now, and should there be those persons who have lambs to donate to the sale, it is asked that they phone, or see, any member of the Lions Club who will take the animals to the sale trap where they will be cared for.

The public is urged to be present on Main street on the 14th when the sale will be held on the lot adjacent to the bank building. Come bring a pocket full of money, enter the bidding and enjoy the occasion.

**Ceiling-Support Prices On Hogs**

The Office of Price Administration and the War Food Administration with the approval of the Director of Economic Stabilization have announced that ceiling prices on live hogs will not be reduced from present levels prior to June 30, 1945.

Ceiling prices are \$14.75 per hundredweight, Chicago basis, for hogs weighing 240 pounds or less and \$14.00 per cwt., Chicago basis, for hogs weighing more than 240 pounds.

The War Food Administration also stated that the support price of \$12.50 per cwt., Chicago basis, for good to choice butcher hogs weighing 200 to 240 pounds, which became effective October 1, 1944, as heretofore announced for the period ending March 31, 1945, will be continued until June 30, 1945.

**Mrs. George Baugh Suffers Broken Hip**

Mrs. George Baugh, 84, is in a San Angelo hospital suffering from a broken hip which she received as a result of a fall Thursday of last week at the ranch home of her son, Milton Baugh.

Mrs. Baugh, pioneer resident of this county, has resided for the past several years in Austin with a son-in-law and daughter, Mr. and Mrs. J. Ewing. For the past two weeks she has been visiting with her sons, Milton and Leonard Baugh and a sister, Miss Tom Smith. She is reported to be doing as well as can be expected.

Eldorado Success PUBLISHED EVERY FRIDAY At Eldorado, Texas

W. Irl Breedlove...Owner-Publisher Mrs. W. Irl Breedlove...Adv. Mgr.

Entered as Second Class Matter at the post office at Eldorado, Texas, under the Act of March 3, 1887.

Notices of church entertainments where a charge of admission is made, obituaries, cards of thanks, resolutions of respect, and all matters not news will be charged for at the regular rates.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Success will be gladly corrected upon same being brought to the attention of the publisher.

Two Varieties Of Clover To Be Planted In Schleicher County

Two varieties of clover, Hubam and Yellow Annual, will be planted this fall on 12 different farms in Schleicher county part of the Eldorado Divide Soil Conservation District.

B. E. Moore, district supervisor, received 1025 pounds of clover seed this week for the following cooperators: M. J. Wade, W. G. Powell, Luke Stephens, J. F. Runge, Truett Stanford, Joe B. Edens, John Williams, L. E. Lloyd, F. B. Gunn, B. T. Williams, B. E. Moore and J. E. Spencer.

The soil building properties of the different clovers have long been recognized. A good crop of clover will add to the soil approximately 200 pounds of nitrogen per acre by extracting it from the air and storing it in the roots of the plant.

the soil and increases the rate and amount of water intake.

Several different methods of seeding will be followed including: overseeding of small grain, preferably oats; drilling alone; and planting in rows.

A new type of sudan grass, "dwarf perennial sudan", planted by Luke Stephens in the Reynolds community is approaching the seed harvest stage.

The seed were developed from seed secured from the Experiment Station in South Rhodesia, Africa. The original plants averaged 11 feet tall, while the "dwarf type" grows from 3 to 7 feet tall.

The perennial sudan has withstood temperatures of 15 degrees above zero, and it is not known how much lower temperature it will stand.

like many of our pasture grasses. It does not make underground roots like Johnson grass.

If the plant can withstand the winter, it should produce grazing by April 1 to 15 which is about two months earlier than our regular sudan.

Luke plans to harvest the two acres of sudan with a binder and thrasher, and all seed above his needs will be sold to other farmers.

Prison Rodeo At Huntsville To Start Sunday, October 8th

Huntsville, Texas, October 5 (Special), Huntsville, quiet East Texas city renowned as the home of the great General Sam Houston, will throw aside its dignified wraps next Sunday, October 8, and become one vast, noisy cowtown when the city opens its gates to thousands of visitors for the opening performance of the 1944 "Victory" edition of the famous Texas Prison Rodeo.

"This year's show is called "Victory" edition because all profits which are to be derived from the Sunday performances will be invested in war Bonds, then after the war these funds will be applied to the construction of a modern stadium" says Major D. W. Stakes, general manager of the Texas Prison System.

## CHRISTMAS PACKAGES FOR G. I. JOE

Let's Get Them Off Early!

REDDY KILOWATT  
Your Electric Servant

Army and Navy rules for shipping unsolicited Christmas packages overseas are the same as for last year—but correct addressing is more important than ever.

The package must be mailed between September 15 and October 15. They cannot weigh more than 5 pounds, be more than 15 inches in length, nor more than 36 inches in length and girth combined. Perishables are not allowed and fragile things will be strongly discouraged.

Remember that incorrect addressing can delay delivery for 90 days or more. One reason this is true: Just among the Navy's enlisted men there are 16,000 Smiths, 300 of them with identical first names and middle initials.

Company

# SOCIETY CLUBS PERSONALS

## Mrs. Reynolds Hostess At Wednesday Bridge

Mrs. Jimmie West won high score and Mrs. Ernest Sutherland binged when Mrs. C. A. Reynolds entertained the Wednesday Bridge Club last week in her home.

Others present included Mms. L. L. Baker, W. N. Bearce, E. B. Keng, Hugo Mika, C. C. McLaughlin, S. M. Oglesby, Luke Thompson, V. G. Tisdale, Carrol White, members and a guest, Mrs. R. G. DeBerry.

Mr. and Mrs. Joe Gurley of Pumpville, visited last week with Mrs. Gurley's father, F. B. Gunn and Mrs. Gunn.

## Woman's Club Met In Home Of Mrs. F. B. Gunn Last Week

"The World Grows Smaller" was the subject for the program when the Woman's Club met Tuesday of last week in the home of Mrs. F. B. Gunn.

Mrs. W. N. Ramsay was leader and Mrs. J. E. Tisdale gave a discussion on "The Variety of Human Life." Mrs. Joe B. Edens gave a paper on "The Stakes of Diplomacy."

Refreshments of ice cream and cake were served to Mms. Edens, D. C. Hill, E. C. Hill, L. D. Ochser, Ramsay, C. A. Reynolds, Tisdale, S. D. Harper, W. T. Whitten, Miss Tom Smith and the hostess.

## Mrs. Ben Hext Hostess To WSCS Meeting

"The Call and the Answer" was the theme for the program when the Woman's Society of Christian Service met Monday afternoon in the home of Mrs. S. D. Harper with Mrs. Ben Hext as hostess.

Mrs. F. B. Faust was leader and opened the program with quiet music followed by a song. Mrs. J. E. Tisdale gave the devotional which included a meditation and prayer by Mrs. G. A. Neill, and a directed prayer by Miss Tom Smith.

Others on the program included Mrs. G. R. Marshall who gave "A Sidelight from the Beginning" and Mrs. J. F. Isaacs who discussed "The Journey and I Began My Work at Once."

Mrs. W. H. McClatchey gave "Dr. Swain's Rapid Progress at Bareilly." Mrs. Charles Pope rendered a vocal selection "Others," and Mrs. L. Wheeler discussed the "Work of Miss Isabella Thoburn at Lucknow." Mrs. Keno Ogden gave a "Summary on the Great Progress in India in the past 75 years," and Mrs. Faust closed the meeting with a letter written by a serviceman stationed in India.

Refreshments were served to those mentioned above and Mms. Ben Isaacs, D. E. DeLong, O. E. Conner, A. J. Atkins, and Reuben Dickens.

## THE REV. CARRIKERS DAUGHTER IS THEIR GUEST

Mrs. E. B. Clark, Jr., of Charlotte, N. C., accompanied her mother, Mrs. J. A. Carriker to Eldorado and will visit here several days with her parents, Rev. and Mrs. Carriker.

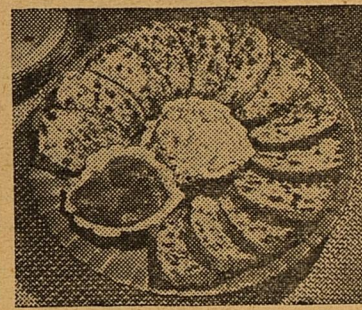

Lieutenant Clark is stationed at the University of Michigan, where he is attending the Judge Advocate General School, and Mrs. Clark expects to join him as soon as he is permanently stationed.

## Party Honors Little Sharon Shiver

Sharon Shiver was honored on her second birthday anniversary when her mother, Mrs. Amos Shiver entertained Thursday, Sept. 26 with a party.

Games were played and punch and cake were served to Monetta Bradshaw, Thomasine and Lynda Jones, Jan Keng, Paula Breedlove, Sharon Sutherland, Jackie and Donnie Welch, Miss Mary Cloud, Mms. Jack Welch, Richard Jones, Ernest Sutherland, H. W. Weidenmann, Miss Ruth Baker, the honoree and the hostess.

## Scotch Oat Bread Livens Up a Meal

Breads can do much to "liven up" a meal—especially such ones as the pictured Scotch Oaten Bread, says the Country Cooking editor of Capper's Farmer, a publication of national circulation.

This crusty, tempting loaf is made from a famous recipe handed down by an early Scotch settler. For breakfast, toast it and serve with butter and jam; it's made to order for snacks; or serve for a supper dessert with creamy cottage cheese and a bowl of homemade jelly, advises the Capper's Farmer expert.

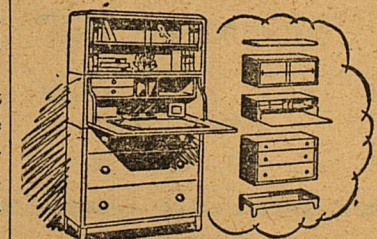

### Scotch Oaten Bread.

2 cups flour 1 teaspoon salt  
1/4 cup sugar 1/4 cups buttermilk  
2 1/2 teaspoons baking powder 2 tablespoons shortening  
1/2 teaspoon soda 1 cup raisins or 1 cup quick-cook-cooked prunes

Sift flour, then measure. Sift with sugar, baking powder, soda and salt. Add rolled oats and mix thoroughly. Combine milk and melted shortening. Add diced fruit, stirring just enough to moisten dry ingredients. Turn into a well-greased loaf pan and bake in a moderate oven for 1 hour.

## Your Home

By Frances Ainsworth

GRAND RAPIDS, MICH.—I have just seen a wonderful new furniture idea. This new idea is furniture made up of "units" so that you can have your furniture exactly to fit your personal needs. It isn't sectional furniture. It's a new "flexi-unit" idea.

For instance, suppose you want a secretary cabinet for your living room. Do you want drawers (narrow or deep) or cupboards (open or with doors) for the bottom part? Do you want a desk unit—or would you prefer a built-in radio-phonograph with place for records—or more drawers or glass front cupboard?

I have seen how with these "flexi-units" furniture, all one solid piece, beautifully finished, can be made up exactly as you want it—for your needs—personally, individually for you, just you.

This revolutionary, modern idea has been worked out for dining room and bedrooms, too.

And, if you have just a small home, or live in an apartment, you can start with just a few "units," adding more later, as you move into a larger place or as your family grows.

For printing of distinction Call No. 77. We know how!

**School Lunchbox Gets Zip With Citrus**

A LUNCHBOX can be as full of zip as the tangerine or orange tucked in, Marjorie Griffin, Home Editor of Capper's Farmer, advises mothers faced with the daily problem of making their school-age youngsters' noon lunch zestful.

"It can be just as refreshing as the thermos of grapefruit juice," she writes in the Country Cooking section of the magazine read by 1,250,000 farm families. "Citrus fruit supplies vitamin C as well as interest to the lunchbox."

Another citrus delicacy that can perform the twofold assignment of providing a tempting dessert for home meals or a toothsome addition to the lunchbox, is Orange bread. It is simple to make and quickly becomes a family favorite.

This bread requires only 1/4 cup of sugar and may be served with or without frosting.

**Orange Bread.**  
1 large orange 1 teaspoon vanilla  
Hot water 1/2 cup white sugar  
Raisins 2 cups flour  
1/2 cup nuts 1 1/2 teaspoons baking powder  
2 tablespoons shortening 1/2 teaspoon soda  
2 eggs, beaten 1/4 teaspoon salt

Squeeze juice from orange and add hot water to make 1 cup. Put rind and pulp of orange through food chopper and add raisins to make 1 cup. Combine liquid, fruit, nuts and melted shortening. Add eggs and flavoring. Add sifted dry ingredients in 3 portions. Mix only enough to dampen flour. Bake in a moderate oven (350-F.) from 50 to 60 minutes.

This recipe for Orange Bread was selected from hundreds sent in by readers of the Country Cooking department of the farm magazine, which invites homemakers to submit practical, wartime recipes each month.

**Humble To Keep Air-ways Busy Saturday With Football Broadcasts**

Humble Oil and Refining Company will keep the air-ways busy next Saturday with five football broadcasts scheduled during the afternoon and evening.

The day's proceedings will start with the first Conference game of the season, the T.C.U.-Arkansas tilt, at 2:30 p.m. over station KXYZ Houston; KTSA, San Antonio;

KGKO, Dallas Ft. Worth and KRIS Corpus Christi. Charlie Jordan will be on hand to bring fans a play-by-play report while Fred Kincaid fills in the color spots.

Another game of wide interest starts at 2:30 also, the Texas University-Randolph Field affair. Kerns Tips and Dick Lyons, a new addition to Humble's staff of color announcers, will cover this one. Stations airing it are KPRC, Houston; WOAI, San Antonio; WFAA, Dallas-Ft. Worth and KTBC, Austin.

At 2:50 fans can tune into stations KRLD, Dallas and KWBU, Corpus Christi to hear Dave Russell describe the S.M.U.-Southwestern game. Jerry Doggett will add the sidelights during preliminaries and between halves.

At 3:30 KTRH, Houston, will start the Rice-L.S.U. broadcast

**Lt. Wallis O. Cozzens Returns To Duty**

Mrs. Mattie Cozzens received a wire Saturday, last, from the Adjutant General at Washington which stated her son, Lt. Wallis O. Cozzens, had returned to duty. Lieutenant Cozzens, a bombardier on a Liberator, was recently reported missing in action, and on Sept. 11, his mother received a wire from his stating that he was safe and well.

Corp. and Mrs. J. T. Kerr of Vincennes, Ind., arrived this week for a visit with his parents, Mr. and Mrs. L. B. Kerr.

with Bill Michaels and Fred Nahas handling play-by-play and color assignments respectively.

At 7:50 Saturday night the final game between Texas A. & M. and Oklahoma University, goes on stations KPRC, Houston; WOAI, San Antonio; WFAA, Dallas-Fort Worth and WTAW, College Station. Ves Bix will report gridiron play, while George Harding highlights color.

**Just Received New Stock of Gas Heaters**

(For Natural and Butane Gas)

These Heaters have clay mantel backs, and are of attractive designs.

**Place To Live**

By GEORGE S. BENSON  
President of Harding College  
Secoy, Arkansas

THE LARGEST single investment made by most Americans is in a place to live. Building is a big business. And statistics show that "Jerry-built" houses bring us more than ten times as much loss as fire. In the last ten years, fire losses in the U.S. have been about three billion dollars while losses resulting from poor building construction exceeded 30 billion dollars in the same period.

It is an ugly picture. Imagine Sgt. Joe D'Oaks coming home from war. The date of his wedding is set and homemaking is in order. He pays his only \$1,000 down on a \$5,000 house in a suburb of his home town. The realtor allows him 15 years to pay off the remaining \$4,000 in rent-like payments of \$35 a month. They cover principal, interest and a few small assessments.

**Buyer NEARLY** five years Beware pass. Joe Junior is four years old. There have been a lot of costly repairs, especially when the piano broke through the living room floor. The front door no longer fits its frame. Heating costs are like robbery. The place is not worth the \$2,000 yet to pay on it and Joe is ready to quit. The D'Oaks family enters temporary quarters and takes a loss of \$3,000 plus.

The house is not paid for. Joe signed instalment notes before he moved in. The real estate man discounted them to a bank. Does the bank lose the \$2,000? Certainly not; the loan was insured by the Federal Housing Adminis-

tration. Soon the FHA takes the mortgage and tries to sell what Joe couldn't endure. Government's average loss on such deals exceeds \$600 and there are plenty of them.

Remember AS OF December 31, 1940, the FHA had insured 634,023 mortgages. During 1941 trouble started developing in houses built in 1935 and 1936. Foreclosures (and delinquencies with expected foreclosures) numbered 5,456 which is 9.4% of loans insured in 1935 and 1936. If the same ratio applied all the way through 1940 when 634,023 loans had been insured, foreclosures reached 59,598.

On the theory that FHA would be self-sustaining, Congress started it out in 1936 with about \$5 million dollars. But the government's loss of \$600 per repossessed house, figured on 59,598 houses, exceed 35 1/2 million dollars. It is not a fantastic figure. FHA's annual report says foreclosures in 1940 increased 26.4% over 1939. These pre-war figures warn that post-war safeguards are needed.

It is not fair if home-coming fighters and war workers, bent on making homes, waste their savings in houses that fall apart. It is not fair for older taxpayers to liquidate notes that these defrauded young-men must default. The solution is in sound construction and mortgage money is the key to better building. Next week's column will be on the subject of "Mortgage Money."

The largest spring in the world is Silver Springs, located six miles east of Ocala, Florida. The great basin is 80-feet deep, 300 feet in diameter, and clear to the very bottom.
